OARSMAN O'CONNOR'S TRIP.

HE LEAVES THE UNION STATION AT MIDNIGHT.

A Crowd Will See Him Off—Complimentary Banquet to Bicyclist Hurst—Special Meeting of the Toronto Bicycle Club—Many Baseball Meetings This Week—R. C. Y. C.'s Smoking Concert.

Owing to an impossibility to close railway connections Oarsman O'Connor will not leave the city to day at 1 p.m. as intended but will start from the Union Station at 11 p.m. There will no doubt be a big crowd of his friends to see him off. The American champion spent yesterday in arranging matters of business. He remained in his hotel during most of last evening, receiving a great many callers, who were surprised at the sudden announcement of his departure. Every person nautically inclined should go down and give a cheer to the departing sculler as he is leaving on a noble undertaking, one that will bring honor to himself, his city and his country. Then they can more satisfactorily cheer on his triumphal entry to the city on his return two years hence, champion oarsman of the world.

BANQUET TO MR. HURST.

The Wanderers' Entertain the Great Cyclist Right Royally.

One of McConkey's pleasant parlors was the scene of a happy gathering last night. The Wanderers' Bicycle Club had gathered to do honor to W. E. Hurst, the famous globe girdling cyclist. President George Orr was in the chair, and around the board were the happy faces of the members of the club, nattily attired in their pretty grey uniforms.

There were present: Messrs. T. D. Simpson, W. A. Hunter, W. Marlin, W. A. Garfield, Joe Cassidy, A. Hurst, A. Knowlton, George Pearsall, J. D. Lamont, P. D. Ross, M. Rose, J. Gerry, F. Brimer, J. Ross, H. S. Scott, D. McBrian, F. Thomson, V. Lee, W. J. Darby, Frank McCausland, Bert Thompson, R. Wilson, H. P. Davies, C. Riggs, T. Robinson.

The various toasts were humorously proposed and pleasingly responded to. The following list was gone through: "Our Guest," proposed by Chairman Orr and responded to by Mr. Hurst. The great cyclist recounted his many exploits and told how happy he was to return and how he appreciated the honor done him by his fellow Wanderers. "Our Club," Mr. Taylor; "The Charter Officers and Members," Messrs. Robinson, Riggs and McBrian; "Fast Riders," Messrs. Davies, Gerry and Brimer; "The Ladies," Messrs. Ross and Hunter; "Married Members," Messrs. Cassidy, Pearsall and Knowlton; "Latest Additions," Messrs. Wilson, Lee and Thompson; "Safety Cranks," Messrs. Ross and Morphy.

During the evening songs were rendered and recitations given by the versatile members, and on the whole it was one of the most pleasant evenings in the history of the club.

A grand concert will be given at a later date by the Wanderers, when Mr. Hurst will give exhibitions of his fancy riding.

The Torontos had a good turnout at last night's meeting and disposed of considerable business. It was decided not to institute a safety division.

R.C.Y.'s Smoking Concert.

The regular fortnightly smoking concert of the Royal Canadian Yacht Club last night was the most successful of the series. There was a big crowd present. Mr. S. Mitchinson was in the chair. Among those taking part were: Messrs. Hermon, Arnoldi, Pape, Paul, Jarvis, H. K. Cockin, C. A. B. Brown, Bromley-Davenport, Pauw, Harry Wyatt, W. Wilson, W. Stewart, L. Boyd and J. McDonald. Mr. Pape's recitations were especially clever.

Curling in Campbellford.

CAMPBELLFORD, Jan. 27.—The president defeated the vice-president in their annual curling match here to-day by 17 shots.

In and Out Turns.

Messrs. Sebert, Snow, Ray and Tweedie are Whitby's regular skips.

Messrs. C. E. Ray and Louis Sebert are the Whitby skips to oppose Peterboro in their tankard match.

The Scarboro Maple Leafs yesterday defeated Oshawa at Whitby in their primary competition for the Ontario Tankard.

The Toronto-Caledonian match for the Caledonian cup set down for last night was unavoidably postponed until Thursday for lack of ice.

BIG BASEBALL MEETINGS.

The Board of Arbitration and National League Assemble Wednesday.

PHILADELPHIA, Jan. 27.—The Board of Arbitration will meet at New York on Wednesday to straighten several knotty tangles, among which is the disagreement between the New England League, Atlantic Association and Interstate League over locating in certain cities. Wilmington, Del.; Providence, R. I., and Hartford, Conn., is each wanted by two different organizations.

A meeting of the National League will also be held at New York on Wednesday, it having been postponed from Tuesday at the request of John I. Rogers. The young players who have made applications through N. E. Young for places in the League will be assigned to the different clubs, and since Mr. Young has some 300 applicants the work of selecting the desirable ones will be no small job. A much better idea of the make-up of the ten League teams of 1890 can be had after next Wednesday's meeting.

