64 CARS AT UNION YARD CATTLE PRICES EASIER

Sheep and Lambs Firmer—Calves Steady—Hogs Lower, at $6.65 Cwt.

Receipts of live stock at the Union Stock Yards, West Toronto, were 64 car loads, composed of 1348 cattle, 213 sheep and lambs, 34 calves and 9 hogs.

Considering that the cattle coming on the market are nearly all grass-fed, the quality of those offered to-day was fairly good.

Trade, while not brisk, was fairly good, but there were two or three loads unsold at the close of the market.

Exporters.

Taken altogether, export cattle sold at lower quotations, altho there was one load of extra quality brought $5.50; the bulk of the best sold at $5.15 to $5.30; but there were several loads of lightweight cattle, weighing from 1150 to 1200 lbs., that were bought from $4.60 to $5 for export purposes. Export bulls sold from $3.75 to $4.50 per cwt.

Butchers.

Nearly all the wholesale butchers were represented on the market, but trade was reported as not being just as good as one week ago, and the reason given was that there was not quite as good a class of cattle on sale. There was little, if any, change in prices. The highest price given for the very best load was $4.75 per cwt.; loads of good, $4.40 to $4.60; medium, $4.10 to $4.30; common, $3.50 to $4; cows, $2.50 to $4.25; canners, $1.40 to $2.25.

Milkers and Springers.

There was a fair trade for good milkers and springers, as nearly all the buyers of these classes were on the market. Prices ranged from $29 to $50 each.

Veal Calves.

Receipts of veal calves were not large, and more would have sold. Prices ranged from $3 to $5.75 per cwt.

Sheep and Lambs.

Prices for both sheep and lambs were firmer. When asked the reason, one dealer, Mr. E. Puddy, stated that the lambs coming to this market generally killed out better, as they came, as a rule, from some of the best feeders in Western Ontario. Export sheep, $3.75 to $4.10; rams, $3 to $3.25; yearling ewes and wethers, $4.25; lambs, $5 to $6.25 per cwt.

Hogs.

Gunns, Limited, reported prices lower. Selects, fed and watered at the market, $6.65, and $6.40 f.o.b. cars at country points.

SIR RICHARD ESCOMBE

A NOVEL WITH A HERO AND HEROINE YOU WOULD WANT FOR FRIENDS

By MAX PEMBERTON

The author asked to have this new novel called a romance, and it is a mighty fine romance. They are a likeable lot, these courteous fighting men and winsome women of the Georgian era. The novel is a delightful chapter out of picturesque yesterday — but with the nearness of reality one feels for one's neighbors to-day.

WEST TORONTO COUNCIL OBJECT TO OUTSIDERS

Complain that C.P.R. is Not Dealing Fairly—East Toronto Council Heckle Solicitor.

WEST TORONTO, Aug. 10.—About 20 strike-breakers, neary all laborers, were run into the C.P.R. yards at 10 o'clock this morning. They came in a train from Toronto and were marshalled by Constable Wright, the C.P.R. detective of Owen Sound.

The C.P.R. constables on duty around the shops speak in the most amicable manner of the conduct of the pickets. "They offer no interference whatever and conduct themselves in a very orderly way. We have no complaint to make at all," said one of the constables.

"I don't think the C.P.R. is acting fair towards the citizens of West Toronto, in bringing strike-breakers here," said one of the aldermen tonight. "It's not fair fighting on the company's part anyhow, and, besides, many of the strikers are property-owners in town and have wives and families to support. We'll have enough unemployed to ook after this coming year without making matters worse by bringing in a lot of foreigners to take the work from men that have lived and worked here for years."

Ald. and Mrs. Armstrong leave tomorrow for a two week's holiday in Picton, Belleville, Thenton and Deseronto.

The funeral of Allen F. Hale, youngest child of Frederick Hale, 51 Western-avenue, will take place to-morrow afternoon at Aurora.

