The Best Lacrosse Players

In Canada all use our clock-cord sticks. To play a perfect game you must be fitted out properly. It "makes you tired" to lose a close game through a defective stick. Our clock-cord lacrosses are strung with imported German clock-cord, which not only is more yielding and elastic than ordinary gut, but is more durable; the frames are split from second growth hickory—the lightest and toughest wood grown. We have three grades, the Special at $1.75 (only half clock-cord), the Expert at $2.25 and the Special Expert at $2.75, the finest stick made in the world. We send sticks on approval, upon receipt of the amount; your money back if not satisfactory. Complete catalogue for the asking.

Appeal to Springfield Fans.

From The Springfield Union.

The directors of the Springfield Baseball Club have decided to leave it to the fans of the city whether the game shall be continued here through the season or whether the team shall be disbanded at the close of the present trip.

The fans are familiar with the conditions which have led up to the present crisis. The directors and stockholders have agreed to stand by their guns and double their stock subscriptions. This will raise the capital stock to its full limit, where it ought to have been put before the season opened. It will put the club on its feet financially and will square up the indebtedness. The shareholders are willing to do this to maintain the reputation of Springfield among sportsmen as a city where the backers of sporting enterprises, whether baseball, bicycling or trotting, pay 100 cents on the dollar, no matter what losses it may entail on the backers.

The directors feel that the present Springfield team is capable of making a better showing and will do so when the financial end is secured and the infield has been strengthened as it will be if it is decided to continue. When the club returns home Sunday it will be time enough to decide on the shakeup, which will not be necessary, of course, unless by that time the 100 season tickets have been taken. They admit that a player-manager has his hands more than full of responsibility in Springfield and it is probable that one of the directors will hereafter accompany the team on its trips to co-operate with Manager Lush and to look after the financial management, leaving him free to attend only to the playing end of it.

The outlook is already promising, for one of the officers readily disposed of a dozen season tickets in an hour's time yesterday and the other members of the board are doing their share of the work, so there does not seem to be any question of their success in raising the required amount before Saturday. No tickets will be given out and no money taken until 100 have been subscribed for and the guarantee assured in full.

So much impressed with the game way in which the backers stood their losses was President Pat Powers during his recent visit here that he voluntarily offered to subscribe $100 to the emergency fund.

The Golf Championship.

Glasgow, June 8.—The golfing championship meeting opened at Prestwick to-day. The weather was fine, and there was a large attendance. Seventy-six competitors are entered for the tournament. The finals will be played to-morrow.

The first senior match in the Toronto Lacrosse League will be played on the T. A.C. grounds, Bloor-street, on Saturday next, when the Elms and T.A.C. teams come together. These teams are generally looked upon as the strongest in the league, and should put up a splendid game. An admission of ten cents will be charged for the game.

ONLY ONE EASTERN GAME

Rain Saved the Greys From Defeat at the Island—Rochester Beat Syracuse.

Only one game was played in the Eastern League yesterday, Rochester scoring a victory over Syracuse. There was too much rain at Toronto, Buffalo and Montreal. The Providence Grays arrived in the morning from Montreal, feeling jubilant over their success against Dooley. The postponed game will be played on Saturday, making a double-header to close up the Torontos' present home engagement. This will put the Island League game between T.A.C. and Queen Citys back to 6 o'clock. The Eastern League record:

	Won.	Lost.	Pct.
Providence	16	11	.593
Montreal	17	13	.566
Toronto	18	14	.562
Wilkes-Barre	15	12	.556
Syracuse	17	16	.515
Buffalo	17	20	.459
Rochester	15	18	.454
Springfield	7	18	.280

Games to-day: Providence at Toronto, Springfield at Montreal, Wilkes-Barrt at Buffalo, Syracuse at Rochester.

Brownies Beat the Stars.

Rochester, June 8.—Rochester defeated Syracuse in a close game this afternoon, mainly by reason of Harper's excellent pitching. Bonner put up a strong game at second. There was no regular umpire present and a player from each team officiated. Score:

	R.	H.	E
Rochester	1 0 1 1 1 0 0 1 *—5	10	5
Syracuse	1 0 0 2 0 0 0 0 0—2	7	6

Batteries—Harper and Boyd; Malarkey and Lake.

Providence or Toronto To-Day.

