MONDAY AT NEW ORLEANS BAD DAY FOR FAVORITES

Garnish Won Handicap — Oakland, Ascot and Essex Park Summaries.

New Orleans, Feb. 6.—Racing conditions to-day were against the favorites and Queen Rose, which won handily, was the only successful favorite. The weather was cloudy and cold and the track heavy. Darius, in the last race, gave the starter trouble, plunting himself squarely across the track as the barrier was sprung and holding Southampton behind him. Summary:

First race, 1 mile—Belle of Portland, 99 (M. Murphy), 12 to 1, 1; Sarah Maxim, 119 (H. Phillips), 13 to 5, 2; Sea Shark, 106 (J. Martin), 9 to 5, 3. Time 1.47 1-5. Mary New, Floral Levy, Esperance, Glendon, Whorler, Habunta and Kentucky Muddle also ran.

Small Fields at Ascot.

Los Angeles, Feb. 6—Small fields and an ordinary card greeted the spectators at Ascot Park to-day. Rudiana, at 7 to 1, the winner of the opening event, furnished a surprise for the talent as well as the bookies. Didn't Mind Frozen Tracks.

St. Louis, Feb. 6.—The postponement of racing at Essex Park for two days on account of a frozen track prompts a local writer to remark a few lines to the effect that such a thing as zero weather or a heavy snowstorm never interfered with racing on the various winter tracks in the vicinity of the Mound City in the old days. "In the winter of 1880 and 1881, says The Republic, "the racing game not only nourished on the local tracks, but was also transferred to the minor courses on the Illinois shore. As late as 1885 winter racing at South Side and Sportsman's Park was a popular amusement in all kinds of weather.

"Winter racing at Sportsman's Park was over a course laid out on what is now League Park, at Sixteenth and Sullivan, the lot which now lies south of the ball park, thus furnishing a pear-shaped course about 5 furlongs and 70 yards in circuit.

"In 1885 such a small thing as a frozen track never disturbed the regulars. They used to journey to the Madison and East St. Louis courses in all sorts of weather, and, prior to 1882, it was notable that nothing ever stopped racing at Madison, St. Louis until the time when the water rose over the track in the flood of 1892, thus preventing the horses from running at that time.

"At Madison, when the outlaw bill of the American Turf Congress—then the governing body of the western turf—was passed, the East St. Louis course decided to shut down. Madison decided to continue operations. January and February of 1893 saw Madison having a clear field in the racing way, and the program was run off regardless of the weather.

"On one occasion, when a heavy rain had fallen and a blizzard had followed in its wake, the track had been thoroly soaked and then frozen hard. The proprietors immediately set a force of laborers at work with teams and wagon-loads of sand to cover the circuit of the course and to break up the ice, which makes it a skating rink.

"On account of lack of time, the teams only broke up the inner section of the course, leaving about 75 feet of ice all around the outer rail. In a shuffle, as the horses came around the lower turn of the five-furlong track, a mare named Josephine Cassidy was crowded onto the ice-covered section of the track and went down with a crash. Her rider, Jockey Mudigan, was thrown immediately in the path of the other horses, and a hoof of one of the racers fairly crushed in his skull, killing him almost at once.

"Within a week thereafter mare took a tumble at the first turn of the track when starting in a five-furlong race. She slipped on the ice-covered surface and turned a complete somersault, catching Jockey Nailing under her leg. His leg was broken and he received injuries which prevented him from ever riding again.

"By some coincidence, nearly two years later, the same mare was in one of the most terrific mix-ups ever seen on the minor local courses, when three horses went down in a heap at Sportsman's Park. Nothing of that sort deterred the game, however, and in the first winter's racing at Sportsman's Park the heaviest fall of snow and the subsequent freezing only resulted in the proprietors of the track putting 1000 loads of sand over the surface of the course.

