AN OCTOBER DAY'S SPORT.

FOOTBALL MATCHES TO BE PLAYED TO-MORROW.

Where the Rugby Giants Will Play—Toronto Clubs—Handicap Races at Morris Park—On English Turf—Some Baseball Averages—General Sporting News and Gossip.

To-morrow the second series of matches in the first round of the Rugby Union ties will be played. Toronto has a 31 point margin over Ottawa and will go down to the Capital with the same strong team and cannot lose. The team will be: Back, McQuarrie; halves, Boyd, W. W. Wood (capt.), H. Wood; quarter, Cartwright; scrimmage, Payne, Wright, Stovel; wings, Muntz, Kingsmill, Warbrick, Healey, Hutchins, Vickers.

Osgoode Hall has 19 points the best of R.M.C., but the Kingston cadets have pluckily determined to play their return match here, and a good game may be expected at the Baseball Grounds. Ottawa College, with 10 points to the good, will go to Kingston, where the Queen's University fifteen are determined to pull down the majority and score sufficient to leave themselves in the competition. Hamilton will show what she is made of in her initial match with Trinity.

The second teams of Toronto and Trinity University play their return match in the Intermediate series, likely on the outside ground at Rosedale. The students had a 12 to 6 advantage last Saturday. The Lornes are in good shape for their game in St. Kitt's. They go over with 9 points to the good. Petrolia plays in London. Stratford and Kingston Collegiate, having defaulted in the first round, are out of the Intermediate ties.

It should be remembered that if each club wins one game in the first round a majority of points scored in both games shall decide the winner.

The Lornes Ready for Battle.

The Lornes will leave Saturday morning at 7.20 o'clock for St. Catharines to play their return match with St. Catharines in the intermediate championship series. The Lornes will be represented by the following team: Back, Home; halves, McMillan, Jeffrey, Reading; quarter, Taylor; wings, Woodbridge (capt.), Dixon, Livingston, Woodworth, Kent, Crawford, Argiis; forwards, Jeffrey, Parkyn, Sanderson; spare, Argiis, Smith.

The Lornes II. will be represented by the following in their Junior League match with II. Varsity on Saturday afternoon: Back, Home; halves, Fenton, Lamaitre, Urquhart; quarter, Morrison; wings, Thompson, Hedges, Milburn, Howland, Royer, Angus, Bedlington; forwards, O'Reilly, Peters, Logan, Cooper, Bremner, Miller.

Football Notes.

The Scots and New Fort play their scheduled league tie on the baseball grounds Saturday, kick-off at 3.30 p.m.

During the football season of 1892-93 in Great Britain there were 26 deaths on the field resulting from football accidents, 39 broken legs, 12 broken arms, 25 broken collar bones and 74 other injuries.

Princeton's football trainer, Jack McMasters, has selected 14 of his best men, and they now sleep in the club house under his care. They retire promptly at 10.30 p.m. and rise at 7.30 a.m.

The R.M.C. cadets will play Osgoode Hall here Saturday afternoon at 3 o'clock at the baseball grounds. Admission, including grand stand, 25c.

The Vantage Junior Rugby Football Club will hold a meeting this evening at 8 o'clock at 71 Grenville-street. All new members wishing to join are requested to be present.

Trinity goes up to Hamilton to-morrow for their first senior Rugby match of the season with Hamilton. The Hamiltons will be represented by Ryckman, back; Turner, Southam, F. Martin, half backs; Lyle, quarter; B. Dewar, Irvine and D'Arcy Martin, forwards, and Ripley, K. Dewar, Laidlaw, Martin, Marshall, McCarthy and Glassco.

THE AUSTRALIANS.

They Win in Boston and Will Arrive Here at 7 p.m. To-day.

The Australians finished their game against 18 of Boston yesterday and won by 3 wickets. Instead of the billiard table crease of Philadelphia they had for their game a wicket more after the pattern of a recently ploughed field, the lumpy condition of which destroyed completely whatever confidence the batsmen might have had in their own ability. The game was played on the South End baseball ground, which in addition to its other disadvantages is altogether too small for cricket, the narrow boundaries giving the outfielders little chance for catches.

Boston's 18 made 88 and 27 and Australia 55 and 51 for 3 wickets. Trott, 23, was the only Australian to get into double figures in the first innings.

The team left Boston for Montreal last night and will arrive here per C.P.R. at 7 p. m. to-day. The game starts at Rosedale to-morrow at 11.45. Among the courtesies extended the visitors is one by Sir D. L. Macpherson to visit Chestnut Park.

Carman and Hensel Matched.

Messrs. Carman and Hensel yesterday completed arrangements for a match road race on Saturday, Oct. 28, over the Athenæum club's 20-mile course, starting and finishing at Woodbine Park. The prize given is a breach-loading gun by Messrs. H. P. Davies & Co. The match arose out of the recent road race when the contestants finished first and second.

