AROUND THE PADDED RING

Gossip of All Classes Versed in the Manly Art of Self-Defense—Past and Future Matches.

Spike Sullivan of Boston, who has been in England for the past eight months, returned to America Sunday on the Umbria. He is open to box any man in the world from 133 to 138 pounds.

Big Ed Dunkhorst of Syracuse and Bob Armstrong of Philadelphia fought 10 rounds at Syracuse Monday. According to the agreement, both men being on their feet at the end, no decision was given. The fighting was very rough, and Dunkhorst had the advantage of weight by 50 pounds.

Kid Lavigne and Spike Sullivan had a chat a few hours after the latter's arrival from Europe. Nat Goodwin of All Saints was present at the time. Spike said that he would like to fight Lavigne, and assured the lightweight champion that the National Sporting Club would give a purse for himself and Lavigne. The Kid, who says he will visit England this summer, declared he would fight Sullivan as soon as a purse is offered.

Tom O'Rourke has matched Jimmy Barry against Casper Leon for May at 110 pounds, weighing in at the ringside. The contest, 20 rounds, takes place probably in Syracuse, and O'Rourke offers a guarantee of $1500 for the match. Champion Barry got the offer Mcnauy, and immediately wired his acceptance. Barry is willing to go for $1250 to the winner and $250 to the loser, or will go for all and nothing. Barry will do the best part of his work in Chicago.

Guide Boards for the Roads.

The Roads and Touring Committee of the Toronto C.W.A. District have made out the following list of roads where guide-boards will be placed:

Toronto to Brampton, via Cooksville.
Toronto to Whitby.
Toronto to Markham, by the Markham and Kennedy-roads.

Toronto to Sullivan's Corners.

The following clubs will place the boards on the different routes: British American, Toronto to Woodbridge; Torontos, Toronto to Brampton; Ramblers, Toronto to Thornhill and Sullivan's Corners; Royals, from Toronto to Markham, by both routes. Any other clubs willing to help are requested to send their names to the chairman, A. E. Walton, at 718 Queen-street east.

No Runs to the Half Way House.

Last night a bicycle club was organized in Wolsley Hall in connection with the city divisions. The club will be known as the Sons of Temperance Cycling Union. The following officers were elected: Hon. President, Thomas Caswell of Ontario Division; President, F. C. Ward, Excelsior; Vice-President, Miss Rushbrook, Ontario; Captain, Thomas H. Hancock, Orient; Secretary, Miss Ida Rushbrook, Ontario; Treasurer, M. Johnson, St. Albans; Bugler, J Spanton, Orient; 1st Lieutenant, M. Zeyhele, St. Albans; 2nd Lieutenant, Mr. Anderson, Toronto Junction. The meeting then adjourned until the evening of May 2.

Bicycle Briefs.

The Y.M.C.A. will hold a relay race on Saturday from Hamilton. They will have nine relays, and there are 11 men to choose the team from.

Archie McEachern has joined Tom Eck's string, and will jump into the professional ranks. His friend, Bobby Thompson, will go along with him to Philadelphia to-day, and it is possible will also go into the stable and desert the Jarvis-street.

Jimmy Michael has signed a contract with a bicycle and tire maker, under which 10 new racing machines will be built for him, to be used in addition to the five he now owns. Shafer, Michael's manager, says the midget will be placed in training immediately.

An English writer who is an accepted authority on cycling matters says that all tourists and long-distance riders should carry chocolate with them, on account of its nourishing and sustaining virtues. This might be worth trying during the century run season.

Cincinnati has evidently picked up a sensational infielder in Third-baseman Steinfeldt, late of Detroit. This player wears cricket guards on his shins and goes after veritable cannon shots.

The latest freak scheme of ball players is to bone their bats. This is done by rubbing and polishing their wagon tongues with soup bones. There seems to be more superstition in the idea than utility.

TORONTO GETS THE REGATTA

C.A.A.O. Accepts Citizen's Committee's Guarantee of $800.

Aug. 8 and 9 Named as Dates for the Races on Toronto Bay—Club Fees Reduced—Strong Regatta and Aquatic Committees Appointed.

The annual spring meeting of the C.A.A.O. was held last night at the Queen's Hotel, with the following officials present: President P. D. Crerar of Hamilton, G. Horace Gooderham, T. P. Galt, George H. Muntz, S. P. Brant, W. W. Osborne, A. Boyd and Secretary W. A. Littlejohn.

