Lonely but Lively.

A "Lonely" suit is just as good as one that forms part of an assortment.

But as a selling article in a store it may be a failure because it is "Lonely."

When the assortment is broken, sizes depleted and selection gone to smash then the left-over "Lonely" must be "helped" out.

The "Semi-ready" Lonelies are stimulated on their way by losing their label and half or a third of their price.

Then the man who is even half a judge of good clothes gets his innings. He can come here and buy for $10 a suit that would cost (Labelled) $18 or $20.

A lot of good "Lonelies" now on sale here.

LEAGUE LACROSSE GAMES

Shamrocks Won Easily From Montreals and Take Second Place in the Standing.

TECUMSEHS OUT OF C.L.A. RACE.

The Dufferins of Orangeville Won at the Island in Five Straight Games.

The result of Saturday's lacrosse game was fully expected, and the Shamrocks are now in second place, three points behind the Capitals, with one game more played than the leaders. There is only one game on the bill of fare again next Saturday—Toronto at Cornwall for the return match. If the Torontos win they will again be tie with the Shamrocks for second place, while if they lose their chance for the championship will be nil. The standing:

	Won.	Lost.	To Play.	—Goals— Scored.	Lost.
Capitals	5	1	4	29	15
Shamrocks	4	3	3	26	20
Toronto	3	3	4	19	17

Game next Saturday: Toronto at Cornwall.

Dufferin Beat Tecumsehs.

The Dufferin Lacrosse Club of Orangeville practically won the senior championship of the Canadian Lacrosse Association on Saturday afternoon by whitewashing the Tecumsehs at the Island oval before about 600 enthusiastic Tecumseh supporters. The game was one-sided and uninteresting to watch, the Tecumsehs utterly did not play their usual game. Then, again, they were greatly weakened by the absence of Grimes from the defence and Wilkinson from the home. The match was not a round game, altho several of the players were given a three-minute rest at the fence. This was the penalty for minor offences. The game started well on time, and for the first few minutes it looked as if the Braves might have a look-in, but after the first game was scored, it taking over 12 minutes' play, the Tecumsehs began to show the want of their two absentees. The second game was much longer than the first, and the play was at the home goal's end most of the time, and after several attempts McIntyre did the trick. The next three games, like the first two, went to the Dufferins, who deserve all credit in defeating the Island Braves so handily. During the game Shore, Kearns, Hagan, Davis and Angus were ruled off for hard checking. The teams:

Dufferins (5)—Goal, Kelly; point, McNary; cover, Kearns; defence, Shore, Kelly, Bradley; centre, Irvine; home, McIntyre, R. McIntyre, Hoyes; outside, W. Irvine; inside, W. Henry.

Tecumsehs (0)—Goal, Dobbins; point, Dowling; cover, Davis; defence, Behan, Angus, F. Dowling; centre, O'Connor; home, Hagan, Kelly; outside, Kelly; inside, Hartley.

Referee—W. J. Stark, Stouffville. Umpires—J. Armstrong, E. Burley.

Easy Win for Shamrocks.

Montreal, Aug. 12.—The Shamrocks were easily defeated by the Shamrocks in the lacrosse championship series on Saturday afternoon, the score at the finish being 5 to 1 in the Shamrocks' favor. C. L. A. Executive Meeting.

President H. B. Clemens and Vice-President Lionel King met at the Walker House Saturday to look into certain troubles in C. L. A. circles.

The first business considered was the protests lodged by Mount Forest and Shelburne against the Markdale team for playing importations. The Markdale team will not appear in league circles again this season, and on August 20 Mount Forest will play off its tie with Shelburne at the Island.

Elora, for defaulting to Glen Williams, will have to pay expenses of printing and advertising, the account to be sent to C. L. A. secretary.

The Stars of St. Catherines will have to shell out in the same way for defaulting to the Shamrocks of Toronto Junction.

The tie in the Central district between the intermediate teams of Georgetown, Brampton and Fergus has been settled so that each team will need play one additional game. August 17, Georgetown v. Brampton at Fergus. Fergus will play the winner at a place and date yet to be settled.

The tie in junior district No. 6, between Bracebridge and Gravenhurst, will be played off a Orillia on August 17. Lionel King will referee.

For playing at Magog on August 1 Ed. Doyle and J. A. Carmichael, Toronto Junction, will have their certificates suspended.

Carlos Williams, who aimed at playing with Erin, while holding a certificate with Georgetown, will have his certifate cancelled, and unless Erin can show that his connection with Georgetown was unknown, the whole team will be suspended.

Markham Beat Crawfords.