A. J. Reach thinks that the Players' League makes a mistake in not making its playing schedule public at once, so that the National Leagueue can avoid conflicting dates. As matters now stand the National League schedule must be made up without regard to the Players' League.

Dust From the Diamond.

J. Faatz, the champion kicker, for Buffalo. Whew!—Buffalo Courier.

Guy Hecker has been selected as manager of the Pittsburg National League team.

The Preston, Ont., baseball team made a creditable record last season, winning 8 out of the 12 games played.

The New York League team will put in their spring practice at Charleston, S.C., where Manager Mutrie has secured grounds.

Andrus has written to Mr. Fitzgerald of Buffalo for his release. In reply that gentleman said he was prepared to enter into negotiations for the same.

The league meeting scheduled for last week will be held on Wednesday, Jan. 29, to accommodate Colonel Rogers, who has a case in court at Philadelphia on Tuesday.

The Brooklyn League Club offered Morgan Murphy, catcher of last year's Lowell club, $2100 for next season and $1500 to the Lowell management for his release. Murphy wants $2500.

The special International committee have decided to locate a club in Saginaw and Bay City, giving the two places one franchise. Secretary White has notified them of their admission.

Con Murphy, who has signed with the Brooklyn Brotherhood Club, will be sued by Mr. Frazer of the Syracuse management for damages. Mr. Murphy is under reserve by the Syracuse club.

The Baltimore club has abandoned its efforts to purchase the Washington club's franchise. Mr. Hewett's ultimatum was $25,000, which is more than Mr. Von der Horst thinks the franchise is worth.

Some of the National League organs are worrying about Jay Faatz. It is true the Players' League has a good many gilt-edge men, but Mr. Faatz will play first base in Buffalo.—N.Y. World.

The Cuban Giants will be ostracised from clubs under the National agreement, as they have arranged games with the Brooklyn and Philadelphia Brotherhood teams. But they may play with Hamilton's proposed colored aggregation.

The Brotherhood championship season will open on Monday, April 21, and close on Saturday, October 4. Each club will be scheduled for one hundred and forty games. The eastern clubs will open among themselves in the east with a series extending from April 21 to May 18, and the western clubs will do the same in the west.

Gossip of the Turf.

Advices from England state that many old-fashioned bets of £10,000 to £10 have been accepted about this year's Derby candidates, Surefoot and Garter.

Guttenburg offers two rich stakes which are called the George Washington and the Shamrock stakes. The first named will be run on Feb. 22, and the latter on St. Patrick's Day, March 17. Both are for 2-year olds and the added money to each is $1000.

Some of the turfmen around Louisville have made a proposition to have a farm for horses that have been successful racers to spend their old age in. The project appears to be a good one, and will probably be carried out by those who are interested in it.—N. Y. Sporting World.

Spots of Sport.

Frank Slavin has decided to marry and has postponed his sailing to America until after the event.

Dennis Gallagher has challenged Hugh Leonard to wrestle a catch-as-catch-can match for $300 to $1000 a side.

A game of association football was played at Philadelphia last Saturday, the Phillies beating the North Ends by 5 to 1.

The Gilmore-Hanley fight in Buffalo next Wednesday night is causing much excitement over there. The contest will be 24 rounds for a $500 purse, of which $400 goes to the winner.

In the thirteenth chess game at Havana yesterday Gunsberg resigned to Tschigorin. The full score of the match now stands: Gunsberg, 6 games won; Tschigorin, 5 games won; 2 games drawn.

If the boxing ordinance now before the New Orleans City Council passes, the contest between Jake Kilrain and Felix Vaquelin will take place Feb. 2. Jake is in splendid condition and scales 200 pounds.

The eleventh game of the chess match between Messrs. Tchigorin and Gunsberg resulted in a victory for Mr. Tchigorin. The score now stands: Gunsberg 5, Tchigorin 4, drawn 2. There is still one game to play.

The Mayflower is again a Boston-owned yacht, William Amory Gardner of that city having recently bought her from Francis T. Underhill of New York. The rig of the famous yacht has been changed and she is now a schooner.

The Cance club's At Home takes place on Feb. 13 and not Feb. 14. The committee is J. B. Gordon, chairman; A. Shaw, T. G. Elgie, Henry Wright, Cal Shaw, W. H. F. Weston, George Sparrow, H. R. Tilley, Hon. Secretary "At Home."

Charley Mitchell has created a new record. He has slugged successfully a trainer, a newspaper man and a lord. If he would only whip a prize-fighter now and make the thing complete! But the latter achievement seems to be beyond his powers.—New York Illustrated News.

