CANADIAN MILITARY HEADQUARTERS

LONDON 1 Oct 45.

C.55-B-2041

The Secretary,
Department of National Defence,
OTTAWA, Canada.

E-29403 Pte Beaudoin, L.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 22 May 45 for an absence without leave from which he surrendered after 134 days (AA Sec 15(1)) and an absence without leave from which he was apprehended after 12 days (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 21 Sep 46.

3. This soldier enlisted 12 Feb 40 at Quebec, P.Q., and he is now 22 years of age. In addition to the offences mentioned in para 1 above he has since enlistment been found guilty of 8 offences under AA Sec 15(1) and of 1 offence under each of AA Secs 41, 40, 18(1) and 24(2). He has had 2 previous FGCsM, the first on 24 Oct 41, when he was awarded a sentence of 90 days detention for an offence under AA Sec 18(1) and the second on 18 Aug 42, when he was awarded a sentence of 2 years detention for 3 absences without leave of 20 days, 5 days and 25 days respectively (AA Sec 15(1)), deficiencies in kit (AA Sec 24(2)), theft of civilian clothing (AA Sec 41) and improperly wearing badges of rank to which he was not entitled (AA Sec 40).

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. On the basis of the illegal absences of which this soldier has been convicted having occurred whilst serving with his unit in the field and his previous very poor record, it is considered that he should be required to serve his sentence of imprisonment with hard labour in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier deliberately misconducted himself in order to avoid action and in all probability for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 22 May 45, together with original A.F.A3104 in respect thereof on which this direction has been endorsed.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

Je suis fils de cultivateur. Mon père est âgé de 78 ans. J'ai un de mes frères qui est sous observation du médecin depuis un an. J'avais demandé une exemption et j'en ai pas entendu parler.

J'ai 28 ans et mon frère a 33 ans. J'ai deux autres frères plus vieux que moi, qui ne sont pas chez-nous. Un a 37 ans et l'autre a 32 ans. Un est marié. L'autre a été appelé par l'armée et a été "dischargé" mais il n'a jamais travaillé chez-nous; il travaille sur la construction. Celui qui est marié travaille pour le C.P.R.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé.- Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: N on, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR AU NOM DE L'ACCUSE

M. le Président,

Le père de l'accusé a 73 ans et ne peut pas être très efficace au travail de la ferme. En plus de ça un de ses frères, le seul qui pourrait aider à son père, est sous observation d'un médecin; il souffre de pleurésie et demande un repos assez prolongé.

Le but de l'accusé était d'aller aider à son père un peu. En plus de ça, il a fait une demande d'exemption et il n'a jamais reçu aucune réponse.

Prenant toutes ces raisons en considération, je demande la clémence de la cour envers l'accusé.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Sirs:

The reasons for my being absent without leave are - that I owed my parents money due to the fact that I was in debt. By buying a car which my parents loaned me money to pay for. And at a later date my parents needed the money that could not wait on my Army Pay Cheque. So I decided to go out and work for a month to pay my parents back. At the end of the period I found that the farmers that I was working for needed me. So as time went by the farmer getting busier every day needing me more than ever so I stayed until Harvest was over. At the end of the Harvest he gave me a two weeks vacation and I decided to come back.

DECLARATION ORALE DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

J'ai 21 ans. Ma femme a 22 ans. Je suis marié depuis le 15 août, 1942. Je suis dans l'armée depuis le 12 septembre, 1944. Je suis passé par les camps de Sorel et ici, et au Dépôt à Longueuil. J'ai deux enfants vivants.

Durant mon absence sans permission j'ai demeuré chez-nous à 5103 Charlemagne. Je n'ai pas travaillé tout le temps durant mon absence sans permission. J'ai travaillé comme waiter dans une taverne. J'ai travaillé depuis le commencement du mois de mars jusqu'au temps où je me suis fait appréhender. Le reste de temps je suis resté à la maison. C'est pour subvenir aux besoins de ma famille que j'ai travaillé.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR AU NOM DE L'ACCUSE

M. le Président,

Je n'ai pas grand chose à ajouter à ce qu'a dit l'accusé. Sa déclaration explique assez bien les circonstances qui ont motivé son absence et je demanderais à la cour de les prendre en considération et d'être clémente envers l'accusé.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Procédure sur une dénégation de culpabilité

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

Réponse: Non Monsieur.

(Si l'accusé demande un ajournement, voir les instructions à la page 747 du M.D.M.)

LE PROCUREUR REMET AU PRESIDENT LES DOCUMENTS SUIVANTS SE RAPPORTANT A L'ACCUSE.

- - - - - - - - - - - - - - - - - -

1° MFB 375 en date du 6 avril 1945 se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier."

2° MFM 216A en date du 10 septembre 1945 se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier."

Le procureur n'a pas de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment. voir page D-3 et suiv.

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non Monsieur.

~~Question à l'accusé.~~ ~~Avez-vous l'intention de citer des témoins à l'appui de votre réputation?~~

~~Réponse:~~

DE L'AVIS DE LA COUR, IL N'EST PAS NECESSAIRE DE SE CONFORMER A LA R.P. 83(B).

Procédure sur un aveu de culpabilité

L'accusé s'étant avoué coupable au DEUXIEME - - - - - - - - - - chef d'accusation, il est déclaré coupable de ladite accusation.

(On demandera au procureur s'il a une déclaration à faire touchant toutes les circonstances relatives à l'infraction.)

PAR LE PROCUREUR:

Si l'accusé avait plaidé non coupable, la Poursuite aurait établi à l'aide du témoignage du Quartier-Maître et de la formule 375 qu'à la date du 19 septembre 1945 il manquait à l'accusé des effets militaires au montant de $18.57.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement à l'accusation dont vous vous êtes avoué coupable ?

Réponse: Non Monsieur.

(La déclaration de l'accusé doit être consignée sur une feuille séparée.)

Question à l'accusé. Désirez-vous faire quelque déclaration par voie d'atténuation de peine ?

Réponse: Non Monsieur.

(La déclaration de l'accusé doit être consignée sur une feuille séparée.)

Question à l'accusé. Désirez-vous rendre témoignage vous-même quant à votre réputation ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous appeler des témoins quant à votre réputation ?

Réponse: Non Monsieur.

Règle de procédure 37 *(d)*. *Si, d'après la déclaration de l'accusé ou d'après le sommaire ou l'abrégé de la preuve, ou autrement, la cour en vient à la conclusion que l'accusé n'a pas compris les conséquences de son "aveu de culpabilité", la cour devra modifier le dossier et enregistrer une "dénégation de culpabilité" et instruire le procès en conséquence.*

Pour les variantes, voir page 747 du M.D.M.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: L'accusé, par son Officier Défenseur, dit: "Je demanderais la clémence de la Cour pour l'accusé. L'accusé s'est absenté pour aider à son frère qui a une terre, une érablière, je suppose. Les aides sont difficiles à obtenir. Il a eu un congé et l'a prolongé. Il a démontré que durant son absence il a travaillé avec son frère sur la ferme. Je demande la clémence de la Cour."

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Procédure sur une dénégation de culpabilité

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

Réponse: Non Monsieur.

(Si l'accusé demande un ajournement, voir les instructions à la page 747 du M.D.M.)

LE PROCUREUR REMET AU PRESIDENT LES DOCUMENTS SUIVANTS SE RAPPORTANT A L'ACCUSE.

- - - - - - - - - - - - - -

1° MFB 375 en date du 29 juillet 1942, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier."

2° MFM 216, en date du 28 août 1945, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier."

Le procureur n'a ~~aux~~ pas de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, voir page D-3 et suiv.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non Monsieur.

~~Question à l'accusé.~~ ~~Avez-vous l'intention de citer des témoins à l'appui de votre réputation?~~

(On demandera au procureur s'il a une déclaration à faire touchant toutes les circonstances relatives à l'infraction.)

PAR LE PROCUREUR:

Si l'accusé avait plaidé non coupable, la Poursuite aurait établi, à l'aide du témoignage du Quartier-Maître et de la MFB. 375, qu'à la date du 18 septembre 1945 il manquait à l'accusé des articles militaires pour un montant de $3.44.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement à l'accusation dont vous vous êtes avoué coupable ?

Réponse: Non Monsieur.

(La déclaration de l'accusé doit être consignée sur une feuille séparée.)

Question à l'accusé. Désirez-vous faire quelque déclaration par voie d'atténuation de peine ?

Question à l'accusé. Désirez-vous rendre témoignage vous-même quant à votre réputation ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous appeler des témoins quant à votre réputation ?

Règle de procédure 37 *(d)*. *Si, d'après la déclaration de l'accusé ou d'après le sommaire ou l'abrégé de la preuve, ou autrement, la cour en vient à la conclusion que l'accusé n'a pas compris les conséquences de son "aveu de culpabilité", la cour devra modifier le dossier et enregistrer une "dénégation de culpabilité" et instruire le procès en conséquence.*

Pour les variantes, voir page 747 du M.D.M.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: L'accusé, par son Officier Défenseur, dit: "Je demanderais à la Cour de considérer que le soldat Carignan a été frappé de plusieurs épreuves successives. Il lui était nécessaire de subvenir aux besoins de son père invalide et c'est ce qui a causé son absence pendant si longtemps. Je demande à la Cour d'user de clémence envers Carignan."

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

J'ai parti pour aider mon père. On est cinq enfants chez nous, c'est moi qui suis le plus vieux, pour aider. J'ai déjà demandé une exemption, ils ont pas voulu m'en donner. Mon père aimerait bien me voir avec lui parce qu'il est invalide, il est pas capable de travailler. J'ai vingt-et-un ans et je ne suis pas marié. Avant d'entrer dans l'armée j'étais électricien avec mon père. Je suis dans l'armée depuis le 5 octobre 1943. J'ai été à Sherbrooke, à Farnham et à St-Polycarpe. A St-Polycarpe je travaillais comme garde. Chez nous, la plus jeune a cinq ans, l'autre après huit ans, neuf ans, quatorze ans et quinze ans. Il y en a un qui a eu seize ans, il a commencé à travailler. Mon père a cinquante-trois ans. Ma mère vit. Mon père a tombé en bas d'une échelle, il s'est fait quelque chose au coeur. Il est pas capable de travailler. Quand il a tombé il travaillait à la Montreal Cottons à Valleyfield. Il a pas fait une plainte tout de suite, il se trouve à rien retirer. J'ai apporté une lettre du docteur et une lettre du maire pour çà, ils ont rien fait. Durant mon absence, j'ai travaillé pour mon père, j'ai travaillé avec des électriciens pour aider à mon père. J'ai demeuré chez nous. Pas tout le temps, j'ai été travailler en dehors un peu, toujours comme électricien. Je gagnais environ $25.00 par semaine. Je me suis décidé à me livrer, ma petite soeur a commencé à travailler, çà aidé un peu, pour essayer à être démobilisé pour aller gagner plus cher. J'avais pas assigné d'argent, je leur apportais. J'ai toujours apporté ma paye. Je savais pas qu'on était capable de signer. Ils ont dit que c'est les hommes mariés qui pouvaient signer de l'argent, j'étais garçon. J'ai jamais signé, je donnais mon argent.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Quand j'ai parti là, mon père était malade. J'ai reçu un télégramme; ça leur a pris à peu près cinq jours pour m'envoyer. Ils ont dit: "S'il est plus malade, reste ça sera correct". Quand j'ai revenu ils m'ont condamné. J'avais des papiers du docteur comme quoi il avait été malade tout le temps. Ils savaient pas s'il était pour mourir. J'ai demandé une exemption au colonel du camp de Farnham.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Monsieur le président,

Je n'ai rien à ajouter à la déclaration de l'accusé. Toutefois je demanderais la clémence de la cour considérant la bonne conduite antérieurement à sa première offense et aussi le fait qu'il s'est rendu lui-même.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

J'étais soutien de famille. J'avais ma mère et ma soeur malades. J'ai demandé un ajournement et on m'a refusé. Dû à ça j'ai venu au secours de ma mère. Je désire soumettre un certificat de médecin signé par le docteur Emile Ménard, en date du 30 décembre 1944, et un autre certificat signé par le docteur Jean Grignon de l'hôpital Notre-Dame, en date du 4 juillet 1945.

"Les documents ci-dessus désignés sont lus, marqués CC-5 et CC-7 respectivement, signés par le président et versés au dossier".

J'ai vingt-quatre ans, je ne suis pas marié. Avant d'entrer dans l'armée j'étais distributeur de Pepsi Cola. Je suis entré dans l'armée le mois d'avril 1944. Je suis passé par Petawawa. En entrant dans l'armée j'avais assigné $20.00 et le Gouvernement envoyait $25.00 à ma mère. Ma soeur a vingt-sept ans. Elle ne travaille pas. Mon père est mort. Mes frères envoyent de l'argent ces jours-ci, le temps que je suis pas. Un de mes frères travaille sur le taxi, l'autre est constable à Westmount. Ils sont tous les deux mariés. C'est moi qui reste à la maison. Dû qu'ils ont des enfants ils sont pas obligés de subvenir aux besoins de ma mère.

Durant mon absence j'ai demeuré sur la ferme à Ste-Dorothée pour monsieur Bergeron. J'ai travaillé pour mon beau-frère à Dorval à faire de l'ouvrage général. Il a une maison de touristes lui là. J'ai été deux mois au repos au début, sans travailler, parce que je pouvais pas trouver d'ouvrage. Je me suis décidé à me rapporter parce que j'avais une bonne occupation en vue. Ils exigent une "discharge"de l'armée absolument

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Monsieur le Président,

Le soldat Bélanger était soutien de famille, de sa mère et sa soeur toutes les deux malades. Rendu à Petawawa, il a demandé une exemption de service pour pouvoir aller travailler dans le civil pour soutenir sa famille. Malheureusement la permission lui fut refusée. Alors quand il est allé en passe il resta chez lui. Pendant les deux premiers mois il resta sans travailler ayant de la difficulté à se trouver un emploi. Puis il s'est trouvé une position sur la ferme de monsieur Bergeron à Ste-Dorothée. Alors, il faisait $30.00 par semaine sur lesquelles $18.00 allaient pour sa mère et sa soeur. Alors je voudrais que la cour prenne en considération ces motifs et de prendre le fait que le soldat Bergeron s'est rapporté de lui-même aux autorités militaires. Je demanderais la clémence de la cour pour le soldat Bergeron.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

8

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

ADMIN.

Three Rivers, June 5th, 1946.

Dear Sir :

This is an application for the release of D-654073, Roch Bellerive.

The undersigned is a general contractor in Three Rivers and is quite handicapped by the lack of specialized labour. The said Roch Bellerive has acquired a lot of experience in the building trade since he was employed by me before enlisting. Therefore, I believe he would be more useful if released as the Dominion Government is constantly asking for the co-operation of the contractors in its housing scheme for the veterans and other people.

Trusting my request will be complied with, I remain

Yours very truly,

(SGD) Philias Bellerive,
591 St-Georges Street,
THREE RIVERS, P.Q.

Note:

No further action deemed necessary, in view of our letter of 4 June 46 in answer to similar request.

Dear Sir :

This is an application for the release of D-654073, Roch Bellerive.

The undersigned is a general contractor in Three Rivers and is quite handicapped by the lack of specialized labour. The said Roch Bellerive has acquired a lot of experience in the building trade since he was employed by me before enlisting. Monsieur,

La présente est pour vous demander la libération de Roch Belleriv, D 654073

Le soussigné est contracteur général aux Trois-Rivières et souffre grandement du manque de main d'oeuvre spécialisée. Or le dit Roch Belleriv a une très bonne expérience dans la construction, ayant été à mon emploi avant son entrée dans l'armée. Je crois donc qu'il serait plus utile si il obtenait sa libération, car le gouvernement fédéral demande chaque jour la collaboration des entrepreneurs dans son plan de logements pour les vétérans et autres personnes.

Espérant que vous donnerez suite à cette demande d'une manière favorable, je me dis, Monsieur,

Votre tout obligé,

Monsieur,

Je vous accuse réception de votre lettre du 19 mai 1946, adressée au ministre de la Justice et transmise à notre ministère, pour que nous y répondions.

Les autorités militaires ne tiennent pas à garder un soldat en détention plus longtemps que ne l'exige l'intérêt de la justice et de la discipline. En conséquence, on revise régulièrement les sentences en vue d'accorder une remise de peine lorsque les circonstances la motivent.

Lors de la dernière revision, on n'a pas jugé devoir accorder une remise. La prochaine revision aura lieu lorsque le soldat Bellerive aura purgé la moitié de sa peine de 23 mois. Soyez assuré qu'on étudiera alors son cas avec impartialité et bienveillance.

Votre bien dévoué,

pour le sous-ministre,

Dear Sir:

This will acknowledge your letter of 19 May 1946 addressed to the Minister of Justice and passed to this Department for reply.

It is not the intention of the military authorities to hold a man in custody any longer than is necessary in the interests of justice and military discipline. Accordingly sentences are reviewed periodically with a view to effecting remission where circumstances warrant.

On the most recent review remission was not considered justified. The next review takes place when half of his 23 months has been served. You may be sure he will receive just and sympathetic consideration on that review.

Dear Sir:

I wish to apply for a remission of sentence in favour of my son, Roch, who has been in the Bordeaux Jail since July 1945. He was an Army deserter and since he could not find employment he blew up a Provost truck. Fortunately no one was injured.

Being a contractor I need his help. His absence is quite a handicap for me and I wish to apply for his immediate release, please.

Monsieur,

Je vous écris pour vous demander le pardon de mon fils Rock qui est incarcéré à Bordeaux depuis juillet 1945.

Etant déserteur de l'armée, et ne pouvant se trouver de l'ouvrage, il a fait suite un camion de la prévôté. Mais heureusement, personne ne fut blessé.

Comme je suis contracteur, et que j'avais beaucoup besoin de lui, cela me fait un gros tourage.

Donc, je vous demanderais sa

(1) On the night in question, members of the Provost Corps had parked two station wagons, one on a vacant lot and one on the road near a hotel; suddenly there were two explosions and both vehicles were considerably damaged, the roofs being blown out, the windows shattered, etc. (see photographs.)

(2) From the evidence of the accused's accomplices, one Pte. R. Tessier and one Leading Aircraftsman M. Levasseur, as well as the oral admissions made by the accused to the R.C.M.P. (which latter admissions were declared admissable by the court) it appears that the accused and Tessier, both Army absentees were sitting in a restaurant in Three Rivers about noon on the day in question, talking about things in general and in particular about the members of the Provost Corps. In the course of this discussion, the remark was made that if they had any dynamite they would blow up the two station wagons which were parked nearby. L.A.C. Levasseur, overhearing this remark, obligingly offered to furnish them with some and in fact arranged a rendezvous with them several hours later. After lunch he met one of them in the restaurant (Tessier) and gave ~~them~~ him two sticks of dynamite, some fuse lengths and detonators. In the evening, Tessier met the accused at the Bluebird Cafe where they drank some beer. Then they went to another restaurant. Tessier gave the accused one stick of dynamite and he kept the other himself. They then made their way toward the station wagons, one to each, ignited the dynamite, placed it on the drivers seat and proceeded to beat a hasty retreat.

I was in Three Rivers from May 10th to the 19th, 1945. On May 18th, 1945, between 9: 20 and 9:30 p.m., I was sleeping in the Caumartin Hotel aand I was awakened by L/Cpl McGee. I went downstairs. I saw a Dodge Station Wagon which was on fire; it was all blown up. I saw a Plymouth Station wagon also on fire and blown up. The Plymouth was on the opposite side of the road at the corner. The Dodge was parked in front of the Caumartin Hotel. Those two cars belong to the Canadian Provost Corps.

The roof of the Dodge was "off"; the windows were broken, and the front seat was damaged.

The roof of the Plymouth was "off"; the front windshield, the flour board and the front seat were damaged.

When I went down I took the gas out of the Dodge. I took two cans out. Out of the Plymouth I took two cans of gas and some oil.

At Three Rivers, Quebec, on the 18th May, 1945, I was in my room at the Caumartin Hotel when I heard a lot of noise, and approximately thirty seconds later another noise. I proceeded downstairs with other members of the Provost Corps and I discovered that the station wagon(D.N.D. vehicle Dodge) parked in front of the hotel was damaged. I did not see any fire in that truck. I then proceeded to the other truck (D.N.D. vehicle Plymouth) parked on a vacant lot at the corner of Niverville and St-Prosper Streets and I discovered that this other truck had also been damaged. That's all I know about the incident.

The roof of the Dodge was damaged and the windows were broken. The front seat was in a damaged condition. The glass was crack across ; it was shattered, not broken completely.

I didn't take very much notice of the Plymouth but I could see that the roof was blown up.

With me at the time were Corporal Lapointe and L/Cpl. Woodburn.

D-125719, Caporal C.E. Lapointe, No. 34 Coy, Canadian Provost Corps, CA, Westmount Barracks, being duly sworn, states:

J'ai été aux Trois-Rivières dans le cours du mois de mai 1945. J'avais sous mes ordres deux escouades. Woodburn, Magee, Michaud, Mailhot étaient sous mes ordres.

Vers 9 h. 15 du soir, le 18 mais 1945, j'étais dans ma chambre à l'hôtel Cammartin lorsque j'ai entendu une détonation suivie d'une autre. Sur le coups j'ai pas porté attention à ce que c'était. La femme de chambre est montée en haut et elle m'a dit que mes deux chars étaient en feu dans la rue. Je suis descendu vitement et j'ai vu que les deux chars étaient endommagés par la dynamite. Ca sentait la poudre. Les "tops" étaient arrachés et les vitres étaient cassées.

Ces deux chars étaient un Dodge station wagon et un Plymouth station wagon, appartenant au Canadian Provost Corps.

J'ai remarqué que les coussins avaient été comme brulés sur le siège d'en avant.

QUESTIONNE PAR L'ACCUSE:

Q. Vous avez bien dit que c'était 9 h. 15 du soir?

Q. Connaissez-vous l'accusé?

R. Oui, monsieur.

Q. Vous rappelez-vous l'avoir rencontré récemment?

R. Oui, monsieur.

Q. A quelle date?

R. Le 16 juillet, 1945.

Q. Voulez-vous nous raconter ce qui s'est passé?

R. Le 16 juillet, 1945, vers 1.30 ou 2 heures de l'après midi, j'ai rencontré le Caporal Desmarais, en charge du détachement de Trois Rivières, dans le bureau à Montréal et il m'a dit que Rock Bellerive avait été appréhendé le dimanche soir par le constable Gervais, constable spécial du lieu. Je lui ai demandé s'il l'avait questionné. Il m'a répondu "oui". Je lui demandé s'il avait pris une déclaration. Il m'a dit "non". Alors Bellerive était dans une de nos cellules. Je l'ai fait sortir de la cellule et je l'ai escorté au bureau de l'inspecteur Poudrette. Je lui ai demandé son nom et puis après ça je lui ai fait lire la mise en garde que voici: "Vous n'êtes obligé de rien dire; vous n'avez rien à espérer d'aucune promesse ou faveur et rien à craindre d'aucune menace, que vous disiez quelquechose ou non; mais tout ce que vous direz peut servir de preuve lors de votre procès".

Après la mise en garde je lui ai demandé s'il la comprenait bien. Il a répondu que oui. Alors je lui ai demandé de me raconter ce qui s'était passé le soir de l'explosion lorsque deux camions ont explosé le 18 mai,1945.

Q. Qui était présent au cours de cet interrogatoire?

R. Le constable Gervais et le Caporal Desmarais. Puis je lui ai demandé s'il voulait signer une déclaration confirmant tout ce qu'il venait de dire. Il a répondu que non. Il a dit "Je ne signerai rien". Alors j'ai commencé à prendre des notes. Après ça il m'a demandé si Tessier avait signé une déclaration. Je lui ai répondu que oui. Je ne me souviens pas au juste, mais je crois que le Caporal Desmarais a montré à Bellerive la signature de Tessier. Alors il a dit "Si les autres ont signé une déclaration, c'est correct je vais en signer une". Le constable Gervais s'est assis et a commencé à écrire une déclaration sous ma dictée, mais avant de dicter je lui ai dit que j'étais pour dicter la déclaration qu'il venait de me faire mais que s'il avait quelquechose de pas correct de me corriger. Je lui ai fait signer la déclaration. Le constable Gervais, le Caporal Desmarais et

(TRANSLATED) J.L.T.D. App "A"

Montreal, July 16th, 1945.

Statement of Roch Bellerive, 22 years of age and living at 591 St. Georges St., Three Rivers, Que., labourer, who, after having read the following warning:

"You need not say anything. You have nothing to hope from any promise of favour and nothing to fear from any threat whether or not you say anything. Anything you do say may be used as evidence at your trial."

states that he fully understands the wording of the said warning and of his own free will, makes the following statement.

Around June 21st, 1944, whilst I was working at the Cherrier plant in St. Paul l'Ermite, a civilian approached me and after identifying himself as a member of the Mounted Police, served me with a Mobilization Order, telling me to report to the Military District No.4 at Longueuil for my military training. The following day, June 22nd, I reported to Longueuil for my medical examination and I was informed that I was classed "A".

Six weeks later after my arrival at the St. Jerome training camp, we had a dance and after the dance the Captain gave us onehour to escort our ladyfriends home. I left the camp and did not return since and consequently I am a deserter from the Canadian Army since April 16th, 1944.

I returned to Three Rivers and rented a room situated at the corners of St. Antoine and Notre Dame Streets immediately above the Bea.Salon. I was working as a stevedore for J.C. Malone Company.

Friday morning, May 18th, 1945, I met Romeo Tessier and Leo Levasseur at the Guillemette Restaurant on Badeaux street, the topic of conversation between ourselves being idrected againsthe Provosts. Tessier and myself were saying that if we could manage to obtain dynamite, we would blow up the Provost trucks. Leo Levasseur who was with us understood what we were talking about and then told us: quote" If it is only that which you lack, I have some" unquote. This interview and conversation between us took place in the forenoon and we separated to go and have lunch.

During the afternoon, I returned to the Guillemette Restaurant and about 10 or 15 minutes after my arrival there, Leo Levasseur arrived also to the Restaurant and motioned to me to follow him outside and then the two of us went at the back of Guillemette Restaurant and there he, (leo Levasseur) gave me two sticks of dynamite and two pieces of wick about one foot long as well as two detonators which were already fastened to the wick. I took everything, dynamite, wick and caps and put same in my coat pocket.

Upon returning to the Guillemette Restaurant, we met Romeo Tessier who was just coming there to join us. The three of us namely, Levasseur, Tessier and myself returned at the Guillemette Restaurant for the balance of the afternoon and before going for supper, I gave the two dynamite sticks as well as the wick and detonators to Romeo Tessier and he left me to return to his home.

Around 7 to 7.30 p.m. of the same date, namely May 18th, 1945, I returned to the Guillemette Restaurant and there met Romeo Tessier again. We both stayed at this said restaurant for a length of time after which we went to the Blue Bird Restaurant to indluge in beer; we drank about three or four bottles of beer. Between 9.15 and 9.30 p.m., we left the Blue Bird Restaurant and returned to the Guillemette Restaurant and while I was buying cigarettes, Romeo (Tessier) went out the back of the Restaurant and when he returned, he told me "Come on, everything is alright".

We then left Guillemette's to go to the Caumartin Hotel and whilst walking infront of the Rapid Taxi stand, I noticed that there were no taxis there at the time. We continued on foot and on passing in front of the Lit D'or Tavern, I noticed that there was a taxi parked in front and that the said taxi was driven by Larochelle. Romeo and myself jumped into the said taxi and gave instruction to the said taxi driver to take us to the Caumartin Hotel. He, (Larochelle) dropped us off in front of the Caumartin Hotel on St. Prosper St.

I left Romeo and went to see if the doors of the Station Wagon per-

168

on the vacant lot were locked or not. During that time Romeo was examining the Station Wagon parked on St. Prosper Street for the same purpose. I noticed that the door on the driver's side, namely, on the left side was locked and that the one on the opposite side was not. I left this truck and met Tessier on Niverville St. near St. Prosper and once there, Romeo took out a bundle from his pockets and gave me a stick of dynamite to which the wick and detonator had already been fastened. We then separated and returned each to out station wagon, that is Romeo returned to the truck which was parked on St. Prosper St. and myself to the truck parked on the vacant lot. Once I reached the truck, I opened the door on the right hand side and leaned somewhat inside and lit the wick with a match and placed the dynamite stick on the centre of the front seat. After this was done, I joined Romeo Tessier who was waiting for me on Niverville St.

We returned both of us on foot to the Blue Bird Restaurant and we had hardly left but that I heard one explosion and approximately 10 to 15 seconds later, I heard another explosion. I did not return to see what had happened because I was sure that the explosions referred to were the two Provost trucks which had just blown up. Romeo and I returned to the Bleu Bird and met some friends. We again indugled in beer and I would dare say that we had about three or four bottles.

Around 11.15 or 11.30 p.m. of the same date, we left the Blue Bird and went back to the Guillemette Restaurant, I ate a little and after having remained at the Restaurant for a good while, I left to go to bed. I do not remember definitely whether Romeo Tessier was gone or not when I left the Guillemette Restaurant.

Since the day of the explosion, i.e., May 18th, 1945, I came to Montreal a few times and went visiting my uncle Alcide Tramblay at Chambly Bassin. I remained there approximately three weeks and during that time, I worked as a painted for my uncle who in turn is employed as a carpenter by the "Soeurs de la Sagesse" at Chambly-Bassin. My uncle paid me $20. to $25. per week. During the time that I was staying at my uncle's, my lady-friend, Miss Monique St. Pierre who lives in Three Rivers came to visit in Chambly-Bassin and remained at my uncle's about three days. I wish to mention at this point that I do not know if my uncle Alcide Tremblay was aware or not that I was a deserter from the Canadian Army whilst I lived with him.

I wish to add nevertheless that one night, I went sleeping at Mr. Guillemette's in the Post Office building at Three Rivers but I dare say that I do not remember if this was before or after the explosion of May 18th, 1945. The invitation to sleep there was made to me by Raoul and Gaston Guillemette who were at the Restaurant on the night that I went to sleep there. I also remember that some time after the May 18th, explosion, I went to sleep at the sister's home of Raoul and Gaston Guillemette who lives on Laviolette St., I do not know whether it is Mrs. Guilbert or the other one of their sisters who is married but whose name I do not remember, but I do know she lives on Laviolette St.

Signed at Montreal, this 16th day of July 1945.

(Signed) Roch Bellerive.

Q. 11 Voulez-vous nous raconter un évènement qui a dû vous frapper au cours de votre séjour à Trois-Rivières?

PREMIER TEMOIN
A CHARGE

(suite)

R. Oui, monsieur; le 18 mai 1945 au soir, j'étais dans ma chambre à l'Hôtel Caumartin à Trois-Rivières lorsqu'à 9 h. 15 ou entre 9 h. 15 et 9 h. 30, j'ai entendu une détonation suivie d'une autre. Sur le coup, j'ai pas pensé que c'était un de mes "chars" qui avait fait ça; quelques minutes après, la femme de chambre est montée en haut et elle est venue me dire que mes chars étaient en feu.

Q. 12 Qu'est-ce que vous voulez dire par "mes chars"?

R. Mes deux "chars" dont j'étais en charge; j'étais en charge de deux "squads".

Q. 13 A qui appartiennent-ils? A qui appartenaient les deux véhicules?

R. Au"Canadian Provost Corps".

Q. 14 Etes-vous allé voir quel dommage il y avait?

R. Oui, monsieur.

Q. 15 A quel endroit étaient stationnés les véhicules?

R. Le Dodge était sur la rue.

Q. 16 Sur quelle rue?

R. Sur la rue St-Prosper. L'autre "station", le Plymouth, était sur le coin de la rue St-Prosper et De Niverville, je crois, dans le lot vacant.

Q. 17 Est-ce que c'était loin de l'hôtel?

R. Le Dodge n'était pas bien loin.

Q. 18 Combien de pieds à peu près?

R. Peut-être cent pieds de l'hôtel.

Q. 19 Et le Plymouth, lui?

R. Oh! à peu près cent cinquante à cent soixante pieds.

Q. 20 Avez-vous dit que quand vous aviez entendu une détonation vous étiez descendu?

R. Oui, monsieur; je suis descendu voir les "chars".

Q. 21 A quel véhicule êtes-vous allé d'abord?

R. Je suis allé au Dodge pour commencer.

Q. 22 Qu'est-ce que vous avez constaté?

R. Le "top" était arraché, la porte d'en arrière était ouverte, le siège était comme brûlé par de la poudre, noirci et tout arraché.

PREMIER TEMOIN
A CHARGE

(suite)

Q. 23 Avez-vous remarqué une senteur particulière?

R. J'ai remarqué une odeur de poudre.

Q. 24 Ensuite, où êtes-vous allé?

R. J'ai traversé la rue et je suis allé voir le Plymouth.

R. La même chose à peu près. Le "top" était arraché; les vitres étaient toutes craquées; le "dash" était craqué aussi; il y avait un trou dans le plancher en avant.

Q. 26 Avez-vous remarqué une senteur particulière?

R. Ca sentait encore une odeur de poudre.

Q. 27 A quelle heure aviez-vous stationné votre véhicule à cet endroit-là?

R. Ils étaient stationnés là depuis cinq heures de l'après-midi.

R. Ils étaient en bon état.

Q. 29 Avec qui étiez-vous à Trois-Rivières?

R. Avec le lance-caporal Magee, le lance-caporal Woodburn, le lance-caporal Mailhot, et puis Michaud, Loiselle et Lefrançois.

R. Le Dodge était 636 et le Plymouth était 235.

Q. 31 De l'endroit où vous étiez à l'hôtel, pouviez-vous voir les véhicules?

R. Non, pas directement, parce que les véhicules étaient dans la rue et notre chambre était dans l'hôtel en arrière au deuxième étage.

Q. 32 Quelle sorte de voiture était-ce?

R. Un Dodge et un Plymouth.

Q. 33 Oui, mais quant à la forme, le modèle?

PREMIER TEMOIN
A CHARGE

(suite)

R. C'étaient des "station wagons".

Q. 34 Qu'est-ce que vous voulez dire quand vous dites que les brûlures que vous avez constatées sur le siège semblaient avoir été faites par de la poudre?

R. C'est parce que la ouate dans le siège était noircie.

Q. 35 Avez-vous déjà été témoin d'un autre incident où de la poudre aurait causé des dommages?

R. Je ne le crois pas.

Q. 36 Est-ce que vous avez déjà constaté certains dégâts où il s'agissait bien de la poudre qui avait causé les dégâts?

R. Ca peut arriver mais là-dessus je pourrais pas me prononcer; j'ai jamais remarqué assez pour ça.

Q. 37 Est-ce que ça aurait pu être autre chose que de la poudre qui aurait causé des dégâts aux véhicules?

R. Non, monsieur.

Q. 149 Est-ce que l'un ou l'autre vous en a demandé de la dynamite textuellement ou si c'est vous qui en avez offert?

R. Il me l'a demandé.

Q. 150 Maintenant, voici ce que vous avez dit dans votre témoignage à la prise du résumé de la preuve, au capitaine Primeau; je lis à la page 3 du sommaire:

"Q. Voulez-vous nous raconter ce que vous savez au sujet de cette explosion?

R. Un avant-midi, j'ai rentré au restaurant chez monsieur Guillemette.

Q. Avant l'explosion?

R. Oui, monsieur.

Q. Après?

R. Bellerive et Tessier étaient après parler de "trucks". Ils disaient s'ils avaient de la dynamite pour faire exploser les "trucks"; j'ai dit que j'en avais."

Alors, c'est là-dessus que ma prochaine question va porter. Comment ça s'est-il produit exactement cette histoire de conversation au sujet de la dynamite? C'est ça que je voudrais que vous expliquiez clairement.

Q. 234 Après ça, quand je suis allé à Longueuil prendre le sommaire de la preuve dans la cause de Bellerive, vous rappelez-vous avoir rendu témoignage devant moi?

R. Oui, monsieur.

Q. 235 Vous étiez sobre ce jour-là?

R. Oui, monsieur.

Q. 236 Je vous ai posé des questions dans ce sommaire-là. Vous rappelez-vous que je vous ai demandé si vous étiez allé voir si les portes et les fenêtres des camions des "provosts" étaient ouvertes, et vous avez répondu "Oui, je m'en rappelle" ? Vous rappelez-vous d'avoir répondu ça au sommaire de la preuve?

R. Vous avez posé assez de questions au sommaire de la preuve que je ne peux pas dire.

Q. 237 Vous rappelez-vous que je vous ai posé la question suivante aussi: "Puis vous avez allumé votre bâton et vous l'avez laissé là?" et vous avez répondu: "Oui, monsieur" -- vous en rappelez-vous?

R. (PAS DE REPONSE)

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

"Je m'objecte! Ce n'est pas la cause de Tessier mais celle de Bellerive. Je prétends qu'il ne peut être admis en preuve une telle question. Le procureur pose des questions formelles qui ont été posées à la prise du sommaire de la preuve dans la cause de Tessier. On ne juge pas Tessier ici; on juge Bellerive. Je soutiens que ceci n'est pas légal!

LE PROCUREUR S'ADRESSE A LA COUR:

"Je présente tout simplement au témoin son témoignage qu'il a rendu dans le sommaire de la preuve dans la cause de Bellerive et non pas dans le cas de Tessier.

"Je le mets en présence d'une de ses répon ses parce qu'il vient de me dire qu'il ne s'en rappelle plus. Je le mets en présence d'une de ses déclarations au sommaire de la preuve."

LA COUR RENVOIE L'OBJECTION DE LA DEFENSE.

Q. 238 Alors, vous rappelez-vous d'avoir dit ça? Vous rappelez-vous que je vous ai posé la question suivante: "Vous rappelez-vous vous être rendu près des camions des 'provosts' ?" et vous avez dit, "Je me rappelle que Bellerive et moi étions là quand les camions ont sauté." ?

R. Je peux vous avoir dit que j'avais approché près des "trucks" après; quand j'étais là, les "trucks" avaient sauté, mais pas avant que les "trucks" sautent; ça, j'ai pas dit ça.

R. Ben...quand un gars se couche, il se relève le lendemain d'habitude.

Q. 241 Dans le sommaire d'évidence, vous dites que vous êtes allé aux camions des "provosts"?

R. Oui, le lendemain, dans le garage.

Q. 242 Vous dites que c'est le soir même, dans le sommaire ici, que vous êtes allé voir les camions des "provosts". Je vous ai demandé: "Puis, avez-vous allumé votre bâton et l'avez laissé là?" et vous avez répondu: "oui". Alors, vous n'étiez pas couché?

R. J'ai rien à répondre là-dessus.

Q. 310 Etes-vous prêt à jurer que vous n'êtes pas allé près des camions des "provosts"? Ca ne vous rappelle rien, ça?

R. Je ne peux pas jurer. Si j'avais été à jeun, je pourrais vous le jurer, mais j'étais chaud.

Q. 311 Pouvez-vous jurer sur votre conscience pas vous rappeler d'être sorti de chez Guillemette et d'être allé ailleurs avant d'aller chez vous?

R. A ce temps-là, j'étais dégrisé.

Q. 312 A quelle heure ça?

R. Vers 11 h. 30.

Q. 313 Avant 11 h. et demie, vous êtes capable de jurer que vous ne vous rappelez pas être sorti de chez Guillemette?

R. Oui, monsieur.

Q. 314 Vous êtes capable de jurer ça?

R. Pas pour le jurer; j'étais chaud.

Q. 315 Vous jurez que vous étiez assez chaud pour ne pas vous en rappeler?

R. Oui, monsieur.

Q. 316 A quelle heure vous rappelez-vous? Sur la fin de cette journée-là, la dernière chose que vous vous rappelez, quelle heure était-il alors? Vous vous souvenez de la veillée?

R. Oui, monsieur.

Q. 317 Quelle heure était-il quand vous avez repris votre connaissance?

R. J'étais après manger de la soupe chez Guillemette; il était vers 11 heures ou 11 h. 30; j'ai parti après ça.

Q. 318 Vous rappelez-vous du témoignage de monsieur Guillemette à votre procès?

R. Je m'en rappelle comme ça un peu.

Q. 319 Il est venu témoigner à votre procès à Longueuil?

R. Oui, monsieur.

Q. 320 Alors que vous étiez accusé d'avoir endommagé un véhicule militaire?

R. Oui, monsieur.

Q. 321 Vous rappelez-vous l'avoir fait venir comme témoin pour témoigner simplement sur le fait qu'à neuf heures, entre neuf heures et dix heures, vous étiez au restaurant chez Guillemette, et comme question de fait, Guillemette a juré ça devant la cour?

PAR L'OFFICIER DEFENSEUR:

C'est du "hearsay"; l'accusé n'était pas là.

LA COUR RENVOIE L'OBJECTION DE LA DEFENSE.

R. Oui, monsieur.

Q. 322 Vous rappelez-vous que Guillemette est venu à votre procès?

R. Oui, monsieur.

Q. 323 Vous rappelez-vous que vous l'avez fait venir?

R. Non, monsieur.

Q. 324 C'est votre avocat qui l'a fait venir?

R. Oui, monsieur.

Q. 325 Pour dire que vous étiez au restaurant entre neuf heures et dix heures et demie?

R. Oui, monsieur.

Q. 326 C'était le but de son témoignage, ça?

R. Oui, monsieur.

Q. 327 Là, vous venez nous dire que vous mangiez de la soupe?

R. Oui, monsieur; mais il a dit aussi que j'aurais pu m'absenter et revenir plus tard et qu'il l'aurait pas remarqué. Il a dit ça aussi.

Q. 328 A 11 h. et demie, vous étiez encore là, ou si vous êtes revenu à 11 h. et demie?

R. A 11 h. et demie, je vous dis que je m'en rappelle que j'étais là.

Q. 329 Est-ce à ce moment-là que vous avez mangé votre soupe?

R. Oui, monsieur.

Q. 331 Vous ne vous rappelez pas d'avoir mangé de la soupe à neuf heures?

R. Non, monsieur.

Q. 332 Vous rappelez-vous, Tessier, d'avoir été devant la police montée le 9 juin 1945?

R. Je m'en rappelle pas au juste de la date, mais je me rappelle d'avoir été là.

Q. 333 Qui vous a interrogé? Vous en rappelez-vous?

R. Pour dire leurs noms...il y avait le caporal Desmarais et un autre; je ne sais pas son nom à lui.

Q. 334 Vous rappelez-vous des circon stances de votre procès, le mois dernier?

R. Oui, monsieur.

Q. 335 Vous rappelez-vous d'avoir dit au cours de votre procès que la police avait été polie à votre égard?

R. Oui, assez polie.

Q. 336 Alors que vous vous sentiez à l'aise, pas trop malheureux, vous rappelez-vous avoir dit ça?

R. Si je me rappelle d'avoir dit ça, c'est parce que je leur avais dit bien avant; ça faisait deux jours que j'avais pas mangé.

Q. 337 Est-ce qu'ils vous ont maltraité?

R. Non, monsieur.

Q. 338 De quelle façon ont-ils procédé pour prendre votre déclaration?

R. Premièrement, quand j'ai rentré là, ils m'ont demandé mon nom et ils m'ont demandé si je connaissais Levasseur. J'ai dit "Oui". Je leur ai dit: "J'ai déjà été à l'école avec lui". Monsieur Desfosses je le connaissais; je connaissais Vermette, pas par son nom, mais son premier nom - on l'appelait Maurice. Ils m'ont demandé: "Qu'est-ce que tu sais à propos des "trucks" des "provosts"? J'ai dit: "Absolument rien". La Police Montée m'a dit: "CA sert à rien de conter des menteries; Levasseur m'a tout conté les faits à moi-même."

Q. 339 Qu'est-ce qu'il avait conté, Levasseur?

R. Tout ce qu'il y a sur la confession de Levasseur.

Q. 340 Mais qu'est-ce qu'il avait dit, Levasseur?

Q. 341 Levasseur n'était pas avec vous autres?

Q. 342 Il y avait seulement Bellerive et vous?

R. Oui, monsieur.

Q. 343 Alors, Levasseur ne pouvait pas savoir les détails de la façon dont vous vous êtes pris pour faire sauter les "trucks"?

R. C'est pas moi certain qui les a racontés.

Q. 344 Alors, Levasseur n'a pas pu raconter à la police comment ça c'était passé?

R. La police m'a questionné exactement; il m'a tout raconté ça; c'est là-dessus qu'il a fait sa confession.

Q. 345 Oui, mais Levasseur pouvait pas savoir quelque temps avant que les "trucks" sautant que vous aviez dit: "Keep away from that truck", par exemple?

R. Si j'ai dit ça par après, je m'en rappelle pas.

Q. 346 Comment voulez-vous que Levasseur sache ça? Comment expliquez-vous que Levasseur savait ça s'il n'y était pas là?

R. Si j'ai dit ça à Levasseur, j'étais chaud; je me rappelle pas d'avoir dit ça à lui.

Q. 347 Mais à la Police Montée vous leur avez dit ça?

R. Pas moi! C'est pas moi qui ai dit ça.

Q. 348 C'est votre confession à vous?

R. C'est une confession de même...et d'une autre manière, c'est pas une confession.

Q. 349 Qui l'a faite cette confession-là?

R. C'est pas moi. Ce sont des questions. J'ai dit que je devais être là parce qu'il était question de dynamite; la confession a été formée là-dessus.

Q. 350 Vous nous avez dit que quand les camions ont sauté, il y avait juste Bellerive et vous, et que Levasseur n'était pas là?

R. J'ai pas dit que Bellerive et moi étaient là.

Q. 359 Selon votre expérience, sergent Charest, quelle est, dans votre opinion, la cause des dommages fait à ces deux véhicules?

R. Par ce que j'ai constaté, ça a dû être causé par une explosion quelconque.

CONTRE-INTERROGE PAR L'OFFICIER DEFENSEUR:

Q. 360 Vous dites "une explosion quelconque"; est-ce que ça implique que ça peut être une arme quelconque?

R. Non, monsieur; une explosion serait causée, disons, par un bâton de dynamite, une "fuse" ou quelque chose comme ça; par les dommages, on peut pas dire que c'est une grenade mais quelque chose de mou qui aurait fait explosion pour pas laisser de trace et pour "maganer" le matériel.

Q. 361 Savez-vous ce que c'est qu'un "bazooka"?

R. Oui, monsieur.

Q. 362 Serait-il possible qu'un "bazooka" aurait causé ces dommages?

R. De ce que j'en sais, non.

(suite)

Q. 363 Est-ce que c'est possible?

R. Non, monsieur; pas pour moi.

Q. 364 Pourquoi?

R. Parce que ça aurait fait un trou de bord en bord.

Q. 365 Avez-vous déjà vu tirer du "bazooka"?

R. J'en ai entendu seulement.

Q. 366 Vous ne savez pas par vous-même quel dommage ça aurait causé? Un "bazooka" aurait frappé assez fort pour passer au travers du toît. Est-ce que d'après vous, il ne serait pas possible qu'une arme quelconque placée sous le camion aurait causé ces dommages-là?

R. Ca peut dépendre quelle sorte d'arme; pour commencer, on peut voir que l'explosion a été causée par en-dedans.

Q. 367 Mais ça peut être possible?

R. Une explosion est partie d'en-dedans du véhicule; il n'y a aucun doute là-dessus. Si un explosif quelconque avait été tiré par le chassis, là c'est différent, mais on voit que l'explosion s'est produite en-dedans du "char".

Q. 429 Voulez-vous raconter à la cour ce qui s'est passé à votre bureau?

R. A mon arrivée à mon bureau, à Trois-Rivières, le 15 juillet 1945, j'ai vu l'accusé qui avait été amené par le constable Gervais, agissant sous mes ordres. Dès mon arrivée, j'ai montré à l'accusé une petite carte qui consiste la mise en garde.

Q. 432 Ce sont les initiales de l'accusé?

R. Oui, monsieur. Je désire ajouter que la mise au point par rapport à la mise en garde a été faite en présence du constable Gervais. Par la suite, j'ai laissé l'accusé sous la garde du constable Gervais et un autre de mes hommes, le constable Dulieu. Alors, je me suis absenté vers 7 h. 45 du soir de l'endroit où était l'accusé, jusqu'à vers 10 h. 30 de la même journée, alors que je suis allé à mon bureau pour questionner un autre témoin. En revenant dans le bureau où était l'accusé, vers 10 h. 30, du soir bien entendu, en conversation générale avec l'accusé, parlant de choses et d'autres, il a été question de l'explosion qui s'était produite à bord de deux camions de la prévôté. J'ai aussi montré à l'accusé des photographies desdits camions.

Q. 433 Les avez-vous ici ces photographies?

R. Oui, monsieur.

Q. 434 Voulez-vous les produire à la cour?

R. Oui, monsieur; celle-ci, en la montrant à l'accusé, je lui ai demandé s'il reconnaissait le siège sur lequel il avait dé posé le bâton de dynamite.

Une photographie est examinée par la cour, marquée pièce "L", signée par le président au verso, et versée au dossier.

Q. 435 En avez-vous d'autres?

R. Je produis également quatre autres photographies comme étant d'autres "coupes" ou "vues" du même camion.

Quatre photographies sont examinées par la cour, marquées pièces "M", "N", "O" et "P", respectivement, signées au verso par le président et versées au dossier.

Je désire ajouter que ces photographies ont été prises par notre photographe officiel le lendemain de l'explosion.

J'ai ensuite laissé l'accusé pour la nuit, au bureau de la compagnie, sous l'escorte desdeux membres de la police montée, jusqu'au lendemain.

Q. 436 A quel moment a-t-il fait sa déclaration?

R. Référez-vous à sa déclaration verbale?

Q. 437 Oui?

R. Environ vers 11 h. et demie ou minuit moins quart.

Q. 438 Avant que vous l'envoyiez pour la nuit?

R. Vers 10 h. et demie, je suis revenu. J'ai été ailleurs et je suis revenu et je suis demeuré jusqu'à ce temps-là; les deux gardes étaient présents.

Q. 439 Pendant ce temps-là, il a fait sa déclaration?

R. Oui, monsieur.

Q. 440 Avant qu'il parte pour la nuit alors, sa déclaration a été faite?

R. Oui, monsieur. L'accusé a couché sur un des lits régimentaires de la barraque.

Q. 441 Qui était présent au cours de l'entrevue?

R. Le con stable Gervais.

Q. 442 Le constable Dulieu était-il là?

R. Non, monsieur.

Q. 444 Aucune question?

R. Non, monsieur.

Q. 445 Qu'est-ce qu'il faisait là?

R. Il était simplement comme escorte.

Q. 446 Est-ce que vous lui avez posé plusieurs questions à l'accusé?

R. Je lui ai demandé s'il voulait faire une déclaration en rapport avec l'explosion des deux camions.

Q. 447 Ensuite, a-t-il récité toute l'affaire ou si vous avez été obligé de poser des questions?

R. Il a répondu: "J'ai aucune déclaration à faire. Si j'en ai une à faire, je la ferai en temps et lieu."

Q. 448 Ensuite, qu'est-ce qui est arrivé après ça?

R. C'est de là que vient mon point que j'ai mentionné qu'on a causé de généralités.

Q. 454 Après la conversation finie, de quelle façon avez-vous amené sa déclaration?

R. Sa déclaration verbale?

CONTRE-INTERROGE PAR L'OFFICIER DEFENSEUR:

Q. 463 Voulez-vous, s'il vous plait, répéter vos allées et venues et celles del'accusé, à partir du moment où vous avez eu affaire à lui, brièvement?

R. Je suis allé au bureau vers sept heures et demie du soir, le 15 juillet 1945. L'accusé était dans le bureau 213, édifice des Postes. Il était assis le long d'une table, d'un air indifférent...

Q. 464 Ce à quoi je veux en venir...je ne vous demande pas de répéter tout le témoignage, simplement c'est pour pouvoir éclaircir quels sont les personnages qui m'intéressent. Alors, vers 7 h. 30, dans le bureau 213, qui était là?

R. L'accusé avec un de mes hommes.

Q. 465 Quel est son nom à cet homme-là?

R. Le constable Gervais.

Q. 466 Vous êtes entré dans le bureau et vous avez conversé?

R. J'ai constaté l'arrestation de l'accusé qui était présent.

Q. 467 Est-ce à ce moment-là que vous avez fait la mise en garde?

R. Tout juste.

Q. 468 Le constable Gervais était là?

R. Oui, monsieur.

Q. 469 Seul avec vous et l'accusé?

R. Dulieu était là aussi; il y a eu des moments où il a été présent.

Q. 470 D'abord, pour marcher chronologiquement, auriez-vous dit officiellement à Bellerive de quoi il s'agissait?

R. J'ai pu lui demander pourquoi il avait été amené au bureau, pourquoi il avait été arrêté.

Q. 471 Mais vous ne lui avez pas dit vous-même qu'il s'agissait d'une certaine offense, d'une explosion? De vous-même, lui avez-vous dit?

R. J'ai pas parlé pour la raison de l'attitude de l'accusé qui se sentait arrêté comme déserteur; je voulais le laisser croire ça.

Q. 473 Il n'a pas été question d'explosion?

R. Pas à ce moment-là.

Q. 474 Vous ne l'avez pas accusé de l'offense d'av oir fait sauter des autos de l'armée?

R. Nécessairement que non.

Q. 475 Combien de temps êtes-vous resté dans ce bureau avec Dulieu, Gervais, Bellerive et vous-même?

R. Je suis resté avec Dulieu et Gervais environ dix à quinze minutes; après quoi, Gervais et Dulieu se sont absentés quérir une demoiselle Marguerite St-Pierre, je crois, l'amie de l'accusé, et l'amener à mon bureau en haut.

Q. 476 Vous étiez avec Bellerive pendant une vingtaine de minutes?

R. J'ai dit "avec les trois", environ dix à quinze minutes, après quoi Dulieu et Gervais se sont absentés. Je suis resté seul avec Bellerive alors.

Q. 477 Pendant combien de temps?

R. Pendant quinze à vingt minutes.

Q. 478 De là, qu'est-ce qui est arrivé?

R. Un de mes hommes m'a averti que mademoiselle St-Pierre était dans mon bureau; j'ai laissé l'accusé et j'ai été questionner mademoiselle St-Pierre.

Q. 479 Pendant le laps de temps où vous avez lu la mise en garde à Bellerive, plutôt, pendant qu'il l'a lue lui-même, jusqu'au moment où vous vous êtes absenté pour monter à votre autre bureau, a-t-il été question de l'incident?

R. Non, monsieur.

Q. 480 Du tout?

R. Pas directement; pas catégorique.

Q. 481 Quand vous êtes monté dans votre bureau, Bellerive est-il resté seul dans le premier bureau?

R. On ne laisse jamais les prisonniers seuls.

Q. 482 Qui était avec lui?

R. Le constable Gervais.

Q. 486 Avec qui était-il?

R. Avec le constable Gervais.

Q. 487 Qu'est-ce qui s'est passé là à votre seconde visite au bureau 213 où était Bellerive?

R. Rien d'anormal.

Q. 488 Non? Pouvez-vous donner plus de détails? Quel a été le sujet de la conversation?

R. Au sujet de la confession, vous voulez dire?

Q. 489 Est-ce que ça a été l'incident dont vous avez parlé tout de suite?

R. Pas une mise au point directe.

Q. 490 Comment expliquez-vous l'affaire alors?

R. La mise au point n'a pas été directe en rapport avec l'incident.

Q. 491 Vous avez parlé de choses et d'autres d'abord?

Q. 494 L'avez-vous mis en garde de nouveau, je vous le demande?

R. Non.

Q. 495 Vous avez dit dans votre témoignage à la poursuite que les deux gardes étaient présents à la déclaration; de qui voulez-vous parler?

R. Le constable Dulieu et le constable Gervais, mais je pense que Dulieu s'est absenté; je ne me rappelle pas au juste à quel temps, mais Gervais lui était présent.

Q. 499 Vous affirmez de nouveau que l'accusé aurait dit qu'il ne voulait pas faire de déclaration?

R. Si je me rappelle bien, c'est ce que j'ai dit.

Q. 500 A quelle heure a-t-il dit ça?

R. Peut-être vers 11 h. moins quart, 11 heures.

Q. 501 A quelle heure a-t-il été mis en garde?

R. Vers 7 h. 30.

Q. 502 L'accusé a-t-il fait une déclaration formelle? J'entends par là, a-t-il récité tout d'un trait ce qu'il avait à dire?

R. Non, monsieur; ce qu'il a admis était spontané.

Q. 503 Spontané ou tout d'un trait, c'est deux choses différentes. Est-ce qu'il a dit, est-ce qu'il a donné sa déclaration tout d'une haleine, tout d'un trait?

R. Non, monsieur.

Q. 504 Est-ce que vous lui avez posé des questions, vous-même?

R. J'ai pu lui en poser quelques-unes...je dirais même sur différents points.

Q. 505 Est-ce que d'autres lui ont posé des questions?

R. Non, monsieur, pour la raison que j'ai donné instruction à mes hommes de ne pas poser de questions à l'accusé.

Q. 506 Vous êtes le seul qui en avez posé?

R. Oui, monsieur, à ma connaissance.

Q. 507 Quelle était votre idée en le faisant parler?

R. Pour connaître les faits de la cause et faire enquête.

Q. 508 Quelle a été votre réaction quand Belleriive vous a dit qu'il voulait pas faire de déclaration, à votre demande?

R. C'est une chose tellement générale que ça a été simplement une constatation. Les accusés admettent rarement en première instance.

R. Oui, c'est possible qu'il se soit absenté une partie du temps.

Q. 511 Est-ce que ça a été pris par écrit la conversation?

R. Non, monsieur; verbale seulement.

Q. 512 Est-ce que vous avez montré certains documents à Bellerive?

R. J'ai fait voir des photographies.

Q. 513 Avez-vous montré d'autres documents?

R. Non, monsieur.

R. Je regrette mais la question n'est pas claire; si vous voulez me le demander, je vais vous le dire.

Q. 51 5 Est-ce qu'il a été question de l'armée?

R. Toutes les questions qui ont été posées avaient trait à l'armée.

Q. 516 Oui, mais de Bellerive personnellement, c omme d'absence sans permission, par exemple? Est-ce qu'il a été question d'absence sans permission ou de désertion dans la conversation?

R. Il est fort possible.

R. En réponse à de mes questions; il n'y a pas eu de déclaration là-dessus.

Q. 518 Des questions posées par vous-même?

R. Oui, monsieur.

Q. 520 Ne voulant pas faire de déclaration, est-ce que vous n'étiez pas un peu porté et n'auriez-vous pas suggéré des références que Bellerive aurait pu vous faire à vos questions?

R. Je regrette ne pas être capable de préciser là-dessus. Les questions étaient verbales; je n'ai aucune note pour Bellerive.

Q. 521 Admettez-vous qu'il soit possible que vous auriez suggéré des références à Bellerive?

R. C'est relatif. Si c'est possible, c'est aussi impossible, mais je ne peux pas préciser; je ne peux pas dire ni d'un côté ni de l'autre; si c'était possible, c'était aussi impossible; je ne peux pas préciser.

Q. 522 Admettez-vous que certaines questions qui auraient pu être posées étaient de nature suggestive?

R. Si vous voulez les appeler suggestives...après tout, ma tâche était de savoir quels étaient les faits. Il est possible que des questions que je lui ai posées nécessairement étaient pour la cause; je n'ai pas posé de questions directes.

Q. 523 Est-ce que par exemple, Bellerive vous disant qu'il ne voulait pas faire de confession, vous n'auriez pas essayé de raconter la soirée en question, au mois de mai 1945, et vous n'auriez pas dit à Bellerive: "N'est-ce pas que c'est arrivé comme ça?" ou quelque chose de ce genre-là? C'est ça qu'on appelle la suggestion. Est-ce qu'il est possible donc que vous ayiez tenté de reconstituer les scènes de ce soir-là et puis d'avoir demandé à Bellerive: "Est-ce que c'est arrivé comme ça?" ?

R. C'est possible.

Q. 524 Vous n'est pas sûr?

R. C'est possible.

Q. 525 L'autre constable n'aurait pas agi de cette façon-là?

R. Il avait instruction de ne pas poser de questions d'abord et en prévoyance de la difficulté de faire admettre la confession.

Q. 526 C'était à quelle date ça?

R. Le 15 juillet 1945.

INTERROGE PAR LA COUR SUR LE VOIR-DIRE:

Q. 527 Caporal Desmarais, pourriez-vous nous dire, si vous vous en rappelez, de quelle façon le fait de présenter cette carte-là pour lui faire lire est arrivé sur le tapis?

R. En vertu de la loi d'évidence du Canada, il faut donner une mise en garde à l'accusé à l'effet que tout ce qu'il peut dire, s'il désire parler, pourra servir de preuve lors de son procès...

Q. 528 Mais ce que nous voulons savoir est ceci: dès que vous avez constaté la présence de l'accusé dans votre bureau, sans aucun préliminaire, vous avez présenté la carte, avec vos compliments?

R. Avec l'idée que l'homme soit bien mis en garde des faits qu'il peut relater par la suite.

Q. 529 Sans qu'il soit question de quoi il s'agissait ni rien?

R. Oui, monsieur, pour éliminer tout doute sur la mise en garde de l'accusé.

Q. 530 Vous ne lui avez pas lu la carte vous-même en plus de la lui faire lire?

R. Non, monsieur.

Q. 531 Vous ne faites jamais ça?

R. Pas nécessairement; si le prisonier dit qu'il ne peut pas lire, ou qu'on n'est pas certain qu'il le lit, par exemple, si on voit qu'il fait simplement jeter un coup d'oeil sur la carte, on la lit; mais s'il dit qu'il peut lire le français, on le la lui passe et laisse lire pour éliminer toute possibilité qu'il dise plus tard qu'il n'a pas compris ce qui lui a été lu.

PAR LA COUR POUR L'OFFICIER DEFENSEUR:

Q. 532 Après cette mise en garde, vous n'avez pas expliqué ni dit que ça pourrait servir de preuve contre lui, vous-même, verbalement?

R. Non, monsieur; la mise en garde a été amendée. Autrefois, on disait "servir de preuve contre vous" mais ça a été amendé il y a six mois et on a rayé les mots "contre vous".

LE TEMOIN SE RETIRE.

LE PROCUREUR DECLARE SA PREUVE CLOSE SUR LE VOIR-DIRE.

L'OFFICIER DEFENSEUR INFORME LA COUR QU'IL N'A PAS DE PREUVE A SOUMETTRE SUR LE VOIR-DIRE.

LE PROCUREUR S'ADRESSE A LA COUR:

Monsieur le président,
messieurs les membres de la cour,

Les faits qui ont été apportés devant la cour sur voir-dire sont très simples. Le 15 juillet 1945, l'accusé a été appréhendé par la Gendarmerie Royale à Cheval vers sept heures et demie du soir; c'est le constable Gervais qui l'a arrêté, et le constable Dulieu agissait comme chauffeur. On a amené l'accusé Bellerive au bureau de la Gendarmerie Royale à Trois-Rivières et on l'a remis entre les mains du caporal Desmarais. Desmarais le met immédiatement en garde (vous avez là une mise en garde parfaitement légale), demeure avec l'accusé un certain temps; Gervais et Dulieu s'absentent; Gervais et Dulieu reviennent; Desmarais est encore avec l'accusé; et ce sont Dulieu et Gervais qui demeurent avec l'accusé pendant que le caporal Desmarais interroge quelqu'un d'autre. Desmarais revient et interroge l'accusé.

Le premier fait qu'on tire de la preuve est que Dulieu et Gervais n'ont pas posé aucune question à l'accusé. Gervais a toujours été avec Dulieu durant tous les faits qu'on vient de relater. Seul Desmarais l'interroge après une mise en garde légale.

En deuxième lieu, aucune menace n'a été faite à l'accusé ni aucune promesse. Une mise en garde légale lui a été faite. Le ton avec lequel on lui a parlé est le ton de la conversation, le ton normal. On n'a pas essayé de l'effrayer en élevant la voix comme pour le contre-interroger ou pour lui tendre un piège; on lui a posé des questions sur le ton de la conversation.

Troisièmement, il était soupçonné à ce moment-là et il avait affaire à des personnes en autorité. Je prétends que cette déclaration devrait être admise par la cour parce que libre et volontaire.

Le grand principe de l'admissibilité des confessions selon Phipson, est que lorsqu'un accusé parle volontairement devant des personnes en autorité, et qu'en parlant il s'incrimine, il est plus que probable que ce qu'il dit est vrai, et le motif pour rejeter la confession est qu'il pourrait y avoir une possibilité que l'accusé, influencé par la crainte ou par des promesses, s'incrimine faussement. C'est le grand principe général de l'admissibilité ou du rejet des confessions, et c'est la raison pour laquelle la confession doit être libre et volontaire, c'est-à-dire qu'elle n'ait pas été extorquée par des menaces ou des promesses.

De ce même principe découle un autre principe: que le seul fait de poser des questions à un accusé n'enlève pas le fait que cette confession est volontaire. Et pour dire ceci, je m'appuie sur un jugement rendu en 1918, qui énonce la théorie acceptée au Canada comme en Angleterre depuis multes années. Je veux parler de la cause Rex vs Cook (1918 T.L.R. 515):-

> "It would be a lamentable thing if the police were not allowed to make inquiries and if statements made by prisoners were excluded because of a shadowy notion that if the prisoners were left to themselves, they would not have made them".

105

Il est bien entendu que sur cent accusés soupçonnés et arrêtés, que si on les met dans une cellule et qu'on attend leur bon plaisir, c'est entendu qu'on n'obtiendra jamais une confes sion, et les fins de la justice en souffriraient.

Pour conclure, car je veux être bref, je vous cite une cause de la cour d'appel de Saskatchewan, jugement rendu en 1939, rapporté dans "Canada Criminal Cases", vol. 72, page 128, Rex vs Gutschmidt, dans lequel la cour d'appel de Saskatchewan a déclaré légalement admissible une confession faite aux policiers de la Royale Gendarmerie à Cheval du Canada sur interrogatoire de ces derniers, après avoir nié deux fois son crime.

Le 3 janvier 1939, un nommé Smart se fait attaquer et blesser. La police soupçonne un nommé Gutschmidt; elle se rend chez Gutschmidt et commence à l'interroger. Gutschmidt leur a dit: "Je n'ai absolument rien à voir avec ça". La police a pensé qu'il pouvait être gêné par la présence des parents qui étaient là, et l'a amené aux quartiers-généraux, où d'abord il a c ontinué à nier. Aucune promesse ni aucune menace ne lui est faite. Mais à la fin de l'interrogatoire, après avoir été mis au courant de certaines informations détenues sur son compte, "He broke down and started crying in the presence of the officers saying - I did it, I needed money."

Cette confession a été admise. Pourquoi? Parce qu'elle était volontaire. Le fait de poser des questions n'enlève pas la validité de la confession parce que c'est toujours le même grand principe qui entre en jeu. On admet une confession parce que l'accusé n'a aucun intérêt à dire des choses fausses sur son compte quand il n'est pas l'objet de menace ou de promesse. Dans ce cas-ci, Bellerive n'a pas nié son crime; il a simplement dit: "Je ne veux pas faire de confession tout de suite". Plus tard, l'accusé a changé d'idée.

En appréciant ces faits-là, il faut considérer le fait que l'accusé, que la cour a eu l'occasion d'observer depuis le début du procès, n'est pas nerveux. Ce n'est pas simplement en lui posant quelques questions qu'on a pu l'impressionner au point qu'il vienne dire: "C'est correct; pour vous faire plaisir, je vais m'incriminer faussement".

Cette confession est volontaire; elle est libre; elle n'a pas été le résultat d'aucune menace ni d'aucune promesse. Ce que l'accusé a pu dire à la police, c'est la vérité. Je soumets à la cour que cette confession devrait être admise.

104

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Monsieur le président,
messieurs les membres de la cour,

Le savant procureur fait des compliments à l'accusé; je ne sais pas s'il aimerait à plaider en sa faveur comme témoin de caractère, mais de mon côté, je soumets respectueusement que la confession doit être rejetée hors de tout doute parce qu'elle n'est pas libre ni volontaire.

Maintenant, j'appuie mon affirmation sur les raisons suivantes. En tout premier lieu, la caution est lue par l'accusé et voici la formule de la caution:

> "Vous n'êtes pas obligé de rien dire. Vous n'avez rien à espérer d'aucune promesse ou faveur et rien à craindre d'aucune menace, que vous disiez quelque chose ou non; mais tout ce que vous direz peut servir de preuve lors de votre procès."

C'est une traduction textuelle de l'anglais dont le texte est l'autre côté de la carte. La version anglaise se lit comme suit:

> "You need not say anything. You have nothing to hope from any promise or favour and nothing to fear from any threat whether or not you say anything. Anything you do say may be used as evidence at your trial."

C'est la traduction de l'anglais textuellement et ce n'est même pas du français. J'appuie aussi sur le fait que le caporal Desmarais a fait initialer cette caution par l'accusé. Je n'y vois pas une menace mais simplement ce qu'on appelle en anglais un "inducement". Il y avait certainement une impression qui restait dans l'esprit de l'accusé -- ce n'est peut-être pas grand' chose mais c'est un petit fait.

Maintenant, il n'y a eu aucun préliminaire. L'accusé est arrivé au bureau de la Royale Gendarmerie, au Bureau de Poste, et la première chose qu'on a fait, on lui présente une carte à lire: "Voici la caution; comprends-tu bien ça?" Ca a été le premier acte qu'on a posé. Je soutiens que l'accusé aurait du être mis au courant de quoi il s'agissait. L'accusé était absent sans permission. Rien ne nous dit qu'il ne pouvait pas être sous l'impression qu'il était là parce qu'il était absent sans permission. Il est d'usage courant pour la Police Montée d'arrêter des déserteurs ou des gens absents sans permission; ça se fait tous les jours. Ca se faisait davantage dans la région des Trois-Rivières pendant un certain temps. Ca s'est fait énormément et la police a eu du trouble à propos de ça.

Un autre point. Tous les témoins de la c onfession n'ont pas été entendus. Le constable Dulieu n'est pas venu. Il y a Gervais, Desmarais et Morel. Dulieu était présent; il a été présent pendant une partie de la conversation, mais il n'est pas ici maintenant pour rendre témoignage. Je lirai mes autorités tout à l'heure là-dessus.

Un autre point, c'est qu'il y a eu des questions posées à l'accusé. Je comprends que l'accusé ne pouvait pas faire sa déclaration de lui-même à propos de rien, mais il y a eu des questions de posées à l'accusé, et le caporal Desmarais a dit en réponse à l'une de mes questions qu'il aurait pu suggérer des choses que l'accusé aurait dites. Je lui ai demandé s'il serait possible qu'il ait raconté une chose à l'accusé pour lui poser ensuite la question: "Est-ce que c'est arrivé comme ça?" Il m'a dit que c'est possible. Ce n'est pas une confession libre et volontaire ça. L'accusé a dit qu'il ne voulait pas en faire de déclaration. Il était bien convaincu d'abord. Il était là, il ne savait pas pourquoi; ça pouvait être parce qu'il était absent sans permission. Il a dit qu'il ne voulait pas faire de déclaration. Ensuite, on le cautionne en arrivant, vers huit heures, et les questions commencent à 10 h. 30; c'est tout de même une couple d'heures, un intervalle de deux heures et demie.

Maintenant, je ne v ois pas comment la différence peut se poser entre les questions --et il y en a eu des questions-- ça a été sur le ton de la conversation, dit-on, mais il y a eu des questions suggestives et il n'y a rien qui a été pris par écrit. Il y a certainement un doute favorable à l'accusé là-dedans. La confession n'a pas été libre et volontaire.

Maintenant, au sujet du fait que l'un des témoins n'a pas été entendu, je réfère la cour à Canada Law Reports, 1933, page 509, dans la cause de Thiffault vs The King. Voici:

> "Determination of any question raised as to the voluntary character of a statement by the accused elicited by interrogatories administered by Police Officers is not a mere matter of discretion for the trial Judge. Where such a statement is elicited in the presence of several officers, the statement ought, as a rule, not to be admitted unless (in the absence of some adequate explanation of their absence) those who were present are produced by the Crown as witnesses, at least for cross-examination on behalf of the accused. "

C'est le même point de vue, la même histoire. Dulieu n'est pas venu ici.

Maintenant, je réfère la cour également à Crankshaw, page 765:

> "The evidence upon the material question as to whether the confession has been obtained by the influence of hope or fear, being in its nature preliminary, is addressed to the judge who will require the prosecutor to show affirmatively, to his satisfaction, that the statement was not made under the influence of an improper inducement, and who, in the event of any doubt subsisting on this head, will reject the c onfession."

> "Is it proven affirmatively that the confession was free and voluntary, that is, was it preceded by an inducement held out by a person in authority to make a statement?"

Et un peu plus bas:

> "The trial judge should take in consideration the age, experience, intelligence and character of the prison er; his susceptibility to influence of hope or fear; his understanding of the language used and of the language that is directed to him, and his appreciation of the circumstances in which he is placed."

Voici mon point de vue. J'ai prétendu tout à l'heure que la caution était en mauvais français; il n'y a pas de doute là-dessus. L'accusé a fait quelques années d'école, certainement, mais il n'a pas fait plus que ça. Il lit la caution, c'est tout. L'autre lui dit: "As-tu bien compris?" alors que ce n'est même pas en bon français. Comment voulez-vous qu'il la comprenne parfaitement? Et plus loin, il y a ceci:

> "The confession which may have been and which the Crown cannot show was not induced by mental suggestion exercised on the accused is not admissible."

> "A police officer has no right to try to elicit admission from a person whom he suspects."

> "If a police officer has determined to arrest a person who is in fact in custody, the police officer should ask no question which will in any way tend to prove the guilt of the person in custody from his own mouth. No police officer has a right to put any question to the accused person when he is once in custody. To say to him: "It is alleged so and so" is only a subtle form of cross-examination. "

> "The police officer has no right to suggest by questions to a person detained in custody that they have evidence of his guilt; answers to such suggestion are not admissible in evidence."

> "The onus is on the Crown to prove the voluntariness of a confession; this can rarely if ever be established by the evidence of the police officer who took the statement, that it was voluntary and freely given".

Alors, je me borne là. Je pourrais citer "Treemear's" et continuer, mais je crois que c'est suffisant. La couronne n'a certainement pas fait la preuve que la confession est libre et volontaire, que la caution est légale. Il y a tellement de points sur lesquels on peut insister; il n'y a pas eu de préliminaires; la caution a été lue par l'accusé au lieu de lui être donnée; aucune explication lui a été donnée; des questions ont été posées à l'accusé —des questions suggestives d'un bout à l'autre— et l'accusé a dit qu'il ne voulait pas faire de déclaration. On lui a suggéré des coincidences pour lui demander ensuite: "Est-ce que c'est ceci? Est-ce que c'est cela?" Il y a certainement un grand doute; il y a plus qu'un doute pour faire rejeter cette confession prima facie; alors, je demande son rejet.

LA COUR LEVE L'AUDIENCE POUR DELIBERER SUR SA DECISION.

LA COUR DECIDE QUE LA CONFESSION ORALE DE L'ACCUSE EST ADMISSIBLE EN PREUVE.

LA COUR REPREND L'AUDIENCE ET ANNONCE SA DECISION.

LE PROCUREUR S'ADRESSE A LA COUR:

Les membres de la Gendarmerie Royale à Cheval du Canada, témoins à charge dans cette cause, doivent s'absenter pour cause d'autres devoirs, et je suis forcé de demander un ajournement de la présente cause jusqu'au 30 août 1945, à dix heures et demie.

L'OFFICIER DEFENSEUR INFORME LA COUR QUE LA DEFENSE N'A PAS D'OBJECTION A LA DEMANDE D'AJOURNEMENT DU PROCUREUR.

A 1710 heures, le 24 août 1945, la cour s'est ajournée jusqu'à 1030 heures, le 30 août 1945.

Le 30 août 1945, à 1030 heures, la cour se rassemble de nouveau conformément à la note d'ajournement; sont présents les mêmes membres que lors de l'ajournement.

La cour excuse les membres stagiaires suivants qui sont requis ailleurs pour cause d'autres devoirs:

Lieutenant G. A. Leroux
2/Lieutenant Jean Caron
2/Lieutenant Jean-Jacques Bédard

LE PROCUREUR S'ADRESSE A LA COUR:

Je désire rappeler le premier témoin à charge, le caporal Lapointe, parce que dans son témoignage, il a commis une erreur; il s'en est aperçu lui-même et voudrait rectifier son témoignage.

PREMIER TEMOIN A CHARGE

(rappelé)

D-125719, Caporal C.-E. LAPOINTE, No. 34 Company, Canadian Provost Corps, CA, ayant précédemment prêté serment, est interrogé par le procureur:

Q. 575 Voulez-vous dire à la cour quelle erreur vous avez commise, et quelle est la rectification que vous voulez apporter?

R. Je veux corriger mon témoignage sur le numéro du "char" Plymouth que j'avais à Trois-Rivières. Je crois avoir donné le numéro comme étant 285, alors que c'est 385, soit 54-385.

L'OFFICIER DEFENSEUR NE DESIRE PAS CONTRE-INTERROGER LE TEMOIN.

DE AVIS DE LA COUR, IL N'EST PAS NECESSAIRE DE SE CONFORMER A LA R. de P. 83(B).

LE TEMOIN SE RETIRE.

DIXIEME TEMOIN

Caporal Lionel DESMARAIS, Royale Gendarmerie à Cheval du Canada, sous-officier en charge de la permanence à Trois-Rivières, ayant précédemment prêté serment, est interrogé par le procureur:

Q. 576 A quelle date avez-vous rencontré l'accusé?

R. Le 15 juillet 1945.

Q. 577 A quel endroit?

R. A Trois-Rivières.

Q. 578 Dans quel bureau?

R. Dans le bureau de la R.C.M.P.

Q. 579 Est-ce que l'accusé vous a fait une déclaration?

R. Oui, monsieur.

Q. 580 Voulez-vous donner à la cour toute la déclaration que vous a faite l'accusé?

R. L'accusé a admis avoir été avec le soldat Roméo Tessier le soir de l'explosion...

PAR LA COUR:

Caporal Desmarais, voulez-vous plutôt donner les paroles exactes de l'accusé, en autant que vous vous en souvenez.

Le témoin continue sa réponse:

R. Alors, en réponse aux questions que je lui ai posées, l'accusé m'a répondu: "Oui, j'étais avec lui (en parlant de Tessier évidemment) le soir de l'explosion". "Oui, nous avons pris un taxi devant la taverne du Lion d'Or, qui nous a conduits à l'Hôtel Caumartin". Toujours d'après les paroles de l'accusé en réponse à mes questions, il a dit: "De là, nous sommes partis, Roméo et moi, et on est allés chac un à notre 'truck'. J'ai choisi le mien, celui qui était dans le lot vacant. J'ai vu que la porte du côté de la rue De Niverville était barrée; alors, je suis allé de l'autre côté du camion. Roméo est venu me retrouver; il m'a remis le bâton de dynamite; je l'ai allumé et je l'ai déposé sur le siège d'en avant, à côté de la place

du chauffeur." Encore en réponse à des questions il a répondu: "La mèche mesurait à peu près six pouces mais j'avais pas peur quand même que la mèche était courte". Il a encore admis: "Après avoir déposé le bâton de dynamite sur le siège du chauffeur, je me suis rendu de suite de l'autre côté de la rue sur le coin des rues de Niverville et St-Prosper." Là, il se souvenait d'avoir sauté pardessus une clôture. Ces faits avaient trait à l'explosion qui s'est produite dans les camions de la prévôté, le 18 mai 1945.

Q. 581 Est-ce tout ce qu'il vous a dit?

R. Oui, monsieur.

Q. 582 Qui était présent alors?

R. Le constable Gervais.

Q. 583 Seul?

R. Oui, monsieur.

Q. 584 Vous m'avez dit tout à l'heure que vous désiriez corriger un fait, une déclaration que vous avez faite la semaine dernière lors de votre témoignage

R. Oui, monsieur.

Q. 585 Alors, voulez-vous faire la correction?

R. Oui, monsieur. Ici, dans cette cour, la semaine dernière, j'ai té moigné à l'effet que le constable spécial, monsieur Dulieu, au meilleur de ma connaissance, n'était pas resté seul avec l'accusé, mais en repassant mes notes, je me suis aperçu que monsieur Dulieu était resté avec l'accusé durant la période de temps que j'ai questionné mademoiselle St-Pierre dans mon bureau.

Q. 586 Où était le constable Gervais à ce moment-là?

R. Il était avec moi.

Q. 587 Je vous exhibe les photographies produites comme pièces "L" "M" "N" "O" et "P", que vous avez déjà produites à la cour; voulez-vous nous dire si vous avez montré ces photographies à l'accusé?

R. Oui, monsieur.

Q. 588 Quand lui avez-vous montré ces photos?

R. Le 15 juillet 1945.

Q. 589 A quelle heure?

R. Entre 11 h. et demie et minuit, environ.

Q. 590 Quelles réflexions a faites l'accusé quand vous lui avez montré ces photographies-là?

R. "J'ai pas vu les dommages mais c'est bien ça", en parlant du "char".

CONTRE-INTERROGE PAR L'OFFICIER DEFENSEUR:

Q. 591 A quelle heure a eu lieu la déclaration de l'accusé que vous avez répétée au début de l'examen-en-chef?

R. Je dirais vers onze heures moins quart, onze heures du soir; entre onze heures moins quart, onze heures et minuit; toujours le soir du 15 juillet 1945.

Q. 592 A quelle heure l'accusé a-t-il été cautionné?

R. Il a été cautionné à 7 h. 30 environ ou huit heures moins quart.

Q. 593 La confession ou la déclaration de l'accusé a commencé à quelle heure?

R. Entre onze heures et minuit.

Q. 594 Qui était présent?

R. Le constable Gerwais.

Q. 595 Et vous-même?

R. Oui, monsieur.

Q. 596 Et l'accusé?

R. Oui.

Q. 597 Où étiez-vous à ce moment-là?

R. Dans la chambre 213, où l'accusé était.

Q. 598 Quelle sorte de chambre est-ce ça?

R. C'est un bureau.

Q. 599 Comment est-il disposé? Comment les meubles sont-ils disposés dans ce bureau-là?

R. Immédiatement en entrant, à votre droite, vous avez un bureau de dactylographe adapté pour faire disparaître le 'typewriter'. A gauche, vous avez un cabinet, un 'filing cabinet'. A côté du cabinet, il y a une table. A gauche, plus loin que la table, il y a une autre table. Toutes ces tables servent à des 'typewriters'. Il y a aussi un autre cabinet, qui appartient à l'armée, à la prévôté. A côté du cabinet, il y avait l'accusé et une autre table encore à gauche. L'accusé se trouvait assis entre le 'filing cabinet' de l'armée et la table qui se trouve à l'extrémité gauche.

Q. 600 Quelle est la superficie de cette salle-là?

R. Elle est à peu près aussi grande que la salle ici.

PAR LA COUR:

Q. 601 Environ trente pieds par trente pieds?

R. Oui, excepté qu'une partie a été adaptée pour faire une chambre de bain; je dirais peut-être 25 par 25.

PAR L'OFFICIER DEFENSEUR:

Q. 602 Où étiez-vous vous-même?

R. J'étais assis tantôt de l'autre côté, à l'extrémité gauche, faisant face à l'accusé, et tantôt j'étais debout.

Q. 603 Vous marchiez?

R. Oui, je me suis levé parce qu'il m'a fallu aller chercher des photographies pour les montrer à l'accusé, qui les a reconnues.

Q. 604 Est-ce que l'accusé lui-même se trouvait assis à cette table?

R. Il était assis lui-même sur une chaise, comme si on mettait une table à côté de lui ici. (le témoin indique l'accusé dans la cour)

Q. 605 Où était le constable Gervais?

R. Il marchait; il n'était pas obligé de rester à aucun endroit en particulier.

Q. 606 Gervais a-t-il été avec vous et l'accusé continuellement pendant la conversation?

R. Tout juste.

Q. 607 Est-ce que l'accusé savait pourquoi il était là?

R. Il le savait quand il a admis.

Q. 608 L'avez-vous mis au courant, vous?

R. Comme j'ai dit dans mon témoignage précédent, je lui ai demandé pourquoi il avait été amené, en revenant à mon bureau ça, ce à quoi l'accusé aurait fait allusion dans ses réponses; ça avait plutôt trait au fait qu'il était déserteur, chose qu'il a admise dans la même conversation, qu'il était déserteur.

Q. 609 Est-ce que l'accusé était arrêté à ce moment-là?

R. Il n'était pas arrêté; il était détenu comme déserteur et il était soupçonné d'avoir fait partir l'explosion.

Q. 610 Lui avez-vous dit qu'il était arrêté parce qu'il était accusé de dé sertion?

LE PROCUREUR S'OBJECTE A LA QUESTION ET S'ADRESSE A LA COUR:

Je me demande si c'est bien l'endroit à ce stage de poser toutes ces questions. Il ne s'agit pas de recommencer l'examen sur voir-dire. Je crois que tout ceci a été discuté déjà quand on a fait le voir-dire, et la confession a été admise; alors, je ne vois pas pourquoi la défense recommence tout ce témoignage-là.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Je veux savoir de quoi on a parlé ce soir-là et j'ai parfaitement le droit de savoir ce qui a été dit, ce que le témoin a dit à l'accusé, et je vais le savoir.

PAR LA COUR:

Le défenseur est en train d'établir l'atmosphère dans lequel s'est déroulée la conversation qui a donné lieu à la confession qui fait partie de la déclaration elle-même. Alors, c'est parfaitement légitime en tant que ce sont des questions qui entrent dans ce domaine-là.

LA COUR RENVOIE L'OBJECTION DE LA POURSUITE.

R. 610 Non, monsieur.

Q. 611 Vous avez dit tout à l'heure que vous avez été avec l'accusé et le constable Gervais dans la chambre 213 environ de onze heures moins quart à minuit?

R. A peu près, oui.

Q. 612 Est-ce que Gervais a parlé pendant ce temps-là?

R. Non, monsieur.

Q. 613 Il n'a pas dit un mot?

R. Le peu de paroles qu'il aurait pu prononcer, je ne pourrais pas dire qu'elles étaient relatives aux réponses de l'accusé.

Q. 614 Est-ce qu'il a été question d'autre chose que cet incident, ou si vous avez parlé pendant cette heure-là seulement de l'incident?

R. Comme j'ai déjà dit, on a parlé de généralités et de l'incident.

Q. 615 Quelle était l'attitude de l'accusé?

R. Très coopérative.

Q. 616 Est-ce qu'il était mécréant, mécontent de sa situation, d'après vous? Je vous demande votre opinion, naturellement.

R. Il était plutôt narquois, mais il avait une bonne disposition.

Q. 617 Pourriez-vous taxer votre entrevue avec l'accusé de conversation générale? Pouvez-vous dire que c'est une conversation générale que v ous avez eue avec lui?

R. C'est une conversation générale quand on parle d'autres choses qui n'avaient pas trait à la chose sur laquelle on voulait faire enquête. Dans la conversation générale, j'ai posé des questions pour essayer de trouver les faits sur lesquels il était soupçonné dans le temps, et pour lesquels il a été arrêté plus tard, par après. J'essayais de trouver les faits au meilleur de ma connaissance.

Q. 618 Qu'est-ce qui a amené l'accusé à parler?

R. De l'explosion, vous voulez dire?

Q. 619 Oui?

R. Sans doute une question posée par moi-même.

Q. 620 Une question dans quel sens?

R. J'aurais pu lui dire: "Etais-tu avec Roméo Tessier le soir de l'explosion?" Il aurait sans doute donner sa réponse comme ayant été avec Tessier.

Q. 621 Toutes des questions qui auraient pu amener des admissions! De votre part ou de la part de Gervais, est-ce qu'il ne serait pas possible que vous auriez fait certaines représentations à l'accusé à l'effet que vous en connaissiez un peu de cette affaire-là, que vous étiez sur la piste, sans vouloir dire sur sa piste à lui, que vous en aviez entendu parler, ou que vous aviez entendu raconter certaines choses?

R. Ca se peut fort bien que je lui aie dit que j'étais au courant de certaines choses, au courant de ce dont il était soupçonné.

Q. 622 Dans quels termes lui auriez-vous dit ça? Donnez à la cour exactement la conversation ou ces bouts de conversations que vous avez eues avec lui?

R. Je m'en rappelle vaguement pour pouvoir préciser; je voudrais bien vous donner mot à mot si je le pouvais...

DIXIEME TEMOIN

Q. 623 A peu près? Simplement pour avoir une idée?

R. Je pourrais lui avoir dit, sans que ce soit les paroles exactes: "Voici, ici on a des faits qui dénotent que tu as eu affaire avec l'explosion; maintenant, qu'est-ce que tu en sais?"

Q. 624 Comment se fait-il que vous vous rappelez tellement bien des réponses de l'accusé, et vous ne vous rappelez pas des questions que vous lui auriez posées?

R. Les faits saillants dans une confession sont les réponses de l'accusé, dans un cas d'admission, et non pas les questions. Quand on questionne quelqu'un après l'avoir mis en garde, et sans lui faire de menaces ou de promesses, on a le droit de lui poser des questions suggestives.

Q. 625 Quelle expérience avez-vous dans la police?

R. Dix ans.

Q. 626 Est-ce que dans vos dix ans d'expérience, est-ce que vous ne savez pas que dans le cas d'une admission verbale, les questions sont aussi importantes que les réponses?

R. C'est la première fois qu'on y attache une importance aussi capitale.

Q. 627 Combien de fois avez-vous témoigné en cour sur des admissions comme ça?

R. C'est la première fois.

Q. 628 Est-ce que l'accusé était au courant que vous aviez questionné son amie, mademoiselle Monique St-Pierre?

R. Oui, monsieur.

Q. 629 Est-ce qu'il a été question de l'entrevue que vous aviez eue avec mademoiselle Monique St-Pierre, avec l'accusé?

R. Oui, monsieur.

Q. 630 Dans quels termes?

R. Dans les termes que l'accusé nous a exprimé le désir que si c'était possible de simplement dire à mademoiselle St-Pierre qu'il avait été détenu simplement comme déserteur et non pas en rapport avec l'explosion.

Q. 631 A quelle heure avez-vous laissé mademoiselle St-Pierre?

R. Environ vers dix heures et demie; je l'ai envoyé reconduire par le constable Dulieu, je crois.

Q. 632 Avez-vous parlé à l'accusé au sujet de son amie?

R. Pas nécessairement; elle est descendue elle-même lui dire quelque chose personnellement avant de partir.

Q. 633 Etiez-vous présent?

R. Oui, monsieur.

Q. 634 Avez-vous assisté à la conversation?

R. Oui, monsieur.

Q. 635 C'étaient des choses banales?

R. Tout juste.

Q. 636 Une fois qu'elle a été partie, a-t-il été question d'elle et de la conversation que vous aviez eue?

R. Ca se peut que j'aie dit à l'accusé que j'avais une déclaration de mademoiselle St-Pierre.

Q. 637 Est-ce que vous auriez amplifié cette déclaration au sujet de mademoiselle St-Pierre et sa déclaration à elle? Auriez-vous amplifié sur ce sujet-là?

R. Pas nécessairement.

Q. 638 Alors, est-ce qu'il est possible que vous auriez continué de parler sur le sujet de la déclaration de mademoiselle St-Pierre à l'accusé? Auriez-vous continué d'en parler à l'accusé?

R. Ca se peut que j'aie peut-être parlé au sujet du fait que l'accusé aurait couché dans le Bureau de Poste un soir, et que mademoiselle St-Pierre était au courant que l'accusé avait admis avoir couché dans les quartiers du concierge.

Q. 639 Avez-vous parlé de Tessier ce soir-là du 15 juillet?

R. On en a parlé en ce sens que l'accusé avait à dire ce qu'il pouvait nous dire en rapport avec ses activités ce soir-là.

Q. 640 Est-ce que Tessier avait été arrêté à ce moment-là?

R. Oui, monsieur.

Q. 641 Avait-il fait une confession lui-même?

R. Oui, monsieur.

Q. 642 L'avez-vous mentionné ce fait à l'accusé?

R. C'est possible; je ne m'en souviens pas définitivement.

Q. 643 A qui a-t-il fait sa déclaration, Tessier, ou sa confession?

R. Au constable Morel et à moi-même, à Montréal.

R. Oui, monsieur.

Q. 645 Et présent à toute la conversation avec Tessier au sujet de sa confession?

R. Oui, monsieur.

Q. 646 Est-ce que vous avez rapporté à Bellerive la confession de Tessier?

R. Non, pas nécessairement; j'ai pas rapporté toute la confession; il se peut que j'aie fait des allusions à la confession en autant qu'il y avait des faits qui le concernaient.

Q. 647 Dans quels termes avez-vous répété ou rapporté ces bribes de conversation ou ces bribes de confession? Est-ce que ça serait comme ça: "Tessier m'a dit ceci; Tessier m'a dit cela".

R. Oui, monsieur, j'ai peut-être posé la question: "N'étais-tu pas avec Tessier?" ou "Est-ce que tu n'étais pas avec Tessier puisque Tessier dit que tu étais avec lui?"

Q. 648 Quelle a été la réaction de Bellerive à ce sujet, en sachant que Tessier avait fait une déclaration?

R. Il n'a pas eu de réaction; j'oserais dire et j'ajouterais que du temps de son arrivée ce soir-là, à 7 h. 30 à aller jusqu'à minuit, l'attitude de l'accusé n'a pas changé; il n'a à aucun moment exprimé de la surprise.

Q. 649 Vous avez dit n'est-ce-pas que l'accusé s'était rendu lui-même à une des voitures?

R. Oui, monsieur.

Q. 650 A laquelle? Voulez-vous répéter?

R. La voiture qui était stationnée dans le lot vacant. C'était sur la rue qui fait le coin des rues De Niverville et St-Prospèr.

Q. 651 Vous avez dit aussi, je crois, qu'il avait prétendu avoir été d'un côté de la voiture; de quel côté?

R. Du côté de la rue De Niverville en premier lieu.

Q. 652 Est-ce qu'au cours de cette séance avec Bellerive, il a parlé tout d'un trait de choses se rapportant à l'explosion, ou bien si ça a été une conversation à bâtons rompus?

DIXIEME TEMOIN

rappelé

R. Plutôt une conversation à bâtons rompus, oui, monsieur; tantôt on parlait de l'explosion et tantôt d'autre chose; la conversation n'était pas nécessairement sur le sujet.

Q. 653 Où avait-il soupé, Bellerive?

R. Je ne le sais pas.

Q. 654 A quelle heure l'avez-vous arrêté?

R. Vers 7 h. 15; entre 7 h. 15 et 7 h. 30.

Q. 655 La confession de Tessier était-elle une confession écrite?

R. Oui, monsieur.

Q. 656 Est-ce que vous n'avez pas montré à Bellerive une signature au bas d'un document ce soir-là, vous-même?

R. Ce soir-là, non, monsieur.

Q. 657 Pas ce soir-là?

R. Non, monsieur.

Q. 658 Vous avez simplement mentionné que Tessier avait fait une confession?

R. J'ai dit qu'il se peut que j'aie fait allusion à ça.

Q. 659 Avez-vous pris des notes?

R. Aucune.

Q. 660 Le constable Gervais en a-t-il pris?

R. Non, monsieur, aucune.

Q. 661 Voudriez-vous, dans mon intérêt personnel, parce que je m'en rappelle pas exactement ce que vous avez rapporté de ce que Bellerive avait dit --ce n'est pas pour vous embêter--ça m'éclairerait pour le moment--, voudriez-vous répéter ce que Bellerive vous a dit devant le constable Gervais ce soir-là?

R. "J'étais avec Tessier le soir de l'explosion; je me rappelle qu'on a pris un taxi devant la taverne du Lion d'Or; on a débarqué au coin de l'Hôtel Caumartin et là on s'est rendu à pied vers les camions; moi, je suis allé au camion qui était stationné dans le lot vacant; c'était au coin de la rue; j'ai vu que la porte du côté de la rue De Niverville était barrée; j'ai passé de l'autre

DIXIEME TEMOIN

R. côté; j'ai vu que celle-là était débarrée. Roméo est venu me retrouver et il m'a donné le bâton de dynamite. J'ai allumé le bâton de dynamite et je l'ai déposé sur le siège à côté du chauffeur, à côté de la place du chauffeur. J'avais pas peur; la mèche avait seulement six pouces. J'ai été retrouver Roméo au coin de la rue de Niverville; là, on est parti; j'ai sauté (ou, "on a sauté") pardessus une clôture.

Q. 662 Jurez-vous que Bellerive a dit ça d'une manière parfaitement libre et volontaire, de lui-même, sans que vous le poussiez de quelque manière que ce soit à dire ça?

R. Oui, monsieur.

Q. 663 Vous jurez ça?

R. Oui, monsieur, sans aucune menace ou promesse. C'était en réponse à des questions, si je peux préciser.

Q. 664 Quand vous avez montré les photographies à Bellerive et qu'il vous aurait dit: "J'ai pas vu les dommages mais c'est bien ça", vous n'avez pas poussé l'interrogatoire là-dessus?

R. C'était suffisant.

Q. 665 Mais avez-vous poussé l'interrogatoire plus loin?

R. Non, monsieur.

Q. 666 Mettez-vous dans le cas v ous-même où vous auriez perpétré un tel forfait; est-ce que vous pourriez sensément dire: "J'ai pas v u les dommages mais c'est bien ça." ?

Le procureur s'objecte à la question sur le motif que ce sont des hypothèses que l'officier défenseur soulève.

Par l'OFFICIER DEFENSEUR:

C'est une opinion que je demande au témoin; c'est tout.

PAR LE PROCUREUR:

C'est une hypothèse trop exagérée, il me semble.

LA COUR RENVOIE L'OBJECTION DU PROCUREUR.

Q. 667 Alors, je vous pose la question de nouveau. Si je vous montre cette photographie-ci, pièce "P", est-ce que raisonnablement, d'après vous --vous voyez une voiture à la brunante, je dirais même dans l'obscurité puisqu'il était assez tard-- est-ce que vous pourriez dire: "C'est la même voiture" hors de tout doute?

R. Les photographies ont été produites dans leur ensemble; elles n'ont pas été produites individuellement.

Q. 668 Je prends celle-ci; je prendrai l'autre après. Je vous montre la pièce "P"; vous la voyez ici?

R. Oui, monsieur.

Q. 669 Alors?

R. A mon propre point de vue, à titre de policier, je dirais "oui, monsieur".

Q. 670 Sur quoi vous basez-vous?

R. Sur l'observation .

Q. 671 Qu'est-ce que vous auriez observé sur cette photographie, pièce "P" ? Qu'est-ce qui vous frappe?

R. Vous voyez la carrosserie...le genre de carrosserie

Q. 672 Là-dessus?

R. Oui, monsieur.

Q. 673 Même dans l'obscurité?

R. Il était seulement 9 h. 25; il y a une grosse lumière au coin de la rue, et on était à cinquante pieds de la lumière; il n'y avait aucune obstruction entre la lumière et les camions mêmes.

Q. 674 Voulez-vous approcher, s'il vous plaît? (L'officier défenseur étale les photographies sur la table; le témoin s'approche de la table) Qu'est-ce que vous voyez? Quelles sont les marques distinctives et à l'intérieur et à l'extérieur?

R. Les marques distinctes...bien, la marque du camion, le genre de camion.

Q. 675 Continuez...

R. L'ensemble des dommages qui se relient l'un à l'autre. Prenez celle-ci; voyez-vous celle-là entre les trois? Il y a un numéro 5 là-dessus; c'est une marque distincte. Ici, le numéro 4, c'est une marque distincte. J'ai passé ça à l'accusé et j'ai peut-être dit: "Voici cinq photographies qui ont été prises du camion qui était stationné dans le lot vacant; reconnais-tu là-dedans le camion dans lequel tu as déposé le bâton de dyhamite?" De là, sa réponse: "C'est ça."

Q. 676 Est-ce que vous lui avez dit que les photographies en question étaient du camion qui était dans le lot vacant?

DIXIEME TEMOIN

rappelé

R. J'ai dit: "Voici des photos du camion qui était dans le lot vacant." Ces photographies ont été prises ici le lendemain au garage.

Q. 677 Qu'est-ce qui vous dit que c'est le même camion?

R. Je peux vous le dire, moi.

Q. 678 Alors, qu'est-ce qui vous dit que c'est le même camion?

R. Sur la chaine d'évidence; maintenant, si vous voulez contester, je peux faire venir le photographe. J'ai déjà dit que c'étaient des photographies officielles.

Q. 679 Vous dites que ce sont des photographies officielles?

R. Nécessairement.

Q. 680 Est-ce que Bellerive a vu le camion lui-même, le "station wagon" ?

R. Quand?

Q. 681 A cette date, laquelle je ne connais pas, est-ce qu'il ne l'a jamais vu?

R. Quel "station wagon"?

Q. 682 Celui des photographies?

R. Il a admis l'avoir vu.

Q. 683 L'a-t-il vu après les dommages?

R. Il ne peut pas l'avoir vu; je ne crois pas.

Q. 685 Qui lui a montré ces photos-là?

R. C'est moi-même.

Q. 686 Lui avez-vous dit lequel des deux c'était, laquelle des deux voitures c'était?

R. J'ai dit que je lui avais montré des photographies de la "machine", le "station wagon" dans le lot vacant. J'ai aussi des photographies de l'autre voiture.

Q. 687 Lui avez-vous montré ça?

R. Peut-être que je les lui ai montrées, mais je ne m'en rappelle pas définitivement; c'étaient deux groupes séparés, deux parties séparées; je me rappelle d'avoir séparé une photo qui était mêlée avec l'autre partie.

Q. 688 Quand vous dites que c'était une photographie qui se rapporte à l'une des deux voitures plutôt qu'à l'autre, qu'est-ce que vous voulez dire?

DIXIEME TEMOIN
A CHARGE

rappelé

R. C'est parce que cette voiture avait trait à l'enquête que je faisais à ce moment-là.

Q. 689 Qu'est-ce qui vous faisait dire que ces photos-là étaient les photographies d'une voiture en particulier?

R. Parce que la même voiture, je l'ai vue moi-même après l'accident; j'étais là quand les photographies ont été prises et je les ai reconnues comme étant les photographies de la même voiture qui avait été endommagée par l'explosion et dans laquelle l'accusé a admis avoir déposé un bâton de dynamite, dans le lot vacant.

Q. 690 C'est à votre suggestion qu'il a admis ça?

R. C'est à ma question.

Q. 691 Quand lui avez-vous montré les autres photographies, les photographies de l'autre voiture?

R. A peu près au même moment; j'ai peut-être montré celles-ci les premières, auxquelles j'ai eu une réponse que c'était bien celle-là.

Q. 692 Si à vous on vous avait montré ces photographies-là de deux voitures, cinq ou six photographies de chacune des voitures, est-ce que raisonnablement vous auriez pu dire: "C'est ça; c'est telle voiture; j'ai fait telle chose à telle voiture et je n'ai pas fait telle chose à telle autre voiture" ? Raisonnablement?

R. Dans les circonstances, oui, monsieur.

Q. 693 Sur quoi vous basez-vous? Sur quoi basez-vous votre affirmation?

R. Parce que j'ai expliqué que l'autre photographie représentait le DODGE "station wagon", sur la rue St-Prosper et que celle-ci représentait l'autre "station wagon" qui était stationné dans le lot vacant, alors qu'il venait d'admettre qu'il avait déposé de la dynamite dans la machine qui était dans le lot vacant. Alors, en se basant sur ces questions, il a accepté comme un fait accompli que "c'était bien ça."

Q. 695 Au sujet de Tessier, est-ce que le 15 juillet, Tessier était jugé en cour martiale? Avait-il été jugé?

R. Je ne me souviens pas au juste.

Q. 696 Est-ce qu'il avait fait une confession à ce moment-là, Tessier?

Q. 698 Immédiatement après?

R. Oui, monsieur.

LA COUR PERMET AU TEMOIN DE REFERER A SES NOTES.

Le sténographe relit les questions 696 et 697, lesquelles deviennent 699 et 700:

Q. 699 Au sujet de Tessier, est-ce que le 15 juillet, Tessier était jugé en cour martiale? Avait-il été jugé?

R. L'accusé Tessier n'avait pas été jugé.

Q. 700 Est-ce qu'il avait fait une confession à ce moment-là, Tessier?

R. Le 15 juillet, oui, il avait fait une confession.

PAR L'OFFICIER DEFENSEUR:

Q. 701 Qui avait pris cette confession?

R. Le constable Morel et moi-même.

Q. 702 Pouvez-vous vous rappeler de la date de la confession?

R. Oui, monsieur; le 9 juin 1945.

Q. 703 Est-ce que à ce moment-là, le 9 juin, Tessier savait de quoi il s'agissait?

R. Oui, monsieur.

Q. 704 Etait-il arrêté à ce moment-là?

R. Il avait été questionné; il avait fait une déclaration couvrant les faits ayant trait à l'explosion; évidemment, il savait de quoi il s'agissait.

Q. 705 Etait-il arrêté? C'est ça que je vous demande.

R. A ce moment-là, il était arrêté à titre de déserteur; aucune accusion pesait contre lui.

Q. 706 Tessier, ça?

R. Elles sont à la disposition de la cour. (Le témoin remet trois photographies à la cour.) Je produis trois photographies en série.

Trois photographies en série sont examinées par la cour, marquées pièces "Q", "R" et "S", signées au verso par le président et versées au dossier.

Q. 716 Est-ce que l'accusé a fait une déclaration ce soir-là?

R. Oui, monsieur.

Q. 717 Qui était présent quand il a fait une déclaration?

R. Desmarais et moi-même.

Q. 718 A quelle heure a-t-il fait sa déclaration?

R. A 10 h. et demie ou 11 h. moins quart.

Q. 719 Pouvez-vous raconter à la cour ce que l'accusé a dit, en vous servant des mots qu'il a dits autant que possible?

R. Il nous a dit qu'il était avec Roméo Tessier au Bluebird, au restaurant sur la rue Des Forges. "Là, on est parti; on est allé chercher la dynamite; puis, de là on a pris un taxi en face du Lion d'Or et on est allé à côté de l'Hôtel Caumartin." De là, ils sont allés sonder les portes des "trucks", des camions; puis, je crois que Bellerive a été sur la camionnette qui était stationnée sur le lot vacant; après avoir sondé la porte du côté du chauffeur, qui était barrée, il nous a dit que Roméo Tessier avait été lui porter un bâton de dynamite, qu'il avait placé sur le siège.

Q. 720 Est-ce qu'il vous a dit autre chose?

R. Oui, monsieur; je crois, je sais qu'ils ont sauté une clôture.

Q. 721 Vous a-t-il dit ça qu'il avait sauté une clôture après?

R. Oui, après ça.

Q. 722 A-t-il dit autre chose?

R. Pas à ma connaissance.

Q. 723 Vous rappelez-vous si le caporal Desmarais lui a montré des photographies?

Suivant cette filière-là, il y a une table avec deux dactylographes de placés dessus.

Q. 728 Connaissez-vous mademoiselle Monique St-Pierre?

R. Oui, monsieur.

Q. 729 Est-ce que Tessier a été le sujet de la conversation ce soir-là?

R. Oui, monsieur.

Q. 765 Alors, voulez-vous raconter à la cour?

R. Il disait qu'il était déserteur et que c'était pour ça qu'il avait été arrêté.

Q. 766 C'est tout ce qu'ils ont dit pen dant un quart d'heure?

R. Il a parlé d'une plume-fontaine, de l'apporter à la maison, de son portefeuille et de sa montre.

Q. 767 Il n'a pas été question de l'affaire de l'explosion?

R. Non, du tout.

Q. 768 N'est-il pas vrai que l'accusé a parlé un peu parce que on lui a suggéré quoi dire? Par exemple, le caporal Desmarais lui aurait dit: "On en sait un peu; on en sait même pas mal; alors, il est arrivé ceci et il est arrivé cela; alors, veux-tu confirmer et dire si c'est bien ça qui est arrivé?" ?

R. Pour demander de confirmer, ça... Je sais qu'il a été dit qu'il en savait pas mal de l'histoire.

Q. 769 N'est-il pas vrai qu'il lui aurait dit aussi: "Tu es aussi bien de parler; on est sur la bonne piste"?

R. Non, monsieur.

R. Une piste...bien, c'est toujours ça; je ne peux pas dire s'il a dit ça ou non.

R. Oui, monsieur.

Q. 778 Vous étiez à portée de voix et de Desmarais et de Bellerive?

R. Oui, monsieur.

Q. 779 Est-ce qu'il aurait pu arriver que vous vous seriez absenté pendant cinq minutes?

R. J'ai pu avoir échappé quelques paroles.

Q. 780 Combien de temps auriez-vous pu vous absenter?

R. Une ou deux minutes peut-être.

Q. 781 Bellerive aurait rien dit en votre présence ce soir-là au sujet de Tessier?

R. Il a parlé qu'il était avec lui alors que ça s'est produit.

Q. 782 Le caporal Desmarais n'aurait rien dit à l'effet que Tessier avait confessé déjà et que ça ne lui servirait à rien à lui, Bellerive, de rester en arrière? Il n'aurait pas dit ça?

Q. 784 Est-ce que l'accusé vous a simplement dit qu'il était allé du côté de la porte du chauffeur?

R. Oui, il est allé pour la sonder; quand il a vu qu'elle était barrée, il a passé de l'autre côté.

Q. 785 Avez-vous vu les photographies une fois l'explosion survenue?

R. Je les ai vues.

Q. 786 Est-ce que vous pouvez les identifier?

R. Je peux identifier celle-ci. (le témoin indique la pièce "N"). Les deux camions à l'intérieur se ressemblent assez. Celle-ci, je peux l'identifier. (Le témoin indique la pièce "O").

Q. 787 Qu'est-ce que vous dites de cette photographie-là? (pièce "O")

R. C'est la photographie du camion Plymouth. Ca, c'est le Plymouth aussi. (le témoin indique la pièce "P") C'est une wagonnette. Regardez le "dash" comment c'est fait; la poignée est différente aussi; il y a la roue aussi qui n'est pas pareille.

Q. 788 Pouvez-vous identifier cette photographie comme étant celle de la wagonnette Plymouth à cause de différences techniques qui existent entre une voiture de marque Plymouth et une autre voiture?

R. C'est tout juste.

Q. 789 Vous dites par exemple que la poignée ici est caractéristique à la marque Plymouth, que la roue de direction est également caractéristique de la marque Plymouth?

R. C'est tout juste. Les autres sont des photographies des deux "trucks"; je ne peux pas les identifier particulièrement. Je sais que ça vient des deux camions en question, mais par l'intérieur je ne peux pas identifier si c'est le Dodge ou le Plymouth.

Q. 790 A quelle heure avez-vous arrêté Bellerive?

LE TEMOIN SE RETIRE.

LE PROCUREUR S'ADRESSE A LA COUR:

Je crois que j'ai avisé l'officier défenseur la semaine dernière qu'un témoin qui n'apparait pas au sommaire de la preuve, mais dont le nom a été mentionné à plusieurs reprises au cours du procès, serait appelé à comparaître. Il s'agit du constable spécial Dulieu de la Gendarmerie Royale. Nous avons voulu éclairer la cour au sujet des circonstances dans lesquelles il a été mentionné. Il va venir dire qu'il a conduit le véhicule quand Bellerive a été arrêté, qu'il s'est rendu avec le constable Gervais au Bureau de Poste, qu'il a conduit Gervais et Bellerive au Bureau de Poste, et qu'il n'a posé aucune question à l'accusé concernant l'offense dont il était soupçonné.

L'OFFICIER DEFENSEUR INFORME LA COUR QUE LA DEFENSE NE DESIRE PAS SE PREVALOIR DE SES DROITS EN VERTU DE LA REGLE DE PRATIQUE 76.

R. Constable spécial Dulieu, Gendarmerie Royale à Cheval du Canada, agé de 48 ans, domicilié à Drummondville, P.Q.

Q. 797 Connaissez-vous l'accusé dans cette cause?

R. Roch Bellerive. (le témoin indique le soldat décoiffé assis entre les deux membres de l'escorte)

Q. 798 A quelle date l'avez-vous vu pour la première fois?

R. Le soir de son arrestation, avec le constable Gervais.

Q. 799 A quelle date?

R. Le 15 juillet 1945.

Q. 800 A quelle heure à peu près?

R. Un peu...aux environs de 7 h. 30 du soir.

Q. 801 Voulez-vous raconter à la cour ce qui s'est passé exactement à compter du moment où vous avez vu l'accusé pour la première fois?

R. Nous étions dans un "station wagon " à parcourir les rues et surveiller pour découvrir l'accusé que l'on savait être à Trois-Rivières. Vers 7 h. 15 ou 7 h. 30, ou environ vers cette heure-là, un in dividu est passé avec une demoiselle. J'étais avec l'autre constable, monsieur Gervais; on s'est consulté; on s'est dit: "Ca lui ressemble". Je l'ai vu de profil; alors, on avance un peu plus loin et on le regarde en face; j'ai dit: "Je pense que c'est lui". Alors, j'avance la machine plus vite pour arrêter et lui couper le chemin à Bellerive. Pendant ce temps-là, le constable Gervais était descendu et a amené Bellerive vis-à-vis de la machine qui se trouvait à environ cent ou cent cinquante pieds du coin. J'ai vu que beaucoup de gens suivaient Gervais et Bellerive, alors, j'ai passé entre Gervais et Bellerive et ces gens-là et je leur ai demandé ce qu'ils voulaient. Pendant ce temps-là, Bellerive était monté dans la machine avec Gervais. Quand j'ai v u que tout était en ordre, j'ai sauté dans la machine et j'ai amené Bellerive au poste avec Gervais. Après ça on a fait rapport au caporal Desmarais que nous avions Bellerive; il est descendu immédiatement. Après avoir consulté Gervais seul, le caporal Desmarais m'a appelé au bureau, laissant Gervais et Bellerive ensemble seuls, pour me demander pourquoi nous n'avions pas arrêté la demoiselle, mademoiselle St-Pierre, qui était avec lui, parce que soi-disant que mademoiselle St-Pierre avait pris le portefeuille de Bellerive; alors, évidemment, c'était un manque de notre part. Là, le caporal Desmarais nous a dit d'aller chercher Monique St-Pierre. Gervais et moi-même sommes partis et nous l'avons amenée au bureau. Là, le caporal Desmarais et le constable Gervais sont montés au bureau du 3e étage et ils ont questionné mademoiselle St-Pierre, me laissant seul avec Roch Bellerive.

Q. 802 Combien de temps êtes-vous resté seul avec Bellerive?

R. Environ deux heures.

Q. 803 A quelle heure avez-vous cessé d'être seul?

R. Un peu après dix heures.

Q. 804 Qu'est-ce qui est arrivé?

R. Le caporal Desmarais et le constable Gervais et mademoiselle St-Pierre sont descendus.

Q. 805 Durant le temps que vous étiez seul avec Bellerive, quel genre de conversation avez-vous tenue avec lui?

R. Sur toutes sortes de choses sauf la cause de son arrestation.

Q. 806 Quand le caporal Desmarais et le constable Gervais sont venus, êtes-vous resté avec eux?

R. Non, monsieur; j'ai demandé au caporal Desmarais la permission de me retirer parce qu'il fallait que je me lève à cinq heures le lendemain matin.

Q. 807 Vous n'êtes pas revenu après?

R. Non, j'ai quitté le bureau.

Q. 808 Est-ce que, devant vous, à compter du moment où vous avez fait l'arrestation, à aller au moment où vous avez quitté le bureau de la Police Montée, est-ce que durant cette période de temps Bellerive a fait une déclaration quelconque?

R. Pas à moi, parce que le temps a été très court.

Q. 809 Quand vous avez amené Bellerive au caporal Desmarais, est-ce que Desmarais lui a posé des questions?

R. Pas à ma connaissance.

L'OFFICIER DEFENSEUR NE DESIRE PAS CONTRE-INTERROGER LE TEMOIN.

DE L'AVIS DE LA COUR, IL N'EST PAS NECESSAIRE DE SE CONFORMER A LA R. de P. 83(B).

Q. 852 Tous les détails qui sont mentionnés dans cette déclaration signée par vous, sont-ils vrais ou faux?

Q. 854 Levasseur était-il avec vous autres quand les camions ont sauté?

R. Ce sont eux qui m'ont mentionné ça; ils m'ont questionné et conté les faits.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Je m'objecte à ce qu'on produise devant la cour, dans le procès de Bellerive, le témoignage que celui-ci aurait rendu dans la cause d'un autre accusé. Bellerive ne parle pas dans sa cause; il n'est pas obligé de parler et il ne parle pas; et je ne vois pas comment on peut produire contre lui son témoignage rendu dans une autre cause.

42

LE TEMOIN SE RETIRE.

LE PROCUREUR S'ADRESSE A LA COUR:

Je tente de faire admettre en preuve le témoignage rendu par Bellerive dans la cause de Tessier. Bellerive a été appelé comme témoin dans la cause de Tessier et il a répondu aux questions qui lui ont été posées sans faire aucune objection ni invoquer le privilège du silence. En somme, voici la question qui se pose: EST-CE QUE LE TEMOIGNAGE RENDU PAR UN ACCUSE COMME TEMOIN DANS UNE CAUSE ANTERIEURE PEUT LUI ETRE OPPOSE DANS SA PROPRE CAUSE?

Je soumets que toute déclaration ou confession, ou tout aveu fait par un accusé en quelque temps que ce soit, et qui d'après la loi serait admissible, peut être apporté en preuve contre lui. C'est ma proposition majeure.

"Qui d'après la loi serait admissible": qu'est-ce que ça veut dire? Pour qu'une déclaration, un aveu ou une confession soit admise contre un accusé, il faut qu'elle soit libre ou volontaire. C'est le grand principe; la cour le connait parfaitement bien et l'admet. Maintenant, quel est le sens de "libre et volontaire"? Je cite POPPLE dans "Canadian Criminal Procedure" 1944, à la page 222, paragraphe 6:

> "It has long been established as a positive rule of English criminal law that no statement by an accused is admissible in evidence against him unless it is shown by the prosecution to have been voluntary in the sense that it has not been obtained from him either by fear of prejudice or hope of advantage, exercised or held out by a person in authority."

Le sens de "libre et volontaire" est simplement ceci: une confession est présumée libre et volon taire quand elle n'a pas été extorquée par des menaces ou des promesses. Dans ce cas-ci, quand Bellerive s'est présenté devant la cour, c'était un témoin qui allait rendre témoignage légalement devant une cour légalement constitutée. Le fait qu'il a été appelé comme témoin ne détruit pas le "volontariat" de sa déclaration, et je vous cite là-dessus une cause, celle de REX vs WALTER, dont le jugement a été rendu par la Cour Suprême du Canada, et qui est rapporté dans "Supreme Court Reports", page 214, volume de l'année 1934:

> "Btatements made under compulsion of statute are not classified like statements obtained by inducement or threat".
>
> "But there is no rule of law that statements made by an accused under compulsion of statute are because of such compulsion alone inadmissible against him in criminal proceedings. Generally speaking, such statements are admissible unless they fall within the scope of some specific enactment or rule excluding them".

"Some specific enactment or rule excluding them": par exemple, vous avez la règle de procédure 4(e), page 517 M.M.L., qui exige que l'accusé soit mis sous ses gardes au sommaire de preuve; sinon sa confession ou déclaration ne sera pas admissible contre lui. Autre exemple:

41

Admettons que Bellerive dans la cause de Tessier se soit objecté à une question dont la réponse était incriminante et que la cour aurait jugé illégalement que le témoin devait répondre à cette question-là, cette réponse n'aurait pas été admissible contre lui dans une autre cause parce qu'il aurait été forcé de parler illégalement. Donc, la déclaration faite par l'accusé au cours de son témoignage dans une cause antérieure, soit celle de Tessier, est parfaitement admissible contre lui parce que c'est une déclaration libre et volontaire, obtenue légalement.

Deuxième argument. La cour sait parfaitement bien qu'il existe une institution juridique qui s'appelle "le privilège du silence". Phipson la commente de la page 193 à la page 199 dans sa quatrième édition. Cette institution existe à n'en pas douter; or, que veut dire le privilège du silence? Si un témoin en témoignant dans une cause quelconque comme témoin peut s'incriminer en répondant à des questions, il a le droit d'invoquer le privilège du silence, et la cour, après avoir étudié les circonstances, peut décider que l'accusé répondra ou ne répondra pas aux questions, en autant que la question est incriminante ou non. Quelle serait l'utilité du privilège du silence si le témoignage d'un accusé, d'un témoin dis-je, devant une cour ne pourrait pas être admissible contre lui dans une autre cour? A quoi servirait le privilège du silence? Il serait parfaitement inutile! Je prétends que le privilège du silence prouve absolument clairement que un témoignage rendu par un témoin devant une cour peut être admissible contre lui dans une autre cour s'il n'a pas été protégé par le privilège du silence.

Troisièmement, je vais vous citer des autorités. Je vais commencer par vous citer la cause de REX vs COOTE, dont le jugement final a été rendu par le Conseil Privé à Londres. Cette cause est originée à Québec, et d'appel en appel, s'est rendue au Conseil Privé. (Law Reports, vol. 4, p. 599, 1873) Cette cause-là est citée sous le même sujet dans RUSSELL'S LAW OF CRIME et dans ROSCOE'S DIGEST OF THE LAW OF EVIDENCE, lesquels sont cités comme autorités à la page 71 du M.M.L. Dans cette cause-ci, il s'agit d'un procès pour un crime d'incendie. Le "Fire Marshall" de Québec, d'après la loi était constitué en cour et avait droit d'appeler et assermenter des témoins. Au cours d'une enquête sur les circonstances d'un incendie, un des témoins en rendant témoignage s'incrimine dans son témoignage. Son témoignage rendu devant le "Fire Marshall" a été admis contre lui à son procès:

> "On a trial for arson where there had been a previous enquiry by a Fire Marshall at Quebec, legally held on the origin of the fire at which the defendant had been a witness on oath, and had not been improperly compelled to answer questions tending to incriminate him -- but had not been cautioned that his evidence might be used against him -- his depositions thus taken were admitted against him by the judicial committee."

Pour vous bien montrer que dans cette cause-là, on a appliqué le droit anglais qui s'applique devant la cour martiale, on mentionne au début du jugement:

"This case is governed by English Law"

Ensuite, on explique la loi anglaise introduite au Canada en 1763, et qui continue de s'appliquer en autant qu'elle n'a pas été révoquée par des articles du code criminel. Après avoir cité plusieurs jugements, les lords résument leurs opinions en disant:

> "From these cases, to which others might be added, it results, in their lordship's opinion, that the depositions on oath of a witness legally taken are evidence against him should he be subsequently tried on a criminal charge, except so much of them as consists of answers to questions he has been improperly compelled to answer"

Je vous cite maintenant une autre cause, la cause de REX vs CHIDLEY AND CUMMINGS. Cette cause est rapportée dans 8 COX CRIMINAL CASES, 365, dans ROSCOE, RUSSELL et à la page 93 du M.M.L., paragraphe 82. C'est là qu'on résume toute la théorie de l'admissibilité du témoignage d'un témoin dans sa propre cause contre lui. Cette cause de REX vs CHIDLEY AND CUMMINS a eu lieu en Angleterre. Il s'agit d'une accusation d'avoir blessé illégalement le procureur dans une cause criminelle. A l'enquête, Chidley seul est accusé. Cummins est appelé comme témoin et s'incrimine au point qu'on l'accuse subséquemment en se servant dans sa cause du témoignage qu'il a rendu dans la cause de Chidley. Je cite:

> "Deposition of witness taken before Magistrate allowed to be read at trial as evidence against him although after this evidence was taken, the Magistrate committed him for trial, his evidence incriminating himself."

Là, je vous ai cité des anciens jugements, jugements qui constituent en somme le "common law" anglais sur ce point. Pour se rapprocher de notre période, je vais vous citer des jugements rendus au Canada. Ces jugements s'appliquent aussi à la cour martiale parce qu'ils sont basés sur le droit anglais. En effet, notre code criminel canadien est silencieux sur la question des aveux, confessions ou déclarations d'un accusé, sauf l'article 685; donc, le droit anglais continue de s'appliquer à cette question au Canada. Je vous cite TREMEARS, édition 1934:

> "Evidence given by accused in former proceedings may be proved again st him on his trial unless it is protected by some such provisions as Section 5 of the Canada Evidence Act".

La section 5, c'est seulement la protection de la cour, ou en loi anglaise "le privilège du silence".

Maintenant, POPPLE, à la page 244, paragraph 10, C.C.P. 1944 (Annotations):

"The rule as to statements made in prior judicial proceedings seems to indicate they are usually admissible in evidence in a criminal court against the person making them unless there is some rule or statutory provision which renders them inadmissible".

Je vous ai déjà donné des exemples d'un "rule or statutory provision" qui rendrait le témoignage inadmissible dans la propre cause du témoin. Dans la cause qui nous intéresse, l'accusé Bellerive en rendant témoignage contre Tessier n'a pas invoqué le privilège du silence, et même s'il l'avait invoqué, il n'aurait pas pu réussir parce que son témoignage porte sur des faits absolument étrangers au litige, des faits qui ne sont pas incriminants.

Pour terminer, je vais vous citer DIGEST OF THE LAW OF EVIDENCE de ROSCOE, à la page 51:

"The rule is that what a person states in a judicial proceedings may be used in evidence against him in other legal proceedings".

Dans SNOW, 5e édition, page 496, on lit la même opinion.

Je soumets à la cour que le témoignage rendu par Bellerive dans la cause de Tessier devrait être admis parce qu'au sens de la loi, c'est une déclaration libre et volontaire, et deuxièmement, parce que le privilège du silence n'aurait aucun sens si les déclarations des témoins ne pouvaient être admises contre eux dans leur propre cause, et troisièmement, parce que depuis 1850, le témoignage d'un témoin dans d'autres causes a toujours été admis contre lui dans sa propre cause, tant en Angleterre qu'au Canada.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR:

Il s'agirait tout de même de savoir si l'accusé a été mis en garde, si l'accusé dans la cause actuelle, qui était témoin dans la cause de Tessier, a été mis en garde par la cour. Un témoin impliqué dans la commission d'une offense peut arriver en cour et ne pas être mis en garde. Il peut très bien être sous l'impression qu'il doit rendre témoignage, surtout dans un cas comme celui-ci où l'accusé est jeune et n'a aucune expérience de la loi. Il se peut très bien qu'il se soit cru obligé de rendre témoignage et je ne vois pas comment on pourrait aujourd'hui admettre son témoignage en preuve contre lui.

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR

Monsieur le président,
messieurs les membres de la cour,

Mon argument va d'abord porter sur la première charge, celle de désertion.

Je soumets respectueusement que la charge telle que rédigée doit être renvoyée, car il me fait aucun doute que la Poursuite n'a pas établi hors de tout doute la désertion chez l'accusé. A ce sujet, je voudrais référer la cour au Manuel de Loi Militaire, à la page 19. D'abord, nous prenons pour acquit que la désertion n'est pas prouvée au sens de l'article 12(1) (a) par la Poursuite. L'article 17, à la page 19 du M.M.L. dit ceci:

> "The criterion between desertion and absence without leave is INTENTION. The offence of desertion or attempting to desert His Majesty's service implies an intention on the part of the offender either not to return to His Majesty's service at all, or to escape some particular important service as mentioned in paragraph 20; and a soldier must not be charged with desertion or attempted desertion unless it appears that some such intention existed. Further, even assuming that he is charged with desertion, the Court that tries him should not find him guilty of desertion unless fully satisfied on the evidence that he has been guilty of desertion as above defined."

Je passe quelques lignes qui suivent et qui se rapportent au déguisement. Evidemment que le fait pour l'accusé d'être en civil n'est pas un déguisement. Le paragraphe 18 dit ceci:

> "It is obvious that the evidence of intention to quit the service altogether may be so strong as to be irresistible, as for instance, if a soldier is found in plain clothes on board a steamer starting for A merica, or is found crossing a river to the enemy; while on the other hand, the evidence is frequently such as to leave it extremely doubtful what the real intention of the man was. Mere length of absence is, by itself, inconclusive as a test, for a soldier who has been entrapped into bad company through drink or other causes may be absent some time without any thought of becoming a deserter; but in the example above given of a soldier found on board a steamer starting for America, there could be no doubt of the intention, though he might only have been absent a few hours".

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

Et au paragraphe 19, on lit:

> "Nor can desertion invariably be judged by distance, for a soldier may absent himself without leave and depart to a very considerable distance, and yet the evidenc e of an intention to return may be clear; whereas he may scarcely quit the camp or barrack yard, and the evidence of intention not to return (by the assumption of a disguise, for example, and other circumstances) may be complete".

Et enfin, le paragraphe 24:

> "A soldier charged with desertion may be found guilty of attempting to desert or of being absent without leave; and, a soldier charged with an attempt to desert may be found guilty of being absent without leave. In any case of doubt as to whether one or the other offence has been committed, the court should find the accused guilty of the less offence."

Alors, je crois qu'il n'est pas nécessaire de prolonger l'argumentation plus longtemps sur la première charge, partant du fait que la couronne n'a pas établi, et n'a pas fait sa preuve de désertion, et partant du fait que s'il y a un doute, comme le dit le dernier paragraphe que je viens de lire, s'il y a le moindre doute dans l'esprit des membres de la cour au sujet de la désertion ou de l'absence sans permission, la cour doit nécessairement en venir à la conclusion que l'accusé s'est absenté sans permission plutôt qu'il a déserté.

On voit également par les exemples donnés au sujet de la désertion le cas d'un soldat qui serait sur un bateau en partance pour l'Amérique (et dans notre cas, il faudrait peut-être dire "pour l'Europe"), ceci serait considéré comme un cas de désertion, de même que celui d'un soldat qui serait surpris en train de traverser une rivière pour se rendre à l'ennemi. Je crois que ce n'est pas le cas qui nous occupe et l'offense qui est devant la cour n'a rien de commun avec ces éléments. Je demande donc le renvoi de l'accusation telle que portée sur le premier chef d'accusation, soit, d'avoir déserté.

J'en viens maintenant à la deuxième charge, celle sous l'article 24(4) - willfully injuring public property -. La cause a été assez compliquée pour différentes raisons. J'argumenterai d'abord sur le témoignage de ceux que j'appelle des complices.

D'abord, si nous prenons le témoignage de Levasseur, il ne fait aucun doute, il ne devrait faire aucun doute dans l'esprit des membres de la cour, qu'il devrait être considéré comme un complice. Il a certainement aussi

33

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

Tessier sinon l'autre à commettre l'offense en ce qu'il a fourni les matériaux pour la commettre. Il y a le témoignage de Tessier qui ne vaut pas cher mais qui tout de même au point de vue de preuve de circonstances pourrait incriminer l'accusé jusqu'à un certain point. C'est encore un complice. Et si on les prend tous les trois comme ayant participé au même acte, les deux autres sont complices aussi : en somme, trois complices. Or, le témoignage d'un complice doit être corroboré. Dans cette cause-ci, le témoignage de Tessier et de Levasseur se corroborent l'un l'autre jusqu'à un certain point, mais par contre, le témoignage d'un complice ne peut pas être corroboré par celui d'un autre complice.

Au sujet de témoignages de complices, je prends mes références dans CRANKSHAW'S CRIMINAL CODE, et j'aimerais à attirer l'attention de la cour sur les causes suivantes, dans la 6e édition, 1935: REX vs SHEMIT (44 C.C.C. 10,1925), REX vs BASKERVILLE (12 Crim.App.Reports. p.81), REX vs STUBBS (25 L.J.M.C.) et REX vs TATE (Crim.App.Reports.p.39). Enfin, il y a une dizaine de causes énumérées ici. Je voudrais qu'onles prenne toutes en note. Encore une fois, il y a toute la théorie...j'ai justement ici la charge du juge sur le témoignage d'un complice. Je ne voudrais pas dicter à monsieur le président les directives qu'il aurait à donner aux autres membres de la cour. La première remarque dit:

> "The rule as to the necessity for corroboration of the evidence of an accomplice which has become virtually equivalent to a rule of law, is that the judge must warn the jury of the danger of convicting on uncorroborated evidence, but should point out that it is within their legal province to do so."
>
> "The foregoing law should be strictly followed by trial judges".
>
> "The judge should be careful not to exaggerate the volume and the weight of the corroboration."
>
> "Where the evidence against a prisoner is the uncorroborated evidence of the accomplice, the judge must warn the jury that while they may convict on such evidence, it is always, not generally, dangerous to do so. It is wrong for the judge to tell a jury that if they are quite certain in such a case that the accomplice is telling the truth they OUGHT to act on it."

Et à la page 785, nous trouvons:

> "In order to constitute one person an accomplice of another in the commission of a crime, it must be shown that the former's participation in the crime was criminally corrupt."

32

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

"It is not a rule of law that the evidence of the accomplice must be corroborated to render a conviction valid; but it is usual in practice for the trial judge, and it is held to be his duty, to advise the jury not to convict on such testimony alone, and juries should attend to the judge's direction and require corroboration."

"The corroboration should be not only as to the circumstances of the crime itself but also as to the person having taken part in it."

"The evidence of other accomplices is not corroboration of the evidence of one of the accomplices."

J'attire l'attention de la cour sur cette remarque et je la relis encore une fois:

"The evidence of other accomplices is not corroboration of the evidence of one of the accomplices."

J'en reste là au sujet de témoignages de complices.

Levasseur dans son témoignage dit qu'il a procuré de la dynamite et enfin les accessoires qui s'y rattachent, aux deux bons hommes. Il est en preuve par contre que Bellerive lui-même l'a remis à Tessier. J'attire l'attention de la cour sur cette partie des témoignages également.

Maintenant, que penser du témoignage de Levasseur lui-même? Je le prends, je le considère moi-même comme complice, et je voudrais que la cour en arrive à la même conclusion au sujet de son témoignage. Ensuite, je ne vois pas jusqu'à quel point il a pu incriminer Bellerive au sujet du deuxième chef d'accusation. Quant au témoignage de Tessier, il ne vaut rien contre Bellerive. Tessier n'a rien dit.

Maintenant, je voudrais dire un mot avec tout le respect que j'ai à l'endroit de la cour, au sujet de l'admissibilité de la confession orale. J'ai beaucoup de respect pour la cour, mais je soutiens encore une fois que cette admission n'aurait pas dû être permise en cour. Je m'appuie pour répéter cette affirmation sur le fait d'abord que Bellerive a été cautionné par le caporal Desmarais et en présence d'un autre membre de la Royale Gendarmerie à Cheval, à 7 heures ou 7 heures et demie, et si je me rappelle bien les témoignages, il est en preuve qu'à ce moment-là, il n'a voulu rien dire; ensuite, le caporal Desmarais a re[illegible] dans son bureau, dans un autre bureau que la chambre 213 e[illegible] se trouvait l'accusé, l'amis de Bellerive, Monique St-Pier[illegible]

31

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

et il a passé près de deux heures avec elle. Il est également en preuve que Bellerive n'a admis ou n'a parlé qu'à Desmarais quand Desmarais est revenu vers dix heures et demie. Desmarais est venu témoigner devant la cour que Bellerive n'avait parlé qu'entre environ dix heures et quarante-cinq et minuit. Alors, j'attire l'attention de la cour sur le fait que la caution a été donnée à Bellerive à sept heures ou sept heures et demie et que Bellerive a dit qu'il ne voulait pas parler et qu'il aurait ensuite parlé qu'entre onze heures moins quart et minuit.

Mon deuxième point, c'est le fait que le caporal Desmarais, qui était en charge du détachement à cet endroit-là, n'a pas fourni à Bellerive une copie de la déclaration de Tessier, la déclaration signée par Tessier, ceci contrairement à la règle des Juges de la Cour du Banc du Roi, citée à la page 92 du M.M.L.:

> "When two or more persons are charged with the same offence and statements are taken separately from the persons charged, the police should not read these statements to the other persons charged, but each of such persons should be furnished by the police with a copy of such statements and nothing should be said or done by the police to invite a reply. If the person charged desires to make a statement in reply, the usual caution should be administered."

Or, ceci n'a pas été fait.

Au sujet de la manière dont la confession a été prise, maintenant! D'abord, c'est une confession verbale. Bellerive a bien dit en toutes lettres une chose, c'est qu'il ne voulait pas parler. Alors, on a attendu quelque temps; Desmarais a reçu l'amie de Bellerive, mademoiselle St-Pierre. C'est ma déduction personnelle mais enfin...il a probablement questionné la jeune fille et il a su par elle des choses qui se rapportaient à la cause, et sachant ces choses, il est revenu en bas dans la chambre 213, et il s'est mis à questionner Bellerive. Maintenant, il y a un point aussi, c'est que Desmarais a admis en réponse à mes questions, qu'il avait suggéré ses réponses à Bellerive. J'ai fait admettre à Desmarais qu'il aurait pu au cours de la conversation avec Bellerive dit par exemple: "T'es parti de tel endroit; tu t'es rendu à tel autre endroit, et t'as fait telle chose et telle chose; n'est-ce-pas comme ça que ça se serait produit?" Desmarais a dit qu'il aurait pu questionner ainsi; il a dit que c'était possible que les choses se seraient passées comme ça. Alors, on doit inférer de la nécessairement que la confession ou les admissions faites par Bellerive ne sont pas libres et volontaires. Tout ce que Desmarais et Gervais sont venus dire en cour, c'est que Bellerive avait dit avoir sondé une porte du "station wagon" --celui dans le lot vacant, je crois-- et que la porte était barrée, qu'il s'était ensuite rendu de l'autre côté, qu'il avait déposé le bâton de dynamite et qu'il aurait mis le feu en continuant son chemin. Je ne

30

vois pas forcément comment il aurait pu prendre une heure ou une heure et quart au moins à trois hommes...je ne peux pas m'imaginer comment, pendant une heure et quart, une heure et demie, trois hommes n'auraient pu dire simplement que ces choses-là. Ca représente à peu près trois lignes dans la bouche de Bellerive, à peu près quinze ou vingt ou peut-être trente mots au plus. Ce qui est arrivé seulement, hors de tout doute, c'est qu'il y a eu une pression, une forte pression exercée par le caporal Desmarais sur Bellerive. Il avait préparé son affaire; il a complété la préparation de son affaire en faisant venir la petite St-Pierre à son bureau où il l'a questionnée à fond. Une fois qu'il eut connu toute l'histoire, il a fait parler Bellerive. Dans ses propres termes, il lui a dit: "Tu as fait ceci, tu as fait cela; tes allées et venues ce soir-là, c'étaient ci et ca, n'est-ce-pas?" et Bellerive disait "oui". Pardessus le marché, avec toute son expérience comme policier --je crois qu'il a dit que ça faisait dix ans qu'il était dans la Gendarmerie Royale--, comment se fait-il qu'il n'a pas pris sa confession par écrit? C'était si facile! C'était tellement facile à ce moment-là! Pourquoi cela n'a-t-il pas été fait? Il y avait des tables là et des machines à écrire; rien n'aurait été plus facile que de taper ça tout de suite, et pourtant cela n'a pas été fait! Et avec toute son expérience comme policier...!

Il y a à considérer aussi au sujet de cette confession verbale que l'accusé était convaincu qu'on l'appréhendait pour désertion. C'était son grand problème. Alors, si c'était le cas, eh bien, si la police n'a rien fait pour le mettre en garde contre cette idée-là, il me semble que c'était le devoir de Desmarais en tant que chef de ce détachement de la Royale Gendarmerie d'avertir Bellerive pourquoi on l'appréhendait ce jour-là.

Au sujet de la prise de la confession par écrit, je pourrais référer la cour à la règle 9 des Juges de la Cour du Banc du Roi, citée à la page 92 du Manuel de Loi Militaire, qui dit:

> "Any statement made in accordance with the above rules should, whenever possible, be taken down in writing and signed by the person making it after it has been read to him and he has been invited to make any corrections he may wish."

Alors, je crois qu'on entre bien dans la lettre de l'article en disant que le "whenever possible" s'appliquait certainement là sans l'ombre d'aucun doute. Il était très facile et tout-à-fait naturel pour la police, surtout pour un policier de l'expérience de Desmarais, de faire prendre ou prendre lui-même les déclarations de l'accusé par écrit et lui faire signer ses déclarations. C'est tellement vrai que c'est Morel qui a trouvé le chat tel qu'il le dit dans sa déposition au sommaire d'évidence.

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

J'irais même plus loin à ce sujet-là et je dirais que la confession écrite, même si elle n'est pas en preuve, n'était que la simple continuation de la confession verbale, et que les deux confessions, écrite et verbale, ne forment qu'un tout.

(La cour informe l'officier défenseur qu'il ne doit pas mentionner d'autres faits que ceux qui sont en preuve devant la cour)

Au sujet de la confession verbale elle-même, j'ai prétendu tout à l'heure qu'elle n'était pas libre et volontaire, et au soutien de cette affirmation-là, les choses dites par Desmarais n'ont pas été rapportées en cour. On n'a jamais su ce que Desmarais a dit, de quelle manière il a conversé avec l'accusé. Il nous a dit qu'il n'avait pas fait de menaces à l'accusé, mais à une de mes questions, il a admis qu'il avait parlé à l'accusé et qu'il lui avait posé des questions; il a admis, comme je disais tout à l'heure, qu'il avait initié des choses lui-même et qu'il aurait demandé à l'accusé ensuite de corroborer si oui ou non c'était arrivé comme ça. Ce n'est pas ce que j'appellerais une confession libre et volontaire.

Maintenant, la défense a amené comme témoin trois jeunes filles qui sont venues jurer que l'accusé, un peu avant et un peu après l'explosion, nommément entre 8 h. 30 et environ 9 h. 45 et 10 h., le soir du crime, avait été au Bluebird, et qu'elles l'ont rencontré à cet endroit-là. Je soutiens que le témoignage donné par ces jeunes filles n'a aucunement été contredit par la poursuite, même en 'rebuttal', en faisant venir le caporal Turcot, se servant de ces notes prises au procès de Tessier; je soutiens que la poursuite n'a pas détruit l'alibi de l'accusé. Et je ne fais que référer la cour à la dernière réponse de l'accusé lors de ce témoignage lu par le sténographe, quand on lui a demandé: "De neuf heures et demie à dix heures, où étiez-vous?" et qu'il a répondu: "On était au Bluebird; on était pas mal chauds; on se rappelle pas toutes les places." Si on se rappelle pas toutes les places, on se rappelle encore moins d'une seule. Exactement! Parce que les trois jeunes filles doivent être crues par la cour, et il n'y a aucune raison pour que la cour ne prenne pas leur témoignage au sérieux. Elles se sont trompées, il est vrai, mais elles se sont trompées sur des questions de détail. Au point de vue d'ordre matériel, elles ont prouvé que l'accusé, le soldat Bellerive, était au Bluebird, et qu'elles l'ont rencontré là le soir de l'explosion, qu'il a pris un peu de bière, même si un des témoins a dit qu'il n'en avait pas pris. Il est en preuve évidemment que l'explosion elle-même s'est produite entre 9 h. 20 et 9 h. 30. L'accusé, ce soir-là (il l'avoue lui-même dans son témoignage)(dans la cause de Tessier) était pas mal chaud. Seulement, étant pas mal chaud, comment se fait-il qu'il puisse se rappeler si bien tout ce qui s'est passé? En passant, on peut dire que l'avocat de la poursuite a été d'une habileté consommée; il a fait dire au témoin tout ce qu'il a voulu lui faire dire. Les jeunes filles qui sont venues témoigner en

PLAIDOIRIE DE CLOTURE DE L'OFFICIER DEFENSEUR (suite)

faveur de l'accusé ont établi sa présence définitivement au Bluebird le soir de l'explosion. Si elles ont dit qu'il était sorti de la salle pour aller probablement à la chambre de toilette, elles ont dit aussi que leur table était placée si près de la porte même qu'il leur était possible de voir les personnes qui sortaient. Il en ressort donc de ça que si l'accusé était parti et avait laissé le restaurant, il serait passé à côté d'elles et au moins une des jeunes filles l'aurait vu sortir. Et la cour doit certainement admettre que l'accusé était au Bluebird et qu'il a été au Bluebird jusqu'à 9 h. 45, dix heures, le soir de l'explosion. La poursuite n'a pas établi, loin de là, hors de tout doute, que l'accusé est bien celui qui a fait exploser un des "station wagons" le 18 mai 1945.

Le fardeau de la preuve repose nécessairement sur la poursuite, et la preuve de circonstances est certainement pas assez forte pour amener la cour à un verdict de culpabilité. Maintenant, il y a toujours la théorie du doute en faveur de l'accusé; le doute existe dans le premier chef également, mais surtout dans la deuxième cause. Il y a certainement un doute très fort qui doit exister dans l'esprit des membres de la cour, à savoir, si l'accusé a oui ou non commis l'offense dont on l'accuse. Ce doute, même le plus petit soit-il, on doit en faire bénéficier l'accusé.

Pour ces considérations, la défense demande à la cour le renvoi du premier chef d'accusation ainsi que du deuxième chef d'accusation.

REQUISITOIRE DU PROCUREUR

Monsieur le président,
messieurs les membres de la cour,

L'accusé Bellerive avait à faire face à deux chefs d'accusation, l'un de désertion et l'autre d'avoir endommagé malicieusement le bien public.

Quant à la première offense, la désertion, le début, la continuité et la fin de l'absence ont été bien établies. Il s'agit de savoir si des faits prouvés, la cour peut en désuire qu'il y a eu désertion. Vous avez la longueur de l'absence, une absence de 333 jours, le fait de l'arrestation en habit civil, et vous avez le droit de prendre en preuve sur cette offense, la preuve offerte pour établir le deuxième chef d'accusation. Détruire des véhicules militaires n'est pas une manifestation de l'amitiée de l'accusé envers l'armée. L'intention ne peut pas se prouver directement, mais de tous ces faits établis vous pouvez déduire l'intention de l'accusé de ne pas revenir. Mais si la cour en vient à la conclusion qu'elle n'est pas satisfaite que l'intention est apparente, elle peut encore rendre un verdict spécial d'absense sans permission.

Quant à la deuxième offense, qui est l'offense principale, la poursuite a établi par plusieurs témoins qu'entre neuf heures et quart et neuf heures et demie du soir, le 18 mai 1945, deux véhicules militaires, "station wagons" 54-636 et 54-385, ont été endommagés par une explosion. Ces véhicules-là ont été laissés en parfait état vers la fin de l'après-midi à l'endroit mentionné, soit en face de l'Hôtel Caumartin à Trois-Rivières. A 9 h. 15 ou 9 h. 30, ils sont endommagés. Le caporal Lapointe entend deux détonations; il descend et visite les deux "chars" et il remarque certains dommages et une senteur de poudre. Charest, l'expert, a donné l'énumération et l'évaluation des dommages aux véhicules, et il est d'opinion lui aussi que c'est une explosion qui a causé les dommages aux véhicules.

Coincidence étrange, la même journée, vers la fin de l'avant-midi, l'accusé est dans le restaurant Guillemette avec Tessier, et là ils se disent: "Si on avait de la dynamite, on ferait sauter les 'chars' des'provosts'." Levasseur leur apporte de la dynamite. Ces faits-là sont absolument établis. Levasseur a entendu la conversation et lui-même a remis la dynamite la même journée de l'explosion, le 18 mai 1945. Levasseur ne sait pas exactement à quel des deux il a remis la dynamite. Tessier vient jurer qu'il l'a remise à Bellerive et il dit "Bellerive me l'a remise ensuite". Mon confrère a donné une savante théorie sur la complicité. Le seul défaut de sa théorie est qu'elle n'est pas tout-à-fait complète. Qu'est-ce qu'un complice? POPPLE dit:

> "An accomplice is one who could be convicted if indicted as a principal for the offence".

REQUISITOIRE DU PROCUREUR (suite)

Tessier pourrait-il être condamné pour cette offense-là, le 15 août 1945? Il a déjà été condamné. Levasseur est-il un complice? Je prétends que non parce que vous ne pouvez pas l'accuser de cette offense-là exactement comme elle est là. Admettons pour un moment que Levasseur soit un complice. Il y a une chose telle en droit que le complice avant le fait et le complice après le fait. Et le complice avant le fait est un témoin compétent. Je cite encore POPPLE, dans "Canadian Criminal Procedure " (Annotations) 1944, page 68:

> "It should be pointed out, however, that the Privy Council ruled in the Nat Bell case that an accessory before the fact is a competent witness and no error in law is committed in accepting his testimony without corroboration"

Mais dans cette cause, Levasseur est corroboré; même s'il était un complice, il est corroboré par Tessier. Je vais citer la cause de REX vs BASKERVILLE à mon tour, cause que le savant procureur de la défense a citée tantôt. Les juges ont décidé dans cette cause:

> "The validity of a conviction based on the uncorroborated evidence of an accomplice -- there is no doubt that the uncorroborated evidence of an accomplice is admissible in law".

C'est bien clair. La seule chose, la seule affaire que le juge est obligé de faire est d'aviser les membres du jury et leur dire: "Faites attention! le témoignage d'un complice est admissible, mais voyez-y avant de condamner. Vous pouvez condamner quand même; c'est parfaitement légal, mais faites-y attention!" Dans ce cas-ci, Tessier confirme Levasseur qui est un complice avant le fait. De plus, le fait de l'explosion et l'aveu de Bellerive corroborent complètement Levasseur.

Donc, nous avons deux faits parfaitement établis. Les véhicules de l'armée, dont les numéros sont mentionnés dans l'acte d'accusation, ont été dynamités. Deuxièmement, ils ont été endommagés pour des dommages qui s'élèvent à $70.11 et à $175.92 respectivement; c'est parfaitement bien établi et il n'y a aucun doute là-dessus. La date? C'est le 18 mai 1945 entre 9 h. 15 et 9 h. 30.

Le deuxième fait bien établi, c'est que le matin de la même journée, Bellerive avait l'intention de les faire sauter. Ceci est bien établi aussi par deux témoins. Il reçoit de la dynamite; c'est encore bien établi par deux témoins.

Maintenant, l'accusé a voulu nous enlever tout doute qu'il pourrait y avoir quant à sa culpabilité; il a raconté son histoire à la police. Mon savant confrère, en dépit du jugement rendu avec sagesse par la cour, a discuté ledit jugement, et l'a discuté d'une façon étrange parce que toute sa discussion repose en partie sur des faits qui

REQUISITOIRE DU PROCUREUR (suite)

ne relèvent pas de la preuve. Il vous a parlé qu'une déclaration de l'accusé doit être prise par écrit. Je me demande où on peut trouver ça dans la loi. Il n'y a aucune spécification, aucune règle du "common law" qui exige qu'une confession doit être écrite. C'est seulement la cour d'appel d'Angleterre qui a dit à la police: "Si vous ne voulez pas avoir de difficulté, votre confession, prenez-la par écrit". C'est un conseil et non pas une règle. D'ailleurs le jugement a été rendu et la confession admise, et je me borne aux arguments que j'ai présentés devant cette cour à la conclusion de la preuve sur voir-dire, et je réfère la cour à sa propre décision.

La caporal Desmarais, corroboré par Gervais, deux membres de la Royale Gendarmerie à Cheval, vous ont raconté ce que Bellerive leur a dit: "Un taxi nous a conduits à l'Hôtel Caumartin. De là, Roméo et moi, on est allé chac un à notre 'truck'. J'ai choisi celui qui était dans le lot vacant. J'ai vu que la porte du côté de la rue de Niverville était barrée; alors, je suis allé de l'autre côté du camion. Roméo est venu me retrouver; il m'a remis le bâton de dynamite; je l'ai allumé et je l'ai déposé sur le siège d'en avant à côté de la place du chauffeur.

Cette déclaration, qui est admise, est la meilleure preuve possible que l'on puisse avoir dans cette cause pour établir la culpabilité de l'accusé. Même des détails de cette déclaration sont déjà corroborés par l'examen du véhicule; quelle partie est le plus endommagée? l'avant! La partie d'en arrière, où étaient les bidons de gazoline; - pas du tout! L'accusé a justement dit: "J'ai mis le bâton de dynamite sur le siège d'en avant". Confession admise par la cour et corroborée par une preuve circonstancielle effroyable. Il n'y a aucun doute que l'accusé est coupable de l'offense telle que mentionnée.

Mais en défense, c'est là que l'accusé nous a fait une peur. En défense, il nous arrive trois "teen-age" girls". Les trois jeunes filles sont venues jurer qu'entre 8 h. 45 et 9 h. jusqu'à 10 heures, l'accusé est resté rivé à une table à prendre de la bière. Elles sont certaines de cette affaire-là; il n'y a aucun doute; pas moyen de les faire casser. Il y a des petits détails qui sont tout de même embarrassants. L'une d'elles, mademoiselle Lefebvre, dit que Bellerive n'a pas quitté la table une seconde; les deux autres disent qu'il est allé à la chambre de bain, une dit "deux fois" et l'autre dit qu'il est resté parti une "bonne escousse". Et il y a cinq minutes à pied pour se rendre du Bluebird au lieu du crime. Autre fait: une a dit: "Il a rien pris, Bellerive, absolument rien". Les deux autres ont qu'il a pris de la bière. Deux des trois ont dit qu'à la table où elles étaient, de la manière qu'elles étaient placées, elles pouvaient tout voir ce qui se passait dans le restaurant; l'autre dit: "Le dossier de notre table me dépassait la tête un peu". Des petites contradictions importantes

REQUISITOIRE DU PROCUREUR (suite)

Maintenant, la cour peut tout de même se demander comment il se fait que ces trois jeunes filles se rappellent d'une façon aussi précise des faits dans lesquels elles n'étaient pas intéressées et qui datent d'à peu près trois mois et demi. Même si on n'avait pas de témoins pour réfuter leur témoignage, je soumets que la preuve soumise serait bien suffisante, mais pour ne laisser planer aucun doute, j'ai fait produire le témoignage de Bellerive dans la cause de Tessier, et je vous cite:

Q. Quelle heure était-il quand vous êtes allés au Bluebird à peu près?

R. Huit heures moins quart, huit heures.

Q. Du Bluebird, où êtes-vous allés?

R. On est redescendu au restaurant Guillemette.

Q. Combien de temps après ça?

R. A peu près neuf heures, neuf heures et quart.

Et plus tard, le juge lui a demandé:

Q. Jusqu'à quelle heure vous êtes resté au Bluebird?

R. Neuf heures et quart, neuf heures et demie.

Le fait essentiel de ce témoignage est que Bellerive est sorti du Bluebird vers 9 h. 15 alors que ses trois témoins ont juré le contraire. Vous avez donc une preuve presque irréfragable en poursuite, et quand la défense arrive avec un alibi aussi boîteux, vous ne pouvez pas l'accepter parce que toutes les possibilités sont là que l'accusé a été à l'endroit du crime à la date et à l'heure en question. La preuve d'alibi ne tient donc pas debout.

Il a été prouvé par la poursuite que l'accusé a fait sauter seulement un véhicule. Je soumets à la cour qu'il devrait être trouvé coupable de l'accusation telle que rédigée, c'est-à-dire d'avoir fait sauter les deux véhicules parce qu'à la page 107 du M.M.L., l'article 17 dit:

> "If several persons combine together for an unlawful purpose or for a lawful purpose to be effected by unlawful means, each is responsible for every offence committed by any one of them in furtherance of that purpose, but not for any offence committed by another member of the party which is unconnected with the common purpose, unless he personally instigates or assists in its commission"

Alors, le matin, Tessier et Bellerive se sont rencontrés et ensemble se sont dit: "On va faire sauter les 'chars' des 'provosts'.": Acte illégal. Comment les faire sauter? Avec de la dynamite: moyen illégal, et deuxième acte illégal. Ils se concertent donc ensemble pour commettre

23

REQUISITOIRE DU PROCUREUR (fin)

un acte illégal par des moyens illégaux. Ce que Tessier a pu faire, Bellerive en est responsable, comme Tessier est responsable de ce que Bellerive aurait pu faire.

Pour terminer, je voudrais ajouter que l'aveu a toujours été la meilleure preuve possible en droit. PHIPSON, 4e édition, page 242, nous le dit:

> "A confession duly made and satisfactorily proved is generally sufficient to warrant a conviction without corroboration except in certain cases"... comme le meurtre, la bigamie, la félonie etc.

Dans cette cause-ci, vous avez une confession parfaitement bien corrotorée, et je soumets que l'accusé devrait être trouvé coupable des deux chefs d'accusation tels que rédigés.

The District Officer Commanding,
Military District No. 4, Montreal, Que.

District Court-Martial
D.654073 Pte. R. Bellerive,
CIC.,CA.,att.No. 44 C.I.(B)T.C., C.A.

Receipt is acknowledged of your M.1-B-17333 dated 10 Oct 45, under cover of which you forwarded, for registration and custody, the proceedings of the m/n District Court-Martial.

2. It is noted that the accused was found Guilty of Desertion under A.A.12, and Wilfully injuring Public Property under A.A.24(4), and sentenced to 23 months imprisonment and to be discharged with ignominy.

3. The Prosecution called as a witness Pte. Tessier, who had previously been convicted on a similar charge. When Tessier professed that he could not recall various matters connected with the offence, the Prosecutor asked to have him declared hostile. The Court rejected the motion, saying that the Prosecutor might renew it at a later stage. Thereupon the Prosecutor proceeded to cross-examine Tessier on what the latter had said at the Summary of Evidence. Such cross-examination should not have been permitted as Tessier was still giving evidence in chief. Subsequently the Court declared Tessier a hostile witness and after this, cross-examination was perfectly in order.

4. Certain photographs of D.N.D. vehicles, in which explosives had been set off by Bellerive and Tessier, were produced by the witness Cpl. Desmarais, and admitted as exhibits. These photos were received through the evidence of Desmarais, apparently on the ground that when Desmarais showed them to the accused, the latter admitted recognizing them. As the Defence questioned the evidence of Desmarais on this and other statements allegedly made by the accused, it would have been preferable if the photos had been proven by the evidence of the R.C.M.Police photographer who took them.

5. The able argument of the Defending Officer against the admissibility of the confession has been noted. It is considered, however, that there was evidence on which the Court was justified in holding that the statement was freely and voluntarily made.

6. Consideration has also been given to the objection of the Defending Officer to the evidence submitted by the Prosecutor in rebuttal. This evidence consisted of calling a Court Stenographer to prove what the accused had stated as a witness at the trial of Tessier. The opinion of the authorities cited by the Prosecutor in his careful review of the law is to the effect that since

.....(P

3

Bellerive had given evidence at the Tessier trial without invoking the "privilege of silence", his evidence could be used against him at his own trial. This opinion, which the Court accepted, is concurred in.

7. It is noted that the accused was 52 days in custody awaiting trial. May an explanation of this delay be forwarded, please.

8. The Finding is supported by the evidence and the Sentence is legal.

9. It is noted, however, that the Sentence was 23 months imprisonment and to be discharged with ignominy. In view of the lack, in most districts of Canada, of institutions in which sentences of imprisonment (without hard labour) and discharge with ignominy can be served, the practice has been adopted of Courts-Martial awarding either (1) imprisonment with hard labour and discharge with ignominy, or (2) detention. In the case of detention, no discharge with ignominy can be awarded. Where a Court-Martial had awarded imprisonment (without hard labour) and discharge with ignominy, the practice has been to commute the imprisonment to detention and to remit the discharge with ignominy. You may desire to follow this procedure in the present case.

10. The proceedings, which have been registered under No. 40327, the 15th Oct. 1945, are returned to you for any action you may deem necessary. After they have served your purpose, may they be returned to this Headquarters.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

C'est à propos de ma mère si j'ai déserté. Ma mère souffre d'une débilité générale. C'est une femme qui a subi une opération il y a quelques années et elle est pas très forte. Quand je lui ai appris que j'étais dans ma passe d'adieu elle m'a demandé de pas la quitter. J'ai travaillé sur la terre à St-Césaire, je gagnais $40.00 par mois. Je donnais $25.00 chez nous. Avant d'entrer dans l'armée je travaillais comme ajusteur machiniste. Mon père vit. Il a sa pension de postillon. Il demeure à Cartierville. Il y a deux garçons à part de moi. Un est marié sur çà. Ils ont vingt-deux et vingt-quatre ans. Celui qui est marié se trouve à rester chez nous. Il ne travaille pas. Durant mon absence j'ai travaillé à la ferme expérimentale à St-Césaire. J'ai été arrêté à Montréal parce que j'étais allé chez nous. J'allais chez nous une fois par quinze jours. J'ai travaillé durant toute mon absence sans permission. En entrant dans l'armée j'avais pas signé rien mais j'en donnais sur mes paies. A l'appui de ma déclaration, je désire soumettre un certificat du Dr. L. Carignan relativement à la santé de ma mère.

"Le certificat précité est lu, marqué CC-5, signé par le président et versé au dossier."

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Pour mes quatorze jours d'absence sans permission, dans ce temps-là j'avais mal aux jambes. J'avais été au M.I.R. voir ce que j'avais. Ils m'avaient retiré, j'avais attendu un peu, ça m'avait rien fait. A la prochaine passe j'ai été chez un spécialiste pour passer une radiographie pour voir ce que j'avais au juste. J'ai attendu les résultats, ça pris treize jours. Le rapport du spécialiste je l'ai, il se trouve à être au dépôt-police.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

L'officier défenseur s'adresse à la cour:

Monsieur, le Président,

Je soumets le cas tel que présenté.

8

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

- LE TEMOIN SE RETIRE -

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Oui, monsieur, sous serment (voir page D-3 et suivantes)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

Question à l'accusé. ~~Entendez-vous témoigner à l'appui de votre réputation?~~

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: (l'accusé, par son Officier, Défenseur, dit:)

" Lorsque vous rendrez votre sentence je vous demanderais de considérer que le soldat Bourget, l'accusé, souffre d'ulcères d'estomac. Il est malade. J'ai ici des lettres de médecins attestant sa maladie. Même durant son congé il s'est fait traiter d'abord par le Docteur Turmel ensuite par le Docteur Fortin de Lauzon, ce qui atteste sa bonne foi. Durant son absence, c'est à peine s'il a travaillé chez-lui lorsque son état de santé lui permettait. Je demande la clémence de la Cour. Je produis une lettre du Dr. Fortin".

(Ce document est lu par la Cour, marqué "K", signé par le Président et versé au dossier.)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

MEMO FOR C.R.(CONF.) AND FOR FILE:

The papers referred to in the minute on the face of this file "J.A.C. With Papers C.R. Oct 27 1945", and registered at Central Registry as Number 5371, were Orders for release of persons subject to military law as soldiers undergoing detention, and were addressed to the Commandant of the Detention Barracks at Military Detention Barracks No. 66, Valcartier Camp. They had apparently reached this Headquarters through error; they have been removed from the file and directed to the a/m Commandant.

You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

Q. Are you married?

A. Married sir with two children.

Q. When were you called up?

A. I was called up, my first was in 1942.

Q. Approximately when?

A. I believe it was fall of 1942 around October, or November.

Q. Were you enrolled at that time?

A. I was working at the mine at Drumheller.

Q. They had you postponed?

A. I didn't apply for it sir.

Q. When were you called up again?

A. I was called up again on the 5th, I had to report on the 5th May, 1943.

Q. What happened to you then?

A. I was at this Depot here approximately a week or better and then I was transferred to Camrose and I was there a couple of weeks.

Q. Did you take any training there?

A. Very little sir as far as I could see.

Q. And then where did you go?

A. From there we were put on Pacific Draft to Port Alberni, B.C.

Q. What did you do there?

A. Mostly fatigue duties and a little battle drill.

Q. Then what happened?

A. Then we were sent to Eculade B.C. or Long Beach.

Q. Did you take any training there?

A. When I hit there I went to or on leave. I had a leave of five or six days and I went on leave sir there and when I returned to my unit and while I was away I was not on this medical and when going through this medical I had something wrong with me. I was in hospital then for a month, the hospital in Nanaimo. When I returned to my unit my coal mining leave was granted to me.

Q. Did you apply for that?

A. No I didn't sir. The mine manager of Fox mine.

Q. That was in 1944?

A. Yes sir.

Q. And have you been there since?

A. I have been there since sir.

Q. Then what happened? That leave was up when?

A. I had three or four leaves from the Ideal Mine.

Q. Did you apply for them yourself?

A. I never applied for one leave sir.

Q. Go on?

A. I had worked there all that winter.

Q. What winter,

A. The winter of 1944 and 1945 the fall and the spring and then in April, 1945 I had an operation for appendix and a while or after this happened I was returned to my home which was in Carbon and then in the latter part of May I went back to the mine and inquired about my postponement, as the one I had was due. The mine manager told me not to worry about any postponement as we were automatically postponed until further notice so from there I returned to my home. It was in July I went back again I figured I was able to work and tried to get into the mine and the results were, the same week they were taking a two weeks holdiay and they were just keeping a few for the repair of the mine that had been caved so from there I returned home and then I went into Calgary to the stampede and while I was there I was up to selective service and told them my situation that I had had this operation and was not able to do any hard work and they said to try to get some outside work and if I couldn't do that I was to go back to my unit or wait until I was able to work again. I knew I couldn't get on outside so I returned home and around the middle of August I had a letter from my folks up north in Edmonton and it stated in the letter my grandmother was not expected to live so I went down there for two weeks and my uncle was the only one there and I helped him at his haying while I was there. I returned to Carbon around the first part of September and on returning to Carbon I had a letter from the selective service asking my when I was going to return to the mine. I was down to the mine three times in September and the result was that the old place where I was at couldn't--the place I had worked had caved in and it took some time to repair and I was supposed to get back into the mine thise week, that is, this week right here.

Q. So you were at home?

A. Yes sir I was home.

Q. You were not working at the time?

A. Yes sir.

Q. Were you known to the R.C.M.P.?

A. Yes sir for two or three years.

Q. He knew you very well?

A. Yes sir as I have had a lot to do with him.

Q. Did you intend at any time to desert his majesties forces?

A. I never did.

Q. Did you intend to go absent without leave?

A. I never did sir.

Q. What is the cost of meals in a cafe in Carbon?

A. Well sir any meal I have every had there, I have

seen chicken dinners, pie and coffee served with it for sixty cents.

Q. Were you given any meal the night you came down?

A. No sir I had to go without until Sunday morning and I was apprehended at noon Saturday.

Q. You stated that your mine manager applied for the leaves for you?

A. Yes sir.

Q. You did not make application yourself?

A. I never did sir.

Q. Did he also inform you that your leaves had been granted?

A. Yes sir.

Q. How did you learn that your leaves had been granted?

A. The postponements were automatic postponements.

Q. Did he apply for them?

A. Yes sir.

Q. Did he inform you that the leaves were granted?

A. Yes sir.

Cross-examined by the Prosecutor.

Q. Never at any time, you never applied for aleave or extension of leave?

A. No sir.

Q. Come around here. Is that your signature?

A. I don't know sir.

Q. You don't know your own signature?

A. I wouldn't say that it was mine sir.

Q. Is it or is it not?

A. I believe that is my signature sir.

Q. Do you remember writing that?

A. That letter was written by the Coal Company and I just signed it.

Q. Did you sign it?

A. I signed it sir.

Q. You have had considerable leave since you were called up?

A. Yes sir.

Q. And extension after extension has been granted?

A. Yes sir.

Q. And you have been in the army and on leave long enough to know the routine the average routine that is followed for a soldier going on leave. You know you are granted six months leave?

A. Yes sir.

Q. You know that you have to return at a certain time. Your leave expires on a certain date and if you haven't got an extension you have to come back don't you?

A. I didn't think that sir.

Q. If you are given six months coal mining leave which ends at the end of January, if you haven't got an extension you have to come back?

A. Right sir.

Q. Why didn't you come back at the end of your leave?

A. Well sir my mine boss told me that at the expiration of my last leave I didn't have to worry about it.

Q. Your last leave was from the first of April, 1945 until the 14th June, 1945 is that right?

A. Right sir.

Q. Did you sign the form granting you your leave?

A. Yes sir.

Q. Did you read that form?

A. I never paid much attentionto it sir.

Q. You have signed quite a considerable number of these?

A. Yes sir.

Q. Have you ever read any of them?

A. I never paid any attention to them.

Q. I suggest that at the expiration of this leave that the form says that you will report to No. 13 District Depot. You know that don't you.

A. (Witness hesitates)

Q. At the expiration of a mine leave you are to come back aren't you?

A. Yes sir.

Q Your last leave terminated on the 5th June, 1945 is that right?

A. I didn't figure it was up sir when the mine manager told me we were postponed indefinitely.

Q. When?

A. Around the middle of May.

Q. What is his name?

A. Martin MacGookie.

Q. And he is the manager of the Ideal Coy.?

A. Supposed to be sir.

Q. And in May of this year he told you waht?

A. He told me that I didn't have to worry about any more postponements because as far as his understanding we were automatically postponed until further notice.

Q. Well in June according to your own admission the actual leave issued by the army expired the last one?

A. Yes sir.

Q. And in consequence of what the mine manager told you you didn't think it was necessary to come back?

A. No sir.

Q. What did you do after the 15th June?

A. I was right at home.

Q. Doing what?

A. I was not able to do much and I did do a little one the farm?

Q. I suggest to you that if the police didn't pick you up you wouldn't be back here now?

A. No sir I would still figure I was on leave.

Q. When did you go to Carbon after the 15th June.

A. Right away sir.

Q. Where is the R.C.M.P.?

A. Right in Carbon sir. As a matter of fact my house is only four or five blocks from there.

Q. And you know the R.C.M.P. quite well.

A. Yes sir.

Q. Did you ever have a discussion with him as to your status with the army?

A. No sir.

Q. In any conversation that you had with the R.C.M.P.

what did he say?

A. By the looks of it you did the government out of a month and that is all he said to me about it.

Q. In any case he apprehended you in reference to the conversation you had?

A. Yes sir.

Q. Was that the first time you and he had had a conversation with regard to being away from the army?

A. That's right sir.

Q. The charge against you or the particulars of the charge state that at 0001 hours on the 16th June, 1945 you absented yourself from this Depot which was the end of your leave. Were you absent from here at that time?

A. As fqr as I know I was.

Q. You weren't here at that time?

A. No sir.

Q. And you remained away until you were away from here at that time until you were apprehended by the civilian police?

A. (Witness hesitates)

Q. I am not trying to catch you but you weren't here?

A. Right sir.

Q. You were away until 29th September, 1945?

A. Right sir.

Q. And at the time you were apprehnded you were dressed in civilian clothes?

A. Right sir.

Q. During that time did you work for anybody else other than your uncle?

A. At the time I was apprehended I was helping a fellow here. I was looking after his cattle for two days while he was away.

Q. Who was he?

A. Jim Hudson of Carbon.

Q. What did you go to hospital for in Nanaimo?

A. V.D. sir.

Q. Where is your wife now?

A. In Carbon sir.

Q. And your children?

A. Yes sir.

Re-examined by the Defending Officer.

Q. Why were you dressed in civilian clothes?

A. I was dressed in civilian clothes because when I was on leave we were not allowed to wear our uniform and I figured I was following orders.

Q. Did you sign letter that were written by your mine manager requesting leave?

A. Yes sir.

Q. Did you read these letters?

A. I never paid much attention to them.

Q. Why?

A. He would just come in and say I have a few things for you to sign.

The witness resumes his seat.

The Prosecutor makes a closing address.

The Defending Officer makes a closing address.

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. "No, sir"

Question to the accused. Do you wish to address the Court?

Answer. "I would like my officer to do so for me, sir"

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER

Sir this man told me that he wanted to be a soldier that when he was called up as a N.R.M.A. he went out to the Pacific Coast and he was ready then to go active as a matter of fact he was ready to go active when his mine manager wrote to him and asked him to come back. They said they needed him and he did co-operate with that because he is a miner and after the war is over he had to go back to that work. However he has told you that his mine boss told him that he had been placed on indefinite leave. He took the word of his mine boss which I think in the case of labourers, is I might say, would be done in 99 out of a 100 cases. I think he was under a misapprehension. He was mislead by his employer. I don't think he did this wilfully. He has a clean sheet. He has a wife and two children. I would ask sir that in these circumstances that he be given a minimum sentance.

Q- Do you recall the 3rd of October, 1945?

A- I do, sir.

Q- Would you tell the Court what happened on the morning of that day?

A- On the 3rd of October about 8:30, the accused, Bremner, came up to me and told me....

Q- Just a moment; you say the accused, Bremner. Is he in Court to-day?

Q- Carry on.

Q- Just a moment; he came to you. What are your duties?

A- I am in charge of the Workshop.

Q- Is he working in your workshop?

A- He is, sir.

Q- Carry on, please.

A- He wanted to be put on as a floor sweeper. I told him we couldn't do that because he was a driver-mech drawing driver-mech's pay or supposed to be drawing it;

he had qualified for it. I told him to report to the section sergeant.

Q- Who was his sergeant?

A- Sgt. Burns.

Q- What time was that you told him to go back?

A- I imagine, sir, it would be about approximately around quarter to nine, something like that.

Q- In the morning?

A- In the morning, sir.

Q- Do you know what job he was assigned to in your workshop?

A- Yes, sir, he is working on the section where they do motor exchanges and transmissions and clutch jobs, sir.

Q- Is he qualified for that job?

A- He is, sir, yes. I mean, sir, as a helper. He is not a vehicle mechanic; he is a driver-mech, but a large percentage of the men in our shop are driver-mechs at the moment.

Q- Did the accused ask you to be paraded to Capt. Whittingham?

A- Yes, he did.

A- No, sir.

Q- Did he go back to work at that time, or did he

go back to his place of work?

A- No, he didn't, sir, because I checked with Sgt. Burns and.....

COURT :- Just a moment. (To Def.Offr) I don't know for sure whether you are referring in your questioning to the statement made by the witness that he ordered the accused to report back to Sgt. DEFENDING OFFR :- I am referring to when he told him to report back to Sgt. Burns.

COURT :- In that case the witness can anser.

WITNESS :- No, he did not go back to his place of work.

DEFENDING OFFR :- (resuming)

Q- Who do you mean by that?

A- Craftsman Bremner, sir.

Q- Is he in Court to-day?

A- Yes, sir.

Q- Would you point him out to the Court, please?

----- Witness indicates accused.

Q- Carry on.

A- He came over to me in the morning and told me he had been talking to the Sgt.-Major and he was to report back to me to work....

Q- What time was this?

A- It must have been around a quarter to nine.

Q- What happened then?

A- And he said that he wasn't going to work, that he didn't want to, didn't want any part of it, all he wanted was a discharge. I went to the office to see Sgt.-Major Ketola and he said he'd like to have another talk with him, and when I went back for him he wasn't there.

Q- What took place then?

A- I went looking for him. It must have been pretty nearly two hours before I got back and he was back up

at the bay.

Q- That is in the workshop?

A- Yes.

Q- What happened then?

A- I ordered him to work and he wouldn't work.

Q- Was there anybody present when you ordered him to work?

A- Yes, sir.

Q- Who?

A- S/Sgt. Holland.

Q- Why was he there?

A- As a witness.

Q- You deliberately got him as a witness?

A- Yes, sir.

Q- You say you ordered him to work? Tell the Court just exactly what took place, what words you used, if you can recall them? First of all, about what time in the morning was this that you found him?

A- That would be around 11 o'clock.

Q- Was he working when you came up to him?

A- No, sir.

Q- What did you do?

A- Well, we talked to him and asked him if there was anything else he'd like to do and he said he didn't want any other job, that he wouldn't work, that he didn't want to work.

Q- What did you do?

A- I ordered him to work and he wouldn't work.

Q- Are you able to recall the words you used, or is that just your impression of what took place?

A- I think that is just what took place, sir.

Q- You felt that you were definitely giving an order then, did you?

A- Yes, sir.

Q- What happened when you gave the order?

A- Well, he wouldn't work so I went to see the Sgt.-Major and they told me to go and get the R.P.'s.

Q- You say he didn't work. Did you stay there long with him to see whether he did return to his work?

A- Yes, sir.

Q- How long did you stay with him?

A- Approximately two or three minutes.

Q- Did he make any effort to work at all in that period of time?

A- No, sir.

Q- How long would it be before you came back with the police, or did you come back with the police?

A- Yes, sir, about 5 minutes.

Q- Were you able to tell whether any work had been done in the meantime?

A- Well, there were two other fellows working on the vehicle at the same time and....

Q- I am not interested in what they said. Were you able to see whether any work had been done by the accused?

A- No, sir.

Q- One further thing, Sergeant, how were you dressed that day?

A- Just the way I am now only I didn't have gaiters on, sir.

Q- Did you have your rank showing on you?

A- Yes, sir.

CROSS-EXAMINED BY DEFENDING OFFR :-

Q- You are sure that S/Sgt. Holland was with you when you told the accused to work?

A- Yes, sir.

Q- You don't remember the words that you used to tell him to go to work -- you didn't say, "Are you going to work?"

A- I said, "I have to order you to go to work."

Q- Did the accused ask you to see Mr. Ketola about an interview with Capt. Whittingham?

A- No, he said he had talked to Sgt.-Major Ketola in the morning about wanting an interview with the Captain.

Q- At this period you say you came back after two hours and found him there -- he didn't ask you at that time to see Mr. Ketola about an interview with Capt. Whittingham?

A- No, sir.

Q- He definitely said that he wouldn't go to work on any conditions? He didn't tell you that he would go to work but not on that type of work?

A- No, sir.

Q- Do you usually use driver-mechanics on that type of work he was doing?

A- Yes, sir.

Q- Are they actually qualified to do motor work?

A- Well, I was only qualified as a driver-mechanic myself, sir, and I started on it.

Q- There were no R.P.'s with you when you told

the accused to go back to work?

A- No, sir.

Q- When the R.P.'s came over, when you brought the R.P.'s over, did you tell the accused to go back to work then?

A- No, he went to Capt. Whittingham's office, sir.

Q- Did you not talk to him before he went to Capt. Whittingham's office?

A- Yes.

Q- What did he say at that time, that is immediately before?

A- Well, after I went to the office and after I went after the R.P.'s I came back with them and we went over towards the office. I went to see Sgt.-Major Ketola....

Q- Before you saw the accused?

A- No, the accused was there.

Q- Well, where was the accused? Was he standing right outside the office when you came back with the R.P.'s?

A- Yes. I came out of the office and Cfn. Bremner went to see the Captain.

Q- When he came out from seeing the Captain did he talk to you, the accused?

A- Yes, sir.

Q- What did he say to you at that time?

A- You mean Capt. Whittingham?

Q- No, the accused -- what did he say to you after he came out of Capt. Whittingham's office? You saw him after he came out of Capt. Whittingham's office. What was the conversation at that time?

A- He said he'd come back but he wouldn't work.

Q- He definitely said he wouldn't work? Not that he wouldn't work at that job? He said he wouldn't work?

A- Yes.

Q- Did you tell the RP's to put him under close arrest?

A- We talked for a minute. I didn't know what to do and then I said it would be best to go with the RP's.

Q- Who said that?

A- I did.

RE-EXAMINED BY PROSECUTOR :-

Q- How long had Bremner been working for you?

A- Pretty close to a week, sir.

Q- And he had been employed on this particular job?

A- Well, he was with me but he was just wandering around here and there laying up against the bins. I thought he'd get tired of it after laying around for a while.

Q- Well, he was supposed to be working for you, is that it?

A- Yes, sir.

------The witness withdraws.

THIRD WITNESS FOR PROSECUTION

B-2617, S/Sgt. P. J. HOLLAND, No.15 Coy.,R.C.E.M.E.C.A., being duly sworn, is examined by Prosecutor :-

Q- What is your unit, Staff?

Q- What company?

A- 15 Company, sir.

Q- What are your duties in that unit?

A- As a motor-mechanic, sir.

A- Yes, sir.

Q- Do you recall the 3rd of October, this year?

A- Yes, sir.

Q- Will you tell the Court what happened on the morning of that day, please?

A- Sgt. Burns and I were talking to the accused and Sgt. Burns ordered the accused.....

A- Just a moment. How did this all arise? Did Sgt. Burns call you or did you just happen in on the affair?

A- No, he called me before.

Q- About what time?

A- It was about 8 or 9 minutes before we were talking to the accused.

Q- When were you talking to the accused?

A- I was talking to Sgt. Burns at first and....

Q- What time did you finally find the accused?

A- I didn't notice the time.

Q- Would it be late in the morning or early?

A- It was quite early in the morning.

Q- You used the words "the accused", who do you mean by that?

A- Well, Sgt. Burns and I were talking and Sgt. Burns ordered the accused to work which he refused.

Q- Who is the accused?

A- Cfn. Daimler.

Q- Is he in Court to-day?

A- Yes, sir.

Q- Would you point him out to the Court then?

A- Right there (indicating the accused).

A- No, sir, I don't even know how to pronounce his name properly.

Q- What happened then?

A- That was all that was said while I was there.

Q- How long did you stay there?

A- About ten minutes, sir.

Q- Did the accused do any work at that time?

A- No, sir.

----- Defending Offr declines to cross-examine.

Q- Staff, you said that Sgt. Burns ordered the accused to work. Can you tell me the words that Sgt. Burns used, approximately the words he used?

A- He just said, "Will you go to work" as far as I know.

Q- That is what you heard?

A- Yes, as far as I know, sir.

Q- What actually happened? Did you have any contact with Bremner at all yourself?

A- Yes, he is.

Q- Would you point him out to the Court?

A- Right here, sir (indicating the accused).

Q- What happened when he came into your office?

A- He came into my office saying he wouldn't do that work. I then called Sgt. Burns into the office, gave Bremner a direct order saying "I order you to return to your place of work now. I'll give you one minute to get there." He was taken out then by the Sergeant, or, rather, he was walked out of the office by the Sergeant and some three or four minutes later, Bremner having not returned to work he was presumably placed under arrest.....

Q- Just a moment. With regard to the one minute you referred to,when he walked out of your office was he under arrest?

A- No.

Q- He was free to return to his work then?

A- Yes, he was free to return to his work.

Q- Did you see he didn't return to his work?

A- Yes, I did.

Q- How long did you watch him?

A- About four minutes.

Q- During that period he didn't return to his work?

A- No, he stood outside my office.

Q- What happened then? Was he placed under arrest?

A- Presumably. I would imagine the Sgt.-Major placed him under arrest. I didn't actually place him under arrest.

Q- Did you see him arrested?

A- I saw him marched out of the office.

Q- How long would it take him to return to his work?

A- About 10 seconds I would imagine; it was about 75 feet away.

Q- How were you dressed?

A- As I am now.

Q- With your rank showing?

A- Yes.

CROSS-EXAMINED BY DEFENDING OFFR :-

Q- Did any of your NCO's try to make an appointment for the accused with you for an interview?

A- Not to my knowledge. Appointment hours are at 9 o'clock in the morning and 1 o'clock in the afternoon.

Q- Is that posted anywhere?

A- That has been notified to the entire company. All warrant officer, NCO's and officers know I will see men at 9 o'clock and 1 o'clock.

----- Prosecutor declines to re-examine.

----- Witness withdraws.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence, sir. (See overleaf)

Question to the accused. Do you intend to call any witness in your defence?

Answer. Yes, sir. (see overleaf)

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No, sir.

D-3

The Accused, A.23407 Cfn. John Duncan BREMNER, No.15 Coy.,R.C.E.M.E.,C.A., being duly sworn, is examined by the Defending Offr :-

Q- Will you just make a statement to the Court as to what happened on October 3rd at the time you went to work in the morning?

A- With regard to time it would be about twenty to nine or a quarter to nine when I first went to see Sgt.-Major Ketola and I asked him if he could change my job to floor sweeper from the driver-mech job there, and the Sgt.-Major told me there would be no chance at all. I then asked him if he would parade me before the officer, being Capt. Whittingham, and Sgt.-Major Ketola answered me, "When we want you to see him, we'll send for you." Also I told the Sgt.-Major that he could take the trades pay which I was drawing as a driver-mech if he would get me off that job because I couldn't do the work, and Sgt.-Major Ketola said there was no chance at all of getting off it. From there I walked back with Sgt. Burns and was working at the bench and I told Sgt. Burns what happened between Sgt.-Major Ketola and myself. I told him I couldn't work at that job because I didn't know enough about it. I was only holding up the other fellows. As far as I know, S/Sgt. Holland, that's the time that S/Sgt. Holland came up and Sgt. Burns requested me or questioned me with the words, "Are you coming back to work?" or "Are you going back to work?" One of the two phrases was used. I said I'd gladly stay around and answer roll calls and be there but I couldn't work at that type of work. With that I think, that is all that occurred there. I can't remember the time but I

know when I walked over to the bathroom I think it was coming back that I met Sgt. Burns and the two RP's standing outside the RSM's office. Sgt. Burns called me over. I think he requested me to go back to work again. I told him I couldn't do that type of work and he, we talked; I don't remember exactly what we said, but we talked for about a minute and I asked Sgt. Burns again if I could see Sgt.-Major Ketola to be paraded before Capt. Whittingham. Sgt. Burns came out from the RSM's office and RSM Ketola had said that I couldn't be paraded. Then I just saw red and I walked into Capt. Whittingham's office. As far as that goes, I tried to explain to Capt. Whittingham just what I was doing, that I was trying to get off the job and that and before I knew it Capt. Whittingham had given me a minute to go back to work. I remember telling him I would go back to the place of work but I couldn't work at that job. As I remember it, Capt. Whittingham walked out of the office first and I followed Capt. Whittingham and, as far as I remember, I don't remember Sgt. Burns being there at all. I walked outside to where Sgt. Burns and the two RP's were standing and we talked for, I would say, a matter of a minute or so, and I think Sgt. Burns requested me again -- I am not sure -- to go back to work. I told him, "Not that type of work," and the two RP's suggested to me it would be better to go to the guardhouse and there I could see Sgt.-Major Black and get things straightened out from there. I remained in the guardhouse until the charge sheet came in.

Q- You didn't remember Sgt. Burns being in Capt. Whittingham's office?

A- No, sir.

Q- But he may have been there?

A- He may have, sir. I just didn't see him.

Q- What was your state of mind when you went into Capt. Whittingham's office? Were you cool or excited?

A- To tell you the truth I wasn't exactly excited. I was going in to try to get a change of ~~jobs~~ and try to get straightened out.

Q- Did Sgt. Burns ever give you a direct order?

A- Not that I remember, sir.

Q- When were you placed under close arrest?

A- It must have been, well, after dinnertime because when I went to the guardhouse I was there just a matter of ten or fifteen minutes to see Sgt.-Major Black, so it was after dinner I was placed under close arrest.

Q- Who went to dinner with you?

A- Two RP's. I think the same fellows that brought me in the workshop.

Q- Did they go as an escort or did they just go....

A- I don't know whether it was as an escort or not. They just said, "We better go to dinner now." I don't think they were escort.

CROSS-EXAMINED BY PROSECUTOR :-

Q- Bremner, how long had you been employed in the workshop under Sgt. Burns?

A- About I'd say six days previous to October 3rd.

Q- You had been working on the work which you said you can't do?

A- No, sir.

Q- What had you been doing?

A- I had been trying it, sir.

Q- And what did you find wrong with it?

A- Well, sir, to begin with I didn't know enough about the work to actually work on it, and I didn't like the work in the second place.

Q- Didn't like the work, that is the main thing?

A- No, sir.

Q- Are you not fed up and want a discharge?

A- I was fed up and I would like a discharge but that wasn't the whole reason,

Q- You were trying your best to get one?

A- No, sir.

Q- What did you tell Mr. Ketola and Sgt. Burns about a discharge?

A- Nothing that I know of, sir.

Q- Didn't you tell Sgt. Burns that you weren't going to work, that you wanted a discharge?

A- I told Sgt. Burns that I would gladly stay there but I couldn't do that type of work. If I mentioned anything about a discharge it was on the side; it was no direct statement to anything he asked me.

Q- Now, on this particular morning, the 3rd of October, you saw Mr. Ketola, is that right?

A- Yes, sir.

Q- And you were told to go back to your work?

A- Yes, sir.

Q- And you went over to the workshop?

A- That was in the workshop that Sgt.-Major Ketola was talking to me.

Q- Did you go over to your work?

A- As far as I remember I did, sir.

Q- Did you start to work?

A- No, sir. I explained to Sgt. Burns what had happened.

Q- What happened then? Did Sgt. Burns give you an order then to work?

A- No, sir, Sgt. Burns requested me to work.

Q- That was about a quarter to nine?

A- I imagine it would be a little later than that.

Q- In any event, you disappeared from your place of work for a while, did you?

A- Yes, sir, I went....

Q- About 11 o'clock Sgt. Burns came back and found you in the workshop?

A- At 11 o'clock, sir, I met Sgt. Burns coming from the bathroom with the two RP's.

Q- Did you go over to the workshop?

A- No, sir, that was in the workshop.

Q- Was Staff Holland with him then?

A- Not that I know of, sir.

Q- Staff Holland was with him around a quarter to nine or nine o'clock, the first time?

A- Staff Holland was with Burns the first time I seen him, sir.

Q- But not the second time?

A- No, sir.

Q- And Sgt. Burns started talking to you again, did he?

A- Yes, sir, with the two RP's.

Q- Now, he has given in evidence that he said,"I have to order you to go to work." Do you remember that?

A- No, sir.

Q- It doesn't strike a familiar chord at all?

A- No, sir. Sgt. Burns requested me, either "Are you going back to work?" or "Will you go back to work?"

Q- He just requested you?

A- Yes.

Q- That doesn't sound right. He had two provost there. Do you think he just asked you to go back to work?

A- Yes, sir. Sgt. Burns requested me. It was either a request or question to go back to work and I told Sgt. Burns I would gladly go back to the place of work but I couldn't work there.

Q- What did you do then?

A- The two RP's told me it would be better to go back to the guardhouse and straighten it out with Sgt.-Major Black.

Q- Instead of that you went to Capt. Whittingham's office?

A- No, sir, I went to Capt. Whittingham's office previously. This was just before we left the workshop.

Q- When did you see Capt. Whittingham, before or after seeing Sgt. Burns?

A- After, sir.

Q- What did you do there?

A- Well, I went into Capt. Whittingham's office and, as far as I know, I tried to explain it to him, just what

had happened and tried to get a different job out of it, a change.

Q- Do you remember him ordering you to return to work, "I order you to return to your place of work in one minute."

A- I remember him giving me one minute.

Q- What did you do?

A- That is the time I walked out with the two RP's.

Q- You didn't return to your place of work in one minute?

A- No, sir.

Q- Why not?

A- I don't know. I just walked out with the two RP's. Sgt. Burns requested me to go back to work and the two RP's told me it would be better to go to the guardhouse and straighten it out with RSM Black.

Q- That would be three or four minutes later?

A- Yes, sir, a couple of minutes.

Q- In other words, in those three or four minutes you discussed whether you would or would not do it? In other words, you didn't follow Capt. Whittingham's order?

A- No, sir.

RE-EXAMINED BY DEFENDING OFFR :-

Q- Did you request to see Capt. Whittingham before you went in to see him?

A- Yes, sir, through Sgt. Burns.

Q- Is that the only time you requested it?

A- No, sir, I requested Sgt.-Major Ketola to get me an interview with him.

Q- What time was it that you asked Sgt. Burns to get you an interview with Capt. Whittingham? Was that immediately before you went into Capt. Whittingham's office?

A- Yes, sir.

----- The accused resumes his seat.

SECOND WITNESS FOR DEFENCE

B-91059, L/Cpl. K. J. B R I G H T, No.15 Coy.,R.C.E.M.E.,C.A., being duly sworn, is examined by Defending Offr :-

Q- Who came over to get you at the guardhouse on the morning of October 3rd?

A- Sgt. Burns, sir.

Q- When you first came over to the workshop, where did you find the accused?

A- On the east side of the MT Workshop by the hallway running between the two buildings.

Q- Who was with you at the time?

A- Sgt. Burns and Pte. Mepham.

Q- Was the accused given an order to go to work at that time by Sgt. Burns?

A- I don't remember exactly, sir.

Q- Did you stand and talk to the accused?

A- Yes, we stood and talked to the accused, sir.

Q- Did the accused refuse to go to work at that time?

A- Well, he did say he'd go back to his job but that he couldn't do the work, he didn't know how.

Q- Then after the accused came out of Capt. Whittingham's office, did Sgt. Burns give him an order to go back to work then?

COURT :- That is a leading question.

DEFENDING OFFR :- (resuming)

Q- Can you tell the Court exactly what happened after the accused came out of Capt. Whittingham's office?

A- I didn't take much notice of what they were talking about. The accused was talking to Sgt. Burns. Then I remember the accused saying that he would go back to the job but he couldn't do the work, he didn't know the work so he couldn't do it.

Q- What happened after that?

A- He wished to see the O.C. so I asked him to go back to the RP office and we would straighten it out from there.

Q- Did you put the accused under close arrest?

A- Not right at the time, not until we got over to the office.

CROSS-EXAMINED BY PROSECUTOR :-

Q- When you were with Sgt. Burns, you say you don't remember whether an order was given or not. Is it possible an order was given that you didn't hear?

A- It may have been given. I didn't just take notice of it for to remember it up to this date.

Q- While you were with Sgt. Burns did the accused return to work or not?

A- No, he didn't return to work.

Q- When the accused came out of Capt. Whittingham's office, about how long was he outside the office until he went over to the guardroom with you?

A- It seems to me to be about five minutes, but I wouldn't say for sure.

Q- During that time he was talking to you about returning to work?

A- No, we were, more or less, standing around there and waiting for him and the Sgt. to make up their minds what they were going to do.

Q- In other words, there were no restrictions upon his returning to work at that time?

A- It didn't seem to me.

Q- You were the only one that could place a restriction on him?

A- I was waiting for the Sergeant to give me an order.

Q- No order was given at that time?

A- No, sir.

Q- In other words, he had about five minutes during which he could have returned to work?

A- Yes, sir.

----- Defending Offr declines to re-examine.

QUESTIONED BY COURT :-

Q- You were in charge of the regimental police that day?

A- No, sir, I wasn't.

Q- What were you in charge of?

A- I was one of the crew of RP's working that day.

Q- You were a member of the RP?

A- Right, sir.

----- The witness withdraws.

----- The Defending Offr makes a closing address.

----- The Prosecutor makes a closing address.

1. The m/n soldier is now serving a sentence of 2 years detention awarded by FGCM 17 May 45 for an absence without leave from which he was apprehended after 21 days (AA Sec 15(1)).

2. This soldier was awarded a sentence of 18 months detention by FGCM 8 Jul 44 for an absence without leave from which he was apprehended after 64 days (AA Sec 15(1)). This sentence was suspended with effect 12 Sep 44 in order that this soldier could be made available as a reinforcement for the field. In order to simplify this soldier's return to Canada it was directed that the remainder of this sentence be remitted.

3. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues to do so, is 16 Sep 46.

4. This soldier enlisted 17 Dec 41 at Montreal, P.Q. and he is now 23 years of age. In addition to the offences mentioned in paras 1 and 2 above he has since enlistment been found guilty of 8 offences under AA Sec 15(1). He has had 1 previous FGCM, on 6 Jan 44, when he was awarded a sentence of 180 days detention for an absence without leave of 13 days (AA Sec 15(1)).

5. This soldier has been medically examined and certified as fit to undergo his sentence.

6. The Neuropsychiatrist and S.P.O. who have examined this soldier state that he was granted suspension of his sentence awarded by FGCM 8 Jul 44 but due to hospitalization was not despatched to 10 Bn 2 CBRG as a reinforcement for Fus M.R. until Feb 45; that he was placed on draft 3 times but taken off at the last minute; that after the first disappointment he went absent without leave for 4 days and was awarded 28 days F.P. in Mar 45; that after his 3rd disappointment he went absent without leave for 21 days in respect of which his FGCM of 17 May 45 was held; that he is an individual of low average intelligence, immature in his judgement and mildly irresponsible who has failed to realize his obligation to the army; that he shows no remorse over his behaviour; that there is not sufficient reason to alter his S rating; and that he is unlikely to give consistent service in any capacity.

7. In view of this soldier's very poor record since enlistment, the fact that he failed to take advantage of the suspension of his sentence of 8 Jul 44 and his apparent determined effort to avoid effective duty in an operational theatre as outlined in para 6 above, it is considered that he should be required to serve his sentence of detention in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier deliberately misconducted himself in an operational theatre in order to avoid active service; that he must have realized that such misconduct would probably result in his discharge; and that he had such an end in view.

8. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 17 May 45, together with original A.F.A3104 in respect thereof on which this direction has been endorsed.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(~~s~~), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(~~s~~) and call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(~~s~~). If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. NO .....(5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(~~s~~) to which the plea(~~s~~) of Guilty is (~~are~~) not changed the President records finding(~~s~~) of Guilty in Part I of the Schedule.(1)

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A., initialled and read aloud by the President.(1)

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

1. The m/n soldier is now serving a sentence of 3 years penal servitude and discharge with ignominy awarded by FGCM 12 Apr 45 for disobeying a lawful command given by his superior officer, that is to say, when ordered by his superior officer to advance with his unit in an attack against the enemy, refused to do so (AA Sec 9(2)).

2. The earliest date on which his sentence of penal servitude should terminate, if he earns full remissions for good conduct while serving his sentence, is 11 Apr 47.

3. This soldier enlisted 17 Aug 43 at Toronto, Ont., and he is now 20 years of age. In addition to the offence mentioned in para 1 above, he has, since enlistment been found guilty of 3 offences under AA Sec 15(1) in respect of which summary punishment was awarded.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, it is considered that his sentence, including discharge with ignominy, is appropriate and that he should be required to serve his sentence of penal servitude in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered that this soldier deliberately disobeyed a lawful command in order to avoid battle and very probably for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 12 Apr 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. No Sir .....(5)

RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(*C*)), any objections (*RP* 95(*B*)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

(i) Opening address by Defending Offr. (*RP* 60(*C*), 87(*C*), 92(*C*) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(*C*), 92(*C*) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 563(a).)

The accused joined when he was 16 on 3rd Oct 41 and again he joinéd on 17 Aug 43 having been discharged on the 17th June 42 for being underaged.

PLEA OF METIGATION
IN THE CASE OF
D-59158 Pte. Boisonneault, E.J.

Pte Boissonneault has been wounded at St-Leonard Belgium and was evacuated in U.K. Now he claims he's not the same man. He says that it's a crazy idea that went into his head to desobey an order to go forward in the field. I would ask the court that this man be reboarded and properly examined. The accused joined when he was 16 on 3rd Oct 41 and again he joined on 17 Aug 43 having been discharged on the 17th June 42 for being underaged.

D 127253 Pte Blanchette, P.E.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 15 Mar 45 for deserting His Majesty's Service, that is to say, after having been warned that he was to take part in an attack, absented himself with intent to avoid taking part in said attack (AA Sec 12(1)(a)).

2. The earliest date on which his sentence of penal servitude should terminate, if he earns full remissions for good conduct while serving his sentence, is 14 Mar 47.

3. This soldier enlisted 13 Jan 42 at Sherbrook, P.Q., and he is now 26 years of age. His records show no previous offences.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, it is considered, despite his previous clear record, that he should be required to serve his sentence of penal servitude in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier deliberately deserted His Majesty's Service in order to avoid battle and in all probability for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 15 Mar 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

(March 5-1946)

Sir:

I beg of you to give my letter your special attention.

I have been in active service since Oct.2/39; for 5 years and 6 months, I served in various Countries, i.e., Iceland, England, France, and Belgium, and then had the the misfortune of commiting an offence - I was A.W.L. for about 86 days.

I admit that I committed a very serious offence which, to-day, I deeply regret. I was sentenced to 2 years in jail, at hard labour. I deserve such punishment, but what I am grieving about is my honour, for as per regulations, upon my release, I shall be issued with a dishonourable discharge; will be a branded man, whose sole recourse to make a living will be to lead a criminal's life. Besides, I shall lose any benefits, which would have helped towards my civil re-establishment. There are no words to express how I feel!

How can I face my parents, and my fiancée, who has waited for me all those years? .....

Before it is too late, for I am still in the army, I beg of you to be lenient with me. Please, at least, leave me my honour, for without his honour a man cannot live a respectable life, and do right by those he loves.....

Trusting that you will have pity on a young man, who is greatly depressed, and afraid about the future, I thank you, and remain,

Respectfully yours,

PUBLIC RELATIONS DIVISION

Je suis: 161619 Soldat Bisson Telphis.

De grâce Monsieur ne rejettez pas cette application sans en connaître la raison qui m'oblige à écrire.

Je viens pour mon propre cas sans me servir des bonnes paroles des autres car, de cette manière je serai plus sincère et, vous pourrez plus facilement comprendre le coeur d'un jeune canadien français.

Je suis dans les forces actives canadienne depuis le 2 octobre 1939 dont, cinq années et six mois de ce séjour furent servis en périodes variées dans les pays étrangers, suivants: L'Islande, l'Angleterre, France

et en Belgique. J'avouerai que j'ai commis une faute et c'est pour la raison que je ne suis pas encore près de mes parents mais bien en détention. Mais, Monsieur je souffre. C'est un jeune cœur qui vous parle comme un fils doit souvent le faire avec son Père. J'ai eu la malchance de commettre une erreur durant un repos en Belgique après quelques mois passé en première ligne et je fus condamné à "deux années d'emprisonnement aux travaux forcés et être déchargé de l'armée avec mention deshonorable pour une absence sans permission de quatre vingt six jours environ. Je comprends que je mérite d'être puni mais pourquoi être si sévère enlever le peu de courage que je possédais, me jeter dans la rue sans avenir, avec complètement rien devant moi. En plus Monsieur j'avais quelqu'un de très cher que je chérissais et adorais "une Fiancée" qui avec courage et sacrifice m'attendit jusqu'à l'instant que je perdis mon honneur. Ah soyez indulgent ne me condamnez pas à un supplice

immortel et immortel je suis jeune et avec un peu de considération j'aurai le courage de racheter mon passé. J'ai souffert depuis et je souffre encore surtout par la perte de mon honneur et de celle que j'aime ainsi je ne pourrai pas venir à mes Parents avec cette mention.
Je prie Monsieur je suis sincère et demande votre aide je ne veux pas être obligé de courir les rues pour mon gagne pain en étant une nuisance pour la société en commettant des actes malhonnêtes. Hélas par malheur à l'heure même il y en a trop de ceux qui se servent de ces mauvais actes pour pourvoir à leurs besoins. Je ne veux pas ajouter mon nom à cette liste de misérables et malhonnêtes hommes. Alors tandis que je suis dans l'année encore et qu'il y a encore temps, je place ma confiance + mon espoir entre vos mains pour que vous soyez le juge et père à ce fils de la nation canadienne. Repousser pas sans y porter aucune attention car je suis sincère. J'espère en votre bonté pour juger plus dignement le cas malheureux de ce jeune canadien français qui aimerait avec votre bonté et le futur être un citoyen digne de sa Nation avec son honneur. Avec mes respectueux remerciements espérant recouvrir l'honneur perdue: Votre dévoué

Dear Mr. Bisson,

Re: D.61617, Pte. Bisson, D.

With reference to your letter of 19th November requesting the pardon of your son the above soldier, a report on the disciplinary action taken against him has now been received.

I am advised that Private Bisson was tried by Field General Court Martial on 25 February, 1945, in Belgium on three charges of absence without leave. He was found guilty of all three offences and sentenced to two years imprisonment with hard labour and to be discharged with ignominy.

I am advised that his sentence has been taken under review but in view of the gravity of the offence for which he was tried and after consideration of his previous conduct it was not considered that any remission of sentence could be recommended. I regret that I must also advise you that Private Bisson's case has been reviewed by the Special Court Martial Board of Review and again no remission has been recommended.

It may, however, be of some comfort to you to know that it is possible for him to earn remission of a substantial portion of his sentence for consistant good conduct while in detention. I would like to assure you also that it is not the desire of the Department to retain a soldier in confinement longer than is necessary in the interests of justice and military discipline and when your son's case comes up for further review it will be given careful consideration.

Yours very truly,

AGC/EW

(H.L. Cameron) Colonel,
Military Secretary.

(ii) from 21 Dec 44 to 11 Jan 45 (an absence of approx 22 dys)

(iii) from 16 Jan 45 to 21 Jan 45 (an absence of approx 5 dys)

The SUS surrendered from his first absence but was apprehended on his second and third absences.

2. He was found guilty of all 3 offences and was sentenced to be imprisoned with hard labour for 2 years and to be discharged with ignominy from His Majesty's Service.

3. In addition to the offences mentioned in para 1, he had been found guilty of the following offences:

5. CMHQ has directed that this soldier be returned to Cda in custody with the recommendation that he serve the sentence in full and be discharged with ignominy from His Majesty's Service in accordance with the sentence of the Court. It was considered that he deliberately misconducted himself in an operational theatre to avoid rendering effective serve and in all probability for the purpose of obtaining his discharge.

6. This SUS has not yet been returned. He will be returned when shipping facilities will permit.

7. The sentence awarded has recently been reviewed by CMBR. No remission has been recommended.

Dear Sir:

My son has been serving Overseas since 5½ years. I am old and I have been sick for some time. Having but that son, I am anxious to see him again before I die. He has been in detention for the last 9 months. He is young and he does not always think well before he acts. Maybe you could grant him his pardon and return him to Canada. In his name and mine, I would beg you to do so now that the war is over. Please have him returned to Canada soon.

Looking forward to a favourable reply and thanking you in advance, I am,

Yours truly,

Dear Mr. Bisson:

Re: D.61617 Pte. Delphis Bisson

Mr. Abbott has directed me to acknowledge receipt of your letter of November 19th in which you ask that your son, the above mentioned soldier, be pardoned and returned to Canada.

All sentences imposed by Courts Martial are carefully reviewed so as to ensure that no injustice is done and the Minister does not feel that he would be justified in granting remission unless so advised by the officers having jurisdiction over such matters.

I am, however, asking the responsible officers of the Department for particulars of the disciplinary action taken against your son, and the results of any review which may have been made.

As soon as I have a report I shall be pleased to write to you again.

Yours very truly,

(H. L. Cameron) Colonel,
Military Secretary.

En son nom et au mien je vous demanderais de lui pardonner vie que la guerre est finie, s'il vous plait le faire revenir au Canada bientôt. Une réponse est attendue avec plaisir, en vous remerciant d'avance.

BOMBER LONDON 3 Oct 45

CONFIDENTIAL

C.55-B-2056

The Secretary,
Department of National Defence (Army),
Ottawa, Canada.

D 61617 Pte Bisson, D.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour and discharge with ignominy awarded by FGCM 25 Feb 45 for an absence without leave from which he surrendered after 54 days (AA Sec 15(1)), and 2 absences without leave while under arrest from which he was apprehended after 21 days and 4 days respectively (AA Sec 15(1)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment should terminate, if he continues to do so, is 24 Jun 46.

3. This soldier enlisted 2 Oct 39 at Montreal, P.Q., and he is now 24 years of age. In addition to the offences mentioned in para 1 above, he has, since enlistment, been found guilty of 14 offences under AA Sec 15(1), of 4 offences under AA Sec 40, and of one offence under each of AA Secs 18(1) and 41. He has had 4 previous FGCSM: the first on 25 Oct 41 when he was awarded a sentence of 9 months detention for theft (AA Sec 41), and producing disease (AA Sec 18(1)); the second on 24 Mar 43 when he was awarded a sentence of 185 days detention for an absence without leave of 20 days (AA Sec 15(1)); the third on 22 Sep 43 when he was awarded a sentence of 180 days detention for an absence without leave of 16 days (AA Sec 15(1)); and the fourth on 9 Nov 43 when he was awarded a sentence of 12 months detention for 2 absences without leave of 1 day and 6 days respectively (AA Sec 15(1)), and 2 offences of improper possession of public property (AA Sec 40).

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the length of the illegal absences in an active theatre of operations of which this soldier has been convicted and his previous extremely poor record, it is considered that his sentence, including discharge with ignominy, is appropriate and fully deserved and that he should be required to serve his sentence of imprisonment with hard labour in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered that this soldier deliberately misconducted himself in an operational theatre to avoid rendering effective service and in all probability for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 25 Feb 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

Besson gave the impression that he dared the Court to do its worst and he would not care. There was some indication that he is proud of the number of times he has had Courts Martial.

It is recommended that he be interviewed by a psychiatrist with a view to preventing him becoming a public menace after discharge from the prison.

Bisson gave the impression that he dared the Court to do its worst and he would not care. There was some indication that he is proud of the number of times he has had courts martial.

It is recommended that he be interviewed by a physhiatrist with a view to preventing him becoming a public menace after discharge from the prison.

Sirs:

I am not alone or proud by defending myself but there is something than an officer cannot see plain for me in my case.

When I did join the army I was old enough to know what I was doing.

I knew well I mean I thought that one day I shall have to went in action.

But I found my mistake.

After three years and four months overseas I still in this Country always the same training. I am really fed up of it.

I shall admit that if I ain't got no pay since three years or more is sadly October 1940 how do you think I feel I understand its all my fault.

I see in the unit they had no taylor I am one by trade having work two years in this trade before I join the army.

I have asked for it and the answer was: They need more my services in the ranks than on that work.

They believe that I am ready for the action that I am qualified and also that I had the aptitudes of wearing stripes.

So when I heard about it I also make an application to be send outside this Country as I could prove what I can do.

But again it was the same answer.
I know so many peoples who are ready to
help me on any time feeling sorry for me being three
years without paid so had an I help to do so.
If I was some where else I should be ready
to do as well as a good soldier should do.
Because it would be a new training
for me away from all those I know and in a
few weeks or months in the place for which I did
join the army and not to have an holiday.
Why the Canadian Army has so
many men in Detention.
All for the same cause as me
to day
If there was some one to ask us our opinion
perhaps after a while it would be different.
We are all suffering for the same
reason. When they need some men for overseas
in another word section.
I believe they should take the oldest
one. After all the training here will not
make any different in what we know.
But to be send where and for
what we have join the army you
would'nt have to give three free meals every
days to them who are doing nothing.
I believe that if you all: Sirs: you take
these points in consideration you will find
that I shall do more my part in action than in this
Country. One more point that I wish bring to
the court some cases happened in this unit.
On five different mens after that they
have been sentenced by a court Martial
all of them escape from the clink

So after we all have been caught four of them are sentenced of a few days pay.
And the other one of me remained for a trial. How can I called this justice.
Do you believe I would again in this unit serve for his majesty.
After all we had the same charges why should I be trial beside a few days pay.
So I ask the Mercy of the court hoping to lose more justice.
And could I have an interview with the Brigadier for special reasons.

I thank you all sirs for your good attention

and remaind.

I admit that I ain't got a very ~~good~~ nice amount about but with good resolutions its never too late to take the weight way. I've been A.W.L. for a while for the protection of the girl that I love & know since two years. I did not like to come back before her Brother's leave was over. Her Brother has been in the army overseas for 3 years & with all the sicknesses he had overseas ~~now his nerves to pay it back~~ I believe he is going ~~crazy~~ and by the rapt her. Next letter from her she ask me to go there because her Brother had some funny ways. & there is no man at all in that home to take their part so I went there for three days & I found so. Before to leave I told her to keep her door always lock. Much after I had a letter in which she said he broke the lock because she refuse him to open her door. I went there again because he was there to I took her away with one of her married cousin. I know that her Brother's husband was not her Father. He didn't know that before about two weeks ago I told her. I had the permission from her Mother to get married with her But after that Brother was

STATEMENT IN MITIGATION OF SENTENCE

in the case of

D-61617 Pte Delphis Bisson (Tried By Fd. Gen. C.M.)

I wish not to justify but to explain why the accused has been led to act as he did. Since he had a hard time to adapt himself to the army life, he found himself many on occasion in the wrong and punished for it, but without really understanding the gravity of his offences and the punishments awarded then.

Furthermore the moral and mental background of the accused should not be underestimated:

A)- He had some money in Canada which has been spent without his permission while he was away in the Service; that no doubt affected him deeply. Here in England, he had forfeiture of pay for a period over 14 months which unable him to go on leave as no sufficient credit was shown on his pay book. Since 1941, he did not receive any letter or parcel from his relations in Canada.

B)- In England, he met a girl whom he loved and she was the only person to whom he could go and have a moral and financial support.

C)- He is a tailor by trade and had never been given a chance to exercice his trade in the army. He has been with the unit since its mobilization, carrying on with it to Iceland and England.

Undoubtly the above mentioned facts have impressed very much on his moral and his state of mind. As the previous ~~commutations~~ punishments do not seem to have changed him very much, I think we should try to understand his position. I suggest that if he was given an chance and able to live normally as other soldiers, he might become efficient.

Translation of Appendix 'A' from French to English by Interpreter.

" After having been duly warned that all that I might say could serve as proof against me at my trial and without expecting any favour or having received any promises or menace I make the following declaration.

'In the month of June, 1941 I went to a scheme "Waterloo" with the regiment of Fus M R. We bivouacked outside two or three days during that time we were gone in groups in an abandoned hospital that was near about half a mile. We began to search in the huts, I took some science book and around seven or eight syringes, that is all that I took. I was condemned for 28 days field punishment at Guillemont barracks for some supposed words that an officer thoughtthat I had told him on the second day of the scheme. When I arrive at Guillemont barracks I parade in front of my case I plead not guilty and the O.C. condemn me for 28 days field punishment. When I saw that I was discouraged and had only one though to inject me with the instruments I had seen that I had them. I sent a guard to search in the Grenier kit bag who was in the same platoon as me, one syringe I told him to bring to me and some coal oil with it. He came back with the answer

the kit bag was locked and Grenier was on leave. I then say to the same guard to procure me a syringe that I knew that others in the platoon had some, that they took from me three during the scheme. The same guard came back by outside of the clink and gave me one syringe and coal oil in the syringe. I tried to inject myself but the needle was too long. I asked to the same guard to take back the syringe and to go and change the needle and to take a smaller one then I succeeded in pricking myself with this one. After I took the syringe and washed it because the same guard was supposed to go back. The guard came back around nine o'clock at night to get the syringe but I had no chance to give it back to him because the serjeant of the guard stayed with us all the time. Around 9.45 P.M. the same guard came back and I could not give it back to him because of the serjeant. As I had no chance to give back the syringe to the guard I slide it on a wood beam below the ceiling. Around 10.30 P.M. I cannot endure any more the pain. I went and see the stretcher bearer. I told them that one leg hurt me and I thought it was blood poisoning that was done when I prick myself on rusted barbed wire. They put some hot towels on it and I came back to the clink. The next morning as I did not give back the syringe I wanted to destroy it but when I tried to get up I could not stand up. I asked for the same guard but I did not have the chance to give him the syringe because of the serjeant. I told him to send another of my platoon to try and fool the serjeant but I did not have a chance. And I asked for the doctor all day, he came only at night around five o'clock or so. He sent me to the hospital immediately. I went in the hospital on the 20 Jun 41 and came out on the 13 Aug 41.'

I declare, having re-read this declaration here above in the presence of Pte. Laurin, A, from the Regimental Police, Fus M R, that it is all the truth and I signed. ".

After the others come and join him Major Forget asked me for one too and when I went out of the hospital he came to get me saying to me that Capt. Painchaud was waiting for my declaration. Capt. Painchaud said to me as it is written on the beginning of my declaration, but as he said to me the way he told me he did not tell me that if I want I did not have to do it, and what happened with the first three I thought that I was obliged to do one.

The next thing I was paraded to the 2 i/c on a charge that was not the same and the witness was not the same. When that thing happened it was only three days I was with the company, I arrive the first day of the scheme after two months and I come back to the regiment to 'C' Coy and Capt. Statement by Prosecutor.

The articles mentioned in the charge, medical books and syringes, the Prosecution is not in a position to produce them because they have disappeared or never came into possession of the Prosecution. The accused in his cross-examination does not know where they are because they have disappeared.

Statement of Defending Officer.

This case looked very strange to me. I knew nothing about this man or the case when I came here and I found a very strange mental attitude in the accused. He was under the impression that the whole world and the army in particular was against him. He thought they were trying to get him for this case and he had a few things which looked like good reasons to me and that is why I agreed to his plea of Not Guilty, but I feel that there is a time when he is entitled to a "French Cleaning", to go right to the bottom of things and see what is right and wrong. The disagreeable impression was that the whole platoon had been helping themselves in some abendened huts. He had taken some "books of science" and some medical instruments. The others had taken some practical things and were getting off scot free except one and he was being made the goat and felt that it was not right, so I felt it was only right for this man to tell his story in front of the Court, it would be better for all concerned. In connection with the stealing I think the Court could cancel that charge. He is accused of stealing a whole list of objects, to which there is practically no commercial value and I think the charge of stealing should be dropped, after all we have this man for a much more serious charge and on that there charge I can only make a plea for the clemency of the Court. You know what a desperate man is like you know what he can do. He has been bodily punished, you saw his leg, you had the admission of Doctor Gordon and I think that Bisson would not draw anything to the Court again. Again I feel that the first two articles, "producing disease", I am not even trying to evade guilt, his confession is there to support it. If you remember he has been 188 days in the hospital and jail, if any of the gentlemen had gone to the jail here you would know what it is like, it is a real jail

The Court does not deem it necessary for the Judge Advocate to sum up the case.

Abstract of Evidence in the case of D-61617 Pte Basson, D.

Page 1 P1. APPENDIX

Je, D-61617, Pte Basson, Delphia, soussigné, déclare après avoir été dûment mis en garde que tout ce que je pourrais dire pourra servir de preuve contre moi à mon procès et sans m'attendre à aucune clémence ou faveur pour ce que je pourrais dire et sans avoir reçu aucune gratification mercenaire et de ma propre volonté et désir, je déclare ce qui suit : Au cours du mois de juin 1941 je suis allé sur le scheme Waterloo avec le régiment, Fus M. R. Nous avons bivouqué dehors deux ou trois jours. Au cours de ce temps-là on a été en groupe dans un hôpital abandonné qui se trouvait dans les alentours à environ un demi-mille. On a commencé à fouiller dans les cabanes. Moi j'ai pris des livres de science, à peu près sept ou huit carnets; c'est tout ce que j'ai pris. J'ai été condamné à vingt-huit jours de Field Punishment en revenant à Guillemont Barracks pour des supposées paroles qu'un officier croyait que j'avais adressées à lui la deuxième journée du scheme. En arrivant au Barrages Guillemont j'ai parodié devant lui et il m'a amorgé devant le Commandant parce que j'ai fl a été sur

coupable et le Commandant m'a condamné à vingt huit jours de Field Punishment.

Quand j'ai vu ça je me suis découragé et j'ai eu seulement qu'une idée de me fiquer vite que j'avais les instruments nécessaires. J'ai envoyé une garde me chercher dans le kit-bag de Freuier, qui était du même peloton que moi, une seringue et je lui ai dit de m'emporter de l'huile à l'angle avec. Il est venu me donner la réponse que son kit-bag était barré et que Freuier était parti ce jour. J'ai alors dit à la même garde d'aller me procurer une seringue car je savais que d'autres dans le peloton en avaient parce que je m'en étais fait enlever trois sur le rabaut. La même garde est revenue sur en-dehors du clinique et m'a remis une seringue avec de l'huile à l'angle dedans. J'ai alors essayé de me fiquer mais l'aiguille était trop grande; j'ai alors demandé à la même garde, en lui remettant la seringue, d'aller changer l'aiguille et d'en prendre une plus petite; là j'ai réussi à me fiquer avec celle-là. Ensuite j'ai pris la seringue, je l'ai lancée parce que la même garde était offusquée revenir; la garde est revenue vers moi

heures du soir pour chercher la seringue, mais je n'ai pas eu de chance de la lui remettre parce que le Sgt de garde a resté avec nous autres tout le temps. Vers dix heures moins quart la même garde est revenu et je n'ai pas pu la lui remettre encore à cause du Sgt. Quand j'ai vu cela que je n'avais aucune chance de remettre la seringue au garde, je l'ai alors caché sur une poutre de bois qui dépassait au plafond. Vers dix heures et demi j'étais plus capable d'endurer les souffrances et je suis allé voir les ambulanciers, je leur ai dit que j'avais mal à une jambe et que je croyais à un enfoisement survenu à la suite d'une figure dans du fils barbelé rouillé. Ils m'ont ~~mis~~ des compresses d'eau chaude et je suis revenu dans la clinique. Le lendemain matin comme je n'avais pas pu remettre la seringue, je voulais la détruire mais quand je suis sorti pour me laver, je n'étais pas capable de rester debout. J'ai alors fait venir la même garde et je n'ai pas eu de chance de lui re-

APPENDIX "A"

Je, D61617 pte. Bisson, Delphis, sousigne, declare apres avoir ete dument mis en garde que tout ce que je pourrai dire pourra servir de preuve contre moi a mon proces et sans m'attendre a aucune clemence en faveur pour ce que je pourrais dire et sans avoir recu aucune promesse ou xx menace, et de ma propre volonte et desir, je declare ce qui suit:" Au cours du mois de juin 1941 je suis alle sur le scheme 'Waterloo' avec le Regiment, Fus.M.R. Nous avons bivouaque dehors 2 ou 3 jours. Au cours de ce temps-la on a ete en groupe dans un hopital abandonne qui se trouvait dans les alentours a environ un demi-mille. On a commence a fouiller dand les cabanes. Moi j'ai pris des livres de science, a peu pres sept ou huit seringues, c'est tout ce que j'ai pris. J'ai ete condomne a vingt-huit jours de Field Punishment en revenant a Guillemont Bks pour des supposees paroles qu'un officier croyait que j'avais adressees a lui la deuxieme journee du scheme. En arrivant aux barraques Guillemont j'ai parade devant lui et il m'a envoye devant le Commandant parce que j'ai plaide non-coupable et le Commandant m'a condamne a vingt-huit jours de Field Punishment. Quand j'ai vu ca, je me suis decourage et j'ai eu seulement qu'une idee de me piquer vu que j'avais les instruments necessaires. J'ai envoye une garde me chercher dans le kit bag de Grenier, qui etait du meme peloton que moi, une seringue et je lui ai dit de m'emporter de l'huile a lampe avec. Il est venu me donner la reponse que son kit bag etait barre et que Grenier etait parti en passe. J'ai alors dit a la meme garde d'aller me procurer une seringue car je savais que d'autres dans le peloton en avaient parce que je m'en etais fait enlever trois sur le scheme. La meme garde est revenue par en-dehors du clinque et m'a remis une seringue avec de l'huile a lampe dedans. J'ai alors essaye de me piquer mais l'aiguille etait trop grande; j'ai alors demande a la meme garde, en lui remettant la seringue, d'aller changer l'aiguille et d'en prendre une plus petite, la j'ai reussi a me piquer avec celle-la. Ensuite j'ai pris la seringue, je l'ai lavee parce que la meme garde etait supposee revenir; la garde est revenue vers neuf heures du soir pour chercher la seringue, mais je n'ai pas eu de chance de la lui remettre parce que le Sgt. de garde a reste avec nous autres tout le temps. Vers dix heures moins quart la meme garde est revenue et je n'ai pas pu lui remettre encore a cause du Sgt. Quand j'ai vu cela que je n'avais aucune chance de remettre la seringue au garde, je l'ai alors cache sur une poutre de bois qui depassait xx au plafond. Vers dix heures et demie j'etais plus capable d'endurer les souffrances et je suis alle voir les ambulanciers; je leur ai dit que j'avais mal a une jambe et que je croyais a un empoisonnement survenue a la suite d'une piqure dans du fils barbele rouille. Ils m'ont mis des compresses d'eau chaude et je suis revenu dans le clinque. Le lendemain matin comme je n'avais pu remettre la seringue, je voulais la detruire mais quand je suis venu pour me lever, je n'etais pas capable de rester debout. J'ai alors fait venir la meme garde et je n'ai pas eu de chance de luir remettre la seringue a cause du Sgt.; j'ai alors dit a la garde d'envoyer un autre de mon peloton pour essayer de dejouer le Sgt., mais je n'ai pas eu plus de chance. Puis j'ai demande

le docteur toute la journee et il est venu seulement le soir a cinq heures et demie, et il m'a envoye a l'hopital immediatement. Je suis entre a l'hopital le 20 juin et en suis sorti le 13 aout 1941.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

J'avais une de mes soeurs qui avait passé au feu. J'avais demandé un congé de six mois durant ce temps-là. Ils m'ont laissé sur la "draft". Je voulais aller aider à ma soeur, son mari avait passé au feu. Il avait les épaules brûlées, il etait à l'hôpital. J'ai fait une demande de congé, ils m'ont toujours remis d'une semaine à l'autre jusqu'à temps que mon nom soit sur la "draft". J'avais tout signé les derniers papiers. La demande n'a pas été accordée. Avant d'entrer dans l'armée je travaillais à la campagne sur les terres. J'ai été élevé à la campagne, je travaillais pour les autres. Mon père est cultivateur.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: J'ai entré dans l'armée au mois d'avril 1942.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

(voir page E-3)

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

E-3

EXPOSE DE L'OFFICIER DEFENSEUR AU NOM DE L'ACCUSE.

Le soldat Bergeron sur sa feuille de conduite, monsieur le Président, a été absent une journée, trois heures. Le soldat Bergeron a été, je pourrais dire irresponsable, lorsqu'il est parti A.W.L. Dans le temps, sa soeur, son beau-frère a passé au feu. Son beau-frère était à l'hôpital avec les épaules brûlées. Durant son absence, sa belle-soeur se trouvait dans le chemin. Le soldat Bergeron dans le temps a demandé un congé d'un mois pour aller aider à construire et retirer les débris, tout ce qui restait qu'il pouvait sauver et pourrait être utilisé. Avant le 20 février, le soldat Bergeron avait demandé un congé de six mois pour aller travailler à reconstruire son beau-frère et aussi aller faire les semences sur la terre de son père qui dans le temps, lorsqu'il s'est enrôlé, avait sept fils et quatre filles. La terre de son père est à Ste-Julie, cinq arpents par un mille de largeur, trente bêtes à cornes. La demande est restée dans le temps sans réponse sans qu'on lui dise si çà été refusé ou accepté. Aussi, le soldat Bergeron souffrait de mal de reins. On lui disait qu'il avait rien, on l'a envoyé chez un médecin. C'est entendu à chaque fois que le soldat Bergeron prenait le froid il souffrait de rhumatismes. Et puis évidemment ce que le soldat Bergeron dans le temps... il est un peu arriéré mental... s'il avait pu discerner la gravité de son cas ou se faire conseiller, soit son beau-frère ou sa soeur, il l'aurait pas fait. C'est pour çà, monsieur le Président, que je demanderais à la cour de son côté de le faire passer à un psychiâtre. Je crois qu'actuellement le soldat Bergeron aurait plus besoin...et il est pas entièrement responsable du fait de son arriéré mental pour la charge qui a été faite sur son compte. Le soldat Bergeron actuellement est en amour, il aimerait à se marier et retourner aider à son père qui a soixante-six ans, et qui reste actuellement seul avec un de ses garçons. Plusieurs lui ont conseillé de pas se rapporter qu'il y aurait un pardon général. Il a préféré venir se donner lui-même pour tout laver sa faute.

RECEIVED IN THE OFFICE OF THE DEPUTY MINISTER NOV 2 1945

le 2 novembre 1945.

Monsieur,

Je vous accuse réception de votre lettre du 17 octobre 1945 relativement au soldat G. Bergeron, matricule D-612184.

Les autorités militaires m'informent que le soldat Bergeron a été traduit devant une cour martiale permanente le 21 septembre 1945 pour répondre à une accusation de désertion, étant donné qu'il s'était absenté sans permission à compter du 20 février 1945 jusqu'au 7 septembre 1945, alors qu'il a été arrêté. Il a été trouvé coupable et condamné à un an de détention.

Comme vous le savez, la sentence qui lui a été imposée sera revisée de temps à autre, en vue d'une remise de peine quand la conduite de l'intéressé la motivera. La première revision aura lieu quarante-cinq jours après la date à laquelle la sentence a été infligée. Toutefois, vu la nature de l'infraction et son absence relativement longue, il est peu probable qu'une remise de peine lui sera accordée à ce moment-là.

Votre bien dévoué,

for Deputy Minister

DEPARTMENT OF NATIONAL DEFENCE

OTTAWA, CANADA.

29 Oct 45

Dear Sir:

This will acknowledge your letter of the 17th October, 1945 with reference to D.612184 Pte G. Bergeron.

I am informed by the Military Authorities that this soldier was tried by Standing Court-Martial on the 21st September, 1945 on a charge of desertion, having absented himself without leave from the 20th February, 1945 until he was arrested on the 7th September, 1945. He was found guilty and was sentenced to undergo detention for a period of one year.

As you know, the sentence awarded will be reviewed from time to time with a view to remission when the conduct of the soldier warrants. The first review will be made forty-five days after the award. In view, however, of the offence and his comparatively long absence, it is improbable that there will be any remission at that time.

Yours truly,

Honourable Joseph Jean,
Solicitor General,

Re: D-612184, Pte. Georges BERGERON

Mr. Minister:

The family of the above named has asked me to appeal to you to obtain a remission of sentence if possible.

Here is the case: He enlisted on April 9th, 1942; was absent without leave from February 20th, 1945 to September 7th, 1945; was placed in detention at Longue-Pointe Ordnance Depot on September 7th, 1945; was tried by the Standing Court Martial on September 21st, 1945 and sentenced to one year of detention.

In December last, he applied for 6 months' leave to help his sister, his brother-in-law's grocery store having been destroyed by fire and the latter being hospitalized. This application was rejected.

During his absence, he worked on the farm of his father who is 66 years of age, owns a rather large farm at Ste.Julie and has but one son left to help him.

Pte. Bergeron deemed it his duty to report of his own accord to military authorities without waiting for a pardon which he could have hoped to obtain in an indefinite future.

Although his physical condition is normal, he has had a curvature of the spine from birth which affects him at times. His mental stability seems to be below the normal.

I do not know exactly to whom I should apply and relying on your usual kindness towards me, I have thought that as Solicitor General, you could write to the appropriate authorities to help this person.

I beg to remain, Mr. Minister,

Yours very truly,

Edmond Courchesne.

Mr. Minister:

The family of the above named has asked me to appeal to you to obtain a remission of sentence if possible.

Here is the case: He enlisted on April 9th, 1942; was absent without leave from February 20th, 1945 to September 7th, 1945; was placed in detention at Longue-Pointe Ordnance Depot on September 7th, 1945; was tried by a Summary Court Martial on September 21st, 1945 and sentenced to one year of detention.

In December last, he applied for 6 months' leave to help his sister, his brother-in-law's grocery store having been destroyed by fire and the latter being hospitalized. This application was rejected.

During his absence, he worked on the farm of his father who is 66 years of age, owns a rather large farm at Ste.Julie and has but one son left to help him.

Pte. Bergeron deemed it his duty to report of his own accord to military authorities without waiting for a pardon which he could have hoped to obtain in an indefinite future.

Although his physical condition is normal, he has had a curvature of the spine from birth which affects him at times. His mental stability seems to be below the normal.

I do not know exactly to whom I should apply and relying on your usual kindness towards me, I have thought that as Solicitor General, you could write to the appropriate authorities to help this person.

I beg to remain, Mr. Minister,

Yours very truly,

Edmond Courchesne.

EDMOND COURCHESNE - AVOCAT

10 ouest, St-Jacques

Montréal, 15 oct. 1945.

Honorable Joseph Jean,
Solliciteur Général,
O t t a w a.

Monsieur le Ministre,

Re: D-612184 PTE BERGERON GEORGES

La famille du soldat Bergeron, ci-haut mentionné, me demande de m'adresser à vous pour obtenir si possible, une remise de peine.

Voici son cas: Enrôlé le 9 avril 1942; absent sans permission du 20 février 1945 au 7 septembre 1945; détention à Longue-Pointe, Ordnance Depot, le 7 septembre 1945; Standing Court Martial le 21 septembre 1945 et condamné à un an de détention.

En décembre dernier, il demanda un congé de sic mois pour aider à sa soeur, l'épicerie de son beau-frère ayant été incendiée et ce dernier étant hospitalisé. Cette demande de congé fut refusée.

Durant son absence, il travailla sur la ferme de son père, lequel âgé de 66 ans, possède une ferme assez considérable à Ste-Julie, et il ne lui reste qu'un fils pour lui aider.

Le soldat Bergeron a cru de son devoir de se rapporter de lui-même aux autorités militaires, sans attendre un pardon qu'il aurait pu espérer obtenir dans un avenir indéfini.

Bien que son état physique soit normal, il souffre d'une déviation de l'épine dorsale depuis sa naissance, ce qui l'affecte périodiquement. Son équilibre mental semble au-dessous de la normale.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE.

Je me suis sauvé de l'armée parce que mon père avait besoin à la maison et j'ai des preuves. Les documents sont partis avec le rapport d' "income tax" que mon père a envoyé. Mon père a bien mal aux jambes, il peut presque pas travailler. Il travaille une journée par semaine, des fois "pantoute". Il travaille pour la Canadian Car and Foundry. Il a quarante-trois ans. Cà fait huit ans qu'il travaille là. J'ai vingt ans. Avant de m'enrôler je travaillais dans la construction.

CC-5

TEMOIN A L'APPUI DE LA REPUTATION.

Madame James Bell, 5604 rue Hadley, Côte-Saint-Paul, Montréal, P.Q., étant dûment assermentée est interrogée par l'officier défenseur:

Q. Etes-vous la mère de l'accusé ici présent?

R. Oui, monsieur.

Q. A la suite de çà avez-vous plusieurs garçons dans votre famille?

R. Non, j'ai seulement celui-là.

Q. Est-ce que son père est en état de travailler?

R. Il travaille mais il travaille malade parce que moi-même je suis obligée de travailler plus souvent qu'autrement.

Q. Pour quelle raison votre mari ne travaille-t-il pas?

R. Il a été opéré premièrement pour les intestins à Général hôpital rue Dorchester, et puis depuis ce temps-là il file pas, du sang il perd du sang continuellement par en bas.

Q. Dernièrement, pour quelle raison...?

R. Aujourd'hui c'est ses jambes.

Q. Qu'est-ce qu'elles ont ses jambes?

R. Les docteurs disent que c'est de la faiblesse générale. Il a mal au dos, aux reins, çà lui prendrait un repos complet. Il est pas capable de travailler, pas rien que lui moi-même j'ai lâché ma "job" il y a deux semaines parce que je travaillais trop fort.

Q. Pourriez-vous produire des documents, des certificats de docteur?

R. Je peux avoir des certificats du docteur. Dans le moment je les ai pas parce qu'on les a envoyés à l'impôt sur le revenu. Comme les comptes d'hôpital c'est tout parti avec l'impôt sur le revenu.

Q. Si on vous demandait de produire ces documents-là pourriez-vous les produire?

R. Peut-être... oui, en repayant le médecin nous les redonnerait. Parce que les docteurs nous donnent pas les lettres pour rien, vous savez çà comme moi.

TRANSQUESTIONNEE PAR LE PROCUREUR:

Q. Est-ce que vous avez d'autres sources de revenus, madame?

R. Non, monsieur, du tout.

Q. Est-ce qu'il y a d'autres enfants qui travaillent?

R. J'ai seulement une fille. Elle a travaillé durant les vacances, là elle va à l'école.

L'OFFICIER DEFENSEUR NE DESIRE PAS RE-EXAMINER LE TEMOIN.

INTERROGEE PAR LA COUR:

Q. Vous avez parlé de rapport d'impôt sur le revenu, madame, quel est le montant dont votre mari a fait rapport?

R. Ah çà réellement je peux pas dire parce qu'il fait pas des payes "steady" assez.

Q. Vous dites que vous avez envoyé les comptes de médecin pour avoir un crédit?

R. Cà les prend çà.

Q. C'est parce que vous aviez un revenu taxable?

R. C'est toute personne vous savez, vous comme moi, je travaille, le Gouvernement m'enlève tant sur le revenu. Après çà si vous êtes malade vous envoyez ces comptes-là pour pas payer la taxe.

Q. Je vous demande quel était à peu près le revenu de votre famille l'an dernier, soit par vous, votre fille ou votre mari, l'an dernier?

R. J' "averageais" dans les $30.00 ou $32.00 par semaine en "toute". Mon mari çà fait six semaines qu'il gagne pas de salaire.

Q. Il gagnait combien par semaine?

R. Il gagnait pas énormément. Je sais pas si c'est pas 70 cents de l'heure, il a fait sept heures ou sept heures et demie par jour. Cà fait à peu près $30.00 ou $32.00, quelque chose comme çà, son salaire.

Q. Vous, vous en faisiez autant?

R. Ah mon Dieu, ambitionnez pas, vous savez bien que je gagnais pas çà.

Q. Je ne le sais pas, je vous le demande, combien gagniez-vous par semaine?

R. Je gagnais dix dollars.

10

LE TEMOIN SE RETIRE.

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon officier défenseur.

PAR L'OFFICIER DEFENSEUR:

Je veux juste faire remarquer à la cour que le M.F.M. 6 de l'accusé est en blanc, monsieur.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

The Secretary,

C.55-B-2060

D 140589 Pte Brodeur, W.A.L.

1. The m/n soldier is now serving a sentence of 2 years imprisonment without hard labour awarded by FGCM 27 Jun 45 for disobeying a lawful command given by his superior officer, that is to say, when ordered to report to his Coy, did not do so (AA Sec 9(2)).

2. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which his sentence of imprisonment without hard labour should terminate, if he continues to do so, is 26 Oct 46.

3. This soldier enlisted 22 May 43 at Montreal, P.Q., and he is now 19 years of age. In addition to the offence mentioned in para 1 above, he has, since enlistment, been found guilty of 3 offences under AA Sec 15(1). He has had no previous FGCM.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, it is considered that he should be required to serve his sentence of imprisonment without hard labour in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier deliberately misconducted himself in order to avoid the risks of battle and that he must have realized that such misconduct would invoke a severe penalty which would in all probability include his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 27 Jun 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states :

Ans.....(1)

(1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.)

D2. The Prosecutor makes (an) (no) opening address.(1)

(1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.)

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans..... Do you intend to call witnesses on your behalf? Ans..... Are they witnesses as to character only? Ans.....

(1. RP 43, 117(A). See Notes in Part I of Schedule. 2. RP 44(A).)

D8. The President announces the finding(s), if any, of Not Guilty, and states to the accused that the finding(s) of the Court on the.....charge(s), being subject to confirmation, will be promulgated later.(1)

Or, The President announces that the accused is found Not Guilty on all charges and is to be released forthwith, and that the proceedings are accordingly terminated. Part I of the Schedule is dated and signed.(2)

(1. AA 54(3) (6), RP 45, 120(A). 2. AA 54(3), RP 45, 117. This alternative announcement is not applicable when there are pleas of Guilty outstanding and dealt with under Record Form B or C.)

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

E1. President to accused: Do you wish to give evidence yourself or to call any witnesses as to your character?(1)

The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(l) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. D 137105 Pte Brossoit, J.R.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 3 Mar 45 for deserting His Majesty's Service, that is to say, after being warned that he was to take part in an attack, absented himself with intent to avoid taking part in said attack (AA Sec 12(1)(a)).

2. The earliest date on which his sentence of penal servitude should terminate, if he earns full remissions for good conduct while serving his sentence, is 2 Mar 47.

3. This soldier enlisted 17 Sep 42 at Montreal, P.Q., and he is now 23 years of age. In addition to the offence mentioned in para 1 above, he has, since enlistment, been found guilty of 3 offences under AA Sec 15(1). He has had no previous FGCM.

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the offence of which this soldier has been convicted and the necessity for exemplary punishment in such cases, it is considered, despite his previous good record and service in action, that he should be required to serve his sentence of penal servitude in full and be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029. It is therefore so recommended. It is considered that this soldier deliberately misconducted himself in order to avoid battle, and that he must have realized that the serious nature of such an offence would result in a severe penalty, which would in all probability include his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 3 Mar 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

étant dûment assermenté,

EST INTERROGE PAR LE PROCUREUR:

Q.- Quelles sont vos fonctions?
R.- Quartier-maître au camp de Lauzon.

Q.- Est-ce que vous connaissez l'accusé?
R.- Oui, monsieur, le soldat Brousseau, R.

Q.- En votre qualité de quartier-maître avez-vous eu l'occasion de faire l'inspection de l'équipement de l'accusé?

R.- Le soldat Brousseau s'est présenté devant moi le 25 septembre 1945. Il rapportait des articles pour un montant de $20.15. D'après la formule 375 il lui manquait les articles suivants:-

1 Gloves woollen pr	.50
1 Greatcoat	11.66
1 Mitts leather	.70
1 Boots ankle pr	4.37
2 Drawers woollen	2.10
1 Shoes canvas pr	1.72

1 Pin collar	.05
1 Bag ration	.03
montant déjà chargé à 75%:-	$28.12

Q.- Sur quoi vous êtes-vous basé pour faire vos constatations?

R.- Sur la formule 375.

INTERROGE CONTRADICTOIREMENT PAR L'OFFICIER DEFENSEUR:

Q.- Lorsque le soldat Brousseau est parti du camp il est parti en passe; pouvez-vous dire si son kit avait été envoyé au quartier-maître?

R.- Je connais le soldat Brousseau seulement depuis qu'il s'est rapporté à moi le 25 septembre 45 pour montrer les articles qu'il rapportait. Je me suis basé sur la formule 375, document signé par trois ou quatre officiers. Avant cela je ne connais rien.

Q.- Vous ne pouvez pas jurer que le kit n'a été rapporté au quartier-maître?

R.- Je ne peux pas jurer de rien, je suis pas au courant de rien.

De l'avis de la Cour il n'est pas n[illegible] de se conformer à la Règle de Pr[illegible]

-LE TEMOIN SE RETIR[illegible]

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Oui, monsieur, sous serment. (voir page D-3 et suivantes)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense ?

Réponse: Non, monsieur.

~~*Question à l'accusé.*~~ ~~Êtes-vous uniquement un témoin à l'appui de votre réputation?~~

" M. le Président, vous venez d'entendre l'accusé faire lui-même l'historique de sa carrière militaire. Je m'attarderai pas à répéter les faits qui parlent par eux-mêmes. L'accusé dans le temps qu'il a été dans l'armée s'est plaint de troubles digestifs, il est parti pour aller chez-lui, il était en permission. Chez-lui il a été malade, il est resté tout le temps sans travailler et sous les soins du médecin. Aussitôt qu'il a pu revenir il l'a fait de lui-même. Je soumets donc respectueusement à la Cour de prendre en considération toutes les circonstances qui plaident en sa faveur et je demande le minimum de la peine".

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

12. Remarks: (Here note any Petition or Representation other than in Item 10 but if Item 10 has been omitted so state, and show here any mitigating circumstances.)

Item 10 has been ~~xxx~~ omitted.

The accused called no witnesses and made no statement. He had previously given a statement to the Provost in which he outlined his activities and those of his associates. He was one of a gang of soldiers operating in the Bagotville area; their activities consisted mostly of stealing G.M.C. Vehicles and Patrol and disposing of the Patrol to civilians. Their crimes were committed in the area with which we could become after correct.

13. Recommendations: (State by whom made, e.g., CMHQ, DOC, Reviewing Officer, etc.)

CMHQ: Cause sentence to Cell and Dismissal be dispensed with. Immediate.

Reviewing Officer: Since the accused admitted his guilt and serious offences in a short space of time, it is recommended that he serve his sentence in Cell with a good conduct.

CONFIDENTIAL

6.55-B-2063

The Secretary,
Department of National Defence (Army),
Ottawa, Canada

H 3584 Pte Bunn, E.G.

1. The m/n soldier was awarded a sentence of 5 years penal servitude and discharge with ignominy by FGCM 5 May 45 for the following offences:- committing a civil offence, that is to say, theft (AA Sec 41), improper possession of approximately 30 bags of meat (AA Sec 40), improperly, without authority, using a WD vehicle (AA Sec 40), concerned in the improper use of a WD vehicle (AA Sec 40), striking his superior officer (AA Sec 8(2)), and 4 absences without leave from which he was apprehended after 13 days, 43 days, 20 days and 64 days respectively (AA Sec 15(1)). On review of his sentence, it was directed that 2 years penal servitude be remitted.

2. The earliest date on which his present sentence of 3 years penal servitude should terminate, if he earns full remissions for good conduct while serving his sentence, is 4 May 47.

3. This soldier enlisted 23 Sep 39 at Winnipeg, Man., and he is now 24 years of age. In addition to the offences mentioned in para 1 above, he has, since enlistment, been found guilty of 7 offences under AA Sec 15(1), and of 3 offences under each of AA Secs 40 and 19. He has had one previous FGCM on 18 Dec 43 when he was awarded a sentence of 8 months detention for an absence without leave of 45 days (AA Sec 15(1)).

4. This soldier has been medically examined and certified as fit to undergo his sentence.

5. In view of the serious nature of the many offences in an operational theatre of which this soldier has been convicted, and his previous record which is far from exemplary, it is considered that his sentence, including discharge with ignominy, is appropriate and that he should be required to serve his present sentence of 3 years penal servitude in full and be discharged with ignominy under the provisions of para 9 of Appx to CARO 1029. It is considered that this soldier deliberately committed his many illegal absences in a theatre of operations in order to avoid rendering effective service to the army, and that he must have realized that such misconduct, coupled with his other activities, would result in a very severe penalty, which would in all probability include his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of FGCM held 5 May 45 together with original AF A3104 in respect thereof, on which this direction has been endorsed.

Parked in front of that Cafe was WD army CL 4273364 — GO Cont. ~~Ford~~ Ford. On it were 30-odd Cans of Petrol. ~~This veh was admitted to be used~~

No Cross-examination

RP 83(B) complied with.

E-3 Plea in Mitigation:

The accused enlisted in 1939 at age of 19. For some considerable time his conduct was very good and until he arrived on the Continent there were only 2 crimes of a serious nature. Shortly after his arrival in E.T.O. he started on a system of behaviour that brings him before this court today. Whether he was led on by bad friends or whether it was the spirit of misadventure he apparently had no regard for the seriousness of the offences committed. His statement says he surrendered himself. The evidence is that he was apprehended. He now realizes the seriousness of his acts. I feel that since he surrendered himself he should be shown leniency. Also that a light sentence will keep him out of trouble and away from evil friends.

"On 4 Dec 44 I was in ANTWERP. PAUL BUNN and GEORGE SCHELL came into a pub and said come with us to BRUSSELS; thers a lot of money up there. At that time I did not have any money. PAUL and GEORGE had one Bedford and one Dodge truck outside. We drove to BRUSSELS. I rode with PAUL in the Bedford and GEORGE SCHELL and DAVIE came into BRUSSELS on 5 Dec 44 with a Dodge truck and about 100 (one hundred) jerrycans of Petrol. PAUL gave me 1000 francs after they had sold the petrol. That night in a crap game I won all the money (about 9000/10000 francs) that DAVE had and quite a bit from GEORGE and PAUL. About 6 Dec 44 BUNN and I went to DIEST in the Bedford and brought about (75) seventy five jerrycans of petrol back. We sold some of the petrol at 200 frans a can and GEORGE, PAUL, DAVE and I went to ANTWERP in the Dodge truck. I visited my girl and on my return to the spot where I was supposed to meet the boys there was an argument about who would ride in the jeep. GEORGE and I rode back in the Dodge, the rest in the jeep. DAVE and PAUL were to come into BRUSSELS in the jeep. GEORGE and I arrived in BRUSSELS about 1900 hrs. I left GEORGE in a café drunk and went out and met MARY. I said if you stay with me I'll give you 1000 francs and did. We went to a show and she stayed with me in the hotel on Emile Jacqumain. The next morning I met JACKIE TONEFF and his girl friend LUCIENNE. I met GEORGE a couple of days later in LAEKEN at 54 Moorslade. He had a Bedford truck full of meat. He said come with me and we'll sell the meat. There is a civilian by the name of HARRY who is our fence. We sold 26000 francs worth of meat to HARRY. PAUL and DAVE were in the garage when we came back and said HARRY wants a beg of meat. DAVE took a bag of meat to HARRY's café and sold it and asked if we had any more. GEORGE said we had and sold the remainder to HARRY the next day. GEORGE gave me 6000 francs for unloading. GEORGE, PAUL, DAVIE and I went down town in two trucks and got into an argument in a café, we split and GEORGE and I went down the street a couple of blocks. GEORGE started an argument with a lady and when I tried to stop it he told me to "Fuck off and dont get near that truck or I'll smash you with the crank". GEORGE lost his truck that night (Dodge). I stayed with MARY that night. TONEFF asked me if I had found LAEKEN, and said that he was going with me. We went to LAEKEN and I introduced TONEFF to GEORGE, the boss. He told TONEFF he could come in if he had a truck. We went to BOOM and got a Dodge truck. We came back and put the truck in the garage at 54 Moorslade. This was about 20 Dec 44 both the Bedford

and Dodge trucks went to DIEST. TONEFF and I in the Dodge. GEORGE and PAUL in the Bedford. We got about (50) fifty cans each loaded and returned. DAVE was in an American jeep and got caught. GEORGE and PAUL took ROSA and PAULA to LILLE in my Dodge. GEORGE paid TONEFF and I for (50) fifty cans of Petrol to take to LILLE. They came back about two days later saying the truck had been picked up by CMP. In the meantime TONEFF and I went to DIEST and got about (70) seventy cans of petrol in the Bedford, which we sold to our fence . About two days later we took a 31 tram to a Vehicle Park and TONEFF started a Ford 60 CWT and drove it out. A CMP waved us down at the Arch but we went on. He followed us and we ditched the truck. The next day TONEFF, PAUL, GEORGE and I returned to the Vehicle Park and got one used Dodge truck - PAUL and TONEFF got this one and GEORGE got a Ford with (4) four Harley Davidson motor cycles in it. We all went back to the garage. DAVE was at the garage with a truck too. We unloaded the motor cycles and each one claimed a motor cycle but GEORGE said were all his. We tried to sell the motor cycles but could'nt. We took two Trucks Dodge and Bedford and went to DIEST and got about (130) one hundred fifty tins of white petrol. We sold about(48000) forty eight thousand francs worth to the garage owners. The grey haired fellow bought this but could'nt pay for all of it. PAUL and GEORGE collected this money when we were picked up. TONEFF and I came back to spend the night with the girls. The next day TONEFF went to the garage to see GEORGE and PAUL, and came back with them and DAVE. We all got drunk, and stayed all night. The next day we all went back to LAEKEN and laid around. We got quite drunk and I stayed in the Hotel Bruckere on Emile Jacqumain all night. I was apprehended the next morning by Sgts MATHESON and POULIN - 22 Dec 44. I had about three (3) to fice thousand (5000) francs on me and was searched in front of the Sergeant Major, and sent into the small room. I and TONEFF and PAUL were all there. TONEFF said to Sgt POULIN "How would you like to give some money to my wife" POULIN agreed and TONEFF gave him about twelve thousand francs. I gave him about three or five thousand and PAUL gave him some francs and some English pound notes. We were escorted to Prince Albert Barracks, but they would not admit me because I was sick. I asked to go to the toilet and Sgt POULIN escorted me. While there I asked Sgt POULIN for some money to buy cigarettes. He gave me (500) five hundred francs and two hundred (200) francs to have when I booked in. I had the (500) five hundred later in the day when I was admitted to Prince Albert Barracks. About 1800 hrs I asked to be paraded to the M.O. and an escort was detailed to take me. On the way there I paid the escort (500) five hundred francs and promised him (5000) five thousand more if he would let me go. A tram came along and he said jump on it. I did. I did not pay him the other (5000) five thousand francs. I returned to LAEKEN. GEORGE and DAVE had gone to ANTWERP on motor cycles and were not coming back till Tuesday. They had left (1000) one thousand francs for me. They got paid for the balance of the petrol. I stayed at No 16 rue Ketels overnight. About one pm (1300 hrs) TONEFF came back 23 Dec 44. TONEFF got (2000) two thousand francs for PAUL at HARRY's and said PAUL would be back by night. About 2300 hrs 23 Dec 44 PAUL and McKENZIE came to Ray's café. We stayed low till Tuesday when DAVE came back. GEORGE had had an accident with the motor cycle and was in hospital.

Continued on sheet THREE.....

25

PAUL and DAVIE went down to ROSA and POLA on the motor cycle. DAVE told me that they had ditched three trucks. The Dodge was in a private garage, the Ford and Bedford were driven out of town and ditched. JACKIE and I could not find the garage to get our truck. JACKIE and I and McKENZIE went to the Vehicle Park and drove back a Ford truck. PAUL and GEORGE went to the private garage and brought their Dodge back. Between Christmas and New-Years, McKENZIE, TONEFF and I went in one truck, PAUL , DAVE in the other one to DIEST and started loading four gallon tins. The patrol car came down. McKENZIE ran to the front truck and pulled away with PAUL and DAVE. JACKIE TONEFF started away with my truck I heard a shot fired and I jumped in the ditch. The patrol car followed and TONEFF ditched his truck and went back to BRUSSELS by tram. The other load had been sold and I did not get any split on it. A couple of days later 31 Dec 44 JACKIE and I went to DIEST and got (16000) sixteen thousand francs worth of petrol. In the garage was a 15 CWT that GEORGE brought back with him. A couple of days later we sold the petrol and split two ways. A couple of days later about 5 Jan 45 JACKIE and McKENZIE took the 15 CWT and got a load of Petrol. The next night JACKIE wanted to go to DIEST again but GEORGE would not let him use the truck. GEORGE and DAVIE went and on the way back the truck broke down. The following night, JACKIE , McKENZIE and I and GEORGE and PAUL went to DIEST again and got about 200 tins in each truck. We did not sell this whole load. There were about 38 cans on it when JACKIE was picked up. The truck was also taken by Provost. PAUL and GEORGE also loaded what was on the 15 CWT on their trucks. About 10 Jan 45., PAUL, GEORGE and DAVE went to DIEST and got a large load. They had trouble selling this load and it was still in the garage when we three were picked up on 13 Jan 45. Just before this I had won about 20000 twenty thousand francs from the other four fellows. I gave about 18000 eighteen thousand to MARY with whom I was staying. I was taken to CBRG and managed to escaped out of the Hospital and returned to BRUSSELS. JACKIE, LUCIENNE and MARY and I stayed at 16 rue Ketyls for about two days, then got a room in the garage. A couple of days later JACKIE and I went down to the Vehicle Park again and got a Dodge truck. The next day about 1600 hrs we got about 200 two hundred cans of petrol. We sold it and split two ways about 20000 twenty thousand each. McKENZIE returned about now. We went (McKENZIE, JACKIE and I) to DIEST again in a day or so and brought back about 235 cans. Sold it to HARRY and split three ways. JACKIE cleaned McKENZIE at cards and I cleaned JACKIE at crap. I had about 53000 fifty three thousand francs now. The next day I was quite drunk and JACKIE dared me to steal a truck from the Park. I did and it was a Dodge. I went to DIEST and got two large loads. Sold them. 'At this time I bought a complete suit of civilian clothes'. And went again for two more loads and sold that. JACKIE wanted to sell a truck for 50000 fifty thousand so JACKIE, McKENZIE and I went to the Vehicle Park and stole a Dodge. We did'nt sell it so gave it to Little JIMMIE

Continued on sheet FOUR.....

(McKENZIE). Mary said she was pregnant and I left her, took the Dodge and started out of town, I had an accident and damaged the radiator. I parked the truck by the Vehicle Park and stole a Ford 60 CWT with 4 Harley Davidson motor cycles. When I got back to the garage I found DAVE; JACKIE, DAVE, McKENZIE and three scotch fellows took two trucks and got two loads of Diesel fuel back with them. The following day DAVE took the truck and I have not seen it since. PAUL and DAVE took McKENZIE's truck and left the following day. An English fellow brought 4 jeep wheels into the garage for JACKIE and wanted 6000 six thousand francs for them. I paid half and McKENZIE half."

10 Bn CBRG 'CSR'

I have been cautioned that I am not obliged to say anything unless I wish to do so, and whatever I do say will be taken down in writing and may be given in evidence. To show I understand this caution I sign my name.

"On 16 Nov 44 I went absent from my unit (2CBRG) and came to BRUSSELS. I stayed in BRUSSELS for a couple of weeks, staying with a girl by the name of LUCIENNE. About 15 Dec I met JIMMIE WORONUIK who was staying with MARIE in HOTEL BRUCKERE Blvd Emil Jacqmain. He talked me into staying with the gang. I met PAUL BUNN, DAVIE DAVIS, GEORGE SCHELL and JIMMIE McKENZIE about 21 Dec 44. The boys all gave me some money to carry me over.

About 20 Dec 44 I went to BOOM and stole a Dodge truck from a vehicle park. The next day BUNN and SCHELL took the truck to LILLE with POLA and ROSA to bring back black market goods. They were away a couple of days. On their return to BRUSSELS they said the CMP's got the truck in LILLE. On 22 Dec 44 I was apprehended by Sgt MATHESON and Sgt POULIN. At 183 rue de Laeken I was searched and during this time I gave Sgt POULIN about 5000 fr to give to LUCIENNE. PAUL BUNN and WORONUIK also gave him money including three £ 1.0.0 notes. All together he received about 12000 frs. He never gave this money to the girls.

I was admitted to Prince Albert Barracks and escaped from there by going down blankets the following evening 23 Dec 44.

I went back to LAEKEN to 'Café au Bon Coin'. The next night, 24 Dec 44, at about 2200 hrs BUNN and McKENZIE arrived.

About 25 Dec 44, WORONUIK, SCHELL and BUNN went with me on the tram to 3 Park 17 RVP and stole two 60 cwt Fords. That night BUNN, DAVIS, WORONUIK and McKENZIE and I went to DIEST and started to load 4 gal tins of white petrol in the trucks. We were about half loaded when the guards arrived and chased us. I ditched my truck about 4 km this side of DIEST on No 250 highway. The other truck was ditched also. We all came back to BRUSSELS. About 27 Dec 44 WORONUIK and I went out to 17 RVP by tram and stole a 60 cwt Ford truck. That night we (WORONUIK and I) went to DIEST and loaded up about 75 jerry-cans of petrol, which we sold in BRUSSELS to two civilian fences. 1000 litres to one and 500 to another.

GEORGE SCHELL went to ANTWERP shortly afterwards and came back with a 15 cwt. This broke down a couple of days

later on the road from DIEST loaded with Petrol. Just after New Years SCHELL and I made another trip to DIEST and returned with about 200 Jerry-cans of Petrol which we sold to the same three fences (civilians). We used two trucks this trip. WORONUIK travelled with me and PAUL BUNN was with SCHELL.

About 10 or 11 Jan 45, SCHELL and I made a trip to DIEST with two trucks and got about 100 cans of Petrol. On the morning of 13 Jan 45 SCHELL and I were at the 'Café au Bon Coin' when we were apprehended by Cpl BEMENT. Outside of the café my Ford 60 cwt was partially loaded with petrol.

I was sent to GHENT and bought my way out by paying one of the guards a wrist watch (German), Gold case, water-proof. He had one red service stripe and wore an infantry cap badge. This was Sunday afternoon. The guard gave me my paybook and possessions. We went to the hospital and WORONUIK ans I walked out.

WORONUIK and I came back to BRUSSELS by road and tram. WORONUIK and I went to 17 RVP about 17 Jan 45 and stole one Dodge 60 cwt. A couple of days later, WORONUIK and I went to DIEST and got about 100 cans of petrol. McKENZIE returned about 1 Feb 45. About this time WORONUIK stole a Dodge truck. We - WORONUIK, McKENZIE and myself - went to DIEST and got two full loads - about 350 cans of petrol.

About 3 or 4 Feb 45 I went to 17 RVP and stole a Dodge truck for McKENZIE. DAVE came back about this time and WORONUIK went out with his Dodge for a load. We came back with a Ford 60 cwt and 4 Harley Davidson motorcycles.

McKENZIE, DAVE and I and three English soldiers went to DIEST and got two loads of Diesel fuel. This was about 7 or 8 Feb 45. We used to park our trucks in No 54 rue Moorslade. The owners were under the impression we were legitimate. I never sold any petrol to them.

"After I broke out of my Unit guard-room Iwent to ANTWERP the same night. This was the 10th of October 1944 I think. I stayed around ANTWERP until just before Christmas when I met GEORGE. I don't know his other name. Then we came to BRUSSELS. While in ANTWERP I stayed in variousnEnglish camps, always telling them I was just passing through. I was making money by changing guilders for civilians. When GEORGE and I came to BRUSSELS we met two other fellows Big JIMMIE and PAUL. We did'nt have any money so BIG GEORGE had a truck so we all went out to DIEST to a petrol dump where we got a load of petrol. We sold the petrol to some connections which GEORGE had in BRUSSELS. We stayed in BRUSSELS drinking and playing around. Then one night the Provost raided where we were staying and picked up everyone but me, as I happened to be away at the time. However, the next day they came cruising along and caught me and put me in the guard-room in BRUSSELS, from there they sent me to GHENT. When the Provost were arresting me, I ran down the street and the two Provost cornered me in this big yard. I had a little automatic a .22 cal I think and I pulled it out. I hollared that I was coming through. The Sgt yanked out his pistol and hollared "Throw that gun down or I'll shoot" or something like that. When I jumped the Sgt and the other Provost took his pistol out and wacked me over the head. We had quite a battle there and I don't remember much about it. They hit me three or four times and put the cuffs on me. From GHENT I was taken to No 1 Disciplinary Centre and after a short whileI cut my way out with a pair of wire cutters I got hold of. After escaping I hitch hiked back to LAEKEN BRUSSELS. Here I met BIG JIMMIE, JACKIE, and LITTLE JIMMIE. That same night PAUL had busted out of jail, I think it was GHENT and the next day I met him. We decided the Provost knew the spot we were staying at so we thought we'd better get out of there. So me and PAUL decided to stay with a couple of girls that we knew. When we arrived at the girl's place we saw a Provost standing there with a Sten Gun. He managed to fire one shot in the air before I grabbed it. PAUL ran out the gate and then I did too. The Provost dropped the Sten gun and pulled out his pistol. I immediately started running across the Blvd, and I guess the Provost fired all his shots at us because he hit PAUL in the leg. I didn't know he was hit at the time because he was still running. We got over a fence in a railway yard and PAUL passed out. I applied a tourniquet and dugthe bullet out, it was only about 3/4" in. Then I carried him over to a shed near a factory. After a rest we both

walked out of the yard. PAUL was able to hobble along. We went to a house and said that there had been an accident. I cleaned his wound and bandaged it. We slept in another place all night. His leg was swollen pretty bad the next day so I took him to some friends of his where he could stay. I left him there and went back to ANTWERP. I stayed in ANTWERP until they caught me again. It was English M.P's and some Polish fellows that took me there. I was pretty drunk and don't remember very much about it. I was sitting inmy truck a Dodge when arrested. I stopped when I seen these M.P.'s come over, I jumped out and started to do battle with them. The next thing I knew I was in the clink. I gave the name of LAPOINTE when arrested this time. I was sent back to GHENT and from there to No 1 Fd Punishment. When I arrived back there the M.O.recognised me so I told them my real name and said I was the one who had escaped. They kept me there until I was brought here now.

"Early in December I was in ANTWERP and met Jimmie and Paul. We had a few drinks and later in the day I met DAVE. I asked him if he would like to come to BRUSSELS as things were OK there. We stayed overnight and came to Brussels in a Dodge Truck that I had picked up in BOOM. We met JIMMIE and PAUL at 54 Moorslade. We needed some money so DAVE and I went to DIEST and got a small load of about (50) fifty tins of petrol and came back to BRUSSELS. HARRY (the tall one) helped us sell the petrol. About (2) two days later PAUL, JIMMIE, DAVE and I went to ANTWERP and returned the same evening. DAVE and PAUL came back in a jeep. JIMMIE and I went down town and I lost my truck. About three (3) days after this (Dec 10) I saw a Bedford truck in the garage and PAUL, DAVE and I went to ANTWERP stayed overnight and I got drunk and was left there when PAUL and DAVE returned to BRUSSELS. I looked around for a truck and saw one sitting on the street near the Ration Stores. The motor was running in this Bedford truck so I got in and drove it away. On arriving at BRUSSELS I drove it in the garage at 54 rue Moorslade. The next day I found about thirty (30) to forty (40) bags of meat in the back of the truck. I sold some of the meat through HARRY and had JIMMIE help me unload it. I parked the truck in the garage overnight and the following night I drove down town again and lost the truck with the remainder of the meat. Four of us made a trip to DIEST in the Bedford and Dodge trucks and got about fifty (50) cans of petrol in the Bedford. We were afraid the patrol was coming so left. This petrol was sold through HARRY also. About a week later JACKIE, JIMMIE, PAUL, and I went to 173 R.V.P. By tram and I drove away a Ford truck that had four (4) Harley motor cycles in the back. The bikes were unloaded in the garage and the four of us each had one. We left the Bedford truck on the streets as we didn't want it any more. This left us with two (2) Ford trucks. We made another trip to DIEST and got more petrol which we sold. About 23 Dec 44 DAVE and I went to ANTWERP by motor cycle and I was picked up by Provost on 25 Dec 44. I was taken to GHENT and back to my unit at TURNHOUT. About three (3) days later I took a 15 CWT Ford from 8 General Hospital and came back to BRUSSELS. I made a trip to DIEST about 2nd or 3rd of Jan 45 and the truck broke down. The next night PAUL, JACKIE, Big and Little JIMMIE'S and I went to DIEST with the two Ford trucks and loaded them up. On the way back I offloaded, the 15 CWT and brought that load in too. I had about two hundred (200) cans on my Ford. On 13 Jan 45 I was again apprehended."

STATEMENT OF EVIDENCE IN THE CASE OF

D/127524 PTE P LA POINTE
No 1 PLATOON
SOUTH SASKATCHEWAN REGT.

SIR,

At ANTWERP on the 7 March 1945 about 1845 hrs I was on duty in VEEMART in company with L/CPL FLETCHER C.M. POLICE when I saw WD 3 TON DODGE No L 5403794 parked in the square. Knowing this vehicle was reported stolen on the 4 March 1945 I approached it and saw the above named soldier sitting in the drivers seat, another soldier was also in the passengers seat.

As PTE LA POINTE was wearing a S.D.Cap I asked him what unit he belonged to, and he replied "Signals". I then asked him for his Pay Book, but this he could not produce, instead he handed me the AB 412 for the above vehicle and said "My Work Ticket is there". I examined this and found it was made out by No.5 RAILWAY TELEGRAPH COY. R.C.S. and the last two entries made out for the 5th and 6th March 1945 (this was after it had been stolen) were for journeys from KEPPELLEN BOSCH to ANTWERP; Column 7 of the AFG.3518 had the signature CAPT BUNN. He smelled strongly of alcohol and his speach was slurred, he was drunk so I arrested him, and ordered him and the passenger to get out of the vehicle. Pte LA POINTE immediately picked up a PICK AXE HEAD that was lying between his legs and struck me with it, I covered my head with my hands and these took the blow. I struggled with him and managed to wrench the PICK HEAD from him and pull him out of the vehicle.

I called on two POLISH SOLDIERS to assist me, they were 13671 Pte A.WARM and 2830 L/Cpl FAMROZ J. both of No 4 Coy 2nd ARMD REGT, POLISH FORCES. At this moment the other soldier in the vehicle moved into the drivers seat and struck at L/Cpl FLETCHER with a PICK SHAFT. L/Cpl FLETCHER caught hold of the PICK SHAFT. and took it away from the soldier who then quickly slammed the door of the truck and drove away. During this time I was struggling with Pte LAPOINTE and eventually managed to get him to the MILITARY POLICE JEEP, but he broke away, L/Cpl FLETCHER and Pte WARM immediately gave chase. They caught him up and he picked up a brick and attempted to throw it at L/Cpl FLETCHER but he was overpowered and eventually put in the Jeep.

I then convoyed him to the TOWN GUARD ROOM where he was handed over to the NCO i/c to be detained [redacted]. The soldier refused to give his number, rank or name so the above were taken from the Identity Discs he was wearing, he did verbally give me the above regimental particulars. The above mentioned AFB 412 and Work Ticket are attached to this statement. WD 3 Ton DODGE No L 5403794 was stolen from ST VINCENT STRAAT, ANTWERP on the 4 March 1945.

Report by O.C 267 Petrol Depot, RASC

Concerning the pilfering 29 December 1944

At about 1725 hours on 29 Dec 44 I was proceeding along the MONTAIGU-SICHEM rd in company with Lieut G.C.Whitelaw and N° S/7604155 S/Sgt wade, A.H., both of this Unit. The rd in question is a POL Sector operated by this Unit and has two sharp bends with approximately 200 yds between each.

On rounding the first of these bends two army trucks, without superstructures, were found to be blocking the road and facing the general direction of SICHEM. On approaching several men dressed in British battle-dress and hatless were seen to be loading petrol aboard the vehicles from nearby stack.

These men immediately dashed to their vehicles at our approach and made a quick get-away in the direction of MESSELBROECK. Shots were fired as a warning but the vehicles continues to MESSELBROECK turning off and doubling back to the main MONTAIGU-BILLAER rd, where they proceeded towards AERSCHOT. These vehicles were trailed with considerable difficulty, for they maintained a reckless speed and were driven with tail-lights only.

The centre of AERSCHOT was reached and I was on the point of passing both vehicles when the rear one suddenly swung off into a track bounded on one side by the river bank and on the other by the rear of private houses. This vehicle was on observation the whole time and was followed. we drew abreast with it simultaneously with it coming to a halt on the bank overhanging the water's edge.

Of the driver and one other man known to be with him there was no trace, and it was evident that the vehicle had been abandoned whilst in gear and with the engine running. It had therefore travelled some distance under its own power before stalling.

The area was searched but no trace could be found of these men who evidently escaped in the darkness.

The vehicle is Canadian Ford N°CL427330I and documents and A.B.4I2 is blank. The vehicle was placed in charge of a NCO of 81 Coy CMP(TC) who arranged recovery and removal to 2I8 P.w. Camp, AERSCHOT where it now lies with its laod. One Army great-coat with Canadian buttons was found in the cab together with torn letters, matches, cigarettes etc.

The load consisted of 140 4-Gall n/R tins of Pet Spirit, i.e.560 gallons. This load was below the side of the vehicle. The second truck, last seen proceeding towards ANTWERP, had what appeared to be a larger laod plainly seen stacked above the sides of the vehicle.

Inspection of the stack involved disclosed a shortage of 326 tins of Pet Spirit, i.e.I304 gallons.

It is considered that the men were familiar with the POL Sector concerned and its intersecting secondary rds. The initial gateway was very fast and the ensuing reckless driving and the ultimate rapid disappearance of the occupants of the captured vehicle indicate a blatant lawlessness. This does not seem compatible with the usual case of casual pilfering intended for bona-fide military consumption.

" I am H-3584 Pte BUNN, Elmer Gerald. On 22 Apr 45., I went AWL from 13 Bn 2 CBRG and was absent about 18 days when I surrendered to Civil Police at St-Meryon, Cornwall. I was returned to 2 CBRG and escaped again about 17/19 May 44 and was absent until about 9 or 10 Sept 44 when I was apprehended. About the end of Sept 44., I was brought to France and ended up in GHENT. I escaped from 13 Bn about 10 Oct 44. I was picked up in MALINES about the end of October 44 and taken to ANTWERP where I escaped the following day and went to DIEPPE and surrendered to the CMP. I remained in custody at 13 Bn 2 CBRG and escaped again. Early in Dec 44., I escaped from GHENT with "GOULET" and hitch-hiked into BRUSSELS, then to ANTWERP and met SCHELL the next night. A few days later SCHELL and I went to BOOM and stole one Bedford truck filled with jerrycans from a vehicle park. We returned to ANTWERP and later came to BRUSSELS. I estimate there were about one hundred fifty (150) cans in the truck. We sold about ten (10) cans to a civilian. In a couple of days SCHELL and I took two girls ROSA and PAULA to LILLE where we sold about twenty (20) cans of petrol. A few days later SCHELL and I took a civilian named "HARRY" to PARIS in the truck and sold the remainder of our petrol (about one hundred '100' cans) there. The civilian bought a large amount of Silk, perfume etc for himself and about one hundred thousand 100.000 Francs worth for us. This was all brought back in the truck to BRUSSELS and unloaded it into a house on Rue Marie Christine. Schell and I made about three trips to DIEST and came back with petrol. About this time I was apprehended by Cdn Provost and placed in Prince Albert Barracks, and escaped the next day. At this time I was in possession of a pistol and a knife. SCHELL and I went to BOOM in the Bedford truck and stole a Dodge and proceeded to ANTWERP, picked up JIMMIE WORONUIK and returned to BRUSSELS. We returned to ANTWERP several days later and back to BRUSSELS. DAVE and I came back and SCHELL turned up with a Bedford truck full of meat. We sold the meat and I got about twenty thousand 20.000 Francs for my share. We ditched one Bedford truck. SCHELL and I made numerous trips to DIEST and stole petrol and sold it in BRUSSELS. We were chased out of the Dump about this time by the Guard and had to ditch our trucks. We went to 173 Vehicle Park on several occasions and drove trucks out of the lines. To my knowledge there were two trucks loaded with four Harley Davidson motor cycles each. I did not have anything to do with selling the motor cycles. On 22 Dec 44., I was apprehended by Cdn Provost and booked into the CMP Guard Room as D-125409 PTE CARON, P presenting a pay-book I had purchased from a Guard in GHENT.

H-3584 PTE BUNN, E.G. (Continued)

I escaped again on 23 Dec 44., We made several more trips to DIEST. I was picked up on 13 Jan 45 and sent to GHENT the following day. I escaped again on 7 Feb 45 and returned to BRUSSELS. DAVE and I borrowed JIMMIE's truck (Dodge) and went to AYRESHOT for petrol and sold it. There was about one hundred eighty 180 cans on this load. We had a brush with Provost again and I was wounded in the leg. The next day we went to ANTWERP. We got about three loads of petrol from AYRESHOT and sold it in ANTWERP. On 7 Mar 45 DAVE and I were checked by CMP's in ANTWERP and DAVIE was apprehended. I drove the truck away and it was picked up by US Military Police the same night. At the time we were checked we had a work ticket which I had signed as "Capt BUNN". On 13 Apr 45 I surrendered in GHENT."

I am H 3584 Pte Burn. Elmer Gerald.

On 22 Apl 44 I went AWL from 13 Btn 2CBRG and was absent about 18 days when I surrendered to Civil Police at St Meryon, Cornwall. I was returned to 2CBRG and escaped again about 17-19 May 44 and was absent until about 9 to 10 Sept when I was apprehended. About the end of Sept 44 I was brought to France and ended up in Ghent. I escaped from 13 Btn about 10 Oct 44. I was picked up in Malines about the end of October 44 and taken to Antwerp where I escaped the following day, and went to Duppe and surrendered to the CMP. I remained in custody at 13 Btn 2CBRG and escaped again

12

About the first of Dec 44 I escaped from Ghent with "Sergt" "Garnet" and one other chap and hitch-hiked into Brussels. I changed

MY

my friend ~~[illegible]~~ at the Cafe Brighty and Schee & I went to Lunain with two Americans in a jeep. Schee & I went to Antwerp the following day.

Early in Dec 44 I escaped from Ghent with Jouet and later looked out Brussels this to Antwerp and met Schee the next night. A few days later Schee & I went to Boom and stole 1 Bedford truck filled with jerycans from a vehicle park. We returned to Antwerp and later came to Brussels I estimate there were about 150 cans in the truck. We sold about 10 cans to a civilian In a couple of days Schee & I took two girls Rosa & Rosa to Lille where we sold about 70 cans of petrol. A few days later Schee & I took a civilian named "HARRY" to Paris in the truck and sold the remainder of our petrol (about 60) cans there. The civilian bought a large amount of silk, perfume etc for himself and about 10 cans of petrol worth for us. This was all brought back in the truck to Brussels and unloaded it into a house on Rue Max Colinatine. Schee & I made about 3 trips to Lunat and came back with petrol

About this time I was apprehended by Gen Pol. and placed in Petit Bois & escaped the next day. At this time I was in possession of a pistol & a knife. Schee & I went to Boom in the ~~Dodge~~ Bedford truck and stole a dodge & proceeded to Antwerp, picked up Jimmie Warnick and returned to Brussels. We returned to Antwerp several days later and back to Brussels. Dave & I came back & Schee turned up with a Bedford truck full of meat. He sold the meat and I got a hunt 20 cos 7 for my share. We detached one Bedford truck Schee & I made numerous trips to Lunat and stole petrol & sold it in Brussels. We were chased out of the dump about this time by the guard and had to detach our trucks. We went to 173 Vet park on several occasions and drove trucks out of the line. To my knowledge there were two trucks loaded with 4 HD w/c each. I did not have anything to do with selling the w/c.

On 22 Dec I was apprehended by Gen Pol. and charged with the Cont guard were

0125409 Pte Carson P. presenting a pay book I had purchased from a guard in Ghent. I escaped again on 23 Dec. We made several more trips to Ghent.

I was picked up on 13 Jany 45 and sent to Ghent the following day. I escaped again on 7 July 45 and returned to Brussels.

Dave & I borrowed Jimmie Kuck (Dodge) and went to Hynestot for petrol & sold it. There was about 180 cans on this load. We had a bust with Pro again & I was wounded in the leg. The next day we went to Antwerp. We got about 3 loads of Petrol from Hynstot & sold it in Antwerp. On 7 March Dave & I were checked by cops in Antwerp and Dave was apprehended. I drove the truck away and it was picked up by US mil police the same night. At the time we were checked we had a truck ticket which I had signed as "Capt Burn".

On 13th Apl 45 I surrendered in Ghent.

Additional Evidence taken by Court on Plea of Guilty - RP 37(B) to supplement deficiency in the summary of evidence.

H.19018 Cpl Bemebt GHV - 2 Cdn L of C Pro Coy having been duly sworn states:

On evening of 12/13 Jan 45 in response to a phone call to 183 Rue de Laeken, Brussels, I went to IM LEMBEKE Cafe in LAEKEN, Brussels and arrested Ptes Bunn, Schell, Woronuik on the street. I recognize the accused as Pte Bunn. Went to Coy Guard Rm. Returned to the district and arrested Ptes Toneff and Mackenzie in AU BON COIN Cafe. Parked in front of the cafe was WD lorry CL 4273364 - 60 cwt Ford. On it were 30-odd cans of petrol.

No crossexamination.

RP 83(B) complied with.

E.3 Plea in Mitigation

The accused enlisted in 1939 at age of 19. For some considerable time his conduct was very good and until he arrived on the continent there were only 2 crimes of a serious nature. Shortly after his arrival in E.T.O. he started on a system of behaviour that brings him before thisc ourt today. Whether he was led on by bad friends or whether it was the spirit of misadventure he apparently had no regard for the seriousness of the offences committed. His statement says he surrendered himself. The evidence is that he was apprehended. He now realizes the seriousness of his acts. I feel that since he surrendered himself he should be shown leniency. Also that a light sentence will keep him out of trouble and away from evil friends.

"On 4 Dec 44 I was in ANTWERP. PAUL BUNN and GEORGE SCHELL came into a pub and said come with us to BRUSSELS: thers a lot of money up there. At that time I did not have any money. PAUL and GEORGE had one Bedord and one Dodge truck outside. We drove to BRUSSELS. I rode with PAUL in the Bedford and GEORGE SCHELL and DAVIE came into BRUSSELS on 5 Dec 44 with a Dodge truck and about 100 (one hundred) jerrycans of Petrol. PAUL gave me 1000 francs after they had sold the petrol. That night in a crap game I won all the money (about 9000/10000 francs) that DAVE had and quite a bit from GEORGE and PAUL. About 6 Dec 44 B MN and I went to DIEST in the Bedford and brought about (75) seventy five jerrycans of petrol back. We sold some of the petrol at 200 francs a can and GEORGE, PAUL, DAVE and I went to ANTWERP in the Dodge truck. I visited my girl and on my return to the spot where I was supposed to meet the boys there was an argument about who would ride in the jeep. GEORGE and I rode back in the Dodge, the rest in the jeep. DAVE and PAUL were to come into BRUSSELS in the jeep. GEORGE and I arrived in Brussels about 1900 hrs. I left GEORGE in a cafe drunk and went out and met MARY. I said if you stay with me I'll give you 1000 francs and did. We went to a show and she stayed with me in the hotel on Emile Jacqumain. The next morning I met JACKIE TONEFF and his girl friend LUCIENNE. I met GEORGE a couple of days later in LAEKEN at 54 Moorslade. He had a Bedford truck full of meat. He said come with me and we'll sell the meat. There is a civilian by the name of HARRY who is our fence. We sold 26000 francs worth of meat to HARRY. PAUL and DAVE were in the gargge when we came back and said HARRY wants a beg of meat. DAVE took a bag of meat to HARRY's Cafe and sdd it and asked if we had any more. GEORGE said we had and sold the remainder to HARRY the next day. GEORGE gave me 6000 francs for unloading. GEORGE, PAUL, DAVIE and I went down town in two trucks and got into an argument in a cafe, we split and GEORGE and I went down the street a couple of blocks. GEORGE started an argument with a lady and when I tried to stop it he told me to "Fuck off and dont get near that truck or I'll smash you with the crank". GEORGE lost his truck that night (Dodge). I stayed with MARY that night. TONEFF asked me if I had found LAEKEN, and said that he was going with me. We went to LAEKEN and I introduced TONEFF to GEORGE, the boss. He told TONEFF he could come in if he had a truck. We went to BOOM and got a Dodge truck. We came back and put the truck in the garage at 54 Moorslade. This was about 20 Dec 44 both the Bedford

and Dodge trucks went to DIEST. TONEFF and I in the Do ge. GEORGE and PAUL in the Bedford. We got about (50) fifty cans each loaded and returned. DAVE was in an American jee and got caught. GEORGE and PAUL took ROSA and PAULA to LILLE in my Dodge. GEORGE paid TONEFF and I for (50) fifty cans of petrol to take to LILLE. They came back about two days later daying the truck had been picked up by CMP. In the meantime Toneff and I went to Diest and got about (70) seventy cans of petrol in the Beford, which we sdd to our fence. About two days later we took a 31 tram to a Vehicle Park and Toneff started a Ford 60 Cwt and drove it out. A CMP waved us down at the Arch but we went on. He followed us and we ditched the truci. The next day Toneff, Paul George and I returned to the Vehicle Park and got one used Dodge truck - Paul and Toneff got this one and George got a Ford with (4) Harley Davidson motor cycles in it. We all went back to the Garage. Dave was at the arage with a truck too. We unloaded the motor cycles and each one claimed a motor cycle but George s aid they were all his. We tried to sell the motor cycles but couldn't. We took two Trucks Dodge and Bedford and went to Diest and got about (150) one hundred fifty tins of white petrol. We sold about (48000) forty eight thousand francs worth to the garage owners. The grey haired fellow bought this but couldn't pay for all of it. Paul and George collected this money when we were picked up. Toneff and I came back to spend the night with the girls. The next day Toneff went to the garage to see George and Paul, and came back with them and Dave. We all got drunk, and stayed all night. The next day we all went back to Laeken and laid around. We got quite drunk and I stayed in the Hotel Bruckere on Emile Jacqumain all night. I was apprehended the next morning by Sgts Matheson and Poulin - 22 Dec 44. I had about three (3) to five thousand (5000) francs on me and was searched in front of the Sergeant Major, and sent into the small room. I and TONEFF and Paul were all ~~xxxx

Paul and Davie went down to Rosa and Pola on the motor cycle. Dave told me that they had ditched three trucks. The Dodge was in a private garage, the Ford and Bedford were driven out of town and ditched. Jackie and I could not find the garage to get our truck. Jackie and I and McKenzie went to the Vehicle Park and drove back an Ford truck. Paul and George went to the private garage and brought their Dodge back. Between Christmas and New Years, McKenzie, Toneff and I went in one truck, Paul, Dave in the other one to Diest and started loading four gallon tins. The patrol car came down. McKenzie ran to the front truck and pulled away with Paul and Dave. Jackie Toneff started away with my truck I heard a shot fired and I jumped in the ditch. The patrol car followed and Toneff ditched his truck and went back to Brussels by tram. The other load had been sad and I did not get any split on it. A couple of days later 31 Dec 44 Jackie and I went to Diest and got (16000) sixteen thousand francs worth of petrol. In the garage was a 15 cwt that George brought back with him. A couple of days later we sold the petrol and split two ways. A couple of days later about 5 Jan 45 Jackie and McKenzie took the 15 cwt and got a load of petrol. The next night Jackie wanted to go to Diest again but George would not let him use the truck. George and Davie went and on the way back the truck broke down. The following night, Jackie, McKenzie and I and George and Paul went to Diest again and got about 200 tins in each truck. We did not sell this whole load. There were about 38 cans on it when Jackie was picked up. The truck was also taken by Provost. Paul and George also loaded what was on the 15 cwt on their trucks. About 10 Jan 45, Paul, George and Dave went to Diest and got a large load. They had trouble selling this load and it was still in the harage when we three were picked up on 13 Jan 45. Just before this I had won about 20000 twenty thousand francs from the other four fellows. I gave about 18000 eighteen thousand to Mary with whom I was staying. I was taken to CBNG and managed to escape out of the hospital and returned to Brussels. Jackie, Lucienne and Mary and I stayed at 16 rue Ketyls for about two days, then got a room in the garage. A couple of days later Jackie and I went down to the vehicle park again and got a Dodge truck. The next day about 1600 hrs we got about 200 two hundred cans of petrol. We sold it and split two ways about 20000 twenty thousand each. McKenzie returned about now. We went (McKenzie, Jackie and I) to Diest again in a day or so and brought back about 235 cans. Sold it to Harry and split three ways. Jackie cleaned McKenzie at cards and I cleaned Jackie at crap. I had about 53000 fifty three thousand francs now. The next day I was quite drunk and Jackie dared me to steal a truck from the park. I did and it was a Dodge. I went to Diest and got two large loads. Sold them. At this time I bought a complete suit of civilian clothes. And went again for two more loads and sold that. Jackie wanted to sell a truck for 50000 fifty thousand so Jackie, McKenzie and I went to the vehicle park and stole a Dodge. We didn't sell it so gave it to Little Jimmie

(McKenzie). Mary said she was pregnant and I left her, took the Dodge and started out of town, I had an accident and damaged the radiator. I parked the truck by the vehicle park and stole a Ford 60 cwt with 4 harley Davidson motor cycles. When I got back to the garage I found Dave. Jackie, Dave, McKenzie and three scotch fellows took two truck and got two loads of Diesel fuel back with them. The following day Dave took the truck and I have not seen it since. Paul and Dave took McKenzie's truck and left the following day. An English fellow brought 4 jeep wheels into the garage for Jackie and wanted 6000 six thousand francs for them. I paid half and McKenzie half."

I have been cautioned that I am not obliged to say anything unless I wish to do so, and whatever I do say will be taken down in writing and may be given in evidence. To show I understand this caution I sign my name.

"On 16 Nov 44 I went absent from my unit (2 CBRG) and came to Brussels. I stayed in Brussels for a couple of weeks, staying with a girl by the name of Lucienne. About 15 Dec I met Jimmie Woronuik who was staying with Marie in Hotel Bruckere Blvd Emil Jacqmain. He talked me into staying with the gang. I met Paul Bunn, Davie Davis, George Schell and Jimmie McKenzie about 21 Dec 44. The boys all gave me some money to carry me over.

About 20 Dec 44 I went to Boom and stole a Dodge truck from a vehicle park. The next day Bunn and Schell took the truck to Lille with Pola and Rosa to bring back black market goods. They were away a couple of days. On their return to Brussels they said the CMP's got the truck in Lille. On 22 Dec 44 I was apprehended by Sgt Matheson and Sgt Poulin. At 183 rue de Laeken I was searched and during this time I gave Sgt Poulin about 5000 fr to give to Lucienne. Paul Bunn and Woronuik also gave him money including three £ 1.0.0 notes. All together he received about 12000 frs. He never gave this money to the girls.

I was admitted to Prince Albert Barracks and escaped from there by going down blankets the following evening 23 Dec 44.

I went back to Laeken to 'Cafe au Bon Coin'. The next night, 24 Dec 44, at about 2200 hrs Bunn and McKenzie arrived.

About 25 Dec 44, Woronuik, Schell and Bunn went with me on the tram to 3 Park 17 RVP and stole two 60 cwt Fords. That night Bunn, Davis, Woronuik and McKenzie and I went to Diest and started to load 4 gal tins of white petrol in the trucks. We were about half loaded when the guards arrived and chased us. I ditched my truck about 4 km this side of Diest on No 250 Highway. The other truck was ditched also. We all came back to Brussels. About 27 Dec 44 Woronuik and I went out to 17 RVP by tram and stole a 60 cwt Ford truck. That night we (Woronuik and I) went to Diest and loaded up about 75 jerry-cans of petrol, which we sold in Brussels to two civilian fences. 1000 litres to one and 500 to another.

George Schell went to Antwerp shortly afterwards and came back with a 15 cwt. This broke down a couple of days

later on the road from Diest loaded with petrol. Just after New Years Schell and I made another trip to Diest and returned with about 200 jerry-cans of petrol which we sold to the same three fences (civilians). We used two trucks this trip. Woronuik travelled with me and Paul Bunn was with Schell.

About 10 or 11 Jan 45, Schell and I made a trip to Diest with two trucks and got about 100 cans of petrol. On the morning of 13 Jan 45 Schell and I were at the Cafe au Bon Coin when we were apprehended by Cpl Bement. Outside of the cafe my Ford 60 cwt was partially loaded with petrol.

I was sent to Ghent and bought my way out by paying one of the guards a wrist watch (German), Gold case, water-proof. He had one red service stripe and wore an infantry cap badge. This was Sunday afternoon. The guard gave me my paybook and possessions. We went to the hospital and Woronuik and I walled out.

Woronuik and I came back to Brussels by road and tram. Woronuik and I went to 17 RVP about 17 Jan 45 and stole one Dodge 60 cwt. A couple of days later, Woronuik and I went to Diest and got about 100 cans of petrol. McKenzie returned about 1 Feb 45. About this time Woronuik stole a Dodge truck. We - Woronuik McKenzie and myself - went to Diest and got two full loads - about 350 cans of petrol.

About 3 or 4 Feb 45 I went to 17 RVP and stole a Dodge truck for McKenzie. Dave came back about this time and Woronuik went out with his Dodge for a load. We came back with a Ford 60 cwt and 4 Harley Davidson motorcycles.

McKenzie, Dave and I and three English soldiers went to Diest and got two loads of Diesel fuel. This was about 7 or 8 Feb 45. We used to park our trucks in No 54 rue Moorslade. The owners were under the impression we were legitimate. I never sold any petrol to them.

"After I broke out of my unit guard-room I went to Antwerp the same night. This was the 10th of October 1944 I think. I syayed around Antwerp until just before Christmas when I met George. I don't know his other name. Then we came to Brussels. While in Antwerp I stayed in various English camps, always telling them I was just passhg through. I was making money by changing guilders for civilians. When George and I came to Brussels we met two other fellows Big Jimmie and Paul. We didn't have any money so Big George had a truck so we all went out to Diest to a petrol dump where we got a load of petrol. We sold the petrol to some connections which George had in Brussels. We stayed in Brussels drinking and playing around. Then one night the Provost raided where we were staying and picked up everyone but me, as I happened to be away at the time. However, the next day they came cruising along and caught me and put me in the guard-room in Brussels, from there they sent me to Ghent. When the Provost were arresting me, I rank down the street and the two Provost cornered me in this big yard. I had a little automatic a .22 cal I think and I pulled it out. I hollared that I was coming through. The sgt yanked out his pistol and hollared "Throw that gun down or I'll shoot" or something like that. When I jumped the Sgt and the other Provost took his pistol out and wacked me over the head. We had quite a battle there and I don't remember much about it. They hit me three or four times and put the cuffs on me. From Ghent I was taken to No 1 Disciplinary Centre and after a short while I cut my way out with a pair of wire cutters I got hold of. After escaping I hitch hiked back to Laeken Brussels. Here I met Big Jimmie, Jackie, and Little Jimmie. That same night Paul had busted out of jail, I think it was Ghent and the next day I met him. We decided the Provost knew the spot we were staying at so we thought we'd better get out of there. So me and Paul decided to stay with a couple of girls that we knew. When we arrived at the girl's place we saw a Provost standing there with a Sten Gun. He managed to f's on shot in the air before I grabbed it. Paul ran out the gate and then I did too. The Provost dropped the Sten gun and pulled out his pistol. I immediately started running across the Blvd, and I guess the Provost fired all his shots at us because he hit Paul in he leg. I didn't know he was hit at the time because he was still running. We got over a fence in a railway yard and Paul passed out. I applied a tourniquet and dug the bullet out, it was only about 3/4" in. Then I carried him over to a shed near a factory. After a rest we both

walked out of the yard. Paul was able to hobble along. We went to a house and said that there had been an accident. I cleaned his wound and bandaged it. We slept in another place al night. His leg was swollen pretty bad the next day so I took him to some friends of his where he could stay. I left him there and went back to Antwerp. I stayed in Antwerp until they caught me again. It was English MP's and some Polish fellows that took me there. I was pretty drunk and don't remember very much about it. I was sitting in my truck a Dodge when arrested. I stopped when I seen these MP's come over, I jumped out and started to do battle with them. The next thing I knew I was in the clink. I gave the name of Bapointe when arrested this time. I was sent back to Ghent and from there to No 1 Fd Punishment. When I arrived back there the MO recognized me so I told them my real name and said I was the one who had escaped. They kept me there until I was brought here now.

"Early in December I was in Antwerp and met Jimmie and Paul. We had a few drinks and later in the day I met Dave. I asked him if he would like to come to Brussels as things were OK there. We stayed overnight and came to Brussels in a Dodge Truck that I had picked up in Boom. We met Jimmie and Paul at 54 Moorslade. We needed some money so Dave and I went to Diest and got a small load of about (50) fifty tins of petrol and came back to Brussels. Harry (the tall one) helped us sell the petrol. About (2) two days later Paul, Jimmie and I went to Antwerp and returned the same evening. Dave and Paul came back in a jeep. Jimmie and I went down town and I lost my truck. About three (3) days after this (Dec 10) I saw a Bedford truck in the garage and Paul, Dave and I went to Antwerp stayed overnight and I got drunk and ws left there when Paul and Dave returned to Brussels. I looked around for a truck and saw one sitting on the street near the Rations Stores. The motor was running in this Bedford truck so I got in and drove it away. On arriving at Brussels I drove it in the garage at 54 rue Moorslade. The next day I found about thirty (30) to forty (40) bags of meat in the back of the truck. I sold some of the meat through Harry and had Jimmie help me unload it. I parked the truck in the garage overnight and the following night I drove own town again and lost the truck with he remaineder of the meat. Four of us made a trip to Diest in the Bedford and Dodge trucks and gt about fifty (50) cans of petrol in the Bedford. We were afraid the patrol was coming so left. This petrol was sold through Harry also. About a week later Jackie, Jimmie, Paul, and I went to 173 RVP by tram and I drove away a Ford truck that had four (4) Harley motor cycles in the back. The bikes were un,loaded in the garage and the four of us each had one. We left the Bedford truck on the streest as we didn't want it any more. This left us with two (2) Ford trucks. We made another trip to Diest and got more petrol which we sold. About 23 Dec 44 Dave and I went to Antwerp by motor cycle and I was picked up by Provost on 25 Dec 44. I was taken to Ghent and back to my unit at Turnhout. About three (3) days later I took a 15 cwt Ford from 8 General Hospital and came back to Brussels. STATEMENT OF EVIDENCE IN THE CASE OF

D.127524 PTE F LA POINTE
No 1 PLATOON
SOUTH SASKATCHEWAN REGT

SIR,

At Antwerp on the 7 March 1945 about 1845 hrs I was on duty in Veemart in company with L/Cpl Flethher CM Police when I saw WD 3 ton Dodge No L 5403794 parked in the square. Knowing this vehicle was reported stolen on the 4 March 1945 I approached it and saw the above named soldier sitting in the drivers seat, another soldier was also in the passengers seat.

As Pte LaPointe was wearing a S.D. Cap I asked him what unit he belonged to, and he replied "Signals". I then asked him for his Pay Book, but this he could not produce, instead he handd me the AB 412 for the above vehicle and said "My Work Ticket is in there". I examined his and found it was made out by No.5 Railway Telegraph Coy R.C.S. and the last two entries made out for the 5th and 6th March 1945 (this was after it had been stolen) were for journeys from Keppelellen Bosch to Antwerp; Column 7 of the AFG.3518 had the signature of Capt Bunn. He smelled strongly of alcohol and his dpeach was slurred, he was drunk so I arrested him, and ordered him and the passenger to get out of the vehicle. Pte LaPointe immediately picked up a pick axe head that was lying between his legs and struck me with it, I covered my head with my hands and thae took the blow. I struggled with him and managed to wrench the pick head from him and pull him out of the vehicle.

I called on two Polish soldiers to assist me, they were 13671 Pte A Warm and 2830 L/Cpl Famroz J. both of No 4 Coy 2nd Armd Regt, Polish Forces. At this moment the other soldier in the vehicle moved into the drivers seat and struck at L/Cpl Fletcher with a pick shaft. L/Cpl Fletcher caught hold of the pick shaft and took it away from the woldier who then quickly slammed the dor of the truck and drove away. During this time I was struggling with Pte LaPointe and eventually managed to get him to the Military Police jeep, but he broke away, L/Cpl Fletcher and Pte Warm immediately gave chase. They caught him up and he picked up a brick and attempted to throw it at L/Cpl Fletcher but he was overpowered and eventually put in the jeep.

I then convoyed him to the Town Guard Room where he was handed over to the NCO i/c to be detained. The soldier refused to give his number, rank or name so the above were taken from the Identity Discs he was wearing, he did verbally give me the above regimental particulars. The above mentioned AFB 412 and Work Ticket are attached to this statement, WD 3 Ton Dodge No L 5403794 was stolen from ST Vincent Straat, Antwerp on the 4 March 1945.

Report by OC 267 Petrol Depot RASC

Concerning the pilfering 29 December 1944

At about 1725 hours on 29 Dec 44 I was proceeding along the Montaigu-Sichem rd in company with Lieut C.C. Whitelaw and No S/7604155 S/Sgt Wade, AH, both of this Unit. The rd in question is a POL Sector operated by this Unit and has two sharp bends with approximately 200 yds between each.

On rounding the first of these bends two any trucks, without superstructures, were found to be blocking the road and facing the general direction of Sichem. On approaching several men dressed in British battle-dress and hatless were seen to be loading petrol aboard the vehicles from nearby stack.

These men immediately dashed to their vehicles at our approach and made a quick get-away in the direction of Messelbroeck. Shots were fired as a warningbut he vehicles continued to Messelbroeck turning off and doubling back to the main Montaigu-Billaer rd, where they proceeded towards Aerschot. These vehicles were trailed with considerable dfficulty, for they maintained a reckless speed and were driven with tail-lights only.

The centre of Aerschot was reached and I was on the point of passing both vehicles when the rear one suddenly swung off into a track bounded on one side by the river back and on the other by the rear of private houses. This vehicle was under abservation the whole time and ws followed. We drew abreast with it simultaneously with it coming to a halt on the bank overhanging the water's edge.

Of the driver and one other man known tobe with him there was no trace, and it was evident that the vehicle had been abandoned whilst in gear and with the engine running. It had therefore travelled sme distance under its own power before stalling.

The area was searched but no trace could be found of these men who evdently escaped in the darkness.

The vehicle is Canadan Ford No CL 4273301 and documents and AB 412 is blank. The vehicle was placed in charge of a NCO of 81 Coy CMP(TC) who arranged recovery and removal to 218 PW Camp, Aerschot where it nowlies with its load. One Army great-coat with Canadian buttons was found in the cab together with town letters, matches, cigarettes etc.

The load consisted of 140 4-gall n/R tins of Pet Spirit, i.e. 560 gallons. This load was below the side of the vehicle. The second truck, last seen proceeding towards Antwerp, had what appeared to be a larger load plainly seen stacked above he sides of the vehicle.

Inspection of the stack involved disclosed a shortage of 326 tins of Pet Spirit, i.e. 1304 gallons.

It is considered that the men were familiar with the POL Sector concerned and its intersecting secondary rds. The initial gateway was very fast and the ensuing reckless driving and the ultimate rapid disappearance of the occupants of the caputred vehicle indicate a blatant lawlessness. This does not seem compatable with the usual case of casual pilfering intended for bona-fide military consumption.

"I am H.3584 Pte Bunn, Elmer Gerald. On 22 Apr 44, I went AWL from 13 Bn 2 CBRG and was absent about 18 days when I surrendered to Civil Police at St-Meryon, Cornwall. I was returned to 2 CBRG and escaped again about 17/19 May 44 and was absent until about 9 or 10 Sept 44 when I was apprehended. About the end of Sept 44, I was brought to France and ended up in Ghent. I escaped from the end of October 44 and taken to Antwerp where I escaped 13 Bn about 10 Oct 44. I was picked up in Malines about the following day and went to Dieppe and surrendered to the CMP. I remained in custody at 13 Bn 2 CBRG and escaped again. Early in Dec 44, I escaped from Ghent with "Goulet" and hitch-hiked into Brussels, then to Antwerp and met Schell the next night. A few days later Schell and I went to Boom and stole one Bedford truck filled with jerrycans from a vehicle park. We returned to Antwerp and later came to Brussels. I estimate there were about one hundred fifty (150) cans in the truck. We sold about ten (10) cans to a civilian. In a couple of days Schell and I took two girls Rosa and Paula to Lille where we sold about twenty (20) cans of petrol. A few days later Schell and I took a civilian named "Harry" to Paris in the truck and sold the remainder of our petrol (about one hundred '100' cans) there. The civilian bought a large amount of silm, perfume etc for himself and about one hundred thousand 100.000 francs worth for us. This was all brought back in the truck to Brussels and unloaded it into a house on Rue Marie Christine. Schell and I made about three trips to Diest and came back with petrol. About this time I was apprehended by Cdn Provost and placed in Prince Albert Barracks, and escaped the next day. At this time I was in possession of a pistol and a knife. Schell and I went to Boom in the Bedford truck and stole a Dodge and proceeded to Antwerp, picked up Jimmie Woronuik and returned to Brussels. We returned to Antwerp several days later and back to Brussels. Dave and I came back and Schell turned up with a Bedford truck full of meat. We sold the meat and I got about twenty thousand 20.000 francs for my share. We ditched one Bedord truck. Schell and I made numerous trips to Diest and stole petrol and sold it in Brussels. We were chased out of the Dump about this time by the Guard and had to ditch our trucks. We went to 173 Vehicle Park on several occasions and drove trucks out of the lines. To my knowledge there were two trucks loaded with four Harley Davidson motor cycles each. I did not have anything to do with selling the motor cycles. On 22 Dec 44, I was apprehended by Cdn Provost and booked into the CMP Guard Room as D.125409 Pte Caron, P presenting a pay-book I had purchased from a Guard in Ghent.

We had a brush with Provost again and I was wounded in the leg. The next day we went to Antwerp. We got about three loads of petrol from Ayreshot and sold it in Antwerp. On evening of 12/13 Jan 45 in response to a phone call to 183 Rue de Laeken, Brussels, I went to IM LEMBEKE Cafe in LAEKEN, Brussels and arrested Ptes Bunn, Schell, Woronuik on the street. I recognize the accused as Pte Bunn. Went to Coy Guard Rm. Returned to the district and arrested Ptes Toneff and Mackenzie in AU BON COIN Cafe. Parked in front of the cafe was WD lorry CL 4273364 - 60 cwt Ford. On it were 30-odd cans of petrol.

No crossexamination.

RP 83(B) complied with.

E.3 Plea in Mitigation

The accused enlisted in 1939 at age of 19. For some considerable time his conduct was very good and until he arrived on the continent there were only 2 crimes of a serious nature. Shortly after his arrival in E.T.O. he started on a system of behaviour that brings him before thisc ourt today. Whether he was led on by bad friends or whether it was the spirit of misadventure he apparently had no regard for the seriousness of the offences committed. His statement says he surrendered himself. The evidence is that he was apprehended. He now realizes the seriousness of his acts. I feel that since he surrendered himself he should be shown leniency. Also that a light sentence will keep him out of trouble and away from evil friends.

I have been cautioned that I am not obliged to say anything unless I wish to do so and whatever I do say will be taken down in writing and may be given in evidence. To show that I understand this caution I sign my name.

Sgd/ M WORONUIK.

"On 4 Dec 44 I was in ANTWERP. PAUL BUNN and GEORGE SCHELL came into a pub and said come with us to BRUSSELS: thers a lot of money up there. At that time I did not have any money. PAUL and GEORGE had one Bedord and one Dodge truck outside. We drove to BRUSSELS. I rode with PAUL in the Bedford and GEORGE SCHELL and DAVIE came into BRUSSELS on 5 Dec 44 with a Dodge truck and about 100M (one hundred) jerrycans of Petrol. PAUL gave me 1000 francs after they had sold the petrol. That night in a crap game I won all the money (about 9000/10000 francs) that DAVE had and quite a bit from GEORGE and PAUL. About 6 Dec 44 B NN and I went to DIEST in the Bedford and brought about (75) seventy five jerrycans of petrol back. We sold some of the petrol at 200 francs a can and GEORGE, PAUL, DAVE and I went to ANTWERP in the Dodge truck. I visited my girl and on my return to the spot where I was supposed to meet the boys there was an argument about who would ride in the jeep. GEORGE and I rode back in the Dodge, the rest in the jeep. DAVE and PAUL were to come into BRUSSELS in the jeep. GEORGE and I arrived in Brussels about 1900 hrs. I left GEORGE in a cafe drunk and went out and met MARY. I said if you stay with me I'll give you 1000 francs and did. We went to a show and she stayed with me in the hotel on Emile Jacqumain. The next morning I met JACKIE TONEFF and his girl friend LUCIENNE. I met GEORGE a couple of days later in LAEKEN at 54 Moorslade. He had a Bedford truck full of meat. He said come with me and we'll sell the meat. There is a civilian by the name of HARRY who is our fence. We sold 26000 francs worth of meat to HARRY. PAUL and DAVE were in the gargge when we came back and said HARRY wants a beg of meat. DAVE took a bag of meat to HARRY's Cafe and sold it and asked if he had any more. GEORGE said we had and sold the remainder to HARRY the next day. GEORGE gave me 6000 francs for unloading. GEORGE, PAUL, DAVIE and I went down town in two trucks and got into an argument in a cafe, we split and GEORGE and I went down the street a couple of blocks. GEORGE started an argument with a lady and when I tried to stop it he told me to "Fuck off and dont get near that truck or I'll smash you with the crank". GEORGE lost his truck that night (Dodge). I stayed with MARY that night. TONEFF asked me if I had found LAEKEN, and said that he was going with me. We went to LAEKEN and I introduced TONEFF to GEORGE, the boss. He told TONEFF he could come in if he had a truck. We went to BOOM and got a Dodge truck. We came back and put the truck in the garage at 54 Moorslade. This was about 20 Dec 44 both the Bedford

and Dodge trucks went to DIEST. TONEFF and I in the Do ge. GEORGE and PAUL in the Bedford. We got about (50) fifty cans each loaded and returned. DAVE was in an American jeep and got caught. GEORGE and PAUL took ROSA and PAULA to LILLE in my Dodge. GEORGE paid TONEFF and I for (50) fifty cans of petrol to take to LILLE. They came back about two days later daying the truck had been picked up by CMP. In the meantime Toneff and I went to Diest and got about (70) seventy cans of petrol in the Beford, which we sdd to our fence. About two days later we took a 31 tram to a Vehicle Park and Toneff started a Ford 60 Cwt and drove it out. A CMP waved us down at the Arch but we went on. He followed us and we ditched the truci. The next day Toneff, Paul George and I returned to the Vehicle Park and got one used Dodge truck - Paul and Toneff got this one and George got a Ford with (4) Harley Davidson motor cycles in it. We all went back to the Garage. Dave was at the garage with a truck too. We unloaded the motor cycles and each one claimed a motor cycle but George s aid they were all his. We tried to sell the motor cycles but couldn't. We took two Trucks Dodge and Bedford and went to Diest and got about (150) one hundred fifty tins of white petrol. We sold about (48000) forty eight thousand francs worth to the garage owners. The grey haired fellow bought this but couldn't pay for all of it. Paul and George collected this money when we were picked up.Toneff and I came back to spend the night with the girls. The next day Toneff went to the garage to see George and Paul, and came back with them and Dave. We all got drunk, and stayed all night. The next day we all went back to Laeken and laid around. We got quite drunk and I stayed in the Hotel Bruckere on Emile Jacqumain all night. I was apprehended the next morning by Sgts Matheson and Poulin - 22 Dec 44. I had about three (3) to five thousand (5000) francs on me and was searched in front of the Sergeant Major, and sent into the small room. I and TONEFF and Paul were all ~~xxxx

Paul and Davie went down to Rosa and Pola on the motor cycle. Dave told me that they had ditched three trucks. The Dodge was in a private garage, the Ford and Bedford were driven out of town and ditched. Jackie and I could not find the garage to get our truck. Jackie and I and McKenzie went to the Vehicle Park and drove back an Ford truck. Paul and George went to the private garage and brought their Dodge back. Between Christmas and New Years, McKenzie, Toneff and I went in one truck, Paul, Dave in the other one to Diest and started loading four gallon tins. The patrol car came down. McKenzie ran to the front truck and pulled away with Paul and Dave. Jackie Toneff started away with my truck I heard a shot fired and I jumped in the ditch. The patrol car followed and Toneff ditched his truck and went back to Brussels by tram. The other load had been sad and I did not get any split on it. A couple of days later 31 Dec 44 Jackie and I went to Diest and got (16000) sixteen thousand francs worth of petrol. In the garage was a 15 cwt that George brought back with him. A couple of days later we sold the petrol and split two ways. A couple of days later about 5 Jan 45 Jackie and McKenzie took the 15 cwt and got a load of petrol. The next night Jackie wanted to go to Diest again but George would not let him use the truck. George and Davie went and on the way back the truck broke down. The following night, Jackie, McKenzie and I and George and Paul went to Diest again and got about 200 tins in each truck. We did not sell this whole load. There were about 38 cans on it when Jackie was picked up. The truck was also taken by Provost. Paul and George also loaded what was on the 15 cwt on their trucks. About 10 Jan 45, Paul, George and Dave went to Diest and got a large load. They had trouble selling this load and it was still in the harage when we three were picked up on 13 Jan 45. Just before this I had won about 20000 twenty thousand francs from the other four fellows. I gave about 18000 eighteen thousand to Mary with whom I was staying. I was taken to CBMG and managed to escape out of the hospital and returned to Brussels. Jackie, Lucienne and Mary and I stayed at 16 rue Ketyls for about two days, then got a room in the garage. A couple of days later Jackie and I went down to the vehicle park again and got a Dodge truck. The next day about 1600 hrs we got about 200 two hundred cans of petrol. We sold it and split two ways about 20000 twenty thousand each. McKenzie returned about now. We went (McKenzie, Jackie and I) to Diest again in a day or so and brought back about 235 cans. Sold it to Harry and split three ways. Jackie cleaned McKenzie at cards and I cleaned Jackie at crap. I had about 53000 fifty three thousand francs now. The next day I was quite drunk and Jackie dared me to steal a truck from the park. I did and it was a Dodge. I went to Diest and got two large loads. Sold them. At this time I bought a complete suit of civilian clothes. And went again for two more loads and sold that. Jackie wanted to sell a truck for 50000 fifty thousand so Jackie, McKenzie and I went to the vehicle park and stole a Dodge. We didn't sell it so gave it to Little Jimmie

(McKenzie). Mary said she was pregnant and I left her, took the Dodge and started out of town, I had an accident and damaged the radiator. I parked the truck by the vehicle park and stole a Ford 60 cwt with 4 harley Davidson motor cycles. When I got back to the garage I found Dave. Jackie, Dave, McKenzie and three scotch fellows took two truck and got two loads of Diesel fuel back with them. The following day Dave took the truck and I have not seen it since. Paul and Dave took McKenzie's truck and left the following day. An English fellow brought 4 jeep wheels into the garage for Jackie and wanted 6000 six thousand francs for them. I paid half and McKenzie half."

10 Bn CBRG "CSR"

I have been cautioned that I am not obliged to say anything unless I wish to do so, and whatever I do say will be taken down in writing and may be given in evidence. To show I understand this caution I sign my name.

"On 16 Nov 44 I went absent from my unit (2 CBRG) and came to Brussels. I stayed in Brussels for a couple of weeks, staying with a girl by the name of Lucienne. About 15 Dec I met Jimmie Woronuik who was staying with Marie in Hotel Bruckere Blvd Emil Jacqmain. He talked me into staying with the gang. I met Paul Bunn, Davie Davis, George Schell and Jimmie McKenzie about 21 Dec 44. The boys all gave me some money to carry me over.

About 20 Dec 44 I went to Boom and stole a Dodge truck from a vehicle park. The next day Bunn and Schell took the truck to Lille with Pola and Rosa to bring back black market goods. They were away a couple of days. On their return to Brussels they said the CMP's got the truck in Lille. On 22 Dec 44 I was apprehended by Sgt Matheson and Sgt Poulin. At 183 rue de Laeken I was searched and during this time I gave Sgt Poulin about 5000 fr to give to Lucienne. Paul Bunn and Woronuik also gave him money including three £ 1.0.0 notes. All together he received about 12000 frs. He never gave this money to the girls.

I was admitted to Prince Albert Barracks and escaped from there by going down blankets the following evening 23 Dec 44.

I went back to Laeken to 'Cafe au Bon Coin'. The next night, 24 Dec 44, at about 2200 hrs Bunn and McKenzie arrived.

About 25 Dec 44, Woronuik, Schell and Bunn went with me on the tram to 3 Park 17 RVP and stole two 60 cwt Fords. That night Bunn, Davis, Woronuik and McKenzie and I went to Diest and started to load 4 gal tins of white petrol in the trucks. We were about half loaded when the guards arrived and chased us. I ditched my truck about 4 km this side of Diest on No 250 Highway. The other truck was ditched also. We all came back to Brussels. About 27 Dec 44 Woronuik and I went out to 17 RVP by tram and stole a 60 cwt Ford truck. That night we (Woronuik and I) went to Diest and loaded up about 75 jerry-cans of petrol, which we sold in Brussels to two civilian fences. 1000 litres to one and 500 to another.

George Schell went to Antwerp shortly afterwards and came back with a 15 cwt. This broke down a couple of days

later on the road from Diest loaded with petrol. Just after New Years Schell and I made another trip to Diest and returned with about 200 jerry-cans of petrol which we sold to the same three fences (civilians). We used two trucks this trip. Woronuik travelled with me and Paul Bunn was with Schell.

About 10 or 11 Jan 45, Schell and I made a trip to Diest with two trucks and got about 100 cans of petrol. On the morning of 13 Jan 45 Schell and I were at the Cafe au Bon Coin when we were apprehended by Cpl Bement. Outside of the cafe my Ford 60 cwt was partially loaded with petrol.

I was sent to Ghent and bought my way out by paying one of the guards a wrist watch (German), Gold case, water-proof. He had one red service stripe and wore an infantry cap badge. This was Sunday afternoon. The guard gave me my paybook and possessions. We went to the hospital and Woronuik and I walled out.

Woronuik and I came back to Brussels by road and tram. Woronuik and I went to 17 RVP about 17 Jan 45 and stole one Dodge 60 cwt. A couple of days later, Woronuik and I went to Diest and got about 100 cans of petrol. McKenzie returned about 1 Feb 45. About this time Woronuik stole a Dodge truck. We - Woronuik McKenzie and myself - went to Diest and got two full loads - about 350 cans of petrol.

About 3 or 4 Feb 45 I went to 17 RVP and stole a Dodge truck for McKenzie. Dave came back about this time and Woronuik went out with his Dodge for a load. We came back with a Ford 60 cwt and 4 Harley Davidson motorcycles.

McKenzie, Dave and I and three English soldiers went to Diest and got two loads of Diesel fuel. This was about 7 or 8 Feb 45. We used to park our trucks in No 54 rue Moorslade. The owners were under the impression we were legitimate. I never sold any petrol to them.

"After I broke out of my unit guard-room I went to Antwerp the same night. This was the 10th of October 1944 I think. I syayed around Antwerp until just before Christmas when I met George. I don't know his other name. Then we came to Brussels. While in Antwerp I stayed in various English camps, always telling them I was just passing through. I was making money by changing guilders for civilians. When George and I came to Brussels we met two other fellows Big Jimmie and Paul. We didn't have any money so Big George had a truck so we all went out to Diest to a petrol dump where we got a load of petrol. We sold the petrol to some connections which George had in Brussels. We stayed in Brussels drinking and playing around. Then one night the Provost raided where we were staying and picked up everyone but me, as I happened to be away at the time. However, the next day they came cruising along and caught me and put me in the guard-room in Brussels, from there they sent me to Ghent. When the Provost were arresting me, I rank down the street and the two Provost cornered me in this big yard. I had a little automatic a .22 cal I think and I pulled it out. I hollared that I was coming through. The sgt yanked out his pistol and hollared "Throw that gun down or I'll shoot" or something like that. When I jumped the Sgt and the other Provost took his pistol out and wacked me over the head. We had quite a battle there and I don't remember much about it. They hit me three or four times and put the cuffs on me. From Ghent I was taken to No 1 Disciplinary Centre and after a short while I cut my way out with a pair of wire cutters I got hold of. After escaping I hitch hiked back to Laeken Brussels. Here I met Big Jimmie, Jackie, and Little Jimmie. That same night Paul had busted out of jail, I think it was Ghent and the next day I met him. We decided the Provost knew the spot we were staying at so we thought we'd better get out of there. So me and Paul decided to stay with a couple of girls that we knew. When we arrived at the girl's place we saw a Provost standing there with a Sten Gun. He managed to fire on shot in the air before I grabbed it. Paul ran out the gate and then I did too. The Provost dropped the Sten gun and pulled out his pistol. I immediately started running across the Blvd, and I guess the Provost fired all his shots at us because he hit Paul in he leg. I didn't know he was hit at the time because he was still running. We got over a fence in a railway yard and Paul passed out. I applied a tourniquet and dug the bullet out, it was only about 3/4" in. Then I carried him over to a shed near a factory. After a rest we both

walked out of the yard. Paul was able to hobble along. We went to a house and said that there had been an accident. I cleaned his wound and bandaged it. We slept in another place al night. His leg was swollen pretty bad the next day so I took him to some friends of his where he could stay. I left him there and went back to Antwerp. I stayed in Antwerp until they caught me again. It was English MP's and some Polish fellows that took me there. I was pretty drunk and don't remember very much about it. I was sitting in my truck a Dodge when arrested. I stopped when I seen these MP's come over, I jumped out and started to do battle with them. The next thing I knew I was in the clink. I gave the name of Eapointe when arrested this time. I was sent back to Ghent and from there to No 1 Fd Punishment. When I arrived back there the MO recognized me so I told them my real name and said I was the one who had escaped. They kept me there until I was brought here now.

"Early in December I was in Antwerp and met Jimmie and Paul. We had a few drinks and later in the day I met Dave. I asked him if he would like to come to Brussels as things were OK there. We stayed overnight and came to Brussels in a Dodge Truck that I had picked up in Boom. We met Jimmie and Paul at 54 Moorslade. We needed some money so Dave and I went to Diest and got a small load of about (50) fifty tins of petrol and came back to Brussels. Harry (the tall one) helped us sell the petrol. About (2) two days later Paul, Jimmie and I went to Antwerp and returned the same evening. Dave and Paul came back in a jeep. Jimmie and I went down town and I lost my truck. About three (3) days after this (Dec 10) I saw a Bedford truck in the garage and Paul, Dave and I went to Antwerp stayed overnight and I got drunk and ws left there when Paul and Dave returned to Brussels. I looked around for a truck and saw one sitting on the street near the Rations Stores. The motor was running in this Bedford truck so I got in and drove it away. On arriving at Brussels I drove it in the garage at 54 rue Moorslade. The next day I found about thirty (30) to forty (40) bags of meat in the back of the truck. I sold some of the meat through Harry and had Jimmie help me unload it. I parked the truck in the garage overnight and the following night I drove own town again and lost the truck with he remaineder of the meat. Four of us made a trip to Diest in the Bedford and Dodge trucks and gt about fifty (50) cans of petrol in the Bedford. We were afraid the patrol was coming so left. This petrol was sold through Harry also. About a week later Jackie, Jimmie, Paul, and I went to 173 RVP by tram and I drove away a Ford truck that had four (4) Harley motor cycles in the back. The bikes were un,loaded in the garage and the four of us each had one. We left the Bedford truck on the streest as we didn't want it any more. This left us with two (2) Ford trucks. We made another trip to Diest and got more petrol which we sold. About 23 Dec 44 Dave and I went to Antwerp by motor cycle and I was picked up by Provost on 25 Dec 44. I was taken to Ghent and back to my unit at Turnhout. About three (3) days later I took a 15 cwt Ford from 8 General Hospital and came back to Brussels. I made a trip to Diest about 2nd or 3rd of Jan 45 and the truck broke down. The next night Paul, Jackie, Big and Little Jimmie's and I went to Diest with the two Ford trucks and loaded them up. On the way back I offloaded, the 15 cwt and brought that load in too. I had about two hundred (200) cans on my Ford. On 13 Jan 45 I was again apprehended."

STATEMENT OF EVIDENCE IN THE CASE OF

D.127524 PTE F LA POINTE
No 1 PLATOON
SOUTH SASKATCHEWAN REGT

SIR,

At Antwerp on the 7 March 1945 about 1845 hrs I was on duty in Veemart in company with L/Cpl Flethher CM Police when I saw WD 3 ton Dodge No L 5403794 parked in the square. Knowing this vehicle was reported stolen on the 4 March 1945 I approached it and saw the above named soldier sitting in the drivers seat, another soldier was also in the passengers seat.

As Pte LaPointe was wearing a S.D. Cap I asked himwhat unit he belonged to, and he replied "Signals". I then asked him for his Pay Book, but this he could not produce, instead he handd me the AB 412 for the above vehicle and said "My Work Ticket is in there". I examined his and found it was made out by No.5 Railway Telegraph Coy R.C.S. and the last two entries made out for the 5th and 6th March 1945 (this was after it had been stolen) were for journeys from Keppelellen Bosch to Antwerp; Column 7 of the AFG.3518 had the dgnature of Capt Bunn. He smelled strongly of alcohol and his dpeach was slurred, he was drunk so I arrested him, and ordered him and the passenger to get out of the vehicle. Pte LaPointe immediately picked up a pick axe head that was lying between his legs and struck me with it, I covered my head with my hands and thse took the blow. I struggled with him and managed to wrench the pick head from him and pull him out of the vehicle.

I called on two Polish soldiers to assist me, they were 13671 Pte A Warm and 2830 L/Cpl Famroz J. both of No 4 Coy 2nd Armd Regt, Polish Forces. At this moment the other soldier in the vehicle moved into the drivers seat and struck at L/Cpl Fletcher with a pick shaft. L/Cpl Fletcher caught hold of the pick shaft and took it away from the woldier who then quickly slammed the dor of the truck and drove away. During this time I was struggling with Pte LaPointe and eventually managed to get him to the Military Police jeep, but he broke away, L/Cpl Fletcher and Pte Warm immediately gave chase. They caught him up and he picked up a brick and attempted to throw it at L/Cpl Fletcher but he was overpowered and eventually put in the jeep.

I then conveyed him to the Town Guard Room where he was handed over to the NCO i/c to be detained. The soldier refused to give his number, rank or name so the above were taken from the Identity Discs he was wearing, he did verbally give me the above regimental particulars. The above mentioned AFB 412 and Work Ticket are attached to this statement, WD 3 Ton Dodge No L 5403794 was stolen from ST Vincent Straat, Antwerp on the 4 March 1945.

Report by OC 267 Petrol Depot RASC

Concerning the pilfering 29 December 1944

At about 1725 hours on 29 Dec 44 I was proceeding along the Montaigu-Sichem rd in company with Lieut C.C. Whitelaw and No S/7604155 S/Sgt Wade, AH, both of this Unit. The rd in question is a POL Sector operated by this Unit and has two sharp bends with approximately 200 yds between each.

On rounding the first of these bends two army trucks, without superstructures, were found to be blocking the road and facing the general direction of Sichem. On approaching several men dressed in British battle-dress and hatless were seen to be loading petrol aboard the vehicles from nearby stack.

These men immediately dashed to their vehicles at our approach and made a quick get-away in the direction of Messelbroeck. Shots were fired as a warningbut the vehicles continued to Messelbroeck turning off and doubling back to the main Montaigu-Billaer rd, where they proceeded towards Aerschot. These vehicles were trailed with considerable difficulty, for they maintained a reckless speed and were driven with tail-lights only.

The centre of Aerschot was reached and I was on the point of passing both vehicles when the rear one suddenly swung off into a track bounded on one side by the river back and on the other by the rear of private houses. This vehicle was under observation the whole time and was followed. We drew abreast with it simultaneously with it coming to a halt on the bank overhanging the water's edge.

Of the driver and one other man known tobe with him there was no trace, and it was evident that the vehicle had been abandoned whilst in gear and with the engine running. It had therefore travelled some distance under its own power before stalling.

The area was searched but no trace could be found of these men who evidently escaped in the darkness.

The vehicle is Canadan Ford No CL 4273301 and documents and AB 412 is blank. The vehicle was placed in charge of a NCO of 81 Coy CMP(TC) who arranged recovery and removal to 218 PW Camp, Aerschot where it nowlies with its load. One Army great-coat with Canadian buttons was found in the cab together with town letters, matches, cigarettes etc.

The load consisted of 140 4-gall n/R tins of Pet Spirit, i.e. 560 gallons. This load was below the side of the vehicle. The second truck, last seen proceeding towards Antwerp, had what appeared to be a larger load plainly seen stacked above the sides of the vehicle.

Inspection of the stack involved disclosed a shortage of 326 tins of Pet Spirit, i.e. 1304 gallons.

It is considered that the men were familiar with the POL Sector concerned and its intersecting secondary rds. The initial gateway was very fast and the ensuing reckless driving and the ultimate rapid disappearance of the occupants of the caputred vehicle indicate a blatant lawlessness. This does not seem compatible with the usual case of casual pilfering intended for bona-fide military consumption.

I was returned to 2 CBRG and escaped again about 17/19 May 44 and was absent until about 9 or 10 Sept 44 when I was apprehended. About the end of Sept 44, I was brought to France and ended up in Ghent. I escaped from ~~the~~ 13 Bn about 10 Oct 44. I was picked up in Malines about the end of October 44 and taken to Antwerp where I escaped the following day and went to Dieppe and surrendered to the CMP. I remained in custody at 13 Bn 2 CBRG and escaped again. Early in Dec 44, I escaped from Ghent with "Goulet" and hitch-hiked into Brussels, then to Antwerp and met Schell the next night. A few days later Schell and I went to Boom and stole one Bedford truck filled with jerrycans from a vehicle park. We returned to Antwerp and later came to Brussels. I estimate there were about one hundred fifty (150) cans in the truck. We sold about ten (10) cans to a civilian. In a couple of days Schell and I took two girls Rosa and Paula to Lille where we sold about twenty (20) cans of petrol. A few days later Schell and I took a civilian named "Harry" to Paris in the truck and sold the remainedr of our petrol (about one hundred '100' cans) there. The civilian bought a large amount of silm, perfume etc for himself and about one hundred thousand 100.000 francs worth for us. This was all brought back in the truck to Brussels and unloaded it into a house on Rue Marie Christine. Schell and I made about three trips to Diest and came back with petrol. About this time I was apprehended by Cdn Provost and placed in Prince Albert Barracks, and escaped the next day. At this time I was in possession of a pistol and a knife. Schell and I went to Boom in the Bedford truck and stole a Dodge and proceeded to Antwerp, picked up Jimmie Woronuik and returned to Brussels. We returned to Antwerp several days later and back to Brussels. Dave and I came back and Schell turned up with a Bedford truck full of meat. We sold the meat and I got about twenty thousand 20.000 francs for my share. We ditched one Bedord truck. Schell and I made numerous trips to Diest and stole petrol and sold it in Brussels. We were chased out of the Dump about this time by the Guard and had to ditch our trucks. We went to 173 Vehicle Park on several occasions and drove trucks out of the lines. MEDICAL OFFICER'S CERTIFICATE

I certify that No. H3584 Pte Bunn, E., 29 LAD (RCOC) Attached 2 Bn RCE, is fit to undergo trial by Court-Martial.

E. Fabah ....Capt.
Medical Officer.

Statement by Defending Officer.

Pte Bunn is a young man of 23 years of age. Last April he became engaged to be married. He decided to remain engaged for a year and wrote for his parents blessing. This was not forthcoming instead a letter came saying they were breaking all communications with him. Such a break was unsettling to his nerves. He had had nothing on his MFM6 at this time since January 1942, more than a clear year. I submit that both these crimes this year are owing to nervous condition about his own home affairs. May the court give every consideration to this man in this plea for a reasonable sentence.

I do not wish to name any officer to defend me.

Plea of Mitigation

Sirs.

While on my furlough I met the girl I had chumed around with prior to my joining the army. She informed me she was about to have a child of which I was the father. She said her parents would like to have a talk with me but I didn't know what to do so I put it off until a few days later her parents came to my house & informed me that the girl was in hospital & had had the baby. They also stated that it was up to me to pay the hospital expenses & support the child. I told them I hadn't the money to cover the expenses so they put it in the hands of the Childrens Aid. A few days later the Childrens Aid came & told me this was a serious offence. They informed me it would be better for me to sign the papers stating that I was to support the child. I did this & they then told me that it would be forwarded to the army. I was very worried about going back to camp & facing this so I stayed A.W.L. After the girl came from hospital I received a letter saying I would have four months to make good these obligations or it would be put in the hands of a court. A while later I received a form

of mine who talked to me & explained that there was nothing I could do but face it so I returned to this Depot & surrendered myself to the regimental police.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par mon officier défenseur.

PAR L'OFFICIER DEFENSEUR

M. le Président,

Vous avez devant vous un jeune soldat qui vient d'avoir 19 ans en septembre. Ses parents avaient besoin de lui à la maison où il y a onze enfants et seulement deux travaillent pour faire vivre cette grosse famille. En plus de ça le soldat Betit, après la guerre finie, a été déclassé pour ses pieds "L-4". Il s'est en allé chez-lui en passe de fin de semaine et sa mère lui a demandé, et a insisté même, pour qu'il reste chez-lui pour aider à faire vivre cette nombreuse famille.

Si la cour veut bien prendre ces raisons en considération, je lui demanderais d'être clémente envers l'accusé.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Each issue of orders will be numbered consecutively, commencing on the 1st January each year, and each item will be given a sub-number.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

B-58203, L/Cpl. R.N. Hewer, Home War Establishment, No. 2 District Depot, C.A.,

being duly sworn, is examined by the Prosecutor.

Question

Q- Corporal Hewer, what is your position in No. 2 District Depot?

A- Sir, I am N.C.O., Home War Establishment.

Q- Do you know the accused?

A- I recognize Private Bloomer, sir.

Q- Have you any information to give the Court regarding the accused?

A- I produce M.F.B. 375, being a certified true copy of a record of a declaration of a Court of Inquiry assembled at Camp Ipperwash, Ontario, on August 24th, 1945, signed by Lieutenant and Assistant Adjutant A.W. Boyle, officer having custody of the original record.

Q- To whom does that document refer?

A- To the accused, sir.

Q- Will you present that document to the Court, please.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No, sir.

--- M.F.B. 375, certified true copy of a record of a declaration of a Court of Inquiry assembled at Camp Ipperwash, Ont., on 24 AUG 45 is read, marked Exhibit "F", signed by the President and attached to the proceedings.

BY THE WITNESS (Cont'd): I further produce M.F.M. 216, being a certificate of apprehension signed by Major F.E. McMahon, Officer Commanding No. 31 Company, Canadian Provost Corps.

EXAMINED BY THE PROSECUTOR (Cont'd):

Q- To whom does that document refer?

A- To the accused, sir.

Q- Present that document to the Court, please.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection to this document?

BY THE WITNESS: I have no further evidence, sir.

--- The Defending Officer declines to cross-examine.

--- The witness withdraws.

--- The Prosecution has no further evidence.

--- The Prosecution is closed.

WPMc

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

UNSWORN STATEMENT BY THE ACCUSED:

Sir, on January 27th I was nowhere near Ipperwash, I was in Chorley Park Hospital being treated for a carbuncle on my throat.

BY THE PRESIDENT: Is there anything else you wish to say?

BY THE ACCUSED: No, sir, except I would like to present this sick report from Chorley Park Hospital.

--- The accused resumes his seat.

--- The Defence is closed.

--- The Defending Officer makes a closing address - not transcribed.

--- The Prosecutor makes a closing address - not transcribed.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

W.P.Mc.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir, through my Defending Officer.

BY THE DEFENDING OFFICER: Sir, the accused, as is known to the Court, is a GS soldier and he was apprehended in military uniform, which is quite a point to his credit. As you have just checked, the accused has been in custody for 40 days awaiting trial and his character must be of a good nature since he has been given a standing job in the detention barracks rather than be put on the parade square with the other prisoners. That is all, sir.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

D

The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence myself as a witness, Sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. Yes, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. No, Sir.

First witness for the defence

The accused, D-449104, Bombardier Raymond Berthiaume, A-1, Canadian Artillery Training Centre, C.A., being duly sworn, is examined by the defending officer.

Q. Bdr. Berthiaume, before you went on furlough, did you apply for leave of absence to go back to your old job?

A. Yes, Sir.

Q. But before this application could be granted, it was necessary for your former employer to submit a letter stating that you worked for him prior to going into the army and that your job was waiting for you?

A. Yes, Sir.

Q. When did you go on furlough?

A. 7 September, 1945.

Q. What did you do on your furlough?

A. I left here on Friday, 7 September, and I got home Saturday night on the 8 and on Sunday, I went to a ball game and I met my old boss and he told me he was very short handed and asked me if I would work for a few days on my furlough and I started to work on Monday, 10 September.

Q. When did your furlough officially end?

A. 0600 hours, 24 September.

Q. You did not report into Camp until 0600 hours, 10 October, 1945. Is that correct?

A. Yes, Sir.

Q. Why did you not return to Camp on 24 September?

A. Because I was granted 20 days extension of leave from the Justice of the Peace.

Q. Did you go to see that Justice of the Peace or was it your employer?

A. It was my employer, Sir.

Q. When he came back and informed you of that extension, just what did he tell you?

A. Well, when I told him on the 21 that I would have to stop work that I had to go back to Camp on the 24, he told me that he was going to see the Justice of the Peace and get me an extension which I was to pick up on Monday, 24.

Q. Did you get that letter from the Justice of the Peace on Monday, 24 September?

A. I did, Sir.

Q. Just how long did you work for Mr. R.B. Goodhue?

A. Until 6 October, Sir.

Q. Why did you return to Camp before the 20 days extension were up?

A. Because I received a letter from Capt. Roe informing me that my person was necessary here to make application for my discharge or a long leave.

Q. When did you leave home to return to Camp?

A. I left home to return to Camp on Monday night, 8 October, 1945.

Q. Why did you not leave home Sunday, 7 October?

A. Because I was away in the States and I could not get back any earlier.

Q. But it was Sunday that you received word about this letter from Capt. Roe?

A. Yes, Sir.

Q. Just how did that information come to you?

A. On Sunday, I was away to my sisters in the States and I received a phone call from my boss informing me that he had a letter for me which I told him to open and read the contents to me which he did.

Q. Was there any possible way of getting back to your home Sunday Evening?

A. No, Sir.

Q. And you took the first available means of getting there on Monday?

A. On Monday morning, Yes, Sir.

CROSS-EXAMINED BY THE PROSECUTOR

Q. Bdr. Berthiaume, how was this leave or extension granted by the Justice of the Peace?

A. By letter, Sir.

Q. Have you the letter?

A. I have it in my pocket book which as far as I know is with the Adjutant of the Training Centre.

Q. Did you see the Justice of the Peace yourself?

A. I just saw him for a few minutes Monday morning when I picked up the letter.

Q. Did you read the letter?

A. Yes, Sir.

Q. What did it say?

A. It said that I would not be able to return to Camp for twenty days which he was giving notice to my Commanding Officer that I was working for Mr. R.B. Goodhue transporting milk. He said he was granting me twenty days extension.

Q. What is the name of the Justice of the Peace?

A. Mr. Jacques Bombardier.

Q. Where does he reside?

A. Dunham, Quebec.

Q. How do you know he is a Justice of the Peace?

A. He is the only one I know around there, Sir.

Q. How long have you known him?

A. I have known him, why quite a few years, Sir. I could not say exactly how many years.

Q. Well, when you tell us that he is a Justice of the Peace, what do you mean?

A. A Justice of the Peace.

Q. What does he do?

A. I cannot tell you.

Q. If I told you that Jacques Bombardier was not a Justice of the Peace, what would you say?

A. As far as I know myself, he is.

Q. How do you know?

A. Because he has been a Justice of the Peace since I have been away in the Army. My boss told me he was a Justice of the Peace and I did not ask for any credentials, I thought it was true.

Q. Did he sign this letter you speak of as a Justice of the Peace?

A. Yes, Sir. He told me so.

Q. Is Jacques Bombardier the Secretary-Treasurer of the town of Dunham?

A. At the same time he is, Sir.

Q. Do you deny, Bdr. Berthiaume, that you absented yourself from A-1 from 0600 hours on the 24th day of September, 1945, until 0600 hours on the 10th October, 1945?

A. I do, Sir.

Q. You are quite sure, Bdr. Berthiaume, that the letter you saw was signed by Jacques Bombardier?

A. I am, Sir.

Q. And you are quite sure that he signed as a Justice of the Peace?

A. I am, Sir.

THE DEFENDING OFFICER DECLINES TO RE-EXAMINE

QUESTIONED BY THE COURT

Q. Did you personally make application to the alleged Justice of the Peace for an extension?

A. I did not, Sir. My boss did.

Q. Did you have any conversation with the Justice of the Peace at all concerning the extension?

A. Well, when I picked up the letter, he told me he had wrote the letter and was granting me twenty days.

Q. Why did you not personally make application to the Justice of the Peace at the time?

A. I was working, Sir, and I did not have time during the day and the office was closed at night.

The witness resumes his seat.

Second witness for the defence

Lieut. R.P. Wright, A-1, C.A.T.C., being duly sworn, is examined by the defending officer.

Q. Lieut. Wright, are you the Legal Officer of A-1?

A. Yes, Sir.

Q. Do files concerning cases in A-1 come into your office?

A. Yes, they do.

Q. Have you a letter from Mr. R.B. Goodhue on the file asking for Bdr. Berthiaume's release?

A. Yes, Sir, I have.

Q. Have you a letter on your file written by the Justice of the Peace, Mr. Jacques Bombardier to Capt. Roe?

A. Yes, I have letter addressed Municipality of the Township of Dunham marked Secretary-Treasurer, Jacques Bombardier, Dunham, Quebec, 24 September, 1945. It is addressed to the Officer Commanding, C. Battery, Petawawa Military Camp, Petawawa Ontario, re D-449104, Bdr. Raymond Berthiaume. The letter is in French and is signed by Jacques Bombardier, Secretary-Treasurer.

Q. Have you a letter on your file written by Capt. Roe to Bdr. Berthiaume?

A. Yes, Sir. I have a carbon copy of that letter to Bdr. Berthiaume, dated 1st October, 1945.

Defending Officer: I ask the permission of the Court to file these letters as Exhibits.

Prosecutor: I have no objections.

(Certified true copy of letter dated 17 September, 1945, addressed to the Commanding Officer, A-1 C.A.T.C. from R.B. GoodhueExpress registered is received, read, and marked Exhibit "I").

(Letter dated 24 September, 1945, addressed to

Officer Commandant, C. Batterie, Petawawa Military Camp and signed by Jacques Bombardier, received, read, and marked Exhibit "J").

(Letter dated Petawawa Military Camp, Ontario, 1 Oct 45, addressed to A-449104 Bdr. Berthiaume, R. from Capt. J.B. Roe, A-1, C.A.T.C., received, read and marked Exhibit "K").

CROSS-EXAMINED BY THE PROSECUTOR

Q. Mr. Wright, as officer in charge of records, are you able to produce a letter relating to the accused addressed to him and signed by a Justice of the Peace?

A. No.

THE DEFENDING OFFICER DECLINES TO RE-EXAMINE

The witness withdraws.

The Defence is closed.

The Court considers it necessary in the interest of justice that the accused, D-449104, Bombardier Raymond Berthiaume, first witness for the Defence, be recalled.

QUESTIONED BY THE COURT

Q. Bdr. Berthiaume, you told us in your previous evidence that you obtained a letter from Mr. Jacques Bombardier which letter you stated you have not now with you but you are of the opinion that it is with the Adjutant of the Training Centre. To whom was this letter that you refer to addressed?

A. It was addressed to the Commanding Officer, A-1.

Q. Was this the letter that you say was signed by a Justice of the Peace?

A. It was, Sir, signed by the Justice of the Peace.

Q. When you say signed by the Justice of the Peace, do you mean that the person who signed the letter signed it as a Justice of the Peace or the man who signed the letter was a Justice of the Peace?

A. The man who signed the letter was a Justice of the Peace.

Q. But he signed it as a Justice of the Peace?

A. I cannot say whether he signed the letters "J.P." after his name.

Q. I show you a letter, Exhibit "J". What have you to say about this letter, having in mind the letter given to you by Jacques Bombardier?

A. This is a duplicate letter of the one he gave me, signed and stamped the same as that.

Q. Will you tell the Court whether or not the letter, Exhibit "J", is or is not signed by a Justice of the Peace?

A. It is signed by a Justice of the Peace, Sir.

Q. Who is the Justice of the Peace?

A. Jacques Bombardier.

Q. What is there in the letter to indicate that he is a Justice of the Peace?

A. As far as I know, it is the paragraph 2 of the letter which refers to paragraph number 4 on the back of my leave form which has to do with a Justice of the Peace granting an extension of leave.

Q. Other than this paragraph referred to, is there anything about the signature of the person signing the letter indicating that he is a Justice of the Peace?

A. I don't know, Sir. I cannot tell what is written on the bottom.

Q. Was there anything written on your letter that is not on this letter, Exhibit "J".

A. No, Sir.

Q. Bdr. Berthiaume, do you consider that there is any information contained in this letter, Exhibit "J", that would tell the person receiving it that the man who signed it was in fact a Justice of the Peace?

A. Just paragraph 2 here.

The witness resumes his seat.

Dear sir;

As the man mentioned above was my employee for several years prior to his Military call in 1942 and at present is impossable to get a dependable man to drive one of my trucks on milk delivery to Montreal from Frelighsburg daily, actually we are carring about 700 cans daily to different milk companys in Montreal

Due to the fact that this product is perrishable we need competent drivers to carry this product to destinations.

Would you kindley grant Mr, Berthaume a leave of absence so that he may become an employee again of which would be of great help at this time.

Trusting that this request will be taken into consideration at your earliest convenience.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

LE PROCUREUR REMET AU PRESIDENT LES DOCUMENTS SUIVANTS SE RAPPORTANT A L'ACCUSE.

- - - - -

1° MFB. 375 en date du 19 décembre 1944, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier."

2° MFM 216A, en date du 11 septembre 1945, se rapportant à l'accusé;

"Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier."

LE PROCUREUR APPELLE LE CQMS ANNETT, E-30500;

L'OFFICIER DEFENSEUR DECLARE ADMETTRE QUE SI LE CQMS.ANNETT RENDAIT TEMOIGNAGE IL DECLAREREAIT QU'A LA DATE MENTIONNEE SUR LE DEUXIEME CHEF D'ACCUSATION IL MANQUAIT A L'ACCUSE DES EFFETS POUR UN MONTANT DE $11.35, D'APRES UN INVENTAIRE BASE SUR LA 375, ET IL DECLARE QU'IL N'AURAIT PAS DE TRANSQUESTION A FAIRE.

- - - - - - - - - - - -

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, voir page D-3 et suiv.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non Monsieur.

Question à l'accusé. ~~Exposez brièvement les faits à l'appui de vos réponses~~

Réponse:

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non Monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: L'Accusé, par son Officier Défenseur, dit: " J'aimerais simplement rappeler à la Cour les faits qui ont été dits par l'accusé, dans son témoignage sous serment, à savoir que son père est mort, sa mère est malade, aussitôt que sa mère a été mieux l'accusé est revenu, lorsqu'il y a eu amélioration sensible il s'est rapporté. Durant tout le temps qu'il a été absent il a resté à la maison pour prendre soin de sa mère. Il n'a pas travaillé. Je demande la clémence de la Cour."

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Receipt is acknowledged of the proceedings of the m/n Standing Court-Martial which were forwarded by the President named therein.

As to the present case it is further observed that if M.F.B.375 had been relied upon to prove the charge, this document would have been open to objection in that the deficiencies are set out on a list attached to the form and not signed by the Members of the Court. If the list of deficiencies is too long for the space in the form, it should be extended on a sheet of paper and glued to the front of the form. " LE PROCUREUR REMET AU PRESIDENT

LES DOCUMENTS SUIVANTS SE RAPPORTANT A L'ACCUSE"

1.- Une formule M.F.M. 216A, en date du 31 août, 1945, se rapportant à l'accusé.

(Ce document est lu par la Cour, marqué "G", signé par le Président et versé au dossier.)

2.- Un extrait certifié des Ordres Partie II, Ordre No. 85, en date du 31 décembre, 1944, se rapportant à l'accusé.

(Ce document est lu par la Cour, marqué "H", signé par le Président et versé au dossier.)

-o-o-o-o-o-o-o-o-o-o-

Le procureur n'a pas de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Oui, monsieur, sous serment (voir page D-3 et suivantes).

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

~~*Question à l'accusé.*~~ ~~Est-ce uniquement un témoin à l'appui de votre réputation?~~

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: (l'accusé par son Officier Défenseur, dit:)

" Je demanderais à la Cour de considérer le cas du soldat Brillant. Il est allé chez-lui en passe, vu la pénurie d'employés qu'il y a sur la ferme, les fermiers peuvent pas avoir personne pour leur aider, le soldat Brillant a décidé de demeurer chez-lui pour aider son père à bâtir la grange. Ils ont travaillé une partie de l'hiver dans le bois. Quand le printemps est arrivé ils ont bâti leur grange, ensuite il est venu se rapporter. Le soldat Brillant a des frères et des soeurs, mais mariés, excepté deux qui sont malades. Parmi cela un infirme, incapable de travailler. Je demanderais la clémence de la Cour".

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

When he got home he found his mother was sick and he decided to stay and help a while and then return. His mother has only his assigned pay plus dependence allowance ~~of~~ $25.00 and that was not sufficient so the accused decided to work to earn some money.

13. Recommendations: (State by whom made, e.g., CMHQ, DOC, Reviewing Officer, etc.)

TEMOIN DE LA POURSUITE:- P-48788, - C.Q.M.S. M. LEBLANC, Liste Générale, A.C., attaché au Dépôt Régional No. 5, A.C.,

étant dûment assermenté,

EST INTERROGE PAR LE PROCUREUR : -

Q. Voulez-vous dire à la Cour quelles sont vos fonctions ?

C - 3

R. Quartier-Maître au Camp de Lauzon, monsieur.

Q. Connaissez-vous l'accusé dans cette cause ?

R. Barette, J.M., ici, au milieu (indiquant l'accusé).

Q. Avez-vous eu l'occasion de faire l'inspection de l'équipement de l'accusé ?

R. Oui, monsieur. Il s'est présenté au Quartier-Maître le 21 septembre, 1945, et il a rapporté des articles pour $58.24. Il lui manquait encore des articles pour la somme de $3.09, comme suit :

4	Socks Woollen, prs.	$ 1.38
1	Puttees, pr.	0.73
1	Brush Polishing	0.16
1	Pin Collar Safety	0.05
1	Belt Waist Web	0.19
1	Helmet Sun	0.51
1	Bottle Oil	0.07
	Total	$ 3.09

C'était, à 100%, $4.02, sans charger la bouteille d'huile, soit $3.02 à 75%. D'après la déclaration de la Cour d' Enquête, la bouteille d'huile a été chargée à $0.07; j'ai laissé cet item tel quel, et ça fait $3.09.

Q. Sur quoi vous êtes-vous basé pour faire ces constatations ?

R. Sur la formule 375, monsieur.

- L'OFFICIER DEFENSEUR NE DESIRE PAS INTERROGER CONTRADICTOIREMENT. -

- INTERROGE PAR LA COUR : -

Q. Est-ce que la bouteille à l'huile doit être chargée à 100% ?

R. Quand c'est chargé à 100% sur la Cour d'Enquête, c'est probable qu'il y avait une raison pour ça et je ne l'ai pas changé.

- De l'avis de la Cour, il n'est pas nécessaire de se conformer à R. P. 83 (b). -

- LE TEMOIN SE RETIRE. -

-x-x-x-

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, monsieur.

(Voir page D-3 et suivantes.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

R. Vu qu'elle était malade, que personne ne travaillait chez nous; elle n'avait que ma pension et le $25.00 du Gouvernement, quand j'ai vu que ça ne suffisait pas, j'ai dit: "Je vais travailler et je viendrai ensuite me rapporter".

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur. (L'accusé, par son Officier Défenseur, dit :-

" Je demanderai à la Cour de prendre en considération le cas du Soldat Barette. Il a fait preuve de bonne foi, même s'il est parti pour quelques mois, tout le temps qu'il était dans l'armée, il envoyait de l'argent à sa mère qui recevait en outre une pension du Gouvernement. Je demande la clémence de la Cour. "

THE DEFENDING OFFICER DECLINES TO CROSS-EXAMINE.

THE WITNESS WITHDRAWS.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. An unsworn statement in writing, sir.

(Statement attached - see following page -- read by the President.)

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

The Defending Officer and Prosecutor make closing addresses which are recorded but not transcribed.

Question to the accused. Is the witness to be called a witness as to character only?

Answer.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Through my Defending Officer (see following page).

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE DEFENDING OFFICER:

Sir, I have two factors. The first one has to do with the mentality of the accused. The M.F.M. 2 shows the PULHEMS as 23, and having a 4 under the "M." He was given a French "M" Test, and his M.F.M. 196 shows the score as being 52, sir. This was taken on the 9th of August, '43. This man is obviously, from this M.F.M. 196, not coping with the Army life, and why he was kept in with this low "M" score I do not know, sir. But I submit to the Court that is the cause of all this trouble, as the complex Army life to an individual with an "M" score of 52 is rather hard to cope with.

The second factor is the fact that the accused has a wife, and she is expecting a child very early in October, I believe the statement said, and she will need assistance of some description, sir.

Answer. No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. B-58203, L/Cpl. R.N. Hewer, Home War Establishment, No. 2 District Depot, C.A.,

being duly sworn, is examined by the Prosecutor.

Question Q- Corporal Hewer, what is your position in No. 2 District Depot?

A- Sir, I am N.C.O., Home War Establishment.

Q- Do you know the accused?

A- I recognize the accused, sir.

Q- Have you any information to give the Court regarding the accused?

A- I produce M.F.B. 375, being a certified true copy of the record of a declaration of a Court of Inquiry assembled at Wolseley Barracks, London, Ontario, on the 5th day of February, 1945, signed by Captain W.L. Kress, O.C., Legal Section.

Q- To whom does that document refer?

A- To the accused, sir.

Q- Present that document to the Court, please.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No, sir.

--- M.F.B. 375, certified true copy of a record of a declaration of a Court of Inquiry assembled at Wolseley Barracks, London, Ont., on 5 FEB 45 is read, marked Exhibit "F", signed by the President and attached to the proceedings.

BY THE WITNESS (Cont'd): I further produce M.F.M. 216, being a certificate of surrender, signed by Lieutenant-Colonel W.A. Dunlop, O.C., No. 2 District Depot.

The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to hand in an unsworn statement, sir.

(see statement attached)

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

--- The Defending Officer makes a closing address - not transcribed.

--- The Prosecutor makes a closing address - not transcribed.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Sir. The reason I went as W.O.L. as as stated. I came home and found my father drinking and my mother is not very healthy. I have two sisters one age 6 and the other 12 and they are going to school. I found my mother working in the laundry making about 7 or 8 dollars a week and she keeps my sisters and herself on that so I stay at to get my father from drinking but for a while I could not so I had to make a little money to

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir, through my Defending Officer.

BY THE DEFENDING OFFICER: Sir, this family trouble this man has had, as he mentioned in his statement, it has been no good. Apparently his father has been drinking excessively and has caused a considerable amount of worry and with a mother and two young girls at home, there is no doubt it would cause worry in any one's mind. Another factor is, he has been helping his mother, as his documents show he has assigned pay and, therefore, he has been trying to help his mother and family out where his father could not. On top of that, he has sent home money besides his assigned pay. The other factor is, he has spent 23 days in custody at the present moment.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

Answer. No, sir.

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. No. B-58203, L/Cpl. R.N. Hewer, Home War Establishment, No. 2 District Depot, C.A.,

being duly sworn, is examined by the Prosecutor.

Question

Q- Corporal Hewer, what is your position in No. 2 District Depot?

A- Sir, I am N.C.O., Home War Establishment.

Q- Do you know the accused?

A- I recognize Sapper Barbarie, sir.

Q- Have you any information to give the Court regarding the accused?

A- I produce M.F.B. 375, being a certified true copy of a record of a declaration of a Court of Inquiry assembled at Chilliwack, B.C. on January 3rd, 1945, signed by Captain W.G. Cosser, Officer having custody of the regimental record.

Q- To whom does that document refer?

A- To the accused, sir.

Q- Will you present that document to the Court, please.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: I have no objection to the document, sir, but I have objection to the contents.

--- M.F.B. 375, certified true copy of a record of a declaration of a Court of Inquiry assembled at Chilliwack, B.C. on 3 JAN 45 is read, marked Exhibit "F", signed by the President and attached to the proceedings.

BY THE WITNESS (Cont'd): I further produce M.F.M. 216, being a certificate of surrender signed by Lieutenant-Colonel W.A. Dunlop, Commanding Officer, No. 2 District Depot.

EXAMINED BY THE PROSECUTOR (Cont'd):

Q- To whom does that document refer?

A- To the accused, sir.

Q- Present that document to the Court, please.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No objection, sir.

--- M.F.M. 216, certificate of apprehension of the accused is read, marked Exhibit "G", signed by the President and attached to the proceedings.

BY THE WITNESS: I have no further evidence, sir.

--- The Defending Officer declines to cross-examine.

--- The witness withdraws.

--- The Prosecution has no further witnesses.

--- The Prosecution is closed.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Where ~~Is the witness to be called a witness as to character only?~~

Answer.

FIRST WITNESS FOR THE DEFENCE. - B-606327, Spr. Gerald Felix Barbarie, (RCE) No. 2 District Depot, CA, having been duly sworn is examined by the Defending Officer:

Q- Were you on leave on December 12th, 1944?

A- Yes.

Q- Did you return to camp?

A- No, sir, I didn't report to camp.

Q- What did you do?

A- My leave was up on December 19th, 1944, and after that I stayed home.

Q- Do you recognize this document?

A- Yes, I recognize that document as being a telegram I received from my Acting C.O. of the 25th Field Company, Captain Cosser.

Q- Will you present that to the Court, please.

BY THE PRESIDENT TO THE PROSECUTOR: Have you any objection?

BY THE PROSECUTOR: I have no objection, sir.

--- Canadian Pacific Telegraph to the accused, signed by O.C. 25 Field Coy is read, marked Exhibit "H", signed by the President and attached to the proceedings.

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

Q- Sapper Barbarie, will you go ahead and tell your story to the Court in your own words.

A- I, Sapper Gerald Felix Barbarie, was stationed at Chilliwack, B.C. and I received a telegram from the doctor that my wife was urgently operated on and I was called to go home. After I got the telegram calling me home, I went to the O.C. the next morning and I asked for leave and he told me that I could only get 10 days. It took me 8 days to go home and that only left me 2 days. I asked

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

him about getting compassionate leave and he said 'alright, we will have to write to the Pacific Command to get compassionate leave'. So I stayed at the camp and later I got another one that my wife was getting worse, so I went over and seen the Acting O.C. and asked him what he could do and he said the best he could do was give me 10 days and after I got home give me an extension. I said, 'alright, sir, I will take that'. So I went home and the first day after I got home I wired for an extension and I had 10 days extension - that telegram there. After that, when that expired, my wife wasn't any better, and my child is blind, sir.

Q- How old is that child?

A- A little over a year, sir.

Q- He has been that way for a year?

A- Yes, sir.

W.C.C.

BY THE DEFENDING OFFICER: I have no further questions.

The Prosecutor Cross-Examines

Q- I will be as light as I can but I want to ask you a few questions. I have to ask you some questions now, Sapper Barbarie, so bear up the best you can, will you?

A- Yes, sir.

Q- You told us, I believe, that you had an extension of a pass which was up on December 19th, 1944. Is that right?

A- Yes, sir.

Q- You produced a telegram to the Court, signed by the O.C. of the 25th Field Company, giving you an extension of leave until 0600 hours on December 19th, 1944. Is that right?

A- Yes, sir.

CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- And were you absent from that time until you surrendered in Toronto?

A- Yes, sir, I was absent.

Q- You had no pass?

A- No, sir.

Q- Therefore you admit you were absent from Chilliwack, B.C. from 0600 hours on December 19th, 1944, to the time you surrendered in Toronto at 2005 hours on September 18th, 1945. Is that right?

A- Yes, sir.

Q- So, then, you were continuously absent?

A- Yes, sir.

Q- Was Captain Cosser your Officer Commanding at the time?

A- Yes, sir.

Q- Did you know Captain Cosser also signed the form which is Exhibit "F", M.F.B. 375?

A- No, sir.

Q- You didn't know that?

A- No, sir.

Q- It appears, for your information, even though he gave you an extension, he has signed the certified true copy of M.F.B. 375 and he also signed your original document showing that you were absent from December 12th.

A- There must be some mistake some place.

Q- How long had you been in the army before this time.

A- Before I went on the loose?

Q- Yes, before you went on the loose?

A- three years and sixteen days.

CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you always been quite a ways away from your wife?

A- Always.

Q- You got lonesome?

A- I was when she was sick.

Q- Why did you wait all that time to go and surrender yourself? Why didn't you give yourself up, say, five months ago?

A- Because I couldn't; I didn't know the way of going at it, and all the bills I had since I was in the army and my wife wasn't paying the bills and my wife was sick and everything and they never paid anything for me.

Q- They naturally wouldn't pay it when you were absent without leave?

A- I wasn't before that and they still wouldn't pay.

Q- You couldn't pay your bills out of your own pay?

A- I couldn't pay out of my own pay.

Q- Why did you wait so long to give yourself up? It was about nine months you were away?

A- Yes, sir.

Q- Why did you wait so long?

A- Well, sir, the only thing is, my wife and kid were sick and I stayed home to look after them.

Q- That doesn't answer my question. Why did you wait so long?

A- To that question, sir, I don't think I have an answer.

Q- You haven't? Why didn't you surrender yourself to the army before the war was over?

A- I don't know, sir, why I didn't do it.

CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Do you think you should have?

A- I should have but nobody was there to look after my wife.

Q- What were your intentions when you were absent without leave? What did you intend to do?

A- I didn't intend to do anything; the only think I intended to do was look after my wife and child.

Q- You didn't intend to come back to the army?

A- I had intentions of coming back some time.

Q- When?

A- Well, I don't know, sir.

--- The Defending Officer declines to re-examine,

QUESTIONED BY THE PRESIDENT:

Q- What is the nature of your wife's illness?

A- She has gall-stones and she was just operated on for her appendix, an urgent operation. She still goes to the doctor every week. Every week she is sick about two times and she goes to bed and gets up after it is past.. The doctor told her that she had to be operated on for gall-stones and if she waits any longer it will be harder on her.

Q- Was she operated on for gall-stones?

A- No, sir, she was operated on for her appendix.

Q- That was the operation which brought you home for the beginning of this absence?

A- Yes, sir.

Q- What operation does she require now?

A- An operation for gall-stones.

QUESTIONED BY THE PRESIDENT (Cont'd):

Q- You just have the one child?

A- Yes, sir.

Q- That child is about a year old?

A- Yes, a little over a year, about 14 months.

Q- It was born blind?

A- Yes, sir.

Q- Is there any likelihood of that child being able to see?

A- He may be able to see but the specialist says it may be two years before he can say whether he will be blind.

Q- He doesn't know now?

A- As far as he knows now he is blind but he says you cannot tell before he is two years old.

Q- Your wife is not pregnant by any chance, is she?

A- No, sir.

Q- What type of work did you do while away?

A- I stayed on her father's farm.

Q- You worked on her father's farm?

A- Yes, sir.

Q- What sort of pay did you receive?

A- I received no pay.

Q- Just board.

Q- Just board for the two of us.

--- The accused resumes his seat.

--- The Prosecutor makes a closing address - not transcribed.

--- The Defending Officer makes a closing address - not transcribed.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir, through my Defending Officer.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT BY THE DEFENDING OFFICER RE MITIGATION.

Sir, I would like to read to the Court a certificate from the doctor which states that the accused's wife has been under treatment and is under treatment at the present time. The certificate is from Dr. I.R. LeBourdais, dated September 24th, 1945, and is addressed 'To Whom it May Concern' and states: "This is to certify that I have had under treatment Mrs. Gerald Barbarie whom I have operated upon for urgent acute appendix last fall and who has developed digestive trouble, clinically diagnosed as gall-stones, occurring as frequently as once a week or even twice a week. Moreover, Mrs. Barbarie is the mother of a two year old child who is blind."

Sir, the accused has had a very strange case. First of all his wife took sick and he had a child who is blind. He has applied for compassionate leave and he has been refused. The man has an exceptionally clean conduct sheet for the length of time he has been in the army, and the last factor is that he has been in custody now for 21 days.

Monsieur,

Je vous accuse réception de votre lettre du 29 novembre 1945, au sujet du soldat J.-R. Bergeron, matricule D-504841.

Les officiers compétents du ministère m'informent que le soldat Bergeron a été traduit devant une cour martiale permanente le 11 octobre 1945, pour répondre à une accusation d'absence illégale à compter du 1er novembre 1942 jusqu'au 30 août 1945, alors qu'il a été appréhendé, revêtu d'habits civils. Il a été trouvé coupable et condamné à 18 mois de détention.

Comme vous le savez sans doute, les sentences sont régulièrement revisées en vue d'une remise de peine lorsque les circonstances la motivent. On m'informe que la sentence du soldat Bergeron a été revisée le 15 novembre 1945 et on a décidé de ne lui accorder alors aucune remise de peine.

En ce qui concerne l'embarras dans lequel se trouve actuellement sa famille, il est à prévoir que le paiement de l'allocation familiale militaire sera rétabli dès que son compte de solde sera en règle.

Votre bien dévoué,

pour le sous-ministre,

Dear Sir:

This will acknowledge receipt of your letter of 29th November, 1945, with reference to D-504841 Pte Bergeron, J.R.

I am informed by the appropriate officers of this Department that this soldier was tried by Standing Court-Martial on 11th October, 1945, having absented himself without leave from 1st November, 1942 until he was apprehended on 30th August, 1945 dressed in civilian clothes. He was found guilty and sentenced to eighteen months' detention.

As you undoubtedly know, sentences awarded are subject to periodical reviews with a view to effecting remission where circumstances warrant. I am informed that this soldier's sentence was accordingly reviewed on 15th November, 1945 and it was directed that no remission should be effected at that time.

With reference to the present difficult financial situation of this soldier's family, as soon as his pay account has been brought into balance, it can be presumed that Dependent's Allowance will once again be re-instated.

Yours truly,

Deputy Minister

Cher monsieur Godbout,

Je vous accuse réception de votre lettre du 5 décembre 1945 au sujet du soldat Raymond Bergeron, matricule D.504841.

Les officiers compétents du ministère m'informent que le soldat Bergeron a été traduit devant une cour martiale permanente le 11 octobre 1945, pour répondre à une accusation d'absence illégale du 1er novembre 1942 au 31 août 1945, alors qu'il a été appréhendé vêtu en civil. Il a été trouvé coupable et condamné à 18 mois de détention.

Comme vous le savez, les sentences sont revisées périodiquement en vue d'une remise de peine lorsque les circonstances la motivent. J'apprends que la sentence du soldat Bergeron a été revisée le 15 novembre 1945 et l'on a décidé de ne lui accorder aucune remise de peine pour le moment.

Toutefois, j'ai signalé vos remarques aux officiers compétents, pour qu'ils les examinent lors de la prochaine revision de la sentence. Il est probable, vu la longue absence du soldat Bergeron, qu'aucune remise de peine ne lui sera accordée dans un avenir rapproché.

En ce qui concerne l'embarras pécuniaire où se trouve actuellement sa famille, il est à prévoir que le paiement de l'allocation familiale militaire sera rétabli dès que son compte de solde sera en règle.

SOLICITOR GENERAL
CANADA

Ottawa, December 5th, 1945.

Colonel Paul Mathieu,
Deputy Minister of National Defence,
OTTAWA, Ont.

Dear Mr. Mathieu:

D-504841, Pte. Raymond Bergeron was sentenced to 9 months of detention some time ago.

His father points out that his salary is $20. per week, that he has 7 children none of whom is old enough to work and that he would absolutely need the financial help of his above named son. The latter could obtain employment immediately as a taxi driver if he were released.

The kind consideration which you could be ~~asked to~~ give to these representations would be greatly appreciated.

Yours truly,

(SGD) Benoit Godbout,
Private Secretary.

O T T A W A,
le 5 décembre 1945.

Colonel Paul Mathieu,
Sous-Ministre de la Défense Nationale,
O t t a w a.

Cher monsieur Mathieu,

Le soldat Raymond Bergeron, D-504841, a été, il y a quelque temps, condamné à neuf mois de détention dans une prison militaire.

Son père représente que son salaire est de $20. par semaine, qu'il a sept enfants dont aucun n'est en âge de travailler, et qu'il aurait absolument besoin de l'aide financière de son fils. Celui-ci pourrait, advenant sa libération, obtenir immédiatement un emploi de chauffeur de taxi.

La bonne considération qui pourrait être accordée à ses représentations serait vivement appréciée.

Bien à vous,

Bernard Rodgers
Secrétaire particulier.

Mr. Minister:

Re: D.504841, Roland Bergeron.

The above-named was sentenced to eighteen months of detention for absence without leave from the Army by a court martial on October 11th, 1945.

Pte Bergeron's support is necessary to his family which comprises nine young children in addition to the father and mother; the father earns but $20.00 to $25.00 per week and Pte Bergeron's health condition is poor.

As the Christmas season which is also the period of pardon is drawing near, would it be possible to release this soldier so that he may help his family. I am positive that you will kindly do something to be of assistance in this special case and I thank you in anticipation.

Yours very truly,

Honorable Ministre,

re: Roland Bergeron,
D-504841-.

Le doldat ci-haut nommé a été condamné à 18 mois de détention pour absence sans permission de l'armée. La Cour Martiale a passé sentence le 11 octobre 1945.

Or le soldat Bergeron est d'un soutien nécessaire à sa famille, laquelle est composée de 9 enfants en bas âge en plus du père et de la mère, lequel père ne gagne que $20.00 à $25.00 par semaine. De plus, l'état de santé du soldat Bergeron laisse à désirer.

Comme le temps des Fêtes approche, ce qui est aussi la période du pardon, serait-il possible de libérer ledit soldat pour qu'il puisse aider sa famille. Je suis certain que vous voudrez faire quelque chose pour aider ce cas particulier et je vous remercie à l'avance.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

Mes parents étaient dans le besoin et j'étais le seul soutien chez-nous car mon père est malade et ne travaille pas. J'étais "tanné" d'être dans l'armée et recevoir des ordres du matin au soir. Je ne pouvais pas endurer ça plus longtemps, c'était un supplice pour moi. Au lieu de faire des bêtises, j'ai préféré de partir. J'ai toujours été comme ça dans la vie civile, je n'ai jamais pu être capable de prendre des ordres.

Je suis dans l'armée depuis le mois de février 1942. J'ai 27 ans. J'ai passé par les camps de Joliette et ensuite à Petawawa et ici. Avant d'être dans l'armée je travaillais pour la "Diamond Taxi" Je ne suis pas marié. Durant mon absence sans permission j'ai travaillé un peu partout et j'ai essayé de me débrouiller autant que je pouvais. J'ai pas travaillé continuellement. Je me débrouillais pour aider à mes parents. Je restais en chambre en ville. Pendant que je ne travaillais pas, j'avais un peu d'argent pour me faire vivre que j'avais ramassé. En entrant dans l'armée j'avais assigné $20. par mois à mes parents. Pendant que j'étais absent sans permission je leur donnais $15. par semaine.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon avocat.

L'AVOCAT DE L'ACCUSE S'ADRESSE A LA COUR

M. le Président,

Si on examine la vie de l'accusé - je me suis chargé de faire une enquête personnelle - je crois que ce type là n'aurait jamais du être dans l'armée, parce que sa vie indique qu'il a toujours suivi le chemin de sa propre volonté et n'a jamais pu, par son caractère, se conformer aux ordres qui lui étaient donnés. Dans la période de 10 ans qu'il a travaillé, il a changé de places deux à trois fois par année. Si on prend la période qu'il a été à l'école, on voit que sur huit ans, il a fréquenté neuf à dix écoles, ce qui indique un esprit très inconstant. Prenant cette preuve à sa considération, je demanderais à la Cour d'être clémente envers l'accusé.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

DECLARATION DE L'ACCUSE EN ATTENUATION DE PEINE

M. le Président,

J'étais à la Citadelle à Québec et ils ne voulaient pas me soigner pour mes poumons. J'ai fait la garde à la Citadelle et ils ne voulaient pas me faire examiner, les docteurs la-bas. Ici, ils m'ont donné un papier pour aller à l'institut Bruchésai pour passer un Rayon-X.

A l'appui de ma déclaration, je produis un rapport "X Ray Inspection of Chest" daté le 29 sept 43.

Le document précité est lu, marqué page CC-5, signé par le Président et versé au dossier.

Je suis dans l'armée depuis le 23 novembre 1943. J'ai 21 ans. Avant d'entrer dans l'armée je travaillais au CNR comme journallier. Je ne suis pas marié. Je suis passé par les camps de Sorel, Valcartier et ici. J'ai été onze mois à la Citadelle à Québec, je faisais la garde là. Je me suis présenté souvent à la Citadelle à Québec pour avoir des traitements médicaux. Je demandais à être soigné pour les poumons. Je faisais seulement que tousser. Ils m'ont donné du "stuff" pour me mettre dans le nez et plusieurs autres affaires. J'ai passé un rayon X à l'hopital à Québec, mais je n'ai jamais eu le résultat.

Durant mon absence sans permission j'ai demeuré à Verdun chez-nous. Je n'ai rien fait; chez-nous me faisaient vivre.

Mon père travaille au CNR.

J'ai été voir le docteur Thibault à Verdun deux fois pour mes poumons. Il m'a donné des remèdes pour m'arrêter de tousser.

Je me suis rapporté parce que j'étais "tanné" d'être sur le "lousse".

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé.- Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par mon officier défenseur.

L'OFFICIER DEFENSEUR S'ADRESSE A LA COUR AU NOM DE L'ACCUSE

M. le Président,

Je voudrais souligner le fait que la Cour a pris connaissance d'un document produit par l'accusé au sujet de sa maladie et que lors de son absence sans permission il s'est fait soigner par le docteur Thibault de Verdun. Je demanderais la clémence de la cour pour l'accusé.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

étant dûment assermenté, est interrogé par le procureur.

Question.

PAR LE PROCUREUR

En vertu de l'ordre en conseil 8563, je produis, à l'appui de l'offense, les documents suivants, dans le cas de l'accusé, D-605887, Pte. P.B. Bergeron:

Un extrait dûment certifié des ordres partie II de A-12 CTTC, CA, Farnham, Qué., daté le 6 janvier, 1942.

Un MFB 375, Record de déclaration d'une Cour d'enquête tenue à Farnham, Qué, le 31 janvier, 1942.

Un MFM 216, certificat d'arrestation par les autorités militaire, daté le 17 septembre, 1945.

Un MFB 1481, Certificat des dépenses encourues pour le retour à l'unité, daté le 17 septembre, 1945.

Un MFB 1481, Certificat des dépenses encourues pour le retour à l'unité, daté le 18 septembre, 1945.

Les documents précités sont lus, marqués pièces "F", "G", "H", "I" et "J" respectivement, signés par le Président et versés au dossier.

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Je désire comparaître moi-même comme témoin.

(Voir page D-3, et seq)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense ?

Réponse: Non, monsieur.

Question à l'accusé. Est-ce uniquement un témoin à l'appui de votre réputation ?

Réponse:

LE TEMOIN REPREND SON SIEGE

LE PROCUREUR PRONONCE UN REQUISITOIRE

M. le Président,

Malgré toute la sympathie que je puis avoir pour l'accusé, je crois qu'il a bien été porté a preuve que c'est un cas de désertion pur et simple.

En premier lieu, nous avons la longueur de l'absence, trois ans et quelques mois. Ensuite l'arrestation par les autorités militaires. Troisièmement, quand il a été arrêté, en habits civils. L'accusé l'a dit lui même qu'il ne se rapportait pas parce que sa mère avait besoin de lui et la situation de sa mère n'a pas changé. S'il aurait voulu revenir, il a eu tout le temps voulu pour le faire, mais

LE PROCUREUR PRONONCE UN REQUISITOIRE
(Suite)

il n'est pas revenu.

Alors je soumets respectueusement qu'il devrait être trouvé coupable de désertion, tel que porté.

-o-o-o-o-o-o-o-o-o-

L'AVOCAT DE L'ACCUSE PRONONCE UNE PLAIDOIRIE DE CLOTURE

M. le Président,

Je vais soulever une question de droit.

Dans tous les documents que la poursuite a bien voulu produire et qui doivent servir à motiver l'accusation telle que portée, il n'en est pas un, si j'ai bien compris, qui mentionne l'accusation de désertion. Tous, du premier au dernier, mentionnent l'absence sans permission. Le seul fait que ces documents seulement servent de preuve, et de seule preuve pour amener une condamnation de désertion, aucun d'entre eux parle de charge de désertion.

Deuxièmement, pour qu'il y ait désertion. J'attire l'attention de la cour au manuel du droit militaire, en page 19, article 17:

"Ce qui distingue la désertion de l'absence sans permission, c'est l'intention".

Nous avons bien lapreuve qu'il n'avait pas l'intention de la part de l'accusé de déserter.

Si l'on réfère à l'Army Act 12, dans les notes au deuxième paragraphe au bas de la page:

"Pour prouver qu'il y a eu désertion, il faut établir des faits qui permettent de déduire que l'accusé n'avait pas l'intentinn de reprendre son service militaire dans aucun corps, ou qu'il voulait se dérober à l'exécution d'un important service en particulier"

L'accusé a dit lui-même, et il n'est pas contredit, que si ce n'eût été des insistances de sa mère et s'il avait reçu des bons conseils de militaires, il serait revenu. Mais malheureusement, les circonstances l'ont obligé à rester hors de la loi.

On voit encore à la note au bas de la page de l'army act 12:

"Si l'accusation repose sur l'intention du militaire d'éviter un embarquement ou tout autre devoir ou service particulier, on allège ce fait dans l'acte d'accusation".

Ce qui n'a pas été fait dans le cas de l'accusé.

Je soumets qu'on a été loin de prouver qu'il y a eu désertion dans le cas de Bergeron.

L'AVOCAT DE L'ACCUSE PRONONCE UNE PLAIDOIRIE DE CLOTURE
(Suite)

Maintenant, voici que l'accusé est le second fils d'une famille de quatre enfants dont un qui ne compte pas, Aurèle, qui est encore sous les soins d'un médecin. Le plus vieux est navigateur. La navigation dure quatre saisons dans certains cas, alors il ne peut donner beaucoup d'aide sur la terre. Le plus jeune n'aime pas la ferme et ne reste pas chez-lui par conséquent il ne reste que l'accusé pour prendre soin de la ferme. Il a toujours été responsable et c'est lui qui avait la charge de la ferme, de tous ses travaux, bien avant que l'armée ne requiert ses services en 1941. Il aurait fait application pour demeurer chez-lui, mais on ne donnait pas ces congés dans ce temps là.

L'accusé est allé travailler dans le bois. Comme dans toutes les familles de cultivateurs, dailleurs, c'est la coutume l'hiver d'aller couper du bois quand les travaux de la ferme sont minimes. Plus loin, l'accusé nous dit: "Ma mère est pauvre". Ses seuls revenus sont la vente des produits de la ferme.

Je crois et je soumets respectueusement à la cour qu'on n'a pas prouvé qu'il y a eu désertion et que si même il y en avait eu, elle était motivée. Tout ce que nous pouvons l'accuser, c'est d'absence sans permission.

-o-o-o-o-o-o-o-o-

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur, par l'entremise de mon avocat.

L'AVOCAT DE L'ACCUSE S'ADRESSE A LA COUR

M. le Président,

Je crois qu'il a été résumé dans le témoignage de l'accusé tous les motifs de son absence en mitigation de peine. En plus, je voudrais produire à la cour une requête signée par le curé, le Secrétaire-trésorier, le maire et certains voisins de Mde. Veuve Bergeron.

Le document produit par l'avocat de l'accusé est lu, marqué pièce "L", signé par le Président et versé au dossier.

La mère de l'accusé n'est pas riche et l'accusé est encore requis à diriger les travaux de la ferme. Pendant son absence elle doit employer des hommes pour conduire ces travaux, et cette femme n'a pas les moyens de le faire.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Nous les soussignés prient respectueusement le Tribunal de manifester la plus grande clémence dans l'imposition d'une sentence dans le cas de Paul Bernard Bergeron, de l'île St.Ignace-de-Loyola, en raison des faits ci-dessous exprimés:

1. M. Bergeron est âgé de 25 ans, il est fils de cultivateur et a toujours travaillé sur la ferme;

2. Il a été appelé sous les armes, dès le début de la loi de mobilisation et il n'a jamais pu présenter une demande ce congé à la Commission des Services Nationaux de Guerre;

3. Lorsqu'il a quitté l'armée, il a toujours travaillé sur la ferme et lorsque la saison le permettait, il a travaillé comme bûcheron pour le compte de M. Elzéar Gournoyer, commerçant de bois, de St.Joseph de Sorel;

4. Il est fils de veuve et madame Bergeron a absolument besoin des services de son fils pour l'exploitation de sa terre et

6. Au moment de son arrestation, les travaux de la terre lui permettaient de travailler pour M. Elzéar Clurnoyer, comme bûcheron et nous sommes informés que celui-ci est prêt à le reprendre à n'importe quel temps, vu la rareté de la main-d'oeuvre dans ce domaine;

7. En conséquence, les soussignés vous prient respectueusement de bien vouloir considérer ce cas avec sympathie et tenir compte de la situation pénible dans laquelle se trouve la mère de l'accusé.
