H.Q. ~~C. 8738-3 F.D. 1 (JAG)~~

OTTAWA, February 5th, 1943.

General Court-Martial
E.25868 - Pte. Leopold HOUDE
No. 5 Coy. R.C.A.M.C., C.A.

1. As requested in your Memorandum of February 4th I append to the cover of this File a precis in English of the evidence given in French by several witnesses at the General Court-Martial held for the trial of the marginally noted soldier in order that, as you state, the Adjutant-General may be in a position to express an opinion as to the sufficiency or otherwise of the sentence.

2. The purpose of K.R.(Can) 575 is that, with respect to the proceedings of the General Court-Martial, the remarks and recommendations of the Adjutant-General as Convening Officer should be before me in order to assist in my preparation of the requisite submission to the Minister. In the particular circumstances of this case, however, I have reviewed the proceedings and have, in my submission to the Minister with accompanying report to the Governor in Council, advised that they have been reviewed and have certified the same as being regular, the Finding properly made and the Sentence according to law.

3. So far as concerns the quantum of sentence, it is my opinion that the circumstances of the case justify the same because the evidence indicates that the accused, Houde, was an active intermediary in respect of the obtaining of pecuniary tribute or reward from persons who were presenting themselves for medical examinations and acted as a distributor of the moneys thus obtained. If the Adjutant-General is of the opinion that the sentence of nine months' detention as awarded should be confirmed, then the submission to the Minister and accompanying report to Council should be forwarded to the Minister accordingly. On the other hand if the Adjutant-General considers that some remission is warranted, I assume that I will be advised in this respect and the necessary amendment can then be made to the submission and report.

4. With respect to the proceedings of this particular Court-Martial, there occurred in the course of the same a species of "trial within a trial" regarding the admissibility of an admission made by Houde on or about 16th or 17th October, 1942, to the D.M.O. and Major Lacasse, the accused's Commanding Officer. I might observe in this connection that objection was raised on behalf of the accused to said admission being admitted in evidence but after hearing the testimony on this point the Court over-ruled the objection and decided that said admission was admissible. I have given much consideration to the legal aspects involved in connection with this point and am of the opinion that no legal exception can properly be taken to the Court's decision,

5. With regard to the proceedings of the General Court-Martial held for the trial of Pte. Hamel, said

PRECIS OF EVIDENCE - IN THE CASE OF - E-25668- PTE. LEOPOLD HOUDE, No. 5 Coy, R.C.A.M.C., C.A. in support of plea-in-bar of Trial.

Page 31

Witness had been Acting Sergeant from June, 1942, until October 16th, 1942. Was sent for by Lt.-Col.J.Mercier on October 17th, about 1600 hours and was asked certain questions about Sergeant Fortin, under whom he worked. Two hours later, he was again sent for by Lt.-Col Mercier, and in the presence of Staff Sergeant Deskosiers, R.C.M.P., and Staff Sergeant Plamondon, was told to take down his stripes. This was done. About an hour later, by order of Lt.-Col. Mercier, he was arrested.

In cross-examination, the witness affirms the above and agrees that there was no charge laid against him by Lt.-Col. Mercier, and further agrees that he was not told to take down his stripes as a punishment. He was Acting Sergeant, without pay.

Questioned by the Court, he agrees that his permanent rank was that of an ordinary soldier.

On page 47, after an adjournment of the Court, Counsel for the accused announces that he wishes to withdraw his plea-in-bar of trial. The Prosecutor objects, but the Court, after consultation with the Judge Advocate-General in Ottawa, rules that such a plea may be withdrawn on behalf of the accused, at any time and the objection by the Prosecutor is overruled.

On page 53, the accused pleads "Not Guilty" to both charges.

Page 55

1st Witness for the Prosecution - J. Adelard Aube, a merchant, resident in the city of Quebec, states that he has known the accused for 12 years. In or about the month of August, he visited the accused at his house, because his son was about to be examined by the Army Medical Board, and he had been placed by his private physician in category "E". He knew that the accused was experienced in these matters, and asked him how he could obtain a final rejection of his son by the Army. The accused had replied that it would be difficult, but he would see what could be done. Later, after the receipt of a telephone message, he went and saw the accused at Headquarters, M.D. 4, Rue St. Jean, Quebec, and the accused said what he wished could be arranged, but it would be expensive, as he the witness, was known to be a "Big Boy", and because there were several, whose hands would have to be greased. As a result, he gave the accused $600.00. In cross-examination, the witness' evidence is not shaken and he affirms the statement that the accused had demanded that the payment should be in cash and not by cheque.

Page 81

2nd Witness for the Prosecution - Jean Ferrier, watch-maker, living at Deschaillons, P.Q., says that he presented himself at Military Headquarters in the Rue St. Jean, Quebec, about the 20th of September, 1942, having gone there with several others to be examined by the Army Medical Board. He was seated in a corridor, when the accused, who was in uniform, spoke to him, and after some conversation, asked if he wished to obtain his discharge. The accused made the remark that the witness

was not of a physique likely to make a soldier. The accused told him that it would cost him something, but a discharge could be obtained. After that the witness was taken by an unidentified individual into another room and given what he calls a "Petit examen". This other individual told him he was not a doctor. The accused then told the witness that if he were not passed as "fit" upon his examination, he should then go down stairs and enroll as a volunteer. Up to that time he had not enrolled, and therefore on the advice of the accused, he signed the enrollment papers, which he handed to the accused, who then gave him his discharge as "Medically Unfit" and received from him $35.00 or $45.00. In cross-examination, he says that the accused was not there when he was examined by the man who said he was not a doctor, and that he was not there when the witness was examined by the Army Board. Apparently he contradicts his former evidence, that it was the accused who actually handed him the certificate of discharge. Questioned by the Judge Advocate, and by the Court, he reaffirmed that it was the accused who demanded the money for having obtained for him his discharge, and the accused who received it.

Page 87

3rd Witness for the Prosecution - Joseph Aube, Traveller, living at 66 Rue d'Artigny, city of Quebec, son of the first witness. He first met the accused at his house in September, 1942, when the accused had asked him if he suffered from any illness. Learning that he did, the accused told him that he could get exempted from Military Service and suggested that he accompany him to see a private physician. The witness did so. Two days afterwards, he was notified by telephone to attend at Military Headquarters, Rue St. Jean, and on the third floor he saw the accused. The accused told him to go down below, and sign the papers which were necessary for him to obtain an examination by his Army Medical Board. Having been examined, he left the Rue St. Jean, and returning in the afternoon, obtained his certificate of discharge. He knew of no arrangement betweem his father and the accused, in regard to a money payment to the latter.

Page 91

4th Witness- Leopold Bedard - Automobile mechanic, living at Loretteville, P.Q. Witness says that he went about the 17th of September 1942, to the Recruiting Office in the city of Quebec, with the object of enrolling as a volunteer in the Army. There he had met a soldier before he went up for his medical examination who asked him a certain question. This soldier gave him some information and asked him if he had any sickness, to which he replied "yes", and to which the accused replied "Don't be afraid". He was then examined by the Board and discharged. Before leaving the RecruitingOffice, he saw the accused and handed him $10.00 in thanking him for his assistance. In cross-examination witness says that he believes that the soldier to whom he handed the money was the accused, but cannot swear to it.

Page 95

5th Witness for the Prosecution - Andre Lapointe- Taxi Driver living at Laurier Station, P.Q. This witness says that he met the accused at the house of the father-in-law of the accused sometime in the early autumn of 1942. They had some conversation in regard to the chances of the witness being discharged by the Army by reason of the fact that he had a category "E" classification from his own physician. The accused told him he would do well to present himself to the Army Medical Board, but told him he, the accused, had nothing to do with

5th Witness - Prosecution (Con)

those matters. As a result, about the month of October, 1942, he went to Quebec and voluntarily engaged for service. He had to submit himself three times for examination by the Army Board and on each time the accused was present but apparently no conversation pertaining to the charge passed between them. However, when he received his certificate from the Medical Board as category "E" and was leaving the Military Headquarters, he gave the accused $10.00 as a gift. In cross-examination, he attempted to explain the gift by saying that the accused had done him several services altogether apart from anything in connection with his Medical Examination and explains that the accused had some influence in Laurierville and could obtain goods for him from merchants there at a discount. Questioned by the Judge Advocate, he admits (Question and Answer 270) that the services perhaps had something to do with obtaining his discharge by the Army Medical Board. He further says that the amount saved him in his dealings with Laurierville merchants by the influence of the accused would not amount to more than $50.00.

Page 109 6th Witness for the Prosecution - Girard Simard, Manufacturers' Agent, living at 83 Dorchester St. Quebec, stated that he went to the office of the Army Medical Board in the Rue St. Jean in company with one, Raymond, with the object of seeing a soldier named Fortin. They met there the accused, who told them that Fortin was on leave, but that he might serve in his place. The witness asked the accused whether he could obtain a discharge from the Army for Raymond. The accused advised that Raymond should go and see a private doctor and get a certificate from him. The advice of Fortin was taken and after that Raymond obtained his discharge from the Army Medical Board. The witness gave the accused $5.00 as a gift for his trouble.

Page 113 7th Witness for the Prosecution - Roland Trudel, C.N.R. employee living at 76 Avenue de Erables, Quebec. The witness says that on the 8th of October he went to the Recruiting Bureau in Quebec and filled in papers, on the first floor. He then went to the third floor. A few days previous to this he had met the accused, who had advised him to obtain a certificate of Medical Examination from a private doctor, which advice he had followed. After he had been examined by the Board and obtained his discharge, he saw Hood, and in the lavatory on the third floor of the Recruiting office, he had given the accused $25.00. No cross-examination.

Page 117 8th Witness for the Prosecution - Antoine Beaudet, mechanic living at 47 Rue de Remparts - Quebec. The witness states that early in October 1942, he had gone to the Recruiting Office in Quebec, passed the Medical Examination and had there met the accused who seemed to be in charge. The accused asked him if he had made arrangements with any one, and on being told that he had not, the accused suggested that he might be able to help him. He was then undressed and passed his medical examination, being classed "E". The accused then advised him to volunteer for Active Service in order to obtain his discharge and told him to go downstairs and sign his papers, which he did. He then gave the accused $20.00 for having assisted him and obtained his discharge more quickly. Under cross-examination, he says that the accused was not present at the Medical Examination, and did not fill in the enlistment papers for him.

Page 123 9th Witness - Roland Blouin - Carpenter of Matane, P.Q. Witness says that he attended the office of the Bureau of Recruiting Rue St. Jean, Quebec in response to a call up for Military Service. The accused came out and spoke to him and asked him whether he was ill. The witness replied "yes" and inquired if the doctors were severe, and the accused replied "that they were not bad". The accused had suggested that he might be able to arrange something if the witness was ill, but the witness passed his examination and nothing further happened.

Page 215

10th Witness for the Prosecution - Lt.Col. Jules Mercier, D.M.O., M.D.5. Witness is asked to examine a document said to contain a declaration made by the accused on the 17th of October and which, it is said, constitutes an admission of guilt on the second charge. The document is identified by the witness and becomes Exhibit "H" to the proceedings. Witness states that on the evening of October 16th, on the third interview which he had in the presence of Major Lacasse with the accused, the accused made the statements contained in the document after he had been warned he did not have to make any statements, and that if he did they could be used in subsequent proceedings, and that the accused could have a lawyer if he wished to. Witness states that the accused replied that he refused to answer any questions, but immediately went on and made the statements contained in exhibit "H". In cross-examination, the witness explains that during the time the accused made verbal statements to him he took notes and that he then called in a stenographer and in the presence of the accused dictated to the stenographer the statements made by the accused, verbally. As he dictated each sentence, he would ask the accused whether that was a correct interpretation of what he had said, and in every case the accused agreed. Possibly, he put the written statement into somewhat better french than that used by the accused, but the sense was exactly the same and was agreed to by the accused. The witness did not press the accused by questions wherever he appeared the least reluctant to answer as he was conscious that he should only include what the accused really wanted to say. After the declaration was finished, it was handed to the accused, who, he believes, read it over before he signed it.

See Page 8A. "H"

Page 235

11th Witness- Major J.L. Lacasse, O.C. 5th Company, R.C.A.M.C Quebec. Witness states that he was present at the interview with the accused referred to by Col. Mercier, and which took place in the evening of October 17th. The accused made verbally, certain statements, the effects of which are set out in the document now before the Court marked exhibit "H". In addition the accused stated that sometimes he would send recruits to private doctors who worked at the office of M.D. 5, to find our whether these recruits would be category "A" or "E". Also he stated that he had offered some money to one, Major Girard who had refused to "let himself be bought". After he had made these verbal statements, Col. Mercier sent for a typist, Sgt/Major Drolet, and from notes taken by him, dictated exhibit "H" to Sgt/Major Drolet. The document was then read out to the accused and then handed to him to read. The accused then signed it and it was witnessed by Major Lacasse, In cross-examination, he affirms the above and explains that the duty of the accused was to be in charge of the room, where the recruits undressed prior to their medical examination. He agrees that this would result in the accused seeing all recruits.

Page 245

12th Witness- E-20613, C.S.M. Company Sgt/Major Drolet, R.C.A.M.C., Quebec, identifies exhibit "H" as the document he typed on the 17th of October, but under cross-examination, says that he cannot identify it by reason of any particular type or sign upon it.

Page 249

13th Witness for the Prosecution - Baromee Jermain, living at Pont-Rouge, P.Q., millwright. Witness states that he went to the recruiting office on October 14th and enrolled in the ordinary way. He had no conversation with anyone who suggested any payment in money from him. No Cross-examination.

Page 251

14th Witness for the prosecution - Emmanuel Jermain living at Pont-Rouge, P.Q., Carpenter. This witness went to the recruiting office in the City of Quebec on the 15th of October, 1942, and enrolled in the ordinary way. Nothing out of the ordinary appears to have occurred. No Cross-examination.

N.B. Prosecutor later apologizes to the Court for having in error called the last two witnesses.

Page 253

15th Witness - Major J.A. Girard, 5th Company, R.C.A.M.C., Quebec. Witness states that he knows the accused through his attendance at the office of the Medical Board. On three or four occasions accused asked him whether he could bring some friends to be examined by the witness, and he had consented to see them in his private office. He recalls particularly the case of one, Aube. He was asked to examine Aube, and he classed him as category "A", and was paid $2.00 by Aube for this examination. Witness says that the accused suggested to him that if Aube could be classed category "C" there would be money to be made, and says that he, the witness, refused to have anything to do with it, saying that would be unjust, dishonest and not acting like a soldier. He did not take the offer seriously, but nevertheless thought the suggestion suspicious. In cross-examination, he affirms the above statements even more emphatically and reaffirms that he classed Aube as "A". He agrees that Aube could possibly have been classed differently by an eye specialist, or an ear specialist, which he, the witness, was not. He says that he understood that he, being an officer of the Reserve, might accept the ordinary professional fee for a private examination of $2.00.

Page 267

16th Witness- Yvan Frenette, mechanic, living at 37½ Rue Cremazzi, Quebec. This witness on a Monday during the second week of October, 1942, visited the Recruiting Office for the purpose of having a Medical Examination. It was the accused who told him to undress, but he neither asked him for money, nor did he pay any money. No cross-examination.

The accused did not give evidence himself, nor did he call any other witnesses in his defence. He called the following three witnesses as evidence of his character only.

1st Witness- Major J.L. Lacasse, already sworn. This witness states that until the occurrences of which he has already given evidence, Houde had served in a satisfactory way and had always shown himself ready to do all that he was asked.

2nd Witness- Lt./Col. J. Mercier, already sworn. This witness states that until the circumstances occurred of which he has given evidence, that the accused had given satisfaction, had carried out his duties and seemed to have a good character.

Page 277 3rd Witness- Sgt./Major J.E.E. DesRosiers, R.C.M.P. already sworn. This witness states that he was called in to make an investigation into the irregularities alleged to have occurred in the Recruiting Office in Quebec, and says that the accused did all he could to aid him in his investigation.

Je soussigné E-25868 Private Léopold HOUDE (A-Sgt.) refuse de répondre aux questions du Lieutenant-Colonel Jules MERCIER, D.M.O.-M.D., No. 5 après la mise en garde. Cependant j'avoue avoir donné au Capitaine G.A. GRONDIN, No. 5 Company R.C.A.M.C.(A) C.A., la somme de vingt piastres ($20.00) au capitaine GRONDIN. Je pense qu'il a donné sur ce montant au Major C.R. GUIMONT, No. 5 Company R.C.A.M.C.(A) C.A., qui a dit:-

"Il a donné seulement trente piastres ($30.00). J'admets avoir reçu deux cents à deux cents cinquante piastres ($200.00 à $250.00) depuis, et pendant le courant de l'été. L'argent provient d'individus qui étaient réellement et physiquement inaptes au service d'après moi. Ils auraient eu quand même leur "décharge". Les types venaient me voir et je les dirigeais au Sergent Georges FORTIN. J'ai reçu les trentes piastres ($30.00) d'un type de Baie Comeau. Quand j'ai donné au Sergent FORTIN la somme de quarante à quarante cinq piastres ($40.00 à $45.00). J'avais reçu la somme de soixante ou soixante cinq piastres ($60.00 ou $65.00). Quand j'ai donné au Capitaine G.A. GRONDIN R.C.A.M.C. (A) C.A., la somme de vingt piastres ($20.00 sur le trente piastres ($30.00) reçu, il m'a dit de lui remettre çà l'après-midi. J'ai reçu aujourd'hui le 17 octobre, 1942 la somme de cinq piastres ($5.00) d'un nommé RAYMOND par l'entremise d'un nommé SIMARD qui l'accompagnait. J'ai demandé deux (2) ou trois (3) fois à des officiers médicaux si un tel individu allait être classé "A" ou "E". Ils m'ont toujours dit qu'ils ne pouvaient pas car le D.M.O., avait donné des ordres sévères à cet effet. En plus il y avait le caporal HAMEL qui avait reçu vingt-cinq piastres ($25.00) il y a trois (3) ou quatre (4) semaines. J'ai reçu il y a deux (2) ou trois (3) jours une bouteille de "Scotch" d'un nommé TRUDEL de la rue Crémazie je crois.

J'ai offert de l'argent au Major GIRARD, mais ce dernier m'a déclaré que le "gars" serait classé "A". Le major GIRARD n'a pas voulu de faire acheter.

MEMORANDUM

TO: J.A.G.

H.Q.C. 8733-3 F.D.1 (DAG)

OTTAWA, 4th February, 1943.

General Court-Martial
E.25868 - Pte. Leopold HOUDE
No. 5 Coy. Royal Canadian Army Medical Corps, C.A.

Enclosed herewith you will find the proceedings of the trial of the marginally named Other Rank which commenced on the 25th November, 1942, and concluded on the 8th January, 1943, together with the summary of evidence and the medical certificates.

2. It will be noted that the proceedings are all in French.

3. Under Para. 575 of K.R. (Can) 1939, the A.G., as the convening officer, is required to forward the proceedings to the J.A.G. together with his recommendations and remarks. As, however, the proceedings are in French the A.G. feels that, without a precis on which to base his judgment as to the sufficiency or otherwise of the sentence, he is not in a position to make any recommendation or remarks.

4. Ordinarily the procedure would be, of course, to have the whole proceedings translated into English. This however would take considerable length of time and time is a vital factor in disposing of Courts-Martial. As your Department, however, is required to pass on the sufficiency of the evidence, legality of the proceedings, etc., the whole summary will have to be read by a French-speaking officer in your Department. It is suggested that considerable time could be saved if the officer in your Department who reviews the summary were to make a short precis in English setting out very briefly the relevant factors, together with any mitigating factors contained in the depositions on which the A.G. could base his recommendation and remarks.

5. Although it is conceded that your Department is not interested in the sufficiency or otherwise of the sentence, it would materially assist the A.G. if the reviewing officer would state his own personal opinion based of course on the depositions as to whether or not the sentence is excessive, adequate or inadequate.

6. On the 3rd February this office forwarded you the General Court-Martial proceedings in the case of #E.25913, Pte. Louis-Pbilippe Hamel. At that time the A.G. concurred in the finding and the sentence. Those proceedings were also wholly in French and the A.G. now asks that your officer reviewing the proceedings as required under para. 575 of K.R. (Can) prepare a short precis in English which would enable the A.G. to answer any question which the Minister might ask relative to the facts disclosed in the Court-Martial proceedings and the sufficiency of the sentence.

CANADIAN SPIRIT Y.M.C.A. ON ACTIVE SERVICE

Statement of Pte Hinger

"I" [illegible]

My reasons for refusing to take the uniform and serving in the army are. I have pledged my allegiance to "Jehovah the God of Israel and his kingdom. therefore it is impossible for me to become a soldier in any army. In "Matthew ch 6 verse 24 it is written that no man can serve two masters for either he will hate one and love the other or else hold to the one and despise the other. you cannot serve god and mammon.

I am a christian and the scripture command us to remain neutral in the wars between the nations. It clearly points out in the bible that a christian has no permission to use carnal weapons. In ephesians ch 6 verse it states take the shalemt of salvation and the sword of the spirit which is the word of god. and in 2 corinthians ch 10 verse 3 & 4 it states that a christians defence is not with flesh and blood for though we walk in the flesh we do not wage after the flesh

for the weapons of our warfare are carnal. The scrptures prove that Jehovah at the battle of armageddon without man's help will destroy the wicked nations that all men that go contrary to his laws. In Zephaniah ch 3 verse 8. the lord speaks.

Therefore wait ye unto me said the lord until the day that I rise up to the prey: for my determination is to gather the nations that I may assemble the kingdoms, to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devored with the fire of my jealousy I have placed my trust and faith in the lord for protection and deliverence and must at all times obey his laws. For if I violate his supreme laws I will be punished with everlasting destruction as covenant breakers are worthy of death Romans ch 1 — 28-32 therefore I will never be a soldier.

SUMMARY OF EVIDENCE

in the case of

L534020 Pte. Bill HRYCYK, General List, No. 12 R.R.M.A. Clearing Depot, attached to No. 12 District Depot, C.A., Regina, Sask., a soldier of the Canadian Army called out for training pursuant to the National Resources Mobilization Act 1940, and the regulations made thereunder, as amended, is charged with:

CHARGE: Sec. 9(2) Army Act — FAILING TO OBEY AN ORDER WHEN GIVEN BY A SUPERIOR OFFICER

The Commanding Officer directs that the evidence by taken under oath.

Helen Walker duly sworn as stenographer.

First Witness — L22001 A/RQMS Sneddon, D. L., No. 12 District Depot CA, Regina, Saskatchewan, having been duly sworn states:

"I am L22001 A/RQMS Sneddon, D. L., Quartermaster of the 12th District Depot, Regina, Saskatchewan.

"On April 3rd, 1943, at approximately 0830 hours I was on duty at the Quartermaster Stores when the accused L534020 Pte. Hrycyk, B. was paraded under escort for the purpose of being equipped with a Canadian Army uniform.

"I asked the accused if he would put the uniform on. I then told the escort to take him to the dressing room. From the clothing rack I took battle dress blouse and trousers. Going to the dressing room I explained to the accused my rank as a senior N.C.O., stating any order which I gave had to be obeyed. I asked him if he understood. He did not answer. I then said "or refuse". He said he understood.

"Offering him the uniform I said: "Put this uniform on". His answer was "No." Again I said "This is a direct order. Put this uniform on." His answer was "No".

"He was then taken to the guard room on the morning of the 3rd of April.

Q. How were you dressed?

A. I was dressed in the uniform of the Canadian Army with the badge of rank on the sleeve of the battle dress blouse plainly visible.

Q. Did Pte. Hrycyk take the uniform and put it on?

A. He did not take the uniform nor put it on, Sir.

Accused declines to cross-examine the witness.

(SUMMARY OF EVIDENCE cont'd 2)

Second Witness Captain George Robinson, M.C., Adjutant and officer in charge of Records, No. 12 District Depot, Regina, Sask., having been duly sworn states:

"I am Capt. George Robinson, Adjutant and Officer in charge of Records, No. 12 District Depot, Regina.

"I produce a certified true extract of No. 12 District Depot Part II Order # 93 dated 3rd April 1943 relative to the accused.

Marked "A" and attached to summary.

Accused declines to cross-examine the witness.

(G. Robinson, M.C.) Capt. & Adjt.
No. 12 Dist. Depot CA.

QUESTION TO THE ACCUSED: Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

ANSWER OF THE ACCUSED: I wish to make a statement. The reason why I refused the uniform and serving the army is I have to do the will of God and serve him only. I take the bible as my guide and I must do as the scripture commands us. I always obey the laws of man if they are not in conflict with God's laws, but when there is a conflict between the laws of man and God I must obey the laws of God, as they are the most high in the world.

I am a Christian and my duty as a Christian is to follow in the steps of our Lord Jesus Christ. As I have made a covenant to do the will of God and for a Christian to break his covenant means his everlasting destruction. That is all.

L534020 Pte. HRYCYK, Bill

I certify that Rules of Procedure 4 (C), (D), (E) and (F) have been complied with.

I have put my trust and faith for deliverence in Jehovah the almighty God and I consciously believe that there is no other way as the scriptures also prove us to enter into eternal life and enter into Gods kingdom which will be established and sealed by his anointed king as it states in Daniel 2-44 Jonah 9-6,7.

Well I think that I have given a clear explanation why I refuse to take the uniform and serve in the army. I wish this matter would be brought into consideration. In closing this statement I would like to know what you want us to fight for, if it is for democracy, then why are Jehovah's servants arrested for preaching the Gospel of God's kingdom and put in jails when such work is commanded by the lord. Matthew 24-14 and this gospel of kingdom shall be preached in all the world for a witness unto all nations and then shall the end come. I feel that we are not wanted therefore I ask to be released from all military services that I may carry on the work of Jehovah God.

CANADA
ON ACTIVE SERVICE

I wish to explain my reason why I refuse to put on the uniform and serve in the army. I have made a covenant to do the will and serve "Jehovah the Almighty God" and his "anointed king". I am a "christian" and I respect and obey the laws of "Jehovah the almighty God" which are the most high of all laws, and I cannot take part in serving the worldly government I always obey the laws of the country if they are in harmony with Gods laws but if there is a conflict between the laws of the country and the laws of "almighty God" as a "christian I must obey Gods laws" In exodus chapter 20-13 in Gods Commandments it states thou shalt not kill this is the law which I must obey at all times. also in matthew 6-24 it states no man can serve two masters for either he will hate and love the other or else he will hold to one and despise the other ye cannot serve "God" and Mammon. I must serve God and obey his laws as it states in Acts 5-29 we ought to obey God rather than men.

v. 4 Therefore in James 4.4 it states ye adulterers and adulteresses know ye not that friendship of the world is enmity with God. whosoever therefore will be a friend of the world is the enemy of God. well does this scripture prove that if a person has made a covenant to do the will and serve "God". he must not remain neutral and take no part in the worldly affairs. for if he takes part in serving the world he is a friend of the world but he is an enemy of God. as it states in St John 17-16 they are not of the world even as I am not of the world this scripture explains that as followers of christ Jesus we are not of the world for also in St John 15-19 it says "if ye were of the world the world would love his own but because ye are not of the world, but I have chosen you out of the world therefore the world hateth you. Jehovah God instructs his covenant people through the knowledge of scriptures to remain separate from the world and proclaim the kingdom by preaching Mt 24. 14 2 Tim 2. Timothy 2. 3.4 the people of the kingdom shall therefore endure hardness as a good soldier of Jesus christ no man that warreth entangleth himself with the affairs of this life that he may please him who had chosen him to be a soldier. and in 2 Corinthians 2-10-3,4,5 for though we walk in the flesh we do not war after the flesh for the weapons of our warfare are not carnal but mighty through God to pulling down of strong holds. casting down imaginations and every high thing that exalteth itself against the knowledge of God and bringing into captivity every thought to the obedience of Christ. As a christian my conscious does not permit me to violate the supreme laws of "God" for if I break my covenant I will be exposed to receive everlasting destruction for as it states in Romans 1.31-32 covenant breakers are worthy of death. therefore why ask me to take part in these worldly wars in destroying the totaliterian elements but this is impossible for me to do for Jehovah God commands us to take no part but to wait upon him as it says in Zephaniah 3-8. therefore wait ye upon me, saith the lord until the day that I rise up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms. to pour upon them mine indignation even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy.

