GRAND CIRCUIT AT POUGHKEEPSIE

Ethel Mc Won 2.08 Pace—Maud Keswick Was Third and Fourth.

Poughkeepsie, Aug. 14.—The Grand Circuit trotting and pacing meeting, which began at the Hudson River Driving Park here to-day, furnished three good races under favorable conditions of track and weather for a fair sized crowd.

Turley, driven by Ed. Geers, was made favorite for the 2.12 trot at $15 to $15 for the field. Kid Shay set a terrific pace in the first heat, winning in 2.00¼, breaking the track record of 2.10¼ for a trotting race, previously held by Little Dick. Practically the whole field appeared to out-trot Turley, but he remained favorite to the end of the second heat, which was almost a repetition of the first, when Kid Shay became favorite at $25 to $15 for the field. He again finished first in the final, but Turley was a very close second, winning third money. Deleree, favorite, at $25 to $13 for the field, won the 2.21 easily in straight heats, never being headed.

Allerson, $25, Maud Keswick $10, Miss Willamont $5, Ethel Mc $5, and the field $3 was a sample pool before the 2.08 pace, the first heat of which the favorite won in a close finish. Coming down the home stretch in the second heat Allerson was leading, when Driver Brady looked around at Maud Keswick. While thus diverted Ethel Mc slipped by on the outside and won the heat, following the surprise by capturing the third and deciding heat. Summary:

Seaforth Beat Collingwood.

Owen Sound, Aug. 14.—Seaforth and Collingwood lacrosse teams played a semi-final game here to-day before a good attendance. Both teams played evenly for the first half. Then Seaforth put it all over Collingwood, defeating them by 6 to 1.

BAUBLE IN A DRIVE WON SARATOGA STAKE FEATURE

Mons. Beaucaire Beat Oarsman in Handicap—Only Two Hunters Jumped.

Saratoga, Aug. 14.—Francis B. Hitchock's Bauble won to-day's stake race, the Kentucky, in a game drive, while Rustling Silk, the well-played favorite, at 7 to 5, was unplaced. The 12 starters had a good start and Watergrass went out in front and set the pace, Bauble broke well, but allowed Legend to run in second place. When they made the turn Watergrass led Legend by a length and a half, with Bauble and Rustling Silk close behind; they turned into the stretch in the same order. Hard then set Bauble down and she came up on the outside with an admirable burst of speed, carrying it to the end against a hard drive by Hildebrand on Watergrass, and winning by a length. Watergrass lasted just long enough to take the place from Flaviguy, who finished strong. Mousetie Beaucaire fell back in the handicap third well into the stretch, where he passed the others, winning by a length. Only two favorites won. Summaries.

Midland 6, Peterboro 5.

Midland, Aug. 14.—Midland defeated Peterboro in the second home-and-home game in the semi-finals here to-day by a score of 6 to 5. It was the fastest game played here for years, the home team playing superior lacrosse and outclassing the visiting team at every stage of the game. The score by no means indicates the play, as Midland had the ball continuously on the Peterboro flags, and but for poor wind shooting would have doubled the score. The teams:

Midland (6)—P. Jock, goal; C. Atkins, point; F. B. Gould, cover-point; G. McIlwraith, first defence; W. Cook, second defence; Freeman, third defence; centre, E. J. Schafer; third home, Brown; second home, McLaughlin; first home, Woodhouse; outside, Rider; inside, F. Foster.

Peterboro (5)—Goal, E. Ford; E. M. Best, J. McCabe, J. Brien, W. Crowley, F. McGrath, W. Donovan, H. Morgan, W. Judd, W. Meagher, George Mein, W. Cavanagh.

Referee—E. C. Tennock, Stouffville, who gave entire satisfaction.

Railway officials have been advised that H. M. Baker, Buffalo, has been appointed general agent for the national fast freight lines, as successor to R. L. Burnap, who resigned to accept the position of general freight agent on the Central Vermont Railway.

James Hartney of the Manitoba Immigration Bureau is in the eastern part of the province, attending to details of the coming harvesters' excursion to the west.

J. S. Larke, the Canadian government commercial agent to New South Wales and New Zealand, has accepted the invitation of the Canadian Manufacturers' Association to be present at the dinner to be tendered W. K. George.

