A New York special cablegram tells the story of Tuesday's big handicap, as follows:

The Lincolnshire Handicap of 1000 sovs., added to a sweepstakes of 15 sovs. each, for 3-year-olds and upward, distance one straight mile, was run at Lincoln, and was won by Captain F. C. Bald's 6-year-old brown mare Little Eva, by Little John—Lady Carden, carrying 99 pounds, Dalton up.

Mr. James Joicey's Alvescot, 4 years old, was second, and Mr. G. Cockerill's Lackford, 6 years old, was third.

After considerable delay, a good start was effected. Greenan and Harrow were prominent in the distance, when Little Eva came out and won by three-quarters of a length.

Other American jockeys riding in the race were Dannp Maher, on Marconi; A. McIntyre, on Pheon, and C. Jenkins, on Syeria.

The betting was 100 to 15 against Little Eva, 25 to 1 against Alvescot and 100 to 7 against Lackford.

Considerable interest was manifested in this race. The 28 runners included Mr. W. C. Whitney's 5-year-old American-bred bay horse Jean Beraud, by His Highness—Carrie C., 122 pounds, with Lester Reiff in the saddle, and Mr. Richard Croker's 5-year-old English-bred bay colt Harrow, by Orme—Lady Primrose, 104 pounds, with Johnnie Reiff up.

Little Eva was a strong favorite, with Harrow as second choice.

Washington Jockey Club.

Washington, March 27.—The racing season in the east will begin to-morrow, when the Washington Jockey Club throws open its gates at the Bennings track for fifteen days. The fields will be large, and the racing of a high character. There are to be six races daily. To-morrow's card will include the Arlington purse for 2-year-olds at half a mile, a maiden steeplechase and the first half of the Bennings spring handicap.

To the Southern Race Meetings.

The racing season has opened in the South, and quite a number of Canadians are going down these days. The best and quickest way of reaching the south is via the Iron Mountain Railroad from St. Louis. This is a first-class road, running to all points in the Southwest, to Mexico and California. It has close connections with Galveston, Houston, Dallas, Fort Worth, El Paso, Los Angeles and other central points, and those going to the present race meeting at Little Rock, or to the meeting beginning next week at Memphis, should go via the Iron Mountain route.

CANADIAN WHIST CONGRESS.

Preparation for Annual Congress That Begins in Toronto Next Week—Some Notes.

One week from to-night the sixth annual Canadian Whist Congress opens in the Temperance Building. Everything goes to indicate that it will be the most successful in the history of the league. Many entries are coming in for both the champion fours and open pairs contest. There will be a large number of teams of four to compete for the challenge trophy, and they will represent many cities and towns. The open pairs or compass games are always popular, and it looks as tho there would be at least forty pairs playing in the opening contest on Thursday night. The two pairs having the best scores in each of the compass games will receive prizes, and in addition will qualify for the Walker pairs contest, the prizes for which are two elegant diamond scarf pins, which Hiram Walker & Sons are having specially manufactured and will present for this event.

There are two facts which the officers of the C.W.L. wish specially to impress upon the minds of whist players generally who have not previously taken part in a Congress, viz: A great many players of limited experience compete, and it is not at all necessary for any pair to play in all the games. Some whist players have the idea that only experts and highly scientific whisters attend a Congress, and therefore they think that they are not good enough players to enter the contests. As a consequence they deprive themselves of one of the greatest pleasures which a lover of whist can enjoy. This idea is erroneous. Remember this. Your opponents do not care whether you play a good game or not, if your partner is satisfied. Everyone else will be. Then, again, don't be sensitive about getting a low score. It is only the high scores on the sheet that the players are interested in—they never see the low ones. Your score will not be in the papers unless it is a plus, and not then if you wish. Each compass game is complete in itself. You can play in any or all of them as you wish.

Still Playing Hockey.

Ingersoll, March 27.—The fastest game of hockey played here this year took place to-night between London and Ingersoll West Enders, which resulted in favor of the former by a score of 4 to 3. The game was fast thruout, and altho the London team were much the heavier some good combination was indulged in.