STATEMENT - Bill Hrycyk

I wish to explain my reasons why I refuse to put on the uniform and serve in the army. I have made a covennant to do the will and serve "Jehovah the Almighty God" and his "annointed king." I am a "Christian" and I respect and obey the laws of "Jehovah the Almighty God" which are the most high of all laws, I cannot take part in serving the worldly Governments. I always obey the laws of the country if the laws are in harmony with God's laws but if there is a conflict between the laws of the country and the laws of "Almighty God" as a "Christian" I must obey God's laws. In exodus, Chapter 20-13 in Lord's Commandments, it states thou shalt not kill, this is the law which I must obey at all times. Also in Matthew 6-24 it states no man can serve two masters for either he will hate and love the other or else he will hold to the one and despise the other ye cannot serve "God" and Mammon. I must serve God and obey his laws as it states in Acts 5-29 we ought to obey God rather than man. Therefore in James 4-4 it states ye adulteres and adulteresses know ye not that the friendship of the world is inmity with God whosoever therefore will be a friend of the world is the enemy of God. Well does this scripture prove that if a person has made a covennant to do the will and serve "God", he must remain neutral and take no part in the worldly affairs, for if the takes part in serving the world he is a friend of the world but he is an enemy of God. As it states in St. John 17-16 they are not of the world even as I am not of the world this scripture explains that as followers of Christ Jesus we are not of this world for also in St. John 15-19 it says "if ye were but because ye are not of the world, but I have choosen you out of the world therefore the world hateth you. Jehovah God instructs his covennant people through the knowledge of scriptures to remain seperate from the world and proclaim the kingdom of heaven by preaching. In 2 Timothy 2.3.4. gosple of God's Kingdom Thou therefore endure hardness as a good soldier of Jesus Christ no man that warreth entangleth himself with the affairs of this life that he may please him who had choosen him to be a soldier. And in 2 Coriniathans 2-10-3,4,5, for though we walk in the flesh we do not war after the flesh for the weapons of our warfare are not carnal but mighty through God to pulling down of strong holds, casting down imigination and every high thing that exalted itself against the knowledge of God and bringing into capturity every thought to the obedience of Christ. As a christian my conscions does not perimt me to violate the supreme laws of "God" for it I break my covennant I will be exposed to receive everlasting destruction for as it states in Romans 1.31-32 covennant breakers are worthy of death. Therefore why ask me to take part in these worldly wars in destroying the totalitarian element for this is impossible for me to do for "Jehovah God" commands us to take no part to wait upon him as it says Zehanish 3-8. Therefore wait ye upon me, saith the lord until the day that I rise up to the prey; for my determination is to gther the nations, that I may assemble the Kingdoms to pour upon them mine indignation even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy. I have put my trust and faith for deliverence in Jehovah the almighty God and I consciously believe that there is no other way as the scriptures also prove us to enherit internal life and enter into Gods Kingdom which will be established and ruled by his annointed king as it states in Daniel 2-44 Isiah 9-6,7,

Well I think that I have given a clear explanation why I refuse to take the uniform and serve in the army. I wish this matter would be brought into consideration. In closing this statement I would like to know what you want us to fight for, if it is for democracy, then why are Jehovah's servants arressted for preaching the Gospel of God's kingdom and put in jails when such work is commanded by the lord. Matthews 24-14 and this gospel of Kingdom shall be preached in all the world for a witness unto all nations and then shall the end come. I feel that we are not wanted therefore I ask to be released from all military services, that I may carry on in serving "Jehoviah God."

DEFENDING OFFICERS CLOSING
ADDRESS

Mr. President and Members of the Court; here we have a young lad whose background has produced a very irresponsible lad due entirely to the lack of parential guidance. The father died when this young lad was only eight years old. The mother, you saw her here this morning, was leaning on this young lad. Bad company, on his own confession he had been in trouble three times before. He went Overseas at a very tender age and he was homesick. I myself, speaking from my own experience, having gone abroad when I was a very young lad, I too was homesick. But this boy had no background to help him, none whatsoever. If this boy had had a father worthy of that name no doubt when he returned from Halifax to his home he would have been sent directly back to the barracks to report himself as soon as he had seen his mother instead of which he arrives here, has no money and he goes north and returns as he says and as his mother says to give himself up. In that particular regard I would ask that the charge be altered from one of desertion to that of illegal absence without leave. Perhaps many of our soldiers are like this boy. The Army make many men and in some cases it will make such as you see here a smart looking soldier as good as we should find, perhaps, in the Canadian Army. Because of this boy's life in the past I ask you gentlemen to give him a chance to show his worthy sort. The Army in this case might make a real soldier and a real citizen and I throw him on the mercy of the Court.

PROSECUTING OFFICER'S CLOSING ADDRESS

Sir, whether the accused is guilty of the crime as charged or whether he is guilty of being illegally absent is the question of intention. My submission is, if the accused intended to leave the Army when he went A.W.L. at Halifax he is guilty of Desertion. He may have changed his mind at a later date, I am not admitting that, I am putting that forward as an argument, if he did change his mind at a later date he still intended to leave the Army at the time he left Halifax and, because of that intention, I submit he is guilty of desertion. We have the accused's statement that he intended to give himself up and we have his mothers statement that that is what he told her. That statement should be very carefully examined and weighed before it is given any credence. He came home from Halifax, according to his own evidence and he went to work in a Civilian occupation, gold mining, and I would submit, Sir, that at that time he had no intention of returning to the Army. He took a civilian job. If he intended coming back to the Army he could have gone back at any time. He said that he was afraid of coming back and that he couldn't get along with his step-father. My submission is, Sir, that when this man left the Army at Halifax he was fed-up. By his own statement he left England illegally. He came back to Newfoundland. He gave himself up and was brought to Halifax. He was given punishment for that offence, I think he said somewhere around the end of April, 1942, and was then charged with desertion on the 26th day of May, 1942. That is not very long after he did his punishment for that prior offence. I would ask the Court to consider that very carefully. Now, there is another statement made, which, to be quite frank, I am at a loss to follow. This young man states that he was the man of the house for a number of years and yet, at the same time he admits that he was in trouble with the Police on three different occasions and was out on suspended sentence. I am at a loss to understand that statement of the accused. I think it should be taken very carefully. Counsel for the Defence has said if he had a father worthyof the name the father would have sent the accused back to his Regiment. He could have done that when he came home in May or June but he didn't. We have the accused's own evidence that he couldn't get along with his step-father and it may have been that the father did endeavour to send this lad back and, as a result, the lad went to the Gold Mines. These things should be considered by the Court. The Court will have to decide whether it was this young man's intention of staying away when he left Halifax and I submit, on his own statement that that was his intention.

Re: COURT OF INQUIRY - Loss of Pistol L.932027
H.46272, Pte. P. Harasymiw,
Lake Superior Regt. (M)

Reference your memorandum March 17th, 1943, hereunder.

2. Under the circumstances, I see no objection to the charge under Section 24(2) being laid against this soldier. Paragraph 536, K.R.(Can.), very strictly interpreted, would appear to be against the view I have expressed, but it is thought that the meaning of the said paragraph should not be so extended that in every case where a soldier has been tried by a Court-Martial on a charge of desertion, he cannot be charged ever afterwards for deficiencies, under Army Act, Section 24(2). I consider that the said paragraph should be more liberally interpreted to mean that where it is proposed to charge a soldier with desertion and also with loss of kit, under Section 24(2) aforesaid, that the said charges should be disposed of at the same time by the Court-Martial, rather than separately. I do not think that it was ever intended that in all cases where a soldier has been charged with desertion before a Court-Martial, and not with a charge under Section 24(2), that such latter charge can never be again laid covering the loss of articles of which the accused may have been deficient either before, during or after the desertion.

3. I see no necessity to withhold the taking of disciplinary action pending the completion of the sentence being presently undergone by the accused. K.R.(Can.), para. 591 provides that a soldier undergoing a sentence by Court-Martial may be removed from the place where he is undergoing detention in order to be brought before a Military Court for trial.

Brigadier,
Judge Advocate-General.

Court of Inquiry - Loss of Pistol L.932027
H.46272, Pte. P. HARASYMIW
Lake Superior Regt. (M)

1. The marginally noted soldier was tried by District Court-Martial at Halifax on the 13th November 1942 on a charge of desertion. He was found not guilty of desertion but guilty of absence without leave and was sentenced to six months detention.

2. On the 2nd November 1942, Camdlitary forwarded a Court of Inquiry in respect to loss of a pistol, the value of which, it was decided, should be recovered from this soldier.

3. The proceedings of the Court of Inquiry have been forwarded to the D.O.C., M.D. 6.

4. These proceedings disclose that Pte. Harasymiw was issued with this pistol and on his return from his absence was unable to produce the same.

5. On the 20th January 1943 this Directorate directed that disciplinary action be taken against this soldier by way of a charge under Section 24 (2) of the Army Act for loss of pistol, which charge was to embody the making good of the value of the pistol (see folio 56).

6. On the 4th March 1943 the D.O.C., M.D. 6 advised that disciplinary action was being withheld until the soldier's release from his term of detention.

7. Your opinion is requested in respect to the following:-

(a) Under the circumstances, is there any objection to the charge under Section 24 (2) being laid against this soldier.

(b) If there is no objection, is there any necessity to withhold the taking of disciplinary action pending the completion of his sentence and conviction of absence without leave.

8. H.Q.C.56-H-303 and H.Q.405-H-4443 are passed herewith.

District Depot. C.A.

1. Receipt is acknowledged of your H-H-1420 dated November 25, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. In addition to the irregularities mentioned in your letter the following have been observed in the proceedings.

(a) Form M.F.B. 1481 was not properly completed in that the officer who signed the same neglected to date the particulars and also neglected to strike out the inapplicable parts of the same as well as the inapplicable description after his signature. It is also preferable that this form should be completed in ink.

(b) The civilian constable who signed the certificate of apprehension should have set out what place he was Chief Constable of, so that it might appear on the same that he was in charge of the Police Station at Hornpayne, Ontario, or of what ever place the accused was taken into custody.

(c) The medical officer who signed form M.F.B. 246 neglected to set out his Corps and Unit after his signature and rank.

10/12/42

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

1. Receipt is acknowledged of your H-H-1420 dated November 25, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. In addition to the irregularities mentioned in your letter the following have been observed in the proceedings.

(a) Form M.F.B. 1481 was not properly completed in that the officer who signed the same neglected to date the particulars and also neglected to strike out the inapplicable parts of the same as well as the inapplicable description after his signature. It is also preferable that this form should be completed in ink.

(b) The civilian constable who signed the certificate of apprehension should have set out what place he was Chief Constable of, so that it might appear on the same that he was in charge of the Police Station at Hornpayne, Ontario, or of what ever place the accused was taken into custody.

(c) The medical officer who signed form M.F.B. 246 neglected to set out his Corps and Unit after his signature and rank.

10/12/42
[illegible]

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

Court of Inquiry - Loss of Pistol L.032027
H.46272, Pte. P. MARASYMIW
Lake Superior Regt. (M)

The marginally noted soldier was tried by District Court-Martial at Halifax on the 13th November 1942 on a charge of desertion. He was found not guilty of desertion but guilty of absence without leave and was sentenced to six months detention.

2. On the 2nd November 1942, Cammilitary forwarded a Court of Inquiry in respect to loss of a pistol, the value of which, it was decided, should be recovered from this soldier.

3. The proceedings of the Court of Inquiry have been forwarded to the D.O.C., M.D. 6.

4. These proceedings disclose that Pte. Marasymiw was issued with this pistol and on his return from his absence was unable to produce the same.

5. On the 20th January 1943 this Directorate directed that disciplinary action be taken against this soldier by way of a charge under Section 24 (2) of the Army Act for loss of pistol, which charge was to embody the making good of the value of the pistol (see folio 55).

6. On the 4th March 1943 the D.O.C., M.D. 6 advised that disciplinary action was being withheld until the soldier's release from his term of detention.

7. Your opinion is requested in respect to the following:-

(a) Under the circumstances, is there any objection to the charge under Section 24 (2) being laid against this soldier.

Re: COURT OF INQUIRY - Loss of Pistol L.932027
H.46272, Pte. P. Harasymiw,
Lake Superior Regt. (M)

Reference your memorandum March 17th, 1943, hereunder.

2. Under the circumstances, I see no objection to the charge under Section 24(2) being laid against this soldier. Paragraph 538, K.R.(Can.), very strictly interpreted, would appear to be against the view I have expressed, but it is thought that the meaning of the said paragraph should not be so extended that in every case where a soldier has been tried by a Court-Martial on a charge of desertion, he cannot be charged ever afterwards for deficiencies, under Army Act, Section 24(2). I consider that the said paragraph should be more liberally interpreted to mean that where it is proposed to charge a soldier with desertion and also with loss of kit, under Section 24(2) aforesaid, that the said charges should be disposed of at the same time by the Court-Martial, rather than separately. I do not think that it was ever intended that in all cases where a soldier has been charged with desertion before a Court-Martial, and not with a charge under Section 24(2), that such latter charge can never be again laid covering the loss of articles of which the accused may have been deficient either before, during or after the desertion.

3. I see no necessity to withhold the taking of disciplinary action pending the completion of the sentence being presently undergone by the accused. K.R.(Can.), para. 591 provides that a soldier undergoing a sentence by Court-Martial may be removed from the place where he is undergoing detention in order to be brought before a Military Court for trial.

Brigadier,
Judge Advocate-General.

District Court-Martial
H.550827, Pte. John Holub

Receipt is acknowledged of your W.44-H-3136 (J), dated 7th May, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. It is observed that in the proceedings there is no evidence of continued absence. Only one witness was called for the prosecution and he stated that at approximately 0600 hours on the 25th March, 1943, he called the roll and found accused to be absent from his quarters. There was no documentary evidence, such as a Part II Order, to show that the accused was absent any other time than the time mentioned by the witness. Fortunately, the accused went on the stand and in giving his own evidence admitted his continued absence. It should be borne in mind that in cases of absence without leave, it is necessary to prove the beginning of the absence, the termination of the absence, and also that there was continued absence for some time in between.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing please be brought to the attention of the officers concerned for their future guidance.

Brigadier,
Judge Advocate-General.

A. 60 I wanted to go home to rest up. I wanted to go and see a civilian doctor. That was my real idea to get home.

Q. 61 Did you see a civilian doctor.

A. 61 No, I didn't.

Q. 62 Why did you not see him.

A. 62 Because my dad said there would be nothing but trouble, and that a civilian doctor would not even take up my case because I was in the Army.

Q. 63 What did you do when you were absent.

A. 63 I stayed in bed most of the time.

Q. 64 What was your trade or occupation in civilian life before you joined the Army.

A. 64 I work for Ogilvie Flour Mills.

Q. 65 What was your job there.

A. 65 I was in a truck all over the mill, just wherever they wanted me.

Q. 66 How long did you work.

A. 66 I was with the mill for seven months but I didn't work steady. I only worked about three and a half months only because of my illness.

Q. 67 Did you ever have any trouble while on route marches.

A. 67 Yes, sir. I was brought back from route marches by truck.

Q. 68 Did you ever go absent before for the same reason.

A. 68 Yes, sir.

Q. 69 From where did you go absent.

A. 69 It was from Fort Osborne Barracks, sir.

Q. 70 Approximately, how long ago was that.

A. 70 About a year ago. Anywhere from eleven months to a year.

Q. 71 You went A.W.L. for the same reason.

A. 71 Yes, sir.

Q. 72 What happened then.

A. 72 I went A.W.L. and I went to see a civilian doctor.

Q. 73 What was the doctor's name.

A. 73 Doctor Novak.

Q. 74 What did he do.

A. 74 He told me he couldn't handle me because the best thing I should do was see my doctor in the Army.

Q. 75 You say you went absent a second time while in the Army. What happened there.

A. 75 I came back and told them my reason for going A.W.L. and they didn't believe me.

D 9

Cross-examined by the Prosecutor.

Q. 76 How long have you had this high blood pressure.

A. 76 Since about 1937 or 38, sir.

Q. 77 When did you first find out it was high blood pressure.

A. 77 When I went to Dr. McTavish.

Q. 78 When did you last go on sick parade before you went absent without leave this time.

A. 78 A week and a half, sir, before I went.

Q. 79 What were you told at that time.

A. 79 When I went sick, I was told to sign my name for some pills, which I did and I got some pills and I was told the pills would help me sleep.

Q. 80 You didn' go sick again after that.

A. 80 No, sir.

Q. 81 Instead of that you went home.

A. 81 Yes, sir.

Q. 82 You didn't see a doctor while at home.

A. 82 No, sir.

Q. 83 When did you last see a civilian doctor.

A. 83 The last time was when I went to see Dr. Novak.

Q. 84 And he wouldn't treat you. Is that right.

A. 84 Yes, sir.

Q. 85 Because you were absent without leave at that time.

A. 85 Yes, sir.

Q. 86 Have you seen a doctor since you came back here.

A. 86 Yes, sir. When I came back I was put in the Guard Room Saturday and Sunday and went up before the Commanding Officer of A15 C.I.T.C., and he said "I will remand you for twenty-four hours just to see how sick you are". I was taken to the M.I.R., A15 C.I.T.C., and from there to the hospital. The Captain there looked at me and put me in the hospital for fifteen days in bed.

Q. 87 You were placed in hospital for further investigation.

A. 87 For fifteen days in bed.

Q. 88 For further investigation.

A. 88 I don't know whether it was for further investigation.

Q. 89 You were placed in the hospital for fifteen days.

A. 89 Yes, sir.

The Defending Officer declines to re-examine.

In the opinion of the Court it is not necessary to comply with R.P. 83 (B)

The witness resumes his seat.

SECOND WITNESS for the DEFENCE Lieutenant O.A. Schmidt, A15 Canadian Infantry Training Centre, C.A., attached to the Royal Canadian Army Medical Corps, C.A.

Q. 90 What is your rank, name, and unit, please.

A. 90 Lieutenant O.A. Schmidt, Assistant Medical Officer, A15 Canadian Infantry Training Centre, attached to the R.C.A.M.C.

Q. 91 What are your qualifications.

A. 91 I graduated in medicine from the University of Manitoba, in 1941. I am an M.D.

Q. 92 You have a Specialist Report of A15 C.I.T.C., concerning H.530627, Private John Holub.

A. 92 I have a report here, M.F.B. 313a.

BY THE PROSECUTOR: I would like to cross-examine before you submit that.

BY THE PRESIDENT: If you want to produce some report from the hospital that someone else has made, you will have to show it is evidence.

BY THE DEFENDING OFFICER: I maintain it is a regimental document referring to the accused.

BY THE PRESIDENT: Does that come under Section 163 of the Army Act.

BY THE DEFENDING OFFICER: I refer you to Section 163, sub-section (g) of the Army Act.

BY THE PRESIDENT: What is the number of the form.

BY THE DEFENDING OFFICER: M.F.B. 313a, a Case History Sheet.

BY THE PROSECUTOR: I submit that he has got to go further than to show it is a regimental document. I submit he has got to show it a true extract from a regimental book, with reference to K.R. (Can.) 1488 and R.O. 1877.

BY THE PRESIDENT: You see, the witness cannot read this document except to refresh his memory, provided he prepared it himself at the time.

BY THE DEFENDING OFFICER: I was taking it for granted that it was a regimental document.

BY THE PRESIDENT: In any case, I don't think this witness could produce it unless it is certified by the Officer i/c Records.

BY THE DEFENDING OFFICER: This document is certified a true copy by the Adjutant, sir.

BY THE PRESIDENT: Could you not call a witness from the hospital who could say what the accused was in the hospital for, and the length of time he was in, which would be first-hand evidence.

BY THE DEFENDING OFFICER: The doctor who could give evidence on that is presently at Brandon, sir, and is not available.

BY THE PRESIDENT: If you wish, the Court will adjourn to determine whether or not this document is admissible.

BY THE DEFENDING OFFICER: Then I wish for an adjournment, sir.

At 12:30 o'clock, p.m., on the 27th day of April, 1943, the Court adjourns until 2:00 o'clock, p.m., on the 27th day of April, 1943.

On the 27th day of April, 1943, at 2:00 o'clock, p.m., the Court re-assemble pursuant to adjournment; present the same members as on adjournment.

The Court is closed to consider their decision.

The Court disallow the document.

The Court is re-opened and the above decision is made known.

The Court proceeds with the trial.

BY THE DEFENDING OFFICER: Sir, because this document is not admissible, I would like to withdraw the witness, as I think his evidence would have no bearing on the case.

The Prosecutor declines to cross-examine the witness.

In the opinion of the Court, it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

The Defending Officer makes a Closing Address.
(See document marked " K ", attached.)

APPENDIX "A" TO PART I Order #102 d/28 Apr 43:

OFFICE OF THE MINISTER OF NATIONAL DEFENCE

OTTAWA, 26th April, 1943.

TO ALL RANKS OF THE CANADIAN ARMY

The only worthwhile job today is helping to win the war. Every man and woman in the Canadian Army is concentrating on that task. We have no doubt as to eventual Victory, but that certainly can only be maintained by full-out determination and relentless effort.

You can be justifiable proud of serving your country in the uniform of the Army. The soldier who "saves while serving" is doing double duty. He or she is fighting Canada's battles to finish the war, and at the same time is preparing for a happy and useful return to civil life.

Most of you will be soldiers only for long enough to get this job done. Then you expect to take up life again as civilians. The Fourth Victory Loan opens on April 26th. Here you have another opportunity to speed the war and at the same time make an investment that will provide ready cash when the war is over. Victory Bonds pay double the bank rate of interest; they are readily turned into cash, if the need should arise and they are backed by the entire resources of Canada.

I urge upon all ranks of the Canadian Army the value of Victory Bonds. You may purchase for cash or in instalments or by assignments of pay.

As loyal citizens of Canada the Victory Loan is the Army's business.

(Sgd.) J.L. RALSTON

Minister of National Defence.

DEFENDING OFFICER'S CLOSING ADDRESS

This man has been charged with Absence without Leave. The prosecution has shown that he was absent without leave. As there was nothing in Winnipeg to hold him involuntarily to account for his absence, I cannot put up much of a defence on that charge.

DEFENDING OFFICER'S ADDRESS IN
MITIGATION OF PUNISHMENT

Sir, for the past six years, this man has been afflicted with an ailment, from which he consequently suffers from pains in his heart, high blood pressure, and dizzy spells.

When he came into the Army thirteen months ago, he was bothered with this ailment also, and continually went to see the M.O. regarding it. In some cases he went three times a months and in other cases three times a week. Perhaps he was given a bawling out because a big healthy chap like him came to bother them. I suggest to the Court that this man, after thirteen months of this treatment from the Medical Officers, became fed up and decided to go absent without leave, in order to go and see a specialist regarding his ailment, to go home and rest. I don't think he was swinging the lead He says he previously went absent without leave to go home for a rest. He couldn't take their daily treatment.

He couldn't go on a route march and make it both ways. He had to be taken back by truck, when smaller and slighter fellows than he could make it both ways. It is pretty hard to take. He couldn't stand Army routine because of his health. There must have been something wrong with him. I don't think he was swinging the lead because he spent fifteen days in hospital. In consideration of all this, I ask the Court to have mercy on this man in passing sentence.

Proceedings on Plea of Not Guilty

*Instruction. (See R. P. 39 (A)) Question.

Q 1 *Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

Answer. A 1 No, Sir.

The prosecutor declines to make an opening address.

The prosecutor proceeds to call witnesses.

First witness for prosecution. No. L-13529, Sergeant A.G. Hadden, A15 Canadian Infantry Training Centre, C.A.,

being duly sworn, is examined by the prosecutor.

Q 5 You are No. L-13529, Sergeant Hadden, A.G., A15 Canadian Infantry Training Centre, C.A.?

A 5 Yes, Sir.

Q 6 Tell the Court in your own words just exactly what you know about this case?

A 6 Sir, on October 12th, 1942 at approximately 0815 hours I was given a Movement Order from my Company Sergeantmajor with instructions that the men whose names appeared on the Movement Order be warned for Special Duty. The Company being out in the Training Area I sent Acting Corporal Burke out to bring the Company in as I wanted the men on the movement order for draft. The Company was brought in and I called out the names of the men on the Movement Order, telling them to move to the right of the Company after their names were called, if they were present. All the men whose names appeared on the movement order answered their names and fell out on the right. After I had these men out on the right of the Company, the rest of the Company carried on with their duties and the men called out stayed there as I instructed them. I then read out the movement order after I had called each name over to check and see if they were in place. They all answered to their names and I read the movement order to them and asked them if there were any questions or anything they were in doubt about. Several of them asked if they were on draft and I told them they were on special duty. After no more questions being asked I told them I was going to hand them over to Corporal Burke who would instruct them from time to time as to what would take place and not to scatter around but stay in a group as there was quite a bit of work to be done and we had to get it done in a hurry.

First Witness for the Prosecution continued:-

Q 7 I show you this document Sergeant, what is that?

A 7 That is the Movement Order, the same with which I was given with instructions to warn the names mentioned thereon.

Q 8 What paragraph of that order did you read and explain to the group that you called up?

A 8 Number one, number two and the dress which would be worn.

A 26 No, Sir, not the whole Company, there were some sick and some on fatigue duties.

A 31 I am positive, Sir.

Q 32 You were standing at the back of the ranks?

Q 33 Suppose you were in front of the accused or rather in the place of the accused and somebody in front made that statement that any men whose names were called was to acknowledge same and stand on the right - you know yourself Sergeant Hadden that recruits misunderstand?

A 33 I spoke loud and clear and told them to pay close attention that I had some names on the paper. I asked them if they could all here me away to the far end and they said they could.

Q 34 You also made the statement that after this group had fallen out you told the group that there was a lot of work to be done, what is your definition of the word 'work' sergeant?

A 34 Well, there was a lot of things for them to do.

Q 42 Well, a draft is a draft, picked of men leaving camp, isn't it?

A 42 Yes, Sir.

Q 43 Now coming back to your statement at the time the Company was fallen in for the morning parade - I take it you mean the first parade in the morning?

First Witness for the Prosecution continued:-

A 43 Yes, Sir.

Q 44 You also made the statement - the Prosecution will check me if I am wrong - that you sent for the Company and asked them to come back to the area, doesn't that infer they had marched off some place?

A 44 I sent for them to come back to the area where we usually fell in in the morning.

Q 45 Then it wasn't the first parade that this all happened?

A 45 They were out on parade when I sent for them, Sir. They were on parade at 0800 hours that morning.

Q 46 And you sent somebody to go and get them to bring them back?

A 46 I did, Sir.

Q 50 So you don't know what these men were doing the rest of the morning?

A 50 No, Sir.

Q 51 You seem quite confident that these men understood what you were doing - you can readily see what I am getting at - you have had men in a fatigue party and you have had to explain three or four times an order to them - what makes you so sure these men understood?

A 51 Anything they didn't understand I told them to speak up right away.

Q 52 You were speaking to the whole group?

A 52 Yes, Sir.

Questioned by the Court:

Q 53 How many men were in this group?

A 53 Ten, Sir.

Q 54 The only words you used in reference to this movement was that they were going on Special Duty?

Q 55 You made no reference to a draft or anything else?

First Witness for the Prosecution continued:-

A 55 No, Sir.

Q 56 Did you tell them the next time of the day they were to parade at?

A 56 I read all what was on the movement order and then turned them over to Corporal Burke who was to instruct them from time to time.

Re-Examined by the Prosecuting Officer:-

Q 57 You made the statement that there were at least two thirds of the Company on parade?

A 57 Yes, Sir.

Q 58 Regardless of how many were on parade how many answered their names and came to the group on the right?

Q 59 After you got them into a group what did the rest of the Company do?

A 59 They moved back to their training area and carried on as usual.

Q 60 When you had that group alone by itself, you had the ten men in three ranks?

A 60 Yes, Sir.

Q 61 What did you do then?

A 61 I checked their names.

Q 62 You called their names out?

A 62 Yes, Sir and each one answered to their names.

Q 63 And what did you tell them?

A 63 That they were for Special Duty.

Q 64 Besides telling them that did you tell them what they would be required to do before going on that Special Duty?

A 64 I told them they would be required to carry out everything that was written down in the Movement Order and I read it out to them.

Q 65 Were there any questions regarding the actual administrative details from any member of the group?

A 65 Some of them asked if they were going to get paid, others asked what they would turn in or whether they would take everything with them.

Q 66 After you had read these administrative details regarding dress and pay and so on, you answered them until everybody was clear

Second Witness for the Prosecution) No. H-67221, Private (Acting Corporal) W.M. Burke, A15 Canadian Infantry Training Centre, C.A., being first duly sworn, is examined by the Prosecuting Officer:-

Q 67 You are No. H-67221, Corporal Burke, W.M., A15 Canadian Infantry Training Centre, C.A.?

A 67 Yes, Sir.

Q 68 Will you tell the Court in your own words just exactly what you know about this case?

A 68 On the morning of the 12th of October, 1942, approximately 0830 hours in the morning, I was detailed by Sergeant Hadden to take charge of the men who were warned for Special Duty by him, which I did. I brought the men in from the parade square, where the Company were, to the area back of 'F' Company Orderly rooms. The Movement Order was read out to them by Sergeant Hadden and also by myself and then marched off to the barrack rooms, the south side of the barrack rooms. I also told them what they had to do and then broke them off. They went to their barrack rooms and started to fix up their kits and so forth, ready for kit inspection. I also warned them to be ready to fall in again at 1330 hours. At 1330 hours I fell the men in on the south side of the barrack room and called their names according to the movement order and I found that the accused, Private Holub, John, was absent. I then placed his name on the absentee report accordingly, Sir.

Q 69 You made the statement that you called the men out at 1330 hours, what men were these?

A 69 The men that were warned for Specail Duty, Sir.

Q 70 The men that had been warned by Sergeant Hadden?

A 70 Yes, Sir.

Q 71 Were you present when Sergeant Hadden called their names?

A 71 Yes, Sir.

Q 72 How many men were there?

A 72 Ten, Sir.

Q 73 How many times that morning did you hear Sergeant Hadden call these names out?

A 73 Well, I can safely say I heard him call them out twice, Sir.

Second Witness for the Prosecution continued:-

Q 74 When Sergeant Hadden handed this group over to you did he also give you the Movement Order?