The American Boat Club has elected the following officers for the ensuing year: President, Herman Shoembach; vice-president, Frank W. Dwelle; treasurer, William Kleinsmith; secretary, Anthony Roehler; captain, John Dieffinbach; assistant captain, Anthony Krumph; trustees, Herman Shoembach and Frank W. Dwelle.

The Citizens' Street Railway Company.

The following letter has been sent to Mayor Clarke:

To His Worship the Mayor of the City of Toronto.

MY DEAR SIR,—It is apparent that a clique of interested persons is endeavoring to place Mr. Ald. E. A. Macdonald in a false position owing to the fact that I am associated with a number of Brockville gentlemen in asking for incorporation as "The Citizens' Street Railway Company," and for such a charter as will enable us to enter into fair competition for the City's Street Railway franchise.

The subscribers to the stock in the proposed company are: Mr. W. H. Comstock, Mr. D. Booth, Mr. G. I. Mallory and Mr. E. M. Costelt, all of Brockville, and myself to the extent of one share of $100. This, then, constitutes the entire personnel of the company. I became a subscriber merely to qualify as a director, to make up the requisite number of five applicants, and to attend generally to the company's solicitor's agency business here. Mr. Macdonald's energetic career in the council in all matters of public interest and his persistent efforts to compel the present street railway company to give a more efficient service and such as the extent of the city demand, are well recognized and appreciated facts. I am in a position to know that Mr. Macdonald's belief is that the city's best interests will be served by encouraging competition for the street railway franchise. I am, sir, yours truly,

F. N. KENNIN.

Toronto Y.M.C.A. Notes.

Arrangements have been made to hold a public meeting at East York on Friday evening next for the purpose of putting before the railway men there the work which the association intends to carry on in the fine new building now near completion at East Toronto. Short addresses will be made by Mr. Kilgour, president of the association; Mr. Elias Rogers, chairman of the railway branch; Mr. John Earls, of the Grand Trunk Railway; Mr. William McCulloch, general-secretary and others.

The enteriainment to-night in Association Hall will be the tenth in the excellent course arranged for by the association. It will be a concert and readings. Those taking part will be Miss Waltz, Mrs. Nicholson, Messrs. Coates and Gorrie. The readers will be Miss Sherrard and Mr. Steward. Mr. Depew will be the accompanist and he will also play several selections on the grand organ.

Board of Trade Notes.

From present indications the coming Board of Trade elections will be the most vigorously contested in the history of the Board. Last year over 600 votes were polled.

Before the Gratuity Trustees of the Board yesterday these names were submitted preparatory to coming before the Council for election to membership: Sherman E. Townsend, Ald. E. A. Macdonald, Averu Pardoe.

Another grain case is up for arbitration, this time between George A. Chapman of Toronto and A. G. McBean of Montreal. The former sold McBean a cargo of wheat in 1887 which was not delivered promptly, thus involving incidental expenses, interest, insurance and storage which both refused to pay. The action is brought by Chapman and the amount in dispute is about $400.

The Charge Against The Mail.

[From The Montreal Herald.]

The Mail has a perfect right to advocate Annexation if it pleases, but that with which it is charged rather resembles the act of a person engaged in a game of cards and surreptitiously betraying his own and his partner's hands to the adversary. There are some transactions which may be theoretically defensible, but from which gentlemen instinctively shrink, and assuming the facts of the case to have been accurately stated we must confess some surprise at finding The Mail the defendant in such a case as that under discussion.

Will it be a Three-Cornered Fight?

There is a possibility that the contest in West York for the Ontario Legislature will be triangular. His friends are urging ex-Reeve Willson to enter the field as an independent candidate. They claim that D. W. Clendenan's equal rights and prohibition principles will lose him a great many Conservative votes, while on the other hand they rely on Mr. Wilson's Liberal friends who do not want Dr. Gilmour.

MR. MULOCK'S MOTION.

Bryan Lynch Asks the Young Liberals to Contradict it and to Send a Wail Instead.

The notice of motion of Mr. Mulock, M.P., to send a loyal address from the Commons of Canada to Her Majesty expressing the loyalty of Canadians to Her Majesty has attracted a great deal of attention at Ottawa and in Toronto as well as at other points. At the meeting of the Young Liberals Club last night Bryan Lynch gave notice that he will at the next assembly propose the adoption and transmission of this address to the Queen's Most Excellent Majesty:

May it Please Your Majesty:

We the officers and members of the Young Men's Liberal Club of Toronto, in Toronto assembled, have observed with regret that some members of the Dominion Parliament have taken the liberty to address Your Majesty in the name of the People of Canada, and without their knowledge or consent, by falsely assuring Your Majesty that the People of Canada are contented with the present colonial position of this country and are "devotedly attached to the political union existing between Canada and the rest of the British Empire and earnestly desire its continuance." And further expressing the hope that "Your Majesty will be pleased not to allow any statements, should they have been communicated to Your Majesty, to impair Your Majesty's confidence in the unswerving loyalty of your Canadian subjects to Your Majesty's person and Government, but would be pleased to accept the assurances contained in this humble address as representing correctly, which they do, the contentment of Your Majesty's Canadian subjects with the political connection between Canada and the rest of the British Empire, and of their unswerving determination at all hazards and sacrifices to aid in maintaining the same."