Dogs After Foxes.

About 200 persons went down to Woodbine Park yesterday afternoon, many of whom appeared to enjoy the amusement provided by the hounds chasing the foxes. A pack of 50 hounds were put on the trail over the steeplechase course when the fox was let go at the lower end. But lo! poor Reynard rattled and gave up his life without a struggle. He did not attempt to run and the cruel dogs made short work of him. The next one tried to get away, but was run down in the rushes south of the track. After some whippet trials in front of the stand the third fox was brought out. A boy on a bicycle led the animal around the track to lay the trail, but the string tightened and reynard was not even obliged to fight the dogs for his life. The fourth fox wouldn't run anywhere after the pack went the mile, except into the grand stand. The crowd had some fun chasing him back into the field amongst the hounds, where he met his fate. The foxes were plump fellows and evidently had been well fed since their capture, but were too tame to run. Many of the dogs showed first-class running qualities and took up the scent accurately.

A Ringer at Philadelphia.

PHILADELPHIA, Oct. 12.—The feature of the day at Point Breeze to-day was the suspension of Hugh G. Young and C. L. Ovenshine of Athens, Pa.; Jacob Bader of Bethlehem, and the bay gelding Rooster alias Nimrod alias Hustler, entered in the name of V. G. Woury of Athens. The horse is supposed to be a "ringer." Rooster finished first in the third heat on Wednesday but was set back to third position for repeated runs. The race was then postponed on account of darkness. To-day "Cal" Quintin protested the horse as being Nimrod or Hustler. The judges ruled the horse out of the race and gave Ovenshine until dark to produce evidence of the horse's identity.

Just before the races were ended it was was found the entire gang with the horse, had mysteriously disappeared from the track. Results:

CHICAGOS OF A SEASON.

43 Times Were National League Teams Shut Out Without a Run.

There were as many shut-outs in the National League the past season as in previous years, which is no doubt due to the increased distance which the pitchers have to throw the ball.

Just 43 games were played during the past season, in which one of the playing teams failed to send one of their members around the four bases.

The following pitchers shut out teams on home grounds once: Mauck at Cincinnati, Nichols at Philadelphia, Hawke at Washington, Henning at Louisville, Gleason at Washington, Young at Brooklyn, McGuinnes at Chicago, and Maul at St. Louis. The champion Bostons were the only team to be shut out without runs on succeeding days. On July 7 and 8 they failed to score in the games played at Pittsburg.

The worst shut-out of the season the Washingtons sustained was at Pittsburg on July 15, the home team winning by a score of 19 to 0. On July 8 the Pittsburgs beat the Bostons 13 to 0, and on Aug. 16 the Louisvilles outplayed the Chicagos 11 to 0. These were the only "shut-out" games in which the winning team's score was in the double figure column. Four 1 to 0 games were played, New York defeating Cincinnati, New York defeating Chicago, Pittsburg defeating New York and Chicago defeating Baltimore. Two games were played in which a team was shut out without runs or base hits. On Aug. 16, at Washington, Hawke of the Baltimores pitched in such a masterly manner that not once during the nine innings were the Senators able to place the ball safely. In a six-inning game at Cincinnati on Sept. 23 the Bostons failed to hit Chamberlain safely.

Only 10 men have stolen 50 bases, and their averages to a game rank as follows: T. Brown 66, average .545; Ward 72, average .537; Burke 67, average .500; Latham 60, average .480; Ewing 53, average .465; Dowd 59, average .442; Davis 54, average .406; Brodie 52, average .400; Hoy 51, average .400, and Duffy 50, average .380.

The clubs effected whitewashes on their opponents as follows: Pittsburg 8, New York 6, Philadelphia 4, Chicago 4, Cincinnati 4, St. Louis 3, Brooklyn 3, Louisville 4, Cleveland 2, Washington 2, Boston 2, Baltimore 1. Totals 43. And the teams were shut out as follows: Baltimore 3, Boston 5, Washington 5, Cleveland 4, Louisville 3, Brooklyn 2, St. Louis 4, Cincinnati 4, Chicago 7, Philadelphia 1, New York 4, Pittsburgh 1.

National Baseball Batting.

President Mick Young has issued his official list of batting records of National League players who have participated in 15 or more championship games. The best men are: Stenzel, Pittsburg, 409; Hamilton, Philadelphia, 395; Thompson, Philadelphia, 377; Davis, New York, 373; Burkett, Cleveland, 372; Ewing, Cleveland, 371; Browning, Louisville, 371; Delahanty, Philadelphia, 370; Smith, Pittsburg, 316; Bannon, St. Louis, 363; Merritt, Boston, 363; McCarthy, Boston, 360; Duffy, Boston, 359; Tebeau, Cleveland, 359; Cooley, St. Louis, 359; VanHaltren, Pittsburg, 350; Brouthers, Brooklyn, 348; Ward, New York, 348; Glasscock, St. Louis and Pittsburg, 347; Brodie, St. Louis and Baltimore, 340; Robinson, Baltimore, 338; Keeler, New York and Brooklyn, 333; Holliday, Cincinnati, 332; Childs, Cleveland, 332; Frank, St. Louis, 331; Donovan, Pittsburg, 331; Twitchell, Louisville, 331; McGraw, Baltimore, 328; Halliban, Philadelphia, 328; Tiernan, New York, 327.