A 74 He did, Sir.

Q 75 I show you this document, what is it?

A 75 That is the Movement Order No. 102.

Q 76 What does it contain?

A 76 The name of the men who were for Special Duty.

Q 77 Did you call the names of the men from that Movement Order when it was handed to you?

A 77 I did, Sir.

Q 78 After Sergeant Hadden had called the names out twice you called them out again?

A 78 Yes, Sir, after I got them to the Barrack room.

Q 79 Did they all answer to their names?

A 79 They all did in the morning, Sir.

Q 80 That was the morning of the 12th of October approximately 0900 hours?

A 80 Yes, Sir.

Q 81 Was the name of the accused on the Movement Order?

A 81 The name of the accused was on the Movement Order, Sir.

Q 82 Do you know the accused?

A 82 I do Sir, that is the accused sitting there, Sir, Private Holub, J. (Pointing out the accused).

Q 83 What else did you tell the men or explain to the men?

A 83 I explained to the men not to be wandering around from the barrack-room because they would likely be wanted all day for medical inspection, kit inspection and so forth.

Q 84 What else did this group do in the morning after you broke them off?

A 84 They spent their time laying out their kits for kit inspection and I am pretty sure they went through the Stores.

Q 85 You say that they had a kit inspection?

A 85 Yes, I know they had a kit inspection.

Q 86 Was the accused one of those whose kit was laid out and inspected?

A 86 It was laid out, Sir, I couldn't say whether it was inspected or not because the Quartermaster Sergeant does that.

Second Witness for the Prosecution continued:-

Q 87 When you called the roll at 1330 hours on the 12th of October, 1942, what did you call the roll from?

A 87 From the Movement Order, Sir.

Q 88 Was every man present?

A 88 With the exception of the accused, Sir.

Cross-examined by the Defending Officer:-

Q 89 When this Company came back to the area and Sergeant Hadden called the roll, he warned the men that they were to acknowledge their names; do you mean he called the names while the whole Company was there?

A 89 He called them from the Company, they were all in platoons on the parade square doing squad drill and so forth.

Q 90 Did he form up the Company?

A 90 The Company was halted and stood at ease and the names of the men were called out and they broke off to the side of the Company, and he read out the Movement Order

Q 91 What were you doing the rest of the morning?

A 91 I was in charge of the draft, I was seeing that they did what was intended to do.

Q 92 How was it you didn't see whether the men's kit was inspected if you were in charge of the draft?

A 92 I probably was doing something else, Sir.

Q 93 If you are in charge of a draft it is up to you to see if the mens kit is inspected?

A 93 It was up to the Quartermaster Sergeant. I was in charge of the draft but not of the kit inspection more than seeing it was laid out, Sir.

Q 94 Did the draft do anything else that morning besides look after kits or anything else in connection with them?

A 94 No, Sir.

Q 95 Were you in charge of any other duty that morning?

A 95 I just can't say whether I was, Sir.

Q 96 Did you move any beds that morning?

A 96 No, Sir.

Q 97 You were not in charge of any fatigue party?

A 97 No, Sir.

Second Witness for the Prosecution continued:-

Q 98 Did the draft do any fatigue that morning?

A 98 No, Sir.

Q 99 You seem quite sure that everybody in that squad understood what it was about?

A 99 Yes, Sir.

Q 100 How long have you been a Corporal?

A 100 Since April, Sir.

Q 101 Have you ever met men in the Army who didn't understand an order?

A 101 I have seen orders misunderstood, Sir.

Q 102 It doesn't take much for men to misunderstand orders sometimes, does it?

A 102 No, Sir.

Q 103 If two months after you had joined the army I told you you were on Special Duty what would you think it was?

A 103 I would naturally think I would be doing almost anything.

Q 104 Now think what you say?

A 104 I would naturally think I would be moving, Sir.

Q 105 What makes you think you would be moving - you are a recruit now, remember - it could be misunderstood?

A 105 It could be misunderstood, Sir.

Q 106 But you are sure he understood the warning order?

A 106 I am sure he did.

Questioned by the Court:-

Q 107 Do I understand you to say, after these ten men were broken off from the Company, you heard Sergeant Hadden read the whole Movement Order to them?

A 107 Yes, I did, Sir.

Q 108 They were told where they were going?

A 108 They were, Sir.

Q 109 And then you had them prepared for kit inspection?

A 109 Yes, Sir.

Q 110 And the accused was there?

A 110 Yes, Sir.

Second Witness for the Prosecution continued:-

Q 111 And his kit was laid out?

A 111 Yes, Sir.

Q 112 Was he there when they were warned for medical inspection in the afternoon?

A 112 He was there when I warned them to be on parade at 1330 hours, he was there at that time, Sir.

Q 113 Where was he when you warned the group of ten men to be on parade at 1330 hours?

A 113 He was beside the barrack-room with the rest of the men.

Q 114 You are sure he was there?

A 114 Yes, Sir.

Q 115 Apparently you then left the group and let the Quarter-master Sergeant inspect them, their kit?

A 115 Yes, Sir.

Q 116 They were not under your control then, you were not with them when the kit inspection was carried out?

A 116 No, Sir.

Q 117 You prepared them for kit inspection and left them?

A 117 Yes, Sir, I went back to the Orderly-room for other purposes.

Q 118 But you did warn them for the afternoon parade?

A 118 Yes, Sir.

The Prosecuting Officer declines to re-examine this witness.

A 177 No, Sir.

Q 178 Then you thought the Special Duty draft was being called up for moving beds?

A 178 That is all we did move beds.

Q 179 And you say you know what the term Special Duty is?

A 179 I know what it is.

Q 180 What does it mean?

First Witness for the Defence continued:-

A 180 That you are on Special Duty, you are supposed to stay around your Barrack-room, you are not supposed to leave the Barracks.

Q 181 When you are on special duty?

A 181 Yes, Sir.

Q 182 And you went absent the same day?

A 182 Yes, Sir.

Q 183 You say that the Provost or Regimental Police that brought you down here said they had nothing to worry about in your case because you were coming back anyway?

A 183 Yes.

Q 184 You decided to come back when you were apprehended?

A 184 I had my return ticket anyway.

Q 185 You wanted to use your ticket after thirty days' is that it?

A 185 It was cheaper to buy a return ticket than a single ticket each way.

Q 186 You say you handed in your rifle, did that mean nothing to you?

A 186 No, Sir, it didn't.

Q 187 During your regular training did you ever have to hand in your rifle?

A 187 I had trouble with the rifle before.

Q 188 The whole group had trouble with their rifles so they turned them in?

A 188 I don't know about the group.

Q 189 You are quite sure that you didn't have a kit inspection?

A 189 I told the Quartermaster as soon as I got in the Army that I only had one battle dress issued to me and that battle dress just tore out in the rear. I told him about getting another battle dress that I only had one and I was supposed to have two, and another thing I didn't have was gaters. There was a lot of stuff I was supposed to have but didn't. When I came back for this Court-Martial he gave me these pants I have now. I was going on parade with pants all ripped up.

Q 190 Did anybody tell you there had been a parade to the Quartermaster Stores on the afternoon of the 12th of October, 1942?

A 190 No.

Q 191 If they had of told you would you have stayed?

A 191 I was going home anyway. I asked the Sergeant Major for my furlough which was up and he told me he couldn't give it to me because I hadn't finished my advanced training.

Q 192 You were going to go absent anyway, what do you mean by that?

A 142 I was going to see my mother.

Q 143 Whether you were on Special Duty or not?

A 143 At that time I didn't know what Special Duty was.

Q 144 You would have stayed had you known?

A 144 Yes, Sir.

Q 145 Nobody explained it to you?

A 145 No, Sir.

Q 146 Do you think it is likely they would call a group of ten people, warn them for Special Duty, and everyone of them understand it except you?

A 146 I don't know about that, Sir, wasn't it proper for the Corporal to warn me and tell me about being on a draft?

Q 147 Sergeant Hadden says he told you that and so does Corporal Burke?

A 147 No Corporal told me about any Special Duty or anything about a draft.

Q 148 He didn't tell you anything about a parade in the afternoon, dental, pay and clothing parade?

A 148 Certainly not.

Q 149 It was a military secret?

A 149 Maybe it was to him, Sir, he didn't tell me.

Re-examined by the Defending Officer:

Q 200 Have you ever been on a draft before this occasion of which we have been speaking of or moved from one training centre to another?

A 200 When I was called up I was at Portage la Prairie and I stayed at Portage maybe two or three weeks and then I went to Winnipeg, that was the only draft I was on.

Q 201 What was the proceedure when you were warned for that move?

A 201 When we were warned for draft the officer of our platoon came up and said 'Boys' you are drafted to Winnipeg', and right away the Sergeant came and took us down for a Medical.

Q 202 Was there any reference to special duty at that time?

A 202 No, Sir.

In the opinion of the Court it is not necessary to comply with R.P. 83 (B).

PROSECUTING OFFICER'S CLOSING ADDRESS

Sir, the accused Private Holub, is charged with desertion under Section 12 (1) (a) of the Army Act. The Defence put up by the accused is a complete contradiction of everything put forward by the Prosecution. We have proved that he was warned at least three times for Special Duty. The length of time he was away would also indicate his intention of deserting.

Under Section 12 (1) of the Army Act and the note thereto, it states 'Upon a charge of desertion the particulars should state, and the prosecution should prove, both the date when the absence began, and the date when it ended."

Well, that has been easy enough, we have proved those dates. The Part we are trying to show is that he intended to miss this Special Duty and the evidence of Sergeant Hadden and Corporal Burke is, I believe, sufficient to prove that he had been warned for that Special Duty.

DEFENDING OFFICER'S CLOSING ADDRESS

Mr. President and Members of the Court; it is not my intention to waste the Courts time talking about things they know full well enough about. One of the things I think is important is the proper warning of persons called for Special Duty. Some of these things are small things and they are being continually misunderstood. I claim that this man misunderstood or was not properly warned for this Special Duty. There is a definite doubt in my mind that this man was there on this parade. The evidence of the Prosecution seemed to me to be too definite. We must asume that the accused was right in saying they were moving from one barrack-room to another. We all know that during administrative duties there is usually quite a turmoil. The Movement Order is dated October the 10th, 1942, and Sergeant Hadden stated that certain personnel were warned on the 12th of October, 1942. The evidence of the Prosecution claims they read the whole Movement Order and yet several men in that personnel asked if they were on draft or what they were doing, so some of the men must have been in doubt. I am merely infering that there must have been some misunderstanding at that time. If the accused was on that parade it could be possible for him to misunderstand. In spite of the fact that the men who did ask questions were answered, there is still the possibility that the accused, if he was on that parade as they claim, did not understand. As to his understanding of what Special Duty meant I suggest the draft warning was conducted somewhat differently than is usually the case. I am not familiar with the proceedure of warning drafts in this Training Centre yet, but I claim that this parade was on the Sunday or at sometime when the accused was not present. The Order was dated the 10th, that was a Saturday. As far as the absence is concerned, Sir, the Defence admits absence. The accused has admitted it, and there is no thought to try and claim that the man was entirely innocent. I believe the element of doubt should be in favour of the accused. As far as his reasons for going absent, I intended to bring that out in mitigation of sentence, but it has come out in the evidence and I contend it should be considered.

DEFENDING OFFICER'S ADDRESS IN MITIGATION OF PUNISHMENT

Sir, I notice in the statement as read by the Prosecution it states that since enlistment the accused has been absent three times. I might add that that was in the last three months. Previous to that he had not been in trouble. It is possible that the trouble at home, which he has mentioned in his evidence, is responsible. I would ask the Court to refer to K.R. (Can) 563-M - 1 in considering the sentence.

Summary of Evidence in the case of No.H-530627, Private John HOLUB, General List, No.10 National Resources Mobilization Act, 1940, Clearing Depot, attached to the A-15 Canadian Infantry Training Centre, C.A., a soldier of the Canadian Army called out for training pursuant to the National Resources Mobilization Act, 1940, and the regulations made thereunder, as amended.

Shilo Camp, Manitoba.
10th November, 1942.

Summary of Evidence in the case of No. H.530627, Private John HOLUB, General List, No. 10 National Resources Mobilization Act, 1940, Clearing Depot, attached to the A-15 Canadian Infantry Training Centre, C.A., a soldier of the Canadian Army called out for training pursuant to the National Resources Mobilization act, 1940, and the regulations made thereunder, as amended, charged with desertion.

THE COMMANDANT DIRECTS THAT THE EVIDENCE BE TAKEN ON OATH.

FIRST WITNESS.

No. L.13529, Sergeant Andrew Gammie HADDEN, A.15 Canadian Infantry Training Centre, C.A., having been duly sworn, states:-

"I am No. L.13529, Sergeant Andrew Gammie HADDEN, A.15 Canadian Infantry Training Centre, C.A., Assistant Instructor on the Instructional Staff of "F" Company A.15 Canadian Infantry Training Centre, C.A."

WITNESS QUESTIONED BY THE PRESIDING OFFICER

Question: "Tell me in your own words what you know about this case?"

Answer: "On October 12th, 1942, I was handed a Movement Order by Acting C.S.M. Russel of our Company, with the instructions to warn the men whose names were on the Movement Order that they were thereby warned for Special duty. At the time the Company had fallen in for morning parade. I warned the Company that any man whose name was called was to acknowledge same and to stand in a group on the right of the Company. I then read out the names on the Movement Order, each man answering to his name. I then called the names out a second time, each man answering his name again. I told them that they were now being warned for special duty, and also instructed them to remain in a group as there was quite a bit of work to be done, and I read to them from the Movement Order what had to be done. I asked if there were any questions. One or two asked if they were on draft, and I told them they were warned for special duty. I then advised them that I was going to hand them over to A/Corporal Burke, W.M. who would look after them. Just as a final warning I instructed them not to get scattered around. I then told the Corporal to carry on."

Question: "At what time of the morning of the 12th of October, 1942, did you warn these men?"

Answer: "As far as I can remember it was between 8.30 and 9 o'clock on the 12th of Oct.1942."

Question: "I show you this document. Do you know what it is?"

Answer: "It is an M.F.M. 216, Certificate of Apprehension, showing the accused having been apprehended by the ~~Rayin~~ Military Police at Winnipeg, Manitoba, on the 1st day of November, 1942."

DOCUMENT PRODUCED AND MARKED EXHIBIT "A"

Question: "Was the warning order delivered verbally or written?"

Answer: "I read it out to them, Sir."

Question: "What was on the Movement Order?"

Answer: "It stated the names of the men to go on Special Duty and stated the time that they had to be paraded for pay, Dental inspection and medical inspection, etc."

Question: Was the name of the accused on the Movement Order?"

Answer: "Yes, Sir."

Question: "Did the accused answer to his name when it was called out?"

Answer: Yes, Sir".

Question: "Did this draft proceed on this Special Duty?"

Answer: "Yes, Sir. It left on the 15th October, 1942."

Question: "Do you know the accused?"

Answer: "Yes, Sir, there he is." (Pointing to him).

THE ACCUSED DECLINES TO QUESTION THE WITNESS

SECOND WITNESS

No. H.67221, Private (Acting Corporal) William Morley BURKE, A.15 Canadian Infantry Training Centre, C.A., having been duly sworn, states:-

"I am No.H-67221, Private (Acting Corporal) William Morley BURKE, A.15 Canadian Infantry Training Centre, C.A., an assistant instructor on the instructional staff of "F" Company, A.15 Canadian Infantry Training Centre, C.A."

WITNESS QUESTIONED BY THE PRESIDING OFFICER

Question: "Will you tell in your own words just exactly what you know about this case?"

Answer: "Sir. On the morning of the 12th of October, 1942, I was detailed by Sgt. Hadden to go out and inform the Company to come on back to the area back of the Orderly Room. Then Sgt. Hadden came out and called the names of ten men, warning them for Special Duty. They fell out to the right of the Company. The remainder of the Company moved off to the training area and the men that were warned for Special Duty remained there and then Sgt. Hadden read the Movement Order to them. They asked him where they were going and he said "I cannot tell you just now." He then handed the Movement Order to me and I then marched them over to the south side of the barrack room and I also read the Movement Order to them and told them not to leave the barrack room as I would be needing them very soon. They also asked me where they were going, but I would not tell them. On the 12th of October, 1942, about 1330 hours, I fell them in outside of the barrack room and called the names according to the Movement Order. I found that Private Holub, J. was absent and placed his name on the Absentee Report accordingly. That is all, Sir."

Question: "Did the accused answer his name when you called the roll in the morning of the 12th of October, 1942?"

Answer: "Yes, Sir."

Question: "Do you know what was on the Movement Order?"

Answer: "I do, Sir. It was a draft of 10 men from "F" Company who were to move to Terrace, B.C."

Question: "Did the draft leave?"

Answer: "Yes, Sir."

Question: "On what date?"

Answer: "On either the 14th or 15th."

Question: "Did the accused go with the draft?"

Answer: "No, Sir. He did not."

Question: "Why?"

Answer: "Because he was absent without leave from the Camp".

Question: "Was Private Holub one of the ten men whose name was called by you when you called the roll from the Movement Order?"

Answer: "Yes, Sir. It was."

Question: "I show you this document. Do you recognize it?

Answer: "I do, Sir, it is an M.F.M. 216 in the case of H.530627, Private HOLUB, J. showing that he was apprehended by the Military Police in Winnipeg at 1600 hrs. on the 1st of November, 1942".

PROCEEDINGS OF A
FIELD GENERAL COURT MARTIAL

Evidence taken down at the trial of G-32035 Pte. Humphrey, R.F. C. & Y. R. No. 1 C.D.I.R.U. Canadian Army, on active service Overseas held at Jasper Camp, Witley, 27 Jun. 1942.

Witness for the Prosecution having been duly sworn produces A.F.B. 296 and M.F.M.6, and further makes the following closing address.

> I would just like to ask Sir, if it would be possible for the Court to bring to the attention of the Convening Officer the way in which accused was handled while at hospital and his discharge from Hospital. It does not seem to me to be fair to the man himself who was serving sentence that he should have been allowed, as it appears to be the case; to move around without escort, which led to his first absence from Brixton, leading to the other charges.

The following closing address was made by the defending counsel.

> Well Sir, I talked for a considerable time with accused while in detention and although I asked him a number of questions, he did not seem to be able to give any vivid account of any evidence relative to his case. Definitely, I think he is a mental case,and to go back to his first Crimes the Regiment to which he belongs seems to me to be very much to blame for the state of affairs in his M.F.M. 6,. You will find that there is quite a number of small Absent Without Leave charges. On return from one he got the large amount of punishment for ten days abscence 5 days C.B. That would make him feel, "I got away with that, why the hell should I not go away again". This appears more than once on his M.F.M.6, I think If he would have been punished severly enough at the beginning these charges might not have been charged against him. He has been to Doctor since, and I believe that he will be sent to Hospital and I think Sir, that if he was given a stiff sentence it will only tend to his being more bitter more resentful and if he is given a chance after observation, he may turn out to be a good soldier. I think he would do so. If you think he should have a little break, I ask that you give him as small a punishment as you can and I recommend that if it could be possible sentence be deferred until such time as a real medical examination has been give to him.

I certify that the above is a true extract of the evidence and proceedings taken in the above mentioned case on 27th Jun. 1942.

SUMMARY OF EVIDENCE

Second Witness (Cont'd) whom I now recognize/
for the Prosecution

I went to Records Office with the two prisoners and the Military Policeman. I got the posting slips, and I gave the L/Cpl. of the Military Police the chit saying that I had received the two prisoners. Then I went back to the Coy. Orderly Room with the two prisoners and they asked me if I could get them something to eat. Pte. Caines, who was working in the orderly room went into the next office and phoned the Orderly Officer at Brigade, while he was doing this I was in the same room with Pte. Caines waiting for results. The prisoners remained in the clerk's Office. Then Pte. Caines said it was all right to go down to the kitchen and get something to eat for the men.

Just at that time the accused made a dash for the door and escaped from the Coy. Orderly Room. I warned the Regimental Police.

Questioned by Officer taking Summary:

Ques: At what time did the accused run out of the Orderly Room?

Ans : About 1810 hrs., sir.

The accused declines to cross-examine this witness.

Third Witness for the Prosecution

B-93541, Private Graham, F.B., No. 6 Company, Canadian Provost Corps, London, states:

re: G-32035, Pte. Humphrey, R., C&YR, No. 1 CDIRU

Sir,

1. At about 0830 hours 10 Jun 42 I was detailed to proceed to Cardiff, Wales to escort K-82004, Pte. O'Donnell, J.J., 1st Battalion, Canadian Scottish Regt.

2. I proceeded to Paddington Station via underground, and entrained there at about 1155 hours, arriving in Cardiff at about 1530 hours 10 Jun 42, where I proceeded to the C.M.P. Headquarters, and reported to the N.C.O. i/c detachment. The C.M.P. gave me transport to the barracks where Pte. O'Donnell was being held, and I accepted custody of Pte. O'Donnell at about 1730 hours 10 Jun 42.

3. I proceeded to the Central Station, Cardiff, and found that the next train for London did not leave until 2303 hours, so I therefore proceeded to a nearby cafe to obtain supper for myself and Pte. O'Donnell.

4. Before proceeding to the cafe I entered the washroom of the nearest Y.M.C.A. hostel to get washed and cleaned up, and in the washroom found Pte. Humphrey, of the Carleton & York Regt., who had been through the detention office in London during a tour of duty by myself. Recognizing him, I proceeded to question him, and went out onto the street in company with Pte. Humphrey and Pte. O'Donnell. Further questioning of Pte. Humphrey made me sure that his story was false, so I therefore accused him of being an absentee, at which he struck me and broke away, after swearing at me, and trying to involve Pte. O'Donnell, who was then in custody, in an attempt to escape. Pte. O'Donnell refused to have any hand in the attempt, at which Pte. Humphrey tried to get away from me. I dropped my respirator, leaving it in the hands of Pte. O'Donnell, who had given his word not to attempt to escape, and ran after Pte. Humphrey, overtaking him after a chase of about half a block.

Third Witness (Cont'd) chase of about half a block/
for the
Prosecution

Pte. Humphrey resisted arrest, attempting to snatch my revolver, and saying "I'll kill you, you son-of-a-bitch", and we wrestled about in the street for approximately twenty minutes, during which time a crowd gathered, and showed signs of attempting to assist Pte. Humphrey in his attempt to escape from me. Pte. Humphrey had grasped my revolver from the holster, and Pte. O'Donnell assisted me in regaining possession of it, handing the revolver to an air-raid warden who was standing nearby. At this two of the civilians standing nearby attempted to assist Pte. Humphrey in his escape, and Pte. O'Donnell prevented them in their actions, so that I was able to subdue Pte. Humphrey and place him under arrest. At this Pte. O'Donnell went down the street and returned with a civilian policeman, who assisted me in arresting and handcuffing Pte. Humphrey.

5. At this time a C.M.P. vehicle drove along the street, and I called to them, requesting transportation to their detention rooms, which they agreed to provide. As there was room for only two persons in the vehicle with the C.M.P. patrol, I had to again accept the word of Pte. O'Donnell that he would not attempt to escape, and gave him two (2) shillings for food, arranging to meet him at the nearest hostel for the forces after disposing of Pte. Humphrey. I then proceeded to the C.M.P. detention room with Pte. Humphrey, who had been cut in the struggle, and was bleeding some.

6. On arrival there I again questioned Pte. Humphrey regarding his particulars, and he refused to give me any information, saying, "Take the cuffs off me and find out". I took the cuffs off Pte. Humphrey, who at once attacked me again, so I was forced to strike him in self-defence, until he gave me his name, and giving his rank as a gunner in the 1st L.A/A Regt. R.C.A., the shoulder titles of which unit he was wearing.

7. I then requested that the N.C.O. i/c C.M.P. detention office phone through to London for me, which he did, and I spoke to one of the members of the S.I.S., giving him all the particulars of the arrest. I was instructed to wait until a return call came through, and I did, waiting about half an hour, when I was instructed to attempt to bring the two men in to London, if possible.

8. As I was instructed to wait until morning before returning to London I then proceeded to the forces hostel where I had arranged to meet Pte. O'Donnell, and found him sitting drinking a cup of coffee. Together we proceeded to walk around for a short while, then proceeded to the lodging house where we obtained bed and breakfast, and turned in for the night.

9. At about 0930 hours 11 Jun 42 I proceeded to the C.M.P. headquarters, where I found L/Cpl. Rudolph, of this company, who had been sent to Cardiff to assist me in the return journey. I therefore turned Pte. O'Donnell over to L/Cpl. Rudolph to be escorted, and then proceeded to the barracks where Pte. Humphrey had been detained overnight. Upon arrival there I was informed that Pte. Humphrey had been in the hospital overnight, and that I was to report to the Medical Officer, which I did. The Medical Officer informed me that Pte. Humphrey was in no condition to travel, but could be ready about 1100 hours. Pte. Humphrey had given the Medical Office a false story of his hurts, and I was questioned by the M.O. regarding the arrest, also by the Adjutant of the Barracks, as Pte. Humphrey was also wearing U.S.A. shoulder titles. I was able to give the true story to the officers, and was told to await the bandaging of Pte. Humphrey so that he could travel.

SUMMARY OF EVIDENCE

Third Witness (Cont'd) so that he could travel/
for the
Prosecution

10. At about 1100 hours 11 Jun 42 I proceeded to the C.M.P. headquarters by van, and turned Pte. Humphrey over to the C.M.P. to be held while I obtained my dinner. I then returned to the C.M.P. headquarters at about 1200 hours, took custody of Pte. Humphrey, and proceeded to the Central Station, Cardiff, entraining at about 1230 hours 11 Jun 42, and arriving at Paddington Station at about 1600 hours, and at these headquarters at about 1630 hours by police van, which was sent from the detention office to pick me up.

11. During the scuffle with Pte. Humphrey Pte. O'Donnell was of the greatest assistance to me, and also afterwards, when I had to escort Pte. Humphrey to the C.M.P. headquarters, and Pte. O'Donnell was trustworthy enough to proceed alone, and to await my return to the hostel.

SUMMARY OF EVIDENCE

Statement by the Accused

G-32035, Private Humphrey, R.F., Carleton & York Regiment, states:

I was a prisoner at Canadian Detention Barracks. I was doing a year. I did over half my time and I was shaking and nervous and didn't know what I was doing half the time. I seen the M.O. down there twice about my nerves. I told him I couldn't sleep. I was up for office plenty of times for swearing at the staff and disobeying orders. It got on my nerves and I couldn't help it.

I was sent to 14th General Hospital as I had the mumps. I never went out while I was there as I knew I would have gone absent and I only had 90 days left to serve. Then I went to the Convalescence Depot in Brixam and I was there for pretty near three weeks and I went out once to the show, and I came back and never went out since because I knew I would have gone A.W.L. I spent the days on the beach where there would be nobody to bother me as I would have been up for orders if anybody had yelled at me.

On the 14th of April, 1942 there were a bunch of us going to No. 1 C.M.C. I was going back to detention barracks. I just got down by the train and I buggered off again from there. I hitch-hiked a ride to Liverpool and I got picked up there May 1, 1942.

They sent me to London and from London to the Regiment in the Field and then from the Field they sent me down here to the Holding Unit.

I knew they would send me back to Detention Barracks, so I got nervous and excited and I broke. I was picked up in Oxford next. I met a merchant navy fellow there and he said he knew where he could get some money, that is steal some money. So I said"yes" - I would come, but we got caught and I went to Court about a week later. I was acquitted and the other fellow got four months. Then they handed me over to the C.M.P. and they held me till the Provost Corps came down and they took me to London, and then from London to the Field.

I was put in detention at the Carleton & York Field Regiment, and my nerves were bothering me more and at about 1800 hrs. on June 7th, 1942 I broke and went down the road about two miles and I was going to turn back and give myself up, but my nerves were so bad that if I had I would have broke again.

I got picked up in Cardiff and brought back here.

When I was picked up in Cardiff by the Provost, he tried to bring me back but my nerves were so bad and I was so mad I got in a fight with him and I tried to get away

Since being here I went to the M.O. when he came to No. 2 Detention and I explained to him that I had dizzy spells all the time and that my nerves were bad. He said he would see about it. Then I asked to see the minister, Captain Daniels, and I told him about it and he said he'd see the M.O. That is all I've ever heard about it and I have had no treatment.

Humphrey, R.F.

The Secretary,

G 32035 Pte. HUMPHREY, R. F.

1. Reference Ranks 6410, the m/n soldier recently returned to Canada from overseas and was shown in H.Q.S. 8536 Vol. 15 (A.P. 2b) dated 9 Nov 42 as in custody. According to his documents his sentence would not have expired until 25 Mar 43.

2. Pte. Humphrey did not return in custody, and on returning stated that the unexpired portion of his sentence was remitted as of date of embarkation. The fact that he was not in custody substantiated his statement. As there was no information to support his statement, he was placed in custody when he reported to No. 7 District Depot pending a reply to our A 457.

3. In the meantime Pte. Humphrey was boarded, and his medical board was approved showing him category "E". In view of H.Q. 54-27-8-24 (Org. 2b) dated 2 Jan 40, para. 2 (a) which instructs that a man who has been placed in medical category "E" is to be discharged forthwith, and also in view of the provisions of R. O. 753 and R.O. 1020, there appeared to be no alternative but to discharge him forthwith. It was not considered that the provisions of K.R. (Can.) 597 (b) would apply in contravention of such direct orders from N.D.H.Q. that a man should be immediately discharged who is in the lowest category. He was accordingly discharged on 7 Nov 42, it being considered that such was conforming to orders issued.

