CM Board of Review

Ref telegram AG 0267 d/18 Oct 45 Review. and T-20-M-4490(AJAG) d/7 Nov 45:

2. The CM Board of Review has in the case of the m/n soldier made the following recommendation:

"Release on 11 Dec 1945"

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. It is pointed out that the action to be taken by you as a Superior Military Authority is not immediate and therefore this soldier's conduct and other circumstances up to the date of the recommended remission should be taken into consideration by you prior to your acting upon the recommendation of the Board. It is therefore suggested that you should not sign the appropriate entry until the recommended date approaches.

4. If in your opinion recent misconduct exists it is requested that this HQ be advised at once in accordance with paras 3 and 4 of the AG telegram above mentioned.

5. May this HQ be infm of action taken.

4. The above soldiers will be despatched from 89 Military Detention Barracks to their Home Depots for discharge under suitable escort to be arranged by the DAPM, MD 3, such escort being provided from 89 Military Detention Barracks or 33 Coy, C Pro C.

5. It is requested that after arrival at the various home District Depots the GOC-in-C, Pacific Command, or District Officer Commanding concerned, will arrange the soldier's discharge. In this connection this Headquarters has shown opposite the name of the soldier to be discharged the recommendation as to how the discharge is to be carried out by CMHQ and directly opposite this the District Officer Commanding, MD 3, has made his own recommendation as to how such personnel

...../3

should be discharged which in a very few cases does not agree with the recommendation of CMHQ.

6. The recommendation of the District Officer Commanding, MD 3, has been made after careful review of Army Form AFA 3104, Review Sheet, the conduct of the soldier under sentence while in detention, the seriousness of the offence committed while on Active Service and whether or not the soldier has been wounded in the front line or rendered effective service in the front line and that his offence while serious before the cessation of hostilities, the reason for exemplay punishment does not exist to the same extent now and it is felt that an injusitce would be done by having such personnel discharged under RO 1029(8) and forfeit gratuities they have earned. However as to the exact Section under which the soldier under sentence is to be discharged is according to instructions from National Defence Headquarters at the discretion of the GOC-in-C, Pacific Command, or the District Officer Commanding where discharge of the soldier under sentence is to be carried out.

7. It is requested that after arrival at the various home District Depots for discharge the GOC-in-C, Pacific Command, and the District Officers Commanding concerned will arrange for the remission of sentence o f these soldiers as set out under HQC 9039-1-1 Adm 3 dated 15 Jun 45 which allows remission of one-half the sentence and that such remission be made effective the date of discharge.

8. The AJAG MD 3, will prepare the necessary Order of Release and forward it to the Commandant, 89 Military Detention Barracks.

9. The DS & TO, MD 3, will issue the necessary transportation.

10. The above mentioned soldiers will cease attachment to 89 Military Detention Barracks and be struck off strength 3 District Depot to the various District Depots for discharge effective the date they are despatched to their home District Depots in accordance with instructions received from National Defence Headquarters.

11. The Commandant, 89 Military Detention Barracks, will advise this Headquarters when the a bove personnel are ready for despatch in order that the GOC-in-C, Pacific Command, and the various District Officers Commanding concerned may be advised of the a rrival of this personnel at least twenty-four hours in advance.

12. The Officer in charge, 2nd Echelon (Central), Brockville, will be requested by wire to forward the documents of the above mentioned soldiers immediately to the various home District Depots.

13. For the use of the GOC-in-C, Pacific Command, and the various District Officers Commanding concerned, all available AFA 3104's and Review Sheets will be forwarded by Special Delivery addressed to the GOC-in-C, Pacific Command, or the District Officer Commanding concerned. In cases where Army Form AFA 3104's or Review Sheets should not be available National Defence Headquarters will be requested by wire to forward s ame by Special Delivery to the GOC-in-C, Pacific Command, or the various District Officers Commanding concerned.

14. After s entence has been remitted and the soldier discha rged the GOC-in-C, Pacific Command, a nd the various District Officers Commanding are requested to make the necessary entry in the AFA 3104's and forward direct to National Defence Headquarters, in care of Major Parlee, Administration Branch, National Defence Headquarters.

LONDON 6 Apr 45.

The Secretary,
Department of National Defence,
OTTAWA, Canada.

A.55-M-1672

B-46416 Tpr Mabon, J.W.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 11 Feb 45 for an absence without leave of 17 days commencing immediately after his arrival at "A" Echelon of his unit in the field. The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 10 Jun 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence.

5. In view of the circumstances surrounding the offence of which this soldier has been convicted and his previous record, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to C.A.R.O. 1029, and it is so recommended. It is probable that this soldier has not misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be ~~returned to Canada~~ in custody under sentence. Herewith original proceedings of the FGCM held 11 Feb 45, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

Dear Mrs. McNeil:

Re: K.89027, R. L. McNeil

I have your recent letter in which you are good enough to forward your son's regimental number.

As stated in my letter of October 3rd, the Minister does not feel that he would be justified in ordering the release of a soldier from detention except on the advice of the officers having jurisdiction over such matters. He has, however, instructed that your letter be passed to the appropriate officers of the Department with the request that a report be prepared of any review which may have been made on your son's case.

Yours very truly,

Military Secretary.

The Secretary,

L.55-14-1673

F-89027 Pte MacNeil, R.L.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 22 Mar 44 for the following offences:- striking his superior officer (AA Sec 8(1)), disobeying a lawful command (AA Sec 9(2)) and discharging fire arms in a locality inhabited by military and civilian personnel, thereby endangering their lives (AA Sec 40). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released, if he continues so to do, is 21 Mar 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the 3 offences of which this soldier has been convicted, his previous record, which includes one other conviction by FGCM and a civil conviction for assault, and all available reports, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to C.A.R.O. 1029, and it is so recommended. It is probable that this soldier has not misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 22 Mar 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither?
Ans. ..... Do you intend to call witnesses on your behalf?

Reference your Ranks 6089 Unclassified, Urgent, dated 3 Sep 45.

Herewith M.F'sM.288 and/or Army Forms A3104, Concerning marginally named.

On 25th Aug 45, accompanied by the District A.J.A.G., I visited the Dorchester Penitentiary and personally interviewed all the marginally named as well as others hereunder mentioned.

The Warden of the Penitentiary reported that these men were all much superior to the ordinary criminal type usually found in such institutions; their individual conduct had been excellent and he was of the personal opinion that these men should be released at a very early date.

I am satisfied that all of these men will have immediate employment when released. My chief concern is to see that these men are rehabilitated as soon as possible and before they would be influenced by other inmates of the criminal type. It is my feeling that the loss of rehabilitation grants and gratuities is in itself considerable punishment and would, in most cases, offset the balance of sentence to be served.

In addition to the marginally named, the following discharged soldiers from this district were interviewed, viz.

G.23363 Pte. R. Gorman
Your file ref. H.Q.C.55-G-957
G.1564 Pte. Joseph Surrette
Your file ref. H.Q.C.55-S-1045
G.60520 Pte. O.J.H. LaFleur
Your file ref H.Q.C.55-F-477

Of those named in the above paragraph, it is noted that Ptes Surrette and LaFleur have served only a small proportion of their sentence.

With reference to G.4761 Pte. Gilliland, A.J., one of the marginally noted, remission of the balance of sentence was ordered in this case, effective 31st Aug 45, and Form of Remission will be forwarded as soon as completed and returned by the Penitentiary Officials.

(over)

24

During my interview with the Warden of the Penitentiary, I was informed that there were a number of discharged soldiers undergoing sentence from other military districts. In view of the above, no immediate action was taken as it was felt that this might lead to criticism from outside sources if there was any great disparity in the treatment of soldiers discharged from this district as compared with those discharged from other districts and as it was my intention to discuss this problem with the D.O.C. of the district concerned.

G.49997 Pte Martin, W.

1. The m/n soldier is now serving a sentence of 3 years penal servitude awarded by FGCM 23 Mar 44 for an offence under AA Sec 9(2). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released if he continues so to do is 22 Mar 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offence of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para.8 of Appx to C.A.R.O. 1029, and it is so recommended. This soldier probably realised that his wilful disobedience would lead to punishment and possible eventual discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 23 Mar 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

On following night 12 Sep, party started to return to regt, We mounted trucks, acsd on same truck as self. We rode on trucks approx 45 mins towards front. Then dismounted, still light so decided to wait until dark to proceed to coy area., got into slit trenches and waited until dark. After got dark got the men together and acsd was not present. C Coy had gone ahead so thought acsd might have gone with them. We started out an when got to pl made enquiries, so his absence reported to pl Offr. Did not see acsd until after Regt relieved and had ret'd to S Geovanni for a rest on the 15 Sep. Coy was in same position as when we left. When debussed were about 1 1/2 miles from coy. Knew area because coy had been there. We all knew an attack to be put in that night.
We all had equip on debussing. Believe acsd got into slit trench right in front of mine. When moving off called to acsd 4 or 5 times but got

We knew where going but no one told us. We found out about attack the night we left coy were told attack would be night 12/13. Am sure we got these orders from pl comd.

This is a very peculiar case. The intention of the accused to desert by over staying his leave does not appear to be clearly proven. In view of the accused excellent previous record it would not appear that he is the type of soldier to desert. The accused fought very well at both the Hitler and Gothic line battle.

June 14, 1945.

Mrs. Jim McDonald,
424 Lipton Street,
Winnipeg, Manitoba.

Dear Mrs. McDonald,

Re: H-100490, Private G.E. McDonald

With reference to my letter of 1 June, 1945, I have now received a report respecting your son the above mentioned soldier.

I am informed that your son was tried by Field General Court Martial in November 1944 on a charge of desertion. He was found guilty of this charge and was sentenced to two years' imprisonment.

Your son's case has now been reviewed with due consideration to a report by a Neuro-psychiatrist who examined him.

Private McDonald has recently been returned to this country in custody in order that he may serve the balance of his sentence in Canada and it has been decided that he be discharged from the Army on the expiration of his sentence.

You will no doubt be interested to learn that there exists a system of good conduct marks whereby a soldier undergoing detention can earn a remission up to one-third of his total sentence. The ultimate date of your son's release is, therefore, dependent in large part on his attitude and conduct while serving his sentence. In view, however, of the seriousness of the charge, the responsible officers of the Department do not feel that

they

they can recommend any further remission of sentence at this time.

Yours very truly,

(H.L. Cameron) Colonel,
Military Secretary.

3. This SUS was recently returned from C/S in custody under provisions of GO 131/44 and has been committed to No 89 MDB (Fort Henry).

Defence Minister McNaughton,
Ottawa, Ont.

My dear Sir:

My apologies to you Sir, and trusting you will bear with me. Am sure I am displaying ignorance in the manner in which I am addressing you. But am so concerned about my boy, I am sufficiently bold to write you.

My son volunteered for service at age of 18, but was discharged owing to poor health. He volunteered the second time and while serving in Italy last Sept. he was ill with Jaundice and Kidney trouble.

He left the trenches and reported to Headquarters. Was immediately sent to a hospital. Where he spent 30 days. Was then sentence to Jail for 2 yrs.

Recently he was sent to Kingston Ont. I ask you Sir. Is that the way our boys are to be treated.

I have papers to prove he could not remain longer in the firing line, but did all humanly possible. If you so desire I shall send copies.

Will you please look into this matter? and see that he gets an honorable discharge also the money that he should have been receiving all this time.

A good many voters will be influenced by what is done, in this regard. Some wish for all information in order to make an issue of it during the present Campaign. My fore-fathers, our families, and ourselves have not voted naything but Liberal. But I must admit, this has casued an awful sore spot.

Shall withhold information for a sufficient length of time to enable you to give me the needed information if you act immediately.

Respectfully Yours,
"Mrs. Jim McDonald"

My Son concerned is H100490 Pte McDonald C.E.

1. The m/n soldier is now serving a sentence of 2 years imprisonment awarded by FGCM 24 Nov 44 for an offence under AA Sec 12(1A). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he could be released, if he continues so to do, is 26 Mar 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and SPO have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offence of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 24 Nov 44, original AFA 3104 in respect thereof on which this direction has been endorsed, and committal order. B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans.....(5)

(1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on.....charge(s). Part I of the Schedule is amended accordingly.

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.(1)

(1. RP 37(A) (E).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)

(1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.)

1st Wit Pros:- A11614 RSM Curtis, JGF, Perth, duly sworn, states:-
Recognize accd, Pte McDonald (pointing).
About 1600 his accd reported to A Sch office. He sd he was awk from his coy. He was placed under arrest. Was not wearing any equipment. I did not hear any conversation. This was 13 Sep 44. A Sch was at S. Giovanni. Remainder of Bn was approx 8 miles fwd. They were in the line holding a static position. Accd belongs to "B" Coy.
XX m:- Heard only part of conversation between Capt Baker & accd. Heard accd say awk & Capt Baker sd "This man will be placed under arrest" & I immediately went for the Pro.
Re-exam:- nil
Court: Accd was quite normal.
Can't say whether Bn had moved fwd to battle for Coriano.
RP73(B) complied with.

2nd Wit Pros:- C102284 L/Cpl McDougall, BF, Perth, duly sworn, states:-
Am in B Coy 12 Pl.
Accd is Pte McDonald (pointing).
On nite 11 Sep 44 a leave party left coy to proceed to S Giovanni on 24 hr leave. Accd was one of 6. On following night, 12 Sep, party started to return to regt. We mounted trucks, accd on same truck as self. We rode on trucks approx 45 mins towards front. Then dismounted. Still light so decided to wait until dark to proceed to coy area. Got into slit trenches & waited until dark. After get dark get the men together & accd was not present. C Coy had gone ahead so thought accd might have gone with them. We started out & when get to Pl made enquiries, so his absence reported to Pl offr. Did not see accd until after Regt relieved & had rtd to S Giovanni for a rest on the 15 Sep. Coy was in same position as when we left. When dismissed were about 1½ miles from coy. Knew area because coy had been there. We all knew an attack to be put in that night.
We had equip on returning. Believe accd got into slit trench right in front of mens.
When moving off called to accd 4 or 5 times but got

9

no answer.

XX-m:- Got into slit trenches because knew area & was quite light. One shell dropped in the area while we were there. Slit trenches in an old coy area on reverse part of hill. Rd not under shell fire while we were on it. We got to Coy around 2000 & 2030 hrs. Our Pl was up ahead of Coy HQ. Stopped at Coy HQ to leave small packs. Did not check at Coy HQ for acsd. It was another Pl f/c leave party who reported absent.

Saunders called names were only 4 left. C Coy had moved off ahead of us & thought he might have got confused & moved off with them.

No coy offr or NCO on marching trucks. We knew where going but no one told us. We found out about attack the night we left coy. Were told attack would be night 12/13. Can not say we get these orders from Pl comd.

Re-exam:- When left coy we were warned that had to return following night to the line. Shell in the area 100 to 200x away. Was only the one shell.

Court:- Acsd in B Coy in 12 Pl - Don't know definitely what sec he was in at the time.

On Div attack nite 12/13 - acsd not with us that nite or following morning & was not with us until allowed for rest.

From debussing point A Echl was to near Div see acsd during the 24 hrs in S. Giovanni, he was not doing anything in particular.

Were not too greatly spread out while waiting for darkness. Did not check the slit trenches.

R.P. 23(B) complied with.

3rd Wit Pros.] B42223 C/MS Hall W.J., Perth, sworn, states:
B Coy. QMS.
Know acsd, Pte McDonald (painting)

On 17 Sep I made kit inspection of acsd & asked him what he had done with it & he sd he had left it at front. I made list of kit deficiencies. Acsd was present when inspection made.

Deficiencies were as follows. (Items as shown in charge sheet given by witness). Prices are from current woodulary rates - is a new list & cheaper than before.

XX-m:- QM of B Coy since Mar 44.

Quite a few men came back & told me had lost equip. Charge them unless lost in action. Acsd admitted had left everything at front. If man loses while in action & something could not help he is not charged. Coy area of B Coy would be in action but no reason to lose equip there. When man comes out & has none of his equip that is pure carelessness. Can't say how often have charged a man for rifle. Have told them pay before this.

Never charged a man coming out of action for loss of rifle.

Re-ex-m:- nil

Court:- Compared with his Pt No. Pay book & entries. Said acsd what short & he told me these entries -

had been issued previously. Articles deficient were replaced - Accd did not sign S13 or anything of that nature to pay for replacement.
Pl Sgt tries to look after det in front line - accd Pl Sgt did not have Accd's equip.
Accd rd merely had left at front.
RP 53 (B) complied with
Pros.n closed

Pros in closing: sworn not proven. Knew where going when left A Ech & knew where coy was at front. Got off trucks but not there when ready to move. Could not have been lost when if asleep should have gone to his coy. Rejd to A Ech without equip - no reason to abandon equip & ∴ lost thru negligence & carelessness.
Def offr in closing: Contend equip was at front. it was in reserve coy position
Pros.n have not shown that intended to avoid front line service. Possible for man to get lost. If lost for an hr or so & he took cover possible that could lose coy because of heavy shelling & the attack that night.
J.A. sums up: Functions of court, credibility of witnesses, presumption of innocence, burden of proof, reasonable doubt, intent, desertion & AWL. AA56 + RP44 (B)

1st Wit Character] A113348 Sgt Read, HW, Pld. Sworn, states:

XX m: 2 went to hospital after battle for Coriano was LOB for 2 days while holding, around 9 or 10 Sep.

Pte.McDonald, whom I recognize as the accused here, walked into the Echlon orderly room and said " We are reporting from being AWL. We are from B Coy. We did not go in last night. After the trucks had dropped us, we went forward a slight distance waiting for it to get dark to proceed. Pte. Taylor and myself stayed there. We did not go forward"" I asked them, that is Pte. McDonald and Pte. Taylor, where their equipment was, to which Pte. McDonald replied ", Oh, we left it by the hole we were in, up there." I had them placed under arrest and warned them they would be on a charge of cowardice in the face of the enemy and on a charge of desertion."

