To-Day's Lists.

Single Judge, at 11 a.m.: O'Connor v. Gemmell, Aldrich v. Berlin Gas Co., Bliss v. Tugman, Wilson v. Levee.

Divisional Court at 11 a.m.: Reg. v. Pedlar, Blake v. Jarvis, Woolley v. Corless, Sydenham v. Williams, Jackson v. City of Toronto, Dale v. People's Loan Co.

JUDICIAL DECISIONS

Handed Out by His Honor Judge Morgan Yesterday Afternoon.

Yesterday Judge Morgan handed out judgments in three cases tried recently before him.

In McDermott v. Allen, the plaintiff's action is dismissed with costs.

Malcolm v. Parkin, an action for the price of fire extinguishers, the plaintiff is given a verdict for $104.82, with interest and County Court costs.

Reid v. Taylor, tried at the March sittings, the plaintiff is given judgment for $115 and full County Court costs. This is the case in which the husband of the plaintiff gave a chattel mortgage to the defendant on two Jersey cows, which, together with a bull calf, the judge holds, were the property of the wife and were mortgaged without her consent. The defendant has the option of returning the cows and the calf within 14 days, and in that event the plaintiff will get only $30 for the detention of the animals and full costs.

SUGAR SCHEDULE PASSED.

United States Senate Has at Last Disposed of the Troublesome Item.

Washington, June 15.—The Senate made a great stride forward to-day by completing the consideration of the sugar schedule of the tariff bill except the provision relating to Hawaii, which went over. As agreed to, the schedule placed on sugar not above No. 16, Dutch standard, one cent per pound, and .03 of a cent for every degree above 75; and on sugars above No. 16, Dutch standard, 1.95 cents per pound. The other provisions of the schedule relate to maple sugar, maple syrup, candy etc. Only one yea and nay vote was taken during the day on the amendment of Mr. Lindsay (Kentucky) to make the rate 1.8 cent per pound on sugar above No. 16 Dutch standard. The amendment was defeated 32—35.

TORONTO LIVE STOCK MARKET.

There were 41 cars of live stock on the market yesterday, made up as follows: Cattle 750, sheep 300, lambs 125, calves 95, milk cows 15 and hogs 1600.

There was a good market for all kinds of stock and prices were in advance of last week. Good export cattle sold as high as $4.60, and we heard that one lot of picked cattle brought $4.70. Choice butchers' brought $3.75 to $3.90, and one picked lot sold for $4. Stockers were in demand, and sold at $3. Mr. Roundtree bought 150 for Buffalo market at that price; he has been shipping about 200 per week to that place.

Sheep and lambs were in good demand. Sheep sold at 3c to 3½c per lb. and lambs at $2.50 to $3.75 each.

Good calves wanted at former quotations at $3 to $6 each.

Hogs in good demand and firm; those weighing from 180 to 200 lbs. sold as high as $5.62½ per cwt. Farmers are foolish to kill their hogs when they can get the above price live weight; $5.62½ per cwt. is equal to $7.70 when killed, and during the warm weather it would be better to sell them alive.

The shipments per C.P.R. were: S. Halligan 5 cars, N. Vincent 4 cars, A. Campbell 1 car, all for Montreal market, and R. Ironsides 4 cars, W. Levack 2 cars, all export cattle, and A. Shortrig 1 car for St. John, N. B.

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from New York:

The stock market closed irregularly changed from last night, some up and some down. The tone was more reactionary. There was no special reason, but in some places the list appears over bought. Conservative houses generally advise purchases of the second grade stocks on the ground that the leaders have had enough of an advance for the present. Foreign exchange is firmer to-day at 4.87¼ for demand sterling, and $600,000 gold is to be shipped on Thursday. The Senate is considering amendments to Sugar schedule to-day, including anti-trust proposition. It is said Pacific Mail will be put on 3 per cent. annual dividend basis. The case at Albany in which the New York anti-trust law is involved and the coal road investigation will not be decided for several weeks yet.

CHICAGO GOSSIP.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

Wheat—The market opened somewhat weak owing to the perfect weather in the wheat belt and good selling by St. Louis and local operators. The foreigners were moderate sellers early. The Liverpool market opened firm at ½d higher for futures, closing ½d lower. It is rumored that there is a good-sized short interest in wheat. Stocks are everywhere very light. Bradstreets showed a decrease east of the Rockies of 2,068,000 bushels, and Europe decreased 1,200,000 bushels. Total world's decrease is 3,868,000 bushels. Conservative operators view with suspicion or become more conservative on any pronounced advances in prices, realizing that lifting new crop values by exceptional old crop conditions is likely to prove the ignis fatuus of the past few months. New crop relations have forced recognition gradually and a relative price adjustment between present relative small stocks and prospective enlargement and increasing new crop movement of supplies.

Statistics were again offered, noting the lowering of supplies for the cereal year by the withdrawal of India, Australia and practically of Argentina as wheat exporting countries. Up to the present writing the new crop at home and abroad maintains good promise. The close was tame at 69⅝c for July option.

Corn and Oats—Ruled moderately active and a shade lower than yesterday's close in sympathy with lower prices of wheat. Cash demand fair. Commission houses bought corn and sold small lots of oats. Receipts were liberal, 780 cars corn and 398 cars oats. The close was steady.

Provisions—The speculative market for hog products ruled moderately active, with prices ranging lower in sympath