From the information on this file, there is nothing to indicate that the m/n soldier is unfit to complete his sentence. There is however every indication that the completion of the sentence will not make him a useful soldier. Whether or not he should complete the sentence is not a matter for advice by this Directorate, as it is purely a matter of discipline.

3d May, 1945

Dear Madam:

This will acknowledge your letter of the 19th April, 1945 and is further to my letter to you of the 18th November, 1944, with reference to your husband A.49562 Pte J.E. Hall.

This soldier is at present serving a sentence of 18 months detention awarded by Field General Court-Martial on the 14th July, 1944.

It is with regret that I have to inform you that the sentence has been reviewed by the military authorities and they have directed that there be no remission of this soldier's sentence and that he be returned to Canada in custody under sentence to complete the balance of the sentence awarded and thereafter be discharged from the Canadian Army for misconduct.

While he remains in military custody he is, however, eligible to earn remission for good conduct, not to exceed one third of the sentence awarded. At the present time it is indicated that if he earns all such remission and remains in military custody, he will be released from custody on the 13 July, 1945. Prior to his release he will be discharged from the Canadian Army.

Yours truly,

Deputy Minister

A. 49562 Pte Hall, J.E.

1. This soldier enlisted 28 July 1940 at Chatham, Ontario. He is 22 years of age. He has been found guilty of seven offences under AA sec 15 and one offence under AA Sec 40. He was convicted once by D.C.M. on 3 December 1942 and awarded 9 months detention for absence without leave. This sentence was remitted shortly after the trial and the soldier was despatched overseas from Canada. He was convicted by F.C.C.M. 16 Oct 43 and awarded 9 months detention. for absence without leave. Altogether the soldier has served about 8 months in detention since enlistment and his absences without leave have been for periods which aggregate about 6 months.

2. This soldier was reboarded 8 Feb 44 and was placed in Pulhems Grades M4 S5 on a diagnosis of mental retardation and psychopathic personality inadequate and anti-social. The Neuropsychiatrist who has interviewed this soldier states that he gives a history of an unstable family and unhappy home life; that at school he was frequently truant and in fights and left Grade VIII at the age of 16; that he worked at odd jobs, labouring and in pool halls and bowling alleys; that he had 3 charges of car theft against him and served for 10 months of a 15 months sentence; that he broke parole but was not apprehended; that he joined the Army for the purpose of improving his family's finances and that he has never been amenable to taking orders or discipline and has a grudge against the Army.

3. The Selection of Personnel Officer, who was interviewing this soldier states that he is a strong, healthy man of good appearance who lacks interest in anything; that he is stubborn, arrogant and insolent in manner; that he has done everything possible to get himself returned to Canada; that he is badly in need of discipline and appears almost untamable; that he will not reason and is defiant and persistent in his attitude that he has finished with the Army; that he has no desire to fight or serve overseas and is unlikely to become an efficient soldier.

4. Taking into consideration this soldier's record and the above mentioned reports, especially his very bad attitude towards the Army, it is my opinion that he should not be discharged on medical grounds, but that he should be classified as an incorrigible and that he should be discharged for misconduct in accordance with paragraph 8 of Appendix to C.A.R.O. 1029, authorized by C.O. 169/39 and I so recommend. In my opinion this soldier has misconducted himself for the purpose of obtaining his discharge.

5. I have accordingly directed that this soldier be returned to Canada for disposal by the Adjutant-General. He will be despatched on the first convenient draft.

PLEA OF MITIGATION in the case of A49562 Pte. Hall J.E.

The accused has been a soldier in the Canadian Army since 28 Jul 1940 and has served in the United Kingdom since 7 Jan 1943.

His PULHEMS show that he is an M4, S5, and he says he was told he would be sent back to Canada as unfit for service.

He has had domestic troubles of a nature to cause undue mental strain in that his wife wrote and told him it wouldn't be of any use for him to return to Canada as she was through with him due to his last period of detention.

Although he has no character witnesses and pleads guilty to this charge he says he will endeavour to soldier if given another chance.

I hereby submit a plea for leniency in his case if it may please the court.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. PLEA OF MITIGATION in the case of A 49562 Pte. Hall J.E.

The accused has been a soldier in the Canadian Army since 28 Jul 1940 and has served in the United Kingdom since 7 Jan 1943.

His PULHEMS show that he is an M4, S5, and he says he was told he would be sent back to Canada as unfit for service.

He has had domestic troubles of a nature to cause undue mental strain in that his wife wrote and told him it wouldn't be of any use for him to return to Canada as she was through with him due to his last period of detention.

Although he has no character witnesses and pleads guilty to this charge he says he will endeavour to soldier if given another chance.

I hereby submit a plea for leniency in his case if it may please the court.

Re: DISTRICT COURT-MARTIAL
A.49562, Pte. Joseph Edward Hall,
No. 1 D.D. (CA).

1. Receipt is acknowledged of your L.28-H-131, dated December 12th, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. The following irregularities have been observed in the proceedings:-

(a) The initials of Captain Steven are not the same on page "A" of the proceedings, as in the convening order.

(b) It is observed that the letters "(A.F.)" appear in several places on the daily orders of No. 2, District Depot. It is no longer correct to use the same and the proper letters to be used are "C.A.". They are also sufficient to denote active service.

(c) Form M.F.B. 1481 was not properly completed in that the signing officer neglected to strike out the inapplicable description after his name and rank. He should also have signed the same in ink, instead of in lead pencil.

(d) It is observed that the draft warning order was first received and made an exhibit to the proceedings before the officer presenting the same identified it as being the document signed by the accused and witnessed by himself. It should not have been admitted in evidence until after Lieut. Dawdy had given this evidence.

(e) Exhibit "L" being a true copy of the movement order, was not admissible, and should not have been admitted by the court.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

STATEMENT OF:

A-49562, Pte. Joseph Edward HALL
No. 1 District Depot (CA)

I was on the draft from the Kent Regiment in B.C. for special duty. At London we were given a pass from Sept. 17th to Sept. 21st. I returned from this pass on time. I was in Barracks during Monday and Tuesday, Sept. 21st and 22nd. I was present at roll calls on Tuesday. During Tuesday I was drinking. About 4 p.m. (1600 hours) my wife, who was expecting a baby, phoned me from Chatham and asked me to come home. I did a very foolish thing and went away. I afterwards went to the United States, and on the 17th of November I surrendered myself to the Detroit police. I was in uniform all the time I was away. The Detroit police handed me over to the Provost from Windsor the same day, Nov.17th. I did not intend to desert his Majesty's Forces, and I am willing and ready to soldier where and when detailed.

Signed: Pte. J. E. Hall

CLOSING ADDRESS BY THE DEFENDING OFFICER

Mr. President and gentlemen we have here a case of a man, who because of drinking and because of a phone call, did a very foolish thing-- perhaps an inexcusable thing. Far be it from me to ask the Court that he should be excused but when the phone call was received that his wife was sick, passing through a certain period, he did that foolish thing. We are not questioning the idea of his signing the warning order. I do not think there is a doubt but that he knew what he was signing, in fact, he returned here on the pass given him after that warning order on time and remained in barracks for two days and he answered the roll call and then in answer to that phone call and because he was not himself he went away. When he was away for sometime he went to the United States. As we have heard from L/Cpl. Sisson he surrendered himself-- he woke up to the fact that he had done a foolish thing -- a wrong thing. He was in uniform at all times and he surrendered himself in uniform and told the Provosts, whose care he was given by the Detroit police that he was tired of being A.W.L. and wanted to get back to his unit.

Gentlemen, those are the facts as we have them -- whether it was a case of desertion or not, he is willing he says to soldier where and when detailed-- he says he did not desert or did not intend to desert His Majesty's forces. He surrendered himself in uniform and was glad to be back. May I ask the Court to find him guilty of the lesser charge of absence without leave as intention - intention to desert, I do not think, has been proven before this Court. Men may do a wrong thing, a thoughtless thing, a foolish thing without intending to do it. Therefore, I ask that this Court find Pte. Hall guilty of the lesser charge of absence without leave and not guilty of the charge according to the charge sheet.

CLOSING ADDRESS BY THE PROSECUTOR

The Court is very familiar with page 19 of the Manual and the description of desertion given there, particularly in Para. 20, "A man who absents himself in a deliberate or clandestine manner, with a view of shirking some important service, though he may intend to return when the evasion of the service is accomplished, is liable to be convicted of desertion just as if an intention never to return had been proved against him."

This man was on parade on the 22nd of September. He was prepared in all respects to go on that draft. Then just before the draft left, between the last roll call and the last parade on that day before the final parade on which the draft marched off, Pte. Hall deliberately went away.

The fact that he became tired of being A.W.L. and came back voluntarily and surrendered himself and asked to be returned to his unit, does not, in accordance with Para. 20, excuse him for what he did and I submit to the Court that the evidence shows a clear case of desertion in accordance with Para. 20 which I have just quoted.

SUMMING UP BY THE JUDGE ADVOCATE

In respect to the case there does not seem to be much conflict in the evidence whatsoever. The whole definition, and the only definition, of desertion, charged in this case is this man is accused of evading, that is he went absent without leave with the intention of avoiding this special duty, which he has admitted, or which is admitted on his behalf, that he knew he was to perform. In respect of his intention to so avoid that duty, as I pointed out on numerous cases on trials of desertion - intention is not a matter of positive proof, it is is not capale of positive proof, in most instances; and it must be inferred only from the overt acts surrounding it.

Now the Prosecutor has pointed out that he was on parade on the Tuesday, the day upon which the draft left, and upon his own statement he said that he, by reason of a telephone call from his wife at 1600 hours, and by reason of doing some drinking he just went away.

Now, if a man is bound by law to perform any duty, and he does an act which necessarily cause a failure in the performance of that duty, he is, in law, and will be held in law, to have intended to fail to perform that duty. I quote from page 109 of the Manual of Military Law. Then I must tell you what my view of the law is, and I will give you my authority: if you look at page 20, paragraph 23 you will see "The fact that a soldier surrenders is not proof by itself that he intended to return, even though he is in uniform at the time of surrender. It may not be possible to prove where the man has been during hisabsence, but evidence that the military patrols hadsearched carefully in the neighbourhood of the barracks without finding him, would show that he must have gone to a distance...." However, the very fact I am trying to bring out, and the law is, that if a man surrenders himself it does not disprove that he

he had intented to evade the duty.

What happened in this case, shortly? He says himself he went absent. It is proved the draft went on the evening of the 22nd. He says his wife was going to have a baby. What did he do? He went home. There is no evidence how long he stayed home, but he went to the States. There is no evidence that he took his wife with him. There is no evidence before the Court as to whether she had the baby, or whether he was home when she had the baby. While these things may be extenuating circumstances to a degree, they may be evidence in mitigation of any punishment the Court might see fit to give in case they do convict. That is the evidence, and the Court must decide on the evidence.. If the evidence of the prosecution convinces this Court beyond reasonable doubt that his actions were such that he must in law be taken to have intended the consequences of his act, by reason of the law as laid down on page 109, then they may convict. But if the Court has any doubt, any reasonable doubt, then I must tell you that you must give him the benefit of that doubt.

I think I need not speak further. The facts are quite clear. It is merely a matter of the Court being able to make up their minds solely upon the evidence whether or not the Prosecution has proved its case beyond reasonable doubt.

ADDRESS BY THE DEFENDING OFFICER IN MITIGATION OF SENTENCE

Briefly Sir and gentlemen, the case before the Court, the accused has to pay the penalty for the deed he has done. I have pleaded before many of these Courts for an adequate sentence but not a severe sentence because I find in my contact with the boys a severe sentence hurts them.

In this case I ask for an adequate sentence, not too severe-- not severe, with the recommendation that this man along with the others on this draft who have not gone forward, to return to active service as soon as possible and with any sentence you may deal out you make the recommendation that way. This man, with two years of training, should be at his very peak and should be sent forward with the others of this draft or others going forward on active service.

I think after part of his sentence has been served if that is done, then the punishment will fit the crime and he will be put back into active service of value in the Canadian Army at this time.

First Witness for the Defence.

The Accused, No. A-67848 Private Edward Athur Haist, No. 6 District Depot, (CA), being duly sworn, is examined by the Defending officer.

Q. 20 Will you tell the Court why you went absent?

A. 20 I have no other reason except that I dont believe in fighting. I would do my best in Canada. I am quite willing to take my part in any capacity that I may be fit for in Canada, but I dont believe it is right that I should go over there and fight.

Q. 21 Is there anything else that you wish to tell the Court?

A. 21 When I joined up in April they promised me a trade. I took a test at Barriefield and I passed as a second class mechanic. They promised me I would finish my course and get trades pay. About ten days after that they transferred me to the signals. I tried to get back but they would not listed to it. They said that possibly they would give me a chance to finish my course. They never did that. When it came to the time of the draft I thought the only way to get out of it was to jump the draft, so I did.

CROSS-EXAMINED BY THE PROSECUTOR.

Q. 22 Are your reasons for not wishing to fight over there religious ones?

A. 22 Yes Sir.

Q. 23 What religion are you?

A. 24 Not that I know of, Sir.

Q. 25 Are you a Bible student?

A. 25 No Sir.

Q. 26 Where do you get your authority?

Q. 27 Are you prepared to kill in Canada?

A. 27 Yes Sir. Not outside of Canada.

Q. 28 Where do you come from?

A. 28 Saskatchewan.

Q. 29 Where did you enlist?

A. 29 Kitchener.

Q. 30 Where is your home?

A. 30 Hespler, Ont.

Q. 31 You are willing to fight in Hespler and Kitchener and Saskatchewan and Nova Scotia?

A. 31 Yes Sir.

Q. 32 Why fight for Nova Scotia?

A. 32 Because it is all part of my country.

Q. 33 Is not Canada part of the British Empire?

A. 33 Yes Sir.

Q. 34 Is not Australia part of the British Empire?

A. 34 Yes Sir.

Q. 35 You are not willing to fight in Australia?

A. 35 I would if I had to.

Q. 36 Would you fight in England?

A. 36 I would if I had to.

Q. 37 Where would you not fight?

A. 38 Yes Sir.

Q. 39 Do you consider there has been any need to protect Canada or Nova Scotia?

A. 39 No Sir.

Q. 40 What about the ships that have been torpedoed by enemy action out of the Port of Halifax, is that not an attack on Canada?

A. 40 Yes Sir.

A. 41 Yes Sir. We are fighting a machine that is taught to kill.

Q. 42 You enjoy roast beef?

A. 42 Yes Sir.

Q. 43 When they issue pork you enjoy it?

A. 43 Yes Sir.

Q. 44 The big reason you joined up was you were promised a trade?

A. 44 That was part of the reason. I also thought I would do my part for Canada.

Q. 45 A limited part?

A. 45 Yes Sir.

Q. 46 You base your reason for leaving the Army on the fact that you believe in the Bible and it says "Thou shalt not kill"?

A. 46 Yes Sir.

Q. 47 Do you believe every word of it?

A. 47 I do my best.

Q. 48 You would not go against the dictates of the Bible?

A. 48 Not willingly.

Q. 49 Is there anything in the Bible that says you should not eat pork?

A. 49 I never saw it.

Q. 50 Therefore, I suggest you have looked only at part of the Bible. Have you read the Bible?

A. 50 Not on the pork question.

Q. 51 How much have you read?

A. 51 I could not say.

Q. 52 Just what suited you?

A. 52 Since I have been in the cell I have read more than I ever did before.

A. 53 No Sir. I made up my mind long before that.

Q. 54 Did you go to church regularly?

A. 54 No Sir.

A. 55 Yes Sir.

Q. 56 How often did you read it?

Q. 58 Do you know you used to read it at a time?

A. 58 Not very long.

Q. 59 Not very often?

A. 59 No Sir.

Q. 60 Therefore, you could not consider yourself much of a Bible student?

A. 60 No Sir. I am not a Bible student.

Q. 61 You made the statement, when I joined up the big reason was I was promised a trade?

A. 61 That is one of the reasons.

Q. 62 What were the other reasons?

A. 62 No other reason in particular, but they promised this trade. I am a mechanic in civil life. They told me if I joined up they would put me through to finish the course.

Q. 63 Who told you that?

A. 63 The Intelligence Officer at Kitchener.

Q. 64 How long have you been in the Army?

A. 64 I joined up April 1st.

Q. 65 You always got your three meals a day and your full kit?

A. 65 Yes Sir.

Q. 66 You made some remarks that you had not got along so well in civil life, is that right?

A. 66 Yes Sir.

Q. 67 You have done without things you desired?

A. 67 Yes Sir.

Q. 68 Including your meals and clothes?

A. 73 Yes Sir.

Q. 74 You signed an attestation paper saying that you would serve in the Canadian Army at home or abroad?

A. 74 Yes Sir.

Q. 75 That was a fake?

A. 75 No Sir. At that time I did.

Q. 76 In April, this year, you intended to serve abroad?

A. 76 Yes Sir.

Q. 77 How do you reconcile that with the statement you made a few minutes ago that you should not kill and have made up your mind that you would not serve beyond Canada?

A. 77 At no time I never believed that a person should kill except in self defence. We are all taught to kill, we are both in the wrong. They hate us and we hate them. I dont think it is right that we should do them any harm until they do it to us first. Let them do the dirty work first.

Q. 78 You mean let them kill you before you retalliate?

A. 78 That would be hardly possible.

Q. 79 When should we start killing Germans?

A. 79 When they start bothering us.

Q. 80 What about the case a few weeks ago when a submarine sank a fishing vessel that was getting food off the Nova Scotia coast for the people of Nova Scotia, was not that an attack on us?

A. 80 Yes Sir. We also do the same thing to them. We never hear anything about that. I know we would if we had a chance.

Q. 81 You would not?

A. 81 No Sir.

Q. 82 What other things did you read besides the Bible, any other literature on religion?

A. 82 No Sir.

Q. 83 Did you ever read any of Judge Rutherford's books?

A. 83 No Sir.

Q. 84 Did you ever have any calls from people who are interested in promoting belief in God?

A. 85 Yes Sir.

Q. 86 Known commonly as Jehovah Witnesses?

A. 86 Yes Sir.

Q. 87 Did you have conversations with them?

A. 87 Yes Sir. That is not a religion, it is just a study. They form a group of people who wish to study the Word of God.

Q. 88 Did you consider yourself a part of the group?

A. 88 No Sir.

D--13

Q. 89 Did they often come to your house?

A. 93 Some parts of them.

Q. 94 You agreed with the part about not killing?

A. 94 Yes Sir.

A. 95 Yes Sir.

A. 96 Yes Sir.

A. 97 Yes Sir.

Q. 98 You went away to dodge the draft?

A. 98 Yes Sir. I have already said that.

Q. 99 Why did you surrender yourself in Ontario?

Q. 100 The authorities were on your trail?

A. 100 No Sir.

Q. 101 You decided you would come back and take your rap?

A. 101 Yes Sir.

A. 102 Yes Sir.

Q. 103 Still you have no intention of going Overseas?

A. 103 I dont want to Sir, no.

Q. 104 I want to go back to this territorial delineation of yours, correct me if I mis-quote you or suggest thoughts of yours which are not your thoughts. It would seem from your answers that you have drawn boundaries of the places you are prepared to fight and that they are the Coast Lines of Canada?

A. 104. Yes Sir. That's right.

Q. 105 You do not include the territorial waters of Canada?

A. 105 Yes Sir.

Q. 106 Would you fight in Newfoundland?

A. 106 Yes Sir.

Q. 107 Labrador?

A. 107 Yes Sir.

Closing address by the Prosecutor.

Mr. President and Members.

Usually where there is no closing address by the Defending Officer, the Prosecutor does not make one either, but I feel it my duty, in this case, to make a few remarks.

The accused, I submit, is either a Jehovah Witness, therefore of a prescribed organization, or one who has adopted that part of their teachings which applies to his make-up, or fear, or cowardice, or whatever you want to call it. It will be noted that early in his cross-examinagion he said he read the Bible somewhat, but that he had not read any religious literature. Sometime later, when I came back to the same subject he altered that by saying he had read literature left by Jehovah "itnesses and had agreed with some it, particularly that part about "Thou shalt not kill". Another glaring contradiction is that he made up his mind a long time ago that "Thou shalt not kill" was more or less his doctrine. Later on he said he got that out of Jehovah Witnesses literature. I wish to remind the Court of the accused's demeanor when I asked him a question about Pte. Croucher. His startled appearance and his prompt avowal that he had been contaminated long before he met Pte. Croucher. I suggest to you an old quotation in that regard---"Methinks he doth protest too much and too quickly". Another series of answers, I submit, are well worthy of note, are his original geographic delineations of his fighting territory. That is to sayCanada, but not the territorial waters, and which he extended most graciously and benignly from time to time until he answered the very last question I asked him as follows:- "I would not refuse to fight anywhere, but this is where I want to stop, right here in Canada". His one frank statement which he does not contradict is the one which he made twice that he left the Army to jump a draft. The whole crux of this case, I submit is that he jumped the Army to escape a draft. The rest of his remarks and sworn evidence consists merely of feeble attempts to escape consequences, in which he has grasped at a very poorly studied Bible, Judge Rutherford, and everything else in sight. From his last answer, it is quite probably, I submit, that he is not doing this from cowardice, but he has done what he has done because he did not get his complete trade course or trades pay and it is quite probably for this reason he decided not to play around in His Majesty's Service. He explanation of why he surrendered is very interesting. He knew he was going to be caught. I submit that a surrender under those circumstances cannot absolve him from a charge of desertion. Under those conditions it is the same as an apprehension. He jumped the draft, he did not come back until he realized he might as well get it over with. He decided to get it over with and take the rap. I submit that this is a case, of few, where desertion has been proven. We have everything right out of the accused's mouth.

No. 6 District Depot.

1. Receipt is acknowledged of your H-M-1463, dated the 19th December, 1942, under cover of which you forwarded for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularity noted in your letter, the following might be pointed out:

(a) The deletions in the Convening Order should have been initialled by the officer whose signature appears thereon.

(b) M.F.B.375 should indicate the place at which the accused absented himself as well as the unit.

3. As noted in your letter, M.F.M.216 was not signed by the proper officer, with the result that the document is invalid and not admissible as evidence. Fortunately for the validity of the proceedings however, the resulting deficiency in proof was covered by the entry in the copy of Part II Orders setting forth the circumstances of the accused's apprehension.

4. It is not considered necessary to return the proceedings which are accordingly retained for custody. May the above noted irregularities be brought to the attention of all officers concerned for their future guidance.

1. Reference your H.Q.C. 55-H-308 (JAG/D-4) dated 23rd August 1944.

2. Paragraph 2 of your above mentioned letter has been noted and brought to the attention of the officers concerned.

3. The unusual delay in this case is due to the fact that Pte. Howe was kept at the disposal of the civil authorities who charged him with theft and forgery.

4. Pte. Howe was apprehended on 30th April 1944 but washanded over to the Provincial Police on 6th May. On 10th June 1944, the charges laid by the civil authorities had not yet been dealt with and Pte. Howe was handed over to the military authorities for custody pending further action to be taken by the civil courts. It was impossible to take disciplinary action at that time, as the action to be taken by the Quebec Provincial Police was unknown.

5. On 5th July 1944 Pte. Howe was again handed over to the Provincial Police. On 1st August he was sentenced by the civil courts and was handed over to the military authorities for disposal. He was then remanded for Summary of Evidence and the application for Standing Court Martial was forwarded to this Headquarters on 8th August.

6. In view of the above, it is this Headquarters' opinion that no undue delay occurred in this case.

LE TEMOIN SE RETIRE.

L'ACCUSE, E/5999 Soldat Martin HOWE, Royal 22e Regiment, A.C., att. au A-13, C.I.I., A.C., déclare:-

" La raison de mon départ, le 22 novembre 1942, j'étais à l'Hôpital Militaire du Camp de Valcartier. Le Cpl. Gagné Ivan, du Royal 22e Régiment est venu me trouver à huit heures le soir, me disant que ma femme était bien malade, çà faisait trois fois qu'elle téléphonait pour me le dire, je n'en avais pas eu de nouvelles encore. Le Cpl. m'a apporté un "battle dress", il m'a donné un billet d'autobus pour aller chez-nous.

J'ai arrivé chez-nous, ma femme était malade, une fausse couche. C'est le docteur Maheux de St-Louis de Courville qui l'a soigné.

Au mois de janvier, je voulais venir me rapporter, j'ai écrit au Brigadier Blais lui demandant quelle punition que j'aurais si je venais me rapporter. Je n'ai pas eu de réponse. Quinze jours après, un type, un morceau Roméo Parent est venu chez-nous me chercher pour travailler. J'ai pas voulu y aller. Il est venu par trois fois, me disant qu'il me ferait "discharger" de l'armée normalement.

Le Commandant du Camp de Valcartier dans le temps, c'était un de ses grands amis, le Colonel Godreau. J'ai travaillé pour lui, Roméo Parent. Quand je travaillais pour lui, je faisais des fausses "discharges" signées au nom du Colonel Godreau, des cartes d'enregistrement ainsi que des faux chèques.

L'été dernier, j'ai voulu abandonner de travailler pour lui, il me disait que si j'abandonnais de travailler pour lui, je serais accusé complice dans son accusation, comme j'ai été accusé quand j'ai été arrêté le 30 avril.

Je vous demanderais de prendre mon cas en considération, depuis le 30 avril que je suis aux arrêts.

****

Pour mon équipement, tout mon linge est au quartier-maître de l'Hôpital Militaire ici. Quand je me suis fait arrêter, j'ai voulu amener mon reçu, les Provosts n'ont pas voulu parce qu'on s'en venait à Québec. J'ai écrit à ma femme, j'ai fait demander mon reçu signé par le Cpl. Migneault, quartier-maître de l'Hôpital Militaire. Tout mon linge est là."

D

Le procureur n'a plus de témoins à appeler.
La poursuite est close.

Motion de non-lieu

Il est loisible à l'accusé, à son avocat ou à l'officier défenseur, après l'audition de la preuve de la poursuite, d'alléguer que celle-ci n'a pas réussi à établir une présomption légale contre l'accusé et que ce dernier ne devrait pas, par conséquent, être contraint de présenter sa défense. Dans le cas d'une telle motion, le procès verbal sera consigné sur des feuilles séparées qui seront insérées immédiatement avant la présente page D. Si la cour estime que cette allégation est bien fondée, elle doit acquitter l'accusé et consigner son verdict à la page A.

Défense

Le président s'adresse à l'accusé en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite générale de votre défense. La procédure à suivre dépend entièrement des réponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos réponses. Vous n'aurez pas à témoigner sous serment à moins que vous ne le vouliez. Mais, si vous faites des dépositions assermentées, vous serez sujet à l'interrogatoire contradictoire par les soins du procureur et à l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de déposition sous serment, vous avez le droit de faire une déclaration où vous donnerez votre version de l'affaire. Vous ne serez pas assermenté et vous ne serez pas interrogé sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prévenir qu'une déposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple déclaration non assermentée."

S'il n'y a pas d'officier défenseur, le président explique alors à l'accusé l'effet que ses réponses aux questions de forme de la page D du procès verbal auront sur l'ordre des dernières plaidoiries, prévu dans les Règles de procédure 40 et 41.

Question à l'accusé. Désirez-vous comparaître, vous-même, comme témoin, ou bien désirez-vous faire une déclaration non assermentée.

Réponse: DECLARATION NON ASSERMENTEE. (VOIR PAGES "D-3" et "D-5".)

Question à l'accusé. Avez-vous l'intention de citer des témoins pour votre défense ?

Réponse: NON MONSIEUR.

Question à l'accusé. ~~Est-ce uniquement un témoin à l'appui de votre réputation ?~~

Réponse:

E

Procédure sur déclaration de culpabilité précédant la sentence

Quand la cour en est arrivée à une décision relativement à tous les chefs d'accusation contre l'accusé et que ladite décision a été annoncée à ce dernier, le procureur remet au président le modèle M.F.B. 355 et, si possible, un modèle M.F.M. 6.

Ces documents sont lus à la cour par le président, marqués "Y" et "Z", signés par le président et versés au dossier.

Question à l'accusé. Avez-vous quelque déclaration à faire relativement aux documents dont on vient de vous donner lecture ?

Réponse: NON MONSIEUR.

Question à l'accusé. Désirez-vous adresser la parole à la cour ?

Réponse: NON MONSIEUR.

La sentence est alors consignée à la page "A" du procès verbal et elle est annoncée à l'accusé en plein tribunal.

Le président établit alors et signe le mandat d'incarcération, le cas échéant, et celui-ci est immédiatement transmis au commandant de l'accusé. Dans chaque cas, il établit aussi et signe le certificat de procès devant une cour martiale permanente et le transmet en conformité des règlements. Le procès verbal ainsi que tous les documents seront transmis au juge-avocat général.

Standing Court-Martial
H.5999 - Pte. Martin Howe,
Royal 22e Regt.,C.A.
att. A-13 C.I.T.C.,C.A.

