C.L.A. TEAMS AT PLAY.

Gravenhurst Beaten in Junior Game at Orillia by 8 Goals to 5.

Orillia, June 16.—The Orillia II. defeated the Gravenhurst team by 8 goals to 5 in the junior series at Orillia to-day, the game was a splendid exhibition of lacrosse. The Orillia juniors surprised their supporters by their fast and accurate combination play. Marshall, McDonough, Regan and Grant for the Orillias showed up in fine form. For Gravenhurst Yates, Sinclair and Hill were the stars. The game was comparatively clean, three of the Orillia players being penalized and two of Gravenhurst. F. C. Waghorne gave entire satisfaction to both teams as referee. The following were the teams and officials:

Orrilia II. (8): W. J. Kennedy, goal; point, W. Marshall; cover-point, B. Grant; defence field, A. Appleford, J. Ritchie and H. Curran; centre, P. McDonough; home-field, W. Rose, P. Thompson and N. Philips; outside home, H. Ritchie; inside home, C. Regan; field captain, J. Hinds; umpire, W. Fortier.

Gravenhurst (5): Goal, F. Clendennan; point, M. Yeats; cover-point, J. Sharpe; defence field, J. Coffey, M. Clendennan, A. Mowery; centre, A. R. Hill; home field, A. Sharpe, W. Sinclair, L. Kohen; outside home, C. Olivson; inside home, Clipsham; field captain, J. McGuire; umpire, Mr. Cameron.

Timekeepers—G. Boyd and D. Robbins.

Woodbridge Juniors Won.

Woodbridge, June 16.—The Woodbridge lacrosse team, with about 150 supporters, accompanied the conductors on their annual excursion to Owen Sound on Wednesday last and defeated the senior team of that place in one of the fastest games ever seen in that town. The visitors out-played the locals at every stage of the game, while their defence was at all times in their places and the light home of the visitors had very little difficulty in passing the huge defence of the home team and had it not been for the effective work of Shea at point and Greenwood in the flags, the score would have been much larger. Harry Gillespie refereed. Twelve handsome silver cups were presented to the winners of this game by the Eaton Bros., brewers, of Owen Sound, which have been on exhibition in Orangeville, Owen Sound, Woodbridge and other places for some time past.

Peterboro Played Exhibition.

Peterboro, June 16.—In one of the fastest and best contested games of lacrosse played here for many a day, the Orillia Intermediate C.L.A. team won from the local team by a score of 4 to 3. The game was only an exhibition one, as the seals dropped out of the series yesterday, but they put up a splendid game to-day and it is the general opinion that there is plenty of material in town to place a winning dozen on the green. For the first two quarters the home team had all the best of the argument, but their poor condition began to tell and the visitors, who were in the very best of shape, won out handily. At the end of the first quarter the locals led by 1 to 0, and at half time were still 2 to 1 ahead. Orillia evened up in the third quarter and won out in the last quarter. The teams were:

Orillia (4): Goal, Areus; point, Quinn; cover-point, Hynds; defence field, O'Connor, Anderson, Hammond; centre, Regan; home field, Curran, Whitehead, McKinnon; outside home, Donaldson; inside, Pennock.

Peterboro (3): Goal, Hamilton; point, Dillon; cover-point, Morgan; defence field, Glover, Mein, Crowley; centre, Ford; home field, Parnell, Dumbell, Robertson; outside home, Best; inside home, Armitage.

Referee—F. A. Clarke.

Lacrosse Points.

Funny how the C. A. A. U. missed the New York Crescents. The great union should have suspended them, too. They would care about as much as the C. L. A. apparently.—Ottawa Free Press.

The talk around town generally last night was that the Shamrocks would throw over the C. A. A. U. and play Brantford, so that we are on the eve of a revolution.—Montreal Herald.

A Montreal despatch says: Now that the Brantford lacrosse team has been professionalized, the question has come up whether their challenge for the Minto Cup could be considered by the trustees of the Cup. P. D. Ross, one of the trustees, was seen to-day, but refused to make any statement.

A Montreal despatch says: The Montreal lacrosse team are about to lose their captain, Tom Carlind. He leaves within a few days for Toronto, where he will open up business on his own account. His resignation will be handed in at to-night's meeting. Before he goes the club will make him a presentation in recognition of his valuable services. Tom Carlind in his day was one of the finest players in the business. He stopped playing in 1889, but for the last two years has acted as Montreal's field captain.

Prize Winners at Ayton Shoot.

Ayton, June 16.—The second day's shooting o the Ayton Gune Club's tournament ended a successful match, the visitors returning home well pleased. G. B. Smith, winning highest average, 22 birds, got $12. A. Mahler won second, $8. J. Kidd won third, $4.

HERMIS WON THE SUBURBAN IRISH LAD, FAVORITE, THIRD

Arthur Redfern Rode the Winner—The Picket Was Second—Hermis' Price Was 4 to 1.

New York, June 16.—Hermis easily won the Suburban Handicap at Sheepshead Bay to-day. The son of Hermence was on his toes when the barrier snapped. He crossed in front of six competitors from the outside and passed the judges' stand in the lead on his journey of one and a quarter miles. He was never headed and won, under a perfect ride, by Arthur Redfern, in the time of 2.05—the best on record for the Suburban, and two-fifths of a second slower than the track record of 2.04 3-5, held by McChesney. Irish Lad, the public favorite, failed entirely to justify the confidence of his backers and finished third, nosed out of second honors by the Picket.