Champion St. George's to Dine.

The annual dinner of the champion intermediate St. George's will be held to-morrow night at Webb's at 8.30 o'clock. This banquet promises to be a big success, as the many supporters of this plucky team have all purchased tickets. A first-class toast list has been prepared.

Spoils for Parkdale Curlers.

To-night the Parkdale Curling Club will celebrate their winning of the City Trophy by a social evening at their club on Cowan-avenue. The Queen City Club, last year's holders of the City Trophy, will hand it over to the suburban players during the festivities.

THE
UNCHANGED
TREAD.

The G. & J. Detachable Tire Tread is vulcanized rubber. That is what it was last year. That is what it will be this year. That is what 1902 G. & J. Detachable Treads will be.

There are no "thicker tread" improvements. No need to break into some new scheme each year.

Wire edge detachables are cemented by hand.

Cement sometimes is thicker in spots, therefore the tread above is higher and readily wears.

This is why changes are yearly made and the public used for experimenting.

Get them on your new wheel for the asking. Make the dealer put them on for you, if not come to us and we will fix you up. Get the only detachable tire that doesn't wobble.

NEXT WEEK'S BOXING PROGRAM.

Jim Smith vs. Roach and Wildey vs. Billy Smith Matched for Preliminaries.

Jimmy Smith readily consented to take on Jack Roach at catch-weights for the main preliminary to the Olson-McClelland 20-round bout in the Mutual-street Rink next week. This is a sort of handicap match, with Smith giving away 10 pounds, and, tho he is perhaps the heavier hitter of the two, Roach will likely enter the ring favorite. The curtain-raiser brings together a pair of vigorous and ambitious sluggers, who will keep busy during thrty five rounds. The complete program follows:

Jack McClelland (Pittsburg) v. Ole Olson (Chicago), 20 rounds at 126 lbs.

Jimmy Smith v. Jack Roach (both of Toronto), 10 rounds at catch-weights.

Ed. Wildey v. Billy Smith (both of Toronto), 5 rounds at 135 lbs.

Peterboro's Wrestling Entry.

The Peterboro Baseball Club will have an entry in the C.A.A.U. wrestling championships in the person of George Gauthier, whose name was sent in to the Argonauts yesterday. Gauthier has entered in the 145-lb. class; but, should that division not fill, he is willing to go in with the 158-pounders. The entry list will close on Monday with Secretary Doherty, East King street.

That Shoot at Lambton Mills.

Sporting Editor World: On March 23 there was a friendly shooting match at live birds held at Lambton Mills, between two gentleman, at which a certain sporting man was asked to act as referee, who so far forget the duties of a referee as to take on himself to alter all conditions of the match as originally made between the parties interested, before allowing either man to go to the score. Now, if this gentleman is such an adept at the shooting game, and thinks he is the only man that can either make or referee or shoot a match on the square, he can have the privilege of making a trap and handle match at live birds with a Lambton Mills man for any sum he likes.

MANY G.W.A. AMENDMENTS

A Lot of New Rules to Be Discussed at The Annual Meeting on Good Friday.

OFFICERS BY ACCLAMATION

A Junior Branch Suggested and Districts to Be Cut Down From 26 to 6.

Secretary Howson of the Canadian Wheelmen's Association has worked hard on the revision of the constitution, and has suggested some valuable amendments that will be discussed on Good Friday, among which the following are the most important:

The rates to be the same as always, organizers of clubs to get 25 per cent. commission of all fees collected by them.

That the association be permitted to elect honorary life members to the association.

That a junior branch be formed to consist of members between 12 and 18, the annual fees to be half that of the seniors; the juniors to have the same privileges as the seniors, except in voting at annual meetings and holding offices.

That the annual meeting be held at any place decided on by a two-thirds vote at the previous annual meeting.

That in place of there being 26 districts in the association there be only six, as follows: Ontario East, Ontario West, Quebec, Maritime Provinces, Manitoba and Northwest and British Columbia.

That all chief consuls be appointed by the president.

That chief consuls appoint local consuls in towns and villages in their district, and said chief consuls to receive 10 per cent. of all fees collected from members.

