Other Eastern Games.

Buffalo, N.Y., July 26.—Providence pulled away a game from Buffalo to-day. Cy. Hooker's arm was rather stiff in the first inning, and before he could limber up Providence had batted four runs, adding another in the second. Buffalo made an uphill fight, but fell one short.

Lovell, an infielder, belonging to a New York State team. Dooley has also signed a new pitcher, whose name has not yet been announced.

Baseball Games on Sunday.

At Newark (exhibition)—The New York National League team and the Newark Eastern League nine, played an exhibition game, which the visitors won. Miller, formerly of the Detroit American League Club, pitched for New York, and was very effective. A sensational catch by Dunn in right field was the feature. Score:

At Buffalo—Buffalo tried its first Sunday game of the season and pulled it off without any interference from Sheriff Copelin. The Buffalos made a record, 33 runs and 33 hits. Danny Friend began like a whirlwind, but in the fourth he could not get the batters retired and Corridon was called in from centrefield. He did not like the change apparently, for he merely lobbed the ball over the plate until Captain Connor gave up his position at second and took up the pitcher's box. Score:

Crescents Beat Heintzman.

Only one game was played at the old U.C.C. grounds on Saturday afternoon between the Crescents and Heintzman teams, which resulted in a win for the former after a first-class game had been played. Both teams played snappy ball thruout, giving their respective pitchers the best of support. The second game between the Cadets and Park Nine had barely started when the rain came on. The score:

The Canada Foundry Co. defeated the Stars at Hamilton Saturday by 7 to 6, scoring five runs in the ninth innings. Batteries—Tobin and Powers; Crowe and Ritchie.

Expelled Contract-Jumpers.

New York, July 27.—Every man in both the National and American Leagues of baseball players who has jumped his contract with his manager was peremptorily expelled from membership in the Players' Protective Association, at a meeting held here to-day, at which all the American and National clubs were represented. After the meeting Frank Donohue, the treasurer, made the following statement: "Every one of the delegates here to-day agreed that there was no use in a man joining this organization, getting all the benefits in the way of procuring counsel when he was in trouble, and being protected in his rights, and the interests of his pocket, and then jumping his contract. There is no one here to-day that will stand for McGraw, McGinnity or any other man who has jumped a bona-fide contract.

"In our meeting, Hartzell of the Philadelphia Club made a motion that every man who had jumped his contract should be expelled. The motion was carried by a unanimous vote. That seems to show where the Protective Association stands."

The meeting re-elected Tom Daly president and made Harry Davis of the Philadelphians secretary, and Frank Donohue was retained as treasurer.

Bicycle Racing at Newark.

Newark, N.J., July 27.—Probably the most sensational bicycle racing ever seen in this country was witnessed by about 6000 people at the Vailsburg track to-day. World's records went by the board in both the amateur and professional races. The most remarkable race of the day came in the 10-mile professional. Of the 40 men who started, 25 were left in at eight miles. W. S. Fenn won by a length and a half in the fastest time ever made in such a competition. His time was 21.53 1-5. Both M. L. Hurley, the national amateur champion, and Walter Smith broke amateur records. Hurley won the quarter-mile race in 28 2-5 seconds, the best previous time being 29 seconds, made by M. Coffey.

Walter Smith then started in to knock out some more records behind motor pace. He used the pacing machines belonging to Metz, which made the world's record in Brooklyn of a mile in 1.10. Smith made one mile in 1.26 2-5, and a little later started again, and broke all amateur records from one to five miles, making the five miles in 7.18 3-5; former record, 7.40. Summary:

Quarter-mile, amateur, open—Won by Marcus L. Hurley, New York A.C.; Teddy Billington, New York A.C., 2; M. T. Dove, New York, 3. Time :28 2-5. (World's amateur competition record.)

Ten-mile professional handicap—Won by W. S. Fenn, Waterbury, Conn. (scratch); Menus Bedell, Lynbrook, L.I. (240 yards), 2; Floyd Krebs, Newark (100 yards), 3; Plugger Bill Martin, Australia (160 yards), 4; Tom Butler, Cambridgeport, Mass. (160 yards), 4. Time 21.53 1-5.

Ottawa Canoe Club Regatta.

