The Secretary,

B.157711 Pte Brasseur D.J.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 29 Sep 44 for deserting His Majesty's Service after having been warned that his platoon was going to make an attack (AA Sec 12(1)(a)). He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 29 Sep 46.

2. This soldier enlisted 10 Jan 44 at Toronto, Ont and he is now 19 years of age. In addition to the offence mentioned in para 1 above he has since enlistment been found guilty of 1 offence under AA Sec 15(1). He has had no previous FGCM.

3. This soldier has been medically examined and certified as fit to undergo his sentence.

4. The Neuropsychiatrist who has examined this soldier states that his adjustment to battle stress appeared to be satisfactory at first; that he over compensated for his fear for a time and was pointed out as an example to others as one who was without fear, but that as time went on he became progressively anxious and eventually he was unable to participate in an impending attack; that he now appears remorseful for his behaviour and seems to have profited by his experience; and that he is considered worth a risk for full CIC duties. This soldier has stated in a petition that he is prepared to serve in the Pacific theatre.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases and since it is now not practicable to return this soldier to service in this theatre under the same conditions as existed at the time of the commission of his offence, it is considered that despite the favourable nature of the report outlined in para 4 above, he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid further service in action and possibly with a view to obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 29 Sep 44, together with original A.F.A.3104 in respect thereof on which this direction has been endorsed.

3. This soldier has been medically examined and certified as fit to undergo his sentence.

4. The Neuropsychiatrist who has examined this soldier states that his adjustment to battle stress appeared to be satisfactory at first; that he over compensated for his fear for a time and was pointed out as an example to others as one who was without fear, but that as time went on he became progressively anxious and eventually he was unable to participate in an impending attack; that he now appears remorseful for his behaviour and seems to have profited by his experience; and that he is considered worth a risk for full CIC duties. This soldier has stated in a petition that he is prepared to serve in the Pacific theatre.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases and since it is now not practicable to return this soldier to service in this theatre under the same conditions as existed at the time of the commission of his offence, it is considered that despite the favourable nature of the report outlined in para 4 above, he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1028. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid further service in action and possibly with a view to obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 29 Sep 44, together with original A.F.B.3104 in respect thereof on which this direction has been endorsed.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex "A", initialled and read aloud by the President.(1)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). Questions by the J.A.

You understand that this is a very serous charge and you may be sentenced to penal servitude?
Yes sir.
Have you Mr. Defending Officer discussed this with this man and pointed out to himthe serious ness of the case
Yes I have done that.

Statement by the accused

Well sir, I joined the Regt on the 25th of July at St Andre came in as a first reinforcement. I spent four days in the orchard under heavy mortar fire and after that I went through the attack at Fontenaie where I lost my chum and there were only 11 of us got through the town. In town I was transferred to C Coy and since then I have been the odd man in the section and I have been alone in the trench ever since I joined C Coy. I have been in many attacks and under fire and went through a terrific beating by mortars. I was alone in my trench and my chum in the next trench was killed. They did not bring up any reinforcements for some time. I asked the officer if I could get someone in the trench with me because I was afraid of breaking down and he got a lad in with me who woke me up and said I was screaming that was what started my nerves and the last time under fire I figured I just could not go through with it just lost my nerve all at once.

Mitigation by Defending Officer

Here gentlemen, you have a lad, a lad of 19 yrs, who has been in the army only ten months, two months of which has been spent in action. He has not been sitting around in army camps in Canada or England, learning to take all the knocks of the army game, but has had swift training and come to the front lines less than a year after he left civie street. This man was in the first group of reinforcements to reach his unit and joined them at one of the most difficult times at the orchard at St Andre where they were under entremely heavy fire and had to stay in slit trenches for four days. This is not a very fitting battle innoculation but he took it like a soldier and stayed. From there he next went into the big battle at Frontenay. Here he lost his trench mate on being transferred to another coy. He underwent bombing by our own planes but still he carried on through Falaise and up to Rouen. At Rouen he was stillalone in his slit trench and the slit trench beside his was hit and its occupants killed. The order came through to prepare to withdraw, but with bombs and shells falling all around, your comrades dead in the next trench, and you alone in yours, it is no wonder a person becomes scared and hafl hysterical. A person can stand only so much. It was while here the accused felt his nerves going to pieces. When things quietened down here on of his chums woke him up once and told him he was screaming. If you have been under fire you can surely realize how this boy felt. Some people are claimed to have no fear, but we know that is not so, even the bravest of men are afraid at times. The point is whether you are afraid or not you must try. This soldier tried and tried hard. He strained his nerves to the point of breaking. Then warned for the next battle after the hectic one at Rouen he felt he couldn't stand it so ratherthan wait until he was under fire, where he felt he might crack fromthe strain and intimidate some of his companions, he left before the battle and made his way back to A Ech intending to come up later with the rations. You can see he was not running away, he merely had had all he could stand physically and mentally so he took what he thought was the only course open to him.

With these facts before you I ask you to be as lenient as possible with the accused.

SUMMARY OF EVIDENCE

A

A H Hamilton, Maj

In the case of B-157711 Private DONALD JOSEPH BRASSEUR, THE QUEEN'S OWN CAMERON HIGHLANDERS OF CANADA, a soldier of the Canadian Army Overseas.

The accused is informed of his rights.

The Commanding Officer directs and the accused demands that the evidence be taken on oath.

FIRST WITNESS for the prosecution H-19891 Sjt W.R. Richardson, D Coy, Camerons of C, having been duly sworn states:

"I am H-19891 Sjt W.R. Richardson, D Coy, Camerons of C. On 12 September 1944 I was Platoon Commander 16 Platoon. At approximately 2330 hours 12 September 1944 I had a Platoon O Group and warned them that we would move off at 0400 hours 13 September 1944 for an attack. At approximately 0355 hours I ordered the sections to fall in ready to move off at 0400 hours. Private Brasseur, D.J. was still lying down. I called him personally and told him we were ready to move off. He got up and started to put on his equipment. The platoon moved off carrying blankets to the carrier on the road approximately 400 yards away. The company was then formed up and I checked the company personally and could not find Private Brasseur. At approximately 0430 hours 13 September 1944 we moved off to the attack. Pte Brasseur was still absent."

The accused declines to cross-examine.

W R Richardson
(H-19891 Sjt W.R. Richardson)

SECOND WITNESS for the prosecution H-10070 L/Cpl K.R. Bridgeman, D Coy Camerons of C, having been duly sworn states:

"I am H-10070 L/Cpl Bridgeman, K.R., D Coy, Camerons of C. On 12 September 1944 I was section commander 1 section, 16 Platoon. At approximately 2330 hours 12 September 1944 I was warned by the Platoon Commander at an O Group that we were going to make an attack the following morning and be ready to leave at 0350 hours 13 September 1944. I then warned my section including Private Brasseur. At approximately 0345 hours 13 September 1944 I woke up my section and told them to get ready to move off. At approximately 0400 hours I moved off with my section. At this time Pte Brasseur was standing with his equipment on. When we had gone approximately 150 yards I checked my section and found that Private Brasseur was missing. I called back and told him to hurry up. When we arrived at the carrier on the road he was still missing and I did not see him again until approximately 1000 hours 15 September 1944.

The accused declines to cross-examine.

"I am H-19884 CSM Langston, RG. HQ Coy, Camerons of C. On 13 September 1944 I was CSM of HQ Coy. At approximately 1630 hours I noticed Private Brasseur standing at gate between Brigade A Echelon and Cameron A Echelon. I asked him if he was going out and if so he was to be properly dressed. He assured me he was not and I let the matter rest. At approximately 1830 hours 13 September 1944 Private Brasseur report to me where I was sorting casualty kits. I asked him his name, the company he was from, and what he was doing at A Echelon. He told me that he had come back from the front line and the reason being that his nerves were gone and was unable to stand the strain of front line duties. I told him to report to his CQMS and at the same time warned him that he was leaving himself open to disciplinary action. I contacted the CQMS DCoy and told him the story. The following morning

I had Private Brasseur report to Brigade A Echelon as a runner for the Cameron A Echelon. I contacted the CQMS D Coy, also D Coy clerk and asked them to contact the CSM and find out what was to be done with this man. That night the coy clerk informed me that this man was to go up with the rations to D Coy the following morning. On the morning 15 September 1944 he left to rejoin his company.

Ref telegram AG 0267 d/18 Oct 45 Review.

2. The CM Board of Review has in the case of the m/n soldier made the following recommendation:

"Release on 13 Mar 1946".

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. It is pointed out that the action to be taken by you as a Superior Military Authority is not immediate and therefore this soldier's conduct and other circumstances up to the date of the recommended remission should be taken into consideration by you prior to your acting upon the recommendation of the Board. It is therefore suggested that you should not sign the appropriate entry until the recommended date approaches.

4. If in your opinion recent misconduct exists it is requested that this HQ be advised at once in accordance with paras 3 and 4 of the AG telegram above mentioned.

5. May this HQ be infm of action taken.

6. Enclosed herewith XXXXXXXX/ATM 288 for this soldier.

7. Acknowledgment by telegram requested.

LE PROCUREUR S'ADRESSE A LA COUR:

En vertu de l'Ordre-en-Conseil 8563, je produis les documents suivants:-

a) Extrait dûment certifié des ordres Partie II, Ordre No. 133 en date du 5 juin 1942 du Centre d'Instruction Supérieure d'Infanterie A-13, Valcartier, Que. démontrant une entrée dans le cas de D-605875, Sdt. Baillargeon, J.M.

LE PROCUREUR N'A PLUS DE TEMOINS A APPELER.

LA POURSUITE EST CLOSE.

D

[redacted]

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Je désire comparaître, moi-même, comme témoin. (Voir D-3 et seq.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

Question à l'accusé. Est-ce uniquement un témoin à l'appui de votre réputation?

Réponse: Non, monsieur.

L'ACCUSE, D-605875, Pte. Maurice BAILLARGEON, C.I.C., C.A., attached to No. 4 District Depot, C.A. étant dûment assermenté, est interrogé par l'officier défenseur.

R. Je suis parti premièrement en "furlough".

Q. Quand votre "furlough" finissait-il?

Q. Maintenant, pourquoi n'êtes-vous pas revenu?

R. Parce que ma mère était malade et j'ai resté pour aider à la maison.

Q. Est-ce que vous êtes seul chez vous?

R. Non, monsieur, nous sommes trois garçons...un autre de mes frères est dans l'armée et l'autre travaille sur la terre. On ne pouvait pas avoir assez d'argent pour payer les soins médicaux et tout ça; mon père avait soixante ans et j'ai été obligé de rester pour leur aider.

Q. Est-ce que ça fait longtemps que votre mère est malade?

R. Depuis 1940.

Q. Est-elle encore malade?

R. Oui, monsieur.

Q. Quelle sorte de terre avez-vous?

R. Une petite terre de sable...elle n'est pas bonne.

Q. Est-ce que cette terre rapporte beaucoup?

R. Non, monsieur, pas beaucoup.

Q. Qu'est-ce que vous avez fait durant votre absence?

R. J'ai été dans les chantiers pour aider à payer l'hôpital et les médecins et pour faire vivre la famille.

R. A peu près $125.00 par mois.

Q. Pendant combien de temps?

R. Tout l'hiver...à peu près cinq mois.

Q. L'été, qu'est-ce que vous faisiez?

R. Un était à la "drave" et l'autre était...travaillait chez nous et d'autres habitants.

Q. Vous n'avez jamais eu l'idée de revenir?

R. Oui, monsieur, l'été dernier encore et ma mère est tombée malade à l'hôpital et j'ai resté.

Q. Est-ce la seule fois que vous avez eu l'idée de revenir?

R. Non, plusieurs autres fois.

Q. Qu'est-ce qui vous a empêché les autres fois?

R. J'avais peur de la punition.

Q. Lorsque vous avez été appréhendé, qu'est-ce que vous faisiez?

R. J'étais couché.

Q. Où ça?

R. Chez nous, chez mon père.

INTERROGE CONTRADICTOIREMENT PAR LE PROCUREUR.

Q. Si je comprends bien, Baillargeon, vous êtes parti de votre unité de Valcartier?

R. Oui, monsieur.

Q. Quelle était votre unité à ce moment-là?

R. 6ième Infanterie attachée au Fusiliers Mont-Royal.

Q. Au centre d'entraînement A-13?

R. A-13...oui, monsieur.

Q. Vous rappelez-vous à quelle date vous êtes parti en "furlough"?

R. Oui, monsieur...le 1er mai 1942.

R. Oui, monsieur.

Q. Vous ne vous êtes pas rapporté?

R. Non, monsieur.

Q. Jusqu'à ce que vous soyez appréhendé le 16 juillet 1945, n'est-ce pas?

R. Oui, monsieur.

Q. Vous avez été appréhendé par les autorités militaires?

R. Oui, monsieur.

16

Q. Durant votre absence, êtes-vous demeuré chez vous tout le temps?

R. Non, monsieur.

Q. Où demeuriez-vous?

R. Comme j'ai dit tout-à-l'heure, j'ai été dans les chantiers et j'ai été sur la "drave".

Q. Où était votre domicile actuel...où demeuriez-vous avant d'entrer dans l'armée?

R. Chez nous.

Q. Où ça?

R. A St-Adelphe.

Q. Pendant votre absence sans permission, vous êtes allé à différents endroits...travailler dans le bois, n'est-ce pas?

R. Oui, monsieur.

Q. Pouvez-vous nous dire à peu près quels endroits c'était...quels chantiers c'était?

R. J'ai travaillé à Van Brussels sur la ligne du Lac St-Jean l'hiver dernier pour une compagnie de bois de papier.

Q. Avez-vous travaillé à d'autres endroits?

R. J'ai travaillé sur la petite Shawinigan.

Q. Avez-vous travaillé tout le temps de votre absence?

R. J'étais habillé en civil.

Q. Durant toute votre absence?

R. Oui, monsieur.

15

Q. Quand vous travailliez l'hiver, combien gagniez-vous environ par mois?

R. A peu près $125.00 par mois.

Q. Vous étiez obligé de payer votre pension?

R. Non, monsieur, c'était clair.

Q. $125.00 par mois clair?

R. Oui, monsieur.

Q. Pour quelle raison vous mettiez-vous en civil pour travailler?

R. Parce qu'un soldat, ce n'est pas supposé aller travailler.

Q. Pour quelle raison vous mettiez-vous en civil?

R. C'était pour aller travailler.

Q. Vous nous avez dit tout-à-l'heure que vous vous mettiez en civil même quand vous ne travailliez pas...quand vous étiez à la maison?

R. Si je voulais aller me promener, je me mettais en civil.

Q. Pourquoi vous mettiez-vous en civil...pour aller vous promener?

R. Parce que comme déserteur, je n'avais pas le droit de mettre l'habit militaire.

Q. Pourquoi n'aviez-vous pas le droit de mettre votre uniforme?

R. (pas de réponse).

Q. Répondez?

R. Je n'en ai pas de réponse.

Q. Qu'est-ce que vous voulez dire par là?

R. Je ne le sais pas.

Q. Vous jurez que vous ne savez pas pourquoi vous vous mettiez en civil quand vous sortiez?

R. Pour ne pas me faire attrapper...me faire prendre.

Q. Pour quelle raison vous ne vouliez pas vous faire prendre?

R. Parce que j'avais dans l'idée de venir me rapporter je ne voulais pas que ce soit eux autres qui me prennent.

Q. Pour quelle raison n'êtes-vous pas venu vous rapporter durant au délà de trois années que vous avez été absent?

R. Je l'ai dit tout-à-l'heure, c'était pour aider ma mère, mon père et la famille...je faisais mon effort de guerre la même chose en travaillant dans le bois, la main d'oeuvre était rare.

Q. Si vous n'aviez pas été appréhendé, vous seriez encore absent?

R. Non, monsieur...il suffit que la guerre d'Europe est finie je serais venu me rapporter.

Q. La guerre d'Europe est finie depuis le mois de mai 1945 et vous avez appréhendé en juillet 1945, pouvez-vous nous expliquer le délai avant de penser à vous rendre?

R. Ma mère était malade depuis deux mois, très malade et elle aimait mieux que je reste près d'elle.

Q. Qu'est-ce que vous avez fait du mois de mai au mois de juillet 1945?

R. Pas grand'chose, je travaillais dans le jardin... j'ai semé des patates.

Q. Combien avez-vous gagné durant ce temps-là?

R. Je n'ai rien gagné.

Q. De quelle manière aidiez-vous à votre mère au point de vue financier?

R. C'est parce que j'étais là...j'avais de l'argent à la banque, je lui passais de l'argent et quand elle avait besoin de quelque chose, comme le docteur, je payais.

Q. Vous ne gagniez rien à ce moment-là?

R. Non, monsieur.

Q. Est-ce que vous couchiez chez vous tous les soirs quand vous étiez chez vous?

R. Oui, monsieur.

Q. Vous jurez ça?

R. Oui, monsieur.

Q. Quand aviez-vous l'intention de vous rendre?

R. Quand je suis parti j'avais l'intention de me rendre tout de suite après mon "furlough".

Q. Et après la fin de votre "furlough" avez-vous pensé encore de vous rendre?

R. J'ai pas mal tout dit ce que j'ai fait depuis trois ans.

Q. A partir de la fin de votre "furlough" jusqu'au moment de votre appréhension, avez-vous pensé à vous rendre?

R. J'y ai pensé souvent.

Q. Pourquoi ne l'avez-vous pas fait?

R. Parce que je craignais la punition.

Q. Le 16 juillet 1945, vous craigniez encore la punition?

R. Oui, monsieur, parce que j'ai été pris.

L'OFFICIER DEFENSEUR NE DESIRE PAS INTERROGER LE TEMOIN DE NOUVEAU.

INTERROGE PAR LA COUR.

R. A peu près 8½ à 9 mois.

Q. Vous avez été appelé en 1941?

R. Le 28 août 1941.

Q. Aviez-vous fait votre entraînement "basic training"?

R. Oui, monsieur "basic training" et "advanced training".

Q. Où avez-vous fait votre "basic training"?

R. A Joliette, monsieur.

Q. Et votre "advanced training"?

R. A Farnham, monsieur.

LE TEMOIN REPREND SON SIEGE.

o-o-o-o-o-o-o-o

LE PROCUREUR PRONONCE UN REQUISITOIRE:

Monsieur le président,

Je soumets respectueusement à la cour que dans une accusation de désertion comme celle qui est portée devant la cour dans le moment, il est du devoir de la poursuite d'établir:

a) l'absence
b) l'intention de la part de l'accusé de ne pas retourner à son service

La poursuite a établi que l'accusé s'est absenté de son unité A-13, C.I.T.C. à 2200 heures le 14 mai 1942

jusqu'à 0545 heures le 16 juillet 1945, alors qu'il a été appréhendé.

Je soumets aussi que s'il est impossible de faire une preuve définitive de l'intention, la cour doit se baser sur les différentes circonstances qui entourent l'acte reproché à l'accusé, et qui peuvent montrer son intention.

Nous avons d'abord la longueur de l'absence... au délà de trois ans - nous avons ensuite le fait que l'accusé a demeuré chez lui une partie du temps, mais aussi hors de chez lui et dans des endroits où il était fort peu probable d'être appréhendé.

Nous avons aussi l'admission de l'accusé que durant toute la longueur de cette absence, il a souvent sinon toujours été en civil, et je soumets de plus à la cour que l'accusé, par ses propres paroles, a montré qu'il n'avait pas l'intention de retourner à son service et que l'ensemble des circonstances que je viens de souligner démontrent clairement que la seconde partie de la preuve que la poursuite devait faire, tel que je l'ai mentionné au début, a été faite.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

PAR L'OFFICIER DEFENSEUR.

"Je demanderais à la cour de prendre en considération

"les 29 jours que l'accusé a déjà passé en détention

"préventive.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Je me suis absenté de l'armée par rapport que j'ai eu un découragement de famille et quand je me suis aperçu que ma femme faisait la vie, j'ai préféré rester avec elle.

Elle m'a donné pour raison qu'elle manquait d'argent, et en manquant d'argent je lui ai demandé quelles obligations elle avait, et elle m'a dit qu'elle était obligée d'en donner à sa mère par rapport qu'ils sont une famille de huit enfants et le père n'est pas en très bonne santé.

Quand j'ai vu ça, j'ai resté et j'ai travaillé pour donner plus d'argent à la maison, et ça allait mieux. A part de ça elle était malade et j'ai eu une maladie vénérienne pendant que j'étais en passe. J'ai eu ça vers le 20 août 1944. Je me suis fait soigner, mais seulement ça a repris encore et actuellement je ne suis pas encore guéri.

Je suis marié depuis trois ans. J'ai un enfant de dix-sept mois, ma femme a 19 ans et moi j'en ai 23. Je demanderais s.v.p. qu'on me fasse passer un "reboard".

11

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (par l'entremise de mon officier défenseur - Voir E-3)

10

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE

Vu les circonstances de famille tout-à-fait particulières de l'accusé, son record dans l'armée à date qui est tout-à-fait sans détention, son M.F.M. 6 qui est tout-à-fait blanc et de plus les besoins d'aide financier à la famille de sa femme, aussi sa maladie dont il semble souffrir lui et sa femme.

Pour ces raisons, je demanderais à la cour d'être aussi clémente que possible.

CIC, C.A. att No. 4 District Depot, C.A.

Receipt is acknowledged of the proceedings of the m/n Standing Court-Martial which were forwarded by the President named therein.

2. It is noted that the accused was apprehended on the 19 Jul 45. The proceedings were signed on the 13 Aug 45 while it is recorded on top of page "A" that the Court was assembled on the 13 May 45. It is obvious that this is a typographical error which should be corrected and signed by the President.

3. It is again emphasized that errors of this nature should NOT be made by the officers dealing with Courts-Martial and, whenever made, should be corrected before the proceedings are sent to N.D.H.Q. for review. The reviewing officers have been advised to return the proceedings before completing their review when they discover such trivial errors.

4. May this be brought to the attention of the officers concerned.

5. It is also noted that the accused spent 25 days in custody awaiting trial. May an explanation of this delay be furnished, please.

6. The proceedings are otherwise legally regular, the finding is properly made and the sentence is according to law. Pursuant to C.A.R.O. 4565 paragraph 12, the said proceedings are herewith forwarded to you. After they have served your purpose, will you please return the proceedings to this office for custody.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. No Sir (5)

(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex D, initialled and read aloud by the President.(1)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Statement of Defending Officer

G.

This soldier of the Canadian Army is 30 years old. He is A WIDOWER WITH TWO CHILDREN ~~not married~~. He ~~xxxx~~ led an ordinary life of a Canadian and druing his schooling specialized in mechanics etc. After leaving school he worked at the Ford Motor Car Co. Windsor , Ontario.
On the 15th Sept 39 he answered the call of the free people of the world and enlisted with the Engineers.and put to work in a branch of the service where he would be most useful.
On Medical grounds (Flat feet and varicose veins) he was discharged on the 8th Feb 40.
He re-enlisted on 21st Nov 41 with the R.C.A.S.C. and between that time and Feb 1st he contracted V.D.S. He was paraded to the M.O. twice but due to incompetent analysis received no treatment whatsoever. This disease continued to bother him and yet he was sent overseas despite three medical boards who again due to incompetency allowed him to slip through. He arrived in England on the 26th March 42 and was admitted to Bramshott Hospital on the following day. Treatment for V.D.S. commenced immediately. He was released from Hospital 29th April 42 ~~xxx~~ but continued treatment and was returned to hospital 3 times during the following months. When he returned to the Holding Unit he was placed with an entirely different unit which spoke only French.
During a subsequent term of F.P. being unable to stand the pace set for this kind of training, he went A.W.L.
He was apprehended on 1st Nov 43 and sent to the Hospital for V.D.S. treatment immediately. He remained there until 8th Jan 43.
Due to private troubles and because the girl that he had been living with was about to give birth to a stillborn baby, he broke arrest but upon righting the situation as much as possible surrendered to to Police on 10th Feb 44.
On the 12th he was again sent to hospital for V.D.S. treatment and remainded there until 16th March 44.
This man is guilty ~~of~~ charged of A.W.L. but is he to blame? If incompetent medical officers (and they have been proved incompetent as this book will prove) ~~xxxx~~ send people suffering from the most soul distroying disease of all overseas, then I suggest that the blame lies within the army and not within the mind and soul of this soldier. Name: William Farrise, P. C. 545 "L". Age: 42.

Address: Clapham Police Station.

Occupation: Police Constable.

At about 4 p.m. on 1st. November, 1943, in company with P. C. 463 "L" Fitch I went to No. 93, Bedford Road, Clapham, S. W. 4., a dwelling house let off as furnished rooms. I made enquiries respecting an alleged Canadian Army Deserter and was shown the room occupied by Private A. 20306 Beaumont C.. I knocked on the door and, receiving no answer, tried the handle and found the door to be locked on the inside. After shouting for the person inside to open the door, Beaumont came from between the folding doors which divide the room and ran towards the window of the back room. I caught him and said, " I am a Police Officer and I have reason to believe that you are a deserter. " He replied, " Have you got a Warrant?. I am not leaving this house unless you have. " With the assistance of P. C. Fitch, I arrested Beaumont and conveyed him to Clapham Police Station where he admitted that he was a deserter. He was detained.

I then verified the fact that he was not present. I have not seen him nor has it been reported to me that he has returned since. Had he returned to the Field Punishment Camp I would have known it."

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. PLEA IN MITIGATION

A20308 Pte Beaumont C 1 Cdn ASC Rft Unit

FAMILY - Born 20 Sep 1911 in England, family emigrated to Canada, Cape Breton, N.S. 1920, lived here for four(4) years, family then moved to Windsor Ont.

Parents both living, oldest of nine (9) children

Beaumont states that he was born two months after his parents marriage, discovered this when he was twelve (12) years old, and has since never got along with his parents.

Left home at 17 years of age and worked in the USA as a stable boy and rider, and various other jobs.

Returned to Canada in 1935 and worked at Ford Motor Works.

Enlisted 7 Sep 39 with RCE, discharged in Feb 1940 for flat feet and varicose veins.

Re-enlisted in Nov 41 with RCASC and posted to Radio Location Unit with training to be done in England.

Arrived overseas 26 Mar 42 and was immediately hospitalized for VD - 42 days. He was then taken off the Radio Location Unit and posted to 1 Cdn ASC Rft Unit, posted then to 85 Bridge Coy, and states it was a predominately French speaking Unit, and that he was conthually on fatigues. He was not happy in this Unit, and lost all interest in the Army, and clims that the routine and discipline was too much for him.

During his first service he was married. In the interval between 1st service and re-enlistment he divorced his wife, and was given custody of his daughter now five (5) years of age. His mother is looking after the child. He states that he was left a legacy recently and has no money worries.

SUMMARY - There is no doubt in my mind that he is a Psychopathic personality. His chequered career is evidence of this, never settled on one job, always moving, and believes that all society is against him, his mother, his divorced wife, officers and NCOs and the medical profession, etc.

He has been six (6) times in hospital since arrival in the UK and I firmly believe that the mental strain of this recurrence of VD has upset the mental stability of this man.

I would render a strong plea of mitigation and recommend a medical reboard, and a physchiatrists report on this man

A-20308 Pte Beaumont, C.

1. The m/n soldier is now serving a sentence of 23 months and 16 days imprisonment and discharge with ignominy awarded by FGCM 1 Mar 45 for an absence without leave from which he surrendered to the civil police after 321 days (AA Sec 15(1)). On 21 Mar 44 he was awarded a sentence of 18 months detention for an absence without leave while undergoing F.P. from which he was apprehended by the civil police after 215 days (AA Sec 15(1)) and an absence without leave while in close arrest from which he surrendered to the civil police after 24 days (AA Sec 15(1)). In order to simplify the return of this soldier to Canada and since no useful purpose would be served by keeping the sentence of 21 Mar 44 in execution concurrently with the sentence of 1 Mar 45 it has been directed that the remainder of the sentence of 21 Mar 44 be remitted. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment should terminate if he continues to do so, is 22 Jun 46.

2. This soldier enlisted 10 Sep 39 at Windsor, Ont., and he was discharged on medical grounds 10 Feb 40. He re-enlisted 21 Nov 41 at Toronto, Ont., and he is now 33 years of age. In addition to the offences mentioned in para 1 above he has since enlistment been found guilty of 7 offences under AA Sec 15(1) and of 2 offences under AA Sec 40. He has had no previous FGCM.

3. This soldier was medically reboarded on 10 Apr 45 and placed in Pulhems Grade S5 on a diagnosis of "psychopathic personality, anti-social". He has been certified as fit to undergo detention.

4. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of probably better than average intelligence who is aggressive, opinionated, expansive, circumstantial in his statements and quite unreliable; that he blames all the trouble he has got into in the army and in civilian life either on others or on circumstances; and that he is not likely to give effective service in any capacity.

5. In view of the total length of this soldier's illegal absences (562 days) as well as his previous poor record and the report outlined in para 4 above, it is considered that he is useless and incorrigible and that he should be required to serve his sentence of imprisonment in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered probable that this soldier has misconducted himself deliberately with a view to obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 1 Mar 45, together with original A.F. A3104 in respect thereof on which this direction has been endorsed.

PLEA IN MITIGATION

A-20308 Pte Beaumont, C. 1 Cdn A.S.C. Rft Unit

FAMILY- Born 20 Sep 1911 in England, family emigrated to Canada, Cape Breton, N.S. 1920, lived here for four(4) years, family then moved to Windsor Ont.

Parents both living, oldest of nine (9) children.

Beaumont states that he was born two months after his parents marreige, discovered this when he was twelve (12) years old, and has since never gort along with his parents.

Left home at 17 years of age and worked in the USA as a stable boy and rider, and various other jobs.

Returned to Canada in 1935 and worked at Ford Motor Works.

Enlisted 7 Sep 39 with RCE, Discharged in Feb 1940 for flat feet and varicose veins.

Re-inlisted in Nov 41 with RCASC and posted to Radio Location Unit with training to be done in England.

Arrived Overseas 26 Mar 42 and was immediately hospitalized for V.D. - 42 days. He was then taken off the Radio Location Unit and posted to 1 Cdn A.S.C. Rft Unit, posted then to 85 Bridge Coy, states that it was a predominately French speaking Unit, and that he was continually on fatigues. He was not happy in this Unit, and lost all interest in the Army, and claims that the routine and discipline was too much for him.

During his first service he was married. In the interval between 1st service and re-enlistment he divorced his wife, and was given custody of his daughter, now five (5) years of age. His Mother is looking after the child. He states that he was left a legacy recently and has no money worries.

SUMMARY- There is no doubt in my mind that he is a Psychopathic personality. His chequered carber is evidence of this, never settled in one job, always moving, and believes that all society is against him, his Mother, his divorced wife, Officers and NCOs and the Medical profession, etc.

He has been six (6) times in hospital since arrival in the U.K., and I firmly beleive that the mental strain of this recurrence of V.D. has upset the mental stability of this man.

I would render a strong plea of mitigation and recommend a medical reboard, and a physiatrist report on this man.

C-118604 Pte Bourbonnais, L.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 24 Feb 45 for deserting his Majesty's Service after having been briefed for an attack (AA Sec 12(1)(a). The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 23 Feb 47.

2. This soldier was T.O.S. at Courtenay, B.C. on 11 Jan 43 and was attested on 21 Apr 44. His MFM 6 shows 1 offence under AA Sec 15(1) in addition to the offence mentioned in para 1 above. He has had no previous FGCM.

3. This soldier has been medically examined and certified as fit to undergo his sentence.

4. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, it is considered that he should be required to serve his present sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid battle and probably with a view to obtaining his discharge.

5. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 24 Feb 45 together with original A.F. A3104 in respect thereof on which this direction has been endorsed.

F.52306 Pte Boutilier, G.A.

1. The m/n soldier is now serving a sentence of 2 years detention awarded by FGCM 19 Dec 44 for the following offences; disobeying a lawful command given by his superior officer, namely, to join his platoon which was in action (AA Sec 9(2)), an absence without leave from which he surrendered after 5 days (AA Sec 15(1)), and an absence without leave from which he surrendered after 2 days (AA Sec 15(1)). He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so is 18 Apr 46.

2. This soldier enlisted 8 Apr 43 at Halifax, Nova Scotia, and he is now 22 years of age. In addition to the offences mentioned in para.1 above he has, since enlistment, been found guilty of 1 offence under each of AA Secs 15(1) and 9(2). He has had 1 previous FGCM, on 8 Sep 44, when he was awarded a sentence of 90 days forfeiture of pay for disobeying a lawful command given by his superior officer. (AA Sec 9(2)).

3. This soldier has been medically examined and certified as fit to undergo his sentence.

4. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is a rather immature and timid individual of average intelligence who appears to have suffered from feelings of insecurity since early childhood; that he states that although he does not object to any form of service other than CIC he cannot stand the continual strain of operational duty in CIC; and that he would quickly break down again if returned to operational duty with CIC. They recommend that he be medically reboarded and placed in Pulhems Grade S3 on a diagnosis of "psychopathic personality, inadequate".

5. In view of the main offence of which this soldier has been convicted, namely, disobeying a lawful command given by his superior officer, the fact that by his offence he evaded service in action as well as his previous record which includes one FGCM for a similar offence, it is considered that he should be required to serve his present sentence in full and be discharged for misconduct under the provisions of para.8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier must have realized that his offences would render him liable to very severe punishment and that such punishment might include his discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 19 Dec 44 together with original AF A3104 in respect thereof on which this direction has been endorsed.

FGCM - 18.19 Dec 44(16/105)
F.52306 Pte Boutillier, G.A.
Nth NS Highrs

1. The accused pleaded not guilty to the three charges preferred against him under AA 9(2), 15(1) and 15(1) respectively. He was found guilty on all charges but in both the second and third charges special findings were made substantially decreasing the times absent.

2. Another court had assembled previously on 27 Nov 44 to try the accused and after some evidence has been taken thereon an adjournment was made. The Judge Advocate therein having left this theatre such court could not re-assemble and the court was dissolved pursuant to RP 102. The present court was of different constitution than the previous court.

3. The evidence as to the second and third charges was so confused that if the accused had stayed out of the witness box convictions thereon could not be supported. However the accused in his testimony supplied the times of his two absences and the court made special findings to confirm with his evidence.

4. Passed.

D2. Opening address by Prosecutor

With ref to 1st charge, witnesses have been killed who were there at the time Sd wound and Sd sjt. However witnesses now here are sufficient to prove my case. The others would have provided corroboration. I will show he did not carry out this order given at 1000 hrs by 1130 hrs on the 18th Sept 1944.

D3. First Witness for Prosecution.

F59800 CSM Bishop N.F. on being sworn states I am CSM Bishop N.F. CSM 'B' Coy No 1 S Regiment.

At approx 1130 hrs on 18 Sept 44 I detailed Sd Bourtillier to act as an escort for prisoners. I did not see him from that time on. He was standing beside the Coy carrier when I needed an escort and I detailed him.

Questioned by defense

I told him to report to our cook truck, which was left in an area to be called for by the Coy.

Questioned by the Court

I was not surprised to see him there. Boys had been coming in for arrest. Escorts could take as long as two days. If they got stuck with PW to be taken ~~to Bde~~ back from I think it a fair statement that he should have been back at the cook

truck within four hours in this case. I took Sgt Dent back myself in a jeep but did not see him – but I did not go to the cook house. The Sgts were forward of the cooks – the cooks where I was and were committed at the time.

Rule 83 (b) complied with:

2nd Witness for Prosec.

Capt H A Taylor on being sworn states I am Capt H A Taylor Q.M. 1st N Stafs

At approx 1600 hrs 20 oct 44 St Boutillier arrived at "B" ech from 46 Fwd Coy under open arrest. He was mustered at that time but it was reported to me after 1800 hrs 20 oct that he was not present at roll call

Questioned by Defence

I did not see St Boutillier that day I was not present at roll call. On that day 18 or 19 offs came up in two bunches. He was on 3 or 4 nominal rolls – he never showed up. The men were not employed at the time.

Questioned by the Court

My only knowledge of his absence came through Sgt Green. I told Green to make a search of our "B" ech and I also looked myself. Sgt Green was OC Draft when we picked them up at 46 Coy. He reported that he had 3 men under open arrest with him & St Boutillier was one of them.

Rule 83 (B) complied with

3rd Witness for Prosec

B 47145 Sgt Green S.A. (was sworn)

(Not on summary of Evid) The defending Offr made no objection to his being called.

I received the draft at "B" Echn. I gave Pte Bouthillier permission to go to a show and told him he would be going to "A" Echn by Auxiliary Services truck (~~[illegible]~~) Ont at approx 2030 hrs I went to get the draft but Bouthillier was absent - I reported it to Capt Taylor. I received the draft at approx 1800 hrs and mustered them by the nominal roll from 46 Coy. On this particular draft there were only 3 men, all under open arrest. I cant remember for sure whether there was another draft that same day. When ~~they~~ I noticed him missing I checked all of "B" Echn but he was not there. I

No questions by defence

Cross-examined by Lieut Bouthillier was a member of the 3 man draft I recognize him now. The draft for A Echn was only 3 men and ~~they~~ two out of the 3 were not where I told them to be after the show

Rule 83 (13) complied with

4th Witness for Prosec

Major M.G. Clennett (was sworn)

I am O.C. D Coy. On 18 Sept 44 while near Mt Lambert we had orders to ~~get~~ clear with "C" Coy the area of Mt Lambert which we had attached the day previous. Pte Bouthillier was in 18 Pl. I went to a cellar where a number

of 18 Pl and a Coy HQ were fighting. There had been mortar fire previously. I ordered the men back to their Pl as we were about to move off. Sgt MURROW who has since been wounded, was acting Pl Comd, 18 Pl, and I asked him to get his men out. About this time the accused came to me and said that he could not go with his Pl. I told him the rest of the men had to go and there was no reason for him not to. I then ordered him to go. I knew him well since I had come to the Coy and I could see no reason why he should stay behind. It was about 10 00 hrs. I gave orders to the 21C Coy to bring the Coy to Coy area. The Coy arrived there at about 45 minutes. I don't know whether Sh Bouthillier was there or not. Sgt Kinney was there. The CSM and the carrier were 200 yds back of the Cellar.

Cross-examined by Defence.

Sh Bouthillier could have been with his Pl between 1000 hrs and 1130 hrs but I don't know.

Questioned by the Court

The others of 18 Pl left the ~~[illegible]~~ Cellar when ordered by myself but Bouthillier did not. I remained about a minute or two but he didn't go. He made no effort to get ready. I looked for him at approx 1300 hrs. He was not with his Pl.

The Prosecutor produced certificate under Sec 163 (1) (ii) A.A. Ex A.

Opening address by Defending Offr.

I want to bring out he was in Accd's unit S/L area during morning sometime after 1000 hrs. and claims he was not with unit. Also he made effort to find lost Truck.

D.5. The accused is Sworn and States:

On 18 Sep 1944 at about 1000 hrs I told Maj Clennetts I couldn't go on because we were under heavy mortar fire and my nerves were gone. I arrived in France D+5. I was in S/L area after 1000 hrs At 1300 hrs I was back at SW cage with SW. I looked for cook truck approx 1430 hrs but it had gone. I then looked for Battly which I found at about 1500 hrs. They told me to catch an Amen truck back up to Coy and while waiting Battly moved. I waited but none came by so I stayed in the Town where Battly was for the night. I left 19th Sept 0800 hrs for "A" Echn. I couldn't face it. I didn't thinking of going AWL. On Sept 24th I was surrendered to the Provost. He was a Bn Cpl RC searchlights and he said he would hold me in his custody until proceed

authorities picked me up. I was taken to AMIENS guard house ~~for~~ and was kept there 17 or 18 days. From there I was taken to GHENT (CBRG) after a few days I was taken to 46 Coy and then to "B" Echn

I went AWL at 1800 hrs 20 Oct 1918 and surrendered myself 2 or 3 days later at AMIENS at the same place I had been before. From there to LILLE then to CBRG all under close arrest. We were taken to 46 Coy ~~and then to Butly~~ where I went AWL again and ~~was~~ surrendered at ARRAS at 1130 hrs 31 Oct 18. I don't know what date I went AWL from 46 Coy.

Cross-examined by Prosecutor

I had been to B Echn 3 days previous and thought I could find it. I was examined by the MO on the 7 Sept 18 to find out whether I was fit to undergo a Court Martial. I was. We were holding posns. I had been in the attack 1½ days before the 18th. The 2IC came in within a minute of the major going out and saw what I was like and said he'd send me back to Butly. I waited to be evacuated out. No one came so I went back to the CSM.

Questioned by the Court

I ~~continued~~ any search for five days from the 19th Sep. I didn't see any Canadians.

The court on hearing the accused's statement asked that the 2IC of D Coy Nth NS Highrs be called (Capt M.T. Heffernan)

Capt N.T. Heffernan on being sworn states

18 Dec 44 I was 2IC D Coy Nth NS Highrs. I went to the cellar to see which personnel were in the cellar, as I had received orders to move the Coy. There was a soldier there, crying, who stated that he could not go with the Coy. I asked him what the trouble was.

Questioned by defence

He was not in his pl area — he was about 150 yds away.

Questioned by the Court

I don't remember the result of the conversation. The usual course is to talk to the man and always, no matter how bad he is, have him report to his Pl. I would have remembered if I had told him to report anywhere other than to his Pl. There was a great lapse of time between my receiving orders from Maj Clennett and my going to the ~~[illegible]~~ cellar — 15 to 20 minutes. The buildings where the cellar was, was the R.V for the Pls. They were coming back to the RV when I was speaking to the accused. I don't know whether he joined his Pl. The major may have gone by the cellar after he spoke to me.

R 83B complied with.

The Defending Officer Declines to cross-examine.

The witness resumes his seat.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement

Question to the accused. Do you intend to call any witness in your defence?

Answer. no sir

Question to the accused. Is the witness to be called a witness as to character only?

Answer. no sir

THE ACCUSED MAKES AN UNSWORN STATEMENT

Sir, I am M.610614, Pte. George John Bezubiak of the Oxford Rifles, 1st Battalion. Well, I was absent without leave for just the reason that because I was with an Eastern Unit and I was one of the Western Boys which the Eastern Boys didn't agree. The Eastern Boys were in the higher ranks. Either in camp or in town they called me names of all kinds because I was a Westerner. I asked for a transfer and they wouldn't transfer me out of that unit. Also when it came to any leaves or granting of furloughs we would always get them when there wasn't the most work around home. When we asked for Harvest or Spring Leave we couldn't get them or any kind of leave to help around home. Also my dad is in poor health and I wanted to help him out during the busy days and then I was going to report back to my unit, but as it was, the Provost and the civilian police - they got me in army clothes. I was escorted from there by the Provost and the civilian cops too, which the civilian was the only driver. That is all I have to say, sir. I intended to report back to the army as soon as the busy days were over.

The Defending Officer makes a Closing Address.

The Prosecutor makes a Closing Address.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No sir

Question to the accused. Do you wish to address the Court?

Answer. Yes sir through my Defending Officer

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

14

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER

Sir, in passing sentence, I would like you to take into consideration the lack of education that this man has had. He has got a Grade Eight in a country school and I feel that he didn't have every opportunity that he might have had, and another thing, he was sent down to an Eastern unit where other soldiers who were from the East seemed to take great delight in calling them "Plough Jockies", from the West, and this seemed to prey on this fellow's mind to a certain extent and on top of this he felt he was not getting a fair deal from his unit. He felt that the leave situation and passes and so on - that the people from the East were getting preference over the Western boys and the Western boys got no leave whatever or whenever they saw fit to give it to them, particularly around the wrong time of the year and this fellow felt he was not given a fair deal. I believe that his father isn't in very good health and this boy went home to assist on the farm. He is young and I feel that he didn't realize the seriousness of the offence and he went away.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor declines to make an opening address.

~~The Prosecutor proceeds to call witnesses.~~

First Witness for prosecution.

~~being duly sworn, is examined by the Prosecutor.~~

Question

THE PROSECUTOR ADDRESSING THE COURT: Sir, I produce M.F.B. 375 and M.F.M. 216.

The Defending Officer has no objection to either of the documents.

The documents are read and marked Exhibits "I" and "J" respectively, signed by the President and attached to the proceedings.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I just want to make an unsworn statement, sir.
(See document marked "K" attached.)

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

The Defending Officer declines to make a closing address.

The Prosecutor declines to make a closing address.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. No, sir.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT BY THE ACCUSED

On my arrival on the furlough home, I found things in quite difficult position. My wife had been sick for the last two years, I would say, with two children, fourteen head of cattle, seven horses, about eighty chickens to look after; which was impossible for her to do it. I tried many times before to get a compassionate leave but for some reason I was never informed what was done about it.

And the land--the person that was renting the land got sick with sugar diabetes and was unable to work; so he left the land out so I had to put the crop in this spring.

And with me going on the A.W.L., but I had the intentions to come back; and I did, sir.

THE COURT ADDRESSING THE ACCUSED: Is that all?

B-75591 Pte H.G. BONES

The purpose of this memorandum is to request that an Order be issued restoring to the lawful owners, property forming the exhibits of a Standing Court-Martial.

2. This soldier was convicted by Standing Court-Martial on 13 Sep 45 under Army Act Section 18(4) - stealing public property.

3. At his trial numerous articles of clothing and miscellaneous articles found in the possession of the accused were filed as exhibits and with the exception of - 1 pair of coveralls, 4 pairs of socks, 7 shirts and 12 towels, were found to be public property stolen from the Special Distributing Depot, RCOC, Aurora, Ontario. All of the articles are presently held in the custody of the AJAG, Military District No 2 and authority is required to restore them to their lawful owners.

4. The Judge Advocate-General has certified that the proceedings are regular, the Finding properly made and the Sentence according to law. He has further stated that there is no legal objection to issuing an Order that the public property found in the possession of this soldier be restored to the Special Distributing Depot, RCOC, and that the articles found to be the property of this soldier filed as exhibits be released to him.

5. Under Army Act Section 75, where a person has been convicted of having stolen property and the property or part thereof is found in the possession of the offender, the authority confirming the Finding and Sentence of such Court-Martial, or the Minister of National Defence exercising the powers of the Army Council pursuant to GO 93 of 1925, may order that the property so found be restored to the persons appearing to be the lawful owners thereof.

6. Under PC 3375/44 establishing Standing Courts-Martial, no confirmation of such a Court is necessary and there is no confirming authority who can issue an Order under Army Act Section 75. It is therefore considered desirable that the Minister of National Defence issue such an Order.

7. It is recommended that the attached Order be signed, if you approve.

OTTAWA, 18 Feb 46

B.75591 Pte. Horace Granville BONES,
(HWE) Spec. Distributing Depot, RCOC.

On 13 Sep 45 the m/n was convicted by Standing Court-Martial of an offence of stealing public property under Section 18(4) of the Army Act and sentenced to 140 days detention.

2. I have reviewed the proceedings of this Court and certify that the proceedings are regular, the finding properly made and the sentence according to law.

3. On his trial numerous articles of clothing and miscellaneous articles found in the possession of the accused were filed as exhibits and, with the exception of 1 pr. coveralls, 4 prs. socks, 7 shirts and 12 towels proved to be the property of the accused purchased on repayment, were found to be public property stolen from Special Distributing Depot, R.C.O.C., Aurora, Ontario. These exhibits form part of the Standing Court-Martial proceedings and are presently held, for convenience, in the custody of the A.J.A.G., M.D.#2, and authority is required to restore them to their apparent lawful owners.

4. Under Section 75 of the Army Act where a person has been convicted of having stolen property and the property or part thereof is found in possession of the offender, the authority confirming the finding and sentence of such Court-Martial or the Minister of National Defence, exercising the powers of the Army Council pursuant to G.O. 93/125 (para. 2 of Appendix XI at page 325 K.R.(Can)) may order the property so found to be restored to the person appearing to be the lawful owner thereof.

5. Under P.C. 3375/44 establishing Standing Courts-Martial, no confirmation of such a Court is necessary and there is no confirming authority who can make an order under A.A.75. It is therefore necessary to have the Minister of National Defence make such an order.

6. There is now no legal objection to making an order that the public property found in possession of the m/n be restored to the Special Distributing Depot, R.C.O.C., and that the property of the m/n filed as exhibits be released to him, and such an order is requested and recommended.

Q But he was under you, was he ?

A Yes, sir.

Q What did he have to do? What was his job? What was he doing ?

A His duties were to check personnel on entering the buildings or grounds, to check all fire equipments and generally supervise the goods contained at the Depot in Aurora, to see to the best of his ability, that no goods were lifted or taken from the Depot without proper authorization.

Q In other words, you are telling us that his job was to keep other people from stealing any of the goods there, is that what you mean ?

A Yes, sir.

Q Is that right?

A Yes, sir.

Q Now, what is the procedure with regards to visitors entering the Returned Stores Section ?

A A visitor on entering the Depot at Aurora, is issued with a visitor's badge and a register is kept where the name, regimental number, and their address, - civilian people also give their name and address.

Q What happened when these people left ?

A The badge is turned in and if they are taking anything out they must have a pass signed, in order to clear the barrack.

Q Any signatures necessary ?

A Yes, sir.

Q Tell us about that ?

A Major Campbell, Captain Badley, Miss Barber, Sub-Conductor Deacon, I think that was all at the time.

Q Did these people have to sign their names in a register ?

A Visitors did.

Q On entering or going out ?

