PLAYED RUGBY FOOTBALL TRINITY II. WERE SHUT OUT

Varsity III. Winners in January Game on Trinity Campus Yesterday.

Never in the last sixty years has a game of Rugby been played in the Province of Ontario at such an early date; but, owing to the enterprise of Captain Macleod of Trinity College II. team, a game was arranged for and played with Varsity III. on the Trinity campus yesterday afternoon. Mud and ice formed a strange mixture over the face of the campus, but, nevertheless, the greatest enthusiasm prevailed, and rooters were there in full force.

At 3 o'clock sharp Referee Johnston blew his whistle, and each team lined up. At the commencement Varsity played fast and fure, and at the end of the first 15-minute quarter they had scored a touch-down, principally thru the good work of Captain Stratby. The second quarter proved the ability of the Trinity men, but, altho several times near the goal-line, they failed to score. In the third and fourth quarters the college men had the advantage, but owing to the alertness of Captain Strathy's fourteen they failed to score.

For Varsity, Corry and Pollard did remarkable work, while Strathy, Mavety and Anderson made some excellent plays. Of the Trinity fourteen, Dowie, Wilson and Keefer were especially noticeable, while Macleod's excellent passes called forth many a cheer. The score at end of the fourth quarter was 5 to 0 in favor of Varsity. C. M. Johnston was a most satisfactory referee. The line-up was as follows:

Trinity (0)—Full-back, Smith; halves, Doust, Macleod, Keefer; quarter, Cowley; scrimmage, Anderson, Dow, Wilson; inside wings, Routh, Clarke; middle wings, McMichael, Robinson; outside wings, McAndrew, Bull.

Varsity (5)—Full-back, Harris, Mariatt; halves, Corry, Kennedy, Chestnut; quarter, Strathy; scrimmage, Mavety, Wilks, Anderson; inside wings, Keyes, Mills; middle wings, Sheriff, Wilson; outside wings, Carroll, Pollard.

Government Aid to Roads.

Congressman Brownlow of Tennessee writes in Collier's: The proposition to have the government aid the States in the improvement of highways, as embodied in the bills now before congress, means only to discharge a national obligation. The government belongs to the people. In its control there is a community of interest involved. The necessity for government aid to good roads is so plainly apparent that it is outside the domain of controversy. Bad roads in the United States cost the producing people $1,500,000 every 24 hours. This drain is fearful; it is deadening the national life, and is a national disgrace. Good roads develop good people. The wagon roads are the highways along which civilization and development move. The rural free delivery in our postal service is doing much to awaken our congressmen to the needs of the country roads; and the development of the touring automobile is bringing the urban population to better understand the highway needs of the nation. Every interest of our people demands good roads, and we can only have them thru a great national movement, the government of the United States leading the way.

Southampton's Welcome.

Southampton, Jan. 30.—The welcome extended to the Southampton curlers on their return from the St. Thomas bonspiel was one of the most successful affairs ever held in town. The boys were met at the depot by the town band and a torchlight procession and were escorted to the town hall, where they were publicly received by the mayor and citizens. Speeches were made by C. M. Bowman, M.L.A., Revs. A. I. Terryberry and Cockburn, T. M. Humble, editor of The Beacon, and the successful contestants, viz., Brock McCauly, Captain Willis Croft, Captain H. Spence and W. J. Cameron. Supper was provided by the ladies of the town and nearly three hundred people sat down at the table.

PRESIDENT TAYLOR HERE ON FIRST OFFICIAL VISIT

Would Cut Out Sacrifice Hits and Make Them Strikes to Benefit Game.

President Harry L. Taylor of the Eastern League paid his first official visit to Toronto yesterday, and during the day he was the guest of President J. J. McCaffery and the directorate, by whom he was entertained at luncheon. In the afternoon the party, which also included Manager Barrow, paid a visit to Diamond Park.

Mr. Taylor announced yesterday that he had engaged as the fourth umpire of his staff John Kerin, who was with the New England League last year. The other three umpires who will officiate are "Count" Campau, Kelly and August Moran. A substitute umpire is yet to be chosen, and Malarkey, who used to pitch for Rochester, may get the job.

In conversation with a World reporter, Mr. Taylor discussed the foul strike rule and the proposed amendments to increase batting. He was of the opinion that any change on the lines proposed would be an experiment, with a doubtful result. The sacrifice hit, he thought, should be entirely killed by calling strikes on batters who bunted with men on first or second and no one out. He contended that it required less skill to dump them down in front of the plate than it did to bang them out for a safety, and he claims that the change proposed would put a premium on good hitting and fast base-running.

Efforts are being made by President McCaffrey to bring the Eastern League schedule meeting in March to this city. President Taylor returns to Buffalo this morning.

Strikes at Baseball.

Albany, Jan. 30.—A measure which would strike a serious blow at organized baseball and other public sports in this state was introduced in the assembly today by Mr. Carrier of Chenango. It prohibits baseball and other athletic games on Decoration Day. Double-header ball games are scheduled for many cities of the state on Decoration Day and the gate receipts on that day form an important factor in the financial success of the several leagues operating in this state.

Smith's Falls Beat Vics.