Ottawa, July 26.—The Ottawa Canoe Club regatta on Ottawa River to-day attracted a large crowd, and the various events were keenly contested.

The main interest centred in a war canoe race between three crews entered for the C.C.A. regatta at Brockville. The Britannias were first, Ottawa second, Rideaus third. The mile, straight away, was covered in 3.18, remarkably good time.

International Chess.

Hanover, July 26.—Play in the fifth round of the international chess masters' tournament, contested to-day, resulted as follows: Marshall beat Napier, Pillsbury beat Popiel, Swiderski beat Tschigorin, Levin beat Cohn, Suechting beat Gunsberg; Janowski, Wolf-Atkins, Mieses-Janowski, Mason-Gottschall: adjourned, Olland-Bardeleben. Island Aquatic Association Regatta

The Island Amateur Aquatic Association will hold an evening of aquatic sports on Wednesday next at 7 o'clock sharp on the lagoon back of Monreath, at Hanlan's Point. This is expected to prove a very interesting evening. The program includes tandem race under 15, ladies' and gentlemen's tandem, single gunwale, club fours, ladies' tandem and a very interesting race, a long-distance tandem. All parts of the Island will be well represented. Two fours from Ward's Island are entered, and a large number from Centre Island, and three crews from Hanlan's Point. These are all open to residents in all parts of the Island, and, unlike the West Cottagers' Society, that only includes members from their section of the Island.

Saratoga Stakes Close.

New York, July 27.—The Saratoga Association announces that entries for the following stakes, to be run for at Saratoga during the summer meetings of 1903-4, will close on Monday, Aug. 18, 1902. For 2-year-olds, in 1905, the United States Hotel Stakes of $10,000, 5½ furlongs; the Grand Union Hotel Stakes of $10,000, 6 furlongs; the Flash Stakes of $5000, 5½ furlongs. For 3-year-olds, in 1904, the Saratoga Derby, with $5000 added, 1 5-16 miles; the Travers Stakes, $7500, of 1¼ miles, and the Alabama Stakes of $5000, for fillies, 1⅛ miles.

St. Matthew's Tennis Tourney.

In the St. Matthew's lawn tennis tournament, the principal event of Saturday afternoon was the final in the men's open singles, in which Cowan opposed McMaster. The former put up a phenomenal game. His opponent was playing a very fast game and placing all over the court, but Cowan tried for everything, nearly always returning the ball safely and often passing his man. He won the first two sets at 6—2, 6—3. At the beginning of the third set Cowan tripped on going after (and getting) what looked like an impossible ball, falling heavily and wrenching his ankle very badly. He was unable to continue, but McMaster declined to take the match, to which he was entitled under the rules. The prizes were shared and the match called off. What would have been the ultimate result but for Cowan's accident is a matter of surmise, as McMaster's play was getting stronger every minute. On the other hand Cowan was in splendid physical condition (he had played successfully no less than 98 games on the previous day), and would probably have stood the pace. His accident will probably put him out of the game for weeks.

Earlier in the day the final in the ladies' handicap was played. Miss Summerhayes (who prior to last week has had hardly any practice this season) showed great improvement as the week advanced, and is now playing in her best form. Her powerful services, hard placed driving and short cross-courts were of a brilliant character. She, however, was unable to quite overcome the handicap of owe 30 in every game against so clever a player as Miss F. Taylor, who plays equally well backhand as forehand, covers every part of the court and plays with remarkable steadiness. Miss Taylor ultimately gained a close and well-deserved victory at 6—4, 9—7.

Mention should be made of Martin's game on Friday with Dr. Cooke. At one time Cooke led at 1 set, 5 games to 1, and 40—15, so that a single stroke would have given him the match, but Martin managed to pull out the game and the set, as well as the third set, thus winning the match, furnishing another illustration of the fact that a game of tennis is never over until the last stroke. The accuracy of the handicapping may be seen from the fact that in the men's handicap the winners won 306 games, as against as large a total as 216, by the losers. When rain stopped the play opportunity was taken to distribute the ten prizes already won, which were presented by Mrs. Parncomb, and refreshments were served by the ladies of the St. Matthew's Club.

