Farming in Ontario

Modern methods and conveniences have made farming in Ontario a healthy, pleasant and profitable occupation. If you value health, contentment and a big bank account, buy a farm now. We have farms to sell in every locality in Western Ontario.

The following are short descriptions of a few of the farms we have for sale:

No. 6645—100 acres in the Township of East Williams, County of Middlesex; soil clay and clay loam, 10 acres timber, 1½-story frame house, frame barn with stone basement; five miles to Parkhill market and railroad station.

No. 6621—123 acres in the Township of South Dumfries, in the County of Brant; soil clay loam, 5 acres mixed timber, 1½-story stone house, barn on stone wall; this would make a good pasture farm; two miles to Paris market and railroad station, half mile to Falkin P. O.

For further list of farms which we have for sale see today's Free Press, or send for our catalogue of farms for sale.

BUILD UP LONDON!—BEST CHANCE at hand. Twenty per cent interest for sale in patent, which takes the place of pneumatic tires, and can be used on motor trucks and vehicles, etc. Give greater universal resilience, ahead of the pneumatic tires, and will instantly stop a jar, also skidding on wet or slippery pavements. Can be manufactured 75 per cent less. Gives fifteen years' longer life to automobiles, vehicles, etc. Patent applied for, and fees paid in all the principal countries, and investors will share in royalties and sale of these twenty different countries. This invention will be the greatest commercial success of the age, and will surpass in profits any invention yet patented. Thirty per cent has been sold privately, and these investors are well satisfied; the 20 per cent for sale has only a limit time, $1,000, 1 per cent. The inventor requires to cover another invention, the greatest sensation of history. Address Hawkins-Masters, Box 408, London P. O. 92n

NOTICE TO PUBLIC—MANY LETTERS have been received in reference to my advertisement, some asking to state the principle of my invention. To save time and trouble to those looking for information only: Investors must be prepared to meet terms, the same as investors already holding interests; cash in hand paid to my solicitor before the prospects are shown. Intending investors can approach those already bought interest, and have their views of value of my invention. Names of these business men will be given to intending investors. On the issue of my first patent, exhibition will be given in the City of London with automobiles, motor trucks, horse wagons, buggies and bicycles, and the offer to sell partial interests will be at once withdrawn. Yours truly, Hawkins-Masters. 94k
