Military News of London and District

STIFF SENTENCES NOW HANDED OUT CAMP DESERTERS

300 From This District Know What to Expect.

INVITATION TO B. OF T.

General Logie Wants Representative Londoners to Get First-Hand Knowledge.

[Special to The Advertiser.]

CAMP BORDEN, Aug. 14.—The three hundred men from Western Ontario among the 1,100 classed as illegal absentees will be prosecuted to the fullest extent of the law. During the early days of the camp the men were considered more as civilians than soldiers, but that feeling does not exist. With the power under the recent order-in-council the appointment of provost marshals in Toronto and Hamilton and the active co-operation of the civil police, there are no longer the former difficulties.

Today's orders announce that Ptes. John Ward, Wm. Hislop, 142nd, and A. V. Bailey, 110th, were sentenced at Barrie on a charge of "absence without leave" to sentences of nine to twelve months in the central prison.

186th Men "Cup Up."

Two privates in the 186th stole an automobile owned by a farmer from Waldemar, Ont., and left it in a wrecked condition. The men left picket duty to go joyriding.

Lieuts. Lott and G. C. Langford of the battalions from No. 1 Division, recently appointed bombing officers of the 8th and 9th Brigades, are spoken of highly by Lieut. Norman Kelley, who is reorganizing this branch of the training. Lieut. Kelley is in Canada on furlough, and was bombing officer of his brigade in France. Both officers have had their bombing grounds cleared, and tomorrow will commence instructing their classes.

Want Londoners to See.

The board of trade of London will receive an invitation from Brig.-Gen. Logie to pay a visit to the camp. He wishes to have as many citizens of standing in the different communities obtain first-hand knowledge of the camp by mixing with the men and officers. The boards of trade of Toronto, Hamliton and other cities and towns are also being asked to visit the camp.

Lieut.-Col. Bart Robson has received instructions to take with his battalion unattached to England Lieut. W. J. Anderson, who was attached to the 135th in London for pay and training. This increases temporarily the establishment of officers to 33 men.

Many Want Transfers.

Many men from junior London units have endeavored to be transferred to the 135th. Headquarters states no transfers will be considered from a junior to a senior unit unless the units are all likely to proceed overseas about the same time.

Farmers who need the help of soldiers for farm purposes should note the order of headquarters, which states that only under exceptional circumstances will passes be extended and then only upon the recommendation of the district commander to whom the man has been reporting.

114 Discharged.

The weeding out process resulted in the discharge for various reasons of 114 men today. Since August 1 over 900 men have left the combatant ranks, some to be discharged and others to be transferred as casualties to the special service unit, which was recently organized.

16 OFFICERS GOING WITH SPECIAL DRAFT HAVE BEEN NAMED

Supernumeraries of District Units Picked.

LEAVE HERE ON FRIDAY

Will Travel by Special Car Leaving G. T. R. at 7 p.m.

Sixteen junior officers of battalions raised in No. 1 military district leave London on Friday to form part of a draft of officers for immediate service in Europe.

Two hundred officers are required at once to fill up vacancies in active units caused through casualties in the recent heavy fighting. Sixteen is the quota from London and district.

These are all officers who have been attached as supernumeraries and who would not otherwise reach the front for some time.

Most of the men are in London now, and are delighted at the unexpected call.

They will travel in a special car attached to the 7 o'clock Grand Trunk train on Friday night.

The names of those going are as follows:

W. J. Wright, 110th Battalion.
A. R. Terhune, 110th Battalion.
L. R. B. Bruhl, 111th Battalion.
L. Taylor, 111th Battalion.
R. Williams, 111th Battalion.
D. S. Weld, 118th Battalion.
R. G. Washburn, 118th Battalion.
W. T. Ulens, 135th Battalion.
T. E. Torrance, 161st Battalion.
G. B. Mulholland, 70th Battalion.
T. R. Richardson, 71st Battalion.
P. G. Hall, 71st Battalion.
W. T. Bartlett, 142nd Battalion.
H. N. Bawden, 142nd Battalion.
S. L. Lord, 153rd Battalion.
E. L. Davies, 153rd Battalion.

GEORGE T. BROWN IS PRESIDENT OF SOLDIERS' AID ASSN.

Committees Named to Carry On Work in London.

MEETING THIS AFTERNOON

Arrangements To Be Made for Reception for Men Coming Wednesday.

At a meeting of the newly-formed London branch of the Soldiers' Aid Commission in the board of trade rooms Monday afternoon the committees and officers selected by the nominating committee were confirmed without exception. George T. Brown will be the president of the new association, although he was not present at the meeting. J. P. Moore will be vice-chairman. A permanent secretary was not chosen, but Sam King will take over the office for some time, assisted by Ed Lance and Alex Ritchie.