To-day at 4.30 the final in the men's doubles will be played by McMaster and Macdonell against R. Burns and Meldrum, and should prove an exciting contest. The winner of Martin and C. Burns, the latter of whom won a well-played three set match from Lefroy, who owed a stroke, has to meet McLaughlin in the final of the handicap (Cowan having defaulted). Mrs. Burgess, who has already won the first set, will play her club mate, Mrs. Stikeman, on their own courts in the final of the ladies' opens.

Rain Stopped This Match.

Grace Church Cricket team started to play a Church League match with St. Cyprian's on the latter's grounds Saturday. Grace Church went to bat first, and scored 104 runs for seven wickets down, when the storm broke. Collins batted in excellent form for his 36 (not out), by very free hitting. Marsden also hit well for his 31 runs. Hitchman 15 and Aldred 11 also played well for their respective runs. Prince, for St. Cyprian's, had the honor of taking six out of the seven wickets down for 28 runs, the one being a run out. Grace Church score was as follows:

S. H. Smith, b Prince 1
C. Hopkins, c Baker, b Prince 3
C. W. Aldred, run out 11
C. Millward, c and b Prince 1
W. Marsden, c Davis, b Prince 31

Played a Friendly Game.

The Ontario Accident C.C. played a friendly game on Saturday with an eleven from Gordon, Mackay & Co., on the former's Island crease. Rain prevented the finish of the game, leaving the Islanders with the best of it by four runs and nine wickets. For the winners, Bowes, Fellows and Lightbourne, and, for the losers, Strathy, G. A. Woods and Sampson, batted well.

Seawanakaha Cup Trial Races.

The trial races to select a defender for the Seawanhaka Cup were continued at Huntington on Saturday, and it now appears as if the Duggan double-centre-board boat would be chosen. Four races were sailed, and the Trident, as she has been named, won two of them by comfortable margins, being defeated in the other one by less than a minute, one race going to the new Duggan boat Orma and the other to one of last year's, Thirla.

The Royal St. Lawrence Club yachtsmen have had an opportunity of sizing up the Tecumseh, the Bridgeport Club's challenger, and feel reasonably sure that the cup will stay where it is. They size the Tecumseh up as a boat very much dependent on a light sea, a condition that never exists at Lake St. Louis, and about which may do fairly well in a light breeze.

POLICE RECORD OF FOUR MEN

Local Authorities Secure Identifications of Well-Known Criminals.

The police records of four men in custody here on charges of pocket-picking were received by Inspector Stark Saturday.

Harry Hanson, alias La France, who was arrested during the firemen's funeral procession, was sent to the St. Vincent de Paul Penitentiary in Montreal under the name of John Walsh on Feb. 5, 1901, for picking pockets, but pardoned because of ill-health. Shortly afterwards he was arrested in Buffalo on a similar charge, under the name of Louis Moore, but evidently got off lightly, as he was arrested again for pocket-picking in Concord, N.H., in August of the same year. He was also arrested in Canton, Ohio, and on July 2 turned up at the C.P.R. depot, Montreal, and was ordered out of the city.

George McGee was arrested at New Orleans in January, 1897, under the name of George Wilson, for pocket-picking, and under the name of George Henry, in September, 1898, he was fined $15 in Chicago for the same offence.

Thomas Lewis was arrested for picking pockets in Grand Rapids in October, 1897, under the name of John Grady, alias Lolterer. With three others, many years ago, he was convicted in Montreal on a charge of burglary. In July, 1899, under the name of George McGormigle, he was convicted of picking pockets at Kalamazoo, Mich., and under the name of James Dwyer he was ordered out of Buffalo, in November, 1899. Later he turned up at Cleveland, Ohio, under the name of William Johnston, and in Charlotte, Mich., as J. D. Burns.

Samuel Hall, alias "Samuel of Posen," the fourth man, served two years in Joliet Prison for pocket-picking, and was arrested on similar charges at Niagara Falls, N.Y., and Washington, D.C.

St. Catharines 8, Brantford 4.