Dr. Cosgrave of Glasgow, Scotland, is a visitor in the city. He had heard much of Toronto from some physicians he met last year in Ireland, so he decided to take a run across. Much satisfied with his visit he is returning to the land o' the heather on Saturday.

A GAIN FOR THE ST. KITTS BRANTFORD BEATEN 9 TO 5

Seaforth Beat Collingwood in Semi-Final Game—Some Lacrosse Notes.

St. Catharines took a longer lead yesterday, tho some Tecumseh supporters took odds in vain to see Brantford win the game. The record now is as follows:

Clubs.	Won.	Lost.	Pct.
St. Catharines	11	2	.844
Tecumsehs	9	3	.750
Torontos	4	6	.400
Brantford	4	9	.308
Chippewas	1	9	.100

Games next Saturday: Tecumsehs at Brantford, St. Catharines at Toronto.

Brantford, Aug. 14.—(Special.)—Brantford lost to St. Catharines to-day in lacrosse by 9 to 5. The figures do not tell the tale, as the locals were practically at the mercy of the C. L. A. leaders, due in part to the lack of condition of the Brantfords after Saturday's game in Toronto, and to the complete confidence St. Catharines had in their playing ability. A big score was piled up at the first, and this took all spirit out of the game. As far as clean lacrosse was concerned, there was no complaint, and Referee Waghorne had little to do. Cameron in the third quarter was badly cut on the nose, obliging him to retire for the rest of the game, Taylor doing off to even up. The cut was an entirely accidental one. The game opened by St. Catharines taking the first four goals in quick succession, Brantford took one just before the quarter ended. No one was penalized. In the next quarter the honors were even, each team scoring one. Lowe and Cameron were retired to the fence for minor offences, and Taylor went off twice. The third quarter saw another brace among the visitors, the result being that four goals were tallied to the locals' one. The last quarter was Brantford's, but this was chiefly due to indolence on the part of St. Catharines. Two goals were scored by Brantford:

Brantford (5)—Hutton, Dowling, Davison, Brown, Adams, Degan, Taylor, Doyle, Laderout, Whitehead, Kerwin, Layden.

St. Catharines (9)—Hess, Harris, Cameron, Elliott, Richardson, Downey, Forrester, Barnett, O'Gorman, Lowe, Kalls, Hagan.

TEMERAIRE WON IN THE BREEZE IROQUOIS OVER 5 MINS. ASTERN

Skipper Wedd Outjockeyed Rival and Cleverly Secured the Star. —Defender Made Fatal Mistake in Using Jib.

Rochester, Aug. 14.—(Special.)—Skipper Wedd with his good boat Temeraire turned the tables on the American boat to-day in a piping breeze off Charlotte blowing 20 miles an hour. The challenger won by over five minutes.

At one minute before 11 the boats started for the line. Wedd outjockeyed Mabbett and secured the start. There was very little difference between the boats as they crossed the line to get around or come about for the start. Wedd clung to the weather buoy and would not give way. As the boats came about he took Mabbett's weather and held it, crawling ahead little by little. Both boats were close on the line when the starting gun was fired. Wedd brought Temeraire up with a turn and shot for the line like a race horse. Iroquois followed closely and held her own until the line was crossed, but the foxy move of Wedd in holding to the weather mark gave him the advantage, and he crossed the line for a clean start 15 seconds ahead of Iroquois.

The Start.

Temeraire	11.00.15
Iroquois	11.00.30

Both boats ran out on the starboard tack, and from the start it was apparent that Temeraire had a decided advantage, as Wedd seemed able to point her up better and yet take nothing from her ability to foot it with Iroquois. The Canadian seemed to increase her lead to a perceptible degree on this tack, but she did not hold to it.

At 11.04 Temeraire came about and made off on the port tack, closely followed by Iroquois. Here it was apparent that the Canadian boat was not only outpointing Iroquois, but was footing faster. Mabbett was considerably to the bad when the boats went off the first tack. Temeraire ran down to eastward, and held Mabbett close in shore and a lot to leeward. The result of this was that Iroquois wallowed thru a much heavier sea than the Canadian and pounded hard. Mabbett then tried the tactics of the second man in the race as invariably happens. He pinched Iroquois to the limit, and lost way every time he luffed her into the wind to make her point higher.

