Business Pointers.

[Reported by Drummond & Goldingham.]

NEW YORK, Dec. 5.—The decline in cotton was due to a report that the Georgia Legislature had instructed its Senators to vote for the Anti-Option Bill, but it proved false and the market quickly advanced.

LONDON, Dec. 5.—Wheat quiet and unchanged; not much doing. Liverpool spot wheat dull, and ¼d to ½d lower. American steady. Danubian slower. London cargoes off coast quiet. California 3d lower, on passage; quiet but steady, nearly due 3d lower. Corn weak.

CHICAGO, Dec. 5.—Wheat opened lower on large receipts at Minneapolis and Duluth; market now firm; provisions strong on lighter receipts of hogs, which are active and firm and 5c to 10c higher.

Estimates on the visible range from 1,250,000 bu to 2,000,000 bu, including wheat.

Live Stock Markets.

EAST BUFFALO, N. Y.

EAST BUFFALO, N. Y., Dec. 3.—Sheep and lambs—With fairly liberal receipts for the closing day of the week, 25 full loads of Canada lambs and 7 loads of Western lambs and sheep, a good demand from order buyers and also from New York butchers' representatives, the market ruled fairly active; in Canadas and best offerings of native sheep and lambs full strong yesterday's prices to 10c advance was realized, and at the advance the stock on sale generally changed hands, while with a light supply of common and cull stuff that class of stock brought full strong prices of the last few days. The New York market reports do not warrant as strong prices for speculative buying as rule here to-day, the market being quoted slow at both Sixtieth street and Jersey City, with best lambs at $6 25, and the prospects are that with anything like a liberal supply of stock for sale prices will go lower. Canada lambs sold at $5 80 to $5 90; one load of tops, $5 95; mediums, $5 65 to $5 75; good 65 to 78 pound native lambs, $5 50 to $5 60; good to best 80 pound, $5 55 to $5 65; good 90 pound sheep, $4 40 to $4 50.

Cattle—Only one car on sale.

Hogs—Receipts about 25 cars; demand fairly good; prices strong and higher; local packers as well as shippers took a fair number and at the close all were sold, the supply being insufficient to satisfy the demand; Yorkers, light to good, ranged from $6 90 to $6 10, with good to choice mediums and packers at $6 15 to $6 25, and one or two loads of choice heavy at $6 30 at $6 35; other grades as quoted.

MONTREAL.

MONTREAL, Dec. 2.—There were about 26 milch cows offered on the market to-day, and as there were not many buyers on hand trade was very slow, and the buyers held back with a view to secure lower prices, as the prices of good milkers are generally considered to be higher than they ought to be. Two very fine cows were sold for $115, and another for $60, while an ordinary looking cow was sold for $41, and these were all the sales made up to 11 o'clock.

County Constable Ward's Case.

Messrs. Jones (chairman), Murdock, Pudney and Brown attended the last meeting of London West School Board. The head master's report showed 348 pupils on the roll and an average attendance of 284. Truant Officer Ward will be requested to attend the next meeting of the board to answer complaints recently made against him for alleged undue interference with a boy named Reeves, who attends a separate school. Trustee Pudney said that he had been informed, on good authority, that Ward had entered the lad's home, grabbed him, offered violence to his mother, and had assaulted R. Hammond, who had remonstrated with him. Other members spoke even more severely of their officer.

The Mayoralty.

The ADVERTISER understands that citizens have, so far, been very chary about promising their votes to the candidate who has been in the field for the past two years. This is a proper course. It is better to see who are to be the "runners" first. Several candidates are spoken of. Among others are J. W. Little and W. J. Reid, both of whom feel disinclined at this time to respond. Ex-Mayor Taylor has also been requested to stand, and so has School Trustee Frank Love. Then there is Col. Gartshore, chairman of the principal committee of the City Council this year, who early in the fall felt disinclined to respond to the numerous requests to allow himself to be nominated for that position which he has well earned at the aldermanic board. The many demands, coming from all sections of the city, that he should continue in the council and accept nomination for the mayor's chair have, however, been so persistent that it is possible he will consent. More may be known of the colonel's views in a day or two.

MIDDLESEX COUNTY COURT.

Judge Davis Presiding—McClary vs. Hammill Laid Over—Notices of Appeal Against Judgments of Magistrates—No Defense in Labatt vs. Benton.

Middlesex County Court and General Sessions of the Peace opened before Judge Davis at the Court House at 1 o'clock this afternoon. W. C. Coo is court stenographer.

In addressing the grand jury, of which A. C. Attwood was chosen foreman, Judge Davis was pleased to say that the cases to come before them were not of a very serious nature. Those of Edward Starr, non-support of wife, and Elijah Nunham, robbery, were the only ones to be considered by them.

Mr. Hutchinson applied to have the case of Oliver McClary against Thomas G. Hammill, for assault, laid over until the next court of competent jurisdiction on account of the illness of the complainant. Granted.

Mr. Judd gave notice of appeal against the judgment of Squire J. B. Smyth in the case of Tillie Spring, convicted on a charge of unlawfully practicing medicine without being first duly registered in accordance with the act.

Mr. McPhillips gave notice of appeal against the judgment of Squire R. F. Lacey in the case of Tiffany against Gilders.

Mr. Fisher gave notice of appeal against the decision of Squire Lacey in case of R. W. Ward against Wm. Sproule, and also against the judgment of Squire Torrance in John Monteith against Alex. Douglas.

Friday at 10 a.m. was set as the hour for hearing these appeals.

There was no defense set up in the case of John Labatt, brewer, city, against A. and A. L. Benton, of Ridgetown. The suit was for $265 59 and $26 interest, amount of account of Mr. Labatt against the two defendants, who carried on a little business in Ridgetown. Both defendants have left for the United States. The service of the summons on the defendants was proved, and judgment given for the plaintiff for full amount of claim and costs.

The Electric Railway.

To the Editor of the ADVERTISER:

I notice that in the matter of electric street railway, the aldermen have been careful to get as many miles of railway as possible, and that is good as far as it goes; but a railway without a service would not be much use to the citizens. Now the aldermen should stipulate that the citizens shall get a regular service without too long an interval between cars. They should also arrange for a service for the workingmen to start from each terminus at such a time in the morning as to reach the corner of Dundas and Richmond streets by, say, 6:55. They should also arrange for a workingmen's rate, but any rate would be useless without the early service. Yours,

WORKMAN.

"August Flower"

Dyspepsia. There is a gentleman at Malden-on-the-Hudson, N. Y., named Captain A. G. Pareis, who has written us a letter in which it is evident that he has made up his mind concerning some things, and this is what he says:

"I have used your preparation called August Flower in my family for seven or eight years. It is constantly in my house, and we consider it the best remedy for Indigestion, and Constipation we **Indigestion.** have ever used or known. My wife is troubled with Dyspepsia, and at times suffers very much after eating. The August Flower, however, relieves the difficulty. My wife frequently says to me when I am going to town, 'We are out **Constipation** of August Flower, and I think you had better get another bottle.' I am also troubled with Indigestion, and whenever I am, I take one or two teaspoonfuls before eating, for a day or two, and all trouble is removed."

THE NEXT MORNING I FEEL BRIGHT AND NEW AND MY COMPLEXION IS BETTER.

My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. This drink is made from herbs, and is prepared for use as easily as tea. It is called