Rain yesterday prevented the opening game of the present series with Providence at Hanlan's Point, and the leaders down fall was accordingly postponed. With suitable weather to-day, the Torontos will move a notch or two up, and Providence will take a step downward. Gaston and Casey will be the Toronto battery, and Rudderham and Crisham will be in the points for Providence.

Baseball Brevities.

Centrefielder White of Buffalo is a little on the decline, and his brilliant work of the past is not being lived up to. He acts sleepy.—Buffalo Courier.

The Olympics will play the Royal Oaks II. team at Ward's Island Saturday afternoon at 2.30 o'clock. As these teams have not yet lost a game, a good one may be expected. Knight and Aikens will be in the points for the Olympics.

The Delawares will play the Carltons of Toronto Junction in the Junction on Saturday, June 1. They would like to arrange a game with the Wellingtons or St. Michael's College for Saturday, June 18. Address H. O. Morris, 64 Churchill-avenue.

M. J. Finn, manager of the Newport, New England League Club, has been secured to manage the Rochester Club, and he will take hold this week. He is said to be admirably qualified for the position. Clymer has had charge of the team since Morton's retirement, but Rochester wanted a non-playing manager. Manager Finn is to secure an outfielder and a pitcher.

The College-street Baptist Sunday School Baseball Club is now organized for the season of 1898, with the following officers: President, Rev. S. S. Bates, B.A.; Vice-President, Mr. T. McGillicuddy; Manager, W. Beall; Captain, B. Buck; Secretary-Treasurer, R. Readman. The club is now open for challenges from any Sunday school team in the city. Address challenges to R. Readman, 287 Palmerston-avenue.

The International Chess.

Vienna, June 8.—The sixth round of the international chess masters' tournament was played at the Vienna Chess Club to-day. At 2 o'clock the following results were registered on the scoring tables: Walbrodt beat Caro; Lipke and Alapin divided honors; Tschigorin worsted Trenchard, and Marco and Blackburn drew. In the evening it was announced that the six remaining games had resulted as follows: Baird defeated Burn; Tarrasch disposed of Schwarz; Maroczy and Janowski divided honors, Steinitz and Pillsbury also drew; Schlechter beat Showalter, while the game between Halprin and Schiffers was not concluded. The position is, however, in favor of Schiffers. This game, together with the unfinished games from the fourth round, between Trenchard and Walbrodt, and Caro and Tarrasch will be finished to-morrow.

Merit Will Tell.

All good judges of the weed in the city now acknowledge that J. A. Thompson's famous 5c Collegian Cigar is superior to many so-called 10c brands. Call and try them and you will be convinced of this fact. J. A. Thompson, 73 Yonge-street, N.E. corner King and Yonge.

Latonia Derby To-Day.

Cincinnati, Ohio, June 8.—Only three starters are named for the big Laton'a Derby, which will be run to-morrow, the opening day of the Latonia Jockey Club's spring meeting. A heavy rain fell to-day and the great race will in all probability be run over a muddy track. The starters are: Plaudit 127 (W. Martin), Han d'Or 114 (Beauchamp) and Don Quixote 114 (Clayton). Plaudit will of course be an odds-on favorite, having won two Derbys already this spring, and seems to be the others safe. However, there is likely to be a surprise sprung in the race, as Han d'Or has been working well and Don Quixote is by no means considered out of it. The Latonia meeting will run 27 days. Col. Jack Chinn will be the starter, while L. P. Tarlton will be the presiding judge, assisted by Charles F. McLean and Charles F. Price. To-morrow's entries:

Stratford Races Postponed.

Stratford, June 8.—The heavy rain which fell shortly after 1 o'clock this afternoon, and at intervals later on, made racing an impossibility, and to-day's events of the Stratford Association meeting were consequently postponed. Uncle Sam Accedes to the C.W.A.'s Request and Wheels May Cross on the L.A.W.'s Basis.

Ottawa, June 8.—T. A. Beament, President of the Canadian Wheelmen's Association, received a letter to-day from Isaac B. Potter, President of the League of American Wheelmen, dated Washington, yesterday. The United States Secretary of the Treasury has informed him that the United States Government will grant the wheelmen's request to admit into the States C. W.A. members and their wheels on the same basis as L.A.W. members and their wheels are admitted into Canada, and that a form of order is now being determined upon. It will be issued in a day or two.
