ISLANDERS ARE ALARMED.

Argonauts' Fast Trial at Henley Makes English Cracks Not So Sure of the Steward's Cup.

London, July 5.—The Cornell crew see defeat ahead of them and sagaciously announce that they cannot train at Henley.

Coach Courtney says he is making every effort to bring them into condition, but it is doubtful that they will be in shape when the trials begin on July 9.

The Telegram special says that there is no question now about the favorite for the Diamonds. "Bush" Thompson has let himself out, and recent trial spins have placed him high in public favor.

To-day he rowed over the course for the singles in 8 minutes and 35 seconds, beating the record, and the achievement was witnessed by many who will from this out pin their faith to the Canadian, especially as Guy Nickalls went the same journey a short time later, finishing in 8 minutes 40 seconds. The critics are more favorably disposed to the Canadian style than formerly, and it is fully expected that the next published quotations will show the Canadians in the front of the betting both for the Diamond Sculls and the Stewards' Challenge Cup.

The men are in good spirits and enjoying the best of health. The return of fine weather has improved the aspect of things generally, although some of the Cornell crew are still a little indisposed.

The Argonauts' practice this morning was witnessed by hundreds. They went over the Stewards' Cup course in 7 minutes 40 seconds, and in such good form that they went up a notch or two in critical opinion, and are now regarded as dangerous by the friends of the Leanders.

This evening the Amsterdam crew, pulling a 42 stroke, rowed to Fawley Court in 3 minutes 30 seconds.

Guy Nickalls sculled to Fawley Court in 4 minutes 15 seconds and Guiness in 4 minutes 9 seconds.

The new college eight, pulling 37 strokes a minute, rowed over the full course in 7 minutes 6 seconds.

Valkyrie Beats Ailsa.

Hunters Quay, July 5.—The Britannia having withdrawn from the private match, the Ailsa entered in a merely friendly contest with the new Valkyrie. The course was dead to the windward and return. The starting signal was given by the Iverna at 2.30 p.m., and the Ailsa got away fifteen seconds in advance of Valkyrie III. The breeze had become fresher and the Valkyrie heeled freely. The Valkyrie finally drew out in fine style. She rounded the weather mark fifteen and a half minutes ahead and from this point to the finish gradually increasing her lead crossed the line at the finish at 4.45.55. The Ailsa's finishing time was 5.00.50.

The time of the 20-raters yachts at the Commodore's boat at the finish of the third round was: Zinita 2.59.03, Niagara 3.05.55, Encharist 3.10.20, Dakota 3.20.00. The Zinita was disqualified by the judges.

FLATTERING OPENING OF BRIGHTON BEACH RACES.

Over a Heavy Track, Light Fields But a Good Attendance—The Winners Were Drum Major, Emotional, Pitfall, Sandowne and Charade—General Sporting Gossip.

Brighton Beach, July 5.—Considering that the weather was anything but fine, and that yesterday was a holiday, the attendance on the opening day at Brighton was very flattering. There were nearly 3000 persons present. The track was very heavy from frequent showers this morning, and the fields were in consequence very light, as a result of withdrawals. In the fifth race Prig had a walk-over. The betting was conducted in the same fashion as at Sheepshead and Brooklyn. A bad start marred the first race, the horses being despatched almost in Indian file. Lord Hawkstone had four lengths the best of the others. As soon as the horses had settled, however, Lord Hawkstone lost his advantage, Ina taking up the running, and, closely followed by Drum Major, showed the way to the homestretch. There Ina began to falter, and Drum Major taking the lead, won by a length and a half. Summaries:

First race, for 3-year-olds and upwards, selling, 5 furlongs—Drum Major, 109 1-2, Reiff, 8 to 1 1; Ina, 93, O'Leary, 10 to 1, 2; Factotum, 105, Keefe, 6 to 5, 3. Time 1.04 3-4. Ridicule and Lord Hawkstone also ran.

