Association Football.

The Scots juniors will practise this afternoon, on the Varsity cmpus. Members please take notice.

The All-Saints Athletic Club have secured Sunlight Park for the players in their football, baseball and lacrasse teams. The first football practice will be held on Saturday, when all players, juniors and intermediates, are requested to turn out. Any new players wishing to join will be heartily welcome.

On Tuesday evening next the Central Y.M.C.A. will organize for the coming season. Application has been made for entry into the City League and the Victoria College athletic grounds have been secured. A few years ago the city championship was held by the Y.M.C.A. team, but lack of grounds has been a severe handicap of late. This has now been overcome, and practice will commence at once, with the hope of again landing the championship.

The Toronto Carpet Company and a picked team play the opening Association football match of the season, at Stanley Barracks ball ground, at 3.30 this afternoon. All players of the intermediate team are requested to turn out, as the opposing team will be composed of some very fast English and Scotch players. The following players are requested to be on hand at 3, when the team will be selected: Woodward, Ellerby, Hamilton, Bryans, Crane, Lang, Snyder, Robinson, Collins, Gregg McFarlan, Burgess, Furber, A. Robinson, Gray, Watson, Smith.

Chess.

On Tuesday evening last the members of the Varsity and Central Y.M.C.A. Chess Clubs, who have taken part in the contest for the Toronto Chess League trophy during the past season, met at dinner at Rawlinson's, Macpherson-avenue, the occasion being the presentation of the trophy to the victorious team, the Y.M.C.A. Prof. Mavor, in making the presentation, expressed the hope that, as the cup had now become the property of the victors, a new trophy would be subscribed for, a sentiment which met with general approval. After dinner most of those present devoted themselves to the royal game and Lady Nicotine and spent a most enjoyable evening.

Horse Show Entries.

Owners and breeders are reminded that the entries for the Horse Show close on Wednesday next, with the secretary, Henry Wade, at the parliament buildings. Entries must bear post mark not later than Wednesday, April 13. There is promise of a very large increase in the numbers this year. The Horse Show is bound to prove a great success. The auction sale of boxes will take place on Wednesday, April 20 in the banqueting hall of the King Edward.

Sporting Notes.

Wonderly and McCafferty are both on the ground at Bennings for two days, for disobeying Starter Cassidy.

The White Star steamer Georgic, which arrived in New York from Liverpool had on board nine hackney mares and stallions, consigned to W. D. Henry of the Irvington Stock Farm, Pittsburg.

From Chicago comes a report that Kid McCoy and Bob Fitzsimmons have accepted terms for a six-round bout, to be held soon. From Philadelphia comes the news that McCoy and Jack O'Brien are practically matched for a bout in that city.

At Kansas City Jack (Twin) Sullivan of Boston was given the decision over Hugo Kelly of Chicago, at the end of the twentieth round. The fight was very fast from start to finish. Sullivan landed a hard left on Kelly thruout the fight. In the twentieth Sullivan landed a left to the jaw and right to the stomach, which came near ending the fight, but the bell saved Kelly.

Champion Jeffries left New York yesterday afternoon for Harbin Springs, where he will go into hard training for his championship battle with Jack Munro, who started for the Pacific coast several days ago.

"The Temple of Fame."

"The Temple of Fame," an entertainment by the pupils of the Chalmers Church Bible Class, was repeated last evening in West Association Hall before an audience that filled it to the doors. The presentation has all the merit of novelty and attractive settings and costumings. The idea is in the appearing before the Goddess of Fame of women, whose names have come down in history, to urge their respective claims to the crown in the gift of the goddess. Such ancient heroines as Zenobia, Boadicea and Hagar are represented, tho more modern characters predominated, such as Mrs. Stowe, Ann Hathaway, Queen Wilhelmina, Madame Patti and Flora Macdonald, not even forgetting Carrie Nation. The Summer Girl and Miss Canada were likewise typified, while Reggy Donovan was redolent of Irish wit. These are only a few of the many characters represented. In all, there are about eighty performers, and special praise is due Drill Instructors Col. and Mrs. Thompson and Miss Cozzens. A special "repeat" performance will be given to-night.

LAWN BOWLING SEASON NEAR.

R.C.Y.C., Caer Howell and Victorias Report Doings in Their Clubs.

The approach of seasonable weather is having a decided tendency to work up enthusiasm in local lawn bowling circles, and meetings for the purpose of electing officials for the ensuing year are being held almost nightly by the different clubs.

