Toronto Bowling League.

Games to-day are:
Toronto v. R.C.B.C.
Grenadiers v. Liederkranz A.
Unions v. Indians.
Liederkranz B v. Whites.
Sunshines v. Merchants.

Q.O.R. Bowling.

The Q.O.R. bowling tourney was closed Tuesday night. The names of the 20 prize-winners will be announced later. The scores:

Abbey (100)	138	129	162—	529
Rippenberg (150)	122	135	130—	537
Brush (150)	78	128	107—	463
Chisholm (107)	118	116	119—	460
Dickson (99)	59	143	111—	412
Golay (95)	115	108	136—	424
Pate (150)	119	149	136—	548
Evans (99)	146	186	163—	596

Toronto Bowling League.

No full games were played off Tuesday night. No bowling took place on either the Grenadier or Liederkranz alleys. On the Labor Temple alleys three games were got under way, but were not completed, being only half-finished. The Unions met the Indians, Liederkranz B were pitted against the Whites, and the Sunshines against the Merchants. These three games will be finished to-night, and the postponed games, as well, will be played off.

Don Rowing Club At Home.

The Dons' monthly at-home will be held to-night at 8.30 in Dingman's Hall, corner Broadview avenue and Queen-street. Special car at 12.20. Members and friends are requested to be on hand, as preparations have been made to accommodate a large assembly.

International Chess.

Paris, March 7.—Frank J. Marshall of Brooklyn took to-night's game in the chess match with Janowski of this city, thus winning the contest. The final score was: Marshall 8, Janowski 5, drawn 4.

Maryland J. C. Officials.

New York, March 7.—A meeting of the stewards of the Jockey Club was held at the offices of the club yesterday afternoon. There were present: James R. Keene, J. T. Bradford, H. K. Knapp and Andrew Miller. The following officials were approved for the Maryland Jockey Club meeting: Joseph A. Murphy, steward and handicapper; Frank J. Bryan, William P. Riggs, judges; John Roden, clerk of the scales; Phil McGinnis, starter; W. P. Burch, timer.

The Fountain Head of Life Is Rich, Pure Blood!

By Keeping the "Life Current" Full of Nourishment, You Are Sure of Everlasting Good Health.

If you strengthen, vitalize and enrich the blood, you at once supply the body with renewed vigor and power to resist disease. But vitiate or deplete the blood in any way, and you sow ill-health and decay.

If from any cause your blood is impoverished, if your cheeks lack color, and you feel weary and unfit for work you should at once use Ferrozone, because it contains all the elements lacking in weak blood. Ferrozone makes the blood rich in red cells, supplies those essential qualities that become exhausted through toil, anxiety, or long sickness.

You soon realize that Ferrozone is a helpful blood medicine because under its influence lost color comes back to blanched cheeks, appetite increases, food is assimilated, and forms nutriment that energizes and rebuilds all weak and overstrained organs.

To show just how Ferrozone has helped others, we quote the following letters: read them carefully:

Mr. A. L. Godfroy of Victoria writes: "Last winter I had la grippe, and recovered very slowly. When well enough to leave the house I was ten pounds lighter than my usual weight. My appetite was poor, and I know my blood was thin, because cold affected me so easily. I must say that Ferrozone did me untold good. I recovered my weight in a short time, and have felt like a different man ever since. Ferrozone is a great tonic and a first-rate remedy for people who are not feeling well."

No person in poor health can afford to miss the robust health that Ferrozone invariably brings. Refuse all substitutes for Ferrozone, which is prepared in the form of a chocolate-coated tablet, and sold in 50c boxes, or six for $2.50, at all dealers, or by mail from N. C. Polson & Co., Hartford, Conn., U.S.A., or Kingston, Ont.

MARLBOROS AND RAT PORTAGE WINNERS BY SAME SCORE, 9 TO 3

Lukes Champions Again—Smith's Falls Outclassed in Fast Game at Peterboro.

Peterboro, March 7.—(Special.)—The O. H. A. senior championship was captured by the Marlboros of Toronto to-night. Their opponents were the Smith's Falls seven and the was was a fast one from start to finish. It was witnessed by about 3000 spectators, in which both Toronto and Smith's Falls were well represented. It was hard to pick the favorites by the betting prior to the game, and when both teams lined up there was every assurance of a keen contest. The ice, which is 170 feet long by 68 feet wide, was in good condition, tho it began to grow soft towards the finish and was somewhat of a detriment to fast work.

The Smith's Falls team resorted more to combination than did the Marlboros, who found it was more effective to depend upon individual rushes in which all of the forward line indulged, and the defence players were inclined to follow the example. Ridpath, Armstrong and Young were probably more prominent in this feature than the others. The easterners have a well-balanced forward line and worked splendidly together, their attacks upon the enemy's territory being almost always conducted in force and they were strong at checking back.