The offer of the Citizens' Committee, guaranteeing $800 for the regatta on the condition that the association give them until May 25 to complete arrangements, was presented by Ald. Edward Hanlan and on the motion of Messrs. Galt and Gooderham it was accepted. It was proposed to hold the regatta in Toronto on Aug. 8 and 9, providing the above guarantee was made good to the association before May 25.

The usual motion of reducing the annual fees of the Ontario and Quebec Clubs from $15 to $10, and the Manitoba clubs from $15 to $5, was passed.

A Regatta Committee, consisting of T. P. Galt, George H. Gooderham, Alex. Boyd, S. P. Grant, George H. Muntz and W. W. Osborne, was appointed. Mr. Muntz was appointed acting treasurer until the annual meeting, when Mr. Hogg, the late treasurer's successor, be appointed.

The following committee was then appointed to look after the aquatic interests for the coming season: George H. Gooderham, G. H. Muntz, P. D. Crerar, T. P. Galt and W. A. Littlejohn.

Rowing Ripples.

Philadelphia would like a stand capable of seating 3000 people on National Regatta days, but unless arrrangements can be made to erect a stand on the river side of the drive at Rockland there will be no grand stand for this year's regatta, to be rowed over the National course on the Schuylkill River, on July 22 and 23.

The flourishing Don Rowing Club will be comfortably quartered in the new building at Cherry-street and McNamee's Cut next week. Last night the new working benches were put in, and the first practice from the new club house has been called for Monday evening next. The building Committee meets this evening at 7 o'clock in the new quarters.

Champion Sculler E. H. Ten Eyck's term at the University of Pennsylvania will end on May 1, and the young sculler will then move over to Newark, N.J., where he will finish his training for the Harlem Regatta on May 30. A new shell built by Ruddock will be ready for him this week, and he will have it delivered at Newark. Ten Eyck rows every day on the Schuylkill. His father, J. H. Ten Eyck, is coaching him. The Henley champion is still pretty, but seems strong and in fairly good shape. He can certainly beat anything in singles on the Schuylkill. His shell runs along smoothly and keeps going all the time. He often holds a double for half a mile or so, and at that does not seem to let himself out.

Rollers Have a Smoke.

The Toronto Bowling League held a smoker at the Liederkranz last night, at which the respective winners were presented with prizes. The highest average for team competition went to the champion Insurance team, the Athenaeums getting the second banner. D. Craig of the Grenadiers took the highest for the individual score, with Treblecock of the Body Guards second. Craig was presented with the Samuel May Medal. The most popular presentation of evening was to Fred Kimmerly, the organizer of the competition. He was the recipient of a handsome smoking outfit. The program was well arranged and included a four-cornered boxing bout by Thompson v. Roach and Duly v. Jones, a wrestling bout by Wells v. Reich, and a bayonet contest by Craig v. Middleton. Others who contributed to the program were: Bert Harvey, the Athenaeum Quartet and Capt. Huntington. Mr. A. T. Johnston of the Athenaeums made the presentations and acted as chairman.

The following will represent the Senior Riversides next Saturday against the Parkdales on the old U. C. C. grounds at 2.30 p.m.: Goal, A. E. Hatt; backs, T. Mitchell, P. Henderson; half-backs, Brooks, Robinson, Brown; rover, Forwards, Logan, Genge, Small, Heys, Brown. Players are requested to practice every night on the ball grounds at 6 o'clock. The Intermediates meet the Crawfords on the Ball Grounds on Saturday.

The Scarboro Rangers' football clubs have reorganized for the season, with the following officers: Honorary President, J. Nelson; president, James Maxwell; vice-president, W. Irwin; secretary, James Clayton; treasurer, W. Maxwell; captain Senior Little, Managing Committee—M. Patterson, T. Little, S. Thompson, J. Brooks and A. Little; captain of intermediate team, W. Walker. The Rangers have also a junior team; weight of each player not over 125 pounds; captain, E. Maxwell. T. L. Willis will act as field captain. Any club wishing to arrange a match with either of these three teams can do so by addressing the secretary, James Clayton, Brown's Corners P. O. The senior team would like to arrange a match with one of the Senior League teams of Toronto.

