In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex. A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). I should like to make this plea for mitigation of sentence on behalf of the defendant. He is of good family and has two years college education. He has four years service in the Canadian Army and has ability judging from the fact that at one time he was a corporal drawing C (clerks) trade pay. However now he is a man who has gone to pieces, due mainly to family troubles and this unfortunate association with another woman. I believe if as light a sentence as possible were given and he could participate in the far Eastern campaign, for which he has volunteered, he would prove himself a soldier and regain his self respect.

I am married to a girl in Canada but the marriage was not successful. I asked her for a divorce but she refused.

In 1942 I became involved with a girl in the Waaf in this country and in Oct. 1943 a child was born. At the time I was a corporal drawing C trades pay as a clerk but had a debit balance in my pay book of $150. My promotion called for an extra assignment or deferment of $10 a month. The child's mother was sick and could not support herself, so I tried to have this $10 per month assigned to her. It was refused.

I was granted a 9 day leave and worked for a man in Reigate. Later with the same conditions existing I went A.W.L. and back to work. As a result I was subsequently court martialed.

During the trial, the president of the court, Lt/Col. Redman, advised me to have the woman take a court action against me. This was done in the

1944. The magistrate of the court ordered me to pay 10 shillings per week for the support of the child. However, due to the debit balance in my pay book, C.M.H.Q. did not see fit to O.R. the said judgement and ~~the~~ conditions were as bad as they had been prior to my court martial.

Subsequent A.W.L.s were for the same reason, that is namely to work, in order to support mother + child. In Dec. 1944 I was convicted in civil court on a theft charge and was sentenced to 6 months imprisonment. At the time of conviction I had been illegally absent for 22 days. On my release from prison I was turned over to the Canadian Provost Corp and escorted back to my unit, where I was remanded for an F.G.C.M.

All through the period of my imprisonment I had no word from the mother. When the opportunity presented itself, I broke unit custody and went to Birmingham, where I had last had contact with her, but she had moved. I traced them to two further addresses and then lost all trace of them. After an absence of 12 days I returned to London and surrendered myself to the Corp of Military Police and was returned to my unit on the 21 May 45.

Shortly after my arrival in the unit, I heard, from what I considered a reliable source, that the mother was in Manchester. I again broke unit custody and went to Manchester, where I was apprehended before I had an

opportunity to investigate the information I had received.

The accused, being duly sworn, gives evidence as to character:-

I joined the Army on 6 Jun 41. I am an American citizen. Before joining the Army, I was a student at Albany State Teachers' College. I had completed my second year. I was a L/Corporal prior to coming overseas which I automatically lost on arrival in England. Overseas I attained the rank of Corporal. In July 1942 I was sent to C.B.H. as Educational Corporal. The war establishment had been filled, and I was returned to the holding unit. I went absent in June 1943 because I had a W.A.A.F. pregnant by me. I went to help her out. The child was born in October 1943. I was with her on leave at that time. During my leave I was working for an ammunition plant. After this I went A.W.L. frequently to make money to support this girl who had no money. I am married and could not get a divorce to help this woman. I always got a job at the same ammunition plant. On 15 Nov 43 I found this woman and child sick and without money. I went absent to make money for them. When I returned from my December absence on 20 Dec 43 I went to hospital for 39 days under close arrest. I lost my pay for that period and on 27 Jan 44 I was given 27 days detention. I heard I was going to be sent to N.E.T.D., and I felt my duty was to this woman over here. In January 1944 I was given a "B-2" category, emotional instability. I didn't want this category, and I have been trying since to get it raised so that I can get to a field unit. I have had two years in the teachers' college.

Plea in Mitigation of Punishment in the case of D-82880, Pte Benjamin H. L.

May it please the court to bear in mind the following facts in considering the evidence of the accused. The accused is highly educated but has a B-2 category for emotional instability. Up until June, 1943 he was never guilty of any serious crime against military law and had earned N.C.O. rank on 2 occasions. His more serious offences began when he became responsible for his girl-friend becoming pregnant and being discharged from the W.A.A.F. Being married in Canada and unable to obtain a divorce or support for his girl-friend and his child drove him to going absent without leave on numerous occasions to work in a factory and thereby earn money for his destitute girl friend and child for whom he felt responsible. His last A.W.L. for which he is now under charge resulted from the belief, honestly entertained, that he was going to be sent to N.E.T.P. and then back to Canada leaving those he loved and for whom he felt responsible behind him. Being emotionally unstable and burdened by domestic and financial troubles the accused, I submit, should be given as lenient a sentence as possible.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. No Sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No Sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No Sir.

Question to the accused. Do you wish to address the Court?

Answer. Defending Officer:- In mitigation of punishment I wish to say on behalf of the accused that he had a brother killed overseas last Summer and this was quite a shock to his mother and she has been ill since that time and he had several letters from his mother asking him if he could home before he went Overseas and he went home. His home is Fort William, Ontario.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

12 Remarks: (Here note any Petition of Representation other than in Item 10 but if Item 10 has been omitted, so state and show here any mitigating circumstances.)

(1) Item 10 has been omitted.
(2) In an unsworn statement the accused says he is married. He and his wife had previously had a child but it had died and wife had now told him that she was pregnant again. His wife's mother is dead so there was no-one to be with her. The accused worried about his wife a great deal because of losing the previous baby and thought he should be with her all the time. Whilst AWL he worked in his home district at various jobs. He had a ¼-section of land, on which it was necessary to put in the crop in the spring and do the haying later. The baby was born 30 July. After a while the wife's sister came to stay with them and this enabled him to return to the army.
(3) In mitigation the Defending Officer states the accused has a medical category of M2.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

Lieut. E. D. Strongitharm, A.16 Canadian Infantry Training Centre, C.A.,

being duly sworn, ~~is examined by the Prosecutor.~~ states:

Question.

M.F.B. 375.

(M.F.B. 375 is read, marked "Exhibit F", signed by the President, and attached to the proceedings.)

M.F.M. 216.

(M.F.M. 216 is read, marked "Exhibit G", signed by the President, and attached to the proceedings.)

M.F.B. 1481.

(M.F.B. 1481 is read, marked "Exhibit H", signed by the President, and attached to the proceedings.)

I identify the accused as the person to whom these documents relate.

The Defending Officer declines to cross-examine.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement

Question to the accused. Do you intend to call any witness in your defence?

Answer. No sir

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No sir.

UNSWORN STATEMENT OF THE ACCUSED

My name is Earnest Rudolph Bailer, No. M.16 -- M.612097. I got married in 1942, March 25th. My wife had a baby and we lost it -- it was three months old when it died in Metaskiwin coming to the hospital; then when I was home at Christmas my wife told me she was pregnant, and I come back after Christmas and I was worried about her all the time here because she lost the first baby, so I wanted to be with her. And we had no place to stay. Her mother is dead and I wanted to be with her until the baby was born and then I intended to come back to the army. And another thing I was working on the farm all the time for different farmers around the district and trying to make a living for my wife and keep myself going, and when spring came I had a quarter of land rented and I had to put the crop in there for the last two years and I hired a man to put the crop in and when we put the crop in, we put in the garden and when that was done, it was time for haying and we put up about 25 or 30 tons of hay and after that was through, I was cutting brush and clearing land and then my wife had to go to the hospital and the baby was born on the 30th of July. After the wife came home from the hospital, I stayed with her a couple of weeks until her sister came to stay and then I showed her sister what to do to take care of the place and I decided to come back to the army then. That was on September 2nd.

The Defending Officer makes a Closing Address.

The Prosecutor makes a Closing Address.

C.C.

Proceedings on Plea of Guilty

(The Prosecutor will be asked if he has any statement to make regarding all the circumstances connected with the offence.)

Question to the accused. Have you any statement to make in reference to the charge to which you pleaded guilty?

Answer. No, sir.

(Statement of the accused to be recorded on a separate page.)

Question to the accused. Do you wish to make any statement in mitigation of punishment?

Answer. No, sir.

(Statement of the accused to be recorded on a separate page.)

Question to the accused. Do you wish to give evidence yourself as to character?

Answer. No, sir.

Question to the accused. Do you wish to call any witness as to character?

Answer. No, sir.

R.P. 37 *(d). If from the statement of the accused or from the Summary or Abstract of Evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty" the Court shall alter the record and enter a plea of "Not Guilty" and proceed with the trial accordingly.*

For variation, see M.M.L. pg. 747.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes sir through my Defending Officer.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER

Sir, in mitigation of punishment, I would like to point out to the Court that the accused is a young lad, 22 years of age, has only got a grade eight education with a PULHEMS profile of 2 under the M. This young lad has been in the army approximately 18 months and has only before the present time been A.W.L. for four hours, which for the army is a fair record. Now, as the accused said in his statement, he returned home at Christmas -- on his Christmas leave -- and found out that his wife was pregnant. Earlier in the year of 1944, they lost a young baby of three months. He returned to the army of his own accord with no intentions or thinking of going A.W.L., and began worrying about his wife, the condition she was in. He returned home and seeing his wife in not a very good state of health, the accused stayed close to her, working on a farm and around the country, trying to make enough money to stay home and look after her. There was no one else there. Her mother was dead. On the 30th of July his wife had a baby and the accused just stayed there long enough to look after his wife until her sister arrived. One week after her sister arrived, he returned to the army and surrendered himself. Now, a lad of this education, which at the present time is not considered a very high education, with an M-2, I would suggest to the Court that it is almost impossible for a man under those conditions to be able to weigh just exactly which is wrong or right, where his greatest responsibility lies, whether to his country, which he is serving, or to his wife. Knowing the trouble he had been through a few months before, it would have been rather difficult for any man, no matter what his education or what his PULHEMS, to judge clearly, and possibly the family ties in this lad's case won out and as soon as they were all straightened around, he returned to the army of his own accord. And in view of this, I wish the Court to be as lenient as possible with the accused.

Plea for Mitigation of Punishment

B 267 Pte Beamer H. D. joined the RCD's 6 June 41 and came overseas with this unit. He was taken off strength on the eve of his units departure to Italy and transferred to ordnance. He arrived in France Italy 44 as an Ordnance reinforcement and as yet has not been posted to a unit. This is just one more case of a man being pushed around till he felt he wasnt wanted and I ask the court to take this into consideration when deciding punishment

PLEA FOR MITIGATION OF PUNISHMENT

B267 Pte BEAMER H D joined the RCD's 6 June 41 and came overseas with this unit. He was taken off strength on the eve of his units departure to Italy, and transferred to Ordnance. He arrived in France, July 44, as an ordnance reinforcement and as yet has not been posted to a unit. This is just one more case of a man being pushed around till he felt he wasnt wanted and I ask the Court to take this into consideration when decideing punishment.

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 18 Feb 46.

3. This soldier enlisted 16 Jun 41 at Hamilton, Ont., and he is now 23 years of age. Since enlistment he has been found guilty of 3 offences under AA Sec 15(1) and of 1 offence under AA Sec 4(2). He has had 1 previous FGCM, on 1 Jan 44, when he was awarded a sentence of 9 months detention for an absence without leave of 118 days (AA Sec 15(1)).

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the length of this soldier's illegal absence in a theatre of operations and his record of useless service for the past 2 years, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier must have realized that his long absence in a theatre of operations might lead to his discharge and it is probable that he had that end in view.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A3104 in respect of the FGCM held 19 Feb 45, on which this direction has been endorsed.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. (*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Field General Court Martial of
B267 Pte H D Beamer, RCOC, #1
CORU held on 10 Jan 44.

B267 Pte Beamer, H.D., RCOC, #1 CORU, having been duly sworn states:

DEFENDING OFFICER:

Q1 When did you enlist?

A1 In June 1941.

Q2 What unit were you with until transferred to the Ordnance?

A2 The R.C.Ds.

Q3 You were with them for how long?

A3 About 3 years.

Q4 When did you transfer to Ordnance Corps?

A4 The first of September 1943.

Q5 At your own request?

A5 No, sir.

Q6 Did you know anything about the transfer?

A6 No, sir.

Q7 When told you were transferred what did you do?

A7 I went to the commander of D Sqn of the RCDs and he said he would do all in his power to get me back. As far as I know he went to the Colonel of the RCDs.

Q8 As far as you know?

A8 He told me that.

Q9 You were sent on to Ordnance?

A9 Yes, sir.

Q10 When you were sent to Ordnance what did you do?

A10 I was paraded to Major Stebbins.

Q11 What did you ask him?

A11 I asked him if I could get back to the RCDs.

Q12 What did he tell you?

A12 If I was any good in the Ordnance they would send me to some Armd Unit.

Q13 For what purpose did you understand that you were sent to the Ordnance Corps.

A13 I do not know.

Q14 What were you in Civilian life?

A14 I worked in a tire repair shop.

Q15 Had you done anything like that during your time with the RCDs.

A15 No, sir.

Q16 Where is your unit?

A16 In Italy.

Q17 When did you find they had gone?

A17 I had a letter last month.

Q18 Why did you go absent?

A18 On account of that. I thought that I might get back to my own unit.

Q19 You went absent while the unit was still in England?

A19 Yes, sir.

Q20 Did you catch up with them?

A20 I got back there.

Q21 Were you able to get on the boat with them?

A21 No, sir.

Q22 Did you surrender yourself?

A22 No. They caught me.

Q23 How did you live?

A23 Before I left I had £30.

Q24 You now understand that you will receive some punishment?

A24 Yes, sir.

Q25 Tell the court what you will do about soldiering when you come out.

A25 I would like to return to my own regiment if possible.

Q26 As to soldiering?

A26 I would like to return to my own unit and soldier. If I could get back to them I should be satisfied. They have no use for me in Ordnance.

BY THE COURT:

Q27 Were you before the re-allocation board or intelligence test?

A27 No, sir.

In the opinion of the court it is unnecessary for RP 83B to be complied with.

PLEA OF MITIGATION:

I would like to draw the courts attention to the fact that the accused is a good, clean kept type of soldier. His record shows that he has never been in any real trouble before. He has never had any extended absence and is one of

the unfortunate cases who, without any opportunity of doing anything about it, has been pulled out of the unit where he has trained and placed where he has no qualification and with no desire to be taken from his unit, which has left for overseas.

It is no excuse for absence but it is certainly an extenuating circumstance.

I would suggest to the court that there has been a great many cases where men arbitrarilly and without having anything to do with it are placed in units where they do not fit in.

In the opinion of the court is is unnecessary that RF 83B be complied with

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PLEA IN MITIGATION

Sir;

NOTE E - 3

Here we have a young canadian soldier who grew up in a 100 per cent French Canadian community. Enlisted in the FMRs, in 1941. Subsequently transferred to RCE due to shortage of men in the latter. Disappointed on this involuntary transfer particularly as new unit 100 per cent English, but proceeded overseas in line with his desire to fight. No crimes in Canada whatsoever(8 months); overseas ordered to speak English only, and for a young man of 20 years, this a very high order, resulting in Misunderstandings and disciplinary downfall. Subsequently SPO'd and graded M-4 by reason of " Mental retardation". This diagnosis based on failure to make himself understood and is an English speaking SPO. In view of M-4, transferred to Pioneers August 44. He has had 4 AWL's during that time including breaking out of confinement; on this 27 days detention awarded. Disciplinary trouble predicted by the accused in effort to obtain attention to his desire to transfer to Combatant Unit. I can attest to this last threat as 2 i/c and acting O.C. of his Unit, as can also the Prosecutor. Beaupre is well liked by his brother soldiers, is young, husky and is qualified in at least 2 battle courses in Infantry. He is therefore excellent material for a Combatant Unit. The court is requested therefore to awarde a sentence compatable with his manifest insistence to proceed overseas and to recommend to the proper authorities that he be SPO'd by a French Speaking SPO. Beaupre is prepared to accept willingly the court's sentence in this direction.

THE COURT CLOSED TO CONSIDER THE SENTENCE

Bournemouth

15th December, 4

Sir, No. D. 125190 Sapper Marcel Beaupre - Apprehension.

I beg to report at 2.30 p.m. on the 14th December, 1944 I was on duty in Sea Road, Boscombe, where I saw the above named in the company of some U.S. soldiers.

I noticed that he had no cap badge or shoulder flashes. I questioned him and he stated that he was on sick leave and back from France. He had been in the 18th General Hospital, Horsham.

I continued to question him and he then admitted being an absentee from his Unit, 2nd Pioneer Company, Canadian Army, stationed at Bordon Camp, and that he had escaped from a Guard Room there on the 1st December, 1944.

I brought him to Bournemouth Police Station and charged him with this offence. He was locked up to await escort.

Beaupre stated that he went to London, where he stayed for about a week and came to Bournemouth on the 8th instant. He has been sleeping rough and getting food wherever possible at Military Units.

Donald ELDRIGE, Surrey Joint Police Force

Donald ELDRIGE, P.C.43, Surrey Joint Police Force,
NOT SWORN, states:-

I Donald Eldridge, P.C.43 beg to report that at about 11.30 hours on the 29th January, 1944, the above named was brought to North Street Police Station, Guildford by W.R. Parker, of this Division, and detained for being absent from his Unit without leave since the 19th January 1944.

After Beaupre had been placed in a cell I interviewed him and from his replies it appears that he had been sleeping rough in an Air Raid Shelter at St.Catherines Hill Portsmouth Road, Guildford. I therefore went to St.Catherines Hill, searched the district and in an Air Raid Shelter which appeared to have been slept in I found a Cycle Rear Lamp. I brought the lamp to the Police Station and told Beaupre where I had found it. At first, he denied all knowledge, but on being further questioned he admitted that he had left the lamp in the shelter and that it was from his mates cycle which he ~~and~~ had borrowed.

I questioned him further respecting the cycle, good replies became difficult for him and he decided that he could not speak English very well.

At 18.30 hours the same day I again interviewed in the presence of L/Cpl PELLETIER, of the 9th Canadian Provost Corps, who acted as an Interpreter.

After being cautioned and further questioned respecting the cycle, Beaupre said "I borrowed the cycle from Spr.Demarteau, of 5 Platoon, 3rd Battalion, R.C.E. Demarteau loaned it to me. He did not give me permission to sell it. I was broke and wanted to eat, so I sold the cycle on the 22nd January, 1944 to a man in a butchers shop at Petworth for 10/-d. The man took my name and address. I came to Guildford the same day."

I told Beaupre that he would be detained and that he would later be handed over to Godalming Police. I later telephone Godalming Division, C.I.D. and informed D.Sgt. STORR collected by that division, on the 29th January 1944.

J.F. MacLean, Detective Constable, Sussex Police Force Petworth Division, NOT SWORN, states:-

I beg to report that on Monday, 24th January 1944 Mr. William Peacock, of High Street Petworth, called at this office and stated that he had bought a cycle from the above named soldier for the sum of 10/-d, on Saturday 22nd January, 1944.

Enquiries were made at County C.I.D. Headquarters regarding this cycle, but no trace could be found, that this cycle had been stolen.

On Friday, 28th January, 1944 a telephone message was received from Godalming Police to the effect that BEAUPRE had stolen the cycle from a member of his own unit. In view of this I collected the cycle and today, 31st instant despatched the cycle to Superintendent of Police, Godalming, at a cost of 4/3d.

W. Peacock, High Street, Petworth, Sussex, Shop Manager, NOT SWORN, states:-

I am Manager in Butcher's Business at High Street Petworth.

At about 12.45 hrs p.m. on Saturday, 22nd January, 1944, I was returning to my shop after having delivered a parcel. When I was about 50 yards from my shop I was approached by a soldier who was in possession of a cycle. He asked me, if I wanted to buy a cycle. I asked him how much he wanted for it, he said 10/-. I then said to him You haven't stolen the cycle have you? He replied, No, it is my cycle. He then said I could have a look at his Pay book if I wished.

I agreed to buy the cycle and took his name and number from his Pay Book of D125190 Spr Marcel BEAUPRE of R.C.E. and I again asked him if he had stolen the cycle, and he assured me that it was his cycle also. I then gave him 10/- and he handed over the cycle, also a key to a padlock and chain which was attached to the cycle.

As I was busy I did not take much notice of the cycle when I bought it. On Monday, 24th January, 1944, I reported the matter to the Police for enquiries to be made regarding the cycle.

C.55-B-1954

D.125190 Spr Beaupre, M.

1. The m/n soldier enlisted 9 Oct 41 at Montreal, P.Q. and he is now 23 years of age. Since enlistment he has been found guilty of 10 offences under AA Sec 15(1), of 2 offences under AA Sec 18(4), and of 1 offence under AA Sec 41. On 5 occasions he was given a maximum summary award of detention or field punishment. He has had 3 FGCsM. On 14 Feb 44 he was awarded a sentence of 6 months detention for an offence under AA Sec 18(4). On 21 Dec 44 he was awarded a sentence of 60 days detention for an absence without leave of 13 days (AA Sec 15(1)). On 6 Jul 45 he was awarded a sentence of 6 months detention for an absence without leave of 44 days (AA Sec 15(1)). In addition he has had 2 civil convictions. On 20 Jul 44 he was fined £1 on a charge of larceny. On 19 May 45 he was sentenced to 1 month imprisonment with hard labour on a charge of larceny.

2. This soldier was medically reboarded on 17 Jan 45 and placed in Pulhems Grade M2.

3. The Neuropsychiatrist and SPO who have examined this soldier state that he is an immature, irresponsible and unreliable individual; that he gives no explanation for his misconduct; that he now states he will never soldier again and desires only to get out of the Army, be his discharge honourable or dishonourable; and that he will not give effective service in any capacity. They recommend that he be medically reboarded and placed in Pulhems Grade S5 on a diagnosis of "psychopathic personality - anti-social".

4. From this soldier's record which includes 3 FGCsM, 2 civil convictions and numerous heavy summary awards, as well as the report outlined in para.3 above, it is apparent that he is useless and incorrigible. It is consequently considered that he should be discharged for misconduct under the provisions of para.8 of Appx to CARO 1029 and it is so recommended. It is considered that this soldier must have realised that his repeated misconduct might lead ultimately to his discharge and it is probable that he had that end in view.

5. It has accordingly been directed that this soldier be returned to Canada for disposal by the Adjutant General, and he will be despatched on the first available draft. In order that he may be embarked in custody it has been directed that the remainder of the sentence of 6 Jul 45 be remitted w.e.f. the date of his embarkation.

President and Members of the Court

Plea of mitigation in the case of

B 143841 Pte. Begin, R.

Gentlemen, the accused has expressed his plea of guilty to the charge of A.W.L. He has not submitted to the court a long a fabricated story as to his reasons for going A.W.L., and I do not ask the court to accept anything in the way of defence of the accused other than the fact that he has pleaded guilty and stands ready to accept his punishment like a true soldier. But I would also ask the court to review the past history of the accused very carefully.

Now surely gentlemen a soldier that is only twenty one years of age and has only one offence previously recorded against him up to the time of this charge, cannot be accepted as a criminal in the eyes of fair men, as a criminal upon which to impose a sentence as you would one that had consistantly been a bad character since joining the army. I should also ask the court to note that even though the accused was warned for draft to this theatre in 1944 he freely and without persuasion donated a pint of his own blood, which he had already volunteered to pour out on the battle-field in fighting for a cause that would make us all free men.

The above facts obviously show the court that the accused is not a man with criminal tendencies; on the contrary, they show that he has been a good and unselfish soldier since the time of his enlistment. Under the stress of battle men's minds react differently and in some cases very strange and the court would be unfair if they did not take it into consideration and that in this case while the accused was in a rest area with his regiment, The Royal 22nd Regiment, with whom he had fought he decided that he could not stand much more.

