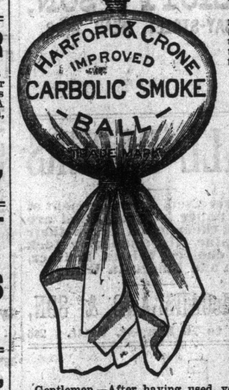
CARBOLIC SMOKE BALL.

(TRADE MARK.)



This remarkable remedy—CARBOLIC SMOKE—has been used in the Eastern and Western States with the most gratifying results. It acts as a disinfectant upon all the mucous membrane where the air cells exist, healing them up in a short time. By experimenting in a thorough manner it has cured in nearly every case the most severe forms of Catarrh, Asthma, Bronchitis, Neuralgia, Headache, Croup, Sore Throat, Eyes, Ears, etc. This Carbolic Smoke disinfects the poison in the mucous membrane of the head, throat, bronchial tubes and lungs, upon the same principle as Carbolic Acid would act upon the diseased and poisonous air arising from a patient in a sick room. It is perfectly harmless, either in the poison that causes the disease. It is put up in "Little Balls," that can be used at home or on the street, in the office or counting room, with perfect ease.

I have been using the Smoke Ball for about three weeks, and am happy to say I am silent cured.
Yours truly, T. W. DAVIS, American Express Co., Union Depot, Toronto.

CARBOLIC SMOKE BALL CO. TORONTO, ONT., May 28th, 1887.
Gentlemen,—When I commenced using your Smoke Ball for catarrh, some three weeks ago, my head and throat gave me so much trouble that I was totally unfit for business of a morning. The symptoms have all disappeared, and I feel like a new man. ALEX. WYTE, St. James Hotel, Toronto, Ont.

CARBOLIC SMOKE BALL CO. TORONTO, June 3, 1887.
Gentlemen,—I procured one of your Carbolic Smoke Balls for my wife, who was suffering from a severe attack of acute bronchitis. She was completely cured by the use of the Smoke Ball in five days. We cheerfully recommend it to others. G. COLEMAN, Advertising Agent Toronto News.

CARBOLIC SMOKE BALL CO. TRENTON, Ont., May 19, 1887.
Gentlemen,—The Smoke Ball I procured from you has done me a world of good. It has removed those most excruciating pains that appeared to be located between the eyebrows and the hawking and unpleasant discharge of mucous have almost entirely ceased. Very truly, G. W. OSTROM, M.P.P.

CARBOLIC SMOKE BALL CO. TORONTO, Ont., June 7, 1887.
Gentlemen,—I procured one of your Carbolic Smoke Balls ten days ago, for my son and daughter, the one afflicted with asthma, the other with catarrh. It is just what it is recommended to be. Has now almost effected a cure in both cases. We recommend it to others. K. McKAY, Wall Papers, 239½ King-street east.

CARBOLIC SMOKE BALL CO. HAMILTON, Ont., June 8, 1887.
Since using your Carbolic Smoke Ball I have had the greatest relief I have had in three years. I have tried many remedies for catarrh and asthma, but yours has done me more good than all the others combined. I cannot speak too highly of it. JAS. YULE, Empire House, Hamilton, Ont.

CARBOLIC SMOKE BALL CO. TORONTO, Ont., June 13, 1887.
Gentlemen,—This is to certify that I have used one of your Smoke Balls the last four weeks and must say it is giving me great relief. I can recommend it. F. DIVER, Electrotyper, 14 King-st. east.

Gentlemen,—After having used your Smoke Ball for now nearly three weeks, I am delighted with the results, it having restored my taste and smell and is entirely killing the disease, catarrh. G. A. HODGKINSON, with Simpson & Co., 86 Yonge-street.

Call at our parlors. Treatments and consultation furnished without charge. Investigation requested and satisfaction guaranteed. Smoke Balls $2.00 each. By mail 6c. for postage. Office hours—Week days from 8 a.m. to 9 p.m. Separate parlors for ladies.