Markham, Ont., Aug 11.—(Special.)—The Crawfords of Toronto, champions of the Toronto Junior League, played a game here to-day, which proved to be the best game ever played here, and resulted in favor of Markham by 17 to 5. The features of the game were the work in the point of Armstrong and Whitlock for the home team, and Davis, Walker and Wilkes for the Crawfords, as well as the clever base running of Hamburg and Filkins for Markham. Mr. Mooring of Toronto was the umpire and gave the most satisfactory decisions ever given on the grounds. The next game here will be with Whitby, on Saturday next.

HEAVIES HAVE THE FLOOR

Champion Jeffries Wants to Fight Both Fitzsimmons and Sharkey Before Sept. 1.

RUHLIN BATTLE WAS VERY FIERCE.

Lanky Bob Pays a Friendly Visit to His Victim—Gossip of the Roped Arena.

New York, Aug. 12.—Fitzsimmons, after resting up at his home at Bergen Beach, made the journey over to Billy Madden's house at Bay Ridge, late yesterday afternoon, where Ruhlin was nursing his injuries.

The stories of Ruhlin's condition being of a serious nature seemed to worry the ex-champion, and he would not rest easy until he had seen his victim.

Fitzsimmons and Ruhlin engaged in a friendly chat. Fitzsimmons said he was glad to see that Ruhlin was in no danger. He complimented the Akron man on his showing and informed the Westerner that he had original prospects ahead if he would take good care of himself.

Ruhlin thanked Fitz for the kind interest he showed by his visit, and the two ignorers, altho trying to knock each other's head off less than twenty-four hours before, parted the best of friends.

Altho Fitz is scheduled to meet Sharkey on Aug. 25, it is possible that this match may be declared off to make way for Jeffries, who is ready to defend his title of heavyweight champion before Sept. 1. In a statement issued last night the Californian agrees to fight Fitzsimmons in Madison Square Garden before Sept. 1. In his statement Jeffries among other things says:

I have to-day concluded my training quarters to continue my work of putting myself into condition. Robert Fitzsimmons, who demonstrated last night that he is a wonderful pugilist, and one whom I have an intense admiration, has often stated, since I defeated him, that he would sacrifice anything for another chance to regain the championship. When I fought with him his manager forced me to give Fitzsimmons 65 per cent. of the purse, win or lose, and in order to obtain the chance I agreed to this unheard-of arrangement. Since that time I have held that I was entitled to a similar division of the purse if I agreed to meet him again, as there can be no question that my victory over him was clear and decisive.

If Fitzsimmons will meet me before Sept. 1 I will agree that the winner take all, or that the purse be divided, 75 per cent. to the winner and 25 per cent. to the loser. If he claims that it would not be justice to Sharkey to declare the present match off between him and the sailor—if this is Fitzsimmons' reason for not meeting me before Sept. 1—I will then make this somewhat novel proposition: I will meet both Fitzsimmons and Sharkey before Sept. 1. Fitzsimmons first, on or about Aug. 25, and Sharkey Aug. 31.

According to the New York papers the Fitzsimmons-Ruhlin battle was one of the hardest fought seen in the metropolis in a long time. It was a terrific slugging match, they declare, with little or no science displayed by either man.

When told of the statement made by Jeffries, Fitzsimmons said: "I feel confident of beating Sharkey, and if I come out of the fight as clean as I did in my fight with Ruhlin, I shall be pleased to meet Jeffries before Sept. 1 in this city, allowing him to dictate terms, he to take 65 per cent., win or lose if he is afraid to meet me winner to take all. I know I can beat him. He is a good man, but the victory over me was Corbett's luck, and was the result of good luck. I shall again be champion of the world."

Harry Gilmore leaves to-day for the west. The ex-champion got all his Toronto friends down on Fitzsimmons to beat Ruhlin, and naturally feels elated over calling the result, even to the number of rounds. He is more has a lightweight comer, Duffy, who has been unable to secure many matches of late and according to a recent issue of The Chicago News, Duffy does not know what accounts for it. "I am willing to meet any of the western lightweights, and will show them what I can do. I would like to get on with Young Kenny, Jack Lewis, Dave Barry, Otto Selloff or any of them at 133 pounds."

At Wheeling, W. Va., Oscar Gardner knocked Gene Garcia of Brooklyn out on Thursday night in the third round. Garcia had the better of the first round, putting Gardner thru the ropes.

Ben Jordan, the English featherweight, is on his way to America seeking a match with Terry McGovern.

Connolly and Ferns To-Night.

Walter C. Kelly has in readiness the Buffalo Courier: John F. Scholes, the retired heavyweight boxing champion of Canada, who now keeps a large hotel and gymnasium in Toronto, arrived in Buffalo last night from New York, where he had been attending the Fitzsimmons-Ruhlin contest. He is stopping at D. McLeod's Hotel in Exchange-street, opposite the Central Station, where the writer had an interesting chat with him last night.

