Eramosa Council.

The Council met at the Centre Inn on the 3d inst. Members all present. The Reeve in the chair. Minutes of last meeting read and confirmed. On motion the Council was constituted a Court of Revision, and the Assessment Rolls were amended as follows:—$300 was taken off John Johnston, assessment on real property; the dog tax charged to Richard Hewitt, Wm. Parkhill and David Shults, were taken off; 50 acres of land on Lot 14, Con. 7, were assessed at $800, and charged to Peter Stewart; 30 acres on Lot 13, Con. 7, were assessed at $500 and charged to James Talbot; the appeal of Henry Carter was not granted; Edwin Tolton was entered as joint owner with Henry Tolton, and Wm. Duffield as joint owner with John Duffield. The Assessment Rolls were then confirmed and the Court adjourned and the Council resumed. A petition from Thos. Hughes and eighty-five others praying the Council to take such measures as would prevent all cattle from running at large in the Township was laid over for future consideration. The Committee on the Town-line of Nichol Road gave in their report. Leave was given to bring in by-law at next meeting of Council to erect three new School Sections in the lower part of the Township. Section No. 1 to be formed of Lots No. 1 to 9 inclusive, on the 1st 2nd and West half of the 3d Concessions. Section No. 8 to be formed of Lots No. 1 to 9 inclusive, on the 6th and 7th Con., and Lots 1 to 8 inclusive, on the East half of the 5th Con., and the residue of the Township between said sections from Lots No. 1 to 8 inclusive, to be formed into a new section and numbered as Section 9. Several appropriations were were made for the improvement of the Township Roads. Six days were abated from Mr Hortop's Statute Labor on account of gravel taken off his land for the improvement of the roads. The Council then adjourned to meet again at the Centre Inn on Monday the 5th of August next. J. A. DAVIDSON, Tp. Clerk.

BREAKFAST—EPPS'S COCOA — GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctors bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homœopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

Johnson's Anodyne Liniment will give more relief in cases of Chronic Rheumatism, no matter how severe, than any other article known to medical men.

After twenty-five years' medical experience, we have never met with a remedy worthy of dependence in any disease of the lungs, until the discovery of Fellows' Compound Syrup of Hypophosphites. This article really is reliable, and successful in a majority of cases.

It is often remarked by strangers visiting our Province, that we show a larger proportion of good horses than any other Province in the Dominion. This, we tell them, is owing to two principal reasons: in the first place, we breed from the very best stock; and in the second place our people use *Sheridan's Cavalry Condition Powders*, which, in our judgment, are of incalculable advantage.
