WILL UNVEIL THE PICTURES.

The Masonic Fraternity Preparing for Some Interesting Events.

The Masonic Hall Trust on Thursday evening decided to postpone the unveiling of the portraits of the Past Grand Masters and other prominent Masons who were identified with the fraternity in its early days in Ontario until March 17. The event will be taken part in by all the city lodges.

The lease for the new quarters in the Temple Building, Bay-street, has been signed, and arrangements are now in progress for the opening ceremonies. The entire ninth and tenth floors will be occupied by the Masonic fraternity, and the premises will be ready for occupation in October next. The installation ceremonies in the various lodges will take place in the new hall in December next. For some years past the festival of St. John the Evangelist has not been celebrated by the craft in Toronto in accordance with ancient custom. This year it is proposed to revive the practice, of which the older members retain such pleasant memories, and to hold a grand Masonic ball in the ball room, which is being fitted up in the Temple Building. The event is already being looked forward to with pleasant anticipation by the brethren and their lady friends.

Seats for Street Car Passengers

Editor World: Ald. Spence has done his best to have seats provided for all who use the street cars, but the majority of the Council have baulked. It was hoped Mr. Wanklyn, who has been accustomed to look after the comfort of travelers on the G. T. R., would give the same attention to the patrons of the Street Car Company. That things are not altered can be very well understood by all who know the company, who, according to figures, made nearly $500,000 clear profit out of us last year, yet ignore our request for proper accommodation.

Now, Mr. Editor, the company have a long lease of the streets and something should be done, and at once, to have the rights and privileges of the public settled; either we are entitled to a seat if we pay for it, or we are not. And, as our city fathers (city grandmothers sounds better) will not fight for us, we must be up and doing, and, in order to bring matters to a focus, a few who are compelled to use the cars propose to test the case by refusing to pay fares unless we can get seats, and also refuse to leave the car when requested, and so continue until put off, offering no resistance, but, before doing anything, we seek your advice, Mr. Editor, and we will act on it.

The same William McKenzie who rules the roost here has the control of the car service at Birmingham, Eng., and, according to this morning's paper, he has been trying his grasping policy there, but has run against a snag. Yet Canadians will allow themselves to be bullied by him and his colleagues. Bah!

Give us your advice, Mr. Editor.

J. B. Corkright.

Business Embarrassments.

Cribble & McNab, printers, Front-street east, have been closed out by their creditors.

Young & Bros., plumbers' supplies, Hamilton, have assigned to F. H. Lambe.

John King, general store, Fort William, has assigned to E. J. Henderson. Creditors will meet in Montreal on Monday. Liabilities $30,000.

Mrs. A. Reid, clothing, Chatham, has assigned to E. R. C. Clarkson.

James Cunningham, foundryman, St. Catharines, has assigned to William Thomson.

Samuel Buschlen, manufacturer, Port Elgin, has assigned to H. McLaren.

The creditors of McKenzie & Patch, dry goods, Watford, met yesterday, and the firm was asked to explain why they had given a chattel mortgage covering their entire stock to Thibaudeau Bros. & Co. of Montreal. Mr. McKenzie said that it was given on the understanding that the Montreal house would settle the claims of the other creditors, but this did not satisfy them. The creditors will take legal steps to break the mortgage. The liabilities of the firm amount to $11,148, with assets of $9650. Messrs. Thomas & Kenwood claim the book debts, $1651, to cover an account of $474. On being charged with having returned goods to the value of $1800 to a creditor, Mr. McKenzie said these had been sold for 55c on the dollar.

W. B. Hamilton, Son & Co., of Toronto, wholesale boot and shoe manufacturers, have foreclosed a chattel mortgage of $2000 on goods given by G. Wood of Wingham. The stock will be sold to cover the claim of Hamilton & Co., the other creditors' claims being only trifling.

Ontario Rifle Association.