"I never felt more pleased over the outcome of a contest," said Mr. Scholes. Fitz is a royal good fellow and a warm friend of mine. He sent me two box tickets for the fight. I had a few hundred bet on Fitz. He put up the fight of his life last night, and after the first round he had big Gus sized up. He handed some terrible left-handers on the giant's body, and those drives brought about the result, which seemed inevitable after Bob had sent a hard rib-crusher under the heart in the second round. Fitz is a much better man against Ruhlin than he was at the time he fought Jeffries. He was in better condition and he fought with more energy. I really think Fitzsimmons the greatest fighter in the world at the present time."

Mr. Scholes is stopping over in Buffalo to witness the Ferns-Connolly contest. He knows both men well, having seen both of them box Jack Bennett in Toronto. Mr. Scholes thinks Ferns will win.

Both Ferns and Connolly are down to weight and in fine shape for their 25-round contest, which will take place before the Olympic Athletic Club to-morrow evening. Hennessy and McMahon are also reported fit for their ten-round preliminary contest.

Dr. Banta, the official physician of the Olympic Club, yesterday visited the training quarters of Eddie Connolly and Rube Ferns to make a thoro examination of the men. He reported to Manager Herman last night that the gladiators were in first-class shape and fit to battle for a kingdom. No men ever worked harder to get into condition than did Connolly and Ferns.

Orioles Beat Acmes.

At Ketchum Park grounds Sturday the Orioles defeated the Acme Lacrosse team. The Orioles demonstrated their knowledge of the game by defeating the Acmes by 3 games to 0. This places the Orioles at the head of the league.

Arrival of the Gloria.

The long-expected Gloria made her appearance off the Eastern Gap on Sunday morning about 8 o'clock, having come straight up the lake with a quarter breeze and a lumpy sea. Her performance shows her to be a fast boat, and a very able sea-boat. She is painted white, and, excepting for a few stains caused by locks, etc., she looks as fit and trim as possible.

The Gloria was designed by A. E. Payne and built in '98 by the well-known firm of Summers & Payne of Southampton, Eng. Her dimensions are:

Length between perpendiculars	57.00	
Length, water-line	49.41	
Beam	12.04	
Draught	7.00	

The Gloria is rated as a 20-tonner. Her sails are made by the well-known firm of Ratsey & Lapthorn.

For the sake of comparison we append the measurements of the Vreda, designed by G. L. Watson. Mr. McLeod is to be congratulated on being the owner of such a fine craft, and the R.C.Y.C. extend a hearty welcome to the owner, crew and Gloria herself.

In spite of the rain 20,000 persons witnessed the annual sports of the Celtic Football Club at Glasgow Saturday. Among the American athletes who entered were W. B. Tewkesberry, University of Pennsylvania, who won the 120-yard handicap in 12 seconds, and Maxwell B. Long, N.Y.A.C., who won the quarter-mile handicap.

RAN IN HEATS AT SARATOGA

Charentus Won Kearney Handicap in Two Straight, Mr. Jersey Second and Gonfalon Third.

STOVER'S COUP AT HIGHLAND PARK

Long Shots Land Two Races at Windsor—Summaries and Entries for the Day.

Saratoga, Aug. 11.—Charentus won the Kearney Handicap heat race at six furlongs this afternoon in two straight heats. Mr. Jersey hung on gamely and finished second, half a length in front of Gonfalon, who ran disappointingly. Saunders finished third in the first heat, but went to the post the second time sore. The racing was good, the starting fair, with the exception of the six-furlong handicap for 2-year-olds, in which Inshot left the post with a flying start. Luke Ward stumbled right at the start, and fell to his knees. This accident lost him all chance of becoming a contender. The race was won by Far Rockaway, who was the only favorite past the wire. The closing race resulted in a close finish between the California colt, Advance Guard, and Mayor Gilroy, the verdict being Advance Guard by a nose. Mayor Gilroy should have won, but he swerved a trifle a sixteenth from the finish, and this lost him the race. Prejudice was beaten a length in the mile and a furlong selling race by Compensation. R. Murphy, who rode Prejudice, was set down by the Stewards for a week for incompetency. Summary:

First race, $400 added, for 2-year-olds, selling, 5½ furlongs—Edgefield, 104 (Shaw), 6 to 1 and 2 to 1, 1; Farmer Bennett, 108 (Burns), 14 to 5 and even, 2; Snark, 104 (Bullman), 3 to 1 and 6 to 5, 3. Time 1.08½. Quiz II., Salvelatea, Juniper, Miss Daniels, Denman Thompson, Cogswell and Boomerang also ran.

Second race, $