Receipt is acknowledged of the proceedings of the marginally-noted Standing Court-Martial which were forwarded by the President named therein.

2. The Particulars of the first charge state that the accused absented himself while in close arrest. No evidence was adduced before the Court to show that the accused was in close arrest when he absented himself and the Court should therefore have made a Special Finding to the effect that the accused absented himself as mentioned in the Particulars of the charge except that he was not in close arrest. It is, however, noted that the charge of Desertion was reduced by the Court to Absence without Leave and it is assumed that in effecting such reduction the Court took into consideration the absence of evidence on that part of the particulars stating that the accused was then in close arrest. I am therefore of the opinion that the accused was not prejudiced by the Finding as made by the Court and that such Finding, although irregular, does not need at this time to be corrected or disturbed by a Special Finding.

3. It is noted that the accused was 101 days in custody awaiting trial. May a detailed explanation of this delay be furnished, please.

4. The proceedings are legally regular, the Finding is properly made and the Sentence is according to law. Pursuant to C.A.R.O. 4565 paragraph 12, the said proceedings are herewith forwarded to you. After they have served your purpose, will you please return the proceedings to this office for custody.

Judge Advocate-General.

1. Reference your Q:39-H-451 (JA) dated December 31st, 1942, under cover of which you forwarded to this office the proceedings of the marginally noted District Court-Martial.

2. The facts as to precisely what articles had been returned by the accused were obscure in the proceedings, but under the circumstances, as clarified in your letter, it is apparent that the sentence of stoppages was quite in order, and no necessity for a remission exists.

3. It is not considered necessary to return the proceedings, which are accordingly retained for custody.

RE: DISTRICT COURT-MARTIAL
M/5999, Pte. Martin HOWE,
R. 22nd Regiment, C.A., Att. to A.I.T.C. A-13, C.A.

Reference your H.Q.C. 55-H-308 (JAG) dated 28th December, 1942 and enclosure, relative to the marginally-noted District Court-Martial.

2. In connection with para. 2 (b) of your above mentioned letter, the following facts are pointed out for your consideration, please.

(a) The first witness for the Prosecution established that on 18th May, 1942, the accused was found deficient of certain articles of a total value of $40.78, (Vide M.F.B. 375 produced as exhibit "K") namely: One battle dress complete, two boots ankle, two drawers woolen, three socks.

(b) The second witness for the Prosecution established that the accused brought back the following articles of which he had previously been found deficient, according to M.F.B. 375: one battle dress trousers, 1 boot ankle, one drawer woolen, one sock.
This witness also mentioned one sweater, but the accused has not been charged with being deficient of this article.

(c) With the exception of the battle dress trousers, the charge sheet does not mention any of the articles which the accused brought back with him. He has been charged with only one boot ankle, $4.20, notwithstanding the fact that on M.F.B. 375 he was found deficient of two boots ankle, $10.40. A similar remark applies to the drawers woolen and the socks.

3. In view of the above, it seems that the accused has not been put under stoppages of pay in respect of the articles he brought back because he is charged with only one boot ankle, 1 drawer woolen and two socks, when M.F.B. 375 states that on 18th May, 1942, he was deficient of two boots ankle, two drawers woolen and three socks. The sweater brought back by the accused has not been included in the Charge Sheet and the Court, on the second charge, made a special finding to the effect that the accused was not deficient of the battle dress trousers $4.20.

4. May this case be reconsidered please, and this Headquarters advised if it is still desired that a remission of the sentence of stoppages be made as requested.

5. The proceedings in this case are returned herewith for your attention, please.

CLOSING ADDRESS BY THE PROSECUTOR

Dans cette cause, Monsieur le Président, l'accusé est accusé de désertion et je crois qu'il a été prouvé qu'il s'est absenté; et quant à l'intention de déserter, je crois qu'on peut la déduire du fait qu'il était vêtu en habit civil.

Evidemment, il est assez difficile de prouver d'une façon claire et nette l'intention de déserter par des témoins à moins que ce soit par l'accusé lui-même. On peut déduire l'intention de la conduite, et des faits qui entourent et son absence et son arrestation. Or, dans le cas actuel, ce n'est pas un absent qui s'est rendu lui-même. Il a été arrêté. Il est parti le 18 mai et il a été arrêté le 17 octobre. Et deuxièmement quand on l'a arrêté, il était en habit civil. Ceci, je crois, est un élément qui aide la Cour à juger si réellement le soldat qui quitte son uniforme doit être considéré comme un absent ordinaire et ça indique bien chez-lui l'intention de ne plus retourner à l'armée.

Quant à la deuxième charge, comme il a été remarqué au cours du témoignage du quartier-maître, on devrait faire crédit à l'accusé de son pantalon (battle dress) qui lui est chargé, et qui a été rapporté. Alors, ça ferait, je crois une différence sur l'accusation de $4.20. Alors, son accusation devrait être de $35.27.

Je m'en rapporte à la décision de la Cour.

CLOSING ADDRESS BY THE DEFENDING OFFICER

Messieurs les Membres de la Cour,

Je me demande où le prosécuteur va-t-il chercher sa preuve pour accuser le Pte.Howe de désertion.

Le Pte. Howe au moment de son arrestation a été appréhendé par les autorités militaires dans son lit à 3.00 heures du matin. Croyez-vous qu'un homme peut coucher dans son lit avec son uniforme militaire? - Les autorités militaires, lorsqu'ils l'ont appréhendé, auraient dû marquer dans leur rapport "appréhendé en habit de nuit"et non en habit civil. D'autant plus que le Pte.Howe est revenu au Camp de Valcartier avec son uniforme militaire, puisque son uniforme était au pied de son lit.

Je demande donc à la Cour de prendre en considération les faits de son arrestation et les circonstances dans lesquelles il a été appréhendé.

Je demande donc à la Cour la clémence pour l'accusé.

Re: District Court-Martial,
R.5999 Pte. Martin Howe,
R.22nd R., Att. A.I.T.C.A-13,C.A.

1. Receipt is acknowledged of your Q.39-H-451 JA, dated the 22nd December, 1942, under cover of which you forwarded for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities noted in your letter, the following might be pointed out:

(a) It would have been preferable had the Special Finding, rather than finding the accused Guilty of the 2nd charge "with the exception of the words etc.", set forth the fact that the accused was found Guilty of the charge "except that he is not deficient of the following articles, viz: etc." (See Handbook, page 48 paragraph 6).

(b) It is observed that the second witness for the Prosecution produced evidence that the accused returned certain articles of which he had previously been found deficient by the Court of Inquiry, with the exception of "one Battle Dress Trousers, $4.20". The accused nevertheless appears to have been put under stoppages of pay in respect of the remaining articles, having a total value of $6.00, which had already been recovered. It is therefore, considered advisable that remission of the sentence of stoppages be made to the extent of the value of the articles returned by the accused.

3. The proceedings are accordingly returned herewith in order that such remission be made by the District Officer Commanding. When this has been done may the proceedings please be returned to this Headquarters.

for Brigadier,
Judge Advocate-General.

(a) It was unnecessary to itemize all the particulars of the costs of apprehension in connection with the first charge. (See specimen form in Handbook.)

(b) The accused was not fully described in the two forms M.F.B. 1461, his corps and unit having been omitted after his number, rank and name. It is also preferable that each item of the particulars in these forms should be dated.

(c) The accused was not fully described in Form M.F.B. 1462 for the same reason.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

HARPER, C.A. att'd A-10 1(A)TC, CA.

1. Receipt is acknowledged of your C.B. 40-H-253 (AJAG) dated December 21st, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. The following irregularities have been observed in the proceedings:-

(a) It was unnecessary to itemize all the particulars of the costs of apprehension in connection with the first charge. (See specimen form in Handbook.)

(b) The accused was not fully described in the two forms M.F.B. 1481, his corps and unit having been omitted after his number, rank and name. It is also preferable that each item of the particulars in these forms should be dated.

(c) The accused was not fully described in Form M.F.B. 1482 for the same reason.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

Evidence as to character.

The Accused, No.C5005 Private Robert Earl Hyderman, Hastings and Prince Edward Regiment, C.A. Attached to A-10 Infantry (Advanced) Training Centre, C.A., being duly sworn, is examined by the Defending Officer :-

Q-7 How old are you?

A-7 20, sir.

Q-8 Where is your home?

A-8 Picton.

Q-9 How much schooling have you had?

A-9 Senior 3rd.

Q-10 That is in public school?

A-10 Yes, sir.

Q-11 Is that the last year of public school?

A-11 That was my last year.

Q-12 When did you first enlist in the Army?

A-12 About the 26th March, sir.

Q-13 Was that your first enlistment?

A-13 In '39, sir, the 28th of November.

Q-14 With whom did you enlist?

A-14 The Hastings and Prince Edward.

Q-15 How long did you serve with them?

A-15 About two months and a half, sir.

Q-16 Why did you leave the regiment?

A-16 Because I was too young.

Q-17 You were discharged because you were underage?

A-17 Yes, sir.

Q-18 Have youhad any service subsequent to that?

A-18 I don't quite get you, sir.

Q-19 Did you enlist again?

A-19 Yes, sir.

Q-20 When?

A-20 The 26th of March, at Kingston, sir.

Q-21 That is this time - in 1942 you mean?

A-21 Yes, sir.

Q-22 You enlisted at the District Depot at Kinston. Where were you sent after enlistment?

A-22 Cornwall.

Q-23 For your basic training?

A-23 Yes, sir.

Q-24 How long were you there?

A-24 Two months, sir.

Q-25 What happened while you were at Cornwall?

A-25 I seen this here girl down there and I started going with her a couple of days after I was down there. About 3 weeks after that I asked her mother if I could get married. She said: "no". She said "because I was in the Army". I said: "What difference does that make?" She said: "a lot of difference". I said: "it doesn't make any difference at all", but she still said"no". Then the girl asked me I really wanted to get married. I said: "yes". She said there was only one way out. That is how come I got in this trouble. Then I came up to Camp Borden here and I got a letter about 7 days after-

wards telling me that she was pregnant. I lost my mind, and I went down there to Cornwall. I got as far as Picton. I knew I wanted some money so I went to work for a month.. From there I went and got caught in Picton. I was in there in jail and I went down to Kingston. I broke out there and I went down to Cornwall to see what I could do. I stayed there for a while and then I came back to Camp.

Q-26 When you got this letter here at Camp Borden, did you apply for a pass?

A-26 No, sir. Because I asked for a daily pass before that and they would NOT give it to me, so I thought they wouldn't give me any pass for this.

Q-27 In other words, you didn't go to your company commander or anyone about this. You just set out for Cornwall?

A-27 Yes, sir.

Q-28 What was your state of mind at the time you left?

A-28 Well, it was on all on my state of mind the.

Q-29 What was that?

A-29 The letter I got from this girl.

Q-30 That was the only thing you were thinking about, you mean?

A-30 Yes, sir.

Q-31 Now, you stated that you went as far as Picton and stayed there to work in order to get money?

A-31 Yes, sir.

Q-32 Why did you choose to stop at Picton?

A-32 I wanted to get the fare down for the train and some extra money so I stopped there and went to work. That was the only place I knew I could get work.

Q-33 That was your home?

A-33 Yes, sir.

Q-34 What were you doing when you were apprehended in Picton?

A-34 It was pea time. I went up to the factory on a truck with a load of peas. Mr. Biddle caught me. He seen me in the truck and

and come up to the factory after me.

Q-35 When did you intend to go on to Cornwall?

A-35 About a couple of weeks later - I thought of going on through to Cornwall. Then they caught me and I got in the jail in Picton. Then I went to Kingston.

Q-36 Why did you break out at Kingston?

A-36 Because my mind was still on the girl, sir.

Q-37 After you broke out, where did you go?

A-37 I went to Cornwall.

Q-38 That was approximately the 18th of July. From that time until you returned to Camp Borden on the 12th of November, where were you?

A-38 I was right down at the house of my girl friend.

Q-39 At Cornwall?

A-39 Yes, sir.

Q-40 You stayed there during that entire period?

A-40 Yes, sir.

Q-41 Did you work?

A-41 No, sir.

Q-42 Why not?

A-42 Because they might find out I was in civilian clothes again. That would make it harder for me.

Q-43 Why did you not come back to Camp earlier than you did?

A-43 I started out a few times and she told me not to go yet so I said: "Alright, I'll stay a while longer".

Q-44 The girl persuaded you to stay?

A-44 Yes, sir.

Q-45 What did you feel you could accomplish by staying there, especially when you weren't working?

A-45 I couldn't accomplish anything then, sir.

Q-46 Why did you continue to stay?

A-46 She wanted me to so I said to myself: "I might just as well stay a while longer".

CROSS-EXAMINED BY THE PROSECUTOR:

Q-47 Are you married now?

A-47 No, sir.

---The Defending Officer declines to re-examine.

QUESTIONED BY THE COURT:

Q-48 Did you consider getting married when you were staying down at Cornwall?

A-48 I was, sir, until I was told I had to get permission from the Army, so I came back.

Q-49 Who told you that - the minister?

A-49 No, sir, some of the people down there.

Q-50 You met this girl while you were at Cornwall in Camp?

A-50 Yes, sir.

Q-51 Did you have it in mind to get married while you were still at the basic training centre there?

A-51 No, sir.

Q-52 After, when you came up here, you didn't ask permission to get married?

A-52 No, sir, not just then, sir.

BY THE JUDGE ADVOCATE:

Q-53 Have you at any time applied for permission to marry this girl?

A-53 Well, sir, I didn't know I needed permission from the Army to get married until I went down there and found it out and came back.

Q-54 You then surrendered yourself here?

A-54 Yes, sir.

Q-55 Since your surrender, have you made any effort to get permission - have you applied for permission?

A-55 Yes, sir.

Q-56 To whom did you apply?

A-56 To the padre, sir.

Q-57 You have spoken to the padre.

A-57 Yes, sir.

Q-58 When?

A-58 Two days after I came back - the 14th.

Q-59 Is that the Protestant padre at A-10?

A-59 Yes, sir.

Q-60 What is the girl's present condition?

A-60 I couldn't tell you that right now.

Q-61 Is she still pregnant?

A-61 Yes, sir.

Q-62 Is the mother of the girl willing for you to be married now?

A-62 Yes, sir.

Q-63 How do you know?

A-63 I have her consent right in my pocket, sir.

Q-64 Is the girl's father living?

A-64 Yes, sir.

Q-65 Has he consented to the marriage?

A-65 Well, sir, her mother and father weren't married. They lived together and then they parted.

---In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.P. 83 (b).

---The accused resumes his seat.

FIRST WITNESS: B48961 Cpl. Bradley, G.R., G.& S.F., att. A-10 I.(A) T.C., C.A., having been duly sworn states:

"I am the Administrative Corporal for No. 3 Coy, A-10 I.(A) T.C., C.A., Camp Borden, Ont., to which Coy the accused is attached. The accused went absent without leave from No. 3 Coy, A-10 I.(A) T.C., C.A., Camp Borden, Ont, at 0600 hrs, 17 JUN 42, and continued to be so absent without leave until he was apprehended at Picton, Ont, at 1700 hrs, 14 JUL 42. As evidence of these facts I hereby produce the following documents:-

(a) M.F.B. 375 dated 10 JUL 42
(b) M.F.M. 215 dated 14 JUL 42
(c) M.F.B. 1481 dated 15 JUL 42

I identify the accused to be man referred to in these three documents. To the best of my knowledge he went absent without leave from No. 3-A District Depot, Kingston, Ont., while in close arrest from 1700 hrs, 18 JUL 42, and remained so absent until he voluntarily surrendered himself at A-10 I.(A) T.C., C.A., Camp Borden, Ont., at 0030 hrs, 12 NOV 42. As evidence of this fact I hereby produce the following documents:-

(d) Certified true copy of Pt. II D.O. No. 172, dated 20 JUL 42, para 7, of No. 3-A District Depot, Kingston, Ont.

(e) M.F.M. 216 dated 25 NOV 42.

I identify the accused to be the man referred to in these two documents. I have been the Administrative Corporal for No. 3 Coy, continuously during the stated periods of the accused's absence without leave, and if he had been present with his Coy. at any time during such periods I would have knowledge thereof."

The above mentioned documents are read over to the accused and marked Exhibits "A", "B", "C", "D", and "E" respectively.

The accused declines to cross-examine this witness.

"On the 16 JUL 42, I was detailed to proceed to Kingston, Ont., No. 3-A District Depot, to pick up and return to Camp Borden, Ont., C5005 Pte. R.E. Hyderman, who had been apprehended and confined there, and was awaiting disposal.

This I was unable to do, due to the fact that Pte. Hyderman escaped custody, at 1700 hrs, 18 JUL 42, from No. 3-A District Depot, I hereby produce the following documents as evidence of the cost of my transportation from Camp Borden, Ont, to Kingston, Ont, and return to Camp Borden, Ont.:

QUESTION TO THE ACCUSED: "Do you wish to make any statement or to give any evidence upon oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

ANSWER BY THE ACCUSED: (Having been duly sworn) "I admit going absent without leave from No. 3 Coy, A-10 I.(A) T.C., C.A., Camp Borden, Ont, from 0600 hrs, 17 JUN 42, until I was apprehended in Picton, Ont., by civil authorities, at 1700 hrs, 14 JUL 42, dressed in civilian clothes. I also admit breaking out of close arrest from No. 3-A District Depot, Fort Frontenac, in Kingston, Ont., at about 1700 hrs, 18 JUL 42, and remaining absent without leave until I voluntarily surrendered myself at A-10 I.(A) T.C., C.A., Camp Borden, Ont., at 0030 hrs, 12 NOV 42. I went absent without leave because I discovered that I had my girl friend in trouble, and I wanted to help her as much as I could. I asked for a pass, but was refused it. I returned and voluntarily surrendered myself, in order to get permission to marry the girl. I have nothing further to say at this time."

BY THE DEFENDING OFFICER: Sirs: I don't wish to take up the time of the Court unduly with this case. We have here a young and, I am afraid, a very badly confused man. It seems that the offences with which he is charged arose from circumstances which he found himself in and which was a little beyond his comprehension. He is young, as I say, and he is not well educated. He was, on his own statement, ignorant of the fact that he could have applied for and probably received leave in the proper channels - to make some effort to straighten this thing out. Consequently, he took the law into his own hands. He admits quite frankly that he did commit these offences. Yet, the picture is the picture of one who did it in this confused condition, not because he was sick of the Army and because he could make more money out of the Army. He went straight home. He worked there in an effort to get some money together so that when he got to Cornwall he would be of some use. However, he was apprehended before he got his trip completed and he broke out of barracks because he was still trying to get to Cornwall to see what he could do about this mess that he found himself in. Now, I feel, sir, that the man is young, that he is confused, and that he is in a mess now. He didn't make the thing any better by going absent but at the same time the circumstance is such that I fail to see that a severe sentence on the part of this Court would do anything to help the man, or as far as that goes, to help the Army. He has done wrong admittedly and yet I feel that he is in a position now where he needs mercy rather than punishment for what he has done.

Mon travail consistait ce jour-la a surveiller l"entrainement des troupes de la Compagnie "A" suivant le syllabus . Le 23 octobre 1942, durant l'exercice de mes fonctions de commandant en second de la Compagnie "A", je suis alle faire un tour d'inspection; en arrivant dans la hutte A-1. j'ai trouve l'accuse, soldat L.Harvey en train de se promener dans la chambre d'ablution. L'accuse fait partie du Peloton No.1 de la compagnie "A" et le syllabus d'entrainement mentionne pour ce jour-la une periode de culture physique de 1030 hrs a 1115 hrs. Il etait 1045hrs. Comme la periode de culture physique eâait en cours depuis 15 minutes, j'ai demande a l'accuse la raison pour laquelle il ne s'y rendait pas, Il me repondit qu'il avait mal aux pieds et qu'il ne pouvait pas faire de P.T. Je lui ai alors donne l'ordre de se rendre immediatement a son peloton pour y faire sa culture physique. Il m'a repondu qu'il n'irait pas et que je pouvais faire ce qu'il me plairait. Le sergent Gariepy J.P., sergent du peloton No.1 de la Cie "A" etait present a cet entretien. De 1045 hrs a 1115 hrs j'ai surveille personnellement l'entrainement du peloton No.1 auquel l'accuse appartient et je jure que l'accuse ne s'est pas presente a son peloton pour y faire sa culture physique. Q.90 Si un homme souffre des douleurs que vous avez mentionnees, est-ce qu'il aurait raison de demander d'etre exempt de la culture physique?

A.90 Si ses douleurs avaient ete tres intenses, il y aurait eu des symptomes physiques dans ses articulations. On peut bien invoquer une douleur, il y a differents degres de douleurs.

Q.94 Vous souvenez-vous a quelle date oxacte vous avez examine l'accuse avant le 23 octobre?

A.94 Je crois quand il est revenu de l'hopital Ste-Anne, je l'ai garde 2 ou 3 jours a l'hopital en attendant d'avoir ses rapports de Ste-Anne. Je ne suis pas certain, mais je me rappelle l'avoir garde et probablement lui avoir donne des medicaments.

Q.95 Jusqu'a quelle date a-t-il ete a l'hopital?

A.95 Il n'a jamais ete admis a l'hopital, simplement sur la "sick parade" le matin. Quand il est revenu de Ste-Anne on l'a garde a l'hopital pour travaux legers en attendant d'avoir les rapports de Ste-Anne.

Q.96 A quelle date?

A.96 A son retour de Ste-Anne.

Q.97 L'accuse s'est-il presente a l'hopital le 22 octobre 1942?

First Witness for the Defence 1

The accused, D-637704, Private Lucien Harvey, General List, No. 4 N.R.M.A. Clearing Depot, attached to No.47 C.A.(B)T.C., C.A., being duly sworn, is examined by the Defending Officer.

Q.109 Soldat Harvey, voulez-vous dire a la Cour ce qui est arrive le matin du 23 octobre 1942?

A.109 Le matin du 23 octobre, je ne me suis pas presente sur la "sick parade". J'ai embarque sur la parade et apres la parade terminee mon officier superieur a donne ordre de la culture physique et j'ai suivi jusqu'au champ, et j'ai arrive. J'etais 2 arpents en arriere des autres. Les douleurs me mangeaient les jambes. Je me suis rendu jusque la-bas, j'ai fait mon possible, je me suis rendu a bout a suivre les autres. Le lieutenant Beauvais qui etait en charge de la surveillance de la "drill" me disait de suivre les autres. J'avais beau lui dire que je n'etais pas capable, que j'avais trop de douleurs, il m'a donne l'ordre quand meme de suivre les autres. Ils sont revenus apres les exercices finis et moi je revenais derriere eux autres toujours a la meme distance. Quand j'ai arrive a ma hutte, tout le peloton etait sorti dehors et partait pour faire la culture physique, et moi j'ai entre dans la hutte et j'etais alle a la chambre d'ablution. Quand je suis venu pour sortir, le lieutenant Beauvais etait avec le sergent Gariepy. Il m'a donne l'ordre d'embarquer sur le P.T. J'ai refuse l'ordre en disant que j'etais dans l'impossibilite de suivre les exercices, que j'avais tres mal aux jambes et que j'etais rendu a bout. Il m'a averti qu'il me donnait 15 minutes pour embarquer sur le P.T., que si je n'y allais pas qu'il y verrait. Je suis parti, je me suis rendu a mon lit, et je me suis couche. Apres les exercices finis, le lieutenant Beauvais est entre de nouveau en disant:Tu ne t'en sauveras pas comme ca". Je lui ai dit de faire ce qu'il voudrait que je n'etais plus capable de marcher. Ils m'ont conduit a la"Guard Room".

Q.110 Vous ne vous etes pas presente le matin du23 sur la parade des malades?

A.110 Non monsieur.

Q.111 Le matin du 22, y etes-vous alle?

A.111 Oui monsieur.

Q.112 Le matin du 22, avez-vous vu le medecin?

A.112 Non monsieur.

Q.113 Vous etes alle a l'hopital?

A.113 Oui monsieur.

Q.114 Qui vous a soigne?

A.114 J'ai entre a l'hopital avant les autres. Je ne voulais pas rester dehors il faisait trop humide. Le docteur Therrien m'a demande qui m'avait donne l'ordre de rentrer. Il m'a fait sortir. Quand il a vu mon nom sur la carte de la "sick parade", il a dit au sergent, je ne sais pas son nom: "C'est Harvey, dis-lui qu'il retourne sur la parade, que je ne veux plus le revoir ici".

Q.115 C'est le sergent qui vous a dit que le medecin ne voulait pas?

A.115 Oui monsieur.

Q.116 Etiez-vous alle a l'hopital quelques jours auparavant?

A.116 Oui monsieur.

Q.117 Aviez-vous vu le medecin?

A.117 Oui monsieur.

Q.118 Vous donnait-il des medicaments?

A.118 Oui monsieur. Dans les premiers temps, apres mon retour de l'hopital Ste-Anne et apres que j'ai ete entre dans le "clink", j'ai demande du "stock" il m'a envoye du liniment Menard et une sorte de graisse.

Q.119 Etes-vous capable de dire pourquoi vous ne vous etes pas presente le 23 octobre 1942?

A.119 Parce que j'avais encore du mal, et le medecin me fermait la porte au nez. Je n'ai pas voulu retourner voir un medecin semblable.

Cross-examined by the Prosecutor:

Q.120 Vous avez dit que le docteur quand il a vu votre nom sur la liste des malades, a dit au sergent de vous faire sortir, etiez-vous present quand il a dit ca au sergent?

A.120 J'etais entre dans la premiere partie de l'ameublement, il etait assis a son bureau au fond.

Q.121 Vous l'avez vu?

A.121 Oui monsieur.

Q.122 A-t-il dit ca assez fort pour que vous l'entendiez?

A.122 Oui monsieur.

Q.123 Vous dites que vous etes revenu du champ avec le peloton a votre hutte, est-ce que vous auriez pu vous rendre a pied sur le terrain de parade de votre hutte, quand le lieutenant vous a donne cet ordre-la?

A.123 Non monsieur.

D 7

Q.124 Vous ne pouviez plus marcher?

A.124 Non monsieur.

Q.125 Vous jurez ca?

A.125 Oui monsieur.

Q.126 Vous etes sous serment, vous le savez?

A.126 Oui monsieur, je sais ce qu'etait le mal quand j'etais rendu a la hutte.

Q.127 Combien de distance y a-t-il de votre hutte au terrain de parade?

A.127 Je ne sais pas au juste.

Q.128 Vous ne pouviez pas vous rendre la?

A.128 J'etais rendu a bout.

Q.129 Jurez-vous que vous n'etiez pas capable de vous rendre-la?

A.129 Je ne puis pas le jurer.

Q.130 Vous auriez pu marcher pour vous rendre jusqu'au terrain de parade?

A.130 Oui monsieur.

Q.131 Quand il se fait des exercices de P.T. et qu'un homme est fatigue a 4, 5 ou 6 mouvements, a un moment donne il arrete et se repose pendant que les autres font cet exercice-la, qu'est-ce qu'il arrive? N'est-il pas vrai que dans les exercices de P.T. en particulier, quand un homme est fatigue, il arrete et on lui donne beaucoup de latitude dans l'exercice de ces mouvements?

A.131 Non monsieur, quand un homme n'est plus capable, ils ne sont pas supposes le pousser a bout.

Q.132 Si vous vous etiez rendu sur la parade de P.T. et que vous auriez ete fatigue, est-ce qu'ils ne vous auraient pas donne une chance, qu'ils ne vous auraient pas force a vous casser en quatre pour faire les mouvements?

A.132 C'est suppose.

Q.133 Si vous vous etiez rendu de votre hutte au champ de parade ou se faisait le P.T., vous auriez obei a l'ordre qui vous etait donne en vous disant j'embarque sur la parade de P.T. N'est-il pas vrai que par ce simple fait-la, vous auriez obei a l'ordre?

A,133 M'avoir rendu et pas avoir ete capable, ils n'auraient pas ete capables de me forcer plus. J'etais rendu a bout et je me suis couche.

Q.134 L'ordre qui vous a ete donne etait simplement l'ordre de vous rendre sur la parade?

A.134 Je comprends que c'etait seulement ca, mais rendu la, ils m'auraient fait faire d'autre chose.

Q.135 Une fois rendu la, qu'ils vous auraient donne un commandement de faire un geste, vous n'auriez pas ete capable de le faire, qu'est-ce qu'ils faisaient dans ces cas-la, surtout dans la parade de P.T. Vous nous avez dit que vous aviez des douleurs dans les jambes, pouvez-vous nous dire de quelle nature etaient ces douleurs-la?

A.135 Elles me poignaient dans les jointures et dans les os en montant, quand je me suis couche j'etais rendu a bout. Quand je suis debout c'est comme si les os voulaient m'ouvrir, et quand je marche dessus c'est encore pire.

Q.136 Dans l'avant-midi quand vous etes alle faire votre parade, vous ne pouviez pas marcher aussi vite mais vous suiviez la parade?

A.136 Oui monsieur.

Q.137 Est-ce que ces douleurs-la vous avaient prises ce jour-la ou les aviez-vous les jours d'avant?

A.137 Je les avais avant.

Q.138 Etaient-elles plus intenses ce jour-la que les autres?

A.138 Oui monsieur.

Q.139 Qu'est-ce qu'il y avait ce jour-la?

