BEER BROS.

WISH TO HAVE A CHAT WITH YOU.

JULY AND AUGUST

are considered dull months for business, and we suppose they are with those who do not anticipate their arrival by getting goods their customers require during the summer months.

WE MAKE

it a point to calculate what you will want and have it for you when you call and you can generally depend upon getting it from us.

YOU KNOW

the lines we keep. Black Dress Goods have always been one of our specially good lines and no one can beat us in stylish co'ored dress goods We also have excellent va'ue in Black and Colored Dress Silks and we always keep a fine assortment of Trimmings for our dresses. This year we bought at very low prices, a big lot of made costumes, comprising sacque and skirt and are selling them all readymade to go you for four dollars and up

This summer having been so warm and comfortable we find ourselves with some sacques and Capes in our Mantle Department which otherwise should have been sold. We have therefore decided to cut the price down to a figure that you can afford to buy one supposing you only wore it for a month. The balance of our millinary must go through the same operation, as it does not suit Beer Bros to have old-fashioned goods in stock. Cotton goods of all kinds are cheaper than they have been for twenty-five years, and you can get from us a very large parcel for very little money. We are having a lot of short ends and remnants of goods bought together and if you can use them you can save enough money to buy your way into town and home again.

FOUR more Newfoundland politicians have lost their political heads and one other has been unseated. Ex-Premier Whiteway and Ex-Colonial Secretary Bond were unseated and disqualified and their colleagues Watson unseated. Monday Speaker Emerson and James McGrath, ex-chairman of the Board of Works, shared a fate similar to their leader. The Whiteway-ites have now only ten men in the assembly and the government thirteen. The legislature opens to-morrow.

THE well known Micmac Chief James Mitchell, better known as Jim Louis died at his home at Rocky Point at one o'clock Sunday morning. He was the son of Louis Mitchell and was born at St. Andrew's, on New Year's Day, 1802, where he was christened by Bishop Mellmorre. He has had eighteen children, only two of whom survive—Alice and Louis. For a number of years he has been somewhat childish and on New Year's Day, 1893, on the occasion of the death of one of his sons, he wandered off into the woods and was badly frozen. Since then he has been unable to leave his camp. His father was frozen to death in 1844, while out hunting near Nice Mile Creek. James received the last rites of the Church before his death, and will be buried to-day at the mouth shore.

A SAD accident, resulting in the death by drowning of Miss Winnie McLean, daughter of John McLean, Esq., M. P., of Souris, occurred at Mount Stewart on Monday. About ten o'clock in the morning, she, accompanied by her cousin, Miss Della Sterns, went to the post office to post a letter to her mother in Souris, as she was going home Tuesday. She posted the letter and started on return, at the bridge they both stopped and leaned over the railing. It is supposed Miss McLean leaned too far over the railing, or perhaps, was sitting on it, and losing her balance, fell into the river. There was nobody but her cousin, around at the time. Neither was there any boats. Mr. James Gorman, a blacksmith, was attracted to the bridge by the screams of the little Miss Sterns. He jumped into the river and tried to save the child. He caught hold of her, but owing to the strength of the current failed to give her his own assistance and he returned to shore. Boats were procured and a number of men went to grapple for the body. It was found about 11 o'clock, and was taken to her parents' home in Souris in the afternoon.

About People Here and Everywhere.

Sir Adolph Caron and Hon. W. B. Ives have gone to England.

Mr. Robert Harris, the well-known Island artist, arrived Sunday night on the Bonaventure from Montreal on a few weeks visit to his parents and friends in this city.

Prof. J. W. Robertson, Dominion Dairy Commissioner, is to be married the coming fall. The prospecting bride is Miss Ryckman, B. A. graduate of Toronto University, daughter of Rev. Dr. Ryckman.

Mr. Martin McDonald and his brother Mr. J. A. McDonald came to the Island, Friday, on their way from Oakland, Cal. They went east to St. Margarets Saturday morning where they intend to spend the summer.

Mr. H. C. Shaw, a native of this province, but at present a member of the legal firm of McPhillips & Williams, Vancouver, B. C., and Miss Dora Laird, daughter of Hon. Alex. Laird, M. P. P., Bedeque, were united in marriage at Victoria, B. C., on the 16th ult.

Rev. Father Smith, of Worcester, Mass, who is the guest here of Mr A J Murphy, preached at High Mass in St. Dunstan's Cathedral, Sunday. It was the reverend gentleman's first sermon, he having only been ordained at Rome in May last. Three years of his course were made in Paris. He belongs to the diocese of Springfield, Mass., and leaves in a few days to begin his ministerial labors.