"This made the track safe enough, as regarded tumbles, but made it so slow that racing was a veritable farce for the first fortnight. Racing over the sand, in which the horses sank to their fetlocks, was one other variety of 'sport' with which local followers of the game were regaled."

Mr. Davies' Cracks Arrive.

Robert Davies' two grand English thoroughbred stallions, Atlas d'Or, ch. h., 5, 16.1, by Molitor, Golden Wings, Bend Or or Rectle Wings, by Galopin, and Orme Shore, ch. c., 4, 15.3, by Orme—Virginia Shore, by John Davis—Distant Shore, by Hermit, reached Toronto yesterday, and are stabled at Mr. Davies' residence, Chester. Orme Shore looks a little the worse for the long journey, but it is expected he will be all right in a few days. Atlas d'Or stood the passage well. They are excellent specimens of the British thoroughbred—clean cut, muscular and splendidly boned.

Dufferin Park Matinee.

The Dufferin Driving Club will hold a matinee Wednesday afternoon, Feb. 15, at the Dufferin track. A meeting of the members was held Monday night and arrangements were completed. Two races—3 race and a mixed race—will be on the card. The track is completely covered with snow at present. A snowshovel bee will be held Feb. 8 to clear off the track. All members are asked to be present at 1.30 p.m. and to bring their own shovels to lift the snow with.

There is a letter at this office for Pitcher Bill Pearson.

The Royal St. Lawrence Yacht Club decided at their annual meeting in Montreal last evening to have handicap races next season.

CLOSING OUT THE HOCKEY PLAY INTER-GROUP GAMES

Peterboro Intermediates Beat Smith's Falls 5 to 3—Belleville and Cobourg Tie.

Smith's Falls, Feb. 6.—The Smith's Falls "Micmacs," winners of group No. 1 in the Intermediate O.H.A., were defeated to-night by Peterboro, winners of group No. 2, by a score of 5 to 3. The Peterboro team certainly presented a husky bunch compared with their opponents, and when lined up against them looked as tho they might have "walked away" with the game, but they found themselves up against as tough a proposition as they have yet met. The score at half-time was 3 all. In the second half, despite the fact that Smith's Falls played a hard and strenuous game and their forwards followed up the rubber with deliberate and scientific precision, Peterboro managed to net two more by neat combination play, and it was by the mere indomitability of the Peterboro defence that the Micmacs were unable to swell the score. The Micmacs should be immortalized by a statue of hard luck, for they drifted with that tide pretty much thruout the game. Both goal-keepers stopped some sizzlers in superb style, and the work of the Peterboro defence was phenomenal. Referee Elliott officiated as referee, and gave entire satisfaction all round the board. He kept them down to the game from start to finish, and, as a result, it was a fast, clean and exceedingly interesting exhibition. The line-up:

Peterboro (5): Goal, Wasson; point, Glover; cover, Crowley; rover, Cavanaugh; centre, Morgan; right wing, Parnell; left wing, Graham.

Micmacs (3): Goal, Mereau; point, Lee; cover, Hammond; rover, Paulin; centre, Dunn; right wing, Armstrong; left wing, Gallipeau.

Smith's Falls will go to Peterboro for the decisive battle Thursday.

Belleville Disappointing.

Belleville, Feb. 6.—Belleville and Cobourg juniors played an alleged game of hockey here to-night, which was the limit. The locals, thinking they were out of the running, have done no practising for some time, with the result that after being ordered by the O.H.A. to play off with Cobourg tonight, they shaped like a lot of false alarms. Cobourg was very little better. It was a splendid exhibition of shinny, and the winners of the round, unless they improve greatly, will get soaked good and proper before they go far in the west.

The Belleville team to-night did not play anything like the game they are capable of, and the result was very disappointing to their friends. The score was 16—2-41, the one of Cobourg's scores was made on a lift, which the Belleville defence did not see. All the scoring was done in the first half. W. S. Hancock of Toronto was referee. He was very strict on offsides and fair to both teams. The teams were:

Belleville (2)—Goal, Holton; point, Townsend; cover, Conley; rover, Pepper; centre, Allen; right wing, Weller; left wing, Hamilton.