St. Catharines, July 26.—The Brantford lacrosse team was given a severe check in the race for the championship here to-day, when the Athletics administered a defeat to the tune of 8 goals to 4. It was a great game from a spectator's standpoint, and a hard, fast one for the players. Brantford was accompanied by five carloads of excursionists on a special train. Over 3000 people saw the game, a feature being the large number of ladies in attendance. The teams were as follows:

Brantford (4)—Goal, Kelley; point, Dowling; cover-point, Finlayson; first defence, McBride; second defence, Hamburg; third defence, Neeley; centre, Taylor; first home, Doyle; second home, Dade; third home, Cain; outside home, Hendry; captain, Brierly; goal umpire, Morgan Harris.

Athletics (8)—Goal, Devlin; point, F. Williams; cover-point, W. Elliott; first defence, J. Richardson; second defence, Wilman; third defence, F. Cornett; centre, C. Downey; first home, G. Downey; second home, McIlwain; third home, W. Gourlay; outside home, Harris; captain, A. C. Kingston; goal umpire, J. M. Cameron.

Referee—J. D. Bailey, Toronto. Timekeepers—Brantford, William Crawford; Athletics, J. N. Walker.

St. Catharines started in from the first blow of the whistle to win, and Brantford went at the fastest pace that could be put up, but the St. Kitts' defence was perfect. The home succeeded in scoring three goals in the first quarter and three more in the second. Brantford got their first just before the end of the second quarter. The visitors captured the only goal in the third quarter, and the first two in the last. In this quarter the pace told on the home team, and the Brantfords had caught their feet. Before the end of the game St. Kitts stretched out again before the score was tied and doubled on their opponents, the last goal being scored just half a minute before the finish. The home brews demonstrated that they could best the fast Brantford stars. No one doubts that the best team won, considering the hard and fast nature of the match, and it was comparatively clean, there being very few rule-offs on either side, while Referee Bailey was quite strict regarding checking. Neeley, Kelley, Finlayson and Hendry played well for Brantford. McIlwain, Elliott, Gourlay, Cornett, Devlin and G. Downey shone for the Athletics, while every player put up a stellar game for the home team. It was one of the hardest and best matches seen on the local grounds. The summary of the goals scored is as follows:

Orangeville 5, Tecumsehs 2.

Orangeville, July 26.—A heavy thunderstorm, which passed over the town in the early part of the afternoon, kept many people from witnessing the championship lacrosse match between the Tecumsehs and Orangeville, the visiting team came up on the steamship express, and the players and part of the crowd had already reached the grounds when the rain commenced. As soon as the downpour ceased the teams took the field, which was very slippery, and in places covered with water. Good sized pools lay directly in front of the two goals and were responsible for a good deal of splashing and falling that furnished merriment for the spectators, but did not improve the appearance of the players. Tommy Wilkinson, one of the Tecumsehs, was nowhere to be found at the start and the visitors had to go on the field with 11 men. The Dufferins took full advantage of the disparity in numbers and scored twice in short order, Kay doing the needful in ½ and 4 minutes. Then Shore was ruled off, but the Dufferins took another in 1 minute, McKay again scoring. Wilkinson came on at this stage, but the advantage still rested with the home team, and before the quarter ended Irvine notched another, time 5½ minutes.

The second quarter saw both teams playing fast, clean lacrosse, with honors fairly even. The fifth game lasted 25 minutes and was scored for the Dufferins by Walter Henry. Play continued to improve as the grounds became drier, and both goalkeepers had plenty to do and did it well. James made some very clever stops and Dobbin was not one whit behind him in his work.

The Tecumsehs got one in the third quarter and a second in the final period, making the score at the finish 5 to 2 in favor of the Dufferins. Peter McMillan of Beaverton refereed the game and only found it necessary to discipline players on three occasions. Thruout the game was remarkably clean and, considering the wet sticks and the condition of the grounds, was a fast, scientific exhibition. The teams lined up in the following order:

Tecumsehs (2): Goal, Dobbin; point, Grimes; cover-point, Graydon; defence field, Clark, Angus, Hagen; centre, Roach; home field, Kelly, Wilkinson, McKenzie; outside home, Durkin; inside home, Greatrix; captain, Pluck Martin.