On the night of 11 Sept. 1944 six members of my pln. went out of the line to San Giovanni for a 24 hr. rest. Pte. McDonald and myself were among the six from the pln., to go out. We left the town about 1930 hrs. 12 Sept. 1944 to go back to the front. Pte.McDonald boarded the truck the same time as I did. After we got off the truck and started back to the company, it was not quite dark enough so we decided to stay in some slit trenches for a while until it got darker. When it was ready to move ahead we called four or five times for Pte. McDonald and Pte. Taylor, but there was no answer. C Coy moved off ahead of us and thinking that both Pte.McDonald and Pte.Taylor might be with C Coy we followed on and moved back to our pln. and coy position. When we got to our area we enquired of the other men in the pln. and found these two had not returned. I next saw the two when the battalion was relieved and we came back to San Giovanni.

OPENING ADDRESS BY PROSECUTOR

In the case of Pte MacLAUGHLIN R.M. the prosecution will prove that he absented himself at 0300 hrs 14 Sept that he returned at 1000 hrs 14 Sept to his rear Coy HQ - the defence no doubt will point out that he returned back to the Coy or platoon who at the time was engaged at the village of San Lorenzo -, but no doubt will not mention that it was approx 4 days later, proof of which will be brought forward by the Prosecution.

F 95526 Pte McLAUGHLIN R.M.

FOR PROSECUTION

1st Witness

F4552 Sgt Amberian V C after being duly sworn states.

I am Platoon Sgt No.17 Platoon. At 0300 hrs. 14 Sept 1944, No.17 Platoon was halted on the way to the start lane for battle. I checked No.17 Platoon and Pte McLAUGHLIN could not be found. I reported this to Coy. Headquarters and marked him absent from 0300 hrs 14 Sept 1944.

From the F.U.P. to where we halted the Platoon did not undergo any heavy shelling or machine gun fire, from the enemy. To my knowledge there were no casualties from the F.U.P. to where we halted. To my knowledge Pte McLAUGHLIN was present at F.U.P.

Cross examined by Defence.

I identify Pte McLAUGHLIN as a member of my platoon. It is approximately half a mile from F.U.P. to the place where we halted. There was only intermediate shelling in the area for the previous six to eight hours.

R.P. 83(B) Complied with.

2nd Witness For Prosecution. F 41668 CQMS Leblanc D.J. WNSR, sworn, states.

I am F41668 CQMS Leblanc D.J. of D Coy. WNSR. On the morning of

"PPP" Pres.

2nd Witness For Prosecution

of 14 Sept 1944 at approximately 1000 hrs. Pte McLAUGHLIN reported to me from having been AWL I then sent him down to Main HQ WNSR and reported him to the Adjutant Captaan Dyer, Officer in charge main H.Q.

Pte, McLAUGHLIN reported to me that he couldn't go on and had come back. I explained to him the seriousness of the charge he was letting himself in for. He didn't answer.

CROSS EXAMINED BY DEFENCE

I did not take any steps to put Pte. McLAUGHLIN under arrest when he reported to me because I had only enough men to carry out my duties. When I moved my cook house back I hadn't sufficient room to take Pte McLaughlin on my jeep so ordered some of my men to walk back and take Pte McLaughlin with them. I later saw Pte. McLAUGHLIN at main H.Q.

1st Witness
For Defence.
F95526 Pte McLAUGHLIN R.M. WNSB sworn states:
I am F95526 Pte McLAUGHLIN R.M. When we started out on our way about 0300 hrs to the start line my nerves weren't too good so I reported to L/Cpl. Williams my section commander and he told me to report to Sgt. Amberman and I looked for Sgt. Amberman and could not find him. Then Ireported to CQMS Leblanc. The same day CQMS Leblanc sent me to Rear Battalion. We then stayed there that night until morning when CQMS Leblanc was going to wake us to take us back to the line. He did not wake me in the morning. I then stayed there until the afternoon when I started for the R.A.P. When I got there it had moved so I came back to Rear Battalion and stayed until Pte BROWN came along that night. and he took us up in a jeep to where Rear Battalion had moved to. In the afternoon I went from there to Bn HQ and turned myself over to Pte. Churchill.
When I left my post I intended going to the R.A.P.

CROSS EXAMINED BY PROSECUTION.
I think L/Cpl. Williams is in the Hospital. I had no one's permission to leave I admit I took it on my own to go A.W.L. I knew the Coy. was going into attack that night and on the way to attack.

R.P. 83 B complied with.

SUMMING UP BY THE PRES.
The Pres has shown that the accused left his platoon in action by the statment of Sgt Amber & of his own . The states that of his own free will and without anyones permission he left - therefore I submit to the court that he be found guilty as charged.
"PFP"

(13)

IN SUMMING UP THE CASE FOR THE DEFENCE.

We grant that Pte McLAUGHLIN left his platoon and was AWL for the period stated in the charge. However the prosecution has not proven that the accused intended to dessert. The evidence of Sgt Amberman with reference to the shelling being medium not heavy is a debateable point. In the heat of battle every headquarters is busy and every man has a job to do; they cannot bother with odd stragglers. I contend that Pte McLAUGHLIN was correct in waiting for a lull in the battle to finally report after being unsuccessful originally in giving himself up on that the CQMS hadn't time to pay much attention to him.

PLEA IN MITIGATION OF SENTENCE.

For the information of the court the last crime of the accused was early in this year and was a short AWL for which he received a few days CB. He is very young and has been under fire. We all know how trying continued shellfire is and it breaks down men especially young soldiers in their first time in the line. The accused was really fagged out and felt it would be a detriment to his health to continue so took it upon himself to try and get medical aid. I am convinced that he was not aware of the seriousness of the offence he was committing and certainly didn't entend to dessert. I ask the leniency of the court.

Opening address by Prosecutor

In the case of Pte. McLaughlin the prosecution will ~~show~~ prove that he absented himself at 1300 hrs 14 Sept that he returned at 1800 hrs 14 Sept by Van Bay by. The defence no doubt will point out that he returned back to the Bay reflection which at the time was engaged at the village of San Lorenzo, but no doubt will not mention that it was approx 3 days later, proof of which will be brought forward by the Prosecution!

1 after being duly sworn states

I am Platoon Sgt No. 17 Platoon. At 0300 hrs. 14 Sept 1944 No. 17 Platoon was halted on the way to the start line for battle. I checked No. 17 Platoon and Pte McLaughlin could not be found. I reported this to Coy. Headquarters and marked him absent from 0300 hrs 14 Sept 1944.

From the F.U.P to where we halted the Platoon did not undergo any heavy shelling or machine gun fire from the enemy. To my knowledge there were no casualties from the F.U.P. to where we halted. To my knowledge Pte McLaughlin was present at F.U.P

Cross examined by Defence

I identify Pte McLaughlin as a member of my platoon. It is approximately half a mile from F.U.P to place where we halted. There was only intermittent shelling in the area for the previous six to eight hours.

For Prosecution

On 14 Sept 1944 at approximately 1000 hrs. Pte McLaughlin reported to me from having been A.W.L. I then sent him down to Main H.Q. W.N.S.R. and reported him to the Adjutant Captain Dyer, officer in charge Main H.Q.

Pte. McLaughlin reported to me that he couldn't go on and had come back. I explained to him the seriousness of the charge he was letting himself in for. He didn't answer.

Cross examined by Defence

I did not take any steps to put Pte McLaughlin under arrest when he reported to me because I had only enough men to carry out my duties. When I moved my coy home I took I had sufficient room to take Pte McLaughlin in my jeep or ordered some of my men to walk back and take Pte McLaughlin with them. I later saw Pte McLaughlin at Main H.Q.

Question by the Court

At 1000 hrs when Pte McLaughlin came in No. 17 Platoon was more than 700 yards forward.

1st Witness
For Defence

F 95626 Pte McLaughlin R.M. WNSR sworn, states:

I am 95526 Pte McLaughlin R.M. When we started out on our way about 03.00 hrs to the start line my nerves were not too good so I reported to L/Cpl. Williams my section commander and he told me to report to Sgt Ambrose and I looked for Sgt Ambrose and could not find him. Then I reported to C.Q.M.S. Leblanc. The same day C.Q.M.S. Leblanc sent me to Rear Battalion. We then stayed there that night until the morning. The C.Q.M.S. Leblanc was going to wake us to take us back to the line. He did not wake me in the morning. I then stayed there until the afternoon when I started for the R.A.P. When I got there it had moved so I came back to Rear Battalion and stayed there until Pte Brown came along that night and he took us up in a jeep to where Rear Battalion had moved to. In the afternoon I went from there to Bde H.Q. and turned myself over to Pte Churchill.

When I left my post I intended going to the R.A.P.

Cross examined by Prosecutor

I think L/Cpl. Williams was in the Hospital. I had no one's permission to leave. I admit I took it on my own to go A.W.L. I knew the Coy was going to attack that night and on the way to attack.

R.P. 83 B complied with

Summing up by the Pros

The Pros. has shown that the accused left his station in action by the statement of the driver & of his own. He states that of his own free will and without anyone's permission he left — therefore I submit to the court that he be found guilty as charged.

2x Summing up the case for the defence.

We grant that Pte McLaughlin left his platoon and was AWL for the period stated in the charge. However the prosecution has not proven that the accused intended to desert. The evidence of Sgt Anderson as to reference to the shelling being medium not heavy is a debatable point. In the heat of battle every headquarters is busy and every man has a job to do; they cannot bother with odd stragglers. I contend that Pte McLaughlin was correct in waiting for a lull in the battle to finally report after being unsuccessful originally in giving himself up or that the CQ had not time to pay much attention to him.

J.H. Long Capt
Defending Officer.

Adv

Plea in mitigation of sentence:

For the information of the Court the last crime of the accused was early in this year and was a short AWL for which he received a few day CB. He is very young and has been under fire we all know how ~~[illegible]~~ trying continued shellfire is and it breaks down men especially young soldiers in their first time in the line. The accused was really fagged out and felt it would be a detriment to his health to continue so took it upon himself to try & get medical aid. I am convinced that he was not aware of the seriousness of the offence he was committing and certainly didn't intend to desert. I ask the leniency of the Court

2. D.O.C., M.D. No. 3, has written to this Headquarters, in part, as follows:

3. " Under HQS 8536-6 Vol 2 Adm 3(b)2 dated 27 Apr 45 and HQS 8536-6 Vol 2 Adm 3(b)3C(A) dated 1 June 45, National Defence Headquarters authorized the despatch of certain soldiers under sentence from Italy to No. 89 Military Detention Barracks, Fort Henry, Kerrisfield, Ontario.

Under HQC 9039-1-1 Adm 3 dated 15 June 45, National Defence Headquarters lays down the policy to be followed in the remissions and suspension of sentences of soldiers under sentence in order that the situation in regard to accomodation at No. 89 Military Detention Barracks, at Fort Henry may be alleviated.

Consequently, it is considered that the undermentioned soldiers under sentence who have served half of their sentence should be sent to their home District Depots for discharge and granted a remission of the unexpired portion of their sentence.

3. It is suggested by the D.O.C. M.D. No. 3, that these soldiers be discharged according to the provisions of C.A.R.O. 1029(8).

4. In order to decide if these sentences should be remitted it is necessary to have full particulars of the offences and if possible copy of the FGCM proceedings

5. This information is required not only for the purpose of deciding on remission but in order to have full particulars in order to complete the Form of Remission required in each case.

6. According to the instructions set out in R.O. 5913 each case must be considered on its merits and it is, therefore, understood that remission after 50% of the sentence has been served is not automatic.

The Secretary,
Department of National Defence,

855-M-1676

F.95526 PteMacLaughlin,R.M.

1. The m/n soldier is now serving a sentence of 18 months imprisonment with hard labour awarded by FGCM 6 Oct 44 for an offence under AA Sec 12(1)(a). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released if he continues so to do is 6 Oct 45.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offence of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 6 Oct 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

CANADIAN MILITARY HEADQUARTERS

LONDON 6 Apr 45

The Secretary,
Department of National Defence,
OTTAWA, Canada.

6-55-A-1677

D-142877 Pte MARCIL R.

The m/n soldier is now serving a sentence of 18 months imprisonment with hard labour awarded by FGCM 21 Oct 44, for an offence under AA Sec 12(1)(a). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released, if he continues so to do, is 20 Oct 45.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offence of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to C.A.R.O. 1029, and it is so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 21 Oct 44, original AF A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

A.4231 Pte Murray, R.J.F.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 23 Jul 44 for an absence without leave of 239 days duration. He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released if he continues so to do, is 21 Nov 45.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence.

5. In view of this soldier's conduct since he has reached a theatre of operations, which has included one offence under AA Sec 9(1) and which has kept him from combat duty since Oct 43, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para.8 of Appx to C.A.R.O. 1029, and it is so recommended. It is considered that this soldier has not misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 23 Jul 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. Plea for Mitigation on Behalf of A4231 Pte Murray, Robert John, Frederick.

B-b

Pte. Murray was in the a/t pl. before the landing in Sicily. It has always been his line and he has had several transport and 2 & 6 pdr. courses. He was an a/t d.r. from the landing in Sicily right through until before Campo basso, when his bike had to be condemned & he was transferred to a rifle coy. He had done no rifle coy. work for 3½ years and was pretty unfamiliar with it. He made every effort to get back to the a/t work in which he had been trained & paraded up for interview on several occasions but without success. A man's mental istate in such circumstances could hardly be very good. Pte. Murray has a wife and two children in Canada and any financial punishment would impose hardships on them rather than himself. In view of these circumstances I would ask for all possible leniency.

Plea for Mitigation on Behalf of A. 4231 Pte Murray, Robert John, Frederick.

B-6

Pte Murray was in the a/t pl. before the landing in Sicily. It has always been his line and he has had several transport, 2 & 6 pdr courses. He was an a/t D.R. from the landing in Sicily right through until before Campobasso, when his bike had to be condemned and he was transferred to a rifle coy. He had done no rifle coy work for 3½ years and was pretty unfamiliar with it. He made every effort to get back to the a/t work in which he had been trained and paraded up for interview on several occasions but without success. A man's mental state in such circumstances could harly be very good. Pte Murray has a wife and two children in Canada and any financial punishment would impose hardships on them rather than himself. In view of these circumstances I would ask fro all possible leniency.

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. It is pointed out that the action to be taken by you as a Superior Military Authority is not immediate and therefore this soldier's conduct and other circumstances up to the date of the recommended remission should be taken into consideration by you prior to your acting upon the recommendation of the Board. Dear Mrs. Murphy,

Re: G-22930, Pte. T. A. Murphy

With further reference to your letter of 18 June, I have now received a report in connection with the disciplinary action taken against your son.

The sentence was reviewed by the responsible officers overseas, but in view of the serious nature of his offences and of his record, it was considered that no remission could be granted, apart from any remission which he might earn by good conduct while in detention.

Yours very truly,

General McNaughton has asked me to acknowledge receipt of your letter of June 18th addressed to the Prime Minister which has been referred to this office for attention.

The Minister does not feel that he would be justified in ordering the release of a soldier from detention except on the advice of the officers having jurisdiction over such matters.

He has, however, directed that your letter be brought to the attention of the appropriate officers of the Department for their consideration, and as soon as I have the results of any review that may have taken place, I shall write to you again.

Dear Madam

The Prime Minister has asked me to acknowledge your letter of the 18th of June, regarding one of your sons who has been serving with the Canadian army, and who has been sentenced to nine months' detention.

Mr. King wishes me to explain that ever since the beginning of the war, he has carefully adhered to a rule which prevents him from intervening personally in matters relating to the personnel of the armed forces, but he will be very glad to bring to the attention of the Minister of National Defence, for consideration, your request that your son be released or that the period of his detention be reduced.

Mr. King wishes me to thank you, on his behalf, for your generous words of congratulation on the outcome of the recent general election, and the good wishes which your letter conveys.

Yours faithfully,

June 18,

Rt. Hon W.F. Mackenzie King,

Dear Sir:

May I at the outset, congratulate you on your victory in the recent election. Mr King I have had five boys in this war, and one had recently returned to Canada and he informs that he has nine months detention to do before can get home. I do not know the nature of his crime as he does tell me. But the other boys have all good records. He went into the army when he was only 16 yrs and it is likely that he was lead away by older ones. My husband was in the last war. So I think I have done my duty to my country. I appealed to you Sir some years ago for a favor and you readily did so for me. Would it be possible for you to get my boy out or his time reduced. Please Sir think this over and use your sincerest judgement. Hoping you every success in years to come, Hoping to hear from you at your earliest convenience,

I remain

Yours sincerely

The Secretary,

6-55-M-1679

G-22930 Pte Murphy, T.A.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 17 Nov 44 for an offence under AA Sec 12(1)(a) and an offence under AA Sec 15(1) committed when he was under close arrest. He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released if he continues so to do is 18 Mar 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offences of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, as well as his previous record, which includes an earlier conviction by FGCM for an absence without leave of 18 days, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to C.A.R.O. 1029, and it is so recommended. It is evident from the nature of the offences committed by this soldier that his intention was to avoid serving with his unit in the field and it is probable that he misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to P.C. 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 17 Nov 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

SUMMING UP BY PROSECUTION "HT" Page 3.

Mr President and members of the Court. I should like to call the attention of the Court to Reg. 17 and 20 Ch III MML On that is based the case of the Prosecution. The Prosecution has established the warning for draft. It has proven that the accused absented himself as alleged in the charge sheet. I tmust now establish intention on the part of the accused.

The intention of the accused is so peculiarly within the knowledge of the accused that is is incapable of proof on the part of the Prosecution. I t must be assumed from the actions of the accused. A man intends the natural consequences of his acts. The natural consequences of the absence without leave of the accused under these circumstances are that he face and be found guilty of a charge of desertion.

Defence.

In regard to intention the Prosecution has brought in no evidence of intention of the accused.

PLEA OF MITIGATION "HT" Page 4.

The court is referred to MFM 6. The accused did not want to go back to his unit. He wanted to transfer. He evaded the draft to avoid returning to his unit where he felt he would not be well received. He wanted to transfer to another and to get a fresh start. The court is asked to take the accuseds feelings into consideration. He did not realize his absence would result in a charge of desertion. It is pointed out that past record is a series of small entries - no previous court martial charge. Accused is apprehensive of his record as shown by his MFM 6 and felt his reception in his unit would be ~~tainted~~ biased by it.

Summing up by Prosecution 16.T. Page 3

D.6 Mr President & members of the Court. I should like to call the attention of the Court to Rs. 17 and 20 of A. III. MML.

On that is based the case of the Prosecution. The Prosecution has established the warning for drift. It has also proven that the accused absented himself, as alleged in the charge sheet. It must now establish intention on the part of the accused.

The intention of the accused is so peculiarly within the knowledge of the accused that it is no part of proof on the part of the Prosecution. It must be assumed from the actions of the accused. A man intends the natural consequences of his acts. The natural consequences of the absence without leave of the accused under these circumstances are that he does not be found guilty of desertion.

Defence

In regard to intention, the Prosecution admitted that the evidence of intention of ~~desertion~~ the accused.

1D

E3 Plea of Mitigation H.T. Page 4

~~As you see the accused has quite a bad MTM6~~
The Court is referred to MTM 6. The accused did not want to go back to his unit. He wanted to transfer. He evaded the draft to avoid returning to his unit where he felt he would not be well received. He wanted to transfer to another unit to get a fresh start. The Court is asked to take the reason for his conduct into consideration. He did not realize his absence would result in a charge of desertion. It is pointed out that past record is a series of small entries — no previous Court Martial charge. Accused is apprehensive of his record as shown by his MTM 6 and felt his reception in his unit would be biased by it.

Monsieur le maire,

Je vous accuse réception de votre recours en grâce en faveur de l'ex-soldat E. Michaud, matricule E-42153, qui purge au pénitencier Saint-Vincent-de-Paul, une peine infligée par une cour militaire.

Les autorités militaires m'informent que cet ex-soldat a été traduit devant une cour martiale générale de campagne le 16 mars 1944, pour répondre à une accusation de désertion, alors qu'après avoir reçu l'ordre de se rendre à la ligne de feu, il s'était absenté sans permission du 15 février 1944 jusqu'au lendemain, dans l'intention de se soustraire à cet ordre. Il répondait aussi à une autre accusation d'avoir désobéi à un ordre de rejoindre sa compagnie sur la ligne de feu le 17 février 1944. Il a refusé d'obéir et ne s'est pas rendu avec sa compagnie. On l'a trouvé coupable et condamné à trois ans de travaux forcés.

Après avoir revisé la sentence, les autorités d'outre-mer ont ordonné que l'ex-soldat Michaud soit renvoyé au Canada comme prisonnier; elles ont de plus recommandé, vue la gravité de l'infraction, qu'il soit tenu de purger la totalité de sa peine et soit libéré de l'armée canadienne.

Nonobstant la recommandation susmentionnée, sa sentence continuera d'être revisée périodiquement en vue d'une remise de peine, si l'intérêt de la justice et de la discipline militaire et la conduite de l'intéressé la motivent. On prévoit que la sentence sera de nouveau revisée vers la fin d'août, alors que l'ex-soldat Michaud aura purgé la moitié de sa peine. Si les rapports reçus sont satisfaisants, il se peut que le reste de sa peine lui soit remis.

Votre bien dévoué,

le sous-ministre,

M. Charles Lavoie, maire,

QUOTE No. H20 55-M-1680 Adm 3(b)2

CANADA

DEPARTMENT OF NATIONAL DEFENCE
ARMY

OTTAWA, CANADA,
22 August 1945

Dear Sir:

This will acknowledge receipt of your petition for clemency on behalf of E-42153 Pte E Michaud, who is at present serving a sentence, awarded by military court, at St Vincent de Paul Penitentiary.

I am informed by the military authorities that this ex-soldier was tried by Field General Court-Martial on 16 March 1944 on a charge of desertion, after having been warned to proceed to the front line, with intent to avoid so proceeding, absented himself without leave from 15 February 1944 until the following day; and on a further charge of disobeying a lawful command when on 17 February 1944 ordered to join his company in the front line refused to do so and did not proceed with his company. The accused was found guilty of the offence and was sentenced to suffer penal servitude for a period of three years.

On review of sentence by the military authorities overseas, it was directed that this ex-soldier be returned to Canada in custody with a recommendation that in view of the serious nature of the offence committed, he be required to serve the balance of his sentence in full and be discharged from the Canadian Army.

Notwithstanding the above recommendation, the sentence awarded will continue to be reviewed at regular intervals with a view to remission when the interests of justice and military discipline and the conduct of the soldier warrant such action being taken. At the present time it is anticipated that the sentence will again be reviewed towards the end of this month when this soldier will have served one-half of the term. If favourable reports are received at that time, it is possible that the sentence will be remitted.

Yours truly,

Deputy Minister,

as we see in the first charge Deserting H.M. service, and the statement of L/Cpl E Hard, states that the accused reports himself to B. sch in the next morning. If the accused had the

Pte Richard was warned of a dangerous mine, it has been proved he was present when the warning was given. This SUS has recently been returned from Italy and was committed in the first instance to No 89 MDB. He was despatched to No 5 DD on 13 Jun 45 for discharge and ultimate committal to St Vincent de Paul Penitentiary.

2. An undated letter was received at CMHQ addressed to the Comd No 56 MP and DB from this SUS subsequent to the direction that he be returned to Canada to complete the balance of his sentence and the same was forwarded to this HQ for consideration and action.

3. It appears that this document was submitted after the expiration of 6 months from the date of promulgation of this sentence. It is considered that it does not disclose any new or substantial grounds either in fact or in law which would justify permission being granted to submit a Petition (KR (Can) 574 (c)). May this SUS be so informed, pls.

4. It is considered that the letter of this SUS should be treated simply as a request for a reduction of sentence.

5. The sentence awarded was carefully reviewed at CMHQ. A copy of the letter directing the return of this SUS is enclosed herewith for your information together with review of sentence, AFA 3104 and Proceedings of FCCM. It is considered advisable in view of the representations received from this SUS, that the sentence again be reviewed. It will be particularly noted that the accused implies that he was convicted on 1 charge and that for an absence of 9 hrs. The Proceedings indicate that he was convicted on 2 charges and that the absence was for a period of 14 hrs.

6. May your action taken on review of sentence be endorsed on page 2 of AFA 3104 and the same, together with Proceedings of FCCM be returned to this HQ in due course, pls.

Your opinion is sought as to whether the document att to letter from CMHQ dated 10 May 45 at folio hereunder is to be treated as a Petition under KR(Can) 574.

2. This soldier is now serving a sentence of two yrs penal servitude awarded by FGCM 16 Mar 44. The document which he forwards is NOT dated but he states therein that he has now served a year of his sentence. It would appear therefore that the time limit allowed for submitting the Petition has expired. The sentence was promulgated 30 Apr 44.

3. If you concur that the time limit has expired, do you consider that the applicant has complied with KR(Can) 574(c) in such a manner as to permit a superior mil authority to extend the time, please?

4. A Neuropsychiatrist and S.P.O. have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence.

5. In view of the serious nature of the two offences of which this soldier has been convicted, his previous record and all available reports, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para.8 of Appx to C.A.R.O. 1029, and it is so recommended. This soldier clearly misconducted himself in order to avoid front line duty, and he must have realized that he would incur severe punishment including possible discharge for misconduct.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 16 Mar 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

CANADIAN MILITARY HEADQUARTERS

LONDON 10 Apr 45.

The Secretary,
Department of National Defence,
OTTAWA, Canada.

6-55-M-161

D.94104 Pte Menard G.

1. The m/n soldier is now serving a sentence of 2 years imprisonment with hard labour awarded by FGCM 24 Mar 44 for an absence without leave of 12 days (AA Sec 15(1))and disobeying an order to return to his Company in the field (AA Sec 9(2)). He has so far earned full remissions for good conduct while serving his sentence, and the earliest date on which he should be released if he continues so to do is 24 Jul 45.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but probably unsuitable for further combatant service.

5. In view of the serious nature of one of the two offences of which this soldier has been convicted, his previous record, and all available reports, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. It is apparent that this soldier misconducted himself deliberately to avoid his duty and he must have realized that his offence under AA Sec 9(2) would be severely punished and would possibly lead to his discharge for misconduct.

6. It has accordingly been directed, pursuant to P.C.1304/44 that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 24 Mar 44, original A.F. A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

Dear Doctor McGarry,

Re: F.75830, Pte J.A. McNeil

I have now received a report regarding the above mentioned soldier concerning whom I wrote to you on 18th September, 1945.

I am informed that this soldier is now serving a sentence of two years imprisonment imposed by Court Martial on 28 July, 1944 on a charge of absence without leave.

Private McNeil's case has, however, recently been reviewed and it has been recommended that his sentence be remitted in the latter part of November if his conduct continues to be good.

Yours very truly,

This SUS was tried by FGCM in Italy 28 Jul 44 on a charge of desertion after having been warned to proceed to a forward area in contact with the enemy with intent to avoid so proceeding, absented himself from 0530 hrs 23 May 44 until 1000 hrs 24 May 44 and a second charge of desertion when serving with his coy in a forward area, with intent to avoid such service, absented himself from 0900 hrs 25 May 44 until 0700 hrs 26 May 44. He was found not guilty of desertion on either of the above charges, but guilty of absence without leave and was sentenced to be imprisoned for 2 years.

2. On review of sentence O/S, it was directed that this SUS be returned to Cda in custody under sentence with a recommendation that he be required to serve the balance of his sentence in full and be discharged for misconduct from the Cdn Army. He was returned to Cda in May 45 and committed to No 89 MDB. He was despatched to MD No 6 in Aug 45 where he is presently serving his sentence.

3. On recent review of sentence by DOO, MD 6, it was recommended that the sentence be remitted 27 Nov 45 if conduct is good.

Dear Doctor McCarry,

Re: F-75830, Pte. John A. MacNeil

I have your letter of the 14th of September 1945, enclosing a copy of a letter you received from Mr. Donald A. MacDonald, with reference to his son-in-law.

As you no doubt know, sentences of Courts-Martial are carefully reviewed to ensure that no injustice is done and I am sure you will understand that I would not be justified in intervening to grant remission except on the advice of the responsible officers of the Department.

It is not the desire of the Department to keep any soldier in detention for any longer than the interests of justice and discipline require and for that reason further periodic reviews are made. In addition a soldier may earn automatic remission up to as much as one third of the sentence for consistent good conduct.

You can be assured that when Private MacNeil's case is reviewed it will be given careful and sympathetic consideration with due regard to the interests of the soldier.

I am, however, asking for a report on this man's case and as soon as it comes to hand I will write you again.

Yours very truly,

Honourable D C Abbott,
Minister of National Defence,
Ottawa, Canada.

Dear Mr Minister:-

Please find enclosed a copy of a letter which I received from Mr Donald A MacDonald, Inverness, N.S. The matter contained in his letter has reference to his son-in-law who has been serving in the Carleton and York Regiment.

During the time of his service he has evidently been convicted for some misdemeanor and has been serving some tome. He is at present serving time in Halifax.

I understand that he is very much needed at home with his family and I was wondering if you would have his case investigated and if possible, use your influence with the proper authorities to have him granted a discharge.

I shall appreciate if at your convenience you would arrange for an investigation of this man's case.

Yours very truly,

Dear Dr McGarry:

I am writing you once in regard to Pte John A MacNeil, F75830. He was sent to Halifax from Toronto and was awaiting his discharge. But now he has to serve time until sometime in November.

Have you got in touch with anyone regarding his discharge? I do hope that you can do something for him now that all the boys are coming back especially his regiment "The Carleton and York".

Thank you, I remain

Yours truly,

(sgd) Donald D MacDonald.

Statement by defending Officer: P.T.

Neither the accused or myself have been provided with a copy of the charge sheet as it now reads.

The Court is adjourned to 1830 hrs. 28 July 44

Court re-opens at 1830 hrs 27 July 44. Present same members

1st Witness for Prosec. 6-220477 Sgt. H. J. Ullock. Carlt & York Regt. sworn states:

On the 23rd May 1944 I checked my Platoon and found that the accused, whom I now recognize, was absent. This was at approx 0530 hrs. This was prior to going into the Hitler line. The next day at approx. 1000 hrs acc. reported back to me.

On 25th May 1944, during the advance on the Melfa River at approx 0900 hrs. I checked my platoon and found acc. was absent. At 0900 hrs 26 May 44, acc. reported back to me.

On the 22nd May 44, at approx 2100 hrs I warned my platoon, collectively, that breakfast would be at 0430 hrs the next day and all dwell pit & kit bags turned in. And that we were attacking the Hitler line the following morning that is on 23 May 44. It was quite dark when I warned my platoon and I cannot swear wether acc. was present or not.

Cross-examined by defending Officer.

I did not tell the platoon what Zero Hour was when I warned them.

On the 25 May 44 we were just this side of the Melfa river. We had advanced approx 2 miles from our bivouac area. The whole company was halted on this side of the river. And prior to moving off again I checked my platoon. I don't always check my platoon every time I stop.

No re-examination.

By the Court.

On the 23rd May 44 acc. was present at breakfast. We were under shell fire at that time we were bivouacing. I saw acc. as we were moving off at about 0525 hrs. He was in a doorway. It took about 2 or 3 mins to get the

[illegible] start line where I checked and H.G.T. found acc. was absent.

On the 25 May 45, at about 0600 hrs, we started moving towards the Helfa. Acc. was present. I missed him at 0900 hrs when I checked my platoon and acc. was absent.

There were some enemy on the other side of the Helfa, and we were on this side. About 1 to 1½ hour after having halted at the river we went in actual fighting.

R.P. 83 (B) complied with.

Witness withdrawn.

76.T.

Summing up by Prosecutor.

It would have been impossible owing to shell fire and dispersion of sections to warn every body.

I submit Sgt Vlock's evidence is conclusive and establishes charge as laid.

By defending Officer.

Evidence of Prosecution does not establish desertion.

No proof acc. was warned he was going in action.

No intention to desert as in both occasions returned to platoon on his own. Possible to warn platoon before breakfast

Statement in mitigation by defending Officer.

Acc. landed in Sicily with this unit & fought in every battle all through Sicily and Italy. During 10 months never in hospital or L.D.B. Acc's services were not bad. Good records in the past. Asks leniency for acc. Acc. only survivor in his section, placed in another section just before last do.

On the 26 May 1944 at 0700 hrs Pte McNeil reported back to me, Sir.

Q.1. Was the accused present when you warned your platoon?
A.1. I don't know, Sir.

Under H&S 9639-1-1 Adm 3 dated 15 June 45, National Defence Headquarters laye down the policy to be followed in the remission and suspension of sentences of soldiers under sentence in order that the situation in regard to accomodation at No. 22 Military Detention Barracks, at Fort Henry may be alleviated.

Consequently, it is considered that the undermentioned soldiers under sentence who have served half of their sentence should be sent to their home District Depots for discharge and granted a remission of the unexpired portion of their sentence.

Now, therefore, I, the undersigned, a competent military authority, do hereby, in pursuance of the Army Act, and Order-in-Council PC 1304 of 4 Mar 44, and of all other Acts and powers enabling me in this behalf, order that the said soldier shall be, as soon as practicable, transferred and removed to Canada and there committed to such place or such several places to which he could have been committed to serve such sentence if he had been tried by a Court-Martial and sentenced in any place in Canada, as any other competent military authority in Canada may appoint in this behalf, there to undergo his sentence or the balance thereof according to law.

The Secretary,

F.75830 Pte McNeil J.A.

1. The m/n soldier is now serving a sentence of 2 years imprisonment awarded by FGCM 28 Jul 44 for two offences of absence without leave, both of which occurred while he was serving with an Inf Bn in contact with the enemy. The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 27 Nov 45.

22. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and S.P.O. have examined this soldier and in making the direction and recommendations herein, their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence.

5. In view of the circumstances surrounding these two offences of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. Under these circumstances this soldier probably was aware that his misconduct would lead to severe punishment and possible discharge.

6. It has accordingly been directed, pursuant to P.C.1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 28 Jul 44, original A.F. A.3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans ..... (5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans Wish to give evidence on oath. Do you intend to call witnesses on your behalf? Ans No ..... Are they witnesses as to character only? Ans N/A

First Witness
For Prosecution

C.65504 Cpl Graham J.L.P., The Irish Regiment of Canada, having been duly sworn, states

I was on the 27 Sept 1944 acting as Platoon Sergeant of No.12 platoon, of which Pte MacNiven is a member. At that time, this platoon together with the rest of "B" Coy had withdrawn from San Marno to the river Liso and had consolidated for a further attack. At that time Pte MacNiven was with the platoon. Together with some other men he was a little slow in getting on his equipment when we moved off and I ordered him to follow along. At the completion of the move, which was a flanking move on San Marno, Pte MacNiven in company with about a platoon and a section of the company was missing. I account for this by the fact that we had been mainly attached with small arms on the way up and everybody had scattered. The entire section i.e. No.7 section to which Pte MacNiven was attached, was missing but rejoined the company by 1200 hours the following day. MacNiven, however, was not with the section when it rejoined the company. I enquired from the section comdr, Cpl Stimmell, who is now a casualty and could obtain no satisfactory explanation. I have not seen MacNiven until yesterday the 3rd of October where I saw him at Batallion TAC. HQ.

There was no cross examination of the witness.

Second Witness
For Prosecution

B.42004 Sgt Cullaton A.J., The Irish Regiment of Canada, having been duly sworn states:

I am platoon sergeant of the batallion Scout platoon, and during the last operations was stationed at Batallion TAC HQ. On the afternoon of Sep 28 I checked the personnel at TAC HQ and found 3 "B" Coy men, among them Pte MacNivens. He had no explanation of his presence at TAC HQ. At about 1630 hrs a carrying party was required to get rations into "B" Coy. I detailed Pte MacNiven and two other B Coy men for this job and ordered them to get on the rations jeep, which then pulled away. The following morning I was walking up the road toward "B" Coy when I saw Pte MacNiven with two other men being taken up the road by a corporal of the medical section. They broke away and went into a nearby house. I went into the house and told MacNiven to go on up but he refused and said that he couldn't take it. I accordingly took him and the two other men back to TAC HQ where they were placed under arrest. There was no shelling at the time they went into the houses. The medical corporal called to these men to come on, and eventually took their names and left with the remainder of the party.

There was no cross examination of the witness.

Third Witness for Prosecution

R.79259 Pte Golden, F.T. The Irish Regiment of Canada having been duly sworn states:

I am the driver of the "B" Coy ration jeep which carries food to the men in the lines. On Sept 28 at about 1630 hrs I brought the jeep up to Trac HQ together with storeman. Since it was necessary to manhandle the rations part of the way, I asked the officer in charge of Trac HQ for a carrying party. I was given a party of three men, Pte MacNiven being one of them. We proceeded some distance down the road, when shelling began and short distance away. I stopped the jeep and we took cover. The accused and his two companions went into a nearby house. When the shelling stopped I went into the house and asked them to come along. The accused said he would not come, he couldn't do it. The storeman and I proceeded up to "B" Coy and delivered the rations having made arrangements to pick the accused and the other men up on our way back. Wehn we got back they were not longer there. I saw MacNiven the following day under arrest at Main HQ.

There was no cross examination of the witness.

Fourth Witness For Prosecution

Capt W.B. Spafford, Medical Officer, The Irish Regiment of Canada, having been duly sworn states:

On the evening of Sept 28 about 2030 hrs Pte MacNiven with two other soldiers came into the R.A.P. and said that they were too nervous to go up to the front. I explained that nervous cases were not evacuated but that I would see that they got a nights sleep. They slept at the R.A.P. that night and the following morning I sent him to Trac HQ for transfer to their company. In my opinion Pte MacNiven through undoubtedly nervous when he came into the R.A.P., was not a medical case. I examined him the following morning and in my opinion he was fit for duty.

There was no cross examintion of the witness.

Prosecution's case closed.

First Witness
for Defence

M.103162 Pte Norman Lloyd MacNiven, The Irish Regiment of Canada, having been duly sworn states:

On the 27th Sept, when the company moved off, my section leader, Cpl Stimmell told me to come along, and I told him I couldn't taken it. Four of us stayed behind in a house. We stayed there until the house got hit, and then moved to another house. That night we went back to TAC HQ. The following day I reported to the Officer in charge of TAC HQ and told him that I had lost all my equipment in the house when it was shelled. He sent me back to "A" Echelon to be re-equipped. I was re-equipped at "A" Echelon and returned to TAC HQ. Then I and two other men were detailed to the ration party to carry rations into the company. We got down the road a bit when shelling started. Then two other men and I went into a nearby house. Later the jeep driver came into the house and called us, but we told him we couldn't take it. He went on and we returned to the R.A.P. There we were given some pills and told to stay there for the night and we would be looked at by the MO in the morning. Dr. NEAT morning the medical corporal and the sergeant of the scout platoon started to take us back to the company. We told him we couldn't go on and were taken back to TAC HQ. This scout sergeant yelled at us that we could take it and fired a few rounds from a tommy gun. That is all.

Defence case closes.

MRS (14)

ADDRESS OF DEFENDING OFFICER

The accused has been in the Army since Nov 9, 1942.

He came to this theatre and was with the unit when it first went into the lines in the middle of January 1944. Since that time he has been in the lines with this unit in all its actions.

However, there had been no previous complaints as to his behaviour in the lines until the last few days, when the extremely heavy mortaring and shelling became too much for him to stand.

CERTIFICATE OF SUSPENSION OF RULES OF PROCEDURE

I certify that in the case of H.103162 Pte Norman, Lloyd MacNiven, The Irish Regiment of Canada, that exigencies of the service, namely the fact that the regiment is engaged in Active Operations, prevents observance of R.Ps 4(c)(d)(e)(f) and(g) 5,8,14,15 and 87(b).

First Witness for Prosecution

C.65504 Cpl Graham F.L.P., The Irish Regiment of Canada, having been duly sworn, states

I was on the 27 Sept 1944 acting as Platoon Sergeant of No.12 platoon, of which Pte MacNiven is a member. At that time, this platoon together with the rest of "B" Coy had withdrawn from San Marino to the river Lisa and had consolidated for a further attack. At that time Pte MacNiven was with the platoon. Together with some other men he was a little slow in getting on his equipment when we moved off and I ordered him to follow along. At the completion of the move, which was a flanking move on the San Marino, Pte MacNiven in common with about a platoon and a section of the company was missing. I account for this by the fact that we had been mainly attached with small arms on the way up and everybody had scattered. The entire section i.e. No.7 section to which Pte MacNiven was attached, was missing but rejoined the company by 1200 hours the following day. MacNiven, however, was not with the section when it rejoined the company. I enquired from the section comdr, Cpl Stimsell, who is now a casualty and could obtain no satisfactory explanation. I have not seen MacNiven until yesterday the 3rd of October where I saw him at Batallion TAC. HQ.

There was no cross examination of the witness.

Second Witness for Prosecution

R.42004 Sgt Cullaton A.G., The Irish Regiment of Canada, having been duly sworn states:

I am platoon sergeant of the batallion Scout platoon, and during the last operations was stationed at Batallion TAC HQ. On the afternoon of Sep 28 I checked the personnel at TAC. HQ and found 3 "B" Coy men, among them Pte MacNivens. He had no explanation of his presence at TAC HQ. At about 1630 hrs a carrying party was required to get rations into "B" Coy. I detailed Pte MacNiven and two other B Coy men for this job and ordered them to get rations jeep, which then pulled away. The following morning I was walking up the road toward "B" Coy when I saw Pte MacNiven with two other men being taken up the road by a corporal of the medical section. They broke away and went into a nearby house. I went into the house and told MacNiven to go on up but he refused and said that he couldn't take it. I accordingly took him and the two other men back to TAC HQ where they were placed under arrest. There was no shelling at the time they went into the house. The medical corporal called to these men to come on, and eventually took their names and left with the remainder of the party.

There was no cross examination of the witness.

Third Witness for Prosecution

R.59250 Pte Golden, F.I. The Irish Regiment of Canada having been duly sworn states:

I am the driver of the "B" Coy ration jeep which carries food to the men in the lines. On Sept 28 at about 1830 hrs I brought the jeep up to ~~the~~ HQ together with storeman. Since it was necessary to manhandle the rations part of the way, I asked the officer in charge of ~~the~~ HQ for a carrying party. I was given a party of three men, Pte MacNiven being one of them. We proceeded some distance down the road, when shelling began and short distance away. I stopped the jeep and we took cover. The accused and his two companions went into a nearby house. When the shelling stopped I went into the house and asked them to come along. The accused said he would not come, he couldn't do it. The storeman and I proceeded up to "B" Coy and delivered the rations having made arrangements to pick the accused and the other men up on our way back. Wehn we got back they were not ~~longer~~ there. I saw MacNiven the following day under arrest at Main HQ.

There was no cross examination of the witness.

Fourth Witness for Prosecution

Capt W.E. Spafford, Medical Officer, The Irish Regiment of Canada, having been duly sworn states:

On the evening of Sept 28 about 2030 hrs Pte MacNiven with two other soldiers came into the R.A.P. and said that they were too nervous to go up to the front. I explained that nervous cases were not evacuated but that I would see that they got a nights sleep. They slept at the R.A.P. that night and the following morning I sent him to ~~the~~ HQ for transfer to their company. In my opinion Pte MacNiven though undoubtedly nervous when he came into the R.A.P., was not a medical case. I examined him the following morning and in my opinion he was fit for duty.

There was no cross examination of the witness.

Prosecution's case closed.

First Witness for Defence

H.108162 Pte Norman Lloyd MacNiven, The Irish Regiment of Canada, having been duly sworn states:

On the 27th Sept, when the company moved off, my section leader, Cpl Stimsell told me to come along, and I told him I couldn't taken it. Four of us stayed behind in a house. We stayed there until the house got hit, and then moved to another house. That night we went back to TAC HQ. The following day I reported to the Officer in charge of TAC HQ and told him that I had lost all my equipment in the house when it was shelled. He sent me back to "A" Echelon to be re-equipped. I was re-equipped at "A" Echelon and returned to TAC HQ. Then I and two other men were detailed to the ration party to carry rations into the company. We got down the road a bit when shelling started. Then two other men and I went into a nearby house. Later the jeep driver came into the house and called us, but we told him we couldn't take it. He went on and we returned to the R.A.P. There we were given some pills and told to stay there for the night and we would be looked at by the MO in the morning. The next morning the medical corporal and the sergeant of the scout platoon started to take us back to the company. We told him we couldn't go on and were taken back to TAC HQ. This scout sergeant yelled at us that we could take it and fired a few rounds from a tommy gun. That is all.

Defence case closes.

ADDRESS OF DEFENDING OFFICER

The accused has been in the Army since Nov 9, 1942.

He came to this theatre and was with the unit when it first went into the lines in the middle of January 1944. Since that time he has been in the lines with this unit in all its actions.

However, there had been no previous complaints as to his behaviour in the lines until the last few days, when the extremely heavy mortaring and shelling became too much for him to stand.

CERTIFICATE OF SUSPENSION OF RULES OF PROCEDURE

I certify that in the case of H.103162 Pte Norman, Lloyd MacNiven, The Irish Regiment of Canada, that exigencies of the service, namely the fact that the regiment is engaged in Active Operations, prevents observance of R.Ps 4(c)(d)(e)(f) and(g) 5,8,14,15 and 87(b).

89 Military Detention Barracks.

Under HQS 8536-6 Vol 2 Adm 3(b)2 dated 27 Apr 45 and HQS 8536-6 Vol 2 Adm 3(b)SC(A) dated 1 June 45 National Defence Headquarters authorized the despatch of certain soldiers under sentence from Italy and the United Kingdom to 89 Military Detention Barracks, Fort Henry, Barriefield, Ontario.

2. Under HQC 9039-1-1Adm 3 dated 15 June 45 National Defence Headquarters lays down the policy to be followed in the remission and suspension of sentence of soldiers under sentence in order that the situation in regard to accommodation at 89 Military Detention Barracks at Fort Henry may be alleviated.

3. Consequently it is considered the undermentioned soldiers under sentence who have served one-half their sentence should now be sent to their home District Depots for discharge and granted a remission of the unexpired portion of their sentence.

4. The above soldiers will be despatched from 89 Military Detention Barracks to their home District Depots for discharge under suitable escort to be arranged by the DAPM, MD 3, such escort being provided from 89 Military Detention Barracks or 33 Coy, C Pro C.

5. It is requested that after arrival at the various home District Depots the GOC-in-C, Pacific Command, or District Officer Commanding concerned, will arrange the soldier's discharge. In this connection this Headquarters has shown opposite the name of the soldier to be discharged the recommendation as to how the discharge is to be carried out by CMHQ and directly opposite this the District Officer Commanding, MD 3, has made his own recommendation as to how such personnel should be discharged which in some cases does not agree with the recommendation of CMHQ.

6. The recommendation of the District Officer Commanding, MD 3, has been made after careful review of Army Form A3104, the Review Sheet, the conduct of the soldier under sentence while in detention, the seriousness of the offence committed while on Active Services and whether or not the soldier has been wounded in the Front Line or rendered effective service in the Front Line and that his offence while serious before the cessation of hostilities, the reason for exemplary punishment does not exist to the same extent now and it is felt that an injustice would be done by having such personnel discharged under RO 1029(B) and forfeit gratuities they have earned. However, according to instructions from National Defence Headquarters the exact paragraph of RO 1029 under which the soldier under sentence is to be discharged is at the discretion of the GOC-in-C, Pacific Command, or the District Officer Commanding where the discharge of the soldier under sentence is to be carried out.

7. In cases where the District Officer Commanding, MD 3, has recommended the discharge and remission of sentence where less than one-half of the sentence has been served it is considered after review of all the relevant circumstances that in the interests of justice such soldier should be discharged and sentence remitted. The suggestion from National Defence Headquarters which states that a soldier's sentence* has been taken as a guiding principle and not as a hard and fast rule, it being considered that the suggestion of National Defence Headquarters in these cases may be varied when circumstances so warrant.

8. In the case of soldiers who have been sentenced to discharge with ignominy this is considered a material part of the sentence of a judicial tribunal and therefore the District Officer Commanding, MD 3, while recommending a reduction in the length of sentence to be served concurs in the other part of the sentence under which such soldier is discharged with ignominy under RO 1029 para 9.

9. It is requested that after arrival at the various home District Depots for discharge the GOC-in-C, Pacific Command, and the District Officers Commanding concerned will arrange for the remission of sentence of these soldiers as set out under HQC 9039-1-1 Adm 3 dated 15 June 45 which allows remission of one-half the sentence and that such remission be made effective the date of discharge.

10. The AJAG, MD 3, will prepare the necessary Order of Release and forward it to the Commandant, 89 Military Detention Barracks.

11. The DS & TO, MD 3, will issue the necessary transportation.

* may be remitted after he has served one-half of his sentence

12. The above mentioned soldiers will cease attachment to 89 Military Detention Barracks and be struck off strength 3 District Depot to the various District Depots for discharge effective the date they are despatched to their home Distric Depots in accordance with instructions received from Nationa Defence Headquarters.

13. The Commandant, 89 Military Detention Barracks, will adivse this Headquarters when the above personnel are ready for despatch in order that the GOC-in-C, Pacific Command, and the various District Officers Commanding concerned may be advised of the arrival of this personnel at least forty-eight hours in advance.

14 The Officer in charge, 2nd Echelon (Central), Brockville, will be requested by wire to forward the documents of the above mentioned soldiers immediately to the various home District Depots.

15. In cases where Army Form A3104's and Review Sheets are not available at this Headquarters, National Defence Headquarters will be requested by wire to forward the same by Special Delivery to the GOC-in-C, Pacific Command, or the various District Officers Commanding concerned.

16. After sentence has been remitted and the soldier discharged the GOC-in-C, Pacific Command, and the various District Officers Commanding are requested to make the necessary entry in Army Form A3104 and forward direct to National Defence Headquarters, in care of Major Parlee, Administration Branch, National Defence Headquarters.

1. The m/n soldier is now serving a sentence of two years imprisonment without hard labour awarded by FGCM 4 Oct 44 for two offences under A.A.Sec 5(7). He has so far earned full remissions for good conduct while serving his sentence and the earliest date on which he should be released, if he continues so to do, is 3 Feb 46.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and SPO have examined this soldier, and in making the direction and recommendations herein their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the two offences of which this soldier has been convicted, and the necessity for exemplary punishment in such cases it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. This soldier clearly refused to carry on in action. It is considered that he must have been aware that he would be severely punished for his offences and that such punishment would probably lead to discharge for misconduct.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 4 Oct 44, original A.F.A3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Mac Niven

Irish Witness for Prosecution. WWS (1)

C 65504 Cpl Graham J. L. P., Royal Irish Regiment of Canada, having been duly sworn, states:

~~that~~ I was on the 27 Sept 1944 acting as platoon sergeant of No 12 platoon, of which Pte MacNiven is a member. At that time the platoon, together with the rest of 'B' Coy had been withdrawn from Sans Souci to the river Uso and had consolidated for a further attack. At that time Pte MacNiven was with the platoon. Together with some other men he was in a little shed in getting over his

equipment when he moved off
and ordered him to follow along.
At the completion of the move, which
was a flanking movement on San Mateo,
Pte MacNeven was common into about
a platoon and a section of the company
was missing. Account for this by the
fact that we had been heavily attacked
with small arms on the way up and
everybody had scattered. The entire section
i.e. No 7 section to which Pte MacNeven
was attached, was missing but rejoined
the company by 12.00 hours the following
day. MacNeven, however, was
not with the section when it rejoined

the company. Enquiries from the section leader, Cpl Stunnell, who is now a casualty and could obtain no satisfactory explanation. I have not seen Mac Niven until yesterday, the 3rd of October when I sent him at Battalion Tac HQ.

There was no cross examination of the witness.

15

B42004 Second Witness for Prosecution. (4.)

Sergt. Cullaton A.C., The Irish Regiment WHS.
of Canada, having been duly sworn
states:

I am a platoon sergeant of the battalion
Scout platoon, and during the last operation
was stationed at Battalion Tac H.Q.
On the afternoon of Sept 28 I checked
the personnel at Tac HQ and found
3 "B" Coy men, among them Pte
MacNeiven. He had no explanation
of his presence at Tac H.Q. At
about 1630 hrs. a carrying party
was required to get rations into
"B" Coy. I detailed Pte MacNeiven and
two other B Coy men for this job and
ordered them to get on the rations

fire, which then fanned away. WWS.

The following morning I was walking up the road toward "B" Coy. when I saw Pte MacNeiven with 2 other men being taken up the road by a corporal of the Medical Section. They broke away and went into a nearby house. I went into the house and told MacNeiven to come up but he refused and said he couldn't take it. I accordingly took him and the two other men back to Tac HQ where they were placed under arrest. There was no shelling at the time they went into the houses.

The medical Corporal called to the house to Consider, and eventually W.B. took their warrant & left with the remainder of the parties.

There was no cross examination of the witness.

Third witness for prosecution (7)

B79259 Pte Golden F.J. The British HWS.
Regiment of Canada having been duly
sworn states:

I am the driver of the "B" Coy rations
pack which carries food to the men
in the lines. On Sept 28 about about
1630, I brought the pack up to Tacaltio
together with the stretcher bearers. Since it
was necessary to manhandle the rations
part of the way, I ordered the following
in charge of Tacaltio for a carrying
party. I was given a party of three
men, Pte MacNicoll being one of them.
We proceeded some distance along
the road, when shelling began on

short distance away. I stopped the
fire and we took cover. The accused
and his two companions went into
a nearby house. When the shelling
stopped I went into the house and
asked them to come along. The accused
said he would not come, he couldn't
do it. The storm then proceeded up to
"B" Coy and delivered the return having
made arrangements to pick the accused
and the other man up on our way
back. When we got back they were
no longer there. I saw Mac Nivin the
following day under arrest at Main
H.Q.

There was no cross examination of the witness

Fourth witness for the Prosecution. WWS. (9)

Capt. W. B. Spaffard, Medical Officer The Irish Regiment of Canada, having been duly sworn states:

On the evening of Sept 28 at about 2030 hrs. Pte MacNeice with two other soldiers came into the R.A.P. & said that they were too nervous to go up to the front. I explained that nervous cases were not evacuated but that I would see that they got an infinite sleep. They slept at the R.A.P. that night & the following morning I sent them to Tec HQ for transfer to their company. In my opinion Pte 9

MS. (10)

MacNicoll, therefore understanding reasons
why he came into the R.A.P., was
not a medical case. I examined him
the following morning and in my
opinion he was fit for duty.

There was no cross examination of the
witness.

Prosecution's case closed.

Defence WB. (11)

Fresh Witness

H 103162 Pte Norman Lloyd MacNivin, The Irish Regiment of Canada, having been duly sworn states;

On the 27 Sept, when the Company moved in, my section leader, Corporal Stewart told me to come along, and I told him I couldn't take it. Four of us stayed behind in a house. We stayed there until the house got hit, and then moved to another house. That house was sent back to Tac HQ. The following day I reported to the Officer in Charge of Tac HQ and told him

I had left all my equipment in the house when it was shelled. He sent me back to "A" Echelon to be re-equipped. I was re-equipped at A Echelon, and returned to Tac H.Q. - There I found 2 other men were detailed to the ration party to carry rations into the Company. We got down the road a bit when shelling started. Then two other men and I went into a nearby house. Later the jeep driver came into the house and called us, but we told him we couldn't take it. He went on and we returned to the R.A.P.

When we were Gerian Somme WWS. fields and told to stay there for the night and we would be looked at by the M.O. in the morning. The next morning the medical corporal and the sergeant of the scout platoon stated to take us back to the company. We told them we couldn't go on and were taken back to T.C. H.Q. The scout sergeant yelled at us that we could take it and faked a faint towards from a Tommy Gun. That is all.

Defence case closes.

5

Address of Defending Officer MB (54)

The accused has been in the army since Nov. 9/42. He came to this theatre and was with the unit when it first went into the lines in the middle of January 1944. Since that time he has been in the lines with this unit in all its actions. However, there had been no previous complaints as to his behaviour in the lines until the last few days, when the extremely heavy mortaring & shelling became too much for him to stand.

Sir

I am writing to ask if you will please reconsider my case with a view of granting me release. up to the time of my crime, I had a clear sheet in my army record since I volunteered and was accepted May 1st 1942.

My family have always been held in esteem by the community in which they live and I can honestly say that my mistake was in a large way the result of my nervous condition caused by war service.

I have lost over ten pounds since coming here and I find myself in good health and always on edge.

I have stood by and seen the release of nearly all the boys I came with and I am anxiously waiting for the day when I can be home again with my folks I have never been in trouble before. In view of the fact that I have everything possible to lose by my mistake my gratuity and honorable discharge. I feel I have paid a very heavy price for my mistake. I am thirty-one years of age, am very anxious to rehabilitate myself as soon as is possible and look to the future.

Will you then please consider this appeal as presented with I hope your confidence in me to release me, and give me an opportunity to become a worthy citizen.

Yours Respectfully

Ex R. D. McDiarmid

Sir:

I am writing to ask if you will please reconsider my case with a view of granting me release. Up to the time of my crime I had a clear sheet in my army record since I volunteered and was accepted May 1st 1942.

My family have always been held in esteem by the community in which they live and I can honestly say that my mistake was in a large way the result of my nervous condition caused by war service. I have never at any time been in trouble before.

In view of the fact that I have everything possible to lose, by my mistake, my gratuity and honourable discharge, I feel I have paid a very heavy price for my mistake.

I am thirty-one years of age, am very anxious about my future and seek to rehabilitate myself as soon as is possible.

Will you please consider this appeal as presented with I hope your confidence in me to release me, and give me an opportunity to become a worthy citizen.

Yours Respectfully

Sir.

I am writing to ask if you will please reconsider my case with a view of granting me release up to the time of my crime. I had a clear sheet in my army record since I volunteered and was accepted May 1st 1942.

My family has always been held in esteem by the community in which they live and I can honestly say that my mistake was in a large way the result of my nervous condition caused by war service. I have never at any time been in trouble before. In view of the fact that I have everything possible to lose, by my mistake, my virility and honorable discharge, I feel I have paid a very heavy price for my mistake.

I am thirty-one years of age, am very anxious about my future and able to rehabilitate myself as soon as is possible. Will you please consider this appeal as presented with I hope your confidence in me to release me, and give me an opportunity to become a worthy citizen.

Ref telegram AG 0267 dated 18 Oct 45 review.

2. The CM Board of Review has in the case of the m/n soldier made the following recommendation: -

"Release on 19 Apr 1946".

3. You will note that the recommendation of the Board deals with the remission at a future date. In considering this case your attention is directed to paras 3 and 4 of the telegram above referred to. It is pointed out that the action to be taken by you as a Superior Military Authority is not immediate and therefore this soldier's conduct and other circumstances up to the date of the recommended remission should be taken into consideration by you prior to your acting upon the recommendation of the Board. It is therefore suggested that you should not sign the appropriate entry until the recommended date approaches.

4. If in your opinion recent misconduct exists it is requested that this HQ be advised at once in accordance with paras 3 and 4 of the AG telegram above mentioned.

5. May this HQ be informed of action taken.

6. Ack by telegram requested.

1. The m/n soldier is now serving a sentence of 4 years penal servitude awarded by FGCM 19 Jan 45 for an offence under AA Sec 12(1)(a). The earliest date on which he should be released if he earns full remissions for good conduct while serving his sentence is 19 Sep 47.

2. This soldier was serving with the Cdn Forces in Italy at the time of his FGCM and his sentence has been served so far in that theatre.

3. Att hereto is a copy of the relevant portions of the Review Sheet used at CMHQ showing the date of this soldier's enlistment and his record of any previous army or civil offences.

4. A Neuropsychiatrist and SPO have examined this soldier, and in making the direction and recommendations herein, their findings and reports have been given full consideration. He is reported as being fit to undergo his sentence, but unsuitable for further combatant service.

5. In view of the serious nature of the offence of which this soldier has been convicted, and the necessity for exemplary punishment in such cases, it is considered that he should serve his present sentence in full and thereafter be discharged for misconduct under the provisions of para 8 of Appx to CARO 1029, and it is so recommended. It is probable that this soldier has misconducted himself for the purpose of obtaining his discharge.

6. It has accordingly been directed, pursuant to PC 1304/44, that this soldier be returned to Canada in custody under sentence. Herewith original proceedings of the FGCM held 19 Jan 45, original AFA 3104 in respect thereof on which this direction has been endorsed, and committal order. This soldier will be despatched to Canada direct from Italy.

On arraignment acsd states his regtl number is "C" 77977. Court amend charge sheet accordingly under provisions of RP 33.

Def offr in mitigation:-

Very serious charge but acsd has preferred to plead guilty. Court have informed him fully of seriousness of charge & punishment.

Joined voluntarily & has given 3 yrs service. Up to this offence has always been a good soldier & worked satisfactorily.

In view of record & age of acsd & in view of his having just been transferred to a rifle Coy & being nervous under shell fire I ask court for leniency.

No previous crimes so not too much to ask for leniency.

(M.F.B.1482 is not accepted by the Court)

FIRST WITNESS FOR THE PROSECUTION) C.63544 B.Q.M.S. MacIVER, A., No. 3 District Depot, C.A., being duly sworn, is examined by the Prosecutor,-

Q. B.Q.M.S. MacIver, what is your unit?

No. 3 District Depot.

Q. And how are you employed in that unit?

I work in the Quartermaster Department at Courts of Inquiry and kit inspections.

Q. Do you know the accused?

Yes, sir.

Q. What is his name?

Morin, E.

Q. And how do you know him?

He was paraded to my office, sir, with an escort to have his kit checked against a M.F.B.375.

Q. And did you carry out such a check?

Yes, sir.

Q. And what date did you carry this check out?

On the 9th day of April, 1945.

Q. Is this the document you refer to as M.F.B.375? (Exhibit "G")

Thats right, sir.

Q. And as a result of that check what did you find?

I found him deficient a list of articles to the sum of $71.74, as follows,-

Caps winter melton 1
Coats waterproof Army 1
Gloves woollen prs 1
Greatcoats drab 1
Mitts pullover leather prs 1
Blouses battle dress 1

Making a total of $71.74, less 25%.

Yes, sir, $71.74

Q. And when did you make that check?

The 9th day of April, 1945.

Q. Have any previously mentioned articles since been returned?

No, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q. Quarter, did you have the accused's clothing book to check off of or did you just check from the normal issue.

I checked from the M.F.B.375, Court of Inquiry. I didn't have the M.F.C.800 at all.

Q. Was there no M.F.C.800 or similar document of the accused to show what he was issued?

No, sir.

Q. What is the procedure when some of the things are returned later?

You mean previous?

Q. No, subsequent.

We give him credit for anything brought back.

Q. Did the accused explain to you he had left part of his kit at home to be sent for?

He may have, sir. I questioned him and he may have told me. It is possible.

Q. In the event he had an issue of coats waterproof, how would you go about giving credit to him?

If he is charged with coats waterproof on the list and brought it back in to me I would give him cash credit for it.

Q. Suppose he had never been issued, how would you prove that? Would we have to get his M.F.C.800?

The only thing we can give credit for is what is on the list.

The Prosecutor declines to re-examine.

The witness withdraws.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I apply to give evidence as a witness, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~

Answer.

Proceedings on Plea of Not Guilty

Question to the accused:

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, Sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

being duly sworn, is examined by the Prosecutor.

Question

By the Prosecutor: The Prosecution's evidence is solely documentary, Sir, and I would ask leave to file the documents in the order shown in the Precis, under the provisions of C.A.R.O. 5126. This documentary evidence consists of M.F.B. 375, and M.F.M. 216, relating to the accused.

M.F.B. 375 is read, marked "F", signed by the President, and attached to the proceedings.

M.F.M. 216 is read, marked "G", signed by the President, and attached to the proceedings.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I would rather make a statement, Sir.

(See Page "H" attached).

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, Sir.

The Defending Officer makes a closing address.

The Prosecutor makes a closing address.

Question to the accused. Is the witness to be called a witness as to character only?

Answer.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. "About that A.W.L., Sir, I was sick and they sent for a Doctor, and they told me that if I had brought a Doctor's certificate showing that I was sick, I would have been let off."

Question to the accused. Do you wish to address the Court?

Answer. No, Sir.

(Defending Officer makes a statement in mitigation — see below).

"I would request, Sir, that the accused's youth and inexperience be taken under consideration."

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

VERBAL UNSWORN STATEMENT OF THE ACCUSED

Sir, I was twenty years of age when taken into the Army late part of November, 1944. I had three weeks of Basic training at Red Deer, Alberta, and am subject to taking fits, which can be proved by documents at the General Hospital. I have never left Winnipeg, and I have never been able to go out with the boys, like the others, and I never was able to go down swimming -- I stayed around home during my youth; and when I was taken down to Red Deer I went on a week-end and I got in a crazy mood, some sort of mood, homesick, Sir, bought a ticket for Winnipeg, came to 478 Stella Avenue, telling my parents that I was on sick leave, letting them find out from the Military officer, as I received a letter. My Dad scolded me, telling me the wrong I had made and I realized that.

On the one hand, Sir, I was afraid to come back and on the other hand I was afraid of Dad's punishment and I was afraid of the Army punishment. I have had a fit on Saturday, Sir, here in Custody Barracks. One of the Medical officers came down from the Hospital and checked me over.

That is about all, Sir.

FIRST WITNESS FOR THE DEFENCE (CHARACTER)

Capt. J. I. DOLAN, A-19 C.A.C.C.T.C., C.A., being duly sworn is examined by the Defending Officer:-

Q- I would like to ask you to explain to the Court in your own words your findings as to the character of the accused, Cpl. Mazerolle, outlining his ability as a workman, and his conduct in the shops, if you will, sir, please.

A- The accused, Mazerolle, came to us actually in May of this year, on trial as to his ability in his trade as a body repair man, was subsequently taken on strength of the Company on the 1st of June this year, and has been with us until this time. He was taken on as a body repair man, and was left in that Department, but by virtue of discharges, so on and so forth, it was found necessary to use him in other Departments. He has developed equally as well as a blacksmith and welder as a body repair man, with the result that in the early part of October he was recommended for his two hooks, which he is now wearing. He put them up on the 6th of November. As a workman he is tops in his trade. He is thoroughly dependable insofar as the day's work is concerned.

Q- Is it true, sir, that Mazerolle will be greatly missed while undergoing detention?

A- The circumstances are that he is one of two men in that Department, and the other, by virtue of his priority point score is recommended for release, and it would leave us without a man in that Department.

----- The Prosecutor declines to cross-examine.

----- The Witness withdraws.

FINAL ADDRESS BY THE DEFENDING OFFICER:-

I would just like to add, sir, that Cpl. Mazerolle is very industrious type. I know for a fact myself he works nights and week ends on his own to earn a little more money to send home to his family. He has a mother and father over sixty, and he has eight younger brothers and a sister, so he helps out considerably. I do feel, sir, in this case he is more or less a victim of circumstances. This little escapade has been influenced by others.....

COURT:

There is no evidence on that.

DEFENDING OFFICER: (Continuing)

Outside of that, and the fact that he is planning to get married at the first of the year, sir, I think that is all that can be said on his behalf, and I would ask that as much leniency be shown as possible.

EXHIBIT "F"

FINAL ADDRESS BY THE DEFENDING OFFICER:

The accused, L/Cpl. Mazerolle, is well known to me. In the spring of 1944 he did his training under me in No. 1 Company, A-19. After he completed his training, he was posted to the M.T. Company as a driver-instructer, which gave him the stripe that he is wearing now. During the entire length of his training with me, he had no charge against him whatsoever. He was what we can call a good average soldier. I believe his trouble started after he was in static employment, when he started receiving news from home that his eleven brothers and sisters were too much of a burden for his father, who is quite aged.

L/Cpl. Mazerolle has two brothers, one in Holland, one in Italy. He told me that his frequent, I should say frequent because he already has four charges against him, were due to the fact that he had an opportunity to do a little extra to make money to send home to take care of the younger members of the family. This is what happened the last time, where he was away nineteen days. He worked in a garage in Toronto at ninety cents an hour, and he has sent the entire proceeds of his working home. He came back on his own in military uniform, and now that he has paid his father's debts, he wishes to go and join his brothers overseas as fast as possible.

I make a very strong appeal to the Court not to give this man any detention, but to revert him to the rank of private, the put him on the next draft, and grant him his wish. This lance corporal realizes that he should have never done such a thing, take the law in his hands, but on the other hand, I believe that he was motivated by some higher motives than usual. He didn't go on a binge; he was toiling day and night to make a little extra money for a very large family. He throws himself on the mercy of the Court.

His pulhems are M-2, S-2, and one across otherwise.

Question à l'accusé.

Désirez-vous demander un ajournement, sous prétexte que l'une quelconque des règles de la procédure antérieure au procès n'aurait pas été observée, vous causant ainsi préjudice, ou que vous n'auriez pas eu assez de temps pour la préparation de votre défense ?

La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: Non, monsieur; d'aucune manière.

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense?

Réponse: Non, monsieur.

- LE PROCUREUR ET L'OFFICIER DEFENSEUR SOUMETTENT LA CAUSE TELLE QUE PROUVÉE. -

~~*Question à l'accusé.*~~ ~~Avez-vous uniquement un témoin à l'appui de votre réputation?~~

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: Non, monsieur.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: Non, monsieur.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Answer. No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. The Prosecutor, Lieut. (A/Capt.) J. D. C. BOLAND, Headquarters, Military District No. 3, C.A.,

being duly sworn, ~~examined by the Prosecutor~~ states:

Question I am Capt. J. D. C. Boland, Headquarters, M. D. No. 3.

I recognize the accused to be C-614955, Pte. Marleau, R., now of No. 9 District Depot, C.A., sir.

I have the following documents to present with respect to the charge against the accused: I present M.F.B. 375 dated the 1st day of March, 1943, sir.

---M.F.B.375 is received, read, marked EXHIBIT "F", signed by the President and attached to the proceedings.

---M.F.M.216 is received, read, marked EXHIBIT "G", signed by the President and attached to the proceedings.

The documents which I have just presented to the Court refer to the accused, No. C-614955, Pte. Marleau, R., now of No. 9 District Depot, C.A., sir.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence as a witness, sir.

FIRST WITNESS FOR DEFENCE

The accused, C-614955 - Pte. RICHARD MARLEAU, No. 9 District Depot, C.A., being duly sworn, is examined by the Defending Officer:

Q. Pte. Marleau, can you tell what happened before you were taken into the Army?

A. Before joining the Army my father used to work in Cornwall. He worked in the milling factory. He fell and was four months in the hospital. He came back home and was sent back to the hospital for two months. And then he went back to the hospital for two more months at Shawville. They gave him a pension but cut it in two, he only received half his pension. I was the only sone. I am the only support of the family. After that he fell sick again and came back to Ottawa to the Ottawa General Hospital. When it came to pay the hospital bill the county paid the fee at the hospital and my father died. The burial was paid by myself, then a civilian. My mother was getting a small pension and then since we had a lot of debts. Creditors would send a bill, that they were going to seize the furniture and so forth. And they tried to cut off the pension to my mother so they would be paid. After that I was called into the Army around the 21st January, 1943. When I went home on leave my mother was sick. When I joined the Army I asked that my mother be given the monthly allowance and I was told that if my mother was working she couldn't get anything. I told them that my mother was making ten to fifteen dollars a month working in morning washing clothes. When I came back again she was sick and that's when I decided to stay home and work to help her. I have six sisters at home who do not work, they are too young to work. I went away so that I was being able to pay all the debts caused by my father's

illness.

being duly sworn, is examined by the Defending Officer:

Q. What is your occupation in civilian life?

A. I am a general merchant, you need for construction, farming, feeds, of everything, hardware, farmer implement, I am the beer warehouse man for the district of Prescott. I got very large farm, up to now about -- over 700 acres, and I am chairman of flax mill that I built in 1939.

Q. Mr. Gour, do you know the accused?

A. I know him well.

Q. Can you point him in the Court?

A. (indicates accused) This young boy.

Q. What do you know of this young man?

A. I see this boy, this man, was born when I was there, about 21 year, going on 22. This man was working at the flax mill where I was chairman and I also when I was working manager of it. He was one of our good workers on the Flemish knife. Not more than ten per cent of the men will stay on this job, the quit the job. The flax mill was on a high priority, one of the highest priorities, we have more than any munition plant, and I have here from Lord Dollard from Bri sh Ministry Office from Great Britain that he will prove you how the necessity was of that flax mill, always, why we had so high priority. He get men to work and we had exemption for any of our boys who was in shape with the law to work at that flax mill but it happened I heard about it that he was called for Kingston, here, think he was just leaving when I heard he was not postponement or not having the words back. There was the Secretary of that flax mill, Mr. Mayor, I don't think he don't have reason and neither this young fellow and I asked my Secretary yesterday: "Did you have the exemption for this young

guy?" And yesterday night he said, "I have got it." And he said, "We have thrown away plenty of these exemption when he left". They were exempt to work at that important mill and when they quit we report to Selective Service that these guys were exempt for working in the mill and after working for a little while they quite and we report it right away and the department look for them. He was a very good boy for his mother. His mother is widow with lots of child, I don't know how many. He was a very good boy. Gave money to help raise his sister. And his mother had a mother's allowance from the government, an allowance, but with the small allowance she had help from his boy. He was one of our good little boy in our town. He was a good work and to be good for his mother and sister and I am sure he is only boy at home.

Q. Yes?

A. Yes, sir.

Q. And you have not seen the accused in Casselman since he left?

A. I never see him. I never seen him. I heard by his mother. I never heard it before, it was for a long time he was in the Army and so far I heard about it and with the business I have got. Mr. Mooney was our chairman

and he was for recruiting and I sent gift to my boys overseas. I am not man here to exempt somebody who is not fair but I never heard about.

---The Defending Officer declines to re-examine.

QUESTIONED BY THE COURT:

Q. You said that after Marleau left the mill notice came that he was exempt; is that correct?

A. My clerk, Mr. Mayor, yesterday says -- I talked him about that because I know by myself that when he quite that it was a delay for not receiving his exemption and therefore when I not receive his exemption I have to let that man go or were I don't want to keep any man in the mills or in my employ without require --

Q. But the mill made application for his exemption?

A. Yes. Well, you see, I am chairman but I have four business.

Q. The business made application for his exemption?

A. Yes.

Q. And the exemption had not arrived when he was due to report?

A. Yes.

Q. But the exemption arrived later on; is that correct?

A. It is correct that Mr. Mayor told me yesterday night, the clerk, the treasurer, my treasurer after all, that he had it and I said, "If you had it, get it." And this morning he bring me a letter because he is more acquainted that mill -- I go some time half an hour a day, some day three or four days till. He said he had it.

Q. Did the business ever apply to the Army to

have the accused released?

A. No; he had gone off, he is in the Army and we need some in the Army and therfore he was gone. Could be we never applied back.

---Neither the Defending Officer nor the Prosecutor have any questions to put to the witness arising out of the examination by the Court.

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

The Prosecutor, Lieut. (A/Capt.) J. D. C. Boland, Headquarters, Military District No. 3, C.A.,

being duly sworn, ~~is examined by the Prosecutor~~ states:

Question

I am Capt. J. D. C. Boland, Headquarters, M. D. No. 3.

I recognize the accused to be C-432489, Pte. Martell, O., formerly of the Regiment de St Hyacinthe, now of No. 9 District Depot, C.A.

I have the following documents to present with resepct to the charge against the accused: I Present M.F.B.375 dated 9th of March, 1945.

---M.F.B.375 is received, read, marked EXHIBIT "F", signed by the President and attached to the proceedings.

I present M.F.M.216 dated the 12th of April, 1945.

---M.F.M.216 is received, read, marked EXHIBIT "G", signed by the President and attached to the proceedings.

The documents which I have just presented to the Court refer to the accused C-432489, Pte. Martell, O., now of No. 9 District Depot, C.A.

---The Defending Officer declines to cross-examine.

---The witness resumes his seat.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to give evidence as a witness, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. Is the witness to be called a witness as to character only?

Answer. .....

Q. Pte. Martell, would you like to make a statement to the Court upon the charge upon which you are in front of the Court of desertion?

A. Sir, I didn't do it, it is up to you if you want to.

Q. I mean, do you want to make the statement to the Court:

A. You can make the statement if you want. Well, sir, I didn't went back to it because I didn't have no chance in that unit. I was there, I tried to get transfer but they never want to give me so that's why I didn't come back. I tried to sign active to go overseas but they wouldn't let me. I was paraded with three of my friends and we were in Newfoundland for three months and I was with friends there from Ottawa and they separated me and they ride me as hard as they can and when I seen I had a chance not to go back to them I didn't went back to them.

A. Yes, sir.

Q. When surrendering yourself to the Provost Corps did you have any intentions to return to the Regiment de St. Hyacinthe?

A. No, sir; because I was going back to the Army because I never liked the Regiment de St. Hyacinthe because

I am from Ontario and all the rest of them are from Quebec and they don't like Ontario people. I don't know why but they never did.

Q. Were you ever in hiding while you were absent without leave?

A. No, sir.

Q. Did you ever wear civilian clothes while you were absent without leave?

A. No, sir.

Q. Did you work at all while you were absent without leave?

A. No, sir. I made enough money in Newfoundland so that I didn't have to work when I was on leave.

A. February? Yes, sir.

A. Yes, sir.

Q. You were not given leave during that period?

A. No, sir.

Q. Were you on leave in February, 1945, when you went absent?

A. They gave me leave on the 2nd of February to the 10th. I was supposed to report over there on the 10th

of February.

Q. And what kind of a leave was that? Was that an embarkation leave?

A. Yes, sir.

Q. And your category was such that you could proceed overseas; is that not correct?

A. I don't know, sir.

Q. You are not denying that your category was of such or pulhems were such that you could proceed overseas as an infantry reinforcement?

A. The only thing I know, when I was on sick parade the doctor said I had to get different boots and they gave me the leave and I went home.

Q. And the Regiment de St. Hyacinthe were infantry; is that not correct?

A. Yes, sir.

Q. And they have since proceeded overseas; is that not correct?

A. Yes, sir.

Q. And you told the Defending Officer that you didn't intend to return to the Regiment de St.Hyacinthe?

A. Not to the Regiment de St. Hyacinthe but to the Army.

Q. And the reason you surrendered yourself to the military authorities in Ottawa was because you thought the war was almost over?

A. No; I knew I was absent without leave long enough, I wouldn't go back to the Regiment de St. Hyacinthe.

Q. And if you hadn't gone absent without leave you would have been overseas now?

A. I guess so, I don't know.

Q. What did you do when you were absent?

A. I didn't work. I went running around because I couldn't work.

Q. Anything else you did?

A. No, sir.

Q. Nothing that you know of?

A. No, sir.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

---The Prosecutor presents to the Court M.F.B.355 and M.F.M.6.

---These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir; through my Defending Officer.

BY THE DEFENDING OFFICER: Sir, consider the present reinforcement policy and seeing that Pte. Martell was A.W.L. for only sixty days and considering that the Regiment de St. Hyacinthe has now gone overseas and that there is no possibility of him returning there and him making another biff in the Army, I would ask the Court to be lenient when passing sentence.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Q. Have you any statement to make concerning the documents which have just been read to you?

Answer. A. No Sir.

Question to the accused. Q. Do you wish to address the Court?

Answer A. Yes Sir through my Defending Officer.

DEFENDING OFFICER: There is very little to say except that the Accused has a clean conduct sheet and he seems to think where there is a little grievance against the army as far as he is concerned. He thinks it is quite justified. While I don't doubt he realizes that he broke the army law, he thought mostly he deserved some leave, that he had been disallowed while in the service. The accused was at Wainwright, Alberta I understand, quite a distance from his home for sometime and on being transferred to Fusiliers du St. Laurent, he was stationed at Valcartier for four or five days, and then granted seven days leave. Seven day's leave being up he proceeded to take a little extra leave on his own. I think that a light sentence would serve just as well as a heavy sentence in this particular case, as the man has a clean conduct sheet, has been in the army nearly three years, being an N.R.M. A. it is possible he did get pushed around a little bit on the leave question as there are times when they come under officers who don't understand them exactly. That is all Sir.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

RECORD of the Declaration of a Court of Inquiry assembled at Louzon, PQ on the 14th day of Feb 19 45, for the purpose of investigating and recording the absence, without leave, from his duty, and deficiency, if any, in the Arms, Ammunition, Equipments, Regimental Necessaries, or Clothing of No. G/601935 Pte MARTIN, H.N, F.S.L., CA

Proceedings on Plea of Not Guilty

Question to the accused.

Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer.

No, sir.

(If the accused applies for an adjournment see instructions at page 747 M.M.L.)

The Prosecutor proceeds to call witnesses.

First Witness for prosecution.

Capt. E.S. Frost, Adjutant, No. 25 C.I.(B)T.C., CA, Simcoe, Ontario,

being duly sworn, is examined by the Prosecutor.

Question

Q- Captain Frost, what is your unit?

A- H.W.E., No. 25 C. I.(B)T.C., Simcoe, Ontario.

Q- How are you employed?

A- I am Adjutant of this centre, as such being custodian of the regimental books and documents.

Q- Do you know the accused?

A- I do.

Q- What is his name?

A- Private Mc Intyre, R.J.

Q- What is his unit?

A- No. 25 C.I.(B)T.C., Simcoe, Ontario.

Q- Have you any documents to present to the Court?

A- I have.

Q- Will you produce them, please, telling us, firstly, what they are, secondly, to whom they refer and, thirdly, by whom they are signed.

A- I have M.F.B. 375, being a certified true copy of a record of a declaration of a Court of Inquiry. This certification is by myself and refers to the accused.

Q- Will you hand that to the President of the Court, please, and offer it as an exhibit.

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No objection, sir.

---- M.F.B. 375, certified true copy of a record of a declaration of a Court of Inquiry held at Simcoe, Ont., on 22 JUN 44 is read, marked Exhibit "F", signed by the President and attached to the proceedings.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you anything else to produce?

A- I also have certificate which is rendered under Section 163 (1)(j) of the Army Act. This certificate has been signed by Lieutenant J.R. Hennessey for J.R. Robson, Lieutenant-Colonel, Officer Commanding "N" Force.

Q- Will you offer that to the Court, please?

BY THE PROSECUTOR: Sir, in this case I wish to point out that the Prosecution is not sure that the document is admissible in view of the fact the document is signed by one Officer for another one, but I will leave that for the Court to decide.

BY THE PRESIDENT: The ruling of the Court is, under Section 163 (1)(j) of the Army A ct this document is not admissible. Had the surrender been to the Commanding Officer, or had it been signed by the Commanding Officer, it would have been admissible. The document will be attached to the proceedings but will not be accepted as an exhibit.

BY THE PROSECUTOR: I didn't see the document before arriving here to take the case and, therefore, I wish to absolve myself as I didn't know within reasonable time to obtain a better document.

BY THE PRESIDENT: From the Bahamas?

BY THE PROSECUTOR: Yes, sir. We have another certificate of apprehension which might show some apprehension at some place at some other time.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you a further document to produce?

A- I produce M.F.M. 216, being a certificate of apprehension or surrender. This document is signed by Major J.E. Purcell, Officer in charge of Composite Provost Companies,

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

M.D. 4 and refers to the accused.

Q- Will you hand that document to the President of the Court, please, and offer it as an exhibit?

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No objection,,sir.

---- M.F.W. 216, certificate of apprehension of the accused is read, marked Exhibit "G", signed by the President and attached to the proceedings.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you something else to produce?

A- I have M.F.B. 1481 being a certificate of transportation costs, signed by myself, in the amount of $20.85. This document also refers to the accused.

Q- Will you hand that to the Court, please?

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No objection, sir.

--- M.F.B. 1481 covering transportation costs in the amount of $20.85 is read, marked Exhibit "H", signed by the President and attached to the proceedings.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you something else?

A- I have M.F.B. 1482, signed by Sergeant E.N. Runnalls, Regimental Police, Simcoe, Ontario, in the amount of $2.50, being incidental expenses incurred on behalf of the accused. This document also refers to the accused.

Q- Will you hand that document to the Court, please?

BY THE PRESIDENT TO THE DEFENDING OFFICER: Have you any objection?

BY THE DEFENDING OFFICER: No objection, sir.

--- M.F.B. 1482 covering incidental expenses in the amount of $3.50 is read, marked Exhibit "I", signed by the President and attached to the proceedings.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Have you any other documentary evidence to produce to the Court?

A- That is all, sir.

Q- You have handed to the Court two documents showing apprehension of the accused, one of which wasn't not accepted as an exhibit and one of which was. Can you explain to the Court why it was necessary to have two certificates of apprehension?

A- Yes, and realizing that I am on oath, I can only speak from hearsay evidence - I wasn't present.

Q- Can you explain what you saw in the documents?

A- Yes. One was a certificate acknowledging surrender in Nassau in the Bahamas Islands and the accused was flown from there to the airport outside of Montreal, Dorval Airport.

BY THE PRESIDENT:

Q- You assume he was?

A- I know he was, sir, because I was advised by Headquarters he was flown there.

Q- That is still hearsay and is not admissible as evidence.

BY THE PROSECUTOR: He can say that was his understanding.

BY THE PRESIDENT TO THE WITNESS.

Q- You understood he was flown there because someone advised you?

A- Yes, sir, I understand that he was flown to Dorval Airport and then surrendered himself at No. 4 District Depot.

Q- That is further assumption.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- You can tell what happened by the documentary evidence.

A- Then he contacted the Provost inside of No. 4 District Depot and surrendered himself.

BY THE PRESIDENT:

Q- As the result of Exhibit "G" you are of the opinion he was brought, in some fashion, from the Bahamas and arrived in Montreal and there surrendered himself?

A- That is right, sir.

WITNESS EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Is the accused charged with any costs of transportation from Nassau to Dorval Airport?

A- No, sir.

Q- Do you know why?

A- We received a telegram from Headquarters, M.D. No. 2.

Q- And what was the effect of that telegram?

A- It was to the effect that no costs were to be incurred by the accused in his return from the Bahamas to Canada and therefore action could be proceeded with.

Q- Have you any further evidence to give?

A- No, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q- Captain Frost, in the charge against Private McIntyre it states that he did absent himself at 0001 hours on the 29th day of May, 1944. That would be one minute past midnight?

A- Yes.

Q- That is, as the Charge-Sheet reads?

A- Yes.

Q- In Exhibit "F", the M.F.B. 375, it states that he was absent at 0600 hours on the 30th day of May, 1944; that is one day later. Have you any knowledge of why the discrepancy there of one day?

A- No, I am sure I cannot answer that question. I wasn't present when these things took place and I really cannot answer the question.

Q- There is no reason why the discrepancy should be there?

A- No.

BY THE DEFENDING OFFICER: How does that affect the Charge Sheet, sir, the charge against the accused. It shows him to be absent at 0001 hours on May 29th, 1944, and there is no evidence to prove he was absent from that time.

BY THE PRESIDENT: The Court can, if it wishes, make a special finding as to when he was absent.

BY THE PROSECUTOR: The Court can also amend the Charge-Sheet right now if they wish.

BY THE PRESIDENT: In this case perhaps the best method would be to make a special finding, if one is required.

--- The witness withdraws.

--- The Prosecution has no further witnesses.

--- The Prosecution is closed.

W.K.M.

D

The Prosecutor has no further witness to call.
The Prosecution is closed.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

Defence

The President will now address the acused as follows:—

"It is my duty at this stage to advise you as to your rights in the general conduct of your defence. The procedure to be followed depends entirely on the answers given to the formal questions which are about to be put to you. It is therefore important that you should understand and appreciate the effect of your answers to these questions. You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

"If you do not give evidence on oath you are entitled to make a statement giving your account of the subject of the charge against you. You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

If there is no Defending Officer the President should then explain to the accused the effect which his answer to the formal questions on Page D of the proceedings will have on the order of the Closing Addresses as provided in R.P. 40 and 41.

Question to the accused. Do you apply to give evidence yourself as a witness, or do you wish to make an unsworn statement?

Answer. I wish to make a statement on oath, sir.

Question to the accused. Do you intend to call any witness in your defence?

Answer. No, sir.

Question to the accused. ~~Is the witness to be called a witness as to character only?~~ –

Answer.

FIRST WITNESS FOR THE DEFENCE. - No. B-64803, Pte. Robert Joseph McIntyre, No. 25 C.I.(B)T.C., CA, Simcoe, Ontario, having been duly sworn is examined by the Defending Officer:

Q- Private McIntyre, you have heard the charge read stating that you were absent at 0001 hours on May 29th, 1944, and another document stating that you were absent at 0600 hours on May 30th, 1944. Those particular times will be settled by the Court later. There is one day's difference there but I am not going to bring that point up now. I just want you to tell the Court what happened at the time you left this centre, regardless of which day it was or what time. Why did you leave this centre?

A- Well, I received a special furlough to travel to the Bahamas. I proceeded down to Miami by train and I took an A.T.C. bomber from Miami to Nassau. I got a special furlough to go down there on the grounds that my wife was having financial difficulties.

Q- That is the reason you were granted this special furlough?

A- Yes, sir.

Q- I take it, then, your wife is in Nassau?

A- That is right.

Q- How did you come to be married to a girl living in Nassau?

A- I was stationed in Nassau for eighteen months with the Veterans Guard of Canada and while I was stationed there I met my wife and got married.

Q- To whom did you apply for this special furlough?

A- To Captain Allan.

Q- What kind of difficulties was your wife in? You spoke about your wife being in difficulties. Can you explain to the Court what her difficulties were?

A- Financial difficulties, sir, and moreso housing difficulties.

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

Q- What do you mean by housing difficulties?

A- Well, the house that we had rented at the time, the owner wished to have his house back and my wife was having trouble obtaining another house to move into.

Q- Did you explain these circumstances to Major Allan?

A- Yes.