More than 30,000 persons viewed the 21st running of the $20,000 classic. Perfect racing weather prevailed. A well-played second choice, Manie Worth, took the first event, but the second went to Seymour at 6 to 1. The third race presented a chance to plunge, it was the first half of the double event for 2-year-olds, and twas worth $10,000, but the public had little chance to bet, as the Bennington entry, Blandy and Song and Wine, were held at prohibitive odds of 1 to 4. Song and Wine won nicely. Irish Lad was installed favorite for the Suburban at 6 to 5, the pressure of offerings being so heavy that 9 to 10 was asked when the contestants were called to the post. The field was lined up and sent away in perfect order. Hermis, from outside position, shot to the front. Passing the judge's stand he had secured the coveted place on the rail, with Irish Lad and the Picket close behind. On the racers sped, around the turn and down the back stretch—never changing positions for an instant. Irish Lad challenged again and again, but to no purpose. He crept up on the flying leader repeatedly, but unable to hold the terrific pace, much less overhaul him. The Picket ran along unconcernedly in third place until the mile post had been reached. Then he drew up and crept past the Duryea horse, inch by inch. Hermis, never touched by the whip, threw defiance out to the others in the dust from his pattering hoofs and thru the stretch he was not even challenged. The Picket nosed out Irish Lad for second money and the great race was over. Proper, Major Daingerfield and Africander brought up the rear.

When the crowd realized the splendid exhibition of equine worth shown by the victor it cheered him wildly, despite the fact that the bookmakers had accepted and won nearly $500,000 on the defeat of Irish Lad. Hermis was heavily backed, however, and at least one-quarter of the amount taken in on the defeat of the favorite was paid out on the winner.

Fourth race, the Suburban Handicap of $20,000, for 3-year-olds and up, 1¼ miles—Hermis, 127 (Redfern), 4 to 1, 1; The Picket, 124 (Helgersen), 7 to 1, 2; Irish Lad, 127 (Shaw), even, 3. Time 2.05. Proper, Major Daingerfield and Africander finished as named.

London, June 16.—The third day of the London Trotting and Pacing Association meet furnished the best racing yet offered, the mile interest centering in the 2.20 trot, which required six heats to finish, being finally won by Jennie Scott, the Conduit appeared far from driven out. In the third heat of the 2.22 pace, a general spill occurred, in which Blucher, Jubilee and Tommy all went down in a heap. The two sulkeys were badly damaged, the horses and drivers escaped comparatively unhurt. Betting on this heat was lively. To protect the public, the judges called it "no heat." In the first heat, the 5 furlong run, J. Coventry's mare Victoria surprised the talent by running away from the field and winning in record time for this track, but was beaten out in the next two heats by Glenmore. How Toronto Might Win Games.

Rumors and denials about the Toronto Baseball Club are served up every day. Now Irwin is to leave and then Barrow will succeed him, the latter having resigned from Detroit. A correspondent suggests that Director McCafferty, the ruling spirit of the board, be placed daily on the bench at home and abroad. Then the team would soar up thru the Eastern League bunch like a skyrocket and any old players would serve for the line-up.

Amateur Baseball.

Two good clever and well-contested games are served out to the patrons of the Sunlight Park League every Saturday afternoon. The games to-morrow afternoon are sure to be as good as in the past and are as follows: Royal Canadians v. Welleseys at 2 o'clock, University of Illinois, and Henry of Lancaster, both infielders.—Pittsburg Gazette.

Dons Race Saturday.

The Dons intend giving their friends a surprise on Saturday afternoon at the launching of the new eight by placing a crew composed of old-time champions to row on exhibition after the launching of the eight. The crew will be picked from the following, to be in charge of James Lowe, an ex-captain and possibly one of the most successful trainers in the early days of the east end club, who will officiate as coxswain: James Hadley, S. Scholes, M. Shea, A. Reynolds, J. Sullivan, Len. Marsh, C. Glester, E. Shea, F. Delaney, John Shea, W. Reynolds and W. Ramsden. It is a noticeable fact that the foregoing old-timers have been in the club ten years and over, in fact three of the crew being 21 years in the club and have all at different occasions during their membership carried the club's colors to the front in different championship events, dating back as far as 1884.

Harvard-Yale Team.

Cambridge, Mass., June 16.—The representatives of the Harvard and Yale who will meet the athletes of Oxford and Cambridge in London, July 20, have been chosen, with the exception of those who will compete in the quarter mile run and the hammer throwing. The American contestants so far decided upon are as follows:

100 yards dash—Schick (Harvard), Torrey (Yale).

Half mile run—Young (Harvard), Parsons (Yale).

Mile run—Olcott (Yale), Hill (Yale).

Two mile run—King (Harvard), Colwell (Harvard).

120 yards hurdle—Bird (Harvard), Clapp (Yale).

High Jump—Murphy (Harvard), Victor (Yale).

Broad jump—Hayes (Harvard), Sheffield (Yale).

Water Polo.

The Toronto Swimming Club opens the water polo season next Saturday afternoon, when the "Red" team will meet last year's champions, the "White" team. The White team will be chosen from the following: J. R. Wilson, G. H. Corsan, F. Sheridan, J. W. S. Macgregor, J. A. Wilson, J. Rutherford, G. S. Winder, D. Macbeth, P. B. Allen, O. A. Winter.

The Reds will have a team selected from W. C. Kettlewell, F. M. Thomas, E. G. Hamlin, J. A. Thomson, George Carson, H. H. Willson, F. McLaughlin, L. Bourne, G. J. Saunders, W. R. Villiers, A. M. Macrae.

The I.A.A.A. and the Toronto Canoe Club are both considering the advisability of organizing water polo teams this season. This will give water polo a much needed boom. There are already several entries in for the 220 yards handicap race, which will be run off before the polo game Saturday.

Champion Jeffries' knee was lanced at San Francisco Wednesday by a surgeon. The operation afforded no relief. The surgeons ordered Jeffries to remain in bed for a week. It is now the general belief that the championship battle will have to be called off.
