HAPPENINGS OF A DAY IN BUSY EAST LONDON

CHELSEA GREEN PEOPLE WANT A STATION

On the Line of the Pere Marquette Railway.

The residents of Chelsea Green are still agitating for a station on the line of the Pere Marquette and Michigan Central railways, as trains of both roads pass through the suburb.

Under present conditions it is necessary to go to the station or junction at Burwell streets and return to their homes, whereas if they were given the flag station it would be but a few minutes' walk to any home in the Green.

It is probable that the officials will be asked to lay a platform and instal a flag station along the track at a point between the traction company's power house and the first crossing south of the city.

The suburb has now a population of about 350, and it is thought that such a number would be worth while looking after, especially during the excursion season.

ANGLICAN YOUNG PEOPLE'S ASSOCIATION.

Held Last Night in St. Matthew's Church, East London.

A meeting of the Anglican Young People's Association of St. Matthew's Church was held last evening, it being decided to hold a bazaar in the schoolroom of the church on November 24 and 25, the proceeds to be applied to the interest on the church debt.

The new officers of the A. Y. P. A. will be elected at the next meeting, which will be held on Monday evening. A large number of new members were enrolled last night.

SPINSTERS' CONVENTION WAS PRODUCED

At Komoka Before a Large and Appreciative Audience.

A number of the members of the A. Y. P. A., of All Saints' Church put on the "Spinsters' Convention" at Komoka last evening.

The "convention" is an amusing playlet, and was produced at All Saints' twice recently.

The Komoka affair was very successful.

WILLIAMSON—NELSON.

Charming Wedding in the East End This Morning.

A very charming event was celebrated at St. Mary's Church today when Miss Nora Nelson, daughter of Mr. W. J. Nelson, of Francis street, East London, became the wife of Mr. Wm. Williamson, also of this city. The ceremony was performed in the church this morning by Rev. Father Tobin.

The bride was assisted by Miss Alice N. Tydd and the groom by Thos. Mockler. Mr. and Mrs. Williamson will reside on Francis street.

SMALL BOYS PLAY PRANKS IN EAST END

Lovett Street People Have a Real Grievance.

A number of small boys residing in the vicinity of Lovett street are causing the residents of that neighborhood no little annoyance.

A few days ago a gate was stolen from a Lovett street man who offered $5 reward for the names of the culprits. It is likely that they will be prosecuted.

On another occasion a cow, which was chained in a vacant lot was turned loose and the owner has been summoned, as the animal rambled onto the sidewalk and was spotted by a passing policeman.

Recently a horse was chained to a pasture south of the coal shutes of the Grand Trunk. The chain was stolen and the horse was found on the railway tracks in danger of being killed.

There will probably be some trouble over the offenses, as they have been going on for some time.

STREET RAILWAY IS IMPROVING RECTORY STREET

Roadbed Is Being Put in Proper Shape by the Company.

The street railway company is making a much needed improvement to its track allowance on Rectory street.

A heavy coating of gravel is being spread, and the mudholes which were formerly a great inconvenience to pedestrians, are being put in shape.

The street is a very low one, and should be repaired.

EAST LONDON NOTES.

Chelsea Green residents are being supplied with gas for the first time since the suburb was opened.

The Daughters of England held a surprise party at Mr. and Mrs. John Nutkins', to welcome them back, they having spent four months in England. Music and games were played, after which refreshments were served, and all returned to their homes well satisfied with the good time.

First of the 7th Regt's Fall Drills

The first of the fall drills of the Seventh Regiment was held in the Armories last night, when Col. Reid put the men through a number of company drills and movements. The drills will be continued throughout the fall, and special classes for recruits will commence on Friday night.

The games of basketball and indoor baseball, which have always proven so popular, will start in a few weeks, and promise to be as keenly contested as ever this year. The bowling alleys will be opened shortly, and it is not unlikely that each company will be represented by a team of bowlers this season.

The signalling corps, which was organized last year for the members of the battery, has proven so useful that it has been decided to extend it to the Seventh, and a class in signalling will be organized at once, and will be in charge of Sergt. Bowers.

