THE STRIKE IN BELGIUM.

Revolutionary Demonstrations at Various Places.

BRUSSELS, May 28.—The Socialists have taken advantage of the strikes in Belgium to make demonstrations at various places. They have held several meetings, at which violent speeches were made, the red flag displayed and the "Marseillaise" sung.

The strike in the Mons District is becoming general.

The trial of De Fusseaux for publishing a seditious manifesto has begun. Copies of the manifesto have been seized wherever found by the police throughout Belgium.

The author of the Broadsheet containing the strikers' ultimatum, and generally distributed, will be prosecuted when his identity is ascertained. The document bore the signature of "Tondeur."

At Virviers the Anarchists at a meeting last night discussed the strike and incited the strikers to plunder. A mob attempted to parade the streets, but were dispersed by the police with drawn swords and the gen d'armes with fixed bayonets.

Many bombs and other explosives have been seized in the houses of strikers in the Meuse Valley.

—Perfection is attained in Dr. Sage's Catarrh Remedy.

—The great lung healer is found in that excellent medicine sold as Hickie's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membranes of the throat and air passages and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption.

A NEW YORK MURDER.

A Notorious Character Arrested for Killing a Saloon-Keeper.

NEW YORK, May 28.—Joseph O'Brien was arrested last night for the murder of Timothy Whalen, a saloon-keeper of Greenwich-street, who was stabbed in the abdomen last Sunday morning when closing up his place, and died from the effects of his wound. O'Brien is 26 years old and a notorious crook. At the time of the murder, which he confesses, he was in company with Clara Allen, the wife of an ex-convict. He declares that Whalen insulted her when they passed, and because he remonstrated he received a blow in the face. A general fight followed, and O'Brien claimed he did the stabbing in self-defence. The prisoner has been twice in State Prison for theft and burglary, and had only just returned from a seven years term.

—Neither mind nor body can act healthfully if the blood is vitiated. Cleanse the vital current from impurities by the use of Ayer's Sarsaparilla. This remedy purifies the blood, recruits the wasted energies, and restores health to the debilitated system. d

—Mr. Josh Scales of Toronto, writes: "A short time ago I was suffering from kidney complaint and dyspepsia, sour stomach and lame back; in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Vegetable Discovery. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

CONSTIPATION!
There is no medium through which disease so often attacks the system as by constipation, and there is no other ill flesh is heir to more apt to be neglected, from the fact material inconvenience may not be immediately felt from irregular action of the bowels. When there is not regular action the retention of decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it causing piles, fistula, headache, impure blood and many other serious affections. Burdock Blood Bitters will immediately relieve and one bottle positively cure or relieve any case of Constipation.
"Was troubled for a year with torpid liver and indigestion, and after trying everything imaginable used Burdock Blood Bitters. The first bottle revived me and the second cured me entirely."—J. S. Williamson, Rochester, N. Y.
