The Work at Woodbine.

The usual crowd of turfites were present at Woodbine Park yesterday morning to watch the work of the horses. Trainers took advantage of the fine weather and the majority of their charges were given good stiff work. Johnny Graver sent Golden Craft five furlongs, the filly continuing on another mile before she could be pulled up. Royal Cooper in the same stable was sent through the field and promises well as a timber topper.

The Kapanga colt breezed a mile, while Maid of Ellerslie negotiated the same distance in 1.55.

Mr. Joe Doane's pair, Isabel and Clipmont, worked three-eighths in 41 sec.

The Seagram Stable was represented by Saragossa, Morpheus, Joe Miller and four 2-year-olds, the balance of the string being worked at the old Newmarket track. Saragossa, with Morpheus and Joe Miller, reeled off a mile in 1.50 1-2, the English horse finishing in front. Morpheus was full of run, Lewis having a good hold of his head at the finish. He pulled up very lame, and on examination it was found that he had bruised his heel, which, it is hoped, will not cause his retirement for any length of time. The 2-year-olds Dandelion, Athens, St. Vincent, and the Gold-Pyramid filly, breezed five furlongs in 1.10.

Mr. Duggan's pair, Merrythought and Armada, negotiated three furlongs in 39 seconds. Red Cap and Vall Bradda were not worked until the afternoon, when they reeled off a mile in 1.54 1-2.

Charlie Phair "schooled" Muscovite, who is a very rapid jumper.

Dr. Campbell gave Waterloo strong work, while Eblis and George C. were sent through the field.

The Gray Bill Still Lives.

Albany, May 2.—The Gray Racing Bill that was beaten in the Senate yesterday was reconsidered to-day and this time the turf men carried their point and the bill passed by 20 to 3. It must now get the Governor's signature before becoming law.

The Hendrie steeplechase race will be held this afternoon from Upper Canada College at 4 o'clock.

William Henry Ward, better known as "Hank" Ward, the oldest of the Ward brothers, the once-famous oarsmen, died at Sing Sing yesterday, aged 67 years. He was born in Cornwall, where Joshua Ward and other brothers still reside.

Three Riders Suspended—District Chairmen Appointed—Class B Championship Races.

The C.W.A. Racing Board's official bulletin, given out yesterday at the headquarters, 88 Church-street, contains many important decisions, judgments and awards, as follows:

The 25-mile Class B championship has been awarded to the Sarnia Bicycle Club. Race to be run at their fall meet in August.

The 10-mile Class B championship and the 2-mile district No. 5 Class A championship race has been awarded to the Peterboro Club to be run off at their final August meet.

R. H. Dunbar of Winnipeg has been re-instated as an amateur bicycle rider and may ride according to his eligibility to Class A or B, in sanctioned bicycle races.

For competing at an unsanctioned half-mile bicycle race at Georgetown, on April 24, Messrs. C. Parker and Alexander Cameron, Toronto, and Standish, address at present unknown, are suspended till June 1. Riders are cautioned not to compete against any suspended rider, under liability of their own suspension.

The racing rules will first appear in the official organ, The Canadian Wheelman, on May 6, and will come into force that date. A rider's actions or conditions after that date will determine his classification. Those in doubt as to their eligibility want to communicate with the racing board and get posted before racing. Competing in a class in which you are not eligible renders sure suspension.

The following chairmen of district racing boards have been appointed: Maritime district, Clifford J. Shand, Windsor, N.S.; Northwest, P. F. Godenrath, Calgary; British Columbia, W. S. Keay, New Westminster, B.C.; Manitoba, J. J. Beckett, Winnipeg, Man.

The following sanctions for races have been issued:

May 24, Brantford, T. J. Barton, secretary, 5 races for A and 5 for B.

May 24, Woodstock, W. McWhinnie, secretary, 6 races for A and 6 for B.

May 24, Strathroy, J. A. Smith, secretary, 2 races for A and 3 for B.

May 24, Ottawa, G. A. Blais, secretary, 8 races for class A only.

May 25, Island Park, L. Felcher, promoter, 4 class A and 4 class B.

May 24, St. Thomas, H. M. Allison, secretary, 5 class A and 5 class B.

June 1 and Aug. 19, Toronto Bicycle Club, James Milne, secretary, program not announced.

TORONTO LACROSSISTS AT PRACTICE.

Some Fine Exhibitions of the National Game Are Promised—Treasurer Lyon Ill.