The Marlboros' defence was also very effective. While the point and cover point of the Smith's Falls team are strong men they were backed up in goal by a wonder. Lesneur, who picked out the hot ones very handily. His playing was certainly of a stirring character. The Smith's Falls seven drew first blood, the game had not been going for any longt hof time before they succeeded in getting two shots past Tyner, and the work of the forward line was such that things looked very hopeful for the eastern seven. The scores were made by Fraser and Smith and were the result of pretty combination work. The Marlboros now became very aggressive and succeeded in following the lead of their opponents, Andrews and Birmingham making the shots. When the half-time gong was sounded both teams stood even.

The game was not rough, for any attempt at this kind of work was promptly discouraged by Referee Fraser of Galt, who penalized freely and held the men well in hand.

In the second half, however, the pace was quicker and the checking even closer than formerly. The easterners still held to their combination game, while the fast forwards of the Marlboros made persistent attacks on the vlunerable places of their opponents, and it was not long before Charlton had notched the third one for the champions. An unfortunate thing for Smith's Falls now happened. The goal-keeper was penalized for two minutes for slashing at an opponent and during the succeeding interval, while Wyld was in front of the nets, the Marlboros scored three in rapid succession, the shots being made by Ridpath and Andrews. After the first of these goals were scored Fraser of the Falls went off for slashing, so that the easterners were for a while playing five men against seven. Following the Marlboros' triple score, another event occurred which put Smith's Falls at a disadvantage: May laid Ridpath out and was sent off for the rest of the game. The Toronto man came on shortly afterwards, and Smith's Falls practically played the second half of the game with one man short.

The referee was strict and promptly sat down on any attempt at rough play. At one time there were only four men playing, while not infrequently five were pitted against four. Smith scored the third and last one for the Falls, while Birmingham, Andrews and Ridpath brought the tally up to nine for the Marlboros.

Twenty-three men were penalized during the game and of these the Marlboros are credited with 12 and Smith's Falls 11. The teams were:

Smith's Falls (3)—Goal, Lesneur; point, Wyld; cover point, May; rover, Cowan; centre, Smith; right wing, Fraser; left wing, Serviss.

Marlboros (9)—Goal, Tyner; point, Charlton; cover point, Armstrong; rover, Young; centre, Birmingham; right wing, Ridpath; left wing, Andrews.

Goal umpires—James McCabe and H. R. H. Kenner of Peterboro.

Ladies Play at Markham.

Markham, Ont., March 7.—The Wellington ladies' team will journey to Markham on Friday night, March 10, to play the ladies' team of that town.

Intermediate Final To-Day.

The first of the finals in the intermediate series of the O.H.A. will be played to-night, Victoria Harbor v. Berlin, at Berlin.

Rat Portage Here Next Week.

The Marlboros have asked Rat Portage to play here on Monday and Tuesday, or on Tuesday and Wednesday, of next week. A message from Tom Phillips yesterday morning stated that his team was in the best of shape and expected to win.

Basketball.

There will be seen in the West End Y. M. C. A. gymnasium on Thursday evening some of the best contests of the season from the standpoint of close and deciding games, since each will help the championship in their class. The Grace-street School, with the Queen Victoria School, teams, for the junior public school championship. The Boys' game between the West End Y. M. C. A. intermediates and the Central A.B.C. team, for the intermediate championship of the city. This has already been won by the West End team in winning the Toronto Intermediate City League from the Central Saints' team. The Central Boys have won all their games, however, in the Central Intermediate League, and are anxious to outclass the West End Boys, who claim to lose a game in the City League.

The big game promises to be exciting from the fact that the Brantford men won the first game on their own floor, and will be in full strength for the second game, which would put them for second place in the Ontario Championship League.

West End don't not expect them to run away with things, however, and will win this game in order to get second place themselves, seeing that Hamilton have a sure hold of first place.

Stanley Team Won.

The first match of the City Bluerock League, between the Riverdale and Stanley Gun Clubs, on Saturday, March 4, resulted in a win for the Stanley team by a very close contest. The wonderful showing made by the Riverdales against the Stanleys was a great surprise to the shooting public, each member of the Stanley team being a former trophy winner; whereas the Riverdales are comparatively a young team, some of the members never having handled a gun before last fall. The scores are as follows:

Stanley—McGill 24, Hume 21, Thompson 23, Morschead 17, Herbert 20, Logan 21, Buck 22, Dank 20, Martin 21, Rock 21, Hampton 21, Sawdon 16, Dey 18, Hogarth 12, Fleming 10; total, 280; average, 771-15.