A.139 C'etait plus humide.

Q.140 C'etait la premiere fois depuis que vous etiez au camp que vous aviez des douleurs aussi intenses que ca?

A.140 Non monsieur. J'avais eu des douleurs et ils ont voulu me faire continuer davantage. J'avais vu le medecin, il m'a dit d'essayer, et quand je suis retourne il m'a donne un "excused duty".

Q.141 Vous dites que vous n'êtes pas alle sur la parade des malades le 23 octobre 1942 parce que la veille on vous avait dit de ne plus revenir?

A.141 Oui monsieur.

Q.142 Vous etes certainement au courant de ce que vous auriez du faire, n'auriez-vous pas du vous faire parader au commandant de votre compagnie pour expliquer votre situation ou meme vous faire parader au commandant du camp?

A.142 Quand vous entrez dans l'armee, vous n'etes pas au courant de rien de ca.

Q.143 Vous pensiez que vous pouviez vous faire justice a vous-meme et que vous pouviez decider si vous etiez malade?

A.143 Non monsieur.

Q.144 Si vous aviez ete voir votre commandant, est-ce que vous n'auriez pas pu avoir justice?

A.144 Je me suis fait parader par mon capitaine de compagnie et je lui ai demande de me parader devant le commandant du camp, de me placer sur le "Staff" que je n'etais pas capable de faire de "drill", ils m'ont repondu: on ne peut pas te parader devant le commandant.

Q.145 A qui l'avez-vous demande?

A.145 Au capitaine Morin.

Q.146 Quelle a ete sa reponse?

A.146 Ca fait trois fois qu'il m'envoiedans le "clink". J'ai ete parade au capitaine Spenard.

Q.147 Le 22 octobre, vous vous etes fait dire de ne plus retourner a l'hopital parce qu'ils ne voulaient plus vous revoir?

A.147 Oui monsieur.

Q.148 Aviez-vous a vous plaindre du medecin parce qu'il ne voulait plus vousrevoir?

A.148 Oui monsieur.

Q.149 Avez-vous ete voir votre commandant de compagnie ou le commandant du camp apres ca pour faire redresser le tort qui vous etait fait?

A.149 Non monsieur.

Q.150 Vous etes-vous plaint au capitaine Morin ou au colonel Levesque?

A.150 Non, monsieur, je n'ai pas ete parade au colonel Levesque.

Q.151 Avez-vous demande a votre commandant de compagnie d'etre parade au commandant du camp apres ce moment-la?

A.151 J'ai fait ma declaration devant mon capitaine; j'ai dit que je voulais etre parade devant le commandant.

Q.152 Vous jurez ca que vous avez demande a etre parade au commandant du camp?

A.152 Oui monsieur.

Q.153 A qui l'avez-vous demande?

A.153 Au capitaine Morin.

Q.154 Entre le moment ou vous avez desobei a l'ordre et le moment ou l'officier medical vous a dit qu'il ne voulait plus vous voir sur la parade?

A.154 Non monsieur.

The Defending Officer declines to re-examine the witness.

Questioned by the Court:

Q.155 Que faisiez-vous dans la vie civile?

A.155 Les trois quarts du temps je ne travaillais pas. J'etais chauffeur sur un truck. L'Hiver, je n'etais presque pas capable de travailler.

Q.156 Depuis quand etes-vous dans l'armee?

A.156 Le 26 aout 1942, je me suis rapporte a Longueuil, la journee que je devais me rapporter.

Q.157 Le 23 octobre, avant d'entrer dans la hutte, avez-vous demande a votre commandant de peloton ou a un officier ou sous-officier, de vous retirer sous la raison que vous n'etiez plus capable de marcher?

CLOSING ADDRESS

by the

DEFENDING OFFICER.

Messieurs,

Le soldat Harvey a plaide non coupable a l'accusation portee contre lui d'avoir desobei a un ordre de son officier superieur. Le soldat Harvey en disant qu'il n'irait pas sur la parade de culture physique avait-il l'intention de desobeir a cet ordre? Je ne le crois pas. Au contraire, il voulait signifier par la a l'officier qui lui intimait l'ordre, qu'etant donne les malaises qu'il ressentait ce matin-la, qu'il ne pouvait pas faire ses exercices de culture physique, et par le fait meme qu'il ne pouvait pas aller sur cette parade. Est-ce qu'il y a refus d'obeir a un ordre lorsqu'il est physiquement impossible d'y obeir.

Permettez-moi de vous referer a l'Army Act, section 9, au renvoi qui est donne au paragraphe I, la note I, derniere ligne: "Nor is failure to obey a command where obedience would be physically impossible".

Maintenant, le medecin n'a pas vu le soldat Harvey ce matin-la. Alors, s'il n'a pas vu le soldat Harvey ce matin-la, rien ne nous dit que le matin du 23 octobre 1942, le soldat Harvey n'avait pas des douleurs, et n'avait pas par le fait meme une cause a ces douleurs-la le matin meme. A-t-il eu des douleurs? Le meme medecin nous disait ce matin qu'il se pouvait fort bien que le soldat Harvey ait eu des douleurs. Je ne vois pas pourquoi un medecin donnerait des remedes a un patient s'il n'avait pas de douleurs comme tel est le cas quand le medecin dit qu'on a envoye des remedes au soldat durant son stage dans la prison du camp.

Le soldat Harvey, depuis son arrivee au camp, se plaint de malaises. Ses temoins que vous avez entendus ont constate ses plaintes. Un de ces temoins affirme que le soldat Harvey sur les exercices physiques seulement tirait en arriere. Seulement, lorsqu'il s'agissait de lectures ou de toute autre chose ne demandant aucun effort physique, Harvey etait sur la parade et Harvey n'a jamais refuse d'y aller.

Le 23 octobre dernier, souffrant, comme il l'a dit, des memes malaises, son intention n'etait certes pas un refus d'obeir, mais bien plutot un refus d'agir, d'agir en ce sens que ses membres, malades comme il le dit, l'empechaient d'aller sur la parade.

Maintenant, si je puis amener une legere contradiction qui s'est passee ce matin, le lieutenant Beauvais, dans son temoignage, nous disait qu'il a pris Harvey couche dans son lit, qu'il lui avait donne l'ordre d'aller faire son P.T.; un deuxieme temoin, le sergent Gariepy, nous dit que le soldat Harvey n'etait pas dans son lit, mais bien plutot dans "l'ablution room". Si le soldat Harvey etait dans "l'ablution room" ce matin-la, fatigue, rendu a bout comme il l'a dit, des sueurs sur la figure, il devait etre la pour se laver la figure, pour se rafraichir.

Le soldat Harvey est un novice dans l'armee, pas tres au courant de tout ce qui s'y passe. A son entree il se plaint et tout de suite implique dans une serie de peripeties; je demanderais a la cour une consideration etant donne que l'Armee a besoin de soldats et de ne pas faire en sorte que ce soldat prenne l'Armee en degout.

CLOSING ADDRESS BY THE PROSECUTOR.

Monsieur le President,
Messieurs,

Il serait peut-etre utile avant de passer aux faits eux-memes, de resumer quels sont les elements essentiels d'une offense sous la section 9, paragraphe 2. Il s'agit d'abord dans une offense de telle nature, pour la poursuite, il s'agit d'abord de prouver qu'un ordre a ete donne a l'accuse par un officier, son officier superieur en l'espece; deuxiemement que cet ordre devait etre fait et qu'en realite il n'a pas ete fait par l'accuse; et en troisieme lieu que cet ordre etait parfaitement legal. Il s'agit non pas d'une question en dehors des affaires militaires, mais bien une question a propos de l'Armee.

La preuve a revele, et ceci a ete confirme meme par le temoignage de l'accuse, que le 23 octobre 1942, vers 1015heures, alors qu'il est sorti de son peloton pour ne pas suivre les exercices, la preuve a revele que l'accuse a recu l'ordre du lieutenant Beauvais, malgre que cet ordre-la etait affiche comme etant partie du syllabus d'entrainement pour ce jour-la, a cette heure-la, d'avoir a rejoindre, tels sont les termes de la charge, la parade de son peloton qui etait a faire de la culture physique.

Il est egalement en preuve que possibilite materielle a ete donnee a l'accuse de remplir l'ordre, en ce sens qu'on ne l'a pas mis sous arret tout de suite apres qu'il a refuse, mais on lui a laisse le temps d'obeir a l'ordre. On ne l'a pas mis sous arret avant que la periode de culture physique soit completement passee, mais seulement apres que la dite periode fut entierement ecoulee.

Mon savent ami fait grand etat d'une note contenue au premier paragraphe de la section 9 qui se lit comme suit:"Nor is failure to obey a command where obedience would be physically impossible."

Je crois que, par exemple, si l'accuse immediatement apres que l'ordre lui aurait ete donne et qu'il aurait repondu "non", si le lieutenant Beauvais l'avait mis dans le "clink" a ce moment-la, il y avait pour l'accuse impossibilite d'obeir a l'ordre. Je crois que tel est l'ordre de la loi et que c'est de cette facon qu'elle doit etre interpretee.

Mais dans le cas actuel, on lui a laisse tout le temps de se rendre sur la parade. En defense, l'accuse dit qu'il n'etait pas capable de faire de culture physique ce jour-la. Je vais referer la Cour aux termes memes de la plainte qui est constituee de cette facon: "A Valleyfield, province de Quebec, le vingt-troisieme jour d'octobre 1942, quand un ordre lui fut donne personnellement par le lieutenant Beauvais P.E., les Fusiliers Mont-Royal, C.A., attache au No. 47 C.A.(B)T.C.,C.A., deuxieme-en-commandement de sa compagnie, de rejoindre la parade de culture physique de sa compagnie, declara au lieutenant Beauvais qui etait en charge de l'entrainement: "Je n'irai pas sur la parade de culture physique, et vous pouvez faire ce qu'il vous plaira", et il n'avait pas rejoint la dite periode de culture physique quand cette periode fut terminee".

L'ordre etait de s'en aller immediatement sur la parade de P.T. L'accuse tente de faire la preuve qu'il lui etait physiquement impossible de faire du P.T. Mais tout de meme il admet, lorsqu'on le lui demande, qu'il etait assez fort pour se rendre de sa hutte a la parade de P.T. Tel etait l'ordre qui lui avait ete donne: de se rendre a la parade de P.T. de son peloton. Pour plus amples informations, l'accuse admet de plus que si une fois rendu sur la parade de P.T., telles que le veulent les conditions de l'entrainement dans les "Basic Centres", s'il n'avait pu faire tous les mouvements, on aurait eu une certaine tolerance pour lui. Nous savons qu'au contraire l'accuse ne s'est pas presente sur la dite parade.

Ce n'est pas les droits du soldat de se faire justice lui-meme, de juger s'il est apte ou non a suivre son entrainement. C'est que s'il se sent lese dans ses droits, il peut se faire parader a son commandant de compagnie ou au commandant du camp pour demander a ce que ses droits soient respectes. A deux reprises il dit: "Je n'ai pas demande a personne, j'ai laisse la parade et je me suis couche". Il n'a pas fait de demarches entre le 22 et le 23 octobre pour se faire admettre a l'hopital. Il decide lui-meme que sa condition physique ne lui permet pas de faire du P.T.

C'est avec cette argumentation que la Defense dit qu'il y avait impossibilite physique d'obeir a l'ordre. Je ne crois pas que la loi a ete faite de facon a permettre aux soldats de se faire justice eux-memes. Si dans l'Arme canadienne, on est rendu a se baser sur le bon esprit et le bon vouloir des soldats pour faire de l'entrainement, on est aussi bien de ne plus avoir d'armee. Un soldat serait le seul juge de son propre cas. C'est la situation dans laquelle la Defense nous met en disant: "Nous n'etions pas capables de faire du P.T."

Le medecin du camp dit:"J'admets qu'il a pu avoir des douleurs, mais a mon opinion il etait capable de suivre son entrainement. Je l'ai envoye au D.P.&N.H. et les rapports de l'hopital Ste-Anne confirment mon diagnostic". Un medecin du Departement des Pensions et de la Sante Nationale nous jure que cet-homme-la n'a aucune maladie organique.

Devant la preuve accumulee, je ne crois pas qu'il soit possible d'avoir un moindre doute si tous les elements essentiels de la charge ont ete prouves dans la presente cause. Ordre donne par un officier superieur, lequel n'a pas ete obei; capacite physique d'obeir parce qu'il etait parfaitement capable de partir de sa hutte et de se rendre au terrain d'entrainement: lui-meme a admis que ce n'etait pas assez loin, qu'il pouvait s'y rendre, et une fois rendu sur la parade ne pas faire tous les exercices, et il avoue lui-meme qu'il y a une tolerance qui permet au soldat de ne pas faire tous les exercices quand il se sent trop fatigue.

Le doute sur cette preuve ne saurait exister parce qu'elle est meme basee sur des admissions de l'accuse. Il nous fournit lui-meme tous les elements essentiels a cette charge. Je demanderais donc que l'accuse soit declare coupable.

Que l'armee a besoin de soldats, j'en conviens, mais elle a besoin de soldats qui veulent faire leur entrainement.

No. 47, C.A.

1. Receipt is acknowledged of your M. 1-H-3193 dated December 24th, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. There appears to be some discrepancy in the description of the unit to which Lieutenant P.E. Beauvais belongs, since in the summary of evidence and also on the charge sheet he is described as being an officer of Les Fusiliers Mont-Royal, C.A., where as on page "C" of the proceedings, as first witness for the prosecution, his unit is set out as Le Regiment de Chateauguay, C.A.,

3. The proceedings disclose that the offence was committed on the 22rd of October, and the charge sheet was signed on the 27th of October, but the order for trial was not made until the 1st of December. Altogether, the accused appears to have spent a total of forty-five days in custody awaiting trial. The Adjutant-General requires that an explanation of this delay be forwarded forthwith, such explanation to be over the signature of the District Officer Commanding, or of a Senior Staff Officer, for him.

4. In accordance with your request, the proceedings are returned, in order that the irregularities noted therein may be drawn to the attention of the officers concerned.

D-637704, Pte. Lucien HARVEY,
General List, No. 4 NRMA Clearing Depot,
attached to C.A. (B) T.C. No. 47, C.A.

Herewith, proceedings of the marginally-noted District Court-Martial which have been confirmed and promulgated and which are forwarded for registration, please.

2. Pte. Harvey elected to be tried by District Court-Martial and was so tried at Valleyfield, P.Q., on December 8th, 1942, on a charge of refusal to obey an order, Army Act Section 9 (2). He pleaded not guilty to the charge but was found guilty thereof. He was sentenced to undergo detention for 21 days.

3. The following irregularities have been noted in the proceedings:-

4. Page 7.
Question 15 appears to be irrelevant in view of the nature of the charge laid against the accused.

5. Page 11.
Question 32 appears to be slightly leading.

6. Page 17.
In view of the nature of his testimony, it is thought that the fifth witness should be considered to be an expert witness. It would therefore have been preferable if he had shown that he is a properly qualified medical practitioner. This comment applies equally to the sixth witness at page 25.

7. Page 19.
Answer 72 appears to be in the nature of hearsay and as such would not be admissible in evidence.

8. Page 25.
The testimony of the sixth witness is not entirely satisfactory in that he has not shown clearly that he had personal knowledge of the records referred to by him therein.

9. May the proceedings be returned to this Headquarters so that the above-mentioned irregularities may be drawn to the attention of the officers concerned. When this will have been done, the proceedings will be returned to you for custody.

Proceedings on Plea of Not Guilty

*Instruction. (See R. P. 39 (A))

Q.10 *Question.* *Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

A.10 *Answer.* No, Sir.

The prosecutor makes an opening address ~~[hands in a written address,~~ which is ~~read,~~ marked "I" , signed by the President, and attached to the proceedings].

The prosecutor proceeds to call witnesses.

First witness for prosecution. Mr. Roy HALPIN, Representative of the Chief Postal Censor, Quebec.

being duly sworn, is examined by the prosecutor.

Q.11 Will you give the Court your full name and occupation?
A.11 Mr. Roy Halpin, Representative of the Chief Postal Censor of Canada.

Q.12 You see this document? You may open it yourself. Will you tell me what is this document?
A.12 (No answer).

Defence: Just a minute please. If it please the Court I object to the evidence of this witness as irrevelant and illegal and does not tend to prove the charges.

President: He has not given any evidence yet.

Defence: Well, Sir, he gave his occupation as a censor, you must anticipate his questions.

President: You cannot anticipate his evidence we don't know what evidence he is going to give.

Defence: I thought maybe when he said his occupation was censor....

Witness: I am not a censor. I represent the Chief Postal Censor.

Q.13 Will you tell the Court what is this document?

A.13 This letter was inspected at Quebec by the Postal Censor Officer.

Defence: I object to this answer of the witness as irrevelant, illegal and not tending to prove the charge. If the Court pleases to read the charges we see that the accused is charged with writing a letter addressed to Monsienr and Madame L.N. Huart, Mademoiselle Mireille Huart and Mademoiselle Gilberte Samson in which mention was made of items of information respecting Army matters which might be of value to the enemy, contrary to Gaspe Fortress Order No. 153 dated 15th July, 1942. In this there is no mention of the mailing of the letters, so I submit respectfully that the evidence, that the answer of the witness is irrevelant and illegal. The prosecution does not have the right to prove that the letters were inspected in Quebec. The prosecution must prove to this Court that they must be written, they may have been addressed to anybody but what the prosecution must prove to the satisfaction of the Court is that the letters were written. It does not matter where they were inspected, Montreal, Quebec, Ottawa or New York but it is a principle of evidence that the evidence before the Court must tend immediately to prove the charge brought before the Court.

Prosecution: The charge mentioned that three letters were received, so I think the prosecution has a proper right to prove that those letters were written and that they were mailed because Lieutenant Huart may write anything in his room and keep it there and there will be no charge.

President: You didn't answer the ~~charge~~ plea of ~~irrevelancy~~ irrelevancy.

Prosecution: I think, Sir, that the production of the letters and the point I ask is quite ~~revelant~~ relevant, it concerns the letters that the charge is based.

Defence: I object to the answer not the question.

President: I think you are anticipating the answers.

Defence: I might be wrong.....

Witness: I gave what might be an answer.

(Stenographer reads answer).

President: Objection overruled.

Q.14 Was this letter mailed?

A.14 It was obviously mailed and has a date stamp of the Prevel Post Office is on it and ~~cancel~~ transit sticker, these are only at the Quebec office. Each censor has a special number and no other post office could possibly have it. So at least this letter has been mailed.

Q.15 When was this stamped by the censors?

A.15 On the night of the 12th.

Q.16 When was it mailed?

A.16 This stamp here is not clear.

President: I think you better have that marked for identification.

Prosecution: May I have it marked ~~since~~ later I have not finished with this letter in question?

President: Continue.

Q.17 To whom is this letter addressed?

A.17 Monsieur & Madame L. N. Huart, 8 Blanchet, Levis, P.Q.

Q.18 By whom is it signed?

A.18 Claude.

Prosecution: May I produce this letter as an exhibit for the prowecution.

Defence: May it please the Court, I hate to be making these objections like that, I do not wish to lose time, it is my opinion that this procedure it highly irregular. These letters have not in any way been connected with the accused. The accused is charged with writing some and those letters are brought up before the Court but no one yet has come up to the Court and tried to say that the accused wrote the letters. I object on the grounds that they have not been connected with the accused.

Prosecution: In this letter there are many things.

President: We will accept it only ~~as~~ for identification at this stage.

J.A. Do you wish to have this marked for identification?

Prosecution: Yes, Sir.

J.A. Do you wish the envelope and letter mar ked separately?

Prosecution: I want them to stay together.

J.A. It is not being put in evidence, as yet.

Letter addressed to Monsieur & Madame L. N. Huart, 8 Blanchet, Levis, P.Q. is marked No. 1, by the President for identification.

Q.19 Will you tell the Court what is this document?

A.19 It is a letter mailed at Prevel on the 11th of November to Mademoiselle Gilbert Samson, ~~XD.~~ Gestitner Limited, 20 Palace Hill, Quebec, P.Q.

Q.20 Did you see this letter before?

A.20 I did.

Q.21 By whom is it signed or how is it signed?

A.21 Claude.

Q.22 What do you find else in the envelope?

A.22 National Defence Form B306, which form is a blank.

Defence: I think that this ~~exhibit is improperly~~ letter is not properly identified and it should be now properly identified to the Court.

President: There is no need.

Prosecution: May the envelope and letter inside and blank message be marked for identification?

President: It will be marked as No. 2.

Envelope, letter and blank message form addressed to Mademoiselle Gilberte Samson, ~~X~~D. Gestitner Limited, 20 Palace Hill, Quebec, P.Q. are marked No. 2 for identification by the President.

Q.23 You see this document? Will you tell the Court what it is?

A.23 It is an envelope addressed to Mademoiselle Mireille Huart, 8 Blanchet, Levis, P.Q.

Q.24 Will you tell the Court if you have seen this document before?

A.24 I did.

Q.25 What do you see in the envelope?

A.25 Pardon?

Q.26 You said that the document was an envelope but I ask you now what you find in the envelope?

A.26 The same letter that was apparently enclosed in it the last time I saw it.

Q.27 By whom is it signed?

A.27 Claude.

Prosecution: May this envelope and letter inside be marked for Indentification.

J.A. You ~~never~~ have not established how it came to his notice.

Q.28 How did this letter happen to come to your notice?

A.28 It was brought to my office the same as the other.

J.A. I had in mind; Was it mailed, was this mailed or not?

Witness: It was undoubtedly mailed.

J.A. When was it mailed?

Witness: The date is not legible on the date stamp.

J.A. Ask if it was mailed in one of His Majesty's Post Offices?

Q.29 Was it mailed in one of His Majesty's Post Offices?

A.29 It was.

Letter and envelope addressed to Mademoiselle Mireille Huart, 8 Blanchet, Levis, is marked No. 3 for identification by the President.

J.A. Will you establish the mailing of the letter marked No. 2 for identification?

President: Yes, will you clear that up?

Q.30 Will you tell the Court if this letter was mailed?

President: Would you mind making it clear we must understand these things. Ask if the letter marked No. 2 for identification had ever been mailed?

Q.31 Had the letter marked No. 2 been posted in one of His Majesty's Post Offices?

A.31 It was.

Q.32 When was it mailed?

A.32 The date stamp Prevel, P.M., November 11, 42, P.Q.

Q.33 You say the three letters have been all passed through your hands?

A.33 Yes, Sir.

Q.34 Is every letter?

A.34 I beg your pardon.

Q.35 ~~Is~~ Has every letter passing through your office been mailed before?

A.35 Necessarily it has to come to the Post Office before it can be examined.

Defence: Before proceeding with the cross-examination may it please the Court, I would like again to take objection to all the evidence that has been given by the witness as illegal, irrevelant and not tending to prove the charge. As I told you, as I said a few minutes ago the charge is, "to have written a letter". The prosecution has tried to proved the posting of the letter, the mailing of the letter and that the letter was in Quebec and was mailed through one of His Majesty's Post Offices. Well, if the prosecution wanted to prove the charge the main part of the job would be to prove not the mailing of the letter and I do think that the evidence must only come in connection with the charge. The accused is charged with having written a letter addressed to someone, he is not charged with having mailed the letter, he is not charged with having completed the act, it is the act of writing.....

President: May I interrupt you. The evidence of the prosecution, as I understand, has not been completed. We have had only the direct examination of one witness which may prove and may not prove and may not prove anything. Up to the present it has not proved anything. What is the ground of your objection?

Defence: The mailing of the letters would be his incriminating act and would be the incriminating act in this case.

President: If he doesn't prove this he will only be taking up our time.

Prosecutor: A letter to be a letter must be properly ~~formed~~ mailed.

CROSS-EXAMINED BY THE DEFENDING OFFICER.

Q.36 Mr. Halpin, how do you know the letters were mailed? How can you say there were mailed?

A.36 Because they were....only by the Quebec Censor Office and ~~that~~ unless they have been posted in His Majesty's Post Office a letter cannot possibly get there.

Q.37 It cannot happen?

A.37 No.

Q.38 Did you see those letters being mailed?

A.38 I did not.

Q.39 What is exactly the jobs of the censors?

A.39 Well, the censorship is a world wide organization now in its scope and used by all the belligerent nations. The purpose of the censorship is to stop any information coming through the mail that might directly or indirectly be of aid to the enemy and to stop ordinary gossip by well meaning people that might jeopardize the allied cause.

Among those things are information regarding troop movements and shipments either enemy or allied and of course I cannot mention all the things that come under censorship.

Q.40 Can you tell us if sometimes when you receive a letter which has some secret information, does it happen sometimes you just strike it out with a black pencil?

A.40 There are certain ones. They don't strike out now, it is cut out.

Q.41 Can you tell the Court why this was not done?

A.41 I am not sure whether I can or not - yes, I can - it is in the evidence. Pardon me, any information is within the Court - is within these walls?

President: We do not know who handles the proceedings. The Court is public. You won't have to answer it.

Prosecution: I do not see that those questions bear on the issue.

President: This is a cross-examination.

J.A. You have in mind the tone of the letter?

Witness: In one letter, yes, sir.

J.A. This case was handled as an exception?

Witness: No, I beg your pardon, Sir, it was not. At that time there were several dozen letters handled in the same way. Due to an incident that happened here these three letters and a document were not cut out. They were submitted to the Chief Postal Censor in Ottawa. Hundreds of other letters like them also were intercepted and sent to Ottawa.

THE PROSECUTOR DECLINED TO RE-EXAMINE.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (B).

WITNESS WITHDRAWS.

Second Witness for the prosecution — Lieutenant G. G. BREEN, 105th Coast Battery, R.C.A., C.A. having been duly sworn, is examined by the prosecutor.

Q.42 Will you tell the Court your full name?

A.42 Lieutenant George G. Green, 105th Coast Battery.

Q.43 Do you know the accused before the Court?

A.43 Pardon?

Q.43 Do you know the accused before the Court?

A.43 I do.

Q.44 Who is he?

A.44 Lieutenant Claude Huart.

Q.45 You see this letter, Exhibit 1 for the prosecution, do you recognize the handwriting?

A.45 I do.

Q.46 Whose writing is it?

A.46 Lieutenant Claude Huart.

Q.47 Did you ever ~~saw~~ see the notepaper on which the letter is written?

A.47 Yes.

Q.48 Where?

A.48 At Fort Prevel in the Officers Mess.

Q.49 In the possession of who?

A.49 Pardon?

Q.50 Will you examine the notepaper on which this letter is written, did you ever ~~saw~~ see this notepaper?

A.50 No, I did not.

Q.51 Examine this letter ~~Exhibit~~ marked 2. Did you ever ~~saw~~ see - do you recognize the handwriting?

A.51 I do.

Q.52 Who is it...whose handwriting is it?

A.52 Lieutenant Huart.

Defence: May I make a motion so that only matters pertaining to the charge be made that that part of the letters who tend to immediately prove the charge, which is disclosing military information, I suggest that....

J.A. Pardon?

Defence: I make the motion that the parts directly referring to the charge be given to the court-martial, relevant facts only, because the other parts of the letter do not tend to prove the charge.

J.A. What is the objection?

Defence: They do not tend.....

J.A. In that case they do not injure the accused at all if they have no bearing.

Defence: It is a personal letter that is why I make this motion to the Court.

President: I think that would meet the wishes of the prosecution, however, you are defending the accused, there are some other sentences in there that would later alter the plain meaning of the damaging portion, but if you prefer~~red~~ to put in those portions I do not think the Court will interfere.

Prosecution: The question is that the point in issue, is that ~~to~~ those letters, contain military information. If the defending officer wants to admit some parts, otherwise the Court may decide ~~now~~ that this part is of military nature or the other part is not.

President: You have no other objection to those letters going into evidence, if there is any evidence contained in them. All you are objecting to is some personal references forming a part of this record.

Defence: I would like beforehand the prosecution and myself will decide which in these letters would be put in.

President: I will suggest that during the adjournment you can arrange this.

Prosecution: I will accept that.

President: If you don't you can come back here and argue.

Envelope and contents marked for identification as No. 1, is read, marked Exhibit "J", signed by the President and attached to the proceedings.

Defence: If the prosecution does want to include more than the actual facts tending to prove the charge I will certainly make an objection.

J.A. On what grounds?

Defence: Because in those letters there are many personal things, there are personal facts and there is what might be...some what can be called....there might be what the prosecution has called military information.

J.A. That is the contention. ~~that~~ It would not be a ground for objection. ~~It~~ could hardly be urged by you successfully ~~for grounds of~~ objection.

Prosecution: I cannot understand the objection of the defence. If it is a question of personal matters I have no objection that it be read in open Court.

President: The Court is only interested in military matters and no personal matters.

Defence: The Court I believe has the same point of view as I have.

Envelope and contents marked No. 2 for identification is read, marked Exhibit "K", signed by the President and attached to the proceedings.

Q.53 Will you examine this letter marked No. 3 for identification, do you recognize the handwriting?

A.53 I do.

Q.54 Whose handwriting is it?

A.54 The handwriting of Lieutenant Huart.

Prosecution: May this letter already marked No. 3 for identification be accepted in evidence?

Envelope and contents marked No. 3 for identification, is read, marked Exhibit "L", signed by the President and attached to the proceedings.

Defence: Same request, Sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER.