So in closing I again ask the court to take into consideration, not only the good conduct and unselfishness of the accused but also his youth. I ask the court to return a just and lenient sentence that will enable the accused to make the reajustment into normal life without the scars of bitterness in his thoughts towards his country for which he has given up so much to fight.

President and Members of the Court

Plea of mitigation in the case of

B 143841 Pte. Begin, R.

Gentlemen, the accused has expressed his plea of guilty to the charge of A.W.L. He has not submitted to the court a long and fabricated story as to his reasons for going A.W.L., and I do not ask the court to accept anything in the way of defence of the accused other than the fact that he has pleaded guilty and stands ready to accept his punishment like a true soldier. But I would also ask the court to review the past history of the accused very carefully.

Now surely gentlemen a soldier that is only twenty one years of age and has only one offence previously recorded against him up to the time of this charge, cannot be accepted as a criminal in the eyes of fair men, as a criminal upon which to impose a sentence as you would one that had consistantly been a bad character since joining the army. I should also ask the court to note that even though the accused was warned for draft to this theatre in in 1944 he freely and without persuaion donated a pint of his own blood, which he had already volunteered to pour out on the battle-field in fighting for a cause that would make us all free men.

The above facts obviously show the court that the accused is not a man with criminal tendencies; on the contrary, they show that he has been a good and unselfish soldier since the time of his enlistment. Under the stress of battle men's minds react differently and in some cases very strange and the court would be unfair if they did not take into consideration that in this case while the accused was in a rest area with his regiment, The Royal 22nd Regiment, with whom he had fought he decided that he could not stand much more.

So in closing I again as the court to take into consideration, not only the good conduct and unselfishness of the accused but also his youth. I ask the court to return a just and lenient sentence that will enable the accused to make the reajustment into normal life without the scars of bitterness in his thoughts towards his country for which he has given up so much to fight.

D.143841 Pte Begin, R.

1. The m/n soldier enlisted at Montreal, P.Q. 8 Dec 43, and he is now 21 years of age. Since enlistment he has been found guilty of 8 offences under AA Sec 15(1). On 10 Apr 45 he was tried by FGCM for an AWL of 103 days. He was found guilty and awarded 9 months detention.

2. This soldier disembarked in Italy 24 Jul 44 and was posted to the R 22e R 13 Sep 44. He was absent without leave from 5 to 7 Oct, for which offence he received an award of 14 days forfeiture of pay. On 17 Oct he commenced another absence from which he was apprehended 6 Nov 44. For this offence he was awarded a forfeiture of 28 days pay. On 28 Nov he again absented himself until apprehended 11 Mar 45 after 103 days. This last offence resulted in the trial by FGCM set forth in para.1 hereof.

3. In view of this soldier's failure to render effective service while posted to an infantry regiment in a theatre of action and his apparent determination to avoid battle, it is considered that he should be discharged for misconduct under the provisions of para.8 of Appx to CARO 1029, and it is so recommended. It is considered that this soldier must have realized that his offences might result in his discharge.

4. It has accordingly been directed that this soldier be returned to Canada for disposal by the Adjutant General, and he will be despatched on the first convenient draft. In order that he may be embarked in custody it has been directed that the sentence be remitted with effect the date of embarkation.

CANADIAN MILITARY HEADQUARTERS

LONDON 4 Sep 45

C.55-B-1957

The Secretary,

OTTAWA, Canada.

G.1923 Rfn Buote, P.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 3 May 45 for desertion (AA Sec 12(1)(a)). He was apprehended after 146 days.

2. The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 2 May 47.

3. This soldier enlisted 28 Aug 43 at Fredericton, N.B., and he is now 20 years of age. In addition to the offence mentioned in para 1 above he has since enlistment been found guilty of 1 offence under AA Sec 15(1). He was punished summarily for this offence.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the offence on which this soldier has been convicted and the necessity for exemplary punishment in such cases it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to C.A.R.O. 1029. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid further service in action and he probably had his discharge in view.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 3 May 45 together with original AF A3104 in respect thereof on which this direction has been endorsed.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on.....charge(s). Part I of the Schedule is amended accordingly.

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.[1]

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. Case of G-1923 Rfn. Buote P.
(Regina Rifles.)

Prosecution makes no opening address.

Documentary Evidence.

(1) Extract certified of Part II order No. 62 of Regina Rif. dated 10 Dec 44 signed by Pres. & attached as Exhibit "A".

(2) Certificate of apprehension dated 11 apr 45 signed & attached as Exhibit "B".

First Witness for Prosecution:

L55214 Cpl. Langston H.A., No. 2 Cdn Lof C Prov. Coy, sworn, states:

I recognize the accused as Rfn. Buote. On 11 April 45 at 59 Lourdstraat, Ghent, Belgium, at approximately 0130 hrs I found the accused in bed. I asked him what he belonged to, he replied "the American Navy". I told him he would have to accompany L/Cpl. Hanley and myself to headquarters. He stated what his rank was in the American navy and I think he said it was seaman class two. He got out of bed and put on an American navy uniform before accompanying us. There were also two Canadian battle dress uniform in the room; I don't remember questioning the accused about these. At the guard room he gave me his name as Buote. I left him in the guard room for the night. Later in the morning I returned to the guard room and asked the accused if he was a Canadian soldier and he replied "yes". He had no identification of any kind on him, although one of the battle dresses had an identity disc in the pocket with his name on it. The accused said he had bought the American uniform. I do not recall ever having seen him prior to 11 apr 45.

Cross-examined by Defence:

No questions

Questioned by Court:

He answered my questions freely and came with us quite readily. I took him into

custody because he had no identification or pass. When he told me he was a Canadian soldier he gave the information quite readily. 59 Lourdstraat is a private house. The accused never offered any explanation as to why he said he was in the American navy.

R.P. 83 (b) complied with.

Second witness for Prosecution:

A103180 S/Cpl Hanley, W.T., 2 R of C Coy. Can. Hon. Corps

sworn, states:

I recognize the accused as the Prot. at approximately 0130 hrs. on 11 Apr 45 on information received I accompanied Cpl. Langstes to a civilian home in the City of Ghent, where we had occasion to check the accused. He stated that he was in the American navy. We then took him to the town guard room. At this time he was wearing an American sailor's uniform. ~~The next morning the accused~~ I was talking with the accused the next day but he did not say then that he was in the American navy. When he was picked up the accused had no means of identification on him at all.

Defence declines to cross-examine.

Questioned by Court

When picked up the accused told us the name of a boat he was supposed to be with. I searched the rest of the house but there were no other soldiers there.

R.P. 83 (b) Complied with.

Prosecution closes.

Defence makes no opening address.

Accused, sworn, states:

I landed in England 8 Apr 44 and landed in Normandy on D. day. I was a sniper with the Regina Rifle Regiment. I was with them from D day to the time when I went A.W.X. about a month before I was apprehended. I was drinking in a cafe with a few sailors. They had no money and offered to sell me a uniform. I bought it but never wore it, keeping it in the house where I was staying. When Cpl Langstes found me in bed I thought I might bluff him by putting on the American uniform.

The uniform was downstairs at that time. My own uniform was by my bed.
Prosecutor declines to cross-examine.
Questioned by Court

I bought the uniform because the sailors were friendly chaps and I drank quite a bit with them that night. I don't know why I bought it. I paid several hundred francs for it. I don't know what prevented me from wearing it. I went absent because my nerves were shot and I could not stand any more shelling. My unit was in Nijmegen at the time. I spent most of my absence in Ghent, & stayed the last month at the house where I was picked up. I did not have a girl friend there, but had one at Lille in France. When I went absent I had 2 watches and four 18 carat gold rings. I sold these and got 22,000 francs for them, which kept me going. I had 380 francs left when I got picked up. I was going to return to the unit on 30 April. The reason for picking this date was that it is my son's birthday. I just kept going from day to day, and did not think of it as laying me open to a charge of desertion. If I did not get picked up in the meantime I intended to turn myself in on 30 April. I occupied myself going to cinemas & going out with the old girl. I went to Ghent when I went absent first and then from there went to Lille, where I already knew my girl friend. I stayed there about a week, then returned to Ghent. About a month later I went back to Lille & stayed another week & then returned to Ghent. I stayed there the rest of the time because I knew the town pretty well and knew some people there. The time when I was picked up was the only time I ~~picked up~~ wore an American uniform. When I was picked up and tried to bluff the Provost I did not think of it being only 19 days until 30 April anyway.

R.P. 83(b) Complied with

Summing up for the Prosecution.

R. v. 1923 Rifle Bde R.

Gentlemen,

I request the court to take on the following facts & consider them in the finding of the accused guilty or not guilty

(1) The accused has been absent 146 days.

(2) When apprehended he was wearing a R.F. Uniform.

(3) The accused had no means of identification as to him being a Canadian Soldier.

(4) The Provost stated the accused still insisted he was an American when taken to the Guard Room.

Signed T. Pope Lieut.
Prosecuting Officer.

Summing-up - Defence

G 1923 Rfn Buote P

President of the Court,
Gentlemen.

At first sight, we are lead to beleive that case to be straight desertion. But let us examine some of the evidence given before the Court. Pte Buote has been in action for more than five months. He was a sniper. His nerves gave in after that long time. And he wanted for a rest. — Things piled up until his apprehension.

Pte Buote was not apprehended in an American navy uniform. He was in bed. But he went downstairs to put it on so as to bluff the Provost. — The accused said when he was going to surrender himself he had no intention to desert. — Anyway, a man in any uniform is always subject to questioning by Provost.

I strongly feel that this is not a case of desertion. I respectfully ask the Court to deal with the charge as a case of AWL.

President of the Court.
Gentlemen.

The accused has been in the army for nearly two years, despite the fact that he is now just over 20 years old. He is married and has a child.

His job with the RR proved that he was a very good soldier. Snipers are always the chosen lot. And he was at it for more than five months.

His previous service is very good. This is his first offence since enlistment.

I respectfully ask the Court to consider these facts and to deal with the accused accordingly.

(1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. Admitted in evidence and marked Ex. C and Ex. D respectively.(3) Ose

Reason for Referral

This man has been awarded a period of detention and a report on the home circumstances is required, in order to decide upon any remission of sentence.

Family

Mother:	Mrs. Julia Bebee,	aged 80;	no permanent address
Siblings:	Mr. Ira Bebee		Charlton, Ontario
(All	" Louis Bebee		Port Hope "
Married)	" Cecil Bebee		Campbellcroft, Ont.
	Mrs. Ethna Austen		71 Floyd Ave., Toronto
	Mrs. Mollie Guffy		Brighton, Ont.
	Mrs. F. W. Martin		Vancouver, Washington
	Mrs. Frank Lepoidevin		Victoria, B.C.

Home Situation

This man was one of a large family. For some twenty years he worked his own 80 acre farm, which was located a few miles north of Port Hope, Ontario. During this time his widowed mother made her home with him, and her other children married and made homes elsewhere.

Prior to his induction, his barn burned. Being unable to rebuild at once, he bought and fattened cattle. He also went into the extensive growing of peas, and raised a large flock of sheep which fed on the pea straw and the peas were sold to a canning factory. He applied for a deferment at the time of his call-up, but this was refused so he sold the farm and stock at a poor price, and his mother went to live with one and another of her children.

Mrs. Bebee has spent the last four or five months with her daughter, Mrs. Austen. However, now Mrs. Austen's three sons are discharged from the services and are at home and there is no room for Mrs. Bebee, so she is leaving soon to live in Port Hope with either her son Louis, or her 65 year old sister. There appear to be various reasons why it is not convenient for Mrs. Bebee to live with any of her children.

Mrs. Austen was asked why Mrs. Bebee would be better off when the soldier is released, as he would have no financial backing or home to go to. She stated that as the mother had made her only home with the soldier for twenty years, to live with him was all she wanted and Mrs. Austen was confident the soldier felt the same way, and would manage somehow.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, Sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

being duly sworn, is examined by the Prosecutor.

Question

By the Prosecutor: Sir, the evidence in this case is documentary, and is presented under the authority mentioned in Routine Order 5126. There are two documents, namely, M.F.B. 375 and M.F.M. 216, and both these documents relate to the accused.

M.F.B. 375 is read, marked "F", signed by the President, and attached to the proceedings.

M.F.M. 216 is read, marked "G", signed by the President, and attached to the proceedings.

16

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. ~~By Defending Officer: He wishes to submit a written~~ unsworn statement, Sir. (See Page "H" attached).

Question to the accused. Do you intend to call any witness in your defence?

Answer. ~~By Defending Officer: No witnesses, Sir.~~

President S. C. M. MD.

L120209 Spr. Leonard James Behee R.C.E.

No 10 District Depot C.A.

1. I am a soldier of the Canadian Army having been called up 16 Nov 41 under NRMA and enlisting same date for active service

2. I was assigned to the Forestry Corps and was sent to Brampton for my basic training. This I completed and being found unsuitable for the Forestry Corps was posted to Engineers.

3. I was sent to Petawawa 10 March 43 and some training was attached to the Adv. Driving & Maintenance School at Woodstock 17 June 43 for adv. training in Driving and Maintenance

4. While there I found it difficult to keep up with the classes and being worried and unsettled absented myself.

5. It was not my intention to desert, I worked at farming and kept putting off reporting to the military authorities. This I did on 18 August 43 at Winnipeg whilst enroute West for harvesting.

6. My age is 41, my mother is dependent upon me and, in my own mind I could not soldier. I was unsuitable for everything I had been detailed to in the army

Due to the location of my home and family circumstances as a boy I was unable to attend school above the fourth grade. My experience in civilian life consisted wholly of general farming with very little mechanical or machinery work.

Question to the accused:

Q Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?
A On oath.

Q Do you intend to call any other witness in your defence?
A No, sir.

First Witness for Defence:

H43831, Pte Auguste Berthelemette, No 11 District Depot, CA, having been first duly sworn, is examined:

BY THE DEFENDING OFFICER:

Q What date did you join the army?
A I was called up on 31 Jul 41.

Q That was in Portage la Prairie?
A Yes.

Q You took basic training there?
A Yes.

Q And then moved to Shilo Camp?
A Yes.

Q Now, since 1943 I believe you have been posted a number of times?
A Yes.

Q Will you tell the Court in your own words how many times you have moved, the places you moved to, and the approximate dates thereof?
A When I left Yorke Island it was in January and I was sent back to Little Mountain and then I went to Port Atkinson, as cook helper, and then from over there they sent me to Ferry Command Post about 4 miles this side of Point Atkinson and then, after, I was sent back to Little Mountain again, I couldn't remember the exact date. After I was sent back from there in March, to Courtenay , B C, and I was sent back here a few months after that.

Q In other words during the past two years you have been posted and re-posted every few months?
A Yes, sir.

Q Why did you leave camp, tell the Court in your own words?
A The reason is I have a disease on me, sweating and it causes a big odour, an awful stink, and everybody was complaining about that and that is why, really, I left the camp, and I asked the Doctors last January-- I was at Vancouver Barracks-- and I asked him what they could do for me, and they sent me to the drug store and I got a bottle of stuff, and they told me "you can go to the drug store and get some more," and all that stuff, and I was told off by all the boys in the camp, and every second month, about then, they used to send me away from there to another place, and when I was sent back again from Courtenay last time on May 4th, I was sent back to Little Mountain here, so that is why I went AWL.

Q Now, during the time you were AWL did you at any time return to camp?
A Yes, I did.

Q And how were you dressed?
A I was dressed in the army clothes, properly dressed.

Q What was in your mind, or what were you thinking about when you returned to camp?
A It really was in my mind, and I started to realize I did wrong in going away, and I didn't know what to do, and I just went up there and talked to the boys. I wanted to make a change out of it, and I had been paraded to the Padres and I told them my story but they never did anything to help me and every time I came back to the camp, I always came properly dressed, and with the intention that if they would have stopped me I would have given myself up.

Q Did you ever notice this excess sweating prior to joining the army?
A That happened in 1938 while I was working on the night shift making highways with tar and everything and I was working pretty steady on that job at night, and since that time it became worse and worse all the time.

CROSS-EXAMINED BY THE PROSECUTOR:

Q Did you absent yourself without leave from No 11 District Depot, at Vancouver, B C, at 0830 hours 5 May 45?
A Yes, sir.

Q And did you remain so absent until arrested by Service Authorities at Vancouver at 0940 hours on 30 Aug 45?
A Yes, sir.

Q Dressed in civilian clothes?
A Yes,sir.

Q Now you said you came back here to camp once during that time?
A Yes.

Q Did you report to anybody here?
A No, I never did, but not only one time, I used to come and see some of my chums, I used to pass right in front of that little guardhouse by the road. I used to pass there every Sunday.

Q And why didn't you report to some officer?
A I didn't know what to do, really, you see the position I was in with that disease, but I said if they stopped me and asked me, I would give myself up right away.

Q What kind of a job did you have?
A All kinds of different work.

Q Did you wear your uniform while you were working?
A Yes, I used to wear my uniform a while, and then I was scared to spoil it and I used to wear some coveralls.

PROCEEDINGS ON CONVICTION BEFORE SENTENCE

The Prosecutor tenders to the Court MFB 355 and MFM 6 These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President, and annexed to the proceedings.

Question to the accused:

Q Have you any statement to make concerning the documents which have just been read to you?
A No, sir.

Q Do you wish to address the Court?
A Yes, through my defending officer:

THE DEFENDING OFFICER:

It appears by these postings and cross-postings in the case of the accused that he has been shoved about from one camp to another, never spending more than two months period in any one camp. This state alone is enough to cause dissatisfaction and neurosis in the mind of the accused and coupled with this drastic ailment and excess sweating which gives off body odours, has made life practically unbearable in the company of strange soldiers in barrack-room life. As he has sworn, he has seen many doctors, trying to get this thing remedied, and has been bandied about, not only by Commanding Officers in being posted and cross-posted, but by his fellow soldiers as well, due to his ailment. I think these two conditions could cause an inferiority complex and heap burdens upon an already unhappy and distressed man, and could cause the accused to take things in his own hands and place himself outside the army, and make him think he could stay away awhile and possibly do himself some good and get rid of this disease and retain some personal prestige and the fact that he is a man among men.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. No, Sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

~~[illegible] to call witnesses.~~

~~being duly sworn, is examined by the Prosecutor.~~

By the Prosecutor:

Sir, the evidence for the Prosecution in this case is documentary and under the provisions of Routine Order 5126 I will file M.F.B. 375 and M.F.M. 216, both relating to the accused.

M.F.B. 375 is read, and is marked "F", signed by the President and attached to the proceedings.

M.F.M. 216 is read, and is marked "G", signed by the President and attached to the proceedings.

That is the case for the Prosecution, Sir.

15

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement, Sir.

(See document marked "H" attached).

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. ~~Xxxxxxx~~ N/A

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

DEFENDING OFFICER'S STATEMENT IN MITIGATION

Sir, in view of Private Bilenky's clean conduct sheet it is quite evident that he did soldier for the time he was in the army up until the time he went AWL. A soldier who can soldier for that time is not the type of soldier who would be likely to desert but would be more apt to go AWL. In view of these circumstances I think he should be dealt with very leniently, Sir.

12 Remarks: (Here note any Petition or Representation other than in Item 10, but if Item 10 has been omitted so state, and show here any mitigating circumstances).

Item 10 has been omitted.

In sworn evidence, the accused says that he was in hospital for Sinus trouble and that he left because he was afraid that they were going to operate on him. Finally his brother, who is a Priest, and his parents persuaded him to return.

Reviewing Officer's Note: From correspondence on file, it appears that a brother is presently undergoing detention and that a third brother has recently returned from overseas and is blind from the effects of alcoholic poisoning. The mother is in a highly disturbed state due to these family troubles and it was suggested that compassion could be shown her by release of her two sons from detention, however DOC MD 3 states that their conduct does not warrant release before half of this sentence has been served.

13. Recommendations: (State by whom made, e.g., CMHQ, DOC, Reviewing Officer, etc.).

REVIEWING OFFICER: As over half of this sentence has been served, I recommend immediate release.

The sentences awarded these two soldiers have been reviewed by DOC MD 3. It is felt that, due to their very poor military record, they should serve at least one-half of the sentence awarded.

2. Accordingly consideration will be given to remission of the sentence awarded D.148688 Pte Beaudoin, Jean on 7 Dec 45 and C.33070 Pte Beaudoin, Joseph Paul on 28 Jan 46.

3. DOC MD 3 feels that if preferential consideration were given to these soldiers whose conduct had been far from satisfactory, other SUS whose conduct has been better in comparison, would feel that there had been a discrimination and an undercurrent of unrest would develop among the soldiers who felt themselves so aggrieved.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

being duly sworn, is examined by the Prosecutor.

Question

BY THE PROSECUTOR: I present certified extract from Daily Part II Order No. 79, dated the 3rd of April, 1945, sir.

---Extract from Part II Order No. 79, d/3rd April, 1945, of A-13, C. I. T. C., C.A., is received, read, marked EXHIBIT "F", signed by the President and attached to the proceedings.

Further extract from Daily Part II Order No. 96, dated the 23rd of April, 1945, sir.

---Extract from Part II Order No. 96, d/23rd April, 1945, o of A-13 C. I. T. C., C.A., is received, read, marked EXHIBIT "G", signed by the President and attached to the proceddings.

I present M.F.M.216 dated the 30th of August, 1945, sir.

---M.F.M.216 is received, read, marked EXHIBIT "H", signed by the President and attached to the proceedings.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. .....

FIRST WITNESS FOR DEFENCE

The accused, D-148688 - Pte. JEAN BEAUDOIN, No. 9 District Depot, C.A., being duly sworn, is examined by the Defending Officer:

Q. You were in Valcartier when you went A.W.L., why did you go A. W. L.?

A. Well, I was in the hospital when I left, I had a right frontal sinus and they start talking about operation and I was afraid because one of my friend was operated on the head and he is blind. My brother is just the same, he is overseas and he is blind, too.

Q. You were afraid?

A. I was afraid.

Q. But what were the reasons why you were afraid?

A. My brother was blind and one of my friends.

Q. Why were they blind?

A. One of my friend got an operation, I don't know for what, and he is blind for the rest of his life and the same thing for my brother.

Q. So you went away?

A. Yes, sir.

Q. Did you intend to stay away?

A. Well, yes; I did, at the time.

Q. At the time you did?

A. Yes.

Q. Why?

A. Same, because I was afraid.

Q. Didn't want to come back because you thought they would operate on you?

A. Yes.

Q. While you were at home did you have any medical care?

A. Not for that.

Q. Did you see any doctors?

A. I didn't see any doctors.

Q. About your sinus?

A. No.

Q. Did you have any intention of doing so?

A. Well, not yet. I was supposed to see one but I was afraid he was going to tell me the same thing, to get operated.

Q. Why did you go back yourself?

A. To get through with the Army. My uncle told me to come back.

Q. You wanted to get it over?

A. I wanted to get my time over with the Army.

Q. That is the reason you came back?

A. That is the reason I came back.

CROSS-EXAMINED BY THE PROSECUTOR:

Q. Beaudoin, what company were you in at A-13?

A. I was in the 4th Infantry.

Q. Was that the draft company?

A. No, sir.

Q. Were you on draft for overseas?

A. No, sir.

Q. Could you proceed overseas?

A. Yes, sir.

Q. Were you able to proceed overseas? What was your category, A-1?

A. A-1; yes, sir.

Q. Were you fully trained?

A. Except my battle training.

Q. Where were you supposed to do that?

A. At Valcartier.

Q. How long a Course was that? How long does it take to do your battle drill course?

A. About a month and a half.

Q. And were you supposed to take that battle drill course?

A. No, sir.

Q. Why not?

A. The day after I left the hospital I went away.

Q. The day after you left the hospital you went away?

A. Yes, sir; I made an effort to come out of the hospital, I wasn't well yet.

Q. But they told you you could get out of the hospital, you knew you were not going to have an operation?

A. I know I wasn't well when I got out.

Q. But the situation is this, isn't it, Beaudoin, that you went to the hospital for sinus trouble?

A. Yes.

Q. And after you got out of the hospital you were to go in and take your battle drill course before going overseas; isn't that right?