Dufferins (5): Goal, James; point, Kearns; cover-point, Menary; defence field, Tiny Henry, Campbell, Shore; centre, Alward; home field, Madill, Hatcher, W. Irvine; inside home, McKay; outside home Henry,

The Team Committee of the T.L.C. purpose in the future to select the team for every forthcoming match one week in advance, which is undoubtedly a wise step, for many reasons. Every member is requested to be on hand to-night at 6 o'clock, at Rosedale.

Capitals 6, Nationals 1.

Ottawa, July 27.—The lacrosse match here on Saturday between the Capitals and the Nationals of Montreal was a splendid exhibition of clean, manly playing. Mr. D. H. Reynolds, who has refereed every game on the home grounds this year, did not have to rule a man off. It was an exceptionally sportsmanlike game, and at the close the referee expressed unstinted admiration of the conduct and work of the players.

The Nationals were outclassed, but they did some good work, and individual players did remarkably well and won hearty plaudits. The players on both sides put up a game that was lacrosse every inch of it, and there seemed to be the true spirit of friendly rivalry without the biting desire to hurt some one if the desired end was not attained. Thus, when Eddie Murphy of the Capitals was seen to shoot thru times in succession, while L'Heureux picked them out as if they had been handed him, the Capital home man gave the husky net defender a hearty slap on the back with his hand in commendation of his clever work. There have been games in which certain goalkeepers and certain home men, instead, have carried away sore heads and battered hands after such a play. But the team which lined up on Saturday was not the bunch of old. They have lost most of their aggressiveness, and, while the remnant of the famous defence still makes periods of gallant protection to the nets, it was not a very difficult matter for the Capitals to secure a decisive victory. L'Heureux, in goal, was a wonder, while Pitre and Roach did most of the fielding. On the home side the Nationals have some very fine stick-handlers, but they are not good scorers and their play is not concentrated on the flags. The Capitals played a practically listless game, until about the last 20 minutes, when the home seemed to strike something like a working gait.

Only once did the Nationals score, taking the second game. The teams were:

Nationals (1): Goal, L'Heureux; point, A. Valois; cover, Cattarinich; defence field, Pitre, Blanchard, Roach; centre, Spooner; home field, A. Dulude, Dupratis, A. Dupratis; outside home, Masterson; inside home, Kearns.

Capitals (6): Goal, Hutton; point, Baldwin; cover, Ralph; defence field, Robertson, Stewart, Binks; centre, Butterworth; home field, Watts, Westwick, E. Murphy; outside home, J. Powers; inside home, Shea.

Umpires—Louis Rabenstein, Montreal, and A. Martineau, Ottawa.

The games were scored as follows:

1—Capitals	Shea	15.45
2—Nationals	Kearns	8.45
3—Capitals	Westwick	6.40
4—Capitals	Shea	8.00
5—Capitals	Powers	4.00
6—Capitals	J. Powers	6.07
7—Capitals	Shea	20.35

Shamrocks 6, Montreal 1.

Montreal, July 27.—The Shamrocks defeated the Montreals on Saturday by six games to one, principally because the Montreal home was not capable of coping with the Shamrock defence. The ball was in the Shamrock end quite as much as it was in those of Montreal, but the Montreal home was unable to take advantage of its opportunities. The Shamrocks played with their heads as well as with their sticks, while the Montreal team played a good individual game, but without either combination or generalship. They did not seem to have the cool judgment of the Shamrock home. They could carry the ball up to the poles, but could not hold it when they got there. Shot after shot they sent in, but they were all easy to Percy Quinn, since the Shamrocks' powerful defence smothered the shooters at once before the ball was even loose from the gut, so that a few high balls were all he had to carry. The game was a gentlemanly one, but hardly scientific. The teams lined up as follows:

Montreal (1). Goal, Tierney; point, Taylor; cover-point, Hayes; defence, Strachan, Pierce, Marshall; centre, Brodie; home field, Matthews, Christmas, Dodds; outside home, Meldrum; inside home, Brown; captain, T. Carthy.

Shamrocks (6): Goal, Quinn; point, Howard; cover-point, O'Reilly; defence, Kavanagh, Finlayson, Smith; centre, Currie; home field, Nolan, Robinson, J. Brennan; outside home, McKeown; inside home, F. Brennan; captain, T. O'Connell.