Smith's Falls, Jan. 30.—Smith's Falls handed out its defeat to Ottawa Victorias to-night by a score of 6 to 2. As neither team had lost a game, excitement ran high and 2000 people were packed like sardines into a big entice to watch the great battle. The score at half time was 3 to 1 and represents exactly the respective merits of the two teams, Smith's Falls having slightly the best of the play, altho honors were on a perity. When play was resumed, Ottawas rushed matters and Shouldis scored in four minutes and it looked several times as tho they would square matters, but the Falls' defence proved too much for the Ottawa forwards and they seldom broke thru. Shouldis and Harrison were the bright spots on the Vics' line-up and their rushes were phenomenal. The best man on the ice was Armstrong. Time and again he found his way thru the Vics' line in corkscrew rushes, which were highly instrumental in effecting tallies, and Ross also showed up in great form, as did also Fraser and Serviss. In fact the home boys never put up a better game and all worked like Trojans to the finish.

The ice was very heavy to start with and towards the end of the game it became a small pond and the heavy going telling on both teams. Smith's Falls, however, were able to stand the pace and began to run away from their opponents when the game was on its last legs, the Vics were in the air and Smith's Falls scored two goals within two minutes at full time. The game was inclined to be rough, but Referee Meldrum and Dervitt held it fairly well under control. Smith's Falls received a little the small end of the game, but everybody was satisfied. The penalties were: Ross 2, Fraser 2, Armstrong 2, Smith 2, Shouldis 2, Brown 1. The line-up:

Victoria (1)—Goal, Bannerman; point, O'Leary; cover point, Smith; centre, Harrison; rover, Shouldis; left wing, Throop; right wing, Young.

Smith's Falls (3)—Goal, Lesseur; point, Brown; cover point, Armstrong; centre, Fraser; rover, Ross; left wing, May; right wing, Serviss.

Timekeepers—W. Miller and J. Kelley.

Port Hope's Protest.

The Port Hope juniors have forwarded to Secretary Hewitt a formal protest against the game played in Cobourg on Saturday, when Cobourg won by 4 to 2. The grounds of the protest are lack of proper lighting, bad ice, non-repair of the boards, interference of a spectator with the Port Hope cover point and the legality of Cobourg's third goal, the puck not going into the goal at all.

Harriston Won.

Harriston, Jan. 30.—In the Northern League Palmerston and Harriston played here to-night. Result, 7 to 3 in favor of Harriston. The Palmerston goalkeeper was struck in the eye with the puck and had to lay off with half time. Hewitt got a man off and the game went on. Line-up:

Harriston (7)—Goal, McQueen; point, Lamb; cover point, Bates; centre, Ward; left wing, McDowell; right wing, Hastie; rover, Bennett.

Palmerston (3)—Goal, Bulger; point, Johnston; cover point, Cox; centre, Lawrence; left wing, Root; right wing, Burns; rover, Delainey.

Timekeepers—W. McConnell, W. Shortbreed. Umpire—Roberts. Referees—Reid and Shea.

Clinton's Easy Win.

Clinton, Jan. 30.—In a one-sided game on ice such as the weather would suggest, Clinton defeated Hensall in the O. H. A. game here to-night by 10 to 2. The game thruout was exceedingly clean. The half time score was 6 to 2 in favor of Clinton. The referee was McKeever of Goderich. The line-up:

Hensall (2)—Sheppard, goal; Bouden, pt.; C. Kyler, cover point; Hogarth, rover; Buchanan, centre; Glen Blackwell, left wing; Guy Blackwell, right wing.

Clinton (10)—Johnston, goal; Dayment, point; McRae, cover point; Forrester, rover; Sheppard, centre; Moore, left wing; Doherty, right wing.

Orangeville Won.

Orangeville, Jan. 30.—The third game in the intermediate series of the O. H. A. between Owen Sound and Orangeville was played here to-night, the locals winning by 6 to 3. The half-time score was 3 to 2 in favor of Owen Sound. The local team have now a lead of six goals and it looks as if they would win the round quite handily. The last game will be played in Owen Sound next Tuesday. Bert Brown of Toronto was referee and proved most satisfactory to both sides. The game was free from roughness, 13 men being ruled off for slight offences. The line-up:

Orangeville (6)—Goal, Hackett; point, Harshaw; cover, Kearns; rover, Campbell; centre, Irving; right wing, Dunkley; left wing, Coulter.

Owen Sound (3)—Goal, Hammond; point, Cruickshanks; cover, Kearns; rover, Colombo; centre, Black; right wing, McKenzie; left wing, Ritchie.

Referee—Bert Brown, Toronto.

Belleville Juniors Won.

Picton, Ont., Jan. 30.—In one of the most interesting and exciting games of hockey ever played here, Picton's junior O. H. A. team was defeated in extra time by the Belleville team, 8 to 7. Score at half-time, 2-all. Within ten minutes of full time the score stood 7 to 4 in favor of the visitors. The home team then scored three goals and tied the score within one minute of full time. Five-minute periods were then played each way, Belleville scoring the winning goal in the last three minutes of play. The line-up:

Belleville (8)—Goal, Phillips; point, Pepper; cover-point, Connelly; centre, Allan; rover, Spangenberg; right wing, Burke; left wing, Weller.

Picton (7)