A. Sure, if I stay there I think they take me back to the hospital.

Q. Just take it slowly, if there are any words you do not understand, ask. You went to the hospital?

A. Yes.

Q. How long were you in the hospital?

A. Two weeks, fifteen days.

Q. And before you went in the hospital did you start your battle drill training?

A. No; I need [redacted] one more week for my advanced.

Q. The situation is this: After you got out of the

hospital you were to finish up one week's advanced training and then take your battle drill training?

A. They told me I had to start that all over again, all my advanced.

Q. Why?

A. I don't know.

Q. How many weeks advanced had you taken?

A. Six weeks.

Q. You had taken six weeks and then you went in the hospital?

A. Yes, sir.

Q. Are you sure you had another week to put in?

A. Yes, sir.

Q. You just had one week to go?

A. Seven week of my advanced, I had one more week to do of my advance.

Q. You performed advanced training all right with what you did?

A. Yes.

Q. And the situation then is that you would complete your advanced training and then do your battle drill training?

A. I don't understand quite.

Q. You would finish up your advanced training?

A. Yes.

Q. And then you would be posted in the battle drill company and do your battle drill training?

A. Yes, sir.

Q. And then you would go overseas?

A. I don't know.

Q. You saw others go overseas when they finished their battle drill training?

A. Not in my regiment, they stopped at Debert and turned back to Valcartier.

Q. That was in May they stopped there, that was after the war ~~xxx~~ ended in Europe?

A. Yes.

Q. It wasn't in April when you went absent. But, your regiment did go down to Debert, didn't they?

A. Yes.

Q. What date did they go down there?

A. I don't know.

Q. How do you know they stopped there?

A. Well, a guy came here in Ottawa for the gas~~xx~~ test. They didn't have anything to do, he told me.

Q. You didn't ask them what date they went down there?

A. I didn't ask nothing, he told me.

Q. They might have gone down there some time in April?

A. Oh, later than that.

Q. Towards the end of April?

A. The day I left.

Q. The day you left they went down there?

A. Not the day I left.

Q. What did you just say?

A. They was making battle drill when I left.

Q. They were doing battle drill when you left. Did that have anything to do with you leaving?

A. No, sir.

Q. Why did you leave?

A. Bed~~xxx~~ause I was sick.

Q. But you told us a little while ago that you were afraid you would have to have an operation?

A. Yes, sir.

Q. And you told me you were out of the hospital?

A. The doctor asked me how I felt in the morning and I made an effort, I said I was all right. I didn't have a pass for a month.

Q. You didn't want to go on draft, did you?

A. I was not on draft.

Q. You knew there was a draft in the near future?

A. Yes, sir.

Q. You knew that?

A. Yes, sir.

Q. And that was the reason you wanted to get out?

A. The reason was I was in the hospital and I was sick.

Q. You knew if you went absent without leave you would be missing the draft?

A. I knew I was sick and I was afraid to get operated.

Q. But you just told me there was going to be a draft leaving?

A. I didn't told you about the draft, I don't know anything about the draft.

Q. You knew your regiment was going overseas as soon as they finished their training?

A. Yes, sir.

Q. And you knew they were practically through their training?

A. Yes, sir.

Q. So you knew they were going overseas pretty soon?

A. Yes, sir; but they didn't get overseas.

Q. But they would have gone if the war in Europe hadn't finished, that was the reason they didn't go?

A. Yes, sir.

Q. You knew your regiment was going to be leaving

shortly; you knew that, didn't you? You knew there would be a group leaving very shortly?

A. Yes, sir.

Q. And you knew when you went absent that you would not be able to go with that group?

A. I knew I would be no good to go overseas.

Q. You thought about it?

A. Yes; because I was still sick.

Q. And was that the reason you went absent, because you figured you would not be any good overseas?

A. No; not exactly that reason. I didn't want to go overseas.

Q. Who told you you would have to go back to the hospital?

A. All those guys, they told me I wasn't the first one to be there with that sickness.

Q. It wasn't any medical officer that told you that?

A. No.

Q. You would have rather gone back to the hospital than gone overseas?

A. No; I was all right I didn't mind to go overseas, sir.

Q. But you went absent after you went out of the hospital?

A. Yes, sir.

Q. Where did you go?

A. Montreal.

Q. You went to Montreal. Where was your home?

A. In Hull here.

Q. In Hull?

A. Yes, sir.

Q. Why did you go to Montreal?

A. Stayed there with one of my friends.

Q. How long did you stay there?

A. Oh, four months and a half.

Q. You wore your civilian clothes part of the time, too, didn't you?

A. Yes, sir.

Q. The reason you wore them was because you were afraid you would be picked up by the Provosts?

A. Yes, sir.

Q. Did you work at all?

A. Here and there, like that, sir.

Q. You worked here and there down in Montreal?

A. Yes, sir.

Q. What did you do?

A. All kinds of jobs.

Q. And all those jobs you worked at you didn't wear your Army uniform, did you?

A. No, sir.

Q. And you figured you would stay absent until the war was over?

A. No; I didn't know when the war was going to stop.

Q. You waited until it was over?

A. No, sir.

Q. Well, you didn't surrender until the 29th of August, the war was over then, wasn't it?

A. Yes, sir.

Q. You read about it in the paper?

A. Yes, sir.

Q. That's why you came back?

A. No, sir; my uncle is a priest and he talked to me about that and he told me, "You better report yourself before it is too late". He talked to me a long time and

I came here.

Q. And where is your uncle?

A. He is in Ottawa here.

Q. When did you come back to Ottawa?

A. About two weeks ago.

Q. Did you go to your family's place then?

A. Yes, sir.

Q. And how many times had the Provosts been looking for you at your parent's place?

A. I didn't sleep there, I just talk to my mother and father and they told me to report myself.

Q. They told you the Provosts had been looking for you?

A. Yes.

Q. How many times had they been around?

A. Well, once a month.

Q. Once a month. And you had no intention of returning at all until after talking with your uncle; is that right?

A. Yes, sir.

RE-EXAMINED BY THE DEFENDING OFFICER:

Q. In Valcartier can you go on leave if you are on sick parade?

A. If --

Q. Can you go on leave if you are on sick parade?

A. I don't know, sir. I have never been on sick parade before.

Q. I mean, if you are in hospital can you go on leave from there?

A. No.

Q. You had to be out of the hospital?

A. Yes.

Q. How long were you in this camp without a pass when you asked to get out, to have one?

A. About a month.

Q. That is the reason you want to get out so much?

A. Yes, sir.

QUESTIONED BY THE COURT:

Q. Beaudoin, how did you come to get into hospital?

A. I beg your pardon?

Q. How did you happen to be put in the hospital?

A. Well, I was sick, sir, for four days and I didn't know what I had and one day I was sick and I can't see.

Q. You paraded sick, did you?

A. Yes.

Q. And what were your symptoms?

A. My --

Q. How did you feel?

A. Feel very bad, sir.

Q. What?

A. My head on the right side, right frontal sinus.

Q. A headache?

A. Kind of headache, not just like a headache, kind of a headache.

Q. Anything else?

A. No, sir.

Q. You went on sick parade then, did you?

A. Yes; they took me on sick parade.

Q. And you complained to the medical office you had a headache?

A. Kind of a headache and he told me it was the si

Q. And then you were put in the hospital?

A. Yes, sir.

Q. And I suppose you were under observation, were you? Did they do anything to you in hospital?

A. Yes, sir; they took about two times x-ray of front of my head and put kind of needle in my nose, in it.

Q. What else did they do?

A. That's all.

Q. They discharged you from the hospital, said there was nothing wrong?

A. Yes; that's what they said.

Q. They could find nothing?

A. They could see nothing but before that, too.

Q. Where did you get this idea you had sinus trouble?

A. That's what the doctor told me.

Q. They found nothing wrong with you?

A. That's what they found, sir, sinus, frontal sinus.

Q. I though you told me that they discharged you from the hospital and they said that they had seen nothing wrong?

A. Oh, yes; because they cure me. When I make an effort, I know I wasn't sick.

Q. They cured you?

A. Yes; they tried to cure me.

Q. And they discharged you?

A. Yes, sir.

Q. As cured?

A. Yes, sir.

Q. And now you say that you did have the sinus trouble but you were cured, is that right?

A. Yes, sir.

Q. Then, they did find something wrong?

A. They found something, sir.

Q. What treatment did they give you?

A. Well, --

Q. Remember, this is under oath?

A. -- they gave me x-ray, put something in my nose, each side.

Q. Drain it?

A. Swabs of cotton. Kind of stuff.

Q. They swabbed your nose?

A. Yes.

Q. Now, have you had any battle training at all?

A. No, sir.

Q. There was no question of any operation, Beaudoin, was there?

A. Well, sir; I was sick.

Q. You were not going to have an operation?

A. No question about that.

Q. You knew they could not force you to have an operation, you knew that very well, that the Army could not force you to have an operation if you didn't want it?

A. Well, I know, sir.

Q. So when you talked about leaving because you were afraid of having an operation that was not the truth, was it?

A. Well, it was true in a way.

Q. It was either true or it wasn't true, you have told me you were not in any doubt about this question so that cannot be true, that you left because of an operation?

A. No.

Q. I want to get to the truth of this. You see, that is my duty here. Why did you leave?

A. Same thing, sir, because I was sick and I was

afraid.

Q. You left because you were sick, you were not feelin well?

A. No, sir.

Q. You didn't go home?

A. The first day I was home. I told my mother about what happened to me.

Q. You didn't go home?

A. I go straight home anf after my pass was over I went to Montreal.

Q. You got a pass, did you?

A. Yes, sir.

Q. You left on pass?

A. Yes, sir.

Q. What was it, a 48 hour?

A. A 36 hour.

Q. That is from Saturday afternoon, I suppose?

A. I left Saturday morning.

Q. You were to be back Sunday night?

A. I was supposed to report there for Monday morning.

Q. And you went home on that pass?

A. Yes, sir.

Q. And then you went to Montreal?

A. Yes, sir.

Q. Now, you were home what, a day? Were you home a day

A. Two days, sir. I left Sunday.

Q. When did you get home? Did you get home on Saturday?

A. Saturday afternoon.

Q. When did you leave?

A. Sunday afternoon.

Q. Sunday afternoon?

A. Yes; I took a train to Montreal.

Q. Were you still feeling bad?

A. I was still -- not sick, not much, when I was there but I was feeling bad.

Q. You got better after you left the camp?

A. Yes, sir.

Q. Did you take any treatment at home?

A. No, sir.

Q. And you didn't take any treatment while you were away, did you?

A. No, sir.

Q. You were pretty well?

A. I am well but I am always feeling something in my head.

Q. So you say you left the camp because you were sick but you didn't do anything about it, did you?

A. No, sir.

Q. And I think you told the Prosecutor you intended to stay away, you weren't going to come back, but it was as a result of this talk you had with your uncle, the priest

A. Yes, sir.

Q. And it was he who decided you to come back?

A. Yes, sir.

---The witness resumes his seat.

---The Prosecutor does not desire to make a closing address.

---The Defending Officer does not desire to make a closing address.

B-33070 Pte BEAUDOIN, Joseph Paul (Your PCO: B-19)
B-102369 Pte BEAUDOIN, Marcel

Jean and Joseph Paul Beaudoin are at present serving sentences of six and nine months detention awarded by DCM at No 9 TD. In both instances they were convicted on charges of desertion.

2. Another brother, Marcel Beaudoin, has recently returned from Overseas and is at present on leave.

3. Representations have been received that Marcel Beaudoin is totally blind and that the mother is in a highly nervous condition. It has been suggested that if some encouragement could be offered her regarding Jean and Joseph Paul Beaudoin, such compassionate action would tend to improve her condition.

4. Examination of the docs of Marcel Beaudoin discloses the following infm:-

(a) His condition is the result of alcoholic poisoning as a result of drinking cognac (where is not indicated). Another soldier who was apparently drinking with him died of the effects;

(b) The soldier is not totally blind - some improvement in his condition is indicated;

(c) Whether his condition will improve or deteriorate is not known at the present time.

5. Having regard to the above circumstances, may consideration be given, pls, to the advisability of reviewing the sentences awarded Jean and Joseph Paul Beaudoin. If it is not considered that remission should be granted at this time, may it be indicated, pls, when further review with a view to remission is contemplated.

6. Special Enquiry - urgent.

OFFICE OF THE DEPUTY MINISTER OF NATIONAL DEFENCE

MEMORANDUM:

23 October, 1945.

To: A.G. (S.E.)

1. Reference your memo dated 5 Oct 45, respecting Ptes. J.P. and Jean Beaudoin;

2. Herewith medical certificate signed by Dr. J.M. Bigras, showing the highly nervous condition of the mother of these soldiers. Pte. Marcel Beaudoin has now returned to Canada and it has been ascertained that he is totally blind. This has been quite a shock to Mrs. Beaudoin. If some encouragement could be offered her regarding the sentences of her two other boys, such compassionate action would tend to improve her condition.

3. Will you please have the cases of Ptes. J.P. and Jean Beaudoin reviewed, bearing in mind the above circumstances.

1. Ref D-148688, Pte BEAUDOIN Jean;
C-33070, Pte BEAUDOIN J P;
C-102869, Pte BEAUDOIN Marcel.

2. Beaudoin J P was tried by SCM on 13 Sep 45 on a charge of desertion having absented himself without leave from 18 Sep 44 until arrested on 30 Aug 45. An absence of 11½ months. He was found guilty of the offence and sentenced to 9 months detention.

Beaudoin Jean was tried by SCM on 7 Sep 45 on a charge of desertion having absented himself without leave from 2 Apr 45 until arrested on 29 Aug 45. An absence of 4½ months. He was found guilty of the offence and sentenced to undergo detention for a period of 6 months.

3. In view of the fact that both these SUS were convicted of desertion after long absences it is not considered that in the interests of military discipline that they should be released prior to their having served a substantial portion of the sentence awarded. Consideration would be given to their release only on the most serious compassionate grounds.

4. Beaudoin Marcel is at present O/S having been admitted to the 4th Cdn General Hospital, RCAMC, on 8 Aug 45 diagnosed alcoholic poisioning of the optic nerve. He is described as doing well.

5. In view of the fact Marcel Beaudoin is still O/S and his physical condition is apparently the result of his own action it is not considered that such compassionate grounds have been shown as to warrant other than normal review in these two instances.

6. First review of sentence will take place 45 days after the award.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Quand je me suis en allé j'ai été influencé par des garçons que je connaissais et j'ai voulu me rapporter après ça, parce que j'ai eu du regret d'être parti, mais les gars m'ont fait des peurs, ils m'ont dit: "Tu vas aller à Bordeaux" et j'ai attendu.

Après ça un garçon m'a dit: "T'es mieux de te rapporter". Je n'avais pas l'intention de partir c'est parce que j'ai été influencé; j'étais en "furlough" à ce temps-là et je n'avais pas l'intention de m'absenter parce que j'avais signé actif.

Je suis dans l'armée depuis le 15 mai 1944. Avant d'entrer dans l'armée j'étais chauffeur pour un nommé Perreault. J'aurai 21 ans dans le mois de décembre, je ne suis pas marié. J'ai demeuré en campagne durant mon absence sans permission, à Val David. J'ai travaillé dans le bois pour un nommé Jalbert que je connais par là. J'ai travaillé là pendant 1½ mois. Le reste du temps j'ai resté en campagne chez des amis et je travaillais un peu partout.

Je vous demanderais de bien vouloir considérer cette lettre du bureau de Lacoste & Lacoste, avocats. (Voir CC-5).

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (Par l'entremise de mon officier défenseur - Voir E-3).

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur le président,

Je ferai remarquer à la cour que le soldat BEGIN qui est entré dans l'armée en mai 1944 souvent pensait à son frère qui est outre-mer et il voulait suivre ses traces. Le numéro régimentaire de son frère est D-35003, Jean-Claude BEGIN. Alors, lui-même l'accusé a décidé de suivre les traces de son frère et il a signé actif le 11 octobre 1944, après avoir été appelé au préalable d'après les lois de mobilisation.

En novembre 1944, il était à Valcartier et là il eut son congé annuel, mais malheureusement BEGIN qui avait jusqu'à date un passé sans tache, ce qui est prouvé par son M.F.M. 6, est parti pour prendre son congé de quatorze jours et il a oublié de revenir.

Je comprends que ça ne change pas le fait de l'absence sans permission, mais d'un autre côté je comprends que l'influence chez un jeune homme qui manque d'expérience peut le rendre à commettre une telle offense et qu'il oublie qu'il peut changer le blason d'un frère qui fait son devoir outre-mer. En même temps, le même jeune homme a aussi oublié qu'il appartient à une famille dont le père a fait du service pendant vingt ans. Il est bien entendu que BEGIN n'a pas réalisé toute la portée de son offense. De plus son père ne manque certainement pas d'être loyal, car présentement il est chauffeur pour madame L.G. Beaubien qui est reconnue comme l'âme dirigeante de l'hôpital Ste-Justine, et je crois qu'il a souffert beaucoup de l'offense de son fils moralement et physiquement ainsi que sa mère.

J'ai à part de ça une certitude que BEGIN lorsqu'il était plus jeune et ceci pourrait être vérifié avec les autorités de l'hôpital Ste-Justine, qu'il souffrait d'épilepsie et il semblait souffrir des reins, mais apparemment si je regarde son dossier, je regrette de dire que dans son dossier il n'y a rien qui nous fait voir qu'il souffre de cette maladie. Il a même un 227 et le 227 n'est pas favorable au patient, vu qu'on ne change pas son "recheck" ni sa catégorie médicale malgré que lui-même dit qu'il souffre des reins.

Basé sur cette prétention, monsieur le président, je demanderais que bien que sentence doit être passée et qu'il est évident que BEGIN doit purger une punition, je demanderais qu'une note soit ajoutée pour qu'un examen médical soit fait, et que les autorités de l'hôpital Ste-Justine soient approchées afin de vérifier s'il a été traité quand il était plus jeune.

8

Comme vous le voyez d'après ses documents, monsieur le président, c'est sa première offense, elle est grave, elle est importante. Tout ce que je puis ajouter c'est que les quelques faits que j'ai apportés, je vous demanderais de les considérer ensemble et d'être aussi généreux que possible, tout en étant juste dans votre sentence contre l'accusé.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

D'abord, je suis entré dans l'armée comme "gunner" dans l'artillerie. L'artillerie, c'est une chose qui m'intéressait, j'aimais ça. Quand ils ont voulu me transférer dans l'infanterie, j'ai demandé au lieutenant Arsenault et il m'a dit que c'était impossible de m'envoyer de l'autre bord comme "gunner".

Dans l'infanterie, tout le "training" que j'ai fait...j'étais tout le temps à bout de nerfs et je n'étais pas capable de faire ça. Je courais pendant dix minutes et je tremblais pendant quinze minutes.

Si ça avait été comme "gunner" j'étais prêt à traverser...d'ailleurs je l'ai offert et ils m'ont absolument pas voulu, ils m'ont dit que c'était impossible. C'est pour ça qu'ils m'ont donné une passe et je ne suis pas retourné.

Pendant le temps que j'ai été parti, j'ai rencontré deux frères qui étaient restés en campagne et ils m'ont offert de travailler pour eux autres et j'ai travaillé pour eux autres tout le temps que j'étais parti. Quand j'ai décidé de me rapporter, j'étais tanné de me cacher de même, j'ai décidé de m'en venir et je me suis en venu.

Avant d'entrer dans l'armée, j'étais à l'Ecole des Beaux-Arts, j'apprenais l'art commercial. J'ai 20 ans, je ne suis pas marié. J'ai travaillé durant mon absence à Ste-Thérèse et St-Janvier pour les deux frères ...de temps en temps chez un et de temps en temps chez l'autre.

Aux alentours de février, ils ont marqué sur les journaux que ceux qui cachaient les A.W.L's seraient punis et quand j'ai parti, ils m'ont fait faire serment de ne pas dire leur nom, alors, je ne peux pas dire leur nom, je ne veux pas me mettre dans le trou avec ça.

L'hiver j'ai fait du bois et rendu au printemps j'ai travaillé sur la terre avec un tracteur. De plus j'ai passé à l'hôpital et le psychiâtre m'a recommandé pour un S-5 (Stabilité).

J.C.B.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (Par l'entremise de mon officier défenseur - Voir E-3)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

" E - 3 "

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur le président,

Je demanderais la clémence de la cour pour le soldat BRANCHAUD, parce qu'il avait certains motifs pour s'absenter sans permission. Au début, il était dans l'artillerie et il aimait ça, mais quand on l'a transféré dans les Fusiliers du St-Laurent et qu'il vit qu'il était sur une "draft" pour outre-mer, lorsqu'il se sentait physiquement incapable de remplir la tâche dans l'infanterie, il est parti absent sans permission.

Durant son absence, il a travaillé pour des fermiers à un salaire d'environ $20.00 par semaine. Il s'est rapporté lui-même à Montréal; son "crime-sheet" est blanc, et une autre chose...un lieutenant-colonel au Montréal Military Hospital a suggéré qu'il devrait avoir un S-5.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Les raisons pour lesquelles j'ai été A.W.L., j'ai été en passe et j'ai été malade de la fièvre des foins, j'ai ça à toutes les années à peu près au même temps. J'étais chez un de mes oncles, monsieur Lebeau, à son camp d'été à sept milles de St-Jérôme, à St-Colomban dans le bois. Quand j'ai arrivé chez nous, j'étais un peu mieux et le lendemain la fièvre m'a poigné encore pire. J'ai été chez mon oncle passer une journée et c'est là que ça m'a pris.

Après ça, j'ai eu peur de me rapporter, je n'aime pas la détention. Aussi mon petit frère s'est cassé une jambe et ma mère a été obligée d'aller avec lui à l'hôpital, alors il a fallu que j'aide à mon père, il a une boutique de forge et il y a sept enfants à la maison.

Durant mon absence, j'ai aidé à mon père dans la forge. Je n'ai pas travaillé continuellement, j'ai travaillé trois à quatre jours par semaine parce qu'il n'y a pas toujours d'ouvrage. J'ai demeuré chez nous à St-Jérôme. Ils sont venus une fois les M.P's chez nous mais je n'y étais pas, j'étais parti à Montréal.

La fièvre des foins, c'est une maladie qui ne se guérit pas. Je suis dans l'armée depuis le 26 mai 1944. Avant d'entrer dans l'armée, je travaillais comme "steam-fitter" pour Thomas O'Connell, Montréal. Je ne suis pas marié.

La raison pour laquelle je me suis rapporté, c'est mon député, Lionel Bertrand, qui est venu me voir et il m'a donné une lettre pour me rapporter à Longueuil.