A On entering . Going out the turned-in badges are checked.

Q What is the purpose of all this security ? Why is that done ?

A The purpose of all this was to see, to the best of the Security Guards' ability that nothing will leave or no one will leave that Depot without the proper authorization; and to stop any pilfering of the goods; and to protect from fire.

Q Take the case of the accused himself. Would he, or would he not, have to go through this procedure when he went in and out of the building ?

A The security guard did not go through that procedure, no. They are already issued with a permanent badge on the duty they perform. I never was instructed to go through that procedure.

Q I just want you to tell us, that's all. You are not being blamed for anything. Would or would not a person on the job the accused had have any opportunity to take anything out without being seen ?

A Yes, sir.

Q How could that be done ?

A Especially on the night shift. From night to morning there are two men on duty. While one man is on his rounds, the other man would have access to the property in the building.

Q D id the accused ever work on the night shift ?

A Yes, sir.

Q Do you know whether the accused has an automobile or not ?

A He drove an automobile.

Q Was it ever kept at the Returned Stores Depot ?

A To my knowledge it was never in the Depot grounds.

Q Was it near there ?

A On the street, next to the grounds .

Q How far would it be from the grounds, approximately, anyway ?

A Approximately seventy-five to a hundred feet, sir.

Q At night-time, or on the night shift, you called it , would there be any N.C.O. around or just the two Privates ?

A Just the two Privates. The Orderly Sergeant makes an appearance any time during the night, and myself, I come down to make an appearance, to check.

Q Will you tell us something about this Returned Stores Depot at Aurora ? What street is it on? What does it look like ?

A At the present time there are four distinct buildings, just fenced in, barbed-wire fencing at the top. There is four gates, one which is used.

Q Whichis that one ?

A It was the west gate on Wellington Street.

Q Where does it face ? Where does that Stores Section face ? What street does it face on ?

A Wellington Street.

Q Would that be the main gate ?

A That was the main gate.

Q Is that the gate you used to go in and out ?

A Yes, sir.

Q How high is that barbed-wire fence ?

A Roughly, five feet.

Q Is it possible to get over ?

A Quite easily, sir.

Q It could be scaled, is that it ?

A It could be, sir.

Q Is there anything you want to tell us yourself, Sergeant, in this case ?

A The only thing I could say, if I may speak...

---PRESIDENT: Quite.

---WITNESS: As far as Private Bones is concerned, while he was in my employ, he was above reproach in his duties.

Q ---PROSECUTOR: Just one more question. Putting it very briefly. Would or would not the accused, and the other soldier with him on the night shift, have the opportunity of helping themselves ?

A They would, sir.

Q ---THE DEFENDING OFFICER CROSS-EXAMINES: Sergeant Foster, I presume, as is common with all guard commanders, you are rather proud of your security guard there ?

A I am.

Q Did you feel you had attained a high degree of integrity with this guard ?

A I did.

Q Did you have them smartly turned out at all times ?

A They were.

Q Did you take any special means of seeing they were smartly turned out ?

A As I am the only N.C.O. I cannot be there at all times when they come on shifts. We don't form a guard as they do other places, or parade them to duty. It is quite impossible, sir.

Q The issuance of equipment to members of your guard - would there be anything special issued to them ?

A No, sir.

Q Would they be issued with any extra pairs of trousers, for instance ?

A No, not to my knowledge, sir.

Q In some places, it is the practice to have extra trousers, for instance, for the purpose of the guard having a pair handy, ready to go on guard. Would that apply to your guard ?

A That is correct, but we had to secure our own clothing through the proper channels.

Q In order to have the extra clothing and to have over and above the regular issue, it was possible for a member of your guard to obtain extra clothing from your quarter stores, was it ?

A It was possible.

Q Do you know if it so happened ?

A I couldn't say.

Q If it did so happen, have you any idea how it would happen ?

A For instance, myself, I would, if I wanted extra clothing, have to go to Quarter Stores and receive it from there. That's the only way I know of to get them.

Q On what basis? Would you buy them ?

A You would have to buy them.

Q You couldn't get a loan of them ?

A I never was able to sir.

Q You speak of the accused as having a good record while in your employ, is that correct ?

A That is correct.

Q Does that mean he was ever successful in apprehending anyone ?

A He has.

Q He has. More than on one occasion ?

A On one accasion he did, sir.

Q Could you tell us something about that ?

A On that particular occasion the man involved was taken to Court and he was convicted in Court. He lost his job at the Depot.

Q Was this man a civilian ?

A He was.

Q Do you know where he resided ?

A At Newmarket.

Q And that is fairly handy to the Depot ?

A Four miles.

Q Did the accused go as a Crown witness in his case ?

A Yes, sir.

Q You spoke of the accused owning an automobile, at least driving one. Did you say you had ever seen him park it handy to the Depot, or leave in it from the Depot ?

A The parking lot is directly across from the Depot, on the street, and people who work at theDepot and drive cars park them there.

Q Did you ever observe the accused doing so ?

A The accused has had his car there, yes.

Q You are telling the Court you have observed him park his car in the parking lot, or else you have seen him drive away from there ?

A I have seen him drive to and from work.

---THE PROSECUTOR DECLINES TO RE-EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: What precautions are taken, if any to avoid just what happened in this case ?

A I don't know just hardly what to say.

Q Let me put it to you a little differently. What preventative measures did you take with regard to pilfering of goods by anyone going into the Depot ?

A Well, the security guard patrolled the grounds and the buildings and kept a sharp lookout to see that there is no pilfering. Their being short-handed, and four distinct buildings, and you only have two men, two or even three at times, it is pretty hard to see or control what might go on in the building. We, on security guard, on many occasions

we have seen things and it has been put back in stock. We haven't had the staff to do the job as it should be done. This has been drawn to the attention of the Commanding Officer on different occasions, but we still were not able to have the men we should have had on duty.

Q I take it any man who is on security guard is in a position of responsibility in that Depot ?

A He is.

---PROSECUTOR: There is a point. Would the Sergeant tell the Court how long the accused was employed there on that particular duty ? For what length of time.

Q ---PRESIDENT: How long had the accused been employed on that particular duty at that particular centre ?

A ---WITNESS: I am not sure. I think he came there in January, of 1944.

---THE WITNESS WITHDRAWS

2nd Witness for THE PROSECUTION

Captain Wilfred Charles CHICK, H.W.E. Special Distributing Depot, R.C.O.C., being duly sworn is examined by the Prosecutor:

Q Captain Chick, you have given your Unit as Special Distributing Depot, R.C.O.C., is that right ?

A That is correct.

Q Where are you stationed ?

A In Toronto, at the Special Distributing Depot.

Q Where is that ?

A In Toronto at Bay and Fleet Streets.

Q What building ?

A The new Post Office building.

Q What do you do ?

A I am theAssistant Ordnance Accounting Officer.

Q For the Special Distributing Depot ?

A That's right, sir.

Q Do you know the accused ?

A I do.

Q Do you know what his name is ?

A Horace Granville Bones.

Q Rank ?

A Private.

Q What is his Unit ?

A R.C.O.C., Special Distributing Depot, at Returned Stores Section, at Aurora. Security Guard at that Depot.

Q Is he employed there at the present time ?

A He was until August.

Q Of what year ?

A August, 1945.

Q And his duties consisted of what ?

A Security Guard.

Q What is the purpose of the Security Guard ?

A The purpose of the Security Guard is to see that unauthorized persons do not enter the Depot and proper discipline is maintained around the Depot generally; on guard duty at the gate, and touring the building; to see that military personnel are disciplined properly.

Q An y other duties to take stores in and out ?

A No, he has no responsibility in respect to receiving stores.

Q Could you tell us something about the security guard might be for the purpose of anything else except what you have told us ?

A His duties in security guard are just to see that unauthorized persons do not come in at all; that no one takes anything out they are not authorized to take out. The guard has to see that no goods are taken out without a gate pass.

Q You see I can't lead you. Would you say it is his duty to keep people from taking or stealing things from the Returned Stores Depot ?

A Yes, that would be correct.

Q Including everybody, or how many people ?

A Anyone at the Depot.

Q Would you tell us, Captain Chick, whether or not you are qualified to tell the Court what the purpose of Returned Stores Section is ?

A I believe so.

Q Would you tell us what the purpose of the Returned Stores Section is ?

A The function of the Returned Stores Section at Aurora is to receive all surplus and non-serviceable stores from Units. They also receive non-serviceable stores for repair. With the latter stores, those things received for repair, they are sent in on a repair indent and are not on the Unit'scharge. The repair indent is merely a record of what was taken over. After the stores are repaired, they are returned to the Unit with the repair indent as the covering document.

Q You speak of Units. What Units in what Military Districts ?

A Units in M.D.'s 1, 2 and 3, and Camp Borden

Q Will you carry on, please.

Q All the other non-serviceable stores and surplus stores which are returned by Units are actually vouchered to the Special Distributing Depot. They are received in the Depot with a receiver's memo and properly accounted and identified and the packing note which has been checked in that way is used to bring them to charge in our ledgers. The stores themselves are then conditioned. They are checked over to see whether they are of any further use as military stores; or whether they could be repaired to make them of further use; or whether they have ceased to have any further value for use in the Army. The stores which are found to be repairable are turned over to our non-technical workshops within the Returned Stores Section at Aurora, and are repaired at that point. Certain items of barrack stores may be sent to the R.C.O.C. workshops to be repaired; and they are controlled by means of a repair indent. The repaired stores, together with those serviceable when received, are laundered, if necessary, either by the Depot themselves, or are sent out to civilian contractors, and then are packaged and sent to the Special Distributing Depot at Toronto for re-issue to Units. Any stores which we decide cannot be repaired for use again by the Army, are converted to prod

or rubbish, depending upon their nature. I don't know whether you want the technical detail. The articles are written off. They are on charge as articles first. After they are converted to produce, the number of articles are written off charge and they are brought to charge again as poundage. They are considered as produce. Stores which have been converted to produce in this manner are held for disposal by War Assets Corporation. They are either sold to contractors on the basis of contracts let by War Assets, or to dealers and they are shipped in a properly authorized way to the War Assets Corporation at Valleyfield, Quebec. The articles which have no value as produce and cannot be put to use again are written off as rubbish and disposed of as such. I think that covers the complete operation very briefly, sir.

Q Can you give us any information about lost and found articles ?

A Yes, in addition to the stores which we get back from Units, we also get periodic calls from the railway offices, public waiting rooms and the police departments to say that they have picked up articles which have been left in trains or other public waiting rooms and buildings. We pick up these stores and then take them to Aurora and they make a special list of each bundle we might get. Forinstance, we might have a kit bag picked up with articles in it. A complete list is made of the articles. We also record any identification marks found on any of the articles. These stores are brought to charge in our ledgers in the regular manner and we keep these packing notes on file; or if we get a request as to whether or not certain stores have been found we turn up our records and give credit to the man that lost his kit.

Q The stores that are received and held on charge to the Returned Stores Section at Aurora, belong to whom ?

A They are Government property - public property.

Q What must have been done if anything, before they are removed from Aurora ?

A They must be covered by a properly authorized document. If they are fit for further use, Aurora sends them down to our Depot in Toronto on a proper voucher. If they are authorized for sale by War Assets, we receive a War Assets Corporation Sales Order, which is our authority to prepare an issue voucher and ship the stores to the consignee named in the sales order.

Q Has anyone in the Returned Stores Section at Aurora permission, of their own volition, to remove any stores from the Depot ?

A Not without a proper covering document.

Q In other words then, would or would not the accused have any authority, providing he had no document, to take the stores out ?

A None whatsoever.

Q Would anyone have the authority ?

A No one would.

Q Is it possible to purchase these stores at Aurora ?

A No, sir, other than through the War Assets Corporation, which means in bulk lots by contract.

Q Would or would not the articles kept at the Returned Stores Depot, articles of clothing and equipment, normally would they be sold to individuals through the Depot at Aurora ?

A No, sir. The only item is scrap. We had, for instance, broken chairs and tables which are not repairable and are converted to scrap and we have authority from the War Assets Corporation to sell that scrap we had to the employees.

Q Have you any other authority ?

A No, sir. Even that scrap we had is properly authorized by a War Assets Corporation Sales Order.

Q Do you know of your own knowledge whether or not any articles have ever been sold to the accused ?

A I haven't such knowledge, sir.

Q Take for instance articles of a soldier's kit and equipment, which he needs to carry on his duties. How would he get them ?

A He would be paraded on a regular clothing parade to Quartermaster Stores and draw them from the Quartermaster the same as any soldier. Personnel at Aurora draw them from Newmarket at the present time.

Q Would that be because of the fact he would be getting new articles ?

A The Ordnance Depot never issues stores direct to an individual. That is controlled through the Quartermaster Stores. We have a Composite Stores at Headquarters where our personnel are outfitted. They draw their stores from us, and we have no dealings with the individual at all.

Q If anyone put things aside for himself, would or would not that be proper ?

A As I said before, all the stores at Aurora are public property and no one has any right to appropriate them for their own use.

Q Is there anything else you wish to tell the Court yourself ?

A I don't think so, sir.

Q Does that cover your evidence pretty well ?

A Yes, sir.

Q ---THE DEFENDING OFFICER CROSS-EXAMINES: Captain Chick, is it the custom at the Returned Stores Section at Aurora to carry out stock-takings ?

A That's right, sir. They make up inventory of all stocks on hand. Stocks at all Ordnance Depots must be taken at least twice a year. Stock was taken in Aurora in April, 1945, shortly before Special Distributing Depot assumed responsibility for the operations at Aurora. We have recently completed another stock-taking which was taken on August the 1st at that Depot.

Q With regard to the inventory of April, 1945, were there any shortcomings noticed in the stock at that time ?

A That was prior to the time we assumed responsibility for the operations there. You would have to refer to the District Ordnance Officer for that information.

Q Referring to the stock-taking of the 1st of August, were there any shortcomings ?

A There are some shortcomings, yes.

Q Are you able to detail them ?

A I couldn't right here. What with something like six or seven hundred actual items and far more actual accounts than that, it would be impossible for me to detail them here.

Q I understand there are a great number of articles in stock; but you were present in Court when the charge-sheet was read out.

---PRESIDENT: No, I am afraid not, Mr. LeBer, the witnesses were excluded.

Q ---DEFENDING OFFICER: Do any of the articles short on the stock-taking on the 1st of A ugust, 1945, come to your mind ?

A No, my particular responsibility does not cover that information. The stock-taking personnel would have that information, but I don't deal with it myself at the present time.

Q We are given to understand in your evidence that in connection with stores returned from Units, there comes a point where they do not become individual items, but they have been adjudged to be non-serviceable, and made into produce and baled, and therefore become so much poundage, is that right ?

A That is right.

Q Dealing with the lost and found articles. You say they are itemized and placed on charge in a ledger.

A In a special ledger. Not in a regular ledger

Q Other regular items of Ordnance Stores, for instance, a battle-dress. It is brought on charge with regular items ?

A They are brought on charge with regular items.

Q Is it not likely the lost and found articles have previously been placed on charge to some individual ?

A You mean before they were lost ?

Q Yes.

A Correct, but that is why we keep a record of any identification marks found on the articles. For instance, if a man loses his kit bag, he may have his regimental number on it. We make a record of the contents. If any enquiries are made, we go through our records, and endeavour to find it. We don't pick up these kits for some time. They are held until the person has had a reasonable chance to claim them.

Q So then, in the regular Army routine, the man who has lost some article for which he is charged, in the regular Army routine, no doubt he is brought to account for that lost article, and makes compensation to the public for such, would that not be so ?

A That is true. At his next kit inspection, he would be short certain articles, and he would be charged. If he tells his Quartermaster he left his kit on such and such a train, or in a waiting-room, the Quartermaster will try to recover it and re-imburse him.

Q Again, it is regular Army routine, if some of the kit or kit a man had bought on a repayment basis, has he also to account for such kit ?

A No, because no soldier buys any of his kit unless he previously lost it. The only time a soldier has to pay for kit is if he lost it and it had been on his charge. By kit, I am including all articles a soldier uses. There are some articles, towels for example, that can be bought on a repayment basis. A soldier can buy, but is not supposed to have more than his standard scale of issue. It is their responsibility. It is their own article, not a Government store. He would not be charged if the article were lost. As long as a man

can produce his complete kit he is not charged. A man's M.F.C. 800 shows two suits of battle-dress and other additional articles. If he bought additional suite of battle-dress and lost them, as long as he can produce two suits of battle-dress he isn't charged. He has already bought them, but they are not regular kit in that case.

Q In your evidence you speak words to this effect: that articles of no value are rubbish, and are disposed of as such, disposed of as such. Are you aware of the system of disposal ?

A I think Major Campbell can probably give you more information on that regard, when he is called as a witness. Certain articles that can be burnt, are burnt. My understanding is that they are to be in such a condition that they cannot be used at all.

Q ---THE PROSECUTOR RE-EXAMINES: Am I to understand, Captain Chick, - this arises in connection with an answer made by you to the Defending Officer - that articles of a soldier's kit belong to the Dominion Government ?

A Yes.

Q Then if a soldier is short in his kit inspection and is charged under Army Act Section 24, of losing by neglect, either by his Commanding Officer or a Court-Martial, and as a result, is made to pay for whatever he is deficient of, then, would or would not the article that he is made to pay for belong to the soldier or would it belong to the Dominion Government ?

A It would still belong to the Dominion Government. A soldier cannot alienate his kit.

Q Supposing he bought them on repayment, M.F.C. 512, would the same apply ? Supposing he was short a battle-dress, and before a kit inspection was taken, he was smart enough to go and buy a battle-dress. Would it belong to the soldier, or would it belong to the Dominion Government ?

A It would belong to the Dominion Government; because he is still charged with two battle-dress on his M.F.C. 800, and he has only two to produce.

THE WITNESS WITHDRAWS.

3rd Witness for THE PROSECUTION — Major Leslie CAMPBELL, Officer in charge of Returned Stores Depot, Aurora, Ontario, H.W.E. Special Distributing Depot, Toronto, R.C.O.C., being duly sworn is examined by the Prosecutor:-

Q Major Campbell, you have given your Unit as Sepcial Distributing Depot, Toronto, officer in charge of Returned Stores Section, is that correct ?

A That is correct.

Q Returned Stores Section is where ?

A Aurora .

Q Is that actually your present Unit or present depot ?

A No .

Q Tell us your present Depot ?

A I am attached to Army Salvage and Disposal Board, N.D.H.Q., Ottawa.

Q But you were officer in charge of Returned Stores Section ?

A I was.

Q When did you change your employment ?

A I think that was dated on the 1st of September, but I didn't go to Ottawa until approximately the 7th. I think it was the 7th, but I am not sure of the date.

Q When did you leave Aurora, approximately ?

A I left Aurora last Wednesday morning, pardon me, Tuesday. I took the Tuesday night's train out and arrived in Montreal Wednesday morning and went to Ottawa at one thirty.

Q Do you know the accused ?

A I do.

Q What is his name ?

A Private Bones.

Q How does it come about that you know the accused ?

A Private Bones was employed as Regimental Police at Aurora.

Q Do you know how long he was employed in that capacity ?

A I couldn't give you the exact time, but I think he was up there I would say approximately nine months.

Q Do you recall the time approximately the 11th of August, 1945. Was he employed there on that date and prior thereto ?

A That is something I cannot exactly say or recall, for the simple reason, the regimental police came under the jurisdiction of the Regimental and Security Officer in Toronto.

Q Have you or have you not told us that he did work there for approximately nine months ?

A Yes, he was up there for some time.

Q Could you give us some evidence with reference to your lost and found department? The lost and found articles of kit and equipment that might have been turned in to the Returned Stores Depot ?

A Yes.

Q Would you do that, please ?

A Prior to the change-over, to Special Distributing Depot, when we were under the District Ordnance Officer, it was the habit of both the Canadian Pacific and the Canadian National Railways' lost and found, to ring us up and tell us to send a truck down to pick up the lost and found articles. At that time we had an arrangement whereby we sent a driver down, and an N.C.O., and there was supposed to be one man from the Provost Corps there. The items were loaded onto a truck and a list was made up. They were received through the Receiving Department at Aurora, and packed on a packing note, and a complete list was made out. If there was any identification which could be kept, either from papers, a man's name on a kit bag, anything at all, then this information was sent through to the Records, at District Headquarters. If any - pardon me, if the items were of a personal nature, such as insurance policies, pay-books, anything of that nature, particular attention was paid to reporting them to the Records. If it was a case of equipment, issue of clothing, etcetera,

they went back into stores, or through re-conditioning, they were conditioned. If they were fit for return to Ordnance that process took place. If they were not they went through to produce. The lists were made out in three copies. One went to the District Ordnance Officer; one to the Provost Corps; and we get one. After being changed, and being absorbed by Special Distributing Depot, the accounting and instructions were changed, and we did not send a copy to the District Ordnance Officer, or the Provost Corps, but all that information went to the R & I - Receipt and Issue - Clerk, in Toronto, and if anybody wanted any information regarding the lost and found, they made application through the Sepcial Distributing Depot, to the Chief Clerk, who in turn got that information from the R & I.

Q Who would you say that these articles that were received by Returned Stores Depot from the lost and found, belong to ?

A I would like to have that statement aga in.

Q Who would you say that these returned stores that came from the lost and found of the Railway Companies, belong to? Who were the owners of them? I will put it this way. Did they belong to the respective owners that lost them, or did they belong to the public.

----PRESIDENT: Anyone else .

Q ----PROSECUTOR: Or to anyone else ?

A The only way I could state that is to give an example. If a kit bag is returned to us and in it is equipment that is on a man's SOO that has to be returned either on disposal or upon discharge, then it is Government property. If other items are found which are obviously personal property, then that property belongs to the owner who has lost it.

Q As Officer Commanding that Retruned Stores Depot, can you tell us what the duties of the accused were, or do you know ? What was he there for ? What was the purpose of his being there ?

A The Security Police are there for the purpose of security, fire protection, and the equivalent of night or day watchmen.

Q When you say security - security for what purpose ?

A In the full meaning of the term security. That is security against theft, either from the outside or in. Fire protection, which is very important.

Q Would the accused have any right to remove from the premises any articles ?

A None whatever.

Q Major Campbell, is there anything else you would like to tell the Court yourself, or is that your complete evidence ?

A I prefer it the other way, Captain Downey. If you wish me to say anything else, ask me questions.

Q I have asked you all the questions I can think of. Is there anything you wish yourself to tell the Court ?

A Yes, I might make a statement. I don't think it would have any bearing. We ourselves, both myself, as Officer Commanding, and my 2 i/c, including the N.C.O. in charge of the Security Police, tried our utmost to take all precautions that we thought necessary, or felt necessary for security.

Q Had you any knowledge that it might be a possibility that it was a practice for any of the personnel to take any goods or articles from the Returned Stores Depot for the purpose of - so it wouldn't go to waste ? Do you know what I mean by that ?

A No, I would rather you make it more clear Captain Downey, please.

Q Well, then, put it this way. Was it or was it not common practice for personnel of returned stores depot to take stuff or articles that were going to be destroyed and put them to some beneficial use, rather than see them wasted ?

A We were under strict orders from Army Salvage and Disposal Board that if any items were rubbished, or to be rubbished, they had to be definitely burned. The idea being to keep the Army Salvage,- no, cross that out, please - to keep the Army from any public criticism. Does that answer your question, Captain Downey ?

Q I believe it does. Excepting you might say, if you will, or could, something about whether or not it was a common practice.

A The common practice to what, Captain Downey ?

Q For the personnel of the Returned Stores Depot to help themselves.

A To my knowledge, no.

Q ---THE DEFENDING OFFICER CROSS EXAMINES: Sir, the materials that were rubbished that you have just spoken about, was there an accounting kept of them ?

A Definitely. Everything that is rubbished, there has to be, what we call, a transfer voucher made out, and the N.C.O., or the N.C.O.'s representative would report, or rather I should, theproduce is made up of ever so many items across the line, and the representative, or the Ordnance Stores Officer, who is solely responsible for produce or rubbish, would have to sign for the number of articles, and then would be responsible to see that they were burned.

Q And that record is kept in the manner of certain number of articles, and not in the manner of certain pounds ?

A No, no, excuse me. When the transfer voucher action takes place, they are then transferred from items to pounds. Does that answer your question ?

Q Yes. In other words, the rubbished articles become so much poundage ?

A That is correct. Whether burned or saved as articles for sale.

Q But they have ceased to become articles, and become poundage.

A That is correct.

Q Any staff of the Special Distributing Depot at Aurora requiring equipment from Quartermaster stores, where do they obtain such ?

A I have to answer that by a further explanation, for the simple reason, a change in the procedure only recently took place. Prior to the recent change the men were serviced by the Composite Stores, Postal Building, Toronto. The Composite Stores were servicing both the Special Distributing Depot and the District Ordnance Officer's staff at the time, and Aurora; and the S.Q.M.S. would come up with a truck, and sufficient items of clothing and equipment to make the necessary changes or issues. Approximately a month ago - I am not sure of the date - the Officer Commanding Special Distributing Depot requested that I make special arrangements with Newmarket through the Officer Commanding there for their Quartermaster Stores to service Aurora. That change was put through and the men were sent up in groups to Newmarket, which is only about four and a half miles away, and were serviced there, which was a happier arrangement - a better arrangement. Does that answer your question?

Q Now, on either system, these clothing parades, whether they are at the Special Distributing Depot with the Q.M.S. coming up from Toronto, or the clothing parade with the Newmarket Q.M.S., would it not be, in the case of a man living out on quarter's allowance, that he would take his clothing or equipment to the place of employment at the Depot, then return it to his home, where he was living, on his discharge from his day's duty ?

A Yes, that could be done. It would have to be checked in through the R.P. at the gate and left there.

Q Were inventories taken of the stock of the Special Distributing Depot at regular intervals ? That is the returned stores depot at Aurora ?

A Yes, stock was taken every six months.

Q Could you tell us of any recent stock-takings there ? When they occurred.

A Yes, they had a recent stock-taking which they took stock in one day. I wasn't there. I was on my furlough. I couldn't give you the exact date, but you could get it.

Q Would you advise us of the date of the last stock-taking when you were there ?

A That was approximately three months before that, when we were under the District Ordnance Officer.

Q Could you advise the Court of the approximate date ?

A No, I couldn't. I don't remember those dates. I would have to look it up.

Q On the last stock-taking you were present at in the Returned Stores Depot, do you recall if there were any losses found out ?

A No, for the simple reason I didn't see the results of the stock-taking. They had no sooner finished one stock-taking when the change-over took place from the District Ordnance Officer to Special Distributing Depot. In either case I haven't seen the results of the stock-taking. I would like to add there, if I may, I am not responsible for stock-taking. That is definitely under the Ordnance Stores Officer. You could see the set-up by referring to the Accounting Instructions, No. 16.

Q Are you aware that a search was conducted at the home of Private Bones ?

A Yes, because I gave permission. There were two Provost Corps men who came in on Saturday morning and presented their identification and authority for wearing plain clothes. One was a Sergeant, and the other was, I think, was a Corporal. They asked permission to interview Private Bones. I calledin Sergeant Foster and ascertained the fact that Private Bones was not on duty at the time. They asked my permission if they could go and find Private Bones, taking Sergeant Foster with them, as they wanted to make a search. I gave them that

permission. At twelve o'clock I left. What took place after that I was not aware.

Q Did the Provost personally advise you of why they wished to effect this search ?

A Yes, they said that they had received instructions from Headquarters. That is the only information I got.

Q These instructions from Headquarters, could they possibly have originated with yourself ?

A No, not in this case.

Q Previous to the incident under question in this Court, how did you find the services of the accused, Private Bones ?

A The conduct of Private Bones, as far as we found, was very, very good. He paid attention to his duties; was always on time; apparently quite conscientious. That is, as far as I know, until he was placed under arrest, which was a surprise to myself as his Commanding Officer.

---THE PROSECUTOR DECLINES TO RE EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: These security guards, as you call them, are they in any special position of trust and responsibility ? In other words...

A Yes, I know what you mean, but I want to answer it very carefully.

Q I shall be very glad to put it any way you like ?

A The security guard, as far as we ourselves are concerned, are in a position of great trust

Q In other words, their job is to control the....

A Government Stores.

Q To guard any material from pilfering ?

A Definitely.

---THE WITNESS WITHDRAWS.

4th Witness for THE PROSECUTION — Captain Otto Lennox LOVELL, Regimental Officer, Special Distributing Depot, Toronto, R.C.O.C. being duly sworn is examined by the Prosecutor:-

Q Captain Lovell, your Unit is Special Distributing Depot, Toronto, R.C.O.C., is that right ?

A That is right, sir.

Q What appointment do you hold there ? What do you do ?

A I am the Regimental Officer, sir.

Q As Regimental Officer, just what duties, just briefly, what do you have to do there ?

A Generally, the duties of Adjutant; taking care of Part I and Part II Orders; minor cases of discipline; incoming and outgoing personnel.

Q Have you anything to do with documents ?

A Yes, sir.

Q What have you to do with them ?

A I have the custody of the documents.

Q Do you know the accused ?

A Yes, sir.

Q What is his name ?

A Private Horace Granville Bones, sir.

Q What is his Unit ?

A Special Distributing Depot.

Q Where, up until recently, was he employed ?

A At Returned Stores Depot, Aurora.

Q Does or does not Private Bones' military life, in the way of documents come under you ? Do you have his documents ?

A Yes, sir, I do.

Q Can you advise the Court as to where the accused has been, say in the last two or three years, starting in January of 1944 ?

A Yes, sir.

Q Have you his documents with you ?

A Yes, sir, I have.

Q Will you refresh your memory with them ? Tell us where he has been stationed ?

A .....

Q ---PRESIDENT: This is only for the purpose of refreshing his memory, Captain Downey ?

A ---PROSECUTOR: That's right, sir. (To witness) What is that you have in your hand ?

A An M.F.M. 2

Q For whom ?

A Private Horace GranvilleBones.

Q Tell theCourt where he has been recently, the last two or three years.

A On the 19th of January, Private Bones...

Q What year ?

A 1944, sir.

Q Yes ?

A Was struck off strength of 2 District Depot, and posted to No 2 Ordnance Depot for discipline and duty, at the Returned Stores Depot at Aurora, Ontario, and he has been in that employment since that date until the 11th of August, 1945, sir.

Q And do you know where he has been since the 11th of August, 1945 ?

A In custody, sir.

Q ---THE DEFENDING OFFICER CROSS EXAMINES: Captain Lovell, you have designated yourself as regimental officer of the Special Distributing Depot, Toronto, R.C.O.C. ?

A Yes, sir.

Q Does that also include Security Officer ? Is the proper title Regimental and Security Officer ?

A Yes, sir.

Q The, I take it, the Security Guard at Aurora Depot comes under your administration ?

A Yes, sir, it does. If I might be allowed to explain further. On the first of May, of this year, No. 2 Ordnance Depot, the Returned Stores part at Aurora, became a part of Special Distributing Depot; and Major Campbell was there as Detachment Commander in charge, and for that reason, as Security Officer at Special Distributing Depot at Bay and Fleet Streets, we were advised by our Commanding Officer to not interfere in the security angle up at Aurora, outside of our C.S.M. from Monteith and our R.S.M. visiting and inspecting the guard at Aurora. I mean to say by that, I don't know the men on the guard personally, and except for two visits to Aurora, I have had very little

connection with the guard at Aurora.

Q Now, are you aware of any special arrangements for this Security Guard at Aurora to obtain extra clothing so that at all times they are prepared to go on duty in an orderly manner of dress ?

A I know that their instructions are that they obtain their equipment and all essentials they might need from the Quartermaster Stores at Newmarket.

Q Are you aware that the Quartermaster Stores at Newmarket would issue pairs of trousers, say, over and above the regular scale of issue to this Security Guard ?

A No, sir.

Q You are not aware, forinstance, that it would be possible to obtain extra clothing of that nature by signing a packing slip in their Quartermaster Stores ?

A No, sir, I am not aware of that.

Q As custodian of the service record of the accused, how would you say that record reads ?

A I would say it was excellent, sir.

---THE PROSECUTOR DECLINES TO RE EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: Your job, then, Captain Lovell, keeps you pretty much bound to the R.C.O.C. Depot in Toronto, I take it ?

A Yes, sir.

Q And while you are Adjutant, or equivalent of Adjutant, and serving the Returned StoresDepot, you are actually here in Toronto ?

A Yes, sir. Up to now...

Q Just one of the many jobs that come under your jurisdiction ?

A We have personnel of six hundred seventy-three, of which two hundred ninety-six are at Aurora; and up to this time, my connection with them has mainly been in connection with their re-inforcements in personnel and matters of that kind. My contact with them has been mainly by letter or telephone. As I say, I have only been to the Depot

three times. I have left the security to the visit of the C.S.M. and the R.S.M. who is in charge of security guard at the Special Distributing Depot at Toronto.

---THE WITNESS WITHDRAWS.

5th Witness for THE PROSECUTION B-97712 Sgt John ATKINSON, Investigation Section, 31 Company, Canadian Provost Corps, 339 George Street, Toronto, Ont., being duly sworn is examined by the Prosecutor:-

Q Will you tell the Court where you are employed ?

A I am employed as an investigator at 339 George Street, Toronto, with No 31 Company Canadian Provost Corps.

Q Do you recall the 10th of August, 1945 ?

A I do.

Q What, if anything, happened on that date ?

A Information was sent to me from Headquarters, to investigate a complaint at the home of the accused, now present in Court.

Q Incidentally, what is the accused's name ?

A Private Bones.

Q W here was Private Bones stationed at the time ?

A At Returned Stores Depot, Aurora.

Q As a result of information received, did you take any action ?

A I proceeded to the home of the accused, accompanied by Lance Corporal Campbell, on the 11th of August, and there met and interviewed the accused.

Q What was the date you proceeded to the accused's home, did you say ?

A The 11th of August.

Q This year ?

A Yes, sir.

Q Where is his home ?

A It is located in Sutton West.

Q Where is Sutton West in relation to Aurora Ontario ?

A I believe it is approximately twenty - I am not certain of the distance, I believe about twenty-five miles north and west of Aurora.

Q Can you tell us about the accused's home ? Is it a house, or an apartment, or what is it ?

A It is a home, I believe. There are two rooms on the second storey and three larger rooms on the first floor; and there is a basement.

Q How did you know that the accused who is now present, was the man you were looking for ? How did you know he was Private Bones ?

A I spoke to Private Bones and asked him to identify himself, which he did. He stated he was Private Bones and stated he lived at that address.

Q Did you have any other conversation with him ?

A I stated to him the nature of our call. We had been informed he was in possession improperly of Government equipment and ordnance. We asked him if this was true; and he said yes. I then asked him if we might look through his home and he also said yes.

Q Did you look through his home ?

A Yes, we did.

Q Who looked through it ?

A Lance Corporal Campbell, myself, and the accused.

Q Tell us just what happened when you looked through his home ? Give us the story very completely .

A With the assistance of Private Bones we located certain equipment which we considered was military ordnance and put it in the haversacks and bags ready for transportation to Toronto.

Q What did the accused do while you were doing this ?

A He assisted us in every way possible to locate the goods. He took us from one room to the other and pointed out equipment that we might have missed. I might say the accused was very helpful in the search.

Q Whereabouts did you look for these things?

A In cupboards, bureau drawers, and the various rooms in the house. There was no attempt apparently at concealment, it was just located through the house.

Q Did you have any trouble in making up your mind this was government ordnance ?

A No, we didn't. Some of it we were doubtful of and some of it we thought might belong to the man himself. We took all we considered was government property and stated any that was rightfully his, would be returned to him.

Q Did he make any objection to that ?

A No, he didn't.

Q What was the next thing that was done ?

A We took the equipment, and along with Private Bones proceeded to our Headquarters in Toronto, where we laid out all the equipment and took an inventory. This was done in the presence of the accused.

Q Was the accused under any arrest ?

A The accused was not under close arrest. We had asked him to come with us to Toronto. We had not put him under arrest.

Q What was done with these stores after that ?

A They were put back into bags and were locked in our locker room.

Q Where ?

A In the basement of 339 George Street.

Q Where was the accused at that time ?

A The accused was present when we put the goods away.

Q What was done with these stores after that ?

A Subsequently they were taken to the Ordnance Depot on Bay Street, and under our supervision, were examined by members of the Ordnance Corps who identified then as military equipment.

Q Was everything identified as military equipment ?

A No, there were certain articles that could not be identified as Government property. The articles which we believed were the property of the accused were taken from the lot and returned to him. This was done by checking through his M.F.C. 800

Q What was done with any of the articles you were not sure of ?

A They were held and will be produced in evidence.

Q Has the accused been charged with these articles that you speak of that you were not sure of ?

A No, he is not.

Q Do you know where these articles the accused is being charged with either stealing or being in improper possession of, do you know where they were kept from that time until the time of the trial ?

A They were taken to the locker room at 339 George Street and left there until the time of the trial.

Q That is what date ?

A To-day, the 11th of September.

Q How were these articles brought from the Ordnance Depot to this Court-room ?

A They were brought over in a D.N.D. vehicle and were in sealed packages or cartons.

Q Who brought them over ?

A Myself and Corporal Campbell.

Q So much for stores for the time being. I am going to ask you some questions about any conversation you might have had on the 11th of August, 1945. I want you to be very careful how you answer, if you will. Did you or did you not have a conversation with the accused on the 11th of August, 1945, after the stores had been locked up at 339 George Street ?

A I did, sir.

Q Who was present at the time of the conversation ?

A Lance Corporal Campbell, sir.

Q In other words there were three of you present ?

A The accused, myself and Corporal Campbell.

Q Where did that conversation take place ?

A The conversation took place in our Orderly Room.

Q Did you, on the way down from Sutton West to Toronto have any conversation with the accused about this particular matter ?

A We discussed the accused's previous military record, and we discussed the method of operations at the Depot at which he was stationed, but we didn't discuss the matter at hand.

Q What matter ?

A The matter of the equipment

Q Did you discuss the matter of the equipment on this occasion in the room at 339 George Street ?

A Yes, I did, sir.

Q Will you tell in your own words to the President of this Court-Martial the exact circumstances of the conversation leading up to a certain thing that happened, but don't tell us anything of what happened. Do you understand ?

A I do, sir.

Q Carry on then .

A I told the accused that he would be charged with being in possession of government equipment and ordnance improperly, and that he might make a statement if he wished to do so. He asked me what type of statement he could make and I stated that he could answer our questions, or that he could write a statement in story form. He preferred the question and answer type of statement. I then warned the accused and the statement was made.

Q What kind of a statement ? What was the statement about ? What statement would it be ?

A In connection with the accused's character; his previous military military training and conduct and in connection with the equipment which we had ceased at his home .

Q Have you that statement with you ?

A I believe Corporal Campbell has it. This is a true copy of the statement.

---PRESIDENT: I want you to be very careful that no part of that statement comes into the record at this time .

---PROSECUTOR: I want to be careful of that, except I do have to go through the formality of offering it to the Court. Have you that statement with you ?

A Yes, I have, sir.

Q What is the date on that statement ?

A the 11th of August, 1945.

Q Are there any signatures on that statement ?

A There are, yes, there are, sir.

Q Whose signatures appear on that statement ?

A The signature of myself, Corporal Campbell, and the signature of Private Bones, H.G.

Q How do you know that is Private Bones' signature ?

A He signed it in my presence.

Q Now, sir, it is my intention to offer this document to the Court as an Exhibit and hand it in, subject to the Defending Officer's consent.

---PRESIDENT: Well, Captain Downey, as I have heard it, this was completed by this witness, Lance Corporal Campbell, and Private Bones. Now, as I understand it, all the evidence must be produced at this time before the statement is either accepted or refused; and that being the case, I should think that it would be obligatory on the prosecution to produce Corporal Campbell, and any other evidence which you have in connection with the taking of this statement.

---PROSECUTOR: That is right, sir. The reason I am offering the exhibit in this way is for the purpose of having the Court decide whether or not the document is admissible in evidence, and it is my desire to produce to the Court all the information both from this witness andCorporal Campbell to show the method in which the document was obtained.

---PRESIDENT: I appreciate that, Captain Downey, but as I understand the law, all the evidence must be produced to the Court relevant to the document before the document is tendered. If I am wrong I shall be glad to hear your argument.

---PROSECUTOR: My submission is no ruling is needed at the present. There has been no objection made to the document, and if an objection is made, then, we can have what is commonly said to be a trial within a trial.

---PRESIDENT: I think the practice in our civil courts differs from the military courts in that respect, in that if no objection is raised by the defence in a civil case, it could be accepted; but I think in a military court all the evidence must be tendered before the document is accepted and whether or not an objection is made by the accused or his Defending Officer.

---PROSECUTOR: Very will, then, I have no objection to carrying on the way the Court has decided.

---DEFENDING OFFICER: The Defence has not objected to this document, because it has not been produced yet. We definitely do object to this document, and I will give you my argument at the proper time.

---PRESIDENT: Do you feel I am correct, Mr. LeBer ?

---DEFENDING OFFICER: Very definitely, sir. I do indeed.

---PRESIDENT: I think you should produce Corporal Campbell or anyone else you might have. This witness becomes subject to cross-examination by you, Mr. Leber.

---PROSECUTOR: I haven't exactly finished with him yet.

---PRESIDENT: Take that opportunity now, Captain Downey.

Q ---PROSECUTOR: In connection with all the circumstances leading up to the taking of this statement, have you anything else to tell the Court ?

A No, I have not, sir.

Q Are these all the facts then that transpired prior to this statement being taken and signed?

A Those are the facts.

Q Has anything been left out ?

A Nothing that I recall, no, sir.

Q Can you tell the Court anything about any warning, if any warning was given, or the warning given ?

A Yes, a warning was given by Corporal Campbell in my presence . The warning was given in this manner: Before you say anything about the charge against you I wish to read you the following warning. You are charged with being in possession improperly of government stores, the property of the public. Do you wish to say anything about the charge. You are not obliged to say anything unless you wish to do so, but whatever you say will be taken down in writing and may be given in evidence.

Q Did the accused indicate whether or not he wished to make a statement ?

A Yes, he did.

Q Did he indicate what type of statement he wished to make ?

A He said he preferred to make the question and answer type of statement.

Q Was a question and answer type of statement then taken ?

A Yes, it was.

Q Who gave the questions ? Who asked the questions ?

A Corporal Campbell.

Q Were you present ?

A Yes, sir. I asked some of the questions. Corporal Campbell asked some of the questions. There were only eight or ten questions asked.

Q What type of statement was that ?

A It was a voluntary statement, sir.

Q As Provost sergeant, have you ever taken sta tements before ?

A Yes, sir.

Q Do you know what needs to be, what essentials must be present when warning the accused before a statement can be obtained that might be admissible in a Court ?

A I do, sir.

Q What are those essentials ?

A He must not be threatened; no promise of favour must be held out to him, and it must be entirely voluntarily.

Q Was the accused threatened in any way ?

A No, sir.

Q Was any prospect of any favour held out to him or promise that he he made a statement, he would get any benefit out of it ?

A No, sir.

---PROSECUTOR: I think that is all I have, sir, in connection with this witness for the moment.

Q ---THE DEFENDING OFFICER CROSS-EXAMINES: In short, Sergeant, the accused was invited to make a statement.

A The accused was given an opportunity to make a statement. He was asked if he wished to do so, which he said he would do. I don't know whether you would say invited. I would say he was given an opportunity of making a statement when we had completed our inventory of the goods.

Q That is certainly an invitation: do you wish to make a statement? .

A Those were the words, do you wish to make a statement?, we asked him.

Q You would agree that would be a bid, an invitation to make a statement, if he wished ?

A It could be considered as such.

Q In any event, the statement was not spontaneous on the part of the accused. He didn't ask if he might make a statement, did he ?

A No, I don't believe. I believe the question was brought up by myself and Corporal Campbell as to the fact of his wishing to make a statement and he then asked us, or we asked him, what type he would like to make when he signified his wish to make a statement.

---THE PROSECUTOR DECLINES TO RE EXAMINE.

Q QUESTIONED BY THE PRESIDENT: I believe you said it was on the 11th of August, 1945, that you went to the home of the accused at Sutton West ?

A I did, sir.

Q About what time of the day was it ?

A About 1130 in the morning when we arrived at his home.

Q When you arrived there, did the accused identify himself to you ?

A He did sir, he was working in the back yard.

Q As soon as the accused identified himself to you, what was next said ?

A I then told him that I had a complaint, that he was, that he had in his domicile certain articles or equipment which were military, and which he had no right to. We had that complaint. I asked him if that were true, and he said, yes, he had.

Q Did he say anything more about that ?

A Not at the time. We asked him if we might search, if we might look through his house with the idea of recovering the goods; and going through the house he explained to us how he had these goods. I don't know whether I can admit that as evidence, he wasn't charged, but he did say...

Q Was this matter purely under investigation at that time ?

A It was. There was no question of a charge being laid; it was just a matter of the goods being recovered. He told us he was employed at the Returned Stores Depot, and the goods he had would be destroyed, and rather than see them destroyed, he considered he could put them to more beneficial use. He had children of his own, and the children could make use of them, rather than see the goods destroyed. He also said it was a practice for others besides himself to take these goods and he had never considered the thing from any criminal aspect. He thought everybody was doing it, and he might as well do it also. That is the way he explained it.

Q Did you have any other conversation with him while going through the house ?

A Our conversation then turned to the man's own military record, in which he told us he had been in the Army for a period of five years, and that he had never had a crime in all the time of his service. He had served overseas, and was back here for medical reasons; and had served in the militia prior to the War; and had never had any crime either civil or military. This was the first time anything of that nature had ever happened.

Q Was Corporal Campbell there all the time through this conversation ?

A Yes, he was.

Q What time was it the following day you obtained this statement ?

A It was the same day. On the 11th of August, in the evening about 1830 hours.

Q You say it took place in the presence of Corporal Campbell, yourself and the accused, in the Orderly Room at 339 George Street ?

A Yes, sir, in the Orderly Room at 339 George Street in Toronto.

Q When this took place were there any others present at any time ?

A Yes, there were.

Q Who were they ?

A There were other men in the Orderly Room, but they had no contact with myself or the accused, or Corporal Campbell. When the statement had been completed, I do believe the Sergeant Major spoke to Private Bones.

Q During the taking of the statement from the accused, until the statement from the accused, until the statement was completed, was there anybody in that room besides the three of you ?

A Yes, sir.

Q For what purpose ?

A One of them is the telephone despatcher, and the other is the Sergeant Major of the Unit, and he was working at his desk on routine matters.

Q In the same room ?

A Yes, sir. In the same room.

Q When questions were being asked and answered ?

A Yes, sir.

Q Did he take part in it ?

A No, he didn't. At that time I was trying to have the accused placed under open arrest by someone in his Unit. The statement had been made, and I tried to get in touch with the Unit to notify them he wasn't to be on his tour of duty that night. I did do that in Toronto; but I did get in touch with Aurora to see if they would accept the responsibility of the man for trial, or for Orderly Room, but I wasn't successful.

Q Did the other soldier in the room go in and out or did he remain throughout ?

A The despatcher didn't leave his desk. His desk is at the front of the room, and we were at the rear of the Orderly Room.

Q Would he know anything that might have transpired ?

A I don't think he would get any connection. He might hear certain words, but I don't think he could get the connection

Q Apparently this was a question and answer business ?

A Yes, it was.

Q All the questions that were asked at that time, and all the answers that were made, are they all in this document which I understand is in your possession ?

A Yes, sir.

Q Were any other questions asked that do not appear in that statement ?

A No, sir. There were no other questions asked.

Q Were any other answers made ?

A There were no other answers made. The only other answer that might have been made and which might not appear in the statement is to the effect that this was a common practice at Aurora, this pilfering; and I can't recall, without reading the statement over, if he was asked that question in the statement, but I do know he made that answer.

He did say that.

Q I don't wish to know what is in the statement. My purpose in asking you the last question was to find out if everything that was said in the room was recorded in this statement which you propose to produce.

A As far as I can recall everything is in the statement that we asked him.

Q Why was it necessary, Sergeant Atkinson, to obtain the statement from the accused in view of what he had told you earlier in the day at his own home?

A I might answer that this way, by saying that in all cases of this type, either from civil experience, and also from military experience, we take statements from the accused where it is possible, and then we have them to produce, or as a record to be produced, in any courts which might follow. It is laid down in our duties that we do take statements where possible.

Q Did you or Corporal Campbell or the accused raise any question as to the charge being one of theft or of receiving at either the conversation at Sutton West, or the conversation later over at 339 George Street ?

A No, sir.

Q How was that caused ?

A In all my questioning and in all my interview with the accused, I only brought up the point that he would be charged, as far as we were concerned, with being in possession of the goods, or the property of the public improperly; but we didn't discuss the question of theft.

Q Was there any discussion as to the relative punishment of theft as against the punishment for receiving, between either you or Corporal Campbell or the accused ?

A No, I don't recall any. We didn't discuss the matter of theft in any way. It was a matterof his being in improper possession. We didn't discuss any of the merits, or demerits, between that charge and the charge of theft.

Q Did you discuss the matter of punishment with the accused in any way ?

A Not at the time I didn't.

Q Neither at Sutton West,nor when the statement was taken ?

A I spoke to him after the statement was taken.

Q Apparently, you had made up your mind that it was improper possession, and it was from that angle you took the matter up with the accused, is that correct ?

A That is right, sir.