The prince archbishop of Austrian Poland, Cardinal Dunajewski, who has just died, enjoyed the unique distinction of having in his youth, and prior to his taking holy orders, worn the garb of a convict, served a term of three years' imprisonment in the great Austrian penitentiary of Kusfstein and of having on two occasions been condemned to death, the sentence in each case being commuted at the very last moment. The offense that led to his being kept in manacles for three years was of a political character and consisted in resistance to the duly constituted government and authorities of his province. It was the sudden and tragical death of his finance on the day before that appointed for their marriage that led him to enter the service of the church in search of consolation.

DIED.

At Dundas, on July 19th, Catherine Campbell, in the 68th year of her age. May she rest in peace.

Suddenly in this city, on the evening of the 26th inst., Mary Ann, beloved wife of Francis Trainor, aged 46 years, leaving a sorrowing husband and four children to mourn the loss of an affectionate wife and a kind mother. Requiescat in pace.

The body of Patrick Purcell late M. P., was found in the St. Lawrence river Friday, just below Hopkins' Point A rope was found tied around the neck. The body was stolen from a graveyard near Cornwall on May 7, 1891, by suspected body snatchers, presumably for the purpose of levying money for its return. All efforts to trace the body failed, though the best detectives were put on the case. Now it is supposed thieves gave up all hope of gain, and threw the body in the river. It was in a good state of preservation, having been embalmed.

BILIOUS FROM CHILDHOOD.

Rev. Benjamin Hills, Pugwash, N. S., writes: "In a word I may say that K. D. C. has helped me more than anything else I have ever used. I had been bilious from childhood, for several years had rarely passed a week without a severe attack of bilious colic, with intense pain at the back of the head. These attacks usually followed my Sunday work. Since I began to use the K. D. C., I have scarcely had any return of bilious colic and the attacks have been very light. I have had greater freedom from suffering since I began the use of K. D. C. than for years past. I believe that the occasional use of a bottle of K. D. C., will keep me comparatively free from the old trouble. I thank you for calling my attention to K. D. C. Had I tried it long ago it might have saved me years of suffering. I am glad to recommend it to fellow sufferers."

Dear Sirs,—I have been using Burdock Bitters for Boils and skin diseases, and I find it very good as a cure. As a dyspepsia cure I have also found it unequalled.

Mrs Sarah Hamilton,
Montreal, Que.

Skin Diseases are more or less occasioned by bad blood. B. B. B. cures the following Skin Diseases: Shingles, Erysipelas, Itching Rashes, Salt Rheum, Scald Head, Eruptions, Pimples and Blotches, by removing all impurities from the blood from a common pimple to the worst Scrofulous sore.

I was attacked severely last winter with with Diarrhoea, Cramps, and Colic and thought I was going to die, but fortunately I tried Dr. Fowler's Extract of Wild Strawberry, and now I can thank this excellent remedy for saving my life.

HEART FAILURE, FAINTNESS, ACUTE DYSPEPSIA, with Complete Nervous Prostration, Cured by Using HAWKER'S NERVE & STOMACH TONIC.

A LADY'S EXPERIENCE.

Mr. Wm. Thompson of Musquash, N. B., says: "For 3 years past my wife has suffered with Acute Dyspepsia accompanied with complete nervous prostration and a smothering sensation about the heart which frequently produced an attack of faintness. She became weak and nervous, lost all energy, and had a constant feeling of dread. She suffered with intense pains in the stomach after eating, which was usually followed by the smothering sensation about the heart and fainting spells. She tried a great many remedies and was treated by the doctors for some time, but obtained no relief. She became so discouraged that she gave up all hope of ever getting better. A friend of our master suggested that she try HAWKER'S NERVE AND STOMACH TONIC and LIVER PILLS which have proved remarkably curative in several cases he knew of. We did so and she obtained immediate relief from the distress after taking the second dose, and continued to improve ever since until today she is as well as ever, and can enjoy her food without fear of suffering. I cannot speak too highly of these valuable medicines which have restored my wife to health and strength and saved much suffering and expense."

Rev. Henry M. Spike, Rector of Musquash, N. B., says: "I am personally acquainted with Mrs. Thompson's case, and am free to say that the medicine which I recommended to her produced such remarkable results."

Bald-Headed Facts.

SOME people have the idea we have no Mill and cannot manufacture their wool. It might be interesting to them to say we are interested in 2 Mills and manufacture everything in Fancy Cloths, Blankets, Flannells, etc., etc. We are also agents for custom Carding Mill, making the best rolls on P. E. Island and also agent for dyeing and pressing mills.

What more would you require?

We keep a large variety of cloth to pick from, made from Island wool. Also Imported Tweed, Fancy Panting and Worsted.

Come and see us this Fall and see if we don't do better for you than any one in the Woollen business.

The old shop and the same hands that have been waiting on you for years are there, and the only place to find us and trade is at the old stand, North Side Queen Square, Walker's Corner.
