SINGULAR PHENOMENON.—CHANGE OF SEX.—A recent number of the *Courier de l'Eure* contains the following marvellous piece of intelligence:

"A singular phenomenon occurred at [illegible] at the close of the thunder storm on Wednesday last. The lightning struck a little girl about seven years of age, completely [illegible] her sex and transforming her into a little boy. The lightning did not directly strike the child, but reached her by what is termed a return shock, which will explain why his or her body exhibits no burns or scars.

"An observer, who devoted his attention to electric phenomena writes us, in connection with this fact, that he has ascertained by means of an electroscope [illegible] that the clouds from which the storm of the 13th inst. burst forth, were charged with negative resinous electricity. Consequently the child must have been charged at that time with positive or vitreous electricity. But this phenomenon, which appears so extraordinary, and which we should never have dared to insert in our columns had not reliable persons vouched for its authenticity, is not without parallel.

"In a work entitled 'Singularities Scientifiques,' (1760) vol. 2, p. 17, we find an account of a man afflicted with strabismus, which was electrified by the effects of lightning; and also of a young woman deprived of the use of her left eye by all enquiry to the transparent corner, who recovered the use of that eye from the effects of a stroke of lightning, and lost the other. These facts, the author remarks, may perhaps be explained by the extreme sensibility of the retina. But, however little we may know of the extraordinary and unexpected effects of electricity, it is possible to comprehend the strange phenomenon which has been related to us.

"Ex-Mademoiselle Julie S———, now become of the masculine gender, save from the discomfort occasioned by a thorough shaking up is in excellent health. The strangest thing connected with the whole affair is the stupefaction of the parents. The phenomenon which seems like a miracle, turns all their ideas topsy turvy, and deranges all their plans, for while they were saving up to amass a dowry for their daughter ought to have been thinking how to lay by money to buy a substitute for their son, when he should be in the conscription. What promising commencement of a career. We tremble to think of the complication which this accident might have occasioned, had the victim instead of a child, been a married woman or the mother of a family!"—*N. Y. Evening Post.*

FRIEND OF THE CANADIAN! HOLLOWAY'S PILLS.

EXTRAORDINARY CURE FOR ASTHMA!! OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.

Copy of a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854.

To Professor Holloway,

SIR,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood, [illegible] I have often thought that I should lose her [illegible] about a year ago I thought I would try your Pills, which I did; the result was marvellous, by slow degrees my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged,
(Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY!! AFTER BEING TAPPED THREE TIMES.

Copy of a Letter from Anthony Smith, Esq., Halifax, Nova Scotia, dated 28th August, 1854.

To Professor Holloway,

SIR,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,
(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from James Reeves, of Charlotte town, Prince Edwards Island, dated 17th Nov. 1854.

To Professor Holloway,

SIR,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and langour, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were no good to me, until I had recourse to your Pills, by taking which and following the printed directions for several weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintances and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain Sir, your humble servant,
(Signed) WILLIAM REEVES.