Probably no club in the city is taking a more active interest in bowls than the Royal Canadian Yacht Club, this fact being amply demonstrated at the last regular meeting of the bowling section, when a large number of the yachtsmen were present, many of whom have heretofore taken but little interest in the game, but this season intend taking an active interest in all "doings" which are scheduled to take place on the splendidly-appointed island lawn, which, when pending improvements are completed, will probably be the superior of any bowling lawn in Ontario.

The new secretary has already received many challenges, and no doubt the 14 skips appointed at the last meeting will be kept busy; but, with the new talent now applying for membership, and the old guard, always to be relied upon, little difficulty should be encountered in winning the majority of rinks played during the season.

A meeting of the Caer Howell Lawn Bowling Club executive committee is called by order of the president for this afternoon at 3 o'clock, at Caer Howell, Queen's-avenue. A full attendance is requested.

The annual meeting of the Victoria Lawn Bowling Club will be held at the Victoria Club, Monday, April 18, at 8 p.m., for the election of officers and skips and the transaction of such other business as may properly be brought before this meeting. Every member is urgently requested to be present.

Prizes for Q.O.R. Tourney Winners.

On Monday evening, at the armories, the presentation of prizes won at the recent Queen's Own tournament will take place. Lieut.-Col. Pellatt has kindly consented to make the presentations, and all interested are invited to attend. The fifteen prize-winners are: E. Ross, W. J. Darby, F. Harris, F. Foster, B. Chadwick, W. Stephenson, S. A. Reed, G. Shoebridge, A. T. Tucker, Pte. Addie, H. Hicks, J. T. McWilliams, A. H. Libby, A. Rutherford and G. M. Stewart. The Pellatt challenge trophy, won by H Co., will also be presented.

Lacrosse Points.

President J. Walter Curry of the Toronto Lacrosse Club left last night for Montreal, to attend the annual meeting of the N.A.L.U., at the Windsor Hotel to-day. Mr. Curry says that the Toronto club will be represented, and that he will have a $40 cheque handy in case the union demands "a pound of flesh." Mr. Curry will ask the delegates to declare themselves for straight amateur or straght professional. If neither idea is adopted, Toronto will not have a team.

The Elm Lacrosse Club will hold a meeting at the West End Y.M.C.A. on Tuesday next, at 8 p.m., for the purpose of organizing. All members and those wishing to join are requested to attend.

Library Board Getting Impatient.

Only three members were present at the meeting of the public library board last night. The salary of Miss Andrews was increased to bring it on a level with the others; 405 books are to be purchased, the price not to exceed $642. In an informal discussion of the question of the library site the members agreed in their disapproval of the city's action in not deciding on a site.

The members of the Canadian Institute will hold their usual meeting in the library, 58 East Richmond-street, this evening. It is expected that Prof. A. B. Macallum will read a paper entitled, "Iodine in Animal and Plan Tissues."

The Bishop of Toronto will preach in St. George's Church Sunday evening, and Dr. Hare in the Morning.

Richard Reynolds yesterday recovered $500 damages from the Toronto Railway Company, for injuries sustaind on Labor Day.

"Our Invisible Allies" will be the subject of a discourse by Rev. ames L. Gordon, pastor of the Bond-street Congregational Church, on Saunday morning at 11 o'clock. At the evening service, Mr. Gordon will speak on "Lying Advertisements."

Dr. Agnew's Catarrhal Powder Relieves in 10 Minutes.

D. T. Sample, President of Sample's Installment Company, Washington, Pa., writes: "For years I was afflicted with Chronic Catarrh. Remedies and treatment by specialists only gave me temporary relief until I was induced to use Dr. Agnew's Catarrhal Powder. It gave almost instant relief.

To Banquet Hon. Mr. Fielding.

At the Fielding Club, Parkdale, last night, President McLaughlin was in the chair, and there was a very fair attendance.

Archie Hislop, M.P. for East Huron, was the speaker of the evening, and in an address of over an hour's duration reverted to the question of temperance legislation at Ottawa, and gave it as his belief that no such measure would be brought before the house this session.

Ald. Ward, George Ritche and T. G. Malcolm spoke briefly, the former on the value of organization.

The club will tender a banquet to Hon. Mr. Fielding within a month's time, to which several cabinet ministers will be invited.