Q Had the accused been charged with any offence prior to his making the statement which you are now tendering ?

A No, sir. It was not until afterwards that he was charged. He was charged and then warned. That was when the statement was made.

Q Was the charge laid prior to the time when the question and answer statement was taken ?

A No, sir.

Q It was not until after the charge was laid ?

A Yes, sir.

Q Was any inducement of any kind made to the accused to obtain the information the first time - or the statement ?

A No, sir, the accused was, I might say, most co-operative. When we told him we were aware of this he took us and showed us these goodi He produced the ones we didn't recover. In his whole investigation, in his recovery, and the statement he made, he was most co-operative. He wanted to get the thing off his chest. It was his own idea.

Q So, no inducement was made to him ?

A No, sir.

Q Was there any threat of any kind made to him ?

A No, sir.

Q Was there any promise of any kind made to him ?

A No, sir.

Q Had you, when you got the statement at Sutton West, made up your mind to charge the accused ?

A No, I had not.

Q Had you, prior to getting the question and answer statement, made up your mind that a charge would be laid against the accused ?

A No, as a matter of fact, when we left Sutton West, we proceeded to Aurora, to get in touch with the Officer Commanding at Aurora, to turn the whole business over to him, and there was nobody there other than the security guards; consequently we had to proceed to Toronto, and deal with the matter ourselves. But we wished at the time to turn the matter over to the Officer Commanding at Aurora.

Q Before this statement - before this question and answer statement was signed, that is after you asked the questions, and the answers were made, before the accused signed it, or before either of you signed it as witnesses, was the accused given an opportunity to do anything in connection with it ?

A Yes, sir. He read it over.

Q Did he have any comment to make, or anything to say about it ?

A He said that that was his statement. He was satisfied with the questions, and that he considered it a complete statement.

Q Was he invited to make any corrections in the statement ?

A I believe there was one or two places where it was necessary to make a change and he initialled the changes. It is only the matter of the date, and the mis-spelling of a word.

Q Was this statement induced by any fear of prejudice or hope of advantage ?

A No, sir.

Q Have you given us all the circumstances preceding the signing and obtaining of the writeen statement, or what is known as a confession ?

A Yes, sir.

Q ---PRESIDENT: Are there any questions arising out of my examination, gentlemen ? Captain Downey ?

A ---PROSECUTOR: It came to my mind as a result of your examination, could we - would you ask the witness the time when the accused was put under close arrest. In other words, was he under close arrest or under open arrest at the time the statement was given ?

Q ---PRESIDENT: Was the accused under either open arrest or close arrest at the time the question and answer statement was made ?

A ---WITNESS: No, he wasn't. It was after the statement was made that I phoned the members of the man's Unit to have him placed under open arrest. My instructions were if I had to take the responsibility for him, I had to place him under close arrest. I had to proceed with that because no one in the accused's unit would take that responsibility.

Q ---PRESIDENT: Have you any questions, Mr. LeBer ?

A ---DEFENDING OFFICER: No, I have none, sir.

Q ---PRESIDENT: Sergeant Atkinson, how long have you been in the Canadian Provost Corps ?

A ---WITNESS: Four years, sir.

Q Did you have any experience previously in the civil police ?

Q And where ?

A Timmins, Ontario.

Q With the local police or the provincial police ?

A Yes, sir, city police.

A ---DEFENDING OFFICER: No, sir.

---THE WITNESS WITHDRAWS.

B-97703 Lance Corporal Peter CAMPBELL, 31 Company, Canadian Provost Corps, being duly sworn is examined by the Prosecutor:-

Q Just tell the Court exactly what you do ?

A I am employed on investigation with 31 Company, Canadian Provost Corps

A Yes, sir.

Q What, if anything, happened on that date that might be relevant to this charge ?

A On investigation at the Bones' residence at Sutton West...

Q Who was with you ?

A Sergeant Atkinson, 31 Company, Canadian Provost Corps accompanied me.

Q To the Bones' residence in - where did you say ?

A SuttonWest, Ontario.

Q Who lived there ?

A Private Bones.

Q Who is he in this case ?

A The accused. His wife and four children..

Q Do you know why you went up there on an investigation ?

A We arrived at the Bones' residence at 1140 hours on the 11th of August.

Q What did you see when you arrived there ?

A I saw the accused in the back yard..

Q Any conversation between you and the accused, or Sergeant Atkinson ?

A We told the accused that we had information that he was in possession improperly of stores, the property of the public.

Q Did the accused make any answer to that ?

A The accused admitted he did have stores.

Q And did he tell you anything else ?

A We asked the accused for permission to search the house, which he gave us.

Q Did you have any trouble getting permission from him ?

A No trouble whatever.

Q What was his attitude ?

A He co-operated to the utmost extent with us.

Q Alright. Concerning the search.

A We searched the house, Sergeant Atkinson and myself.

Q What did the accused do ?

A He assisted us in the search, and told us where the articles were, and anything we didn't discover he picked them out for us.

Q What was done after you obtained the articles ?

A After we obtained the articles we put them in our D.N.D. vehicle and took them, along with the accused, to the Returned Stores Depot at Aurora. When we arrived at the Depot in Aurora, there was nobody in authority to take care of the accused. We proceeded to our Headquarters at 339 George Street in Toronto.

Q Do you remember any other conversation that might have taken place between yourself and the accused or Sergeant Atkinson, between Sutton West and Toronto ? Was there any other conversation ?

A There was conversation about how the stores came to be at his home .

Q Tell us about that .

A The accused stated it was common practice for anyone in the Returned Stores Depot to take these stores.

Q Did he say anything else that you recall ?

A I don't recall anything else at the time.

Q Between the time you left Sutton West and you arrived in Toronto, was there any conversation between either yourself or Sergeant Atkinson and the accused relevant to this charge? Did you discuss it with the accused or not ?

A No, sir, we didn't discuss the case.

Q After you came to Toronto, what did you do with all these things you had taken from the accused's home ?

A They were taken into a room where..

Q Whereabouts ?

A At 339 George Street, Toronto. They were taken ..

A Sergeant Atkinson and myself in the presence of the accused.

Q What was done with the articles ?

A They were put in kit bags and were placed in a locked room in the basement of our barracks in the presence of the accused.

Q What was done with these articles after that ? What was done with them after that ?

A The followingTuesday, that would be the 14th, Tuesday, the 14th of August, they were removed to the OrdnanceDepot at Bay and Fleet Streets.

Q What was the purpose of that, do you know ?

A To be identified and valued.

Q Was this done ?

A Yes, sir.

Q Was there any proceedings of a legal nature taking place at that time when they were taken to Eeet Street ?

A I don't quite understand what you mean, sir.

Q Was there a Summary of Evidence taken in this case ?

A Yes, sir.

Q By whom was it taken do you remember ?

A Captain Downey.

Q That is myself. Did you give evidence at that Summary of Evidence ?

A Yes, sir.

Q Were these goods produced at the Summary of Evidence ?

A Yes, sir.

Q Do you know ~~what goods~~ what goods that the accused is charged with, first of all, stealing, or alternatively, being in improper possession of ? Do you know what goods are designated as such ? Do you know what they are ?

A Do you mean these here ?

Q You know the goods, do you ?

A Yes, sir.

Q Are the goods that the accused is charged with stealing, are they the ones, or were there other ones brought by you, from the accused's home on that occasion as well ?

A There were others that were not identified.

Q Do you know what was done with these goods or articles ?

A Some of the articles were on the man's SOO. All the articles that were credited to the accused on his SOO, these articles were returned to the accused.

Q Were there any other articles that he is not charged with ?

A Yes, there were other articles that were not identified as property of the public.

Q I see, and he wasn't charged with them ?

A No, sir.

Q Was a list made of these articles ?

A Yes, sir.

Q Where are the articles that the accused is charged with taking ? Do you know where they are at the present time ?

A Right here in this room.

Q How did they get here ?

A By Sergeant Atkinson and myself.

Q By what means ?

A D.N.D. vehicle.

Q Where did you get them ?

A They were taken from the room in the basement, at our barracks.

Q And brought from there to where ?

A From there to this room here now.

Q What has happened to the goods in the meantime ? Since the taking of the Summary of Evidence, in whose possession have they been ?

A They were in our possession up until the time they were taken to Bay and Fleet Streets. After that they were placed in a locked and sealed room. The only person who had a key to this room would be the Orderly Officer.

Q Did they remain in this room until they were brought here ?

A Yes, they were returned from there to our barracks and then brought here.

Q That is what happened, is it ?

A Yes, sir.

Q I am going back again in your story to the 11th ofAugust, 1945; you remember you told me that the accused, and yourself and Sergeant Atkinson came to 339 George Street, right ?

A Right, sir.

Q After an inventory was taken of these goods, did you or did you not have any conversation with the accused ?

A You mean prior to the inventory being taken ?

Q After the inventory was taken ?

A Yes, sir, after the inventory was taken we had.

Q Was anything done as a result of this conversation ?

A The accused was asked, at least he was cautioned and asked if he wanted to make a statement, a voluntary statement.

Q Did he or did he not make a statement ?

A Yes, sir, he did.

Q Was it a question and answer statement, or was it in narrative form ?

A Question and answer.

Q Why was it question and answer ?

A At the discretion of the accused, which he wanted. We asked him which he wanted to make, a question and answer statement, or a statement in story form.

Q Who asked the questions ?

A I did.

Q Who typed them ?

A Sergeant Atkinson.

Q What kind of a statement was it that he made, do you think ?

A It was a voluntary statement.

Q Why do you say that ?

A The accused was cautioned. He was not threatened; and there were no promises held out to him.

Q Have you had any - how long have you been in the Provost Corps ?

A Since May 20th, 1942.

Q Have you had any experience taking statements from soldiers ?

A Yes, sir.

Q Have you ever had police experience before ?

A Yes, sir.

Q Where ?

A In the township of York .

Q How long ?

A Three years.

Q I am showing you a document which has not yet been accepted by the Court. Would you tell us what that document is. Don't read any part of it but tell us what it is.

A A voluntary statement taken from the accused at 1830 hours on the 11th of August, 1945.

Q Are there any signatures on it ?

A It was witnessed by Sergeant Atkinson and myself and signed by the accused ?

Q How do you know it was signed by the accused ?

A It was signed in my presence .

Q You mentioned the fact he was cautioned. Can you tell the Court just what the words were that were used ?

A "Before you say anything about the charge," This is the warning: "You are charged with being in possession improperly of stores the property of the public. Do you wish to say anything in answer to the charge ? You are not obliged to say anything unless you wish to do so, but whatever you say will be taken down in writing and may be used in evidence."

Q Who read that off to him ?

A I did.

Q Don't tell us the effect of what he said; but, did he indicate whether or not he wanted to make a statement after that ?

A Yes, sir, he said he wanted to make a statement .

---PROSECUTOR: I think that's all I have, sir, in connection with this.

Q ---DEFENDING OFFICER CROSS EXAMINES: I understand, Corporal Campbell, from your evidence, that the accused was invited to make this statement ?

A No, sir, he was not invited to. He did so voluntarily.

Q But, you have told us he was asked, did he wish to make a statment ?

A Yes, yes he was asked if he wished to make a statement.

Q Well, that is surely an invitation to make a statement, don't you agree?

A I can't answer that question, sir.

Q Now, you have just said that in connection with the accused, a voluntary statement was taken from the accused. Now, does that sound to you as though a statement was voluntarily made by the accused ?

A The statement was made voluntarily by the accused.

---DEFENDING OFFICER: No further questions, sir.

---THE PROSECUTOR DECLINES TO RE EXAMINE.

Q ---QUESTIONED BY THE PRESIDENT: Corporal Campbell, when you went out to Sutton West and you saw the accused at his home there, would you tell us just what conversation went on between either Sergeant Atkinson or yourself, and the accused ?

A You mean prior to going into the house, or ...?

Q Prior to going into the house ?

A Prior to going into the house, the accused was told by Sergeant Atkinson that we were in possession of information indicating that he was in possession improperly of stores the property of the public, which the accused admitted.

Q Was there any further conversation before the accused made this admission ?

A No, sir, not other than Sergeant Atkinson and myself identifying ourselves.

Q What did the accused say in making that admission ?

A What did he say, sir ?

Q Yes, if you can remember ?

A He said that he had some stores in the house.

Q And then after you went into the house, I think you stated that he assisted you in every possible way to find the stuff ?

A That's right, sir.

Q Did you make any further comments to him in the house, or he to you, with respect to the stuff you found there ? You see, I want to get the whole circumstances ?

A I don't recall anything other than asking how he came to having the stuff there, and the accused admitted, or stated, it was a common practice for the personnel of the Returned Stores Depot to take these articles.

Q You can't remember any other particular conversation which may have taken place then ?

A No, sir.

Q Had a charge been laid at that time, or was the matter under investigation ?

A No charge had been laid.

Q Was this purely an investigation that Sergeant Atkinson and you were carrying out ?

A Yes, sir.

Q Did you attempt to obtain any statement from the accused after, when you did find the stuff in Sutton West ?

A No, sir.

Q And before you took this formal question and answer statement had a charge been laid against the accused by anyone ?

A No, sir.

Q I take it then, that the charge was subsequently laid. The charge was later laid against the accused ?

A The charge was later laid, yes, sir.

Q Why did you and Sergeant Atkinson decide to take a formal statement from the accused, in view of what he had told you earlier in the day ?

A Well, the accused was charged. He had to be cautioned, before you could question him.

Q Well, that is not what I am getting at. What I am getting at is this: Earlier in the day he did admit that the stuff you had fouhd in his home was in part, public property, or property belonging to the public. Why, after his having admitted that, did you decide to get a formal statement from him ?

A Up until the time we arrived at the Returned Stores Depot with the accused and the goods, we were not particularly interested in the case. We were willing to turn it over to the Commanding Officer or the 2 i/c to be dealt with. When we arrived at the Returned Stores Depot, there was nobody in authority to take charge. We had to take over ourselves. The statement was taken to produce as evidence at the trial or hearing

Q After you found that nobody was taking charge in Aurora, did you then take over the case ?

A Yes, sir.

Q Is that the reason you obtained the statement from the accused at that particular time ?

A Well, it is a common practice when we charge any person, to endeavour to take a voluntary statement.

Q Had the actual charge been laid just previous to your obtaining this statement, or was it obtained or was it laid after the statement was taken ?

A Will you repeat that ?

Q Was this statement taken from the accused after he was formally charged, or after the charge was laid ?

A He was charged before the statement was taken

Q By whom ?

A By myself and Sergeant Atkinson.

Q How had the charge been laid ?

A The accused was told he was going to be charged.

Q But had any actual charge been laid in a formal way ?

A No.

Q I take it, it was laid after, was it ?

A Yes, sir.

Q And though the formal warning shows, as I remember it, you are charged with something...

A I don't profess to remember, that is, not right off.

Q You may refresh your memory .

A "Before you say anything about the charge preferred against you, I wish to read you the following warning. You are charged with being in possession improperly..."

Q That's what I am getting at. That, in fact, was not absolutely technically correct, in every sense of the word, because a charge was laid later, is that right ?

A That is right, sir.

Q I just wanted to clear that up, Corporal. In the statement which it isproposed to tender to the Court, are all the questions and answers contained therein ?

A Yes, sir.

Q Were there any questions asked which were not answered by the accused ?

A No, sir.

Q And what was done, what,if anything, was done, before the accused signed the statement ?

A The accused was given the statements to read; he read them over, and he stated that they were correct before signing them.

Q Did you say the statements, or the statement ?

A The statement.

Q The statement that has been referred to ?

A Yes, sir.

Q And did he ask that any corrections be made, or that anything be changed ?

A Not to my knowledge

Q Pardon ?

A Not to my knowledge.

Q Were any corrections, or anything of that nature made ?

A I believe there was a correction made in the date. This was signed by the accused.

Q Was that done at the time, during the time he was reading that over, or when the statement was taken ?

A That was done later. After he had read it over.

Q Before or after he had signed it ?

A It would be after he signed it.

Q Was any inducement held out to the accused ?

A No, sir.

Q Was any threat made to the accused ?

A No, sir.

Q Was any promise made to him ?

A No, sir.

Q Was this statement induced by any fear of prejudice or hope of advantage to the accused ?

A Absolutely not, sir.

Q Was the accused induced to speak through the prospect of his receiving a less severe punishment than that which a conviction on theft might entail ?

A No, sir.

Q In other words, this whole matter of everything which took place in connection with the verbal statement at Sutton West, and the question and answer statement at Toronto, has been stated, Corporal ?

A Yes, sir, I think so.

Q You think everything has been stated that took place, as nearly as you can remember, is that correct ?

A That's right, sir.

Q ---PRESIDENT: Are there any questions arising out of my examination, Captain Downey ?

A ---PROSECUTOR: No, sir.

Q ---PRESIDENT: Mr. Le Ber ?

A ---DEFENDING OFFICER: Did you wish to enquire if there were any other people in the room ?

Q ---PRESIDENT: Well, yes. During the time that this statement was being taken, Corporal Campbell, were there any others in the room, that is, besides the accused, Sergeant Atkinson and yourself ?

A The despatcher would be in the room.

Q Who would he be ?

A I couldn't be sure just who the despatcher was that night.

Q Anyone else ?

A And the Sergeant Major. I wouldn't say whether he was in the room when the accused was cautioned, but I do know he did enter the room and went out and re-entered on different occasions.

Q Was there any other possible person who might have been in there during the time this statement was being taken '

A Not to my knowledge, sir.

Q ---PRESIDENT: Any other questions, Mr. LeBer ?

A ---DEFENDING OFFICER: No, sir.

---THE WITNESS WITHDRAWS.

---PRESIDENT: It has been brought out that there were two other people in that room, and my view is that anyone who was present in the room at the time should be produced, if possible, whether they know anything that occurred, or not. I don't know whether you agree with me or not, Captain Downey, or Mr. LeBer, but that is my view at the moment. I would not like to break this up by bringing in other witnesses, and breaking up the trial within the trial.

---PROSECUTOR: I think possibly I could ascertain if these witnesses were available.

---PRESIDENT Will we be able to get any further to-day anyway, in view of what has just come out, Captain Downey ?

---PROSECUTOR: If these witnesses are available we couldn't get any further to-day. If, on the other hand, they are not available, and cannot be called in any event, we could proceed a little further with the evidence on tha case itself.

---PRESIDENT: I think the Court should adjourn until 1000 hours to-morrow.

---On the 11th day of September, 1945, at 1615 hours, the Court adjourns until 1000 hours on the 12th day of September, 1945.

---At 1000 hours on the 12th day of September, 1945, the Court re-assembles pursuant to adjournment

---PROSECUTOR: Sir, there has been some mention made in the evidence of Sergeant Atkinson and Corporal Campbell, the two Provost N.C.O.s, with reference to the fact that there may have been other people present when this alleged confession was taken, or taken and signed, by the accused. It was considered that the Prosecution should endeavour to secure the attendance of these witnesses, for the purpose of placing the whole matter before the Court, in fairness to the accused. It appears, after an investigation, made by the Provost N.C.O.s, that both of these witnesses are not available to give evidence at the present time. It appears that one, C.S.M.Phillips is presently on furlough, and is believed to be in New York City, and the other one, the despatcher, John Cairns, is on, what is called in the Provost Corps, a long change. He is out of the city and cannot be reached. It might be possible to obtain the attendance of these witnesses, but it would necessitate asking the Court for an adjournment, and I am unable to say at the present time - to obtain the presence of these witnesses at the present time, and I hope, with the concurrence of the Defending Officer, I am asking the Court to more or less consider the fact I have attempted to contact these witnesses and cannot do so.

---DEFENDING OFFICER: The Defence concurs with theProsecution in this regard. We do wish to recall, however, the two Provost witnesses for some short questioning.

---PRESIDENT: In connection with the trial within the trial ?

---DEFENDING OFFICER: Yes, sir.

---PRESIDENT: I would certainly grant you that right. Whom would you like to call ?

---DEFENDING OFFICER: Sergeant Atkinson.

5th Witness for THE PROSECUTION (recalled)

B-97712 Sgt John ATKINSON, Investigation Section, 31 Company, Canadian Provost Corps, 339 George Street, Toronto, Ont, is recalled on his former oath at the request of the Defending Officer and questioned through the President:-

---DEFENDING OFFICER: The Defence would like to know why the present witness is dressed in civilian clothes

Q ---PRESIDENT: Why is it at this trial you are dressed in civilian clothes, Sergeant Atkinson ?

A ---WITNESS: I am operating under the authority of the D.A.P.M., and Major Mc Mahon, our Officer Commanding, to wear civilian clothes in the execution of my duties. I have my authority.

Q ---PRESIDENT: Do you wish to see the authority ?

A ---DEFENDING OFFICER: That is acceptable. Might I also know if the witness was so dressed in civilian clothes on the 11th of August.

Q ---PRESIDENT: On the 11th of August, when you made your investigation and took the accused to 339 George Street, Toronto, were you and Corporal Campbell in civilian clothes ?

A ---WITNESS: We were sir.

---DEFENDING OFFICER: That is all, sir.

Q ---PRESIDENT:- Do you wish similar questions to the other witness ?

A ---DEFENDING OFFICER: I guess not, he included Corporal Campbell in that answer.

---THE WITNESS WITHDRAWS.

---PRESIDENT: Mr. LeBer, you have the right, and privilege, at this time to call the accused and have him give his story about what happened, or any witnesses, at this trial within a trial. What is your pleasure ?

---DEFENDING OFFICER: The Defence does not wish to call the accused or any witnesses, sir.

---PRESIDENT: The question now arises as to admission or non-admission of this confession. I think Captain Downey, you speak first.

---PROSECUTOR: At page 90, in the Manual of Military Law, the law is set out pertaining to admissions and confessions, and as it is rather lengthy, I therefore do not propose to read it to the Court,

---PROSECUTOR (Cont'd) but just refer to the paragraphs. The first paragraph deals with rule as to admissions. Paragraph 72. Paragraph 73 deals with meaning of confessions. Then 74: confessions must be voluntary. I would like to read that: "The rule is that before a confession can be received in evidence it must be proved affirmatively by the Prosecution that it was free and voluntary." Paragraph 75 deals with confessions when not deemed voluntary. Paragraph 76 deals with confessions when deemed voluntary. Then it goes on to 77 and 78; and in 78 there are nine rules which have been laid down by the Judges of the King's Bench Division, and which are applicable. And then there is paragraph 79, 80, 81, 82, and 83. I think the real test is whether or not this confession is voluntary or free. On that we have evidence before the Court from two Provosts, and it is submitted that the very appearance of the Provosts before the Court, and the way they have given their evidence, is indicative of the type of men they are; and the Court could see how they gave their evidence, and that their evidence should be believed. They seemed to be very fair and impartial, and even more or less towards the accused. They told the Court how co-operative he was; and I think they tried to give the Court the impression that the accused really helped them in their investigation. I think they wanted to be fair to him in that regard.

However, we find that the two Provost, from the evidence, went to the accused's home, and met him in his back yard; and he was asked if he had any property belonging to the public or government, and he right off the bat, said, in fact, yes. He gave them permission to search his house . They had no trouble. He helped them find the articles, even obtained articles and gave them to the Provosts that they did not even find. He was most co-operative. At the time he apparently told them - he admitted he had this government property. The reason he had it was because it was a common practice for the personnel at the Returned Stores Depot to take these goods, and put them to some beneficial use, rather than see them be destroyed.

---PROSECUTOR: (Cont'd) In any event, the accused accompanied the two Provosts in the station wagon together with the government articles, to Toronto; and they told us he was not under arrest. He apparently came voluntarily; and while in Toronto, after the goods were checked, he was asked if he wished to make a statement. At that time, apparently, he had not been charged, and he was not under arrest. Thereupon he indicated to the two Provost that he wanted to make a statement by means of question and answer. Lance Corporal Campbell asked the questions and Sergeant Atkinson typed out the statement, answers yes and no, I am sorry, questions and answers. They tell us also in evidence, these are the only questions and answers that were given. In other words, they gave the whole situation.

After the confession, or alleged confession, was taken down, the accused read it, signed it, it was witnessed by the two Provosts and the accused signed it in their presence; and later on there was a change made and it was initialled by the accused.

The Provosts say there was no threat - they testify they did not threaten the accused, nor did they hold out to him the prospect of any favour..

It is very respectfully submitted, looking at the evidence as a whole, that the statement obtained was free and voluntary, and therefore, it is urged, and submitted to the Court, that same should be accepted as admissible in this case.

---DEFENDING OFFICER: Sir, the Defence objects to the acceptance or consideration of this proposed exhibit on the grounds that the statement it contains was not obtained in a free and voluntary manner. It cannot be said to be a free statement when both the Provost witnesses acknowledge there were other than themselves and the accused

---DEFENDING OFFICER (Cont'd) in the same room and within hearing during the interview; and two: as regards it being a free statement, we find both the Provost witnesses appearing to the accused at his home in civilian clothes, which hardly bespeaks the comrades-in-arms policy that usually applies in the army, by which the accused would have felt more at ease, instead of being under the impression he was being investigated by some type of special investigator. Nor can it be argued the statement was obtained voluntarily, because, as Corporal Campbell says, the statement was taken from the accused. Then, secondly, both the Provost witnesses said the accused was asked if he wished to make a statement. Certainly this shows the accused did not specifically request to make a statement. He did so at the bid of the Provosts, and it cannot be argued he voluntarily made a statement. Thirdly, it seems there was confusion as to whether the accused was charged before the statement was taken, or after the statement was taken, and this no doubt, was equally confusing to the accused.

With all these factors considered, the defence is definitely of the opinion, the statement of the accused was not obtained in a free and voluntary manner.

---PRESIDENT: The test of whether this alleged confession should be admitted or not, is whether it was free and voluntary. I have listened very carefully to the evidence which has been put in; and it seems to me that this was in every sense of the word, a free and voluntary statement. As the two Provost said that they, or one of them, asked the accused if he wanted to make a statement, after having identified themselves to the accused at his home in Sutton West, they informed him he could either make it in narrative form, or that he could make it in question and answer form. He advised them that he

---PRESIDENT: (Cont'd) would prefer to make it by question and answer. The questions were asked and asnwered; and I have no reason to disbelieve the evidence which has been given before me, that these were the only questions and answers given. The statement was signed, according to the evidence, was read over, - was read over first, was signed, and some correction made afterwards and initialled by the accused, according to the evidence. All these facts, to my mind, establish a free and voluntary statement, and there is certainly no evidence that the accused was threatened, or there was any prospect of favour held out to him. I find this was a free and voluntary statement, and it will be admitted.

---PROSECUTOR: I wish to recall Sergeant Atkinson to produce the statement.

Sergeant Atkinson is recalled, and questioned by the Prosecutor:-

Q ---PROSECUTOR: The President of this Court-Martial has just ruled that the statement obtained from the accused is admissible in evidence. Would you, therefore, please offer that statement to the President of the Court as an Exhibit.

A ---WITNESS: This is a document headed "Headquarters, 31 Company, Canadian Provost Corps, 339 George Street, Toronto, 1830 hours, 11th of August, 1945" and is the statement of B-75591, Private Bones, Horace Granville, R.C.O.C. Returned Stores Depot, Aurora, Ontario.

Q Would you then, just hand it to the President of the Court.

---Pertinent parts are read to the accused, document is marked Exhibit "F" signed by the President and attached to the proceedings.

Q ---PROSECUTOR: I believe, Sergeant Atkinson, did you tell us yesterday, that the goods and stores obtained by yourself were - and Lance Corporal Campbell, were brought to this Court-room by yourself and Corporal Campbell ?

A That's right, sir.

Q Did you tell us that, is that right ?

A That's right, sir.

Q Are these goods in the Court-room at the present-time ?

A Yes, sir.

Q Now, I will take you back now to the time - who checked the stores with you? You did check the stores, you told us, at Ordnance with - who checked them with you ?

A I believe he is Sergeant Donat, and there was a Quartermaster Sergeant there also. I don't recall his name. Two members of the R.C.O.C. at that Depot.

Q Was there anything done at the time of that check in order to give the accused credit for any articles that might be found on his M.F.C. 800 ?

A There was sir.

Q Tell us about that.

A His 800 was procured, his M.F.C. 800, and all the articles shown to be on the 800, on charge against the accused, were taken from the equipment which we had seized, and returned to the accused.

Q And what was done with the articles which you were not sure of ? In other words you were not sure they were public property.

A They are at present in the Court, and were done up in separate bundles and no charge against the man was made.

Q ---PRESIDENT: Regarding those articles ?

A ---WITNESS: Regarding those articles, sir.

Q ---PROSECUTOR: Now, the articles that were considered to be government property, or public property, are where at the present time ?

A They are in the Court-room now.

Q Will you then offer as Exhibits at this Court-Martial those articles, one by one, and telling the Court what the article is and whether or not it is public property, and how you know it is public property. Starting with the way they are set out on the charge-sheet.

A The first exhibit is a set of handcuffs or shackles for which there is no key, sir.

Q ---PRESIDENT: You have seen these. Have you any objection ?

A ---DEFENDING OFFICER: I wish to object on the grounds you called them a pair of shackles.

---WITNESS: They are known as shackles or handcuffs. These are the old style. They used them to place the prisoners of war under restraint. They termed them as a shackle then. I think some police departments might still use them and might still call them a handcuff.

---PRESIDENT: Handcuff or shackle is how you recognize them.

---DEFENDING OFFICER: The objection I have will apply to all these exhibits. It has already been shown in evidence before this Court that there is a time when these articles after they are sorted out then become known as so much poundage or rubbish.

---PRESIDENT: The objection is noted, but the articles will be admitted as exhibits subject to any later objection you may have.

---Handcuffs are tagged, marked Exhibit 1 for purposes of identification.

---WITNESS: The next exhibit is a knife.

A ---WITNESS: They are Ordnance equipment and supplies, sir, and stamped by the Ordnance mark; and they are the property or inventoried at R.C.O.C. Returned Stores Depot at Aurora.

Q ---PROSECUTOR: Speaking generally, to whom do these belong ?

A ---WITNESS: They are the property of the public, sir.

Q ---PROSECUTOR: Then carry on, please, Sergeant.

A ---WITNESS: The next Exhibit are sheets, five in quantity, sir.

---Billy is tagged, marked Exhibit 5 for purposes of identification.

---WITNESS: A drawknife.

Q ---PROSECUTOR: On that partifular knife is there any government markings ?

A ---WITNESS:: Yes, there is, sir. It is on the handle.

Q ---PRESIDENT: What is the government mark on that?

A ---WITNESS: An arrow with the circle.

A ---WITNESS: Yes, it is, sir. The next exhibit is braces, of which there are five pairs, sir, and there is an Ordnance mark on the leather part of the brace, in each case, sir.

---Braces (five pr) are tagged, marked Exhibit 10, for purposes of identification.

---WITNESS: One knife. I don't believe there is a mark on that, sir. It has been identified as a British issue, but there is no mark, no Canadian mark on it, that I know of. It was issued to the Canadian Army overseas.

---DEFENDING OFFICER: It looks very similar to a Boy Scout's knife I once owned. I have never seen that as an issue.

---PRESIDENT: It is a little similar.

---WITNESS: I believe the Ordnance personnel have examined it and have identified it. It has a catalogue number, but they can probably give expert testimony on it. I am not prepared to at the time.

---PRESIDENT: This will be accepted for the time being and will be Exhibit 11.

---Knife is tagged, marked Exhibit 11 for purposes of identification.

---WITNESS: One pair of coveralls, bearing the number B-75591, which I believe is the regimental number of the accused. The possibility with this item is they are, or did, belong to the accused rightfully, and were purchased by him on repayment. I am not prepared to state whether they are his rightfully or not. They bear his number, and they may have been purchased by him according to his statement, on repayment. This question arose after the inventory had been made.

---PROSECUTOR: There is no difficulty especially about that. If they are found to be the accused's own coveralls, he will be given credit for them.

---Pair of coveralls is tagged marked Exhibit 43 for the purposes of identification.

Q ---PROSECUTOR: Sergeant Atkinson, I am showing you a document. Will you look at this document, please and tell me what it is ?

A ---WITNESS: This document is a list of the items found in the possession of the accused. It contains the item name, the catalogue number, the quantity of the item, the value placed on it, the new value, and the value that it was assessed by the members of the Ordnance who examined it along with myself in the presence of Corporal Campbell, and the accused. It is signed by myself, and Sergeant Dunnett, and Q.M.S. Melvin and Corporal Campbell.

Q What relation has the articles mentioned in that document with the articles mentioned in the charge-sheet in this case.

A The articles produced in evidence are the articles named in this list of items found in the possession of the accused.

Q What type of property are these articles mentioned in the list ?

A Public property.

Q You tell us you signed that document yourself ?

A I did.

Q Hand that to the President and tender it as an Exhibit.

Q ---PRESIDENT: Any objection ?

A ---DEFENDING OFFICER: No objection to the document, the admission of the document, but the Defence raises the question of value placed on these goods, in view of the evidence already heard, that these goods are considered as rubbish, and can only be properly valued as so much poundage or rubbish.

---PRESIDENT: I think I see your point, Mr. LeBer. I will accept the document because it shows the articles as listed in the charge-sheet, but with regard to their value, that will be up to the prosecution to establish, if it so desires, in the proper way.

---Pertinent parts are read to the accused, document is marked Exhibit "G" signed by the President and attached to the proceedings.

---PROSECUTOR: In connection with just what has been stated by the Defending Officer and yourself, I would just like to point out that the accused is not being charged with any amount on the charge-sheet. There is no valuation of money in the charge-sheet.

---PRESIDENT: I quite realize that, but as this does show values, if it is your intention to prove values, I think the evidence would have to be tendered in the normal way.

---PROSECUTOR: I think the witnesses which I intend to call from Ordnance to give evidence, can possibly give us that evidence.

---PRESIDENT: I think that is up to you to carry out in your own manner, Captain Downey. What I am trying to make out is this: I am not making these out as true values until they are brought out by a witness in evidence.

Q ---PROSECUTOR: Sergeant, where was the accused when this inventory was checked - when it was being made ?

A He was present with us at the Ordnance Depot at Fleet and Bay Street.

Q Did he take any part in assisting you in taking the check ?

A Yes, sir, he did. He co-operated in every way possible.

Q Was he or was he not present when the list was made up from which that present exhibit was later typed ?

A Yes, he was. There was a rough copy made and this is a true copy of the rough copy, I believe, sir.

Q ---PRESIDENT: Was he present when this was signed by these various people whose signatures appear here ?

A I don't think he was. I am not certain of that.

---PROSECUTOR: I don't think the witness could answer that question, because it was signed in front of me and I don't remember whether the accused was present or not.

Q ---PROSECUTOR: Sergeant, referring to the Exhibit, Number 43, one pair of overalls.

A Yes, sir.

Q You will remember that you ascertained in your evidence that they bore the accused's own number ?

A Yes, they did, sir.

Q Do you know whether or not - did he get a pair of overalls when his M.F.C. 800 was being completed, - in other words,-do you understand what I mean?

A Yes, I believe he did receive one pair. He was charged with a pair of coveralls on his M.F.C. 800 and I believe there was a pair returned to him, and I am also of the opinion...

---PRESIDENT: No, not opinion.

---WITNESS: I have been informed by the accused after the inventory was made up that these overalls were his rightful property and had been purchased by him on repayment at his Unit.

Q ---PROSECUTOR: Sergeant, is there anything else you will to tell the Court yourself, in connection with this case. In other words, has the whole story been told as you know it ?

A I believe I have brought everything out that the accused stated to me in my evidence. There were certain discussions that we had after the statement had been taken, and after this inventory had been made. I could give it in evidence, but I would have to wait for authority from the President of the Court, to know whether it is permissible for me to give that evidence.

---PRESIDENT: I think anything that is relevant to these charges should be brought out because the accused is on trial charged with a serious offence.

---WITNESS: The discussions centered around how he had taken, or had in his possession these articles. He stated that the reason for it was that there was considerable example set for him by other members of the Returned Stores Depot at Aurora, in so much as they were taking goods which would later, or would subsequently be destroyed, to their own homes and making some use of them. He also stated that certain equipment had been loaned to other members of the Returned Stores Depot, and on the authority of the officers or the officer in charge of the Unit; and he considered there was no harm in taking this equipment which was of very little or no value, to his home so that he might make some beneficial use of it. That was his explanation, and I believe that was the only discussion that we had.

Q ---PRESIDENT: Who initiated what you call the discussion, Sergeant ?

A ---WITNESS: I believe I did so myself, sir.

Q ---PROSECUTOR: That is all the evidence you have for the Prosecution ?

A ---WITNESS: That is all .

Q ---THE DEFENDING OFFICER CROSS-EXAMINES: Sergeant Atkinson, you have given evidence to the fact that you searched the premises of the accused, and took away these articles before us, is that correct ?

A ---WITNESS: That is correct, sir.

Q Is it your opinion that all of these articles before us are, or could be, government issue ?

A Yes, sir.

Q Is it your opinion that all of these articles before us are government issue ?

A Yes, sir.

Q I would like to point out one or two of the exhibit, for example the two unit cell flashlight. Have you ever seen a similar flashlight sold in any store, for example ?

A I believe so.

Q Some of the underwear, shirts and drawers, for example, do you think it could be purchased in retail stores ?

A There is a possibility, sir. I have never purchased any of that particular type in a store. I don't know whether it is offered for sale or not, but there is the possibility it might be.

Q But at least you think the flashlight there, for one thing, could be purchased in a retail store ?

A I believe so.

Q So the, not all of these articles, do you agree, are not positively in your mind as a Government issue ?

A There is a possibility it might not be. I am not an expert on Ordnance. I cannot answer the question and be honest with myself.

Q But you and one other Provost conducted a search of the accused's premises ?

A Yes, sir.

Q And you had no Ordnance assistance in the identification of the articles at the time of the search ?

A No, sir.

Q Now, about this search of the accused's premises, you have said in your evidence that it was ordered by Headquarters. Could you be a little more explicit ? What headquarters you refer to ?

A From Major Whitton the D.A.P.M. of No 2 District, at 159 Bay Street sir.

Q Is that all the information you have as to the origination of the order to search the accused's premises ?

A That's all I have with me, I believe, sir. I have a letter - Corporal Campbell may have it now, setting out our authority or the complaint, and it is signed by Major Whitton. I have not got it with me at the moment, but I have that letter. It is probably with the other docu-

Q ---PRESIDENT: Do you wish it produced ?

A ---DEFENDING OFFICER: He hasn't got it.

Q ---PRESIDENT: Is Corporal Campbell here ?

A ---WITNESS: Yes, he is, sir.

Q ---PRESIDENT: I suggest you see him and get it.

A ---WITNESS: I have it here, sir.

Q ---DEFENDING OFFICER: Can you add anything to your last statement re the origination of the authority to search the accused's premises ?

A I cannot, sir. Our information came from the D.A.P.M., and I couldn't say where his information originated.

Q You have said in your evidence that when you arrived at the home of the accused and spoke to him, you put it this way, as I took it down. You asked him was he improperly in possession of public property, and then you went on to say, that he said yes he was.

A That is so.

Q Are you very sure that you used the word "improperly"?

A I believe that that is the term that I used. I may have differed slightly in my phrasing, but I believe that is the way I worded it, practically as it is stated in the letter.

Q Could it have been that you used any other wording in your question ?

A It is possible. I might have asked him if he had in his possession any military equipment to which he had no right but I am not certain. That is the way I approached the man, I believe. I asked him if he was improperly in possession of any equipment, the property of the Returned Stores, and his answer was yes.

Q But, it could be that you asked merely was he in possession of public property ?

A I may have. I may have asked him that. I couldn't swear to it, sir.

Q In your search of the premises of the accused, did you bring away all the public property of an Army issue character, which you found .

A Yes, I did, sir.

Q And that included all his kit and all items issued to him in the regular manner ?

A I believe it included all, or practically all, of his kit. He had some other equipment that we didn't locate in his house, and I believe that is at his own Depot; but everything that belonged to him was brought along with the equipment which I have produced in evidence here.

Q We have heard in your evidence that you loaded the equipment and proceeded with the accused and your colleague to Aurora, where you found not in the local Provost, and then you proceeded to your own office in Toronto, correct ?

A I don't believe I said, or stated, that I found not in the local Provost. We have no local Provost there. I went to Aurora to locate some officer or man in charge of this man's unit, to hand this equipment and the man over to him; but I didn't find anyone there with the authority to do that, and subsequently we arrived, or proceeded, to Toronto.

Q It was to this man's unit you went, and found no-one there of responsibility ?

A That's right, sir.

---THE PROSECUTOR DECLINES TO RE-EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: As I understand your evidence this morning, the accused pointed out certain goods at his home in Sutton West, and there were other goods as well which were taken away, is that correct ?

A That's right, sir.

Q Exhibits 1 to 63, are part of the goods which you took away from his home, is that correct ?

A Yes, they are.

Q Which you, as you have stated, considered to be public property ?

A Yes, sir.

Q But as I understood, your evidence this morning was to the effect there were a number of other articles which are not included in this

charge-sheet.

A Yes, sir.

Q I just want to get some little idea as to how this discussion, as you term it, started, after you had obtained the statement, just now filed as Exhibit "F" .

A The man in his statement stated that this apparent offence was a common one in Aurora, and it was with a view to obtaining additional information and with the idea of possible further investigation into the activities at Aurora, that prompted me to question him further along that line; and with that idea I resumed our discussion at a later date.

Q When was that discussion ?

A I believe it was the day on which we completed the inventory at the Ordnance Depot on Bay and Fleet.

Q Do you remember that date ?

A The statement was taken on the 11th of August, 1945. I think it was the 15th or 16th of August, sir. I am not just certain.

Q But that was after the accused had been formally charged, was it Sergeant ?

A Yes, sir.

Q Was he given any warning at that time ?

A No, he was not, sir.

Q Who else was present ?

A Corporal Campebll and myself, sir.

Q Did he really give you any further information on this last occasion than was in the statement, Exhibit "F" ?

A No, he didn't sir, except that he may have detailed it a little more; but the general information was the same as in the statement which he made on the 11th of August.

Q The information you desired, I take it from your evidence, was information which would link up probably others with the activities at Aurora ?

A That's right, sir.

Q Any reason for not warning the accused at the time, Sergeant ?

A No, I hadn't, sir, any reason. I considered that he had been warned and had made his statement and I hadn't at the time been considering submitting this discussion that we had, at a later date as evidence. Actually, I didn't believe it had anything to do with this case, but that it might lead to further investigation at Aurora.

Q It is very proper that everything that occurred should be given in evidence here, so that the Court may be able to judge just what the situation is.

---THE WITNESS WITHDRAWS.

6th Witness for THE PROSECUTION (recalled)

B-97703 Lance Corporal Peter CAMPBELL, 31 Company Canadian Provost Corps, being recalled, is examined on his former oath, by the Prosecutor:-

Q Corporal Campbell, I propose now to ask you questions in reference to the trial. It is not the trial within the trial. Do you understand what I mean ?

A Yes, sir.

Q The statement with reference to which you had been called as a witness with regard to admissibility, has been admitted and accepted by the Court as an admissible document. I will carry on from there with any questions that might deal with the case itself. Do you remember whether or not I asked you questions dealing with the taking of the inventory at Fleet Street ?

A Yes, sir.

Q I did ?

A Yes, sir.

Q I am showing you a document already filed and accepted by the Court as Exhibit "G". Will you look at that, please. Tell us what it is, its date, and by whom it is signed ?

A This is the document which was made up at the Summary of Evidence when the inventory of goods which were identified as Army equipment was made. It is signed by Captain Downey, myself, Sergeant Atkinson, Sergeant Dunnett, and S.Q.M.S. Melvin.

Q what is the date ? Is there a date on it ?

A I don't see any date on it, sir.

Q Is your signature on there, did you tell us ?

A Yes, sir.

Q Now, you noticed the articles that were set out in that document, signed by yourself, what relation, if any, has the list of articles as set out in that document, Exhibit "G", with the articles as set out in the charge-sheet in this case ?

A It is identical, I believe.

Q You will see on the floor in front of you, in front of the President of the Court, certain goods, will you look at these articles carefully, and tell the Court what they are ? What are these articles ?

A These are the articles that were recovered at the Bones' residence at Sutton West, Ontario, which were identified by Sergeant Dunnett, and S.Q.M.S. Melvin, at Bay and Bleet Streets, Toronto, as government property .

Q Who was present when they were identified as Government property ?

A Myself, Sergeant Atkinson, S.Q.M.S. Melvin, and Sergeant Dunnett .

Q Anybody else ?

A Captain Downey.

Q Where was the accused ? Was the accused present, or was he not ?

A No, sir.

Q Was he present at any time when these articles were being handled ?

A He was present when these articles were handled at our Company Headquarters at 339 George Street.

Q Was he present when these articles were being signed by myself, as officer taking the Summary of Evidence, on the tags, do you remember that ?

A I don't recall that. I wouldn't be prepared to say.

Q For the purpose of the record, Corporal Campbell, these exhibits from 1 to 63, to whom do exhibits 1 to 63 belong ?

A They belong to the accused, as far as I know up to now.

Q Well, you have told us that they belong to the accused. Do you mean that ?

A To my knowledge they are government stores, the property of the public, but were in the possession of the accused.

Q ---THE DEFENDING OFFICER CROSS EXAMINES: Corporal Campbell, you have just stated to your knowledge the goods here laid out were the property of the government in the possession of the accused, and earlier in your evidence, yesterday, if you will harken back, you said then when you called at the home of the accused you enquired of him if he was improperly in possession of public property, is that correct ?

A That is right, sir.

Q Did you use the word "improperly" when you called at the home of the accused ?

A He was asked by Sergeant Atkinson - he was told by Sergeant Atkinson that we had information that he was in improper possession of government stores, the property of the public

Q Did you ask the question ?

A No, sir, I didn't ask it, Sergeant Atkinson did.

Q Now, you mentioned a few minutes ago that in connection with the goods you took away from the home of the accused, that they were goods you had recovered from his premises. Now, what did you mean by the word "recovered" ?

A Recovered, or obtained, or seized, or whatever you want.

Q Do you not think there is some difference in meaning between "recovered","obtained", or"seized" ? Do you mean then, that you just seized the goods, or took the goods away ?

A We took the goods away. That is what we did.

Q That is what you meant to say in that statement, that you took the goods away ?

A Yes, sir.

---THE PROSECUTOR DECLINES TO RE EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: Corporal Campbell, as I recall your previous evidence, you stated that a quantity of goods were taken from the home of the accused in Sutton West, to Aurora, to George Street, and ultimately turned over to the R.C.O.C., is that correct ?

A That is correct, sir.

Q Did the goods taken consist of the goods already filed as Exhibits here, 1 to 63, or were there additional goods ?

A There were additional goods.

Q Is the accused charged with any of these additional goods ?

A Not to my knowledge, sir.

Q Do you recall if after this statement was taken, there was any discussion with the accused, regarding the situation at Aurora, either the same day or at any later day ?

A Yes, sir, there was.

Q Do you remember approximately when ? The statement is dated the 11th of August, I may say.

A I recall it took place at Bay and Fleet Streets, but I wouldn't be sure of the date.

Q Was it within a reasonable time after, or what would you say regarding that ?

A Possibly five or six days later.

Q Who initiated the discussion, the accused? yourself? or whom ?

A I believe it was initiated by ourselves with a view to further investigation.

Q By ourselves ?

A By Sergeant Atkinson and myself, with a view to continuing a further investigation at the Returned Stores Depot.

Q Was the accused warned before this discussion was initiated ?

A No, sir he wasn't.

Q Was any information obtained - any additional information, obtained which was not covered by the statement, Exhibit "G" ?

A No, there was no additional information.

Q What was the purpose of your discussing the matter further with the accused ?

A It was in view of a further investigation at Returned Stores Depot.

Q I take it then, it was for the purpose of going into the matter further with regard to the Depot at Aurora ?

A Yes, sir.

Q Do you remember what the accused said at that time ?

A I can't just recollect his conversation word for word, but it was to the effect that it was a common practice for personnel at the Returned Stores Depot to take these articles.

Q Was anything further said that you remember ?

A I don't believe there was, sir.

---THE WITNESS WITHDRAWS.

7th Witness for THE PROSECUTION — B-2832 Sgt A.R. DUNNETT, R.C.O.C., Special Distributing Depot, R.C.O.C. CA, being duly sworn is examined by the Prosecutor:

Q Where are you employed ?

A I am employed at the R.C.O.C. Depot at Bay and Fleet Streets, Toronto, and one of my duties is to identify stores, and on the 14th, 16th, and 17th of August, I was asked to identify those stores which were said to have been found in the possession of Private Bones, who is present here, and I made an identification. I divided them into groups, those stores which were definitely public property, and those stores which we felt quite certain , but were not stamped with the government stamp

and were therefore not public property. We obtained at this time the M.F.C. 800, and took a number of articles from the stores which were public property to fill his 800. When that job was completed, we listed the items that remained and they seem to be the ones in front of me at the moment.

Q What is the name of the Ordnance place ? What is the name of your Unit ?

A Special Distributing Depot.

Q And what street is it on ?

A Bay and Fleet Streets, Toronto.

Q You mentioned Private Bones, here present. Who is he in the Court room here ?

A He is the chap on my right.

Q You are indicating the accused ?

A That is right.

Q Did anyone assist you in making up this list and sorting out these stores ?