The council to-night devoted a long time to the discussion as to wether Enoch Ward should be paid his larray as acting sanitary inspector fo rthe months of June and July. Ald. Sheppard moved that the clause recommending that only a part of the new school on Elizabeth-street be built at present, be struck out, as the foundations had already been dug.

Ald. Hain said he did not see any reason why the clause should be struck out, so on being put to a vote it was decided unanimously to have the clause adopted.

Ald. Armstrong asked Mayor Baird if he would move to take any action with regard to the C. P. R. strike. He stated that some of the C.P.R. constables had been showing their authority outside the company's property, by the display of firearms.

"Yes, I have heard so, too," said the mayor, "and they have no right to do so. If this report can be substantiated, I'll do my best to prevent a repetition of the occurrence."

NORTH TORONTO.

NORTH TORONTO, Aug. 10.—Messrs. Fisher and Ramsay started on their contract to-day remodeling the Eglinton Methodist Church.

Judge Morgan held court of revision at the town hall. D. D. Reid was the only appellent and he claimed in vein that his assessments were not on an equitable basis with his neighbors'.

The death occurred at the residence of her step-daughter, Mrs. W. J. Farr, Yonge-street, Eglinton, of Mrs. Sarah Stennett of Kew Beach, Toronto. She was born in Lancashire, England, 69 years ago and came to Canada when eight years old. Her husband, Thos. Stennett, who kept a flour and feed store at Yorkville for 40 years, predeceased her by 14 years. The surviving childrken are the Stennett Bros., Kew Beach, another son at Regina and a daughter at Dakota. The funeral will take place to Mount Pleasant Cemetery on Wednesday at 3 p.m. Rev. T. W. Powell, rector of St. Clement's Church, Eglinton, and Rev. Baynes-Redi, rector of St. John's Church, Norway, will officiate.

EARLSCOURT.

EARLSCOURT, Aug. 10.—Court Earlscourt, I. O. F., are giving an ice cream social in their hall to-morrow (Tuesday) evening.

Next Friday is the day for the great exodus of young men from Earlscurt and Dovercourt. They intend taking a hand in the wheat harvest in the Northwest.

WHITEVALE.

Serious Illness of an Old Resident of the Village.

WHITEVALE, Aug. 10.—James Thornton of this village, and one of its best-known and most esteemed residents, is seriously ill, having received a stroke a few days ago. Dr. Fish is in attendance and reports Mr. Thornton's condition as very serious.

Albert Major, one of Pickering Township's good farmers, reports the oat crop as fair, while goose wheat and barley will give good medium yield.

Letters received by residents here from friends in the Northwest report the crop of all kinds greatly injured by the het, dry weather. This is said to be the case around Brandon, Regina, Calgary, McLeod and Binscarth.

SCARBORO COUNCIL.

Members Cleared Off a Lot of Routine Business Yesterday.

WOBURN, Aug. 10.—Reeve Annis presided over the regular meeting of the township council to-day with Deputy Reeve Paterson and Councillors Law, Ormerod and Green all present.

While considerable routine work was gone thru there was no outstanding feature other than the decision of the council, after a long deliberation, not to increase the tax rate over last year.

The total assessed value of the rateable property in the township is $2,262,473, and the tax rate for the year 1908, outside the school rate, is 7.17 mills on the dollar.

When this latter is added the total rate in the township will be approximately 10 mills on the dollar. Last year, independent of the schools, it was 7.5 on the dollar.

The rate is made up as follows: On general county and court house debentures, 1.95 mills; for county industrial home, .317 mill; for general township purposes, 3 mills, and for public schools, 1.90 mills.

Collector George Green was re-appointed.

A large number of accounts were ordered paid, among others balance on Harrington Brothers' account for drain pipes, $160.50.

County Clerk John Ramsden submitted a statement of the amount required for county purposes, which is: For general purposes $4023.75, industrial home 717.61, and court house debentures $385.46; a total of $5126.82.

Scarboro council will be represented at the meeting for better suburban service at the city hall on Aug. 20.

VEGETABLE GROWERS' EXCURSION

Wednesday's Annual Trip Will Be to Niagara Falls, via G. T. R.