J.G.H.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: "A St-Jérôme, c'était en dehors du camp...les quatorze jours "que j'ai poigné...c'était le premier soir que j'étais à "St-Jérôme et j'avais pris un peu de boisson. J'ai rencontré "une fille que je connaissais et je ne savais pas qu'elle "était mariée avec un sergent du camp, et le sergent a fait "un rapport le lendemain matin.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur (Par l'entremise de mon officier défenseur - Voir E-3).

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur le président,

Les raisons pour lesquelles ce type-là s'est absenté sans permission...la première c'est sa maladie, la fièvre des foins, et ils n'ont pas trop de remèdes pour guérir ça; ensuite il est arrive autre chose, son frère s'est blessé accidentellement, et là il a cru bon de rester pour aider à son père.

Je voudrais que vous considériez qu'il s'est rapporté lui-même et je voudrais aussi que vous considériez son "crime-sheet" qui n'est pas trop pire... il y a seulement une entrée.

Pour ces raisons, je demande la clémence de la cour.

A Well, I was making rings in G-6 Drill Hall.

Q Why did you happen to be making rings?

A I was making plastic rings. One of the fellows at A-3, he wanted me to make him a ring and I was making that. I pulled out my wallet and I placed my wallet on the couch.

Q What time did you start on duty? Do you want to correct your evidence in that respect?

A Yes; it was Friday night when I went on duty.

Q What did he do?

A He was looking at the way I was making the ring.

Q How long did he stay with you?

A Fifteen or twenty minutes.

Q What happened when he left?

A When he left -- he went out and I was still working at that ring. After I finished the ring I took my clothes and put it in a little pack I had, and after I started looking for my wallet and I didn't find it.

Q And what happened then?

A So Corporal Vandergrift, he came in and I reported to him my wallet was gone.

Q Well, what did you do then?

A Me and Corporal Vandergrift started looking for it, Sir; and we came out from the Drill Hall and went to 1 T. S. Company huts and we found Blank playing cards in I-6 hut.

Q You saw him there?

A When I came in I clicked my heels, stood at attention, and he turned around, picked the money up from the table and he said, 'I borrowed your money', and I said, 'is this the way to borrow it', and he did not say anything.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

DEFENDING OFFICER'S STATEMENT IN MITIGATION

Sir, Private Blank joined the Army in January, 1945. Immediately he joined Active Service. He had no child life to speak of. He was adopted by his Grand parents at an early age, and at fourteen years of age he went to work and worked until the day he joined the Army. There are no other children in his adopted family. He is very young -- his record is good. He has possibly met up with a few fellows in the Army who put him on a bad track, you might say, as regards to gambling, but he could be straightened out in quick order with a good talking to. He was brought here from the East just before he was giving the job as Picquet. For that reason we have no character reference on him -- there are very few people here that know him due to his short stay. At present Private Blank is actually only seventeen years old. I have obtained his Birth Certificate, made out by the Department of Health and Public Welfare, and I will submit a certified true copy with this statement in mitigation.

(See Document attached).

Under the circumstances he has no doubt more or less joined the Army with big ideas, got in with other people with big ideas and possibly got off on the wrong track, and his education has been sadly neglected; and I asked the Court to be lenient in sentencing this man in view of the fact that if this man was up on this charge in a Civilian Court, in view of his age and it being his first offence he would no doubt be given a suspended sentence.

The Accused, No. H.30753, Private Glen Roland BLANK, A15 Canadian Infantry Training Centre, C.A., a G.S. soldier of the Canadian Army, placed on Active Service, is charged with:

FIRST CHARGE
Sec. 18(4)

PRECIS OF EVIDENCE

in the case of

H.30753 Private Glen Roland BLANK, A-15 Canadian Infantry Training Centre, C.A., a G.S. soldier of the Canadian Army, placed on Active Service.

CHARGES: 1. STEALING PROPERTY BELONGING TO A PERSON SUBJECT TO MILITARY LAW

2. CONDUCT TO THE PREJUDICE (Alternative)

TO PROVE THE ABOVE CHARGES, the following evidence is available:

Verbal: H.23101 Pte. MONCHKA, Peter, A-15 C.I.T.C., C.A., will give evidence that he is the owner of the wallet in question which contained $20.75 and that on the 8th September, 1945, at about 0300 hours at the G-6 Drill Hall, Shilo Camp, Manitoba, he was making plastic rings - had placed the wallet in question on a chesterfield when Private H.30753 BLANK, Glen Roland came in and conversed with him, leaning on the arm of the chesterfield and close to the wallet. That said Private Blank was the only one person from the time he came in till the time of the disappearance of the wallet. That Private Monchka missed his wallet a few minutes after Private Blank left and he then immediately reported the loss to L/Cpl. Vandergrift.

B.106194 L/Cpl. VANDERGRIFT, J.C., i/c special Regimental Police, A-15 C.I.T.C. This witness will give evidence that immediately on it being reported to him by Private Monchka of the loss of the wallet, he contacted Private Blank, G.R., at the wash room at I-6 in company with Private Monchka and asked the accused if he had taken Private Monchka's wallet containing this money. In the presence of L/Cpl. Vandergrift and Private Monchka, the accused admitted taking the money and returned the amount of $20.75 to Private Monchka. Private Blank, at the time, was engaged in a card game and some of the money in question was on the card table. Private Blank then led L/Cpl. Vandergrift and Private Monchka to Hut No.I-3, where he produced the empty wallet from under the steps. This took place about 0330 hours on the 8th day of September, 1945, and L/Cpl. Vandergrift then placed Private Blank under arrest.

H.70172 Sgt. BRYSON, John, A/CSM of No.1 T.S. Coy., A-15 C.I.T.C., will give evidence that at approximately 0800 hours on the 8th day of September, 1945, on a report from L/Cpl. Vandergrift and Private Monchka, he contacted the accused and after properly warning him, obtained an admission by the accused that he h taken Private Monchka's wallet.

NOTICE

TAKE NOTICE that I propose to present No. H.30753 Private Glen Roland BLANK, A-15 Canadian Infantry Training Centre, C.A., for trial by the Standing Court-Martial at 1000 hours on Wednesday, the 12th day of September, 1945, at Shilo Camp, Manitoba.

12. Remarks: (Here note any Petition or Representation other than in Item 10 but if Item 10 has been omitted so state, and show here any mitigating circumstances.)

STATEMENT BY ACCUSED IN MITIGATION

Accused has been married for 10 years. He has four children. His wife has Tuberculosis, suffers from nerves and has heart trouble. One of his children who is five years old has bad legs. Accused himself suffers from rheumatism. During the month he served in the army he never had drill, just went on parade. Before going AWL he received a telephone call from his mother-in-law that his wife was sick and requested a pass, but this was refused so he left. While absent he worked on the farm, presumably that of Mr. C. Brassard. Accused produced a medical certificate stating that he was under treatment by a civil doctor on account of his legs, and a letter from his Chaplain corroborating that fact. He also produced a certificate from Agricultural representative and from farmers of the village of St. Leonard de Port Maurice certifying that Mr. Brassard has a large farm and needs farm labour and requesting farm leave for the accused. NOTE: These letters are all dated subsequent to apprehension.

PLEA IN MITIGATION BY DEFENDING OFFICER

The accused went absent to earn money to support his family. While absent he worked for farmers.

13. Recommendations: (State by whom made, e.g. CMHQ, DOC, Reviewing Officer, etc.)

REVIEWING OFFICER

This soldier has rendered the army no useful service. Moreover, had he stayed in the army his family would have benifited more than from his meagre earnings while absent. However, because it would appear that his wife and children would suffer most from his detention recommend release at half sentence 11 Mar 46.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Je suis marié, monsieur, depuis dix ans. J'ai quatre enfants. Ma femme est tuberculose, elle fait de la dépression nerveuse et elle a la maladie de coeur. J'ai un petit bonhomme de cinq ans qui fait de la faiblesse des jambes. Il est soigné depuis deux ans par le docteur Samson. Moi-même j'ai la même chose, j'ai été soigné pour les rhumatismes articulaires par le docteur Foisy et par le docteur Lévesque. Quand j'ai parti d'ici pour aller à Sorel, mon lieutenant de compagnie, le lieutenant Tassé, m'a jamais fait faire de "drill". J'allais juste sur la parade le matin. J'ai jamais eu une passe les trois semaines que j'ai été à Sorel. La troisième semaine j'ai eu un téléphone de ma belle-mère que ma femme était malade. J'ai demandé une passe, la passe m'a été refusée. J'ai parti le lendemain matin, ma femme était grandement malade, j'ai resté quinze jours. Après çà j'ai eu peur, j'ai été travailler sur les fermes. Mon dernier patron a été Casimir Brossard de St-Léonard de Port-Maurice qui a rempli les documents pour une exemption pour moi. A l'appui de ma déclaration je produis les documents suivants:

une lettre de médecin dont la signature est illisible.
un certificat par l'abbé Robert, aumônier de la S.V.P., paroisse de la Nativité.
un certificat du docteur Maurice Foisy.

"Les documents ci-dessus mentionnés sont lus, marqués CC-5, CC-7 et CC-9 respectivement, signés par le Président et versés au dossier".

Avant de m'absenter j'ai été cinq semaines en tout dans l'armée. Avant j'ai travaillé dans l'amiante dans la construction. Au cours des cinq semaines ici j'ai subi seulement un examen médical. Je me suis pas présenté au "medical inspection room" ici; à Sorel j'ai été voir le médecin, il s'est pas occupé de rien. J'avais demandé à mon officier, le lieutenant Tassé, j'ai pas entendu parler de rien, j'ai parti avant, pour passer un examen médical pour mes jambes. Pendant mon absence j'ai travaillé sur la ferme. Mon dernier bourgeois, monsieur Brossard, a fait une demande pour m'avoir une exemption. Avant d'entrer dans l'armée, j'avais déjà travaillé, lorsque j'avais seize ou dix-sept ans, sur la terre. Après je suis venu travailler en ville dans la construction. Je désire également soumettre à la cour copies des documents adressés à l'officier commandant a/s du capitaine Rochon, relativement à une demande de congé.

"Une lettre signée par Léopold Demers, agronome, en date du 23 août 1945, une lettre de monsieur Albert Léonard, en date du 24 août 1945, une lettre de monsieur Jules Vaes, même date, une lettre de monsieur J.A. Lafortune endate du 25 août 1945, une lettre de monsieur Casimir Brossard, même date, et une lettre de monsieur Elie Lalumière en date du 8 septembre 1945; les lettres précitées sont lues, marquées CC-11, CC-13, CC-15, CC-17, CC-19 et CC-21 respectivement, signées par le Président et versées au dossier.

Que je connais depuis bien longtemps M. Casimir Brassard cultivateur de St-Leonard Port Maurice.

Que M. C. Brassard exploite une vaste ferme sur laquelle il pratique sur une haute échelle la culture des legumes les plus variés.

Que M. C. Brassard manque de main-d'oeuvre sur sa ferme surtout pour l'arrachage de ses légumes d'automne qui devrait se faire durant les mois de septembre d'octobre et de novembre.

Que d'aider a M. Brassard a se procurer la main-d'oeuvre experte dont il a besoin c'est aider l'agriculture a s'acquitter du rôle providentiel qui est confié a cette derniere.

Re: BLACHE, Armand, D-648903

Cher monsieur,

La présente est pour appuyer la demande de monsieur Casimir Brossard, cultivateurs maraicher de St-Léonard de Port-Maurice pour obtenir les services de monsieur Armand Blache, D-648903, qui est actuellement sous vos ordres à Longueuil. Monsieur Blache était déserteur de uis deux ans environ avant d'être repris par les autorités militaires il y a environ une semaine.

Monsieur Brossard cultive une ferme de 30 arpents de culture sur laquelle il fait environ 20 arpents de culture maraîchère comprenant, céleri, carottes, oignons, pâireaux, laitue, etc. Monsieur Brossard vend ses légumes sur les marchés de Montréal à tous les jours.

Pour faire tous ses travaux de récolte, sarclage, préparation de marchés, il n'a qu'un seul homme alors qu'il en aurait besoin de trois ou quatre autres.

Monsieur Blache qui est actuellement sous vos ordres a travaillé chez-lui environ trois mois avant son retour dans l'armée.

Vu le manque de main d'oeuvre et le travail considérable qu'a à faire monsieur Brossard, je recommande fortement un congé militaire en faveur de ce soldat afin qu'il puisse continuer à aider monsieur Brossard.

Re: Armand Blachette, D-648903

Cher monsieur,

Je certifie par la présente que je suis propriétaire d'une ferme d'environ 30 arpents en culture située à 14 St-Léonard de Port Maurice.

Je fais une vingtaine d'arpents de culture maraîchère comprenant céleri, carottes, oignons, poireaux, laitue, etc.

Je n'ai qu'un seul homme engagé pour faire les travaux de récolte, de préparation pour le marché de tous ces produits, alors que normalement il m'en faudrait quatre ou cinq. Comme je viens au marché à tous les jours, il m'est impossible de laisser un homme seul pour voir à tous les travaux de mon exploitation agricole.

Vous connaissez comme moi le manque de main d'oeuvre dans ces travaux spécialisés de culture maraîchère et après maintes démarches je n'ai pu me trouver de main d'oeuvre supplémentaire.

Monsieur Blachette qui est actuellement à Longueil après une désertion de deux ans, a travaillé chez moi depuis une couple de mois. Il connait très bien les travaux de culture et c'est un homme sur qui je peux me fier lorsque je dois laisser ma ferme pour venir sur les marchés de Montréal.

Ce serait me rendre un grand service si vous pouviez libérez ce jeune homme pour qu'il puisse venir travailler chez-moi, car si je n'ai pas de main d'oeuvre supplémentaire, je prévois une perte assez considérable de légumes.

Vous remerçiant à l'avance, je vous prie de me croire,

Votre tout dévoué,

Cher monsieur,

Nous vous demandons avec instance de bien vouloir régulariser la situation du jeune homme ci-haut mentionné.

Son ancien employeur, M. Brossard, cultivateur-maraîcher de St-Léonard de Port-Maurice, a un grand besoin de main-d'oeuvre expérimentée vu le travail considérable qu'il a à faire sur sa ferme.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

(voir page E-3)

9

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

E-3

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur Le Président,

Le soldat Blache est marié, il a quatre enfants. Lui-même était malade avant d'entrer dans l'armée. Il n'est resté que cinq semaines et le découragement l'a pris, à cause de sa maladie et à cause de l'affaire de sa femme qui est gravement malade. Elle souffre de tuberculose et de la maladie de coeur. Il s'est absenté et durant son absence il a travaillé chez les cultivateurs à St-Paul l'Ermite et chez monsieur Brossard à St-Léonard de Port-Maurice. Le soldat Blache faisait une moyenne de salaire d'environ $20.00 à $22.00 par semaine pour soutenir sa famille dont il était le seul soutien. Je ferai remarquer aussi à la cour que sa feuille de conduite est blanche. Je demande la clémence de la cour pour le soldat Blache parce que durant son absence, alors qu'il avait des motifs et des circonstances assez difficiles, il a travaillé chez un cultivateur, ce qui se trouve être un rôle qui aide son pays meme s'il n'est pas dans l'armée. Je demande la clémence de la cour.

STATEMENT BY THE ACCUSED IN MITIGATION OF PUNISHMENT.

After being in the Army eight months, I asked for my furlough...most of the other boys had got theirs... and I wanted to have mine, but I was told that it was cancelled. I was paraded to the Major and he told me: "If you sign active, you'll get your furlough". I signed active with the understanding that I would get my furlough, but instead about a week after I was put on a draft. I again asked the Major for my furlough and he said: "I can't do much about it now". Of course, I was transferred in the infantry in the meantime, and I did not like that either. Then I was told that my furlough was cancelled.

I got embarkation leave, the same as the others, but I was unable to go and see my folks...my folks had gone to the States. I went to the C.P.R., to the C.N.R. and also to the Immigration Office and they told me: "You can't go across the line".

I went to the Orderly Room at the Sun Life Building in order to have my pass changed to another destination, but they could not do it. I had not seen my folks since I was in the Army.

As you know I am an Indian and we are supposed to be exempt from military services. After getting my first call I went to see the Chief of Indian Affairs and he told me to go for my medical examination. A few weeks afterwards I was called again and I went to see him again and he told me: "Get your exemption papers" and I said: "It's not necessary, I don't want to go to all that trouble", so I went in war plants for a couple of weeks and when I came home the Mounties picked me up, they put me in jail and they threw me in the Army afterwards. There was a friend of mine who had tried to get exempted but he did not succeed, that's why I didn't think it was necessary to go to all that trouble. Then I was in the Army and just took the rap, that's all. I signed active with the understanding that I would get my furlough.

I signed active the day conscription was passed during November or December of last year. My pass was for Odanak, Que. eighteen miles outside of Sorel in Yamaska County. There's an Indian reserve there. I had not heard of my father for months and when I got here I found out they had moved to the States. He is a machinist in some war plant there, that's why I wanted my leave changed and I went to the Sun Life, but they were unable to change it, and I had to hang around during that time.

During my absence without leave I worked in Montreal as second cook in a restaurant, my employer was a Greek fellow, his name is "John". I don't know his second name, I was there for about six months. I am single and twenty-three years old.

I surrendered because I felt it would have probably affected my status in civil life later on, because I figure going in business after the war. I figured going in business before, but the Army has kind of blocked that. My father was in the basket business and I intend going into that business myself, it's a business that lasts about three months a year, but we make very good out of it during that time.

Procédure sur une dénégation de culpabilité

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

Réponse:

Oui Monsieur. (Minute d'ajournement et de reprise d'audience, voir document "J" ci-joint.)

(Si l'accusé demande un ajournement, voir les instructions à la page 747 du M.D.M.)

~~La procédure procède à l'appel des témoins.~~

~~Étant donné qu'aucun témoin n'est interrogé par le procureur~~

~~Question.~~

Le PROCUREUR REMET AU PRESIDENT LES DOCUMENTS SUIVANTS SE RAPPORTANT A L'ACCUSE.

- - - - - - - - - - - - - - - - -

1° Extrait certifié des Ordres du Jour Partie II, No. 147, en date du 28 décembre 1944, émis par le Rgt. de Joliette, A.C., se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier."

2° M.F.B. 375 en date du 9 février 1945, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier."

3° M.F.M. 216, en date du 28 août 1945, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "I", signé par le Président et versé au dossier."

LE PROCUREUR N'A PAS DE TEMOINS A APPELER.

Le procureur n'a pas de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Non Monsieur.

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Oui Monsieur, sur la deuxième charge.

Question à l'accusé. Est-ce uniquement un témoin à l'appui de votre réputation?

Réponse: Non, sur les faits. (Voir page D-3 et suiv.)

17

TEMOIN DE LA DEFENSE: E-14676, RQMS C.C. BOILY, dépôt régional No. 5, A.C., étant dument assermenté, est interrogé par l'Officier Défenseur:

Q Voulez-vous dire à la Cour si vous avez eu l'occasion de faire un kit inspection pour le soldat Bergeron, D-650533?

R Oui Monsieur. J'ai reçu du district No. 4 un kit inspection de certaines marchandises qui avaient été reprises en charge par le dépôt No. 4, Montréal, Longue Pointe. Nécessairement les articles qui ont été repris en charge ont éte effacés dans la 800.

Q Voulez-vous dire à la Cour les articles dont Bergeron est encore déficient?

R Oui Monsieur:

2 caleçons coton 0.42 chacun	0.84
1 brass button	0.04
1 brush hair	0.39
1 brush shaving	0.42
1 brush tooth	0.09

1 net camouflage	0.26
1 outfit anti-dim.	0.15
1 ointment	0.26
1 belt waist web	0.25
1 wallet	0.27

ce sont les articles que je vous ai nommés dont il est déficient. Les autres ont été retournés par le district No. 4.

Q Voulez-vous dire si les prix que vous avez donnés sont les prix à 75% ou du vocabulaire?

R C'est 100%.

16

LE PROCUREUR NE DESIRE PAS INTERROGER CONTRADICTOIREMENT.

DE L'AVIS DE LA COUR, IL N'EST PAS NECESSAIRE DE SE CONFORMER A LA R.P. 83(B).

LE TEMOIN SE RETIRE.

L'OFFICIER DEFENSEUR PRONONCE UNE PLAIDOIRIE

LE PROCUREUR SOUMET LA CAUSE TELLE QUE PROUVEE.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: L'accusé, par son Officier Défenseur, dit: "Le soldat Bergeron, D., est enrolé dans l'Armée depuis le 16 novembre 1943. Il n'a aucune tache sur sa feuille de conduite à venir jusqu'au 28 déc.45 alors qu'il s'est absenté sans permission. La raison c'est qu'il était soutien de famille. Le famille recevait $45.00 par mois dont $20.00 étaient assignés sur sa paye. Bergeron s'est dit que si jamais il lui arrivait un accident, ses parents n'auraient pu suffire à leurs besoins. J'ai ici une lettre pour prouver que ses parents ont besoin de lui pour les faire vivre. Je comprends que c'est un certificat à l'occasion d'une demande d'allocation, mais ça suffit à prouver que la famille avait besoin de lui. Je soumets ces arguments à la considération du Tribunal, avec le bon record du soldat Bergeron, j'implore la clémence de la Cour."

L'OFFICIER DEFENSEUR REMET AU PRESIDENT LE DOCUMENT SUIVANT SE RAPPORTANT A L'ACCUSÉ.

1° Certificat signé par le Secrétaire-Trésorier d'Arthabaska, en date du 12 nov. 43, ce certificat est également signé par M. le Curé Henri Bernier.

"Ce document est lu par la Cour, marqué "K", signé par le Président et versé au dossier."

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Address by defending officer:

I propose to show that Pte Banks did not go A.W.L. to avoid enemy action but to show that he was in such a state of mind to be mentally incapable of going into action with his section and therefore cannot be held responsible for desertion. I would like to call upon Pte Banks to give sworn evidence.

F 36113 Pte. Banks. L. H. Nth. N.S. Highs. sworn states: I am F 36113 Pte. Banks L. H. B. Coy 11 Pl. 6 Sect. Nth. N.S. Highs.

On the evening of 4 Mar. after we had been briefed by Cpl. Sinclair on the coming operation, I felt that I could carry on in the attack for 5 Mar. When he told us to get our equipment on and that we were moving up to clear this certain patch of woods, I was pretty shaky on account of my nerves. I thought I would be of no use to the section that night so I told him I couldn't go. I asked him where the R.A.P. was but the section moved off so quickly I didn't have time to find out. I didn't know where the R.A.P. was so I stayed in my dugout over night and the next morning I went back to D coy. cookhouse until they moved forward a couple of days later. I then went to Bn. H.Q. stayed over night and on to my coy. the next morning.

The prosecution declined to cross examine the witness.

Questioned by the Court.

Ques. - Did you make any attempt to find the R.A.P. while at D coy. cooker.

Ans. - Yes sir and they said it was away forward.

Ques. - Why did you not go forward to your coy.

at any earlier date

Ans. — Because of my nerves, they would not steady down.

Ques. — Did you make any attempt to get to our lt your coy. know where you were.

Ans. — No sir I didn't think of that.

Ques. — How did your nerves differ on this night from previous attacks.

Ans. — I was just shaky and felt as though no matter what I did I could not fight.

Ques. — How long have you been serving with your present unit.

Ans. — "I have been with my unit since 21 Aug. 44. to the present time and have had no previous charge against me.

Lt. H. G. Tullock Nd N.S. Highrs sworn states.