The finance committee will be J. P. Moore, George T. Brown, Controller Gammage, Ald. Webster, A. W. White, J. K. McDermid, P. Pocock, Lieut.-Col. Gartshore, A. E. Silverwood, George Copeland and Charles Abbott.

Employment Work.

The employment committee will be composed as follows: E. R. Dennis, Controller White, Lieut.-Col. Spittal, Major Ingram, A. C. Nobbs, W. N. Manning, Thomas Treleaven, Ray Lawson, A. T. Little, J. J. Foote, D. W. Hayes, W. T. Whittaker, T. W. McFarland and T. P. McCormick.

The members of the reception committee are: Dr. H. T. Reason, Mayor Stevenson, E. C. Mitchell, A. T. McMahen, S. Stevely, A. B. Greer, James Hussey, B. C. McCann, George Nightingale, A. Ritchie, J. H. Fowler, E. J. Carty, Major T. J. Murphy, Dr. Alexander, Capt. Smallman, Claude Sanagan, Ald. Little, Ald. Jones, Ald. Donahue, J. C. Beemer, Arthur Keene, George M. Reid, Charles Abbott, J. B. McKillop, Mrs. Samuel Stevely and Mrs. Wright.

The auditors are F. G. Jewell and Andrew Dale.

Little was done beyond confirming the choice of the committee. A motion made by A. B. Greer and seconded by Col. Gartshore to include Mrs. Stevely and Mrs. Wright on one of the committees, was unanimously carried and they agreed to serve on the reception committee, as they thought they would be of the most use there. They will have power to choose other ladies to act on the committee.

Was Not Discussed.

The question as to whether Ed Lance would be included on the committee was not discussed, as in the absence of the new chairman, George Belton, who presided, did not wish to open the discussion. Alex Ritchie, a member of the Returned Soldiers' Association, stated that it was the intention of the members of the association to which he belonged to have nothing to do with the commission if Ed Lance was included amongst its members.

Whether the Returned Soldiers' Association will take any part in the reception of the men who are coming on Wednesday was not decided, but the sentiment was expressed that there should be no friction between that organization and the Soldiers' Aid Commission, as both had been formed for the same purpose, namely: Helping the men who had been disabled while serving their country.

A meeting of the reception committee will be held today at 2 o'clock to make arrangements for Wednesday. All the members of the committee are urged to be present.

KILTIE BATTALION MAY BE FILLED UP END OF NOVEMBER

Roll Shows 275 Men Now—Getting Ready for Scotch Games.

[Special to The Advertiser.]

WINDSOR, Aug. 14.—Active course in physical training is being mapped out for the members of the 241st Scottish Borderers, and work began today under Sergt.-Major Allen, recently of Aldershot, England.

The kilties expect to participate in Scotch games at Bois Blanc with the St. Andrew's Society of Detroit this month and movements are being perfected, including shot putting, discus throwing, hammer throwing, etc.

The roll of the regiment now shows 275 men and Lieut.-Col. McGregor is confident he will have the full complement by the end of November.

NURSING SISTER HOME ON SHORT FURLOUGH

Miss Margaret Kennedy of Ingersoll Was Away Nearly Two Years.

[Special to The Advertiser.]

INGERSOLL, Aug. 14.—After nearly two years' absence in France and England, Nursing Sister Margaret (Midge) Kennedy, arrived home unexpectedly Saturday night. She came "on duty," being with the medical officer in charge of 273 soldiers who were discharged at Quebec as physically unfit. Since reaching here Miss Kennedy has been granted a short furlough and she will return to England about September 23, to resume her duties in the Canadian Hospital.

Miss Kennedy was one of the first Canadian nurses to respond for duty overseas. She went with the first Canadian contingent. In March, 1915, she went to France and returned to England in January last, since which time she has been in charge of one of the wards in the hospital at Shorncliffe. She left England for Canada on August 1, and made the voyage on the Empress of Britain, Captain Main, formerly of the Hesperian, which was torpedoed, being in charge. From Quebec she came straight to her home here.

Miss Kennedy stated that in both England and France the military authorities and the people generally place a high valuation on the Canadians as soldiers. She told of one instance where, requiring assistance to hold an important position, the Imperial Guard selected a Canadian division. This she said was the highest compliment that could be paid the men from Canada.

Miss Kennedy brought back with her one grim souvenir of the war, a French bayonet, the gift of a young soldier whose acquaintance she formed in the hospital.

There will be no admission charge and the events will be open to the world. A large program of races and other events has been arranged for and prizes will be given to the winners.

The field day will be in charge of Lieut.-Col. Edwin Seaborn and the officers of the unit.