William Sexton, who ranked in 1876 as the greatest of all American billiard players, died Monday afternoon suddenly while sitting in a chair in front of Trainor's Hotel, New York. Death was due to heart disease, and followed a long period of ill-health.

When you see doctors themselves take the medicines which they prescribe for others you may be sure it's a good thing. Physicians, without exception, recommend The Christy Anatomical Bicycle Saddle as the safest and easiest to ride. And over 7000 American and Canadian physicians ride the Christy.

Gossip of the Turf.

C. F. Dwyer's 3-year-old colt, Michael III., for which $20,000 had been refused, dropped dead on the Aqueduct race track yesterday afternoon after being worked a fast mile.

Bannockburn, the favorite for the Kentucky Derby, is laid up with catarrhal fever, the ailment developing about a week ago. It is probable therefore that, although he is improving, he will not be a starter in the Kentucky Derby.

The annual steeplechase for the Maryland Hunt Club, which always calls a number of New York hunting men to Maryland to witness it, will be decided Saturday. The distance is about four miles, and entries must be owned and ridden by residents of Maryland.

Edward Odel, the well-known Philadelphia driver, has nominated the fast green pacing colt, Oscar L., in several of the big pacing stakes of the season. The colt is by Alcantara, and is owned by O. S. Lawton of Brooklyn. Last year he paced a mile in 2.09½.

The horses of Charles Fleischmann's Sons, which were quartered at Bound Brook, N.J., during the winter, arrived at the Gravesend track last week. The lot consists of 12 head, including five promising 2-year-olds. Lehman, the Fleischmanns' candidate for the Brooklyn Handicap, is in excellent condition.

D. A. McEwen has 16 horses in training at his stables on the Alisa Craig Driving Park. They are a lot of good ones. A number of these have records better than 2.20, and one of them is below 2.08. Mr. McEwen has with him the old veteran caretaker, Henry Dooley, also Chancey Bennett and John Headly to give orders.

J. W. Schorr & Son have crossed Superintendent Clarke of the Sheepshead Bay track to reserve 10 stalls for their string. The Southern stable will be sent to Sheepshead Bay when the Memphis meeting closes, and, as the string to be sent there includes a number of cracks, the Schorr colors will probably become familiar before the season is old.

Immediately after the last race at Prospect Park, Baltimore, Md., Monday, President Joseph E. Hughes of the Prospect Park Racing Association was arrested and taken before Magistrate Lynch. He gave bail for his appearance at court to answer the charge of violating the law passed by the last Legislature against outlaw racing. It is claimed the act is unconstitutional. The races began Monday, and, fearing arrest and punishment, which is severe, it has been difficult to get bookmakers to the track. Only one has appeared in an appearance, and he has done a land office business. It is not yet known whether racing will be continued to-morrow.

When the Bisons Played Ball.

Hamilton, April 26.—The Buffalo baseball team of the Eastern League took the Hamilton club's measure in an uncertain fashion here this afternoon. Stroud's men could not find the Bison twirler. The visitors did not find Bradford—who pitched six innings—very hard, but they batted Loftus, the man from Scranton, all over the lot, and convinced nearly all of the 400 spectators that he'll hardly do for the International League pennant winners. The score:

THE ATHLETIC-BIKE MEET.

Promoters Seek to Raise Enthusiasm for Sports and Will Only Allow Canadians to Enter.

A meeting was held at the T.A.C. last night, with the following present: Inspector Stark, Inspector Breckenridge, George Higginbotham, A. Hurst, D. Henderson and D. M. Macdonald, for the purpose of perfecting arrangements for the holding of a joint bicycle and athletic meet in Toronto. Little or nothing was done, as the meeting was an informal one. Mr. Higginbotham was appointed chairman, and Mr. O. Heron secretary pro tem. The idea is to hold the races the first or second week in June, admission to be by invitation, and the revenue to be derived from the sale of the programs. Each club to take part is to be given invitation cards to send or distribute among its friends. The object is to raise enthusiasm in athletic sports, the events to be open only to Canadians. It was suggested that the secretary write all the bicycle clubs, Varsity, Osgoode, Trinity, U.C.C., Y.M.C.A., and the Toronto Police Athletic Associations, asking them to send delegates to a meeting to be held on Tuesday, May 3, at the T.A.C., when arrangements will be completed and the different committees appointed.