I came to 1 Pl. B Coy. N.N.S. Highrs. about the first week of Dec. and Pte. Banks was a member of the pl. at that time. He was just holding at this time and he was doing a very good job with his section. Later about 3 weeks his sec. leader was evacuated and from then on I used his as second in command of the section. He continually did a very good job while we were in the holding role and also in the start of the push.

VIII

After a bit of a show opposite Emmerich he seemed to change. On this particular show a cousin of his was hit and from then on until the time that he stayed behind he seemed to be very nervous. He did not however ask to see the M.O. during this period.

Re: Mitigation Pte Banks L.H. (F36112) JPS

Pte Banks, an active soldier who was in action with the N.N.S.H from Aug 21, 1944 until March 5, 1945 excepting month of November when he was in hospital.

He proved himself a good reliable soldier during that time - on one occasion took over his section when the sec. leader became a casualty and lead the section to its objective successfully.

He began to lose control over himself at Emmerich and in subsequent actions was getting worse and worse until he finally cracked under the strain Mar. 5th and could not go into action. He did not deliberately say he would not go into action but that he was unable to go.

He did not leave the battalion at any time while he was away from his section and he returned voluntarily 3 days, 8 hours, 20 minutes later.

Had Pte Banks gone into action in the state he was in he would have been no help but actually a burden to his section.

All who have been his superiors hold him to be a good soldier with a clean clean conduct sheet.

Such a man could hardly go A.W.L to avoid enemy action unless he was mentally unstable to do so and therefore cannot be held responsible.

At approximately 0045 hrs on 5 March 45, I personally warned Pte Banks to get his equipment on and that we were moving forward to attack an enemy position. to proceed forward with the section and that I would contact the Platoon Commander as regards Banks going to the RAP. The section was 6 Section of which he was a member and I was leader. When I reached the office, with the section, at approximately 0100 hrs, Pte Banks was absent. I next saw Pte Banks when he returned to the Platoon at approximately 0920 hrs 8 Mar 45.

Q When Pte Banks told you he could not proceed forward with the Section, did he say anything else?

CANADIAN MILITARY HEADQUARTERS

LONDON 7 Sep 45.

22-8-1972

The Secretary,
Department of National Defence,
OTTAWA, Canada.

F-36113 Pte Banks, L.H.

1. The m/n soldier is now serving a sentence of 18 months detention awarded by FGCM 22 Mar 45 for deserting His Majesty's Service after having been warned for action (AA Sec 12(1)(a)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 21 Mar 46.

3. This soldier enlisted 17 Sep 43 at Halifax, N.S. and he is now 20 years of age. His documents show no previous offences.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.F.O. who have examined this soldier state that he is an individual of average intelligence who appears to be conscientious and responsible, but who is inclined to be immature and somewhat dependent; that he states that he became increasingly nervous after he had been in action for some time until he felt he could not go into an attack for which he had been briefed; that he maintains he feels much better now, and is sure he could stand up to service in action again; and that his motivation is good.

6. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, and since it is now not practicable to return this soldier to action in this theatre, it is considered that despite his previous clear record he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has deliberately misconducted himself in order to avoid battle and he must have realized that his offence might lead to his discharge.

7. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A3104 in respect of the FGCM held 22 Mar 45, on which this direction has been endorsed.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

Monsieur le président,

Je ne peux pas donner grand'chose comme raison. Ce sont mes parents qui m'ont conseillé de laisser l'armée. Je regrette d'avoir parti. Il y a une grosse famille chez nous; nous sommes douze enfants et j'ai dix-neuf ans seulement. Je suis le deuxième; le dernièr n'a seulement qu'un an. Ca faisait onze mois que j'étais dans l'armée quand je me suis absenté. J'ai fait mon "basic" et mon "advanced".

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

(voir la page E-3 ci-jointe)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

PLAIDOYER DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE

Monsieur le président,

Je n'ai que quelques mots à dire pour demander la clémence de la cour envers l'accusé Bédard qui, avant sa première offense, avait été onze mois dans l'armée et n'avait jamais eu la moindre tache sur sa feuille de conduite.

L'accusé Bédard était un solda t N.R.M.A., et losque la grande campagne de recrutement a été lancée l'an dernier, alors que les renforts manquaient, l'accusé, qui était à Petawawa, a signé "actif", lorsque des officiers du district sont allés faire du recrutement là-bas. Il s'est en venu à St-Jérome faire son entraînement afin de traverser "overseas". Ce n'est que lorsque ses parents furent au courant qu'il était pour partir, et sous la pression de sa mère qui était malade, que la volonté lui a manqué et qu'il est parti A.W.L.

Il s'est rapporté lui-même en habit militaire.

Vu son jeune âge, ainsi que la bonne volonté qu'il a manifesté en s'enrôlant, je demanderais la clémence de la cour.

Each issue of orders will be numbered consecutively, commencing on the 1st January each year, and each item will be given a sub-number.

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Oui, monsieur, sous serment. (voir page D-3 et suivantes).

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

Question à l'accusé. ~~Est-ce uniquement un témoin à l'appui de votre réputation?~~

Q.- C'est ça que vous avez fait pendant votre absence?

R.- Oui, monsieur.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement à l'accusation dont vous vous êtes avoué coupable?

Règle de procédure 37 *(d)*. *Si, d'après la déclaration de l'accusé ou d'après le sommaire ou l'abrégé de la preuve, ou autrement, la cour en vient à la conclusion que l'accusé n'a pas compris les conséquences de son "aveu de culpabilité", la cour devra modifier le dossier et enregistrer une "dénégation de culpabilité" et instruire le procès en conséquence.*

Pour les variantes, voir page 747 du M.D.M.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: " Oui, monsieur. (L'accusé, par son Officier Défenseur, dit:) Le soldat Bélanger reçoit des appels pressants de sa famille. Pour remplacer son père malade il a demandé une exemption de service, laquelle lui fut refusée. Bélanger semble être un jeune homme qui subit l'influence du milieu. Il a subi l'influence d'autres personnes, il a suivi le conseil de son oncle, le Député, il est venu se rapporter. Je demande à la Cour de juger son cas avec clémence. Ici j'ai une lettre du Député Ludger Dionne, adressée au Commandant du Camp Militaire de Lauzon, que je produis comme exhibit."

(" Ce document est lu par la Cour, marqué "I", signé par le Président et versé au dossier.)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Lieutenant-Colonel G.L. Taschereau,

LAUZON, Cté. Lévis.

Monsieur le Lieutenant-Colonel,

RE: Bélanger Guy, E-630,350.

Ce jeune homme, qui est mon neveu, s'est présenté à votre camp la semaine dernière, sur ma recommandation.

Je connais bien sa famille évidemment, et ce sont de bonnes gens. Toutefois, ce jeune homme a été mal conseillé par des jeunes gens qui pourtant auraient pu donner de meilleurs avis et il n'a peut-être pas eu toujours une conduite irréprochable au point de vue militaire.

Tout de même, vu qu'il s'est rapporté volontairement à ma demande, s'il vous est possible d'user de clémence à son égard je vous en serais reconnaissant.

Votre bien dévoué,

Ludger Dionne

I was charged by W.O.II. and found guilty and punished accordingly. But finding out in the meantime that a Cpl. and Sgt. of this Unit requested extension of 72 hrs and that this request granted. After this I completely lost heart with my Unit, I was under the impression that there was no hope for me and that I would never again have a chance to soldier. Some time after this I was detailed with the rest of my Platoon to participate in a scheme which lasted. We remained on the scheme for approximately two weeks after the expiration of one week. We then proceeded Dutch to Bodmin with returning vehicles. Bad luck was cast for the main part of our Platoon a Lt being in command. Upon arrival in Bodmin barracks, we turned over the vehicle and found we were unable to obtain any transportation to our Unit, and that after applying to the O.C. in charge of Operations we were unable to obtain housing or rations. We then had to fend for ourselves for two days. The time at work was to secure transportation to

Witness as to Character in case of B85885 Pte. Frank Buckle, 32 Cdn Corps Tps Coy. RCASC

C 11405 L/Sgt Bowen F.E of 32 Corps Tps Coy RCASC being called to examined under oath :-

Q. How long have you been the accused

A. Approximately 10 or 11 months.

Q. What do you know of his record.

A. I have been his N.C.O. since he came to the unit. He has always been willing to work and do a good job. On numerous occasions he has obtained passes for being the neatest and most efficient soldier in the platoon. The statement he makes about "Whalo" is perfectly correct.

Prisoner declines to cross-exam

R.P. 83 (b) complied with.

Statement made in mitigation in the case of B85885 Pte Frank Buckle of 32 Cdn Corps Tps Coy R.C.A.S.C.

In reference to my crime sheet which I have is very poor. Upon my release from civilian prison I was informed by Lieut-Col Bannich of ICASC R.O. that my crime sheet would not go against me in the unit unless I got into trouble. My previous record would be forgotten and I would be given every chance to soldier. I obtained a good job in the officers Mess which meant that I got £1/0/0 a month extra wages. I was on short pay of ~~£~~ £1/10/0 per month and that pound was more than welcome. To my knowledge I gave complete satisfaction. I was held in a position of trust with the officers bar monies and books. At that time I was content and satisfied until I was told that on account of my past record I could no longer work in the Mess. This meant I lost a pound and also a good job. Since then I received no pay on the pay parade when everyone in the unit was paid. With these thoughts in mind I went A.W.L. and on numerous occasions had intended to give myself up but I didn't like the idea of when I was going when I did give myself up, I held back.

I'd like to get back to my unit and if given the opportunity, I promise to soldier properly.

In reference to this, I was sent to a motorcycle accident in the field of AC. I hurt my private. They asked me to take an operation to which I said, "No", as I thought it was a very serious thing. I was sent to an English detention barracks where it was very hard. If I couldn't perform my duty in the unit, how could I be expected to go detention. I was finally sent to hospital. They took it out. Since that day, I have been no good.

PLEA IN MITIGATION OF SENTENCE

11th June, 1945.

B.85885 Pte.BUCKLE, F.

The accused having pleaded guilty on all three charges wishes the Court to take the following facts into consideration when passing sentence:-

Civilian Life

The accused had a very unhappy and unstable home life prior to enlisting in the Army in September 1939. He was born in England. His father was killed in the last war. His mother remarried and the family came to Canada in 1922 settling in Hamilton, Ontario. He was the youngest child and there were also about 12 step-children. He worked on a farm for approximately a year and a half. Tiring of this type of work he drifted around the country doing practically no work until he reached the age of 21 when he married; he now has two children. From the time he married till he enlisted in the Army he had no settled employment for any length of time and was on relief for three years.

Army Life

The accused's first offence in the Army was absence without leave. He had been injured on duty as a m/c'st and given a floating category. Having not been kept fully employed he developed a mental state of unrest and went absent for 16 days. When he returned he was sentenced to 28 days detention; the M.O., however, examined him and decided he was not fit to undergo detention; he was held in custody for 11 days then re-examined by the M.O.who this time decided he was fit to undergo detention. The accused was then sent to the Aldershot Detention Barracks to serve his sentence.

As a result of this the accused began to develope an obsessional persecution complex. His reasoning was that his O.C.and the M.O.had deliberately got together and agreed to "give him the works". This mental attitude is evident throughout all his offences in the Army since that incident. His state of mind had never been healthy because of his troubled civilian life, and for each offence he has comitted he is firmly convinced, within his own mind, that he had a good reason and was forced to take the actions he did. This state of mind has grown on the accused beyond all imaginable proportions and in spite of the report (exhibit "A") submitted by Major D.Lamb, Psychiatric Specialist, No.14 Cdn.Gen.Hospital,dated the 7th June, 1945, I strongly urge the Court to consider C.R.U.Admin.Instr.No.45 (Section 2 para.D) d/18 Jun 45 and deal leniently with the accused.

I beseech the Court to remember that it is the Army's duty to return this soldier to civilian life with a clean, healthy mind so that he can face the problems of a post-war world without fear or prejudice. I am quite convinced if the Court impose a severe sentence of detention on this soldier he will, before,release, be a chronic psycho-path, to all intents and purposes a raving madman.

Gentlemen of the Court this man's very life is in your hands as surely as if you held a loaded pistol to his head. It is your duty having found him guilty to punish him; it is also your duty to Canada to return a good citizen who has learned the lesson of properly administered justice. The accused fully realises that he is guilty and must be punished, he also will realise, if he is given a lenient sentence, that the Army is interested in his welfare. He has proved during his periods of absence when he was actually employed as foreman of a Bomb Damage Repair Squad in London that he is capable of filling the role of a citizen and accepting a citizen's responsibilities. Let us make sure that when he has been punished and repatriated to Canada he will still be able to fulfil these duties and not be a burden on the State.

Date of Enl. - Sept/39. Age 32 -

Date O/S - Dec/39 Category A -

DATE 7. June. 45.

DEMONT:-

AWOL - 1½ yrs. Sent to NP consultation previous to C.M.

History - Born in England. Father killed in last war. Mother remarried. Family came to Canada in 1922. Settled in Hamilton, Ont. Youngest of 4 siblings. There are about 12 stepsiblings.

School - Completed 1½ yrs Tech School - 15 yrs. Frequent truancy. Several times picked up for truancy. Appeared before magistrate for theft. In juvenile at age of 14 yrs - stealing - probated. Numerous police charges for vagrancy. Has served 1 wk in jail for theft. Other sentences 30 day periods for misdemeanors.

Difficult home environment. Stepfather's character. Frequent shifts. Did not get along with stepfather. He left home at 15 yrs. - went to work on farms for 1½ yrs - then travelled around the country doing jobs. Finally ended up at age of 21 yrs - married - thought this would keep him out of trouble - 3 children - Have seen little from him - apparently fairly considerate. Has had very little to do with our family after he left home. After marriage did a few odd jobs for relatives for 3 years. Had charge of shift and barrooms for a few months. Worked about 8-9 mos. for landowner at Jordan Harbour in 1937. Had 3 more wives for odd jobs before the war - 2 years. Wife also wounded.

Impression - A rather undisciplined individual who has never shown himself to be amenable to authority and discipline even from early youth. Raised in a somewhat unstable environment complicated by financial difficulties he has always been a quick tempered self centered individual, always in difficulties, quick to throw the blame upon others. Has been a rather chronic delinquent who has shown no ability of being able to profit by experience. A true psychopathic personality with many undesirable trends as evidenced by his school and work history. Has shown a lack of sustained effort and of proper social adjustment. Has many crimes, he blames on others, feels he has always been picked upon and he feels that his only reaction to this attitude is to go AWOL. He is quite aware of his irregular behaviour and is conscious of his limitations. He of average intelligence and there are no psychiatric reasons to prevent him from undergoing trial by court martial.

Commanding Officer
1 Cdn ASC Rft Unit

Sir:

I, Lt. J.C. Drager, 1 Cdn ASC Rft Unit was requested by the accused, B-85885 Pte Buckle, F., to act as defending Officer in his forthcoming Court Martial.

In the last two days I have made extensive enquiries into Pte Buckle's case and have engaged the accused soldier in lengthy conversation. As a result of these enquiries it is my opinion, that the accused is a chronic psycho-path, and has been, for at least the last two years. I have consulted both the SPO and MO and they are in accordance with my views.

I therefore strongly recommend that court martial proceedings be held in abeyance and that the accused be subjected to an extensive psychiatric examination, auth CRU Administrative Instruction No.45, para 2(c).

I respectfully submit this recommendation for your consideration and action, Sir.

CANADIAN MILITARY HEADQUARTERS

LONDON 6 Sep 45.

The Secretary,
Department of National Defence,
OTTAWA, Canada.

H-85885 Pte Buckle, F.

1. The m/n soldier is now serving a sentence of 1 year imprisonment with hard labour and discharge with ignominy awarded by FGCM 11 Jun 45 for the following offences: an absence without leave from which he was apprehended by the civil police after 296 days (AA Sec 15(1)), escaping (AA Sec 22) and an absence without leave from which he surrendered after 153 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment with hard labour should terminate if he continues to do so, is 10 Feb 46.

3. This soldier enlisted 5 Sep 39 at Hamilton, Ont., and he is now 33 years of age. Since enlistment he has been found guilty of 13 offences under AA Sec 15(1), of 2 offences under AA Sec 22 and of 1 offence under each of AA Sec 10(4) and AA Sec 40. He has had 2 previous FGCsM. On 24 Mar 41 he was awarded a sentence of 98 days detention for an absence without leave of 16 days (AA Sec 15(1)), an absence without leave of 8 days (AA Sec 15(1)), and an offence under AA Sec 22. On 12 Oct 43 he was awarded a sentence of 180 days detention for an absence without leave of 133 days (AA Sec 15(1)). He has also had 2 civil convictions. On 3 Mar 41 he was fined £1-5-0 on charges of driving an unlicensed motor vehicle, driving without a road fund license and driving without a license. On 31 Jul 42 he was sentenced to 6 months imprisonment with hard labour on a charge of theft.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he is a smooth, superficial individual who is a rapid talker; that his civilian record shows irresponsibility and lack of stability; that he is independent and does not like taking orders; that he is not interested in soldiering and not interested in his wife, although he is not pleased by the prospect of explaining his conduct at home; and that he is not likely ever to become an efficient soldier.

6. In view of the extreme length of this soldier's illegal absences, his poor previous record which includes 2 FGCsM and 2 civil convictions, as well as the unfavourable nature of the report outlined in para 5 above, it is considered that his sentence including discharge with ignominy is appropriate and fully deserved and that he should be required to serve his sentence of imprisonment with hard labour in full and be discharged with ignominy under the provisions of para 9 of Appx to GAMO 1089. It is considered that this soldier has deliberately misconducted himself in order to avoid rendering any effective service to the army and it is highly probable that he had his discharge in view.

7. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original A.F.A3104 in respect of the FGCM held 11 Jun 45, on which this direction has been endorsed.

Statement of EVIDENCE in the case of:-

No. A117014 Pte Bechard D.
D Company, Lincoln & Welland Regt.
4th Canadian Div. C.A.O.S.

Sir,

At EINDHOVEN on the 10th April 1945 about 2000 hrs, I was on duty in GROOTE BERG, when I was approached by MRS. A. VAN DEN BROEK, 352, HOOGSTRAAT, EINDHOVEN, who said that a soldier had slept at her home for the night, and after he had left the following morning she missed a gold wrist watch, and she now knew where the soldier was.

I proceeded to CAFE DRIESPRONG, GROOTE BERG, EINDHOVEN, where she pointed out the above named soldier.

I questioned him and not being staisfied I conveyed him to PROVOST H.Q. for further questioning, where he admitted being absent from his unit and taking a watch and three packets of cigarettes from the premises of MR. A VAN DEN BROEK where he had slept the night of the 9th to 10th.

He stated that he had sold the watch to LOOY, CORNELIS, 270, HOOGSTRAAT, EINDHOVEN for one hundred (100) Guilders. I proceeded to these premises and recovered the watch which is now held by the Civilian Police Eindhoven.

I obtained his particulars verbally and verified same from his M.B.M. 1. and told him he would be charged and conducted him to the TOWN GUARD ROOM and handed him over to the NCO i/c Guard to be detained.

Statement made by: VAN DEN BROEK, ANTONIUS, living 352 HOOGSTRAAT, EINDHOVEN.

Who says,

On Monday, 9th April 1945 about 2230 hrs, a soldier (Canadian) entered my cafe and ordered a glass of beer. I noticed that he was not sober, but in my opinion, he was not so drunk as he intended to look., but after a few minutes he fell on the floor.

I asked the soldiers, who were present in my cafe, if they knew him and if they would take him to his unit, but they did not, because nobody knew him. So I let him sleep that night in my cafe.

The next morning I tried to wake him, but he refused to rise.

Because it was impossible that he could stay longer in my cafe, I took him upstairs into one of my bedrooms. About 1200 hrs, I tried again to awake him, whereupon he came downstairs into the kitchen for a wash and shave.

A few customers came in, and after a few hours he left my cafe.

About 1630 hrs, I intended to get a packet of cigarettes, which was in an unlocked cupboard and discovered that they had gone, together with my wrist watch.

I suspected the soldier because nobody else had been in the kitchen at that time.

My wife informed the Police concerning that theft, and the watch which was shown to me by the Pllice, I recognize as my property.

On Tuesday, 10th April 1945, about 1630 hrs, a soldier came into my cafe, and asked me if I would buy his golden watch for 100 Guilders, because he was short of money.

He showed me a quite nice watch, and because I have no watch, I bought it for 100 Guilders from him.

I believe, but I am not sure, that I paid the soldier in notes as follows: 2 of 25 Guilders, 2 of 20 Guilders and 1 of 10 Guilders, or 2 of 25 Guilders and 5 of 10 Guilders.

Mr President and members of the court:

The accused Norman Leo Bechard wishes this court to know the circumstances which surrounded his stealing a watch in the town of Eindhoven Van der Broek of Eindhoven on the morning of 10 April 1945.

He hopes that this court will take these circumstances into consideration on the charge of stealing.

On Monday 9 April 1945 Private Bechard the accused entered the Van der Broek Cafe in an intoxicated condition as the proprietor of the cafe noted this, after a few minutes he fell on the floor and had to be carried out on the floor. He then recommenced and drank more whisky and liqueurs until he awoke the next morning in a bed in the upstairs part of the Van der Broek Cafe at about 12 o'clock. He was dizzy, sick and had a large bruise on his forehead as a result of his fall. He got up and went down stairs to shave in the kitchen of the Cafe. He opened a cupboard to see if he could find a razor. At this time he saw a gold watch but did not touch it. Later Van der Broek supplied him with a shaving kit. The Cafe owner also had his beer to drink with the accused in the kitchen of the cafe. Private Bechard the accused soon found himself quite intoxicated again, at this time he took the articles from the cupboard. Later he left the Cafe. He became saved over the stolen articles - afraid of being caught with them in his possession. In order to dispose of them he sold them to Cornelis Van de Loey of Eindhoven for 100 Guilders - this was about 1630 hours - the accused did not sell the watch to procure additional money to drink - When arrested at 0 hours on 24 Apr by the Provost Corps in Eindhoven he still [illegible] the 100 Guilders [illegible] 14 days later.

The accused cooperated in every way with the authorities he told them where they could find the watch at the cafe of Van de Loey. He had saved the 100 Guilders to settle with the owner of the watch for the trouble he had caused. 100 Guilders was the approx value of watch. The accused stole this watch when still suffering from the ill effects of a fight on the road and also the beer given to him by the cafe proprietor, that morning. Later realizing his grave error in sold the watch he sent it for his wife and saved the 100 Guilders to give to the civilian. He asks for the court to take this into consideration [illegible] the civilian.

The accused has never been in trouble before [illegible] stealing [illegible] the accused was in the Dutch [illegible] and sent in a yard [illegible] at the [illegible] Loey [illegible] sold [illegible]

on the head and also the beer given to him by the café proprietor. Realizing his grave position he sold the watch to get it off his hands and saved the 100 guilders to give to the owner — Wherefore that the court take these circumstances into consideration in arriving at a decision.

In addition the accused served the Dutch and Allied Rgt in the various actions at the Reple Sprover — Later through the entire campaign from our entry into Germany ~~till~~ through the Hochwald and up to the Rhine shore.

Pvt Bechard The accused has never been guilty of any other act of stealing in his army career which is shown by his enclosed record.

F. V. Rudder

Mr President and members of the court —

The accused Herman Leo Bechard wishes this court to know the circumstances which surrounded his stealing a watch in the home of Antonius Van der Broek of Eindhoven on the morning of 10 April 1945.