Q.55 Lieutenant Green from past experience would you say that you are skilled in comparison of handwritings?

A.55 No.

Q.56 You said no?

A.56 Yes, I said no.

J.A. Mr. Angers we have already received these exhibits without objection after identification.

Defence: I know rules are rules. I would like to, I would not like to see the accused get something wrong for my fault, but I am sure the Court won't want to either. I accepted the prosecutor's proposition for lunch hour, I try to make it clear we would probably get an understanding of those letters would stay as they are but should we not come to an understanding I would like to submit to the Court and I would like to object.

President: The Court understands what you thought as to what would go in evidence but the point now being raised by the question or objection you are ~~asking~~ stating is to ~~impeach~~ disprove the fact that these are in his handwriting and not having done it in sufficient time there is no objection to the putting them in evidence as being in the handwriting of the accused.

Defence: I want to tend to disprove the capacity of the witness here to identify the writing.

President: He has already done so. You can attack his veracity if you wish to but that should be done before we accepted these in evidence because we have it that he can identify them. We already have received them in evidence, it is not proper procedure. Do you want to attack the veracity of the witness?

Defence: Yes, Sir, and if the.....

President: You may ask questions.

Q.57 Have you seen the accused in the act of writing when his mode of writing was not in question?

A.57 May you repeat the question again?

Q.58 Have you ever seen the accused in the act of writing when his mode of writing was not in question?

A.58 Yes.

Q.59 Where did you see it?

A.59 At the Officers Mess, Fort Prevel.

Q.60 What was he writing?

A.60 Signing passes.

Q.61 Around what day was that?

A.61 I cannot say what day.

Q.62 You saw him that one time?

A.62 Yes.

Q.63 How far were you from the accused?

A.63 Very near.

Q.64 How far, how near would that be from you?

A.64 So near that I could see what he was signing and his handwriting.

Q.65 Were you looking at his handwriting or just noticing he was signing passes?

A.65 Just noticing that he was signing passes.

Q.66 Have you ever carried out a regular correspondence with the accused?

A.66 No.

Defence: If it please the Court, having in view the evidence which has just been given by the witness I object to his statement that the writing of these letters is that of the accused.

THE PROSECUTOR DECLINED TO RE-EXAMINE.
QUESTIONED BY THE COURT.

Q.67 How long have you known the accused?

A.67 Approximately three months.

Q.68 You were asked by both the defence and the prosecutor as to the recognition of the writing. As far as I understand from your answers you had seen the accused signing passes. What other occasions have you had the opportunity to observe his handwriting?

A.68 At the F.C. Post.

Q.69 Fire Command Post?

A.69 Yes, Sir.

Q.70 Through what period, how long?

A.70 They keep a log book there for Acting Fire Commanders to make a report of the days happenings and I had occasion there to see the handwriting of Lieutenant Huart.

Questioned by the defence through the Court.

Q.71 You were asked by the Court how long have you known the accused, you answered, "three months". How long was he at Fort Prevel with you?

A.71 Approximately one month.

Q.72 And do you swear that you have seen the accused.....

President: Do not prefix your question by, "Do you swear" he is on oath so he must be swearing.

Q.73 Did you see the accused in the act of writing at the F.C. Post?

A.73 I did not say that.

Q.74 You mean that you had seen his writing, what you thought to be his writing, at the F.C. Post?

A.74 That is correct.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (B).

WITNESS WITHDRAWS.

AT 12:45 ON THE 20TH JANUARY, 1943, THE COURT ADJOURNED UNTIL 2:00 O'CLOCK ON THE SAME DAY.

ON THE 20TH JANUARY, 1943, AT 2:00 O'CLOCK THE COURT REASSEMBLE PURSUANT TO ADJOURNMENT, PRESENT THE SAME MEMBERS AS WHEN ADJOURNED.

Defence: Before proceeding more with this Court-Martial I would like to make to the Court a statement to the effect that when these letters were produced to the Court I accepted them to be produced but I never intended, the defence never intended, to admit that they were actually written by the accused.

President: That is a matter of evidence only.

Defence: I might not have made an objection at the proper time but I would like to have the Court know my state of mind to that effect that we do not accept these letters as written by the accused. I was talking to the A.J.A.G. and he suggested that I go through the letters and have them translated by the interpreter here and say what I think is relevant to this case and should be admitted in evidence before the Court and the Court should consider only as evidence.

President: I do not know as we can do that Mr. Angers. If there are certain statements you can agree on we will admit them immediately, but if there are other statements you cannot agree on we will hear argument and the Court will decide.

The interpreter reads Exhibit "J" to the Court, which reads as follows:

I have just terminated, I have just finished reading a book which Louie F. loaned me yesterday, "The Man Who is Approaching" by Pierre S. Ermite. Which is really very good. To tell you the story would be too long. I hope that your health is good and you, father, how is your business affairs, talking in the sense of business affairs. Here things are going well enough. It is always lonesome here, my health is rather good, however. Last week I spent three days at the F.C. Post. I was replaced Saturday night. The same night I went to the moving pictures in the camp. Sunday afternoon I went down to Gaspe where I had supper at the hotel with Albert Loquex and his wife. I met Louie F. at the theatre in the evening. I slept down at General Quarters and yesterday afternoon I went up to the Camp. A half hour afterwards I was returning to the F.C. Post. Where I am still this evening, for the last day. We had a lot of work to do last night. At a quarter to one I was beginning to go asleep when I received a telephone call from the Fortress Commander. The R.C.M.P. had reported having seen Germans at New Carlisle I had to awaken the Fort and all there to be ready. We had a snow storm this afternoon we did not see anything on the water "Thick weather procedure will be carried out". Tonight it is no longer snowing but the night is very dark. The Major called me, "Stay up on your toes Huart. We should have some business to do, tonight", "O.K. Sir". I received my album and my diary. I thank you very much

This afternoon Louie F. called me to tell me that he had a package for me at his office. This package came from J. L. Demers. I thank you very much. I received a letter from Mireille and a card while she passing from Mont Joli. I shall write to her a letter. I shall try to get a weekend the 21st of this month. I never go out. They cannot refuse it.

As ever

Claude"

Defence: In this letter, may it please the Court, I would like the Court to consider only as evidence the portion starting, "At a quarter to one I was starting to sleep when I received a phone call from the Fortress Commander that the R.C.M.P. had reported having seen Germans at New Carlisle, I had to wake up the Fort and everything ended there,keep ready and that is all. We had a storm, a snow storm this afternoon we did not see anything on the water. Thick weather procedure would be carried out,tonight it is not snowing any more but the night is very dark and the Major called me and "stay up on your toes Huart we should have some business to do tonight"

So in this letter I would like only this portion of the letter to be considered as evidence.

Prosecution: I should like that something else be added to that. The heading of the letter and what is marked on the envelope. On the envelope too of the heading of the other, the date and everything to and including.

Defence: I had no objection to the production of the envelope,of course, without prejudice to my statement that the defence does not recognize this is the handwriting of the accused.

Prosecution: As long as you put the envelope and heading of the letter down to and including "Dear Parents" and the signature, "Claude".

J.A. Major Bouchard what about the expression "I met Louie F. at the theatre,in the evening I slept at General Headquarters and yesterday afternoon I returned to camp a half hour afterwards I was returning to the F.C. Post."

Prosecution: Possibly this, it is part.

J.A.: It seems to me that is has some relevancy to the charge. I would say to start at, "At Headquarters and yesterday afternoon I returned to the camp". I would say you should start there.

Prosecution: I think we should start there.

Defence: If the charge mentioned that the letters had been written at the F.C. Post or at the Headquarters or anywheres else I would say that this matter was relevant

but as the charge does not make mention of that, it mentions only that the letters were written.

Prosecution: In the Gaspe Defence Area.

J.A.: The charge cannot include all the evidence.

President: We do not have to include that.

J.A.: I think we should ask the interpreter what is the date and what the address is.

Prosecution: I did not stop the interpreter when he read the envelope.

President: We are not interested in the envelope.

Prosecution: Later I want to establish a link between the envelope and Lieutenant Huart.

President: Let's get to the point and prove something.

Prosecution: My intention was to produce this entire letter in this evidence unless there is a special reason.....

President: Try and get this in evidence if there is an objection we will deal with it.

President to the interpreter: Will you please tell us ~~that~~ what is the date of the letter Exhibit "J".

Interpreter: 10-11-42, "A" Troop, Fort Prevel, Gaspe, Quebec, 10-11-42.

President: Will you give the place it is marked on the heading of the letter?

Interpreter: "A" Troop, Fort Prevel, Gaspe, Quebec.

President: And will you translate to whom it is addressed?

Interpreter: "Dear Parents" in the heading of the letter and the signature is "Claude" and the letter is addressed to Monsieur and Madame L. N. Huart, 8 Blanchet, Levis, P.Q., I cannot read the writing, sir, on that, the writing is not very legible.

Prosecution: May this letter already marked as an exhibit be admitted in evidence.

President: You are offering the entire letter, envelope and the enclosures?

Defence: I object to the production of this letter on the grounds that the greatest part of it is absolusely irrevelant to the charge. The accused is charged with

having written a letter addressed to Mr. & Mrs. L.N. Huart in which items respecting army matters were contained. I object to the production of the whole letter and I submit that the Court may take only the part starting at, "quarter to one I was starting to sleep" I submit respectfully that these parts of the letters can be produced as evidence because they apply to the charge but the other parts of the letter do not apply to the charge and should not be considered by the Court.

President: You do not think that this Court is going to convict on the evidence that does not apply to the charge, the Court will judge the accused solely upon relevant evidence. Your objection has been noted Mr. Angers.

The interpreter proceeds to read Exhibit "K".

This letter is dated 10-11-42, Fort Prevel, Gaspe, Quebec.

"Dear Gilberte:

Prosecution: I think you are reading in the heading of the letter?

Interpreter: Yes, all except what is printed.

Prosecution: I want that.

Interpreter: In the left hand corner there is R.C.A. Then there is a monogram of artillery men in action and underneath there is "Lieutenant Claude Huart", written in full. On the upper right hand corner, "C.A." and underneath that "Defense Cotiere" and "Fort Prevel Gaspe, Quebec".

J.A. "A" Troop is not on that letter?

Interpreter: No.

"Dear Gilberte:

I received a letter from you this afternoon. The one which spoke of your different goings and comings. It gives me pleasure to know that you are enjoying yourself. Let me know when you go out that I may know that you are not finding it too dull in Levis. I see that you are well and quite happy once again. I am once more at F.C. Post tonight. I shall be replaced tomorrow afternoon. I finish tonight. The book that Louie F. had left me it was really good. I am expecting to receive two from a friend at Halifax. A fine fellow I was on a course with him. It is going very well here. However, it is always rather very lonesome. I received a package from Louie this afternoon. It is in the

office of Louie F. I think that my photos are in this package. I will forward one to you as soon as possible. I will forward you one as soon as possible, or rather I will forward two to you and you can choose the one you prefer. O.K.? I had discontinued my letter for an hour. I received a message in secret code that I had to submit to the Watch Officers of the other batteries. I decoded this message. You cannot imagine what it said. The telephone operators and the signallers don't know what it is all about but to you I will tell you. But you must not say a word about it because it is a military secret, "Enemy submarine in Chaleur Bay stop Gun watch officers are to be on the alert and be ready to go into action at a moments notice if necessary." I assure you it is a puzzle to decode this message. There will be a good deal of action tonight. Pray for me that I may not make any errors for I am responsible for the three forts and the fortress. I am leaving you now because I am very busy. I give you my affectionate regards and I wish you pleasant dreams.

As ever

Claude"

P.S. My kindest regards to your family. Give not a word of this it would get me into a good deal of trouble.

Interpreter: There is a message form included and there is nothing on one side, on the other side "to hide the interior"

Prosecution: Will you translate the outside of the envelope, please?

Interpreter: There is "C.H." on one end of the envelope and the envelope is addressed to Mademoiselle Gilberte Samson, A/S D. Gestitner Limited, 20 Palace Hill, Quebec, P.Q.

Defence: I understand the prosecution is presenting this document, envelope and all?

Prosecution: Yes.

Defence: I object to the producing of this letter, except parts, once again, which are relevant to the charge as having no bearing on the charge of having written a letter giving military information. The only military information I can find in this letter is the message, "Enemy submarine....watch officers are to be on the alert and be ready to go into action on a moments notice if necessary". I object to the producing of the whole letter except this part I have read and once again the defence does not recognize the writing as that of being Lieutenant Huarts.

President: You are pressing for the admission of it?

Prosecution: Yes, Sir.

President: The charge is, having written letters containing military information which may be of aid to the enemy. It is not that he never wrote the letters. So if you are objecting on the ground that they do not support the charge I have to say that in the opinion of the Court that your objection is not well founded.

The interpreter reads Exhibit "L".

On the left hand corner the Royal Canadian Artillery the same as the last letter, in the centre the monogram of men in action and under that Lieutenant Claude Huart. In the upper right hand corner C.A. and underneath the "defense Cotiere". The date is 10-11-42, Fort Prevel, Gaspe, P.Q.

"Dear Little Sister:

I received your letter several days ago. Excuse me for not writing to you sooner.

I note that you had a fine trip to Mont Joli. I am very happy for you. I received your little card. I thank you very much. I received a letter from Lucille at the same time I received yours. Last week I spent three days at F.C. Post. I assure you that it was time for them to replace me. Sunday I went down to Gaspe. I had supper at the hotel with Albert Loquex and his wife and several other friends from the camp. We went to the theatre and we met Louis Forten we saw a very good show, "Fleets In". It is very fine I return vrom Gaspe yesterday afternoon and half an hour later I was at the F.C. Post again where I am tonight. We had snow today. Tonight it is freezing and the wind is blowing hard I think that our little hut will go off with the wind. Tonight after having written to father and mother I received a message in secret code. I had to decode it and I found that a submarine had stopped in the Bay of Chaleur and that we had to stand ready in case of an attack. Last night I received one which said that the R.C.M.P. had seen Germans in the village of New Carlisle. Don't say a word about this. It is secret and it could harm a good deal if the thing were known. I really think we will have an attack before long. It makes one think we are not as safe as we might think the job is rather serious and rather hard for me a French Canadian. And so I leave you it is already midnight. Goodnight to all the family and friends,

As ever

Claude".

Prosecution: Envelope please?

Interpreter: The letter is addressed to Mademoiselle Mireille Huart, 8 Blanchet, Levis, P.Q. There is no other mark.

J.A. That is all you find on that envelope?

Prosecution: That is all that is on the envelope?

Interpreter: Except the examining censor DB/C.150

Prosecution: May this letter already submitted be accepted?

Defence: I object to the production of this letter, may it please the Court, so far as it relates to facts having no relation to the charges. The accused is charged with having written a letter in which mention was made of items concerning army matters, to only army matters. I find here is the part of the letter starting at "Tonight after having written to father and mother I received a message in secret code. I had to decode it and found that a submarine was in the Bay of Chaleur and that we had to be ready in case of an attack. Last night I received another one saying that the R.C.M.P. had seen Germans in the village of New Carlisle." I respectfully submit that only this part of the letter be accepted as evidence by the Court as it is only this part it seems to me, is relevant to the charge of giving military information.

President: I will say that the third charge is to the effect that on or about the 10th November, 1942, a letter was addressed to Mademoiselle Mireille Huart in which mention was made of items respecting army matters which might be of value th the enemy. The production of this letter in which was mentioned these facts I do not think is a ground for objection. We will receive this as an exhibit.

Defence: Before going on with this I would like to make very clear to the Court that I intended to make an objection to these letters following the examination of the evidence of Lieutenant Green embracing all the letters...

President: These have already been produced and objected to and the court has overruled your objection.

THIRD WITNESS for the prosecution

President: Is ~~that~~ it a fact that Captain Archibald did not give evidence at the ~~pleminary~~ preliminary hearing?

Prosecution: Captain Archibald at the time of the summary was not here.

President: I just asked you if his name is in the summary?

J.A.: This is a duplicate original?

Witness: Yes, Sir.

President: That is the signature of Charles LaFlamme who was Acting Commander of Gaspe Defences and it purports to be signed in July, 1942?

Witness: That is correct, Sir.

J.A.: This is a duplicate original of the order?

Witness: Yes, Sir, that is correct.

Defence: Does the Court accept it as it relates to para 153 only?

President: We do not know what it contains at all. It may not have anyting in it in regard to the charge. If 153 does effect the accused you have no objection?

Defence: I object to that because it is not relevant to the charge.

President: We are not going outside the field.

Defence: I know that, Sir.

Fortress Order No. 153 dated 15th July, 1942, is read, marked Exhibit "N", signed by the President and attached to the proceedings.

J.A.: Yes, in full.

President: I do not think the other sections affect you in any way shape or form.

Prosecution: May this document Fortress Order of the 15th July, 1942 be admitted in evidence?

J.A. It is admitted in evidence.

Q.87 Will you tell the Court if those Fortress Orders bearing, signed, I mean bearing letter "N", being Exhibit "N" of this prosecution has been sent to the 105th Coast Battery?

A.87 Yes, Sir, those are sent to the 105th Coast Battery.

CROSS-EXAMINED BY THE DEFENDING OFFICER.

Q.89 Captain Archibald in your evidence you stated that usually Fortress Orders are sent down to the 105th Coast Battery, under your oath can you tell the Court whether you are sure that this Fortress Order No. 153 dated 15th July, 1942 was sent to the 105th Coast Battery? Are you sure?

A.89 No, I am not sure that Order 153 was sent to the 105th Coast Battery but I feel certain that it must have been sent because all orders of that kind are sent from this office.

Q.90 Have you seen that Order 153 posted up here in Headquarters? Have you seen it pinned up on the wall to read it?

A.90 At Headquarters, yes.

Q.91 You have seen it?

A.91 (No answer)

Q.92 How long do these orders stay up on the wall usually?

A.92 That depends on the custom at the various units at Headquarters there were as many as 10 copies remained on the wall at one time.

Q.93 And then what happens Captain Archibald?

A.93 They are removed from the board and filed.

Q.94 And do you know how long this copy of No. 153, this Fortress Order 153, dated 15th July, 1942 stayed up on the wall here at Fortress Headquarters?

A.94 No, I cannot say I do.

THE PROSECUTOR DECLINED TO RE-EXAMINE.

QUESTIONED BY THE COURT.

Q.95 Do you make inspections of the various Batteries in the Defence Area?

A.95 No, Sir, not regularly.

Q.96 What is the custom of posting orders in your own Defence Area, where you have your Headquarters?

A.96 They are posted throughout the buildings as soon as possible after publication, Sir.

Q.97 Are Standing Orders taken down from time to time?

A.97 No, Sir, not to my knowledge.

Q.98 What do you understand by a Standing Order?

A.98 A Standing Order is an order that is permanent, which does not change from day to day, Sir.

Q.99 That being the case you have no occasion to take those orders down would you?

A.99 No, Sir.

Q.100 What is your system of distribution of Standing Orders?

A.100 At Headquarters Standing Orders are placed in all buildings wherever there is a notice file.

Q.101 Do you issue copies to special units in your command?

A.101 Yes, Sir.

Q.102 Are they numbered, are the number of issues noted on your orders?

A.102 No, Sir, not as a rule.

Q.103 Do you require an acknowledgement, a receipt?

A.103 No, Sir, not for orders.

Q.104 To the best of your recollection will you say that Exhibit "N", which contains Standing Order 153 was posted in the Orderly Room or other buildings of the 105th Coast Battery between the 12th day of September and the 10th day of November, 1942?

Defence: Pardon me, Sir, can I object to questions by the Court.

President: No you cannot.

A.104 I am unable to reply, Sir, in as much as I do not recall seeing the order at the Battery.

Q.105 I recollect that you said you saw this order posted subsequent to the 15th day of July 1942 and November 1942?

A.105 At Headquarters.

Q.106 Yes, and that is the Headquarters for the units comprising the Gaspe Defences?

Q.108 Who is Commander of the 105th Battery on and after the 9th day of September, 1942?

A.108 Captain Pothier.

Q.109 Who?

A.109 Captain Pothier.

Questioned by the defence through the Court.

Q.110 Captain Archibald can you say that Fortress Order No. 153 dated 15th July, 1942, was still upon the board on the 10th of November, 1942, here at Headquarters?

A.110 No, I cannot say that it was.

Q.111 You cannot say that it was?

A.111 I cannot say that it was, no.

Q.112 You are sure?

A.112 Yes.

J.A. Captain Archibald what do you say as to the duty of Lieutenant Huart to make himself familiar with Fortress Order No. 153?

Witness: As a Duty Officer on one of the different Forts I would suggest that it was Lieutenant Huart's duty to read all Orders from Headquarters and to note particularly the Orders which would pertain to his job as Section Commander.

J.A. What opportunity did he have to familiarize himself with this particular Fortress Order No. 153, which is Exhibit "N"?

Witness: I would say that Order No. 153 would undoubtedly be in the files of the 105th Battery where Lieutenant Huart was stationed.

Defence: I object to this answer, it is a question of information.

President: It ~~was~~ goes to the weight of the evidence rather than its admissibility.

J.A. Would Lieutenant ~~Huart~~ Huart have access to these files?

Witness: Yes, Sir.

J.A. What is the practise in the Gaspe Defences as to censoring?

Witness: The censoring of letters, Sir, is carried out at the various Forts by the Orderly Officer or the Troop Commander. Letters are mailed with the flaps open and they are read and initialled by the Troop Commander before being mailed, at Headquarters the Orderly Officer has authority to censor mail and all mail in the box is removed after certain hours and censored usually during the afternoon.

J.A. Would the duties of the accused officer include the censoring of letters?

Witness: Yes, Sir, I think as Orderly Officer I think he might have that duty to perform.

J.A. Can you say what instructions the officers in this Area have had to what practise to follow in censoring letters?

Witness: The instructions as to censoring came from Security Orders and instructions issued by the Intelligence Officer stationed here last summer, Sir.

J.A. Referring particularly to Lieutenant Huart what instructions would be given to him?

Witness: Well, Sir, I do not know exactly what instructions....

Defence: I object to this answer of the witness, the charge refers to Fortress Order No. 153 and now we are talking about Security Orders.

J.A. ~~They~~ There are alternative charges.

J.A. Can you answer that?

Witness: The instructions would depend entirely upon the Troop Commander and the Officer in Charge.

President: Your answer is you don't know what instructions were given him?

Witness: That is right, Sir.

J.A. Fortress Order No. 153 contains the instructions that these orders are to be repeated in all Orders and should be read once a month on parade. Can you say whether that practise was carried out?

Witness: I have no assurance that it was. I cannot say.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (B).

Cross-examined by the Defending Officer.

A.150 Well I ~~he~~ didn't understand exactly what you mean.

Q.151 Did you receive direct orders to try Lieutenant Huart and remand him for summary of evidence?

A.151 Yes. That is what I had; I received an order from the D.A.A.G., M.D. 7, to put this officer under close arrest until further instruction, and I received instruction to have him prepared to have the summary of evidence taken later on the charge according to having neglected to obey Routine Order No. 2095 as far as I know.

Q.152 So Major LaFlamme, when you received that order did you have any more discretion or did you have to follow that order?

A.152 Well I felt that the only thing I had to do was to obey this order. I hadn't anything else to do but to put the man under close arrest and have everything ready for the summary of evidence.

Q.153 And even if you had thought that the case should have been tried summarily or the case dismissed would you have done it?

A.153 Well my duty is to obey orders and I had an order to put this man under close arrest and prepare him for summary of evidence.

A.162 It was Major Milburn's worries, as far as I know.

Q.163 As Officer Commanding.

A.163 I imagine it is.

J.A.

Q. 164 Can you say whether the accused is acquainted with Miss Sansom?

A. 166 Yes, Sir.

Q. 167 But you were not in command 10th November?

A. 167 No, Sir, I was relieved 29th August by Major Milburn up until 18th November.

Q. 168 Why was that; what were the circumstances?

A. 168 I was sent back to Quebec; I went to my former unit. I was away and ~~assumed~~ resumed my command 18th November.

Q. 169 Officially, were you in command Gaspe?

A. 169 As far as I remember, I don't have the date.

Q. 170 Are you still in command Gaspe Defences?

A. 170 It is pretty hard to say. Last Monday we sent a wire to Atlantic Command stating that on account of Major LaFlamme being sick on leave, Colonel White was taking temporary command. This has not been changed and he is still in command.

President.

Q. 171 I show you Exhibit "N" which purports to have been issued by you as Temporary Commander Gaspe Defences as of 15th July, 1942. That is correct?

A. 171 Yes, Sir, I was Temporary Commander from 1st July until 29th August and from 18th November up to the present time or ten days ago?

Q. 172 Were those orders copied from any previous standing orders or originals?

Objection by Defending Officer .
Objection overruled.

A. 172 Sir, may I ask you again to repeat the question.

Q. 173 Were those orders copies from any previous standing orders or originals?

A. 173 I can't remember; it is six months ago. I could go back to the records and see.

Q. 174 Had you at any time subsequent to your appointment as Temporary Commander been confirmed as Commander, Gaspe Defences?

A. 174 No, Sir. I am still Temporary Commander; since 18th November as Temporary Commander.

Q. 175 Were those ordem ever confirmed by the Commander or any higher officer?

A. 175 No, Sir.

President. Does the Defending Officer wish to ask any questions?

A. 176 Yes, they are my Fortress Orders.

Q. 177 If I refer to paragraph 2 of these Fortress Orders, what do you mean exactly?

A. 177 Paragraph 2 which number ?

Q. 178 Of 153.

Objected to by the Prosecutor.

President. You mean sub-paragraph 2 of 153. What do you want to know about it?

Defending Officer. I want him to say what he means by this paragraph 2.

President. The language will speak for itself. It is not necessary to have it interpreted. Is there any ambiguity there.

Defending Officer. There might be, Sir. They are Major LaFlammes orders and as such I would like to know what he meant by the orders in paragraph 2.

President. They will carry their own meaning.

Defending Officer. It is Major LaFlammes orders and he is the one who is supposed to know.

In the opinion of the Court it is not necessary to comply with Rule of Procedure 83(b).

Witness withdraws.

Q. 187 Where was this F.C. Post where he was?

A. 187 The F.C. Post is roughly about one mile to the left flank of Prevel.

Q. 188 Is it what they call Fort Prevel?

A. 188 Fort Prevel, yes.

Q. 189 Do you remember if you did receive some communication from the Atlantic Command on the night between 9th and 10th November, 1942?

A. 189 Yes, I did.

Q. 190 Did you transmit back this message to somebody else?

A. 190 I sent a cipher message out to the F.C. Post.

Q. 191 On this occasion who answered; to whom did you give the message?

A. 191 I gave the message to Lieutenant Huart.

Q. 192 To himself personally or through signals or - ?

Q. 193 Did he acknowledge this message?

A. 193 The message was acknowledged.

Q. 194 By whom?

A. 194 By Lieutenant Huart in person.

Q. 195 Can you recall what was the terms of this message?

A. 195 You mean -

Q. 196 What did the message say?

President. Have you an English translation?

Prosecutor. Yes.

President. Why not show it to him.

Q. 197 Will you take this paper and check if it is really what you sent; just refresh your memory?

A. 197 That is the message I sent.

Q. 198 Can you give it to the Court?

Court. Just a moment; you are going to put the words of this in.

Defending Officer. I object to the production of this message because we do not know if it is the original message or if it is a copy.

Prosecutor. I do not want to produce it.

Defending Officer. If it is the copy it is not good proof for the Court.

Prosecutor. I want the witness to say verbally what he sent, to swear what he sent; that is all; just want you to say I sent this -.

Q.199 J.A. What was the form of communication?

A.199 This message was sent in cipher.

Q.200 By what means of communication?

A.200 By telephone as a multiple message.

Q.201 You made the communication?

A.201 I put the message out in code to the F.C. to the O.C. Haldimand and to the O.C. the Peninsula as a multiple call. Each one of them got the call and when they had decoded the message called back and informed me they had received and understood the message.

Q.202 Did you talk yourself to Lieutenant Huart?

A.202 I talked personally to Lieutenant Huart, gave him the message and had his verbal admission that he had received and understood the message.

Q.203 President. I understand you took a ~~decoded~~ deciphered message and put it in cipher, put it again in cipher addressed to the points you mention; that you communicated it to them and got Lieutenant Huart's acknowledgment of the receipt of this message?

A.203 Yes, Sir.

Q. 204 And that he later acknowledged that it had been understood?

A. 204 Yes, Sir.

Q. 205 Decoded and understood?

A. 205 Yes, Sir.
Court.
Have you the English decoded form of the message?

Prosecutor. I have, Sir, but it is not to be produced, we cannot have the original of this message.

President. He can refresh his memory if he can't recall the words if you have any means whereby hecan refresh his memory as to the contents or meaning of that message.

Q. 206 Will you tell the Court to the best of your memory in refreshing it if necessary only what you really remember what you are sure you sent to Lieutenant Huart?

Defending Officer. If the Court would realize that all this procedure is highly irregular. The Prosecutor shows Major Milburn a piece of paper on which there is a message just to refresh the memory of Major Milburn. Then Major Milburn puts back the paper on the desk and the Prosecutor asks the witness to tell what was the message.

Prosecutor. I don't want him to put back the paper there. He may keep it in his hands. I think he might read the paper and swear that it was really that.