Apple Shipments Are Very Heavy

Grand Trunk officials report that the shipments of apples are becoming heavy and in the past few days many carloads of fine fruit have passed through the city on the way to England and the European markets. The officials state that the western market seems to be developing largely, as the shipments going to Winnipeg and other western points are much larger this year than last. The apple crop in many parts of the country has not been so large as in other years, but growers state that the fruit is of a unformly high grade and is commanding good prices in all markets. It is estimated that in the next few weeks between 25,000 and 30,000 barrels of apples will be shipped from the district around London to various markets. Much of the fruit is being hand-picked and is sold by the farmers to the packers.

We beg to report that we have examined the accounts and vouchers of the London Old Boys' Association for the reunion of 1908, and find the result to be as set out in the above statement. The amount standing at the credit of the association in the Dominion Savings and Investment Society on Dec. 10, 1906, after entry of transactions apparently belonging to the 1905 reunion, was $421 01, to which $23 83 interest was subsequently added, making a balance of $444 84 with which to commence this year's operations.

Vouchers have been produced to us for all disbursements, but owing to the fact that the system adopted of using same style of tickets on account of subscriptions as were sold renders a close check impossible, we have not attempted to check the receipts, other than those for electric lighting, which agree with the subscription sheets, with the exception of a few small items, which are claimed to be uncollectable. The balance at the credit of the association in the Dominion Savings and Investment Society, as at this date, is $1,095 36, but as we understand that there are outstanding accounts which have not yet been rendered, we are unable to submit any statement of assets and liabilities.

F. G. JEWELL, J. W. JONES, Auditors.

London, Ont., Oct. 12, 1908.

A detailed statement will be published shortly in pamphlet form, and will be ready for distribution as soon as printers complete copy.

Chairman of Finance Committee.

At the regular meeting of the Epworth League of the First Methodist Church on Monday evening Principal McCutcheon, of the London Collegiate Institute, delivered an address on the poet Browning. A large audience had the pleasure of hearing Mr. McCutcheon, and a vote of thanks was tendered him for the able manner in which he handled his subject.

The petition for a tuberculosis hospital is being very largely signed. It is being circulated only among the manufacturers and businessmen of the city, and is being largely signed, there being very few indeed who refuse to sign it. It will be presented to the council on Monday night, and will be circulated until Monday among the citizens.

The funeral of Mrs. Margaret Larkin, relict of the late Chief of Police John Larkin, was held this afternoon from the Michigan Central station to St. Peter's Cemetery. Mrs. Larkin died in Toledo, Ohio, on Saturday. The funeral services were conducted by Father O'Neil. The pallbearers were Messrs. James Clancey, Michael Shea, T. Epworth League Meeting.

The regular meeting of Dundas Centre Epworth League on Monday evening was under the direction of the devotional leader, Mr. Copeland. The leaguers were fortunate in securing Rev. The next meeting of the league will be an anniversary, and will be addressed by the Rev. Mr. Dewey, of Empress Avenue, and Rev. Mr. Inkster, of First Presbyterian.

MINE WORKERS MEET

To Determine On Demands at the Expiration of Agreement.

Scranton, Oct. 13.—With the adoption of the report of the committee in credentials, the convention of miners from three anthracite districts of the United Mine Workers of America, which begun here yesterday, will proceed with the work for which it was called—to determine the demands the men will make upon the expiration of their three-year agreement with the mine owners in April next year. Congressman Thomas D. Nicholls, president of district No. 1, who is the temporary chairman of the convention, will be succeeded as permanent chairman by National President Thomas L. Lewis. Former National President John Mitchell is in the city.

DEATH REAPS CROP OF WEAK-HEARTED FANS

New York, Oct. 13.—Deaths from heart disease increased last week, due, the health physicians say, to the acute baseball situation. Last week the deaths were 154, as compared with 129 for the corresponding week in 1907. In Manhattan the deaths were 70, as compared with 58, showing, in the opinion of physicians, that the interest in the game had spread throughout the city, whereas for the week ended Oct. 3, before a final decision regarding the disputed game with Chicago had been made, and when hope of ultimate victory was still high, the deaths were 121, as compared with 123 a year ago.