Q- He is a Major now?

A- Yes, sir.

Q- And he thought that the circumstances were strong enough he granted you a special furlough?

A- Yes, sir.

Q- Did you have a furlough coming to you? Were you due for a furlough?

A- No, sir, I wasn't due for a special furlough.

Q- What did you find on your arrival at Nassau with regard to your wife's condition?

A- The trouble had been straightened out when I arrived and I stayed to see if I could find a new home.

Q- Did you have any children?

A- Yes, sir.

Q- How many?

A- I had one girl at that time.

Q- At that time you had one girl?

A- Yes, sir.

Q- How many have you now?

A- Two, sir.

Q- Why did you not return at the end of this special furlough?

A- I was still having trouble obtaining a home and paying financial debts and my wife was taken pregnant again and she was immediately taken sick and I couldn't come back until the baby was born.

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

Q- You say that your wife was taken sick. Just how sick was she? Was it serious?

A- Yes.

Q- Was your wife out of her immediate difficulties then, as far as her health was concerned?

A- Yes.

Q- Was she healthy after the baby was born?

A- Yes, sir.

Q- What did you do then ?

A- I surrendered to Colonel Robson at Nassau, Bahamas.

Q- What happened when you surrendered yourself?

A- I was there for one week waiting for a plane ride back with the R.A.F. Transport Command.

Q- Did you get that ride?

A- Yes.

Q- Were you in custody on the ride?

A- I was accompanied by a Lieutenant - I forget his name.

Q- The name is not important.

A- He was being sent back to the Depot in Halifax.

Q- Was he an Air Force man or an Army man?

A- An Army man.

Q- Anyways, he wasn't detailed particularly to escort you?

A- No, not particularly.

Q- Then what happened? Where did you arrive in Canada?

A- I arrived at Dorval Airport.

Q- And what did you do there?

A- We went by station wagon to Dominion Square and from there he took me to the Provost Barracks on St. Catherine's Street in Montreal, where I surrendered myself again.

Q- He went inside with you?

A- That is right.

Q- And you surrendered yourself a second time?

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

A- Well, sir, it was done by a document he handed to the Sergeant; he got it down there.

Q- What did you do while you were in Nassau?

A- I worked for a while and tried to support her.

Q- At the time you left on this special furlough, what was your intention?

A- To return after my furlough was up and as soon as my difficulties were arranged.

Q- And what changed your mind to not return after your furlough?

A- Difficulties and sickness.

Q- Difficulties your wife was in?

A- Yes, sir.

Q- What were your intentions during the time you were away? After your furlough was up, there was a period when you were A.W.L. What were your intentions during that period?

A- To come back and surrender myself to the Army as soon as I could get away, as soon as my wife was out of trouble.

Q- Did you do that?

A- I did.

Q- How old are you?

A- 19.

Q- How old were you when you enlisted?

A- 15, sir.

Q- How did you get in the Army when you were 15?

A- I said I was 18, sir.

Q- Did you want to be a soldier that bad you would lie about your age?

A- I did.

Q- What are your intentions now? Do you still want to be a soldier?

A- I still want to be a soldier.

ACCUSED EXAMINED BY THE DEFENDING OFFICER (Cont'd):

Q- How are conditions now with your wife?

A- As far as her health is concerned, I haven't had any word since I have been here but her health was alright when I left; but there are still financial troubles.

Q- Would your financial troubles be such that you would have to go down there again at any time, if you had the chance?

A- Not if she gets her allowance back, sir.

Q- And if the allowance doesn't come back?

A- I don't know what will happen, sir.

Q- Which do you think in your own mind would be the best course, to stay and soldier and eventually get your wife's allowance back or jeopardize that allowance by going away again?

A- It would be best to stay and soldier and have the wife's allowance go back.

BY THE DEFENDING OFFICER: That is all, sir.

CROSS-EXAMINED BY THE PROSECUTOR:

Q- You were a Lance-Corporal at that time?

A- That is right.

Q- You were a Lance-Corporal when you left this camp?

A- Yes.

Q- And you were struck off as a Lance-Corporal on coming back?

A- Yes, sir.

Q- In any event, you have told us that you were with the Veterans Guard in the Bahamas and you were married down there?

A- Yes, sir.

Q- Were you down there with the Veterans Guard, with Colonel DeWolf?

A- That is right.

Q- You say that you had this trouble and your wife had trouble

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

and you got this special furlough to go home?

A- Yes.

Q- For the purpose of straightening things out?

A- Yes, sir.

Q- I take it that you intended to come back when you got this furlough?

A- Yes, sir.

Q- This furlough, did it expire at 2359 hours on May 28th?

A- Yes, sir.

Q- That is, May 28th, 1944?

A- Yes, sir.

Q- So apparently being charged with being absent from 0001 hours on May 29th, 1944, or even as shown on the 375, 0600 hours on May 30th, you are not being prejudiced in any way, you are getting credit for two minutes or six hours and some minutes?

A- I don't understand that. Will you repeat that?

Q- If you are charged with being absent from 0001 hours on May 29th you are not being prejudiced in any way, you are being given credit for two minutes?

A- Yes.

Q- And if the Charge-Sheet was changed and the Court made a special finding and you were found absent from 0600 hours on May 30th, 1944, you are not being prejudiced in any way, you would be given credit for six hours?

A- Yes, sir.

BY THE DEFENDING OFFICER: It would be one day and six hours.

BY THE PROSECUTOR: That is right.

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- There is no question about overstaying your pass, is there?

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

A- No, sir.

Q- You were continuously absent from this training centre from 0600 hours on May 30th or 0001 hours on May 29th, 1944, whichever the Court may decide, until you surrendered yourself in Nassau?

A- That is right.

Q- You were not back in any military unit in the meantime?

A- No, sir.

Q- You were present in Court when the Prosecution endeavoured to have a document accepted as admissible evidence in Court, just a few minutes ago?

A- Yes, sir.

Q- Maybe you can assist us in that. Is it true that you did surrender yourself to the Officer Commanding "K" Force at Nassau, Bahamas, on March 20th, 1945, as an absentee and the time of surrender was 1700 hours?

A- That is right, sir.

Q- Then you say you got a ride in this R.A.F. Transport Command plane and you found yourself in Montreal at the Dominion Square Building?

A- Yes, sir.

Q- In other words, you went to M.D. No. 4?

A- No, sir, he took me to the Provost Barracks on St. Catherines Street.

Q- That is where you went, where you surrendered yourself to Sergeant Barbe?

A- Pardon me; that was the next morning, when I was taken to Longueuil.

Q- You surrendered the next morning at 2300 hours?

A- Yes, sir.

Q- Both times you surrendered, you were wearing military uniform on both occasions?

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

A- Yes, sir.

Q- Now I am going to ask you a very plain question. Did you at any time when you were absent from this camp intend never to come back?

A- No, sir.

Q- I suppose if your wife hadn't taken pregnant when you were down there there was a chance that you might have been back earlier?

A- Yes, sir.

Q- You were gone from May 29th, 1944, until March 20th, 1945?

A- Yes, sir.

Q- Approximately ten months all but eight days, and it was possible for your wife to become pregnant and have a child and you return within that length of time?

A- Yes, sir.

Q- When you joined the Army you were shown as a single man? That is right, isn't it?

A- Yes, sir.

Q- What is your state of training right now?

A- I am a qualified soldier, sir.

Q- In other words, are you trained and ready to go overseas?

A- Yes, sir.

Q- You told your Defending Officer you intended to return as soon as your furlough was up?

A- Yes, sir.

Q- In other words, you intended to be here on time?

A- Yes, sir.

Q- If your wife had not become pregnant would you have been back in time?

A- Yes, sir.

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- How could you tell your wife was pregnant in such a short time?

A- Sir, I didn't know for sure, until I was there six weeks.

Q- You didn't know? What you are telling us, then, is not exactly correct.

A- I see what you mean now.

Q- Well, try and explain that, will you?

A- What is the question?

Q- You were only supposed to have been gone two weeks?

A- Yes.

Q- And you said that the reason you stayed over was because you found your wife was pregnant?

A- Yes, sir.

Q- Now how could you go down there, take the travelling time to go down there, impregnate your wife and find out she was pregnant in such a short period of time?

A- I am sorry - I made a mistake.

Q- Tell us the exact truth.

A- As I said, sir, it was the housing difficulties and financial problems and they existed even after my wife was pregnant. That is where I got mixed up in my statement. I had the intention when I left here to get this trouble fixed up and get back on time. That is what I meant to say.

Q- When you say the reason you stayed was because your wife was pregnant, that is not right?

A- No, sir.

Q- You wish to change that?

A- Yes, sir.

Q- You realize it would be impossible for you to know that?

A- Yes, sir.

ACCUSED CROSS-EXAMINED BY THE PROSECUTOR (Cont'd):

Q- Are there any Canadian units in Nassau?

A- Not now.

Q- Was there when you were away?

A- Yes, sir.

Q- Did you wear your uniform or civilian clothes?

A- Civilian clothes.

Q- You didm't wear your uniform?

A- No, sir.

Q- Why didn't you?

A- Well, I was asked to go not in uniform,

Q- Did you not wear your uniform for the reason you thought about the day you might get caught?

A- No, sir.

Q- You are sure of that?

A- Yes, sir.

Q- How do you feel now about the whole situation? Are you willing to soldier?

A- I am willing to soldier, sir.

BY THE PROSECUTOR: That is all.

--- The Defending Officer declines to re-examine.

QUESTIONED BY THE PRESIDENT:

Q- Did you have return fare?

A- Yes, sir.

Q- What happened to that?

A- It is home now; it is in Nassau, the other half of the return ticket.

Q- Can your wife cash it in?

A- No, sir, it is over 30 days.

Q- It is no good?

A- No, sir.

Q- Did you pay return fare on the clipper?

QUESTIONED BY THE PRESIDENT (Cont'd):

A- No, sir, I paid return fare from the Union Station in Toronto and I took the plane from Miami to Nassau; I went from Miami to Nassau by A.T.C. bomber.

Q- How would you come back ?

A- The same way, sir.

Q- I don't understand; you wear the Veterans Guard flash.

A- Yes, sir.

Q- Why?

A- That is the unit I joined at No. 2 District Depot in Toronto.

Q- How was it you came to be with the Veterans Guard?

A- I was sent to Kingston on a signals course and after completing the signals course I took my trades test and we were put on draft. The Veterans Guard in Ottawa sent for five signalmen to travel with them overseas and they sent us from Kingston to Ottawa and they took a detachment of the signals and sent them to Nassau, sir.

Q- Has your wife any relations in the Bahamas?

A- A stepmother, sir.

Q- Has she any means of her own?

A- Not at the present time.

Q- How is she going to live?

A- She is living with her grandmother at the present time?

Q- Did you consider at any time bringing her and the children to Canada?

A- I intended to, sir, as soon as I could.

Q- You say that your pass expired at 2359 hours on May 28th, 1944?

A- Yes, sir.

Proceedings on Conviction before Sentence

After the Court has arrived at a Finding on all the charges against the accused and such Finding has been announced to the accused, the Prosecutor will tender to the President M.F.B. 355, together ,when it is possible, with an M.F.M. 6.

These documents are read to the Court by the President, are marked "Y" and "Z", signed by the President and annexed to the proceedings.

Question to the accused. Have you any statement to make concerning the documents which have just been read to you?

Answer. No, sir.

Question to the accused. Do you wish to address the Court?

Answer. Yes, sir, through my Defending Officer.

The Sentence is then recorded on Page "A' of the proceedings and same is announced to the accused in open Court.

The President then completes and signs the "Warrant of Commitment", if any, which shall be transmitted forthwith to the Commanding Officer of the accused. He will also complete and sign in every case, the "Certificate of trial by Standing Court-Martial", and address same as directed by the regulations. The proceedings, with all documents, will be transmitted to the Judge Advocate General.

STATEMENT BY THE DEFENDING OFFICER RE MITIGATION.

I have very little to say, sir, except to stress the extreme youth of this boy. This boy was 15 years old when he enlisted and he probably did lie about his age but he did it because he wanted to be a soldier. He is still only 19 years of age. His first offence in the Army was in November, 1941, and at a time when he was only 15 years old and it just seems that he got started off wrong.

If the Court will permit me to quote a remark made, I believe, in the presence of the accused, by an Officer of this centre; this Officer said 'This boy is a good soldier but he has been abused by someone'. It was just a remark and I believe the accused overheard the remark made by an Officer here while he was in custody. It is my opinion that he is a good soldier. He has a bad record, I admit that it looks very bad.

BY THE PRESIDENT: I have seen a lot worse.

BY THE DEFENDING OFFICER (Cont'd): When you look at the conduct sheet, it looks bad but there were some rather petty offences, other than the disobedience charge. I do not think he is a bad boy and I think, as the Officer said, he was probably abused by someone and treated wrong when he was first in the Army at 15 years of age. That probably got him off to a wrong start. I think he can be made into a good soldier as he was evidently good enough to be promoted twice. He has already spent 28 days in custody and I wish the Court would take that into consideration when they decide on the punishment.

No. 25 C.A.B.T.C., C.A.

Receipt is acknowledged of the proceedings of the m/n Standing Court-Martial which were forwarded by the President named therein.

2. It is noted that the Special Finding herein substitutes a time anddate which has the effect of lengthening the period of absence alleged in the charge; the attention of the President is directed to M.M.L. p.649 note 6 where it states that such lengthening is not permissible. However, as the accused admitted on cross-examination that the substituted time and date were correct and as the addition does not affect the accused's pay, it is considered that it will not be necessary to substitute a new Special Finding for the one herein.

3. The proceedings are otherwise legally regular, the finding is properly made and the sentence is according to law. Pursuant to C.A.R.O. 4565 paragraph 12, the said proceedings are herewith forwarded to you. After they have served your purpose, will you please return the proceedings to this office for custody.

THE PROSECUTOR DECLINES TO MAKE AN OPENING ADDRESS.

The Prosecutor proceeds to call witnesses.

First Witness for prosecution. No. G-48761 Corporal W.R. Geldart, No. 39 Company Canadian Provost Corps, C.A.

being duly sworn, is examined by the Prosecutor.

Question Q. Corporal Geldart, will you identify yourself please, giving your regimental number, your rank, your name and your unit?

A. G-48761 Corporal Geldart, W.R., 39 Company Canadian Provost Corps, C.A. Coldbrook, N.B.

Q. Do you recognize the Accused Corporal?

A. Yes Sir.

Q. As whom do you recognize him?

A. Private Morris Sir.

Q. Will you tell the Court where you were on the night of 8 Apr 45 after approximately 2330 hours?

A. I was asleep in bed Sir.

Q. Where?

A. At Headquarters 39 Company Canadian Provost Corps Hut 2, Coldbrook, N.B.

Q. Did anything occur that night?

A. Yes Sir.

Q. Will you tell the Court what happened please?

A. Between the hours of 2330 and 2359 on 8 Apr 45 I was awakened by someone calling Geldart. When I awoke I saw Private Morris standing at the foot of my bed saying "Geldart you squaked on us tonight to Sergeant Mann for being in the staff car." I said "no Morris I didn't." Private Morris called me "a goddamn liar" and came towards the head of my bed. Private Morris challenged me out of bed to fight, I refused to get up and told Private Morris that "I didn't want no trouble here in the barracks." Private Morris called me many names and said that I was scared of losing my two hooks. Private Morris said "if I had you outside I would drive this goddamn knife through you." I raised up on my elbow as I did I saw someone else standing at the foot of my bed. Then I was hit in the jaw in the left jaw by Private Morris's right fist. I turned my blankets down put my feet on the floor, as I did Private Morris hit me in the same place. I reached down to get my shoes on and I put them on and when I had the false sub Private

Morris hit me again. I came to my feet. I clinched Private Morris and as we were scuffling Private Morris pushed me back against the window which broke out a pane of glass. I threw Private Morris down between the wall and the head of Corporal Furlotte's bed. I held Private Morris down by choking him. He asked me to let him up, I told him not until I had someone up to put the lights on. I then hollered for the boys to get up and help me. Then someone jumped my back, striking me many times about the back of the head and the body. When I came to my feet I then recognized the person to be Private Warren. I fought my way out between Corporal Furlotte's bed and my own out in the alleyway when both Private Morris and Private Warren were striking at me. Private Morris said "get the son of a bitch off his feet if you can." While defending myself from Private Morris Private Warren jumped my back putting a headlock on me, pulled me backwards.

PRESIDENT: Not too much detail, we are trying Morris now unless it has some direct bearing on the present case.

Q. Corporal Geldart, in telling your story I wish you would confine yourself more to Private Morris from here on if there is anything else to add. If there is anything more to aid of course you may say so.

A. I was put on the floor, I was held around the neck by Private Warren while Private Morris hit me in the face and about the body and bit me on the leg.

Q. Corporal Geldart where were you when this last action was taking place, what position were you in?

A. I was laying on my side on the floor.

Q. Corporal Geldart how long have you known Private Morris?

A. Approximately between three and four months Sir.

Q. How long have you been Corporal?

A. Approximately seven months Sir.

Q. Were you a Corporal during the time you have known Private Morris?

A. Yes Sir.

Q. And did he know you to be a Corporal?

A. Yes Sir.

PROSECUTION: I have no further questions Sir of this witness.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q. Corporal Geldart what day of the week was all

this took place you accounted?

A. Sunday Sir.

Q. What time did you go to bed that night?

A. Sir approximately 2315 hours.

Q. A quarter past eleven in the night?

A. Yes Sir.

Q. What time is lights out in your barracks?

A. Supposed to be at ten o'clock Sir.

Q. Where were you between ten o'clock and eleven fifteen?

A. I was M.P. driver in barracks that night Sir and I had Sergeant Nenn, Orderly Officer, in Town checking his patrols.

Q. I am not trying to confuse you at all, was it your duty to be in bed at ten o'clock, were you on duty or not on duty?

A. I was on duty.

Q. What right did you have to be asleep at 1115?

A. That is our orders when we are in M.T. drivers in barracks we are supposed to keep our clothes on until ten o'clock, than we are allowed to go to bed.

Q. How long did this fight that you have described last, in your estimation, can you estimate the time? Well would you say a half an hour?