Ives to Play Roberts in London.

CHICAGO, Oct. 10.—Frank Ives was here to-day and stated that there has been a little hitch over his game with "Wizard" Schaefer, to take place here, but the difficulty will be probably patched up and the game come off in time. This Chicago game may be the last that Americans will see Ives play here for two years.

"I leave in November for London," said Ives to-day, "to play Roberts a return match at English billiards. Then I am going to India on an exhibition tour, and I expect to make money there. Leaving India I will go direct to Paris for a long stay. I can make $125 a day in Paris, which pays better than billiards do in this country."

Cup Gossip From London.

LONDON, Oct. 12.—The Exchange Telegraph Company says that it is rumored that Mr. West, late owner of the yacht Queen Mab, will issue a challenge for the America's Cup.

The Pall Mall Gazette, commenting on the races, says Valkyrie simply was beaten on account of Vigilant's superior sail area, and that in a heavy gale Vigilant would crumple up like so much vessel tin.

A clever boy with light hands and good seat is a valued help in the sale of any sort of saddle horse. Dealers appreciate a boy of this kind and they always have remunerative work. Many of the best, especially for hunters, come from Canada. Kentucky and Virginia send out many fine riding lads. Dealers who come to the city regularly usually have both a riding and driving man in their staff.—N.Y. World.

The treasurer's report of the Dundas Curling Club shows that the receipts for the past year were $142.26 and the expenditure $83.08, leaving a balance on hand of $59.18. The following officers were elected: Patron, John Bertram; Patroness, Mrs. John Bertram; President, T. A. Wardell; Vice-President, T. A. Bertram, M.D.; Representative Members, T. A. Wardell, Ed. Collins; Chaplain, Rev. J. A. Keay; Sec.-Treas., H. F. Powell; Assistant Secretary, J. A. Hill.

The Long-Expected At Last Announced.

The Canadian Pacific Railway announces through our advertising columns single first-class fare for the round trip to Chicago for the few remaining days of the Fair. The tickets being good for 13 days afford the holder plenty of time to see the Exposition. As the C.P.R. run their own palatial sleepers to Chicago, a most comfortable journey is insured to the traveler over their route. The Toronto officials advise an early reservation of berths, as the traffic is very heavy, and indications point to still heavier travel.

THE STRIFE-MAKERS ON TOUR

(Continued from first page.)

question is even more humiliating than that of Sir John Thompson. Both leaders are trying to hoodwink and deceive the electors.

Coming to the trade question Mr. McCarthy said it was perhaps of more material importance than the school question, but absolutely it was of less importance. He then gave a theoretical definition of what protection was, and likened it to the bonusing that municipal councils often confer on manufacturers locating within their limits. When the National Policy was started it was never intended that that policy should continue as a permanency. It was instituted merely to help manufactures to get started, just as a boy gets a start in life. They had got that start, and the time had arrived when the supports should be withdrawn. It was claimed that the National Policy was going to enlarge the home market for the farmer. But where, he asked, was that market to be found? It is no better now than it was fifteen years ago. The population of our towns is not a fraction more than it was 15 years ago. Where, then, was the so-called home market?

Mr. McCarthy then pointed out how the tariff operated in making people pay more for the goods they purchased, for their agricultural implements, binder twine, coal oil and so on. He instanced the Sherman silver law as a shining example of the baneful effects of protection.

Mr. McCarthy said that protection didn't prevent a country getting rich, but it affected the distribution of wealth.

The people of Canada paid from 20 to 25 per cent. more for their goods than they otherwise would if there was no protection. In reckoning the cost of protection, this excessive cost must be added to the taxes actually collected. These two added together gave the total tax the people had to bear under protection.

My views on the trade question don't differ very much from those of Mr. Laurier, but there is one point wherein we do differ. He wants to let the Americans into our markets on any conditions. I am for the United States market on fair terms. I realize that we have great trade interests with the people on the other side of the line, and to the extent that they are prepared to trade with us I am prepared to trade with them. I am not going to stop at natural products. Whatever the Americans will give us reciprocity in I say ditto to Canada. If the American Government say agricultural implements, let Canada say agricultural implements, and the same with cotton, sugar and everything else.

Sir John Thompson will be judged by his work in Parliament next session. By that time you will be able to say whether the manufacturer or farmer is to be on top. The next election is going to turn on the farmer.

The proceedings ended with three cheers for the Queen and McCarthy.

Mr. McCarthy reached Toronto at midnight.