Second race, for 2-year-olds, selling, 5 furlongs—Emotional, 100, Keefe, 3 to 1, 1; Tenderness, 106, Penn, 3 to 5, 2; Perseus, 98, O'Leary, 8 to 1, 3. Time 1.04 3-4. Onalaska, Baccarat and Skelkahoe also ran.

Third race, for maiden 3-year-olds, 1 mile—Pitfall, 113, J. Reagan, 7 to 10, 1; The Swain, 115, Penn, even, 2; Escape, 112, Midgley, 15 to 1, 3. Time 1.49 3-4. Only three starters.

Fourth race, 1 1-16 miles—Sandowne, 107, Griffin, 3 to 5, 1; Captain T., 107, Keefe, 10 to 1, 2; Matt Byrnes, 113, Taral, 8 to 5, 3. Time 1.54 3-4.

Fifth race, 1 1-8 miles—Prigg, 104, Griffin, walk over.

Sixth race, for 3-year-olds and upwards, 1 mile—Charade, 117, Doggett, 4 to 1, 1; Sir Francis, 114, Taral, 7 to 5, 2; Aurelia, 115, Midgley, 7 to 5, 3. Time 1.48 1-2. Harry Alonzo, and Golden Gate also ran.

OVER THE NETS.

Nearly All the Best Players in the United States Will be at Niagara.

Such a gathering of tennis players as is expected at Niagara-on-the-Lake next Tuesday has never before been seen on Canadian courts, and has seldom been equalled in the United States. The American cracks are taking the Queen's Royal by storm. The active secretary, Mr. E. Scott Griffin, is every day receiving new entries from well-known players in the States. Larned, Foote, Chace, Howland, Hobart, possibly Hall, W. G. Parker, E. P. Fischer, H. O. Tallmadge, E. Reed (Harvard), will make magnificent tennis, to say nothing of players from Rochester, Buffalo and Canada. Bob Wrenn, the American champion, writes to say he will arrive on Wednesday in time for the doubles, in which Chace will be his partner. In the ladies' championship there is said to be a dark horse who will give Miss Osborne, Mrs. Sydney Smith and Mrs. Whitehead a hard struggle. The open handicap will give the younger players a good chance.

The festivities in connection with the tournament are attracting a large number of fashionable people. The musicale on Wednesday evening, the Domino ball on Thursday, "the Lark" every morning, a two-step composed by Mr. Albert Nordheimer, all these are special features. At Barlow Cumberland's office return tickets, Toronto to Niagara, including single admission to courts for one day, can be obtained for $1.

O'Neill, field captain.

Athletics.

The first annual athletic tournament of the Toronto Athletic Club, which will be held to-day at the Rosedale grounds, promises to be a decided success. All the events are well filled, and athletes will be present from all parts of Canada. Montreal alone sends nine of her best men, including competitors for the 100 yards, 220 yards, 440 yards, 1-2 mile and mile, and Orton comes all the way from Worcester, Mass., to start in the 1-2 mile, mile and mile handicap, in the latter of which events there will be no less than 14 starters. The two provincial bicycle championships are also well filled, and should form an attractive feature of a good program. The Q.O.R. and Royal Grenadiers will contest for the honors in the military bicycle race. All that is needed is fine weather to make the first venture of the T. A. C. a grand success. The seat plan is open at Webster's ticket office, corner King and Yonge-streets.

Athletics and General Notes

Mr. Widdifield of Norway challenges Mr. Rennie of Uxbridge to run 100 yards for $15 or $25.

He Had Hip Disease
Seven Running Sores—Three Months in the Hospital
Took Hood's Sarsaparilla—Gave Up His Crutches—Perfectly Well.