Cobourg (2)—Goal, Flesh; point, Moffat; cover, Smith; rover, Robertson; centre, White; right wing, Doheny; left wing, Barr.

Owen Sound Won Semi-Final.

Owen Sound, Feb. 6.—(Special.)—The largest crowd of the season saw the Wellingtons defeat Meaford in a junior O.H.A. semi-final game to-night by a score of 7 to 2. The game was not large enough to overtake Meaford's lead of nine goals in the first game of the round last Wednesday, and the locals are, therefore, out of the game for the season unless the protest which will be filed against Meaford for playing Louckes of Thornbury is successful. The match was an excellent exhibition, but considerable rough work was indulged in during the second half. The teams were:

Owen Sound (7)—Munro, Ellis, Brown, Beattie, Goodall, Mackenzie, Armstrong.

Meaford (3)—Rose, Pilgrim, Rowe, McGirr, Louckes, Murray, Smith.

Referee—W. W. Muir, Toronto. Timekeepers—A. Rankin and Lorne Hill.

Ingersoll Beat London.

Ingersoll, Feb. 6.—The Ingersoll intermediates scored another victory over the London Rambles here to-night, the score being 7 to 5. Ingersoll's Score at half-time was 6 to 1 in favor. The game was very fast and exciting, especially the first half. Line-up:

Ingersoll (7)—Goal, Cross; point, Bell; cover-point, Barrow; forwards, Woolson, Dominey, Montgomery, Gregory.

London (5)—Goal, Leddy; point, Smith; cover-point, Meldrum; forwards, McLennan, Lawson, Evans, Carruthers.

Referee—Gowans, Ingersoll.

Rovers Won at Hamilton.

The Rovers visited Hamilton on Saturday defeated the Highfield School—score 5 to 2—altho it took 10 minutes to break the tie.

The teams were very evenly matched, altho the Rovers were handicapped to a considerable extent by the small rink. The game was called at 11 a.m., at the Thistle Rink. For the Hamilton boys, Menkins and Stinson did considerable slashing and broke several sticks. Auey on the forward line did well. For the Rovers, Eckardt did some fine shooting and Dickson used his weight to advantage, which kept his check out of the way. The forward line, on the whole, did well, and played together, fairly peppering the Hamilton goal in the last half, but Nordheimer, in goal, seemed invincible, and saved his team from a severer defeat. Macbeth, on the Rovers' defence, stopped almost everything, while Anderson, at cover, checked close and hard.

Rovers line-up: Howard, Macbeth, Anderson, Eckardt, Ghent; wings, Macklem and Dickson. Goals scored: Eckardt 3, Dickson 2.

Vics in Finals Against S.P.S.

The semi-final game in the Jennings Klub series played Monday on the Varsity Rink between teams representing Junior Arts and Victoria College, brought out a close contest and a good exhibition of hockey. The Victoria students won by a margin of one goal, the score being at the finish 5 to 4 in their favor. At half-time the Arts men were in the lead, with 4 goals, the Vics having but 2 to their credit. But the second half had a different tale to tell. The Victoria team on the whole were heavier; their weight and the general rough play told in the end on the lighter but speedy Junior Arts' forwards. The Arts' forward line were subjected to considerable rough play and were hard-checked. The Arts defence was strong enough and did well. Davidson and Sherwood were the best of the Arts' forwards; Oldham put up a strong game for Victoria. The teams:

Victoria College (5): Goal, Salter; point, Robinson; cover, McFarlane; rover, Stockton; forwards, Campbell, Davidson, Oldham.

Junior Arts (4): Goal, Keith; point, Boyd; cover, Lambert; rover, Davidson; forwards, Fraser, Laidlaw, Sherwood.
