HAPPENINGS IN HAMILTON BUILD TUNNEL IN DUNDURN

John Patterson Picks Out Another Route for His Railway—Fire Dept. Regulations.

Hamilton, May 23.—(Special.)—John Patterson has picked out a new route thru Dundurn and Harvey Parks for his Hamilton, Waterloo & Guelph Railway. It is considerably sout hof the first route staked out. He now proposes to build a tunnel 350 feet long under the bank in the rear of the Dundurn castle. He made the proposition to a joint meeting of the parks board and finance committee this afternoon. The aldermen were nearly all in favor of giving the company some route thru the parks, but nearly all the members of the parks board were opposed to any route. It was agreed that Mr. Patterson should make a formal application to the parks board and produce full plans and profiles.

There are 272 rules governing the fire department. At the meeting of the fire and water committee this evening, Ald. Church thought some of them could be dispensed with, but his colleagues did not feel like tackling the task, and they decided to hold a special meeting of the committee soon to revise the rules. The committee divided an order for hose, giving a Toronto firm an order for 1000 feet, and a Montreal concern an order for the same quantity.

Off to Windsor.

The 91st Highlanders, nearly 500 strong, went to Windsor to-night to spend the holiday. Lieut.-Col. Logie was in command. The special train bearing the regiment pulled out of the Hunter-street station about 10 o'clock.

The annual meeting of Wesley Church was held this evening. During the year over $9149 was raised, and the church now has a membership of 732.

This evening a reception was tendered to Mgr. Sbarretti at Loretto Academy. His excellency was presented with an address and bouquet of flowers by Miss Bessie McSloy, and bouquets were also presented to Bishops Dowling and McEvay by Misses McGuire and McIntyre.

Brevities.

At the Burlington Methodist Church this afternoon, Miss Mabel, second daughter of Rev. J. S. Williamson, the pastor of the church, was married to Rev. Herbert Bingham, B.A., Paris.

Archdale Wilson will be elected president of the Y.M.C.A. at the meeting of the directors next Monday evening.

Mayor Biggar lost a diamond Tuesday night at the Sherring reception.

The private subscriptions to the Sherring fund now amount to $2627.

Miss Skelley, 17 Colborne-street, Hamilton, who has been indisposed for some months, wishes to notify her friends in Toronto that she has now quite recovered.

The Toronto Daily and Sunday World delivered to any address in Hamilton before 7 a.m.; daily, 25c a month; Sunday, 5c per copy. Hamilton office, Royal Hotel Building. Phone 965.

Farm Laborer Meets With Fatal Accident in Orangeville Street.

Orangeville, May 23.—A fatality occurred on James-street, a short distance from the C.P.R. Station, about 6 o'clock this evening.

David Heaslip, a farm laborer, in the employ of Peter Norris, was driving a load of potatoes along the street when the whistle of a passenger train startled his team, causing the horse to spring forward suddenly.

Heaslip reached forward to get a better grasp of the lines and was jerked from the seat down on the whiffletrees, whence he fell underneath the heavily loaded wagon.

Two of the wheels passed over him, crushing in seven of his ribs, some penetrating his lungs and crushing the liver.

Drs. Hunter, Henry and Kyles were summoned, but could not do anything and the unfortunate man died about an hour after the accident.

Heaslip had only been out from Ireland about a year. He leaves a widow and one child.

TRAVELER IS UNDER ARREST ACCUSED OF MURDERING GIRL

Cleveland, May 23.—James Parr, accused of causing the death of Mabel Kelly in Pittsburg last Thursday night, was arrested here to-day. He is charged here with being a fugitive from arrest.

Parr is a traveling salesman from Buffalo, where it is said he has a wife and family.

The murder of Miss Kelly, a 19-year-old girl, whose lifeless body was found in a room at the City Hotel, Pittsburg, created a sensation. Parr is said to have admitted to the Cleveland police that he was with the girl for two nights.

Death was found to have been due to an overdose of bichloride of mercury.

BOYS TAKE GASOLINE BOAT ARE PURSUED BY POLICE

Daniel Neilage, 13 Blevin-street, aged 15; Daniel Cohen, 193 Adelaide-street, aged 12, and Thomas Mullin, 18 Walton-street, aged 11, stole a gasoline launch from Thompson & Co., at the foot of York-street, yesterday morning and started across the bay. Detectives Mackie and Twigg, with a crew of three, in a steam launch, went after them.

The boys when they arrived at Hanlan's left the boat and went swimming. They returned and found the boat gone and told the detectives, who had landed in the meantime, that their craft had been stolen.

The boys were brought back to No. 1 police station, where they were committed to the Children's Shelter till Friday. They say they took it for a joke.

ARBITRATORS HAVE SETTLED

Terms of Peace Between Grand Trunk and Engineers.

Montreal, May 23.—(Special.)—The long-drawn-out dispute between the Grand Trunk Railway Company and its engineers has been brought to a peaceful conclusion.

The arbitrators, after a final meeting lasting over three days, have arrived at a unanimous conclusion and have given their award to the authorities. What the terms of the award are have not yet been made known to the men.

Mr. Hays, the second vice-president of the company, is away at Niagara Falls to-day, and Mr. Fitzhugh, the third vice-president, is also out of town. On their return, in the course of a day or two, an announcement will be made.

Satisfaction is expressed on both sides at the fact that a conclusion has been reached, for it is no secret that the dispute assumed an ugly aspect at one time, and the men came perilously near breaking off negotiations.

Whatever the award may be, both parties have agreed to abide by the decision.