That the Toronto Lacrosse Club is making every endeavor to give the lovers of our national game an opportunity of witnessing some fine exhibitions of the game this season can be well understood when watching the boys at practice. On Wednesday evening some twenty players put in a lot of hard work on the Rosedale lawn. Amongst those in the field were George Keith, Peter Knowles, Bob Nelson, Dr. Peaker, A. Macdonnell, Fred Dewar, A. Wickens, George Wheeler, Lot Livingston and Lillie. While on Varsity lawn almost every afternoon and fast getting into shape can be seen Ernie Burns, Ken Peaker, Carl Lynch, Peter White, Kingstone, Westman and several others.

That the juniors are being well looked after is evidenced from the fact that the following recommendation of the sub-committee has been adopted by the directors: "That boys of 16 and under be admitted members of the club with full privileges of the Club House and admittance to the grounds at all club events on payment of annual fee of $2."

Owing to the illness of the club's treasurer, Mr. George Lyon, with typhoid fever, his duties will be looked after by Mr. George Higinbotham, 13 Wellington-street east, and the secretary, Harvey Willis, 1 Toronto-street, who are prepared to accept members' fees and issue tickets.

On Saturday afternoon after 4 o'clock Varsity and Toronto will play a practice match on Varsity lawn.

Second Excelsiors Re-Organize.

Kirkwood; secretary, Harvey Brown; committee, Robert Jennings, Edward Carter, William Thayer. This strong young team is intending to enter for the Intermediate honors. The second twelve would like to arrange a match with some team for May 24. Address Harvey Brown.

Pigeon Flying.

The first race of the season of the Ontario branch D.M.P.A. will be from Newtonville, 55 miles east of Toronto, on May 11. It will be for novices and new members only. Intending competitors will enter their birds not later than May 4, with the secretary, Charles F. Kinsey, 41 Baldwin-street. The birds will be marked and shipped from 140 Front-street west, on Friday night, May 10. The racing schedule will be issued to members in a few days. Competitors must secure a box to hold takers' watches in or entries will not be accepted. Boxes and copies of racing rules can be had on application to the secretary.

Toronto Football League.

A very enthusiastic meeting of the Toronto Football League was held last night at the Bell Telephone Co.'s offices. Final arrangements were made for the championship matches, which take place at Rosedale on Saturday afternoon. It was arranged that the Huron-Gore Vale match will start at 3.30 sharp, and following it the Scots and Riversides.

The Hurons are requested to be at Rosedale at 3.15 p.m. to-morrow.

Jake Kilrain will meet Steve O'Donnell in a 25-round bout before the Seaside Athletic Club at Coney Island next Monday night looks strong and talks with confidence.

Four Straights For Toronto

Providence, May 2.—Providence and Toronto played a close and steady game today. In the first innings Demont failed to stop a grounder and allowed the champions to score two runs. Smith of Toronto made both runs for his club by taking first and second base on loose pitching each time, and scoring on hits which followed. His run in the eighth tied the score and two men were out on the Providence side in the ninth, with Toronto to have a turn at the bat, when Murray scored through poor fielding and wild throwing, winning the game. Attendance 800. Score:

MENDELSSOHN CHOIR.

An Enthusiastic Reception of Toronto's Finest Vocal Organization.

Large and enthusiastic was the audience that gathered at the Massey Music Hall last evening to greet the Mendelssohn Choir on their second appearance this season. Mr. A. S. Vogt, the able conductor, has brought his band of choristers up to a degree bordering on perfection, and their singing of the various numbers in a well-selected program last evening not added to the laurels already garnered by the choir. The numbers especially worthy of mention were Mendelssohn's motette "Judge Me, O God," Molloy's "Just a Song at Twilight," "Song of the Vikings," the harmonious part song "Where Are You Going, My Pretty Maid?" Sir Arthur Sullivan's "Say, Watchman, What of the Night?" and the spinning chorus from the "Flying Dutchman." Of the solo artists Herr Ludwig Bleuer, violin soloist, delighted the audience by his playing of Sarasate's "Zigeunerweisen" and the delightful fairy music of Poppper's "Elfen Tanz," his style being characterized by a firm bow, great purity of tone and remarkable execution. Miss Mary Louise Clary possesses a contralto voice of wide range and great sweetness, with just a trifle too much vibrato. She is, moreover, a remarkably handsome woman, with a splendid stage presence. Miss Clary's numbers were an aria from "Robert le Diable," "Oh, That We Two Were Maying," by that clever young American composer, Kthelbert Nevin, and "Trahison," by Chaminade. The bright particular star of the evening was Mr. Arthur Beresford of Boston, who was a happy substitute for Signor Campanari, who backed out of his engagement at short notice. Mr. Beresford has a magnificent bass voice, in some respects outrivalling Watkin Mills, and his rendering of Handel's "Revenge! Timotheus Cries," Schumann's "Two Grenadiers," and, as an encore, "The Vicar of Bray," called forth enthusiastic applause. Miss Clary sang her second selection early in the evening, as she had to catch the train for New York, where she takes part in the production of "Trilby" this evening. The choir distributed quite a novelty in programs, which were tastefully printed on silver paper, thus doing away with the annoying rustle of turning leaves.