He hopes that the court will take these conditions into consideration on awarding sentence to the charge of stealing. X

On Monday 9 April 1945 Private Bechard the accused entered the Van Der Broek café in an intoxicated condition the proprietor of the place noted this. After a few minutes he fell on the floor stealing his head on the floor. He became unconscious and does not remember anything until he

30

awoke the next morning in a bed in the upstairs part of the Van Der Brock café at about 1200 hrs. He was dizzy weak and had a large bruise on his forehead as a result of his fall.

He got up and went downstairs to shave in the kitchen of the café - he opened a cupboard to see if he could find a razor - at this time he saw a gold watch but did not touch it - later Van Der Brock supplied him with a shaving set. The café owner also had some beer to drink with the accused in the kitchen of the café.

Pot Behalf the accused soon found himself quite intoxicated again at this time he took the articles from the cupboard.

Later he left the café. He became worried over the stolen articles - afraid of being caught with them in his possession.

In order to dispose of them he sold them to Cornelis Van de Loey of Eindhoven for 100 Guilders - this was about 1630 hrs - The accused did not sell the watch for purpose of procuring additional money to drink - When arrested at 2000 hrs on 24 Apr 45 by the Provost in Eindhoven he still had the 100 Guilders with him untouched. 14 days later.

The accused cooperated on arrest in every way with the authorities - he told them where they could find the watch ~~and the~~ at the café of Van de Loey. He had ~~also~~ saved the 100 guilders to settle with the owner of the watch for the trouble he had caused. 100 guilders was approx value of watch. The accused stole this watch when still suffering from the ill effects of a blow

The accused declined to call witnesses on his own behalf.

I certify that RP 4 (d) (e) (f) (g) have been complied with.

Statement of **EVIDENCE** in the case of:-

No A 117014 Pte Bechard D.
D Company. Lincoln & Wellard Regt.
4th Canadian Div. C.A.O.S.

Sir,

At EINDHOVEN on the 10th April 1945 about 2000 hrs, I was on duty in GROOTE BERG, when I was approached by MRS. A.VAN DEN BROEK, 352, HOOGSTRAAT, EINDHOVEN, who said that a soldier had slept at her home for the night, and after he had left the following morning she missed a gold wrist watch, and she now knew where the soldier was.

I proceeded to CAFE DRIESPRONG, GROOTE BERG, EINDHOVEN, where she pointed out the above named soldier.

I questioned him and not being satisfied I conveyed him to PROVOST H.Q. for further questioning, where he admitted being absent from his unit and said a watch and three packets of cigarettes from the premises of MR.A.VAN DEN BROEK where he had slept the night of the 9th to 10th.

He stated that he had sold the watch to LOOY, CORNELIS, 270, HOOGSTRAAT, EINDHOVEN for one hundred (100) Guilders. I proceeded to these premises and recovered the watch which is now held by the Civilian Police Eindhoven.

I obtained his particulars verbally and verified same from his M.B.M.1.and told him he would be charged and conducted him to the TOWN GUARD ROOM and handed him over to the N.C.O. ~~i/c Guard~~ to be detained.

REMARKS

Sir,

I have read over and corroborate the above statement.

Exhibit B

Copy-Statement (Translation).

Statement made by: VAN DEN BROEK, ANTONIUS, living 352 HOOGSTRAAT, EINDHOVEN.

Who says,

On Monday, 9th April 1945 about 2230 hrs, a soldier (Canadian) entered my cafe and ordered a glass of beer. I noticed that he was not sober, but in my opinion, he was not so drunk as he intended to look., but after a few minutes he fell on the floor.

I asked the soldiers, who were present in my cafe, if they knew him and if the would take him to his unit, but they did not, because nobody knew him. So I let him sleep that night in my cafe.

The next morning I tried to wake him, but he refused to rise.

Because it was impossible that he could stay longer in my cafe, I took him upstairs into one of my bedrooms. About 1200 hrs, I tried again to awake him, whereupon he came downstairs into the kitchen for a wash an shave.

A few customers came in, and after a few hours he left my cafe.

About 1630 hrs, I intended to get a packet of cigarettes, which was in an unlocked cupboard and discovered that they had gone, together with my wrist watch.

I suspected the soldier because nobody else has been in the kitchen at that time.

My wife informed the Police concerning that theft, and the watch which was shown to me by the Police, I recognize as my property.

Eindhoven, 11th April 1945. (Signed) A.v.d.Broek.

I certify that the above statement was taken by me on the 11th af April 1945.

Eindhoven, 11th April 1945. (Signed) A.W.v.d.Bosch
Civil Policeman.

The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. CONFIDENTIAL

The Secretary,
Department of National Defence (Army),
Ottawa Canada

A 117014 Pte Bechard, H.L.

1. The m/n soldier is now serving a sentence of 15 months detention awarded by FGCM 12 May 45 for an absence without leave from which he was apprehended after 11 days (AA Sec 15(1)), committing a civil offence, that is, stealing a packet of cigarettes and a wrist watch from a civilian (AA Sec 41), and an absence without leave, when under arrest, from which he was apprehended after 3 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released, if he continues to do so, is 11 Mar 46.

3. This soldier enlisted 6 Jan 43 at Windsor, Ont. and he is now 29 years of age. Since enlistment he has been found guilty of 7 offences under AA Sec 15(1) and of 1 offence under AA Sec 41. He has had no previous FGCM.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. The SPO who examined this soldier states that he is an immature French Canadian of restricted intelligence who openly admits that he had no intention of ever participating in front line action.

6. In view of the offences of which this soldier has been convicted and the many heavy summary awards for long periods of AWL of which he was previously convicted, as a result of which he has performed little useful service as well as the report outlined in para 5 above, it is considered that he should be required to serve his sentence in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier has misconducted himself in order to avoid rendering any effective service to the army and in all probability with a view to obtaining his discharge.

7. It has accordingly been directed pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original AF A3104 in respect of the FGCM held 12 May 45 on which this direction has been endorsed.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Je me suis en allé de l'armée par rapport que maman avait besoin d'argent et il fallait ni plus ni moins que je gagne de l'argent et j'ai été travailler pour lui aider. Elle est seule avec mon petit frère. J'ai aussi travaillé pour lui obtenir la pension des mères nécessiteuses et quand j'ai vu qu'elle avait sa pension, je me suis rapporté moi-même.

Je suis entré dans l'armée le 10 juillet 1944 et j'ai passé par St-Jérôme, Petawawa et Prince Albert, Sask. Avant d'entrer dans l'armée, je travaillais à la Dominion Glass. J'ai 20 ans et je ne suis pas marié.

En entrant dans l'armée je n'ai pas assigné d'argent chez nous, j'envoyais cependant de $15.00 à $20.00 par mois; dans les premiers temps je ne pensais pas qu'elle aurait tant besoin que ça. Ma mère a 56 ans, elle demeure à 159 Charlevoix. Elle reste avec ma soeur mariée...elles paient moitié-moitié. J'ai un frère qui a 16 ans.

Je n'ai jamais fait de demande avant que je sois en dehors de l'armée pour une pension pour ma mère, parce que je n'y avais pas pensé et elle ne m'en avait jamais parlé. C'est seulement quand j'ai arrivé qu'elle m'a dit ça.

Durant mon absence sans permission, j'ai travaillé pour moi-même dans la peinture et j'ai demeuré sur la rue Duvernay en chambre. Je n'ai pas travaillé continuellement, j'ai été à peu près un mois sans travail. J'étais tanné, je ne pouvais pu trouver d'ouvrage. J'étais tanné de me faire rechercher et j'ai dit en moi-même: "Je vais aller me rapporter".

Durant mon absence, je donnais tout mon salaire à maman et elle me donnait un peu pour payer ma chambre (Je payais seulement $2.50 par semaine) et j'allais manger chez nous. Maintenant, elle reçoit la pension des mères nécessiteuses depuis un mois. Mon beau-frère travaille à la Canadian Car & Foundry à Ville St-Pierre. Il a 36 ans et il a deux enfants dont son petit gars a la paralysie infantile.

J. C.G.H.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur. (Par l'entremise de mon officier défenseur - Voir E-3).

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur le président,

Je demanderais la clémence de la cour pour le Gunner BERRY parce que lorsqu'il s'est absenté sans permission, il a travaillé à soutenir sa mère...et les quatre premiers mois qu'il a travaillé il se fait un salaire d'à peu près $25.00 par semaine.

Je ferai remarquer à la cour aussi que le Gunner BERRY a une feuille de conduite blanche et qu'il s'est rapporté lui-même aux autorités militaires.

2. The CM Board of Review has in the case of the a/m soldier made the following recommendation:

"Release on 9 Mar 1946"

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. It is therefore suggested that you should not sign the appropriate entry until the recommended date approaches.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Is the witness to be called a witness as to character only?

The accused, C-417452 - Rfn. ROBERT WEICHENTHAL BREDLAW
C. I. C., No. 9 District Depot, C.A.,
being duly sworn, [redacted]

Well, sir, before I came home my wife was sick and the doctor ordered her to quit her work, she was working at the time. I was home on leave. She took worse and she was still under doctor's orders, sir. And I intended to come back and she took worse the day before I was supposed to go back, sir, and still I didn't know what to do, it was too late to send work to them, to wire to them. I figured I would go back after she got better and she took relapse after that again and I didn't get going back and then I got frightened, I went and hid in the bush then. I didn't work the time I was away, sir. And the unit had used me kind of mean, too, sir, the unit I was with. My wife has been better, she has been getting along nicely this while back so I surrendered myself to civilian authorities in uniform.

CROSS-EXAMINED BY THE PROSECUTOR:

Q. Bredlaw, you were on leave when you went absent?

A. Yes, sir; I was on leave when I went absent.

Q. And you were to report at Debert, Nova Scotia, at 1000 hours on the 27th December, 1944?

A. Yes, sir.

Q. And you didn't report?

A. No, sir.

Q. You remained absent until you surrendered yourself to civil authorities at Pembroke, Ontario, and that was at 0820 hours on the 31st of August, 1945?

A. Yes, sir.

Q. And at that time you were dressed in military

uniform; is that correct?

A. Yes, sir.

Q. What kind of a leave were you on, was it an embarkation leave?

A. Yes, sir.

Q. And where had you been given that embarkation leave?

A. From Vernon, B.C.

Q. Vernon, B.C.?

A. Yes, sir.

Q. And you were an infantry reinforcement?

A. Yes, sir.

Q. And at the end of your leave you were to report to Debert for going overseas; is that correct?

A. Yes, sir.

Q. How long a leave did you get?

A. I believe it was nine days, sir.

Q. Where was your home before you went into the Army?

A. Well, I was raised at Golden Lake and I was working around Hardwood Lake when I went into the Army.

Q. And at the time you were called up in the Army?

A. Hardwood Lake, Ontario.

Q. And was that your civilian address shown on your Army documents?

A. Yes, sir.

Q. Where did your wife live?

A. She is living with my brother-in-law at the present time.

Q. But where did she live at the time you went in the Army?

A. Hardwood Lake, Ontario.

Q. When you went on your leave from Vernon where did you go?

A. To Hardwood Lake, Ontario.

Q. How long did you stay there?

A. I stayed there all the while during my leave.

Q. And was your wife sick when you got home first?

A. Yes, sir.

Q. What was wrong with her?

A. She suffered from a sort of nervousness and low in blood.

Q. Was she under doctor's care at all?

A. Yes, sir.

Q. Who was attending her?

A. The doctor at Brighton, I don't know his name, sir, and he ordered her to quit working immediately. Where we are there is no doctor for a long while.

Q. Where is Brighton? It is quite a distance from Hardwood Lake?

A. Yes; but she was working there in a canning factory.

Q. Was that before you left?

A. Yes, sir

Q. You went to Hardwood Lake and she was sick?

A. Yes, sir.

Q. Did you tell her you were to go overseas?

A. Yes, sir.

Q. You discussed it with her, did you?

A. Yes, sir.

Q. So you went absent without leave then?

A. No, sir. I didn't have the intentions of going absent without leave.

Q. Well, you went absent without leave?

A. Yes, sir; I did.

Q. How can you not have the intention of not going absent?

A. Well, I didn't have the intention of going absent

until the last day.

Q. Where did you go then?

A. I stayed around there for a while.

Q. You stayed around Hardwood Lake?

A. Yes, sir.

Q. Weren't you afraid the Provosts would look for you?

A. I was, then I took the bush.

Q. Where did you go in the bush?

A. I stayed in a hunting camp in the bush.

Q. Where is this hunting camp?

A. It is a way back in the bush.

Q. How far is it from Hardwood Lake?

A. I can't be definite on the mileage. About seven miles anyway, sir.

Q. And the reason you went there was in order to hide from the military authoritiies?

A. To a certain extent, sir, and keep in touch with my wife, how she was getting along.

Q. If you wanted to get in touch with your wife your best position was back in Hardwood Lake; that is correct?

A. I did stay there for a while.

Q. Answere the question, Bredlaw, you heard me: If you wanted to keep in touch with your wife the best position for you to be in was Hardwood Lake, wasn't it?

A. Yes, sir.

Q. So the reason you hid yourself seven miles away was so you would be safe from the Provosts?

A. Yes, sir.

Q. What did you live in, in a tent?

A. In a hunting cabin until spring came and then I lived in a tent.

Q. Was there anyone lese around there?

14

A. No, sir.

Q. How long did you live in a tent?

A. Until I surrendered myself to the civilian authorities.

Q. Did you see your wife during that time at all?

A. Yes, sir.

Q. How often?

A. Some times twice a week and some times I didn't see her at all.

Q. How often did the Provosts come up to Hardwood Lake for you?

A. I don't know, sir.

Q. You were talking to your wife?

A. About once a month, sir.

Q. They came up once a month. And your wife finally told you the war in Europe was over?

A. Yes, sir.

Q. And then she told you the war in the Pacific was over?

A. Yes, sir.

Q. So you figured it would be safe for you to surrender yourself; is that correct?

A. No, sir; not exactly.

Q. Well, what is the truth, you waited until the war in the Pacific was over and then you surrendered yourself, why did you do that?

A. I wanted to get this thing over with, that's why I surrendered myself.

Q. But the fact the war was over influenced your action?

A. No, sir; not exactly.

Q. But if the war was still going on and they were

still sending people overseas you wouldn't have surrendered yourself?

A. Yes, sir; I believe I would.

Q. But you are not sure?

A. Yes, sir; I would.

Q. Why didn't you surrender yourself last May or April when the winter was over?

A. Well, the wife wasn't as well as she should have been at times.

Q. She wasn't as well as she should have been and yet you were eight miles away; is that right? You wife wasn't very sick. You are not telling the Court your wife was sick from December up to the time you surrendered yourself?

A. No, sir; but I became afraid after and I figured it would be a pretty serious charge, sir.

Q. That had a lot more to do with your staying away than your wife's illenss? You are swearing to tell the truth, Bredlaw; did it or didn't it?

A. No, sir.

Q. When did your wife get better?

A. She got better and she took sick again and she got better again. She has been sick off and on.

Q. And there was nothing to keep you from surrendering yourself when she was all right?

A. I didn intend to surrender myself.

Q. Was there anybody that prevented you from surrendering yourself?

A. No, sir.

Q. Nobody held you back?

A. No, sir.

Q. Just yourself?

A. Yes, sir.

Q. How far did you get in school, Bredlaw?

A. Passed my entrance class.

Q. How old were you then?

A. Sixteen.

Q. What type of work did you do?

A. Work on the farm.

Q. Do much hunting?

A. Do some.

Q. You were pretty good with a rifle, weren't you?

A. Well, not very good, sir.

RE-EXAMINED BY THE DEFENDING OFFICER:

Q. Will you tell the President ~~what~~ of the Court when you went to hospital suffering from a nervous disorder?

A. I went to the hospital in 1937. It was for 24 or 28 days and I didn't work for about six months. First, after I went, he told me not ~~work~~ to work for a year after.

Q. And during that time was there anybody to take care of your home, your sisters and brothers?

A. Yes, sir; a guardian, sir.

Q. Where is your mother?

A. She is in the Rockwood Hospital at Kingston, Ontario, in the asylum.

Q. And your father?

A. My father has been killed a good many years working in the bush.

Q. And how old is your only sister?

A. She was 23 in August.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

---The Prosecutor presents to the Court M.F.B.355.

--This document is read to the Court by the President, marked "Y" signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir; through my Defending Officer.

BY THE DEFENDING OFFICER: The accused's mother has been a patient in Rockwood Asylum since 1930 and, as his father died many years ago, he has grown up without the care and guardianship of elders, which most young people are in great need of this present day.

In 1937 Pte. Bredlaw was a patient in a hospital suffering from a nervous disorder, in a large measure due to worry attributable to the fact that his younger sister was fast becoming of age and that, having no parents or person of responsibility near her, there was no one to look after her.

In January, 1942, while still a very nervous individual, he joined the Army with the intention of completing his training and carrying out his duties and being a good soldier. His M.F.M.6 proves that up until now his conduct has been excellent. On March 12, 1942, he was allocated to the R. H. C. and during his period of training with that regiment attempted on numerous occasions to transfer to the C. F. C. and go overseas but was refused by his company commander.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

9

In December, 1944, he proceeded on embarkation leave and returned home to see his wife, who was at that time quite ill. At the termination of his leave, rather than having improved, her condition became even worse. The accused, in an endeavour to assist with these domestic duties, overstayed his leave. As time went on he, as any normal soldier would who had a good record, anticipated returning to his unit. But, on every occasion he mentioned the subject to his wife she would have a relapse. Eventually, as his wife did improve in health, he surrendered himself to the civil authorities in Pembroke.

Having reviewed a few very short chapters in this man's past life we can see that he has not had the proper care which would be given by a responsible parent and, as in many cases of its kind today, he has lead a very irresponsible life, combined with chronic nervousness.

In closing this address may I add that this man's wife is expecting a child and I would ask the Court to take this into consideration. In the interests of the accused, I beg of you, sir, to exercise leniency in this case.

The Defending Officer declines to cross-examine.

Questioned by the Court.

Q. Is there any authority that you can quote providing for the charge involving the use of D.N.D. vehicles for escorting accuseds.

A. I have checked for authority on that and I can't find it.

The witness resumes his seat.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement in writing

Question to the accused. Do you intend to call any witness in your defence?

Answer. No sir

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No sir.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes sir through my Defending Officer.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER

Before sentence is passed Sir I would like the following taken into consideration. This man has only a grade eight education and further more his pulhems shows he has a 2 under the M. At the time he went absent his wife was in a critical period and the problems at home were rather difficult for him. He considered it his duty to remain at home rather than stay with the army and furthermore he could get no leave. The people on the farm were not very prosperous these days and his wife couldn't afford a nurse and that left her entirely alone with her father and 25 miles from the nearest town which means 25 miles from the nearest medical aid.

The accused has been enrolled since December, 1941 and the six only shows one previous charge and therefore his conduct has been rather good up until this time.

STANDING COURT-MARTIAL
No. M.501956, Pte. Edgar Albert BAILER,
No. 13 D.D., C.A.

Receipt is acknowledged of the proceedings of the marginally noted Standing Court-Martial which were forwarded by the President named therein.

2. The proceedings are legally regular, the finding is properly made and the sentence is according to law. Pursuant to C.A.R.O. 4565 paragraph 12, the said proceedings are herewith forwarded to you. After they have served your purpose, will you please return the proceedings to this office for custody.

3. In relation to the question whether the sentence of the Court may include stoppages in respect of the cost of using a D.N.D. vehicle for the purpose of apprehending or returning a soldier who is absent without leave, may the President and the Prosecutor in this case be referred to para. 6(a) of the Appendix to C.A.R.O. 3464 which quotes in part Order in Council P.C. 58/4015 of 5 Jun 41, which order in council refers to a certificate by the Officer who issued the requisite transport warrants or who authorized the requisite transportation. May the President and Prosecutor be advised that it is considered that, where a D.N.D. vehicle is properly used for the said purpose, the sentence may include such stoppages, just as it may in a proper case include stoppages in respect of the cost of returning the accused by railway; and that it is the practice to treat a rate of six cents per mile each way as a proper rate to charge to the absentee in respect of the use of the D.N.D. vehicle.

D

The Prosecutor has no ~~further~~ witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence myself as a witness, Sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. N/A

First Witness for the Defence

The accused, K-7968, Pte. Wilson Holiday Barker of A-37, Canadian Infantry Training Centre, C.A., being duly sworn, is examined by the defending officer.

THE PROSECUTOR DECLINES TO MAKE A CLOSING ADDRESS

THE DEFENDING OFFICER MAKES A CLOSING ADDRESS

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, Sir.

Question to the accused. Do you wish to address the Court?

Answer. Sir:- The accused since enlistment in the Army has had a very clean recort. It was my good fortune that he went through the same Company as I did at A-37, C.I.T.C., and as his Platoon Commander, I can vouch for his good behaviour. This is his first offence, his first Court-Martial and his first offence on a charge sheet in the Army.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

R.- Oui, monsieur.

Q.- Savez-vous son nom?
R.- Oui, soldat Beaudet.

Q.- Quelles fonctions exercez-vous dans l'armée?
R.- C.O.C., 3ème Infanterie, Caporal.

Q.- Le 16 août de cette année, voulez-vous dire à la Cour qu'est-ce que vous faisiez?
R.- J'étais C.O.C. de Compagnie.

R.- J'ai vu l'accusé tard dans la soirée.

Q.- Dans quelles circonstances vous l'avez rencontré?

Q.- Où étiez-vous?
R.- Au bureau de compagnie. J'ai rentré. Lorsque j'ai passé à travers la hutte pour fermer les lumières. Dans la hutte 335, au milieu, Clément m'a donné sa place. On a rentré dans les ablutions pour voir. Tant qu'il m'a parlé le soldat Beaudet était au "stand at ease".

Q.- A quel temps?
R.- Quand tout a été fini il était 1130 heures.

C-5

Q.- Quand vous êtes entré dans la salle des ablutions quel temps était-il?
R.- Au juste, 1115 heures.

Q.- Vous dites que vous l'avez vu au "stand at ease"?
R.- Oui, monsieur.

Q.- Vous, vous êtes entré dans la salle des ablutions?

Q.- Comment avez-vous vu que c'était une baionnette?
R.- A la "sentance" dans le dos.

Q.- Est-ce qu'il vous a dit quelque chose avant de mettre la baionnette dans le dos?

Q.- Là, qu'est-ce qui s'est passé?
R.- J'ai entré dans le séchoir. Gauthier écrivait une lettre. Il s'est levé debout. Je me suis reviré de bord, j'ai demandé de baisser sa baionnette. Il doit l'avoir remis dans sa poche. Là il m'a dit qu'il s'était fait voler $45.00, qu'il connaissait le coupable, que personne ne s'en occupait. J'ai dit que je m'en occuperait. J'ai demandé des détails. J'ai dit que ce n'était pas une affaire à faire de se servir de sa baionnette. Je voyais qu'il était en boisson.

C-7

Q.- Comment voyiez-vous cela qu'il était en boisson?

R.- Il avait les yeux rouges, les lèvres bombées, pas solide sur ses jambes, il était en boisson.

Q.- Qu'est-ce que vous voulez dire qu'il n'était pas solide sur ses jambes?

R.- Il parlait empâté,

Q.- Qu'est-ce qui s'est passé?