Temeraire Walked Away.

Temeraire with plenty of free board showing, walked away from the American. The time at the outer mark, first round, was:

Temeraire	11.46.02
Iroquois	11.49.40

So that Temeraire beat Iroquois to the first mark by 3 minutes and 38 seconds.

After rounding the buoy Temeraire's crew seemed very slow with her spinnaker, and ran along under her working canvas for three minutes and a little more, before the spinnaker was broken out. Mabbett had his spinnaker up in stops as Iroquois neared the mark. Immediately on coming about the spinnaker boom was shoved out to port, and the spinnaker was broken out in one minute. One of the stops was fouled midway up the canvas, and one of the men aft was forced to run forward to unfasten it. The result of this was a minute or perhaps a trifle more lost in breaking out the spinnaker, which was drawing on the foot, however, and adding a little to the driving power, but not enough to be of any moment.

The spinnaker on Iroquois did not draw particularly well at first, until Mabbett trimmed down his spinnaker. Then the American boat was a really beautiful sight. The spinnaker gave her the appearance of a gigantic white bird.

Sailing Home Ahead.

Temeraire, with her golden brown canvas, looked to the American contingent like a bird of prey, as she rounded the home mark upon the first round. The official time was:

Temeraire	12.11.37
Iroquois	12.14.42

Iroquois gained 33 seconds on the spinnaker run. On the second run the boats stood out in the lake for the windward work. Once more Temeraire demonstrated her ability to point to better advantage than the Iroquois.

At 12.13 Temeraire took a short hitch to weather and then came about on starboard tack for the long leg into the wind at 12.16 o'clock. Both boats held on the starboard tack for a considerable time. At 12.30 the breeze freshened to about eighteen miles an hour, and the sea became very rough. Even the Tranquillo, the judge's boat, Commodore Nicholl's yacht, shipped big seas over the bow.

Iroquois did not do the best that was in her, and Skipper Mabbett made the fatal mistake of retaining his jib.

In the trial races, in just such weather as to-day, Mabbett saw Skipper Christy take in his jib and make his way under staysail. But will that the race Iroquois clung to the jib, which backed the staysail, and the staysail, in turn, backed the mainsail. It was bad generalship, and there was no doubt of it. Mabbett tried to pinch his boat into the teeth of the wind, while the big jib was throwing her off to leeward and successfully helping to back the two sails that could help the defender in her pinch.

The Defender's Handicap.

The matter of the advisability of using the staysail, without the jib, in heavy weather, was discussed during the trials, and it was generally conceded that the jib could be discarded without detriment to the sailing qualities of the boat. But Mabbett seemed to think differently, and the result was that the Iroquois was seriously handicapped.

At 12.34 Temeraire came about and stood off on the port tack. At 12.46 Iroquois, which had been standing out on the starboard from the first tack, came about and stood over on the port tack. Temeraire rounded the outer mark, second round, 5 minutes and 40 odd seconds ahead of Iroquois. Mabbett was unable to make the mark, and at 1.02.30 made a hitch to starboard and thereby lost more time. The time rounding the outer mark, second round, was:

Temeraire	12.58.28
Iroquois	1.04.00

Iroquois gained 30 seconds on the spinnaker run home, but could do nothing with the lead of the Canadian. The official time for the finish is:

Temeraire	1.21.47
Iroquois	1.26.51

Temeraire won by 5 minutes and 4 seconds.

While the Tranquillo was at the home mark, the Papoose, from Toronto, ran down the judge's boat and cracked thru the rail. The bowsprit outboard of Papoose was broken off.

The third race will be sailed to-day under the same conditions as on Saturday, viz., twice around the nine-mile triangle. Races must take place daily until one boat has won three.

The Race by Bulletins.

Charlotte, Aug. 14.—The racers for the Canada Cup faced a strong breeze when they started this morning. The wind is blowing 16 miles an hour from the east, and the whitecaps are rolling. The course is to be to windward and leeward, four miles to a leg, twice around, with a 5½ hours' time limit.