Riverdales—Best 21, Hare 18, Hirons 17, Hovey 16, Mollon 14, Edkins 18, Powell 18, Jennings 16, Warr 17, Johnston 13; total, 168; average, 67 1-5.

Ottawa Badly Beaten in First Game for Stanley Cup—Play Again on Thursday.

Ottawa, March 7.—(Special.)—Over three thousand people to-night saw the Thistles of Rat Portage take the Ottawa Hockey Club into camp to the tune of 9 to 3, in the first of the series of three games for the Stanley Cup, the emblem of hockey supremacy of the world. The Ottawa team has held the silverware since 1903, and Ottawans backed their favorites to a heavy extent. The visitors, however, had them beaten off their feet, especially in the second half.

True, the home team were handicapped. Gilmour and McGee were unable to play, and their places were taken by Shore and Gault, two men who have been playing in the City League. These men both did well, considering it was their debut in senior company, but, of course, they were not as good as the old forwards. As a consequence the defence had to work harder, and so tired out earlier than usual.

The Rat Portage bunch are certainly lightning skaters and clean and clever stick-handlers. Even with Gilmour and McGee back on the forward line for the next game on Thursday, it is admitted that the cup-holders will have a most difficult task to retain the coveted cup.

Both teams started in with a rush, the visitors scoring first. The Ottawas landed the next two, while Rat Portage tallied three more before half-time. In the second half the Thistles played the Ottawas off their feet and outskated and outplayed them at every point. There was not much team playing, individual rushes and long shots on goal being the favorite tactics.

As the Ottawa and Rat Portage executives could not come to any agreement on the referee and umpires for the games, the matter was placed in the hands of the trustees. It was decided that the first game, that was played to-night, be played under western rules, while as referee was named Hartland Macdougall of Montreal, and as judge of play Robert Macdougall, also of Montreal.

For Thursday night Hartland Macdougall will be referee, and the match will be under the eastern rules.

The game was a decidedly clean one, and, despite the double system of referees, only four men were penalized during the game. The line-up was:

Ottawa (3)—Goal, D. Finnie; point, H. Pulford; cover-point, A. Moore; rover, H. Westwick; centre, H. Gault; right, A. Smith (captain); left, H. Shore.

Rat Portage (9)—Goal, E. Giroux; point, M. Brown; cover-point, F. Bellefeuille; rover, S. Griffis; centre, W. McGimsie; right, T. Hooper; left, T. Phillips (captain).

1. Rat Portage	Phillips	9.00	
2. Ottawa	Westwick	6.00	
3. Ottawa	Shore	5,00	
4. Rat Portage	Griffis	1.00	
5. Rat Portage	Phillips	5.00	
6. Rat Portage	Hooper	1.00	
	—Half-time—		
7. Rat Portage	Phillips	16.15	
8. Rat Portage	Phillips	5.00	
9. Rat Portage	Hooper	1.00	
10. Rat Portage	Bellefeuille	2.00	
11. Ottawa	Shore	1.00	
12. Rat Portage	Phillips	—	

FOR THE FINAL ACT.

Hill-Morgan Plan to Distribute Northern Securities Operative.

New York, March 7.—The way is now cleared for the final and most interesting act in the drama of the great railway merger.

By the decision of the United States supreme court, rendered yesterday, it would seem that the Hill-Morgan plan for distributing the assets of the Northern Securities Company will now be carried out. To which party will control of the Northern Pacific Railroad fall when this distribution is completed, and what final disposition is to be made of that property?

When the struggle for possession of a controlling amount of Northern Pacific stock—that famous struggle between the Morgan-Hill party on one side and the Harriman-Kuhn-Loeb party on the other in May, 1901, —precipitated the panic of May, 1901, it was doubtful whether control rested with one or the other. After the exciting events of the last four years it is still doubtful, since no one knows who holds the preponderating amount of "the holding company's" shares, which will now be surrendered in exchange for Northern Pacific shares and Great Northern shares in fixed proportions. The contest has been so protracted that it may be well to refresh the memory with a brief review of its chief incidents.

The warring financial Titans three and a half years ago jointly incorporated the Northern Securities Company and put into its box their holdings of Northern Pacific and of Great Northern, taking in exchange Northern Securities stock. This meant a virtual merger of the two great roads. The government brought suit under the Anti-Trust Act and the United States circuit court at St. Paul in October, 1902, condemned the scheme. This decision was upheld by the United States supreme court a year ago, and the directors—the Morgan-Hill party being dominant—prepared to take in and cancel the Northern Securities shares, distributing to their holders in exchange Great Northern and Northern Pacific shares in certain proportions.