A I can't possibly be familiar with all types of stores. We have a few technical stores and Corporal Adlum of our Stores, has a good knowledge of technical stores, and he assisted me. Mr. Bendall, he also assisted with the identification of the remaining general stores. That was a means of total check to make sure we had the correct identification.

Q At the time were there any other Ordnance personnel there, for pricing purposes ?

A Yes, sir. There was S.Q.M.S. Melvin.

Q Were there any other military personnel present at the time assisting in sorting these out ?

A Not throughout. Two members of the Provost were there throughout the procedure. Captain Chick assisted us periodically to make sure everything was going on alright, but he wasn't there throughout.

Q What is the name of the Provost member ?

A Sergeant Atkinson, and Corporal Campbell.

Q Where was the accused when this check was being made ? At least part of the time.

A Part of the time he was in the ante-room adjacent to where the stores were held. He was there when we filled his 800. He assisted us in every way in order to make sure he was given every article he was entitled to.

Q Do you remember myself signing the articles ?

A We laid these things out and read off the identification number, the catalogue number, and then they were signed by Captain Downey.

Q Where was the accused when these were being signed by myself ?

A I wouldn't know all the time, but part of the time he was in the room adjacent to where I mentioned before.

Q You don't know where he was when they were being signed by myself ?

A I couldn't be sure.

Q I think you told us you make two piles out of the articles?

A That's right, sir.

Q Out of the one pile you completed his 800 ?

A That is from the stores which we were certain were public property.

Q What was done with the other stores ?

A The other stores we listed and they were subsequently packed away by the men in the Provost. They were packed away by the Provost. They were listed - both Government stores, and those we were not certain were government stores - they were listed and I saw them no further after that.

Q I am showing you a document, Exhibit "G". Tell us what it is ?

A This is the list I was responsible for drawing up, and are the stores that were known to be government property, both in current issue, and obsolete stores, signed by myself for the identification; S.Q.M.S. Melvin, who was responsible for pricing them; and Sergeant Atkinson; and Corporal Campbell; who were at all times present. They were the members of the Provost.

Q What is the total amount shown on that list ?

A $124.87. That is not the total value, but fifty percent of the catal ogue value of the stores involved.

Q How did you arrive at fifty percent ?

A I didn't arrive at that, sir. S.Q.M.S. Melvin can best describe that. He has the authority on that.

Q The list of things as set out in that list you have just returned to the President of the Court, Exhibit"G" - what relation have the articles in that list with the articles you see on the floor of this room ?

A As far as my memory serves me...

---PRESIDENT: You may check them if you desire.

---WITNESS: I am satisfied they are the same articles that I checked.

Q To whom do these articles belong ?

A They all either have the government stamp of the Dominion of Canada, or by frequent handling we know them to be government property. Therefore, we know them to be government property.

Q In other words, you are telling us these exhibits, from 1 to 63, you are telling us they are government property, is that right ?

A That's right, sir.

Q Were you present when the M.F.C. 800 was prepared and everything he was deficient was given to him ?

A Yes, sir.

Q I want you to look at Exhibit 43, one pair of overalls. Open them up and look at the regimental number inside. What is it ?

A R-75591.

Q Do you know whose regimental number that is ?

A No idea, sir.

Q I think it is only fair to tell him. Put it this way. If the accused was short a pair of coveralls, would he receive a pair of coveralls ?

A Absolutely, sir. We made no attempt to fill the 800 with the actual stores that Private Bones was issued with originally. We had no means of knowing which they were. As long as he had the actual count of items called for on his 800, that is all we were concerned with.

Q How long have you been in this type of work ?

A My experience in Ordnance ? I have been in Ordnance for three years and two months; with the exception of nine months, I have been doing this type of work. Nine months I was in the Infantry Corps.

Q Can you explain to the Court the reason why some of these articles bear on them the government mark, and some do not ?

A Yes, I can, sir. Certain items, - textile items are stamped with a stamp that is not indelible. With frequent washing it is no longer any value as a means of identification. Metal items which can only be stamped with an electric arc are sometimes not stamped. Up until recently items were turned over to Ordnance by the manufacturers not stamped. They were in a hurry, and they were not stamped. We are at present carrying out a program of stamping these articles, but it is not completed. These were no doubt issued before that stamping job had been done.

Q Are you in a position to tell us anything about the value of these articles ?

A No, sir. In Ordnance I am not concerned with their value. That is looked after by our General Office. They have a means of telling the value.

Q Are you in a position to tell us whether they have any value as articles or whether they have a value as rubbish, scrap, or poundage ?

A Yes, sir. Experience tells me they have a definite value. Aurora Depot is set up - their peculiar function is to place them in the categories you mention, but I know from experience an article has value. As far as giving it value in a certain lot of produce, I can't do that. These stores are placed before the Army Disposal Board. They put a value on them. I have no idea of that. I know these stores that are at present here have value as articles to be later issued, with the exception of these articles that are obsolete, and they have a value only as salvage.

Q Can you tell them by looking at Exhibit "G", the last document ? I will show you Exhibit "G" again. Can you tell us what you mean when you refer to the obsolete stores?

A These belts, sir. I can't quote the Routine Order, but they have been declared from time to time obsolete. They are belts which were in use in the last War, and these all have been in Ordnance Stores, and have been declared obsolete, turned over by them, and sold as salvage; or used in the workshop, if they were of value. Insofar as the bags and dress trousers are concerned, we are unable to find anything definite on them. We know they are Government stores, because they have the government stamp on them, but further than that, we cannot go. We know they are not a current issue.

Q Give us the Exhibit numbers of the belts and the trousers , and the bags you just referred to ? You will have to look on the articles themselves. It is written in lead pencil.

A Exhibit number 60, Exhibit number 61, and Exhibit 59 are the belts in question. Exhibit number 62 are the trousers; and the bags are 63.

Q What about Exhibit number 58 ?

A That is 1908 equipment and has been obsolete for about three years.

Q So, briefly, 58, 59, 61, 62, and 63, are obsolete stores, and have no value as articles, is that what you are telling us ?

A No value as articles, only salvage.

Q The rest of the articles you see, have they an article value, or not ?

A In order to do that, I would have to go through each article individually. That is the duty of the Aurora Depot. When I listed these things, I listed them according to their being government issue.

Q Have or have they not any value other than salvage value ?

A Generally speaking, yes, sir.

Q CROSS EXAMINED BY THE DEFENDING OFFICER: Sergeant, you did mention that by frequent handling you know these articles to be public property.

A That's right, sir.

Q Do you mean by that you know them only to be public property ?

A There are certain articles if not public property, they are of a like kind. I know the drawers and shirts, - that is the only thing I can think of at the time - they are sold to the public. They are a common article sold for use in retail stores, and they are also Army issue. Whereas, I didn't go over every article to find the stamp, from common usage we know that kind as being Army issue.

Q Other articles I recall as having no mark, being the two flashlights, and I think that grease gun. Do you know if they are a regular item on sale in retail stores ?

A I think so. I think it is possible those items could have been obtained. I think a great many stores in Ordnance are at the present time not marked.

Q So, there are certain items that are not exclusively property of the government but can be obtained by anybody in retail stores ?

A There are certain articles, that is right, sir.

Q Can you tell the Court about articles that a soldier buys on repayment? Do these articles become listed on his M.F.C. 800 ?

A They do not, sir. They go on his M.F.C. 512. No, they are not on his 800.

Q Is there any other manner that you know of, Sergeant, in which a soldier can obtain stores or equipment through his Quartermaster stores ?

A There is no other way, sir.

Q Is it possible to obtain a loan of stores or equipment ?

A As a general procedure, no. There might be exceptional circumstances. I am not prepared to say that. As far as I know personally, there is no other way.

Q Have you ever heard of stores being loaned by a Quartermaster on a packing slip signature ?

A No, sir.

Q You have told us that it is not your job to evaluate articles, is that right ?

A That is correct, sir.

Q So then, in view of that you can give only an opinion of the value, or that these articles are of value, is that not so ?

A That is rather difficult, sir. I receive stores every day. You might say all such stores I receive it is only my opinion they are of value, even when they are brand new, in most cases. Yes, it is my opinion from practice in Ordnance that they are of value. I didn't check the value of every one of these articles. That is not my job.

Q It is a question of theory, if you like, but it still remains just your opinion, is that not so ?

A I don't know just exactly what you mean .

Q I appreciate it that you are looking at the thing from a common sense view. But you have told us you do not evaluate articles, but you are of the opinion...

A My experience in Ordnance has told me they are of value. Those articles which I had some idea in my mind they were of value, I had two people to corroborate my opinion, just to be certain, I had two people to back me up in the claim that I made.

Q You have told the Court that some of the equipment here has been, shall we say, out of issue, and therefore consigned to the Aurora Depot to be disposed of as salvage, or otherwise, is that correct ?

A That is right, sir.

Q And are there any other articles here in front of you that you can so distinguish ?

A Just the items mentioned. All the others are, to the best of my knowledge in current issue, right up to the moment. Certain articles that are superceded by later models become of little value and are likely to find their way to some salvage pile. This is only valued as scrap; whereupon metal is only valued as pounds, that is, no article value.

---THE PROSECUTOR DECLINES TO RE-EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: When referring to these various Exhibits I noticed, or rather I noted, that when you were being examined by the Prosecutor, you said that all these articles either have a stamp or by frequent handling I know them to be public property; then later on in cross-examination, I noted breifly: drawers and shirts are sold to the public and are also Army issue, and flashlights, and grease guns, could be obtained in retail stores. You are, I believe, somewhat of an expert in Ordnance stores ?

A In the identification of Ordnance stores.

Q What I will get you to do here is go through these Exhibits and say what is public property, what is apparently public property, and what is not. I think that is the only way we can arrive at the true situation. Have you anything to say ?

A I gather I am asked to prove all these articles are public property.

Q That is what I have in mind, by one means or another.

A That to be done a hundred percent I would have to pick up every article and search it to see if it has a stamp. That would be a start. That is the only way it could be done.

Q Then, let's go.

A It took three days to identify these things.

Q I want you to tell me, I am not anxious to do this any more than you are, but the accused is charged with theft and in the alternative improper possession of public property. Can you definitely say that all these things are public property without having to check the various...

A For reasons that I have already given, I am prepared to say they are public property.

Q Then, alright. How do you explain what you said to me that certain drawers and shirts are sold to the public and are also Army issue ?

A That is right, sir.

Q Then, how can you tell me that any shirts held as exhibits in this case are actually Army issue ?

A May we then take those items in question and go over those ? May I do that and settle those items you have specifically mentioned, those articles known to be on sale to the public, and Army issue ?

Q Wouldn't you be able to go through the Exhibits and tell me without too much trouble ?

A If it is your wish, sir, I will go through them all. I am trying to make it simple.

Q How are we going to get at it any other way, Sergeant ?

A Alright, sir.

Q Alright, start at one.

A One has the government stamp.

Q Exhibit 1. Can you tell me whether it is public property or not, and why you say so.

A I know it to be government property, because it has the stamp of the Dominion of Canada. (Exhibit 2) If this was ever stamped, it is ground off. There is no identification.

Q How can you tell whether it is public property or not ?

A It is of a like kind to that in our stores at 636 Bay. Other than that I can't tell. It is similar to Army issue, identical, I will say that.

---DEFENDING OFFICER: You wouldn't like to ask if it is similar to that Mr. Eaton sells, sir ?

---PRESIDENT: You will have an opportunity later. (To witness) You say similar to that in issue, where ?

A ---WITNESS: In our sub-depot at 636 Bay Street.

Q That is Exhibit 2 ?

A Yes, sir. These, sir, I know are not stamped because...

Q State the Exhibit number .

A It is Exhibit 3. There was a lot of correspondence between the Depot and Ottawa. They were trying to find a dye that would stick to these blankets and it has not yet been discovered. The result is none of the blankets in Ordnance, to my knowledge, is stamped. The colour, the finish of them, the fact that they have a stripe down the centre, I am satisfied in my mind they are Government issue. I cannot prove it beyond that.

Q You are now referring to Exhibit 4, five sheets ?

A Yes, sir. If these ever had a mark, sir, it is washed out. I see no identification on any of the sheets.

Q The sheets have no mark.

A This is not a government stamp, but it is some proof of ownership. One of the sheets contains the words "Chorley Park Military Hospital".

Q That is Exhibit 4.

A This was processed, one serviced in R.C.O.C., Kingston, at the Returned Stores Depot there.

Q As I have it: one sheet contains the words "Chorley Park Military Hospital" and one sheets contains the words, "R.C.O.C. Kingston".

A There are no other marks, sir. The other three sheets bear no marking.

Q What have you to say with reference to the other three sheets ?

A I am satisfied, sir, they are similar to the ones which are marked, and are government issue, sir. (Exhibit 5), There is no mark shown. Oh, yes, there is a government stamp.

---PROSECUTOR: Exhibit 5, public property.

---WITNESS: Drawknife. There is a stamp on the handle. (Exhibit 6)

Q ---PRESIDENT: Exhibit 7. Nineteen towels.

A ---WITNESS: Nothing, other than the fact it bears a man's regimental number.

Q ---PRESIDENT: One regimental number. Public property.

A ---WITNESS: Second, nothing on that one, sir. Third, no marks, sir. Fourth, I believe that was once a government stamp, but it is washed out. I can't prove it one way or another. Four, bears the general outline, but it is very indistinct. Five, that one is very plainly marked with a government stamp. Six, no markings. Seven, no markings. Eight, this one has - I can't swear to that, it doesn't mean anything. Nine, a regimental number, sir. Ten, the remains of a government stamp, sir. Eleven, regimental number, sir. Twelve, no markings, sir. Thirteen, Government stamp on it. Fourteen, no markings. Fifteen, "C.T.C." are some of the letters, I can't see what the rest of it is. Sixteen, no markings. Seventeen, no markings. Eighteen, regimental number. Nineteen, no mark that means anything on it.

Q ---PRESIDENT: With reference to the various towels in Exhibit number 7, is there anything about them - anything else about them which leads you to state that they are public property ?

A No, sir, just the fact that some have the stamp. That is the only kind issued to the Army. I am not prepared to say whether they are sold outside. I don't know.

Q Are they all of a similar design, and so on ?

A Yes, they are, sir.

Q Of a similar length, are they ?

A Yes, sir.

Q Any other similarities ?

A No, sir, they are all the same size, same pattern.

Q Exhibit 8 ?

A They are all brand new and have the government stamp. Exhibit 9: one has the name of the Manufacturer, date of manufacture, September, 1943. The next one, sir, has a regimental number; and this has a regimental number, the regimental number of Private Bones. This is in the same category as the coveralls. We filled his 800, without making any attempt to include the original issue. We didn't check for the original issue. The next one has a regimental number and name. This one is marked "Basic Training Centre," sir, it also has the government stamp

Q Exhibit 10 ?

A There is a government stamp. No identification, sir. No identification, sir. No mark. No mark, sir, oh, I beg your pardon, Government stamped.

Q About these various items in Exhibit number 10. Is there anything similar about them or anything else to lead you to believe they are public property ?

A Various colours have been issued from time to time. They are all of the same weight practically, but not of the same pattern.

Q Is there anything else you would like to say about that exhibit, Sergeant?

A Nothing, sir.

Q Exhibit 11 ?

A It has a British stamp.

Q What does tht indicate ?

A It indicates that it was issued in Great Britain, but British stores were issued to Canadian troops.

Q What have you to say as to whether or not it is public property ?

A I know of nothing other than it has a stamp on it. I have never seen the article before.

Q Exhibit 12, two pair of trousers ?

A They both have the government stamp.

Q Exhibit 13.

A The next pair of trousers also has the government stamp.

Q Exhibit 14 ?

A Government stamped.

Six, the next one has a regimental.number. Seven, the next one has a regimental number. Eight, government stamped, sir.

Q In connection with the various articles made up in that Exhibit, what would you say with reference to them generally ?

A They are, to the best of my knowledge, the only type of summer underwear, shorts, issued to men.

Q ---PRESIDENT: In the Army ?

A In the Army. I don't know about the other services.

Q Are they all similar to one another ?

A Yes, sir, various sizes, but all the same otherwise. Same style and type.

Q Number 18.

A One not marked. Two, this one sir, has the government stamp and a regimental number. Three, no markings, sir Four, government stamped, sir. Five, government stamped, sir. Six, Regimental number, sir. Seven, Government stamped, sir. Eight, no markings, just the firm name. Nine, Government stamped, sir. Ten, government stamped and regimental number.

Q Anything you wish to tell the Court about the various articles making up Exhibit 1 8 ?

A They are all of a like pattern, that is all, sir.

Q Anything further about them ?

A No, sir. I might add, similar to the drawers, they are the only type of undershirts issued to Canadian soldiers in this country.

Q Exhibit 19 ?

A These both have the government stamp.

Q Exhibit 20 ?

A Government stamped, sir.

Q Exhibit 21, there is eight.

A One not marked. Two not marked. Three government stamped. Four, government stamped. Five, government stamped. Six government stamped. Seven government stamped. Eight, government stamped.

Q Is there anything else about these shirts you would like to add on the record, Sergeant ? What colour are they ?

A They are khaki shirts, we issue to Canadian troops. They are made according to the definite Army pattern , insofar as the pockets and this particular style is concerned. It is not open completely down the front. They have epaulets.

Q Exhibit 22 ? One pair of shoes.

A The mark is usually there, but they are so badly worn.

Q Can you tell if they are Army issue or not ?

A They are similar to Army issue. They have plain toe caps, beyond that I cannot go. The same style. They are finished in front the same as an Army issue.

Q Shirts, one, Exhibit 23.

A It was definitely processed in an Ordnance Depot. There is an Ordnance sizing stamp on it. I am satisfied it is Army issue. I identify it as being Army issue.

Q Exhibit 24. Two shirts.

Q That one is Army stamped, but I cannot see it on this one. Not on that one, sir.

Q Can you tell us what you find in connection with these two shirts ?

A They are both of the same cut as made for the Army. The collars are identical. Ties cannot be worn with them. They are less collars.

Q What colour are they ?

A Khaki.

Q What about texture ?

A They are both made of the same material. The colours vary slightly. They are of different ages. One has been washed more often.

Q Exhibit 25.

A One has a regimental number, sir. Two has a government stamp, sir. Three a government stamp.

Q Colour ?

A Khaki, sir.

Q Exhibit 31, Mitts.

A One has a C.W.A.C. regimental number. Two, government stamp. Three, name and number of a C.W.A.C. Four, government stamped. Five, regimental number of a C.W.A.C. Six, regimental number of a C.W.A.C. Seven, regimental number of a C.W.A.C. Eight, regimental number and name.

Q Exhibit 32. Apron one.

A Not marked, sir.

Q Can you tell us anything about that particular type of apron ?

A Other than the fact that it is identical to those which we have on charge for issue to the C.W.A.C.

Q Exhibit 33 ? Caps winter melton.

A No distinguishing mark on that. Both made by the Buffalo Cap Company, similar to those we have in stock, but there is no name, no government stamp on them.

Q Exhibit 42, One coat.

A Government stamp, sir.

Q Exhibit 43. Overalls.

A They have a regimental number. I think this was the one in question. It had the regimental number of Private Bones, B-75591. Private Bones.

Q Anything you wish to say about that ?

A Should I repeat what I have already said about the reason for that being there ?

Q Perhaps you might as well as we go along.

A When these stores were identified as government issue, regardless of whether or not, they belonged to Private Bones, they were put in one group, and then we filled, we took the necessary number of items to complete his M.F.C. 800, and we did that regardless of the number, the regimental number, written on the article.

Q Exhibit 44. Two coats ?

A One has the government stamp and the other has no identification.

Q Have you anything to say about these ?

A The one without the marking is identical to the one which has the government stamp on it, and similar to those we hold ready for issue, in our Depot.

Q Exhibit 47, Coats one ?

A It has a government stamp, sir.

Q Exhibit 48. Spokeshave, one.

A There is no government stamp on it.

Q Anything you wish to say about it ?

A Identical to those we hold on charge for the purpose of issue.

Q Exhibit 49, tapsoles ?

A Similar to those around the Depot.

Q Exhibit 55, grease gun ?

A No markings, sir.

Q Anything you wish to say about it ?

A The man who is an expert on these things, identified it as being...

Q I am asking you.

A I stated in the evidence there were men specially qualified to identify technical stores. Through him I would say this is an Ordnance Issue.

Q Through yourself, what would you say ?

A I would say it is Ordnance stores.

Q Reason ?

A The reason given. It is identical to those in our stores at Depot.

Q Exhibit 56.

A This is not an Ordnance Issue. There is reason to believe it was bought on local purchase for use in Aurora, beyond that I can't go.

Q What colour is it ?

A Khaki. It has not got a government stamp on it.

Q What type of duster would you call it ?

A It is a duster for spraying powder to kill insects.

Q Exhibit 57 ? Cooker portable.

A It is identical with those which we have on charge at our sub-depot at 636 Bay Street.

Q Its colour ?

A Colour, khaki, sir. I can't see any marking on it, sir.

Q Belts waist one, Exhibit 58 ?

A This has a regimental number, sir, but this is one of the obsolete articles that was mentioned.

Q Exhibit 59 ? Belts four.

A They no longer have any mark, sir. None of them are marked, sir.

Q Have you anything you wish to say about these ?

A They are identical with those which have been used in the Aurora boot shops, used to repair boots in Aurora. These are obsolete. They are used for the leather content only.

Q Exhibit 60, Belts, one.

A Government stamp.

Q Exhibit 61 ? Belts two.

A Both have the Government stamp.

Q Exhibit 62. Dress trousers, blue with red stripe, two pairs.

A Both the trousers have the government stamp. All have the government stamp.

Q Exhibit 63 ? Bags two with zipper.

A Both have the government stamp.

Q Sergeant, I take it that for the reasons given you say these goods are public property, am I correct in that ?

A Yes, sir.

---THE WITNESS WITHDRAWS.

---On the 12th day of September 1600 hours the Court adjourns until 1000 hours on the 13th day of September, 1945.

8th Witness for THE PROSECUTION

B-3936 S.Q.M.S. J.P. MELVIN, R.C.O.C., Special Distributing Depot, Toronto, Being duly sworn, is examined by the Prosecutor:

Q Will you tell the Court where you are stationed ?

A I am stationed at Bay and Fleet Streets.

Q What is the name of your Unit ?

A R.C.O.C.

Q What is the name of the Depot ?

A Sepcial Distributing Depot.

Q And how are you employed there ?

A Chief stocktaker. Supervisor of stocktaking.

Q Do you know the accused ?

A Yes, sir.

Q What is his name ?

A Bones. Private Bones.

Q Do you recall the dates of the 14th, 16th, and 17th of August, 1945 ?

A I do.

Q Did you do anything on these three days that might be relevant to this case ?

A One of these days I do recall identifying and pricing stores presumed to be in the custody of the accused.

Q Was anybody else present when you did that ?

A Yes, sir.

Q Who were they ?

A Yourself, Sergeant Dunnett, and the Corporal from the Incoming Clearing Area, and a civilian from the Incoming Clearing Area, and Private Bones.

Q Anybody there from the Provost Corps ?

A A Provost Sergeant and Corporal Campbell, and I forget the other chap's name.

Q Where was the accused ?

A Part of the time he was in the room where these stores were located, an ante-room, and part of the time he was in an adjacent room to the Chief Ordnance Officer.

Q Was he in the room at any time where these goods were while you were pricing these goods, do you remember ?

A I don't recall that.

Q Will you tell the Court the procedure that was followed in pricing these goods ?

A Thefact of the matter is these stores were not priced in the room while anyone was there. We didn't price these stores in the room at the time. They are priced in accordance with the Canadian Ordnance catalogue, the V.A.O.S., the catalogue of Ordnance stores, which was done in my own particular department.

Q Was the accused given credit for anything, do you know ?

A He was given credit for anything that was on his 800.

Q After he was given credit for anything that was on his M.F.C. 800, how were the other articles looked after ?

A They were enumerated, listed, and priced, in accordance, as I previously stated, with the catalogue of Ordnance Stores.

Q Did you price all the articles, or were there other articles not priced ?

A A number of articles could not be identified as ordnance stores, and were not priced.

Q I am showing you a document that has already been produced in this case, and marked Exhibit "G". Would you look at that please, and tell us what it is ?

A Yes, sir, that is the list of stores which we priced.

Q Will you look at the last page, please, by whom is that document signed

A By myself, Sergeant Dunnett, Sergeant Atkinson, Corporal Campbell.

Q What is the total valuation of all the articles ?

A $124.87.

Q Are there any articles shown on there that have no value as articles ?

A Yes, sir, there are salvage items, or obsolete items, which are known to have salvage value only, which could only be established by the sale of the said goods.

Q What would call that ? Scrap value, rubbish value, or poundage value ?

A Poundage value.

Q What are the articles you say have only poundage value ?

A Belts waist 1908 pattern; also dress trousers, which I have no idea of those at all. That is a permanent force issue. The bags for anti-gas stores, with the zipper, have no vocabulary heading.

Q Referring to all the other articles mentioned therein, you have given them a value, is that correct ?

A That is correct.

Q What value did you place on them ?

A We took the Unit value and reduced it to fifty percent of the original, owing to the fact they were considered to be non-serviceable stores, until such time as they were processed at A urora , at which time they would be returned to the Special Distributing Depot for re-issue to Units.

Q Do you consider that a fair valuation ?

A Very fair. The charge placed on stores to be purchased if lost by Army personnel is seventy-five percent.

Q You mean losing by neglect ?

A Losing by neglect

Q Is there any possible chance these articles you have just referred to have only a valuation for scrap,rubbish or poundage value ?

A No, sir, I think everything here is fit for re-issue.

Q You have told us the only poundage value articles are the ones that are obsolete ?

A That is correct, sir.

Q The others are article value ?

A I make it one exception in this. It is possible these trousers, I wouldn't go so far as to say that they could be used again in peacetime. I don't know.

Q You are referring to Exhibit 62, is that right ?

A Yes, sir.

Q You tell us the total value was $124.87, is that correct ?

A Yes, sir.

Q. Is or is not that, in your opinion, a fair valuation ?

A It is, sir, yes.

Q You will see before you on the floor certain articles which have been produced before this Court as Exhibits, and are marked as Exhibit numbers 1 to 63 inclusive, can you tell us to whom these articles belong ?

A They belong to the Government of the Dominion of Canada, sir.

Q Do you know whether or not these articles all bear the Government Ordnance stamp ?

A Well, I am sure they do not all bear it, because the markings become obliterated after frequent washing or laundering, and they are not always put back on by the laundry. The original order, or Routine Order was to put them back on. The metal articles are to be marked by an arcograph pen, but it has not been adhered to.

Q How long have you been employed at this Depot as supervisor of stocktaking ?

A Two years.

Q And is there anything in this bunch of articles that you see before you, that appears to be not a general issue in the Army; or does everything you see before you appear to be what is on for general issue ?

A Everything that is here is very similar or a like item to all issues that are made by the Canadian Ordnance Corps.

Q So, what would you say if any of the articles that is in this bunch before you do not bear the Ordnance stamp ? Would or would not they still be public property ?

A I would say there would be a doubt. With no mark on it, you can't definitely classify it as Ordnance Stores.

Q Only that it is similar to Ordnance Stores ?

A That is correct, sir.

Q Is there anything else you would like to tell the Court yourself ? Anything that I have failed to ask you that might be important ?

A No, sir, I can't think of anything. My testimony is really relevant to the pricing of the stores only.

Q Would you know anything about the accused's repayment sheet or M.F.C. 512 if he had one ?

A No, I know the circumstances under which they are created and the method in which they are used at Headquarters.

Q Would he have one?

A He would have numerous ones.

Q Do you know how one might find out whether or not there were any M.F.C. 512s for the accused ? And where would one find the M.F.C. 512 ?

A By applying to Treasury at Headquarters M.D. 2.

Q They would have one would they ?

A It is transferred from the original to all soldiers' personal documents.

Q I think you told us you assisted in making up the deficiencies on the accused's M.F.C. 300 ?

A No, sir, I didn't assist in that. I know that that was done, but I had no hand in it personally.

Q ---THE DEFENDING OFFICER CROSS EXAMINES: I would ask the witness to look at Exhibit 38, which is described as one pair of pantaloons. In your evaluation you have val ued them at fifty percent Unit value and their total value at $3.50. You stated just now that all articles you put a value on you deemed to be of further use and could be issued, is that correct ?

A That is correct.

Q After examining these pantaloons, are you still of the opinion they could be of further use and further issued ?

A Sure, they haven't been serviced yet. That is what our Depot consists of, servicing stores. These trousers have not been through our re-conditioning part of the Aurora Stores. I don't say they will repair these but they have been known to repair worse things than this.

Q Are you of the opinion that these pantaloons, if they were re-conditioned, would be issued again ?

A That is hard to say. They probably would be put up for sale, but one can't say. I don't know whether they would be issued again in peacetime

At the present time they are not issued.

---THE PROSECUTOR DECLINES TO RE-EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: Previous evidence has shown that certain of these articles bear the government stamp; and that certain of them bear marks, such as regimental numbers, and names. As far as your Special Distributing Depot is concerned, I presume it takes any articles of clothing, and so on, for the purpose of processing ?

A That's right, sir.

Q If articles bear regimental numbers or names or marks of a similar nature, at your particular depot, would they be presumed, or would they be, government property ?

A They would be public property. The name and number should have been obliterated at the Returned Stores Depot, but sometime they fail to do that. We have seen stores, battle-dress and various pieces of web equipment, and so on.

Q That is the sort of thing you handle there ?

A Yes, sir, we handle everything that is issued to a soldier.

Q Am I right in saying that all goods at the Depot either have the Government markings, or else a regimental number or name on them ?

A It would be an exception to have regimental numbers or marks on them, but the Government stamp should be on all those stores, clothing and equipment. Just the Government mark, an arrow within the "C".

Q When would that be put on at your Depot ?

A It is usually done in a subdivision of the Inspection branch at our source of supply, or possibly in the Depot itself. In the case of small articles, it is done in our own Depot.

Q Is that done when they first come in or after they are processed ?

A Speaking of Returned Stores Depot, the stores are usually those returned from Units that will in nearly every case, have the markings on, but in the case of stores that have been laundered the markings would be obliterated.

Q If some of these articles bear neither the Government stamp, nor regimental numbers or names, or something of that nature, would it be safe to assume that they would be government property ?

A No, sir, I think there is a reasonable doubt that they might not be.

---PROSECUTOR: Would the Court please ask the witness this question: that if goods that are processed at Returned Stores Depot, and after they are subsequently re-issued to Units, would they before re-issue, be stamped with the government mark .

---PRESIDENT: Just answer the question ?

---WITNESS: Yes, sir, the stores are, or should be, marked prior to being re-issued.

---PRESIDENT: Any questions, Mr. LeBer ?

---DEFENDING OFFICER: No, sir.

---THE WITNESS WITHDRAWS.

---PROSECUTOR: The prosecution has no further witnesses, and is therefore closed.

The Defence submits that a prima facie case has not been established by the Prosecution with respect to both the charges.

(See document marked "H" attached)

The Prosecutor answers

(See document marked "I" attached)

The Defending Officer replies.

(See document marked "J")

The Court disallows the motion of the Defence on both the charges.

The Court proceeds with the trial.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath.

Question to the accused. Do you intend to call any witness in your defence?

Answer. Yes, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. Yes, sir.

1st Witness FOR DEFENCE

The accused, B-75591 Private Horace Granville HOMES, H.W.E. Special Distributing Depot, Toronto, R.C.O.C., being duly sworn is examined by the Defending Officer:-

Q Will you tell the Court where you were employed from the 9th of January, 1944, to the 11th of August, 1945 ?

A Returned Stores Depot, Aurora.

Q What were your duties there ?

A Security guard, sir.

Q Can you tell us a little more of what security guard does, or what you did in these duties ?

A Checking personnel and fire equipment.

Q What do you mean by checking personnel ?

A Watch them when they come in or out; see that they have a proper pass to get in or out.

Q Now, have you observed the receipt of stores at that Depot ?

A I have seen them come in and go out.

Q Do you know what happened to them at the Depot ?

A They come from various places. The Receiver gets them. Then, they are checked and go from one department to another; and what is new is put aside as new stuff; and what is considered scrap is put in the bins to be turned into produce or burned.

Q Is there, to your observation, much of this scrap put aside ?

A Yes, sir.

Q And what again, did you say happens to it?

A It is destroyed or turned into produce.

Q Have you observed this destroying ?

A Yes, sir.

Q Have you observed anything else happening to it ?

A Yes, sir.

Q What ?

A I have seen people put it away ready to take out.

Q Now, this material you say was to be made into produce or burned, is that correct ?

A Some of it, sir, yes.

Q Well is there any segregation between these two classifications, those to be made into produce, and those to be burned ?

A Just what do you mean ?

A For example, is the material to be burned put aside ?

A Yes, sir.

Q And is it always burned ?

A No, sir, not always.

Q What else would happen to it ?

A It is used for cleaners and rags, and somebody will, if they see something they could wash and use, that's why they take it, sir.

Q On the 11th of August, 1945, what happened at your home ?

A I was working in the backyard, and two plain clothesmen, who said they were from the 31 Provost Company, came and asked me if I had any property belonging to the Government in my possession improperly.

Q Did they use the word "improperly" ?

A Yes, sir.

Q Did you answer their query ?

A Yes, sir.

Q How did you answer their query ?

A I said I had, sir.

Q What happened then ?

A They asked to search the house and I gave them my permission.

Q How did you feel towards them ?

A Well, I helped them all I could, sir.

Q Was anything found ?

A Yes, sir.

Q Did they ask questions about that ?

A They asked where it had come from.

Q Yes ?

A And I told them.

Q What did you tell them ?

A I told them it came from Returned Stores, Aurora, some of it.

Q Did you tell them anything else about it ?

A I told them that it was a common practice for personnel at Aurora to help themselves to what they wanted.

Q Now, in view of what you have previously told us, re the sorting out etcetera, at the Depot, can you tell us where the goods, or some of it, as you say, that was found, came from ?

A Yes, sir.

Q Where ?

A The two flashlights were taken from the scrap pile in pieces and put together. The were considered as scrap. They were in pieces. I assembled them out of broken pieces myself. The gasoline stove there was the same. The shoes, I had a gate pass to take them out. The handcuffs there were found in the scrap pile, and the knife. The trousers and battle-dress tunic were used just to keep clean, with no intention of keeping them or anything else. Some of the towels and shirts, coveralls, and socks, I had bought on my repayment sheet. The braces there were to be burned, and I used to use them to sew across the back of my trousers. The raincoats were the same, sir. There was no intention of taking them to keep at all. It was just if you needed a raincoat you took one, and you brought it back and left it there. The grease gun was from the scrap pile too, sir. This belt here, this wide web belt, Exhibit 58, that was worn when I was in the Militia, prior to the starting of the War. That's about all I remember, outside of most of the rest of the stuff was considered scrap and taken from lost and found with no - when it was taken there there was no identification, and it was considered not fit for service and it was to be destroyed.

Q Are you a married man ,

A Yes, sir.

Q Have you any family ?

A Four children, sir.

Q Where do you and your family reside ?

A Sutton West, Ontario.

Q Is that nearby the Depot where you work ?

A About thirty miles away.

Q What type of residence has your family ?

A A Five room house, sir.

Q It is a village residence, is it ? Not a farm ?

A No. No.

Q And did you make use of the material you took ?

A Yes, we were going to - after the wife had washed it, we were going to cut it down for things for the children, because you couldn't get underwear for them last winter and we weren't going to be caught short this winter.

Q Did you steal any of the material ?

A No, sir.

Q What happened after the Provost completed their search ?

A The stuff was loaded into the vehicle and I accompanied them to Aurora and couldn't find anyone in charge at Aurora so they took me to 339 George Street to their Headquarters.

Q What happened to you there ?

A They took an inventory of the stuff and then we went into the Orderly Room and they charged me with improper possession of public property.

Q Did you ask if you might explain ?

A No, sir, they asked me how I explained having this stuff .

Q What form did youfexplanation take ?

A Question and answer form.

Q And is it a true record of that statement of questions and answers that has been filed as an Exhibit with this Court ?

A Yes, sir.

Q You were asked to make this statement, were you ?

A I believe I was, sir. Yes, sir.

Q ---THE PROSECUTOR CROSS EXAMINES: Private Bones, you heard the statement that has been put in evidence against you, Exhibit "F", is that right ?

A Yes, sir.

Q You remember that statement ? You remember making it ?

A Yes, sir.

Q Was it a voluntary statement, or was it not ?

A I believe it was voluntary.

Q And did you sign It ?

A Yes, sir.

Q Are the answers to the questions contained in the statement true ?

A Yes, sir.

Q You also heard the evidence given by the witnesses up to the present time ?

A Yes, sir.

Q And you know that certain Exhibits have been tendered to the Court numbered 1 to 63, inclusive, is that right ?

A Yes, sir.

Q Do you know what these Exhibits are ?

A Yes, sir, very well, sir.

Q Has all of the goods, numbered as Exhibits 1 to 63, has it all been taken from the Returned Stores Depot at A urora ?

A No, sir, not all of it.

Q What part of it has not been taken ?

A I have bought shirts and towels, socks, and coveralls, on my repayment sheet, and underwear too, sir.

Q Will you just indicate clearly to the President of the Court those articles that you have bought and that were not obtained from the Returned Stores Depot at Aurora by telling us the Exhibit number ?

A I would have to go up and look at them.

---PRESIDENT: That is your privilege.

Q ---PROSECUTOR: In your examination-in-chief, you told the Defending Officer that all the articles in this case came from Returned Stores Depot at Aurora with certain exceptions, is that right ?

A That's right, sir.

Q Now, were the exceptions as follows: Two flashlights ?

A They were repaired. I repaired them myself from parts.

Q Did the flashlights come from Aurora ?

A Part of them, yes, sir.

Q Gasoline stove ?

A Yes, sir.

Q Did the gasoline stove come from Aurora ?

A Yes, sir.

Q Will you please tell me now just what articles you bought on repayment ?

A Towels.

Q How many towels ?

A I can't tell you, sir, it goes back a long way.

Q Can you give us any idea ?

A I have bought at least a dozen, I am pretty sure.

Q These are the articles you bought on repayment ?

A Yes, sir.

Q What else ?

A At least six or seven shirts. And I don't know how many socks. They have been numerous because they don't last very long.

Q Give us some idea of the number of socks.

A That is pretty hard to do, sir.

Q Exhibit 8. All of these socks appear to be new, is that right ?

A Yes, sir.

Q Are you telling the Court you bought all these socks on repayment ?

A I have bought more than that on repayment.

Q I am asking you about these socks. Did you or did you not buy these on repayment ?

A I did buy some.

Q How many ?

A Three or four pair at least.

Q Alright. Would you be satisfied to be given credit for four pair ?

A Yes, sir.

Q Did you buy anything else on repayment ?

A Coveralls.

Q Are these the ones with your regimental number ?

A Yes, sir.

Q Anything else ?

A I bought at least seven shirts.

Q You have told us that before. Anything else ?

A And underwear.

Q How much underwear ?

A Three or four suits, I imagine sir.

Q Anything else ?

A No, sir.

Q Alright. With the exception of these articles you have just told us you bought on repayment did the rest of all this stuff or articles that are laid out on the floor, did all of that stuff come from Returned Stores Depot at Aurora ?

A Yes, sir.

Q Were you stationed at Aurora between the 19th of January, 1944, and the 11th of August, 1945 ?

A Yes, sir.

Q Do you agree that all the rest of these articles, with the exception of what you bought on repayment is the property of the public ?

A Yes, sir.

Q There is no question about that then, is there ?

A No, I don't think so, sir.

Q Do you admit that these artides, even if they do not bear a stamp of the Government, indicating public property, they are still government property ?

A If Quarters Melvin and Sergeant Dunnett are not sure, I am quite sure I can't be sure of that.

Q But you did obtain them from Returned Stores Depot ?

A Yes, sir.

Q You did not obtain them from any other place ?

A No, sir.

Q You didn't buy them from any store ?

A No, sir.

Q In other words, the source at which you obtained them was public property stores, is that right ?

A Yes, sir.

Q Do you admit that all these articles that are put out here, Exhibits 1 to 63, were found in your possession at your home in Sutton West on the 11th of August, 1945 ?

A Yes, sir.

Q When you took these articles to your home, what did you intend to do with them ?

A To use them in the house, sir.

Q How did you take them to your home, by your car ?

A No, sir.

Q How did you take them ?

A I didn't have the car down there very often. Most of them were just carried out.

Q How would you carry them from Aurora to Sutton West ?

A Just in my hand.

Q Did you go on a bus, or how did you get there ?

A I used to thumb most of the way.

Q You mean to say you carried these articles in your arm and thumbed your way all the way from Aurora to Sutton West ?

A They were wrapped up.

Q I suppose you made a good many trips ?

A I did.

Q How many trips would it take you to take all these goods that are on the floor from Aurora to your house ?

A I don't know, sir. I used to go home two or three times a week, sir.

Q Did you have any of these articles hidden at your house ?

A No, sir, there was none hidden.

Q Where was it kept ?

A Just all through the house. There was no attempt to hide anything. It was in a cedar chest and in cupboards.

Q Did you have any of it hidden in your attic ?

A No, sir, there is no attic.

Q Do you remember you stated to the Provost when they came, you admitted to them that you had Government property improperly in your possession ?

A Yes, sir.

Q What do you say now speaking only of the property which you admit is Government property, and which is exhibited here. I don't mean the property you bought on repayment. The property that you admit is public property. What do you say now about having it . Did you have it properly or improperly ?

A I would say I had it improperly.

Q As far as the second charge is concerned, you admit you had the goods at your home in Sutton West ?

A Yes, sir.

Q You admit it happened on the 11th of August, 1945, that the Provost were there ?

A Yes, sir.

Q You admitted now to me you were improperly in possession of these articles ?

A Yes, sir.

Q And you admit these articles were public property ?

A Yes, sir.

Q And you admit that these articles that we are speaking about, that you say are public property, were taken from the Returned Stores at Aurora ?

A Yes, sir.

Q Taken between the 19th of January, 1944, and the 11th of August 1945 ?

A Yes, sir.

Q And you admit you took this property, do you ?

A Yes, sir.

Q And you admit it is public property ?

A Yes, sir.

Q And you admit that you took these articles with the intention of keeping them ?

A Some of them.

Q Did you have the consent of the Government or the Department of National Defence to take these articles ?

A No, sir.

Q Did you have any claim of right to them ?

A No claim of right, no, sir.

Q And was it your intention at the time of the taking to deprive the government of them ?

A Not all of them, sir.

Q Well, on some ofthem ?

A On some of them.

Q What are the exceptions to that ?

A The battle-dress trousers, and the other trousers, sir, and the battle-dress blouse.

Q Are those the only things you intended to return ?

A And the raincoat.

Q Are these the only things you intended to return ?

A May we take it then that insofar as the government - public property is concerned, that you intended not to return the remainder of them ?

A Yes, sir.

Q Do you agree or do you not agree with the evidence of S.Q.M.S. Melvin when he says these articles have a value other than the poundage or the salvage value ? Do you agree they are worth something in money ?

A Yes, they are possibly worth something in money.

Q Outside of the certain articles that are obsolete, would these articles have a value other than scrap, rubbish or poundage ?

A Some would right now, but at the time I took them, no.

Q What has happened between the time you took them and now ?

A Most of them were in a filthy condition and they didn't bother to go to the expense of having them cleaned.

Q Did you wash these things yourself ?

A Yes, sir.

Q You and your wife ?

A Yes, sir.

Q What did you intend to do with these things ?

A Use them in the house, sir.

Q What were you going to do with these, the shoe soles, or whatever they call them, Exhibit 39 ?

A Sole the childrens' shoes.

Q They are large soles, aren't they ? Were you going to cut them down?

A With careful cutting you can get a sole and heel out of that.

Q What were you going to do with these two hats of the Irish Regiment ?

A Make hats for the girls, sir.

Q What were you going to do with those trousers, Exhibit 62 ?

A Cut them down for the boys, sir.

Q What were you going to do with these gloves, gloves anti-gas, Exhibit 52 ?

A Well I do refinishing of furniture in the house. That's what I used to use them for.

Q What were you going to do with Exhibit 5, one billie ?

A That was given to me to take home.

Q What were you going to do with Exhibit 1 ? Two pair of handcuffs.

A That was found in the scrap pile and I was going to let the boy play with them.

Q I guess you realize now you shouldn't have done this ?

A Very well, sir.

Q You tell us you did this because it was a common practice for personnel there to do it. Other people did the same thing, did they ?

A Yes, sir.

Q Are we to take from that last statement that you were just the unfortunate one that was caught ?

A That's just about what it amounts to, sir.

Q When would you take these articles out - for the rest of your cross-examination, when I say articles I am only referring to the articles you admit are public property, and which you have not signed for. The articles that are public property, when did you take them out of Returned Stores Depot? What time of the night was It ?

A Pretty near any time you want to.

Q Are you telling us the security there was not good ?

A. It was definitely not good.

Q Any person in your capacity or employment, could have taken these articles out of the Depot any time during the day or night ?

A Pretty near anyone in the whole Depot could.

Q Your position was security guard. Wasn't it your duty to prevent people from taking the articles out ?

A We did, several people, but the Administrative part wouldn't back us up.

Q Did you think, seeing other people were getting away with it, you might as well do it yourself ?

A Yes, sir.

Q Now, I will have to ask you a plain question. I think it is only fair. You are charged with stealing public property. You admit the property was public. Referring only to the articles you say are public property, do you or do you not admit you stole it ?

A I took it from Aurora.

Q Do you admit you stole it?

A I didn't consider it stealing at that time.

Q What do you consider it now ? Stealing or not ?

A I would say it was stealing, yes, sir.

Q But, you are not the only one that stole ?

A Definitely not, sir.

Q Now, were these articles, I am looking at your evidence you gave in answer to questions, you gave to your Defending Officer. "The new stuff was put aside and the scrap was to be turned into produce or burned. Much scrap put aside ? Yes, sir." Were any of these articles taken from what you may term the scrap pile ?

A Yes, sir.

Q What for instance ?

A All of it.

Q In other words, you are telling us that all these articles had been put into a pile...

A Or bins.

Q That was ultimately destined to be scrapped or burned ?

A Destroyed, or else found out in the yard.

Q Were there not any of these articles that were more or less designated to be refinished, repaired, and subsequently re-issued to Units ?

A Not that I know of, sir.

Q I understand that you were very helpful with the Provost and co-operated in every way in order to return these artides, is that right ?

A That's right, sir.

Q I suppose you felt once you had been caught, or found out, you thought the best thing to do was to come clean ?

A I was glad to get it off my chest.

Q You had been worrying about it ?

A Yes, sir.

Q How long has this common practice of people helping themselves at Aurora been in vogue, or practice ?

A Ever since I got there. It was going on when I got there, sir.

Q Now, I am going to ask you about these certain articles, for instance, you told us the two flashlights were taken from the scrap pile in pieces and put together, is that right ?

A That's right, sir. You can see that this one, Exhibit 54, is not a matched one. The nickel plated is altogether different from the rest of it.

Q Does that flashlight work ?

A Yes, sir.

Q But every piece of that flashlight then, every piece assembled by you is originally public property ?

A I don't think so. I think the frontpiece wasn't.

Q Where did you get that ?

A I think I had it at home.

Q What about the other flashlight, Exhibit 53? That is the two cell one. Is that made up of government parts too ?

A Yes, sir.

Q Does it now operate alright.

A It has been, sir.

Q But, in any event, even if you did make that up yourself, outside of the one part on the first flashlight, they are government property ?

A Yes, sir.

Q Where did you find the gasoline stove, Exhibit 57 ?

A In the scrap pile

Q Did you fix it up ?

A I fixed it up.

Q It actually is government property, is it ?

A Yes, sir.

Q Does it work ?

A Yes, sir.

Q You say the shoes, I had a gate pass to take them out, is that right ?

A That's right sir.

Q Exhibit 22, I believe. Whose shoes were those ?

A They belong to the Government.

Q Do they still belong to the Government ?

A Yes, sir.

Q You found the handcuffs and the knife in the scrap pile, is that right ?

A Yes, sir.

Q And do they belong to the Government, too ?

A Yes, sir.

Q Now the trousers and battle-dress tunic that you speak of...

---PRESIDENT: Just a minute, Captain Downey, are we not going over this for the second or third time? Has the accused not said that with the exception of certain articles which he bought on repayment, that all the other stuff here is government property ?

---PROSECUTOR: Quite right. I think it is sufficient.

---PRESIDENT: I don't wish to hold you up Captain Downey, but I think that is too much repetition.

Q ---PROSECUTOR: I will end my cross-examination now, Private Bones by putting it very briefly. You do admit do you that you did steal public property at Aurora Ontario, between the 19th of January, 1944, and the 11th of August, 1945, being the public property that you admit was public property, is that right ?

A Yes, sir.

Q ---THE DEFENDING OFFICER RE-EXAMINES: You have said that all the articles here, except those procured on repayment, were obtained by you from Aurora ?

A Yes, sir.

Q And did you also say they were from the rubbish bins at Aurora ?

A Yes, sir, except the battle-dress and the other trousers.

Q And therefore you cannot be improperly in possession of these articles as such, and as are listed on the charge-sheet, but rather as so much rubbish ?

A That is what I understand.

---PROSECUTOR: That is rather a leading question.