Garden, 135th Battalion, a resident of Parkhill, and Miss Mabel Thompson, also of Parkhill, were united in the bond of holy matrimony by Captain (Rev. Father) Kelly, the ceremony taking place before the field altar which has been erected in a tent in the lines of the 180th (Sportsmen) Battalion. Lieut. J. A. Bohan, the new adjutant of the 180th, was the only witness of the unusual service here.

Professor Baxton, the aeronaut who was to have made a balloon ascension at Springbank Monday, stated to The Advertiser yesterday that when the balloon arrived it was found to have been damaged in transit. Repairs will be made as soon as possible.

LITTLE STORIES OF CAMP BORDEN

TO REPEAT EXHIBITION.

So efficient were the officers, noncoms, and men from the bayonet fighting school who yesterday staged the special exhibition for the staff officers of the camp that the performance will be repeated at the Toronto Exhibition.

Trenches were "rushed" in grand bayonet charges, and small cardboard squares were bayonetted in order to show the accuracy of the thrust acquired during the course of the school.

GATHERING UP ABSENTEES.

Because of its comparative nearness to the camp, Toronto has been a favorite loafing spot for absentees from Camp Borden. Since Friday more than 60 of those who come under the "absent without leave" classification have been gathered in by the special military police on duty in the Queen City, and sent back to Camp Borden under escort. It is claimed that some of these men came from the two Western Ontario brigades.

TATTOO TOMORROW.

The big military tattoo, claimed to be the biggest of its kind ever attempted in Canada, is to be held tomorrow night. More than 1,000 band instruments will be used in this monster band concert, and all battalions under canvas at Camp Borden will be represented.

12,000 HAVE RETURNED.

Official camp statistics say that more than 12,000 men were away on week-end leave from Friday until yesterday. All, or practically all, are now at work again in the various brigades from which they came.

SAYS WATER PLENTIFUL.

Brig.-Gen. W. A. Logie has again entered an official denial of the stories that the camp water supply is running short. He claims that more than 100,000 gallons of water per day are wasted at the camp, and still there is a sufficient supply for all men.

45 BAKERS WANTED HERE FOR OVERSEAS SERVICE

C. A. S. C. Calling For More Men at Once.

Shortage of bakers at the front has made it necessary that at least 45 experienced bakers be obtained in No. 1 District at once. They will have no long period of training here, but will be sent to Kingston and from there directly overseas. Recruits will be accepted at the armories by Capt. H. Irvine at any time during the day.

Other units are still in need of recruits, and the batteries which are stationed at Broughdale Camp are particularly anxious to secure more men, as both lost a large number by drafts a short time ago. At least two hundred recruits can be accepted, as both are "depot" batteries, and do not go overseas as a unit, but send drafts from time to time.

OFFICERS ALLOWED TO CONTINUE TRAINING

Unattached Ones Going Overseas Can Go To Special Camp.

Under a new order promulgated today officers who have qualified for the C. E. F., but who have not yet received appointments will be permitted to train at Camp Borden or at Petawawa.

It is necessary that they obtain the consent of the D. O. C. through the recommendation of some battalion commander. When attached to a unit, they will be paid $1.50 a day, but will not receive separation allowance.

Transportation will be provided to their camp, where the details of their training will be left in the hands of their commanding officer.

SEPTEMBER IN ALGONQUIN PARK.

One of the most beautiful months in the year is September in Algonquin Park. It is situated 205 miles north of Toronto, and 285 miles west of Montreal. Two thousand feet above sea level, and being the highest point in the province of Ontario, the air is pure and bracing. Good hotel accommodation at the Highland Inn. Write Miss Jean Lindsay, manager of the Highland Inn, for illustrated booklet, and all information as to reservations. b

HERE AND THERE ABOUT THE CAMPS

DROPS CROWN TO GO.

Cable dispatches from the Canadian headquarters at Shorncliffe say that Major Jewitt, late of the 33rd Battalion, has reverted to the rank of captain at his own request in order that he might go to the front.

THIRTY-EIGHT FOR TORONTO.

When the party of returned soldiers arriving in London tomorrow morning reaches Toronto 38 of its number will be dropped off there, as 32 Toronto men and six others from No. 2 Military District are included in the latest draft of men back from the front, and invalided home from England.

TRANSFERRED TO 30TH.

The transfer of Lieut. Thomas Murray of the 70th Battalion to the 30th Battalion has been published in the official army gazette, London, England.

MUST GIVE ASSISTANCE.

It has been found necessary to republish in camp orders a section of the army act, which states that soldiers or others subject to military law must assist a provost-marshal or other qualified police officer in the performance of his duty when called upon.

Severe penalties may be imposed if such officer be in any way impeded in the performance of his duty.

STEADY STREAM OF RECRUITS.

A steady stream of recruits for the engineers comes up from Windsor. Four more arrived last night. They were Charles Bromley, W. G. Crawford, William Doyle and Eugene Wilson.