We therefore feel it to be our duty to inform Your Majesty that while you are personally popular with all classes of Your Majesty's subjects in Canada, a large and increasing minority entertain very different sentiments with regard to the monarchical system which Your Majesty has the honor to represent, as well as with regard to the unenviable position which this extensive and increasingly important country occupies in its relation to the Empire. And we further assure Your Majesty that many of those who are wont so eagerly to manifest their loyalty to British connection have upon several public occasions expressed the opinion, entertained as it is by 80 per cent of Your Majesty's Canadian subjects, that our close proximity to the United States, the knowledge which we have of her unparalleled prosperity since the institution of the American republic, together with the astonishing development of this country, since Your Majesty's Imperial Government had the wisdom to discontinue interfering in our internal affairs, as well as the growing and laudable desire for a Canadian nationality, in accordance with the magnitude, the unlimited resources and increasing importance of this continent renders it impossible for the people to remain much longer satisfied with their present ignominious position.

And that a copy of this resolution be forwarded to the Secretary of State for the Colonies.

When Bryan read his notice there was some laughter and some consternation. A committee consisting of Messrs. Gregory, Edgar, Cahill and Lynch was appointed to retire and consider the matter. They reported that they could not agree on an address and they were ordered to hold further meetings. Mr. Lynch says he will refuse to amend his proffered address. The club must either accept it or vote it down.

A. F. Chamberlain gave notice of a motion approving of Mr. Mulock's proposed address.

Public School Notes.

The committees of the Public School Board will hold several meetings this week. Tomorrow evening the Night Schools Committee will meet, and on Thursday evening the School Management Committee will discuss various matters.

The Crawford-street school will not be opened on Monday next as expected, the building operations having been delayed on account of wet paint.

By permission of Dr. Canniff Dufferin-street school was re-opened yesterday morning, but the basement where the caretaker lived has been closed. This causes some inconvenience, as the Kindergarten classes were held in that portion of the building. The typhoid patient is progressing favorably.

At the General Hospital.

George Sinclair, the brakeman who was run over on Wednesday last and underwent amputation of both legs at the Hospital, is in a dying condition.

Mrs. Mary Macdonald of 120 Agnes-street, was taken to the Hospital yesterday afternoon suffering from the effects of an alleged attempted criminal operation. She is progressing favorably. In connection with this case Dr. Walwin, a young physician of the Simcoe-street is held at Police Headquarters.

Among the Societies.

L.O.L. No. 127, last night in Victoria Hall, initiated several candidates. Four propositions were also received.

Mount Lebanon Lodge No. 15, I.O.G.T., met last night in Temperance Hall and arranged for a concert and oyster supper to be given on Feb. 10. Three candidates were initiated and the new officers were installed.

The first annual "at home" of Chesterfield Lodge, S.O.E.B.S., was held last night in Shaftesbury Hall. President Nichols occupied the chair, and there was a large attendance of members and their friends. A musical program of a high order was disposed of and refreshments were served, followed by dancing. A pleasing feature of the evening was the presentation of a beautiful bannrr by President Nichols to the lodge.

Mount Lebanon Juvenile Temple No. 21, I.O.G.T., elected these officers last evening: Chief templar, Thomas Carr; vice-templar, Ella Gowler; chaplain, Eva Manning; past chief templar, Ernest Ward; guard, Florence Moore; sentinel, Walter Taylor; secretary, Albert Flowers; assistant secretary, Ida Gray; financial secretary, Alice Ward; treasurer, Louisa Myers; right hand supporter, Jennie Roberts; left hand supporter, Ethel Gowler; marshall, Arthur Newkirk; deputy marshall, Iva Thomson.

"It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. ✱✱I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung troubles.—E. Bragdon, Palestine, Tex.

About six months ago I had a severe Hemorrhage of the Lungs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsams and expectorants, without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral.

I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and, I am satisfied, saved my life.—Mrs. E. Coburn, 18 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy.—D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe Cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Two bottles of this medicine completely restored my health.—Lizzie M. Allen, West Lancaster, Ohio.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price $1: six bottles, $5