A. No Sir.

Q. How much less than one half an hour?

A. I cannot say Sir for sure how long.

Q. Well from your account.

PRESIDENT: Tell Major Shaw how long you think it lasted?

A. WITNESS: Between five and ten minutes Sir.

Q. And you say it finally ended, who stopped this fighting, did anyone stop it?

A. Yes Sir.

Q. Can you recall who stopped it? Well did the men in the barracks every man in the barracks stop it?

A. Yes Sir.

Q. Quite a number of men?

A. Yes Sir.

Q. You cannot say who?

A. Yes Sir.

Q. They just came around and took you apart?

A. Yes Sir.

Q. What time was that when you stopped fighting?

A. I am not sure Sir I would say approximately 2345 hours.

Q. 2345 hours?

A. Yes Sir.

Q. And is it correct to say that you were first molested by the Accused at 2330 or was it before that?

A. I would say between 2330 and 2359.

Q. How long had you been asleep before you were molested?

A. Not very long Sir.

Q. Are you sure you were asleep?

A. Yes Sir.

Q. How do you know, you remember any dreams you had?

A. No Sir.

Q. Don't remember dreaming after you went to sleep?

A. No Sir.

Q. Do you remember you were asleep?

A. Yes Sir.

Q. You remember you were asleep because you remember waking up?

A. Yes Sir.

Q. Well in that instant of awakening were you hit by the Accused?

A. No Sir.

Q. You were not?

A. No Sir.

Q. You have a clear recollection of talking to the Accused before you woke up?

PRESIDENT: That is not quite right, that is stating as a fact something-----

Q. DEFENDING OFFICER: After you woke up?

A. After I woke up, yes Sir.

Q. Now which side of the face were you hit on first?

A. On the left jaw Sir.

Q. And which hand did the Accused use in striking you?

A. His right Sir.

Q. Can you tell me how you remember that so clearly, have you a crystal clear recollection of being hit on the left jaw by his right hand?

A. Yes Sir.

Q. Were you badly hurt?

A. May I ask a question Sir.

Q. Were you badly hit, were you still in bed when you were first hit?

A. Yes Sir.

Q. Were you badly hurt by that blow?

A. No Sir.

Q. You were not cut by the blow?

A. No Sir.

Q. Didn't bleed?

A. No Sir.

Q. Well now just what kind of a blow was it, clenched fist?

A. Yes Sir.

Q. Well now you say that you now got up and began to dress, you proceeded to put your boots on, not if you were hit in the face you were in bed you were hit in the face you got up and started to dress to the extent of putting your boots on?

A. It was my intention Sir to put on my shoes.

Q. Now when you had the Accused down on the floor as you stated Now were you dressed at that time?

A. My shorts, shirt and my shoes and stockings Sir.

Q. Were you sleeping in your shorts?

A. Yes Sir.

Q. Your boots laced?

A. Yes Sir.

Q. But you were not sleeping in the boots?

A. Yes Sir.

Q. You had time to lace your boots?

A. Yes Sir.

Q. Were you wearing boots or shoes?

A. Shoes. Walking out shoes.

Walking out dress shoes?

A. Yes Sir.

Q. How many times in all do you remember being struck by the Accused with his fist?

A. I don't remember Sir.

Q. You have the general impression have you of being hit a great deal?

A. Yes Sir.

Q. Well you don't appear to be very much cut up, no scratches on your face, this is, was only a week ago, how do you account for that Corporal, I mean this description you gave is a pretty violent quarrel and I am just wondering and perhaps the Court is is wondering how violent it was?

A. I was scratched about the face Sir.

Q. Would it not be more correct to say that this was a wrestling match between you and Morris?

A. No Sir.

Q. Well you did a lot of talking, he said a lot of nasty things to you?

A. Yes Sir.

Q. Quite a considerable debate talking back and forth? And as you leaned down with your boots on he struck you is that right?

A. Yes Sir.

Q. Did he strike you hard that time?

A. About the same Sir as the time before when I was in bed.

Q. After you, that did you get the best of the fight?

A. No Sir.

Q. Did you get the best of it from then on?

A. No Sir.

Q. Did you end up on top?

A. At the last of the fight Sir.

Q. I mean with Morris here the Accused?

A. I am sorry Sir.

Q. You ended up on top you were on top of Morris when Warren came along?

A. Yes Sir.

WITNESS: You asked me Sir if I got the best of the fight I took it Sir you mean at the end of the fight.

Q. I mean at the end of the first round before Warren came entered the scene, before you mentioned Warren coming along to help this Accused?

A. I was getting the best of it.

Q. You think you were?

A. Yes Sir.

Q. You were able to handle him alright?

A. Yes Sir.

Q. Were you frightened of him?

A. I was frightened of the knife Sir.

Q. Did you see the knife?

A. No Sir.

Q. Well then what knife were you frightened of?

A. In the way he spoke Sir I was in bed.

Q. What previous trouble have you had with the Accused?

A. Don't remember of any Sir.

Q. How do you account for him waking you up then and using this threatening language?

PROSECUTOR: Sir I don't think I have much right to say anything about the cross-examination by the Defending Officer, but the Defending Officer at this point is trying to put the Witness on trial more or less and trying to get him to delve into the mind of another person, I think this is a little unfair in cross-examination Sir if I may say so.

PRESIDENT: The Witness is perfectly welcome to answer the question if he wishes to.

A. WITNESS: The only thing Sir he accused me of telling Sergeant Mann that he had been in the staff car that nigh t.

Q. Did you tell Mann that he was in the staff car?

A. No Sir I didn't.

Q. Or anyone else was in the staff car?

A. No Sir.

Q. That night or any other night?

A. No Sir.

Q. Or made any report to Mann whatsoever of the Accused or a man named Warren?

A. No Sir.

Q. Well then is it correct to say that you see no reason whatsoever why this man should attack you, the whole thing was a mistake in so far as he was concerned in having any cause to attack you, real or supposed?

PRESIDENT: What is your answer to that.

PRESIDENT: That question means do you know of any reason why he should attack you or you know of no reason why he should not attack you?

A. WITNESS: No reason outside of my previous statement.

Q. How many men sleep in that barracks Corporal?

A. PRESIDENT: By that he means Hut 2.

Q. DEFENDING OFFICER: How many men sleep in Hut No. 2 Corporal?

PRESIDENT: The question was about how many Corporal?

A. WITNESS: I don't know whether he means at any time or at the present time.

Q. About how many men slept in Hut No.2 on the night when you stated the accused attacked you?

A. Approximately seven or eight men Sir.

Q. How many beds in the Hut approximately?

A. Approximately 24 Sir.

Q. Double-deckers?

A. Yes Sir.

Q. Does not seven men seem a little low to you to be occupying the hut?

A. Not at that time no Sir.

Q. Were there other men in the washroom?

A. I don't know Sir.

Q. Getting ready to go to bed?

A. I could not say Sir.

Q. You were asleep, you stated you were asleep, how close was the closest man to you to the bed that you occupy?

A. Sir I would say between six and eight feet.

Q. And the next closest?

A. Approximately twenty feet.

Q. Who is closest to you?

A. Lance Corporal Nelson Sir.

Q. How far away was Corporal Furlotte, was Corporal Furlotte there?

A. No Sir.

Q. Did you have any feeling Corporal Geldart when you were putting up this battle with this man that somebody should have come to your aid?

A. Yes Sir.

Q. So you remember wondering that you fought for fifteen minutes taking considerable----

PRESIDENT: He said five to ten minutes Major.

Q. You were bitten on the leg?

A. Yes Sir.

Q. After fifteen minute fight?

A. Mr President Five to ten minutes he said Major.

Mr ~~PRESIDENT~~: Try not to make wrong statements, it looks bad.

Q. After five to ten minutes, you have stated, it didn't appear strange that anyone, no one came to help you, you must have been making a lot of noise, struggling, fighting, headlocks, bitting on the leg, it was a real battle, you have described a real battle, how can you account for the fact that no one came to help you in this barracks puzzles me?

A. Our men sleeps very sound.

Q. Is it not a fact that you are exaggerating a bit about the severity of this fighting, exaggerating a bit when you tell about the blows?

A. Sir our men are used to a noise at twelve o'clock, men on patrol coming in, I am used to it.

Q. They are not used to a fracas, you don't have battles like this, is it not true that you made the time a little longer than it actually was, that this all took place very quickly, that it was practically over before you knew it was started, it all happened so quickly that you cannot really estimate how long it was and that your comrades came to your help almost instantly, is that not so, will you answer that, do you disagree?

PROSECUTOR: May I suggest that the Defending Officer give the Witness a chance to answer, that is a lot of question Sir and he has to consider it Sir.

A. WITNESS: I gave you the time Sir I thought how long it lasted.

Q. PRESIDENT: You said five to ten minutes.

A. Yes, that is the answer, I cannot---

Q. DEFENDING OFFICER: It would be that you say five to ten minutes and you stand by that?

A. Yes Sir.

Q. Can you tell me how it is that you remember

you were hit on the right jaw with his left hand?

PRESIDENT: Now you just stated that wrong Major Shaw, the Witness stated he was hit on the left jaw with the Accused's right hand.

DEFENDING OFFICER: How do you remember that he hit you on the left jaw with his right hand, which way did he approach your bed from the foot or from the head?

Q. He came from the foot of my bed.

A. From which side of the bed as you look at the foot, right or left?

Q. Sir I was laying on my back, from the left side from the way I was laying on my back, on the left.

A. On the left of your bed as you look to the foot?

Q. Yes Sir.

A. Did you spring out of bed and grapple with him?

Q. No Sir not at the first blow Sir.

A. Did he appear to you to be drunk?

Q. No Sir.

A. I want to get this clear Corporal, from the time you sprung up, I think that you did straighten up and grapple with him---

Q. PRESIDENT: After he put his boots on.

A. You were not taking this laying down?

Q. Yes Sir.

A. From then you, on you got the best of the fight?

Q. To a certain point Sir.

A. That is so far as this man is concerned and the intervention of this man Warren?

Q. Yes Sir.

A. You put it to him?

Q. I didn't hit him Sir.

A. You say that he didn't hit you after that?

Q. No Sir.

A. So he really only hit you twice?

Q. Three times Sir.

A. When was the third time?

Q. After I had my shoes on Sir.

A. I had twice in bed, once while getting your shoes on, was it twice in bed and once while you were getting your shoes on?

Q.

A. Once when I was lying in bed, the next when I put my foot on the floor sitting on the bed and the third as I leaned to get up after I had my shoes on.

Q. Well now granted that you had all the provocation in the world that three blows, was that occasioned by you rushing at him, were you in the act of grappling with him when he struck the third time?

A. No Sir.

Q. Once you had your shoes on didn't you spring up and square off?

A. When I was hit I came up quick after my boots were on.

Q. You were hit when you were still working on your boots?

A. No Sir not while I was working on my boots.

DEFENDING OFFICER: I thought you said you were, it is very difficult to find out what the story is. I am confused Sir, it is not that I am trying to confuse the Witness, I understood the witness to say that he was hit the third time while he was getting his boots on on direct evidence.

Q. Will you agree then after you had got your shoes on you got up to fight?

A. I got up to fight Sir?

Q. Once you had your shoes on?

A. No Sir.

Q. Now would the blows which you got while you were still in bed heavy blows, was it from these you were hurt or the ones after you got out of bed?

A. Afterwards.

Q. Was it these blows that you got lying in bed damage or hurt you or after you were able to defend yourself when you were up?

A. I never got any blows heavier than the ones I got in bed that I remember of.

Motion – No Case

It is open to the accused, his Counsel or Defending Officer at the close of the case for the prosecution to submit that the evidence given for the prosecution has not established a *prima facie* case against him, and that he should not therefore be called upon for his defence. If such Motion is made, the proceedings will be recorded on separate pages which will be inserted immediately before the present page D. If the Court is satisfied that the Motion is well founded, it must acquit the accused and register its Finding on Page A.

You do not need to give evidence on oath unless you wish to do so, but if you do give sworn evidence you are liable to be cross-examined by the Prosecutor and questioned by the Court."

You will not be sworn and no question may be put to you by the Court or any person with respect to such statement. I must warn you, however, that evidence given on oath will carry more weight with the Court than a mere statement not on oath."

PRESIDENT: If Private Morris does not give the name now I will have to have him up for contempt of Court.

WITNESS: I don't know his name, I never said I knew his name.

DEFENDING OFFICER: I don't think the Accused understood fully what answer he was giving to that question. He is obviously confused, the Court my explain that question to the Accused.

Q. PRESIDENT: You stated you were not giving the name because you didn't want to squeal on that man, you answered yes to that question?

A. WITNESS: I understand now Sir, I don't know the name I have only slept in that Hut twice since I have been here.

A. I went to the latrine first Sir.

Q. Yes and then?

A. No Sir.

Q. Is not your bed Private Warren closer to the door of Hut No. 2 than Corporal's, Corporal Geldart's bed?

A. Yes Sir.

Q. And therefore if you were approaching your bed you would have to pass Geldart's bed would you not, coming from the latrine?

A. Yes Sir.

Q. And you said that you had gone to your bed?

A. Yes Sir.

Q. And that Morris stopped at Geldart's bed?

A. That is right Sir.

A. No Sir.

Q. Will you explain it then?

A. I went to my bed and started to bed, unbutton my jackst to get into bed and during that time Private

Morris was talking to Corporal Geldart and I naturally turned around, I didn't turn around, was facing my bed was going to make it up, I seen what was going on at the other side of the room while I was unbuttoning my jacket, I went over closer to Corporal Geldart's bed.

Q. But at some time during your movements your back must have been to Corporal Geldart's bed, was it not?

A. Only when I passed Corporal Geldart's bed was my back to him.

Q. And is it not a fact that when you faced Geldart's bed Private Morris was there?

A. He was approaching Corporal Geldart.

Q. Could Private Morris strike Geldart without you seeing it?

A. No Sir.

Q. Was Corporal Geldart struck at all that night?

A. Sir I am not positive on that statement Sir.

Q. Why not?

A. From well I sort of lost control of myself of what happened, I am not sure of that I can tell the truth on Sir.

A. Yes Sir.

Q. How did that happen?

A. At that time Sir I was at the light switches and when I heard the window broke.

Q. How far are the light switches from Corporal Geldart's bed?

A. They are approximately one half way from the door of the hut.

Q. About thirty feet are they not?

A. About thirty feet something like that.

Q. The hut was dark?

A. Yes Sir.

Q. And yet you told us that Geldart was not hit by Morris, is that right?

A. Yes Sir,

Q. Is it not, this is another occasion when you had your back to Geldart and Morris when you went to the light switch?

A. Yes Sir.

Q. What do you remember about it?

A. I remember we ran out of the Canteen and we were sort of playing around fooling and we jumped in the side of a car then we got out of the car and went into the Hut.

Q. Now come to the lavatory, what happened there?

A. And we went into the lavatory and sat down and Sergeant Mann came in and asked me what I was doing in the car.

Q. Were you with Private Morris all the time?

A. There was a lapse of a few minutes while we were not together.

Q. Was that in the lavatory?

A. Yes Sir.

Q. Where did Morris go at that time?

A. Morris was Sir, I cannot state definitely on this, but Morris was I believe a few minutes in the washroom before he went to the toilet.

Q. Who else was in the washroom besides you Mann and Morris?

A. I don't know Sir.

Q. Was there anyone else?

A. Yes Sir there was somebody else.

Q. Did you have any conversation with them?

A. No Sir.

Q. Did Morris have any conversation with them?

A. No Sir.

Q. Did Morris have any conversation with them?

A. I don't know Sir.

Q. You were there?

A. Yes Sir.

Q. Did Sergeant Mann mention Corporal Geldart's name to you or to Private Morris while in the lavatory?

A. I don't know Sir.

Q. Was it right from this lavatory scene that you have given me some details that you went to your bed and Morris went to the bed of Geldart?

A. Yes Sir.

Q. Was Corporal Geldart asleep?

A. I don't know Sir.

Q. Was he lying down in bed or was he sitting up?

A. Lying down Sir.

Q. Did you hear Private Morris invite Geldart to fight?

A. Yes Sir.

Q. Where were you at that time?

A. Close to my bed.

What did Geldart reply to the invitation he had to fight?

Q. He didn't reply Sir.

A. What did he do?

Q. He got up on his bed, he sat up at least, put his stockings and shoes on, then he stood up.

A. What was Morris doing in the meantime?

Q. Morris sort of half turned from, I figured he was going to walk away , anyway he turned half way about.

A. As yet were any blows struck?

Q. No Sir.

A. When was the first blow struck, who struck it?

Q. I never seen any blows struck Sir.

A.

RE-EXAMINED BY THE DEFENDING OFFICER.

Did you hear your answer to that question read?

Q. Yes Sir.

A. Do you mean by that you could not recall what took place up until the time Corporal Geldart got up out of bed?

Q. No Sir I mean.

A. Can you amplify that statement as to why you cannot say out, explain why if you were charged, if you were watching these transactions whether he was hit or not?

Q. Because I didn't see him, being hit Sir.

A. I think in reply to some question as to whether he was hit or not you said when I saw the fight they were wrestling, at some time during the evening they were fighting, is that correct?

Q. Yes Sir.

A. And when did they begin to fight?

Q. Just after Corporal Geldart stood up on the floor.

A. Did Geldart hit the Accused or the Accused hit Geldart?

Q. I didn't see any clenches at all Sir.

A. How did they appear to be fighting?

Q. Morris's back was towards me and Corporal Geldart was I, on the other side of Morris and they were wrestling and Corporal Geldart had a hold of Morris and each had a hold of their arms.

A. Possible either could have hit each other and you could

Q.

not have seen the blow?

Laundry & Dry Cleaning Vouchers

The delay in submitting the original copies of laundry and dry cleaning vouchers to Ordnance when the services have been satisfactorily completed renders the submission of contractors' invoices for payment very difficult.

2. Too often it is necessary for the Ordnance Depot to send numerous hasteners which takes up valuable time and effort.

3. Commanding Officers will therefore issue instructions in this connection to the effect that irregularities of this nature must be avoided in future.