Caledonian Choir Concert.

The plan for the above will open at the Massey Hall at 10 o'clock this morning. A large number of tickets have been sold and a crowded house is expected. The program will be one of most popular ever presented at a Scottish concert in Toronto. Mr. Lely will preface his various numbers with a short description of their history in the manner which has made his Scotish concerts famous wherever he has appeared.

SEVEN SMALL BLAZES.

At 3 p.m. fire at the boiler room in rear of Barclay's flour and feed store in King-street east; damage $50. A spark from a chimney was the cause.

The alarm at 5 o'clock was for a fence at 461 Givens-street, which had been set on fire. Damage slight.

A fire in the bush at Rosedale was the cause of an alarm at 5.30 p.m.

A spark got into a crate of rubbish at Scott's crockery store, 785 Yonge-street. No serious damage.

Incendiarism is the cause assigned for a small fire at J. Heurtoon's store, 462 Yonge-street, at 9 o'clock last night. Damage $5.

Shortly before midnight fire in the stable and barn in rear of Ald. R. H. Graham's house, Queen and Shaw-streets, caused damage to the extent of $450—$300 on buildings and $250 on contents, including two horses, which were burned. Insurance $200; cause unknown.

Healthy, happy children are those whose mothers have been, and are, healthy. The best intentioned woman in the world will fall short of her duty to her children if she is worried and wearied with weakness and sickness. Most all irritable women are sick women. Most all melancholy, listless, languid women are sick women. Every woman who will take the trouble to notice, will find that at certain fixed periods she is nervous, cross, irritable and despondent. Any irregularity makes the conditions worse. Even a well woman is less amiable than usual at these times. What can be expected from a sick woman?

When every movement is a dreary drag, when the nerves are all on edge in sympathy with the particular ones affected—when it seems that death were very much preferable to living—what can a woman do for her children then?

It is every woman's duty to be well and healthy. There is no reason why she should be otherwise if only she will take proper care of herself and take Dr. Pierce's Favorite Prescription when she needs it.

This celebrated remedy has been used in the Invalids' Hotel and Surgical Institute at Buffalo, N. Y., of which Dr. Pierce is Chief Consulting Physician and specialist, for over 30 years. Thousands of women have been cured by it and hundreds have written grateful letters.

Some of these letters are embodied in a 168 page book, called "Woman and Her Diseases," which will be sent sealed in a plain envelope on receipt of ten cents (stamps), by WORLD'S DISPENSARY MEDICAL ASSOCIATION, No. 663 Main Street, Buffalo, N. Y.

Got there by doing one thing well. We make no pretence of knowing fifty other things, but we do know all about Carpets and Draperies. That's our business—has been for nearly half a century. Possess the largest carpet store in Canada crowded full of carpets and draperies, but nothing else.

Been studying these matters for these long years. Make the subject a hobby. As a result, we know just where to go for the most desirable goods and what they are worth—in possession of wrinkles that other people know nothing about.

Even more. Not only do we seek new things constantly, but newness seeks us. Manufacturers choose us as the medium to place their specialties and novelties. You would expect them to do so.

The finest stocks are always here, goods you cannot find elsewhere. We're just as particular to carry stocks that meet the popular demand, but only goods we can recommend ourselves are ever offered.

With abundance of capital, we buy for cash always. Making a turn-over each year in carpets and draperies far in excess of others, we sell at a price that is always lower than the lowest that may be going.

The story is reasonable—isn't it? More, it appeals to your pocket.

Peace Reigns in Armenia.

New York, May 2.—A special to The Herald from St. Petersburg says: The Ottoman Embassy here contradicts the reports circulated in England of an alleged rising in Armenia. Everything, it is stated, is perfectly quiet in Armenia.
