ST. GEORGE

St. George, Aug. 13—A big Labor day celebration will be the outcome of a meeting held in the town hall last evening. There will be a big parade, a motor boat race, baseball game and sports of all kinds during the day; a concert and dance in the evening, music by several bands, excursions from all points.

The Church of England will furnish refreshments for the visitors; citizens generally will decorate; everybody will take hold and the details will be worked out by the following committee: John C. O'Brien, A. D. Franley, Ernest Jackson, Edward McGirr and E. J. O'Neill.

At the last meeting of the town council, the question of the speed of automobiles was brought up. A limit of ten miles an hour through town was decided on, and a resolution to this effect was drawn up to be sent to the various automobile associations in the country. The many corners and sharp curves made this necessary.

A run of salmon is in the river and their efforts to jump the falls are watched by many with interest. The agitation for a fishway to enable the fish to get to their spawning ground seems to be subject to fits and starts, but always squelched when the water in the river is low and conditions favorable for the wark. At Pocalogan a special warden is guarding the stream and the run is said to be the largest for years. The fish are taken from this stream in nets and reports of the wanton destruction of fish with dynamite caused the department to put on a special officer.

Chas. McGrattan, of H. McGrattan & Sons' St. John branch, is enjoying a vacation at home.

Mrs. Chas. Callaghan and daughter, and Miss Josephine Sweeny, of St. John, are visiting friends here.