The members of the Ontario Rifle Association will hold their annual business meeting for the election of officers and council on Tuesday, the 2nd of March, at 2 o'clock, at the Canadian Military Institute, when the annual report and financial statement will be submitted to the meeting. The report shows a large increase in the membership of the association and a consequent increase in attendance at the annual matches, this increase in attendance being no doubt largely due to the addition of the Corporation of the City of Toronto match to the program. The financial affairs of the association are in a satisfactory position, the statement showing that the association has a surplus of $200 odd, exclusive of plant and stores. The arrangement with the Dominion Government, whereby the association has taken over the control and management of the ranges, will prove highly satisfactory to the permanent and local corps, as well as to all others interested in rifle shooting. This agreement provides for the payment of $800 per annum to the association, the association undertaking to pay all cost of maintenance in connection with the ranges, such as caretakers' salary, target supplies and general maintenance of ranges.

Cunard Line Summer Sailings.

The Cunard SS. Company has issued its list of sailings for the summer. As usual, the fleet will consist of the 13,000-ton record-holders, Lucania (5 days 7 hours 23 min.), and Campania (5 days 9 hours 6 min.), and the 8000-tonners, Etruria and Umbria. In addition to the sailings of these favorite steamships, they will have extra trips by the Aurania (7500 tons) and Servia (7500 tons), between April and July, to carry the rush of passengers that cannot get accommodation on the regular service. The past two seasons were record-breakers in the matter of travel, and from present indications the travel this season will be quite as large, if not larger, than the last two seasons.

A. F. Webster, corner King and Yonge-streets, is Toronto agent for the Cunard line.

Spring Trade Sales.

Suckling & Co. announce the opening trade sale for the spring season to take place at their warerooms on Wednesday and Thursday next. They have been successful in inducing British manufacturers to send a quantity of new spring goods for sale, in order to try the market. These consignments consist of dress goods, worsteds, tweeds, linens, handkerchiefs, hosiery, carpets, etc. and 5000 pieces new prints, indigoes, navy spots, fancy prints, furniture prints, flannelettes. Langley & Hallworth, assignees, have consigned to them the tailoring stock of J. J. Ward, Queen-street west, to sell in detail. Catalogues will be mailed on application to the auctioneers, and liberal terms are offered.

The First Foot, a complete novelette, will be given in to-night's Toronto Sunday World.

Sales En Bloc.

On Wednesday next at 2 o'clock the following stocks will be sold en bloc at a rate on the dollar: Robinson & Co., Cheeley, boots and shoes and clothing, $6800; Ray & Co., Lindsay, drygoods, $15,500; W. E. Vernon, Collingwood, clothing, boots and furnishings, $2800; Pugh Bros. & Co., Front-street, Toronto, mantle manufacturers, $2400; and goods in warehouse, $900; M. & J. Yeats, general store, Millbrook, $1800; and on the following Wednesday, March 10, the stock of B. R. Peddie, drygoods, Windsor, $16,000, and the stock of Prevost & Co., Kingston, drygoods, $3300.

The University's Finances.

President London, Chancellor Boyd, Dr. Hoskin, Q.C., and S. H. Blake, Q.C., waited upon the Government yesterday afternoon in reference to the financial condition of Toronto University, which the Government is considering.

One of the many cases of rupture radically cured by wearing a Wilkinson Truss is that of Mr. J. W. C. Allen of McDonald & Allen, Kingston, Ont., who was fitted with a truss by M. B. Lindman, the expert, 85 York-street (Rossin House Block), Toronto, and who writes on Sept. 16th as follows:

I have been badly ruptured for the past nine years, and during that time have been fitted with many different kinds of trusses, manufactured not only in Canada, but in the United States, without obtaining relief. On April 19, 1896, I purchased from you a Wilkinson Truss, being advised by a physician to do so, and I feel confident that I am now perfectly cured. I can assure you that I feel thankful for the results, and if you wish you can refer to me for reference. 26