---PRESIDENT: Yes, it is a leading question. I am trying to give you every latitude. It has been stated in evidence and you may ask him anything you like, providing you don't ask any leading questions.

Q ---DEFENDING OFFICER: In view of the fact that you have stated that all the articles here, less those procured on repayment and those loaned to you, were obtained from the rubbish bins, how do you feel towards them?

A I felt it was a shame to see them destroyed.

Q Are you sure therefore that you felt you stole them ?

A I didn't think it was stealing, sir.

Q And how do you now feel ?

A I still don't sir.

Q ---QUESTIONED BY THE PRESIDENT: Would I be fair to you if I said that you have admitted that all the goods shown in the charge-sheet are public property with the exception of the following, obtained by you on repayment: One dozen towels; six or seven shirts; three or four pairs of socks; the coveralls covered by your regimental number; and four suits of underwear. Would you consider that all the other items were public property ?

A Yes, sir.

Q And that they were taken from Special Distributing Depot at Aurora ?

A Yes, sir.

Q Did you ever consider that being a security guard there meant that you should protect this stuff rather than try to take it out of there?

A It did when I first got there.

Q Why did it not continue ?

A We had stopped various people and nothing was ever done about it, sir Outside of in one case.

Q Well, did you feel that that entitled you to help yourself ?

A I didn't think very much about it. When you see stuff destroyed that you can use yourself and in such a quantity, well, it goes against your grain, sir.

Q That may be very true, but do you think that entitles anyone to take these things ?

A No, sir.

Q Were the two Provost chaps quite fair with you in the way they approached you and in the way they handled the whole situation including the taking of your statement ?

A I think so, sir.

Q Did they give their evidence fairly in this Court ?

A I think so, sir.

Q Did your wife know where you had got this stuff ?

A No, sir.

Q What did you tell her, if you wish to tell me ?

A I didn't tell her anything. She never questioned me.

Q How old are you ?

A 38 a week ago Tuesday.

Q And how old is your wife ?

A 32.

Q And the ages of the children ?

A The oldest one is thirteen; the next one - no, she won't be thirteen until November - the next one is ten, and eight, and the other one was born on the 21st of January of this year.

Q There are the four children then, your wife and yourself ?

A Yes, sir.

Q Have you any special address in Sutton West, or is that sufficient ?

A Just Sutton West, Ontario.

Q And do you feel that these prices that were shown in the list, Exhibit "G", are reasonable and fair, Private Bones ? That is the list that totals $124.37 ?

A No, I do not, sir.

Q What would you consider to be a fairer price ?

A I wouldn't know that, sir.

Q Would you say a hundred dollars would be about right ?

A I wouldn't like to say anything about the price of it. It is beyond my capabilities, sir.

---THE ACCUSED RESUMES HIS SEAT.

2nd Witness FOR DEFENCE

B-963 RSM (WOII) Frederick GLEDHILL, Special Distributing Depot, Toronto, R.C.O.C., being duly sworn is examined by the Defending Officer:-

Q Do you know the accused ?

A Yes, sir.

Q Do you know of his character ?

A I do.

Q Can you tell the Court of your experience with him ?

A I have known Bones on the second occasion since the 1st of May. Previous to that I have had dealings with him in the nature of his work as Security Guard and in other matters; and I found him an excellent soldier and a straightforward type of individual. Further, I found him very co-operative in whatever work or assignment that I have given him.

Q Do you know of his family ?

A Not personally. I know that he has a wife and four children.

Q Then you don't know of his relationship with his family ?

A Personally, no, sir.

---THE PROSECUTOR DECLINES TO CROSS EXAMINE

THE WITNESS WITHDRAWS.

3rd Witness FOR DEFENCE

B-6720 CSM (WOII) J. MONTEITH, Special Distributing Depot, Toronto, R.C.O.C., being duly sworn is examined by the Defending Officer:-

Q Sergeant-Major Monteith, do you know the accused ?

A I do, sir.

Q Do you know of his character ?

A I do, sir.

Q Can you tell the Court what you know ?

A I first met Private Bones in the summer of 1943, when taking security convoys to the coast for shipment overseas. A special security guard was formed at M.D. 2 to take over this work from us and Private Bones was one of the detachment. He spent about six or seven weeks in training with us; and at all times I found

him to be a good worker and very honest and well in his judgment . We were on subsistence - command pay, I should say command pay, all this time, and everybody clubbed in a bit for the purpose of our food. This money was kept in a glass jar in the train and Private Bones with others had access to this at all times; and at no time were we short in our money. I next met Private Bones on May 1st, this year, when the Special Distributing Depot took over the Salvage Depot with the D.O.D. The N.C.O. in charge at that time highly recommended Private Bones to me and from my observation I had decided to recommend him for Corporal stripes for the good work he was doing.

Q Do you know Private Bones' family at all ?

A No, sir, I'm sorry, I don't.

Q Then that is all.

A Thank you, s ir.

---THE PROSECUTOR DECLINES TO CROSS EXAMINE

THE WITNESS WITHDRAWS.

---PROSECUTOR: Sir, before the adresses, I wish to refer to Rule of Procedure 86 and under Rule of Procedure 86, I ask permission of the Court to recall a witness, in more or less rebuttal in reply to something said by a witness for the Defence, the witness being Major Campbell.

Q ---PRESIDENT: Have you anything to say to that ?

A ---DEFENDING OFFICER: I have no objection, sir.

3rd Witness for THE PROSECUTION (RECALLED)

Major Leslie CAMPBELL, H.W.E. Special Distributing Depot, Toronto, R.C.O.C., is recalled by the Prosecutor with leave of the Court for the purpose of rebutting a material statement made by the accused. The witness on his former oath being examined by the prosecutor states as follows:-

Q Major Campbell, you are being recalled at the request of the Prosecutor to give evidence more or less of a rebuttal nature to rebut certain statements made by the accused in his evidence

which you did not hear. As I understand, you were the Officer Commanding the Unit at the time, a certain part of the time, this offence took place, is that right ?

A That is right.

Q Was it a common practice for personnel at Returned Stores Depot at Aurora to put stores away ready to take them out themselves ?

A To my knowledge it was not a common practice.

Q To your knowledge, Major, was it a common practice for the personnel at Returned Stores Depot to take stuff that was going to be destroyed for the purpose of putting it to what they considered some beneficial use ?

A To my knowledge, no; and if personnel were taking or putting stuff aside for the express purpose of taking it out or putting it aside for their own use, then they were doing something that they knew or should have known, was against the rules and regulations. I would like to add further to that. That was one of the reasons for having security guard, was to watch for that sort of thing.

Q Major, the accused has stated in evidence, in examination-in-chief, that he obtained two flashlights from the scrap pile in pieces and assembled them out of broken pieces. Would that be possible.

A May I see the flashlight ?

Q ---PRESIDENT: You are now looking at which exhibit ?

A ---WITNESS: 53. It would be quite possible for a man to get sufficient parts from the scrap pile to make a non-serviceable flashlight into a serviceable flashlight. On the other hand, it seems hardly feasible, because if that could be done, then it would not be on the scrap pile, because we had a man in charge of barrack-room stores, whose job it was to make non-serviceable - to make serviceable flashlights out of non-serviceable ones, by taking the parts that could be used and making a serviceable flashlight. So, the only thing that would be found on the scrap pile from my experience would be parts of flashlights that could not be used again.

Q ---PROSECUTOR Look at Exhibit 54 ?

A ---WITNESS: It is quite possible that that flashlight could have been made serviceable from parts, but I repeat my previous statement: It seems hardly feasible.

Q ---PROSECUTOR Would you look at Exhibit 57, one cookers portable stove. Is it possible that that stuff could have been taken from the scrap pile and then assembled to make it serviceable ?

A I could answer that question, Mr. President, by two answers: one is yes, it is possible; and the other explanation is, if it were possible, or if it had been done, then personnel in charge of barrackroom stores conditioning were not doing their jobs in allowing parts to get onto the scrap pile that could possibly be used in reconditiong stoves, and that was being urged all the time, by both officers and N.C.O.'s in charge.

Q ---PROSECUTOR Major, would you look at Exhibits number 1 and five. The accused in his evidences stated, I am referring to Exhibits 1 and 2, handcuffs and a knife, the accused in his evidence has stated that they were found in the scrap pile. Have you any comment to make on that ?

A This exhibit 1, handcuffs. This could be found in the scrap pile for one or two reasons. One: if there is no key and we cannot possibly cut a key to fit, which hasbeen the case, then they become scrap, and are just put in as scrap steel.

Q ---PROSECUTOR Now, referring to Exhibit 2 ?

A ---WITNESS: Exhibit 2 would have been found, in my estimation,, in the scrap pile.

Q ---PROSECUTOR Would it be possible for any person to take a raincoat from the Depot for the purpose of borrowing it and then bring it back ?

A The answer to that is yes, sir. It was very difficult to control personnel taking out raincoats, becsuse at that time we didn't have proper cloak rooms. Just recently one main cloak room was installed in Aurora where all, both military and civilian, personnel

have to hang their clothes coming in and going out, and the room was kept locked by the Regimental Police until noon hour, and again at five o'clock when the door was opened.

Q ---PROSECUTOR: Would you look at Exhibit, the grease-gun, Exhibit 55. The accused in his evidence has stated that he obtained the grease-gun from the scrap pile. Have you any comments to make on that ?

A If the accused got this from the scrap pile it should not have been on the scrap pile, as it is serviceable.

Q ---PROSECUTOR: The accused has stated in evidence that he obtained, - that he purchased on repayment one dozen towels, six or seven shirts, three or four, three or four pair of sox, one pair of coveralls, and three or four suits of underwear. He has also explained how he obtained certain articles from the scrap pile and you have been questioned as to them. All that remains, is that scrap or has it a value ? the remainder of the exhibits.

---PRESIDENT: With the exception of the articles taken out on repayment.

A ---WITNESS: I understand what he is getting at. He means are the items exhibited here apart from those bought on repayment and found on the scrap pile are they fit to be re-issued, or are they articles to be scrapped . What are the exhibits that he bought on repayment ?

---PRESIDENT: He states he bought on repayment one dozen towels...

---WITNESS: My answer to that is he could have bought them on repayment if he can prove that he bought them on repayment. On the other hand they are towels that came from the Depot, of a similar nature.

Q ---PRESIDENT: What Exhibit is that ?

A ---WITNESS: That is Exhibit 7.

Q ---PROSECUTOR: And are they scrap?

A ---WITNESS: These towels wouldn't go into the scrap pile. They come under the V.N., that is the catalogue number, coming under items of clothing that are to be sent to Valleyfield.

Q ---PRESIDENT: That would be the towels shown in Exhibit 7 ?

A ---WITNESS They could have been bought on repayment, on the other hand they could have been taken from the Depot.

Q ---PROSECUTOR: These are very new. Are they scrap or not ?

A No, they are definitely not scrap. Are those the answers you want ?

Q I want you to indicate whether they are scrap value or article value.

Q Exhibit 18, six or seven shirts.

A ---WITNESS: They are definitely not scrap.

Q ---PROSECUTOR: One pair of coveralls, Exhibit 43 ?

A ---WITNESS: Coveralls could have been issued to the accused.

Q ---PROSECUTOR: They could have been, but at the present time the question is what is their present value ? Are they scrap value, or article value ?

A Article value.

Q ---PROSECUTOR: Exhibit 21 ?

A ---WITNESS: Article value.

Q ---PROSECUTOR: Three or four suits of underwear, Exhibit 17 ?

A Article value. They definitely would not have been cut up as rags wipers. They would have been included in the clothing to be sent to Valleyfield.

Q The other items, with the exception of any obsolete stores. What value would they have ? Scrap value or article value ?

A They are all the same value. They are all article value. They have to be turned in under their V.N. article number and sent to War Assets at Valleyfield.

Q Have you anything you wish to add ?

A Could I ask the Prosecutor to read out of the statement again, and I think where the accused has made a statement that all personnel of the Depot...

Q ---PRESIDENT: Are you referring to the Exhibit that was filed ? There was an Exhibit filed Exhibit "F".

A ---WITNESS: No, I am referring to the questions asked by the Prosecutor where the accused had stated that personnel in the Depot were in the habit of taking goods out of the scrap pile for their own personal use.

Q ---PRESIDENT: I think that was briefly the way the question was asked. Is there anything you wish to say in that connection ?

A ---WITNESS: Yes, there is, definitely. We took all precautions that we could think of to try and stop any pilfering large or small. The Regimental Police are there for security reasons, not for other duties. If they knew of any pilfering, any thieving, it was their duty to report it either to the N.C.O. in charge, or the officer in charge of the Depot. We put on an Orderly Sergeant whose duty it was to visit the Returned Stores Depot at any time of the night to check on both the R.P.'s, and to make sure that everything was in order; and he made out a daily report which was submitted to the officer in charge of the Depot. We checked civilians and military personnel leaving the Depot at different times and tried to catch any pilfering. That's all I have to say.

Q ---PRESIDENT: Did these people carry out their duties as they should have, Major ?

A ---WITNESS: To my knowledge, yes. If you can't rely on the security police, then who else are you going to rely on .

Q ---PRESIDENT: Were any complaints received that were not followed up by you about pilfering ?

A No, every complaint received was followed up. So much so that I was responsible for contacting the D.O.O. at the time and suggested to him that an investigation be made by the Royal Canadian Mounted Police. This was done, sir. This was carried out. We caught at one time, a civilian taking some leather soles and a few rubber heels and he was dismissed immediately and prosecuted.

Q ---PRESIDENT: Would you like to ask questions, Mr. LeBer ?

A ---DEFENDING OFFICER: I have just one question to ask. The Major here has looked over these articles from a theoretical basis only, I gather, when he has declared whether they were article value or rubbish, but surely, the Major did not do the actual sorting at the Depot ?

Q ---PRESIDENT: You did not do the actual sorting at the Depot, Major Campbell ?

A ---WITNESS: No, but the Salvage Officer, and I wasthe Salvage Officer, is the sole authority for stating whether the item is to be scrapped or whether it is to be turned into items for War Assets, or whether it is to be burned, or whether it is to be re-conditioned and turned back to Ordnance; and I have given you my expert opinion regarding these Exhibits. Sorting is carried out under the jurisdiction of the N.C.O.'s. They are fully qualified in their work and inspected at different times by the Salvage Officer. In my opinion, I don't think that the number of items such as exhibited here would ever have got as far as produce to be burned. Does that answer your question.

Q ---PRESIDENT: Is it possible, Major, that underwear of the type shown in Exhibit 18, would be burned ?

A ---WITNESS: Could I, off the record...

Q ---PRESIDENT: No, I think it should go in the record.

A ---WITNESS: My answer to that is, no.

Q ---PRESIDENT: Did you say whether it was possible ?

A ---WITNESS: Yes, everything is possible.

Q ---PRESIDENT: Is it the practice that underwear of that quality is burned ?

A ---WITNESS: Definitely not.

Q ---PRESIDENT: Well, I hope not. Is it possible that shirts, such as appear in Exhibit 21, would go on the scrap pile and be burned ?

A ---WITNESS: Definitely not. For the simple reason it is almost

impossible, - if, and they do sometimes, an odd shirt will go through that should not have gone through. It only goes as far as the produce area, where all shirts and underwear not fit for War Assets at Valleyfield, are turned into rags wipers and baled as such for issue to Ordnance. There is no such thing as underwear or shirts or any items of that nature getting through to be burned, because there is no reason for it. The only items that are burned would be oil rags which cannot be reclaimed.

Q Would staff such as shown in Exhibit 14, be put on the scrap pile ?

A Definitely not. I would like to add to that. My idea - that is Mr. President, if you want a further explanation.

Q ---PRESIDENT: That is alright, Major Campbell .

A ---WITNESS: The Salvage Officer in Aurora is responible for the running of the Depot; for the conditioning of the Stores; to make sure that the items of a various nature are put under their proper categories, but, what I am getting at is ...I am not finished, this is an important statment - that all items coming into the Depot, once received, they are not the responsibility of the Salvage Officer. They are the responsibility of the Ordnance Stores Officer. Therefore, there is no item that could be burned unless the Ordnance Stores Officer has knowledge at the same time.

Q ---PRESIDENT: Supposing the Ordnance Stores Officer has knowledge. Is it possible that good articles of clothing, such as I see here, could be put in the scrap pile and be burned. I am quite concerned about this thing.

A No, because I think if this is the main question, then you should have as another witness, the Ordnance Stores Officer.

Q ---PRESIDENT: I was just asking you the question as you were in charge there formerly. I would just hate to think that goods of the quality I see here to-day, would be put on the scrap heap.

A No, they are not.

---THE WITNESS WITHDRAWS.

THE PROSECUTOR AND DEFENDING OFFICER MAKE CLOSING ADDRESSES WHICH ARE RECORDED BUT ARE NOT TRANSCRIBED.

STATEMENT BY THE DEFENDING OFFICER IN MITIGATION OF PUNISHMENT:

Just a few words, because this man's record is such that few around here can attempt to say much. But, as well as what has been said to this Court by the witnesses called before it, we have in Private Bones, a man with six years active service; and considerable militia service before that; two good conduct stripes; and a man who held the Beach at Dunkirk with Alexander; and never a crime or misconduct.

The defence pleads all due leniency and wishes to point out that already the accused has been held in custody awaiting this trial for over a month .

Major,
President, S.C.M.,

ADDRESS BY THE DEFENDING OFFICER RE SUBMISSION OF "NO CASE"

The Defence has two motions to make at this time: The Defence moves for dismissal on the first charge, that of stealing public property, on the ground that insufficient evidence has been adduced by the prosecution; and therefore no prima facie case has been established.

The second motion: The Defence moves for dismissal on the second or alternative charge, that of conduct to the prejudice of good order and military discipline, in that he was improperly in possession of certain public property, on the ground that insufficient evidence has been adduced by the prosecution; and therefore no prima facie case has been established.

Thirdly, sir, the evidence is of a circumstantial nature only, in that the accused person is found in possession of the goods which it is alleged are improperly there, but no one observed the accused taking these goods. To substantiate a charge being laid under circumstantial evidence, it is necessary to show that the goods are missing from their usual place of holding.

In explanation then, dealing with the first charge, that of stealing public property, the Defence wishes to point out, firstly: no ledger, ledger entries, or vouchers have been presented to show these articles on charge to the public account. Secondly, the Officer Commanding the Depot at the time has reported no losses were apparent in stock-takings. That is, there is no evidence of these articles missing from stores. Thirdly, no witness has been produced, nor is there any evidence of any person observing the accused taking any of these articles from the Returned Stores Depot, or any other place. Therefore, it cannot be argued that certain articles found on the

premises of the accused were stolen.

As regards then, the second or alternative charge, that of conduct to the prejudice of good order and military discipline, in that he was improperly in possession of certain public property. The Defence wishes to point out, firstly: that all the goods exhibited, none of them are new, because and it has been given in evidence by witnesses before this Court they could be classed as rubbish, and certainly are so, to our lay eyes. Therefore there is at least real doubt that this charge reading as it does a lot of items, should have been so much poundage of produce or rubbish. Secondly: there is real doubt that the inanimate goods are not public property at all. Thirdly: some of the goods have been superceded by later models, and therefore go to scrap. Also, some of the goods could have been bought on repayment.

Therefore, the Defence contends there is real doubt that these goods were improperly in possession of the accused.

ADDRESS BY THE PROSECUTOR RE SUBMISSION OF "NO CASE" BY THE DEFENCE

In answering the motion of the Defending Officer, under Rule of Procedure 40, that is the rule under which this motion is made, Note 1 to Rule of Procedure 40: "It is open to the accused, his counsel or defending officer, at the close of the case for the prosecution, to submit that the evidence given for the prosecution has not established a prima facie case against him, and that he should not therefore, be called upon for his defence. The Court will consider this submission in closed court and if they are satisfied that it is well founded, must acquit the accused. This submission may be made in respect of any one or more charges in a charge-sheet. I am now referring to official publications, Notes on Procedure,etcetera, in connection with trials by Court-Martial, 1936. On page 27: - Dealing with duties of the Defending Officer, reads as follows: "At the close of the case for the prosecution he may submit that the accused has no case to answer, and therefore should not be called upon for his defence, because the prosecution have not produced evidence in support of one or more essentials in the charge." Note one, to Rule of Procedure 40, and Rule of Procedure 70."N.B. This submission must be to the effect that there is no evidence at all on the point or points; and not that the evidence is untrustworthy." I wish to quote - Dealing with prima facie evidence, I wish to quote from Phipson on Evidence, Page 29, and Phipson is an English text-book, and as the Court well knows, the laws of England. "There are commonly said to be two cases in which the burden of proof does not rest upon the party substantially asserting the affirmative; or which if they occur during the trial, will operate to shift such burden to his opponent. Where a disputable presumption of law exists, or a prima facie case has been proved, in favour of a party, it lies upon his adversary to rebut it."

Prima facie - the definition of prima facie, which is obtained from the dictionary, the American Pocket Medical Dictionary, the definition of prima facie:"at first view" or, "so far as it first appears".

I feel it unnecessary at this time to review the evidence. It would take too long to review all the evidence; but I feel I wish to take the argument of the Defending Officer, and try to answer each point that he has endeavoured to make.

The first charge, that no ledger or ledger entries have been produced to the Court to show that these goods have been stolen. Well, that is true. There have been no ledger entries; but I submit that the answer to that is this: That the accused made a confession which has been produced and accepted by the Court as admissible evidence in this Court, in which it is stated as follows: "Question: Where did the goods recovered at your home in Sutton West this date, 11th of August, 1945, come from ? Answer: Returned Stores Depot, Aurora. Question: Have you any explanation for the goods recovered at your home this date 11th of August, 1945, being there ? Answer: It was a common practice for personnel of Returned Stores Depot to take stuff that was going to be destroyed and put it to some beneficial use, rather than see it wasted. I am a married man with a wife and four children to support, and could see no harm in taking this condemned stuff and putting it to some valuable use at home." That supplies the motive. We have evidence from the Provost that the accused said in effect the same thing; and admitted taking these stores, and the reasons for that.

The Defending Officer said there were no losses apparent in stock-taking. That is true. I, on the other hand, I submit it is not necessary for the prosecution to prove that. Further, the Defending Officer states nobody saw the accused take the stores. I agree with him. On the other hand, we can use circumstantial evidence. Circumstantial evidence is good evidence. Circumstantial evidence discloses, from his confession, from the fact that the stores were discovered in his home,

that he in fact did take the stores.

We have evidence, plenty of evidence, that these stores in front of us were taken from his home, and subsequently found their way to this court-room. It is true that these articles, some of them, might not be proved to the satisfaction of the Court that these are public property; in that connection, there is Rule of Procedure 44 (D) which makes it possible for the Court to make a special finding and find the accused guilty of taking these articles, and the rest may be ignored.

Then dealing with theft. We will deal first with the definition of stealing. In the manual of Military Law, Stealing Public Property, at Page 22, Paragraph 33: "The elements necessary to constitute an offence of stealing under either of these sections" - that means Section 16 (4) and Section 17, and the accused is charged under 16 (4) "are the same as in the case of the civil offence of stealing, that is to say, the property stolen must have been taken and carried away by the offender without the consent of the owner, fraudulently and without a claim of right made in good faith, with intent, at the time of such taking permanently to deprive the owner thereof. But a person may be guilty of stealing notwithstanding that he has lawful possession of the thing stolen, if, being a bailee or part owner thereof, he fraudulently converts it to his own use or to the use of any person other than the owner."

I submit that the property stolen was taken away by the accused, possibly in his own automobile, without the consent of the public. Further, the intention of the accused at the time of taking. I submit it has been proved, to permanently deprive the public thereof. It is explained in his confession that he was going to put it to some beneficial use, and other words used in the confession.

Then on page 118 and 119, para 50: "A person steals who, without the consent of the owner, fraudulently and without a claim of right made in good faith, takes and carries away anything capable of being stolen with intent at the time of such taking permanently to deprive the owner thereof." My same argument applies there. The owner did not give consent. The accused had no right whatever. He must have, by circumstantial evidence taken, he admits by his confession, he took it and carried it away to his home, anything capable of being stolen. The Court knows whether or not these are capable of being stolen. With the intent to permanently deprive the owner thereof. I submit the same applies. He intended to put it to some beneficial use. Paragraph 50 goes on, but I do not think it is necessary to go on.

There is something on page 23 of the Manual, that is the last part of Paragraph 37, the last sentence: "The improper possession by one soldier of a comrade's necessaries where there is no evidence of theft is a different question. It is not an offence against the comrade, but is an offence against military rules, and may, irrespectively of any fraudulent intent, be punished under section 40." That more or less deals with the second charge.

In that connection, the Court will look at Note 8, to section 18, Page 444. The reason I quote it is if it should be considered by the Court that some of these articles belong to a soldier, in the case of some of these articles which do not bear the government mark, but bear a soldier's name or regimental number, if the Court should consider these articles might belong to the soldier, and not be public property: "if a soldier steals the greatcoat of his comrade, he can be charged with stealing it either as being public property or as being the property of a person subject to military law; for although, the greatcoat is owned by the public, the comrade has a special property in it by reason of his lawful possession.

It was stated that the civil test of stealing was applicable. I have here the Manual of Criminal Procedure, 1943, by A.E. Pottell, LLB, at Page 79 it is set out what is the definition of theft. It is so long that I think rather than read it I shall hand it to the Court. At Page 79 and 120.

I submit that the prosecution has produced to the Court an abundance of evidence to show that the accused actually did steal these articles.

Now, dealing with the second charge. I may say before that, it is necessary in fact for the prosecution to prove a prima facie case, and that is all that is necessary. In dealing with the second charge, which the prosecution does not have to prove nearly as much, the Defending Officer says that the goods exhibited, none of them are new, and could be classed as rubbish. I was very careful to bring the witness, S.Q.M.S. Melvin, to say that outside of certain articles which he claimed might be poundage, the rest of the articles each have a definite value in themselves, and were not rubbish, poundage or scrap. He values them at $124.87. Definitely not scrap or rubbish. The Defending Officer said there is real doubt that the unmarked goods are not public property. Supposing the court found that some of them were not public property. That's alright. There is certainly a good percentage of them that have been proved conclusively that they are definitely public property. Therefore, under Rule of Procedure 44 (D) the Court can make a special finding and find that these are public property. I could go further and make the statement that the Court could find all the goods are public property. While the two witnesses say there is a doubt, they say these goods are similar to Army issue, and it is possible for the Court to say that they are all public property.

The Defence says that some of the goods have been superceded by later models. That is true, but it does not give the accused any right to have them in his possession or take them away from being government property.

The Defending Officer said some of them may be obtained on repayment. That has not been brought out in evidence. There is no evidence that any of these goods were bought on repayment before the Court at this time.

I submit it has been proved to the Court that the accused had access to these goods. He was employed as a guard, and the first witness stated that during the night shift the two guards that were on duty had an opportunity of helping themselves.

It has been proved in evidence that the accused has a motor car.

---PRESIDENT: No, Captain Downey, I am not going to let you say that. That was not proved in evidence.

---PROSECUTOR: I submit the Court can observe from the evidence of a circumstantial nature that the accused did obtain these goods from Returned Stores Depot at Aurora and take them to his home.

"J"

Major.
President, S.C.M.

REPLY BY THE DEFENDING OFFICER TO THE PROSECUTOR RE SUBMISSION OF "NO CASE"

The Defence contends, sir, that on checking this statement, the questions and answers, and mind you, the Defence does not at this moment make any criticizm of the Court for taking this document, although we are mindful of the way it was taken, by plain clothesmen, but checking the answer to the question, "Have you any explanation..." "It was a common practice for personnel of Returned Stores Depot to take stuff that was going to be destroyed and put it to some beneficial use, rather than see it wasted. I am a married man with a wife and four children to support and could see no harm in taking this condemned stuff and putting it to some valuable use at home." Certainly, there is nothing in there to say the accused took these goods. There is no admission in that statement whatsoever.

I would like to point out re the Prosecutor's quotation from the Manual of Military Law, that you cannot say that which can be classified as rubbish that could be considered to be a comrade's necessaries.

The District Officer Commanding,
Military District No. 2, Toronto, Ont.

Application for Standing Court-Martial
B-75591 Pte. Horace Granville Bones,
Special Distributing Depot, RCOC.

Receipt is acknowledged of your T.20-B-15393 (AJAG) dated 28th August 1945, under cover of which you forwarded Charge Sheet and Summary of Evidence in the m/n application for Standing Court-Martial.

2. The statement in para. 2 of your letter has been noted.

3. As to the admissibility of the confession, it is considered that this depends on whether the same was voluntary. It is assumed that before it is tendered to the Court, the provost N.C.Os. will testify that they neither threatened the accused nor held out to him the prospect of any favour. In this connection evidence of the warning should be given. On this "trial within a trial" the accused may cross-examine the witnesses for the Prosecution and offer evidence on his own behalf, if he so desires. It is important that the provost N.C.Os. should testify as to the facts within their knowledge and not as to their "opinion" (the expression used by Sgt. Atkinson at p. 8 of the Summary). The fact that the accused, before making the confession, was told that he was being charged with improper possession is not, in itself, reason against rendering the confession to the Court upon the trial of the accused for theft and, alternatively, improper possession. It would, of course, be open to the Court to investigate the possibility of the accused's being induced to speak through the prospect of his receiving a less severe punishment than that which a conviction of theft might entail.

4. In para. 4 of your letter it is stated that the accused will go before Standing Court-Martial on charges under A.A.18 (4) and 40 pursuant to his election to be so tried under the authority of C.A.R.O. 4563(9). It is considered that such election should be noted in red at the head of the Charge Sheet instead of the statement: "The accused soldier has been remanded for Court-Martial."

5. Subject to the foregoing, the Charge Sheet is in order and the Summary of Evidence discloses sufficient evidence to establish a prima facie case against the accused on the charges set out therein.

6. The Charge Sheet and Summary of Evidence are returned herewith for your further use.

(R.J.Orde) Brigadier,
Judge Advocate-General.

Herewith Charge Sheet and Summary of Evidence for submission to the Judge Advocate-General pursuant to K.R. (Can) 540.

2. The provisions of K.R. (Can) 540 and A.G. Circular Letter R-730 have been carefully considered and it is recommended by the District Officer Commanding, Military District No. 2 that the charges in this case be dealt with by military authorities rather than by the civil authorities.

3. It is appreciated that the admissibility of the statement in the nature of a confession (Exhibit "A") may be questioned on the grounds that it was induced by the assurance that the accused would be tried for "Improper Possession" and is now being charged with "Stealing Public Property" as well. It is felt, however, that this is a matter to be dealt with by the court.

4 The accused has elected trial by Standing Court-Martial in accordance with C.A.R.O. 4563(9).

12. Remarks:

(a) Item 10 has been omitted.

(b) Accused arrived in Winnipeg 27 Jul 45 on his way home from Germany, having volunteered for the Pacific. Served from Aug 44 until V.E. day in France, Belgium, Holland and Germany. While awaiting a train to Ft William, his home town, accused and 2 companions purchased several bottles of bootleg whiskey, a case of beer and later three 26 oz. bottles from the vendors. Drank most of one night and during the day of 28 Jul 45. On arrival at station to take 8 o'clock train to Winnipeg, he apparently had an argument with the station master and later struck Major Snider a glancing blow which knocked his glasses off and broke the lens. Caused no bodily harm. Accused evidently was in such a state he did not realize his actions and stated on oath he remembered nothing of the incident. Was not accustomed to drinking and the first time he had ever been drunk. Has a strain of Indian blood in his viens, his mother being half French and half Indian.

(c) This is the first offence accused committed during his service in the Army and it is most unfortunate he has this mark against his good record. While the Offr had every reason to lay a charge against the accused, am of the opinion this matter could have been settled out of court.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. Major N. W. SNIDER, No. 50 Company, Canadian Dental Corps, C.A.,

being duly sworn, is examined by the Prosecutor.

Question Are you Major N. W. Snider, No. 50 Company, Canadian Dental Corps?

A I am.

Q You are, in fact, a Major in the Canadian Army, Active, are you?

A I am.

Q Do you recall the evening of the 28th July, 1945?

A I do.

Q What were you doing that evening?

A I was on my way to report in Halifax, at Headquarters, No. 50 Company, Canadian Dental Corps.

Q And from what point were you leaving?

A C.P.R. Station.

Q In Winnipeg, Manitoba?

A In Winnipeg, Yes.

Q And what time did you go to the Station?

A Shortly before eight o'clock.

Q That would be 0800 hours or 2000 hours?

A No, 2000 hours.

Q At the time that you were in the Station how were you dressed?

A Similarly to what I am now. I had the same uniform on that I have now, that is, the Tropical Summer uniform and my Service hat that I have got on, and my rank badges on.

Q And those rank badges are the crowns for a Major?

A That is right.

Q Do you know H-9525 Private Thomas Atkins Boucher?

A No.

Q Just whereabouts were were you at the Station at approximately 2000 hours?

A At the far end of the Concourse near where you take the train, I believe. I think it is No. 8 track -- 7 or 8.

Q Were you there for any particular purpose?

A Yes; I was waiting to get my Berth Reservation confirmed by the Sleeping Car Conductor.

Q And he has a special wicket right near the entrance to that track?

A Yes, there is a space for three or four of them behind a desk.

Q And how far from the desk would be standing?

A Oh, approximately as far from here to the wall.

Q That would be about ten to fifteen feet?

A I would say that.

Q When you were in that position did you notice anything of a disturbance in the Concourse?

A Not what you would actually call a disturbance. At the base of the steps there were three or four soldiers preparing to take the train and there seemed to be some discussion amongst them with the Constable in charge there. As to what the nature of the discussion was, I couldn't say.

Q And how far from you would this be?

A Oh, thirty or forty feet.

Q Well now, did you notice or was there anything in particular happened after you had noticed this discussion?

A Well, there was one soldier who detached himself from the group and he was talking to, I believe it was the Station Master. He was standing slightly to my left and behind me.

Q How far?

A Oh, possibly eight or ten feet, or twelve feet.

Q And then what did you notice?

A Nothing in particular. I could hear the talking, and I gathered that this soldier had lost his ticket or couldn't locate it; and just at that time this soldier said, 'there is a Major' or words to that effect, and just as I turned around -- I felt possibly that I would be called on for some assistance or something -- an this soldier attacked me.

Q You say he attacked you. Just what did he do?

A Well, to my mind I started to turn towards him and he came at me with arms flailing and struck me a glancing blow on the left cheek which knocked my glasses off and my hat off.

Q You say he struck you. With what?

A With his fist or his hand.

Q Which fist or which hand?

A I don't know.

Q And where did he strike you?

A On the left side of the jaw, left-hand side of my face.

Q And you say he knocked your glasses off?

A Yes.

Q Did he knock them completely off?

A Yes; they fell on to the floor.

Q And were they damaged?

A The right lense was broken.

Q And where was your cap?

A Somebody picked that up and handed it to me.

Q You say you turned towards this soldier. In what direction did you turn?

A I turned slightly left; just started to turn left.

Q What is the effect in your vision, of losing your glasses?

A Well, it is pretty bad. I can't see any particular distance without them; that is, not clear.

Q Well now, Major Snider, could you identify the soldier who struck you?

A No, I could not.

Q Had you spoken to the soldier at all?

A No, I had not.

Q Had you done anything that might have provoked his striking?

A No.

Q After the striking, what happened?

A The soldier was immediately taken in charge by two men. Whether they were in uniform or not, I couldn't say.

Q And did you see anything of the soldier after that?

A No, I did not; they took him away.

Q Did you have sufficient opportunity to notice the soldier's condition?

A No, I can't say that I had. From his actions when he staggered, I would say that he might have been drinking.

Q Are you able to fix any degree of intoxication?

A No, I couldn't do that.

Q How long did all this take?

A It happened in a very short space of time. I would say not more than a couple of minutes, if that much.

Q You mentioned that the soldier used some expression before striking you. What was that expression, again?

A I am not too sure, but I believe he said - 'there is a dam Major'.

Cross-examined by the Defending Officer:

Q Major Snider, you say that this chap, this soldier, came towards you, flailing his arms. Have you any reason to believe that he struck you deliberately? Could it not have been a drunken brawl, or something like that, when he came towards you?

A I wasn't in a position to see him particularly, because he was in behind me, but I don't think it was a drunken brawl.

Q You were not in a position to see his arms flailing around?

A Yes, out of the corner of my eye.

Q It could be that the soldier was perhaps under the influence of liquor, and just struck up and happened to accidentally hit you?

A It could be, except that after when he was grabbed or taken in charge of the two men, he tried to break loose to apparently tear into me again.

Q That was perhaps only an opinion, Sir, and I can understand, and I think you can, that a man who is suddenly grabbed and held would try to get away. That is natural, isn't it? You would feel the same way if someone came up and grabbed you unexpectedly -- you would naturally try to break away, would you not?

A Yes.

Q And you say that you heard a statement come from somewhere behind you or to your left, and near, and you looked over and saw a soldier talking with what you thought was the Stationmaster?

A Yes.

Q And this soldier appeared to be in a little trouble, or he might have lost his ticket or couldn't find it just at the moment?

A Yes.

Q And than you state that a few minutes afterwards you heard someone say something about 'there is a Major', and you say that you turned around thinking that your assistance may have been required by the soldier?

A Yes.

Q If, as you say now, there was a statement which could have been, 'there is a dam Major', do you think that could have come from the same chap who was in difficulties with the Stationmaster?

A I believe it was.

Q Have you anything that makes you believe it was him?

A Nothing, except that there was no one between us at the time.

Q There were many people in the Station, and no doubt many soldiers?

A Right.

Re-examined by the Prosecutor:

Q Major Snider, did you notice the direction from which the accused struck the blow?

A No.

Q That is, whether it was from a height coming down, or a low left coming up, or a sideswing?

A I couldn't swear to that.

Q Did he touch you with more than one hand?

A I don't think so.

Q Did he fall to the ground, or lurch to either side?

A I don't think so.

Q Did you notice any other Major present in the vicinity?

A No, I didn't.

Questioned by the Court:

Q Did you see the man who struck you, at all?

A Yes, I saw him.

Q How was he dressed?

A He was dressed in Battle Dress, with a Beret.

Q A khaki Beret?

A A khaki Beret, and he had First Army flashes on his arm.

Q How big a man would he be?

A I would say he was as tall as I am, and a lot slimmer. The man would weigh, from the glance I took of him afterwards, I would say he would weigh in the neighborhood of 165 or 170 pounds.

Q What height are you, Major?

A Five feet, eleven.

Q Did you notice the complexion of the man, color?

A He was fairly dark complexioned, that is, as if he might, as a lot of chaps, have been out-doors in the sun a lot -- I would say quite swarthy, or dark.

Q Where did this blow land first, on the top of the head or on the jaw.

A On the jaw.

Q And how did your glasses get knocked off if the blow hit you on the jaw.

A It was a glancing blow, that came up and caught the rim of my glasses.

Q That is, the blow hit your jaw first and travelled upwards, and your hat fell off?

A Yes.

Q From what direction did it come from, down or up?

A I would imagine down.

Q That is, it came from below and then upward?

A Yes.

Q Was there any severe impact with your jaw?

A No.

Q What was your position when the blow hit you? How were you with respect to the man?

A I would be three-quarters facing him.

Q Did you see the blow coming at all?

A Just very vaguely, in time to dodge it.

Q Did you make any effort to dodge it?

A I did.

Q If you had stood still would the blow still have glanced off your jaw?

A I doubt it.

Q Would you say it was a deliberate blow or was it an accident?

A I am inclined to think it was a deliberate blow.

Q What was your impression at the time?

A Well, to say the least, I was flabbergasted, and I wasn't expecting it, and I couldn't see any reason why I should be attacked.

Q Were you attacked?

A I felt that I was.

Q Was there anyone near you at the time?

A Not to my knowledge.

Q How close would the nearest people be to you?

A I don't know how close anyone would be behind me; on either side and in front of me the closest person would be, possibly four to five feet away.

Q Was the soldier who struck this blow alone, or was someone with him?

A He was alone at the time.

Q How close was he to you when you first saw him?

A You mean, when he was talking to the Stationmaster?

A No. You say you turned around and got a glancing blow. Now, how close was he at the time you turned around?

A He couldn't have been more than two or three, or four feet away.

Q When you first saw him was he swinging his arm?

A I don't quite get what you mean by that question.

Q Well, you say you saw him three or four feet away when you started to turn around. Now, when you first saw him at that time was he swinging his arm?

A At that time he was lurching towards me.

Q That is, it was not a normal walk, I take it?

A No, a lurch.

27

Q What do you mean by 'lurch'?

A I would say, slightly staggering.

Q What were his arms doing at that time?

A I am not too sure what they were doing.

Q When did you first become conscious of the arms moving?

A Just a split second before he struck me.

Q And were both arms moving or just one?

A I couldn't even say whether they were both moving, or not.

By the Court: Thanks very much; that is all.

The Witness withdraws.

Second Witness for the Prosecution) No.R-140402, Corporal F. L. HAINES, No. 2 Air Command, Service Police, Winnipeg, Manitoba, having been duly sworn, is examined by the Prosecutor:

Q Are you R-140402 Corporal F. L. Haines, No. 2 Air Command, Service Police?

A Yes, Sir.

Q And where are you normally stationed?

A At No. 2 Air Command.

Q That is at Winnipeg?

A Yes, Sir.

Q And how are you ordinarily employed?

A Service Policeman; they tell us what duties we have to do.

Q That is, you are normally employed as a Service Policeman?

A That is right.

Q In any particular area or any particular job?

A We are detailed each night to go on duty, and where.

Q Do you recall the evening of the 28th July, 1945?

A Yes, Sir.

Q Were you on duty that evening?

A Yes, Sir.

Q What duty and where?

A I was on Station duty at the C.P.R. Station.

Q In Winnipeg, Manitoba?

A Yes, Sir.

Q Do you know No. H-9525, Private Thomas Atkins BOUCHER?

A Yes, Sir.

Q Is he present?

A Yes, Sir.

Q Can you indicate him?

A The man in the middle of those two men (indicating the accused).

Q Now, did you see Private Boucher on that particular evening?

A Yes, Sir.

Q When did you see him?

A There was a disturbance in the lower Concourse down near the entrance to tracks 7 and 8. I went down there and saw this bumping around.

Q Now, at what time was that?

A It was eight o'clock in the evening.

Q That is, 2000 hours?

A Yes, Sir.

Q And what was Private Boucher doing?

A Well, I had just went up to the C.P.R. Policeman there and he said, 'I think we are going to have some trouble with these two chaps', and when I turned around this Private Boucher struck this Officer.

Q Well now, how far away was the Officer from you at the time you turned around?

A I would say approximately between seven and ten feet away from me.

Q And how far away was Private Boucher?

A Approximately the same distance, Sir.

Q And you say that he struck the Officer?

A Yes, Sir.

Q What did he strike him with?

A He struck him with his right fist.

Q And where did he strike him?

A On the left side of his face, Sir.

Q Was there any damage done?

A The glasses of the Officer were broken.

Q What kind of an Officer was it?

A It was a Major, Sir.

Q An Army Major?

A Yes, Sir.

Q And how didyou know that?

A I knew it was a Major by the crown on his shoulder.

Q Was the crown visible to you at the time?

A Not at the instant the Private struck the Major.

Q Well, when did you see the crown?

A The Private seemed to me as if he was going to strike the Officer again, so I grabbed this Private and I was closed enough then to the Officer to see he was a Major.

Q You say you grabbed the Private. Who was the Private that you grabbed?

A Private Boucher.

Q Was that the Private who struck the blow?

A Yes, Sir.

Q Did you hear any remarks made by either the accused or the Major?

A When I got this Private I asked the Major then if he was going to lay a charge and he said, 'Yes, I certainly am'.

Q Did you see the Major make any move before he was struck?

A No, Sir.

Q What was the Major's re-action to the accused's conduct?

A He seemed very surprised.

Q What would you say as to the accused's conduct at the time?

A I would say that he had been drinking; he appeared to be under the influence of liquor; when myself and the C.P.R. Corporal were leading him away he was very unsteady.

Q From what direction did the accused strike the Major?

A (No answer).

Q Perhaps I could put the question another way. Was the blow a swinging blow, or an upward one, or a downward one, or what?

A It seemed to be an upward blow, Sir.

Q Did you notice whether the accused stumbled either before or after the blow?

A No, Sir.

Q If he had stumbled would you have seen it?

A Yes, Sir.

Q Was the accused alone?

A There was another soldier, a small fellow, that appeared to be with him at the time.

Q And how far away was he?

A I would say, roughly, it was a couple of feet -- two feet.

Q How was the accused dressed?

A In his Battle Dress, Sir.

Q Any sort of Headdress?

A Yes; he had on a Beret.

Q What color?

A It was a mauve, I would say, or crimson, reddish color.

Q Any flashes at all?

A I didn't notice them, Sir.

Q How about the Major?

A I didn't notice any flashes either, just his rank.

Q How was he dressed?

A I believe he had on his Tropical.

Q Did you notice the Corps to which either the Major or the soldier belonged.

A No, Sir.

Q After you seized the accused what happened?

A He was very quiet, Sir. There was no trouble at all escorting him out of the Station.

Q Who escorted him out?

A Myself, and the C.P.R. Policeman.

Q And when did you last see the accused?

A When I handed him over to a Provost.

Q What kind of a Provost?

A Army Provost.

Q And how long was that after you seized him?

A I would say, roughly, it would be about five minutes, Sir.

Cross-examined by the Defending Officer:

Q Corporal Haines, you say that you know No. H-9525, Private Thomas Atkins Boucher, and you pointed to a chap sitting there in the centre as being him. You also said that he is the chap that you saw at the C.P.R. Station that night; is that correct?

A Yes, Sir.

Q How do you recognize this chap as being the same one?

A Just by his appearance.

Q Just what is particular about his appearance that you recall to mind?

A He was tall and dark, and well built.

Q Did you notice at the time you came into this Court that the chap sitting in the seat there was tall, dark and well built?

A Yes, Sir.

Q And you were asked if you knew the accused you turned around and pointed to the chap sitting in the centre?

A Yes, Sir.

Q And actually that chap that you refer to is tall, dark, well-built, and if you hadn't seen this chap you just turn around and point to him?

A I would know him by his appearance.

Q Just what about his appearance would you know him? There are dozens of tall, dark, well-built fellows. Is there something in particular that you can identify him by?

A By his face -- I remember his face.

Q Any particular distinguishing feature about his face?

A Well, I just remember his face.

Q Do you think you would be able to pick him out of a line-up of five dark well-built chaps of that height?

A Definitely, Sir.

Q You definitely could?

A Yes, Sir.

Q You can't lay your finger just on any particular thing that you could identify him by?

A No, Sir.

The Prosecutor declines to re-examine this Witness.

Questioned by the Court:

Q Corporal, you say you saw the blow struck?

A Yes, Sir.

Q Would you say it was an intentional blow or an accidental blow?

A It happened so fast, Sir.

Q Did it look as if the accused was endeavouring to strike somebody, or was he falling down, or what was he doing?

A When I was looking he was just striking the Officer, Sir.

Q What was the accused's attitude at that time? Can you say as to that?

A No answer.

Q You stated that it looked as if the accused was going to strike the Officer another blow. What made you come to that conclusion?

A He had his right hand behind his back ready to swing again.

Q And where was he going to swing?

A To hit the Officer in the face again.

Q At this Officer he had already hit?

A Right, Sir.

Q Were you near to him at that particular instant?

A Yes, Sir; I was on my way over then.

Q Did you reach him before he could make the second swing?

A Yes, Sir.

Q Did you have any conversation with the accused?

A No, Sir.

Q After you took him into custody?

A No, Sir.

Q Did you not talk to him at all?

A No, Sir.

Q Did he talk to you -- did he say anything?

A He said he didn't want to go with me, but he would go with the Corporal Policeman.

Q From what the accused said and how he said it, could you form an opinion as to his mental condition?

A His words were not thick at all.

Q Did he appear to know what was going on?

A No, Sir.

Q He didn't know?

A He didn't appear to know, Sir.

Q He didn't appear to know what?

A He didn't appear to realize he had struck this Officer.

Q Did he object to being taken into custody?

A Not enough that you would call an objection, Sir. He made two or three moves to shake me off, but I wouldn't call it an objection at all.

Q Do you remember anything else he said?

A No, Sir.

Q You say you turned him over to the Army Provost in about five minutes, did you?

A Yes, Sir.

Q Did you leave immediately?

A Yes, Sir.

Q You left immediately?

A Yes, Sir.

By the Court: That is all.

The Witness withdraws.

By the Prosecutor: That is the case for the Prosecution, Sir.

The Defence submits that a prima facie case has not been established by the Prosecution with respect to the charge.

The Prosecutor declines to reply.

The Court disallows the submission of the Defence and its decision is announced to the accused.

The Court proceeds with the trial.

Pres Sec

DEFENDING OFFICER'S MOTION OF 'NO CASE'

Sir, I wish to make a motion of 'No case' on the grounds that the Officer who claims to have been struck could not identify the accused as being the person who did it, but he did recognize the fact that the person who did strike him was wearing a khaki Beret. Corporal Haines, the second witness, states that he identifies the accused as the man, but claims he was wearing a red Beret. Therefore, I think there has not been positive identification, Sir.

~~The Prosecutor has no further witness to call.~~
~~The Prosecution is closed.~~

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I'll take it under oath, Sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. .....