BETRAYED BY A WOMAN

Police Arrest Man Believed To Have Made Big Gem Steal.

St. Louis, Mo., Oct. 13.—The police of New York, Chicago and Kansas City were notified by the St. Louis police of the arrest here of Forester George on a charge of stealing diamonds and watches worth $35,000 from S. C. Powell, a wholesale jeweler at 170 Broadway, New York, and arrests are expected in these cities. Twenty-five thousand dollars' worth of the jewelry was recovered from George yesterday. Diamonds known to have been carried by Powell when he left Chicago for St. Louis on June 24, have appeared in pawnshops in St. Louis, Kansas City, and Chicago. This leads the detectives to believe that an organized band was connected with the robbery.

George was betrayed into the hands of the police by Mabel McCoy, with whom he quarrelled, after refusing some of her requests for money.

A brief meeting of the members of the East End Hockey League was held in the East End rink last evening, and minor business discussed. Representatives from each of the five teams were present, and the entry fees were paid up.

North Bay, Oct. 12.—The high court opened here today before Judge Britton. The grand jury found true bills against Thomas J. Wright, James Quinn and Michael Morris, charged with the murder of R. Frith Young at Iroquois Falls on May 30. T. W. McCardy, of Renfrew, will defend Quinn and Morris, while G. L. T. Bull, North Bay, defends Wright.

A true bill was also found against Alex. Stevens for criminally assaulting an immigrant girl under 14 years of age on the C. P. R. express, on Sept. 15th.

Several other criminal cases are still under consideration by the grand jury.

A POST MORTEM.

Kingston, Oct. 13.—A post mortem examination was made this morning on the body of the late Capt. J. H. Scott, to determine what was the actual cause of death, in view of his having carried an accident insurance policy. Prof. W. T. Connell, of Queen's Medical College, reported that Capt. Scott met his death by drowning.

Sault Ste. Marie, Oct. 13.—The steamer Midland Prince, up bound and loaded, struck an obstruction at the dyke at Middle Neebish Channel on Monday, puncturing a hole and filling the forward compartment with water. She was delayed all day making temporary repairs.

FINED THE JURORS.

Sandwich, Oct. 13. — The Essex County fall assizes opened before Chancellor Boyd, with a docket consisting of two criminal cases, four nonjury and four jury civil cases. The first thing the court did was to fine two members of the grand jury $10 each for non-appearance. The judge, in his address, referred to the criminal cases on the list, especially the first one, in which Allen Saunders, a negro from Puce, is charged with a statutory offence by Mrs. Mary Greay, of Maidstone, declaring it was a lamentable fact that such cases seemed to be becoming more numerous. They should be stopped, he said, regardless of the color or nationality of the offender, and as though acting on the hint, the grand jury brought in a true bill against Saunders after a very short deliberation.

A GREAT CROWD

Hundreds of shrewd people were in our store last Saturday saying, "We just want to look around." They looked at our tempting low prices (marked in plain figures), and they could not resist the temptation of buying their winter suit, overcoat and supply of socks, shirts, underwear, etc.

It takes very little money to get all this when you come to our Forced Sale at 100 Dundas street, opposite the City Hotel. 83u

FOUND CHARRED REMAINS

An Italian Resident of Niagara Falls Perishes in Conflagration.

Niagara Falls, Oct. 13.—At midnight the old skating rink on Ferry street, which for years has been used by several Italian families as a residence, was discovered to be ablaze. The building was entirely wooden and was soon a mass of flames. Efforts to save it was abandoned and surrounding buildings were protected. This morning the city was horrified to learn that the charred remains of Felix Critelli had been found.

STOCK MARKETS.

(Special wire from Harris, Winthrop & Company to H. C. Becher.)

New York, Oct. 13.—Noon.—Some of the highest banking authorities speak with decided emphasis today regarding the probability of a peaceful outcome of the eastern complications.

Buying today in many sections of the market was excellent, and indicated a desire on the part of many of the professional traders to buy stocks before the election advance was realized. There is nothing in the exchange situation to indicate that there is the slightest danger of gold exports. Sales to noon, 301,700.