R.- Après je lui ai demandé de me raconter cela. Je l'ai ramené dans la hutte. En revenant dans la hutte j'ai allumé les lumières. Le Caporal Arpin s'est levé, il était en "shorts", il s'est mis à lui parler. J'ai demandé deux escortes.

Q.- Qui s'est mis à lui parler?

R.- Arpin.

Q.- Parler à qui?

R.- à Beaudet.

Q.- Qu'est-ce qu'il lui a dit?

R.- Il parlait,en même temps c'était pour le garder. J'ai demandé deux escortes, le temps que j'ai demandé deux escortes Arpin était en "shorts". C'était bien noir, je ne sais pas s'il tonnait, c'était bien sombre. Quand je suis revenu il était parti. Là, on l'a cherché, j'ai averti "l'orderly room" régimentaire. On est parti avec un officier, un station wagon, on a fait un tour pour voir s'il n'y aurait pas un soldat de parti. C'est seulement le lendemain matin qu'on en a entendu parler.

Q.- Ca c'était dans la hutte 336?

R.- 335.

Q.- Savez-vous où est située la hutte 34 par rapport à la hutte 335?

R.- Non, monsieur.

INTERROGE CONTRADICTOIREMENT PAR L'OFFICIER DEFENSEUR:-

Q.- D'après vous, Caporal Payette, est-ce que le soldat Beaudet a eu quelque raison d'entretenir des rancunes contre vous?

C-9

PAR LE PROCUREUR:-

Objecté. C'est une question d'opinion; le témoin n'est pas ici pour donner une opinion.

OBJECTION MAINTENUE PAR LA COUR.

Q.- Est-ce que l'accusé vous a appelé par votre nom, votre rang, pendant ce temps?

R.- Oui, monsieur, il m'a appelé Caporal.Payette je crois qu'il ne le savais pas, s'il le savait il ne m'a pas appelé par mon nom.

Q.- Il vous a adressé comme?

R.- Comme Caporal.

Q.- Avez-vous dit au Soldat Beaudet que vous le mettiez sous arrêts?

R.- Non, monsieur.

Q.- Pourquoi ne l'avez-vous pas fait?

R.- Je lui ai dit d'arrêter, il était sous arrêts à la porte quand il est parti. Sur le coup je ne l'ai pas mis sous arrêts.

Q.- Aviez-vous une raison pourquoi vous ne l'aviez pas mis sous arrêts à l'instant même?

R.- Quand un homme n'a pas sa tête, quand même vous lui auriez dit que aujourd'hui c'était dimanche et le lendemain lundi, quand même j'aurais dit "vous êtes sous arrêts"....

Q.- Je suppose que c'était causé par son état?

R.- Son état.

Q.- Si réellement vous vous en seriez donné la peine n'auriez-vous pas pu, avec ceux qu'il y avait dans la hutte à votre disposition, le conduire à la détention, l'empêcher de faire une bêtise?

R.- Ca aurait été très malaisé.

Q.- Lorsque vous vous êtes fait menacer d'une baionnette, vous dites que c'était dans la salle d'ablutions, le séchoir. Vous vous êtes retourné et l'accusé a serré sa baionnette. N'avez-vous pas eu l'idée de lui enlever sa baionnette?

R.- Oui, je lui ai demandé deux, trois fois, de remettre sa baionnette. Il m'a dit qu'il ne l'avait plus. Ca se passait par crises. J'ai pensé que sa crise passée il retournerait mieux.

C-11

Q.- Lorsque vous êtes parti de la hutte 335 est-ce qu'il vous a menacé de nouveau avec sa baionnette?

R.- Non, monsieur.

Q.- Il n'avait pas de baionnette?

R.- Non, monsieur.

LE PROCUREUR NE DESIRE PAS INTERROGER DE NOUVEAU.

INTERROGE PAR LA COUR:-

Q.- Comment étiez-vous habillé ce soir-là?

R.- En "shorts" et en chemise.

Q.- Est-ce que vous aviez vos insignes sur votre manche?

R.- Oui, monsieur, et ma ceinture.

Q.- Est-ce que vous aviez vu l'accusé avant ce jour-là?

R.- Pour en être certain, non. Je l'ai vu mais je ne l'avais pas remarqué.

Q.- Est-ce qu'il était sur votre compagnie?

R.- Oui, monsieur.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Oui, monsieur, sous serment. (voir page D-3 et suivantes)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur. (L'accusé par son Officier-Défenseur, dit :)

" M. le Président, vu que c'est la première offense du soldat Beaudet qui s'est rendu coupable d'irresse, en plus de cela quelque chose qui n'a pas été amené à la déclaration du Major Gendreau, le psychiatre. Après m'être informé, je sais que le soldat Beaudet a beaucoup de responsabilités à la maison. Ces choses-là ont train à agir quelque fois sur le système du côté stabilité. Sa feuille de conduite contient seulement quatre jours d'absence. En ces circonstances, c'était justement pour régler des choses de famille qu'il s'était absenté.

Vu ces choses-là, je demande la clémence de la Cour".

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

SUMMARY OF EVIDENCE

in the case of

No. D-153193, Private Jean-Paul BEAUDET, Royal 22e Régiment, C.A., attached to A-13 C.I.T.C., C.A., a G.S. soldier of the Canadian Army placed on Active Service.

CHARGES:

1. DRUNKENNESS.

2. WHEN ON ACTIVE SERVICE OFFERING VIOLENCE TO HIS SUPERIOR OFFICER.

3. WHEN ON ACTIVE SERVICE OFFERING VIOLENCE TO HIS SUPERIOR OFFICER.

The O.C. directs that the evidence be taken on oath.

FIRST WITNESS: D-153048, Cpl PAYETTE J.H., Royal 22e Régiment, C.A., attached to A-13 C.I.T.C., C.A., having been duly sworn, states

Le 16 août 1945, j'étais C.O.C. de la 31ème Cie d'Infanterie du Centre d'Instruction A-13 à laquelle j'appartiens.

Vers 2330 hres, je venais de faire une passe pour un soldat, un nommé Emond qui avait reçu un télégramme au sujet de maladie dans sa famille. Je crois que c'est le Major Poulin qui l'avait endossé au mess des officiers où je m'étais rendu.

En revenant, je me suis rendu dans les huttes 335, 336. Dans 335, j'ai rencontré le soldat Clément qui me remit ses passe. Avant d'entrer dans la salle d'ablution attenante aux hutte 335-336, j'ai vu un soldat qui était au "stand at ease". J'ai vérifié la passe de Clément dans la salle d'ablution. Le soldat en question entra dans la salle d'ablution. Il a demandé du feu pour allumer sa cigarette. Le soldat Clément n'en ayant pas, je l'ai allumé moi-même. Il m'a alors demandé pour me parler. Je me suis dirigé vers le séchoir (drying room 335-336). Dans la porte, je ne sais pas si j'ai hésité, mais j'ai senti une baionnette dans le dos; j'étais en chemise, elle ne m'a pas piqué; je me suis retourné. Dans le séchoir, j'ai vu la baionnette. Je lui ai demandé s'il savait ce qu'il faisait. Il m'a dit que c'était un ordre. J'ai continué à marcher dans le séchoir. Il y avait un soldat Gauthier en train d'écrire une lettre. Gauthier s'est levé. J'ai demandé à ce soldat que j'ai reconnu par la suite comme étant le No. D-153193 Sdt Beaudet J.P., de baisser sa baionnette, il l'a baissée. Alors il m'a dit qu'il s'était fait voler $45.00 et que personne ne voulait s'en occuper. Je lui ai dit que je m'en occuperais et que ce n'était pas des affaires à faire, en parlant de sa baionnette. Quand je l'ai vu la première fois pour me parler, il chambranlait. D'après sa figure, il était assez chaud pour dire qu'il était "saoul" pour ne pas savoir ce qu'il faisait. Quand il me parlait, il parlait comme on dit "empâté". Par la suite, je suis sorti de la salle d'ablution pour la hutte 335 avec le soldat Beaudet. J'ai allumé les lumières. Le Cpl Arpin s'est levé. J'ai dit à Clément de se réhabiller pour mettre sa ceinture, et à un autre, je ne me rappelle pas de son nom, afin de les détailler comme escorte. A ce moment, j'étais près de la porte du centre de la hutte et pendant que les escortes s'habillaient, je me suis aperçu que l'accusé Beaudet était parti.

Je suis parti derrière lui, il faisait noir, je ne pouvais rien voir. Alors ne voyant rien, je suis venu faire un rapport à l'"orderly room". Je suis parti avec un officier de la 3ième que l'orderly room a été cherché et nous sommes embarqués dans un "utility car" pour le chercher. Nous ne l'avons pas trouvé.

The accused declined to cross-examine.

SECOND WITNESS: E-103090, Private CLEMENT M., Royal 22e Régiment, C.A., attached to A-13 C.I.T.C., C.A., having been duly sworn, states:

Le 16 août 1945, je suis revenu de passe à 2315 hres. En entrant dans la hutte 335, j'ai vu le Caporal Payette et je suis parti pour lui remettre ma passe. Il m'a dit d'aller avec lui dans la salle d'ablution. A la porte de 335, j'ai vu le soldat Beaudet qui était au "stand at ease". Il n'a pas parlé un mot. Une fois entré dans l'ablution, il est entré et m'a demandé du feu. Le Cpl Payette l'a allumé. Une fois sa cigarette allumée, sa baionnette est tombée à terre, il l'avait dans sa poche. Il l'a ramassée. A ce moment, le Cpl Payette est venu pour initialer ma passe sur l'évier; le soldat Beaudet s'est approché et avec sa baionnette il a dit: "C'est un ordre que je vous donne d'entrer dans le séchoir tous les deux". On est entré dans le séchoir, le Cpl Payette et moi. Je voyais labaionnette dans le dos du caporal. Une fois dans le séchoir, il retira sa baionnette et commença à lui expliquer qu'il s'était fait voler la somme de $45.00. Le Cpl Payette lui a dit: "Fais pas le fou, donne-moi ta baionnette". Il lui a demandé poliment trois fois. Il n'a pas voulu. Il a dit "venez avec moi" et une fois dans 335, le Sdt Beaudet a dit: "Allumez les lumières, c'est un ordre que je vous donne". Le Cpl Payette a réveillé le Cpl Arpin et lui expliqua toute l'histoire; ce dernier s'est aperçu que la baionnette n'était pas dans son fourreau. Il a demandé au Soldat Beaudet de lui donner sa baionnette. Beaudet lui a dit qu'il nel'avait pas. Je l'avais vu mettre dans ses poches J'ai été détaillé comme escorte avec un autre soldat dont je ne me rappelle pas le nom, il arrivait de passe. Pendant que je m'habillais, le soldat Beaudet a disparu par la porte des ablutions. Je suis allé à l'orderly room; un officier est venu et nous avons cherché sans résultat.

The accused declined to cross-examine.

THIRD WITNESS: E-604053, Private GAUTHIER A., N.R.M.A., C.A., attached to A-13 C.I.T.C., C.A., having been duly sworn, states:

Le 16 août 1945, vers 2330 hres, j'étais à écrire dans le séchoir entre les huttes 335-336. La porte était fermée. A un moment donné, la porte s'est ouverte. J'ai vu le

Cpl Payette entrer suivi du Sdt Beaudet. Je voyais le Sdt Beaudet tenir une baionnette dans le dos du Cpl Payette. Je ne sais pas s'il lui touchait. J'ai entendu le Sdt Beaudet dire: "Entrez dans le séchoir, c'est un ordre". Le Sdt Clément les suivait. Le Sdt Beaudet a baissé sa baionnette et a dit au Cpl Payette qu'il s'était fait voler $45.00 et qu'il tuerait le gars qui l'avait volé. Le Cpl Payette lui a dit qu'il ne pouvait pas faire grand chose là-dedans. Ils sont sortis du séchoir, moi je suis allé me coucher dans la hutte 336. Le Sdt Beaudet était en boisson, mais je ne sais pas jusqu'à quel point.

Q.- Ce soir-là, est-ce que vous auriez donné un devoir quelconque à remplir au Sdt Beaudet, en supposant que vous auriez été son supérieur?

R.- Je l'aurais envoyé se coucher, il avait l'air pas mal chaud.

The accused declined to cross-examine.

FOURTH WITNESS: D-137527, Sgt LALIBERTE E.C., No. 46 Coy, Can. Provost Corps, C.A., having been duly sworn, states:

Le 16 août 1945, j'étais en devoir au bureau de ma compagnie au Camp Valcartier. Vers 0040 hres, le 17 août, le Major Leblanc m'a détaillé avec le L/Cpl Lambert pour aller conduire le Soldat D-153193, Beaudet J.P. à la chambre de garde du Centre d'Instruction 54. Le Major Leblanc nous a accompagnés. Avant de partir, nous avons pansé Beaudet pour une blessure à un genou.

À mon opinion, le Sdt Beaudet était pas mal chaud, au point qu'il aurait été impossible de le détailler sur un devoir quelconque.

The accused declined to cross-examine.

FIFTH WITNESS: D-148560 L/Cpl LAMBERT A., No. 46 Coy, Can. Provost Corps, C.A., having been duly sworn, states:

Le 16 août 1945, vers 2400 hres, j'ai vu quelqu'un entrer dans ma chambre, hutte 34, Camp Valcartier, et chercher à allumer ma lumière. Il est sorti immédiatement et est allé dans une "dépense" un peu plus loin. Je me suis levé, ai fermé ma porte et allumé la lumière. Je me suis habillé et, pendant ce temps, j'ai remarqué que cette personne se dirigeait vers la chambre du Major Leblanc et entra. J'ai entendu le Major dire: "Qui est là"? et quelqu'un répondre: "Faites-moi un pansement". Je suis sorti de ma chambre, j'ai vu le Major Leblanc avec un soldat qui tenait une baionnette dans sa main. J'ai sauté dessus et l'ai tenu pendant que le Major Leblanc lui enlevait la baionnette.

Nous l'avons conduit d'abord au "guard room" du Corps des Provost et ensuite au "guard room" du Centre 54.

Le Soldat Beaudet était en état de boisson et n'était pas en état de remplir aucun devoir.

The accused declined to cross-examine.

Lambert A. L/Cpl.
(D-148560, LAMBERT A.) No. 46 Coy., Can. Provost Corps, C.A.

SIXTH WITNESS: Major J.G. LEBLANC, O.C. 36 Coy. Can. Provost Corps, C.A., Valcartier Camp, P.Q., having been duly sworn, states:

A 2355 hres, le 16 août 1945, alors que je dormais dans le quartier des officiers à la hutte 34, Valcartier, je fus éveillé par quelqu'un qui frappait à la porte avec un instrument. Quelques instants après, quelqu'un entra et marcha dans le corridor de la hutte. Je m'informai qui était là. Alors un soldat pénétra dans ma chambre ayant à la main une baionnette d'exercice en disant: "Tu vas me faire un pansement ou je te tue".

Comme il était au-dessus de moi avec sa baionnette dans la main d'une manière menaçante, je lui conseillai de se rendre à l'hôpital qui était tout près. Pour toute réponse il répétait: "Panse-moi ou je te tue". Après quelques instants, je réussis à me lever de mon lit lui disant que j'allais chercher un pansement. Il me suivit dans le passage; alors à l'occasion je saisis la main qui contenait la baionnette, quand le D-148560 L/Cpl Lambert A. vint à ma rescousse pour m'aider à le désarmer et le maîtriser.

Nous lui attachâmes les mains et le conduisirent aux cellules pour le placer sous arrêt fermé. Nous avons alors identifié l'accusé comme étant D-153193 Pte Beaudet J.P. La baionnette portait le No. 0074- No. 4 MK II et fut remise au C.S.M. N. Roy, 31ème Inf. A-13 C.I.T.C., à 1020 hres, le 17 août 1945.

A mon opinion, l'accusé était sous l'influence de la boisson.

The accused declined to cross-examine.

J.G. Leblanc Major,
(J.G. LEBLANC) O.C. 36 Coy, Can. Provost Corps, C.A.

SEVENTH WITNESS: D-638299, Cpl ARPIN, T., N.R.M.A., C.A., attached to A-13 C.I.T.C., C.A., having been duly sworn, states:

Le 16 août 1945, le soldat Clément est venu m'éveiller dans le courant dela soirée. Le Cpl Payette s'informa si le Sdt Beaudet était de mon peloton. Je lui dit oui. Je me suis levé. Pendant que je m'habillais, le Sdt Beaudet sortit de la hutte.

Q;- Dans quel état était le Sdt Beaudet?
R:- Il était chaud. J'ai constaté cela par ses paroles.

The accused declined to cross-examine.

QUESTION TO THE ACCUSED:

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

ANSWER BY THE ACCUSED:

Le 16 août 1945, je suis parti de la cantine du 54 pour aller à la cantine du A-13. J'étais assis à une table, j'ai payé une traite et après cela, je ne me rappelle de rien.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Dans la dernière semaine d'octobre ou la première semaine de novembre 1944, j'étais ici au dépôt de Longueuil. J'ai fait une requête pour avoir une "allouance" de famille militaire. J'ai paradé devant celui qui s'occupait de la chose, il m'a dit qu'il prendrait mon cas en considération. J'ai dit que si par hasard ils me mettaient sur une "draft" pour aller loin du M.D.4 que je pourrais pas partir à cause de la santé de mon père. J'ai été appelé pour aller sur une "draft" pour aller outre-mer le 28 décembre. Ils sont venus faire enquête et ils ont dit que mon père était pas malade. Mon père est mort le 28 juin 1945 à la suite d'un cancer. Il était malade quand ils sont venus chez moi. Ils ne voulaient rien accorder. De plus j'ai une soeur de trente-et-un ans qui a eu la paralysie infantile à l'âge de six mois. Je ne pouvais pas les laisser dans la misère. A la fin de juillet, ma mère a écrit au major-général Renaud pour lui expliquer mon cas. Le major-général Renaud a dit que si je me rapportais immédiatement à Longueuil mon cas serait pris en considération. Durant mon absence, j'ai travaillé, j'ai eu de la misère à travailler dans le bois. C'était la seule chose que je pouvais faire. A l'appui de ma déclaration je produis un certificat du curé de Mont-Laurier relativement au décès de mon père.

"Certificat signé par monsieur l'abbé A.P. Neveu, en date du 1er juillet 1945, est lu, marqué CC-5, signé par le Président et versé au dossier".

Avant de m'absenter j'avais été dans l'armée trois ans. Ils m'ont appelé le 12 mai 1942. Je me suis rapporté ici à Longueuil. J'ai fait mon "basic" et mon "advanced training". Quand ils m'ont appelé j'étais pompier pour la ville de Montréal depuis dix mois. Je suis entré au salaire de $760.00 par année. Il fallait que j'attende pour mes augmentations pour aller chez moi.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

(Voir page E-3)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

E-3

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Monsieur le Président,

Je voudrais simplement attirer l'attention sur quelques faits. D'abord, l'accusé ici présent a été trois ans dans l'armée. Il faut croire que c'était un homme de confiance puisqu'il a été même instructeur à Sorel en 1944, il était caporal. Après trois ans d'armée sa feuille est restée complètement blanche. Il a eu une bonne conduite durant son service, il s'est rapporté lui-même. Quand on considère les besoins de sa famille: sa mère n'est pas en bonne santé, sa soeur infirme, il est le plus vieux de la famille, il doit avoir soin de la famille. Son père est mort d'un cancer. Je considère... je demanderais qu'on donne le bénéfice du doute à l'accusé et je demande la clémence de la cour pour qu'il puisse venir en aide à sa famille le plus tôt possible.

C

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, Sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

~~The Prosecutor proceeds to call witnesses.~~

~~First Witness for the Prosecution.~~

~~being duly sworn, is examined by the Prosecutor.~~

~~Question~~

By the Prosecutor:

Sir, the evidence for the Prosecution in this case is documentary and under the provisions of Routine Order 5126 I will file with the Court M.F.B 375 and M.F.M. 216 relating to the accused.

M.F.B. 375 is read, and is marked "F", signed by the President and attached to the proceedings.

M.F.M. 216 is read, and is marked "G", signed by the President and attached to the proceedings.

That is the case for the Prosecution, Sir.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement, Sir.

(See document marked "H" attached).

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

The Defending Officer makes a Closing Address.

The Prosecutor makes a Closing Address.

Question to the accused. Is the witness to be called a witness as to character only?

Answer.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, Sir.

Question to the accused. Do you wish to address the Court?

Answer. No, Sir.

(The Defending Officer speaks on behalf of the accused. See document marked "I" attached).

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT OF THE ACCUSED

Well, Sir, just before I left Nanaimo I had a sore on my side here, Sir, and I went to the M.O. and asked him about seeing my side. He just felt the side and said nothing was wrong with me. I think something is wrong with me but he didn't bother looking at it after. That is why I didn't come back, Sir. Now you can see I gave myself up in my military uniform. I didn't have any intentions to desert. I only stayed AWL, Sir. That is all, Sir.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

Quand j'ai laissé l'armée, je travaillais au "Tank Group". Ils m'ont demandé, vers onze heures et quart, de rapporter mon butin au manège le lendemain matin. Je couchais en chambre avec ma femme, ça fait que j'ai parti pour aller chez-nous, j'avais ma passe pour aller coucher chez-nous, mon linge se trouvait là. Ca fait que là je me suis "en retourné" chez-nous pour chercher mon linge; j'étais supposé rentrer ici vers huit heures, huit heures et demi le lendemain. Je suis arrivé chez-nous - ma femme est prise de maladie de coeur et était enceinte et elle avait fait une fausse couche à l'hôpital St-Luc; le docteur lui a dit qu'elle n'avait pas fait de fausse-couche et qu'elle continuait quand même. Au bout d'un mois elle a appelé son docteur et elle lui a dit: "Je ne suis plus enceinte, je ne suis plus malade". Il lui a dit: "Ca ne veut rien dire ça, vous continuez quand même". Les autres femmes lui disaient qu'elle avait fait une fausse-couche mais le docteur disait qu'elle continuait quand même.

Comme j'étais sous l'impression, d'après le docteur, qu'elle était enceinte, quand j'ai laissé l'armée, je suis arrivé chez-nous et j'avais aucune intention de laisser l'armée. Je me suis "en retourné" chez-nous et j'ai dit à ma femme qu'il fallait que j'amène mon linge le matin. Elle a fait une crise, vous comprenez, elle avait la maladie du coeur. Elle avait fait une fausse-couche, les voisines disaient ça mais le docteur disait qu'elle ne l'avait pas fait. Elle ne voulait pas que je parte. Elle pleurait car elle se trouvait seule et étrangère ici. Elle n'a ni père ni mère et elle ne voulait pas que j'aille. Je craignais pour elle, je voulais lui empêcher la mort. Je lui ai dit:"Je vais rester cette journée là". Je n'avais pas l'intention de rester, je voulais m'en retourner dans l'armée. Elle n'a pas voulu que je parte. Je ne voulais pas lui causer la mort. Après ça, elle a consenti à ce que je revienne, mais seulement après que la paix a été signée. Comme de raison, après que la paix a été signée, j'avais de bonnes raisons pour qu'elle consentisse. Je l'ai encouragé et lui ai dit: "Je n'aurai pas une grosse punition si je me rapporte".