First Witness for the Defence:) No. H.9525, Private Thomas Atkins BOUCHER, No. 10 District Depot, C.A., having been first duly sworn, is examined by the Defending Officer:

Q Will you tell your story to the Court; something about yourself and service in the Army?

A I was born in Fort William in 1921, 21st March, and I went to a separate School there. I passed High School Medical examinations around '36 or '37, and then I went out to make a living on my own. I worked for the Great Lakes Paper Company for three years. After that I thought I would join the Army, I guess, so I joined the Army 21st April '43, took Basic training at the 102nd Basic Training Centre at Fort William. I went Overseas in the Armoured Corps in the first part of November '43, was with the Armoured Corps with the No. 2 C.A.C. R.U. for about a month and a half. Then I got transferred to the Army Service Corps, 65 Tank Transport Company, went Overseas with them 4th August '44, over to France. I was over there until I was ready to come home here sometime in July. When I got off the train at the C.N.R. Station I went out to look for a room and got one at the Club Hotel in the City. I went out and seen a couple of my friends out there and I figured we were going to have a couple of drinks, and they went out and got some -- it was bootleg whiskey. We had a bottle of that -- two 26's it was we got -- and we went to bed; that was three o'clock in the morning, I guess; got up early the next morning, around seven o'clock, drank the other bottle of whiskey and was feeling pretty good, and went down for something to eat. I wandered around town after I had breakfast, and waited until the Beer Parlors were open and then I drank for an hour or an hour and a half, and we then got across to the Liquor Store and got our liquor issue, went back to our room and drank another bottle -- the stuff we just got from the Liquor Store -- and then we went over to check our baggage at the C.P.R. Baggage Room, in order to catch the train to go home, and I went back for some other drink. The boys thought we would go for something to eat, so we went out and went over to the Cafe which was near the Station, went in the Cafe. I don't remember coming out of the Cafe, and I don't know anything about whether I ate or not. I didn't remember going down to the Station at all, and when coming to I was in the Guard House.

Q In your statement, Private Boucher, in regard to your service, you say you proceeded with your Unit overseas to France. Did you get any further than France?

A Yes; I was in Belgium and Holland, and Germany.

Q Did you sign up for the Pacific Force?

A Yes, Sir.

Q You did?

A Yes, Sir; sometime in June.

Q Now then, with regard to your drinking on this particular evening in question. You made a statement to the effect that you went to the Liquor Store and made a further purchase?

A Yes, Sir.

Q How much liquor did you buy on this occasion?

A All I got was a 26 ounce bottle.

Q Were your friends with you?

A Yes, there were three of us -- we had three 26's, and we bought a case of beer.

Q Just one case of beer between the three of you?

A Yes, Sir.

Q Now then, you stated that on the night you arrived in Winnipeg your friends brought up two bottles of liquor?

A Yes, Sir.

Q You drank one bottle when they came back with the liquor?

A Yes, Sir.

Q That would be at what time, approximately?

A About three o'clock in the morning.

Q Then you went to bed, and you drank in the morning before you had breakfast?

A Yes, Sir.

Q The next liquor you had to drink was in the afternoon of the 28th July?

A Yes, Sir.

Q You said you spent an hour or an hour and a half in the Beer Parlor?

A Yes, Sir.

Q Then after purchasing your liquor you went back to the Hotel and you drank all that liquor there, did you?

A We drank a bottle.

Q You drank one bottle?

A Yes, Sir.

Q And then what happened?

A We went to the Station to check the baggage.

Q And then what happened? Then what did you drink?

A We drank one more bottle, I think.

Q Have you ever been under the influence of liquor to such an extent that you were never able to carry out your job?

A No, Sir, not that I know of.

Q Not that you are aware of?

A No, Sir.

Q Did you drink regularly while you were Overseas?

A No, I didn't drink very much. I had the odd beer in England, and I had a little bit of cogniac in Belgium; not enough to get drunk on.

Q And you stated at one stage that you left the Hotel to go to the Cafe. What were you going to the Cafe for?

A For something to eat.

Q Were you going for a regular meal? Have you any idea of the time of day it would be?

A Late in the afternoon, around 5.30 or so.

Q And after you left the Cafe where did you go?

A Well, I don't know -- I don't remember going out of the Cafe. I just remember going in, that is all.

Cross-examined by the Prosecutor:

Q You heard Corporal Haines in his evidence say there was a small soldier with you in the Station. Who was he?

A It was Leslie Kontuen.

Q Is he a friend of yours?

A Yes, Sir.

Q Belonging to the same Unit?

A No; he belonged to the Saskatchewan Light Infantry.

Q Where does he come from?

A He is from Fort William.

Q Are you from Fort William?

A Yes, Sir.

Q What was he doing at the Station?

A He was going home too, the same as I was.

Q Did he have his ticket?

A I don't know.

Q And who was it who was having the argument about the ticket, you or Kontuen?

A I don't remember.

Q Well, did you have your ticket with you?

A I had my ticket, Yes, Sir.

Q Where did you have it?

A I had it in my pay book.

Q Well, why didn't you produce your ticket to the Stationmaster?

A I don't know.

Q Did you have your equipment on?

A I don't know that either.

Q Well, did you have your equipment with you when you got to the Guard Room?

A No, Sir, I didn't. They told me they would get it.

Q Did you ever meet Major Snider before?

A No, Sir.

Q He was Overseas with the First Division -- did you notice that?

A I noticed that, Sir.

Q You never had him do any Dental work for you or anything like that?

A No, Sir.

Q When you were with the Tank Transport Company what was your general job?

A I was delivering tanks.

Q A Driver?

A Yes, Sir.

Q Those Tank Transports are Diesel engines, aren't they?

A Yes, Sir.

Q And you are specially trained, are you, in Diesel engines?

A No, I am not specially trained, Sir.

Q Where were you going that ~~ev~~ evening?

A I was going home.

Q On the C.P.R. train to Fort William?

A Yes, Sir.

Q And what times does the train leave the Station?

A It was going to leave at eight o'clock.

Q 2000 hours?

A That is right.

Q Did your friend, Kontuen, take the train?

A I don't know.

Q You haven't seen him since?

A No, Sir.

Q Do you know where he is now?

A He is probably home in Fort William.

Q But you don't know?

A I don't know, Sir.

Q Have you ever been drunk before, so that you don't remember what happened?

A I have never been drunk before.

Q How many of you were in on this drinking of yours?

A There were three of us.

Q Was Kontuen one of them?

A Yes, Sir.

Q And he is the small soldier referred to?

A Yes, Sir, just a young chap.

Q How tall would he be?

A Oh, 5 foot 7.

Q And how much would he weigh?

A About 135 or 140 pounds.

Q And you are six feet?

A Yes, Sir.

Q And you weigh about 200 pounds?

A 195, Sir.

Q How old are you?

A Twenty-four.

Q Single?

A Yes, Sir.

Q When did you say that you enlisted?

A 21st April, 1943.

Q And you went Overseas when?

A Sometime in November the same year.

Q In November, 1943

A Yes, Sir.

Q You went in August, 1944, you said?

A Yes, Sir.

Q And you served in Europe until you returned in June or July?

A I believe it was the end of June, Sir.

Q What is your first recollection after this incident in the Station? What is the first thing you remember after the incident at the Station?

A The first thing I remember, I was in a cell.

Q At Fort Osborne?

A Yes.

Q At what time was that?

A I don't remember what time it was, Sir; it was dark.

Q Don't you remember saying to Corporal Haines that you didn't want to go with him?

A No, Sir, I don't.

Q Did you object to going with the Air Force Provost?

A No, Sir, I never object to anything like that.

Q What about the C.P.R. Policeman?

A I don't remember him at all.

Q What time was it when you were in the Cafe?

A I would say it would be around 5.30, somewhere around there; I don't know exactly.

Q What time was it you were in the Guard Room at Fort Osborne?

A I don't know the time.

Q No idea? Was it after 'Lights Out'?

A Yes, Sir, it was after 'Lights Out'.

Q Well then, you reached Fort Osborne Barracks by way of Stanely Street Barracks?

A I don't know, Sir.

Q Where is your pay book now?

A It is probably down at the Guard House.

Q Don't you know?

A No, Sir.

Q What about your Liquor permit?

A They have got everything there.

Re-examined by the Defending Officer:

Q Private Boucher, how do you know who was with you at the Station?

A Well, I was out with him all afternoon; I figured we would all go home together.

Q Do you remember him being there?

A No, I don't remember him being there?

Q You stated you had your ticket with you?

A Yes, Sir.

Q Did you have it in your hand when you were at the Station?

A I don't remember whether I had it in my hand or not.

Q How do you know you had your ticket?

A I got it in the morning and I had it in my pay book.

Q And you are absolutely sure that you don't recall anything at all at the Station, of your friend, Private Kontuen?

A I don't remember being around the Station at all.

The Witness resumes his seat.

By the Defending Officer to the Court: Sir, I would like to ask permission of the Court to have the Prosecutor produce at this time the M.F.M. 6 of the accused, to show that from his previous character it would be impossible for this accused to have committed the offence with which he is charged.

By the Court to the Prosecutor: Have you any objection to putting in the M.F.M. 6 at this time?

By the Prosecutor: No, Sir.

By the Court: This is an unusual request, but if it is the wish of the Defence to have the M.F.M. 6 submitted at this time the Court will admit it.

M.F.M. 6 is read to the Court by the President, marked "Z", signed by the President, and attached to the proceedings.

DEFENDING OFFICER'S STATEMENT IN MITIGATION OF SENTENCE

I wish to bring these facts before the Court, Sir, in mitigation of sentence. First of all, the past very good record of the accused in two years' service in the Army, with no convictions and no charges being laid against him.

I also wish the Court to consider the fact that Private Boucher has served Overseas and that he was over there for approximately nine months of fighting.

Another point I would ask the Court to consider, is the fact that Private Boucher volunteered to serve in the War in the Pacific; and as far as the drinking is concerned there is a very important point here that I would like to bring to your attention, Sir, and that is the fact that Private Boucher's mother is half Indian and half French, and I think that it is quite commonly known how liquor affects anyone with Indian blood in their veins, which may possibly have provoked the attack that has been charged.

And one other thing, Sir, is the amount of liquor that he drank, and the fact that Private Boucher is not an experienced drinker, as he has testified under oath.

I think that is all, Sir.

PRECIS OF EVIDENCE

No. H-9525, Private Thomas Atkins BOUCHER, No. 10 District Depot, C.A., a G.S. soldier of the Canadian Army placed on Active Service.

CHARGE: Striking His Superior Officer.

To prove the charge the following evidence is available:

Major N.W. Snider, No. 50 Company, Canadian Dental Corps, C.A., will give evidence that at about 2000 hours, 28th July, 1945, at the C.P.R. Railway Station, Winnipeg, Manitoba, he was standing in a crowd of people. The accused, who appeared to be under the influence of liquor, was arguing with the station-master. Suddenly with no apparent reason, the accused struck Major Snider with his fist in the jaw. The first glanced upwards, hitting Major Snider's glasses and breaking one of the lenses. Railway Police and Provost grabbed the soldier and took him away.

A member of the C.P.R. Police will also give corroborative evidence.

R-140402, Cpl. Haines, F.L., No. 2 Air Command, Service Police Pool will give evidence that he saw the accused strike Major Snider.

NOTICE

TAKE NOTICE THAT I propose to present H-9525, Private Thomas Atkins BOUCHER, No. 10 District Depot, C.A., for trial by the Standing Court-Martial at 1400 hours on Tuesday, the 14th day of August, 1945, at Winnipeg, Manitoba.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

Quand j'ai rentré dans l'armée j'ai été "drafté" à Valleyfield. J'ai été là pendant à peu près six mois et après ils m'ont drafté de force à Farnham. A Farnham ils m'ont retourné à Valleyfield et puis à Valleyfield ils m'ont drafté à Valcartier. J'ai été neuf mois là en "light duty" pour mes pieds. Après ça ils m'ont envoyé à l'Ordonnance et là j'ai toujours travaillé comme "machine operator". Quand ils m'ont mis sur la draft j'étais découragé et je suis parti avec une fille dans le Nord. J'étais trop découragé et je ne suis pas revenu.

Avant d'entrer dans l'armée je travaillais chez Dupuis & Frères, comme chauffeur. J'ai travaillé là de quatre à cinq ans.

Je suis dans l'armee depuis le 4 Septembre, 1942.

J'ai 23 ans et je ne suis pas marié.

Durant mon absence sans permission j'ai été dans le Nord. J'ai travaillé chez des habitants un peu partout, à St-Donat, et à St-Bruno. A St-Donat j'ai travaillé pour M. Desève, je ne suis pas certain si c'est son nom, mais je crois que c'est ça. J'ai été a peu près cinq semaines là, dans le mois de mai. A St-Bruno j'ai travaillé pour un nommé Despaties pendant une semaine. C'est tout le temps que j'ai travaillé durant mon absence sans permission. J'avais un peu d'argent pour vivre. J'ai demeuré un peu partout, je changeais, j'avais de l'argent pour vivre. Je me suis décidé à me rapporter pour me régler pour mon avenir.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR AU NOM DE L'ACCUSE

Mr. President:

I have very little to say on behalf of the accused. Only I would like to draw to your attention the fact that he returned on his own free will to give himself up in order to get his final freedom and I ask you to keep that in mind when preparing sentence.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

C.C. 3

To the President of the Court.

The reason for my recent absence was that I had to get my wife moved to a new apartment. She had been living with her own family and I did not consider the surroundings suitable. Her mother is a widow and has several men calling on her. My wife's sister, whose husband is stationed in Goose Bay Newfoundland, has a man staying with her in the house.

I got our new apartment fixed up doing most of the decorating myself. I also put in a partition in one of the rooms. After getting the apartment ready and moving my wife I returned to camp.

I know that my record is against me, but nearly all my previous absences were due to the same reason. I have been trying to move my wife for some time. Twice I got apartments but she wouldnt move. This time I said she had to go.

For the past two months my wife has been ill under doctors care. I earned about $50.00 during my absence, in addition to fixing up the apartment. We needed the money badly.

QUESTIONED BY PRESIDENT:

Q. Have you any other documents in connection with the matter that you wish to hand to the Court?

A. I have a letter from my mother which I wish to present.

LETTER HEADED "TO WHOM IT MAY CONCERN" SIGNED MRS. A. BLYTHE 601 KING STREET, LONDON, ONTARIO, PRODUCED, READ, MARKED EXHIBIT "G" SIGNED BY THE COURT AND ATTACHED TO THE PROCEEDINGS

ACCUSED: I also have a letter from Dr. H.B. Grace.

LETTER FROM DR. H.B. GRACE DATED JULY 10/45 PRODUCED, READ, MARKED EXHIBIT "H" SIGNED BY THE PRESIDENT AND ATTACHED TO THE PROCEEDINGS

Q. When you received this letter from Dr. Grace did you bring that to the attention of any of the authorities here at Camp?

A. No, Sir, I have a witness in my case, Major Essex. I was supposed to give the letter to him for a compassionate discharge.

Q. You were getting these letters for a compassionate discharge and this one was written on the 10th of July?

A. Yes, Sir.

Major Roy Essex, Chaplain, A.29 C.I.C.T.C., (CA) having been duly sworn, is examined by the Defending Officer?

Q. Major Essex, do you know the accused?

A. I do.

Q. Have you had any previous dealings with Pte. Blythe?

A. Yes, on many occasions.

Q. Did you make an investigation of his home circumstances?

A. I have on three occasions.

Q. And was that at his request?

A. At the request of the man and the Commanding Officer of this Unit.

Q. What was the purpose of the investigation?

A. Well the man complained of domestic troubles and gave that as his excuse for his conduct and in an effort to straighten out his domestic trouble so that he might not repeat his conduct I investigated his home affairs with a view suggesting certain lines of adjustment which might make things work out for him.

Q. Was there an attempt to persuade his wife to move?

A. The original purpose was first of all to find out exactly what was the nature of the trouble and when I discussed the matter with the lad's mother and with the lad himself, I attempted to get an accurate picture from the lad's wife, and felt that the remedy would be the girl leave her present abode and find some other accomodation, which he apparently tried to do and he made a successful effort to get her fresh accomodation but his wife wouldn't go there at that time and things went back to where they were before. Subsequently I believe she has moved to this accomodation that this lad obtained but at that time the wife refused to co-operate and as a consequence things remained as they were. We can only suggest certain lines and if they won't follow those lines or the wife makes it so they won't follow those lines there is nothing we can do.

Q. When was the first time you went to where Mrs. Blythe lives?

A. I couldn't give the date off-hand.

Q. Would it be several months ago?

A. Yes, when he first went A.W.L.

Q. Would you consider the place where she was living was not a suitable place?

A. No; the place she was living at the time was over-crowded and a large number of people were living in a very small house. An alternative accomodation was found for her and had she co-operated the situation would have been relieved.

Q. Were you able to get in the house?

A. No. One of the unfortunate things about the home is that I was never able to have a proper conversation with the wife for the simple reason that they live in crowded quarters and the only time I was with the wife has been on the stoop outside this house she was living in and usually surrounded by all sorts of children both relatives and neighbors, who listen with open mouths to such things and the wife was a very quiet sort of person and any conversation you have with her is almost in monosyallables. I found her most unco-operative. The boy's mother, on the other hand is most co-operative and she did everything in her power to aid the son and his wife and solve their problems so far as turning over part of their house for accomodation, and they are quite crowded too. I believe now, from what the lad tells me that arrangements have been made for the wife to live with this boy's mother, a much better accomodation, but undoubtedly the conditions she was living in prior to this last arrangement were anything but good in this boy's mind.

Q. Do you know that Pte. Blythe was attempting to get a compassionate discharge?

A. Yes, he came to see me several weeks ago about his problems and viewing the situation from every angle and knowing, at least assuming his inaptitude to soldiering, I feel the Country and Army would be served by his being out of the Army and I encouraged him to seek a compassionate discharge so far that I told him to get in touch with certain individuals asking them if they would care to co-operate for his discharge. I received no reply but I understand he received the replies. I personally feel that his discharge from the Army to be a desirable thing, from the point of view of his effectivness as a soldier and from the point of view of his wife's temperament and character and from the point of view of the Army, that it would be a good thing.

THE PROSECUTOR DECLINES TO CROSS-EXAMINE

THE WITNESS WITHDRAWS

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, Sir.

Question to the accused. Do you wish to address the Court? A. My Defending Officer will speak for me.

Answer. DEFENDING OFFICER: Sir, I think Major Essex said practically everything that could be said about this case. Both Major Essex's evidence and the documents which the soldier presented bearing out his statement that he has been labouring under worry caused by family trouble for quite a period of time. That is, it isn't just an offence that was cooked up for this occasion. It seems apparent that all his trouble has its root at home. All I can do, Sir, is to ask you to take this into consideration and also the fact that he is still very young; less than 20 I believe.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

To whom this may concern.

This is to state that at any time during Private Blytt's any period of training has he gone on the loose through any fault of yours or with the thought of being a bad soldier. He married young & takes his responsibilities very serious & they set heavy on a young pair of shoulders. His wife is now pregnant & with it is very nervous & highly strung & ~~not~~ while he is with her can be controlled.

Her home is such that every

time he has stayed from camp
has been to get her away from
it. I dont want to write her
what its all about as I would
not like her to know I had told
you so but her feelings regarding
myself this time he found her a
place stayed her & worked clean-
ing painting & general fixing &
got her settled then he came back
& gave himself up. Please dont
be too hard on the lad for that
being away from his wife causes
him a lot of mental & bodily
suffering & hope you will see

your way clear to send him back to civilian life where he will be more fitted

Yours Respectively

July 10/45

This is to certify that I have been attending Mrs. Blythe, wife of Pte Blythe, H.N. H 111039. During the past month she suffered from a missed abortion. Following this her nervous system has become extremely upset; she has been receiving treatment from me for this nervous ailment. I believe it would be of great help to her condition if her husband could be with her until she improves.

Statement by the Accused:-

On Thursday, sir, I received a letter from my wife saying that my baby and her weren't well. Friday night I went down to Brockville and stayed out all night and Saturday at noon I started hitch-hiking for home. I got as far as Belleville and stayed in Belleville Saturday night and then went on through to Toronto. I got there Sunday afternoon and stayed there at my aunt's place until Monday morning and then went through home.

When I got home my wife was all alone. My mother wasn't at home. She was at Collingwood and the doctor had ordered her to bed for two weeks. I stayed there and looked after my wife and child, sir, and then I returned. My wife had also sent a telegram and I brought back a doctor's certificate stating the condition of my wife and child. My wife is having her child in about two weeks time.

(Telegram and doctor's certificate are received for what they are worth, signed by the President and attached to the proceedings)

FIRST WITNESS)
FOR THE)
DEFENCE)

Major F.M. CASS,
Canadian 2nd Echelon, C.A.P.F. Base Headquarters,
being duly sworn, is examined by the Defending Officer,-

Q. Major Cass, will you state your relation with Sapper Belrose and make a statement to the Court as to his deportment and general ability as a soldier while employed under you?

Yes. I have known the accused for approximately three months. He came to 2nd Echelon early in June of this year while it was in the process of being organized at Connaught Ranges near Ottawa. At that time it was necessary we put into immediate operation a print shop as one of the prime functions of the 2nd Echelon is issuing Part II Orders. Belrose was placed in the print shop as 2 i/c and remained there for several weeks. At that time it was a very responsible job for a private and Belrose did a very good job for the first few weeks. He did not stint himself as far as actual work went during day-time hours or evening, and there was a great deal of evening work. I haven't any knowledge of Belrose as a soldier outside of his duties in the print shop, nor have I been in touch with him for the past several weeks. However, working directly under me in the print shop he did as good a job as one could ask. That is all.

The Prosecutor declines to cross-examine.

The witness withdraws.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

(for address by the Defending Officer, see document marked "G")

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. G. Bowsley-Major
President, Standing Court-Martial

Address by the Defending Officer,-

There are a number of facts that I would like the Court to consider, please, before making an award. First is the age and the service of the accused. He is actually twenty years of age. As a good many boys did he overstated his age to get into the Army. He has had three and a half, or three years and eight months service now. He was a Pacific volunteer and he was a G.S. soldier as shown on his documents. Though he didn't get overseas, through no fault of his own, he volunteered for everything going and volunteered for the Pacific Army of Occupation. He has been married three years and two months.

While he has a long conduct sheet, it is also true perhaps it is a case of mishandling or misplaced leniency in the early charges. He was married at the age of seventeen and his wife is twenty-one years of age and at the present time they have one child, which is eleven months of age, and there is another on expected very shortly. One child in indifferent health and his wife, naturally, in a very delicate condition. So I plead with the Court, they have a very grave responsibility in this case, considering the family circumstances and the tender years of the accused. Certainly this young man at the age of twenty has developed grave responsibilities. I believe if clemency is exercised it will help him become more acutely aware of his responsibility in the future. I believe, after the short time I have been with him, he could be a good soldier. Major Cass' shows he is a good worker. I believe, after all, he is not being tried for his past record, but being charged with absence now. I believe on this charge extenuating circumstances are such there was some justification for him absenting himself.

... 2

... 2

I believe if clemency is shown by the Court in this case it will spare his innocent wife and family from the loss of income which they sorely need and will also salvage for this country a potential good citizen.

The m/n soldier is now serving a sentence of 16 months imprisonment with hard labour awarded by FGCM 13 Jan 45 for the following offences: an absence without leave from which he was apprehended after 33 days (AA Sec 15(1)), an absence without leave from which he was apprehended after 11 days (AA Sec 15(1)), being improperly in possession of a Canadian military vehicle (AA Sec 40) and neglecting to take proper precautions to safeguard army property thereby occasioning the loss of the said property to the value of approximately $117-0-0 (AA Sec 40).

2. He has escaped once while serving his sentence and has accordingly not so far earned full remissions for good conduct. The earliest date on which he should be released if he earns full remissions henceforth is reported to be 22 Dec 45.

3. This soldier enlisted 9 Aug 40 at Montreal, PQ, and he is now 21 years of age. At the time he enlisted he gave a false age. Since enlistment he has been found guilty of 7 offences under AA Sec 15(1), of 7 offences under AA Sec 40 and of 1 offence under AA Sec 11. He has had 1 previous FGCM on 3 Sep 42 when he was awarded 28 days forfeiture of pay for an offence under each of AA Sec 11 and AA Sec 40.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The SPO who has examined this soldier states that he is an individual of average intelligence who feels he is being discriminated against in the army; that he states he went absent because he was being transferred to a rifle company; and that he is prepared to return to action.

6. In view of the offences of which this soldier has been convicted and the circumstances surrounding his first offence, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 9 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid further service in action and probably with a view to obtaining his discharge.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original ~~xxxxxxxxxx~~ AF A3104 in respect of the FGCM held 13 Jan 45 on which this direction xxx has been endorsed.

In view of the offences of which this soldier has been convicted and the circumstances surrounding his first offence, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 9 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid further service in action and probably with a view to obtaining his discharge.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original ~~xxxxxxxxxx~~ AF A3104 in respect of the FGCM held 13 Jan 45 on which this direction ~~xxx~~ has been endorsed.

D-135270 Sgt Barre, F "R.P." "Le Regiment de Maisonneuve" Cdn Army (O) having been duly sworn and having identified the accused states:

On the 25 Nov 44 after supper, I brought the accused back into the Guard Room, and locked the door. During the evening I sent L/Cpl Lavigueur, R three (3) times to check the prisoner. They were counted and every one was present each time. Around 2315 hrs L/Cpl Davigueru R and myself before going to bed counted once more our prisoners. To our knowledge every one was present, some of them were sleeping at the time. At reveille next morning at about 0600 hrs L/Cpl Lavigueur went into the Guard Room and found that two

prisoners had excaped through the window which is two storeys high. Namely the accused and Pte Tremblay.

On the 7 Dec 44, Capt Savard and myself went to St-Omer Capelle where we had heardthat the accused was there with a stolen vehicle No CZ4286298. When we arrived at St-Omer Capelle, we informed ourselves if anyone had seen a Canadian soldier with a vehicle. We were informed that there was one. We took all particulars and eventually we were brought to the right place, where Pte Tremblay who had fled with the accused was sleeping. After awakening him, we asked Pte Tremblay where the accused was. He told us that he was out for an hour, and that he would be back at noon. Capt Savard took Pte Tremblay and placed himself on a Crossroad where the accused had to go through and placed me at another crossroad, the other side of town. Sometime afterwards, I saw Capt Savard, arriving with the accused and Pte Tremblay.

On the 26 Nov 44 at 0600 hrs when we awoke the prisoners, I found that the accused was absent and had escaped from the Guard Room. I reported him as A.W.L. and never saw the accused again until we found him at ST-Omer Capelle, at about 1215 hrs the 7 Dec 44.

The accused does not wish to cross examine the witness.

On the 25 Nov 44, at about 1730 hrs we brought the prisoners to the Guard Room and locked the door. Three (3) times during the evening I went to the Guard Room to check the prisoners and they were all accounted for. Before going to bed at 2330 hrs, Sgt Barre and myself went to the Guard Room and checked again the prisoners and everyone was accounted for. Next morning at reveille I went to the Guard Room at 0600 hrs and noticed, that two of my prisoners were missing. Namely the accused and Pte Tremblay. The window had been opened and the accused, apparently had escaped through there.

The accused does not wish to cross examine the witness.

FIFTH WITNESS FOR THE PROSECUTION

Capt M. Savard "T.O" Le Regiment de Maisonneuve, Cdn Army (O) having been duly sworn and having identified the accused states:

On the 25 Nov 44, the vehicle No CZ-4286298 was stolen from "A" Echelon lines. After getting some information, I found out that the vehicle had gone to St-Omer Capelle. On the 6 Dec 44, I left for St-Omer Capelle with Sgt Barre. The 7 Dec 44 in the morning we arrived at the place that we were told they would be (St-Omer Capelle) and knowing that they would probably be in a certain house in that town. We both went to the house indicated and found Pte Tremblay there, sleeping. We awoke him and questioned Pte Trembly of the whereabouts of the accused, and the vehicle. He told us

xxxxx

that the accused had gone to an unknown place and would be back by noon. I took Pte Tremblay with me and went to a crossroad where the accused would have to come through, to go to the house, and sent Sgt Barre, F to another crossroad, at the other side of the town. At about 1205 hours, I saw the vehicle No CZ 426298 driven by the accused, turned down the direction of the house. I then followed him in my own vehicle to the house where I stopped him and put him under close arrest, and the accused had no right and no authority to have the vehicle in St-Omer Capelle or any where else

SIXTH WITNESS FOR THE PROSECUTION

D-157779 Pte Collin, R. "Le Regiment de Maisonneuve" Cdn Army (O) having been duly sworn, states:

On the 25 Nov 44 at about 2030 hrs, I helped the accused and Pte Tremblay to escape from our Unit Guard Room, and gave him some of my clothes. After the accused was dressed, the accused opened the window and tied blankets together so that he could slide down the side of the house on to the ground. After their escape, I personally made up dummies with their blankets in two places, so to represent the accused and Pte Tremblay, knowing that one of the R.P. would inspect the Guard Room, he would be under the impression that they were sleeping. I also opened the winiow in the morning before reveille so that the R.P. would think that they had escaped during the night.

MR. President, Members of the Court,

Pte Beauchamp pleaded guilty on the charges you read to him. There is a few points I want to tell the court so they could be clement in there sentence.

Pte Beauchamp is only 20 years old.

He joined the army in August 1940 so Pte Beauchamp was only 16 years old when he joined up.

Pte Beauchamp crossed over in England on July 1941 in this paragraph I want to emphasize on the length of time he has been away from his home and being so young.

Since Pte beauchamp left home for overseas he never received a parcel not even cigare tes even though he always gave his family the allowance of $20.00 per month.

Pte Beauchamp has been fighting the toughest part of our war that is to say the battle of France up to the canal Albert, where hefelt discouraged and started to act crazy.

If I pointed those facts to the court sir its because I want the court to take into consideration the age, the length of time away from his home.

(See overleaf for oaths and notes for use on trial.)

Mr. President, members of the court:

Pt Beauchamp pleaded guilty on the charges preferred to him. There is a few points I want to tell the court so they could be clement in the sentence.

1- Pt Beauchamp is only 20 years old.

2- He joined the army in august 1940 so Pt Beauchamp was only 16 years old when he joined up.

3- Pt Beauchamp crossed over in England on

July 1945, in this para-
graph I want to emphasize
on the length of time he
have been away from
his home and being so young
4- Since Pte Beauchamp
left home for overseas
he never received a bat-
cels not even cigarettes.
even thought he always
gave his family the
allowance of 20.00 per
month.
5- Pte Beauchamp have
been fighting the toughest
part of the war
that is to say the
battle of France up

the canal albert, and he felt discouraged and started to act crazy.

Note: If I printed these points facts to the court sir its because I want the court to take in consideration the age, the length of time away from his home.

MEDICAL CERTIFICATE (K.R.(Can) 557)

I certify that I have this morning examined No D-57767

D-135270 Sgt. Barre, F. "R.P" "Le Regiment de Maisonneuve" Cdn Army (O) having been duly sworn and having identified the accused, states:

On the 25 Nov 44, after supper, I bought the accused back into the Guard Room, and locked the door. ~~At about 1730~~ hrs During the evening I send L/Cpl Lavigueur, R. three (3) times to checked the prisoners. They were counted and every one was present at each time. Around 2315 hrs L/Cpl Lavigueur R. and myself before going to bed counted once more our prisoners. To our knowledge every one was present, some of them were sleeping at the time. At reveille next morning at about 0600 hrs L/Cpl. Lavigueur went into the Guard Room and found that two prisoners had escaped through the window which is two storeys high. Namely the accused and Pte. Tremblay.

On the 7 Dec 44, Capt Savard and myself went to ST-OMER CAPELLE where we had heard that the accused was there with a stolen vehicle No. CZ-4286298. When we arrived at ST-OMER CAPELLE, we informed ourselves if anyone had seen a Canadian soldier with a vehicle. We were informed that there was one. We took all particulars and eventually we were brought to the right place, where Pte Tremblay who had fled with the accused was sleeping. After awaiking him, we asked Pte Tremblay where the accused was. He told us that he was out for an hour, and that he would be back at noon. Capt. Savard took Pte Tremblayand placed himself on a Crossroad where the accused had to go through and placed me at another crossroad, the other side of the town. Sometimes afterwards, I saw Capt Savard, arriving with the accused and the vehicle. We then returned to the Unit with the accused and Pte Tremblay.

On the 26 Nov 44, at 0600 hrs when we awoke the prisoners, I found that the accused was absent and had escaped from the Guard Room. I reported him as A.W.L. and never saw the accused again until we found him at ST-OMER CAPELLE, at about 1215 hrs the 7 Dec 44.

On the 25 Nov 44, the vehicle No CZ-4286298 was stolen from "A" Echelon lines. After getting some informations, I found out that the vehicle had gone to ST-OMER CAPELLE. On the 6 Dec 44, I left for ST/OMER CAPELLE with Sgt. Barre. The 7 Dec 44 in the moring we arrived at the place that we were told they would be (ST-OMER CAPELLE) and knowing that they would probably be in a certain house in that town. We both went to the house indicated and found Pte Tremblay there, sleeping. We awoke him and questioned Pte Tremblay ofthe whereabouts of the accused, and the vehicle. He told us that the accused had gone to an unknown place and would be back by noon. I took Pte Tremblay with me and went to a crossroad where the accused would have to come through, to go to the house, and send Sgt Barre F. to another crossroad, at the other side of the town. At about 1205 hrs I saw the vehicle No. CZ-4286298 driven by the accused, turned down the direction of the house. I then followed him in my own vehicle to the house where I stopped him, and put him under arrest, and the accused had no right and no authority to have the vehicle in ST.OMER CAPELLE or any where else.

Afterthe accused was dressed, the accused opened the window and tied blankets together so that he could slide down the side of the house on to the Ground. After their escape, I personnaly made up dummies with their blankets in two places, so to represent the accused and Pte. Tremblay, knowing that one of the R.P. would inspect the Guard-Room, he would be under the impression that they were sleeping. I also opened the window in the morning before reveille so that the R.P. would think that they had escaped during the night.

Ans.....(1)

(1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.)

D2. The Prosecutor makes (an) (no) opening address.(1)

(1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges, use second alternative in para D8.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans..... Do you intend to call witnesses on your behalf? Ans..... Are they witnesses as to character only? Ans.....

CONFIDENTIAL

CANADIAN MILITARY HEADQUARTERS

LONDON 21 Aug 45.

C.55-B-1937

The Secretary,
Department of National Defence,
OTTAWA, Canada.

D-57767 Pte Beauchamp, R.

1. The m/n soldier is now serving a sentence of 16 months imprisonment with hard labour awarded by FGCM 13 Jan 45 for the following offences: an absence without leave from which he was apprehended after 33 days (AA Sec 15(1)), an absence without leave from which he was apprehended after 11 days (AA Sec 15(1)), being improperly in possession of a Canadian military vehicle (AA Sec 40) and neglecting to take proper precautions to safeguard army property thereby occasioning the loss of the said property to the value of approximately £117-0-0 (AA Sec 40).

2. He has escaped once while serving his sentence and has accordingly not so far earned full remissions for good conduct. The earliest date on which he should be released if he earns full remissions henceforth is reported to be 22 Dec 45.

3. This soldier enlisted 9 Aug 40 at Montreal, P.Q. and he is now 21 years of age. At the time he enlisted he gave a false age. Since enlistment he has been found guilty of 7 offences under AA Sec 15(1), of 7 offences under AA Sec 40 and of 1 offence under AA Sec 11. He has had 1 previous FGCM, on 3 Sep 42, when he was awarded 28 days forfeiture of pay for an offence under each of AA Sec 11 and AA Sec 40.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The S.P.O. who has examined this soldier states that he is an individual of average intelligence who feels he is being discriminated against in the army; that he states he went absent because he was being transferred to a rifle company; and that he is prepared to return to action.

6. In view of the offences of which this soldier has been convicted and the circumstances surrounding his first offence, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 9 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid further service in action and probably with a view to obtaining his discharge.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F. A3104 in respect of the FGCM held 13 Jan 45 on which this direction has been endorsed.

By direction of the Commanding Officer this Summary of Evidence is taken on Oath.

First Witness Prosecution

No.C-30629 Sgt. L.A.Denton, S.I.S.,C.P.C., C.M.H.Q., London, having been duly sworn states,

I am C-3062 Sgt.L.A.Denton of the Special Investigation Section, C.P.C., at C.M.H.Q. On the 25th August 1942 I was on foot patrol in the Soho District of London accompanied by S/Sgt Chester also of the Special Investigation Section. At 1630 hrs. of that day we weresstanding at the corner of Dean and Old Crompton Streets in the Soho District and saw the accused along with another Canadian soldier on the opposite side of the Road. I then saw the accused,whom I now recognize, approach a civilian and after a short conversation the accused produced from out of his pocket two packages of Canadian Sweet Caporal Gift Cigarettes and in return for these cigarettes the civilian handed him some money. The civilian then proceeded on his way while I took into custody the accused. The civilian was overtaken by S/Sgt.Chester and returned to where the accused and I were standing. A search of the civilian revealed the Canadian Cigarettes. The accused and the civilian, who gave his name as Herbert LYNCH, 7 Syrus House, Goswell Road, London, E.C.1 were taken to West Central Police Station London where the accused gave his name as No.D-57767 Pte.Robert BEAUCHAMP, and produced a leave pass giving him permission to be absent from his Unit from the 21st to the 28th of August 1942, for the purpose of proceeding to Glasgow. He also had in his possession one Southern Rly. ticket No.1543 dated 21st August 1942 from Milford to Glasgow and return. The Civilian gave the member of the C.I.D. Civil Police a statement,under caution,that he purchased tha Canadian Gift Cigarettes found in his possession from the Canadian Soldier present. Pte. Beauchamp was then taken to No.6 Canadian Provost Corps H.Q., where after being duly cautioned he made a voluntary statement, regarding this matter, which was taken down in writing and signed. I now produce two packages of Sweet Caporal Gift Cigarettes which were the packages sold by Beauchamp to the Civilian Herbert Lynch, for the sum of three shillings. Both packages I have marked with my initials and can be identified by me at any time.

The accused declines to cross-examine the witness.

The accused having been duly cautioned(in French) in accordance with R.P.4(e)
Reserves his Defence.

Certified that all the provisions of R.P.4 (c)(d)(e)(f) and (g) have been duly complied with in connection with the foregoing Summary of Evidence.
Taken down by me in the presence and hearing of the accused this 28th day of August 1942 at Laurentide Camp.

Sergeant Kidder came in on the scenethen and he pushed him away from me. He continued to be abusive to both me and Sergeant Kidder in his language. Then he reached over and hit me on the face. "At about 1230 hrs on 24 December 1943, we were serving the noon meal when Private Baxter came along with some fellow men and appeared to be noisy. I heard this noise and saw from his appearance and the description of the place he had been and the people he had been with that he was drunk. He was holding up the noon meal, and at this point Sergeant Vance told him that that was enough, to go and get his dinner, whereupon he, the accused, appeared to become and taking Sergeant Vance by the shirt, pushed him back against the wall and at this time Sergeant Kidder separated them. The accused continued to use abusive language, and then he slapped Sergeant Vance with what appea ed to be the open hand. Then Sergeant Vance ordered him to be put under arrest."

Q. In your evidence you stated that Sergeant Vance ordered the accused under arrest, I believe I am right in saying so?

A. Yes.

Q. What is your job in the kitchen?

A. Cook.

A. No I only heard him.

R.P. 83(b) complied with. AB

THIRD WITNESS L17046 Sergeant Kidder G.F., 3 Field Dressing Station, having been sworn states:

"At 1230 hours on 24 December 1943 during the meal parade I noticed an argument in the kitchen between Sergeant Vance and Private Baxter. I went over to see what the trouble was. Private Baxter had Sergeant Vance against the wall holding him by the shirt. I approached them and told Private Baxter to get his dinner. He gave us a little back-talk and used insubordinate language. I told him once again to get his dinner. He then reached across and struck Sergeant Vance on the face. I stepped in and separated them. He gave a little more back-talk then the guard came and put him under close arrest."

The prosecution examines the witness:

A. There is no doubt, I believe he tried to strike Sergeant Vance.

Q. Who put the accused under arrest?

A. The Guard N.C.O.

Q. Was the accused drunk?

AB

A. I can not say the man was drunk but I can say he had been drinking. I could smell the liquor.

Q. Is the accused normally boisterous or rowdy?

A. Not in my handling.

Q. Is the rowdiness left to us, due to the cause of drink?

A. Yes.

Q. Did you at any time tell the accused that he was under Arrest.

A. No, ~~I don't remember~~

Q. Do you recall Sergeant Vance telling the accused that he was under arrest

A. No, I don't remember.

The prosecution re-examines the witness:

Q. Why do you think that Private Baxter knew he was addressing Sergeant Vance?

~~A. No, I don't remember.~~

A. He mentioned in a few of his words. He said " Sergeant Vance, I have had no trouble with you before around the kitchen." He called Sergeant Vance by name.

The court questions the witness:

Q. Who called the Guards? How did they happen to arrive on the scene?

A. I do not know.

Q. Were you in the kitchen when the argument started?

A. I was at the other end of the kitchen and went over to the scene of the argument.

Q. You were not at any great distance?

FIRST WITNESS

D105789 Pte Nelson, R. RCAMC, 3 Cdn F.D.S., is duly sworn.

Examined by the defending officer

Q. Tell the court in your own words what you know of this case.

A. On 24 December I was outside the front door of the hospital. Pte. Baxter was coming in and I could see he was under the influence of drink. He said he was celebrating his birthday. I told him dinner was on and he went inside.

Q. Tell the court how drunk the accused was.

A. I am not qualified as a judge but I've known him for some time and I would say he was under the influence of drink.

Q. Why?

A. Because when I saw him talking to the guard he was making quite a bit of noise - more than he would if sober. He was definitely not sober.

Cross-examined by prosecutor

Q. Did you see Pte. Baxter strike Sgt. Vance?

A. No , sir.

SECOND WITNESS

F78263 L/Cpl Prozehar, F.H. is duly sworn.

Examined by defending officer.

Q. Tell the court in your words what you know of the case.

A. In the morning of 24 December I was sent to a billet which some of our boys were cleaning. When I got there I found that the work had been done and that the boys had been drinking. I stayed up there and had a few drinks with them. I found the accused had been drinking quite heavily. It was nearly dinner time, so we started back for dinner. Another man, the accused, and myself went back together. When we got there I went in and got my meal and set it in the mess hall. I knew the accused was drunk so I went into his room, got his utensils and got his dinner for him. I went to look for him and when I came back I was told he had been put under close arrest.

Cross-Examined by pro secutor

Q. Were you in the kitchen at the time Pte. Baxter struck Sgt. Vance?

A. No, sir.

Questioned by Court

Q. What were you drinking?

A. Italian wine.

Q. Were you in charge of the cleaning detail?

A. I was told that when I went down there to inspect the work, and that they could have the rest of the morning off when they finished.

R.P. 83(b) complied with. A. Brady Major

THIRD WITNESS

B85851 Pte. Baxter, G.J., RCASC., Att. to 3 Cdn. F.D.S. is duly sworn:

Examined by defending Officer.

Q. Will you tell the court exactly what happened.

A. On 24 December I was detailed to clean billets. We finished and L/Cpl Prozenar came up around 10 O'clock. We all started to drink. I remember some of the men leaving and talking to some of the others. Things are hazy as to the rest. I don't remember who took me back. I remember some men trying to get me some blankets and they told me to get my small pack. I asked them what was the matter. They told me I was going to the Guard Room. I asked to be paraded to the Major. There was a Major Card, not the O.C. there. I asked him what I was charged with. He said he didn't know. Then S/Sgt Drewery told me I was charged with being drunk and incapable. I was taken to the Guard Room at Canada Barracks and couldn't understand why I should be there on Xmas day and my birthday on a drunk charge. The Orderly Officer tried to find out for me if I was charged with being drunk or something else. He came back at 2000 hrs - I was in bed - and informed me I was up for striking a superior officer in the execution of his duty. On my way down to the Guard Room I asked Sgt. Kidder what the charge was. He didn't know. They came and took the summary the day after Xmas and that is when I first found out the details. AB

Q. Can you recall anything of the alleged assault on Sgt. Vance?

A. If I could sir, I would pleaded guilty.

Questioned by the Court

Q. What were your instructions about cleaning the billet?

A. We were told we could have the morning off when we finished. We were told this by L/Cpl Prozenar after the job was finished.

R.P. 83(b) complied with. A.L. Brady Major & Pres.

Case for the defence closed.

Address of ~~Dept~~ Def Offr.

It is quite clear that the accused was drunk & this should be taken into the consideration of the Court.

Closing address to the court by the Prosecutor:

The fact with which the court is interested is whether or not the accused struck Sgt. Vance.

It is very clear that the three witnesses for the prosecution are certain that the accused did strike Sgt. Vance; a man, by the way, many years his senior; thus committing a serious military offence. Sirs, from the evidence given I am sure that Pte. Baxter knew what he was doing. If he didn't know he has marvellous powers of recovery to remember happenings so soon after, and in detail too.

There is no excuse for drunkenness.

If lieniency is shown in cases such as these discipline in the Canadian Army will rapidly become nil.

During trial by Court Martial of the m/r man it was stated, in the statement in mitigation that at a previous court martial, it had been recommended that the accused ~~be~~ transferred with a view to making use of his ability as a boxer and possible P.T. instructor.

Apparently this recommendation, if made, was not acted upon.

This Court considers this does in a measure contribute to the accused's delinquency and recommends further that his transfer to P.T. instruction would be beneficial in treatment of this man and consequent benefit of the service

Statement made by Defending Officer, Lieut. D.G.R. Sargent No. 1 C.A.S.C.R.U. for mitigation of sentence on behalf of Pte. Baxter, G.J.

"If the Court will allow, I will make a Statement in mitigation on behalf of Pte. Baxter, with the intention of revealing that the present charge to which he pleads guilty, and the previous convictions as shown on his M.F.M. 6 were the result of provocation rather than any badness of character.

Pte. Baxter is a boxer of some considerable skill and in 1942 was the Canadian Army welter weight champion. This proves that he is capable of concentrated and prolonged effort - as necessitated in training - when that effort can be expended in the pursuit of some task which he is keenly interested in.

He joined the Army in Sept. 4th 1939, and has tried consistently, both while still in Canada and after arrival in England in Sept. 1940 to get himself into a unit where he could be employed as a P.T. Instr. specialising in Boxing. All his attempts were unsuccessful, however, and he feels that his unit, while being proud of the honour his prowess brought to it, were entirely unwilling to give him the opportunity to transfer to where he could best use his undoubted skill.

Unfortunately he has the highly strung temperament common to many athletes, and shows his resentment to unfair treatment by doing impulsive and foolish acts. A Review of his M.F.M. 6 will reveal that all except two charges were for AWL offences and that in most cases his sentence was severe,

which increased his sense of injustice. He has never been charged with drunkenness, nor has he a single crime denoting viciousness or evil motive.

I will now call upon Mr. Langs who has experience of Pte. Baxter in the same unit.

For the first 18 months of his Army life Pte Baxter had no definite job, and an early AWL charge was caused by his attempt to get overseas with another Unit. When he was made a D.R. he settled down, and for a year he had no charge whatever. As Mr. Langs has testified, he performed his duties extremely well. Still desiring the work of P.T. Instr. and after becoming welter weight champion, he goes AWL for 31 days to get a detention sentence which would mean his transfer to Reinforcement Unit upon release. The President of the C.M. made a recommendation that when released he be transfered to a unit where he could be used as a P.T. Instr. and also asked that permission to marry, which had been granted him by his O.C., should be forwarded on to his Rein. Unit and that on release he should get his transfer and get married. This was not done. Bitterness against those responsible, and the fact that his fiancee was very ill (see appended letter) was the chief cause of his remaining AWL so long, and I am convinced that Pte. Baxter is definitely a case of a square peg in a round hole. He is a good worker and could be used to profitable advantage if properly placed.

Dear Sir,

This letter will be somewhat unusual & possibly irregular, but I trust you will consider it sympathetically. I understand that Private Baxter has overstayed his leave by a few days, but I am wondering if you will regard the following facts as extenuating circumstances.

Pte Baxter anticipates marrying a young lady known to me, - Mrs Jardien. During this last fortnight she has been suffering from chest trouble & submitted herself for T.B examination. You may judge that this has occasioned them both considerable anxiety. Mrs Jardien expected to hear the result of the X-ray today (Wed), & on that account Pte Baxter waited in the hope of hearing the report. Unfortunately there has been a delay in the report coming through. If you wish to verify these facts you may refer to Dr Corrie, TB Dispensary, Camberwell, S.E.5. These are the simple facts, & I trust you will allow them to weigh with you when you form your judgment.

Yours faithfully,

W G Taylor.

M B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans.....No.....[5]

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty ~~is~~ (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex....A, initialled and read aloud by the President.[1]

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans.....Do you intend to call witnesses on your behalf ? Ans.....Are they witnesses as to character only ? Ans.....

Plea ~~on~~ mitigation in case of B85851 Pte BAXTER G.J.