"C. I. Hood & Co., Lowell, Mass.:
"Dear Sirs:—I gladly state what Hood's Sarsaparilla has done for our boy. About six years ago he fell down the cellar stairs. He did not seem to be much hurt at the time, but two or three weeks after, he began to have pains in his right knee so badly that we called a doctor and he
Termed the Trouble Rheumatism,
but his treatment did not seem to do the boy any good. He kept complaining more and we had several doctors treat him, but they did him no good, and his trouble continued to grow worse. He became so lame that he could not walk. A prominent physician in Boston was consulted and he termed the affliction contraction of the muscles. His treatment also failed. As his leg began to cramp up besides paining him severely in his knee, we took the boy to New York where he was examined by two physicians, and they pronounced it
A Case of Hip Disease.
We had a brace made to keep the leg from cramping, and upon the doctor's advice we again took him to Boston, this time to the Children's Hospital. He was there three months during which time they made an operation on his leg and did all they could for him, but they did not effect a cure. When we brought him home had seven running sores on his leg. He could not put his foot on the ground. At last Hood's Sarsaparilla Cures we were advised to give Hood's Sarsaparilla a trial. This was about a year ago. The boy seemed to gain after the first bottle and today he can walk, run and play as lively as any boy, the sores having all healed up, and he is
The Picture of Health.
He goes to school daily without the aid of crutches. I hope Hood's Sarsaparilla may be of as much benefit to others." JOHN C. BOYLE, 45 Water St., Ware, Mass.

PROSTRATED FOR TWO YEARS WITH LIVER COMPLAINT.
Restored to Perfect Health by South American Nervine, Was Mr. W. J. Hill of Bracebridge, Ont.
When men and women can be got away from simply temporizing with disease, there will be less disease in the world. The immediate matter, it is natural, is to relieve the present trouble, but how often is it forgotten that any cure that is only skin deep, if we may use the expression, cannot be lasting! It will certainly turn up again.
This was the case with Mr. W. J. Hill, the well-known bailiff of Bracebridge, Ont. He had suffered from severe liver trouble and nervous prostration for nearly three years. During this time he doctored to no end, and occasionally secured a little temporary relief. But the old trouble would come back again, after the charm of the cure-alls had been exhausted.
He entered upon the use of South American Nervine with little hope that it would be any better than other medicines he had taken. But he soon discovered the mistake. Where doctors had said that he must die, this medicine gave him life. He persevered with it and today is in possession of robust health. The secret is this: South American Nervine treats with the nerve centres, from which flow the life-blood that keeps the system in perfect health. When these nerve centres are kept healthy, neither liver complaint nor other troubles will worry one. Mr. Hill's cure was lasting for this reason. Anyone who uses Nervine will experience same results.

IRISH MONEY THROWN AWAY.

reland's Interests Forgotten in the Wa of Political Factions.

Boston, July 5.—A committee appointed by the Irish Nationalists of this city has issued an address, in which it says: "The Irish members of Parliament are split into two contending parties, and one of these parties is rent into two hostile factions, animated by bitter hostility towards each other. In the war of faction and the personal strife of leaders the interests of Ireland are forgotten, and the old flag is trailed in the dust."

"Rival appeals have been sent to the Irish people in America for funds to aid the factions to fight each other at the polls. Every dollar contributed for such a purpose might as well be flung into a sewer or sent to the English Secret Service Fund. No man of common sense can imagine that he is serving Ireland by helping to keep Irishmen divided. There must be union based upon sound principles before the Irish cause can make a single forward step or recover the ground it has lost."

Italian Electoral Reform.

Rome, July 5.—An electoral reform bill, which it is announced, Prime Minister Crispi will present to the Chamber in November, abolishes the Uninominal Colleges and substitutes election by Scrutin de Liste. Each province will return deputies on the basis of one for every 70,000 voters. The total number of deputies will be 550, and they will each receive 20 lire daily.

No one should be without a HAMMOCK when they can buy a 9-foot fine mesh Hammock for 44c, or a Heavy Linen Cord 10-foot Hammock for 38c, worth $1.50.

Please Take Notice--We advertise a special fine mesh Hammock at 33c in our four-page circular. This was a mistake of the printers, as it should read 44c.
