The market was well supplied to-day as usual on a Saturday. Poultry is dear, turkeys bringing as high as 17c per lb, with other fowl in proportion. Choice pound rolls of butter are worth 22c to 25c. Eggs sold at 11c to 12c. The supply of meat was large, and prices tend downward. A goodly number of spring lambs are offered and many families to-morrow will dine on this delicate delicacy with the addendum of mint sauce. Prices ranged by the carcass from $3 to $8. Beef ranges all the way from 5½c a pound to 8c, mutton 10c to 12c, and veal, which is in better supply, from 6c to 9½c. There was a fair supply of vegetables with few changes to note. Altough celery has about disappeared some marketers state that they will have some further offerings this season. Spinach, radishes, lettuce, onions and other spring vegetables are now brought forward in large quantities. Mushrooms are scarce and dearer. Potatoes continue to command good prices, notwithstanding their plentitude, and sell at 65c by the load and 70c single bag. Quotations are: Cabbages 50c to 75c per dozen or $2 per barrel, lettuce 50c dozen, onions 25c to 30c dozen bunches, parsnips 20c peck or 75c bag, radishes 80c to 90c dozen bunches, onions $2.50 to $3 per bag, carrots 50c to 60c bag, turnips 40c to 50c.

BUTTER—MORE LARGE ROLLS ARE NOW arriving and there is less demand for tubs, and this is scarcely saleable if not choice. Eggs in good demand at 10½c to 11c. Consignments of above solicited. We have for sale choice butter in tubs, pails and rolls. Choicest creamery butter, finest cheese, dried and evaporated apples, new pure maple syrup, Canadian and American lard, for which we solicit your orders. J. F. IN ALL WORLDLY MATTERS THERE is a limit. The Winnipeg and Manitoba boom reached a limit—but not until men in every rank of life were financially wrecked and others brought to the verge of ruin. It is a question whether there will be any limit to the blocking out of lots in the distant outskirts of Toronto before it reaches a similar disastrous pitch. It is quite safe to say that out of every 100 lots 75 will be practically dead stock for the next 20 or 30 years.

One Great Fact

NEEDS to be known about this store. We are the largest retail importers in our line of business in this city and we think we are not far behind any of the Wholesale dealers and our trade is growing. This statement is made upon the best data obtainable and believed to be true. We advertise the fact for business, not boastful reasons, but there is a trade argument in the fact that we want to emphasise. What made the business—merely the best goods in the largest variety and the least prices. That's the whole case, no matter what's the rattle and talk, the special pleadings and promiscuous statements served up to you in the daily papers concerning hats. You may come here in confidence that the prices are as low or lower and the variety as good as you can find elsewhere, generally vastly better. Perhaps you have found it out. Possibly not. If not, investigate and settle the question. Think of the immense stock of Men's, Youths' and Children's Hats that we carry in a store as large as this. Enough to put a hat on the head of every man, boy and child in Toronto and have some left. Is this not the store for you to come to, where money is saved, where large dealing is done?

Listen to my story if you are bound stiff, body, hand and foot with Rheumatism and pain. Such was my case, worse every day to the end of five years.

Happily, Bravo! I'll never forget! I got St. Leon Water and from the first day I drank I gained. At the end of three months I sawed up my crutches for window props.

It is now two years since I was cured. Better could not be. Anyone is welcome, call and ask me at my shop, 786 Yonge-street, how St. Leon cured me of Rheumatism.