I hereby submit a plea of leniency for the following reasons:-

(a) That the accused was in a state of mental confusion caused by the "self-thought" injustice of the previous Court Martial, and, as a result, acted on the impulse of the moment, without premeditation

(b) That a sincere effort was made on the part of the accused to return to this country, in order to look after his wife and children

(c) That while AWL in this country, the accused worked honestly, under his own name, in order to support his family. During this period, he did nothing to injure any innocent persons, nor did his actions bring any discredit to the Canadian Army.

(d) That the accused voluntarily surrendered himself to face trial and make reparation for his crime.

CASE OF

E1[redacted]85851 Private BAXTER, G.J., CIC --- No 3 CITR

The accused states:-

Sir, it goes back to 1 Jan 44, when I hadmy court-martial in Italy; I was placed under arrest on Christmas Eve; first of all it was supposed for being drunk. When I came to in the guard room, I inquired from the Orderly officer why I was being held. He didnt know and telephoned and he came back and told me that I was being held for sla ging a sergeant. I was tried on 1 Jan 44. My defence never tried to get me any witnesses or anything. At the court-martial, I wanted to plead drunk and insapable but the President of the Court said that I had to plead guilty or not guilty, sir. They just dropped it there. He never said any more and just carried on with the court-martial. During the trial the prosecutor was cross-examining witnesses, the President asked him several times not to put the words in the witnesses' mouth or that he would have to throw the case out. I couldnt get anyone to say that I was not drunk. They couldnt say that I was drunk because they couldnt get a doctor. The sergeant said that I was drunk. Christmas Day was my birthday and I guess I had had too much to drink. Upon being cross-examined, one of the witnesses said that he didnt even see me hit the sergeant and they still accepted his evidence against me. The fellow that was taking down the short-hand couldnt read his notes back upon being asked to do so; he had his short-hand all mixed up. The next day I went back to the guard-room and asked to get an appeal right then. I felt it was all muddled up and I didnt think that I had had a fair trial. I was told that I had to wait till I got my sentence. I asked my Def Offr if my wife's allowance would be stopped and he said yes that it would, in which he was wrong because it was only stopped after six months' detn and it stops the following month; the def offr also told me that I couldnt appeal in a theatre of war. I just felt as though I had to do something. I sailed for England with a draft; I was not under escort. Upon arriving in England, I was not given any orders so I left for London the same night to go and see my wife. The buzz-bombs were on. The wife's allowance had been running on till June because I didnt know that because the officer had told me it would not. I started to work the same week I got home. I was going back around Sep but my wife was pregnant again. I knew I wouldnt be getting any money after six months. My wife will be confined this month. I have her fixed up now for about two months after sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH HP 83 B

CANADIAN MILITARY HEADQUARTERS

LONDON 22 Jun 45.

P.55-13-1938

The Secretary,
Department of National Defence,
OTTAWA, Canada.

B-85851 Pte Baxter, G.J.

1. The m/n soldier is now serving a sentence of 2 years detention awarded by FGCM 2 May 45 for an absence without leave while undergoing detention, from which he surrendered to an Immigration Inspector after 83 days (AA Sec 15(1)) and an absence without leave from which he surrendered to the civil police after 259 days (AA Sec 15(1)). He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 1 Sep 46.

2. This soldier enlisted 4 Sep 39 at Hamilton, Ont and he is now 24 years of age. Since enlistment he has been found guilty of 13 offences under AA Sec 15(1), of 2 offences under AA Sec 40 and of 1 offence under AA Sec 8(1). He has had 3 previous FGCsM. On 7 Jan 43 he was awarded a sentence of 80 days detention for an absence without leave of 9 days (AA Sec 15(1)). On 7 Jun 43 he was awarded a sentence of 6 months detention for an absence without leave of 72 days (AA Sec 15(1)). On 1 Jan 44 he was awarded a sentence of 1 year detention for an offence under AA Sec 8(1).

3. This soldier has been medically examined and certified as fit to undergo his sentence.

4. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of about average intelligence who is aggressive, egotistical and poorly disciplined; and that he is considered to be a purely disciplinary problem.

5. From this soldier's record of 16 offences and 4 FGCsM, it is clear that he is useless and incorrigible. It it consequently considered that the present sentence is fully deserved and that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid rendering any effective service to the army and probably with a view to obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 2 May 45, together with original A.F. A3104 in respect thereof on which this direction has been endorsed.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

OBSERVATIONS:

In the case of pleas of guilty:- There is nothing in the record of the proceedings which required the Court to advise the accused to change his plea.

~~In the case of pleas of not guilty:- There is legal evidence to justify the finding.~~

~~No other material injustice to the accused.~~

1. Accused pleaded guilty to two charges of AWL
2. Ex D - Certificate of surrender signed by US Inspector in charge of Immigration and Naturalization - not admissible.
3. Schedule shows accused under sentence for 1 yr beginning 2 May 44. The sentence commenced 4 Jan 44

1. The sentence of 1 yr det by FGCM on 1 Jan 44 expired on 1 Jan 45 notwithstanding accused escaped prior to expiry thereof. The currency of the sentence was not affected.

1. Contd the accused surrendered himself on 20 March 1945 and remained in custody until the present trial. The sentence awarded on 1 Jan 44 had expired before 20 March 45 and consequently the court could award the full term of 2 yrs detn. The record on part 1 of page 4 of the proceedings that the accused "is at present under sentence for 1 yr as beginning on 2 May 44" appears to be incorrect.

Plea of mitigation in case of B-85851, Pte. BAXTER, G.J.

I hereby submit a plea of leniency for the following reasons:-

(a) That the accused was in a state of mental confusion caused by the "self-thought" injustice of the previous Court Martial, and, as a result, acted on the impulse of the moment, without premeditation.

(b) That a sincere effort was made on the part of the accused to return to this country, in order to look after his wife and children.

(c) That while A.W.L. in this country, the accused worked honestly, under his own name, in order to support his family. During this period, he did nothing to injure any innocent persons, nor did his actions bring any discredit to the Canadian Army.

(d) That the accused voluntarily surrendered himself to face trial and make reparation for his crime.

CASE OF

E-1 B-85851 Private BAXTER, G.J., CIC --- No. 3 C I T R

The accused states:-

Sir, it goes back to 1 Jan 44, when I had my court-martial in Italy; I was placed under arrest on Christmas Eve; first of all it was supposed for being drunk. When I came to in the guard-room, I inquired from the Orderly Officer why I was being held. He didn't know and telephoned and he came back and told me that I was being held for slapping a sergeant. I was tried on 1 Jan 44. My defence never tried to get me any witnesses or anything. At the court-martial, I wanted to plead drunk and incapable but the President of the Court said that I had to plead guilty or not guilty, Sir. They just dropped it there. He never said any more and just carried on with the court-martial. During the trial the prosecutor was cross-examining witnesses, the President asked him several times not to put the words in the witnesses' mouth or that he would have to throw the case out. I couldn't get anyone to say that I was not drunk. They couldn't say that I was drunk because they couldn't get a doctor. The sergeant said that I was drunk. Christmas Day was my birthday and I guess I had had too much to drink. Upon being cross-examined, one of the witnesses said that he didn't even see me hit the sergeant and they still accepted his evidence against me. The fellow that was taking down the short-hand couldn't read his notes back upon being asked to do so; he had his short-hand all mixed up. The next day I went back to the guard-room and asked to get an appeal right then. I felt it was all muddled up and I didn't think that I had had a fair trial. I was told that I had to wait till I got my sentence. I asked my Def Offr if my wife's allowance would be stopped and he said yes that it would, in which he was wrong because it was only stopped after six months' detn and it stops the following month; the def offr also told me that I couldn't appeal in a theatre of war. I just felt as though I had to do something. I sailed for England with a draft; I was not under escort. Upon arriving in England, I was not given any orders so I left for London the same night to go and see my wife. The buzz-bombs were on. The wife's allowance had been running on till June but I didn't know that because the officer had told me it would not. I started to work the same week I got home. I was going back around Sep but my wife was pregnant again. I knew I wouldn't be getting any money after six months. My wife will be confined this month. I have her fixed up now for about two months after, Sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B).

The Secretary,
Department of National Defence,
OTTAWA, Canada.

F-86200 Pte Beattie, C.

1. The m/n soldier is now serving a sentence of 18 months detention awarded by FGCM 27 Mar 45 for an absence without leave from which he surrendered after 33 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 26 Mar 46.

3. This soldier enlisted 8 Aug 41 at Halifax, N.S., and he is now 23 years of age. Since enlistment he has been found guilty of 18 offences under AA Sec 15(1), of 7 offences under AA Sec 40, of 2 offences under AA Sec 11 and of 1 offence under each of AA Sec 9(2), AA Sec 15(2) and AA Sec 24(2). He has had 1 previous FGCM, on 6 Jun 43, when he was awarded a sentence of 90 days detention for an offence under each of AA Sec 15(1) and AA Sec 40.

4. This soldier was medically reboarded on 7 Jan 43 and placed in category B2 Special on a diagnosis of mental dullness. He has been certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of low average intelligence who is aggressive and poorly disciplined but not entirely irresponsible; that he is headstrong, stubborn, self-opinionated and lacks a sense of humour; and that he appears to be genuinely anxious to be sent on operational duty with CIC.

6. In viewof the length of this soldier's illegal absence in a theatre of operations and his poor previous record which includes 1 conviction by FGCM and 27 offences for which he was punished summarily, it is considered that he should be required to serve his present sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid rendering any effective service to the army and probably with a view to obtaining his discharge.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 27 Mar 45, together with original AFA 3104 in respect thereof on which this direction has been endorsed.

CANADIAN MILITARY HEADQUARTERS

LONDON 30 Jul 45.

C55-13-1939

The Secretary,
Department of National Defence,
OTTAWA, Canada.

F-86200 Pte Beattie, C.

1. The m/n soldier is now serving a sentence of 18 months detention awarded by FGCM 27 Mar 45 for an absence without leave from which he surrendered after 33 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 26 Mar 46.

3. This soldier enlisted 8 Aug 41 at Halifax, N.S., and he is now 23 years of age. Since enlistment he has been found guilty of 18 offences under AA Sec 15(1), of 7 offences under AA Sec 40, of 2 offences under AA Sec 11 and of 1 offence under each of AA Sec 9(2), AA Sec 15(2) and AA Sec 24(2). He has had 1 previous FGCM, on 6 Jun 43, when he was awarded a sentence of 90 days detention for an offence under each of AA Sec 15(1) and AA Sec 40.

4. This soldier was medically reboarded on 7 Jan 43 and placed in category B2 Special on a diagnosis of mental dullness. He has been certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of low average intelligence who is aggressive and poorly disciplined but not entirely irresponsible; that he is headstrong, stubborn, self-opinionated and lacks a sense of humour; and that he appears to be genuinely anxious to be sent on operational duty with CIC.

6. In view of the length of this soldier's illegal absence in a theatre of operations and his poor previous record which includes 1 conviction by FGCM and 27 offences for which he was punished summarily, it is considered that he should be required to serve his present sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid rendering any effective service to the army and probably with a view to obtaining his discharge.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 27 Mar 45, together with original A.F.A3104 in respect thereof on which this direction has been endorsed.

WITNESS WITHDRAWS

CASE CLOSES FOR PROSECUTION

SUBMISSION BY THE DEFENCE

I wish to point out that in the first place there is no evidence of riotous damage on the 10th of May, secondly there is no evidence whatsoever that there was a disturbance on the 10th of May or that the accused was in it. On the third charge there is no evidence by any of the witnesses that they saw the accused involved in any disturbance. On the 9th of May, there is no evidence either that the accused was involved in the group causing any disturbance nor was he causing a disturbance himself. The prosecution has put up that the rules were quite lax on the morning of the 9th and as long as the SUS were not causing a disturbance they were not bothered by the staff. There is evidence that when he was ordered to return from the fence he did so. Consequently I put before the court that there is no evidence against the accused on any of the charges.

PROSECUTION

There is no evidence on the first three charges, the only evidence on the 9th of May which the court may consider is the disturbance by the fence where this accused could have been improperly concerned.

COURT CLOSES TO CONSIDER SUBMISSION BY DEFENCE

COURT RE-OPENS

The court finds the accused NOT GUILTY of the first, second, third and fourth charges. The accused will be released to the custody of Cdn Mil Prison and Detn. Bks.

FIRST WITNESS:

A 34001, S/Sgt. SEMPLE P.J., No. 3 Cdn. Military Prison & Detn. Bks., having been duly sworn, states:

I am A 34001, S/Sgt. SEMPLE P.J., No. 3 Cdn. Military Prison & Detn. Bks. On the 8th May, 1945, I was on duty as 2i/c in "A" Compound in charge of all Cell Blocks. At approximately 0815 hrs, trouble started in the Living Huts and men started parading with iron bars throwing them through windows into the cells. I saw SUS BEATTIE at approximately 1100 hrs at which time he had a window bar, but I cannot say whether any damage was done. On 9th May, 1945, the O.O.C. arrived at "A" Compound Parade Square, and talked to the men, at which time he asked questions as regards issue of cigarettes. I heard him tell the men he would see what could be done after which the men dispersed. That evening at approximately 1600 hrs I saw a number of men heading towards the latrine on the west end of Living Hut No. 1, "A" Compound. I went after the men but the latrine was crowded with SUS, armed with clubs or iron bars, smashing the latrines. When standing outside, I saw SUS BEATTIE, carrying a club and having come from the latrines.

The accused declines to cross-examine the witness.

I returned to "A" Compound immediately and I was told there had been a break of twelve SUS. A number of SUS from the Living Huts 1,2, and 3 were out on the Parade Square. I entered Living Hut 3, and gave them an order to stand by their beds which most of theSUS did. I then left the hut to help make rounds, to see if we could locate anyone out of the hut and hid in the buildings. I stayed in the Compound all night until the morning of 9th May 45. When I turned my shift over to S/Sgt. THOROLD, I went for my breakfast and at approximately 0815 hrs I was warned that I was wanted back in "A" Compound with all possible Staff as SUS were breaking out of Cell Blocks. A 37001 S/Sgt Semple P.J., No 3 Canadian Detention Barracks, having been duly sworn states:

I am A 37001 S/Sgt Semple P.J., No 3 Canadian Det. Bks.
On the 8th May 45, I was on duty as S/Sgt in A Compound in charge of all cell block. At approx 0345 hrs, trouble started in the living huts and men started parading with iron bars throwing them through the windows into the cells. I saw S.U.S. Beattie approx 1100 hrs at which time he had a window bar but I cannot say whether any damage was done.

On 9th May 45, the G.O.C. arrived at A Compound parade square and talked to the men at which time he asked question as regards issue of cigarettes. I heard him tell the men he would see what could be done after which the men dispersed. That evening at approx 1600 hrs I saw a number of men heading towards the latrine on the west end of living hut 1, A Compound. I saw after the men but the latrine was crowded with S.U.S. armed with clubs or iron bars, smashing the latrine. When standing outside I saw S.U.S. Beattie carrying a club and having come from the latrines.

On 26 Feb about 4.30 pm I reported in to the Provost HQ and reported myself 33 days AWL. This was in Brussels. I went there of my own free will.

Cross examined by Prosecutor

Q. How long did you stay in Brussels?

A. about 30 days.

By the Court

A Yes.

Q Who did you speak to?

A I spoke to the Sgt in charge. I don't know his name.

Address by Prosecution

The certificate of apprehension states clearly that Beattie was arrested, and he himself admits he was in Brussels for 30 days.

Address by Defence

It is not denied that Beattie is guilty of AWL, but he is not guilty of the charge as laid with respect to being arrested. He surrendered himself and thus is not guilty of the charge as laid.

Statement by Beattie in mitigation

I came to France with 82 Army Coy RCASC on 12 Jul 44. I first applied for a transfer to infantry on 1 Aug 44, but I was told it was impossible. Then in Oct 44 I applied again and it was allowed. From my unit I went to the Reallocation Unit in Oct and I left there on being reallocated to Nth NS Highrs. I arrived at 10 Bn CBRG in Nov 44. From there I went to hospital and from hospital back to 47 Coy, which is RCASC. I asked to be paraded to Lt Col. Hood in Dec about the transfer. Nothing happened. I went absent for 2 days to see if that would help and it didn't. Then later while doing FP for the 2 days absence I asked to paraded to Lt Col Hood again, but still nothing happened. This was on 24 Dec 44.

The statement was read over to Beattie.

Plea in Mitigation

Pte Beattie

Before the Court passes judgment on Pte Beattie, I would like to present a few facts about his army career. He has been in the army for 3½ years most of which has been spent in the R.C.A.S.C. He enlisted in France with the Cavalry Company of the Screen Corps ~~Medical Service Corps~~ ~~Platoon~~ and after working with them decided he wished to go to the infantry. He was sent to 3 R.R.C. ~~and~~ in ~~Sept~~ Sept and was re-mustered to R.H.S. Highlanders as I produce a document from 30 Spec Coy to show that Beattie was posted to 10 Bn as rifleman. He was then in 10 Bn for 1½ months awaiting draft when he went to hospital for 10 days. When he came out of hospital he was sent back to 47 Coy and could not get back to the Draft reinforcement battalion. He was passed to various people and finally to Lt Col Hood O/C 12 Bn. They all told him the same thing - they couldn't do anything despite the fact that Beattie had been re-allocated to Infantry. In a period of despondency after his various attempts to get to the infantry, Pte Beattie went A.W.L. I can understand his feelings for he received no cooperation from the people in authority of 12 Bn. When he realized his mistake he surrendered to the Provost and now wants to get this black mark cleared off his army record so that he can get up to the infantry when he wants to serve. Pte Beattie is anxious as the court has seen, to get up to the infantry and I ask the court to consider his record, his 29 days under close arrest and his eagerness to fight where he is needed and be very lenient in his case so that he can get on with his army work.

Statement of circumstances re charges

I, Pte Beatty state I went AWL and altered pass deliberately so as to get out of the unit and be transferred to air-borne troops. I have applied once before to get out of the service corps as I am not happy in it.

Statement in mitigation of punishment

Mr President and members of the court. Pte Beatty has committed an offence. He admits being guilty to both charges and he has also stated relative to the circumstances that he did so deliberately. He didn't go AWL with the object of getting out of work but with the direct object of committing an offence in order that he could get out of the unit. The altering of the pass from the 6th to the 16th was also done with the same object in mind. He assures me that about 6 months ago he applied for transfer. His mind is made up that he wants to go to air-borne troops which in itself is a very commendable attitude. He admits guilt and expects to be punished. I ask the court to consider the circumstances and the reasons why Pte Beatty went AWL in considering the sentence.

F-36200 Pte. Beattie, Charles
2 Cdn. M.A.C., R.C.A.S.C.

1. At the request of the O.C. of 2 Cdn. M.A.C., R.C.A.S.C. the m/n was examined and the following points elicited:-

A. Family History: Father killed at Dunkirk. Mother alive and well. 4 brothers alive and well, both in the services. All grandparents are dead. No history of insanity or epilepsy in family.

B. (a) Personal History: Has had the ordinary diseases of childhood. No operations. No serious illness. No serious accidents.
(b) He was born in Scotland. He attended school from age 4 to 15. Had 2 years High School, then went to sea. Remained in the Merchant Marine until enlistment in the forces, 8 Aug 41 at Halifax, N.S. He states he had no trouble in school or while in the marine service.
(c) Since being in the army he has been charged frequently for various offences. He personally feels that he is being persecuted un-warrantedly. He considers his offences so minor that they should be overlooked. He has a tendency to follow actions of others, particularly if they are of a mischievous nature. With reference to A.W.L., he commits this offence on his own accord. He claims he goes absent because he is not given enough leave.
(d) His life in the army has enabled him to make new associates. He does not quarrel with his mates. On pay days he usually gets drunk, and spends all his money. Even though broke between pay days he does not borrow.
(e) He is interested in sports such as swimming and skating. His social life is limited to dancing. His relationship with the opposite sex is restricted, but not completely. Denies V.D.
(f) Statements with reference to his character as reported by the O.C., are denied and patient expresses complete ignorance of incidents reported.

C. Physical Examination: This man is physically fit. His general appearance is untidy, and he is definitely is not clean in body.

2. The general impression from this interview is that the man cannot adapt himself to the regulations of constituted authority, has no sense of responsibility and that prevarication comes very easily to him. The man's conduct and report of O.C. are attached.

3. Could arrangements be made for examination by neuro-psychiatrist as soon as possible, please.

Date: 4 May 43

Report:

Major Tanzman reports "This man lacks sense of responisbility. Cannot adapt himself to regulations of constituted authority. Prevaricates, and is a chronic offender. He is now under sentence".

Complaints. He feels well, except for frequent occipital headaches, which are more severe at night and which he believes are due to faulty vision. He has recurring tonsilitis.

Family History. Father, in Permanent Force, 5th Gordon Highlanders, was killed at Dunkirk, aged 45 - had always had excellent health. Mother, aged 49, living in Scotland. Has been "very nervous" since husband's death - has been in bed for past 4 - 5 months, and "cries nearly all night". Siblings: 3 brothers, 4 sisters; patient second oldest. 2 brothers in Middle East Army; 4 sisters, nurses; 2 in Cairo, 2 in Aldershot. Adopted sister is looking after Mother. She is unmarried and knows of no familial diseases.

Past illnesses: He has never been in hospital - no serious accidents or functional disturbances. Personal history: Born in Scotland always a healthy child in a happy home; doesn't remember any fits or nightmares; was afraid of the dark as a child; talks in his sleep and, until a year ago, walked in his sleep frequently.
By 13 years he had finished first year high school, failed in a few subjects; denies any tendency to juvenile delinquency. He has always liked athletics, team games, track, and swimming, and had a good ----- time. He states he attended church every Subday for nine years; belonged to the Seaman's Univ. and Seven Seas Club.
He went to sea at 14 years and worked on different ships for one company - Brocklebank Line. Got his Able Seaman papers in three years. Was never unemployed and believes he has a good record at sea. When with six others he refused to sail, having not been paid, he was in Perth prison for two months - his only jail record.
He saved $500.00, now deposited in Bank of Montreal. He has been a moderate drinker, smoker (15-20). Reads murder and Western fiction
No abnormal _____ history exhibited.
He has never worked in Canada. Was having a two-month holiday there when he enlisted, as he "wanted a change", but tried to enlist as a maritime gunner. He has liked the RCASC and has no desire to change unles it was to go back to sea. He states he has got on well with men and officers, and that a former O.C., Major Shannon, asked him to go with him as his driver when he was transferred to the Forestry Corps. He denies having had any serious driving accidents. He states he has benn A.W.L 5 times, usually overstaying his leaves, which he spends with his Mother in Scotland. Denies being charged for drunkenness or other charges. He denies any worries, financial or otherwise. He has always returned to the unit of his own accord, and says he has always been well trusted. Hopes to stay with the present unit and would prefer field punishment to being sent to holding-unit. After the war he hopes to sail at first. Afterwards, has a girl in Canada he would like to marry. Says he sometimes get depressed, as when his friend was killed when the ship on which they were sailing was torpedowd in the Mediterranean, when the patient was in the water 19 hours.

Impressions: I could get no history of pre-war psychiatric behaviour and have only the man's statement about his Army crimes, which he states have usually been overstaying leave with invalid mother. He states he likes the unit, and the work he is doing, but would prefer being a maritime gunner. I have asked the Personnel Selection Board to inform me if such a transfer is possible. He is a dull, untidy tough-looking person, but friendly and co-operative. Rouin score, 38 - top of the "dull, normal" group. He is fit to undergo detention, and following that, a transfer appears to be indicated, if it is felt he is not doing satisfactory work in the present unit.

No diagnosis.

ABSENT WITHOUT LEAVE.

1. At London on the 12 Jun 43, at about 0600 hrs, I was on duty in the Red Shield Club, Blackmars Rd., where on the receipt of information, that the a/m soldier had acquired a room, and had not paid for it (having given his pass as security), I approached him and asked him if he was on leave. He stated that he was, and that his pass was in good order.

2. I was not satisfied with it, and asked him to accompany me to No:6 Provost Coy., Detention Room, where I would phone his unit, and the statement verified. When at N.... he again stated that the pass was genuine, and that he was still on leave.

3. I then turned him over to Cpl. HARTLEY. He got in touch with his unit, and found that he was absent from the 6 Jun 43. He still claimed that there was a mistake at his unit, as he had got fourteen days leave with a weekend. I then placed him under arrest and handed him over to the N.C.O. i/c Cells to be detained.

By direction of the Commanding Officer, evidence is taken on oath.

FIRST WITNESS D.114813 Sgt Young, J.W, 2 M.A.C. RCASC, being duly sworn, states:-

I am D.114813 Sgt Young, J.W., of 2 M.A.C. RCASC. On 6 Jun 43 I was the Orderly Sergeant. At 1800 hrs Pte Beattie, C. had failed to return to unit lines on the expiration of his privilege leave. I reported his absence at tattoo roll-call at 2300 hrs same day. I did not see Beattie, C., again until after he had been returned to his unit by No.6 Canadian Provost Coy. I produce certificate purporting to be signed by Capt W. Fern, D.A.P.M. London Area relating to the accused, whom I now recognise, showing that he was arrested in London at 0600 hrs on 12 Jun 43.

The certificate referred to by the witness produced, read over to the accused, marked exhibit "A", signed by me and attached hereto.

(Signature of Officer taking Summary)

I produced expense voucher purporting to be signed by Capt W. Fern, D.A.P.M. London Area, showing cost of return of accused to his unit to be £0.4.3.

The expense voucher referred to by the witness produced, read over to the accused, marked exhibit "B", signed by me and attached hereto.

I produce the pass and identify my signature thereto. The date of the expiration of the leave appears to have been changed by inserting the figure "1" before 6 Jun 43.

Pass referred to by the witness produced, read over to the accused, marked exhibit "C", signed by me and attached hereto.

I certify that in my opinion owing to the exigencies of the service, including the time and expense involved, the attendance of this witness at the taking of the summary of evidence cannot readily be procured.

The accused does not require the attendance of this witness for cross-examination.

(Signature of Officer taking Summary)

The accused was warned as follows:-

Do you wish to make any statement or to give evidence on oath. You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give would be taken down in writing and may be used in evidence.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. No Sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. Lieut. J.W. Pryke, No. 13 District Depot, C.A.

being duly sworn, ~~is examined by the Prosecutor~~ states:

Question I am Lieut. J.W. Pryke of No. 13 District Depot, C.A. and I am producing the following documents:

Certified extract from M.F.M. 2

(Certified extract from M.F.M. 2 is read, marked Exhibit "F", signed by the President and attached to the proceedings.)

M.F.B. 375.

(M.F.B. 375 is read)

Court — Is that 225 or 229 Pioneer section?

Prosecutor — It is 225 sir. I would point out sir before presenting this document. I would point out that all these Pioneer Sections come within the jurisdiction of the Officer Commanding, No. 13 E.S. & W. Coy. If the defence are in any doubt this Pioneer Section does come under the jurisdiction of the No. 13 E.S. & W. Company.

(M.F.B. 375 is marked Exhibit G, signed by the President and attached to the proceedings.)

Court — What relation has 229 General Pioneer Section to 225?

Prosecutor — It is a section within the E.S. & W. Coy. I understand he was on strength of 225 and later transferred to the 229 or meybe the reverse. It should state on the M.F.M. 2.

(The Prosecutor reads the M.F.M. 2)

He was with 229 originally and then came to 225. This court was held by 225, however, as I say, it all follows under the jurisdiction of E.S. & W. Coy.

Court — And you can say that the Officer Commanding E.S. & W. Coy. was Officer Commanding of both 225 and 229.

Prosecutor — Yes sir.

M.F.M. 216

(M.F.M. 216 is read, marked Exhibit "H", signed by the President and attached to the proceedings.)

I recognize the accused No. M.67161, Sapper David Bernard as being the person to whom these documents relate.

The Defending Officer declines to cross-examine.

Questioned by the Court.

Q. I notice that the 375 shows that the man absented himself from 225 and the charge sheet shows that he absented himself from 229.

A. It is perfectly correct that he absented himself from 229 he was transferred from 225 and was S.O.S. from 225.

Court In that case I shall not have to amend the charge sheet.

The witness resumes his seat.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement

Question to the accused. Do you intend to call any witness in your defence?

Answer. No sir

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No sir.

THE ACCUSED MAKES AN UNSWORN STATEMENT.

I am No. M.67161 Sapper David Bernard of No. 13 District Depot in Calgary. I went on leave on furlough to go home and from there I went to Cold Lake to see my friends before my leave was over. Somebody came along to have a man to work. I was short of money to come back with so I started on that and I was intending to come back. Then after I made a little money to come back I came to Edmonton and stayed there a week and from there I reported to No. 13 District Depot in Calgary. Every time I come to town or around I wear my uniform and after I make enough money on that I come back.

The Defending Officer makes a closing address.

The Prosecutor makes a closing address.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No sir

Question to the accused. Do you wish to address the Court?

Answer. Yes sir through my Defending Officer

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER

May it please the court sir. I feel this morning sir that a lot of things can be said in favour of the accused of the person who has been found guilty, in mitigation of sentence. First of all on his behalf I would like to point out that you have before you a man who wears the campaign medal and clasp which indicates that he who is charged is serving his country and if he is found in Canada at this time well then it must have been because he was sent back. Therefore we know that he went overseas and he came back to his own country. Sometime in April 1945 he was given a furlough and he went home and from his home on to Cold Lake and there this offence was committed but may I point out to you sir that before you today there stands a person belonging to a race in this country whose powers of reasoning and whose method of conduct are dictated more by their hearts than by reason. I happen to know these people well because I have had a great deal to do with them and I know personally that these people think nothing at all of being in one place one day and without no reason whatever moving off to some other place. They are by nature just as free as the wind and the air in the places in which they live. I have had experience with the schools in the northern part of Alberta. I know some of the educators in these institutions and they have told me that the behaviour and the attendance of these people at the school does not at any time bring any surprise because that kind of behaviour is expected. They are in the school one day, the following day they may be out fishing or hunting and that to them is normal, quite proper way of leaving, so I beg the court to consider exactly what goes on in the emotions of these people when the court comes to the decision as to what sentence it must give. These people are good people at heart. They do not commit these offences out of malice or any desire to do wrong but simply because their nature gives them that nature of freedom which perhaps many of us might be envious.

The documents which have been placed before you carry a number of convictions concerning the same kind of an offence previously committed. I would beg to point out to you Mr. President that most of

them are indeed trivial and short absences. There was one particular case which perhaps extended longer than the others but he duly served and paid the penalty for that and yet I must point out that such a punishment or any punishment is not in itself sufficient to change the age old customs of these people. Their nature is such that these things come to them naturally. They see no wrong in it and they mean no wrong and they think in their minds and rightly they think they are not doing wrong by going away. I believe sir that might be reason, the reason, why the accused might be punished previously but I know in this instance before you today that is the accused goes to Cold Lake, that is the region where they might be found, I can imagine the reaction it would be to have this boy coming back from overseas and the people all gathered around.

I would like to add to my statement before concluding sir that there was only one offence while this man served overseas and of a short duration and I would therefore request the court to be as kind and as lenient and mercifull as it is possible to be with this accused before you.

PLEA IN MITIGATION OF SENTENCE

In the case of: D-7154 Gnr BOURDAGES, P.

Mr President, and Members of the Court:-

The accused enlisted 8 Dec 1939 in the 1st A/Tank Regiment, RCA, and came overseas with that regiment in the same month. He remained with that unit all the time it was in England and came out to Sicily in July 1943. He saw action throughout the Sicilian fighting and after landing in Italy he was wounded in the fighting around Foggia. He went to hospital in North Africa, recovered from his wound, and was sent to the Artillery Reinforcement Battalion in North Africa. There he acted as R.P. for 2½ months, but became rather disatisfied because he was not sent to a forward unit. He went AWL but after awhile gave himself up to the same reinforcement unit then at Eboli, with the British Royal Artillery. There he was held for more than a month in the British Detention Compound awaiting a charge. After more than a month he slipped away on a sick parade on the second charge of AWL.

The record of the accused is fair considering the long period of time spent overseas, namely 5½ years. He has served in Sicily and Italy and has been wounded; and as the result of his hasty action has forfeited Rotational Leave. I ask the Court to take these points into consideration and be lenient in awarding sentence.

Answer by Fourth Witness "I produce this statement on A.F.B. 122 and A.F.B. 296 and certify ~~they~~ these AFB are true copies." The witness then identified the accused. The defense refused to cross examine witness.

The Defending Officer ~~and took the stand~~ addressed the court and asked for the leniency of the court owing to the fact that ~~the~~ the accused Gnr. D 7154 Pte Bourdages, P.

1. You are referred to this HQ letter of even file dated 22 Aug 45 wherein the previous record of the m/n soldier was duly set forth. It was then directed that this soldier be returned to Canada in custody under his sentence of 10 May 45 with a recommendation that he be discharged on grounds of misconduct.

2. A further sentence of 22 months imprisonment with hard labour and discharge with ignominy has now been awarded this soldier by FGCM 25 Jul 46 for an absence without leave, whilst undergoing sentence, from which he was apprehended after 274 days (AA Sec 15(1)). This latter sentence will run concurrently with the unserved portion of his previous sentence of 10 May 45.

3. If he earns full remissions for good conduct while serving his concurrent sentences, the earliest date on which he should be released is 14 Oct 47.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of this soldier's very poor record of service since enlistment and the fact that he was recommended for discharge on grounds of misconduct in Aug 45, it is considered his present long illegal absence further confirms that he is an incorrigible and should therefore be required to serve his concurrent sentences of imprisonment with hard labour in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered this soldier must have realized that his escapade whilst undergoing sentence would result in a severe penalty.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM 25 Jul 46 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

PART I.

DESCRIPTIVE RETURN of a Deserter or Absentee without Leave.

INSTRUCTIONS FOR THE GUIDANCE OF MAGISTRATES.

The place where the escort is required to attend should be stated, also whether the soldier *surrendered* or was *arrested*.

CANADIAN MILITARY HEADQUARTERS

LONDON 22 Aug 45.

C-55-B-1941

The Secretary,
Department of National Defence,
OTTAWA, Canada.

D-7154 Gnr Bourdages, P.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 10 May 45 for an absence without leave from which he surrendered after 122 days (AA Sec 15(1)) and an absence without leave from which he was apprehended after 266 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 9 Sep 46.

3. This soldier enlisted 12 Dec 39 at Montreal, P.Q., and he is now 26 years of age. Since enlistment he has been found guilty of 5 offences under AA Sec 15(1) and of 5 offences under AA Sec 40. He has had 1 previous FGCM, on 6 Oct 42, when he was awarded a sentence of 90 days detention for an absence without leave of 31 days (AA Sec 15(1)).

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of about average intelligence who is inclined to be immature in his judgement and not well disciplined; that it is probable that the basis for his absence was a dread of returning to operational duty; and that he expresses himself as quite content with his present sentence.

6. In view of the length of this soldier's illegal absence in a theatre of operations and the fact that his previous record is not good, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier must have realized that his long absence in a theatre of operations might lead to his discharge and it is highly probable that he had that end in view.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 10 May 45, together with original A.F. A3104 in respect thereof on which this direction has been endorsed.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(2), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. NO .....(5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. PLEA IN MITIGATION OF SENTENCE.

In the case of: D.7154 Gnr BOURDAGES, P.

Mr President, and Members of the Court:-

The accused enlisted 8 Dec 1939 in the 1st A/Tank Regiment, RCA, and came overseas with that regiment in the same month. He remained with that unit all the time it was in England and came out to Sicily in July 1943. He saw action throughout the Sicilian fighting and after landing in Italy he was ~~received~~ wounded in the fighting around Foggia. He went to hospital in North Africa, recovered from his wound, and was sent to the Artillery Reinforcement Battalion in North Africa. There he acted as R.P. for 2½ months, but became rather disatisfied because he was not sent to a forward unit. He went AWL but after awhile gave himself up to the same reinforcement unit then at Eboli, with the British Royal Artillery. There he was held for more than a month in the British Detention Compound awaiting a charge. After more than a month he slipped away on a sick parade on the second charge of AWL.

The record of the accused is fair considering the long period of time spent overseas, namely 5½ years. He has served in Sicily and Italy and has been wounded; and as the result of his hasty action has forfeited Rotational Leave. I ask the Court to take these points into consideration and be lenient in awarding sentence.

Motion -- No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

STATEMENT OF E 6152 L/Cpl. BRIDEAU, L.

I asked for a pass to my home near Tracadie but all I got was a pass for one day. This was not near enough to give me anytime with my wife and family. My wife and child had no home so I decided to stay with them for a while to assist. After a few months of being away I got too frightened of the possible punishment to return so I asked for assistance in my case from Ottawa through the return soldiers of the First War. I had always intended to return and was just visiting my mother-in-law prior to returning when the provost took me. Had they been an hour later I would have been in uniform and on my way back to my unit.

C.4694 Pte Brown E.G.

1. The m/n soldier is now serving a sentence of 6 months imprisonment and discharge with ignominy awarded by FGCM 24 Jul 45 for an absence without leave from which he was apprehended by the civil police after 120 days (AA Sec 15(1)).

2. The earliest date on which his sentence of imprisonment should terminate if he earns full remissions for good conduct while serving this sentence is 23 Nov 45.

3. This soldier enlisted 14 Dec 39 at Picton, Ont., and he is now 25 years of age. Since enlistment he has been found guilty of 11 offences under AA Sec 15(1). He has had 5 FGCsM in addition to the one mentioned in para 1 above. On 11 Mar 41 he was awarded a sentence of 8 months detention for an absence without leave of 62 days (AA Sec 15(1)) and an absence without leave of 60 days (AA Sec 15(1)). On 28 Oct 41 he was awarded a sentence of 1 year detention for an absence without leave of 32 days(AA Sec 15(1)). On 7 Jan 43 he was awarded a sentence of 9 months detention for an absence without leave of 38 days (AA Sec 15(1)). On 18 Nov 43 he was awarded a sentence of 1 year detention for an absence without leave of 54 days (AA Sec 15(1)). On 10 Nov 44 he was awarded a sentence of 120 days detention for an absence without leave of 68 days (AA Sec 15(1)).

4. This soldier was medically reboarded on 10 Nov 43 and placed in Pulhems Grades M2, S5 on a diagnosis of "psychopathic personality, inadequate". He has been certified as fit to undergo detention.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an irresponsible, impulsive and unreliable individual who has been constantly either absent or in detention since June 1940; that he has always been dependent, emotionally unstable, indecisive and completely chaotic in his thinking; that his motivation is very poor; and that he is of no use to the army whatsoever.

6. From this soldier's record which includes 6 FGCsM, all for long absences as well as the report outlined in para 5 above, it is clear that he is incorrigible and of no use to the army whatsoever. It is consequently considered that his present sentence including discharge with ignominy is appropriate and fully deserved and that he should be required to serve his sentence of imprisonment in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered highly probable that this soldier has deliberately misconducted himself in order to obtain his discharge.

7. It has accordingly been directed, pursuant to P.C.1304/44 that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A.3104 in respect of the FGCM held 24 Jul 45 on which this direction has been endorsed.

1. Under HQS 8536-6 Vol 2 Adm 3(b)2 dated 27 Apr 45 and HQS 8536-6 Vol 2 Adm 3(b)SC(A) dated 1 Jun 45 National Defence Headquarters authorized the despatch of certain soldiers under sentence from Italy and the United Kingdom to 89 Military Detention Barracks, Fort Henry, Barriefield, Ontario.

2. Under HQC 9039-1-1 Adm 3 dated 15 Jun 45 National Defence Headquarters lays down the policy to be followed in the remission and suspension of sentences of soldiers under sentence in order that the situation in regard to accommodation at 89 Military Detention Barracks at Fort Henry may be alleviated.

3. Consequently it has been decided that the undermentioned soldiers under sentence who have served one-half of their sentence and whose home district is Military District No 3 will be granted a remission of the unexpired portion of their sentence and despatched to District Depot 3 for the purpose of discharge.

It is requested that after arrival at 3 District Depot the Officer Commanding, 3 District Depot, will arrange the soldiers' discharges. In this connection this Headquarters has shown opposite the name of the soldier to be discharged the recommendation as to how discharge is to be carried out by CMHQ and directly opposite this the decision of the District Officer Commanding, MD 3, as to how this discharge is to be carried out, which in some cases does not agree with the recommendation of CMHQ.

6. The recommendation of the District Officer Commanding, MD 3, has been made after careful review of Army Form A3104, the Review Sheet, the conduct of the soldier under sentence while in detention, the seriousness of the offence committed while on Active Service and whether or not the soldier has been wounded in the Front Line or rendered effective service in the Front Line and that his offence while serious before the cessation of hostilities, the reason for exemplary punishment does not exist to the same extent now and it is felt that an injustice would be done by having such personnel discharged under RO 1029(8) and forfeit gratuities they have earned. However, according to instructions from National Defence Headquarters the exact paragraph of RO 1029 under which the soldier under sentence is to be discharged is at the discretion of the GOC-in-C, Pacific Command, or the District Officer Commanding where the discharge of the soldier under sentence is to be carried out.

7. In cases where the District Officer Commanding MD 3, has recommended the discharge and remission of sentence where less than one-half of the sentence has been served, it is considered after review of all the relevant circumstances that in the interests of justice such soldier should be discharged and sentence remitted. The suggestion from National Defence Headquarters which states that a soldier's sentence may be remitted after he has served one-half of his sentence has been taken as a guiding principle and not as a hard and fast rule, it being considered that the suggestion of National Defence Headquarters in these cases may be varied when circumstances so warrant.

8. In the case of soldiers who have been sentenced to discharge with ignominy this is considered a material part of the sentence of a judicial tribunal and therefore the District Officer Commanding, MD 3, while recommending a reduction in the length of sentence to be served concurs in the other part of the sentence under which such soldier is discharged with ignominy under RO 1029 para 9.

9. The sentences of the above mentioned soldiers under sentence will be remitted effective the date of discharge.

10. In regard to Pte GRUBB, it is advised that this soldier is an inmate of Kingston Military Hospital and is suffering from Tubercular Peritonitis, which gives him a medical grading of 18-5111111, and he has been certified unfit to undergo detention. Therefore although his home District is 2 District Depot his sentence will be remitted and he will be discharged in District Depot 3, the same as the others, in order that after discharge he may be admitted to a DVA Hospital.

11. The AJAG, MD 3, will prepare the necessary Order of Release and forward it to the Commandant, 89 Military Detention Barracks.

12. The above mentioned soldiers will cease attachment to 89 Military Detention Barracks and be struck off strength 3 District Depot effective the date of discharge and transportation will be furnished to their homes.

4

13. The Commandant, 89 Military Detention Barracks, will a rrange with the Officer Commanding, 3 District Depot, as to when the above mentioned soldiers under sentence may be despatched to 3 District Depot for discharge.

C. SS. B. 1943

~~SECRET~~
CONFIDENTIAL

The Secretary,
Department of National Defence,
OTTAWA, Canada.

C-4694 Pte Brown, E.G.

1. The m/n soldier is now serving a sentence of 6 months imprisonment and discharge with ignominy awarded by FGCM 24 Jul 45 for an absence without leave from which he was apprehended by the civil police after 120 days (AA Sec 15(1)).

2. The earliest date on which his sentence of imprisonment should terminate if he earns full remissions for good conduct while serving this sentence is 23 Nov 45.

3. This soldier enlisted 14 Dec 39 at Picton, Ont., and he is now 25 years of age. Since enlistment he has been found guilty of 11 offences under AA Sec 15(1). He has had 5 FGCsM in addition to the one mentioned in para 1 above. On 11 Mar 41 he was awarded a sentence of 8 months detention for an absence without leave of 60 days (AA Sec 15(1)) and an absence without leave of 62 days (AA Sec 15(1)). On 28 Oct 41 he was awarded a sentence of 1 year detention for an absence without leave of 32 days (AA Sec 15(1)). On 7 Jan 43 he was awarded a sentence of 9 months detention for an absence without leave of 38 days (AA Sec 15(1)). On 18 Nov 43 he was awarded a sentence of 1 year detention for an absence without leave of 54 days (AA Sec 15(1)). On 10 Nov 44 he was awarded a sentence of 120 days detention for an absence without leave of 68 days (AA Sec 15(1)).

4. This soldier was medically reboarded on 10 Nov 43 and placed in Pulhems Grades M2, S5 on a diagnosis of "psychopathic personality, inadequate". He has been certified as fit to undergo detention.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an irresponsible, impulsive and unreliable individual who has been constantly either absent or in detention since June, 1940; that he has always been dependent, emotionally unstable, indecisive and completely chaotic in his thinking; that his motivation is very poor; and that he is of no use to the army whatsoever.

6. From this soldier's record which includes 6 FGCsM, all for long absences as well as the report outlined in para 5 above, it is clear that he is incorrigible and of no use to the army whatsoever. It is consequently considered that his present sentence including discharge with ignominy is appropriate and fully deserved and that he should be required to serve his sentence of imprisonment in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1009. It is considered highly probable that this soldier has deliberately misconducted himself in order to obtain his discharge.

7. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A3104 in respect of the FGCM held 24 Jul 45 on which this direction has been endorsed.

THE WITNESS WITHDRAWS.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to say nothing at all.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

The Prosecutor makes a closing address which is recorded but not transcribed.

The Defending Officer declines to make a closing address.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Through my Defending Officer.

THE DEFENDING OFFICER: In plea of mitigation, sir, Brozina served from September, 1942, to December, 1944, in the Artillery; then was transferred into the Infantry. Brozina felt that he had insufficient infantry training for combat service. He has only one minor entry on his M.F.M. 6. He voluntarily surrendered in military uniform.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

President SCM

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Ma mère est veuve et elle a de la misère; c'est moi qui est soutien de famille...qui lui aide, c'est alors pour ça que j'ai resté chez nous pour lui aider.

J'ai essayé d'avoir une pension additionnelle de l'armée, mais je n'ai pas réussi. Elle en avait déjà une, mais elle n'arrive pas. Il y a des comptes à payer. J'ai deux petits frères qui vont au collège et elle ne peut pas arriver à tout payer les comptes.

J'ai assigné $20.00 par mois de ma paie depuis que je suis entré dans l'armée et ma mère retire $60.00 par mois ce qui lui fait $80.00. Elle doit payer $15.00 par mois pour chaque petit frère à part de les habiller. Le loyer est de $18.00 par mois. J'ai aussi une soeur à la maison, mais quoiqu'elle travaille elle ne paie pas de pension.

Quand j'étais là, j'ai travaillé et je gagnais $20.00 à $25.00 par semaine, je faisais différents travaux.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (Par l'entremise de mon officier défenseur).

PAR L'OFFICIER DEFENSEUR:

"Monsieur le président -

"Je soumets à la cour le cas tel que le soldat BANVILLE "l'a présenté et je demanderais aussi la clémence de la "cour considérant la bonne conduite de l'accusé."

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Je me suis absenté du camp parce que mon père était malade. Il n'était pas capable de marcher. J'ai été travailler chez monsieur Jean-Paul Dunberry, boucher de Vaudreuil Village, Que. pour aider à mon père. Le même boucher est encore disposé à m'employer.

A l'appui de mes affirmations, je soumets un certificat du docteur D. Bellemare de Dorion, Que. en date du 26 juillet 1945 (Voir CC-5).

Je désire aussi soumettre une copie de demande de libération de l'armée en date du 26 juillet 1945; cette demande est faite à "Industrial Selection and Release Board" par monsieur Dunberry (Voir CC-7).

Monsieur Dunberry est prêt à m'employer immédiatement à $25.00 par semaine. C'est le salaire que je gagnais durant mon absence et que je donnais à mon père qui était dans le besoin.

Je suis le seul qui puisse aider à mon père et si ce n'eut été de sa maladie je n'aurais pas quitté l'armée. Ma présence est présentement requise à la maison. Mon père a 45 ans. Chez nous, il y a une famille de six enfants, dont trois garçons et une fille est mariée; mes deux petits frères ont 12 ans et 7 ans et vont encore à l'école.

Avant d'entrer dans l'armée, je travaillais sur un transport à Ville St-Pierre, je conduisais un camion.

Dorion, le 26 juillet, 1945

Monsieur le Commandant,

Cher Monsieur,

Monsieur Alphonse Bédard a souffert pendant longtemps d'ulcères variqueux aux deux jambes. Il a dû même abandonner de conduire son auto, et il était cocher de son métier. Son état s'est amélioré mais sa capacité de travail n'en reste pas moins considérablement réduite.

C'est pourquoi il aurait grandement besoin de son fils.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (Par l'entremise de mon avocat - Voir E-3)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

EXPOSE DE L'AVOCAT DE LA DEFENSE AU NOM DE L'ACCUSE

Voici, monsieur le Juge, pour ajouter aux documents déjà produits et pour compléter le cas qui est devant vous...l'absence sans permission du soldat BEDARD... je certifie qu'il ne se serait jamais absenté s'il n'eut été de la maladie de son père.

Je crois qu'il a fait des instances afin de pouvoir obtenir une exemption de son service, je ne sais pas s'il s'est mal expliqué ou si ses explications n'ont pas été comprises; cependant, je crois que votre Seigneurie peut juger à peu près le calibre intellectuel de l'accusé.

Il a resté à la maison, mais il ne s'est pas absenté volontairement dans les circonstances, c'est que son père était malade et il était obligé de rester pour aider à son père, et je crois qu'il aurait pu obtenir une exemption sur "compassionate ground" s'il avait su comment en faire la demande. Je comprends qu'il s'est fait justice lui-même, mais il ne faut pas oublier qu'il était soutien de famille chez lui, et, par conséquent, je crois que le tribunal devrait prendre ces faits en considération en autant que les documents ont été produits.