The crew of the Temeraire have shifted her bowsprit about a foot ahead, which will raise her fore canvas somewhat higher, and permit of an increase of about three feet in the length of her spinnaker boom. A change also has been made in some of her upper tackle, which will allow her main sheet to go up much higher.

There has been no change on the Iroquois. It is said, however, that Harry Van, one of the Iroquois crew, loaned by the makers of her sails, is to be dropped, and Earl Anthony put in his place. Skipper Mabbett said this morning: "I will not say anything regarding changes until just before the race."

The wind of to-day is just what the Canadians have been looking for.

The scrutinizer on board the Temeraire for the Rochester Yacht Club is Frank T. Christy, fleet captain of the Rochester Yacht Club, and on board the Iroquois is the Royal Canadian Yacht Club will be Jas. McMurray.

Lorenzo Mabbett will hold the tiller on the Iroquois, and E. K. M. Wedd will pilot the challenger over the course to-day.

The betting, which before the race on Saturday, was something like 5 to 3 on the Temeraire, to-day was even money.

10.50 a.m.—The preparatory gun has been fired. The yachts are now jockeying for positions.

11.04 a.m.—Starting gun fired. Temeraire crosses line 150 yards ahead of Iroquois, and has windward position

11.07—The Iroquois came about, and it was seen that Mabbett probably would have to go astern of the Temeraire. Wedd, to keep his rival to leeward, crowds on with him a length in the lead to windward. The yachts were then on the port tack, the Temeraire, if anything, pointing a bit better than the Iroquois.

11.14—Temeraire still holding the lead, but has not gained any. Both yachts moving very fast.

11.17—The Iroquois appeared to be moving along better and closing up. The rails of the defender were awash, and the wind, north east by east, was blowing at the rate of 20 miles an hour.

11.45—The Temeraire turned the outer stake boat, and broke out her balloon and spinnaker. The Iroquois followed at 11.48, and had trouble in breaking out her balloon jib.

11.50—The defender succeeded in getting this sail up and drawing, but the Temeraire appeared to have a lead of a quarter of a mile, and was coming down on the run home with a beachsope.

12.00.30—Temeraire turned the stake boat and started away on the starboard tack for her second beat to windward.

12.11.20—Iroquois took in her spinnaker, and at 12.12 turned the stake boat on port tack. The Temeraire at 12.13 went about on port tack, and at 12.14 went back on starboard tack.

Both boats held on the starboard tack, the challenger pointing better and standing up stiffer. She appeared to be again showing her superiority in the heavy weather beats and windward work.

12.31—Temeraire came about on port tack and Iroquois followed at 12.37 far to leeward.

12.37—Temeraire came back on starboard tack.

12.05—The racers were on port tack and were making for the outer stakeboat. Temeraire apparently had a lead of between three-quarters of a mile and a mile.

12.57—Temeraire turned the outer stakeboat, and at 12.59 broke out her spinnaker and started on the run home.

1.03—Iroquois turned outer stakeboat, broke out her spinnaker and followed Temeraire on the run to the finish line. Iroquois was about a mile astern.

Unofficial finish time—Temeraire 1.21.11, Iroquois 1.26.28.

ANNUAL BOWLING TOURNEY AUSPICIOUSLY OPENED

On Granite and Victoria Lawns—Many Games in Trophy Contest —The Draw for To-Day.

The annual Dominion Lawn Bowling tournament opened up on the Victoria and Granite lawns Monday afternoon at 2 p.m. The weather was ideal, tho cool, and a large crowd of spectators were present to witness the opening. Mayor Urquhart was present at the Granite Rink and in a few well chosen remarks formally declared the tournament open. Premier Whitney graced the Victoria lawn with his presence and was given a rousing reception as he started the bowls a rolling. Play took place on both lawns till near dusk. Close on to 50 games were played and some close and exciting matches resulted. The Waterloo rink, skipped by E. F. Seagram, defeated J. S. Willison's Canada rink, 27 to 14. The veteran John Bain was skip of a Victoria rink. The Westmount Rink skipped by D. Williamson, defeated a St. Matthew's rink by 4 shots. Dr. Hawke's rink won by one shot from Balmy Beach:
