3. This soldier has been medically examined and he is certified fit to undergo detention.

4. The Neuropsychiatrist and Selection of Personnel Officer who have examined this soldier state that he is of average intelligence and apparently both conscientious and responsible, but that he is definitely unfit for operational duty and quite unwilling to consider a return to action. A recommendation that he be placed in Pulhems Grade S3 was made.

5. This soldier at the time of his offence was a corporal leading an infantry section. He frankly admitted at his court-martial that he could not face the prospect of further contact with the enemy particularly after most of the members of his original section had been either killed or wounded. Taking into consideration this soldier's responsibilities as a section leader, the circumstances surrounding his offence and his present attitude, it is considered that he should serve his present sentence in full and thereafter should be discharged for misconduct in accordance with paragraph 8 of Appendix to C.A.R.O. 1029. It is therefore so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 16 Sep 44 and original A.F. A3104 in respect thereof on which this direction has been endorsed.

(1. RP 35 fn 3. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The a/m soldiar is fit to undergo trial by a court martial.

P. Gauthier Capt.

P.Gauthier. Capt.
M. O.

Plea in mitigation:

The accused made a statement during the trial saying that he lost his sec in battle. Now this man has been fighting in France since "D" Day, doing a good job, and then he loses a sec. Now as a sec leader this affected the morale of the man and since that time Cpl Michaud may have lost some of his nerve, which inclined him to go away. I might say that if a man has no control over his nerves and is badly shaken he might do anything. He might lose his sense of responsibility or he might not be so sure of himself. So I ask the court to consider what happened. That is all.

1st Witness for the Prosecution

R/41952 Sgt Turgeon, J, Regt de Chaud, having been duly sworn gives evidence as follows:

Q Who first noted the absence of Cpl Michaud?

A I noticed the absence of Cpl Michaud at 1245 hrs 8 Aug 44.

Q Do you know if Cpl Michaud knew that we were proceeding on an attack or some op before he went AWL?

A I cannot certify.

Cross-examination:

Q You said a moment ago that you noticed the absence of Cpl Michaud at 1245 hrs?

A Yes, sir.

Q In what capacity did you call the pl on meal parade on 8 Aug 44?

A A/pl comd.

Q How did you notice that Cpl Michaud was missing?

A I noticed myself that he was missing in the pl.

Q You say you noticed the absence of Cpl Michaud. In what way did you notice? Did you have a roll call? Did you call the roll of the pl?

A I didn't make a roll call but I knew the men in the pl sufficiently well to see that Cpl Michaud was missing.

Q At that time did you know there was going to be a move of the bn?

A Yes, sir.

Questioned by the Judge Advocate:

Q Did you make a search yourself at noon on 8 Aug 44?

A Yes, sir.

Q Looking for the accused?

A Yes, sir.

Q What was the extent and nature of your search?

A I looked for him about one hr.

Q Have you been with the unit from 8 to 30 Aug 44?

A Yes, sir.

Q Was the accused present during that time?

A No, sir.

Q If he had been, would you have known it?

A Yes, sir.

2nd Witness for the Prosecution

Capt J P Verge, Regt de Chaud, having been duly sworn states:

I produce herewith certificate in accordance with Sec 163 of the Army Act purporting to be signed by the Commending Officer 243 Pro Coy and I identify the accused as the person to whom it refers.

The certificate is marked Exhibit "A", signed by the president and att to the proceedings.

The defence does not wish to cross-examine.

3rd Witness for the Prosecution

E/9305 Sgt Ouellette, H, Regt de Chaud, having been duly sworn gives evidence as follows:

Q What was your duty in the coy from 8 to 30 Aug 44?

A A/CSM.

Q During this time did you see Cpl Michaud in the unit lines?

A No, sir.

The defence does not wish to cross-examine.

Questioned by the Judge Advocate:

Q If he had been present would you have seen him?

A Yes, sir, because I was always in the coy lines.

Accused

D/129109 Cpl Paul Emile Michaud, Regt de Chaud, having been duly sworn gives evidence as follows:

Q Will you tell the court what happened on 8 Aug 44 at meal parade and continue from there.

A On 8 Aug 44 I was with the unit during the rest period down at Basly. My brother in the Air Force was with me then. He had come over to see me. I was all packed up on stand-to all the time. I thought that one day or another we were going to go away so that is why I was always ready. My brother came over to see me and I had not seen him since I had been in France. He asked me if I was going to be there long and he started to cry. Then I decided not to go with the unit when it went and I decided to pull out. So I went. Afterward I was residing in a house in Basly with a friend. I stayed there for 22 days. I had the intention of coming back to the unit but I did not know where it was then. The day I was coming back to the unit I got a German bicycle. That day the woman where we were residing was sick. So I could not leave the woman alone with one kid of five years. We stayed another day. We tried to find out where the unit was. It was then about 300 miles from there.

Q Could you tell me if you knew that there was going to be a move very soon?

A I did not know exactly. But since we are in the army we are always on the move. I did not know the unit was going to move the day I left.

Q Were you advised by someone in your coy that you were going to move?

A There was talk among the boys that the unit was going to move but nobody knew for sure that the unit was going to move.

Cross-examination:

Q Where were you when the Commanding Officer talked to the whole coy?

A Down to the PMR to find out if I could send some money home. I had some money in my paybook. When I came back the boys came over and told me the Col had given them a talk.

Questioned by the Judge Advocate:

Q Your brother started talking to you and then you say your brother started to cry?

A Yes, sir.

Q Why did he start to cry?

A Because he was happy to see me. He thought I was wounded or dead because he had had no news of me since I had gone to France.

Q Did you stay any time with your brother?

A Just that day.

Q Then why did you go AWL that day?

A Frankly I was knocked out. I was knocked out on account of the war and particularly because I had lost my whole Sec one day. The war can turn a man and make him what he is not.

Character Witness

D/150133 Sgt Dion, F, Regt de Chaud, having been duly sworn gives evidence as follows:

Q Do you recognize the accused?

A Yes, sir.

Q Would you tell the court what you know about Cpl Michaud?

A I met the accused in Bournemouth, England. I was sec comd at the time. His conduct was very good. I was a good friend of his. I knew him pretty well. He always conducted himself as a good soldier. Later in France he conducted himself as a good soldier. He was very good to take orders and very good to execute them.

The prosecution does not wish to cross-examine.

The prosecution does not wish to sum up.

The defence sums up:

Gentlemen, you have seen the witnesses and heard their evidence. You have seen the accused. Some evidence has been given the court proving that Cpl Michaud was absent for 22 days. But there is one thing lacking and that is proof of the intention of Cpl Michaud to desert H M Service. I hope you will understand what Cpl Michaud said a few min ago and will consider his case in that light. That is all I have to say.

The Judge Advocate addresses the court:

The prosecution submits in this case that Cpl Michaud deserted H M Service. Now he who alleges must prove. In this case the prosecution must prove that allegation. They must est two main things to your satisfaction:

(1) They must prove the facts that they allege

(2) They must convince you that those facts constitute an offence against military law, specifically desertion

It is stated in MML that the criterion between desertion and AWL is intention. In other words desertion is AWL having superimposed upon it the element of intention. This intention must be an intention on the part of the offender either

(1) never to return to H M Service or

(2) to avoid some particular important service

Now intention is never capable of positive proof. That is, it cannot be laid before the court as an exhibit or proved by oral testimony of a witness who can say that he observed the mind of the accused. It can only be implied from overt acts. This process of inference would be simple if the overt act were a definite admission by the accused that he intended to desert. But such is not the case here. I do, however, draw your attn to MML, Chap VII, para 23:

> "If a man bound by law to perform any duty does an act which necessarily causes or most probably will cause a failure in the performance of that duty, he will be held in law to have intended to fail, and therefore to have wilfully failed, to perform that duty."

In trying to arrive at a decision as to what was in the mind of the accused you must endeavor to draw inferences from all the facts proved in evidence as they existed at the time of the alleged offence.

Previously I have said that he who alleges must prove. The law presumes, and you must accept this presumption, that every man is innocent until he is proven guilty and the onus of proving that guilt is entirely upon the prosecution. If, therefore, upon any point you have a reasonable doubt, you must give the accused the benefit of that doubt. By reasonable doubt I do not mean the vague ephemeral doubt that a man who is anxious to avoid an unpleasant responsibility can conjure up in his mind. But rather it is that reasonable sensible doubt that a reasonable man in his other daily pursuits of business or military duty considers serious enough to deter him from positive action.

On a charge of desertion you may, under Army Act Sec 56, find the accused not guilty of desertion but guilty of being AWL. You may also find him guilty of attempting to desert but I suggest that in such a case as this that that would not be a reasonable finding. You may of course find the accused not guilty of anything.

Ccb

One further point arises in the present case. The charge alleges that the accused absented himself from 1215 hrs 8 Aug 44. The evidence indicates that the absence started at 1245 hrs. This is a small matter but nevertheless the evidence does not fully support the charge. Under R P 44 (D) you may bring in a special finding. That is, if you are satisfied of the other facts and are further satisfied that they prove either desertion or AWL, you may make the appropriate finding "with the exception that....etc...." and then fill in the clause that would make your finding conform with the evidence. Your form of special finding is set out on MML page 753.

CC-3

STATEMENT BY THE ACCUSED IN MITIGATION OF PUNISHMENT.

I married last August. I lived in Montreal with my wife. My wife took sick and I took her to Dixville. I went there and I came back. I stayed for a while with my wife and I came back home. I went out for another girl for a while and then I put her in a family way. She knew I was married and she told me that she won't bother me until she would be able to work. One day I was coming on the street, I turned around and they told me I had a phone from the doctor. He told me that the girl wanted to see me. I went there. She told me she couldn't work and that she would have to notify her father. Notifying the father would put me in more trouble, my wife would leave me and all that... So I turned around to get work to keep her for the time of the treatment. At that time I deserted the Army and I went to work, and I worked until the 6th of March at seven o'clock at night. Then she would be better and go back to work; so I came back to camp and reported myself to Westmount Barracks. I worked for the Wilson Coal Company. I lived on St.Hubert street, 1726, near Ontario. My wife was up in Dixville, Quebec. My wife is twenty-four and I am twenty-one. I have been in the Army since the 31st of January 1944. I have been in St.Johns and Westmount. In Westmount I was working on the street patrol and station guard. I used to be an electric welder in civilian life. I never did much work, I used to box in the States. The girl is now working but the baby is alive, Sir. While I was working I was keeping her. I told captain Beaudry about it, and he asked me why I did not ask her to go to an hospital or something. She wouldn't go in a hospital. I did not see what else I could do. If I had asked a leave to the Commanding Officer I wouldn't get it. I did not explain my situation before I went A.W.L. I did afterwards.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, Sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, Sir, through my Defending Officer.

The Defending Officer addresses the Court:

Private Martin, Sir, went A.W.L. We understand there is no reason for such an action, but Martin during the time he was away worked at $4.00 a day for the sole purpose of helping a girl that he had put in a family way. Well, would any man take his responsibilities as private Martin did? He did the best he could to help that little girl and at the same time hoping that his wife wouldn't find out about that. He does not want his life to be broken into, not only his but also his wife's. If private Martin would go through a long sentence, this would not only make him suffer but also two other people who are not responsible for that.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

L.51478 Pte McKenzie, D.A.

1. The marginally named soldier enlisted 15 Dec 41 at Regina, Saskatchewan, and he is now 21 years of age. Since enlistment he has been found guilty of 5 offences under AA Sec 15(1), of 3 offences under AA Sec 10(4), of 2 offences under each of AA Secs 9(2) and 18(4), and of 1 offence under AA Sec 40. This soldier was tried by FGCM 21 Aug 43 when he was awarded a sentence of 12 months detention for 2 offences of theft from comrades and an absence without leave of 39 days duration. On 21 Feb 44 it was directed that this sentence be suspended and he was released from detention 22 Feb 44. He was posted to a field unit 3 Mar 44 and a report from his C.O. shortly afterwards indicates that he was "a difficult soldier". On 20 May 44 his C.O. awarded a 28 day pay forfeiture for 3 offences: disobeying a command, breaking out of camp while in arrest and 2 days absence without leave, on 7 Jun 44 he committed an offence under AA Sec 40 and was awarded 4 days confinement to barracks, on 23 Jun 44 he was again charged with 2 minor offences and on this occasion his C.O. recommended that the suspended sentence be put into execution. Pending a decision on this recommendation this soldier went absent without leave. He was apprehended 23 Sep 44 and on 3 Oct 44 he was sentenced by a civil court to 3 months imprisonment with hard labour for theft and for 8 offences of receiving stolen property. After his release from civil imprisonment on 10 Jan 45 the suspended sentence awarded 21 Aug 43 was put into execution.

2. This soldier was reboarded 31 Jan 45 and placed in Pulhems Grade 85 on a diagnosis of psychopathic personality, anti-social.

3. The Neuropsychiatrist who has examined this soldier states that he is irresponsible with a history of impulsive and anti-social behaviour from child-hood, that he shows no shame or remorse for his offence and that he is wholly unfit for army service.

4. Taking into consideration this soldier's serious civil convictions, his entire army record and his failure to make any serious attempt to redeem himself when his last sentence was suspended, it is considered that he should not be discharged on medical grounds but that he should be classified as an incorrigible and be discharged for misconduct in accordance with paragraph 8 of Appendix to C.A.R.O. 1029. It is therefore so recommended. It is not considered that this soldier has misconducted himself for the purpose of obtaining his discharge.

5. It has accordingly been directed that this soldier be returned to Canada for disposal by the Adjutant General. His present sentence will expire on or about 9 Mar 45 and he will be despatched on the first convenient draft thereafter.

Some time ago I had occasion to question the accused, when I now recognise. He was under arrest and after having duly cautioned him, I obtained this statement from him which he signed in my presence. (Statement filed as Exhibit A). He did not attempt to conceal anything from me and he started to give me the statement.

No cross-examination

2nd Witness for Prosecution

F22417 Sgt. Jessome, U.J. 9th Cy. 1C.C.R.U. having been duly sworn, states.

I produce the bicycle No V.S.12505 Hercules. This is my bicycle. On July ~~4th~~ 5th at about 1200 hrs I noticed my bicycle was missing

from its usual place. I reported the matter to an guard room and I did not see it again until about 10 days later when Sgt. Collis showed it to me in a hut at our Command Post. (Bicycle filed as Exhibit "B")

We went into the camp and after many things got quiet, "Danny" went into a cupboard but 3 times and each time came out with a bike. He then broke the locks on the bikes and went into the hut a fourth time. He then brought out 3 kit bags and I took 2 of the kit bags and rode off on one of the bikes. Gallant took one with him and "Danny" took two. I went about 2½ miles past Black Water station. We then ransacked the kit bags and then went about 3 more miles and we got off and "Danny" put the bike in a swamp. We then went to Guildford. I cannot tell which one of the bikes was the one I rode away on.

Prosecution

The crux of the case hinges, in my opinion, upon the wording of the charges (2) and (3). The accused has signed a statement which has been presented to the court admitting that he put one of the bicycles to his own uses. Now three men took three bicycles; and the other two men in question have been proven to have taken two of the bicycles - it leaves only one bicycle for the accused. The accused, in my opinion, is guilty of illegal possession of one bicycle; but not guilty to the illegal possession of three bicycles.

L. C. Day-Smith,
Lieut,
(Prosecutor)

21 Aug 43

Defence.

Pte McKenzie has pleaded NOT GUILTY to the second (2) and third (3) charges. Rules of Procedure 13 sub para (3) states "Larceny of goods" "the property of several different owners should not" "be included in one charge." The accused could not ride away on 3 cycles. In his evidence he has stated that "Sammy" went in & got 3 cycles from the hut, broke the locks & that each of them rode away". In view of R.P. 13(3) & the evidence of the accused the defence asks that this charge be struck out.

Defence Plea in Mitigation.

Pte McKenzie volunteered for ACTIVE SERVICE in the Canadian Army in December, 1941, at the age of 18. He completed his basic & advanced training in Canada, as required, and was drafted overseas in February of 1943. His record of service to that time was good. It continued for some time after his arrival in England & up to this time his most serious offence has been an AWL, charge of 21 hours.

He enlisted in December 1941. Received his first leave in June 1942, after 6 months service. In June 1943 he had received no further leave, with the exception of midnight passes. He was in June of this year attached to #1 CBRD, and he decided he wanted some leave. Now I know that you will say that he shouldn't have taken it without permission. I'm sure he didn't realize the seriousness of it. He's a young soldier — not yet 20. He hasn't been used to being confined without some change from the usual routine of Army life. He is not yet fully acquainted with Army Rules & Regulations, like many of our Canadian Soldiers, with 3+4 years of Active Service to their credit.

But he's learning! True, he has taken this step which makes it just a little harder, but quicker. You might say — this is his first offence. In his heart he has resolved to make it his last.

In view of the lads youth — his lack of knowledge of Regimental Rules & Regulations. The fact that in two of these charges he was influenced by a soldier, older than himself & with a record already established, I ask this court to consider, on behalf of the accused, this statement in mitigation of punishment.

On the night of 4 July 43 I was with Pte Gallant and a bdl who I called Sammy. He was was serving 1st Div. or Corps R.C.S. Hastes. We left Guildford at 2230 hrs for Blackwater. He paid for the ticket for me. We walked from Blackwater station

Exhibit "A"

About 2 miles to a camp where Tommy said he had been stationed before. We then laid on the top of the air raid shelter and waited until the hut quieted down. Tommy removed his boots and went into a hut and came out three times each time with a cycle. He went into another hut and brought out four hit bags and a full battle dress. We then rode on my on the cycles with the hit bags past Blackdale where we opened the hit bags, and went thro them & threw four of them away & continued to a swamp where we threw the cycles in. We retained one hit bag containing various articles from the four hit bags and we caught the 09.20 train

OBJECTION TO CHARGE SHEET UNDER RULE OF PROCEDURE 32 BY THE DEFENDING OFFICER IN THE TRIALS BY COURT-MARTIAL ON THE 7 MARCH, 1945 IN ST. JOHN'S, NEWFOUNDLAND OF THE UNDERMENTIONED

D.638619 Gunner Fernand TREMBLAY - (1st Charge Only)

B.558039 Gunner Frank Julius CSULLOG

D.648754 Gunner R. McKIBBIN

The Charge objected to is laid under Section 40 of the Army Act and is common to the three Gunners above mentioned. It reads:-

"AN ACT TO THE PREJUDICE OF GOOD ORDER AND MILITARY DISCIPLINE

in that he

at St. John's, Newfoundland on the 29 September 1944, used without lawful authority public property being D.N.D. vehicle No. 74-996, occasioning damage to the said vehicle to the extent of $63.53."

It is alleged in the statement of particulars that each accused "used without lawful authority public property being D.N.D. vehicle No. 74-996". This would appear to be an offence in itself and contrary to C.A.R.O. 4558 - Use of Army Vehicles (Q.M.G. and M.G.O. Vehicles).

It is submitted that any unlawful use or use without lawful authority of a D.N.D. vehicle could result in a charge being laid regardless of whether an accident or damage occurred to the vehicle. Now, if we assume that while the vehicle is being used without lawful authority, an offence in itself, and an accident or damage to the vehicle occurs this constitutes a second or separate offence and may provide the basis of a second charge or accusation. Again, on the other hand, if a D.N.D. vehicle is used with lawful authorization and damage to it occurs through the neglect or omission of the driver a charge could properly be laid for the alleged offence.

It would appear that each accused is being charged, not with "An act to the prejudice, etc." buth with "Acts to the prejudice, etc," and as a result the charge is bad in law.

.....To Page 2

In substantiation of the foregoing reference is made to the Manual of Military Law which states:-

Rule of Procedure No. 13 page 624

(a) EACH CHARGE SHOULD STATE ONE OFFENCE ONLY, AND IN NO CASE SHOULD AN OFFENCE BE DESCRIBED IN THE ALTERNATIVE IN THE SAME CHARGE.

Footnote No. 2 E.g., a single charge under A.A. 8 (2) of using threatening and insubordinate language to his superior officer would be a bad charge as it disclosed two separate offences; similarly a single charge under A.A. 18 (4) or 41 of stealing and receiving would be a bad charge. An accused, however, may legally be charged under A.A. 41 with burglary and larceny or housebreaking and larceny, as under the Larceny Act, 1916, burglary and larceny is made a single offence, as is also housebreaking and larceny.

Footnote No. 3 E.g., a single charge under A.A. 8 (2) of striking or offering violence to his superior officer would be a bad charge, as it discloses two separate offenses. But the use of the word "or" in a charge, i.e. in the statement of the offence, is permissible where the charge discloses only one offence; e.g., a charge under A.A. 15 of "when in garrison being found beyond the limits fixed by general orders without a pass or written leave from his commanding officer" would be a good charge, because the accused is not charged with one of two offenses, but with a single offence, which is constituted by his having neither a pass nor written leave. If in the charge the words "beyond the limits fixed by general or garrison orders" were used, the charge would be a bad charge because it might be one offence to be beyond the limits fixed by general orders, and another offence to be beyond the limits fixed by garrison orders.

Reference is made herewith to Digest of Opinions and Rulings from the office of the Judge Advocate General, March 31 1944 edition, page 97,

COURTS-MARTIAL - CHARGES - Particulars - to be in accord with

Particulars should refer to the charge which they are alleged to support. They should not overlap or conflict with the charges or the particulars thereto; much less should they refer to cha charges not laid against the accused. Each charge and the particulars thereto should be confined to one offence. So on a charge of "neglecting to obey such standing orders," the particulars should not contain two separate instances of disobedience. Even if they both occurred in the one tour of duties they could not be considered a "single transaction within the meaning of R.P. 13 Note 3. Also, the particulars to one charge should not recite two separate occasions of absence without leave. And in a case where the charges of "using violence", "offering violence" and "using threatening language" are possible, each charge laid should be stated with the appropriate particulars in support, not with the particulars suitable to another charge. And where the charge and particulars recite "when in lawful custody escaping" the particulars should not go on to allege an absence without leave from the time of escape to the time of apprehension.

(T.E. Dunn) Major
Defending Officer

Thompson, Major
Pres. DCM.

REPLY BY PROSECUTOR

I answer to the submission of the Defending Officer, I will refer the Court to Article 137 of the Army Act and to footnote 4 including the amendment of June, 1942, and also to JAG Circular Letter No. 10, dated 10 January, 1944, paragraph three which states: "Charge No. 1 on the attached sheet deals with the unauthorized use of a D.N.D. vehicle and includes in the charge the costs of damage done to the vehicle, if any. It is felt that the inclusion of the cost of damage does not make for a duplicity of charges in the one charge and that it is authorized by Note 4 of Section 137, Army Act."

The Court is closed to consider their decision.

The Court is reopened and the following decision is made known to the accused by the Judge-Advocate:

Considering the provisions of Article 138 of the Army Act, Section 3, and note 4 to Section 137, together with JAG Circular Letter No. 10 dated 10th January, 1944, the Court disallows the objection.

The Court proceeds with the trial.

SUMMARY OF EVIDENCE

in the case of

No. 648754 Gnr. Raymond McKibbin, H.Q. 25th AA Regiment, R.C.A., C.A., a soldier of the Canadian Army placed on active service.

Charge ---

1. An act to the prejudice of good order and military discipline.

The Commanding Officer directs that the evidence be taken on oath.

First Witness

Lt. D.J. Rutherford, 24th AA Bty, 25th AA Regt, R.C.A., C.A., having been duly sworn states:--

I am M.T. Officer of the 24th AA Bty. Shortly after 2300 hrs. 29 Sep 44 I was informed that a Jeep had been involved in an accident on New Gower St. In company with Capt. P.G. Campbell I visited the scene of the accident and saw a Jeep with the tactical sign of H.Q. 25th AA Regt. R.C.A. lying on its left side at the corner of Princes and New Gower Sts. The rear wheels were against a building and the top and windshield were badly damaged. The occupants had been removed before I arrived. There were tire marks near the centre of New Gower St. at the intersection. There was a manhole cover approximately 1½" below the level of the pavement on New Gower St. over which the skid mark passed, but the tire marks continued. I saw Capt. Campbell turn the steering wheel and the front wheels seemed to be operating satisfactorily. By an entry in Battery Part I Order No 36 dated 21 Sep 44 all drivers were instructed that vehicles could not be used without a Transport Work Ticket signed by an Officer authorizing the trip.

The accused declined to cross-examine.

D J Rutherford Lt

Second Witness

Lt. H.H. Bezanson, H.Q. 25th AA Regt. R.C.A., C.A., having been duly sworn, states:--

At the time of the accident, I was acting Transport Officer for H.Q. 25th AA Regt. R.C.A. No vehicle under the control of H.Q. 25 AA Regt. R.C.A. was allowed to leave Calver's Field at any time without the authority of a Transport Work Ticket signed by an Officer. This authority gives the driver permission to drive the vehicle to and from the destination marked on said Work Ticket. After 1800 hrs daily each Work Ticket was to be signed by the Orderly Officer, C.O. or adjutant. This work Ticket had to be shown to the sentry at the only entrance to Calver's Field. No vehicle was to leave the Field without this authority, and it was one of the duties of the sentry at the entrance to check Work Ticket of each vehicle leaving the Field. All drivers of H.H.Q. understood these instructions. I hereby submit Certified True Copy of Transport Work Ticket dated 29 Sep 44 for DND Vehicle No. 74-996. It shows the last authorized trip ended at 1700 hrs.

The accused declined to cross-examine.

H H Bezanson Lt

Third Witness

No P-4479 R.S.M. Catt, A., H.Q. 25th AA Regt. R.C.A., C.A., having been duly sworn, states:--

On the night of the accident, 29 Sep 44, I was Orderly Officer in Calver's Field. At about 2300 hrs., I was informed that there had been an accident with one of the vehicles of the 25th AA Regt R.C.A. Capt. P.G. Campbell told me of the accident and that he was going to the scene of the accident. I then notified RCEME and the C Pro C of the accident. I then went to the guard at the entrance to Calver's Field to see if any of R.H.Q. vehicles had gone out. Gnr. Bona was on duty at the entrance at the time and I asked him if he had seen a vehicle leaving Calver's Field while he was on duty. He said no. I went to see Gnr. Ducharme who was the sentry on duty previous to Gnr. Bona, D. and asked him the same question. He said no. I checked with the log book which is kept in the sentry box for the purpose of checking vehicles in and out of the Field, and there were no entries for any vehicles after 1800 hrs., that date. I had signed no work orders for any vehicle that night after 1800 hrs. I submit Orders for Regimental Police dated 22 Feb 44 which Orders governed the duties of the Picquet at Calver's Field on 29 Sep 44.

The accused declined to cross-examine.

A. Catt R.S.M.

Fourth Witness

No B-558039 Gnr. Csullog, F.J., 24th AA Bty., 25th AA Regt., R.C.A., C.A., having been duly sworn, states:--

On 29 Sep 44 in the evening, I was at the Bofors Hut, Calver's Field, and I met Gnr. Tremblay, F. and Gnr. McKibbin, R. there, and the talk got around to getting something to eat. Someone suggested that we three get something to eat at the Y.M.C.A., on Water Street West. A Jeep pulled up in front of the Gunners' Hut and I got in and we went to the Y.M.C.A. and got sandwiches. We left the Y.M.C.A. and started back to camp in the Jeep. We stopped at a store and got some Cokes and we all got back in the Jeep and started out again. On New Gower St., we made a left hand turn and the next thing I knew I was on the ground beside the Jeep. I was picked up and brought to the General Hospital. Then the Navy Ambulance picked up Gnr. Tremblay, F. and myself and brought us to the R.C.N. Hospital. Gnr. Tremblay was driving the Jeep when it pulled up in front of the Gunners' Hut. He drove all times up to the time of the accident. When the Jeep left Calver's Field, Gnr. McKibbin, R. was in it all the time up to the time of the accident. When the Jeep left Calver's Field, the Jeep did not stop at the gate. I did not notice anything on the road in front, just before the Jeep made the left hand turn on New Gower St., because I was looking back at the time.

The accused declined to cross-examine.

F.J. Csullog

Fifth Witness

No D-638619 Gnr. Tremblay, F., 24th AA Bty., 25th AA Regt., R.C.A., C.A., having been duly sworn, states:--

On the night of 29 Sep 44, I met Gnr. Csullog and Gnr. McKibbin in the Bofors Hut. Sometime after 2100 hrs., we decided to go down to the Y.M.C.A. for a lunch. We all got in a Jeep and left Calver's Field slowly but I didn't stop and didn't have any lights on. I didn't see the picquet. We drove to the Y.M.C.A. and Gnr. McKibbin and Gnr. Csullog went in and brought back some sandwiches.

They got in again and we drove back towards Calver's Field. We stopped for a Coca-Cola on New Gower St. We got in again. I was driving and Gnr. McKibbin was in the back seat and Gnr. Caullog in the front. I decided to go to the No. 4 Site, 24th AA Bty R.C.A. at George St. to pick up the mail. I turned from New Gower St. into Prince St. and after that I don't remember anything until Capt. Campbell and Mr. Rutherford were talking to me in the R.C.N. Hospital.

The accused declined to cross-examine.

Trumbley

Sixth Witness

No V-25678 J.A. Lambert, Shipwright RCNVR having been duly sworn states:--

On the night of 29 Sep 44 at about 2300 hrs., I was walking west on New Gower St. by the Belmont Tavern, when I saw a Jeep going west on New Gower St. As this Jeep turned into Prince St., it seemed to slide and it turned over. I rushed across the street to see if the occupants were hurt and to help if necessary. I found that two Canadian Army soldiers who were in it were hurt and as I was assisting one out, two Civilian Policemen arrived. These policemen put one in a civilian car and one drove away with him. The other Policeman noticed the second soldier and stopped another car and put him in it and I went with him and the Policeman to the General Hospital. When we got there, both injured soldiers were there and they were refused treatment. The Civilian Police then phoned the RCN Hospital for an ambulance, and we all went there. The injured soldiers were taken over by the Duty M.O. Surg. Lt. Comd Viger. From there, I went back to the CID Office and made a statement; I then went home. I hardly think I would recognize the injured soldiers.

The accused declined to cross-examine.

Seventh Witness

Lt. G.D. Hare, "W" Force Coy R.C.E.M.E., C.A., having been duly sworn states:--

I am Officer in charge M.T. Workshops, R.C.E.M.E., St.John's, Nfld. I hereby submit statement of actual repairs to DND Vehicle No 74-996 totalling $63.53. These prices are based on the accepted arrangement for the pricing of parts and labour in matters of collision damage in Newfoundland. These prices are fair and reasonable.

Officer Detailed to take this Summary of Evidence

APPENDIX "A"

The accused is hereby advised that two more witnesses will be called at the trial, viz: Lt-Col. R.F. Capel and Capt. T.R. Montgomery and herewith is an abstract of their evidence:

Lt-Col. R.F. Capel:

On 29 Sep 44, I was Commanding Officer, 25th AA Regt., R.C.A., C.A. Three Officers - myself, the Adjutant and the Orderly Officer were allowed to authorize the use of vehicles from Calver's Field after 1800 hrs. on that day. I did not authorize the use of DND vehicle No. 74-996 during that period.

Capt. T.R. Montgomery:

I am Adjutant, 25th AA Regt., R.C.A., C.A. On 29 Sep 44, three Officers of which I was one, were allowed to authorize the use of vehicles from Calver's Field after 1800 hrs. that day. I did not authorize the use of DND vehicle No. 74-996 during that period. On 24 Sep 44, Regimental Part I Order No. 88 was promulgated and posted, paragraph 12 of which states that an Officer must sign Transport Work Tickets, and that the driver of a vehicle who takes out a Government owned vehicle without the signature of the Officer authorizing the journey will be charged with disobedience of orders. This Order is a reproduction of W Force Order No. 553 dated 19 Sep 44. Copy of Regimental Part I Order No. 88 dated 24 Sep 44 is filed as Exhibit "D".

ADDRESS BY DEFENDING OFFICER

The accused Gnr McKibbin has pleaded guilty a member having taken DND vehicle 74-996 on 29th September, 1944, in conjunction with two other gunners. He was not the driver of the vehicle but the three took the Jeep together down to the Y.M.C.A. for sandwiches. On the way back an accident occurred and D.N.D. Vehicle was damaged. Gnr McKibbin has been willing to share the responsibility for this accident and the cost of repairs to the vehicle with the other two gunners. Captain Montgomery has stated as a character witness that his services with the Unit has been highly satisfactory and that he was employed as a driver and motor mechanic. Since the accident enough faith has been placed in him to have him serve as a driver again. It was a mistake the three of them made but one that could have happened on a perfectly legitimate journey.

By the Court:

Q There is a change where it now reads $10.00 and a change where it now reads $5.00 ?

A Correct, Sir.

By the Prosecutor :

Q So you were investigating. Will you go on ?

A I traced that letter from the time it was handed into the central post office in Camp Shilo. It was there a short time when their records show that it had been handed over to Private Morley who was employed as a postal clerk at the Paratroops post office. I went into the angle as to whether the letter could have been possibly changed in the central post office and I seized their ink for possible comparison purposes. Then I went to the Paratroops and when I was there I seized the ink from the post office there. In the meantime I had found that the letter arrived at the Paratroops post office on the afternoon of the 30th December, 1944, and remained there all night until handed over to Private Kelbert on the 31st of December, 1944. During that time the post office was in the sole charge of Private Mabel Mae Morley. I had some conversation with her. I told her that I was distinctly suspicious that she had been responsible for opening this letter. She then told me that she was sorry for the whole thing and she wished to make a statement. I told her then she was not obliged to say anything unless she wished to do so but whatever she did say would be taken down in writing and may be produced as evidence against her. I explained to her that she had nothing to fear from any threat or anything to hope from any promise that may have been held out to induce her to make a statement. She then made a statement concerning the letter which I wrote down, read over to her and which she signed.

Q What is this you are producing ?

A That is the statement as I wrote it down, Sir.

Q You say she signed it. Where is her signature ?

A Right there, Sir (indicating on statement).

Q Who wrote the statement ?

A I wrote it out, Sir.

Q And what happened just after you wrote it ?

A It was read over to her and she signed it.

By the Prosecutor :

I would like to file this statement as an exhibit, Sir.

By the Court:

Captain Meuller, before the Court examines this document you have the right if you wish to cross-examine this witness as to the circumstances under which this statement was obtained.

By the Defending Officer :

I would like to cross-examine the witness at this time, Sir.

By the Court:

You may proceed.

Cross-examined by the Defending Officer :

Q You say you went to the A35 unit post office and seized the ink ?

A That is correct, Sir.

Q At that time who was in the unit post office ?

A Corporal Shepperd and the accused.

Q I understand you seized the ink and left the post office ?

A Correct, Sir.

Q And that several hours later you returned to the post office ?

A Correct, Sir.

Q And at that time you asked to see the accused alone ?

A I did, Sir.

Q And Corporal Shepperd left the post office ?

A She did.

Q The first time you were there you made general enquiries as to the handling of registered letters ?

A Correct, Sir.

Q And made certain enquiries concerning the letter we have here as Exhibit "G" ?

A Yes, Sir.

Q You then took the ink and left and returned several hours later ?

A I did so.

Q Then when Corporal Shepperd had left the post office you told the accused you were not quite satisfied with the answers to the questions you had given her the first time and you would like her to make a statement ?

A That is not so.

Q Then you asked her name, number, rank and employment ?

A No.

Q You told her you were taking the statement down in writing ?

A I did not. She told me she was sorry for the whole thing.

Q The caution that you have given to the Court, is that the verbatim caution you gave at the time ?

A No, Sir.

Q Did you read it out to her ?

A No, Sir.

Q You then proceeded to ask her questions -- her name, rank and so on ?

A Yes, I asked her name and age to start with.

Q And you took this down ?

A Exactly. I took down what she said.

Q You asked her other questions concerning the letter ?

A No. She gave me her story just as she wanted to say it.

Q After you gave her the caution you then asked her age and her name ?

A Yes, Sir.

Q Did you ask any other questions after that ?

A Yes, Sir. Following the statement we had quite a lot of conversation.

Q Previous to her making the statement did you ask any further questions ?

A Not that I can recollect.

Q After you had given her the caution and asked her name, age, address, she made this complete statement we have here ?

A I may have asked her to explain a certain point.

Q What point for instance ?

A In the course of her conversation if there was something that I did not understand I would stop her and say "What do you mean by that?" "Do you mean to say so and so?".

Q Outside of that this is a verbatim statement she made without any questions being asked whatsoever ?

A Yes, Sir.

Q And this complete statement is what she said in her own words ?

A That is her own story. As I say I may have asked her to explain certain things that I did not understand.

Q There were no other questions ?

A Yes, following that statement.

Q Until such time as this was written down you never asked any other questions ?

A No, Sir, not that I can recall. She wanted to get the thing off her mind and she went ahead and did it. That is the sum and substance of it.

Q After you took this down then did you not say to her that she had better sign otherwise the letter and ink would have to be sent to the Regina laboratories for analysis ?

A No, Sir. I didn't say anything like that concerning the signing of the statement. She signed the statement. The accused asked what I wanted to take the ink for and I explained exactly what I wanted it for.

Q Did you tell Captain Greene, the adjutant, that you had told the accused that the ink and the letter would be sent to the Regina laboratories for analysis ?

A No, Sir. I told him that I didn't think it would be necessary in view of the statement made by the accused for me to go to that expense and for that reason it wasn't sent to Regina.

Q You didn't tell the accused that if she didn't make the statement the letter and the ink would be sent to Regina ?

A I definitely did not.

Q Did you not also tell her that if she made the statement it would save the waste of a lot of time and trouble and that the matter would be settled much more quickly ?

A It is quite possible I did say something along those lines. As a matter of fact in discussing the case before --

Q Did you tell her that if she did sign the statement it would save time and trouble and that the matter would be settled more quickly ?

A No, I did not. You stopped me. Just answering your question as you put it to me I did not.

Q And tell her that it would save time and trouble and that the matter would be dispensed with more readily ?

A No, Sir. It is possible I did say something of that kind but not concerning her signing the statement.

Q Was that at the time the statement was being taken ?

A Before the statement was ever taken.

Q That was said when ? -- On the second occasion that you spoke to her ?

A On the second occasion I spoke to her. I advised her to tell me the truth and I told her what I was going to do.

Q After she had signed the statement did you say something along these lines "That's fine. It will go a lot easier with you now that you have made a statement." ?

A I don't recollect that I did.

Q You may have said that ?

A I don't recollect that I did.

Q And this is all your handwriting ?

A That is my writing.

Q After you had taken this down you read it over to the accused ?

A I did.

Q Did you give her a chance to read it herself or did you just read it over to her ?

A I just read it over to her. We were sitting at the table like this and she could see it.

The Prosecutor declines to re-examine.

By the Court:

Captain Mueller, are you satisfied that this statement was made voluntarily ?

By the Defending Officer :

No, Sir. I would like to call the accused as a witness.

By the Court:

You object to the statement going in at the present time ?

By the Defending Officer:

Yes, Sir.

By the Court:

What do you wish to do ?

I wish to call the accused as a witness just on that one point, Sir.

By the Court:

Do you wish to give evidence concerning this statement ?

By the Accused :

Yes, Sir.

By the Court:

Very well, Captain Mueller. You may proceed.

No. W.100212, Private Mabel Mae MORLEY, A35 Canadian Parachute Training Centre, C.A., being duly sworn, is examined by the Defending Officer :

Q On the 15th of March, 1945, Corporal Peach of the R.C.M.P. came to the A35 post office ?

A That is right, Sir.

Q About what time was that ?

A It was about eleven o'clock in the morning.

Q Who was with you at the time ?

A Corporal Shepperd was in the post office with me.

Q And did Corporal Peach return to the post office later ?

A He came back around three o'clock, Sir.

Q In the afternoon ?

A That is right, Sir.

Q What did he tell you then ?

A He asked to see me alone so Corporal Shepperd went out.

Q Yes ?

A He said that he thought that I knew more about the business than what I had said and he wanted to talk it over. So we sat down and talked it over and he did ask me questions through the statement.

Q Did he give you the caution that you were not bound to say anything but whatever you did say would be taken down in writing and used in evidence at your trial ?

A I don't remember rightly, Sir, but he could have.

Q You don't remember ?

A I don't remember.

Q He then asked you a number of questions -- your name and age and employment ?

A That is right, Sir.

Q What else did he ask you ? -- Did you then make a statement or did he ask you questions ?

A Most of the statement was made up of answers to questions he asked me.

Q About how many questions did he ask you ?

A I don't know. There was possibly eight or ten. I am not sure.

Q Were these questions he asked you merely to clarify some points which arose or were they direct questions ?

A In a way some of them were.

Q Some of them were direct questions ?

A That is right, Sir. Some of them were direct and some were just parts he wanted to make sure of himself.

Q And out of these eight or ten questions how many would be direct questions ?

A I don't remember, Sir, but most of them were.

Q Then in answer to these questions, direct or indirect, he wrote out this statement ?

A That is right, Sir. He wrote it out as we went along.

Q Did he say anything to you then before you signed the statement ?

A I believe he asked me if I would sign it and I said I would and after I signed it he said something to the effect that it would be much easier on me that way since he had got the statement.

Q Is there any other statement he made to you before you signed the statement ?

A I don't remember, Sir. I remember part of him saying something to the effect that the letter and the ink would have to go to the Regina laboratories for further investigation.

Q He told you that before you signed the statement ?

A I don't remember exactly when he said it. It was some time during our conversation.

Q Do you know whether that was before or after you signed the statement ?

By the Court:

She said she didn't know.

A I can't be sure, Sir.

By the Defending Officer :

Q Was there any other conversation before you signed this statement ?

A No, I don't think there was, Sir.

Q Corporal Peach wrote this statement as a result of a statement you made and questions and answers ?

A That is right, Sir.

Q And then he read it over to you ?

A That is right, Sir.

Q Did you read it yourself ?

A No, I didn't, Sir.

Q What conversation then did you have before you signed it ?

A He just asked me if I would sign it, Sir.

Q And there was no further conversation ?

A No, Sir.

Q There was not ?

A No, I don't think so, Sir.

Cross-examined by the Prosecutor :

Q When Corporal Peach of the Mounted Police saw you on the 15th of March, 1945, you recognized him as belonging to the police force did you ?

A No I didn't, Sir, until he told us.

Q When did he tell you ?

A He came in and explained his business to us.

Q As soon as he came in ?

A When he came in.

Q And told you who he was ?

A He told us who he was and what he was there for.

Q He told you he was connected with the R.C.M.P. did he ?

A That is right, Sir.

Q You heard him say in his evidence here this morning that he warned you before getting your statement and that he warned you that you did not have to say anything if you didn't wish to but that anything you did say would be taken down in writing and used as evidence against you ?

A I did, Sir.

Q You don't dispute that is a true statement do you ?

A No, Sir.

Q You believe what he said here ?

A I don't exactly remember him saying it, Sir, but he could have said it.

Q And when he was writing down this statement you saw what he was writing didn't you ?

A I didn't watch him, Sir.

Q How far away from him were you ?

A We were just sitting alone the same table.

Q Side by side at the table ?

A That is right, Sir.

Q Was it after making this statement or before making this statement that Corporal Peach suggested you were trying to shield somebody else ?

A It was after, Sir.

Q And you still maintained then you wanted to stick by this statement you had made didn't you ?

A That is right, Sir.

The Defending Officer declines to re-examine.

By the Court:

Q When the constable completed the statement did you have an opportunity to read it ?

A No I didn't, Sir.

Q Could you have read it if you had wanted to ?

A I may have been able to glance at it, Sir, but I couldn't have read it right through.

Q Was the statement put in front of you to sign ?

A That is right, Sir.

Q Consequently you could have read it ?

A Corporal Peach held the statement. It was in a book of his and he held out the book to me and I signed it. It was at the bottom of the second page, Sir.

Q That was after he read it over to you ?

A That is right, Sir.

Q Now the conversation about the ink and the envelope and letter -- did that take place before you signed the statement or afterwards ?

A That took place in the morning when he was in, Sir.

Q Did he direct that statement to you or did he just make a general declaration as to what he was going to do ?

A He just asked us if we would mind him taking it for a while. He wanted to make some analysis of it.

The witness resumes her seat.

The Court in accordance with Rule of Procedure 86 (D) recalls Detective (Acting Corporal) PEACH, who on his former oath states in reply to the President as follows:

By the Court:

Q Witness, the conversation about having the ink in the post office and the letter analysed, did that take place when you took the ink from the post office ?

A Yes, Sir, in the first instance at the time Corporal Shepperd was present and it is possible that there was more conversation about the ink afterwards. I won't be positive. In fact they wanted to know why I wanted the ink. The accused said "Everybody in Shilo has ink like this", but I said I wanted it anyway.

Q Could the accused have read over that statement before she signed it ?

A She was right beside me. She could see what was being written down and she knows what she said. She knows there is nothing down there she didn't say.

The Defending Officer declines to have further questions asked through the Court.

By the Court:

The Court sees nothing to lead it to believe that this was not a free and voluntary statement. From both the evidence of the constable and the accused it seems to the Court that the statement was obtained fairly and within the rules. The statement will therefore be admitted.

Statement of the accused is read, and is marked "H", signed by the President and attached to the proceedings.

The Prosecutor proceeds with the examination of the witness.

By the Prosecutor :

Q What about these samples of ink that you took ?

A I still have them, Sir.

Q Nothing more was done about them ?

A No, Sir. I didn't think I was justified in going to the expense of taking them to Regina which I would have done personally and it would have cost a lot of money.

7 The Defending Officer declines to cross-examine.

The witness withdraws.

By the Prosecutor :

That is the evidence for the Prosecution, Sir.

At 1200 hours on the 18th day of April, 1945, the Court adjourns until 1400 hours on the 18th day of April, 1945.

On the 18th day of April, 1945, at 1400 hours, the Court is re-opened.

The Defence submits that a prima facie case has not been established by the Prosecution with respect to both charges.

(See document marked "I" attached).

The Prosecutor answers.

(See document marked "J" attached).

The Court disallows the submission of the Defence and the decision is announced.

The Court proceeds with trial.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to submit a written statement, Sir.

(See document marked "K" attached).

Question to the accused. Do you intend to call any witness in your defence?

Answer. Yes, Sir.

Question to the accused. Is the witness to be called a witness as to character only?

DEFENDING OFFICER'S SUBMISSION OF 'NO CASE'

Sir, I submit that the Prosecution has not established a prima facie case against the accused and that she should therefore be dismissed.

I make the motion on the grounds that the Prosecution has not brought out any evidence to support the charge that she did on the 20th day of December, 1944, steal $5.00 from a registered letter or that she did on the 20th day of December, 1944, improperly alter figures in a certain letter. At no time during the case for the Prosecution has the date "20th December" been mentioned. The evidence of Corporal Shepperd and the records show that the letter was not received by the post office until the 30th of December, and I move for dismissal on those grounds.

F. J. Gillen Major
President, S.C.M.

" J "

PROSECUTOR'S ANSWER TO DEFENDING OFFICER'S SUBMISSION OF 'NO CASE'

Sir, the error in the date was noticed by the Prosecution earlier today and I submit that it is not so material as to go to the root of the matter and that there is a prima facie case against the accused supporting the two charges that have been laid.

I will ask the Court to look at Rule of Procedure 44 (D) in which it says: "Where the Court are of the opinion as regards any charge that the facts which they find to be proved in evidence differ materially from the facts alleged in the statement of particulars in the charge, but are nevertheless sufficient to prove the offence stated in the charge, and that the difference is not so material as to have prejudiced the accused in his defence, they may, instead of a finding of "Not guilty" record a special finding." Then there is the reference in Note 6, which is as follows: "The special finding here referred to relates only to the particulars of the charge, and not to the statement of the offence""--Before recording a special finding under this paragraph, the court must be satisfied that the facts which they find to be proved, subject to certain exceptions and variations, amount to the substance of the charge, otherwise they must acquit". "--An immaterial variation of the date may be made by special finding but in cases of desertion or absence without leave the substitution of a date which would have the effect of lengthening the period of absence alleged in the charge would not be permissible." The Court will note that the first sentence in the note which I read says that a special finding can be made with reference to the things that are in the particulars. There is the whole substance of the matter.

The charges are "An act to the prejudice of good order and military discipline". Both charges are the same. In the particulars there is an error and it is that the date was put in as the 20th instead of the 30th. I might say that this charge sheet has been in many hands before it reached me but the blame is on me because I was the last to deal with it.

This is just a little matter of the particulars and at the same time that the charge was drawn the summary of evidence was made up and the accused or her representative had a copy of the summary of evidence as well as the charge sheet. Therefore the accused was not prejudiced by this error. It can be easily understood that somebody typing the charge sheet struck a "2" on the typewriter instead of a "3", although it is funny to see the same mistake in the particulars of both charges. It could have been that there was some handwriting that made a "3" look like a "2". In any event the intention was to make the particulars relate to the 30th.

Referring again to the same Note :"An immaterial variation of date may be made by special finding". That is the root of the matter that is before this Court. "--but in cases of desertion or absence without leave the substitution of a date which would have the effect of lengthening the period of absence alleged in the charge would not be permissible." That is the only exception that they state. The substitution of a date which would aggravate the offence, make it more serious than that charged, would not be allowed, but I submit that altering the date here by special finding would not aggravate the charge in any way.

I submit that it is not material and that it comes within this Note here. "An immaterial variation of the date". It is immaterial because the change does not prejudice the accused because the accused knew from the summary of evidence, and that includes a copy of the substance of the evidence to be given by the R.C.M.P., that it was the 30th of December and it is not the charge itself that I am asking the Court to vary but only a little thing in the particulars.

We find with regard to the date in the particulars that in Appendix 1, Page 701, paragraph (19), it is stated "The 'particulars' should always state the date on which the offence was committed. If the exact date or time is unknown, the offence may be stated as having been committed 'on or about' a particular day or time. This must never be done where the time is of the essence of the offence, as, for example, the case of absence without leave or being drunk on a post". Paragraph (20)"In some cases the offence may be stated with most accuracy as having been committed between two days or between two times; as, for instance, in the case of absence without leave, or of quitting a post; in other cases 'between' may be used in consequence of the exact day or exact time not being known". and paragraph (21) "The words 'or near' and 'or about' and 'between' should never be used unless it is impossible to express the exact place or time, or the exact place or time is clearly unimportant, or unless the word 'between' is the most accurate expression of the place or time." Paragraph (22) "In many cases, as, for instance, where the defence is an alibi, the time and place may be of the utmost importance in proving that alibi, although they are not the essence of the offence." There does not seem to be anything else in here. So I should say the remarks that appear in the Appendix do not alter the Note I have read.

By the Court:

Except that they emphasize the fact that the date should be set out in the particulars of the charge if the date is known.

By the Prosecutor :

The date is set out here, Sir, but as the date is wrong there should be a special finding as it is not material.

By the Defending Officer :

I contend, Sir, that the date in this particular offence is very material. The whole charge revolves around that particular date and as there is nothing which mentions the 20th in the evidence I think it is very material.

At 1500 hours on the 18th day of April, 1945, the Court adjourns until 1000 hours on the 19th day of April, 1945.

On the 19th day of April, 1945, at 1000 hours, the Court is re-opened.

By the Court:

Captain Mueller, with respect to your motion of 'no case', the Court has decided that under the Routine Order 4565, paragraph (14) the Court has power to make the necessary amendment or alteration to the charge sheet and such amendnemt will be made. The date will be altered to read "the 30th day of December, 1944" instead of "the 20th day of December, 1944".

STATEMENT made by W.100212, Pte Mabel Mae MORLEY, at Shilo Camp, Manitoba:-

1 I am a CWAC private presently attached to No 32 Coy, CWAC, Shilo Camp.

2 From 16 Feb 44 to 15 Mar 45 I was on strength of A35 CPTC, Shilo Camp, and employed in the unit post office.

3 On Thursday, 15 Mar 45, at about 1100 hrs, A/Cpl Peach of the RCMP came to the A35 unit post office where I was working with Cpl Marguerite M Shepperd (CWAC NCO in charge of the post office). He informed us that he was making inquiries regarding the theft of some money from a letter that passed through our post office in December, 1944. He stated that some changes had been made to certain figures in the letter and wanted our bottle of ink to compare with that used to make these changes. He made general inquiries as to the method of handling mail and recording of registered letters. He then took our bottle of ink and left.

4 At about 1500 hrs the same day, 15 Mar 45, A/Cpl Peach returned to the post office and stated he wanted to see me alone. When Cpl Shepperd had left us he said "I think you know more about this letter than you've told me. I want you to make a statement which I will take down--you just answer my questions". He then proceeded to ask me my number, name, age, employment, etc., and questioned me regarding the theft of $5.00 from a registered letter addressed to Pte C Kelbert at A35 on 30 Dec 44. He asked me many questions and I was rather confused and may have admitted to him that I had taken the money and made certain changes in the letter, but he kept putting questions at me and I was not quite sure of what I was saying.

5 A/Cpl Peach took notes of what I said and wrote it all down in a narrative form though the information he obtained was the result of numerous questions and answers.

6 When he had written the story down he read it over to me but did not give me a chance to read it. He then handed me a pen and said "I'd sign this if I were you, otherwise the ink and letter will have to be sent to the RCMP laboratory in Regina for analysis. This will waste a lot of time, cause more trouble and the matter will be left hanging over your head so much longer". I could visualize myself being kept in confinement for an indefinite period with no passes or leaves and being held in ridicule by the other members of the CWAC so I signed the statement. After I had signed it, Cpl Peach said "That's fine, it will go a lot easier with you now than if we had had to go through with the investigation".

7 On Monday, 19 Mar 45, I was called to Camp HQ where I was told that a Summary of Evidence was being taken. Cpl Marguerite Shepperd came and made a statement under oath and I was asked if I wanted to cross-examine her, which I declined to do. Pte C Kelbert of A35 was supposed to be there also but he did not show up and I was told I did not have to wait for him but that they would contact me as soon as they found him. Before I left I was cautioned and asked if I wanted to make a statement. I answered that I had nothing to say and that I did not desire to call any witnesses on my own behalf.

8 I was later shown a copy of the Summary of Evidence wherein it states I was present when Pte. Kelbert made his statement and that I declined to cross-examine him. I had not known that Kelbert had made a statement until I read the Summary of Evidence.

SIGNED at Shilo Camp, Manitoba, this 16th day of April, 1945.

DEFENDING OFFICER'S STATEMENT IN MITIGATION

Sir, in making a plea in mitigation of punishment I would ask the Court to bear in mind that this girl is only 23 years of age, coming from a farm district near Clear Lake, Manitoba. She volunteered on her own on the 3rd of May, 1943, to join the C.W.A.C. Canadian Active Force. She completed her basic in June and July and came to Shilo Camp on the 3rd of July, 1943. She has been in Shilo Camp ever since then. She was at Camp Headquarters for a little while as a waitress and then she worked at A35 canteen until January, 1944, after which she was transferred to the unit post office at A35.

According to all information from her superiors and people she has worked with she has been a good willing worker, conscientious, appears to do her best and tries as hard as possible to do what she is asked to do within her ability.

If she is to get the extreme penalty that the Court might impose she would be left alone and have to forego the benefits of the service for which she volunteered.

I have a memorandum here from the acting Officer Commanding of the No. 32 Administrative Unit, C.W.A.C. with a note from the District Placement Officer that if this girl was given some lighter sentence that they are quite willing to take her into District and give her other employment. They are quite satisfied that she is a good, conscientious worker and would like to keep her in the service and will find some proper employment for her.

On the charge of the theft of $5.00, Private Morley saw fit to return the $5.00 to Private Kelbert some time in the early part of this month. Restitution has been made.

There has been no other serious charge against this young girl at any time during her more than two years service with the C.W.A.C. excepting the few minor AWL charges, which I maintain are not serious.

The accused has been employed as a waitress and was working in the canteen and since then worked in the post office so I imagine her duties would come under the heading of general duties. She has no specialist trade or qualifications, but the District Placement Officer is quite prepared to re-allocate her to different work where she might render valuable service.

SUMMARY OF EVIDENCE

in the case of

The accused, No. W100212 Private Mabel Mae MORLEY, No. 32 Administrative Unit, Canadian Women's Army Corps, a Volunteer of the Canadian Army placed on Active Service.

CHARGES: 1. An act to the prejudice.
2. An act to the prejudice.

THE OFFICER COMMANDING DIRECTS THAT THE EVIDENCE BE TAKEN ON OATH.

FIRST WITNESS: No. W100313 Cpl. Marguerite M. Shepperd, A35 C.P.T.C., having been duly sworn, states;

I am No. W100313 Corporal Marguerite M. Shepperd, C.W.A.C. and I am attached to A35 C.P.T.C. and am the N.C.O. in charge of the unit post office. I know the accused, No. W100212 Private Mabel Mae Morley, who is employed with me in the A35 C.P.T.C. post office at Shilo Camp, Manitoba.

From the 28th day of December, 1944, until the 6th day of January, 1945, I was on leave and Private Morley was in charge of the post office. I produce the postal register of A35 C.P.T.C. which shows that a letter or parcel was received at the unit post office on the 30th day of December 1944 which originated at St. Ouens and was addressed to C. Kelbert. The entry is in the handwriting of Private Morley.

SECOND WITNESS: No. H613511 Pte. Clarence Kelbert, A35 C.P.T.C., having been duly sworn, states;

I am No. H613511 Private Clarence Kelbert, A35 Canadian Parachute Training Centre, and I am employed at the Centre on general duties. I recognize the accused, Private Morley, who works in the post office at A35 C.P.T.C.

On Sunday, the 31st day of December, 1944, I went to the unit post office for a registered letter that I knew was there for me. I received the letter from Pte. Morley and signed for it in the book. The letter came from my wife through St. Ouens P.O., Manitoba. I opened the letter and found in it a letter written by my wife and two five dollar bills. I noticed that a change had been made in two amounts of money that were mentioned in the text of the letter.

When I was home on leave about the 12th of January, 1945, I told my wife the letter contained ten dollars, and then we both went to the R.C.M.P. in Beausejour and made a complaint that the letter had been tampered with. The R.C.M.P. have both the letter and the covering envelope now.

The accused declines to cross-examine.

TRial by Court-Martial

1. Please be advised that at your trial by Court-Martial it is proposed to call as a witness No. 11363 D/A/Cpl. Peach, Constable of the R.C.M.P. whose evidence is set out below:

"From my general observation of the manner in which the Main Post Office is operated, and the short time in which the letter concerned remained there, it appeared almost impossible that it could have been tampered with at the point without someone having noticed what was going on, whereas on the other hand Miss Morley had every opportunity to do as she pleased without supervision. I therefore decided to question her again, which was done after she had been duly cautioned. She made the following signed statement:

' I am 23 years old. I have been employed as Postal Clerk in the Paratroops, since Feb. of 1944. On Dec. 30th, 1944, I received from the Main Post Office in Camp Shilo, a registered letter for Pte. Kelbert, which I signed for, and brought to the Paratroop Post Office. I was working alone at that time. I opened the registered letter and read it. It contained $15.00 and I took $5.00 which I kept, I altered certain figures, substituting an "0" over a 5, making the letter read $10.00 instead of fifteen, I also wrote $5.00 over a figure 10, making the letter read $5.00 instead of ten, then put the letter and the $10.00 back in the envelope and stick it down, without using any glue of any kind. I gave the letter to Pte. Kelbert the next day. The letter now shown me by the Police is the letter I altered.'

It appears that the letter in question was not firmly sealed and Miss Morley was able to work same open by rolling her finger under the flap of the envelope from the corners towards the centre. "

Receipt is acknowledged of your W. 65-M-59(J) dated 22nd March 1945, under cover of which you forwarded Charge Sheet and Summary of Evidence in the marginally-noted Application for District Court-Martial.

2. The Charge Sheet would appear to be in order and there is sufficient evidence contained in the Summary of Evidence to establish a prima facie case on the charges contained thereon.

3. It is assumed that the confession of the accused to the R.C.M.P. Constable will be shown to have been freely and voluntarily given. It appears that in giving evidence to this effect, the Constable will say that he gave the accused a warning. If so, he should state the terms of the warning and not simply: "She was duly cautioned".

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Question to the accused. Do you intend to call any witness in your defence?

CC-3

The accused, B-624635 Private Charles MOSCATO, Les Fusiliers de Sherbrooke,C.A., attached to No.4 District Depot,C.A., having been previously sworn, is examined by the defending officer:

Q. When was your last leave?

A. It was four or five days, Sir. I don't remember the day I left but it was before Christmas.

Q. For what reason did you overstay your leave?

A. When Les Fusiliers de Sherbrooke arrived at Joliette, I had a recheck. The doctor that rechecked me made a recommendation to see a specialist for me. When the specialist came from Longueuil to Joliette, I did not see him. I went to see the sergeant in the M.I.R. to see why I did not see the specialist. He told me to come back in the afternoon. When I came back he told me there were no papers in my documents. After that General Laflèche came to Joliette and made a speech trying to sign some of the boys. I told him my story about the medical recheck. I went back to the M.O. and told him that the other M.O. had made a recommendation sheet for me. After that I was sent to Longueuil and instead of seeing a specialist I have seen a psychiatrist. He just asked me a few questions, I don't know what it was, I was crazy or something. When I went on leave I went to see my family doctor, the doctor that had cared of me since 14 or 15 years. I had my brother call him up, he was sick in bed. Two weeks later, my brother called up again and the doctor says: "I know what's wrong with your brother but I can't do anything for him because he is in the army A.W.L. After that I wired to the Fusiliers Sherbrooke intending to come back to my unit so that I won't be picked up by the police, provost, that was on January 27th. I never received an answer. I did not know what to do, so I gave myself up in Toronto.

CROSS-EXAMINED BY THE PROSECUTOR:

Q. On what date did you wire to your unit?

A. On the 27th of January.

Q. What was written on your wire?

A. I have it here with me, Sir.

Q. Would you produce this wire to the court?

A. Yes, Sir.

Telegram addressed to CO Les Fusiliers de Sherbrooke, C.A.B.T.C. Joliette, Que., dated 27th January 1945, is read, marked exhibit "K", signed by the president and attached to the proceedings.

Q. Where did you spend your absence?

A. Some days at home with my wife, some days with my mother and some days in a hotel room.

Q. Did you work?

A. No, Sir.

Q. You are married?

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, Sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, Sir, through my defending officer.

The defending officer addresses the court:

The accused, private Moscato, before electing to be tried by court martial,had in mind to put a recommendation before the court so that he would be able to get a medical reboard. I have a medical officer's report stating that he is to be rechecked by a specialist about functional dyspepsia. I think the accused will be very satisfied with that from the court.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes sir, through my Defending Officer.

Defending Officer: The evidence of his record brings out very clearly that he would be much better off overseas. I would ask for leniency from the Court in view of his extreme youth, and I would ask that he be placed on an overseas draft, as his work in Canada has not been good.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

Receipt is acknowledged of the proceedings of the marginally-noted Standing Court-Martial which were forwarded by the President named therein.

2. M.F.B. 1431 was properly disallowed by the Court, as it is a certified true copy. It is clearly laid down in Order-in- Council P.C.58/4015 that this form must be signed by the officer issuing or authorizing transportation. A certified true copy thereof is inadmissible.

3. It is pointed out that the responsibility for the regularity of all documents to be produced before a Standing Court-Martial rests on the Prosecutor, vide C.A.R.O. 4565, Para. 3(Ø).

4. It is noted that the accused spent 21 days in custody awaiting trial. May an explanation for this delay be forwarded, please.

5. The proceedings are otherwise legally regular, the finding is properly made and the sentence is according to law. Pursuant to C.A.R.O. 4565 paragraph 12, the said proceedings are herewith forwarded to you. After they have served your purpose, will you please return the proceedings to this office for custody.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Q. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. A. I wish to hand in a written statement Sir.

Statement of the Accused received by the Court and Attached to the proceedings.

Question to the accused. Q. Do you intend to call any witness in your defence?

Answer. A. No Sir.

STATEMENT OF B 622830 FUS HARRY MALCOLM

I am B 622830 Fus. Harry Malcolm. Stationed at Port Alberni, B.C. I was granted leave of absence 13 December 1944 to proceed to Curries, Woodstock, Ontario. I was due to report to Camp Sussex, N.B. 26 December 1944. I am a married man. My wife was working as a Government Inspector at Hoffman Shell Factory, Woodstock, Ontario. On arriving home I found that my wife was not well and she felt she was obliged to give up her position at the factory. I took her down to the Doctor who advised me that she was a T.B. suspect and should give up her employment. He gave me a Doctor's note to this effect as it was necessary for my wife's employer to send such a certificate to Ottawa. My parents believed that my wife would be more comforably settled if she stayed on my brother's farm near Brantford, Ontario, and I therefore took my wife to Scotland, Ontario which is the location of my brother's farm. It was on my brother's farm that I was apprehended by the Military Police. I admit that I was absent without leave but it was not my intention to desert the Army. Iwas simply awaiting for my wife to sufficiently recuperate to permit me to return to my military duties and had I not been apprehended I would have returned to Sussex, N.B. before now. I was assisting my brother in the barn when the Military Police arrived and this is why I was wearing so-called civilian clothes. These clothes are the usual type of working overalls worn by farmers. I could easily have put my uniform on and picked up my idenification card in the house but the Police would not allow me to do so. I am naturally quiet and nervous and when I was in the Police car, because I did not answer some of the questions and statements that the Cpl. in charge of the escort made, he struck me with the flat of his hand. I did not resist arrest.

I have never been in trouble on any previous occasions. My conduct sheet is clear. I was enrolled on the27 July 1942 and I was promoted to L/Cpl. on the 18 October 1944. I served in Kiska from 14 July 1943 until 4 July 1944. I have intimated to my Defending Officer that I am willing to sign for Active Service and I hope that I will be permitted to do so immediately so that I may proceed overseas and rejoin the men I served with for so long. I know that some of these men, like myself, absented themselves and that have since been sent overseas without being sentenced to any term of detention and I hope this may be seen in my case.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Q. Have you any statement to make concerning the documents which have just been read to you?

Answer. A. No Sir.

Question to the accused. Q. Do you wish to address the Court?

Answer. A. Yes Sir, through my Defending Officer.

DEFENDING OFFICER: Mr. President I wish to plead for leniancy for the Accused. From my military knowledge he belongs to a group of men from one Battalion who absented themselves from their Unit. Many of them have since been apprehended and have been dealt summarily with by the C.O. of the Unit. This young man has now spent seventeen days in detention and I wish you will take that fact into consideration when sentencing him. He has intimated to me that he wishes to proceed overseas and rejoin his friends and embodied that statement in the statement he submitted to the Court. There is nothing more I can say because his statement was his defence and I believe in your good judgment that the sentence will be as light as can be made.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

17

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I will give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

FIRST WITNESS FOR THE DEFENCE) The Accused, E.621443 Private Joseph MICHAUD, A.21 C.O. & E.M.E.T.C., C.A., being duly sworn, is examined by the Defending Officer,-

Q. How old are you?

Twenty-four years old.

Q. And the name of your father is?

Chrysogone Michaud.

Q. And what is your father's trade?

Watch maker.

Q. What happened when you were called for your military training?

I used to work for my father and then I was called. I went home and my brother was in the hospital so I stayed home to look after the work. My father is too old, he cant see to work at the watch, so cant do his work, so I stayed there to help. If my father is sick today it isn't my fault, but it is the Army's fault. He cant do his work and he cant have any men to help him because there is nobody.

I know the work. If he had somebody to help him it would be a little different, but there is nobody. He got to work around my home town. It is too much for him and I got a certificate from the doctor he cant see enough to do his work. He is fifty-nine years old, sixty years old this summer, always work on the watch, cant see well.

Q. How many children is there in the family?

Seven girls and five boys, eight stay at home.

Q. In what sort of way did they help at home?

Eight children at home.

Q. What are they doing?

There is one girl stay home for help, that is all she is doing and the other one is a nurse. Two young girls go to school, one boy going to school too and there is one in the hospital. Two girls married, they don't stay at home.

Q. When was your brother taken to hospital?

I am not sure, but I think the 3rd or 8th of January. I am not so sure.

Q. And will you tell the Court the reason why your brother was taken to hospital?

It started by pleurisy, and a tumor.

Q. Will you tell the Court the reason why you stayed home, who informed you about staying home?

I stayed home, nobody told me first. I asked for an exemption the day after I was on pass. This Major said to stay home a little bit more while he worked for me. I don't know that Major at all, but if I stayed home it wasn't because he told me that, the point was I knew my father wasn't in good health, too much in hospital, and have to pay $232.00 and we have to pay.

I was going to come back as soon as my father feel a little better. Now he is still very sick in the hospital, I get news steady, and he sure wont be good any more.

Q. Has your father anyone to help besides your brother?

He has nobody but me.

Q. What is the state of health of your father?

My father, he is working with his eyes, he got to see working on watch and he is too old, he cant see very well.

CROSS-EXAMINED BY THE PROSECUTOR

No, sir, the 23rd January I was home; that was the end of my pass.

Q. Were you stationed at Barriefield Camp, Ontario?

I am there for two years, and a few months.

Q. Was your unit A.21 C.O. & E.M.E.T.C.?

Yes, sir.

Q. And were you supposed to be at Barriefield Camp, Ontario, on the 23rd day of January, 1945?

Yes, sir.

Q. By the military authorities?

FINAL ADDRESS BY DEFENDING OFFR :-

Sir, I would submit that the accused, after he made his escape, only stayed out of Camp one night. He spent the remainder of the week around Camp. Therefore, I would submit that he is not mentally capable of making any decision and would be of little use to the Army. I would ask, therefore, that his sentence be as light as possible and probably followed by a discharge.

Proceedings on Plea of Not Guilty

Question to the accused. Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

~~The Prosecutor proceeds to call witnesses.~~

First Witness for prosecution.

~~being duly sworn, is examined by the Prosecutor.~~

Question

BY THE PROSECUTOR:

The evidence in this case is entirely documentary, and I offer as evidence M.F.B. 375, dated 25 July, 1944; M.F.M. 216, dated 13th day of March, 1945; M.F.B. 1481, dated the 15th day of March, 1945.

BY THE COURT: (To the Defending Officer)

Have you seen these documents.

BY THE DEFENDING OFFICER:

No, sir. I haven't. (The documents are examined by the Defending Officer)

----- M.F.B. 375, dated 25 Jul 44; M.F.M. 216, dated 13 Mar 45; M.F.B. 1481, dated 15 Mar 45; are read by the Court, marked respectively Exhibits "F", "G", "H", signed by the President and attached to the proceedings.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

The accused, No. F-606932 Private Kenneth Ray MOIR, Technical & Schools Wing, A-33 C.A.C.T.E., being duly sworn is examined by the Defending Officer:

A- Well, more that he couldn't support the family, sir.

Q- Because he couldn't support the family--now why was that?

A- Yes, sir.

Q- Now, while you were away what did you do with your Army equipment?

A- I kept it all, sir.

Q- You kept it?

A- Yes, sir.

BY THE COURT:

I couldn't hear your question.

BY THE DEFENDING OFFICER: (Continuing to examine)

Q-While you were away, what did you do with your Army equipment?

A- I kept what I took with me, sir, and the rest was turned in to Barracks Stores.

Q- Now, Pte. Moir, do you like the Army?

A- Yes, sir.

Q- While you were away did you intend to come back?

A- Yes, sir.

Q- You did. Now, while you were in camp, in the different camps, did you try to get compassionate leave?

A- Yes, sir, I tried twice.

Q- How many times?

A- Twice.

Q- And where was that?

A- It was in Petawawa and Halifax, sir.

Q- Did you get any results of that?

A- No, sir, I got no results at all.

Q- Why?

A- Well, about a week after I used to get transfers to different camps.

Q- A week after you were moved to another camp?

A- Yes, sir.

CROSS-EXAMINED BY THE PROSECUTOR:

Q- Moir, you became absent from Tech. and Schools wing, A-33, at 0600 hours on the 3rd of July, 1944, is that right?

A- Yes, sir.

Q- And you remained absent without leave until you were apprehended at Dartmouth, Nova Scotia?

A- Yes, sir.

Q- By the military authorities?

A- Yes, sir.

Q- At 1800 hours on the 13th of March, 1945?

A- Yes, sir,

Q- And you were dressed in civilian clothes then?

Q- You tried to get leave before--when did you come to Camp Borden?

A- In March.

Q- Did you make any application for leave between March and July?

A- No, sir, I never.

Q- You made no application for leave, and you just suddenly decided to go home?

A- I put it in in Halifax.

Q- It was turned down, was it?

A- Yes, sir. They never did anything at all.

Q- You knew it wasn't going to be granted, and so you just decided to go home?

A- Well, sir, I tried twice.

Q- If you knew no leave was going to be granted to you, why did you go home?

A- To help at home.

Q- You decided they needed you more at home than the Army needed you?

A- Yes, sir.

Q- When you went home how long were you going to stay?

A- Until they got somebody else to work on the trucks.

Q- Until they got someone else. Just as long as you were needed at home, you were going to stay there, is that it?

A- Well, sir, until everything was all right, was fixed up.

Q- The Army had no claim on you then?

A- Yes, sir.

Q- Now, you went home in July, 1944. Did you go straight home to Dartmouth?

A- Yes, sir.

Q- What is the street address of your home?

A- 9 Pallisade Street.

Q- Did your father know you were absent without leave.

~~A- Did your father know you were absent without leave?~~

A- He never at first, sir.

Q- He did later on, did he?

A- Yes, sir.

Q- He made no effort to send you back?

A- Well, he talked about going back.

Q- But you never came?

A- No, sir.

Q- Now, you got home in July. Why didn't you come back say in a month or so?

A- Well, sir, my sister took sick in August, and she wasn't expected to live at all, and she pulled through in October, and then took sick again, and she died.

Q- How many people are living at home?

A- I got five brothers at home.

Q- Five brothers living at home?

A- Yes, sir.

Q- How old are they?

A- The oldest one is fifteen, going to school.

Q- Who else is home?

A- My mother and father, and my sister.

Q- How old are your mother and father?

A- Around fifty-five, between fifty-five or fifty-six, somewhere around there.

Q- Your sister took ill. What difference did that make to your coming back to the Army?

A- Well, sir, she wasn't expected to live at all.

Q- What difference did that make, or was that just another excuse not to come back?

A- No, sir.

Q- Why didn't you come back?

A- Well, she wasn't expected to live, and....

Q- You were just expecting to stay--hoping she would die?

A- No, sir, I wasn't hoping she would die.

Q- What did you expect then?

A- Well, I was going to stay and see if she would get better, and help around home.

Q- What were you doing at home?

A- Driving a truck.

Q- Who for? Your father?

A- Yes, sir.

Q- Did you do anything else besides drive a truck?

A- No, sir.

Q- Were you wearing civilian clothes all the time?

A- Not all the time, sir. In the daytime.

Q- You wore civilian clothes in the daytime?

A- Overalls, yes, sir.

Q- What was that for, to avoid apprehension?

A- No, sir.

Q- Why did you wear them?

A- That is the only thing I could wear.

Q- Did you have a uniform?

A- Yes, sir, I had uniform, but I didn't want to wear it on the truck.

Q- You say your sister died about March 6th. Why didn't you come back to camp then, if that was the reason you were staying away?

A- She was getting better on Sunday, sir.

Q- Sunday when?

A- Around the 11th, I think.

Q- All right, she was better on the 11th. Why didn't you start back to camp then?

A- I had my uniform ready, sir.

Q- You had it ready, but you didn't start back?

A- I intended to stay away a little longer.

Q- It was just unfortunate you were picked up then?

A- Yes, sir.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, monsieur.

(Voir page D-3 et suivantes.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur. (L'accusé, par son Officier Défenseur, dit :-

" Si le soldat Montminy s'est absenté sans permission, c'est dû à la maladie subite de sa mère qui était gravement malade. Montminy, immédiatement, s'est porté à son chevet afin d'alléger un peu ses maux et de se rendre utile à la maison. Je demanderai la clémence de la Cour pour l'accusé. "

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

R. C'est un avis d'embarquement que le soldat Montmigny a signé en ma présence.

Q. Voulez-vous dire en quelle circonstance il a signé ce document ?

R. Lors d'un devoir spécial où il avait été désigné par le Commandant.

Q. Voulez-vous produire ce document à la Cour, comme exhibit ?

R. Oui, monsieur.

(LE PROCES SE POURSUIT.)

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, monsieur.

(Voir page D-3 et suivantes.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

~~*Question à l'accusé.*~~ ~~Est-ce conformément au témoin à l'appui de votre réponse?~~

Témoin de la Défense:-

L'accusé, mat. E-102757, - Soldat Marcel MONTMIGNY, Liste Générale, A.C., attaché à A-13, C.I.T.C., A.C.,

étant dûment assermenté,

EST INTERROGE PAR L'OFFICIER DEFENSEUR : -

Q. Montmigny, voulez-vous expliquer à la Cour pour quelles raisons vous êtes parti le 17 mars au soir ? à 1900 heures ?

R. Premièrement, je suis parti sur une passe de quatre jours. Je suis arrivé chez nous et mes parents n'y étaient pas. Ils étaient partis en voyage le 10 et le 11. Ils sont revenus le 11 au soir; il ne me restait que deux jours et ce n'était pas bien long. Quand j'ai vu ça, je suis descendu et je suis revenu me rapporter au Sergent-Major, et au Capitaine Courtemanche.

Q. En revenant, qu'est-ce qui est arrivé ?

R. Le S.M. Laporte s'en venait en courant et je lui ai dit: "Je me rapporte sur ma passe". Il a dit: "Je n'ai pas le temps; on arrangera ça demain." J'ai été à l'Orderly Room pour me rapporter au Major; il n'était pas là. J'ai dit au Caporal: "Qu'est-ce que je vais faire". Il a dit: "Va à la hutte 355 et attends". Le lendemain matin, j'ai embarqué sur la parade et j'ai tombé sur la fatigue comme les autres.

Q. Savez-vous à quelle heure la draft devait partir ?

R. Trois lieutenants, le Lt. Lebel, le Lieut. Boucher, l'autre, je ne suis pas certain si ce n'est pas Dandurand, je crois, ils l'ont dit.

D - 5

Q. Etiez-vous au camp quand ça été dit ?

R. Oui, monsieur. Ils ont dit aux gars que la draft partait le dimanche, à 3½ heures.

Q. Dimanche, quelle date ?

R. Dimanche, le 18; lundi, c'était le 19, mardi, le 20.

Q. Et puis ?

R. Ils nous ont dit ça le samedi midi. "La draft part dimanche à 3.15 heures". Quand j'ai vu ça, j'ai dit: "Je vais monter chez nous et revenir pour la draft". Quand je suis arrivé ici, les trucks étaient dans la rue.

Q. Où vous êtes-vous rapporté ?

R. Au "Drill Hall".

Q. Où étaient les "trucks" ?

R. A la porte, et dans le dernier truck, il y avait encore des gars qui embarquaient.

Q. Maintenant, y a-t-il eu un "tattoo" le samedi soir ?

R. Non, monsieur.

Q. Y étiez-vous ?

R. A 6.00 heures, j'y étais. Ils sont partis à 6.00 heures pour un "party", une fête qu'ils ont eue; un repas et de la bière. Ils sont partis et sont revenus chauds, le soir, et ils n'ont pas fait de "tattoo".

Q. Y étiez-vous, le soir ?

R. Non, monsieur.

LE PROCUREUR : -

JE M'OBJECTE. Il n'y était pas et ne peut pas savoir ce qui s'est passé.

D - 7

Q. Vous êtes revenu ?

R. Oui; j'avais le temps de partir sur la draft dans le moment où je suis arrivé.

Q. La draft n'était pas partie ?

R. Non, monsieur. Lorsque je suis arrivé, les gars embarquaient dans les trucks.

- INTERROGE CONTRADICTOIREMENT PAR LE PROCUREUR : -

Q. A quelle heure êtes-vous parti, le samedi ?

R. A 7.00 heures, le 17.

Q. Vous êtes parti sans permission ?

R. Oui, monsieur.

Q. Vous êtes revenu à quelle heure ?

R. A midi et demie, le dimanche.

Q. Le dimanche ?

R. Oui, monsieur.

Q. La draft n'était pas partie ?

R. Non, monsieur.

- L'OFFICIER DEFENSEUR NE DESIRE PAS INTERROGER DE NOUVEAU. -

- INTERROGE PAR LA COUR : -

Q. Etiez-vous prêt à partir ?

R. Certainement, monsieur. Mes bagages étaient prêts.

D - 9

- De l'avis de la Cour, il n'est pas nécessaire de se conformer à R. P. 83 (b). -

- L'ACCUSE REPREND SON SIEGE. -

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Non, monsieur.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer.

First Witness for the Defence

The Accused, No. B.630711, Pte. Alfred Edward McCARTHY, No. 2 District Depot, C.A., being duly sworn, is examined by the Defending Officer:

Q What is your age, Pte. McCarthy?

A Twenty-seven.

Q How much dependents' allowance was your mother receiving?

A Twenty dollars a month.

Q Was your mother able to work at the time you joined the Army and when you were in the Army?

A No, she wasn't.

Q Why wasn't she able to work?

A Well, she wasn't in good health, and her eyes were bad; bad eyes.

Q What was wrong with her eyes?

A She had cataracts on them, and couldn't see well.

Q Was she in financial trouble?

A Yes, she was.

Q Was she in need of your support?

A Yes.

Q Or did she have any other source?

A No, not at all. She needed mine.

Q Is she in need of your support now?

A Yes, she is. She needs it badly.

Q What was your reason for going A.W.L.?

A Well, I thought I could help her, you know, in a way. I thought if I was out I could help her better, get some work and that, and help her along. She needed it.

Q Where is she living now?

A She is living at my brother's now. She lived on Euclid Place -- it is the name of the street, near Bathurst, in Toronto.

CROSS-EXAMINED BY THE PROSECUTOR

Q McCarthy, where were you living when you were called up?

A On Quebec.

Q Quebec what?

A Quebec Avenue.

Q Where?

A 505.

Q Whereabouts? Toronto, or where?

A Toronto.

Q Quebec Avenue, Toronto?

A Yes, sir.

Q And you say your mother got $20 from you. Was that your assigned pay?

A Yes.

Q Did she get any dependents' allowance on top of that?

A No, not at all.

Q Did you apply for it?

A No.

Q Why didn't you apply for it, if she needed the money?

A I didn't know at the time.

Q So, then, all she was getting then was just your $20; is that right?

A That is all she was getting.

Q Anybody else in the family that could help her?

A No, not exactly there wasn't.

Q You say now she is living with a brother. Where was he at that time?

A He was in the City; but he couldn't hardly help himself.

Q Was he married?

A Yes. He has two children.

Q And you say he wasn't able to help her?

A No, sir.

Q Nobody else could help her in the family, then?

A No; not very well.

Q Did you go away from Brampton on the 4th of June, 1943?

A Yes, sir; I did.

Q And did you stay away until picked up by the civilian police in Toronto on the 29th of October, 1943?

A That is right.

Q Were you dressed in civilian clothes at the time the police picked you up?

A Yes.

Q And did you go away again on the 1st of November, 1943?

A Yes, I did.

Q And did you stay away until picked up by the military police on the 6th of March, 1945?

A Yes.

Q And were you dressed in civilian clothes that time, also?

A Yes, sir.

Q You say you went away to help your mother. Did you work at all during the time you were away?

A Yes; I worked all the time.

Q How did you get a job?

A Places I know, you know, friends.

Q You mean they would give you work without a registration card; is that right?

A I was working part time.

Q You were working part time. About how much would you make a week?

A Twenty or twenty-five dollars a week.

Q And what, out of that, did you pay your mother?

A I used to give her about ten a week, and that.

Q About ten a week?

A Or twelve.

Q That would be roughly forty a month, then; is that right?

A That is right.

Q And you say before that she was only getting twenty a month; is that right?

A Yes, sir.

Q Is your brother able to help her now -- she is living with him, you say?

A Yes; but he is not able to help her.

Q She gets her board from him, does she not, and room?

A She is living there now.

Q She is getting her board and room while she is at your brother's?

A Well, she is doing a little work; but she is not able to, really.

Q Even if she is not working, doesn't she get her room and board from your brother?

A Not exactly. She helps out.

Q But she has a place to sleep, hasn't she? and she gets food, doesn't she?

A Yes, right now.

Q How long has that been going on? How long has she stayed with your brother?

A A couple of months, I guess; a few months.

Q What did you intend to do about the Army? You knew you were in the Army, didn't you?

A Yes, I did.

Q What did you intend to do about the Army?

A Well, I was thinking about coming back and clearing things up. I had that in mind.

Q Have you any idea when you intended to come back?

A I was coming back this summer.

Q This summer?

A Yes.

Q When did you decide that?

A A month ago. I was thinking about it all along.

Q Up until a month ago did you have any intention of coming back to the Army?

A Yes, I was.

Q When did you have that intention? You told me now it was just a month ago you intended to come back.

A About a couple of weeks ago; it was before I was picked up.

Q What about since 1943, then? You have been away almost two years now. What were you intentions about the Army at the time you went away and during those two years?

A I wanted to get some work; that is one of my main thoughts.

Q You wanted to get some work?

A Yes.

Q How long were you in the Army at the time you went absent?

A Around a month altogether.

Q About a month. And you say you didn't know about getting extra money for your mother; is that right?

A Yes, sir; I didn't know then. I didn't know very much about it.

RE-EXAMINED BY THE DEFENDING OFFICER

Q Did you intend at the time you went A.W.L.....

THE PRESIDENT: What he intended, I think, is a better way to put it.

Q What did you intend, at the time you went A.W.L., about returning to the Army?

A I was just going to leave for a short period of time, and thinking of returning. And then when I got work pretty steady, and that, I didn't bother to come back. I was thinking of coming back all the time, but I just didn't get back.

Q And did you think you could clear your financial difficulties up?

A Yes, I did. I thought I could get on my feet, you know, and get my mother on her feet, and get cleared up.

BY THE PRESIDENT

Q McCarthy, after you were picked up by the civil police on the 29th of October, 1943, did you not realize then that you had made a mistake?

A Yes, I did think I had made a mistake. I thought I should have stayed in and maybe got out of it, you know.

Q Then, why did you go absent again three days later?

A I don't know. Being out for so long, and that, I got used to it, and wanted to get out and continue on and do some work.

Q So you just simply went to work and did the same thing all over again?

A Yes; that is right.

Q And did you, at the time you went absent the second time, intend to come back to the Army, seriously?

A Yes, I did, sir; I was intending to come back.

Q Why did you go absent the second time, then?

A I knew you couldn't keep on doing that, you know. I thought I had better come back, you know, and get out legally.

Q During the period of this first absence of yours, from the 4th of June, 1943, to the 29th of October, 1943, did you ever contact or get in touch with the authorities at Brampton? Did you ever get in touch with them and tell them where you were?

A No, I don't think I did.

Q Why?

A I didn't think about that. I didn't know what to do, really, at the time.

Q And during this second period of absence, from the 1st of November, 1943, until the 6th of March, 1945, did you ever get in touch with the unit at Brampton, or any Army authorities, to tell them where you were?

A No, I never.

Q Did you ever make an application for compassionate leave at any time from the time you went into the Army?

A No, I never.

Q Did you never hear that---

A I didn't think about that, then; I was so excited and that, you know, getting in, that I never thought about it.

Q What did you think about, then?

A About getting out, mostly.

Q That is all you were thinking about, getting out?

A I wanted to get a job, some work, and help my mother.

Q Let the Army go by the board?

A Not exactly -- get a job. You can do just as good out, I guess, as in, working in the factory or something, doing a job.

Q And if all the members of the forces decided on that course of action, where would the Army be?

A I don't know; I guess there wouldn't be any.

Q No, there certainly wouldn't?

A I guess they are all different, though. Everybody different to others, you know. Everybody is not the same; different callings.

Q When you went absent the first time, and you were brought back by the civilian police, and you went absent a second time, was there any thought of your returning to the Army then?

A There was. I was thinking about it all the time when I was away.

Q You were thinking about it all the time?

A I was. I was going to come back, and didn't know what to do. I was going to come back several times, and got pretty near there, and changed my mind. I don't know why. I thought it would be best to come back. I was going to come back, and thought it would be best to get it over with, and then get out legally, that way.

Q Why didn't you return to the Army yourself, instead of having to be picked up by the civilian police and military police? Why didn't you come back yourself?

A I guess I should have, sir.

Q Where did the civil police, the Toronto Police, get you the first time?

A Down, just by Bathurst somewhere, and Dundas, walking along.

Q Were you wearing a uniform at that time?

A No, sir.

Q Did you wear a uniform at any time during the time you were out of the Army?

A I did for a short time after I got out of it, a couple of weeks or a week or so.

Q The first time you got out, or the second time?

A The first time.

Q Did you ever wear your uniform after that?

A No.

Q Where did you keep it?

A I had it in the laundry most of the time.

Q In the laundry most of the time?

A Yes, sir.

Q And when the Provosts got you at Yonge and Queen Streets in Toronto, on the 6th of March, last, what were you doing then?

A I just went down town to do business. I was looking around.

Q They caught you on the street; did they?

A Yes; I was walking around the street. I was down there on some business.

Q What kind of work did you do during the time you were away?

A I did truck work and factory work.

Q Did nobody ask you to produce your identification?

A A few places some would.

Q And where they did ask you to produce your identification, what did you produce?

A Well, I didn't have anything.

Q What happened then?

A I just left there and got something else, another job.

Q Were theremany places where they asked you to produce your identification?

A An odd few.

Q And did you tell any of those people that you were a member of the Armed Forces?

A No, I never; no. I told them I was in, though.

Q Told them you had been in it?

A Yes, sir.

Q And what other exaplanation did you give for being in civilian clothes and not being in it?

A Well, I told them I was working, had another job.

Q Now, let me get this straight. When they did ask you questions, you told them you had been in the Armed Forces?

A Yes, sir.

Q But what other explanation did you give them?

A Well, I told them I had another job, like, worked at two jobs at once.

Q Are you trying to tell me this, that you would tell them that you had been in the Army, that while you were in the Army you were able to get a civilian job as well?

A No, I never said that.

Q Or, did you tell them, well, now, I was in the Armed Forces, I have had a job before, since I have got out, and I am now applying for another one?

A Something like that, yes.

Q I want to be fair to you, witness; but I want to get this story. Why did you tell them you had been in the Army at all?

A Well, that is the only way you could get a job then. You couldn't get one if they thought you hadn't been in the Army.

Q Did you tell these people you had been discharged from the Army?

A No, not exactly.

Q What did you tell them, exactly?

A I told them I just got a paper, like, a category.

Q You told them you had been in the Army, but you had got a category, and you were out; is that it?

A Yes; something like that.

Q And had you, in fact, got a category?

A No.

Q Why did you tell them that, then?

A That was the only way you could get something to do, and you have got to work.

THE PRESIDENT: Any questions, gentlemen, arising out of my examination, Major Menzies?

THE PROSECUTOR: Yes; I think this would arise out of that, going absent and apprehension. Ask the witness, when did he go to Brampton.

Q When did you first go to Brampton, witness?

A It was on the 3rd of June, I guess.

Q The 3rd of June what year?

A '43.

THE PROSECUTOR: Where from?

Q Where from?

A Toronto Exhibition here.

Q You had been at the Exhibition Barracks in Toronto before going to Brampton?

A That is right; yes.

THE PROSECUTOR: For how long?

Q For how long had you been at the Exhibition Barracks here?

A I would say about two weeks, close to two weeks.

THE PROSECUTOR: And how long did he stay in Brampton before he went absent?

Q How long did you stay in Brampton before this first period of absence?

A Around the 3rd, and I left on the 4th, I guess.

THE PROSECUTOR: And had the accused actually got back to Brampton after his apprehension on the 29th, when he went absent on the 1st of November?

Q Had they actually returned you to Brampton on the 29th of October, 1943, at the end of your first period of absence?

A Yes, they did; yes.

THE PROSECUTOR: Would you ask if if he is sure of that? or did he go absent enroute to Brampton?

Q Did you go absent from Brampton the second time? or did you go absent while on the way to Brampton?

A I went from Brampton.

THE PRESIDENT: Now, are there any questions, Mr. Wright, you would like me to ask the witness as a result of my examination?

THE DEFENDING OFFICER: No, sir.

THE ACCUSED RESUMES HIS SEAT.

THE PROSECUTOR AND DEFENDING OFFICER MAKE CLOSING ADDRESSES WHICH ARE RECORDED BUT NOT TRANSCRIBED.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Through my Defending Officer (See following page).

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE DEFENDING OFFICER:

In connection with Pte. McCarthy, the Defence pleads in mitigation for the following reasons:

As has been pointed out, Pte. McCarthy has a clean record except for his ten days A.W.L., which was for the same reason as the charge which he has just been found guilty of.

He is category "A-1." And the Defence feels that he had a very strong reason for absenting himself, insomuch as his mother has a cataract of the eye, which causes her to be partially crippled, and was in financial difficulties, as has been pointed out.

I would like to recommend that Pte. McCarthy, after his punishment, be discharged, so that he may look after his mother, as the Personnel Selection Officer says he has a very limited training aptitude and is not likely to make a competent soldier; and his mother is now badly in need of his support.

I would further like to recommend that while Pte. McCarthy is undergoing punishment, that the Social Welfare Department visit his home to investigate his troubles, and to have Mrs. McCarthy sent to the hospital clinic to have this cataract cleared up.

THE PRESIDENT: May I ask you the address of the accused's mother, and her name as well?

THE DEFENDING OFFICER: Mrs. Eva McCarthy. The address on here is 505 Quebec Avenue; but I think she will be found at a different address.

THE ACCUSED: 3 Euclid Place.

THE PRESIDENT: In Toronto.

THE DEFENDING OFFICER: In Toronto.

Sir

I am a discharged soldier undergoing a term of sentence. I feel that being still under the Army's jurisdiction that I should submit my request for remission of sentence to the Review Board.

I am a Treaty Indian wishing to regain my respect and to be given the opportunity, to prove and to improve myself in every purpose as a member of the Treaty.

And it is utterly wrong that I should be put in this Institution, for the cause that I mingle with criminals for I am not a criminal or even potentially and be put in such confinement, for there is a limit to my mental being.

I have never been in trouble before the war. And that I have a very important job to do, not merely helping in my Fathers farm But to teach and convert the Treaty Indians to live like human beings that this our Canada is not a primitive country any more.

Hoping that you will approve

LONDON 6 Mar 45.

C35-11-1639

L.1600 Pte Mosquito, S.

1. The marginally named soldier is serving a sentence of 2 years less 28 days imprisonment with hard labour and discharge with ignominy from His Majesty's Service awarded 5 Dec 44 by FGCM for 2 offences under each of AA Secs 15(1), 22 and 41. His 2 absences without leave were both terminated by apprehension, his 2 escapes took place from his unit guard room and the offences under AA Sec 41 were for thefts from two civilian women of 69,000 Belgian francs and 1,200 French francs. He has so far earned full remissions for good conduct while serving his sentence and accordingly the earliest date on which he should be released if he continues so to do is 17 Mar 46.

2. This soldier enlisted 10 Oct 39 at Saskatoon, Saskatchewan, and he is now 24 years of age. Since enlistment he has been found guilty of 24 offences under AA Sec 15(1), of 2 offences under each of AA Secs 22 and 24(2), and of 1 offence under each of AA Secs 10(4) and 40. In addition to the court martial set forth in paragraph 1 hereof he has had 6 previous FGC'sM. On 4 Apr 41 he was awarded 1 year imprisonment with hard labour for 2 offences of absence without leave and an offence under AA Sec 24(2). On 16 Sep 42 he was awarded 12 months detention also for absence without leave. On 8 Sep 43 he was awarded 2 years detention for 43 days absence without leave, which sentence was suspended 30 Mar 44. On 19 May 44 he was awarded 90 days detention for losing a weapon. On 5 Jul 44 he was awarded 161 days detention for absence without leave while in confinement which sentence was suspended 11 Aug 44. On 4 Oct 44 he was awarded 1 year detention for 7 days absence without leave. On 18 Dec 44 to clarify his record, the remainder of all sentences either suspended or in execution except the sentence set forth in paragraph 1 above, were remitted.

3. This soldier was also convicted by a civil court 22 Dec 40 of larceny and sentenced to 3 months imprisonment with hard labour.

4. This soldier was reboarded 12 Feb 45 and placed in Pulhems Grade S5 on a diagnosis of psychopathic personality, inadequate. The Medical Board states that he is fit to undergo detention.

5. The Neuropsychiatrist and Selection of Personnel Officer who have examined this soldier state that he is of average intelligence; that he is impulsive and restless in behaviour; that he is immature in judgment; and that he is wholly irresponsible and unable to tolerate stress when not in confinement.

6. By the numerous suspensions of his sentences in the past every effort has been made to encourage this soldier to render some effective service to the army. Since he has failed to take any advantage of these suspensions the present award is more than warranted and the sentence of imprisonment should be served in full and thereafter this soldier should be discharged with ignominy from His Majesty's Service in accordance with paragraph 9 of Appendix to C.A.R.O. 1029, and it is so recommended. It is not considered that this soldier has misconducted himself for the purpose of obtaining his discharge.

7. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 5 Dec 44, and original A.F. A3104 in respect thereof on which this direction has been endorsed.

Plea for Mitigation of Punishment

In opening this plea I would like to call the attention of the court to the attitude of the accused in facing these charges. He did not attempt to conceal the facts, even making voluntary statements, which are the main exibits in the summary of evidence.

Such an attitude clearly shows this soldier has no intention of trying to get away with anything, but what he needs is a chance to proove his fitness for the job he enlisted for

It is quite obvious by this soldiers crime sheet, the same treatment as administered in the past is of no avail. But we must get at the root of the trouble

This soldier comes of a warrior race and, as the world was plunged into the dark conflict, he gladly come foward to offer his services, and if need be, his life for his country. Yes, Gentlemen, he has confidence in the cause he enlisted to serve.

For a few months things went well, then, for a first and minor offence, which could easily have been accidental, was given CB, and from then began losing confidence in Military Justice. The court can understand, there are some misguided persons who may discriminate against a previous offender, regardless how minor the charge or how blameless he may be. If you check up for the month of Aug 42

and study the offenses and dates in detail you can readily see why this soldier felt he was perpetually haunted and charged.

And so to the present Court-Martial. This boy had a black future before him, which thought drove him almost to desperation. His uneducated, warrior instincts drove him to escape. Has the court considered what confinement is to the Indian? After the escape he had to live, and the appropriation of the means of livelihood was then a necessary second step in the misguided soldiers mind. Yes, Gentlemen, all these charges are only the outcome of mental frustration which drove this soldier to make the first step.

From the details we have heard Gentlemen, it is obvious this uneducated, disillusioned boy has been the victim of bad handling and lack of understanding on many peoples part.

We have come to the turning of the road and it rests with this court whether our country retains this youth who can be a good citizen, whose only real fault till now was a distrust of those who punished him for things he didnt fully understand.

It rests with this court, whether a life so young is utterly ruined.

This court, with courage to have mercy and restore this boys confidence in justice, will save an endless series of

E 3 Stat III

trials which can have only one ultimate end.

There is still this opportunity for this unfortunate, given a chance to prove himself on the field of battle, showing the past a ghastly, unjust mistake.

I implore the court to consider the uselessness of further confinement and the good which will accrue through mercy.

I would like to add that last night bars were removed from the window of the large room where the accused was quartered and other prisoners and four prisoners escaped. But this soldier, who has been looked down upon as a criminal, Handcuffed to the bed when the door was unlocked, handcuffed to his escort when moving anywhere, including his wrists at meal parade. This soldier remained in the barracks

SUMMARY OF EVIDENCE

in the case of

L-1600, Pte. Soloman MOSQUITO, X-4 List C.H. of O, on strength 9 Bn, 2 Canadian Base Reinforcement Group, a soldier of the Canadian Army Overseas, who is charged with:

(1) WHEN ON ACTIVE SERVICE, WHEN IN CONFINEMENT ESCAPING. A.A. Sec 22.

(2) WHEN ON ACTIVE SERVICE, ABSENTING HIMSELF WITHOUT LEAVE. AA Sec 15(1).

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS B-74169, Sgt. Penrose, R.S., Cdn Pro Corps, on strength 9 Bn, 2 C.B.R.Gp, having been duly sworn, states:-

"AT 2130 hrs, approximately, on 19 Oct 44, I was on duty in the Guard Room, 9 Bn, 2 C.B.R.Gp. Two L/Cpls of the Regimental Police were present with eight prisoners. Pte. Mosquito was one of the prisoners. I left the guard room at about 2135 hours, and about three minutes later I was called back to the guard room to receive another prisoner from the Provost (Cdn) Corps. On completion of booking in this other prisoner I was informed that Pte Mosquito had escaped. I immediately searched the guard room and the guard room area. Pte. Mosquito could not be found. I then reported this fact to the duty officer and gave him a description of Pte. Mosquito."

The accused declines to cross-examine the witness.

B-74169, Sgt. Penrose, R.S.

SECOND WITNESS Major P.R.R. Williamson, 9 Bn, 2 C.B.R.Gp, having been duly sworn, states:-

"On 3 Nov 44, at approximately 1330 hrs, while proceeding on Battalion business, to Brussels, I was passing through a small town approximately 10 miles outside of Brussels. My driver drew my attention to a soldier dressed in black coveralls and khaki beret, stating that it was Pte. Mosquito who was at that time A.W.L. from our detention barracks. I verified this by a quick look out of the back of the car and ordered the driver to turn around at the most convenient spot. While turning I noticed the accused cross the street and disappear from sight. I returned to the point where I had last seen him and looked through the gardens of the houses in the vicinity and then followed a narrow street to its end and inquired of some children if they had seen a Canadian soldier in black coveralls. They informed me that he was in one of the houses which we were standing in front of. I went to this house and upon being invited to enter found the accused, whom I now recognize as Pte. Mosquito, in a back room with a priest. He gave me no trouble and I took him with me to a section of the Canadian Provost Corps in Brussels where I handed him over to a Sgt-Major charging him with breaking out of detention and being A.W.L."

The accused declines to cross-examine the witness.

(P.R.R. Williamson), Major.

The accused was questioned as follows:-

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused declines to make a statement or give evidence on oath.

The accused does not call any witnesses for the defence.

I certify that the foregoing Summary of Evidence, consisting of two pages, was taken down by me in the presence of the accused and that Rules of Procedure 4 (c), (d), (e), and (f) have been complied with.

S Mosquito

I am Solomon Mosquito, age 24 years and I was born in Old Battleford Saskatchewan. I enlisted in the Canadian Army on 10th Oct 1939. I arrived in England in Dec 1939 and came to France in Aug 1944. I was with the S.L. Inf until Aug 1944 when I was transferred to the 6th R.O. I have been in 6 B.R.R.C. since I was transferred.

I went A.W.O.L. about the 21st Oct 1944 from 9 Bn 2 C.B.R.C. I went down to Lille in France and I stayed there about a week, then I came back to Deinze, stayed at the same place, this woman's place. Her name is Suys. I stayed there the weekend. I was gone about 14 days altogether and I stayed at their place two weekends. The second weekend I took the money from a drawer — in a

S Mosquito

stand as mean. It had a sort of a round mirror with straight sides, and it had two small drawers on the top with large doors on the front. There was 56 one thousand franc bills and a ten thousand franc bill and seven 500 franc bills. The money was in the left hand drawer, and it was wrapped up in a piece of newspaper. It wasn't tied up.

After I took that money I left the house in Deinze, and got a lift in a truck on his way to Alost. When I got into Alost I found out that the money was no good when I went to the bank. I went in a café and went to the toilet and I threw it down the toilet on the seat.

On the 22nd Sept 1944 at about noon time when Mrs Dumais, of Leo-Dai-Ner, was away ~~[illegible]~~ of the house, I tried the front door on the street and found it locked, so I went around the back way. I tried the back door. It was also locked too. There was a broken window there. I climbed through it and went in the Kitchen, and I went through to the Store. I went to the counter and found a key there. I opened the drawer and took the money that was there, I don't know the amount of it, and I left. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans..... Do you intend to call witnesses on your behalf? Ans..... Are they witnesses as to character only? Ans.....

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PLEA FOR MITIGATION OF PUNISHMENT

In opening this pleas I would like to call the attention of the court to the attitude of the accused in facing these charges. He did not attempt to conceal the facts, even making voluntary statements, which are the main exhibits in the summary of evidence.

Such an attitude clearly shows this soldier has no intention of trying to get away with anything, but what he needs is a chance to prove his fitness for the job he enlisted for.

It is quite obvious by this soldiers crime sheet, the same treatment as administered in the past is of no avail. But we must get at the root of the trouble.

This soldier comes of a warrior race and, as the world was plunged into the dark conflict, he gladly came forward to offer his services, and if need be, his life for his country. Yes, Gentlemen, he had confidence in the cause he enlisted to serve.

For a few months things went well, then, for a first and minor offence, which could easily have been accidental, was given C.B., and from then began losing confidence in Military Justice. The court can understand there are some misguided persons who may discriminate against a previous offender, regardless how minor the charge or how blameless he may be. If you check up for the month of Aug 42

E.3 Sheet II

and study the offences and dates in detail you can readily see why this soldier felt he was perpetually haunted and charged.

And so the the present Court-Martial. This boy had a black future before him, which thought drove him almost to desperation. His uneducated, warrior instincts drove him to escape. Has the court considered what confinement is to the Indian? After the escape he had to live, and the appropriation of the means of livelihood was then a necessary second step in the misguided soldiers mind. Yes, Gentlemen, all these charges are only the outcome of mental frustration which drove this soldier to make the first step.

From the details we have heard Gentlemen, it is obvious this uneducated, disillusioned boy has been the victim of bad handling and lack of understanding on many peoples part.

We have come to the turning of the road and it rests with this court whether our country retains this youth who can be a good citizen, whose only real fault till now was a distrust of those who punished him for things he didn't fully understand.

It rests with this court, whether a life so young is utterly ruined.

This court, with courage to have mercy and restore this boys confidence in justice, will save an endless series of

E.3 Sheet III

trials which can have only one ultimate end.

There is still this opportunity for this unfortunate, given a chance to prove himself on the field of battle, showing the past a ghastly, unjust mistake.

I implore the court to consider the uselessness of further confinement and the good which will accrue through mercy.

I would like to add that last night bars were removed from the window of the large room where the accused was quartered with other prisoners and four prisoners escaped. But this soldier, who has been looked down upon as a criminal, handcuffed to the bed when the door was unlocked, handcuffed to his escort when moving anywhere, including tied wrists at meal parade, this soldier remained in the barrack room.

SUMMARY OF EVIDENCE

in the case of

L-1600, Pte. Soloman MOSQUITO, X-4 List C.H. of O, on strength 9 Bn, 2 Canadian Base Reinforcement Group, a soldier of the Canadian Army Overseas, who is charged with:

(1) WHEN ON ACTIVE SERVICE, WHEN IN CONFINEMENT ESCAPING. A.A. Sec 22.

(2) WHEN ON ACTIVE SERVICE, ABSENTING HIMSELF WITHOUT LEAVE. AA Sec 15(1).

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS B-74169, Sgt. Penrose, R.S., Cdn Pro Corps, on strength 9 Bn, 2 C.B.R.Gp, having been duly sworn, states:-

"At 2130 hrs, approximately, on 19 Oct 44, I was on duty in the Guard Room, 9 Bn, 2 C.B.R.Gp. Two L/Cpls of the Regimental Police were present with eight prisoners. Pte. Mosquito was one of the pris-
GEC oners. I left the guard room at about 2135 hours, and about three minutes later I was called back to the guard room to receive another prisoner from the Provost (Cdn) Corps. On completion of booking in this other prisoner I was informed that Pte Mosquito had escaped. I immediately searched the guard room and the guard room area. Pte. Mosquito could not be found. I then reported this fact to the duty officer and gave him a description of Pte. Mosquito."

The accused declines to cross-examine the witness.

SECOND WITNESS Major P.R.R. Williamson, 9 Bn, 2 C.B.R.Gp., having been duly sworn, states:-

"On 3 Nov 44, at approximately 1330 hrs, while proceeding on Battalion business, to Brussels, I was passing through a small town approximately 10 miles outside of Brussels. My driver drew my attention to a soldier dressed in black coveralls and khaki beret, stating that it was Pte. Mosquito who was at that time A.W.L. from our detention barracks. I verified this by a quick look out of the back of the car and ordered the driver to turn around at the most convenient spot. While turning I noticed the accused cross the street and disappear from sight. I returned to the point where I had last seen him and looked through the gardens of the houses in the vicinity and then followed a narrow street to its end and inquired of some children if they had seen a Canadian soldier in black coveralls. They informed me that he was in one of the houses which we were standing in front of. I went to this house and upon being invited to enter found the accused, whom I now recognize as Pte. Mosquito, in a back room with a priest. He gave me no trouble and I took him with me to a section of the Canadian Provost Corps in Brussels where I handed him over to a Sgt-Major charging him with breaking out of detention and being A.W.L."

The accused declines to cross-examine the witness.

"At approximately 1930 hours on the 24th Nov 1944 I was on duty in the Guard Room 9 Bn 2 C.B.R.G. I was ordered by the Cpl i/c Guard to take two men to the lavatory. I accompanied the two men to the lavatory and stood outside the door while they were inside. The lavatory consisted of two closed-in cubicles. I waited approximately five minutes and one of the men, Spr Blondin, came out. I did not hear any noise in the other cubicle, and immediately opened the door. There was no one inside and the window was open and a pair of black coveralls were lying on the floor. I then realized that the man, whom I now recognize as Pte. Mosquito, had escaped. I reported this fact immediately to the Cpl in charge of the Guard Room".

I have been cautioned by CSM Tait, T.B., No. 1 Special Investigation Section, that I do not have to say anything unless I wish to do so, but anything I do say will be taken down in writing and may be given in evidence.

"S. Mosquito".

I am Soloman Mosquito, age 24 years and I was born in Old Battleford Saskatchewan. I enlisted in the Canadian Army on 10th Oct 1939. I arrived in England on 17 Dec 1939 and came to France in Aug 1944. I was with the S.L. Inf. until Aug 1944 when I was transferred to the C.H. of O. I have been in C.B.R.G. since I was transferred.

I went A.W.O.L. about the 21st Oct 1944 from 9 Bn. 2 C.B.R.G. I went down to Lille in France and I stayed there about a week, then I came back to Deinze, stayed at the same place, this woman's place. Her name is Huys. I stayed there the weekend. I was gone about 14 days altogether and I stayed at their place two weekends. The second weekend I took the money from a drawer in a stand or bureau. It had a sort of mirror with straight sides, and it had two small drawers on the top with large doors on the front. There was 56 one thousand franc bills and a ten thousand franc bill and seven 500 franc bills. The money was in the left hand drawer and it was wrapped up in a piece of newspaper. It wasn't tied up.

SM

After I took that money I left the house in Deinze and got a lift in a truck on his way to Alost. When I got into Alost I found out that the money was no good when I went to the bank. I went in a cafe and went to the toilet and I threw it down the toilet by the seat.

"S. Mosquito"

On the 22nd Sept 1944 at about noon time when Mme Dumas of Lion-Sur-Mer, was away from home I tried the front door of her house on the street and found it locked so I went around the back way. I tried the back door. It was also locked too. There was a broken window there. I crawled through it and went in the kitchen, and I went through to the store. I went to the counter and found a key there. I opened the drawer and took the money that was there, I don't know the amount of it, and I left. This was the woman. I had stayed with for a night and I used to visit her place when I was at Delwerande.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. No Sir (5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex "A", initialled and read aloud by the President.(1)

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

(1. RP 37(A) (E).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)

(1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Plea for Mitigation of Punishment

In opening this plea I would like to call the attention of the court to the attitude of the accused in facing these charges. He did not attempt to conceal the facts, even making voluntary statements, which are the main exhibits in the summary of evidence.

Such an attitude clearly shows this soldier has no intention of trying to get away with anything, but what he needs is a chance to prove his fitness for the job he enlisted for.

It is quite obvious by this soldiers crime sheet, the same treatment as administered in the past is of no avail. But we must get at the root of the trouble.

This soldier comes of a warrior race and, as the world was plunged into the dark conflict, he gladly came forward to offer his services, and if need be, his life for his country. Hes, Gentlemen, he has confidence in the cause he enlisted to serve.

For a few months things went well, then, for a first and minor offence, which could easily have been accidental, was given CB, and from then began losing confidence in Military Justice. The court can understand, there are some misguided persons who may discriminate against a previous offender, regardless how minor the charge or how ~~xb~~ blameless he may be. If you check up for the month of Aug 42 and study the offences and dates in detail you can readily see why this soldier felt he was perpetually haunted and charged.

And so to the presence Court Martial. This by had a black future before him, which thought drove him almost to desparation. His uneducated, warrior instincs drove him to escape. Has the court considered what confinement is to the Indian? After the escape he had to live, and the appropriation of the means of livelihood was then a necessary second step in the misguided soldiers mind. Yes, Gentlemen, all these charges are only the outcome of mental frustration which drove this soldier to make the first step.

From the details we have heard Gentlemen, it is obvious this uneducated, disillusioned boy has been the victim of bad handling and lack of understanding on many peoples part.

We have come to the turning of the road and it rests with this court whether our country retains this youth who can be a good citizen, whose only real fault till now was a distrust of those who punished him for things he didnit fully understand.

It rests with this court, whether a life so young is utterly reined.

This court, with courage to have mercy and restore th's boys confidence in justice, will save an endless series of trials which can have only one ultimate end.

There is still this opportunity for this unfortunate, given a chance to prove himself on the field of battle, showing the past a ghastly, unjust mistake.

I implore the court to consider the uselessness of further confinement and the good which will accrue through mercy.

I would like to add that last night bars were removed from the window of the large room where the accused was quartered with other prisoners and four prisoners escaped. But this soldier, who has been looked down upon as a criminal, handcuffed to the bed when the door was unlocked, handcuffed to his escort when moving anywhere, including tied wrists at meal parades. This soldier remained in the Guard room

SUMMARY OF EVIDENCE

in the case of

(1) When on active service when in confinement escaping. AA Sec 22.

(2) When on active service absenting himself without leave. AA Sec 15(1)

The Commanding Officer directs that the evidence be taken on oath.

First Witness B.74169 Sgt Penrose, R.S., Cdn Pro Corps, on strength 9 Bn 2 CBRGp having been duly sworn, states:

At 2130 hrs, approximately, On 19 Oct 44, I was on duty in the Guard Room, 9 Bn 2 CBR Gp. Two L/Cpls of the Regimental Police were present with eight prisoners. Pte Mosquito was one of the prisoners. I left the guard room at about 2135 hours, and about three minutes later I was called back to the guard room to receive another prisoner from the Provost (Cdn) Corps. On completion of booking in this other prisoner I was informed that Pte Mosquito had escaped. I immediately searched the guard room and the guard room area. Pte Mosquito could not be found. I then reported this fact to the duty officer and gave him a description of Pte Mosquito.

The accused declines to cross examine the witness.

Second Witness Major P.H.R. Williamson, 9 Bn, 2 CBR Gp, having been duly sworn, states:

On 3 Nov 44 at approximately 1330 hrs, while proceeding on Battalion business, to Brussels, I was passing through a small town approximately 10 miles outside of Brussels. My driver drew my attention to a soldier dressed in black coveralls and khaki beret, stating that it was Pte Mosquito who was at that time AWL from our detention barracks. I verified this by a quick look out of the back of the car and ordered the driver to turn around at the most convenient spot. While turning I noticed the accused cross the street and disappear from sight. I returned to the point where I had last seen him and looked through the gardens of the houses in the vicinity and then followed a narrow street to its end and inquired of some children if they had seen a Canadian soldier in black coveralls. They informed me that he was in one of the houses which we were standing in front of. I went to thiw house and upon being invited to enter found the accused, whom I now recognize as Pte Mosquito, in a back room with a priest. He gave me no trouble and I took him with me to a section of the Canadian Provost Corps in Brussels where I handed him over to a Sgt Major charging him with breaking out of detention and being AWL.

The accused declines to cross examine the witness.

I have been cationed by CSM Tait, TB, No.1 Special Investigation Section that I do not have to say anything unless I wish to do so, but anything I do say will be taken down in writing and may be given in evidence.

"S Mosquito"

I am Soloman Mosquito, age 24 years and I was born in Old Battleford Saskatchewan. I enlisted in the Canadian Army on 10th Oct 1939. I arrived in England on 17 Dec 1939 and came to France in Aug 1944. I was with the SL Inf until Aug 1944 when I was transferred to the CH of O. I have been in CERC since I was transferred.

I went AWOL about the 21st Oct 1944 from 9 Bn 2 CERC. I went down to Lille in France and I stayed there about a week, then I came back to Deinze, stayed at the same place, this woman's place. Her name is Huys. I stayed there the weekend. I was gone about 14 days altogether and I stayed at their place two weekends. The second weekend I took the money from a drawer in a stand or bureau. It had a small round morror with straight sides, it had two small drawers on the top with large doors in the front. There was 56 one thousand franc bills and a ten thousand franc bill and seven 500 franc bills. The money was in the left hand drawer, and it was wrapped up in a piece of newspaper. It wasn't tied up.

After I took that money I left the house in Deinze, and got a lift in a truck on his way to Alost. When I got into Alost I found out that the money was no good when I went to the bank. I heard in a cafe and went to the toilet and I threw it down the toilet by the seat.

"S Mosquito"

On the 22nd Sept 1944 at about noon time when Mrs Dumas of Lion-Sur-Mer, was away from home, I tried the front door of her house on the street. and found it locked so I went around the back way. I tried the back door. It was also locked too. There was a broken window there. I crawled through it and went in the kitchen, and I went through to the store. I went to the counter and found a key there. I opened the drawer and took the money that was there. I don't know the amount of it, and I left. This was the woman I had stayed with for a right and I used to visit her place when I was at Deliverande.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. no sir (5)

Plea for Mitigation of Punishment

In opening this plea I would like to call the attention of the court to the attitude of the accused in facing these charges. He did not attempt to conceal the facts, even making voluntary statements, which are the main exhibits in the summary of evidence.

Such an attitude clearly shows this soldier has no intention of trying to get away with anything, but what he needs is a chance to prove his fitness for the job he enlisted for.

It is quite obvious by this soldiers crime sheet, the same treatment as administered in the past is of no avail. But we must get at the root of the trouble.

This soldier comes of a warrior race and, as the world was plunged into the dark conflict, he gladly came forward to offer his services, and if need be, his life for his country. Hes, Gentlemen, he has confidence in the cause he enlisted to serve.

For a few months things went well, then, for a first and minor offence, which could easily have been accidental, was given CB, and from then began losing confidence in Military Justice. The court can understand, there are some misguided persons who may discriminate against a previous offender, regardless how minor the charge or how ~~xb~~ blameless he may be. If you check up for the month of Aug 42 and study the offences and dates in detail you can readily see why this soldier felt he was perpetually haunted and charged.

And so to the presence Court Martial. This by had a black future before him, which thought drove him almost to desparation. His uneducated, warrior instincs drove him to escape. Has the court considered what confinement is to the Indian? After the escape he had to live, and the appropriation of the means of livelihood ~~ws~~ then a necessary second step in the misguided soldiers mind. Yes, Gentlemen, all these charges are only the outcome of mental frustration which drove this soldier to make the first step.

From the details we have heard Gentlemen, it is obvious this uneducated, disillusioned boy has been the victim of bad handling and lack of understanding on many peoples part.

We have come to the turning of the road and it rests with this court whether our country retains this youth who can be a good citizen, whose only real fault till now was a distrust of those who punished him for things he didnit fully understand.

It rests with this court, whether a life so young is utterly reined.

This court, with courage to have mercy and restore this boys confidence in justice, will save an endless series of trials which can have only one ultimate end.

There is still this opportunity for this unfortunate, given a chance to prove himself on the field of battle, showing the past a ghastly, unjust mistake.

I implore the court to consider the uselessness of further confinement and the good which will accrue through mercy.

I would like to add that last night bars were removed from the window of the large room where the accused was quartered with other prisoners and four prisoners escaped. But this soldier, who has been looked down upon as a criminal, handcuffed to the bed when the door was unlocked, handcuffed to his escort when moving anywhere, including tied wrists at meal parades. This soldier remained in the Guard room

At 2130 hrs, approximately, On 19 Oct 44, I was on duty in the Guard Room, 9 Bn 2 CBR Gp. Two L/Cpls of the Regimental Police were present with eight prisoners. Pte Mosquito was one of the prisoners. I left the guard room at about 2135 hours, and about three minutes later I was called back to the guard room to receive another prisoner from the Provost (Cdn) Corps. On completion of booking in this other prisoner I was informed that Pte Mosquito had escaped. I immediately searched the guard room and the guard room area. Pte Mosquito could not be found. Second Witness Major P.R.R. Williamson, 9 Bn, 2 CBR Gp, having been duly sworn, states:

On 3 Nov 44 at approximately 1530 hrs, while proceeding on Battalion business, to Brussels, I was passing through a small town approximately 10 miles outside of Brussels. My driver drew my attention to a soldier dressed in black coveralls and khaki beret, stating that it was Pte Mosquito who was at that time AWL from our detention barracks. I verified this by a quick look out of the back of the car and ordered the driver to turn around at the most convenient spot. While turning I noticed the accused cross the streeet and disappear from sight. I returned to the point where I had last seen him and looked through the gardens of the houses in the vicinity and then followed a narrow street to its end and inquired of some children if they had seen a Canadian soldier in black coveralls. They informed me that he was in one of the houses which we were standing in front of. I went to thiw house and upon being invited to enter found the accused, whom I now recognize as Pte Mosquito, in a back room with a priest. He gave me no trouble and I took him with me to a section of the Canadian Provost Corps in Brussels where I handed him over to a Sgt Major charging him with breaking out of detention and being AWL.

The accused declines to cross examine the witness.

I have been cationed by CSM Tait, TB, No.1 Special Investigation Section that I do not have to say anything unless I wish to do so, but anything I do say will be taken down in writing and may be given in evidence.

"S Mosquito"

I am Soloman Mosquito, age 24 years and I was born in Old Battleford Saskatchewan. I enlisted in the Canadian Army on 10th Oct 1939. I arrived in England on 17 Dec 1939 and came to Franch in Aug 1944. I was with the SL Inf until Aug 1944 when I was transferred to the CH of O. I have been in CBRG since I was transferred.

I went AWOL about the 21st Oct 1944 from 9 Bn 2 CBRG. I went down to Lille in France and I stayed there about a week, then I came back to Deinze, stayed at the same place, this woman's place. Her name is Huys. I stayed there the weekend. I was gone about 14 days altogether and I stayed at their place two weekends. The second weekend I took the money from a drawer in a stand or bureau. It had a small round morror with straight sides, it had two small drawers on the top with large doors in the front. There was 56 one thousand franc bills and a ten thousand franc bill and seven 500 franc bills. The money was in the left hand drawer, and it was wrapped up in a piece of newspaper. It wasn't tied up.

After I took that money I left the house in Deinze, and got a lift in a truck on his way to Alost. When I got into Alost I found out that the money was no good when I went to the bank. I heard in a cafe and went to the toilet and I threw it down the toilet by the seat.

I have been cautioned by CSM Tait TB No.1 Special Investigation Section, First Cdn Army, that I do not have to say anything unless I wish to do so, but anything I do say will be taken down in writing and may be given in evidence.

"S Mosquito"

On the 22nd Sept 1944 at about noon time when Mrs Dumas of Lion-Sur-Mer, was away from home, I tried the front door of her house on the street. and found it locked so I went around the back way. I tried the back door. It was also locked too. There was a broken window there. I crawled through it and went in the kitchen, and I went through to the store. I went to the counter and found a key there. I opened the drawer and took the money that was there. I don't know the amount of it, and I left. This was the woman I had stayed with for a night and I used to visit her place when I was at Deliverance.

Plea of Mitigation for
L.1600 Pte MOSQUITO E.

I wish to point out to the Court that this soldier joined the Saskatoon Light Infantry on 10 Oct 39. He remained with this unit till approximately one month ago. At this time he was transferred to the Cameron Highlanders of Ottawa. The reason for the transfer is unknown to Pte Mosquito. The accused would like to get back to his old unit, or, as an alternative, to another unit from his own part of Canada.

Pte Mosquito's record in the Canadian Army for the last five years has been far from good. Courts-Martial and convictions do not appear to have improved his conduct.

The accused is twenty-four years of age, has all ones on his Pulhems and is a full blooded Cree Indian.

I recommend that the Court have this man transferred to an Infantry Unit from his own part of Canada, and that he be sent up as a first line reinforcement as soon as possible. This man is anxious to get into battle, and in this way he could prove his worth to the Canadian Army.

Plea of Mitigation for
L.7700 Pte MOSQUITO S.

I wish to point out to the Court that this soldier joined the Saskatoon Light Infantry on 10 Oct 39. He remained with this unit till approximately one month ago. At this time he was transferred to the Cameron Highlanders of Ottawa. The reason for the transfer is unknown to Pte Mosquito. The accused would like to get back to his old unit, or, as an alternative, to another unit from his own part of Canada.

Pte Mosquito's record in the Canadian Army for the last five years has been far from good. Courts-Martial and convictions do not appear to have improved his conduct.

The accused is twenty-four years of age, has all ones on his Pulhems and is a full blooded Cree Indian.

I recommend that the Court have this man transferred to an Infantry Unit from his own part of Canada, and that he be sent up as a first line reinforcement as soon as possible. This man is anxious to get into battle, and in this way he could prove his worth to the Canadian Army.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(~~s~~)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(~~s~~).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans ....No.... (5)

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(~~s~~) to which the plea(~~s~~) of Guilty is (~~are~~) not changed the President records finding(~~s~~) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex "A", initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(E). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

Plea of Mitigation for
L.1600 PTE. MOSQUITO S.

I wish to point out to the Court that this soldier joined the Saskatoon Light Infantry on 10 Oct 39. He remained with this unit till approximately one month ago. At this time he was transferred to the Cameron Highlanders of Ottawa. The reason for the transfer is unknown to Pte. Mosquito. The accused would like to get back to his old unit, or, as an alternative, to another unit from his own part of Canada.

Pte. Mosquito's record in the Canadian Army for the last five years has been far from good. Courts-Martial and convictions do not appear to have improved his conduct.

The accused is twenty-four years of age, has all ones on his Pulheems and is a full blooded Cree Indian.

I recommend that the Court have this man transferred to an Infantry Unit from his own part of Canada, and that he be sent up as a first line reinforcement as soon as possible. This man is anxious to get into battle, and in this way he could prove his worth to the Canadian Army.

Proceedings in the Case of L 1600 Pte J Mosquito C.I.C.

The accused having been duly sworn states:
I have been in the Army since the outbreak of war and I have never been able to get into the Field. I have been on draft several times but have always been replaced for reasons which I do not understand. I was given the opportunity of going home as an inefficient soldier but I refused as I want to get into action. I am a well trained soldier and I want to go Overseas but I don't seem to be wanted.
As to breaking out of the Guard Room: I had been there doing nothing for a long time and I couldn't stand it so I went away.

R P 83 (b) has been complied with. hl.

Plea in Mitigation.
The accused enlisted on 10 Oct 39 and came Overseas in Dec of 1939. He has spent a great deal of time under arrest and doing punishment but I feel that a great deal of his trouble is due to a lack of understanding of his nature. He is a well trained Machine Gunner and spent a year with his Unit. His one ambition is to get overseas with his Unit and it is hoped that the Court will show clemency and allow this.

SUMMARY OF EVIDENCE

In the case of No L-1600 Private Solomon MOSQUITO, Of The Canadian Infantry Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of The Canadian Army Overseas

By direction of the Commanding Officer this Summary of Evidence is taken on oath.

First Witness for the Prosecution

D-125052 L/Cpl Gaumond, T.R., of the Cdn Inf Corps, on the strength of No 6 C.I.R.U., having been duly sworn, states as follows :

"On 12 Jun 44 I was in charge of No 2 Guard Room, No 2 Camp, 6 C.I.R.U. At that time the accused, whom I now recognize, was being detained in said guard room. At 0001 hrs when I took over my duties I made a check up of the prisoners detained in the guard room. They were all in bed. During the night at certain intervals I checked to see if everything was in order, and nothing was wrong. At 0600 hrs I again made a check and found that the accused was not in his bed. A dummy had been placed in his bed, evidently for the purpose of making it looked like a person sleeping. I searched all over the cell, but found that he was not there. I reported the matter to the guard sergeant".

The accused declines to cross-examine this witness.

T R Gaumond L/Cpl
(T.R. Gaumond)

Second Witness for the Prosecution

Lieut M.P. Menard, of The Cdn Inf Corps, on the strength of No 6 C.I.R.U., having been duly sworn, states as follows :

"I hereby produce the following documents concerning the accused, whom I now recognize":

(a) Army Form O.1617, Certificate of Surrender to the Civil Police of a Deserter or Absentee Without Leave, purporting to be signed by George T. Smith, Inspector of Police, Harrogate Police Station. This form is attached to this Summary Of Evidence, and is marked as Exhibit "A".

The accused declines to cross-examine this witness.

M P Menard Lieut
(M.P. Menard)

The accused is then cautioned as follows: "Do you wish to make a statement or to give evidence on oath?" "You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used in evidence.

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of one page, was taken down by me in the presence and hearing of the accused and that Rules of Procedure 4 (C),(D),(E),(F),and(G) have been duly complied with.

Holster in the name of Taggart, written on it and # B-16126. I obtained same by giving receipt for it. Coles informed me that it had been given by the "Three Horseshoe" Hotel. I accompanied Constable to Hotel where we searched Lavatory. Found it in the Cistern on said belt which was handed to me.

Prosecution

~~Defence~~

We know that no member of the R. Police saw the accused since 22 30 hrs. and did not see him until 1305 following day. accused admitted to Lieut McLeod at 1305 hrs. that he had lost his webbing and pistol, also Lieut McLeod & Mr. Wilford told us the holster, the lanyard and the belt were found in Lavatories of the "The Horseshoe" Hotel. This equipment marked Taggart B. I would call Lieut Taggart as my next witness

Q - You belong to the Guard Room of #2 Camp?

A. Yes sir

Q - Were you on duty on night of 22 April 44.

A No sir.

Q - Explain to the Court why you left webbing in the Guard Rm.

A - Every night after we leave the Guard Room, we leave the holster for next shift coming on.

Q - Do you recognize these webbing articles?

A. The holdster belongs to me, but I presume the belt belongs to the accused.

A member of personnel as witnesses in relation with this case summed the whole thing up, tactically it has been established that at 2245 hrs, the accused should have been on parade – he was absent. 2 witnesses said that he was not seen until 1305. We know that he was working until 0630 – But where was he between 0630 hrs and the time he was apprehended and told N.C.O. that he had lost the weapon? It is obvious that the witness was absent from parade and with his admission, was missing wet. and pistol. Neglect to prejudice of good order. It is fair to say that a soldier receiving an arm it is his duty to look after it. If he does not, he is automatically guilty of a form of duty which is neglect to prejudice of good order.

~~Prosecution~~ Defence witnesses. 1st – Pte Marquette sworn & later

Q – Will you tell the Court your name & number?
A Pte Marquette S.L-1600
Q. Tell exactly to Court what happened.
A – the Cpl told me that I was to go on patrol at 2245 hrs. and while he was talking, I obtained a pistol from Cpl. Taggart, then I went down the hill on patrol.

Q – Were you told to fall on parade?
A – no sir, only stated that I would be on patrol by the river
Q – Tell the Court exactly what happened
A – I was going down by the river, I stopped soldiers who were a bit drunk and told them to go to Camp right away. By the river I cautioned several soldiers, approx. 2340 hrs I cautioned two soldiers, I told that they were to go back to camp right away. They told me that there was a noise by the river, drunkards. On arriving there I broke the fighters. Another soldier by the bridge told me that there were two soldiers very drunk in town. I went down town to, by the Royal Bank I met a Civilian Policeman who mentioned that two prisoners had escaped from the Guard House. I went towards the Picture House Cinema, and heard foot steps, going fast, running (about 0200 hrs).
I had a very poor flashlight, I yelled at them to stop & went after them.

I yelled to stop but they kept on running. I went about 3/4 of a mile when they disperse.
I gave up the chase and, coming back I met two other soldiers coming from Ottey. I asked them to produce their passes. One of the guys looked in his pocket, while the other guy gave me a "shove" and threw me on the ground. They got away. I came back to Ottey and reported the fact to Civil Police. I went with him down the river and found about 8 soldiers sneaking out by the river and about 0620 hrs I came back with Policeman to Ottey Station & immediately came back again.
Walking up the hill, outside #1 Camp I felt sick (stomach) I lies down on the grass, undid my belt & fell asleep. I woke up at about 1200 hrs, and found that the pistol, holster and lanyard were missing. I looked in the surroundings, I looked everywhere and could not trace it. About 1300 - 1315 hrs I reported back to Guard Room #2 Camp.

Q - Had you ever had dizzy spells before?
A. Yes sir.

Question by the Court
Q. Do this Your belt?
A - Yes sir.

Summing up = w/ short of summing up

(1) Summing up. Sgt Hubbe has given evidence to show that Pte Mosquito was contented in his ~~unit~~ in the guardroom and that he was doing a very good job

1st charge Absenting himself without leave from 22.40 28th April - 1315 29 April

~~The accused has stated under oath that~~

Note 1 of Section 15 (1) states "The absence must be from the place where it is his duty to be."

The accused has stated under oath that he did not hear any order to report at 22.40 hrs and consequently in all good faith he believed his place of duty to be ~~the~~ the beat he was to patrol.

The defence has brought 3 witnesses all of whom saw Pte Mosquito at various times during the night. ~~He was being~~ proving therefore that to the best of his belief he was not absent from "the place where it was his duty to be."

The defence has brought evidence to show that Pte Mosquito was happy & doing an excellent job as an RP and we claim that the fact that he did not return until 1315 hrs 29 apr 44 is due not to any guilty intent but rather to a misunderstanding of orders & over zealousness.

2nd charge Remind the court of neglect under section 24 & 40

The defence claims that the pistol was stolen from the accused while he slept.

Evidence has been produced to show that it could not possibly have been Pte Mosquito who placed the web equipment in the cistern in the 3 Horse shoes & it seems reasonable to assume that the person who put it there stole the equipment & pistol from Pte Mosquito while he slept.

The defence has shown that he was on duty all night long

doing a good job & was very nearly exhausted and we claim that the prosecution has failed to prove any culpable neglect.

About 4am. Saturday the 29th April 1944, I was on duty at the police station, Otley, when a member of the Regimental Police who gave his name as Pte. Mosquito S.J. No.1600 called and enquired about two soldiers who had escaped from custody at the Farnley Camp. I had seen a message earlier in the evening about these two men and as far as I knew they were still at large. I informed him that they had not been arrested yet by the civil police. He said he was on duty in the Park and stated that a number of women were sleeping out in the Mile Fields with soldiers and asked me if I cared to accompany him as the two wanted men may be among these. I went with PC.Sutcliffe and in the Mile Fields we found eight soldiers sleeping out with six women. Pte. Mosquito took the names of the soldiers and I took particulars of the women. About 5-40am. the same morning when on the point of returning to the police station, I told Pte. Mosquito that he need not return to the police station, but he stated that he would come along.

About 6-30am. Pte. Mosquito left the police station and I last saw him walking towards Otley Bridge in the direction of the Camp. He then had the revolver and holster in its correct position slung round his neck.

At 3pm. Monday the 1st May 1944, whilst in company with L/cpl Macleod of the Provost Corps, I recognised a soldier in an Army vehicle as Pte. Mosquito, the soldier who went with me to the Mile Fields between 4am. and 6-30am. Saturday the 29th April 1944.

I am the Provost Sgt. of No. 6 CIRU. On 21 Apr 44, I went to the Quartermaster Stores of No. 6 CIRU and signed for five revolvers, Smith & Wesson calibre . 38. These revolvers were handed over to the Sgt in charge of the Guard Room of No. 2 Camp. One of these pistols was numbered 940102. I hereby produce a certified true copy of the receipt signed by Sgt. Crabe for the previously mentioned pistols, and is marked as Exhibit "A".

The accused declines to cross-examine this witness.

P. Fortin .....S/SGT

Second Witness For the Prosecution

L.1508 Sgt CRABB, B.B., of the Cdn Inf Corps, on the strength of No. 6 CIRU, having been duly sworn, states as follows:

On approximately 21 Apr 44, I was on the staff of the Provost Section of No. 6 CIRU. I received from S/Sgt Fortin, five revolvers and out of one of those was one numbered, 940102. After receiving the revolvers from S/Sgt Fortin I placed three revolvers in the Guard Room under the charge of the NCO i/c of the Guard Room, he having signed for them. One of these revolvers was one numbered 940102. Each on-coming NCO on his tour of duty signed for the revolvers. On 28 Apr 44, I detailed L/Cpl. Edgerton that he would have two men on patrol for 2245 hrs. At approximately 2240 hrs I followed him [redacted] outside of the Guard Room. I checked to see if the patrol was O.K. but at that time the accused was not there. He proceeded on patrol from there and the next time I saw Pte. Mosquito was at approximately 1315 hrs of 29 Apr 44. He then stated to me that he had lost a pistol, holster and lanyard. The lanyard and revolver are the only articles that I signed for. I do not know who owned the holster and belt.

The accused declines to cross-examine this witness.

B.88055 L/Cpl. EDGERTON, F. R., Cdn Inf Corps, on the strength of No. 6 CIRU, having been duly sworn, states as follows:

On 28 Apr 44, I was the NCO i/c of the Guard Room and I was ordered by Provost Sgt, Crabb, that I was to detail two men to go on patrol for the night. I detailed the accused, whom I now recognize, together with another Pte. They were to report at 2240 hrs on the same night. I issued a Smith & Wesson Pistol of .38 calibre to Pte Mosquito at approximately 2215 hrs. Between 2230 hrs and 2245 hrs I formed the parade and found the accused was absent. I looked for him personally but could not find him anywhere so I went on patrol without him and came back to the Guard Room at about 0030 hrs and stayed there until about 0200 hrs. Pte Mosquito had not yet returned when I left the Guard Room at 0200 hrs. I hereby identify the pistol holster, marked exhibit "B" as the one belonging to one Pte Taggart, a member of the Guard room in No. 2 Camp.

~~SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and~~ ADDRESS OF ~~ACCUSED~~ OR HIS DEFENDING OFFICER attached

R.M. Swaffield

Mr President

L 1600 pk Mosquito 5 16 MD

The accused has pleaded guilty. He knows that he has done wrong, but his plea is that he has an urge to be doing something more than just waiting. When he came out of detention last time he fully expected to be put on draft for the field, and as at that time everything pointed to an opening of hostilities he was quite willing to settle down to work. He was put on draft, then he was taken off draft. Now you know as well as I do the disappointment that can come from an act of that sort. Here is a lad who has had an upbringing ~~of~~ ~~[illegible]~~ ~~as~~ that was biased almost entirely on fighting principles. His ancestors were full blooded indians on one side, you know what they were like. And on the other side they were pioneers from this country, England. Here whole life has been a struggle.

So what happens. The war comes. It presents an escape from the humdrum life that he has to live, back on his reserve in Canada. It also provides an outlet for his warlike instincts that have been bred in him from birth. That is fine until he gets over here, & sits down & does nothing. The discipline that he is under over here is no better than the

bullying & badgering that he gets from ~~an~~ overjealous officials back in Canada.
There is no war to fight.

Again I might refer you back to his upbringing. He had been used all his life to being independant up to a point. His conception of discipline learnt in his early life was generally something to be laughed at, or at the worst sullenly obeyed. When he first entered the army he was pampered & cadled, a hero. That soon wore off and his contempt for authority began to get the better of him. He came over here to fight. Not to be bullied & badgered around around by someone he neither knew nor liked.

The accused is not lazy nor is he a coward he came over here to fight. The time has almost come when we shall all get our chance, we shall need every fighting man, every man who can fight. The accused asks for that chance, the chance to do what he came over for. Fight.

Thank you Sir

I checked again at 2000 hrs the same night. At repeated periods from then on I went to the ward and the accused was not present. I personally notified the D.A.P.M. of his absence by telephone. The accused was returned to the hospital on the 11th day of September - he was dressed in blue dress - as a patient in the hospital he is subject to regulations - he was warned personally by Col Young O.C #8 Hospital on the morning of aug 27 regarding

Question 10. Tell the court the circumstances of what happened in relation to the accused.

Answer 10. On 7 oct I was on duty in the guard room. Pte Mosquito had 28 days field punishment. At 1730 hrs Pte Mosquito was to parade with the rest of the field punishment men, which he failed to do. At 2200 hrs 7 oct Pte Mosquito was still absent — I charged him with being absent from field punishment parade.

Questioned by Defending Officer

Question 11 Where was Pte Mosquito during 1730 & 2200 period.

Answer 11 I couldn't say.

The prosecution is closed.

By the President to the accused

Question 12. "Do you wish to give evidence on oath or do you wish to make a statement not on oath? You do not have to do either. If you elect to give evidence on oath, you are liable to cross examination as any other witness. If you make a statement you will not be sworn and you will not be cross examined, nor will you be obliged to answer any question. Evidence on oath carries more weight than a statement. If you make a statement it will be taken down in writing and will be given due consideration"

The accused declined to make a statement under oath and there were no further witnesses.

The Defending Officer then addressed the Court as follows.

"On the first charge R.S.M. Greenly gave evidence that accused absented himself from hospital at 1900 hrs 27 Sep – he gave certain evidence in support of this such as searching the hospital and not finding him there – his subsequent arrest at 0930 hrs 6 Sep is proved by a certificate of arrest – Exhibit B – There is also an exhibit of arrest of the accused showing that he was arrested at 1630 hrs 7 Oct – There is an expense voucher for ~~Eighty~~ 8 shillings and five pence. No evidence has been produced by the prosecution as to the accused's having absented himself on that date. There are many reasons why a man might be arrested in Reading on the 7th of October which are quite consistent with him not being illegally in Reading – several soldiers could be found in Reading any day with good reason. I submit to the court that the second charge has not been proved. On the third charge the only evidence before the court is that the accused was absent from two parades at 1730 hrs and 2200 hrs respectively on the 7th of October. The accused is not charged with absenting himself from any parade and while absence from a parade may help to prove that a soldier continues to be out of barracks. In this case there is no evidence that the accused ever did break out of barracks or that any search was ever made for him in the barracks – Summing up I submit that the facts of the 1st charge have been substantially proved – that proof of the principle facts necessary to support an A.W.L. charge is absent as far as 2nd charge is concerned – That no facts have been brought forward in proof

The Court

of the third charge at all — Therefore I ask the Court to acquit the accused on the 2nd & 3rd Charges.

The Prosecuting Officer stated.

It is in the evidence that the accused was undergoing field punishment at the time and it is therefore difficult to see how he could be in Reading without being AWL and without having broken out of barracks.

The Court was closed for consideration of the findings.

The Court was reopened, and the accused again brought in.

The accused was informed that he was found 'Not Guilty' on the 2nd and 3rd Charges.

Lieut T.H Gordon R.M.R. (M.D) #1 CMBRU was sworn and produced AFB 296 and MFM6 and stated that accused was the person named in the documents which were compared by him with Regt'l records and are true ~~copies~~ extracts of the same. The above documents were read, signed by the President and attached to the proceedings.

The Defending Officer then addressed the Court as follows.

"I have very little to say — the accused has a long record but he would ask the Court to take into consideration that the accused is an Indian and not perhaps as amenable to discipline as others — there may be a lack of understanding of the nature of military

P.T.O.

3h discipline — it is difficult to find a solution.
The accused believes that when he returns to his company the other soldiers treat him as an outcaste — when he came back or was brought back to barracks here no one spoke to him — he therefore under the circumstances left again. He now asks the court to consider all these factors.

The Court is closed for consideration of sentence.

The above summary of proceedings was taken down by me

SUMMARY OF EVIDENCE

Summary of evidence in the case of No.L 1600 Private Mosquito, S. of the Saskatoon Light Infantry (MG) Regt. on strength of 1 Can.(MG)Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the summary of evidence was taken on oath.

FIRST WITNESS

For the prosecution

No. L 21051 R.S.M. Greenley E.W. of No. 8 Canadian General Hospital, Royal Canadian Army Medical Corps Canadian Army Overseas, having been duly sworn states as follows:-

At Farnborough Hants on 27 August 1942 I was in charge of discipline of all patients in Connaught Hospital. At 1900 hours 27 August 1942 it was reported to me that L 1600 Pte. Mosquito, S. was absent from his ward. I had a search made of the Hospital Area, going to the ward myself and the accused could not be found. He was posted as absent and reported to the Provost Corps as such. At 1900 hours 4 September 1942 the accused returned to the Hospital in Battle Dress, he having left in blue's I placed the accused under open arrest. On the morning of 27 August 1942 the accused was warned by the C.O. of the 8, Canadian General Hospital that he was not to leave the hospital without permission. The accused was not on pass. In support of my evidence I produce a PART II ORDER No.56 dated 9 September 1942(Exhibit "C") which shows the accused absent at 1900 hours 4 September 1942. Pte. Mosquito was continuously absent till returned by the Provost on 11 September 1942.

The witness was cross examined by the presiding officer.

Question 1. Your story does not seem to tie in with the other evidence. How can you reconcile his return to hospital on 4 September 1942 and his apprehension in Waterhurst on 6 September 1942.

Answer 1. My only reason for saying he returned on 4 September 1942 was the PART II ORDER entry which say's he continued to be absent. Actually he was absent from the hospital until 11 September 1942, when he was returned by the Provost. In corroboration I submit a letter to C.O. 1 C.M.G.R.U. re-the accused absence(Exhibit "D")

The accused declines to cross examine this witness.

This 31 day of Jan 42.

No. L-1600, PTE. MOSQUITO, S., No. 1 C.M.G.R.U., tried by Field General Court Martial at FARNBOROUGH, Hants. on the 4th day of February, 1942.

The order convening the Court, the charge sheet, summary of evidence and medical certificate are laid before the Court.

The Court satisfy themselves as provided by R.P. 22 & 23.

The accused is brought before the Court.

Prosecutor:	Lieut. J.H. Chicoine,	No 1 CDIRU.
Defending Officer:	Lieut. J.McL. Prescott,	No 1 CDIRU.

At 0930 hrs the trial commences.

The order convening the Court is read, signed by the President, and attached to the proceedings.

The names of the President and members of the Court are read over in the hearing of the accused, and they severally answer to their names.

Q1. Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1. No, sir.

The President and members are duly sworn.

The officers under instruction are duly sworn.

Q2. Do you object to No. B-66944, Sgt. T. Pyburn, HQ, C.R.U., acting as shorthand writer?
A2. No, sir.

The shorthand writer is duly sworn.

The charge sheet is signed by the President, and annexed to the proceedings.

The accused is arraigned upon the charge in theabove mentioned charge sheet.

Q3. Are you guilty or not guilty of the charge against you, which you have heard read?
A3. Not Guilty, sir.

Q4. Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?
A4. No, sir.

PROSECUTOR: I have an application for the consideration of the Court. I am informed this morning that the second witness for the prosecution, Major Farncomb, is absent. I would apply to have the evidence given under oath at the summary of evidence considered by the court and accepted. I don't think the accused will be prejudiced thereby.

DEFENDING OFFICER: I would object to that procedure. If that is done, I have no opportunity to cross-examine Major Farncomb whatever, and I submit the accused would certainly be prejudiced in having evidence before the court on which there is no opportunity for cross-examination.

THE COURT: Sworn evidence taken at some other time cannot be introduced.

PROSECUTOR: Then in that case, sir, I have to apply for an adjournment.

THE COURT: Do you know why Major Farncomb is not here?

PROSECUTOR: I have not the faintest idea, sir. I was only put on this case yesterday. I am quite prepared to carry out my job to the best of my ability but I am afraid I cannot bring out a certain material part of the evidence without the attendance of Major Farncomb. I consider him a necessary witness for the prosecution.

DEFENCE: Sir, Major Farncomb I believe is on leave. He was sent a priority wire the day before yesterday at the address given, informing him that this case was going on today, and that is all I know about it.

THE COURT: Due to the absence of a necessary witness the Court will adjourn until further notice.

THE COURT IS ADJOURNED SINE DIE.

21600 Pte Mosquito, S. (S.L.I.-(MG)) No. 1 Coy M.G. Rein. Unit.

On instructions from the Commanding Officer the evidence is taken on oath.

First Witness for the Prosecution

B76618 Pte Martin, J.G. T.S.R. #1 C.M.G.R.U., having been duly sworn states:-

I am B76618 Pte Martin J.G. "T.S.R" Coy. I am the foreman and postman for T.S.R. Coy. Between 1000 and 1030 hours 16 Jan 42 the coal fatigue brought coal to the T.S.R. mail room. They asked "Where shall we put the coal" I told them "Around the back in the corner". There were two men on the coal fatigue, one of whom is the accused whom I recognize. I saw them go to the corner where the coal bin is and heard the coal being dumped. They were in my view all the time. The accused went out the back door the other went out the front door carrying the empty bucket. About 6 feet from coal bin there is a compartment of 6 shelves. There were some odds & ends on the shelves and 3 cartons of 300 cigarettes in the middle compartment, one of which belonged to myself. Approximately 1040 after checking the parcels I found one carton of Winchester cigarettes were missing. This carton was the property of myself. The serial No was 8000, sent to me by Mrs. G. Robertson, 107 Hershmer St., Hamilton, Ont. The coal fatigue party were the only persons in the room up to the time I discovered the cigarettes were missing. I reported the matter to my Major, Major C.D. McCreary, T.S.R. Coy Commander, and he said he would find out and see what could be done about it.

B76618. Pte Martin J.G.

Q-1 Did you see me go out the back door?

Q-3 You went to the room where the rear door is?
A-3 Yes.

Q-4 When you heard the door close did you look to see if your cigarettes were missing?
A-4 No I didn't I wasn't concerned with them at all the ones I was concerned with were the ones that were on top of a box near the back door.

Q-5 Did both of us leave the room at the same time?
A-5 No, there was about ½ minute between the time the one fellow went out the door he came in & the back door opened.

Q-6 Between the time we left & the time the cigarettes were lost could it be possible for someone to come through the rear door without you knowing?
A-6 No.

Q-7 In behind where the cigarettes were how high is it?
A-7 Approximately 4 feet.

Second Witness for the Prosecution

Major J.E. Farncomb having been duly sworn states:-

At approximately 1800 hrs Friday 16 Jan 44 Major McLeod OC TSR Coy reported to me that 300 Winchester cigarettes had been stolen from his Coy mail room and that these cigarettes were the property of Pte Morton, TSR Mail Clerk. He asked me to check personnel of the coal fatigue which was supplied by the SL & Coy on that day, as the cigarettes had disappeared about the time coal had been delivered. The fatigue detailed was composed of Pte Mosquito, Sanders, Walker R.F. and Pfleger, C.F. and was in charge of Cpl Tucker of HQ Coy. I instructed the SL & Orderly Sgt, Cpl Smith, Dvr, to accompany me and together we searched the kit belonging to these men. In the fold of Pte Mosquito's mattress we found an Auto Gas Wallet which contained 8 packages of Winchester cigarettes, 200 cigarettes in all. We found no Winchester cigarettes in the kit of the other men on the fatigue. Cpl Smith & I checked Pte Mosquito's receipts of cigarettes in the mail book and found that the last consignment he had received was a parcel of 300 on the 21 Dec 44. There had been a free issue of 120 British Consols ~~and~~ at Christmas and 50 Legion cigarettes on 14 Jan 44 to all ranks of the company. Neither of these brands was found in Pte Mosquito's kit.

I instructed Cpl Smith to have Mosquito paraded before me that afternoon. I cautioned Pte Mosquito that any statement he made might be used in evidence against him and when questioned he denied any knowledge of the cigarettes found in his kit and stated that he had no cigarettes at all.

On Saturday morning 17 Jan 44, Pte Mosquito was brought before me on a charge of stealing the 300 ~~cigs~~ Winchester cigarettes from Pte Morton

He pleaded "Guilty" and I remanded him for the Commanding Officer.

Cpl. Smith is at present a patient in hospital and is not available as a witness.

F. Curneow. Major
C.M.G.R.U.

Accused declines to question the witness.

Third Witness for the Prosecution

M 53308 Cpl. Tucker, R.G. having been duly sworn states:-

I am M 53308 Cpl Tucker, R.G. "HQ" Coy #1 C.M.G.R.U. I was the Corporal in charge of the coal fatigue on 16 Jan 42. The fatigue consisted of Ptes. Mosquito, Sanders, Walker R.T. and Pfleger C.T. and two trucks. Ptes Mosquito & Pfleger were with me throughout the day. Ptes Sanders & Walker were employed in hauling coke with one of the trucks. Approximately 1000 hrs we reached the TSR mail room, at this point we supply four buildings, No 1 Lecture Room, Sh.1 Orderly Room, TSR Orderly Room & TSR Store Room & Mail Room. During the fact that both myself & driver were to be on parade at 1030 hours, we split the duties, I going to the Sh.1 Orderly Room & No 1 Lecture Room. The driver, whose name I do not know, went with Ptes Mosquito & Pfleger to the TSR Orderly Room and the TSR Store and Mail Room were they delivered coal. When I returned to the truck the driver said the coal was delivered. So we climbed on the truck to go to the next stop. About this time I noticed Mosquito was missing and asked where he was. Either the driver or Pte Pfleger answered "That he had gone to the lavatory". I took no notice of this, except that he was

absent a very short time. We were at the "RMR" Orderly Room, which is right next door when Mosquito returned.

M53308 Cpl. R.G. Tucker.

Q-1 Could you say I was gone more than 5 minutes?
A-1 No.

Fourth witness for the Prosecution

L2669 Pte Armstrong J having been duly sworn states:-

I am L2669 Pte Armstrong J. On the 16 Jan 42 I was the driver of a truck of the coal fatigue. At approximately 1000 hours we reached the No1 Lecture Room, Sh I Orderly Room, TSR Orderly Room and the TSR Stores and Mail Room. The personnel riding with me were Cpl Tucker Ptes Mosquito and Pfleger. Being rushed for time I, with Ptes Mosquito and Pfleger delivered coal to the TSR Orderly Room and TSR Stores and Mail Room while Cpl Tucker went to No 1 Lecture Room to see if they required coal. I entered the TSR Store & Mail Room carrying three blocks of coal. I entered first. While I was inside Ptes Mosquito and Pfleger filled the little tub with coal. Ptes Mosquito and Pfleger had not entered the building before I came out. When the tub was filled Ptes Mosquito and Pfleger carried it indoors while I moved my truck down to the TSR Orderly Room. I was not in the TSR Store and Mail Room while Ptes Mosquito and Pfleger delivered the coal. Pte Pfleger returned to the truck alone and told the Corporal that Mosquito had gone to the toilet. Cpl Tucker and Pte Pfleger delivered one tub of coal to the TSR Orderly Room.

This delivery took approximately 2 or 3 minutes, then we moved to the RMR Orderly Room which is approximately 10 yards away. Just as I stopped the truck I looked around and the Mosquito was there.

L 2669 Pte Harnestone. J.

Q-1 How high is the cupboard in the mail room?
A-1 About the height of a man.

Q-2 Could you see over the cupboard?
A-2 I believe you could.

Q-3 Could you say I was gone more than 5 minutes?
A-3 No, not exactly. I don't believe it could be more than that.

Q-4 Do you suspect I stole the cigarettes that day?
A-4 No, I certainly didn't.

Q-5 Did I look suspicious when I went to the latrine?
A-5 No, a man has to do those things once in a while.

Fifth Witness for the Prosecution

I am L2839 Pte Ofliger C.F. On 16 Jan 42 I was employed on the coal fatigue under Cpl Tucker. The fatigue consisted of Ptes Mosquito, Sanders, Walker R.F. & myself. When we arrived at the T.S.R. Stores and Mail Room Pte Mosquito & I filled the coal bucket while Cpl Tucker left to go to No. 1 Lecture Room. Mosquito & I carried in the coal and emptied it in the corner. Nothing unusual or suspicious happened while we were in the Mail Room. Pte Mosquito told me he was going to the lavatory. I did not reply but left the room carrying the empty coal bucket. I did not see Mosquito leave the building. I returned to the truck and the truck moved on to the "RMR" Orderly Room. Pte Mosquito returned to the truck while I was carrying coal into the Orderly Room.

L.2839 Pte Ofliger C.F

Q.1 Where did I ask you if I was going to the toilet? Inside or outside?
A.1 I wouldn't be sure if it was inside or outside.

Q.2 Do you remember seeing me going to the lavatory?
A.2 I don't remember.

I am L1600, Pte Mosquito, S. When I first joined the army I hardly had any education and did not speak much English. The only thing I knew about the army at that time was that I was to train for six months, then right into action. Then I got overseas and it happened that I never had any seven-day leave all the time I was in England — only a few week-ends. Well, I just got fed up with soldiering, not ~~that~~ realizing what harm I was doing others, at the same time it was not doing me any good.

In a way, I am glad that I went through prison and trouble. It taught me a lesson and now I know things I ~~[illegible]~~ never dreamed of before I joined up.

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: L'accusé désire rendre témoignage sous serment, monsieur.

(Voir page D-3 et suivantes.)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

L'accusé, mat. D-146006, - Soldat Jean-Paul MARTIN, Liste Générale, A.C., attaché à A-13, C.I.T.C., A.C.,

étant dûment assermenté,

EST INTERROGE PAR L'OFFICIER DEFENSEUR : -

Q. Que faisiez-vous, ici, à Valcartier, Martin ?

R. Ici, je ne faisais rien dans le moment que je suis parti; j'étais déclassé. Je restais dans ma hutte. J'étais supposé être "Fireman", chauffeur de fournaises.

Q. Quel âge avez-vous ?

R. 19 ans, monsieur.

Q. Marié, ou célibataire ?

R. Célibataire, monsieur.

Q. Est-ce que vos parents sont vivants ?

R. Oui, monsieur.

Q. Pouvez-vous dire pourquoi vous êtes parti de Valcartier ?

R. Le 7 novembre au soir, avant que je parte, une couple de jours avant j'étais "light duty", j'étais malade, et je fus forcé de travailler pareil: Brosser les plafonds et les planchers. C'est pour ça que le 7 novembre au soir, j'étais découragé et je suis parti du camp, ici.

Q. Que faisiez-vous pendant que vous étiez chez vous ?

R. J'ai presque toujours été malade; premièrement, j'ai attrapé une maladie vénérienne, après ça, je me suis fait casser la mâchoire. J'ai été presque tout le temps à l'hôpital.

D - 5

Q.- Qui vous soignait ?

R. Le docteur Smith, d'Oxbery.

Q. A quel hôpital étiez-vous ?

R. A l'Hopital Rideau, à Ottawa.

Q. Quelle était votre intention, pendant que vous étiez chez vous ?

R. J'avais l'intention de revenir avant que je poigne la maladie vénérienne; quand j'ai vu ça, j'ai resté à Oxbery. J'étais pour revenir et j'ai reçu un coup de hockey dans le visage et je me suis fait cassé la mâchoire.

Q. Comment se fait-il que vous étiez à Vankleek Hill quand on vous a arrêté ?

R. J'étais chez nous, à Oxbery, et non à Vankleek Hill.

Q. Au sujet de votre équipement, qu'en avez-vous fait ?

R. J'ai viré une brosse et je l'ai perdu.

Q. Tout ce qui vous manque, par conséquent, vous l'avez bien perdu ?

R. Oui, monsieur.

- INTERROGE CONTRADICTOIREMENT PAR LE PROCUREUR : -

Q. Vous êtes parti le 8 novembre, 1944 ?

R. Le 7 au soir, monsieur, à 1100 heures.

Q. Le 8, vous n'y étiez pas ?

R. Non, monsieur. J'étais parti le 7.

Q. Vous n'êtes pas revenu au Camp avant d'être arrêté le 21 février ?

R. Non; le 22 février, monsieur.

D - 7

Q. Quelle distance y a-t-il de Vankleek Hill à Oxbery ?

R. Sept milles, monsieur.

Q. Vous avez été arrêté à Oxbery ?

R. Oui, chez nous, monsieur.

Q. Est-ce tout près de Vankleek Hill ?

R. C'est la rue pour Vankleek Hill. Sur la rue pour Vankleek Hill, il y a un chemin qui commence pour aller à Vankleek Hill, c'est là.

Q. Etes-vous en ville ?

R. Oui, monsieur. On se trouve en ville pareil.

Q. La maladie dont vous parlez, où avez-vous attrapé ça ?

R. A Montréal, monsieur.

Q. Votre accident que vous avez eu, comment est-ce arrivé ?

R. J'étais à jouer au hockey, un gars m'a frappé et m'a cassé la mâchoire. J'ai encore une marque ici, c'est enflé.

Q. Vous avez dit que vous étiez déclassé; savez-vous quelle était votre catégorie ?

R. P-3, L-3, monsieur.

Q. Pourquoi ?

R. J'avais des varices, et le physique, je ne sais pas. J'ai été déclassé à Québec et ça été confirmé à Québec.

Q. Quand vous avez été arrêté, qu'est-ce que vous faisiez ?

R. J'étais au lit, j'avais 104° de température. Les prévôts sont arrivés, m'ont arrêté et m'ont monté en haut.

D - 9

Q. Avez-vous été malade, à Ottawa ?

R. J'ai rentré à l'hôpital, à Ottawa.

Q. Avez-vous été opéré ?

R. Le 22, quand ils m'ont arrêté.

Q. Combien avez-vous été de temps à l'hôpital ?

R. Dix-huit jours.

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Oui, monsieur. (L'accusé, par son Officier Défenseur, dit :-

" Je demanderais à la Cour d'être clémente vu le jeune âge de l'accusé; de plus, il a couru faire son devoir alors même qu'il n'avait pas 19 ans, et, s'il a été déclassé, ce n'est pas sa faute. Il est jeune et, si on lui donne une chance, il saura reprendre sa place et faire son devoir. Je demande donc le minimum de peine possible. "

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

STATEMENT OF ACCUSED IN REFERENCE TO PLEA OF GUILTY:
H-61061 Private Edward MAUTHE

Sir:

I am married and my wife is not feeling so well. Last year in August when I was in Wainwright I got a letter stating she had a nervous breakdown, and the doctor advised her to get out of the city. I applied for a leave and they would not give it to me, and I brought her down to Wainwright with me during my training. I was on furlough in the meantime, and she was having a baby, and in her condition I was worried, and I received only one letter, and that letter said she wrote five or six letters. So I went home to see what condition she was in. I wrote home and asked for a statement from the doctor stating the condition she was in. I have varicose veins and my chest bothers me. That is all, sir.

Dear Sir:

Re: M. 601864 Pte. MICIAK, M.P.

Would you please review the file of the above with a view in reduction in sentence and advise me of your conclusions.

Miciak was absent without leave and a greater part of the time he was absent he was with one Emil Litzenberger, who I understand has been released. No doubt the same treatment should be extended to both these men.

I would appreciate being advised.

Yours very truly,

CLAIR C. JOHNSTON

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor declines to make an opening address.

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

~~being duly sworn, is examined by the Prosecutor.~~

Question

THE PROSECUTOR: I produce M.F.B. 375 and M.F.M. 216.

The Defending Officer raises no objection to either of the documents.

The documents are read and marked Exhibits "J" and "K" respectively, signed by the President and attached to the proceedings.

FIRST WITNESS FOR THE PROSECUTION:

L.22001 RQMS (W.O.II) D. L. SNEDDON, No. 12 District Depot, C.A., being duly sworn, is examined by the Prosecutor.

Q. Sergeant-Major, will you tell the Court your number, rank, name and unit, and your employment in that unit?

A. I am L.22001 RQMS Sneddon, D.L., 12th District Depot, Regina, Saskatchewan, employed at the Q.M. Stores, 12th District Depot.

Q. Do you recognize the accused?

A. I recognize the accused, sir.

Q. What is his name?

A. Pte. Miciak, if I pronounce it correctly, sir.

Q. Did you have occasion in the course of your duties recently to give the accused an order?

A. I did, sir.

Q. Will you tell the Court the approximate time and date and what took place on this occasion?

A. On March 9th, 1945, at approximately 0940 hours the accused was paraded to me at the Q.M. Stores, 12th District Depot, Regina, Saskatchewan, for the purpose of being outfitted with the Canadian Army uniform. I was dressed in the uniform of the Canadian Army. Showing the accused the badge of rank, W.O.II, on the sleeve of my battledress blouse I asked him if he knew what it meant. He replied, "Sergeant-Major."

A. cont'd Showing the accused the uniform of the Canadian Army I asked him if he knew what it was. He said, "Army uniform." I said, "What Army?" He said, "Canadian." I asked him if he understood what an order was. He said, "Yes." Offering the accused the uniform I said, "Put this uniform on now." The accused answered, "I'll leave it off until I get other particulars."

Offering the accused the uniform a second time, I said, "This is a direct order: Put this uniform on now." The accused answered, "The answer is still the same." Again offering the accused the uniform I said, "This is a third direct order: Put this uniform on now." The accused answered, "The answer is still the same." The accused did not take or put the uniform on. There was privacy and the accused could have put the uniform on if he had wished to do so. I also explained to the accused the seriousness of the offence of disobeying a lawful command, saying he was liable after trial to get imprisonment. I then told the escort to take him to the Guard Room.

Q. How was the accused dressed when he was paraded to you?
A. In civilian clothes, sir.

The Defending Officer declines to cross-examine.

QUESTIONED BY THE COURT

Q. I understand your evidence is that when you gave the order the first time the answer by the accused was: "I'll leave it off until I get further particulars."
A. "I'll leave it off until I get other particulars."

Q. That's what I said: "I'll leave it off until I get other particulars"; is that right?
A. Yes, sir.

Q. Did you ask him at any time, as the other answers were the same, what he meant by that?
A. I asked him, sir, and he said something about papers; and I told him I had no concern about the papers. I told him that he was here to put the uniform on.

Q. Why didn't you give that in direct evidence?
A. I just slipped my mind, sir.

Q. I would like you to explain that again; what you said to him and what his answer was.
A. After.....

Q. Just what was said after he said he wanted further particulars.
A. I asked the accused, "What particulars?" He said, "I want more particulars from my papers in my documents." The papers sent with his documents, sir.

Q. I see. And following the second or third order that you state you gave his answer was: "The answer is still the same."?
A. Yes, sir.

Q. Did you report this conversation with the accused, or what happened, to your senior officer?
A. No, sir.

22

Q. Did you, yourself, take any action on it about these papers?

A. No, sir.

THE COURT TO THE WITNESS AT THE REQUEST OF THE PROSECUTOR: Did you explain this conversation about other particulars demanded by the accused to your Commanding Officer at any time?

THE WITNESS: No, sir.

The witness withdraws.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make an unsworn statement, sir. (See document marked "L" attached.)

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

The Defending Officer makes a closing address. See document marked "M" attached.

The Prosecutor makes a closing address. See document marked "N" attached.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. Not on them, sir.

Question to the accused. Do you wish to address the Court?

Answer. I don't think so, sir, but my Defending Officer will speak for me.

THE DEFENDING OFFICER: Mr. President: There isn't very much that I can say at this time except that I wish the Court to take into consideration the accused has been under close arrest for 31 days.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

MINUTE REGARDING DEFENDING OFFICER

QUESTIONS BY THE PRESIDENT TO THE ACCUSED

Q. I have a letter here purporting to be signed by M.601864 M. P. Miciak. Is that your signature (showing the accused the document marked "G")?

A. That's right, sir.

Q. It is dated the 21st March 1945 and in this letter you acknowledge that you have been advised as to your rights in arranging your defence; and then at the end, I would like to have you clarify what it says here. It has been erased. Does it say, "I wish to have an officer defend me"?

A. I wish to have a Defending Officer.

THE COURT: You wish to have a Defending Officer. Well, there is no letter before the Court from the Commanding Officer detailing an officer to defend you. Perhaps, Capt. McMeans, you could explain the situation.

THE PROSECUTOR: Sir, upon investigation I was informed by the Commanding Officer that the accused had a Defending Officer made available for his defence. The accused, nevertheless, requested an officer out of the District to be detailed for his defence. A communication has been forwarded to District Headquarters for a request to National Defence Headquarters for appointment of this officer. It is suggested that, if the Court so desires, an adjournment could be granted now at this stage of the proceedings for one week.

THE COURT: The Court will grant the adjournment as requested.

At 1425 hours on the 22nd day of March, 1945, the Court adjourned.

At 1015 hours on the 29th day of March, 1945, the Court is reopened.

THE COURT: Now, accused, a week ago when you first appeared before the Court you had no Defending Officer detailed and you said you wished to have one, and the Court was adjourned for one week for that to be done. Now there is a letter before the Court (document marked "I") from Lieut.-Col. Cooke, Commanding Officer of No. 12 District Depot, stating that Lieut. G. C. Beesley has been detailed to act as your Defending Officer. Are you satisfied to have Mr. Beesley act as your Defending Officer?

THE ACCUSED: Yes, sir.

STATEMENT BY THE ACCUSED

Well, sir, the reason, I applied for my spring leave and then I got my furlough instead of spring leave and so I put the crop in and put in for an extension--another application. And I waited about a month and I didn't get it so I left to take the crop off.

And then I stayed on the farm, and I knew I had to get it over with sometime and I went out on a trip with the intentions of being caught. Well, the reason I was on the farm all the time was because my father was always sick and I was the only one on the farm. That's all I have to say for the first charge.

On the second charge, I didn't refuse to put the uniform on. I told him I was going to wait and see what was in my documents. That's about all, sir.

"M"

Major,
President, Standing Court-Martial.

CLOSING ADDRESS BY THE DEFENDING OFFICER

Mr. President of the Court: I haven't anything to say concerning the first charge.

On the second charge I fail to see where the Prosecution has proved the man disobeyed a lawful command when he stated, "I do not wish to put on the uniform until I see my documents." Therefore, I would ask the Court to consider dismissing the accused on the second charge.

12

"N"

Major,
President, Standing Court-Martial.

CLOSING ADDRESS BY THE PROSECUTOR

Mr. President: As to the second charge the Defending Officer has raised the point that by making a statement, "I do not wish to put on the uniform until I have seen my documents" or words to that effect, that excuses the accused from obeying a lawful command.

This is not a lawful excuse for refusing to obey a lawful command, it is respectfully submitted. While the Quartermaster Sergeant may have been remiss in not reporting the wish of the soldier to see his documents, nevertheless, this does not exonerate or excuse the accused for his conduct in refusing to obey the command.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor declines to make an opening address.

~~The Prosecutor proceeds to call witnesses.~~

First Witness for prosecution.

~~being duly sworn, is examined by the Prosecutor.~~

Question

THE PROSECUTOR: I produce M.F.B. 375; M.F.M. 215; M.F.B. 1481 in the total sum of $1.08; M.F.B. 1481 in the total sum of $9.17; and M.F.B. 1482 in the total sum of $6.25.

The Defending Officer raises no objection to any of the documents.

THE COURT: In admitting M.F.B. 375 the Court draws to the attention of the Prosecutor that this method of submitting M.F.B. 375 is not a sound one and not in accordance with instructions laid down. It seems to the Court that just one printed form M.F.B. 375 should be used and if the list of deficiencies is too lengthy for that one form, then the same should be entered on a separate list and attached to that form and initialed by the certifying officer. Another weakness is that the declaration is on one printed sheet (page 1) and the certificate is on the third printed sheet (page 3).

M.F.B. 375 is read and marked Exhibit "I", signed by the President and attached to the proceedings.

M.F.M. 215 is read and marked Exhibit "J", signed by the President and attached to the proceedings.

THE COURT: The officer signing M.F.B. 1481 in the amount of $1.08 does not show the capacity in which he certifies; that is, either that he is the officer "issuing transport warrants" or that he is the officer "authorizing transportation." The description which did not apply should have been deleted and initialed. However, as this officer does certify in the body of the certificate that he "authorized" the transportation, the document is held to be admissible and is admitted. The Court would ask the Prosecutor in these matters to instruct these people making the documents to observe the formalities properly.

M.F.B. 1481 in the amount of $1.08 is read and marked Exhibit "K", signed by the President and attached to the proceedings.

C.3

M.F.B. 1481 in the amount of $9.17 is read and marked Exhibit "L", signed by the President and attached to the proceedings.

M.F.B. 1482 in the amount of $6.25 is read and marked Exhibit "M", signed by the President and attached to the proceedings.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I will make a sworn statement.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

FIRST WITNESS FOR THE DEFENCE:

The accused, L.534218 Pte. Nick MARKOWSKI, No. 12 District Depot, C.A., being duly sworn, is examined by the Defending Officer.

Q. Markowski, will you tell the Court when you were enrolled in the Army?
A. I was enrolled in 1942 on August 5th.

A. Yes, sir.

Q. And what happened?
A. I was given the application to fill in before joining up and I went on a draft to Maple Creek to take my basic and six weeks after I was called for my medical. And after I had my medical my category was C-1 so I was told by the Medical Officers that they can't make my grade to get in the Active service.

Q. I see. Do you know what your category is now?
A. Yes.

Q. What is it?
A. A-1.

Q. A-1. Are you suffering at all from ill health at all; anything wrong with you?
A. Yes, I do.

Q. What is it?
A. Ears.

Q. And where were you at that time?
A. At my brother's place.

Q. At the farm?
A. Yes, sir.

Q. What was your reason..... Will you tell the Court what your reason was for going away?
A. Because I didn't want to go as a N.R.M.A. overseas.

Q. That was your only reason?
A. Yes.

Q. Have you ever tried since 1942 to go Active, since the first time?
A. No, I didn't.

Q. Why?
A. Well, because I figured there was no use trying again the way I was told that I can't make it.

Q. So you thought there was no use trying?
A. Yes.

Q. Did you intend..... What were your intentions as regard to returning to your Unit?
A. I figured I would come back in about a few days after I was caught, or arrested.

Q. Will you explain that a little better? When did you figure this; before or.....
A. Before.

Q. You intended to come back.....
A. Yes, sir.

Q. .....in a few days?
A. Yes, sir.

Q. Is there anything else you would like to explain to the Court? Anything at all in regards to your absence; the reason or anything further that you would like to add.
A. I don't think so.

CROSS-EXAMINED BY THE PROSECUTOR

Q. Pte. Markowski, you admit then that you were absent from your Unit, the Prince of Wales Rangers, from 2000 hours on the 24th December 1944, without leave?
A. Yes.

Q. Your Unit was then at Debert, Nova Scotia?
A. Yes, sir.

Q. And that you remained so absent until you were apprehended at 1630 hours on the 6th March 1945 by the Mounted Police; that's right, isn't it?
A. Yes.

Q. And you were dressed in a civilian cap.....
A. Yes.

Q. .....and other than Army boots, but you had on an Army issue coverall?
A. Yes.

Q. What did you have underneath?
A. I had a sweater, a shirt and underwear.

Q. Sweater, shirt and underwear. I show you a document. Is that your signature?
A. Yes, sir.

Q. Did you sign that document?
A. Yes, sir.

Q. Was there an officer present when you signed this?
A. Yes.

Q. Was this document explained to you?
A. Yes, it was, sir.

Q. You know what that document is, don't you?
A. Yes, sir.

Q. It is a warning order to you, isn't it?
A. Yes, sir.

Q. That you were to proceed on special duty?
A. Yes, sir.

Q. And you were warned of the consequences if you didn't report as you were told to?
A. Yes, sir.

Q. What were the consequences?
A. Section 12 of Army Act.

Q. And what is that about?
A. Charged with desertion.

The Prosecutor tenders the document as an exhibit.

The Defending Officer raises no objection.

The Warning Order is read and marked Exhibit "N", signed by the President and attached to the proceedings.

Q. Now, you have told the Court about an application to try and go Active right after you were enrolled. Did you know what your medical category was when you were enrolled on the 5th of August, 1942?
A. Yes, sir.

Q. What was it?
A. A-1.

Q. And this application that you made; was your category lowered after you made that application?
A. Not right after.

Q. Was it ever lowered?
A. Well, only when I had my medical or reboard at Maple Creek.

Q. You had a reboard at Maple Creek?
A. Yes, sir.

Q. And was your category lowered then?
A. He showed me the papers that it was.

Q. You again had a reboard in 1943, didn't you?
A. Yes, sir.

Q. And this time on your reboard you had a Pulhems Profile, didn't you?
A. Yes, sir.

Q. A very careful examination; and the result of that was what?
A. I was A-1.

Q. A-1 or one across the board?
A. Yes.

Q. When you found this out did you make any effort then to.....
A. No, I didn't.

Q. You were on your brother's farm?
A. Yes.

Q. You have a farm of your own, haven't you?
A. Not any more.

Q. Not any more. Is your father operating that farm now?
A. My brother.

Q. Is that the brother whose place you were at?
A. Yes.

Q. But you weren't at your parents' place?
A. No, not at the time I was arrested.

The Defending Officer declines to re-examine.

The witness resumes his seat.

The Prosecutor declines to make a closing address.

The Defending Officer makes a closing address. See document marked "O" attached.

CLOSING ADDRESS BY THE DEFENDING OFFICER

I wish to submit this to the Court: That the accused was possibly under the impression that his category could not warrant him going Active Service; at least it was--he was under that impression shortly after his enrolment. And evidently, from his statement, he would have gone Active and gone overseas, but he did not wish to go over as a N.R.M.A. soldier.

He was apprehended and although he had a civilian hat on and shoes, the rest of his clothing was of Army issue; coveralls, sweater, shirt, underwear. And he also states that he did intend to come back, but before he had possibly made up his mind he was apprehended as laid down in the Charge Sheet.

So, possibly, sir, he has been labouring under a slight misapprehension as regards to his category; and he may have wished to have gone overseas but did not like to do so as a N.R.M.A. soldier; and at the same time he thought he could not go Active because of his supposedly low category.

That is all, sir.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

EXHIBIT "J"

CLOSING ADDRESS BY THE PROSECUTOR

Sir, the accused is charged with desertion. The Prosecution has presented documentary evidence showing that the accused was absent from his unit from October 8th, 1943, until 23rd March, 1945. It is shown further that he was apprehended at Montreal, Quebec, and at the time of his apprehension he was dressed in civilian clothes. I suggest that all these facts raise a presumption from which the Court can find that there was an intention on the part of the accused, either at the time he went absent or at some time during his absence, not to return to His Majesty's Service. If the Court so find, then the accused must be found guilty of the charge and if the Court cannot so find, then I submit he is guilty of absence without leave.

- - - - - - - -

JCC

EXHIBIT "K"

CLOSING ADDRESS BY THE DEFENDING OFFICER

Sir, again the Prosecution basis its findings on the fact that a presumption as to intention exists and I suggest that the Manual of Military Law states that the fact that a man is apprehended in civilian clothes is not proof of intention to Desert, and the fact that the length of time is there is also not indicative of the fact that his intention is not to return to the service, and the fact that he was apprehended in Montreal; distance also is not indicative of the fact that an intention to Desert exists. Under these circumstances I submit to the Court that if there is sufficient proof of the fact that the intention not to return exists then the man is guilty of the charge, if not, I would submit that this charge be changed to read from Desertion to Absence Without Leave.

FINAL ADDRESS BY THE DEFENDING OFFICER

Sir, for some time now the accused has been having trouble at home. It seems that his mother and father do not get along and his father is quite a heavy drinker and as a result they have not been able to stay in any one home which they have managed to rent. They have moved from room to room and the accused's job seems to be looking after his mother, which is his chief interest in life. The army takes second place in that respect and I understand that as long as conditions are as they are at his home he will more or less have his mother as the first object of interest and will do the utmost to help her in view of the fact that his father does not help her at all. I might also suggest that the accused is not a soldier. He does not think like a soldier, look like a soldier or see anything like a soldier. He cannot adapt himself to the army ways and I have more or less made this diagnosis myself. I have had some experience in meeting up with these accused and he strikes me as being the type that will never become a soldier. I would recommend that in the sentence to be awarded him that the accused be given imprisonment in a civil jail with hard labour so that the ultimate aim of this sentence will be to discharge the accused from the Service so that he may go back and work and be of some use to his family, his mother and himself.

Q Will you present that to the Court please .

---PROSECUTOR: Will you present that document to theCourt please.

Q ---PRESIDENT: (To Defending Officer) Any objection ?

A Yes, sir, I have an objection to the evidence. I think that document is not in conjunction with the others that have been presented.

---PRESIDENT: Mr. Morden, the document appears regular on the face of it; in other words, it appears to be prima facie proof of certain transportation costs rightly chargeable against the accused. It may be of course they are not chargeable against him at all. Have you any objection it its going in as an exhibit subject to any defence which you may raise later on.

Q ---DEFENDING OFFICER: In other words, sir, that can be contested later ?

A ---PRESIDENT: Oh, yes, that can be contested any time by the accused, but on the face of it, it appears to be a proper document. On the face of it it is prima facie proof of what it says. Obviously if the accused is found not guilty, he should not have to pay any costs of transportation.

---DEFENDING OFFICER: If, subsequently, he were proved guilty I still have an objection to it.

---PRESIDENT: Alright, you can raise that later.

THE WITNESS WITHDRAWS.

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath.

Question to the accused. Do you intend to call any witness in your defence?

Answer. I have none.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

1st Witness FOR DEFENCE

The accused B 162832 Private Melvin Elmer McDONALD No 20 Canadian Infantry (Basic) Training Centre, C.A., being duly sworn is examined by the Defending Officer:-

Q Private McDonald, are you married ?

A Yes, sir.

Q Is your wife in good health ?

A No, sir, she is not.

Q What is the nature of her trouble ?

A Hernia Rupture, of the left side.

Q Have you any trouble at home ?

A I got a boy who is nine years old and the condition my wife is in she can't look after him.

Q When you were here in the Army, did you go home very often ?

A Yes, sir, I went home every time I got the chance.

Q Why ?

A I got worried about it.

Q How did that help things at home ?

A Not a lot as far as home was concerned. I had to see for myself how things were going.

Q You say you had trouble with that nine year old child of yours. What effect did your visit have on the child ? Were you able to influence him ?

A As far as influence goes, yes, sir. When I was home he was alright. He behaved himself .

Q He behaved himself when you were at home ?

A Yes, sir.

Q You felt a lot better when you came back ?

A Yes, sir.

Q When you were absent from the Army what did you propose to do ?

A Well, sir, I intended to go out - I figured being close to home, even if I didn't live at home I might be able to help the boy. I figured I might pick up enough work to get money for her , for the operation .

Q And what did you propose to do after that ?

A If I could have done that, then my intention was to come back to the Army when the spring came; when the snow left the ground.

Q What did you do with your uniform when you were absent ?

A I took it off; wrapped it up and put it in moth balls and put it away.

Q Did you inform the Provost ?

A The Provost Corps in Toronto asked me where the uniform was and told me to go and get it.

Q Were you able to do so ?

A Yes, sir.

Q Did you find it ?

A Yes, sir.

Q When you were subsequently taken up in Police Court, I understand you didn't have the fine that was imposed upon you. What did you do about that ? Did you make any attempt to get the money ?

A When I first went in there to serve the time, I thought I would serve my time out. My mother soon got the money; I couldn't get the cash myself, not until my mother came on Saturday. I asked if she could get the money and pay the fine if she could. On the following Monday the money was paid.

Q Why did you ask your mother for the money ?

A Well, sir, I had the balance of forty-two or forty-three days to go which I figured was possible to come back and put that time in here in the Army rather than put it in in Guelph.

Q You wanted to come back to the Army ?

A Yes, sir.

Q Have you had any complaints about your health ?

A Just my back.

Q What has been done about it ?

A Nothing at all. I was sent to Hamilton for X-Rays. My X-Rays came back and showed negative . He called me in the office and told me to go out and soldier that there was nothing else wrong with me.

Q Previous to that did you not have an examination in Toronto when you first came into the Army ?

A Yes, sir, I was called up in front of one doctor, maybe more. I told him about my back. He didn't let on he even heard me. About a week or so later, I complained about it, so they sent me to Chorley Park Military Hospital.

Q What was done ?

A They took blood tests and so forth, and said I would have to take treatment, not naming the treatment. Two or three days later they said I was to take an injection in the back, an injection of stuff in the bowels. I refused to take the needle. I didn't actually refuse to take treatment. I had another operation at Saint Michael's, a spinal operation and it wasn't a success. As far as the operation goes, it was a success itself, but I took a needle then and it wasn't so good.

Q Did they offer you any other type of treatment ?

A No, sir, they didn't.

Q They sent you back to your unit ?

A Yes, sir, they did.

Q When you were in Guelph, did your back bother you ?

A All the time.

Q Were you able to do the work they asked you to do up there ?

A The first day I was in Guelph they put me in the bull gang shovelling; but that night after we were brought in they were going to put me in the office cleaning up in Sergeant Fox's office. I couldn't do their work on the bull gang, so they kept me there one day. That's where I worked in there one day until I was sent out.

Q In other words, your back bothered you and you attempted to do the work they allotted to you and they put you on a lighter job, is that correct ?

A Yes, sir, that is correct.

Q Is your back still bothering you ?

A Yes, sir.

THE PROSECUTOR CROSS-EXAMINES.

Q You admit leaving this Centre on the 25th of August 1944 ?

A I do, sir.

Q You admit leaving at 2145 hours ?

A Yes, sir.

Q And you remained away until you were apprehended at 1600 hours on the 2nd of February, 1945 ?

A Yes, sir.

Q And when you were apprehended you were dressed in civilian clothes ?

A Yes, sir.

Q Why did you stay away so long ?

A As I say, I figured staying away for a while and see if I could help to influence my boy at home and get enough money to get the wife on operation

Q Did you get a job ?

A Yes, sir.

Q Under what name ?

A Under my own name.

Q You mentioned being in Guelph ?

A Yes, sir, I was.

Q What for ?

A False Registration.

Q You had a false registration card ?

A Yes, sir.

Q Did you use that in getting a job ?

A No, sir, I never was asked to show it and I never showed it.

Q You had it in case you needed it ?

A Yes, sir.

Q How much of the sentence did you serve in Guelph ?

A From Saturday the 3rd of February, until Monday the 5th of February.

Q When you were away did you work steady ?

A No, sir, I didn't. I worked two or three days a week.

Q What type of work did you do ?

A I was driving a light truck .

Q Driving truck ?

A Yes, sir.

Q Did that bother your back at all ?

A Once in a while it did, bouncing around on the truck.

Q Your back isn't sufficiently serious that you couldn't drive a truck around .

A I could drive a truck, sir.

Q You never wore your uniform while you were away ?

A No, sir.

Q Where did you spend all the time you were away from the Centre ?

A I spent it in Toronto.

Q Did you live at home ?

A No, sir, I didn't.

Q How near your home did you live ?

A Within a block or less.

Q Why didn't you live at home ?

A Because I wanted a chance to see what I could do with my lad.

Q Did your lad live at home ?

A Yes, sir.

Q Wouldn't you have been more influence on him living at home ?

A Well, sir, I figured they would come and get me in a week or two and that would be no good.

Q In other words you didn't stay at home because you didn't want to be picked up ?

A No, sir, that isn't right.

Q You knew that if you stayed at home the Provost would come and get you ?

A I figured if I stayed at home for a week and got caught that wouldn't be any good. Two or three days wouldn't be any good to me.

Q That's why I say you didn't live at home, because you didn't want to be picked up .

A Not in that short a time.

Q You went away in August and you stayed away until you were apprehended by the Civilian Authorities in February ?

A Yes, sir.

Q That is quite a while, isn't it ?

A It is, sir.

Q How is your boy at the present time ?

A Lately, I don't know.

Q How was he went you were at home ?

A Alright, sir.

Q How is your wife ?

A As far as her health goes, she is no better.

Q I take it you didn't make sufficient money during your absence to help your wife very much ?

A I didn't, though I tried.

Q How much money did you earn a week ?

A Anywhere from twelve to eighteen dollars a week.

Q How much did you give your wife ?

A Five dollars, seven dollars a week. Whatever I had left outside my room rent and my eats.

Q She would have been better off if you had remained in the Army ?

A I have often thought that since.

Q You didn't do your wife a favour ?

A No, sir.

Q What is your category ?

A I don't know.

Q Would you be surprised if it was one across the board.

A I don't know, sir.

Q How much training have you had ?

A Just about six weeks here in Camp. Six or seven weeks and two weeks in Exhibition in Toronto.

Q And your date of enlistment ?

A I don't know that, sir.

Q Do you know when you joined ?

A I don't know.

Q You have been in a year, or how long ?

A About a year

Q How old are you ?

A 31 past.

Q When would you have returned if you hadn't been picked up ?

A I had no intention of returning to camp until after the snow was off the ground.

--THE DEFENDING OFFICER DECLINES TO RE EXAMINE

Q ---QUESTIONED BY THE PRESIDENT: During the time that you were away did you consult any doctor about your wife's hernia ?

A I didn't consult anybody. I knew what she had, sir.

Q So that in that period of four or five months, nothing was done about it ?

A No, sir.

---THE ACCUSED RESUMES HIS SEAT

THE PROSECUTOR MAKES A CLOSING ADDRESS (See document marked "K")

THE DEFENDING OFFICER MAKES A CLOSING ADDRESS (See document marked "L")

"L"

W. P. McClement
Major
President, D.C.M.

CLOSING ADDRESS BY THE DEFENDING OFFICER:

The intention to desert the Army must be proved beyond a reasonable doubt in order that a man may be found guilty of desertion; and according to the Army Act if a man has the intention at any time during his period of absence to return, then he may not be found guilty. I don't know if that is correct, sir, but I think if a man has any intention at any time during this period of absence to return, it is evidence he did intend to return at some time.

Private McDonald has stated he took very good care of his uniform; packed it away in moth balls and wanted to have it in readiness to put on when he did return to the Army; and when he was in Guelph in civil custody, he took steps to get the necessary money so he would be able to return to the Army. We have a letter here from the Guelph Reformatory.

---PRESIDENT: It has not been produced in evidence Mr Morden, and strictly speaking it should not be referred to.

---DEFENDING OFFICER: If necessary the letter could be produced.

---PRESIDENT (To Prosecutor) Have you any objection, Mr. Foster ?

---PROSECUTOR: No, sir.

---PRESIDENT:(To Defending Officer) Just show him the letter; ask him what it is; whom it is signed by; whom it is addressed to; if he knows.

---DEFENDING OFFICER: (To accused) Take a look at this letter.

---PRESIDENT: Ask him whom it is signed by and to whom it is addressed.

---ACCUSED: It is addressed to Mrs. Beth McDonald, 344 Parliament Street Toronto.

---DEFENDING OFFICER: That is your mother ?

---ACCUSED: That is right, sir.

---DEFENDING OFFICER: Who is it from ?

---ACCUSED: The Ontario Reformatory, Guelph Ontario.

---DEFENDING OFFICER: Who is it signed by ?

---ACCUSED: J.D. Heaslip. It is typed here, M.D. Superintendent

---DEFENDING OFFICER: The letter says: Dear Madam. Re B 162832 Private Melvin Elmer McDonald. I wish to acknowledge receipt of money order for fifty dollars for payment of the fine in relation to the above named inmate. The Deputy Assistant Provost Marshal of this district has been sent a copy of this letter so that he will be fully aware of the fact that your son requested this fine be paid so that he may return to the Army. We cannot of course influence the Army in their decision as to what punishment should be meted out to Melvin, because of his desertion, but perhaps the knowledge that he paid the fine to return to the Army might lessen the punishment when he appears for Court-Martial. If he is sentenced, we regret that we have no influence in requesting his return to this institution. Yours very truly. J.D. Heaslip, Superintendent.

---PRESIDENT: (To Prosecutor) Have you any questions based on this letter, Captain Foster ? Any cross-examination ?

---PROSECUTOR: No, sir.

---PRESIDENT: Proceed with your address please, Mr. Morden.

---DEFENDING OFFICER: I think sir, that these facts definitely establish the fact that McDonald had every intention of returning to the Army, therefore I believe that he should be found not guilty of desertion.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir, I have no statement whatsoever.

Question to the accused. Do you wish to address the Court?

Answer. I wish my Defending Officer would speak for me.

(See following page)

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

ADDRESS BY THE DEFENDING OFFICER IN MITIGATION OF PUNISHMENT:

Sir, Private McDonald is an active service soldier, and he has told me he wishes to complete his training and proceed overseas.

Army medical treatment though it is of the best, it is not always administered as diplomatically as it could be.

He has seen the error of his ways. He has committed an offence against Army regulations and he realizes that. He tells me now he is more than ready to submit to any medical treatment the Army might prescribe for him; come back here and complete his training and go overseas.

I would like to suggest to the Court if I may, that McDonald's condition be thoroughly checked before he undergoes any sentence that the Court may impose upon him; that this condition be not only investigated thoroughly, but any treatment that may be prescribed be administered before he has to undergo his sentence.

I would like the Court if they would, to consider these things: His active service, His willingness to proceed overseas; his willingness to do anything the Court may decide.

Sir, on the question of these costs of apprehension. Referring to the costs of apprehension I mentioned. McDonald was under duress at the time. He was first of all apprehended in Toronto, and then on a civilian charge was taken to Guelph. He is charged with costs of transportation from Guelph to Kitchener, from Kitchener to London and so on, from London to Brantford. I maintain his costs should be only from where he was originally apprehended, that is Toronto.

CLOSING ADDRESS BY THE PROSECUTOR:-

Sir, I submit there is sufficient evidence here to show that the accused had the intention of deserting. He was away and was picked up by the Civilian Authorities dressed in civilian clothes. At the time, he had in his possession a false registration card, which he admits he would have used if necessary. He didn't live at home where naturally, the Provost would look for him. He lived away from home with the intention of avoiding the Provost.

He admits he had no intention whatever of returning to Camp until after the snow was off the ground; so that he had during that period that he was away, he had the intention of not returning to this Camp. Later on he may have had the intention of returning; certain other things may have happened.

He only worked two or three days a week.

I submit that the evidence shows this accused intended to desert during the time he was away; and that had he not been apprehended by Civilian Authorities, he had no intention of coming back.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Through my Defending Officer, sir. (See following page).

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT BY THE DEFENDING OFFICER IN MITIGATION OF PUNISHMENT:

Sir, although the accused has no apparent reason for committing all these crimes, in my guess it is all due to the fact he has family background. I will go into that a little bit and give you the details.

His father, although he has supported both the accused and his mother, he has spent very little of his time at home; being a miner up North; coming home at odd intervals; and during his stays at home his method of punishment was rather severe. For instance, the accused would come home a few minutes late from school, and instead of a small punishment he would get a severe punishment.

At the age of eighteen - on his eighteenth birthday he joined active in the Canadian Army. I think he came in with the wrong feeling. He made a mistake and committed one offence, and got off rather easy.

For some unknown reason when he gets to Toronto on leave with his friends, he does what they tell him and doesn't come back to Camp; and in view of this his friends might have something to do with it. He has even on occasions got as far as the train to come back, but he has been persuaded to do otherwise.

He has no grudge against the Army. He has no grudge against his officers and N.C.O.'s but he has this one feeling.

He is only eighteen years old and I believe if he were sent a little way away from home, he would be a good soldier. He is mislead by his friends and he has this mistaken idea of punishment which I think his father has instilled in him in rather a hard way. That is what makes him commit these offences against the Army Act sir.

STATEMENT BY THE DEFENDING OFFICER IN MITIGATION OF PUNISHMENT:

Sir, although the accused has no apparent reason for committing all these crimes, in my guess it is all due to the fact he has family background. I will go into that a little bit and give you the details.

His father, although he has supported both the accused and his mother, he has spent very little of his time at home; being a miner up North; coming home at odd intervals; and during his stays at home his method of punishment was rather severe. For instance, the accused would come home a few minutes late from school, and instead of a small punishment he would get a severe punishment.

At the age of eighteen - on his eighteenth birthday he joined active in the Canadian Army. I think he came in with the wrong feeling. He made a mistake and committed one offence, and got off rather easy.

For some unknown reason when he gets to Toronto on leave with his friends, he does what they tell him and doesn't come back to Camp; and in view of this his friends might have something to do with it. He has even on occasions got as far as the train to come back, but he has been persuaded to do otherwise.

He has no grudge against the Army. He has no grudge against his officers and N.C.O.'s but he has this one feeling.

He is only eighteen years old and I believe if he were sent a little way away from home, he would be a good soldier. He is mislead by his friends and he has this mistaken idea of punishment which I think his father has instilled in him in rather a hard way. That is what makes him commit these offences against the Army Act sir.

STATEMENT BY THE ACCUSED

Sir, when I came back from detention on March 12th, I was in No. 3 Coy. and I thought I might have the privilege of going home for a week-end on a pass. I had news from home that my uncle was home from overseas after five years and he met my brother and I was anxious to see him. I was told to report to the orderly room at eleven o'clock and nothing had expired, or I would have been granted a pass.

I went there at 11.15 and I was transferred to No. 1 Coy. and it was not their week-end. I went before Major Gerson of No. 1 Coy. and asked for permission to go home and it was not granted. I did go home only my uncle had left for a week-end, he was down to Detroit on business and I waited until he came back which was on a Friday and we held a party for him on the Saturday at which time I was apprehended.

QUESTIONED BY THE PRESIDENT :

Q. What was the date when you asked Major Gerson for permission to go home?

A. March 16th.

Q. What day of the week was that?

A. Friday.

Q. You did go home on that day, sometime that day?

A. Yes, Sir.

Q. When you got there you found your uncle was not home?

A. Yes, Sir.

Q. How long was it before he came back?

A. I was led to believe he would be in any day, I waited until Friday.

Q. The next Friday?

A. Yes, Sir.

Q. The next Friday would be the 23rd would it?

A. Yes, Sir.

Q. Your uncle did come back on the 23rd?

A. There was a party for him on that day, Saturday.

Q. And you were apprehended on Sunday?

A. Yes, Sir, Sunday morning.

Q. Where did you get the information about your uncle?

A. I got word from my sister while in detention.

Q. Did you say you had some information he was going to be there ~~any Sunday~~ only briefly?

A. Yes, Sir.

Q. You found that was not correct when you went home?

A. No, Sir.

ADDRESS BY THE DEFENDING OFFICER IN MITIGATION OF SENTENCE

SIR, I would like to present to the court this case sheet N.P.B. 1478 of Pte. Schann and I suggest that this man is very unstable. This case sheet in connection with this soldier shows the result of an examination by Capt. Southcott. So far no psychiatrist has made an examination. There are also reports on the form from Major W.A.S. MacDonald, C.O. No. 3 Coy. , and Capt. Howard Small

N.P.B. 1478 CASE SHEET SPECIALIST REPORT PRODUCED, READ, MARKED DOCUMENT "I" SIGNED BY THE PRESIDENT AND ATTACHED TO THE PROCEEDINGS.

I think the report speaks for itself, the man is obviously unfit for the army due to emotional instability, something that has followed him through his career in the air force and now in the army. He states he is absolutely helpless against going A.W.L., he just cannot help it. I think this is a case, more psychiatric than criminal.

History and Physical Findings (to be filled out by M.O. i/c. case)

This man gives a peculiar story of civilian mix up in Hamilton and A.W.L. in army. He does believe that A.W.L. is perfectly alright to suit his own end. He was discharged from the air force because of misconduct. So far he has been of no use to the army,- having been 5 months in advanced training and completed only one week. He worries constantly about his sister and sister-in-law at home. His mother and father did not get along and had been separated 8yrs. before his mothers death. He is very nervous during interview;pulse is fast, hands moist. Sleepsvery well at night. I think this man is emotionally unstable and of no use to the army.

Have had him under observation for only a short time. He is very nervous, and excitable, given at times to long rambling discourses from which one cannot make any sense at other times very hold and clear, does not appear to be able to distinguish right from wrong. No training A.W.L. and in civil custody, at the present time trying to get a shooting affray in Hamilton cleared up. Personal habits and hygiene not of the best.

Grade X completed at 16. Work history shows labouring jobs of 9 months, 9 months and 20 months duration. Enlisted in R.C.A.F. 7 Dec. 42, discharged 30 Mar. 44. Enlisted in the Army 23 Apr. 44.

McMann enlisted in the Army in Apr. 44 on receipt of call-up notice. He had been discharged from the Air Force a month before apparently for misconduct and states he was A.W.L. a number of times. Since his enlistment in the Army, 8 months ago, he has completed Basic training and one week of Advanced. His training has been interrupted by A.W.L's, detention and civil custody. A while ago he was held in civil custody in Hamilton, he says as a material witness in a shooting and was for a time out on $2,000.00 bail. The bail has been reduced now to $400.00, but he will still have to appear as a witness in the Spring. Apparently at the moment he is under open arrest on a charge of being A.W.L. Frankly his story is very confused and, although he denies any previous civil convictions, this story is doubtful.

His mother died about 3 years ago, but prior to her death his parents had been separated for about 6 years. There is one adopted sister and four brothers, all of whom are in the service. He claims a history of rhuematic fever 7 or 8 years ago, but he says the only effects are that his right leg bothers him occasionally. He was very restless during the interview, picked his finger nails and wrung his hands. He does not appear to have been any asset to the Air Force and it is doubtful if he will complete training in the Army.

First Witness for prosecution.

Capt. E. S. FROST, H.W.E., No. 25 C.I.(B)T.C., C.A.,

being duly sworn, is examined by the Prosecutor.

Question

Q Capt. Frost, what is your unit in the Canadian Army? What unit do you belong to?

A The Home War Establishment of No. 25 C.I.(B)T.C., C.A., Simcoe, Ontario.

Q How are you employed in No. 25 C.I.(B)T.C., C.A.?

A I am the Adjutant of this centre.

Q As Adjutant, have you any duties that might especially pertain to courts-martial cases?

A Yes; I am charged with the custody of the regimental books and documents.

Q Do you know the accused?

A I do.

Q What is his name?

A Pte. Milne.

Q What unit does he belong to?

A He belongs to No. 25 C.I.(B)T.C.

Q Have you any documents to produce to the Court?

A I have.

Q Will you produce them, please, one at a time, telling us, firstly, what they are; secondly, by whom they are signed; and, thirdly, to whom they refer?

A First is the M.F.B. 375, being a court of inquiry; and it relates to the accused; and it is signed as a certified true copy by myself.

THE PROSECUTOR: Will you hand that document to the President of the Court, please, and offer it as an exhibit.

THE PRESIDENT: (To Def. Off.) Any objection?

THE DEFENDING OFFICER: No, sir.

(Certified true copy of MFB 375 sgnd at Simcoe, Ont., 31 Aug 44, is marked Exhibit "F," sgnd by the Pres., read, and att'd to the proceedings.)

Q Carry on, please?

A I have also an M.F.M. 216, being a certificate of surrender to service authorities, and it applies to the accused, and is signed by Col. Hollinrake, the O.C. of No. 2 District Depot, and L/Cpl. A. S. King.

Q How does L/Cpl. King sign it -- in what capacity? He just signs it beside Col. Hollinrake's signature?

A The Depot Regimental Police, No. 2 District Depot

THE PROSECUTOR: Will you hand that to the President of the Court, please, and tender it as an exhibit.

THE PRESIDENT: (To Def. Off.) Any objection?

THE DEFENDING OFFICER: No objection.

(MFM 216 dated at Toronto, 22 Mar 45, is marked Exhibit "G," sgnd by the Pres., read, and att'd to the proceedings.)

THE PROSECUTOR: Sir, may I say, I think possibly the fact that L/Cpl. King signed it does not affect the validity of the document. It is just an addition to Col. Hollinrake.

Q Something else, Capt. Frost?

A Also M.F.B. 1481, being a certificate for transportation issued in the amount of $4.14, being transportation for the accused and his escort. And this document was signed by myself, authorizing the transportation.

THE PROSECUTOR: Will you hand that to the Court, please, and offer it as an exhibit.

THE PRESIDENT: (To Def. Off.) Any objection?

THE DEFENDING OFFICER: No objection, sir.

(MFB 1481 dated at Simcoe, Ont., 24 Mar 45, is marked Exhibit "H," sgnd by the Pres., read, and att'd to the proceedings.)

Q All right, Capt. Frost; carry on, please?

A Also M.F.B. 1482, being a certificate of incidental expenses incurred on behalf of the accused, in the amount of $1.91; and this document was signed by L/Cpl. Wood, of No. 25 C.I. (B) T.C., C.A., Regimental Police.

THE PROSECUTOR: Will you hand it into the Court, please, and offer it as an exhibit.

THE PRESIDENT: (To Def. Off.) Any objection?

THE DEFENDING OFFICER: No objection, sir.

(MFB 1482 dated at Simcoe, Ont., 24 Mar 45, is marked Exhibit "I," sgnd by the Pres., read, and att'd to the proceedings.)

Q Have you anything else, Capt. Frost?

A No; I have nothing, sir.

THE DEFENDING OFFICER DECLINES TO CROSS-EXAMINE.

THE WITNESS WITHDRAWS.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer.

First Witness for the Defence

The Accused, No. B.159211, Pte. Douglas Frederick MILNE, No. 25 C. I. (B) T. C., C.A., Simcoe, Ont., being duly sworn, is examined by the Defending Officer:

Q Pte. Milne, what is your age?

A Eighteen, sir.

Q What age were you when you enlisted in the Army?

A 17½, sir.

Q The charge against you is one of desertion. I wish to ask you a question, realizing that you are under oath. During the time of your absence, did you, at any time, decide you were not coming back to the Army?

THE PRESIDENT: Just a moment.

Q I will word that differently.

THE PRESIDENT: No, no. What do you say, Capt. Downey?

THE PROSECUTOR: Well, it is rather a leading question; but, I suppose, under the circumstances -- I am not going to make any objection to it. I am going to cross-examine him, anyway. (Question read back by reporter.)

EXAMINATION-IN-CHIEF CONTINUED

Q Would you answer that question?

A I never did decide I was not coming back.

Q Would you tell the Court, Pte. Milne, in your own words, what caused you, on the 9th of August, to go absent from this unit? Just start from that date, and tell, in your own words, just what happened?

A Well, sir, we were up here on a special platoon, and we had been promised a week-end. We were leaving on draft.

And I went home, intending to return in time to catch the draft. I had every intention of doing so, and was also expecting a phone-call, warning me of when the draft would leave.

Q At the time that you left, did you go alone?

A No, sir.

Q You mentioned that you were expecting a telephone-call. Will you tell the Court just the circumstances about that telephone-call?

A Well, sir, I believe there was seven left the same time; and one fellow had prearranged for one of his mates to telephone him in Toronto and warn him when the draft was leaving, and we could come back, in case we had previously missed it. But, as it was, the fellow was not home when the phone-call came, and his mother answered the phone; and when he phoned me the draft was gone. So, I figured I was in trouble myself; and went back out to sea.

Q What did you do then?

A I went back out to sea, sir.

Q Just where did you go; what part of the country?

A I left Toronto, sir, and went down in America; and from the States I went to Sicily; and from Sicily to Italy; and from Italy to Egypt; and from Egypt to Arabia; and from Arabia to Iran; and from Iran to India.

Q Just what kind of work were you doing at this time?

A Working on deck, sir.

Q Pardon?

A Working on deck.

Q You were onboard ship during all this time?

A Yes, sir.

Q What type of boat was that? I mean, was it a naval boat; a civilian boat? What kind of seamanship do you call it?

A A Norwegian tanker, sir, transporting war goods, I presume. It was a tanker carrying gasoline and benzine.

Q In other words, it was Norwegian Merchant Marine; is that it?

A Yes, sir.

Q And it was carrying -- you think it was a tanker. What would it be carrying -- gasoline, oil, or something like that?

A Yes, sir; octane, gasoline and benzine.

Q Octane, gasoline and benzine?

A Yes, sir.

Q Would that be important to the war effort?

A Yes, sir. It was also carrying aeroplane crates on deck.

Q Will you just tell the Court why you did this; why you went to sea?

A Well, sir, I figured I was in trouble when I found I had missed the draft; and I had been to sea before; and when I got out to sea I figured I would return when I got back.

Q Had you at any time been close to a fighting front?

A Yes, sir.

Q How close?

A Approximately forty miles, sir.

Q Whereabouts would that be?

A In the northern part of Italy, in Leghorn.

Q If you had have stayed in the Army at that time, and not gone to sea, do you think you would have been overseas?

A No, sir.

Q Why not?

A I am not of age, sir.

Q The charge against you states that you surrendered to the military authorities on the 22nd of March, dressed in civilian clothes. Why were you in civilian clothes?

A Well, it was winter, sir, and I left with summer uniform. I had Army boots on when I turned myself in.

Q The time you went away was in August. Just what were you wearing at that time? What articles of clothing, just roughly?

A Boots, puttees, short pants, shirt, wedge hat.

Q You were wearing summer shorts with puttees?

A Yes, sir.

Q And when you came back it was the 22nd of March. You couldn't wear those clothes, naturally, and you came back in civilian clothes; is that what you say?

A Yes, sir.

Q Have you any proof of your statement that you were in the Norwegian Merchant Marine, any documents of any kind?

A Yes, sir.

THE PROSECUTOR: I have documents here, sir. I would like to just submit them to the Court for what they are worth, rather than have them submitted as exhibits, because they are personal property the accused would like to keep.

THE PRESIDENT: Well, I think the best plan would be to have the accused identify them, and then read any excerpts from them.

THE PROSECUTOR: They are in Norwegian, by the way, and I think he can tell you just what they are, although he can't read them.

THE PRESIDENT: (To Pros.) Have you any objection, Capt. Downey?

THE PROSECUTOR: No; I haven't any objection. I would like to see them, though, sir.

THE DEFENDING OFFICER: I have quite a few here, and he wants to keep them himself. They are documents he would not want to part with.

THE PRESIDENT: Show them to him, and ask him what they are.

EXAMINATION-IN-CHIEF CONTINUED

Q Can you identify that document here?

A Pay Book on the Ship Belinda.

Q And who does it refer to?

A It refers to myself.

Q And can you tell the Court what dates that -- it is a Pay Book?

A Yes, sir.

Q Tell the Court the dates it refers to?

A In the beginning it states here I signed on; and the dates I signed on; the length of time I signed on.

Q What is the date?

A The date I signed on the Belinda was October 20, 1944, as an Ordinary Seaman, in New York City.

Q What date did you sign off? Does it show in that book?

A Yes, sir. On the 26th day of February, 1945.

Q And would you identify this one just the same way?

A In the beginning it states that I signed on---

Q Just a minute. What is this document?

A A Pay Book, sir.

Q What ship?

A Johunfjel.

Q And who does that document refer to?

A Myself.

Q And the date that you signed on?

A I signed on the 2nd day of September, 1944.

Q And the date that you signed off?

A The 2nd day of October, 1944.

Q Those dates show in here, do they?

A Yes, sir; you will find the dates, approximately on Page 32, sir, where I signed off.

Q Will you identify this document?

A Yes, sir; this is my overtime book.

Q Overtime book. For what ship?

A The Belinda, sir.

Q And who does it refer to?

A Myself.

Q Would you tell the Court what this document is?

A Yes, sir. This is a permission from the Immigration Inspector from Baltimore, Maryland, giving me permission to sign off on the ship in that State.

Q What date was that?

A Received permission on September 30th; but was not paid off until the 2nd of October.

BY THE PRESIDENT

Q Forty----

A 1944, sir.

EXAMINATION-IN-CHIEF CONTINUED

Q And will you identify this card?

A This is the ship's card belonging to myself, from the M.S. Johunfjel.

Q And the date on it?

A The 2nd of the 9th month, '44.

Q This card?

A This is another ship card belonging to myself, on the M.S.

Belinda, I received on the 20th day, the 10th month, 1944.

Q This card?

A This is from the Norwegian Consul, stating that I signed on the M.S. Belinda on Friday, October 20, 1944.

Q This one?

A This is shore leave permit, issued to me on the 26th day of February, 1945, the M.S. Belinda.

Q This one?

A This is pass to myself in Taranto, Italy -- shore leave.

Q And what is the date?

A The 16-11-44 -- the 16th of November. This is permission to carry my suit-case and personal belongings on the M.S. Belinda, on the 26th day of February, '45. This is permission sheet from the United States Department of Justice, Immigration and Naturalization, giving me permission to remain ashore in Baltimore, Maryland.

Q The date on there?

A The date is the 9th month, 7th day, 1944.

THE PROSECUTOR: And, to save the Court time, sir, I have personally jotted down the dates that are covered there, sir; and they cover from the 2nd of September to the 2nd of October -- one month there. They cover from the 7th of October, which is only a five-day difference, 7th of October to the 31st of October. From the 1st of November to the 30th of November. That is, like, the whole month of November. All the month of December; the whole month of January; and all of February up to the 26th -- in other words, a period of a little over 5½ months. It is practically the entire time that he was absent, sir. There are just short periods in between.

Q Pte. Milne, the date -- there are some dates -- difference in dates there, of the odd day, in these documents. Could you tell the Court what you would be doing on those odd days?

A Yes, sir. When I first left from New York, when the first odd date come in, was when I was waiting in the Norwegian Seaman Pool in Brookline for a ship to sign on.

Q In other words, you can't just go down there and sign on a ship. You have to wait until you are called?

A If there is a boat in there, if you are qualified for the job, you receive it.

Q And these odd dates for a few days -- they are not very long, any of them -- you were waiting for a ship; is that what you are saying?

A Yes, sir; the first part. Except when I signed off in Baltimore when my cousin, he broke his ribs on the ship, and he was convalescing for a few days; and then we went to the State of New York and resigned on the M.S. Belinda.

Q Did you, Pte. Milne, at any time on your travels -- you said you came close to a fighting front. Was your ship in any action at all, enemy action, of any kind?

A No, sir. We were warned for submarines twice; but we never seen action.

Q Did you, at any time, have any warning of mines, or anything like that?

A Yes, sir. In the Arabian Ocean we received 14 SOS's from a sinking ship approximately 200 miles from us.

Q Were you in enemy waters at any time?

A Well, I believe the Arabian Ocean and Indian Ocean, the Japanese submarines are in the vicinity, I believe, sir.

CROSS-EXAMINED BY THE PROSECUTOR

Q What did you do from the time you went absent without leave from this camp on the 9th of August, until you signed on in New York on October 20, 1944?

A Well, sir, I was in Toronto from the 9th of August until the 19th of August; and that day I left Canada for America, and was attending the Seamen's Pool in Brookline, N.Y.

Q How did you get across the border to the United States?

A Before being in the Army, I was previously in the Merchant Navy, sir, and still retained my passport and "I" card.

Q You didn't indicate to any person you were in the Army?

A No, sir.

Q And you were dressed in civilian clothes?

A Yes, sir.

Q Did you dispose of any Army identification card you might have had?

A No, sir.

Q Where was it?

A With my belongings, sir.

Q Where?

A In my home.

Q You didn't take it with you?

A No, sir.

Q Why didn't you take it with you?

A I didn't figure I would have any use for it at the time, sir.

Q Were you afraid you might be caught with it and be sent back?

A No, sir.

Q Are you sure of that?

A Yes, sir.

Q That is not the reason -- you are under oath --

A I don't quite understand the question, sir.

Q Did you fail to take your Army identification card with you on your trip to the United States because you didn't want to take it, knowing that if anyone saw you with it, you might be found out that you were a deserter from the Army, or an absentee?

A I had my card, sir -- I understood you meant the clothing.

Q You had your Army card, did you?

A Yes, sir.

Q Were you, in the first place, called up? or did you join active service?

A I joined active service, sir.

Q Now, is there any question about the fact that you were absent without leave, as charged in the charge sheet? In other words, did you, in fact, absent yourself without leave or overstay your pass from this training centre from 2330 hours on the 9th of August, 1944?

A Yes, sir.

Q That is true, is it?

A Yes, sir.

Q And were you continuously absent from this camp until -- or from any Canadian Army, Navy or Air Force unit,-until you surrendered yourself to the military authorities at District Depot in Toronto?

A Yes, sir.

Q And did you surrender yourself at 1405 hours on the 22nd of March, 1945, in Toronto?

A Yes, sir.

Q Did you return in civilian clothes?

A Yes, sir.

Q Who do you consider was your employer while you were on these Norwegian boats? Was it the Norwegian Shipping and Trade Mission?

A Well, sir, when I first joined the Merchant Marine I believe they had some kind of a contract between the Canadian Government and Norwegian Government, allowing Canadian boys to join the Norwegian ships.

Q You mean Canadian civilian boys?

A Yes, sir.

Q Not Army boys?

A Yes, sir.

Q And was the name of the people you worked for -- was it Norwegian Shipping and Trade Mission?

A Yes, sir.

Q Established by authority of the Royal Norwegian Government; is that right?

A Yes, sir.

Q That is not part of His Majesty's Service; is it?

A Allied Service.

Q Answer my question. Is that part of His Majesty's Service?

A I am not positive of that, sir.

Q All right. I am suggesting to you that His Majesty's Service is Army, Air Force and Navy of either Great Brittain or any part of the British Empire. What do you say as to that?

A No, sir.

Q So, therefore, you agree that the Norwegian, whatever it is you were in, the Norwegian Trade Mission, is not part of His Majesty's Service. Do you agree on that?

A Yes, sir.

Q You say -- you told the Defending Officer that, "I never did decide I was not coming back." But, answer the question a different way -- did you ever decide that you were coming back prior to the time that you did voluntarily surrender?

A Yes, sir.

Q When did you make that decision?

A When I was on the ship, sir.

Q Why did you make that decision?

A I figured I was creating trouble for my people, myself and the government.

Q You told the Defending Officer that you went absent from this camp after having been warned for draft; didn't you?

A Yes, sir.

Q Where was this draft going?

A As far as I know, sir, it was Ipperwash.

Q And then where do drafts go from Ipperwash; do you know?

A I am not certain on that point.

Q Do they go overseas?

A I am not certain on that point, sir.

Q Was that a step to advanced training from here?

A Yes, sir.

Q So, you didn't get the draft that left here from basic training to advanced training; did you?

A No, sir.

Q And you deliberately stayed home in Toronto after your pass had expired, depending upon a phone-call?

A Yes, sir.

Q And why didn't you come back when your pass expired?

A I didn't have a pass, sir.

Q You just went absent; did you?

A I was out from 600 hours, pardon me, sir, from 1800 hours to 2200.

Q So you didn't have a pass; you just went absent from the camp; did you?

A Yes, sir.

Q What did you intend to do when you went absent from the camp?

A To have some fun with the boys, sir.

Q Where?

A In Toronto, sir.

Q Did you ask for a pass?

A We had been promised one previously, and had it cancelled.

Q You didn't get your pass?

A No, sir.

Q So you just deliberately went absent; did you?

A Yes, sir.

Q When did you intend to come back?

A Promptly, as soon as I received the warning the draft was leaving -- get here in time to pick the draft up.

Q Weren't you told when the draft was leaving?

A No, sir.

Q Had you any idea when the draft was leaving?

A No, sir.

Q Didn't you realize it was kind of a dangerous thing to rely on some soldier to phone Toronto? It turned out to be; didn't it?

A Yes, sir.

Q So, you did find out that the draft had left, didn't you, before you came back?

A Yes, sir.

Q How did you find out?

A The fellow who was previously supposed to phone, he phoned myself, and I found out that I had missed the draft.

Q Why didn't you immediately come back to this camp and give yourself up?

A Well, I figured I was in trouble, and I just figured I might as well get right in, and go out to sea, sir.

Q You were afraid; is that it? Were you afraid to?

A Yes, sir.

Q Aren't you in worse trouble now than you would have been had you come back at that time?

A Yes, sir.

Q When you left Toronto and went to New York and got in the Seamen's Pool, what did you intend to do?

A I intended to sign on a ship, sir.

Q For how long?

A I can't say that, sir.

Q Just an indefinite length of time?

A Yes, sir.

Q All right. When you signed on the ship, the first one was the Johunfjel; was it?

A Yes, sir.

Q When you signed on the Johunfjel, I am suggesting to you that you had no definite intention of returning to this training centre at that time. What do you say? You are under oath.

A Well -- no, sir.

Q You had no definite intention of returning at that time?

A Not at that time, sir; no.

Q So, what you told the Defending Officer isn't true; is it?

A Pardon?

Q What you told your Defending Officer isn't true? You told your Defending Officer that you never did decide that you were not coming back.

A I never did, sir.

Q Now you have just told me that you had no intention of coming back when you signed on the Johunfjel. Which is right?

A You asked me if I definitely, sir?

Q Definitely. I want definitely your intention?

A I didn't definitely intend not to come back.

Q Did you have definite intention either way?

A Yes, sir.

Q What was your definite intention?

A At the time I couldn't state definitely my intentions, sir. I was on the verge of a doubt.

Q You were on the verge of a doubt?

A Yes, sir.

Q After getting signed off the Johunfjel, whatever you call it, why didn't you come back then?

A Well, at the time, sir, my cousin broke his ribs, and I figured that maybe it would go easier with myself if I stayed down there with him and waited until he got better, and signed on another ship.

Q Where was your cousin? Was he with you?

A Yes, sir.

Q What was your intention when you signed on the Belinda on October 20, 1944? You had no intention of coming back then; did you?

A Yes, sir.

Q Why did you sign on the Belinda?

A It was after I signed on the Belinda that I changed my mind.

Q I am talking about the very day you signed on. What were your intentions on that day?

A I don't think I could recollect that far back, sir.

Q All right. When did you then decide that you had done the wrong thing, and wanted to come back?

A When I was out to sea, sir.

Q How far out of New York?

A Several days, sir.

Q So you changed your mind then; is that right?

A Yes, sir.

Q You tell us you changed your mind. If you changed your mind, your mind must have been different at the time. In other words, you couldn't change your mind unless you thought differently about coming back; isn't that right

A Well, I say I changed my mind, sir -- I more or less made up my mind.

Q But you did say "changed;" didn't you?

A Yes, sir.

Q Now, when did you come back to Toronto?

A The beginning of March; I am not quite positive of the date.

Q Did you go and surrender yourself to the military authorities yourself? or did you do it because someone else persuaded you to do so?

A I come down myself, sir.

Q Did your father talk to you about it?

A My brother wrote from Belgium and said it was best for me to come back; and my father thought it was best for me to go back.

Q Your father is a veteran of the last war; isn't he?

A Yes, sir.

Q Did he tell you it would be better for you to go back?

A He thought it would be better for me, sir.

Q Then, summing it up, Pte. Milne -- you were absent without leave; weren't you?

A Yes, sir.

Q And you have told us that you did change your mind when you were on the Belinda; is that right?

A Made up my mind, sir.

Q But you did say "change;" didn't you?

A I did at the time, sir; I made a mistake, sir.

Q Do you agree that you made a mistake this time?

A I do, sir.

THE DEFENDING OFFICER DECLINES TO RE-EXAMINE.

BY THE PRESIDENT

Q How many cargoes did this tanker have?

A It carried on deck, sir, when we first left America -- I am not sure whether it was whole aeroplanes -- there was crated aeroplane parts for India. And we carried fuel in the tank.

Q And where was the fuel delivered?

A The fuel was delivered to Taranto, Italy, sir.

Q And where were the crated aircraft parts delivered?

A They were delivered in Karachi in India, sir. There was fuel was delivered there, sir. We picked up fuel in Iran.

Q And then delivered that to Karachi?

A Yes, sir. We first left from Taranto; then went down through Port Said in the Red Sea, Arabia, and then around the Gulf of Persia to Iran, and refueled the ship there, and took fuel back down to Karachi.

THE WITNESS RESUMES HIS SEAT.

THE PROSECUTOR AND DEFENDING OFFICER MAKE CLOSING ADDRESSES WHICH ARE RECORDED BUT NOT TRANSCRIBED.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Through my Defending Officer (See following pages).

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

THE DEFENDING OFFICER:

Sir, as I mentioned before, a very immature lad who doesn't have a mature viewpoint, outlook. Things that look very serious to an adult, are not always serious to a person who is not an adult, I mean, is not a grown man, and things don't always look as bad to him as they do to us.

The heinous crime that he is charged with there on his M.F.M. 6 is, smoking after lights out. It is a terrible crime in the Army. His A.W.L. is one of 20 minutes. So, I would say that he has a good crime sheet in the Army.

I have a letter here. I don't know what it is worth. It is just in mitigation of punishment. If I may be allowed to identify it and read it?

THE PRESIDENT: Yes; just read it. Who is it from?

THE DEFENDING OFFICER: (To Accused) Would you tell the Court who this is from?

THE ACCUSED: It is from my aunt, sir.

THE DEFENDING OFFICER: Mrs. John Napier, the accused's aunt. This was to the Officer in charge Custody Barracks, and was referred to the Adjutant, I believe.

(Letter dated March 28, 1945, 10 Price St., Toronto, signed by Mrs. John Napier, is marked Exhibit "J" and is att'd to this document, having been read by the Def. Off.)

This letter was just merely to show that his relatives think that he is a good boy, and worthyof some consideration.

And I think the Court will take into consideration his age and the fact of what he was doing while he was A.W.L., and the fact that he has a reasonably clean crime sheet, and the 12 days that he has already spent in custody. I would ask that leniency be shown in this particular case.

requesting that he be brought
back to Canada.
for further military training
until he was of military age
for overseas service.
The reply I received was that
he could not be brought back.
I with the excuse that he
must have misstated his age
when enlisting
Still the fact remains that it
was their duty to have his age
& documents checked before
proceeding overseas.
I have heard of many under
aged cases just like my son.
But I have yet to hear of
any high official being court
marshalled for the offences
committed. my son has been
overseas three years this coming

Dear Sir
I am writing this letter in reference
to my nephew Pte Douglas Milne,
who is being held a prisoner
in detention on a charge of
absence without leave.
& who I understand has to be
court marshalled saturday morning
I would appreciate if you as his
comanding officer in charge
would take a fatherly interest
in seeing that this young boy
gets a fair & just trial.
He is a very intelligent boy &
well liked.
His parents are scotch

His father was all through the war & was held a prisoner in germany for three years. His brother Cpl John milne is in Belgium. His sister nan was in the army but received a honorable discharge through a injury to her knee received in camp. & for which she is still receiving medical care for.
His mothers health is not good.
& has recently been under the Dr.s care. All worrys concerned is not helping her regain her health.
I realize that the offence my nephew has commited should be dealt with discipline. but we must not forget that a high school boy who voluntarily enlists at the age of seventeen years & a half & who takes an oath, we surely cant expect him at his age to realize the seriousness of breaking that oath.
I have discovered through my own experience that the much older & higher officals in Ottawa made blunders to.
I am referring to my own son, A62219 Pte John Wapies. now in Belgium He enlisted on his seventeenth birthday & was sent overseas four months later I felt any boy at that age with four months training was not in my opinion able to withstand the more frigad training in England.
So I wrote a letter to the minister of national defence enclosing my sons Birth certificate

I just celebrated his twentyth
birthday in Jan this year.
I am British I feel proud of
my young son fighting for his
country. but I also believe
in fair play where youth
is concerned.
I my only reason for stating
my sons case is just to draw
your attention to the fact
that it isnt only the young
who make mistakes.
I with the hope that my
nephew will benefit through
the attention drawn.
May God Bless you
I good Luck
Yours sincerely
yrs John Napier.

The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence on oath.

FOR DEFENCE

The accused, B 526142 Private Charles Daniel MITCHELL, No 2 District Depot, C.A. being duly sworn is examined by the Defending Officer:/

Q Private Mitchell, are you married or single ?

A Single, sir.

Q What is your civilian occupation ?

A Farmer .

Q Were you farming when you were absent without leave ?

A Yes, sir.

Q Where is your farm and about how many acres have you got ?

A A hundred acres between Hamilton and Guelph.

Q Were you working on the farm long ?

A Yes, sir.

Q Can you tell the Court in your own words what happened prior to your absenting yourself; in other words about your furlough and requesting farm leave .

A I applied for farm leave just before I got my furlough and they promised they would give me my farm leave. So I took my furlough and planted some seed on the farm and figured I'd get my farm ploughed anyway. I didn't get farm leave so I went on the loose for to pay the taxes on the farm.

Q When was your furlough ?

A It was in May, I don't know just when.

Q Last May, 1944 ?

A Last May.

Q What were your reasons for absenting yourself at that time ?

A Mainly to look after the crop I had put in on furlough and to pay my taxes.

Q Did you intend to pay the taxes with the proceeds from the crop you put in on your furlough ?

A Yes, sir.

Q Can you tell the Court - did the Army give you any reasons for not giving you farm leave after having promised it to you ?

A No, I can't

Q They didn't give you any reason ?

A No, sir.

Q Would you lose your farm if the taxes were not paid ?

A Yes, sir.

Q When did you intend to return to the Army ?

A As soon as I had the taxes paid. This spring.

Q Did you expect the proceeds from the crop you planted on your furlough would be sufficient to pay the taxes ?

A Yes, sir.

Q Were they ?

A No, sir.

Q How did you raise the rest of the money ?

A Logging in the bush on the farm.

Q When was that ?

A During the winter.

Q Have you someone looking after the farm at the present time since you were apprehended ?

A Yes, sir.

Q Who is that ?

A I don't know how you would say it. He has been looking after it for a little while. He is just looking after it for the time being.

Q Can he stay indefinitely ?

A No, sir.

Q Have you any stock on the farm ?

A Yes, sir.

Q How much ?

A Four horses; two sheep, I had eight and I sold some, so I can't count anything on that; three pigs; twenty-five ~~hens~~ - hens - hens; two turkeys.

Q ---THE PROSECUTOR CROSS-EXAMINES: Where was your home when you were called up ?

A In Hamilton at the time .

Q When was that ?

A In '42, I believe, sir.

Q In October was it ?

A Yes, sir.

Q Your home was in Hamilton - when did you go to this farm ?

A I had the farm before. I was working a little while in Hamilton.

Q Who was looking after the farm when you were called up ?

A I had a fellow looking after it.

Q At the time you were called up you weren't actually farming, is that right ?

I guess you could say that.

Q What were you doing at the time you were called up in Hamilton.

A I was working in a steel plant.

Q You say you got a furlough in May 1944, wasn't it ?

A Yes, sir.

Q Where were you stationed at that time ?

A In Brampton, sir.

Q Did you return from that furlough ?

A Yes, sir.

Q When were you supposed to get this farm leave ? At the end of this furlough, is that right ?

A Yes, sir, as far as I know.

Q Just about when was that furlough up in May ?

A I don't know just when. I think towards the end of May.

Q Would it be the 21st ?

A Somewhere around that.

Q You say you returned ?

A Yes, sir.

Q Did you ask about farm leave after you returned ?

A Yes, sir.

Q You say nothing was done ?

A Yes, sir.

Q Did you go absent on the 6th of July as charged ?

A Yes, sir.

Q Did you stay away until the 19th of March, 1945 ?

A Yes, sir.

Q And were you dressed in civilian clothes ?

A Yes, sir.

Q You say you have a hundred acres. How many are under cultivation ?

A About forty acres.

Q What is the rest ?

A Bush and pasture.

Q You say the authorities didn't give you any explanation as to why you didn't get your farm leave ?

A Not that I know of.

Q Do you think the reason might be that you weren't farming when you were called up ?

A I don't know, sir.

Q You say you were working in steel plant ?

A Yes, sir.

Q Do you think that might be the reason ?

A I don't know, I am sure.

Q What were conditions when you asked for leave ? Was the man who looked after it going away ?

A I wanted to look after it to pay the taxes I got on it.

Q Had this man who was on it left ?

A Yes, sir.

Q How long after you were called up did he leave ?

A A Year or so.

Q Would that mean the farm would be a year idle ?

A Yes, sir.

Q You say there were taxes on the farm - about how much taxes were against the farm in the summer of 1944 ?

A 1944 ?

Q Yes.

A About a year's taxes.

Q How much in money ?

A More than a year, but I paid that up before.

Q How much money was owing at the time you went absent, what amount, that is what I am trying to get at.

A Thirty dollars, I guess.

Q How much did you get from your crop that you planted while on furlough ?

A I don't know. I didn't keep track of it.

Q You say not enough to pay the taxes, is that right ?

A Yes, sir.

Q You say you worked at logging the rest of the time to pay the taxes, is that right?

A Yes, sir.

Q Were the taxes paid when you were picked up in March of 1945 ?

A No, sir.

Q Your crop that you got from the seed you planted in May during your furlough was not enough to pay the taxes and then you worked in the bush and you say you still didn't have the thirty dollars paid ?

A No, sir, I didn't have it paid in March or the end of February.

Q Not until then, or you didn't have it paid then ?

A Not till then.

Q You had it paid at the end of February and you weren't picked up until the 19th of March.

A I was trying to get someone to look after the place

Q You had paid the taxes and were trying to get someone to look after the place ?

A Yes, sir.

Q When did this man start ?

A Just when I was picked up.

Q Had you arranged for him before, or did you get him then ?

A I just got him that day.

Q You just got him the day you were picked up, is that right?

A Yes, sir.

Q Were you going to come back when you got that man ?

A Yes, sir.

Q When would you have come back if the Provost had not picked you up ?

A The next day.

Q Did you wear civilian clothes when you were picked up ?

A Yes, sir.

Q Did you wear your uniform while you were away ?

A Yes, sir.

Q When, did you wear it all the time ?

A I would wear it sometime.

Q Did you wear it in the daytime ?

A Not to work in.

Q Did you wear it at night and on week ends when you went out ?

A Yes, sir, sometime

Q ---THE DEFENDING OFFICER RE-EXAMINES : Whattime of the year was it when you joined the Army ?

A When I first joined it was in October, 1942, I believe.

Q Had you been working in the Steel Plant long before then ?

A No, sir.

Q Am I right in saying you worked the farm in the summer of 1942 and after the crop was in you went to Hamilton to work in the Steel mill?

A Yes, sir.

Q How much taxes were owing on the farm by February of this year when you make your payment ?

A February of this year ?

Q How much did you pay then ?

A About thirty dollars.

Q ---QUESTIONED BY THE PRESIDENT: Were you born and brought up on the farm ?

A Yes, sir.

Q How many years did you spend on the farm before being called up by the Army ?

A About twenty-two years.

Q That, I take it, is most of your life ?

A Most of my life, sir.

Q Before you were enrolled in the Army in October of 1942, had you had anyone else with you on this particular farm ?

Q When did they cease ?

A About five or six years ago.

Q Did you get that farm from them or did you get it from some other place ?

A I got it from my father.

Q How did you happen to go to the Steel Mill and leave the farm ?

A I owed some money on the farm. I wanted to earn some money and pay off the farm.

Q How much money did you owe then ?

A About five hundred dollars.

Q From your work in the steel mill were you able to pay that off ?

A No, I couldn't. I didn't work there long enough

Q I take it you put the money you earned on the farm ?

A I put it on the farm.

Q When you went on the loose in July, 1944, you say you only owed thirty dollars taxes ?

A Yes, sir.

Q You say by February 1945 you had not been able to earn enough to pay the thirty dollars taxes ?

A Yes, sir.

Q How do you explain that ?

A The explanation for that is you can't go and make money like you could in civilian life when there is nothing to interfere with you .

Q No, but I happen to know something about a farm myself. What I want to know is why you wouldn't be able to earn thirty dollars between July 1944, and February 1945, working on the farm and logging in the bush in the winter time ?

A I had all my seed. I had to pay for that. The crop didn't turn out as good as I expected.

Q How much did you realize from your logging operations in the bush ?

A I don't know just how much I got

Q Approximately ?

A About thirty-seven dollars, but I had other things to pay out of that besides.

Q Yes, I quite appreciate that. How many cords of wood did you cut there ?

A I don't know how many cords of wood I cut.

Q You must know that. You are a farmer. Approximately how many ?

A I can't just tell you. We cut it and sold it as we cut it.

Q You say you got thirty-seven dollars for it ?

A Yes, sir.

Q How many cords does that represent ?

A That would be two thousand feet of logs.

A Apparently everything went along quite well from the time you came into the Army in October of 1942, until you applied for the farm leave in 1944, is that correct ?

A It went along, sir.

Q Who was operating the farm during that period ?

A There was nobody operating the farm.

Q I see. It was lying idle ?

A Yes, sir.

Q When you went home in July of 1944 there would be no seeding to be done would there ?

A No, sir, only what I did on my furlough

Q It was simply a matter of raising what you had planted on furlough and then doing your fall ploughing, am I right ?

A Yes, sir, quite right.

Q Did you ever attempt to get in touch with anyone in the Army at Brampton when you were away ?

A No, sir, I don't believe I did.

Q Why did you not attempt to get in touch with someone there ?

A I don't know, sir.

Q Why did you wear your uniform on some occasions and not on others ?

A Cause I was scared they were going to have me up for desertion, that's about it.

Q Where exactly is your farm ?

A It is between Hamilton and Guelph ?

Q I know, but near what place ?

A Four miles north of Freelton.

Q And during the period of your absence did you ever run into the Provost any place ?

A No, sir.

---PROSECUTOR: Would you ask the accused if this seed that he had to pay for from this logging operations was that seed for this coming Spring ?

Q ---PRESIDENT: The seed you bought from the money you made on logging operations, was it the seed you required to use in the Spring of 1945 ?

A 1944, sir.

---PROSECUTOR: Ask the accused did he owe the taxes of thirty dollars and the seed as well.

Q ---PRESIDENT: Did you owe for the taxes of thirty dollars and also for the seed you had purchased during the year of 194- ?

A Right, sir.

Q ---PRESIDENT (To Defending Officer) Any questions ?

A No, sir.

---THE ACCUSED RESUMES HIS PLACE.

THE PROSECUTOR AND DEFENDING OFFICER MAKE CLOSING ADDRESSES WHICH ARE RECORDED BUT ARE NOT TRANSCRIBED

E

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir, I wish to say something myself and I wish my Defending Officer to speak for me. (See following page)

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT BY THE ACCUSED AND HIS DEFENDING OFFICER IN MITIGATION OF PUNISHMENT:

--- ACCUSED: When I first came into the Army, sir, I didn't go active, being as how I had the farm. If I could get things fixed up on the farm, and could get a draft to go overseas - could that be arranged ?

---PRESIDENT: It isn't up to me to say what is going to happen to you. I am merely the President of a Court-Martial sitting here to hear this charge against you today. I have no doubt your Defending Officer will give you such instructions you need with regard to your going active. I can't point that out today, but there is a way of doing that and you can find out from your Defending Officer.

---DEFENDING OFFICER: With regard to punishment to Private Mitchell, I would like to plead mitigation for the following reasons:

His M.F.M. 6 which is clean except for a short, very short, absent without leave charge, at the beginning of his Army career.

His PULHEMS is M-4 S-3; and he has had very little education. While no training record or officer's remarks are available on Private Mitchell, I feel sure that he has been a thoroughly good soldier since 1942 judging from his crime record.

Also I feel that in this case the blame does not all rest on the man's shoulders. He should not have been led to believe he would get his farm leave to reap his crop;if he had thought that for a moment he would not be given his farm leave, I feel sure he would not have spent his furlough sewing his crop.

I believe the conditions whereby a soldier's farm and his means of livelihood after the war could be taken away from his while he is in the Army should not exist; and that is what would have happened in this case. While he was in the Army his farm would have been sold for taxes if he had not gone back to pay for the taxes.

The farm is now in a good condition to produce this year. There is a considerable amount of stock on the farm at present as Private Mitchell has told the Court. If this man could operate it this year

he could produce a very useful crop which the country needs.

I'd like to recommend he be given a discharge to work his farm where he could be of more use to his country; or a very short sentence and a recommendation that he be given farm leave after he has served it, if the Court sees fit.

FIRST WITNESS

F/L Reamer, D.G., R.C.A.F., having been duly sworn, states:

Q: You are the DAPM for the Air Force for Goose Bay Defendant Area?

A: I am.

Q: Will you tell this court what happened on the morning of March 31st?

A: During the month we had several complaints on the RCAF side and one building known as Scottie's warehouse had several foodstuffs stored in it.

Q: We only want that part of your statements as relates to the Sleeping Bag.

A: Well, I made an inspection and had an officer to check the place.

Q: I would like to hear, did you see a fellow by the name of Blake?

A: At approximately 0830 hours on the morning of March 31st, 1945, F/Sgt Tuttle and WO McKenna along with myself proceeded to the old area known as civilian laundry girls mess, which sets on the north side in the old Men's Mess . We proceeded down in my jeep, RCAF #29. Upon arrival at the building in question, and going to the front entrance, we noticed a dog team. On the dog sled was a load covered with tarpaulen. However, the front end of the sled was already partially covered with a tarpaulen, and upon closely examining same, we noticed a case of canned fruit. On going into the building I saw one native, Sidney Blake of Northwest River. I did not ask the questions to anyone in particular, I asked who owned the dog sled in front of the building and the mentioned civilian told me it belonged to him. I questioned him as to what he had on the sled and he refused to divulge any information. I ordered Flight Sgt Tuttle of the Service Police to proceed to the ranger's office and notify Ranger Morris of the detachment of rangers on this base. He arrived shortly after. In the interim, or as soon as Sgt Tuttle left the building, Sidney Blake told me (Court waived further discussion on that evidence). Ranger Morris arrived at the scene and took from me the articles which were on the sled. They were all placed aboard my jeep. Ranger Morris, Mr. Mc Caffey and Sidney Blake proceeded to the Ranger's office, with the Flight Sgt Tuttle and myself proceeding on foot, and on the way to the ranger's office I had to stop at the CEE Board and we had conference with the officer commanding Wing Commander McKenna. We arrived at the Rangers approximately fifteen minutes later. On entering the ranger's office we noticed the goods in question were laid out on the floor. Ranger Morris contacted Col. Roach, officer commanding Canadian Army Units, Goose Bay. Also Captain Parrat of the RESC and Mr. McFarlane of the K of C and Major McCloud, commanding AA Battery.

Q: Would you confine your remarks as closely as you can to the article now in question, that is, the sleeping bag?

A: You mean the sleeping bag?

Q: The article in question is the sleeping bag -- was it a bag like this one?

A: I cannot say it was this one but it was one like it that was on the ranger's floor.

Q: It was exactly like this one here?

A: Yes.

PROSECUTION:

I am through with the witness.

DEFENSE:

No questions.

In the opinion of the court v. the Judge Advocate it is not necessary to comply with R.P.80(b).

Witness was excused.

SECOND WITNESS WAS SWORN AND TESTIFIED AS FOLLOWS:

Mr. Redge Hames, Commander of customs for the Newfoundland Government. having been duly sworn states:

QUESTIONS BY PROSECUTION

Q: Will you tell the Court how you happened to have custody of these articles?

A: On the 31st of March a phone call came from the Service Police. I don't know what happened as a result of the phone call but the Ranger went out and came back, and he said he had some goods in the back of a vehicle. The goods were brought in and I found among the goods the sleeping bag.

P: I produce for the record one Woods eiderdown sleeping bag 90 x 90 (Woods arctic sleeping bag was produced, accepted, and entered into evidence as Exhibit D).

P: You say that the sleeping bag has been in your possession -- where has it been?

A: In my possession in the office.

P: Do you know from whom the bag was taken?

A: The bag was taken from the dog team of Sidney Blake.

P: Did you see the bag as it was taken from the dog sled?

A: I would say the bag was taken from the team. I was around there but I did not see it until it was brought back from the rest of the goods.

P: But the evidence in this case so far as Sidney Blake was concerned was given to me in my department.

C: Do you have any objection to the entering of Exhibit D, sleeping bag into evidence?

D: I have no objections to Exhibit D being entered into evidence.

P: No further questions.

C: Does the defense have any questions?

QUESTIONS BY DEFENSE

Q: You actually did not see the goods as they were taken from the sled, did you?

A: No I did not see them when they were taken from the sled but as they brought them into the office in a RCAF jeep, I saw them.

Q: Do you know from whom the bag was taken?

A: The bag was taken from the dog team of Sidney Blake.

Q: You say the bag was taken from the team -- did you see them when they were taken from the sled?

A: I was around there but I did not see until the goods were brought back in the office.

Q: Then you did not actually see the goods as they were taken.

A: No.

Q: Was this arctic sleeping bag among the goods unloaded from the jeep?

A: It was.

D: No further questions.

C: That's all Mr. Hames.

Mr. Hames: Will there be any further need of my staying here?

A: I don't think so. In the opinion of the board + Judge Advocate it is not necessary to comply with RP 83(B)

THIRD WITNESS

S/QMS W.O. II Kiely, J.T. ~~DWO 2 Kiely~~, F93404 - of the Ordnance Sub Depot, Goose Bay, Detachment RCOC, having been duly sworn, states:

QUESTIONS BY PROSECUTION

Q: On March 31st you were in charge of the ~~Arctic lists~~ Ordnance Stores in Goose Bay — you were called to identify an Arctic Sleeping Bag as Government property?

A: That is right, Sir.

Q: I produce Exhibit D (Sleeping Bag). Will you identify this sleeping bag for the purpose of evidence as army property?

A: (Examining the Exhibit D) This army bag, Exhibit D has the Government marking right here (points to marking in bag).

Q: You are sure this is the Government marking?

A: I would say so, Sir.

Q: How many types of sleeping bags do you carry in ordnance stock in Goose Bay?

A: Two, Eiderdown, and Kapok.

Q: On your last inspection of stock, were you missing any sleeping bags?

A: I stated in previous evidence I was lacking one. I took stock of all I had on hand and I checked the ledger and we were short one.

Q: That sleeping bag is of the type which was missing (Pointing to Exhibit D).

A: Ithink it is, sir.

Q: Are you sure?

A: Yes.

Q: Then it is a Wood's eiderdown, the same type as this Exhibit D?

A: Yes.

Q: Do all of your sleeping bags come in containers like this?

A: No, the sleeping bag Kapok doesn't have the canvas container.

Q: You are sort of an expert on army goods, but you would recognize this as Government property, how?

A: By the Government marking. That is the only way I could identify it.

QUESTIONS BY DEFENSE

Q: If that bag was removed from its canvas container would there be any way of identifying it?

A: There are no Government markings on the bag.

Q: I submit to the Court that there is no definite proof as to whether this sleeping bag is army property or civilian property. May I ask if the bag be taken out to see if there isn't an identifying mark?

C: Let's take the bag out.

QUESTIONS BY COURT

Q: Have you ever seen any of those bags with a stamp on it?

A: The sleeping bag, I do not believe has any markings.

Q: If the container is marked, this bag is in the container at all times.

A: Yes, Sir.

Q: If the other bag which you have in stock were to be put in this container, how would you know that it did not belong there?

A: It would only half fill the bag.

Q: Then there are no markings on the sleeping bag itself?

A: I do not see any marks on that anywhere. There is only the factory mark.

QUESTIONS BY DEFENSE

Q: There is no marks to say the bag is property of the Government. It has no markings to identify it as other than civilian property.

A: No, Sir,

In the opinion of the Court and Judge Advocate, it is not necessary to comply with R.P. 83(B)

NO FURTHER QUESTIONS, WITNESS WAS EXCUSED

FOURTH WITNESS

Mr. Sidney Blake, resident of Northwest River, Trapper, having been duly sworn, states:

QUESTIONS BY PROSECUTION

Q: Mr. Blake, do you know the accused?

A: Yes, Sir.

Q: Which is he?

A: (Witness points to accused) -- That's him.

Q: What's his name?

A: Mr. Mc Innis.

Q: Have you seen this or a similar sleeping bag before?

A: I have seen them, yes.

Q: Will you tell the court what happened on the morning of March 31st? Tell the Court exactly what happened.

A: I was going to Northwest River and I had my stuff, and I was going to go, and the Air Force man, Mr. Reimer, stopped me and asked me what I had in the sled.

Q: That was on Saturday?

A: Yes. I told him, and the Ranger made me open the bag and he opened the sled and found the food. They took everything and took it down to the ranger's quarters and looked it all over and asked me about the articles.

Q: Will you tell where you got the stuff?

A: From Mr. Mc Innis.

Q: When did you get the stuff, the night before?

A: Yes.

Q: Where?

A: I don't know where.

Q: Wherewere you when he brought it to you?

A: He brought it to me at Dan Michelins.

Q: Did he bring this sleeping bag to Michelin's?

A: Yes.

Q: Was Michelin there?

A: No he wasn't there.

Q: What time was this?

A: About eleven or twelve o'clock.

Q: Was this in the morning or late at night?

A: Late at night.

Q: What did you give for the sleeping bag?

A: Twenty-five dollars.

Q: How much in all did you give Mr. McInnis?

A: Fifty-three dollars.

Q: What was the rest of the money for?

A: The rest of the money was for foodstuff.

Q: Who was with you when you took the stuff from where you got it Dan Michelin's?

A: Just Mr. McInnis and myself.

Q: You are sure that there was only McInnis and yourself when you got out with the goods.

A: Just he and I.

Q: How were the goods taken to Dan Michelin's?

A: In a jeep.

Q: An army jeep?

A: It was one of these on the base.

Q: You are sure it was an army jeep?

A: An army jeep, yes.

Q: Who gave you your sleeping bag?

A: Mr. McInnis.

Q: Where did he get it?

A: I don't know.

Q: Was it in his room?

A: No, Mr. McInnis gave it to me.

Q: He gave it to you.

A: Yes.

QUESTIONS BY DEFENSE

Q: Mr. Blake, it is not quite clear in my mind -- On March 30th from the time you left the Northwest River until the time you got to Dan Michelin's with the goods, at what time did you return ~~to~~ from Northwest River on Friday, March 30th?

A: About seven o'clock.

Q: You were with this Army man, no one else?

A: No.

Q: Where did you go?

A: We went to the mess.

Q: What did you go there for?

A: We stopped there for a time, then went off to Dan Michelin's.

Q: What time was that?

A: That was ten o'clock I suppose.

Q: Did you have anything to drink?

A: Not until after we came back.

Q: And then you had something to drink?

A: We had a few bottles of beer.

Q: Do you know how many?

A: I think we had three.

Q: Did you give the accused any money?

A: Yes.

Q: How much?

A: Fifty-three dollars.

Q: Did the accused tell you clearly what that money was for?

A: Yes.

Q: What did he say it was for?

A: For the sleeping bag and other food.

Q: With the permission of the Court I feel for a general logical approach to the whole question as to whether this money was paid all in one sum or whether two separate transactions took place with regard to the bag, and food. The money was not paid in one sum, as the witness previously stated. Was all the money given for the sleeping bag?

A: No, it was for the food too.

Q: At the same time you were given the food, were you given the sleeping bag?

A: No.

Q: Where were you given the bag? In the quarters?

A: Not in the quarters.

Q: Then where was it given to you?

A: I can't recall the place.

Q: What did you do after coming back to the mess and drinking beer -- what did you do?

A: Nothing.

Q: Then did you go anywhere, where did you go? -- After ten o'clock.

A: We went off again from the mess to Dan Michelins.

Q: Did you do any riding around before you went to Dan Michelin's?

A: Yes, we rode around for about an hour.

Q: Where did you go?

A: We run around so much, I, I don't know.

Q: What time did you leave Sgt McInnis, the accused?

A: It must have been somewhere between eleven o'clock to midnight.

Q: Between eleven and midnight you just drove around and saw no one, do you know when you got the bag, and where?

A: I got the bag the last time, sometime between eleven o'clock, and midnight.

Q: But do you know where?

A: I do not know where.

Q: Were there any witnesses on your first visit to Michelin's? Was there anyone there when you went there?

A: There were people there and --

Q: Were there any witnesses there at midnight? --when you came back?

A: There was no one.

Q: With respect to the food, there were people there, but with respect to the bag, no one saw the bag other than you and the accused?

A: Yes Sir, no one.

Q: Did anyone see you give the accused fifty-three dollars?

A: No.

Q: When you left the mess, to go on this long drive, wereyou under the influence of alcohol? In any one wit at all?

A: I didn't feel it much, a very little.

Q: Can you say that that bag, Exhibit D, is the one that was given to you that night?

A: I couldn't say but it looks like the one, but I couldn't say for sure.

DEFENSE RESTS

DEFENSE: With the Court's permission, I would like to ask one other question.

Q: You say you gave the accused fifty-three dollars in the mess?

A: I couldn't say, but I think I paid it all in the mess.

Q: You think?

A: I am pretty sure I did.

Q: You are positive you paid him fifty-three dollars all in one lump sum?

A: Yes, I believe I paid him everything.

QUESTIONS BY COURT

Q: Mr. BlakeI want to get this quite clear, you stated that when the bag was brought to you at Mr. Michelin's you gave twenty five dollars at Michelin's and fifty-three dollars at the mess. Where did this money transaction take place? In your previous evidence the total mount was

fifty-three dollars which he was given, now you say you gave the whole fifty-three dollars at once, twenty-five dollars for the sleeping bag.

A: But I paid it all at one time.

Q: The prosecution asked you where you got the sleeping bag, and you tell us it was brought there in a jeep. Where was it brought?

A: It was brought to Michelin's.

Q. The sleeping bag is the thing we are talking about, and you said in your evidence that you paid twenty-five dollars for it.

A: No, I didn't say that. That is a mistake there.

Q: Was the twenty-five dollars included in the fifty-three total?

A: Yes.

Q: And you say you paid it all in one sum?

A: As far as I can figure out I paid it and --

Q: Then you paid him separate for the bag?

A: No I never paid him for it, I paid it all together as far as I can remember.

QUESTIONS BY PROSECUTION

Q: What was the price that you were supposed to pay for the sleeping bag?

A: Twenty-five dollars.

Q: That was all?

A: That was all.

Q: When you say you got the foodstuff, where did you get it?

A: I got the foodstuffs at the accused's quarters.

Q: Was the sleeping bag among that foodstuff?

A: No, the sleeping bag was at an entirely different place.

Q: You say the sleeping bag was delivered later?

A: Yes.

Q: What time was the stuff given to you?

A: About eleven at night.

Q: When was the sleeping bag delivered to you?

A: About twelve o'clock.

Q: How was the sleeping bag delivered to you?

A: It was in the back of the jeep.

Q: And you went to Michelin's.

A: Yes.

Q: What did you do after you delivered the food to Michelins?

A: Then we went driving around the base.

Q: Then, when was the sleeping bag brought to you?

A: It was brought to me that night, he brought it to me that night.

Q: The same night?

A: Yes.

Q: What time?

A: About twelve o'clock.

Q: You say that you left Michelins after the food was brought?

A: Yes.

Q: That it was taken in a jeep of the accused of which you were a passenger.

A: Yes.

Q: Who went back to the jeep after you took the food to Mr. Michelin's?

A: Both of us.

Q: And when you came out of Mr. Michelins after delivering the food, what did you do?

A: We went riding.

Q: Were you with him, the accused?

A: Yes

Q: Where did you go?

A: We went over on the American side, but there are so many roads, I don't know exactly where we went.

Q: And you went on the American side, where did you stop?

A: We stopped two or three places.

Q: Were your stops on the American side or Canadian side?

A: We stopped on the American side for a little bit.

Q: Did he carry out anything from the American side?

A: No.

Q: Where did you go after that?

A: I don't know.

Q: You have no idea where the next stop was?

A: It was on the Canadian side.

Q: Was it near his quarters?

A: No, I think it was T Area.

Q: Do you know where the accused's quarters are?

A: DK Area I think.

Q: How do you know it was his quarters that you went near?

A: I had been there before.

Q: That was the last stop you made?

A: Yes.

Q: And it was on the Canadian side?

A: Yes.

Q: Was any articles brought out at that time?

A: He brought out the sleeping bag.

Q: Did he put the sleeping bag in the car?

A: Yes.

Q: When did you pay him the fifty-three dollars?

A: In the mess hall.

Q: You admit that you paid twenty-five dollars, why did you pay that?

A: That is what he told me the price was, twenty-five dollars.

Q: Did he ever pay that money back?

A: Yes.

Q: Did you receive that twenty-five dollars before or after the stuff was taken?

A: I got it back the next morning. He gave the twenty-five dollars back.

Q: He gave the twenty-five dollars back?

A: Yes.

Q: Why did he give the twenty-five dollars back?

A: I don't know.

Q: Then you paid fifty-three dollars but he gave you twenty-five dollars back the next morning -- was it after you had been stopped by the ranger?

A: Yes.

Q: You went to the accused's quarters and he returned you twenty-five dollars?

A: Yes.

Q: Did anyone see the bag being given to you?

A: Nobody saw the bag in the jeep. But there was somebody where he got it.

A: No..

A: Sgt McInnis.

A: Yes.

Q: This was before you received the sleeping bag, Exhibit D?

A: Yes.

Q: That was the last thing you received?

A: Yes.

Q: Then, where did you stop -- was it in front of a Government building? on the Canadian side?

A: I don't know if it was a Government building or not.

Q: Was it an army hut?

A: I don't know.

Q: Would you say it was on the Canadian side?

A: Yes.

Q: Where?

A: It was near T Area.

Q: The only huts along this area are Government huts. And it was a soldier that brought this Exhibit D out?

A: We went into his room.

Q: You both went into the room?

A: Yes.

Q: What was in that room?

A: Nothing, only a man sleeping and another Canadian up.

Q: Did the man that was up know the accused?

A: Yes.

Q: He actually handed to you, the bag, in there?

A: Yes.

Q: And where did you go from there?

A: Went to Dan Michelin's.

Q: You went to Michelin's?

A: Yes.

Q: Did this man have a uniform on, the man who was in the hut?

A: I think so.

Q: When you went into the hut he wasn't in bed?

A: No.

Q: There were two men in the hut — would you be able to identify those men if you saw them?

A: No. One man was in bed.

Q: Well the one that was up, did he have on his uniform?

A: I don't know.

Q: Was he fully dressed?

A: I think he had his coat off.

Q: Was he a soldier?

A: Yes, I think he was a soldier.

Q: Then the accussed got the bag from this man?

A: Yes.

Q: And took it out to the jeep — the accused took this bag and carried it out to the jeep from this hut that you stopped at?

A: Yes.

Q: And then he left that hut with Exhibit D?

A: Yes.

Q: And you went from this hut to Michelin's?

A: Yes.

Q: Then what happened after that?

A: I went home, he went somewhere, I don't know where.

QUESTIONS BY DEFENSE

Q: Your statement was previously that you did not get out of the building, now I find that this time you did go into the building.

A: Yes, I said that, but that is theonly building I go in.

Q: There is a question concerning the bag I would like you to clear up for us — In the beginning of the evidence, you claimed on your written evidence you received fifty-three dollars for articles but it included many things. But, in another statement you made, you say that you got Exhibit D and paid twenty-five dollars. Then you said that the next morning you got twenty-five dollars back.

A: Yes.

Q: How did you get over to the accused the next morning?

A: Sgt Pollard from T Area brought me back.

Q: How did you come to be connected with Sgt Pollard.

A: He come over to Dan Michelin's to see me.

Q: Then what happened?

A: I told Sgt Pollard I had money up there.

Q: What connection did Sgt Pollard have with this case?

A: I just know him.

Q: How did he know about this deal?

A: I suppose he heard that they took the stuff from me, and he took me to Mr. McInnis and he give me my money before I ask him.

Q: That is what you went to the accused's quarters for?

A: Yes.

Q: How did you know where his quarters were?

A: Mr. Pollard took me there.

Q: Was he in a truck or jeep, Sgt Pollard?

A: I don't know.

Q: Then what happened there?

A: He give me the money and I go back.

Q: Where did you go?

A: I go back to Northwest River.

Q: Didn't you ask him why he gave the money back?

A: No.

Q: Then you don't know why he returned the money?

A: He give it back to me for the sleeping bag.

Q: Why didn't he give you the whole fifty-three dollarsback?

A: I don't know.

Q: You didn't get the benefit of your money — didn't it strike you as funny, didn't you ask what it was for? When you got the twenty-five dollars back given to you by the accused?

A: No.

Q: Didn't any conversation take place?

A: He just say that is for sleeping bag.

Q: Then what did you do?

A: I took money and put it in my pocket.

Q: Was Sgt Pollard there at the time?

A: That was done just two of us in the room.

Q: How is Sgt Pollard interested in this thing -- Had he told you that he was in communication with the accused?

A: I don't know, I would think so, but I don't know.

Q: Was Sgt Pollard with you boys the night before?

A: No.

Q: Just you two, was he with you earlier in the afternoon?

A: No.

Q: Was Sgt McInnis out at Northwest River with you before this happened?

A: Yes.

Q: You didn't tell him how much?

A: No.

NO FURTHER QUESTIONS

A: No, Sir.

Q: How did Sgt Pollard come to get in touch with you the next morning?

A: After I come home from Ranger's quarters, he found out that Ranger had me.

Q: This is something you don't quite understand, we are trying to get to the bottom of this. How did Sgt. Pollard happen to find you?

A: I know him a long time, and he was trying to find me, and he find that out that the ranger had me and when he come home he find me.

QUESTIONS BY COURT

Q: S/QMS Kiely where did you tell us -- would you tell us where or if you have a special place that you store sleeping bags such as Exhibit D?

A: Yes, they're stored in one building in H Area.

Q: Is there anyone sleeping in this building?

A: No Sir.

Q: Have any of these bags been issued?

A: To my knowledge there are none in issue, not according to our record

Q: You said in your evidence you found one was short, but have you any idea where it might be?

A: No Sir.

Q: If one were gone it would be gone from that hut?

A: I don't know -- the actual count was the bags on hand.

Q: When count was taken did you know where they were?

A: There were three out and there was one missing.

Q: Was the one missing one of the three that were out on indent?

A: No.

Q: And this check that you made was subsequent to March 31, 1945?

A: I don't recall the exact date. It was taken the day before the evidence was typed on 2 April.

QUESTIONS BY DEFENSE

Q: You say that there were three bags out -- are you personally acquainted with the names of those having the bags?

A: One was in the Sgts' Quarters, one which the Ordnance Officer was using in the Ordnance Office, and one to the Garage for the night operator's use. Over and above that we are one missing according to our ledger.

Q: Was not one of these sleeping bags issued to Capt. Edwards, R.C.E.M.E., located at T Area Officers' Quarters. This bag was returned yesterday from this area. How did you make this check?

A: We counted the ones on hand and compared them with the figures in our ledger. I inquired at the time and the three bags that I had out were all accounted for.

Q: Then one of those bags was out to the R.C.E.M.E. which may be the one in question. If such be the case there is no bag missing. I would suggest that you go back and make another check. In the opinion of the Court and Judge Advocate it is not necessary to comply with R.P. 83(B) [illegible]

QUESTION TO THE ACCUSED

Q: Do you wish to make any statement in mitigation of punishment?

A: I wish to give evidence on oath.

The accused, F.22316 Battery Sergeant Major (W.O. II) Earl Vincent McInnis, having been duly sworn, states:

Evidence on Next page

First of all I would like to go back a short while ago to my first coming here in Labrador in June 1942. I wish to show why I gave the food to the native. In 1942 I first arrived in here there was trouble with the men at that time. As a result of this development here I was asked by the DAPM in the Air Force to assist him in his work. As this was the only means of settling the troubles that were here, I started working with the DAPM. I noticed that living conditions with the natives was very bad and that assisting them in their homes created a better understanding between them and the army. Whenever a helping hand could be given to the natives it was done. I want to tell also that the rangers at the time knew that this condition existed although they gave no notice to discontinue this action they took no action against it. I left here in July 43 and returned July 44 and on returning naturally made myself acquainted with my native friends made in my previous year here. On the first occasion I could , I visited Northwest River which was Tuesday 27th of March. I had a pass from Area Headquarters to go down to the village. Blake was a man whom I met here in May of my first year and I wanted him to take me back. I saw the conditions in his home and his wife especially asked me if I could get her a few things, that she couldn't get these items herself and she needed them for her children. I told her I didn't know what I could do about but I'd do what I could. I returned to the base where Blake was and we had supper and then we went to a KOC Recreation Hall in T Area, going along by the American Side. I spoke to the Chaplain in charge and told him that I wanted to buy a certain amount of food and as he was an original man from 1942, asked no questions. At the time I got some candies and stuff for the native children down at Northwest River and gave them to Mr. Blake with instructions to keep some for his children and give the rest to the school teacher to give to the other children. The cases of food which we got there then took them to the old mess. From there we proceeded to our own mess where we drank some beer at the time. It struck me that I hadn't gotten any corn flakes so I went to the kitchen and asked the cook if there was a surplus. Being quite sure that there was a surplus laying on the shelf for a good while, I took some of the articles and gave them to Blake. From there I took him back to Dan Michelin's with the food. This is not the first occasion I have taken steps to help the natives and witnesses to come will prove that fact, but I did want to take this opportunity to say that while I admit to the charge it was not uncommon practice. One other thing is the money transaction that took place. It was twenty-three dollars and some odd cents. The food came to approximately twenty-one dollars, the rest of it was for beer that we drank in the messes, each paying for his own. That is all, Sir.

In the opinion of the Court and Judge Advocate it is not necessary to comply with R.P. 83(B)

A: I have.

Q: And your dealings with the accused; have you found him entirely trustworthy in carrying out his job in an efficient manner? In matters as to his relation with natives has he been of assistance to the Army?

A: Well, I think the accused has some good will between the natives and the Army in Goose Bay.

Q: As a matter of furthering good will has his actions been of such nature as to cause you to think that this was contrary to Army rules?

A: No.

Q: Was this taking of food stuffs common practice or do you know of it ever having been done before?

A: It has been a practice and it wasn't considered ill practice by those in authority. In the opinion of the Court & Judge Advocate - it is not necessary to comply with RP 85(B) MK

Q: Do you know the accused?

A: Yes.

Q: What's his name?

A: Earl McInnis.

Q: Where did you first meet the accused?

A: Down at Otter Creek--Mr. McInnis, Sgt. McDougal, and F/L Alexander used to be down there and I happened to know these boys.

Q: Has the accused been friendly with the natives in Goose Bay?

A: He has been a very nice man.

Q: Has he tried to help any of you at any time?

A: Well, yes, there was a young lady and he helped her get specs as she had bad eyesight.

A: He brought me some things for Christmas.

Q: Do you remember when he helped the woman with bad eyesight to see the specialist?

A: I cant remember but is was a couple of years ago if I'm not mistaken. In the opinion of the Court the Judge Advocate is not necessary to comply with R.P. 83(13) [illegible]

THIRD CHARACTER WITNESS FOR THE DEFENSE

Major N.F. McLeod, Officer Commanding, 30th A.A. Battery, R.C.A., having been duly sworn, states:

Q: With respect to the accused, could you attribute towards his behalf as to attention to duty, general character and conduct, as a statement?

The witness hands in the statements which are read, signed by the President, and attached to the proceedings. as exhibits Y and Z. [illegible]

Q: Is the accused the person named in the statements which have heard read?

A: Yes.

Q: Have you compared the contents of the above statements with the Regimental books?

A: Yes.

Q: Are they true extracts from the Regimental Books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?

A: Yes.

The accused declines to cross-examine. In the opinion of the court the Judge Advocate - it is not necessary to comply with R.P. 83(3) WRC

To the accused

Q: Do you wish to address the Court?

A: My Defending Officer will speak for me.

Plea by Defending Officer

I wish to bring a general short summary in support of mittigation in that the ranger has received $100 in payment on a fine from the accused for improperly transferring goods that did not pass through the customs office to the natives. Also evidence that the accused was not instituting new practices when he disposed of the goods mentioned on the charge. Also as the transactions were carried out openly with no fear of censure upon detection that the court view the accused actions in a favourable light. Character evidence shows tha accused to be a reliable individual with a normal concern for those less fortunate than himself, although this concern may seemingly have interferred with Army rules in its expression.

I produce the following documents:

Exhibits

F - 1. Receipt for $100 from Collector of Customs (Newfoundland)
F - 2. Letter from Secretary of Customs (Newfoundland)
G - 3. Pass R.C.A.F. to work with D.A.P.M. (Air Force)
H - 4. Pass (Army) to work with D.A.P.M. (Air Force)
I - 5. Authority from Commander, Goose Bay Defences to assist D.A.P.M.

The Court is closed for the consideration of the sentence.

The Sentence:-

The court sentences the accused F. 22316 Battery Sergeant Major (W.O.II) Earl Vincent McDonnis, 30th Anti Aircraft Battery, Royal Canadian Artillery, to be reduced to the rank of Corporal.

SUMMARY OF EVIDENCE

in the case of

No. F.22316, B.S.M.(W.O.II) Earl Vincent MacInnis, 30th. Anti Aircraft Battery, R.C.A., a warrant officer of the Canadian Army placed on Active service.

CHARGES:-

Stealing Public Property (two charges)

Stealing Property belonging to a Regimental Institution.

Conduct to the Prejudice of Good order and Military Discipline.

The Commanding Officer directs that the evidence be taken on oath.

First Witness: No. 77, Arthur Morris, a member of the Newfoundland Ranger Force, having been duly sworn states:-

About 10 o'clock A.M., March 31st., the D.A.P.M. notified me that he had found a dog team with a quantity of goods on it. I went to the old mess hall, Goose Bay, Labrador, and found a quantity of goods on a sled in the possession of Sydney Blake. I seized these goods, took them off the sled and brought them to the Newfoundland Rangers Office. I was present at this office when Lt.-Col., Roach examined the goods and listed them and when Capt. Parrott examined them. They were the same goods which I seized. I was also present when a soldier came and asked to examine the sleeping bag. I was not actually in the room where the examination took place but there was only one bag in the building and that was the one I had seized from Sydney Blake.

The accused declines to cross examine.

A. Morris, Ranger

~~Second Witness:~~ ~~I certify that in my opinion due to the inconvenience and difficulty of travelling from North West River to Goose Bay, the attendance of Sydney Blake cannot readily be procured.~~ ~~Lt.-Col.~~

~~Lt.-Col. Lead Dep. Adv.~~

~~The written statement of Sydney Blake (including the three exhibits) was read to the accused and attached to the summary.~~ ~~Lt.-Col.~~

Sworn to as true

Sydney Blake of Duck West River Labrador being duly sworn states:

I am Sydney Blake of Duck West River, Labrador. On March 30th I received from Sergeant Major Mr. Dennis the following articles, one sleeping bag, twelve tins corn starch, two bottles of lime extract, one tin of gooseberry jam, one tin of fruit jam, one tin hot chocolate powder, one tin of butter, five lbs. of cheese, fifteen lbs. apparently of raisins, one quarter of shredded wheat, twelve tins of tomatoes, one tin of condensed milk, nine packages of corn flakes. Some of these items were for myself and some for my brother Harry Blake. There were some other articles too.

Q. Where did you get these articles?

A. He delivered the small stuff to me at his quarters.

Q. What about the rest of it?

A. The rest of the articles were delivered to me at Dan Michelin's place. That is in Sango Bay Labrador.

Q. Did you pay for these articles?

A. Yes.

Q. How much?

A. Fifty three dollars.

Q. That sum includes other articles not included in the list above?

A. Yes it includes everything I got from him.

Received before to me examiner

Sid Blake

Third Witness: F.24386, B.Q.M.S. Mabey, H.W., 30th. A.A. Bty., R.C.A., having been duly sworn states:-

I am B.Q.M.S. of the 30th. A.A. Bty., and in charge of stores. This Battery has no sleeping bags on charge or in stores. It never had any except one in the winter of 1942-43. This bag was sold on payment to Lieut. J.A.C. Stewart. B.S.M. MacInnis never bought a sleeping bag on payment through the Battery. He was never issued with one by the Battery.

The accused declines to cross examine.

Fourth Witness: F.93404, S/Q.M.S. J.T. Kiely, No. 6 Ordnance sub depot, Goose Bay, Detachment, having been duly sworn states:-

I am store holder of Goose Bay Detachment R.C.O.C. and am at present in charge of the detachment in the absence of Lieut. Hemphill. On April 2, 1946 I checked the stock of sleeping bags on charge to this detachment and found one short. There are bags at Riglet and I could only check the records on these, I did not actually count them. On instructions from Lt.-Col. Roach I called at the Newfoundland Rangers office to inspect a sleeping bag there. I examined this bag and it had a mark on the flap inside the canvas container. The mark was only faintly distinguishable but in my opinion is the government stores mark.

The accused declines to cross examine.

Jas. Kiely S/Qms.

Fifth Witness: Capt. E.R. Parrott, No. 6 District Coy., R.C.A.S.C., having been duly sworn states:-

I am C.S.& T.O. for the Defended Area of Goose Bay, Labrador. On March 31st. I was called to the office of the Newfoundland Rangers at Goose Bay. I was shown a quantity of food and tinned goods. I identified these as being the same type and brand as are issued as rations in this Area. Among these articles were Benson corn starch, Grape fruit juice, canned tomatoes, tinned butter.

Accused declines to cross examine.

E. Parrott, Capt.

Sixth Witness: G.600309, Pte. Hanson, H.E., No. 6 Coy., R.C.A.S.C., attached as in W.E. to 30th. A.A. Bty., R.C.A., having been duly sworn states:-

I am night cook in the combined N.C.O's and men's mess at Battery Headquarters, 30th. A.A. Bty., "F" Area, Goose Bay, Labrador. On ~~April~~ 30th I was on duty around ten thirty or eleven P.M. or thereabout and B.S.M. MacInnis came in and asked me if I was overstrength in any particular rations. I told him we were in certain things, corn flakes, corn starch, tomatoes, onions. He went around into the store room. I saw him take some articles and bring them to the kitchen. I did not pay any attention to what went on after this and did not see him leave. I did not see the articles he brought from the store room again.

Accused declines to cross examine.

X H.E. Hanson.

Seventh Witness: M.608228, Bdr. Hawrelko, P., 30th. A.A. Bty., R.C.A., having been duly sworn states:-

I am an N.C.O. of the 30th. A.A. Bty., and am in charge of rations. I draw and distribute all rations and extra messing. In the extra messing the Unit receives Kellogs corn flakes from time to time. Some have been received fairly recently although I cannot say the exact date. Some of these were distributed to the combined mess in "F" Area. Kellogs Corn Flakes are not on the scale of issue of rations and cannot be drawn from the ration depot.

Accused declines to cross examine.

X Peter P. Hawrelko

ADDITIONAL SUMMARY OF EVIDENCE

in the case of

No. F.22316, E.S.M. (W.O.II) Earl Vincent MacInnis, 30th Anti Aircraft Battery, R.C.A., a warrant officer of the Canadian Army placed on Active Service.

CHARGES:-

Stealing Public Property (two charges)

Stealing Property belonging to a Regimental Institution

Conduct to the prejudice of Good Order and Military Discipline.

The Commanding Officer directs that the evidence be taken on Oath.

Fifth Witness (recalled): Capt. E.R. Parrott, No. 6 District Coy., R.C.A.S.C., having been recalled is again duly sworn and states:-

On March 31st, 1945, I examined certain articles in the office of the Newfoundland Customs and Rangers at Goose Bay, Labrador.

Question: Do you recall the exact articles ?

Answer: No, I cannot recall them off hand, but would recognize a list.

Question: Were the following articles among them :- Twelve one pound boxes Benson corn starch, two one pound bottles Girard Company lemon extract, one four pound tin Wagstaffe goose berry jam, one fourteen ounce tin grape fruit juice, one five pound tin hot chocolate powder, one two pound tin Wilsils butter, five pounds Canadian cheddar cheese, 15 pounds onions, one package of twelve shredded wheat biscuits, twelve tins canned tomatoes, one tin concentrated orange juice, and nine boxes of "Kelloggs" Corn Flakes ?

Answer: At least some of them were. Each of these items is of the type and brand that we issue except corn flakes. The only corn flakes which the Supply Depot issues are in small individual packages.

The accused declines to cross examine.

E.R. Parrott, Capt.

Fourth Witness (recalled): F.93404, S/Q.M.S. J.T. Kiely, No. 6 Ordnance sub depot, Goose Bay Detachment, having been recalled is again duly sworn and states :-

The sleeping bag which I examined in the Newfoundland Rangers office and to which I referred in the previous evidence in this case given by me was a "Bags, sleeping, Eiderdown" similar to those carried in Ordnance stock here. As far as I can determine from the records this is the type that is missing from our stock.

Question by Accused: How many types of sleeping bags do you have in stock ?

Answer: Two, I believe.

Question by Accused: How do you know which type is short ?

Answer: I took stock and according to the ledger balance and actual stock figures at that time we were deficient one of that type. It must be borne in mind that I took no physical count of stock supposed to be at Rigolet.

Question by Officer taking summary:

Why didn't you count the ones at Rigolet ?

Answer: It is impossible to visit Rigolet at this time of year. I tried to get a check over the radio by Area Headquarters but was told it was impossible.

Accused declines to question the witness further.

Question to the Accused:

Do you wish to make any statement or to give evidence upon Oath ? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

Answer by Accused:

Field General Court-Martial
F.22316 BSM (WO II) Karl Vincent MacInnis,
30th Anti Aircraft Battery, R.C.A., C.A.

Receipt is acknowledged of the proceedings of the m/n Field General Court-Martial which were forwarded under date of 10th May 1945 by the A.J.A.G., M.D.#6.

2. The record is most unsatisfactory. It does not specifically state:

(a) The names, ranks, etc., of the Prosecuting and Defending Officers and the Shorthand Writer.

(b) That the Convening Order and the names of the President and Members of the Court were read to the accused and that R.P.110 was complied with.

(c) At what stage the accused was found Not Guilty of the third and fourth charges.

(d) That R.P.35(B) and R.P.83 was complied with.

3. Further, the Judge Advocate should have signed the schedule at page 2 of A.F.A3, in addition to the President, and also certificate B on page 3.

4. The Court included in the proceedings a paper signed by the President setting forth the reasons for the Finding on the first and second charges and also a "recommendation on sentence". Does this mean that the Court did not pass the sentence at the conclusion of the trial but referred the matter of sentence to Lt.Col. G.T.Roach who awarded the sentence? May advice be received please as to what actually was done in respect of the sentence.

5. The Charge Sheet was signed by Major McLeod as O.C. 30th Anti Aircraft Battery and he also convened the Court. It appears that Major McLeod confirmed the Finding only and that Lt.Col. Roach confirmed the Sentence. In view of K.R. (Can) 568 confirmation of both Finding and Sentence should have been effected by Lt.Col. G.T.Roach. Under these circumstances if Lt.Col.Roach approves the confirmation of the Finding and Sentence or if he in fact did by his Minute "Confirmed" on p.2 of A.F.A3 intended to confirm both the Finding and Sentence, the Minute of Confirmation signed by Major McLeod on p.2 should be struck out. Lt.Col.Roach should then complete a new Certificate D and attach it to p.3 and sign and date it and this Confirmation should be promulgated to the accused, a new Minute of Promulgation endorsed on p.3 and the accused's documents amended accordingly.

6. When the proceedings have served your purpose, may they be returned to this office, please, when the review will be completed.

Application for District Court-Martial
F.22316 NSW (WOII) Earl Vincent MacInnis
30th Ainti Aircraft Battery, R.C.A.,C.A.

Receipt is acknowledged of your G.B.5-7-5 dated 7 Apr 45, under cover of which you forwarded Charge Sheet and Summary of Evidence in the marginally-noted District Court-Martial pursuant to K.R.(Can) 540.

2. In our opinion the Charge Sheet should be redrawn in accordance with the Draft Charge Sheet enclosed herewith.

3. The evidence of F.93404 S/QMS J.P.Kiely is barely sufficient to support the first and second charges. It is considered that normally, when goods are shown to bear the Government s tores mark, the same are proven, prima facie, to be public property. Therefore it is important that definite evidence be given to identify the Government stores mark on the sleeping bag alleged to be stolen by the accused.

4. S/QMS Kiely in his evidence has stated that on checking the stock of No. 6 Ordnance Sub-Depot, one sleeping bag was missing. Evidence should be adduced to show that the sleeping bag alleged to have been stolen by the accused, is of a similar make and type to the sleeping bag missing from the stock of No.6 Ordnance Sub-Depot.

5. As to the remaining charges, it is considered that the evidence is sufficient to support the respective charges. It is noted that Capt.E.R. Parrott, in his evidence, has NOT identified each and every article specified in the third and fifth charges, as being the same type and brand of rations issued in this area. This is considered necessary to support the a/m charges.

6. It is noted that the accused is to be tried by District Court-Martial. In view of the limited powers of punishment available to District Courts-Martial in respect of Warrant Officers under A.A.182, it is considered that the serious nature of the charges alleged, warrant the accused to be tried before a Field General Court-Martial whose powers of punishment are NOT so limited.

7. We strongly suggest for your consideration the advisability of appointing a Judge Advocate in the event the accused is to be tried by a F.G.C.M. Major N.F.Macdonald, A.J.A.G.,at Halifax, N.S. is available and upon notice from you can be despatched to Goose Bay. He will require one week's notice.

8. The original Charge Sheet and Summary of Evidence are returned herewith.

C. 55-11-1647

Attached are charge sheet and summary of evidence in the case of Battery Sergeant-Major (WO II) Earl Vincent MacInnis forwarded under provision of K.R. (Can) 540.

2. It is pointed out that the evidence of Sydney Blake was obtained under difficulties and it was impossible to have it typed and signed. Sydney Blake is a trapper living 35 miles away and is not readily available because he has to travel by dog team and only visits Goose Bay periodically. He will, of course, have to be brought to Goose Bay for the trial. It is suggested that additional evidence from Blake for the summary (if it should be considered deficient) be ordered only on very substantial grounds.

3. Copies of charge sheet and summary of evidence have also been forwarded to Assistant Judge Advocate General at H.Q., M.D. 6.

4. May this H.Q. be advised, please.

Prosecution proved that accused had been warned for the draft. Accused claims he was confused about the exact time, he had no intention of missing the draft, but was drunk for 3 or 4 days and does not know where he was at the time the draft left. Accused also claims that his wife was in difficulty and they would only let him send 2 pounds a day home to her. Got fed up and went on a drunk.

13. Recommendations: (State by whom made, e.g., CMHQ, DOC Reviewing Offr, etc).

CMHQ: To serve full sentence and be dismissed for misconduct.

MEDICAL OFFICER'S CERTIFICATE

DEC 20th 1944

K.R. (CAN) Para 557

I hereby certify that I have this morning examined No B127904 PTE. MATEKA J.J. on strength 4 Cdn Rft Bn, 1 C B B Gp, and in my opinion he is FIT/~~UNFIT~~ to undergo trial by Court Martial

W J Brady Capt
Medical Officer 4 Cdn Rft Bn.

OPENING ADDRESS BY THE PROSECUTION

I would like to draw the attention of the court to the three points in the charge sheet requiring proof to substantiate a charge of Desertion. I will call witnesses for the prosecution who will deal with the three points in turn; which are, the accused was warned for draft, that he in actual fact did go absent without leave, and the third point that by his actions he showed the intention of avoiding the draft.

FIRST WITNESS FOR PROSECUTION

D71493 Sgt McIlroy A M, 4 Cdn Rft Bn, 1 C B R G, having been duly sworn, states:

I am D71493 Sgt McIlroy A M, P E Sgt of 'B' Coy. At approx 0800 hrs 15 Oct 44 I mustered the X-List of the HPER. The name and number of Pte Mateka was on that list. He answered his name and I then warned all present that they would be available for draft to the field units and would proceed to go through draft routine, pass the Medical Officer, Dental Officer and Quartermaster Stores. At approx 1400 hrs 15 Oct 44 I mustered my draft. Pte Mateka answered his name and was present on parade. I then proceeded to pass them through draft routine. Pte Mateka passed through the Medical Officer and Dental Officer. At approx 1400 hrs 16 Oct 44 I mustered my draft. Pte Mateka failed to answer his name. The draft left at 1400 hrs 16 Oct 44. Pte Mateka was not present and I placed him as an absentee at 1400 hrs 16 Oct. I have not seen Pte Mateka around the coy lines.

Question by Prosecution

Q Are you certain that Pte Mateka was on parade at 0800 hrs on 15 Oct when the draft was warned they would be proceeding?

A Yes Sir, I am positive.

Cross Examination by Defence

Q When warned for draft, did you give them any idea when the draft would be leaving?

A When we warn the draft, we tell them to be available for the field unit within 24 hrs to the following day.

R P 83B complied with.

SECOND WITNESS FOR PROSECUTION

P9577 BSM McDermott M M, 4 Cdn Rft Bn, 1 C B R G having been duly sworn, states:

I am P9577 BSM McDermott M M, of 'B' Coy, 4 Cdn Rft Bn, 1 C B R G. At approx 0800 hrs 15 Oct 44 I was present on parade when Sgt McIlroy warned the draft. Pte Mateka was on that draft. He answered his name. Pte Mateka was present.

Question by Court

Q If you saw Pte Mateka, could you identify him?

A Yes Sir.

Q Is he here? Point him out.

A Witness points to accused.

R P 83B complied with.

THIRD WITNESS FOR PROSECUTION

A3885 Pte Knowles H, 4 Cdn Rft Bn, having been duly sworn, states:

I am A3885 Pte Knowles H, File Clerk, 4 Bn Orderly Room. I hereby produce a certificate under A A Sec 163 (1) (j) purporting to relate to the accused and showing that B127904 Pte Mateka J surrendered himself at PERUGIA at 1820 hrs 9 Dec.
(Produced, signed by President, marked Exhibit 'A', and attached to proceedings).

R P 83B complied with.

ADDRESS BY DEFENCE

I submit that the evidence for the prosecution does not establish a prima facie case against the accused on the first charge in that it has not proved that Pte Mateka went absent without leave with the intent to avoid so proceeding. They have shown that he was warned and that he was absent without leave. They have not shown that he had intended to miss the draft.

REPLY BY PROSECUTION

I would like to draw the attention of the court to Chap. 6 in "Evidence", para 13 (quotes). I submit that in this case it is covered by Para 13 in "Evidence".

B127904 Pte Mateka J J, having been duly sworn, states:

I thought that the draft was leaving on 17 Oct 44 and I intended to be present at that time. For three or four days I don't remember where I was as I was drunk.

Question by Court

Q Pte Mateka on what grounds did you believe that the draft was to leave on the 17th?

A I went back to the room, Sir, and it was a rumour amongst the boys that it would be leaving on 17th.

Q Is it the first time you were on draft or were you in a unit before?

A I was in a unit before, Sir.

Q How long?

A Since 10 Feb of this year. It was 16 Sep when I went out sick.

Q Were you wounded?

A No Sir.

R P 83 B complied with

SUMMING UP BY PROSECUTION

At the opening of the trial I pointed out that 3 points were to be proven to substantiate a charge of desertion. The evidence of the first witness - the sworn testimoney of Sgt McIlroy, is that the draft was warned and Pte Mateka later admitted that he was present on that parade. The second point of absence without leave has been established by the first witness and the fact that Pte Mateka surrendered himself on the date shown is borne out by the evidence of Pte Knowles. As pointed out earlier, the fact of the accused's intention to desert is a point that is not possible to prove but in consideration of the evidence that has been given I would say that it was strongly presumptuous and it is entirely a matter for the court to decide whether the accused had an intention of avoiding draft or not.

SUMMING UP BY DEFENCE

I would like to point out that the accused, although being absent without leave, had not the intention of missing a draft but was incapable of forming the intention of missing the draft. He was intoxicated and does not know where he was at the time the draft left.

ADDRESS BY DEFENCE IN MITIGATION
OF PUNISHMENT

This man served with his field unit, the HPER, from 10 Feb of this year to 16 Sep, when he was S.O.S. to hospital through sickness. He was contented with his unit and on leaving hospital was anxious to get back to it. His wife is having trouble at home. He had a large sum of money. He tried to sent money home but due to regulations could only send £2-0-0 a day. He thought that he would be leaving on draft on the 17th and unfortunately with all this money on hand he got intoxicated and thus missed the draft. There also is the fact that the accused surendered himself and he is anxious to get back to his unit.

1. The m/a soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 20 Dec 44 for an offence under AA Sec 12(1)(a). The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 19 Apr 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM, and his sentence has been served, so far in that theatre.

3. Att hereto is a copy of the relevant portions of the review Sheet used at CMHQ showing the date of this Soldier's enlistment and his record of any previous army or civil offences.

4. A Neuro-Psychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, ~~(Unsuitable for further combatant service.)~~

5. In view of the serious nature of the offences of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of Para 8 of Appx to C.A.R.O. 1029, and it is so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 20 Dec 44, original A.F.A3104 in respect thereof on which this direction has been endorsed, and Committal Order. This soldier will be despatched to Canada direct from Italy.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

"J" [illegible] Pte. S.B.M

I am A-604674 Pte George MATISZ, a soldier of the Canadian Army, NRMA. I enrolled on 12 August 1943, at Wolseley Barracks, London, Ontario. That same month I was sent to Halifax, N.S. to A-23 RCA Training Centre as a Gunner. I was born in Hungary and have several relations living there in that country.

My home has been in Windsor, Ont for the past 16 years and I have worked on a farm about 10 miles from my home. I was married in June 44, without the permission of my father and without the permission of my Commanding Officer. My Mother did not mind my marrying, and I have been going with my wife for over two years. I did not have to marry. There is a baby coming in about 4 months time. At first my father would not let me live at home, but now he is in favour of my marriage and my wife.

While I was stationed in Nova Scotia, at No.1.Transit Camp I was reallocated to Infantry and sent to Chatham, Ont for four weeks and from there to Camp Ipperwash. That was in April 44. I did my training. It was while I was at Ipperwash that I married without permission and went A.W.L for several days.

I was posted to the 1st Bn Edmonton Fusiliers in August 44 and sent to Niagara, Ont. I didnt like that Unit as I always seemed to be in trouble. I liked the N.C.O's there, and I wanted to go Active and go Overseas but my parents were against me doing this. At Niagara I was doing duty guarding Hydro plants. I liked the Infantry better than the Artillery, but I could not seem to get on with the Edmonton Fusiliers.

I went absent in December 44 but never had any intention to desert from the Army. I never hid my uniform at any time, it was always at my home. When I worked I wore a pair of Battle Dress trousers, ~~[illegible]~~ a spare pair which I had bought, and I wore my uniform any time I went out during my absence. I have only been absent twice before this last time, one of these times being when I got married.

My brothers said that the Military Police had come to the house, and at the time that I was arrested at the house I was asleep upstairs and came down to them dressed in my uniform.

I have had two years High School and speak both English and Hungarian. I still say that I want to go Active and Overseas, and did not intend to desert. I have done my training and am only 21 years of age.

This is a true statement and I know that I would be very nervous if I had to speak from a witness box.

9. DISCIPLINE

The crime of absence without leave has been too prevalent.

In view of the above and also of the adverse influence on Discipline and Training which such absence causes, all ranks are warned that sentences for offences of this nature will be severe.

BOUNDS

The practice of shortcutting across lawns will cease forthwith. This includes the football field and the lawn west of the Officers Mess. Officers, N.C.O's and Regimental Police will see that this order is strictly adhered to. Disciplinary action will be taken against anyone violating this order.

ATTENTION AREA

Barracks Square and Roadway running east and west from R.C.A.S.C. compound to the Guard Room will be known as Attention Area. Officers, N.C.O's and Men crossing Square, must do so from the fire hydrant at the north east corner of the square to fire hydrant at the north west corner, or vice versa. All ranks must be properly dressed, and will march at a smart pace and in a soldierly like manner. When crossing this Area, no smoking will be allowed.

The above order must also be carried out when using sidewalks adjacent to the Square. Regimental Police will patrol this Area and any violators of the above will be disciplined.

ADDRESS BY THE DEFENDING OFFICER IN MITIGATION OF SENTENCE

Sir, having all heard the conduct sheet of this accused, M.F.M. 6, I think we all realize this boy has not been as good a soldier as he may have been. He had one absence of one hour and one before that, but it seems that he has been a negligent soldier who did not take the army as serious as he should have done but referring to his own written statement he says he did not like the Edmonton Fusiliers, he always seemed to be in trouble with them, all the charges are with that unit.

There is very little more I can say regarding the accused except that I would like to refer again to his statement, "I still say I want to go active and go overseas, I have done my training and am only twenty-one years of age."

This boy has been in custody for nineteen days awaiting trial and I ask the court to treat him as lightly as his case warrants.

Question Will you give the Court your regimental number, rank, name and Unit ?

A H.19873, RSM Arthur Leonard Campbell, A15 Canadian Infantry Training Centre, C.A.

Q Do you know H.23652, Private Patrick James McManiman ?

A I do, Sir.

Q Where is he now ?

A Sitting here with his hat off, Sir (pointing to the accused).

Q When did you see him recently ?

A I saw Private McManiman at approximately 2045 hours on the night of the 31st of March, 1945.

Q Where did you see him ?

A In the Wet Canteen, A15 C.I.T.C.

Q That is at Shilo Camp ?

A Yes, Sir.

Q Well what was the occasion of you being at the Canteen ?

A I was there to supervise the discipline in the Canteen, Sir.

Q Was there anything particular about that day -- any particular reason why you should have been there ?

A Yes, Sir.

Q What was the reason ?

A There had been a report of some trouble the night before in the Canteen and the Commandant of A15 asked me to go down and make a personal --

By the Court:

Q You went to the Canteen on instructions, is that what you did ?

A Yes, Sir.

By the Prosecutor :

Q When was the last pay day at A15 ?

A Pay day was on the Friday, Sir, -- Good Friday.

Q That same day ?

A No, Sir, Friday was the 30th, Sir.

Q The day before ?

A Yes, Sir.

Q Then go on to say what you saw at about 2045 hours ?

A I went to the Canteen where I saw Sergeant McAllister, who is the Canteen Sergeant. I told him what I was there for and I told him I was going --

By the Court:

Q Never mind what you told him. What did you do ?

A I went through the Canteen to check up on the amount of beer that was on the tables at that time. I found that everybody who was in the Canteen had sufficient beer on the table to last them until approximately 2110 hours, at which time the Canteen closes and everybody must get out.

By the Prosecutor:

Q What is the set hour for closing the Canteen ?

A The bar, Sir ?

Q Yes ?

A 2100 hours and the men get ten minutes to finish the beer they have and go back to their quarters.

Q You said you saw the accused at about 2045 hours ?

A Yes, Sir. As soon as I came back to the bar the accused came up to me and ordered some more beer. I told him that he couldn't get any more beer, that he had sufficient at his table and that no more beer was being served.

Q How did you know that he had sufficient beer at the table where he was sitting ?

A I asked him where he was sitting and I had also seen him sitting at the table, Sir.

Q What did the accused say then ?

A He replied "You get all the beer you want in the Sergeants' Mess. I want the same privilege here".

Q Did you say anything more to him then ?

A I said "You will not get any more beer. Go back and sit down".

Q What did he say or do ?

A He went back and sat down.

Q What happened after that ?

A After that I went over to the door, the exit door, where the Orderly Sergeant was stationed, that is Sergeant Price. I told

Sergeant Price --

By the Court:

Q The accused was not with you then was he ?

A No, Sir.

By the Prosecuter :

Q Just tell us what you did ?

A I gave instructions to Sergeant Price and while I was talking to Sergeant Price the accused came over and again insisted on getting more beer.

Q What did he say at that time ?

A He said something to the effect "I don't see why I can't get some more beer".

Q What other words do you remember him using ?

A I said to him then "I have already told you you can't get any more beer. The bar is closed". The accused then said "You don't have to be a prick about it".

Q Anything else ?

A I then ordered the accused to leave the Canteen.

Q You said it was about 2045 hours when you first saw him. About what hour was it he came to the exit ?

A About 2100 hours, Sir.

Q How long did the conversation at the exit last between you and the accused ?

A I would say not more than two minutes.

Q You say you gave him a command ?

A I opened the door and ordered the accused to leave the canteen.

Q And what did the accused do in response to that ?

A He didn't do much. He just stood there, Sir, and made no attempt to leave. I again ordered him to leave the Canteen. He said he was going back to talk to his chum. I said"If you don't leave the Canteen immediately I shall be forced to place you under close arrest.

Q Did he say anything more then ?

A Yes, Sir.

Q What did he say ?

A He said "You can get a couple of guys to put me in the digger but if you do somebody is going to get hurt".

Q What would you say that the accused knew of your position and rank ?

A The accused knew who I was, Sir.

Q Why ?

A He has seen me on several occasions, Sir. He knows who I am. He spoke to me and he knew who I was. I am definitely certain of that.

Q How did he address you ?

A When he first came up to the bar he addressed me as "Sir".

Q How were you dressed at the time ?

A Exactly as I am now, Sir.

Q Would you just put that in words for the record ?

A I was in roll call order with badges of rank on my tunic.

Q Now you say the accused said that some people would be hurt if he was placed under arrest. What happened in regard to that ?

A I called in two Regimental Policemen who were patrolling the outside of the Canteen and ordered them to place the accused in the Guard Detention Room, Sir. I had no further trouble, Sir.

Cross-examined by the Defending Officer:

Q Sergeant-Major, on the night this incident occurred about what time did you arrive at the Men's Canteen ?

A Approximately 2045 hours.

Q Where were you previous to that ?

A At my quarters, Sir.

Q And in regard to the night before when there was apparently trouble, were there any names taken in regard to that ?

A Not to my knowledge, Sir.

Q Can you tell us exactly what happened that previous night ?

A I can't swear to what happened, Sir. I wasn't there. I only know a report was put into the Colonel and the Colonel sent for me.

Q When you went down there on the Saturday night what was your object in going down there exactly ?

A To see that there was no repetition of the night before if the report was correct.

Q Do you think you were looking for trouble perhaps ?

A No, Sir.

Q Just how much beer would you say it takes to make a man drunk ?

A I haven't the slightest idea, Sir.

Q How much beer would you say was sufficient beer ? -- You mentioned the words "sufficient beer" two or three times.

A It would depend on how long the men had to drink it, Sir.

Q Don't you think it would depend on the man ?

A Possibly, Sir.

Q Then just about how much beer would you say was sufficient ? -- Do you think you are in a position to say how much beer is sufficient for a group of men around a table ?

A Yes, Sir.

Q Why do you say that ?

A I take in all the surroundings and the general run of things, Sir.

Q And on those grounds you were able to say whether a group of men had sufficient beer on the table to last them some considerable time ?

A Yes, Sir.

Q When did you first notice the accused ?

A Very shortly after I went to the Canteen, Sir.

Q When ?

A He came up to the bar to order some more beer.

Q You mentioned you had seen him previous to that ?

A I said I had seen him on several occasions previous, but I didn't want to elaborate on that.

Q Why did you notice him particularly at the table before he was speaking to you ?

A I didn't notice him particularly.

Q You said you saw him before he came up to the bar ?

A I know the man very well, Sir, and I remember seeing him sitting at the table . He was sitting at a table very close to the bar and it was one of the last tables I inspected.

Q Perhaps you were watching for this man ?

A No, Sir. I went all around the Canteen.

Q Would you say he was drunk that night ?

A No, Sir.

Q Now where did this conversation take place when you ordered him to leave the Canteen ?

A At the exit door, Sir.

Q And were there many other soldiers around that particular spot ?

A No, Sir. There is a clearing there where there are no tables. There is a passageway right through to the bar.

Q When you ordered him to leave was he properly dressed ?

A What do you mean, Sir ?

Q Did he have his hat on ?

A He was properly dressed for the Canteen, Sir.

Q Did he have his hat on ?

A No, Sir.

Q It was reasonable to expect that he would have a hat with him in the Canteen wasn't it ?

A Not necessarily, Sir.

Q When soldiers move around the Camp they normally have their hats ?

A Normally, Sir.

Q Did you think perhaps the man, when you ordered him to leave, was returning to pick up his hat ?

A No, Sir.

Q Why not ?

A He made no mention of any hat, Sir.

Q In carrying out the order he wouldn't have to say "May I get my hat" would he ?

A He would, Sir. If I ordered him to leave the Canteen immediately it was his duty to leave regardless of a hat.

Q When he spoke to you he spoke to you with all due respect ?

A No, Sir.

Q You mentioned he addressed you as "Sir". He addressed you with respect ?

A He called me,"Sir". He also stated "You can get all the beer you want at the Sergeants' Mess. I want the same privilege here".

Q When you called in the Regimental Police what did they do ?

A They went over to the table where he was.

Q He was sitting at the table ?

A Yes, Sir.

Q What was he doing ?

A He was sitting there and picked up a bottle of beer and drank it.

Q What did the Regimental Police do then ?

A They went over to him and I don't know what they said to him. I didn't go near the men. I contacted the Regimental Police, pointed the man out to them and said "Place that man in the Guard Detention Room".

Q Was there any trouble after that ?

A He stopped at the door and started arguing with the Orderly Sergeant. I took no part in it whatever. As far as I was concerned I had handed the man over to the Regimental Police.

Re-examined by the Prosecuter :

Q What did you say the accused did or where did he go after you had given him the command at the exit ?

A He went off to the table, Sir, that he had previously occupied.

Q How long did it take him to go back there and do what he did before the Regimental Police went over to get him ?

A I would say approximately three minutes, Sir. It could be anywhere from one to three minutes. I would say three minutes, Sir, because I had to get the Regimental Police from outside. I had to send outside for them.

Q What hats or greatcoats or raincoats did you see around there then ? It was suggested that he could have wanted his hat. Where would his

hat be ? Where did you see anything like that ?

A He didn't say anything like that.

Q It was suggested by the Defending Officer that he may have wanted his hat. Where would his hat be ?

A It could have been at the table. It could have been anywhere. He came out with a hat, Sir.

Q When did he come out with a hat ?

A After the Regimental Police picked him up.

Questioned by the Court:

Q Are there any hatracks in the Men's Canteen ?

A No, Sir.

Q Now just exactly what order did you give the accused ? -- Just what were the words of your order ?

A I said "McManiman, leave the Canteen" and I opened the door.

Q Then you ordered him again ?

A He didn't go out and I said "I am ordering you to leave the Canteen immediately".

Q Then why did you say to him "If you don't leave the Canteen I will have to put you under arrest" ?

A Because after giving the second order he still didn't leave and said "I want to go back and see my chum". Then I told him "If you don't leave immediately I shall be forced to place you under close arrest".

Q Was there a sergeant in charge of the discipline of the Canteen ?

A Yes, Sir,. A sergeant and a corporal, Sir.

Q You say you had instructions to attend as well ?

A Yes, Sir. As a matter of fact it is my duty as RSM to check on the discipline in all the canteens. I do so occasionally.

Q This was a special occasion ?

A Yes, Sir.

Q You were specially instructed to attend on this occasion ?

A Right, Sir.

The witness withdraws.

Second Witness for Prosecution) No. H.17871, Sergeant W.V. PRICE, A15 Canadian Infantry Training Centre, C.A., being duly sworn, is examined by the Prosecutor :

Q Will you tell the Court your regimental number, rank, name and unit ?

A H.17871, Sergeant Price, W.V.

Q You belong to A15 Canadian Infantry Training Centre, C.A., do you ?

A That is right, Sir.

Q Do you know H.23652, Private Patrick James McManiman ?

A I do, Sir.

Q Where is he now ?

A Right here in between the two escorts, Sir (pointing to the accused).

Q What was your duty on the 31st of March, 1945 ?

A I was Camp and Regimental Orderly Sergeant, Sir, for the day.

Q Camp Orderly Sergeant ?

A Camp and Regimental both.

Q The Regimental was for A15 C.I.T.C. was it ?

A Right, Sir.

Q It was at Shilo Camp, Manitoba, was it ?

A Right, Sir.

Q Did you see the accused that day ?

A I seen him that night, Sir.

Q At what time ?

A Approximately 2100 hours.

Q Where were you then ?

A I was in the A15 C.I.T.C. Wet Canteen, Sir.

Q What did you observe about the accused at that time ?

A I was standing at the door, Sir, and Mr. Campbell, the RSM was standing by my side when the accused came up and spoke to him.

Q What did the accused say ?

A He said to the RSM, "You don't have to be a prick about it". That was the first I noticed, Sir.

Q You had heard no previous discussion between the accused and the Sergeant-Major ?

A No, Sir.

Q Did he say anything more then after saying "You don't have to be a prick about it" ?

A Yes, Sir. The RSM told him to leave the Canteen and he said -- he ordered him to leave twice and he said "If you don't leave I'll get a couple of escorts and take you out. He said "Go ahead and get a couple of guys--"

Q Who said that ?

A The accus ed.

Q He said what ?

A "Go ahead and get a couple of guys to take me to the digger but if you do somebody will get hurt".

Q What did he do after saying that ?

A He turned around and went down to his table where he had been.

Q You say the Sergeant-Major gave him a command twice ?

A Twice.

Q After his first command what did the accused do ?

A He turned around and started towards the table and the RSM said to leave the Canteen immediately, -- "Get your hat and leave the Canteen immediately".

Q When did he say this you have just mentioned ? -- That was the second time was it ?

A The second time.

Q Where was the accused when this second command was given ?

A He gave him a command to leave the Canteen and the accused turned around and went towards his table and he said "Leave the Canteen --

Q I want to get this straight. You said the Sergeant-Major gave him a command to leave the Canteen and the accused then turned towards his table. Where was he when anything else was said ?

A Approximately two yards away from the RSM, Sir.

Q What did the RSM do then ?

A He called for the Regimental Police.

Q I think you say he repeated something to the accused ?

A He told him if he didn't leave he would fall in a couple of fellows or a couple of guys to take him out and have him placed under close arrest.

Q What did the accused do then ?

A He then turned towards the RSM and said "You can get a couple of fellows,-- or a couple of guys to take me to the digger but if you do somebody will be getting hurt".

Q He was standing then was he ?

A Yes, Sir.

Q What did the accused do after that ?

A The accused turned and went down to his table.

Q What did he do at his table ?

A He sat down.

Q How far away from him were you at that time ? -- How far was his table away from where you were ?

A Approximately on the other side of the room, Sir.

Q How far would that be ?

A Approximately eight yards, Sir.

Q So he was sitting down and what did he do after that ?

A The Regimental Police were called in and were told to take him out and they went over to him and he stood up them.

Q He stood up and then what happened ?

A He stood up and what they said to him I don't know, Sir.

Q What did they do ? -- How long did they stay at his table ?

A They would be there approximately two or three minutes, Sir.

Q Then what happened ?

A Then he started to come out towards the door with them.

Q How or why did he come out to the door ?

A I don't know, Sir, unless they asked him or told him to come out with them. I don't know for sure.

Q Did you see where they went then ?

A They came out to the door and went right out.

Q Now when the Sergeant-Major first told the accused to leave the Canteen what did he do towards leaving ? --Towards complying with the command ?

A He turned and went towards his table, Sir.

Q And what was to prevent him from obeying the command and going out ?

A Nothing as far as I seen, Sir.

Q How much time was he given to comply ?

A Approximately forty-five seconds to a minute, Sir.

Q How was the RSM dressed at the time ?

A Properly dressed, Sir.

Q Describe what he had on ?

A Battle dress with a beret.

Q What badges ?

A He had his badge of rank on his wrist here, Sir, on each arm.

Q And how had the accused addressed the Sergeant-Major when he came up to where he was ?

A Well the first I noticed, Sir, he came up to him and stood directly in front of him and said "You don't have to be a prick about it". That is the first I noticed, Sir.

Q What did he say to the Sergeant-Major to show recognition of his authority ?

A He walked straight up to him and stood at attention when he stated his statement to the Sergeant-Major.

Cross-examined by the Defending Officer :

Q Sergeant Price, were you in the Men's Canteen all night ?

A I was in there from approximately 6.30 until 7.30 and then I had to go out to lower the flag and I went back immediately after lowering the flag, which would be 2000 hours, until the Canteen closed, Sir.

Q When the Sergeant-Major allegedly ordered the man to leave the Canteen did the man answer back directly ?

A No, Sir. He turned and walked off.

Q Where was he walking to ?

A Towards the table, Sir.

Q You said the Sergeant-Major said "Get your hat and leave". Is that right ?

A Yes, Sir.

Q Did you think that the man was going to get his hat ? -- Was that understood by his movements ?

A That I wouldn't say, Sir.

Q He was going back where ? -- Where was he going when he turned around ?

A He was going over towards his table.

Q Where do you think his hat would be if he had a hat ?

A It would be at his table.

Q Are there any hat racks in the Men's Canteen ?

A No, Sir.

Q So his hat would be at his table ?

A Right, Sir.

Q Now when the Regimental Police were waiting at the man's table what was he doing ?

A He was standing there.

Q A minute ago you said he sat down ?

A He sat down and when the Regimental Police came over he stood up.

Q What was he doing when he was standing ?

A He was standing looking at them, Sir.

Q When the man sat down what did he do ?

A That I didn't notice, Sir.

Q Did you notice how he sat down ? -- Did he just sit down on the edge of his chair or did he sit back as if he was going to stay there ?

A He sat down normally on his chair, Sir.

Q Did he talk to anyone at the table ?

A That I wouldn't be sure of, Sir.

Q How many were there at the table ?

A Three.

Q How much beer was on the table ?

A That I didn't notice, Sir.

Q Can you give a rough estimate of how much beer there was on the table ?

A No, that I can't, Sir.

Q Was there beer on the table ?

A There was beer on the table, Sir.

Q Now could you give us the RSM's exact words when he allegedly ordered the man to leave ?

A He told him "Get your hat and leave the Canteen immediately".

Q And the man turned towards his table ?

A Right, Sir.

Q What did the RSM say then ?

A He gave him another order to leave and said "If you don't leave I'll get two men and take you out and place you under close arrest".

Q Then did he give the man time to pick up his hat and leave ?

A Hardly, Sir.

Q In other words the man didn't have his hat in his possession ?

A No, Sir.

Q And how many men were sitting around the table again ?

A Three.

Q And about how far away was the table from where you were standing ?

A It would be approximately eight yards.

Q How wide is the Canteen there ?

A Just offhand I don't know, Sir.

Q Were you standing right up by the door jamb or close to it ?

A Close to the door.

Q How far away from the door ?

A I would say approximately two feet away.

Q From the door itself ?

A Yes, Sir.

Q Was there very much noise in the Canteen at the time ?

A Not such a great deal, Sir.

Q And was it possible for everyone to hear what was going on -- not everyone but those in the immediate vicinity-- say within six or seven yards of the spot ?

A That I wouldn't be sure of, Sir.

Q Were you talking loud enough so the man could hear ?

A Yes, Sir.

Q About how far away was the man the second time he was spoken to ?

A Approximately two or three yards, Sir.

Q When the Regimental Police were with the man was there any trouble at all on the way out ?

A He stood at the door and asked one of his friends to go with him.

Q Did you hear that ?

A I did, Sir, when he was going out the door.

Q Did he make any attempt to resist ?

A No, Sir, other than he turned and went towards his table. When he got to the door he didn't make any attempt to resist.

Q When the Regimental Police came he went right with them ?

A Right, Sir.

The Prosecutor declines to re-examine.

Questioned by the Court:

Q How many people were in the Canteen on Saturday night ?

A I wouldn't know the approximate number, Sir, but it was pretty well filled.

Q This was around 2100 hours ?

A Yes, Sir.

Q That is just about closing time is it ?

A Just about closing time, Sir.

Q Have you been in that Canteen very frequently ?

A I have been in there several times on duty, Sir.

Q How much noise is there in the Canteen ?

A Saturday night I would say it was quiet to what it has been some other nights.

Q They were all talking ?

A They were all talking, Sir.

Q Did you ever walk down the main road of the Camp beside the Canteen ?

A I have, Sir.

Q Did you hear the noise out on the road ?

A Sometimes, not always, Sir.

Q When the Sergeant-Major, when Mr. Campbell gave the accused the order "Get your hat and leave the Canteen immediately" you say the accused left the presence of Mr. Campbell and went towards his table ?

A That is right, Sir.

Q What did Mr. Campbell do ?

A He gave him another order to get his hat and leave the Canteen immediately.

Q What did Mr. Campbell do then ?

A The second time he gave the order he said if he didn't leave he would get an escort and have him taken out.

Q Where was the accused at that time ?

A He would be approximately two or three yards away from Mr. Campbell and myself.

Q Doing what ?

A Going towards his table.

Q He was going towards his table when Mr. Campbell gave him the second order ?

A Right, Sir.

Q That was after he gave him the order to get his cap ?

A Right.

Q By the time the accused got to his table what did Mr. Campbell do ?

A He brought in the R.P.s and told them to take him out.

Q Did he call the R.P.s before the accused got to his table or after ?

A It would be about the time he got to his table, Sir.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

A At approximately 2100 hours RSM Campbell called me into the Canteen and pointed out Private McManiman and told me to take him to the Guard House. I walked over to Private McManiman and told him he was being placed under close arrest and to come with me. He had a bottle of beer and asked if he could drink it. I said "Yes, if you make it fast". He drank it up and then he asked if he could go and get his hat. His hat was a little ways from the table where he was sitting. It was on the windowsill in the Canteen. He went down there and got it and proceeded to go out of the Canteen, Sir.

A No, Private McManiman suggested it. He said "Can I get my hat", and that was after he drank his beer.

Q Before saying anything about his hat he asked if he had time to drink his beer did he ?

A Yes, Sir. He stood up and gulped it right down.

Q Did you see him arrive at his table or was he already sitting when you first came in ?

A He was already at the table.

A I was patrolling outside. The fellows were sneaking beers out the windows and I was there to watch for that.

Q Could the RSM call you from the door or did he have to go outside ?

A He came out just outside the steps.

Q How many steps are there ?

A I believe there are two, Sir. He was half on the steps and half off.

A McManiman went up to the bar to order some more beer. I don't know what happened there because I was at the table. Anyway they closed the bar in front of him. He came back to the table and we walked to the door. He asked the RSM there how come the bar closed so soon and then the RSM told him to never mind and to get out. So he went back to get his hat. He had his hat about half ways up the hall and as he went past the table one of the fellows told him to drink his beer. I sat at the table and he took his beer and the RSM called the R.P.s and pointed him out and told them to take him away.

A Yes, Sir.

Q You said you were with him for only fifteen minutes didn't you ?

A Yes, Sir.

Q You went to see him at a quarter past eight and he left at nine o'clock. That was more than fifteen minutes ?

A That is according to my watch, Sir.

Q What was according to your watch ?

A The time I seen him, Sir.

Q What time was he taken out by the Regimental Police ?

A It was before the bar should have closed according to my watch.

Q Wasn't it nine o'clock then ?

A Not according to my watch.

Q What time was it ?

A Around half past eight, Sir.

Q Don't you keep the correct time on your watch ?

A I don't know. Sometimes it loses and sometimes it gains. It just depends, Sir.

Q So at the time that the accused went to speak to Sergeant-Major Campbell you and the accused had been sitting at the same table, is that right ?

A The RSM told him to go out.

Q The RSM did say something to him then. He told him to leave the Canteen didn't he ?

A Yes, Sir. He went back to get his hat and they stopped him at the table and told him to finish his beer

Q Who told him to finish his beer ?

A The fellow who was at the table with us.

Q And the accused sat down at the table ?

A No, Sir. He took his beer, Sir.

Q The Corporal of the Regimental Police who came in to get him has testified that when he came in there to get the accused he was sitting at the table. What do you say about that ?

A I never noticed him.

Q You wouldn't deny that the accused was sitting down then would you ?

A No, Sir, I wouldn't deny it.

Q The accused had gone right to his table ?

A He had to pass that table to get his hat, Sir.

Q You said the table was half way across the floor so it would be half way between the wall where the windowsill was and the wall where the bar was ?

A Yes, Sir.

Re-examined by the Defending Officer :

Q You mentioned that the distance from the table to the window was approximately twenty feet, is that right ?

A Yes, Sir.

Q And the distance from the table to the bar was how far ?

A Fifteen feet, Sir.

Q Now the way the tables are arranged in that Canteen his most logical way to go to the window in question would be by the table you were sitting at ?

A Direct to the bar and then along the window.

Q The table was right by the bar ?

A Not far from the bar. Just a little to the right.

Q And therefore you would have to go by that table to go by the bar ?

A Yes, Sir.

Q How many rows of tables are there in the Canteen ?

A Two rows, Sir.

Q The row you were sitting in was it the closest to the bar or closest to the wall ?

Q Your table was the closest to the bar in that row ?

A No, Sir. There was one table a little to the left of that table.

Q The other table was closer to the bar ?

Q Your table was closest to the bar ?

A No, Sir.

Q The other table was closest ?

A Yes, Sir.

Q Along the wall that the accused had to walk along to get his hat ?

A Yes, Sir.

Q The accused could go from the entrance to the Canteen straight across to the bar and then along the wall to the window ?

A Yes, Sir.

Q Or he could go between the two rows of tables and over to the window ?

A Yes, Sir.

Q In either case he would have to pass the table where he had been sitting ?

A Yes, Sir.

Questioned by the Court:

Q Now witness, when the party sitting at the table spoke to the accused about his beer what length of time elapsed between the time this man said to the accused 'Drink up your beer' and the arrival of Lance-Corporal Smith ?

Q Do you know how long a minute is ?

A Yes, Sir.

Q How long is it ?

The witness withdraws.

Third Witness for Defence) The Accused, No. H.23652, Private Patrick James McMANIMAN, A15 Canadian Infantry Training Centre, C.A., being duly sworn, is examined by the Defending Officer :

Q You have heard the evidence as placed before the Court so far and all I want you to do is to merely tell the Court what happened so far as you are concerned ?

A Well I was sitting down. My friend called me over for a beer there -- Private Penner, and I sat down and had a beer with him and then I came up to the bar there and asked the Sergeant-Major -- I didn't ask the Sergeant-Major, I asked the bar-tender and he told me to ask the Sergeant-Major if I could have more beer. The Sergeant-Major said I couldn't have any. I said "You sergeants in the Sergeants' Mess can have all you want there. Why can't we have it here?" I don't know whether he told me to go back and sit down but I went back to my table. I just happened to get up and walk around. I wanted to see what the score was at some of the other tables. I bumped into the Sergeant-Major and he started to mumble something and I asked him why the beer had been shut down. I thought it was only shut down for a while and was going to open again. He said "Never mind. Go back and sit down". "Go get your hat" or something. I don't know what he said. I went back to the table where this kid was sitting. I stopped at another table. A friend called me over I was drinking with previously at the time I met this kid. He said "Finish your beer before you get your hat". My hat was on the windowsill. You could reach across the table and get it practically. I had to get up from about here to the corner of the table. I sat down and get up again with the bottle. I drank it as fast as I could. I mean the R.P. came. He saw me sitting down. He came down and I asked if I could drink the beer and he said "Yes", and about a quarter of a minute after that I got my hat and walked out again.

Q About what time did you go to the Wet Canteen on Saturday ?

A I don't know for sure, Sir. I guess it was pretty well open by then. Near seven o'clock.

Q And you were sitting down at one table drinking with a group of the boys ?

A Just a couple of other fellows. I happened to go to the toilet and I met this kid out in front.

Q You met whom ?

A Private Penner.

Q And after that what did you do ?

A Went and had a beer with him.

Q You had a beer with him and then what did you do ?

A I had a beer with him and the bar started to close. The bar didn't start to close but there was a rumour it was going to close. He told me to go up and get some more beer and gave me a dollar.

Q What did you do ?

A I went up to try and get some more and that is where it started.

Q Which table was Penner sitting at ?

A That is the table he mentioned.

Q Which one was that ?

A That was one pretty close to the bar there.

Q Which table had you been sitting at previously ?

A I had been sitting down near where my hat was.

Q Which was where ?

A Half way down the Canteen.

Q Where was that from the bar ?

A From the bar that would be about fifteen or twenty feet.

Q That was the original table you were sitting at ?

A Yes, Sir.

Q How close to the bar was the table you were sitting at with Penner?

A Just about where he said.