There will hardly be an election this year as most of the offices will go by acclamation. The following are the only nominees to date:

President, A E Walton; Vice-President, E B Eyckman; Secretary, H B Howson (elected by board).

Chairmanship Membership Committee—L Rubenstein, Montreal.

Chairman Roads and Touring Committee—G S Pearcey, Toronto.

Chairman Rules and Regulations Committee—H B Donley, Simcoe.

Chairman Rights and Privileges Committee—W N Irwin, Toronto.

Chairman Transportation Committee—R J Wilson, Kingston.

The C.W.A. may again resume the control of racing.

LACROSSE IN DOC ROBERTS' TOWN.

Two Teams Amalgamate, But They Are Still Excelsior—C.L.A Council Candidate.

Lacrosse looks like the real thing in Brampton this year. The Excelsiors and Athletes of 1900 have amalgamated, and there will be but one club in Doc Roberts' town for the opening year of the century. Fully 40 players will be available when the grass grows green, and two good teams will contest the championship series. On Monday evening the following officers of the Excelsior Lacrosse Club were elected for 1901:

Hon. presidents, Messrs. Adam Morton, John Anthony, J. J. Manning, J. G. Roberts and Trooper Jack Stewart; president, M. D. Mitchell; first vice-president, M. M. Taylor; second vice-president, Bert Jennings; secretary, C. Arthur Irvine; treasurer, H. E. Roberts; Executive, Thomas Hunter, A. Wilcher and G. Williams.

President Mitchell will be a delegate to the C.L.A. convention, and will take down with him O. Barrett, Thomas Henry and C. A. Irvine.

Mr. M. M. Taylor, the newly-elected vice-president of the Excelsiors, will be a candidate for the C.L.A. Council for 1901.

Three Teams for Young Tecumsehs.

At the Young Tecumseh meeting last night the Committee on Grounds reported the matter not yet settled. D. A. Rose and J. D. Bailey were elected hon. patrons of the club, and L. Geroux and H. Galbraith were added to the Executive. It was decided to enter the Tecumsehs in the C.L.A. and senior and junior series of the Toronto Lacrosse League. A large number were present, and the prospects are bright for a good season.

EASTERN LEAGUE AND THE PLAYERS.

Diplomatic Patsy Powers Arranges Terms With Attorney Taylor—Notes of the Game.

Buffalo, March 27.—The Eastern League and the Players' Association have come to terms. To-day President Powers sent a message to Harry L. Taylor, attorney for the Players' Association, asking him to send a draft of the contracts as drawn up by the Players' attorney. Mr. Powers' message stated that he would forward them to the club managers at once. The new contracts provide that a club cannot farm a player without his written consent. Clubs may, however, sell a player at the end of the season to a major organization, provided that player shall receive an increase in salary.

Crescent Baseball Club.

The Crescent A.C. Baseball Club has elected officers for the season as follows: President, A. N. Garrett; Vice-President, James Wickett; Secretary-Treasurer, Frank Poucher; Manager, Doc Shepherd; Assistant Manager, Tom Benson. Manager Shepherd has an able assistant in Tom Benson. He is one of the best players and undoubtedly one of the best posted baseball men in Canada.

It is expected that most of last year's team will be in line again. Up to date the following players have signed: T. Benson, J. P. Fitzgerald, L. Gorton, Bickell, Greer, W. Benson, Scott, Ross, Rowlin, Dunlop, Rodden, Walker, Armstrong and Shepherd.

Rodden will again captain the team. Billy is one of the best infielders in the city, and has the confidence of both the players and officers of the team. The Crescents are strong in every department this year.

Billy Dineen Writes.

Buffalo, March 27.—The first piece of unpleasantness that Jimmy Collins of this city has encountered since he has taken the management of the Boston American League Club crossed his path yesterday, when a letter was received from Syracuse stating that Billy Dineen had flopped back to the Boston team of the National League. Dineen's letter read as follows:

Syracuse, March 25.

