

twelve persons from each side for a term of up to ten months in each case. The list of nominees and the data sheets will be presented to the host country through diplomatic channels not later than June 26, 1972 and not later than March 1, 1973. Each year a joint selection committee will meet alternately in the USSR and Canada to reach final agreement on the placement of nominees two months after the submission of the list of nominees. The dates of the meetings shall be agreed through diplomatic channels. The host party would be responsible for the internal expenses of the visiting delegation, consisting of up to three persons.

- (5) To encourage and facilitate the co-operation between Carleton and Leningrad Universities, under the terms of the existing agreement between these two Universities; the exchange of graduate students and young post-doctoral scholars is within the framework of the quota specified in Section B (4).
- (6) To encourage and facilitate the co-operation between other institutions of higher learning of both countries under existing and future arrangements as appropriate.
- (7) To encourage and facilitate visits by individual scholars to conduct research on mutually agreed terms.
- (8) To provide the conditions necessary for the fulfillment of agreed programmes including access to study and scientific materials as well as, when it is expedient and possible, to laboratories, archives and organizations, which are not in the system of higher educational establishments.
- (9) To exchange on the basis of reciprocity two delegations on agreed subjects in the fields of education. One delegation from the USSR Ministry of Education will visit Canada in October 1972 and the second delegation