This the Harriman party opposed, saying they wanted no Great Northern stock, contending that their Northern Pacific stock had been deposited in trust and they must get it back. The circuit court in New Jersey, on their plea, granted an injunction restraining the proposed distribution. This injunction was dissolved by the circuit court of appeals at Philadelphia two months ago, but an appeal to the supreme court for review held the situation unchanged. Now the highest tribunal confirms the action of the circuit court of appeals, and the Northern Securities directors are free to proceed with the pro rata distribution. Meanwhile there has been active trading in Northern Securities shares and the question arises which of the contending parties now has enough of them to acquire a controlling amount of Northern Pacific in the exchange. The situation opens a wide field of speculation as to the final disposition of this railroad, which has figured in so many romantic and sensational events in the last thirty years.

MAN'S MIND IN A CIRCLE.

Buffalo Times: Dr. Julius Pohlman, considered one of the deepest thinkers of the city, is of the opinion that the theory of Dr. William Osler, in which the mental usefulness of a man after 40 is decried, is correct in the main.

"It must, first of all, be remembered that Dr. Osler is the highest in his profession," said he to-day. "If he were placed on a pedestal he could not be more highly thought of. Therefore any statement made by him must of necessity be reliable.

"What I think he meant was, that whatever routine of a life a man finds himself in at 40, in that routine will be continue all the rest of his life. All of us have that feeling that the new is not nearly so good as the old. When a man gets to be 40 years old, he usually is mentally as well as physically settled.

"There are men in this city to-day whom I could mention, who would be more than reluctant to admit that any great removal from settled thoughts and ideas is beyond them. A man's mind is neither as receptive nor as retentive after 40 as before.

"Take the noted thinker, David F. Day, for an example. When the Darwin theory was first brought to the world of thinkers, he simply could not grasp it, or rather would not. It was beyond him. The more he studied it, the more ridiculous it appeared to him. And even to the end of his days, he could not become reconciled to that theory.

"And so I could go on for hours proving that a man's mental usefulness, in the strictest sense of the word, is not as great after 40 as before. A man's mind after 40 is like a circle which he himself has drawn and laid out, and in this circle he constantly travels, and when he gets outside of it, he is lost."

MESSRS. PALMER & MORDEN

Will sell by public auction, without reserve, at the Arlington Hotel, in the

TOWN OF WELLAND

Over 100 Building Lots, 50x140 Feet,

Situated in WELLAND'S best residental section

Wednesday 15th March, 1905

Sale commences at 1 p. m. sharp.

Each lot will be sold separately.

Whether these lots go at $1.00 or $1000 they are going to be sold to the highest bidders.

Deeds to the land are included in the purchase price.

Free busses will be run from hotel to give intending purchasers a chance to see the land, which is right in the residential part of the present town and coming city.

Eight months' credit on approved joint notes.

Lunch will be served.

Private bids may be sent to the auctioneers before the sale.

Plan of the property may be seen at the offices of Geo. Ross, C. E., P. L. S., or Palmer & Morden's, Welland, Canada.

Write to Mayor Sutherland and he will give you particulars of the advantages of locating industries at Welland.

A very wealthy steel company has over 1000 acres of land surrounding Welland option ed. It is only reasonable to think this company will locate its extensive plant at this point.

Come to this great sale. Welland has ample accommodation for strangers.

PALMER & MORDEN, Auctioneers.

WORLD'S SELECTIONS AND ENTRIES, MARCH 8

Dutiful	106	Durbar	92
Tryon	94		

RUBE KISSING'R REBELS REFUSES BUFFALO CONTRACT

Buffalo, March 4.—To date Rube Kissinger's contract has not been returned. Manager Stallings stated the other day that he expected some kicking from the pitchers, especially on account of the salary limit. In all probability, however, Kissinger will fall in line sooner or later.

An Ann Arbor despatch says: Kissinger went to the postoffice to-day, armed with a pin showing that there was a registered letter awaiting him. Presenting the credentials, the clerk handed him a long envelope. "Rube" tore it open and pulled out a contract from the Buffalo Club of the Eastern League, ready for his signature. "Rube" looked at the clause naming the stipend.

"Nay, nay," he said audibly. "You'll not get me to sign for that, old man. It's too cheap."

And "Rube" fired the contract back to Buffalo.

Lodge Hall, 104, S.O.E.B.S.

A resolution was passed by P. P. Bro. Percy, seconded by Bro Freeman, that Lodge Hull go on record against the inflection of separate schools on the new western provinces and that the educational system be left to the provincial authorities, which was carried unaanimously.

A MESSAGE TO WOMEN