De plus si l'accusé a été examiné et est considéré capable au point de vue médical de subir son procès, je crois que si on l'examinait comme il faut...il n'a pas l'air trop fort...je me demande ce qui en résulterait. C'est un peu là le but de l'ajournement, parce que l'armée leur dossier n'est pas complet.

J'ai cru par la suite qu'étant donné les sentences distribuées que ce ne serait pas un mal qu'il passe quelques jours de plus au dépôt police. Si ce n'est pas une détention de l'armée, c'est tout de même une détention parce qu'il est constamment sous garde, et, par conséquent, je crois que les 47 jours qu'il a déjà passé au dépôt police devraient être considérés comme une période de détention suffisante étant donné les difficultés chez lui.

Dès que sentence sera passée, je me permettrai d'aller faire des instances afin qu'il puisse continuer à aider à ses parents. Dans le cas de cet individu-là comme dans bien d'autres, la situation devient assez embarrassante quand il s'agit de partir en permission, même illégalement, et revenir ensuite dans l'armée passer quelques jours à l'ombre pour venir se faire sentencer afin de régler son cas.

Alors je crois que dans les circonstances les 47 jours qu'il a déjà passé au dépôt police devraient être suffisants. J'aime à plaider devant vous comme si je plaidais devant une cour finale. Je ne voudrais pas être obligé de faire des requêtes pour que vos jugements soient corrigés; je n'ai pas la même compréhension ni la même expérience que vous, et, cependant nous obtenons dans la plupart des cas certains résultats...et je me demande si on n'en obtiendrait pas sur les demandes que nous faisons dans ce plaidoyer. J'aimerais que vous nous donniez une décision qui serait finale et qui ne nous donnerait pas d'issues de faire corriger par des documents additionnels que nous pourrions produire.

Je comprends que nous pourrions venir ici avec une foule de documents, mais je crois que les documents que nous avons produits sont signés par des personnes sérieuses, entre autre - le docteur Bellemare qui est un vieux praticien.

Vous avez devant vous un cas qui est absolument clair. Il y a une absence mais d'autre part cette absence jusqu'à un certain point est justifiée, et j'aimerais que votre décision soit finale. Je soumets, votre Seigneurie, que les 47 jours qu'il a déjà passé là devraient être suffisants. Ce n'est pas un individu qui peut faire du trouble, d'ailleurs vous pouvez le juger d'après son physique.

Je comprends que les officiers ont fait le même entraînement, mais seulement il y avait pour eux une certaine ambition...il y avait les "pips" qu'il y avait au bout.

Je désire faire vous faire remarquer que je suis en même temps son représentant au Fédéral et je connais la position de sa famille et je suis convaincu que s'il avait moindrement connu la procédure qu'il fallait suivre dans le temps, il n'aurait pas eu besoin de s'absenter sans permission. Je crois pertinemment qu'il serait sorti de l'armée.

Je demanderais, votre Seigneurie, toute la clémence possible et je soumets respectueusement que les 47 jours qu'il a passé au dépôt police devraient être suffisants afin de lui permettre d'aller aider à ses parents.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. B.85071 R.S.M. (WO.I) J.L. BLACK, A.21 C.O. & E.M.E.T.C., C.A., being duly sworn, is examined by the Prosecutor.

Question

Mr Black, where are you stationed?

A.21 C.O. & E.M.E.T.C., Barriefield.

Q. That is the Training Centre?

Yes, sir.

Q. How are you employed?

As Camp Regimental Sergeant Major.

Q. And where were you on the 13th of August, 1945?

Patrolling the Camp with the Camp Duty Officer. I was on 5th Avenue.

Q. Patrolling the Camp. About what time was that?

From ten o'clock, 2200 hours on the 12th until 0200 hours on the 13th.

Q. What was the idea of you patrolling the Camp? What was the purpose?

There were some disturbances in the Camp that night and it was necessary to put on an extra patrol.

Q. What was the disturbance?

There were several fires and the telephone wires had been cut.

Q. Causing the disturbance?

Yes, sir.

Q. Was there anything particular about these fires?

Two of the fires we had were caused by mattresses being placed together and the mattresses set on fire.

Q. And you say you had several occurrences like that?

Five fires all told, sir.

Q. And you were patrolling the Camp you say?

Yes, sir.

Q. Do you know the accused?

Not previous to the time I accosted him. That was at 0010 hours on the 13th of August.

Q. You accosted him?

I stopped him at that time.

Q. What was he doing?

He was coming along 5th Avenue and he was carrying a mattress at the time.

Q. And did this particularly worry you?

At the corner of 3rd Street and 5th Avenue.

Q. I asked, did this worry you?

He was carrying a mattress.

Q. Did that worry you?

Due to the things taking place that night.

Q. What did you do?

I stopped him and asked him why he was out of his quarters at that time of night and what was he going to do with the mattress.

Q. And what did he say?

He made some reply, but it wasn't clear. I couldn't understand him. I warned him I was taking him to the guard room.

Q. And how were you dressed at the time?

I had on my serge suit and forage cap, sir.

Q. Was there any insignia on your serge suit?

Yes, sir, the rank on both arms.

Q. What rank is that?

The coat of arms, sir.

Q. Signifying the rank of a Warrant Officer?

Warrant Officer Class I.

Q. How were you dressed again?

In my serge suit.

Q. Trousers and tunic similar to an officer's uniform?

The same dress as an officer.

Q. What kind of cap were you wearing?

A forage cap.

Q. What time was this again?

0010 hours.

Q. What was the night, ... This would be after dark would it not?

Yes, sir, early in the morning, after dark. The area was very well lit up due to the fact there was quite a bit of excitement. The barracks were all lit and the outside lights were on. Major Gilmour had given instructions ...

Q. Don't tell me the instructions. What was the result of the instructions?

The barracks were lit up and the outside lights were lit.

Q. The area was quite well lit?

It was quite well lit.

Q. Continue on. What happened after you asked the accused this question?

I got no answer. I warned the accused I was taking him to the guard room and he made no reply. He threw the mattress down at his feet, turned and ran a distance of about seventy-five yards in behind C.19 kitchen. It was blind and he couldn't proceed any farther. He turned around and I was so close to him he couldn't dodge to get past.

Q. What happened?

When he found he couldn't get past he struck a blow which hit me on the side of the head.

Q. What did he strike with?

His clenched fist.

Q. And he struck you on the side of the face?

Yes, sir.

Q. What happened after that?

I came to grips with the man and had to put him down on the ground to hold him as he resisted. The piquet then came forward and said it was all right, they were there, so I got the man to his feet and he still tried to get away. Another soldier came over and grabbed him by the other arm and we put him in the jeep.

Q. You placed him in custody?

He was taken to the guard room and placed in custody.

Q. This assault, did you do anything to provoke it at all?

After warning him he was being taken to the guard

room he turned and ran and I had to run after him. There was nothing other than that.

Q. You say you are the Regimental Sergeant Major of the Camp. Was there any knowledge the accused had of that fact?

There are several R.S.M's in Camp. The only knowledge he might have would be my dress.

Q. And you say the light was sufficient he should have recognized you as a superior officer?

He should have recognized I was a superior officer by my dress.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q. Mr Black, where were you when you saw the accused first?

On 5th Avenue and 3rd Street.

Q. You were on 5th Avenue were you?

Yes, sir.

Q. How far away was the accused from you when you first accosted him?

I let him come almost up to me before I halted him. I saw him about a distance of twelve yards away. I waited until he came up to me before I spoke.

Q. Had you just reached the corner when you saw him or was he coming up along ...

He was coming from the west going east. I was going in the opposite direction, sir, at the time.

Q. You first noticed him about twelve yards away?

About twelve yards away, sir.

Q. Could you see him very clearly when talking to him?

Yes, sir.

Q. You could distinguish his features quite plainly?

Yes, sir.

Q. When you first spoke to him did you order, as I understand it you ordered him to halt to explain why he was carrying the mattress. Is that correct?

That is correct, sir.

Q. You state he did not answer you clearly?

He did not.

Q. He made some remark?

He mumbled or muttered a reply. I couldn't make

out what he was saying.

Q. Did you tell him who you were?

No, sir. I told him I was taking him to the guard room. I didn't define my rank or why I was in the area at all.

Q. In other words you took it for granted your dress would be sufficient to establish the fact you were his superior officer?

Thats right, sir.

Q. You hadn't seen this man previously?

No, sir.

Q. When he answered you or when he gave an answer and you told him you were taking him to the guard room he dropped the mattress and immediately ran away?

Thats correct, sir.

Q. You pursued him until you had him cornered in the north end of H hut C.19?

Right, sir.

Q. Is it correct that there were no lights at the north end of hut C.19, or do you remember?

I couldn't state whether there were lights in C.19 or not.

Q. Did Pte Boyer, when he attempted to run out of the blind alley, try to pass you on one side?

No, sir, it was almost impossible for him to pass me. I was close behind him and the wall was only a matter of a few inches to the side. He couldn't get between myself and the wall. It was more instinctive, as he turned and swung almost about the same time.

Q. In swinging around he couldn't help running into you?

No, sir, it was a blow.

Q. You were so close to him, in swinging around he couldn't evade hitting you, is that correct?

Put that question again?

Q. I will state it this way. You had him right in the corner, when he saw where he was he checked himself, swung around and tried to run out. He couldn't evade running into you?

He couldn't get away from where he was at the time. There wasn't room for him to get far.

Q. You blocked his way out?

Thats right, sir.

Q. Did you lay hands on him previous to delivering this blow?

No, sir.

Q. After you grasped him did he struggle to get loose?

Yes, sir. It was more of an effort to break away.

Q. Could you see him clearly while he struggled?

Yes, sir, I did.

Q. Quite clearly?

Yes, sir, quite clearly.

Q. Did you at any time up until the end of the struggle get any impression as to the man's state of sobriety or otherwise?

Only in speaking to him. The fact that he didn't speak clearly might have given me the impression that he was not sober, but the way the man ran my impression then was that he was quite sober.

Q. Now this blow which you state you received, was it a direct punch or a glancing stroke?

A blow may be direct, sir, but it may only land in a glancing manner. The fact I moved my head made it a glancing blow. It was aimed directly.

Q. Your impression is that it was aimed directly?

It was aimed directly, yes sir.

Q. You were both moving and struggling at the time were you not?

I had stopped him, I saw the soldier turn around.

Q. Pte Boyer was on the move was he not?

He was on the move because he turned and still tried to get away.

Q. After you overpowered him you were assisted by the guards?

Two piquets and one other soldier.

Q. Were they armed?

The piquets were armed.

Q. With rifles?

With rifles and fixed bayonets. No ammunition.

Q. At any time between the time when you overpowered the man and the time you turned him over to the custody of the provost, were the guards ordered or did they cock their rifles?

Yes, sir, they did.

Q. Did you order them to do that?

I ordered the escort to cock rifles. The accused was still continuing to struggle violently.

Q. The rifles were cocked?

Yes, sir.

Q. Did the escort accompany you and Pte Boyer to the guard room?

No, sir, they did not.

Q. Had Boyer quietened down by the time he was turned over to the provost?

He had quietened down.

Q. And at the time you turned him over did he appear to be sober?

He was perfectly sober. He adjusted his dress outside the guard room.

Q. He was completely sober when you turned him over to the guard room?

Yes, sir.

The Prosecutor declines to re-examine.

Not till the other day, sir. Not until he was questioned the other day in the guard house.

Q. Will you tell the Court what took place this night?

I was driving around Camp and at 5th Avenue and 3rd Street I turned around my jeep and was coming back when I heard this familiar voice. I heard the Sgt-Major holler "Halt" many times. I had been driving around with him all that evening up to that time. When I turned around and heard the word "halt" I noticed the movements right away.

Q. Did you recognize the Sgt-Major?

Yes, he was the only one in dress uniform that night.

Q. How was he dressed?

With a peaked cap.

Q. Such as the President is wearing?

Yes, sir.

Q. And what uniform was he wearing?

Real dress officers uniform.

Q. And you were able to distinguish that quite clearly?

Yes, my lights showed on his rank.

Q. Tell us what you saw?

Coming back I was supposed to pick up Major Gilmour. Coming back I stopped when I saw this bit of commotion. There was a mattress lying on the road and Sgt-Major Black had taken after this chap. I couldn't tell who the chap was or who he might be but the Sgt-Major tackled him.

Q. What do you call a tackle?

Just jumped on him and brought him down.

Q. Who did that?

Sgt-Major Black.

Q. Sgt-Major Black put this soldier down?

Yes, sir.

Q. Was it a soldier?

Yes, sir.

Q. Is that all you saw?

Well the idea was this soldier seemed to put up a battle.

Q. What do you mean?

You could see a clear blow. If it didn't hit, it came awful close.

Q. You saw this soldier swing at the Sgt-Major?

Yes, sir.

Q. What happened then?

Two guards came out of a hut. Sgt-Major Black got an armlock on him and they put him in another vehicle and went away and I went on with Major Gilmour.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q. Pte Hodgson?

Thats right, sir.

Q. How far away were you from C.19 where this struggle took place, while it was going on?

I would be about from the officer's table to that wall or the length of this room. I was on the road where it happened.

Q. Could you see clearly what was taking place?

I could see because the lights were put on at the front and rear of the huts.

Q. That is the hut next to C.19?

Thats right.

Q. The lights of C.19, were they on?

They were all on at that time on account of this disturbance.

Q. The lights of C.19?

Yes, sir.

Q. You could see the figures clearly?

You could tell it was a soldier. You couldn't tell who they were. But I knew before that it was Sgt-Major Black in there.

Q. Did you see one soldier grasp the other?

I saw the arm swing from underneath.

Q. Did you see one soldier grasped by another one?

Yes, sir, thats right.

Q. Did you see or did you feel that the soldier who had been seized struggle and try to break loose?

I think he struggled until he realized who the Sgt-Major was. That is my strong belief and feeling.

Q. You feel he did not recognize the R.S.M.?

As far as I could see he did not recognize him.

Q. Until he came in contact with him?

Thats right.

Q. You said something about lying in the road in your evidence?

No, I don't think I said that, sir.

Q. Where was he lying when you came up to him?

I drove up and they were off the road about the length of this room and were struggling.

Q. Back in the corner of one hut?

Yes, sir.

Q. Did you recognize Sgt-Major Black?

Yes, sir, I had been driving him around up to that point. He was on the road and I went up to turn around.

Q. And one soldier was putting up what you describe as a determined battle and you saw Sgt-Major Black jump on him and bring him to the ground?

Not much of a battle. Till he realized who it was he did put up a struggle.

Q. Now I am going to ask you a question. This striking, you saw the man swing his arm did you?

Yes, sir.

Q. You have been in the Army how long?

About eighteen months, sir.

Q. You know a swing in a fight when you see one?

Yes, sir, I do.

Q. This swing you saw, did it look like a real punch or a sort of a swing a man would make when turning his body around?

I couldn't state that clearly, sir. It was just dark enough I wouldn't want to state definitely.

The Prosecutor declines to re-examine.

QUESTIONED BY THE COURT

Q. Will you just repeat the incident again. You came along with the jeep; was Sgt-Major Black with you?

I just drove Major Gilmour down the road to where a former fire had been. I got further up the road and met Sgt-Major Black on 3rd Street and I turned around and was going to pick them all up again. I believe he got off to speak to a Sergeant.

Q. Was he out of the jeep when you first saw this?

Yes, sir. He was down the street about the distance of a hut when he hollered. I heard him.

Q. Then what happened?

He took after this chap across the road.

Q. Did the chap run when he hollered?

Yes he did.

Q. How far away was he when he ran?

When he hollered?

Q. When he hollered and the chap ran?

Well it would be about the length of the front of the hut.

Q. About one hundred feet?

You would be safe in saying a hundred feet.

Q. And what did the chap have?

He had a mattress.

Q. What happened to the mattress?

It fell on the ground.

Q. Then what happened?

He ran into the corner of the hut and the Sgt-Major took a fairly distinctive flying tackle at him.

Q. How far did he have to run to get into the corner of the hut?

Just the length of this room or something like that. I think the Sgt-Major was pretty well on the run before he even hollered "halt" if you know what I mean.

Q. Was it dark up in there?

It was dark all except these lights across the road.

Q. When they went up in the angle of the hut how were you able to see them?

I drove up to see it happen.

Q. Did there seem to be a scuffle there before you arrived?

No, everything was just sort of closing in when I got there.

Q. Were you there at the same instant the two appeared to close in?

Approximately the same time, sir.

The Defending Officer declines to cross-examine on the evidence arising from the questions by the Court.

RE-EXAMINED BY THE PROSECUTOR THROUGH THE COURT

Q. When Sgt-Major Black called "halt," where was Sgt-Major Black and where was the accused?

This accused was just coming around the corner of the hut.

Q. And where was Sgt-Major Black?

I believe he was at the side of the road talking to a Sergeant.

Q. How far away was Sgt-Major Black from the accused?

If you know the huts ....

Q. I don't. You will have to describe it to the Court.

Anything between 75 and 100 feet he was away.

Q. When he hollered "halt"?

Yes, sir.

Q. Were they speaking together before that?

No, sir.

The witness withdraws.

Q. And what was the accused doing?

He was doing nothing at the time I saw Mr Black with an armlock on him.

Q. What was the purpose of the armlock?

Just to hold him.

Q. Why did he have to hold him?

I don't know. He wasn't trying to get away.

Q. He wasn't trying to get away?

No, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Yes, sir.

Yes, sir.

Q. Was the bayonet fixed?

Yes, sir.

Q. Did R.S.M. Black order you to cock your rifle that night?

RE-EXAMINED BY THE PROSECUTOR

Q. Did the accused say "you don't need to do that, sir"?

Yes, sir.

Q. Why did he address him as "sir"?

Because of his rank.

Q. You saw his rank clearly?

He had his uniform on that looks like an officer's uniform.

Q. Did it appear to you that the accused knew who he was?

I imagine he must have.

Q. He addressed him as "sir" did he?

Yes, sir.

QUESTIONED BY THE COURT

Q. When was the order given to cock rifles? Before the affair or after the affair?

After he had been taken. After Mr Black had put the armlock on him and had him on his feet.

The Prosecutor and Defending Officer decline to examine on the evidence arising from the question by the Court.

The witness withdraws.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q. Cpl McDermid, how long have you been employed as provost corporal?

As provost corporal, about four months.

Q. And I see you have been in the Army over three years?

I have, sir, yes.

Q. Your statement is Pte Boyer seemed sober when he was given into your custody?

Thats right, sir.

Q. From your experience, from personal experience in the Army with men and as a provost corporal can you think of anything which might have a sobering influence on a man under the influence of alcohol than a good scare?

No I cant say I can.

Q. If you had to sober a man up, if you could scare him do you figure that would be the quickest way to do it?

I believe it would, sir.

Q. The morning after Pte Boyer was admitted did he say anything to you about having lost any of his kit?

The Prosecution is closed.

MOTION - NO CASE

The defence submits that a prima facie case has not been established by the prosecution with respect to the charge:

Sir, the Defence would like to make a motion to the effect the Prosecution has not established a case within the meaning of the Act inasmuch as they have not proved Pte Boyer wilfully struck a man he knew at the time the alleged blow occurred was a superior officer.

Answer by the Prosecutor:

The Defence has raised the question of no case. In short no case means just that. There is no case for the Prosecution. I don't think that is tenable just by a first glance at the evidence. There is A Camp Sergeant-Major who states the circumstances of the night, method of dress, what doing to show what happened. His story is backed up by another soldier who says he saw the struggle and the result of that. In addition thereto the accused was seen in the vicinity right at the time when the soldier said he saw the struggle. Now on top of that there are factors which point to--I don't say how good a case--there is a case and with that there is a call upon the Defence to defend himself.

Reply by the Defending Officer:

In respect to the statement of the Prosecutor, I should like to point out that R.S.M., or that evidence was produced to the effect the R.S.M. had shouted at the

man several times, the man had not deviated from his course, but apparently kept walking towards him, but when surprised and detected by the R.S.M. he was unable to make any coherent reply. The evidence is to the effect that the accused did not recognize his assailant until after he had been personally overpowered by Mr Black, that his conduct after he was discovered and overpowered leaves nothing to be desired. He went quietly to the guard room and told the R.S.M. it would not be necessary to have the rifles cocked. The man desired to evade capture, particularly, as suggested, he was more than a little under the influence of alcohol at the time he was accosted by the R.S.M. and naturally tried to evade him and although it is possible in the force of the struggle he could not free himself he swung away, probably of the two the accused was the one who least felt it under the circumstances.

The Court disallows the submission of the defence and its decision is announced to the accused.

The Court proceeds with the trial.

D

~~The Prosecutor has no further witness to call.~~
~~The Prosecution is closed.~~

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I will give evidence as a witness under oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. Yes, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No, sir.

The Defending Officer makes an Opening Address. (not attached

Prosecutor: These are very leading questions.

DEFENDING OFFICER CONTINUES EXAMINATION

Q. At the time, about the time at which Mr Black states he encountered you did you have a mattress with you?

Yes, sir.

Q. Where were you going with it?

I was returning the mattress to hut C.11.

Q. Why?

C.11, sir, has all new mattresses and a few days before that we were billetted there and that night it was empty at the time so I took a mattress out of it up to my hut and was taking this other mattress back.

Q. You were taking a mattress to replace the one you had taken? During the course of operations Pte Hodgson states he heard Sgt-Major Black shout to you several times,

Prosecutor: He didn't say that.

Defending Officer: May we have the evidence of Pte Hodgson read.

(The evidence of Pte Hodgson is read by the Shorthand Writer)

DEFENDING OFFICER CONTINUES EXAMINATION

Q. Where was this man with whom you subsequently struggled when you first saw him?

I didn't notice him until he was practically right on top of me.

Q. You couldn't hear him shout?

No, sir.

Q. Did you see him coming up the road?

No, sir.

Q. Did he just suddenly appear right in front of you?

Yes, sir. You see I was carrying the mattress on my shoulder and it probably obstructed my view of the road.

Q. The mattress was probably hanging across your shoulder?

Yes, sir.

Q. In any case you did not see the R.S.M. approaching?

No, sir.

Q. Until he was right in front of you?

No, sir.

Q. And what did he say?

He said he was going to put me under close arrest.

Q. Was it light enough for you to see his face clearly?

Yes, sir.

Q. You could see his features?

Yes, sir.

Q. Had you seen him previously?

No, sir.

Q. Never seen him?

No, sir.

Q. Did you know he was R.S.M. Black?

No, sir.

Q. At that distance would you have recognized something just by sight?

Yes, sir.

(President warns Defending Officer regarding leading questions)

Q. Will you tell the Court what went on in your own words? Did you recognize this man who accosted you around midnight to be a N.C.O., Warrant Officer or Commissioned Officer of the Army?

You want to know if I could recognize him as being a N.C.O., Warrant Officer or Commissioned Officer, is that it?

Q. Yes, did you recognize that you were in the presence of authority?

No, sir, I did not.

Q. Why?

Well, sir, it occurred so suddenly that when he accosted me I just dropped the mattress, wheeled around and ran.

Q. Why did you run? What reason did you have for running?

The only reason I had, sir, all I can say, I am inclined to be nervous and when he startled me more or less I just turned around and ran.

Q. You didn't know, or did you know there was anyone around at all when he stopped you?

You mean?

Q. Anyone at all?

Other than the R.S.M.?

Q. Anyone at all?

No, sir.

Q. Did you attempt to make any answer to him when he asked you or shouted at you as to what you were doing?

I don't know, sir.

Q. You don't know?

No, sir.

Q. You couldn't make an answer?

No, sir.

Q. Did you attempt to make an answer?

He never gave me any time. As soon as he said close arrest that is when I turned around and ran. He was right in front of me before I noticed him. Then when he yelled at me I looked up and there he was so I just wheeled around and beat it.

Q. Then you didn't get a clear look at him for a long time or did you?

Just a glancing look. I don't know whether I would have recognized him afterwards by just taking that one look at him.

Q. You say you are inclined to be nervous. Will you explain that a bit. Have you ever had any treatment for this nervous condition?

I was twice left out of battle, that is called L.O.B., on account of nervousness.

Prosecutor: Is this a plea of insanity at this time?

Defending Officer: No.

DEFENDING OFFICER CONTINUES EXAMINATION

Q. This nervous condition, can you tell the Court. Well you say you are inclined to jump due to nervous shock when suddenly surprised?

Yes, sir.

Q. When this person whom you state was unknown to you accosted you what did you do?

I ran to the back of hut C.19.

Q. You ran into the back of the hut?

Well right up to it, sir.

Q. Will you describe it?

Sir, it was a mistake. Instead of running around the end, I ran into the back of this hut, kitchen 19. I didn't notice the wall until practically right on top of it.

Q. Why did you run in there instead of around the end? Was it very well lighted?

Well it couldn't have been, sir.

Q. You realized you were up against a wall. What did you do?

I wheeled around and attempted to get out.

Q. What did you find when you turned around?

That was when the Sgt-Major grabbed me.

Q. Did you know him to be a Sgt-Major then?

No, sir.

Q. Or personally?

No, sir.

Q. Could you see his face clearly?

In there?

Q. Yes?

No, sir.

Q. What did you do when you saw him standing there?

I attempted to dodge around him, sir.

Q. How far was he?

Well he was close enough to tackle me, to reach me.

Q. How far was that?

I would say three or four feet. Four feet, sir.

Q. You state you attempted to get around one side of him?

Yes, sir.

Q. What did he do?

He grasped me, sir, and threw me to the ground.

Q. When he grasped you did you try to fight him or break away?

I tried to break away.

Q. You did?

Yes, sir.

Q. Could you see him clearly as you struggled to get away?

Yes, sir, I could pretty clearly.

Q. Did you attempt to strike him a blow?

(President warns Defending Officer regarding leading questions)

DEFENDING OFFICER CONTINUES EXAMINATION

Q. In Mr Black's evidence he states that he was struck. Pte Hodgson was present and says he cant say as to a swing. Will you make a statement to the Court concerning R.S.M. Black's allegation that he was struck? Do you understand me?

I believe so, sir. No, sir, I did not strike R.S.M. Black a blow.

Q. He states he felt a blow or thinks he felt a blow. What have you to say about that?

I don't see how he could have felt a blow, unless it happened he ran his head into my shoulder when he threw me down.

Q. Did you have any suspicion still as to the identity of your opponent?

No, sir.

Q. You are quite sure of that?

That is when he had the armlock on me?

Q. Before that?

No I was not directly sure of his identity. I knew by then that he was an officer, or warrant officer of some rank.

Q. When did you realize that?

That is when he grasped me.

Q. When he had the armlock on you?

Yes, when he had me down. It only took a matter of seconds to throw me down.

Q. And at what point did you say you identified him?

At approximately that time.

Q. At approximately which time?

At the time he threw me down and had the armlock on me.

Q. Was Sgt-Major Black assisted by anyone?

He called for the piquet.

Q When did he call?

I believe when he had the armlock on me.

Q. When the piquet arrived were they armed?

They had rifles with bayonets fixed.

Q. You could see that clearly?

Yes, sir.

Q. How close were they to you?

They took charge of me right there.

Q. Was there anything said or done about cocking rifles?

Yes, sir, Sgt-Major Black gave the piquet the order to cock the rifles.

Q. Did you say anything at that time?

Well I told Sgt-Major Black it would not be necessary for them to cock rifles, I would go down on my own free power.

Q. Did you know who he was at that time?

Yes, sir.

Q. At the time you entered the guard room how were you feeling? I am speaking as regards your state of sobriety.

State of surprise?

Q. State of sobriety. How did you feel? Sober or otherwise?

I didn't feel very good. The knowledge that I was in the guard room kind of took the wind out of me and when I went to bed I fell asleep immediately.

Q. How did you feel by the time morning came?

I felt pretty shaky in the morning, sir.

Q. Did you say anything to any of the provost staff about your kit and personal belongings?

I asked the provost corporal if he had seen my watch.

Q. What did he say?

He told me that it was in the little bag where he kept the personal belongings.

Q. They took your personal belongings away when you went to the guard room. They have to do that.. Didn't you remember having them taken away?

I wasn't sure whether they had or not.

Q. Did the provost corporal make any remark when you spoke about your personal belongings as to whether you might or might not be completely sober when taken into custody?

He said that I had been drinking, sir.

Defending Officer: Can the Court take judicial notice of the fact that there was a celebration and disturbance on the night of August 13th because of the false announcement over the radio?

President: The Court can take judicial notice of the fact there was a false announcement, but not the celebration.

Defending Officer: I wish to produce a calendar to show that there was no moon on that night, the evening of August 13th.

President: It would be easier to have this witness prove that.

DEFENDING OFFICER CONTINUES EXAMINATION

Q. Pte Boyer, was there any moonlight that night?

No, sir.

Q. Are you sure of that?

I didn't notice any moon, sir.

CROSS-EXAMINED BY THE PROSECUTOR

Q. Pte Boyer, did I understand you to say that you were in the wet canteen from 1815 hours until 2130 hours?

Yes, sir.

Q. And you drank a quantity of beer there?

Yes, sir.

Q. And you say about twelve glasses?

Approximately twelve glasses.

Q. Would that be about three quarts of beer?

Something like that.

Q. Do you drink beer often?

Quite a bit, sir.

Q. And is three quarts of beer an unusual amount of beer for you to drink over a period of something like three hours?

I think that all depends.

Q. I am just asking you a simple question. Is that an out of the ordinary amount of beer for you to drink in three hours, three quarts of beer?

That is about the average amount.

Q. You just drank beer, I understand?

Yes.

Q. And you say that you became intoxicated with three quarts of beer?

I didn't say that I became intoxicated.

Q. Are you saying it?

I told in my defence ...

Q. What do you say now? Did you or did you not become intoxicated? Your defending officer cannot help you. Look at me.

I was not intoxicated.

Q. This was Sunday night?

Sunday night.

Q. The canteen closes at 2130 hours, is that right?

Q. And did you drink any beer after that?

Yes, sir.

Q. Where did you get it?

One of the lads, I am not sure who he is, had his water bottle full of beer.

Q. Just a water bottle?

Only the one water bottle.

Q. How much of that water bottle did you drink?

I think between three of us we drank it.

Q. And that water bottle contained a pint of beer. It is an ordinary canteen?

Yes.

Q. About a pint of beer?

Something like that.

Q. And you split that in three. Would what you drank from that water bottle make you intoxicated?

No, sir.

Q. Now when did you drink this one water bottle? Right after the canteen closed?

It was in the Legion Writing Room I believe it is and some of the boys were playing the piano and singing.

Q. You drank that right after the close of the canteen?

Not right after.

Q. Within half an hour or so?

Approximately.

Q. The occurrence for which you are here today occurred sometime after midnight, is that correct?

Yes, sir.

Q. There was an elapse of some two hours, is that right?

Right.

Q. With what beer you drank, and you say you drank no more after that, you would have become somewhat more sobered up if you were intoxicated, is that right?

Possibly.

Q. More than likely isn't it. We all drink you know so what is your answer?

Pardon, sir.

Q. What is your answer to that?

Yes, sir.

Q. At 2400 hours of that day, 12th August, and on into the 13th of August, you weren't drunk were you?

No, sir.

Q. And I suggest what beer you drank didn't effect your mental condition or physical condition?

Yes, sir, it did.

Q. You still say it did?

You can still be feeling good and not be drunk to a high degree.

Q. What did you do? Just tell me what you did after you left the wet canteen?

I went to hut C.11.

Q. What time was that?

I'm not positive of the time.

Q. About?

Around probably 10:30.

Q. Where had you been to 10:30. You say the canteen closed at 9:30. Where had you been to 10:30?

In this other room playing the piano and talking to the boys, and then some of the boys decided to go out.

Q. At what time?

I don't know what time.

Q. Did you go with them?

No, sir.

Q. Where did you go?

To C.11.

Q. You were in the canteen or writing room from 9:30 to 10:30?

Approximately.

Q. You went to hut C.11. Is that where you slept?

No, sir.

Q. What hut do you sleep in?

C.18.

Q. Why did you go to C.11?

To get me one of those new mattresses.

Q. How far is it from hut C.11 to C.18?

It is up one block, down about eight huts.

Q. Less than a quarter of a mile?

Yes, quite a bit less.

Q. Does it take an hour and a half to walk from C.11 to C.18?

No, sir.

Q. You went to hut C.11 to get a mattress at 10:30. Now just explain what you did from 10:30 to midnight?

I went back to the hut and sat around, sir.

Q. What hut?

C.11. I sat around there and smoked a while.

Q. Were you by yourself?

No, sir. Lots of the boys were coming in off pass that night and I just fooled around generally.

Q. Did you sit in hut C.11 all that time?

C.18.

Q. You went and got your mattress at C.11 at 10:30 and came back to C.18 right away?

Yes, sir.

Q. What did you do after you sat around C.18?

I decided to take the mattress back.

Q. You decided to take the mattress back?

I had a pass that evening, sir.

Q. I'm not asking you that. You came back to C.18 after a mattress and decided to take a mattress back to C.11?

Yes.

Q. Why did you want to do that?

I was on my way down to the guard room to turn in my pass and thought I would just drop in the mattress.

Q. You wanted a new mattress?

Yes, sir.

Q. You went and got it?

Yes.

Q. Now you went to take the mattress back?

The old one.

Q. You were going to take the mattress back?

Yes, sir.

Q. And then going down to the guard room to turn your pass in?

Yes, sir.

Q. What time was that?

I never checked on the time.

Q. Was it after midnight?

It could have been.

Q. And was there any disturbance around there?

I heard of some, sir.

Q. What did you hear?

I heard some fires going on and ...

Q. You had nothing to do with the fires I presume?

No, sir.

Q. Wouldn't you think the best place to be would be in your hut if there was any disturbance going on?

Yes, sir.

Q. Then why did you leave?

On account of this pass.

Q. Now what pass was this?

It was a pass issued Saturday noon until Monday morning at 0600 hours.

Q. Did you go on leave?

I just went down to Kingston Saturday afternoon and Sunday morning.

Q. What did you do with the pass?

I still have it.

Q. Did you turn it in?

I intended to go out that night and changed my mind.

Q. You kept the pass and came in the gate did you?

Yes thats right.

Q. And where is the pass now?

I don't know unless it was turned in with my personal belongings.

Q. Did you turn it in?

No, sir.

Q. Where were you going to turn it in?

At the guard house.

Q. What guard house was that?

The guard house I was being held in.

Q. The guard house for the east gate of the camp?

Yes, sir.

Q. You say you don't know where your pass is now?

No, sir, I don't.

Q. You don't know whether it was turned in or not?

No, sir.

Q. What would happen if I bring somebody to say the pass was not turned in?

I could prove I had a pass by the Orderly Room.

Q. We are not denying that, but I would like to know your intention of turning the pass in after twelve o'clock?

If I did not turn the pass in I would be marked absent without leave.

Q. But you were in the hut and you could have reported to your corporal?

That doesn't make any difference.

Q. Now you do admit while you were carrying a mattress somebody stopped in front of you and said "halt"?

Yes, sir.

Q. When he stopped in front of you how far would you be?

Approximately this distance.

Q. About three feet apart?

Four feet.

Q. Three or four feet apart and you say you saw the face of the person?

I had a quick glance at his face, sir.

Q. He said "halt" and you ran?

I dropped the mattress and ran, sir.

Q. You must have known somebody in authority stopped you?

No, sir.

Q. Now tell me why, if you thought someone in authority had not stopped you you would have to run?

Well, sir, ...

Q. If an ordinary soldier stopped you ... You are not afraid of an ordinary soldier are you?

No, sir.

Q. Why would you have to run from an ordinary soldier?

That was the reaction I had.

Q. How long have you been in the Army?

Four years approximately.

Q. Overseas and everything like that. You know you don't have to run for an ordinary soldier?

Sir, when talking about overseas and like that, in the lines you do get those reactions.

Q. Yes, but you are not in the lines?

Not in the lines now, but I was.

Q. Somebody yells "halt"; you realize it is someone in authority; and unless you are doing something wrong you don't run. If you do something wrong you run don't you?

Yes, sir.

Q. And you must have realized it was somebody in authority is that right?

No, sir, I did not.

Q. You say you saw the face of the person who stopped you?

Yes, sir.

Q. You heard the evidence of the Sgt-Major that he was wearing an officer's hat?

Yes, sir.

Q. You heard the evidence of Hodgson that the Sgt-Major was wearing an officer's hat?

Yes, sir.

Q. I suggest if you saw the face you saw the hat?

Yes, sir.

Q. You knew then it was someone in authority who had stopped you?

I didn't realize it at the time, sir.

Q. You didn't want to find out then did you?

No, sir.

Q. You say then you did run?

Yes, sir.

Q. After dropping the mattress, and you say it was necessary for the person stopping you to chase you?

I didn't say it was necessary to chase me.

Q. You ran didn't you?

Yes, sir.

Q. If he hadn't chased you and caught you you wouldn't have stopped?

If he hadn't chased me and caught me, no sir I wouldn't have stopped.

Q. I again suggest then you knew someone in authority was the person who accosted you?

I didn't realize it at that time, sir.

Q. Now there was a struggle, is that correct?

Yes, sir.

Q. You heard Pte Hodgson say he saw you swing from the shoulder. He didn't say you hit the soldier?

I heard that, sir.

Q. You heard Sgt-Major Black say he was struck?

Yes, sir.

Q. What have you to say about that?

I did not strike him, sir.

Q. Did you realize that you did strike?

No, sir, I didn't realize that.

Q. It is quite possible you did?

Not to my knowledge, sir.

Q. You say you don't realize this and you don't realize that. Is it quite possible you don't realize you struck?

Not intentionally, sir.

RE-EXAMINED BY THE DEFENDING OFFICER

Q. Pte Boyer, what changed your mind about going out that night?

From going to Kingston, sir?

Q. Yes.

Well for one thing the boys were saying they were going on the loose, or intending to go on the loose. That is why I didn't go. I had no intentions of going absent without leave at that time.

Q. You made a statement to the effect that even if you had not been pursued you wouldn't have stopped running. What do you mean by that?

It was my intentions to get to the hut as soon as I could. I just wanted to be there, that is all.

Q. Had you any tangible reason, any real reason or just this impulse of yours?

It was the impulse.

Q. Have you ever felt an impulse like that before?

To get away from something, is that it?

Q. Yes.

Sometimes I have, sir.

Q. What sort of times?

Well it is something that you cant, you haven't got much power over, somebody drops something you jump automatically or duck.

Q. You mean to say once you start running you couldn't stop, or something like that?

Yes, sir, that would be it till I kind of come more or less cool headed, you might say, or level headed.

Q. You were drinking in the canteen and evidence has been given as to how much you had to drink and you were asked whether or not you felt that when you left the canteen or later, that you were intoxicated. Now in the Army, intoxicated means so drunk you are incapable of performing your duty ...

Prosecutor: No it does not.

(President reads from M.M.L., Paragraph 42, Chapter III, page 24)

DEFENDING OFFICER CONTINUES RE-EXAMINATION

Q. When you picked up this mattress, the new one, and carried it out of the sleeping quarters and while talking to your friends, would you say that you were still at that time under the influence of the beer you had?

Yes, sir, I would.

Q. How much?

To the extent I was feeling pretty good. If that is what you call a degree of intoxication.

Q. A mild degree of intoxication I suppose. How would you describe your ability to consume liquor?

I cant stand much liquor.

Q. What do you mean by much? By liquor do you include beer?

I include beer as an intoxicating drink. I pass out easily for one thing. Another, I can still be intoxicated and still be on my feet with no knowledge of anything I am doing.

Q. Has that happened on previous occasions?

Yes, sir.

Q. How often?

A half dozen times. Six times.

Q. By what time did you have to have that pass turned in in the morning?

0600 hours.

Q. What time was reveille?

I am not certain of the time, sir. 0630 hours.

Q. It isn't before 0600 hours?

Oh no, sir, absolutely not.

Q. In other words, if you had remained in your hut how would you have managed to get that pass to the guard room in time to prevent yourself from being A.W.L.?

Unless I happened to wake up by 5:30 in the morning I would be unable to do that.

Q. Pte Hodgson, in his evidence, says he saw one soldier take a swipe at the other one. In the course of your struggle in the corner of the hut did you feel a blow, or can you make a statement as to whether or not a blow was struck at you?

Yes, sir. The following day in the guard room

when I was shaving I remarked to some of the chaps in there--I believe there was a guard in there--that the side of my jaw was sore and when I was shaving was the first time I noticed it. The pressure on my jaw caused it to pain.

Q. Had you been engaged in any scuffle prior to setting out? No one had struck you while you were in the canteen?

No, sir.

Prosecutor: This is re-examination for the purpose of questioning anything brought out by the Prosecutor in cross-examination, and yet the Defence is bringing in new evidence.

President: The Prosecutor will be given the opportunity to cross-examine due to the fact new evidence has been introduced.

ADJOURNMENT: At 1210 hours on the 31st day of August, 1945, the Court adjourned until 1400 hours on the 31st day of August, 1945.

REASSEMBLY: On the 31st day of August, 1945, at 1400 hours, the Court is re-opened.

The Accused, Pte Boyer, takes his place as a witness.

DEFENDING OFFICER CONTINUES RE-EXAMINATION

Q. Pte Boyer, you are charged with striking your superior officer, Mr Black. You heard the evidence of the Prosecution brought against you, namely the statement by Mr Black of the blow, the statement of Pte Hodgson who saw one soldier swing at another. Can you present anything additional which might help to clarify the situation, or any additional point?

Sir, when I tried to dodge around, and the time he grasped hold of me, I don't ..... I believe, Mr Black .....

President: I might advise you the manner in which you give evidence before the Court is also considered. Evidence of a hesitating manner does not carry the same weight as straightforward evidence.

Witness: Yes, sir. There is nothing I could add to what already has been said. Not to what I have already said.

CROSS-EXAMINED BY THE PROSECUTOR

Q. I understand you were returning a mattress from your hut C.18?

Yes.

C.11 is across from the M.I.R.

Q. You are quite certain of those huts?

Well I am certain the hut I live in is C.18.

Q. How are you certain about hut C.11?

Well I believe that is the hut across from the M.I.R. on the corner.

Q. You are quite certain it is C.11?

Not exactly, sir. But I am pretty sure it is C.11. It is across from the M.I.R.

Q. Another question as to your pass. You say in order to avoid being marked A.W.L. you were returning a pass some time after midnight to the guard room?

From 0600 hours.

Q. Your pass was good to 0600 hours that Monday morning, is that right?

Yes, sir.

and touched him he would jump up in the air.

More than some I would say he was.

Q. Where were you on the evening of August 13th?

Q. Were you alone?

CROSS-EXAMINED BY THE PROSECUTOR

I was feeling good.

Q. Would you hit a Sgt-Major on two quarts of beer?

I wouldn't think so.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Sir, all I have to say on behalf of my defence is that under ordinary circumstances it would never have happened. I could have explained reasonably well to the R.S.M. my actions. I know I have a lot of crimes on my crime sheet, but I have no insubordinate crimes. That is all, sir.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

Receipt is acknowledged of the proceedings of the m/n Standing Court-Martial which were forwarded by the President named therein.

2. The accused was charged under A.A.8(2) of "When on Active Service, Striking his Superior Officer". He pleaded Not Guilty to the charge and the Court found him "Guilty" with the exception that he did not strike the face of R.S.M. Black, but that he offered violence to R.S.M. Black. He was sentenced to six months detention.

3. The form of the Finding made by the Court was irregular having regard to A.A.56(4A) and it was considered necessary that the provisions of R.P. 53A be invoked.

4. It will be noted, by the endorsement attached to page "A" of the proceedings, that the Adjutant-General, pursuant to his powers, has substituted a new Finding for the Finding made by the Court-Martial. It will also be noted that the Sentence passed by the said Court was not disturbed.

5. The substituted Finding is legal and in order. It should be promulgated to the accused in the same manner as in the case of a District Court-Martial.

6. When the proceedings have served your purpose, may they be returned to this office for custody.

B.59594 Pte BOYER, Harry Raoul
Special Finding under RP 53A

1. Ref memo to AG from JAG dated 12 Sep 45 at folio 60 hereunder.

2. This memo recommends that pursuant to PC 9229/44, AA Sec 70(1)(ee), RP 53A and GO 93/25, the Finding made by SCM should be substituted by a Special Finding as set out in the Endorsement on Page A of the proceedings at folio 55 herein.

3. The facts briefly are:

(a) This soldier was charged under AA Sec 8(2) - "When on Active Duty Striking a Superior Officer".

(b) Plea - Not Guilty

(c) The Court made the following Finding:

"Guilty of the charge with the exception that he did not strike the face of RSM Black but that he offered violence to RSM Black."

(d) The soldier was sentenced to undergo detention for 6 months.

4. The JAG has expressed the opinion that, having regard to AA 56 (4A) the said Finding is irregular and that the provisions of RP 53A may and should be invoked and that the Finding of Guilty under AA Sec 8(2) should be in the form as set out in the Endorsement on Page A of the proceedings at folio 55.

5. It is considered that the sentence as awarded should not be disturbed. The Court, after hearing all the evidence adduced, and fully appreciating the seriousness of the offence, awarded a sentence of 6 months' detention which is considered fair and just.

6. If you concur, may the Endorsement as to the Special Finding appearing at folio 55 be completed by you pls.

1. The m/n soldier is now serving a sentence of 6 months imprisonment with hard labour and discharge with ignominy awarded by FGCM 14 Jun 45 for the following offences: an absence without leave, while undergoing F.P., from which he was apprehended after 22 days, (AA Sec 15(1)), an absence without leave, while in Unit custody, from which he surrendered after 12 days (AA Sec 15(1)) and an absence without leave, when in Unit custody, from which he was apprehended after 4 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment with hard labour should terminate if he continues to do so, is 13 Oct 45.

3. This soldier enlisted 6 Jun 41 at Montreal P.Q. and he is now 27 years of age. Since enlistment he has been found guilty of 29 offences under AA Sec 15(1), of 2 offences under AA Sec 40 and of 1 offence under each of AA Sec 11 and AA Sec 19. He has had 1 previous FGCM, on 14 Mar 44, when he was awarded a sentence of 90 days detention for an absence without leave of 32 days (AA Sec 15(1)). He has had 2 civil convictions. On 14 Sep 44 he was sentenced to 1 months imprisonment with hard labour on a charge of theft. On 28 Dec 44 he was sentenced to 6 months imprisonment with hard labour on a charge of theft from the person.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of average or better intelligence who is egotistical, impulsive and irresponsible; that he has no sense of social responsibility and no self discipline; that although superficially he appears to be ashamed of his misdemeanours nevertheless he is little inclined to assume any responsibility for them; that he states he has only drawn 3 full pays during his 4 years of service; and that he has been and will likely continue to be of absolutely no use to the army.

6. From this soldier's record of 33 military offences, 2 FGCsM and 2 civil convictions as well as the report outlined in para 5 above, it is clear that he is useless and incorrigible. It is consequently considered that his present sentence including discharge with ignominy is appropriate and that he should be required to serve his sentence of imprisonment with hard labour in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered that this soldier must have realized that his consistent misconduct would probably lead ultimately to his discharge and it is highly probable that he had that end in view.

7. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A.3104 in respect of the FGCM held 14 Jun 45 on which this direction has been endorsed.

1. The m/n soldier is now serving a sentence of 6 months imprisonment with hard labour and discharge with ignominy awarded by FGCM 14 Jun 45 for the following offences: an absence without leave, while undergoing F.P., from which he was apprehended after 22 days (AA Sec 15(1)), an absence without leave, while in Unit custody, from which he surrendered after 12 days (AA Sec 15(1)) and an absence without leave, when in Unit custody, from which he was apprehended after 4 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment with hard labour should terminate if he continues to do so, is 13 Oct 45.

3. This soldier enlisted 6 Jun 41 at Montreal, P.Q., and he is now 27 years of age. Since enlistment he has been found guilty of 29 offences under AA Sec 15(1), of 2 offences under AA Sec 40 and of 1 offence under each of AA Sec 11 and AA Sec 19. He has had 1 previous FGCM, on 14 Mar 44, when he was awarded a sentence of 90 days detention for an absence without leave of 32 days (AA Sec 15(1)). He has had 2 civil convictions. On 14 Sep 44 he was sentenced to 1 month imprisonment with hard labour on a charge of theft. On 28 Dec 44 he was sentenced to 6 months imprisonment with hard labour on a charge of theft from the person.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is an individual of average or better intelligence who is egotistical, impulsive and irresponsible; that he has no sense of social responsibility and no self discipline; that although superficially he appears to be ashamed of his misdemeanours nevertheless he is little inclined to assume any responsibility for them; that he states he has only drawn 3 full pays during his 4 years of service; and that he has been and will likely continue to be of absolutely no use to the army.

6. From this soldier's record of 33 military offences, 2 FGCsM and 2 civil convictions as well as the report outlined in para 5 above, it is clear that he is useless and incorrigible. It is consequently considered that his present sentence including discharge with ignominy is appropriate and that he should be required to serve his sentence of imprisonment with hard labour in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered that this soldier must have realized that his consistent misconduct would probably lead ultimately to his discharge and it is highly probable that he had that end in view.

7. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A3104 in respect of the FGCM held 14 Jun 45 on which this direction has been endorsed.