Dear Friend Jimmy.—This letter will undoubtedly come to you as a big surprise. I have agreed to sign a contract with the old Boston Club for this season. Their offer is so far in advance of anything ever before presented to me that I could not see my way clear to refuse it. I wish you and all the boys success in the movement you have made. Yours truly,

Billy Dineen.

To Test Players' Contracts.

Philadelphia, March 27.—John I. Rogers, treasurer of the Philadelphia National League Baseball Club, to-day appeared in the office of the Common Pleas Courts to make the necessary arrangements for the filing and early hearing of a proposed equity suit to restrain Napoleon Lajoie, the second baseman, from playing with the local American League Club during the coming season. The further object of the proposed suit is to test the validity of the contracts entered into between National League clubs and players. No papers were filed by Conolel Rogers.

The Intermediate League.

The Robson Intermediate League held a very successful meeting last night in the Central Y.M.C.A. Twelve clubs were represented, including all the important teams in town. Business under many headings was the order of the night. This league will close entries at the next meeting, which will be held on Wednesday of next week. The American League rules for 1901 were adopted.

Canada's Cup Defender Launched.

Boston, March 27.—The little yacht Illinois, which Lawley is building from designs of B. B. Crowninshield for Chicago yachtsmen to defend the Canada's Cup, was launched to-day at the South Boston yards, and the work of rigging will begin immediately. The Boston yachtsmen who have seen the boat are much impressed with her lines, and all agree that she will be fast. She will be unrigged and sent to Chicago by rail. Her lead keel will also be removed before she is put on the cars.

Patsy Sweeney of Ireland and Perry Queenan of Chicago fought 20 rounds to a draw before a large crowd at Memphis on Tuesday night.

ITS WORK TELLS
MALT BREAKFAST FOOD
Shows Its Happy Results Upon Every Member of the Family After a Week's Use.
Malt Breakfast Food is, according to the opinions of physicians and food experts, the best of the many breakfast grain foods now on the market. It has become the most popular of all foods, simply because its work and results tell quickly and satisfactorily.
Malt Breakfast Food is the only grain food perfectly adapted for the requirements of the weak and strong. It is a perfect regulator of digestion, it tones the stomach, it never irritates the blood, producing skin troubles and eruptions, as does oatmeal; it builds up solid flesh, strengthens the nerves and clears the brain.
In addition to the grand nutritive qualities of Malt Breakfast Food, it is the most delicious and appetizing of all foods—something to tickle the palate of the most pronounced epicure.
After one week's use of Malt Breakfast Food, its good points are so clearly established that no one will give it up. At all retail grocers.

GREAT AMERICAN HANDICAP.

There Are 207 Entries, With Bates And Four Other Canadians.

New York, March 27.—The entries for the great American Handicap and Blue Ribbon event among trap shooters, which will be held at Inter-State Park, Queen's, L.I., on Wednesday and Thursday of next week, April 3 and 4, were sent out by Secretary Banks to-day. There are 207 entries, of which Canada provides five, among them being H. D. Bates of Ridgetown, Ont., who was last year's winner. All previous winners, with the exception of R. A. Welch of New York, who won in 1893, and J. C. Messner of Pittsburg, who was the winner in 1895, are entered for this year's event. The Handicap Committee met to-day at the Astor House, for the purpose of awarding handicaps, but the result of their labors will not be made known until Sunday. The shooting will begin Monday and last all week, but the Grand American will not be decided until Wednesday. This event is at 25 birds, $25 entrance fee, handicap rise, with $600 to the winner and a $500 cup; $500 to the second and $400 to the third. All money in excess of the $1500 is divided pro-rata among the other high guns.

British v. American Shooting.

London, March 28.—The English inanimate bird shooting clubs were delighted at the reception yesterday of a deputation from the United States announcing that the American clubs agree to their challenge to meet the English clubs in this country during the coming summer. A meeting will be held in London this (Thursday) evening to discuss the arrangements.

Interest in the contest is enhanced by the fact that the American team is confined to the use of a single-barrelled gun which employs a larger charge, while the English team will use the national double-barrelled gun. The result is expected to determine which is the better weapon, and it may lead to a revolution in the English gun trade.