Je suis dans l'armée depuis le 2 octobre, 1941. J'ai passé par les camps de Montmagny, ici, à Valcartier et à Farnham. J'ai eu une exemption à Valcartier pour travailler sur les terres. J'avais de l'expérience, j'avais travaillé sur les terres quand j'étais jeunesse. Là, ils m'ont amené ... J'avais eu une exemption pour travailler sur la terre. Ensuite je me suis "en retourné" dans l'armée. J'ai été avisé de me rapporter à Coverfield, le dépôt était là. J'appartenais au district No. 5, ensuite j'ai été transféré à Debert, N.S., ensuite à Terre-Neuve et j'ai été envoyé ici.

Avant d'entrer dans l'armée, je faisais la pêche et cultivais à Gaspé. J'ai 25 ans et je me suis marié le 27 septembre, 1943. Je n'ai pas d'enfants mais j'en attend un le 10 octobre. J'en aurai un au mois d'octobre, ma femme va entrer à l'hôpital. Ma femme va avoir 24 ans le 18 septembre.

Pendant mon absence sans permission j'ai demeuré à 1587 rue St-Hubert, en chambre. Ma femme était avec moi. J'ai travaillé un peu, je travaillais en dedans des maisons, à faire le ménage; j'ai travaillé à Westmount pour des juifs. Je faisais le ménage pour les femmes

(Suite)

et leur disais que j'étais en congé et que j'avais besoin d'argent; c'est la seule manière que je pouvais travailler. En plus de ça, j'avais un peu d'argent.

Aussitôt que j'ai pu faire consentir ma femme pour m'en revenir je me suis rapporté. Franchement, si j'avais su que ma femme m'aurait fait une crise comme ça, j'aurais expliqué mon cas au Capitaine du Tank Group; je lui aurais certainement expliqué mon cas avant.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR AU NOM DE L'ACCUSE

M. le Président,

I have only a few words to say here, because it is quite evident from the accused's story that he was torn between being faithful to his wife or to his country and his wife, his wife probably being nearer to him, he went to her. It is quite evident that he was quite sincere when he spoke about that fact, saying that he left the army because he was influenced to do so by his wife and not on his own accord. As you have heard, his wife is alone, 700 miles away from home, she was pregnant and therefore the accused was at a loss to know what to do.

Therefore I ask the court, when declaring sentence on this matter, to be as lenient as possible.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Dear Mr. Beaudry:

Re: E-615593, Private J. Bond

Further to my letter of 27th September regarding the Court-Martial sentence of the above named soldier, a report has now been received.

The responsible officers of the Department have advised me that Private Bond was found guilty of absence without leave for a period of approximately six months and that a sentence of ninety days in such a case is considered very lenient.

Further, a sentence of this length would not normally be subject to review. However, there is automatic remission for good conduct and in the event that Private Bond has earned all remission possible he would be released in the latter part of this month.

I am advised that the compassionate circumstances disclosed are not such as to warrant a special review of his case.

Yours very sincerely,

AGC-aj

Re: E-613593 - Joseph Bond

I have received your letter of 18th September regarding the wife of the above mentioned soldier, and your desire that he be released from detention in view of the physical condition of his wife.

This is a matter where it is advisable that a decision be made by the responsible officers of the Department, and I prefer not to intervene.

Your letter has, however, been referred to the appropriate officers for their consideration, and I will let you know as soon as possible what action is taken.

re Mrs Joseph Bond
1 587 St Hubert St, Montreal

Dear Doug:-

May I bring to your attention a very sad case in which justice might be tempered with a great deal of leniency.

A Mrs Joseph Bond, 1587 St Hubert, Montreal, came to see me yesterday. Her husband (E-615593) was condemned to 90 days' confinement for desertion and has now served a little over three weeks. Mrs Bond is pregnant, expects to be confined about the 10th of October, and is living alone in a room in Montreal where she has no relatives and no friends, since she apparently moved to our city to follow her soldier husband. She is obviously of very poor means and seems to be in a most pitiful state.

Is it possible that her husband be liberated - even if temporarily - from the 1st of October until some days after the confinement.

Under the circumstances you will appreciate that an immediate decision, favorable or adverse, be given on this case, since I must get in touch with this woman and give her what help I can.

Yours very truly,

Procédure sur une dénégation de culpabilité

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

Réponse:

Non monsieur.-

(Si l'accusé demande un ajournement, voir les instructions à la page 747 du M.D.M.)

~~Le procureur procède à l'appel des témoins~~

~~Aucun témoin n'est présent sur message par le procureur.~~

LE PROCUREUR REMET AU PRESIDENT
LES DOCUMENTS SUIVANTS SE RAPPORTANT
A L'ACCUSE: -

1 - Extrait Certifié des Ordres du Jour Partie 11 - portant le No. 171 - en date du 18 Juillet 1945, de Valcartier, P.Q.

(Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier.)

2 - M.F.M. 216 - signé à Valcartier, P.Q., le 6 septembre 1945, se rapportant à l'accusé.

(Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier.)

LE PROCUREUR N'A PAS DE TEMOINS A APPELER

LA POURSUITE EST CLOSE

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Je désire rendre témoignage sous serment monsieur.
(Voir pages D-3 et suivantes).-

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non.

~~Question à l'accusé.~~ Entendez-vous citer des témoins à l'appui de votre réputation?

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. DATE: le 5 septembre 1945	AGE: Rue St-Joseph, Lauzon, P.Q.
	ADD:

1.- Pour faire suite à mon téléphone de ce matin, je désire vous informer que le soldat ci-dessus mentionné s'est absenté sans permission depuis le 16 juillet dernier à la suite d'un congé dont il n'est pas rentré. A cette date, le soldat Bouchard fit des troubles d'estomac à la suite d'une intoxication alimentaire. Il essaya de se mettre en communication avec des medecins de l'armée, mais sans resultat. Sa mère refusa de le laisser partir. Il se remit de ces troubles. Mais au moment de revenir au camp, il fut prit de douleurs aux jambes et avait peine à marcher. Il vint me consulter à cette date et je lui conseillai de se mettre immediatement en communication avec le departement medical de l'armée.

2.- Comme il avait deja eu ces douleurs et qu'il avait inutilement attiré l'attention des autorités medicales dans le passé, la famille s'objecta à son retour malgré le désir du jeune homme de mettre un terme à son absence sans permission. Aujourd'hui je vous le retourne alors qu'il vient de nouveau me demander conseil. Je lui ai promis qu'on prendrait note des circonstances et qu'à tout le moins on ne le considererait pas comme un deserteur. Je l'ai prevenu qu'il ne pourrait pas echapper à la punition. Mais je me permets de vous recommander d'être aussi indulgent dans son cas qu'il sera possible de l'être.

3.- De nouveau je me permets de vous demander de le faire examiner par vos medecins relativement à des cicatrices aux jambes consecutives à une lesion qui fut classée conne tuberculeuse il y a quelques années.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

J'avais quelque chose à dire en ce qui concerne ma famille. Je suis le plus vieux chez nous. Dans le moment l'autre est marié. Mon père est malade, il ne peut pas travailler. C'est moi qu'il fallait qui survienne aux besoins de la famille. Ce que je donnais dans l'armée ça suffisait pas. J'ai pris une chance d'aller travailler pour essayer de monter le revenu de la famille. Avant de m'absenter j'ai été trois ans et demi dans l'armée. Avant d'être dans l'armée je travaillais dans un plan de munitions. Avant la guerre je travaillais dans un magasin de marchandises sèches comme commis. A l'appui de ma déclaration je produis un certificat médical concernant la santé de mon père.

"Un certificat médical signé par le Dr L.P. Beaudoin, en date du 1er septembre 1945, est lu, marqué CC-5, signé par le Président et versé au dossier".

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Monsieur le Président,

Le soldat Brazeau s'est absenté sans permission parce que son père était malade et qu'il était le seul soutien de sa famille. Alors, pendant son absence il a travaillé dans le bois, il faisait une moyenne de $17.00 par semaine et quand il a vu que les affaires allaient mieux, c'est-à-dire que son jeune frère commença à travailler, il décida de se rapporter aux autorités militaires. Je demanderais la clémence pour le soldat Brazeau.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

Monsieur le président,

Mon père est cultivateur et il est trop vieux pour cultiver sa terre tout seul. Il a soixante-et-cinq ans. J'ai voulu essayer de me placer sur la terre afin de pouvoir en avoir soin de lui sur ses vieux jours.

Ma mère est bien malade; elle a élevé seize enfants dont 8 sont morts et les autres sont mariés. Il n'y a pas de garçon chez nous. Mon père reste à St-Denis sur une terre.

Quand je suis parti, j'avais été dans l'armée depuis quatre ou cinq mois; j'ai fait mon 'basic' et mon 'advanced'.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'officier défenseur s'adresse à la cour:

Ce type-là a été influencé par ses parents. Comme il est arrivé dans bien des cas, ses parents, son père et sa mère, lui ont dit que c'était mieux pour lui de travailler et d'aider ses parents sur la terre que de rester dans l'armée. Lui, il a cru bon que c'était mieux d'aider ses parents. Il ignorait qu'en demandant un congé de l'armée, il aurait pu avoir un congé pour aller travailler sur la ferme. C'est de l'ignorance de sa part et c'est pour ça que je crois qu'il n'est pas responsable de ça.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Each issue of orders will be numbered consecutively, commencing on the 1st January each year, and each item will be given a sub-number.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

Monsieur le président,

L'automne dernier, quand j'ai entré dans l'armée, je voulais avoir un congé agricol parce que je suis fils de cultivateur; quand j'ai entré à Longueuil, j'ai demandé un congé agricol et ils m'ont dit d'aller faire mon "basic training" en attendant. Alors, j'ai fait mon application pour mon congé agricol et de temps en temps, pendant que j'étais à Sherbrooke, j'allais chez nous en passe, et eux autres, ils voulaient que je rester chez nous. On est seulement deux garçons, à part de ça, je n'ai ni frère ni soeur. Au jour de l'an, mes parents voulaient que je reste chez nous vu que mon père était malade. Il a eu un accident et il a une jambe cassée. Je suis revenu au camp le 2 janvier et là j'ai su que mon congé avait été refusé. Alors, le 5 janvier, j'ai décidé de partir pour aller travailler pour mon père. J'ai travaillé tout l'été et ensuite j'ai décidé de venir me rapporter une fois que les récoltes étaient finies. Du mois de janvier au mois d'avril, j'ai travaillé sur la ferme de mon père. L'hiver, je lui ai aidé à faire "le train" et faire le bois de chauffage. On a aussi une sucrerie et il faut faire du bois pour ça aussi.

Je produis les documents suivants pour appuyer ma déclaration:

a) une lettre en date du 4 septembre 1945, signée par William Proulx, maire,

b) une lettre en date du 8 septembre 1945, signée par Emile Grégoire, cultivateur, de Kingsley Falls,

c) une lettre en date du 10 septembre 1945, signée par le docteur Léonard Béchard, de Warwick,

d) une lettre en date du 10 septembre 1945, signée par Adélard Bolduc, de Kingsey Falls,

e) une lettre en date du 10 septembre 1945, signée par J. Vincent Lanouette, agronome propagandiste, de Victoriaville.

Les documents précités sont lus, marqués pièces CC-5, CC-7, CC-9, CC-11 et CC-13 respectivement, signés par le président et versés au dossier.

CC-5

Je soussigné par la présente que Mons. Rolland Boldue est de grande utilité sur la ferme de son père. Sans l'aide de son fils Mr Boldue aurait obligé de négliger beaucoup de travaux utiles à sa ferme.

Monsieur Commendant.

Je soussigné que j'ai en possession une ferme de 160 acres de terre donc 120 est en culture, et un troupeau vaches a lait, porcs, veaux, poules, ainsi qu'une sureuse. Je suis âgé de 46 ans et atteint de rhumatisme qui me font faire beaucoup de perte de temps étant seul sur cette terre je ne peux pas arriver a tout faire

L'automne dernier quand mon fils Rolland est entré dans l'armée j'ai fait une demande, et elle m'a été refusée Alors j'ai dit a mon garçon restant m'aider je ne suis plus capable de travailler toute seul.

C'est pour la raison aujourd'hui il est désertur, pour ma part j'ai jamais constaté que ces serviceurs étaient plus utile sur la terre que dans les forces armées. Mon fils étant fatigué de cette vie d'inquiétude préfère aller se rapporter pour y trouver une liberation final.

A QUI DE DROIT.

RE: BOLDUC Rolland, E-15122,
Kingsey Falls.

Cher monsieur,

Rolland Bolduc de la paroisse de Kingsey Falls est passé à mon bureau, dans le but d'avoir une recommandation pour un congé militaire.

Le jeune homme est un déserteur de l'armée depuis le 5 janvier dernier. Depuis son absence de l'armée, il a continuellement travaillé sur la ferme de son père, lequel est malade et ne peut voir à tous les travaux, il compte surtout sur les services de son fils Rolland.

Le requérant, de bonne foi, et sans aucune pression, se rend volontairement aux autorités militaires et compte bien que les autorités voudront donner une attention particulière à son cas et espère obtenir le congé sollicité.

Veuillez me croire,

Votre tout dévoué,

J.Vincent Lanouette,

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: La fois que j'ai été absent avant c'est parce que j'ai manqué mon train parce que j'avais été voir l'agronome au sujet de mon congé agricol.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'officier défenseur s'adresse à la cour:

J'implore respectueusement votre clémence au sujet du soldat Bolduc, en attirant votre attention sur les faits qu'il a lui-même mentionnés et les documents qu'il a soumis à la cour, lesquels indiquent qu'il est parti dans le but de venir en aide au foyer paternel. Une fois le travail sur la ferme fini, il est revenu, et je puis vous assurer de ses meilleures intentions.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Sir. RE. Remission of Sentence for September 17th 1945. I was tried by a Military Court Martial at Winnipeg Manitoba. And sentenced to serve a term of one year in the provincial Gaol at Headingly, Manitoba on a charge of AWOL.

May I further advise, my wife Mrs Nellie Bregden, residing at Oak Bluff Manitoba is confined to ~~bed~~ sick bed owing to operations performed upon her last summer. Also she is not receiving any allowance to keep her.

Prior to my enlistment I was reconized in our community as a law abiding citizen having earned the respect of my fellowman. My wife is alone with her many troubles, and in drastic need of my support. This can be confirmed by communicating with Mr Dicks at Dauphin Manitoba

I beg to remain Sir

2. The CM Board of Review has in the case of the a/m soldier made the following recommendation:

"
Release on 16 Mar 1946".

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, Sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No

A I just finished cutting grain, Sir.

Q How long had you been in the house?

A About ten minutes, Sir.

Q And how far away is the house from the field that you were working in?

A About half a mile.

Q It would take you, maybe, about fifteen minutes to come in from the field, would it?

A Yes, about that, Sir, by the time I got through with the tractor.

Q Did you work in the dark?

A Yes, Sir.

Q And when you quit that evening it was dark?

A It was dark, Sir.

Q Where does your wife live?

A At the present time she is with my parents in Fork River.

A She was there with me, Sir.

Q And how long had she been there?

A She had been there for about three months.

Q Where was she before that?

A She was staying with her Mother at Oakbrae, Manitoba.

Q How far is that away?

A That is ten miles away, Sir.

Q And when your wife was with her Mother were you staying in Oakbrae?

A No, Sir; I was down there a little while, about two weeks.

Q How about the beginning of your absence?

A I was home.

Q Was your wife with you?

A Yes, Sir, for a little amount of time, about three days; and then I took her back home to her Mother's. I used to go out there sometimes at night to see how she was getting along.

Q You mentioned something about your wife expecting a child in December?

A Yes, Sir.

Q That child would be conceived in March this year?

A Yes, Sir.

Q Where were you then?

A I was home, Sir; I was at her parents, Sir.

Q When did your wife come back from Wainwright, Alberta?

A She came back last July.

Q And she has been home since July?

A That is right.

Q Now, when this absence commenced you were home on leave, were you not?

A That is right.

Q And that leave was what kind of leave?

A I was told, Sir, that it was supposed to be Embarkation leave for me.

Q Were you getting more leave, or just purely Embarkation leave?

A I got ten days leave with it, Sir.

Q Ten days plus your Embarkation leave? Did you get any Christmas leave?

A Yes.

Q And you were supposed to be back in Winnipeg at 1400 hours on Christmas Day, 1944?

A That is right.

Q Now, why didn't you come back?

A Sir, when I come home my wife, she had just come out of the Hospital. She had a bad operation -- she had a big cut across her stomach -- she had eight stitches. She wasn't able to work for a long time, so I left her with her Mother to take care of her because I couldn't stay with her folks. I used to go there every night to see how she was getting along.

Q Ten miles every day?

A Yes, every day, with the car. In the meantime, about a few months ago my Mother went for an operation.

Q What was wrong with your wife?

A She had appendicitis and another operation on her womb.

Q Did the Doctor say anything about her having a child after that?

A Yes, he did.

Q What did he say?

A He said she would be feeling a lot better if she had a child.

Q Did he say when she should have it?

A No, Sir; he never told her.

Q So you went ahead and arranged to have a child?

A Yes, Sir.

Q How does your wife feel now?

A Not very good; she has backaches all the time, Sir.

Q Why didn't you report back to the Military Authorities? You knew it was imperative that you report back on time?

A Yes, Sir.

Q And still you didn't do it?

A I couldn't help it, Sir. I had no intention of staying away and being classed as a deserter.

Q But you did, didn't you?

A Yes.

Q Why didn't you report in after V-E Day?

A I was very busy all the Summer, Sir.

Q But you mentioned there were twelve in the family. Surely there was one who could help on the farm?

A He was going to School all the time, except after 21st June when he quit School for vacation.

Q How old is he?

A Sixteen, Sir.

Q Well, he could surely help on the farm?

A Yes, he could, but not very much.

Q Who is the next to him, older than he?

A There is no other brother older, Sir; I am the next one.

Q You are the oldest brother?

A Yes, Sir.

Q Why didn't you come back after V-J Day?

A I was still busy, Sir.

Q And that is all that you have in the way of an excuse, that you were still busy on the farm?

A Yes, Sir.

Q How big is the farm? How big did you say it was?

A 240 acres.

Q How much is under cultivation?

A 230 acres, and the rest is in pasture.

Q What crops do you have in?

A Wheat, Oats and Barley.

Q How much have you in Wheat?

A 65 acres.

Q How much in Barley?

A Barley, 30 acres.

Q How much in Oats?

A 28 acres.

Q That is the whole crop, is it?

A Yes, Sir.

15

Q And did you thresh the Oats, Wheat and Barley?

A That is all out in stooks yet, Sir.

Q Any cattle?

A Yes, Sir.

Q How many?

A Six head of my own, four horses; and Dad has thirteen head and three horses.

Q How many milking?

A Seven head, Sir.

Re-examined by the Defending Officer:

Q Your wife, I believe she lived at Wainwright, Alberta?

A Yes, Sir.

Q When did she go to her home address?

A The last of July, Sir.

Q How about the change of address?

A I let them know, Sir, and the Sergeant said he would put it in the sheet. He was going to put it in Orders; whether he did or not, I don't know.

Q As far as you know, your home address on your documents is Fork River?

A Yes, Sir.

The Witness resumes his seat.

The Prosecutor makes a closing address.

The Defending Officer makes a closing address.

DEFENDING OFFICER'S STATEMENT IN MITIGATION

Sir, the accused, Private Brezden -- Corporal Brezden, as he was when he went absent from the Army, has only had eleven days Basic training -- he was not a trained soldier. The man was promoted to a Corporal, Sir, and held that rank for seven or eight months as a Corporal in the M.T. He wasn't confirmed -- we don't have his documents to show whether he was confirmed or not; but I believe a man should be confirmed after three months. The man has pleaded the welfare of his family and the fact that his wife is going to have a baby in a few months. The man is only twenty-three, Sir, and he is young and has a wife dependent on him, and a future child, and also the health of his family, who are in poor health, as the man stated under oath.

That is all I have to say, Sir.

Mon cher Charles,

Je suis bien peiné que les choses ne se soient pas améliorées et même qu'elles ne vont plus du tout. Gabrielle a quitté St-Jérôme et elle est partie, je crois, avec ta mère. Le Lieut. Craig a été ici pour quelques jours pour discuter de ton affaire. J'ai eu quelques informations et je le verrai encor demain pour avoir d'autres détails car on m'a invité à la danse du F.T.S.

Mon cher Charles, je comprends un peu que toi et Gabrielle, étant encore jeunes, puissiez mal analyser la situation de notre famille. Ta mère en a profité pour mener à point son but de me détruire et elle a presque réussi. Jacques n'a pas donné signe de vie depuis qu'il nous a laissé et ton déménagement m'a surpris un peu. J'ai oui dire que ta mère et Gabrielle sont venues ici pour toute une semaine mais je n'ai vu ni l'une ni l'autre. J'ai bien essayé dans le passé d'arranger les choses autrement; j'ai tenté de faire entendre à ta mère que si elle voulait se faire une vie à elle toute seule, au moins elle pourrait nous laisser la paix. Toutefois, les circonstances ont voulu que vous choisissiez de suivre votre

Instruction. * S'il n'y a pas de sommaire ou d'abrégé de la preuve, on devra enregistrer, sur une feuille distincte et de la même façon que dans le cas d'une "dénégation de culpabilité", suffisamment de témoignages pour permettre à la Cour de fixer la sentence et permettre à l'autorité confirmative de connaître toutes les circonstances de la cause.

Si, d'après la déclaration de l'accusé ou d'après le sommaire ou l'abrégé de la preuve, ou autrement, la Cour en vient à la conclusion que l'accusé n'a pas compris les conséquences de son "aveu de culpabilité", la Cour devra modifier le dossier et enregistrer une "dénégation de culpabilité" et instruire le procès en conséquence.

mère et c'est bien ce qu'elle a dit il y a quelques années, elle a bien que je resterais seul et maintenant je suis seul. Elle a de la tenacité ta mère et j'ai usé de tolérance extrême avec elle. Elle a voulu me détr re et elle a presque réussi; elle s'en est même pris à mes amis, les uns après les autres, alors je ne vois pas autre chose à faire que lui donner silence. J'aurais voulu qu'on lave notre linge sale en famille mais il a fallu qu'il en soit autrement. Vous comprendrez peut-être un jour lorsque vous serez plus agés et que vous aurez plus d'expérience dans la vie, mai il sera trop tard. J'aurais voulu vous rapprocher plus étroitement pour vous élever. Je n'en veux à personne, mon cher Charles. Je ne veux attaq ni discréditer personne et je reste chez-nous, mais je ne voudrais cepend pas qu'en plus de ce qui arrive on vienne me critiquer et d'essayer de me détruire chez-nous. Je voudrais rester paisible et j'ai la ferme intentio de me détacher de ceux qui cherchent à me faire du tort, ce que tu sais. Cet état de chose règne depuis dix ans et m'a empêché de faire la vie que j'avais toujours rêvé et de faire pour vous ce que j'aurais voulu. Tu voulais le savoir, alors voilà, et n'en parlons plus. S'il arrivait que quelqu'un de vous s'inquiète de moi, subtout ta soeur Gabrielle, vous ne devrez pas paraître surpris. On n'aura pas besoin non plus de vous donner d'explications. Je suis un humain et je dois avoir mes défauts, alors je les supporterai seul.

Mon cher Charles, ne te chagrine pas et je te souhaite tout le bon succès possible. "Daddy".

Après avoir lu le document à la Cour, le Président le remet à l'accusé.

Q.6 Désirez-vous témoigner vous-même ou citer des témoins à l'appui de votre réputation? *Question à l'accusé.*

R.6 Je désire faire entendre des témoins à l'appui de ma réputation. *Réponse.*