The annual excursion and picnic of the Toronto branch of the Ontario Vegetable Growers' Association, to Queen Victoria Park, Niagara Falls, on Wednesday, Aug. 12, per the G. T. R. promises to be a memorable event. The time is the most opportune that could probably be chosen for the breat bulk of the members, and the fact that the Grand Trunk Railway has been chosen, instead of the ordinary trip by boat, will permit the excursionists a trip thru the garden of Canada. A special train has been chartered and will leave the Union Station at 8.20 a.m., calling at Parkdale, Swansea, Mimico, Port Credit and Clarkson. Wednesday's outing promises to be a most enjoyable one, and the committee who have the matter in charge will spare no pains to make the trip a pleasant one for all concerned. Mr. Delworth is president, and Frank F. Reeves secretary.

Remember the date, Wednesday, Aug. 12, leaving the Union Station at 8.20 a.m.

WYCHWOOD.

Odds and Ends of More or Less Interest Around the District.

WYCHWOOD, Aug. 10.—Rev. W. A. Mactaggart and family left for a couple of weeks' holiday to-day.

Rev. C. W. Follett of Zion Methodist Church, and family, are spending a few weeks' holidays at Port Carling, Muskoka.

Mrs. Jonathan Goforth, wife of the well-known missionary at Honan, China, with her family, is visiting at Mrs. R. J. Fleming's. Mrs. Goforth expects to take up residence in Toronto.

Magistrate and Mrs. J. Henderson of Fredericka-street, returned home after visiting friends at London.

J. G. Robinson, who fell from a scaffold at a new building last week and received a severe shaking up, is greatly improved.

Bertram Follett of Newfoundland has been visiting his brother at the Methodist parsonage over Sunday.

Robert Drake of Ossington-avenue, who has been confined to his home thru illness for some weeks, is now convalescent.

Mr. and Mrs. Fred Clark have returned home after a short holiday with friends near Scugog Lake.

EAST TORONTO COUNCIL.

Solicitor and Council Don't See Eye to Eye on Annexation.

EAST TORONTO, Aug. 10.—The feature of to-night's council meeting was the manifest desire of the town fathers to come into the city without recourse to another vote of the ratepayers, and the equally determined attitude of the town solicitor not to endorse any such action on the part of the people's representatives.

The councillors visibly chafed under the legal technicalities, which in the mind of Solicitor Grant hedged the matter about, without another reference to the popular vote.

"The city has contracted millions of added debt, has increased the license fee to $1200 and in many ways the conditions are different," said the solicitor.

When Deputy Reeve Brown, Councillor Abbott and a majority of the others expressed the view, especially the former, that the matter was being deliberately delayed and that the city solicitor had expressed a different opinion, the town solicitor said: "No matter what Solicitor Chisholm or the judges may say, I still hold to my opinion." And there the matter dropped.

The high and public school estimates, totaing atogether something ike $26,000, came in the nature of a bomb. It was referred to the finance committee.

DON'T WANT TO PAY.

Railway Said to Disclaim All Responsibility.

While Robert Sexton, a farmer's son, was taking the cattle to pasture, a short dis ance east of Scarboro Junction and crossing the Grand Trunk tracks, an engine running light came along and dashing into the herd killed four valuable milch cows. No signal was given and the owner of the cattle at once got in touch with the company, in the hope of getting some compensation, but failed to get any recompense. He wil now see if the aw wi grant any redress. Mr. Sexton had only a few days before paid $110 for two of the cows.

DOVERCOURT.

Forty-eight entries were made in the floral contest promoted by Davenport-road Church School (Presbyterian). The display made was beautiful and called forth much admiration. The winners were as follows: Class A (variety), Maggie Roberts 1, Willie Cook 2, Mary Smith 3. Class B (massed), Irene Guinyou 1, Rose Keeber 2, Reid Guinyou 3.

Company Gets Wise.

The street railway will collect all fares on cars leaving Scarboro Beach before they have gone a block, thus preventing nearby residents taking a short ride without paying.