President. The message hasn't been read to the Court. He asked the witness now if he remembers the contents of the message.

Q. 207 Can you remember the contents of the message?

A. 207 Yes, I remember the contents of the message.

Q. 208 Will you tell the Court what it was?

A. 208 It was concerning a submarine.

Defending Officer. Objection - this is the second time the witness answered this question if the Court will notice.

President. The letter is in evidence.

A. 208 It was concerning a submarine that was to be in Chaleur Bay and I asked the watch officers to be on the job and to be ready and able to go into action on a moment's notice.

Q. 209 Can you swear independently of this paper that it was what you sent?

A. 209 The thing is quite in my mind. Yes, because it was quite an important message.

Q. 210 There is no error, it was what you sent?

A. 210 Yes.

Defending Officer. I object to that as a leading question.

J.A. Refer to Exhibits "J", "K", and "L".

Q. 211 You see this letter Exhibit "K". Will you read the English part contained therein?

President. I would suggest, Major, you read it to the witness and ask the witness any questions.

Q. 212 In this Exhibit "K" produced by the Prosecution I read - "Enemy submarine in Chaleur Bay stop Gun watch officers to be on the alert and to be ready to go into action in a moment's notice if necessary". Does this bear any resemblance to the message you sent?

A. 212 Yes.

Q. 213 How close will it bear resemblance?

A. 213 That is the actual message I sent.

Q. 214 When you say that Lieutenant Huart acknowledged himself this message where was he at this moment?

A. 214 He was, as far as I know, at the Fire Control Post.

Q. 215 You see this Exhibit "N", Fortress Order issued 15th July. Did you ever saw those orders before?

A. 215 Yes, I have seen these orders before.

Q. 216 Where do they come from?

A. 216 They are from Fortress Headquarters.

Q. 217 Did you receive copies of those at the 105th Coast Bty.?

A. 217 Yes, I received a copy, the 105th received a copy.

Q. 218 What did you do with the copy you received; what did you do with them?

A. 218 The Headquarters of 105th is at Prevel. I understand Prevel gets roughly about five copies and they would be placed up around the Fort.

Q. 219 You mean posted?

A. 219 Yes, in the officers' mess, canteen, and various places.

Q. 220 Do you know if they were read on Parade once a month?

A. 220 They were supposed to be but I couldn't swear they were.

Q. 221 What was the duty of Lieutenant Huart concerning these orders?

A. 221 I don't quite understand your question.

Q. 222 I mean what was his duty in connection with himself getting acquainted or familiar with those orders?

A. 222 Well any junior officer on a fort has access to all correspondence to look things over and to find out things for himself.

Q. 223 You think those orders were on file?

A. 223 I doubt if there is any question about them being on file.

Q. 224 Had Lieutenant Huart access to those files?

A. 224 I couldn't say definitely but I am sure as his troop commander, undoubtedly he would.

Q. 225 As a general knowledge are Fortress Orders posted or not?

A. 225 To the best of my knowledge they are posted.

Q. 226 How long do you think they stay on the board, posting board?

A. 226 I couldn't answer that; they are sometimes quite bulky on the board.

Q. 227 Can you give an approximate time?

A. 227 No, I am sorry I couldn't.

Cross-examined by the Defending Officer.

Q. 228 Major Milburn, with reference to the order No. 153 dated 15th July, 1942, do you actually know yourself when this Fortress order was posted up?

A. 228 No, I don't.

Q. 229 Did you actually tell Huart to go and see this particular order No. 153 dated 15th July, 1942, to go and see them in the files?

A. 229 No, I would consider that to be the duty of the troop commander.

Q. 230 Did you ever see the accused read that particular order No. 153?

A. 230 No, I didn't.

Q. 231 Would you please tell the Court if you had the opportunity to use your discretion in trying and dismissing or remanding for summary of evidence the accused?

A. 231 No, I did not have any opportunity.

Q. 232 So you did not use your discretion or you could not use your opinion, why not, Sir?

A. 232 Major LaFlamme is the Fortress Commander advised me that this officer was to be placed under arrest, orders of National Defence Headquarters, for Court-Martial.

Q.233 Then what happened, Sir?

A.233 As he was a French officer and did not understand very much English, Major LaFlamme went down himself to put him under close arrest.

Q.234 That is correct, but you sent the application for Court-Martial didn't you?

A.234 I sent the application, yes.

Q.235 Do you consider that you used your discretion in either dismissing or trying the case or dealing with it summarily or do you consider you had had orders?

President. Don't answer that for a moment please.

J.A. On what ground to you ask that question?

Defending Officer. I can explain very well to the Court. This morning I made a complaint of the general jurisdiction of this Court and I asked to have Major Milburn and Major LaFlamme come up as witnesses to this objection. I could not bring them up, and this is why. Just to inform the Court and to inform those who later on will look over this thing about the procedure before the Court-Martial.

President. I want to point out that Major Milburn signed the charge-sheet. ~~You must use~~ some discretion unless it is shown he was under duress and had no opportunity to do otherwise.

J.A. Unless you can show some authority or reason for asking those questions I am afraid that the Court will have to disallow them.

President. Can you cite any authority for such a question?

Defending Officer. As I explained to the Court my only reason for asking the question is to try to put some light on what happened before the accused was remanded for Court-Martial. I think this officer who is here - -

President. We must assume that all things are rightly done unless you can show to the contrary.

Defending Officer. I am trying to prove it by Major Milburn. If Major Milburn was not under duress or under orders to remand him for Court-Martial, Major Milburn will say it, if not he will say it also.

President. Can you cite any authority which warrants your going behind the convening order signed by the Adjutant-General?

J.A. We can do no more than note your objection. There is a convening order signed by the Adjutant-General. Has the Court the authority to investigate the procedure of the preliminary inquiry. That is more for you to submit to the convening ~~order~~ by way of a review as in civil court would be an appeal.

Defending Officer. I believe the Court would be interested in knowing that the accused may have been brought ~~before~~ here without having proper opportunity to be judged by his Commanding Officer.

President. But he couldn't be judged by his Commanding Officer. The Commanding Officer has no authority to try an officer summarily. Summarily is only something which relates to a fine or forfeiture of pay. All those sections you quoted this morning apply to a soldier, by which a Commanding Officer has authority to deal with. No Commanding Officer has authority to deal with an officer.

Defending Officer. The Court may disallow my question.

J.A. Unless you can show that the convening order was obtained ~~convened~~ on false recommendation or obtained by duress I don't think we can allow such a question.

The Court is closed from 1715 hours until 1730 hours to consider the question.

The Court decides to allow the question.

J.A. The Court has decided to allow the question asked by the Defending Officer in order that the Defending Officer may have every opportunity of placing on the record everything in support of his plea of lack of jurisdiction.

Q. 235 Do you consider that you used your discretion in either dismissing or trying the case or dealing with it summarily or do you consider you had had orders?

A. 235 No, I don't think I had a chance to do anything. I was advised that this man was up for Court-Martial and that an officer from Ottawa would come down to take the summary of evidence.

Q. 236 Was an opportunity given you of investigating the case of the accused?

A. 236 No opportunity was given me.

Q. 237 Was an opportunity given you to make a decision regarding the seriousness of the charge?

A. 237 No.

Q. 238 Major Milburn, if we come back to the examination in chief, Can you tell the Court if it happened sometimes that you sent some messages in code which were not of a secret nature last summer?

A. 238 Yes, I sent messages which were not of a secret nature which might be things very minor for the officers to get some training in deciphering these messages.

Re-examined by the Prosecutor.

Q. 239 When you said you sent messages that are for training. Did you distinguish them from operational messages in any way.

A. 239 No.

Q.240 Have the officer receiving the messages any means of knowing if they are real things or just for training.

Defending Officer. I object to that as being a leading question.

President. Objection overruled.

A.240 The messages sent were not test messages. They were regular messages that were pertaining to duties or operations which might be very minor, but not test messages.

Q.241 Had the officer receiving such a message any means of knowing if they were the true thing or just a joke to give them practice.

A.241 The message sent out, may I point out, was something that was as I said before, was not a test message; a regular message which could be sent in clear but for the officers to get experience in deciphering it was sent out to give them experience.

Q.242 Were they always true things?

A.242 Yes.

President. That doesn't matter. He has already stated that they were military messages which could have been sent in clear but in order to give the officers experience in deciphering they were put into cipher or code.

Questioned by the Court.

Q.243 You say that, in answer to questions as I understood them, that you didn't have any opportunity of investigating the case. Did you realize when you made that statement that you must have signed at some time or other an application for Court-Martial and therefore must have had the summary of evidence before you.

A.243 As I understood it the thing had already been settled by National Defence Headquarters that this man was up for Court-Martial and that an officer would come down from National Defence Headquarters to take the summary of evidence.

Q.244 In other words you did not mean that you didn't see the evidence before you sent the application.

A.244 No, I saw the evidence, yes.

Q.245 There is in evidence here Exhibit "N" purports to be Fortress Orders issued by Major LaFlamme on 15th July, 1942. I think you have seen that Exhibit?

A.245 Yes, Sir.

Q.246 As Commander of a Battery do you issue your own standing orders?

A.246 Yes, Sir, yes, Issue standing orders.

Q.247 And your standing orders are they based upon the Defences' standing orders or Fortress Orders?

A.247 Yes, Sir.

Q.248 Had you issued any independent orders as Officer Commanding your Battery which would contain the injunction set out in Fortress Order 153? You may look at it.

A.248 That is the paragraph 3, Sir?

Q.249 153, isn't it?

A.249 I can't say definitely, Sir, as my Part I Orders are in Shelburne but I think that was compiled in my Part I Orders.

Q.250 As near as you can recall?

A.250 Yes, Sir.

Q.251 As I understand the evidence, it was Major LaFlamme who either did put the accused under close arrest or ordered him to be put under close arrest. Do you recall which the correct version?

A.251 What is that, Sir.

Q.252 As I understand the evidence, Major LaFlamme ordered the accused to be placed under arrest?

A.252 He called me up and told me that this officer had to be placed under close arrest and due to the fact that he was a French officer with not very much English perhaps he could make it clearer than I could and he would put him under arrest.

Q.253 Did you put him under arrest?

A.253 No, Sir.

Q.254 It was the other officer?

A.254 Yes, Sir.

Q.255 How long had this officer been under close arrest before General Court-Martial was ordered?

A.255 I couldn't swear, Sir.

Q.256 Were you in command of the Battery the date of his arrest?

A.256 Yes, Sir.

Q.257 Had you no opportunity whatever to interview this officer?

A.257 Yes, Sir, I had a chance to interview him.

Q.258 Did you interview him?

A.258 After the application for Court-Martial, after eight days, I asked the Fortress Commander to see if we couldn't make application to have this officer released from close arrest, as I understand that a gunner under close arrest eight days I must release him from close arrest.

Q.259 Why didn't you release him?

A. 259 I didn't think I had the powers to release him as National Defence Headquarters put him under arrest. I thought that the powers that put an officer under close arrest were the only powers that can release him.

Q. 260 You are quite right about that. I understand from your evidence it was Major LaFlamme put him under close arrest?

A. 261 Major LaFlamme put him under arrest on advice of National Defence Headquarters.

Q. 262 Do you know that for a fact?

A. 262 No, Sir, it is what I understood from Major LaFlamme.

Q. 263 You signed the charge sheet as the Officer Commanding, 105th Battery?

A. 263 Yes, Sir.

J.A.

Q. 264 On the heading of the summary of evidence there is a statement 'The Commanding Officer has directed that the summary of evidence be taken on oath' which would infer that the summary of evidence was taken under your direction?

A. 264 Yes, Sir.

Q. 265 You say that an officer was sent from National Defence Headquarters. My understanding is that an officer from National Defence Headquarters experienced in the taking of summaries of evidence was made available to you?

A. 265 Yes, Sir.

Q. 266 So that in reality this officer was detailed by you to take the summary, taken under your direction in other words?

A. 266 Not detailed by me.

Q. 267 He was made available to take the summary and the summary was taken by him under your direction?

A. 267 Yes.

Q. 268 Did Lieutenant Huart's duties include the censoring of correspondence from the men of the 105th Battery?

Objected to by the Defending Officer and objection overruled.

A. 268 As far as I know Lieutenant Huart censored some of the French mail.

Q. 269 Can you tell the Court what instructions he had as to his duties in censoring mail?

A. 269 No, I couldn't, Sir, his Troop Commander would know more about that than I do.

Q. 270 Who was his Troop Commander?

A. 270 Captain Stanbury.

President. Does the Defending Officer wish to ask any questions.

Questioned by Defending Officer.

Q. 271 I understand, Major Milburn, that you have not seen the accused actually censoring mail?

A. 271 No, I have not seen him censoring mail.

Q. 272 You just heard about it?

A. 272 What I said was hearsay in other words. I understood he was censoring some French mail but I couldn't say that for definite.

Answer. The accused in his defence says† See Document Marked "Q"

~~[Hands in a written address which is read, marked signed by the President and attached to the proceedings.]~~

† In this space will be recorded any oral statement or address made by the accused in his defence when he has not given evidence as a witness. (For any additional address which he is entitled to make, *see* Instructions to the Court *above*.)

First Witness for the defence — Captain Louis FORTIN, 52nd Anti-Aircraft Battery, R.C.A., C.A., having been duly sworn, is examined by the defending officer.

Q.277 — Will you give your name, rank and unit to the Court?

A.277 — Louis Fortin, Captain, 52nd Anti-Aircraft Battery.

Q.278 — Captain Fortin do you know the accused?

A.278 — Yes, Sir, I do.

Q.279 — Who is he?

A.279 — Huart, Lieutenant.

Q.280 — For how long have you known him?

A.280 — Well, he has been my college mate from 1935 to 1939. From 1937 up to date he was one of my best friends. We have been together for almost all the time.

Q.281 — Have you ever seen his writing?

A.281 — Yes, Sir.

Q.282 — Can you identify this as the writing of Lieutenant Huart, this is Exhibit "J"?

A.282 — No, Sir, I cannot swear that is his writing.

Q.283 — Did you look at the envelope?

A.283 — Yes, Sir, I cannot swear this is his writing.

Q.284 — Will you look at this time Exhibit "K" and tell us if you can identify the writing as that of Lieutenant Huart?

A.284 — No.

Q.285 — Will you look at this document Exhibit "L" and tell us if you identify the writing on it as Lieutenant Huart's?

A.285 — No, Sir, I cannot.

Q.286 — Captain Fortin would you tell the Court whether you heard any gossip about the arrest of a German spy sometime in November?

A.286 — Yes, I did, one night.

Q.287 — You did?

A.287 — Yes,.....

President: You were not asked to tell anything simply asked if you heard.

Q.288 — Will you please tell the Court on what occasion or occasions you did hear these gossips?

A.288 — I heard the whole story about.....

J.A. You were asked on what occasions.

Witness: I was with two civilians and they told me the story

Q.289 And what was the story?

Prosecution: I do not see, Sir, that this point has any reference to the issue in front of the Court so I object to this question being asked.

Defence: The question certainly has some importance for the defence, because the witness is coming here and is telling the Court about the gossips that were, that he heard, the stories that some people told hkm on or about the 10th of November, 1942 about this German spy. I certainly think it has a certain effect and might prove that what was thought to be a military secret was in fact something known by the public.

President: I do not think that is any ground. What occasion are you referring the witness to. Specify the period you have reference to, the 9th, 10th, 15th, etc., please do something definite but we are not here to take gossip.

Defence: I will try, Sir, to have facts.

Q.290 You were just mentioning two civilians on or about what date did you meet them?

A.290 I do not remember the date but sometime in November.

Q.291 Was it before the 20th?

President: Now he says he doesn't remember. I presume he doesn't.

Defence: I am trying to find out more the place, the date.

A.291 Sometime in November.

Q.292 Please tell the Court what story was told you by two civilians?

A.292 ~~What~~ The whole story you want to know?

Q.293 No I don't ~~like~~ want to know the whole story just a general idea?

A.293 They told me that one spy was left in New Carlisle by a sub and ~~it~~ he was arrested a few hours after on the train by the R.C.M.P. or Provincial Police. It ~~has~~ had been discovered, as they told me, by an agent, station agent, and the owner of a hotel in New Carlisle and a taxi driver.

Q.294 Did ~~any~~ body else talk to you about this matter?

A.294 President: How will that ~~effect~~ affect this case, Mr. Angers?

Defence: Well, Sir, if the defence prove that this matter of the German was known by everybody, was common....

President: I do not understand that. I am going to give you every latitude but it seems to me that the damaging statements, if any, alleged against the accused are contained in these letters and one of them, as I recollect, says a secret message passed to Mr. Huart and was was conveyed to people or intended to be conveyed to people, which was against regulations. Now, what the gossip was around the vicinity of Gaspe would not affect that in any way. I do not want to curtail your rights but I cannot see where this has any bearing on the case.

Defence: I will not press the matter as long as the Court gets the idea that this question of a German Spy had been told all around Gaspe. It was in Montreal, Quebec and everywhere, it will not be a military secret at all.

Prosecution: Mr. Huart is accused of having written a letter containing information of a military nature. Well if later on somebody revealed this information it does not affect the charge at all. It may right now, but later on the information may become more known by the public but at the time it was still military information. This to me, even though it is revealed later on, so that 100% knew later on, it will not affect the case later on, it will be no use to prove that.

President: You may proceed.

Q.295 Will you examine this Exhibit "K" and read this paragraph to the Court, Captain Fortin?

A.295 "Enemy submarine in Chaleur Bay Stop Gun Watch Officers are to be on the alert and be ready to go into action in a moments notice if necessary.

Q.296 Will you please tell the Court if this was common fact submarines around Gaspe?

A.296 Yes, it was.

Q.297 What kind of a secret would that be?

Prosecution: I object. I think this is a question for the Court to decide.

Defence: I would like to know what kind of a secret it is considered to be. It is not fair to the accused that I tell the Court what I want from my witness.

President: But we must be enlightened on the evidence.

J.A. You addressed the question that has been objected to. What do you mean by that? What kind of a secret would what be?

Defence: This fact of knowing submarines were around Gaspe. I am just keeping on with his last answer. If it please the Court.

President: Was it in reference to what was read or an abstract of an exhibit here you are referring to?

Defence: I am referring to the question of submarines generally.

President: Well, if his statement was everybody was talking about it you may not designate it as a secret.

Defence: That is what I wanted him to tell the Court.

President: Well, it could not have been a secret if that is the fact.

Q.298 Captain Forten, is the accused one of your friends?

A.298 Yes.

Q.299 What would you say to the Court as to his character?

A.299 Well, I have known him for nearly ten years and he has been always one of the best guys I have ever known. He is very young and he has been considered to be, by his friends, like one of the best chaps.

Q.300 What do you think of him as an officer?

A.300 When he applied for his commission the officer who gave it to him asked me for my opinion, as I was in the army, and I recommended him.

Q.301 And since he joined the army what do you think of him as an officer?

A.301 I have not been with him long but all the reports I have from his officers was good. I was with him in Halifax last summer. I think he was my room mate and he was working hard to qualify there.

Q.302 To your knowledge does he have subversive ideas?

A.302 Oh! no.

CROSS-EXAMINED BY THE PROSECUTOR.

Q.303 You see this envelope, Exhibit "K"?

A.303 Yes.

Q.304 Will you read his address?

A.304 Mademoiselle Gilberte Samson.

Q.305 Will you tell me what is the relation between this Mademoiselle Gilberte Samson and the accused?

A.305 His girl friend.

Q.306 You said before that you cannot swear you recognize the handwriting of Lieutenant Huart in this letter. You swear that?

A.306 Yes, I do.

Q.307 You swore you knew his handwriting?

A.307 Will you repeat the question, please?

Q.308 Will you swear you knew his handwriting?

A.308 Well I had some letters from him.

Q.309 Do you know it?

A.309 Yes, I know his handwriting.

Q.310 You know his handwriting?

A.310 Yes, I know it.

Q.311 How many letters did you receive from him?

A.311 That is pretty hard to answer.

Q.312 Well, approximately?

A.312 When he was in Brockville I guess I had one letter from him.

THE DEFENDING OFFICER DECLINED TO RE-EXAMINE.

QUESTIONED BY THE COURT.

Q.313 Are you prepared to state whether this handwriting is the handwriting of the accused in Exhibits "J", "K", and "L"?

A.313 I am under oath when I state I cannot identify this writing as his.

Q.314 Are you prepared to say it is not the handwriting of the accused? I want an answer yes or no?

A.314 As far as I am concerned it is not, as far as I can say it is not the handwriting of Claude Huart.

Q.315 Will you examine these letters in toto?

(Witness examines letters)

Q.316 Having looked at Exhibit "J", is there anything in that to indicate to you whose writing that is?

A.316 By the writing I cannot identify it but by the tone of the letter I can identify it as belonging to Lieutenant Huart.

Q.317 Is there any signature to that Exhibit "J"?

A.317 It is signed in the right corner.

Q. 318 And what is it?

A. 318 Claude.

Q. 319 You will note in that letter marked Exhibit "J" there is a reference to one Louie F., "I met Louie F. at the theatre in the evening". Have you any idea who that Louie F. is?

A. 319 It might be...

Q. 320 Have you any idea?

A. 320 It might be me.

Q. 321 You know it was you don't you?

A. 321 It might be me, Sir.

J.A.: Was it you?

Witness: I met him in town quite often. I could not say this night.

Q. 322 Do you correspond or do you have correspondence with anyone by the name of "Claude."?

A. 322 I had one letter last summer from him.

Q. 323 From whom?

A. 323 From the accused, Sir.

Q. 324 That is the only person by the name of Claude who wrote ~~the letter~~ ~~you refer~~?

A. 324 If I remember correctly it was not signed "Claude".

Defence: He may have received letters from dozens of people by the name of Claude.

J.A.: I think you had better leave it to the Court.

Defence: It seems highly irregular.

J.A. This present questioning is very interesting.

Q. 325 Will you look at this letter marked Exhibit "L"? Read it carefully.

A. 325 (Witness reads letter)

Q. 326 You have read that. Is there anything in that to indicate to you who wrote that letter?

A. 326 The contents of the letter.

Q. 327 Who wrote it?

A. 327 The accused because of the contents of the letter I think that it is Huart.

Q.328 Were you, with Claude Huart, attending a show entitled "Fleets In"?

A.328 Yes, I was.

Q.329 Do you know Mademoiselle Mireille Huart?

A.329 Yes, I do.

Q.330 Of 8 Blanchet, Levis, Quebec?

A.330 I do, Sir.

Q.331 What relation is she to Claude Huart?

A.331 His sister.

Q.332 Looking at the envelope marked Exhibit "L" and the letter marked Exhibit "L" is there anything to indicate to you who was the author of that letter. In other words who wrote the letter?

A.332 Yes, Sir.

Q.333 And who is it?

A.333 Huart, Sir, because it is addressed to his sister.

Q.334 Now, are you prepared to swear that that letter Exhibit "L" is not in the handwriting of Claude Huart?

A.334 Well now I say the envelope not by the handwriting.

J.A. Will you just answer the question the president has asked you?

Witness: To the best of my knowledge it is not his handwriting.

J.A. Your answer is, "yes"?

Witness: Yes, the handwriting.

President: Your answer is that the handwriting is not that of Claude Huart?

Witness: The handwriting I said "no", not by the handwriting.

Q.335 You cannot tell by the handwriting?

A.335 No, Sir.

Q.336 Did you ever loan a book to anyone else by the name of "Claude"?

A.336 No, Sir, not that I remember.

Q.337 Looking again at Exhibit "J", the letter and envelope Exhibit "J", is there anything in this to indicate to you who wrote this letter?

A.337 Yes, Sir, the contents.

Q.338 Who do you say wrote those letters?

A.338 I should say it was Huart, the accused.

Q.339 It was addressed to his father?

A.339 Yes, Sir.

President: Does that answer your question Major Hachey?

Major Hachey: It answers my question but it does not satisfy me as to the character of the witness.

Q.340 You say that Lieutenant Huart has been in the Gaspe Defence since September?

A.340 I do not recall.

Q.341 Have you any idea how long he has been here?

A.341 Two or three months.

Q.342 Have you ever received any instructions on security and the care which must be taken in military matters?

A.342 Yes, Sir. I have read the Standing Orders.

Q.343 Was Lieutenant Huart in the same Battery with you?

A.344 At the outbreak of war. After that I did not see him, he was in another Battery.

Q.345 You were not stationed at Fort Prevel on the night of November 10th or 11th last?

A.345 No, Sir.

Q.346 Have you ever been a Fire Commander?

A.346 No, Sir.

Q.347 Never performed the duties of Fire Commander?

A.347 No, Sir.

Q.348 How long have you been stationed here?

A.348 I came here on the 23rd of Sepbember, Sir.

Q.349 The 23rd of September?

A.349 Yes, Sir.

Questioned by the defence through the Court.

Q.350 Captain Fortin, these Exhibits "J", "K", and "L" which you have examined. Do you still swear to the best of your knowledge that they were not written by Claude Huart? To the best of your knowledge.

A.350 By the writing I say there were not written by him - by the contents of the letters they may have been written by him.

President: Could they be written by anybody else. Answer this "yes or no". You are leading the Court to think that you are avoiding the issue. Please answer that question, "yes or no"?

Witness: Perhaps.

Defence: It is very hard for the witness to answer that Huart did not write it.

J.A.: That is what was asked. He has got to answer "yes or no".

Witness: No, not according to the contents.

RULE OF PROCEDURE 83 (B) IS COMPLIED WITH.

WITNESS WITHDRAWS.

The Court think it expedient to continue to sit after six o'clock in the afternoon. In view of transportation and weather difficulties it is desirable to finish the trial without the Court again leaving the Fortress Area.

AT 6:30 O'CLOCK THE COURT ADJOURN UNTIL 8:00 O'CLOCK ON THE SAME DAY.

ON THE SAME DAY AT 8:00 O'CLOCK THE COURT REASSEMBLE, PURSUANT TO ADJOURNMENT; PRESENT THE SAME MEMBERS AS WHEN ADJOURNED.

Defending Officer. May I have the permission of the Court to bring in Major LaFlamme as a witness for the Defence.

President. As a Character Witness?

Defending Officer. It was rather difficult for, the Court will understand, to produce Major LaFlamme and ask him certain questions yesterday on the cross-examination. Very often the Defence wishes to ask certain questions which cannot be asked until the Prosecution's case is over and this is the only reason why I recall Major LaFlamme today as a witness for the Defence.

President. Do you wish to ask any question that was refused you yesterday?

Defending Officer. I didn't get that question.

President. Were you refused the right to put any question yesterday that you intend to put today?

J.A. Do you intend to put any question today which was disallowed yesterday?

Defending Officer. No, Sir.

J.A. Is Major LaFlamme a witness to Character only?

Defending Officer. As to character and fact.

J.A. As to facts - I think you should have asked ~~them~~ the questions yesterday.

Defending Officer. The Court will understand that the Defence during the course of Prosecution's case is under a handicap if it brings out before the Prosecution's case is closed certain facts which I intend to prove today by Major LaFlamme.

J.A. What you mean to say is that the evidence you hope to elicit from Major LaFlamme if you had elicited it yesterday would have disclosed your defence.

Defending Officer. Would have disclosed my defence.

J.A. Would you infer that a witness can be both for the Prosecution and the Defence?

Defending Officer. Yes, Sir.

J.A. It is most unusual, is it not.

President. I will permit Major LaFlamme to be recalled solely for the purpose of giving evidence as to character and questions must be put through the Court. That is the procedure. You had the opportunity here yesterday to question Major LaFlamme on any subject that you wished that was relevant to the issue. In cross-examination you could have

further continued your examination under the rules pertaining to the cross-examination of witnesses and if you failed to do so you took your own responsibility. The Court will permit you to recall Major LaFlamme to give evidence solely as to character.

Defending Officer. I submit that the accused will be very much handicapped in his Defence if Major LaFlamme is not allowed to come here as a witness. As I said before the reason I give the Court is that Major LaFlamme was not asked certain questions yesterday only because the Defence did not want to disclose its defence; and this, I think, something which is admitted in many Courts in the World, and I think that the accused should have every right to bring up who have even come up for the Prosecution. The Prosecution can call Major LaFlamme if they want to. It is very hard for the Defence, the Court will understand, for the Defence to disclose itself during the Prosecution's case.

At the request of the Defending Officer/Major CHARLES LAFLAMME, R.C.A. C.A. is recalled and examined on his former oath through the President and states as follows:

Q. 351 Have you known Lieutenant Huart for a long time?

A. 351 Yes, for several years.

Q. 352 Do you know his parents?

A. 352 Yes, I know his parents.

Q. 353 Do you know the family of Miss Gilberte Samson?

A. 353 I don't know the family, but I know her.

Q. 354 What would be, according to your knowledge of the accused, your opinion as to his character.

A. 354 Lieutenant Huart has been known to me for several years. I have known him before he was in the Army. He joined the Army when I was Commanding Officer of the 59th Hvy Bty. That was at the time I was pleased to recommend him for a commission because I knew his past and I knew his character. He was an intelligent boy; a good worker; a sober man; and although he was young he has a sense of responsibility. As long as he has been under my command in the 59th Hvy Bty. he has shown very good qualities. Since he has been in Gaspe he has performed his duties very well. And it is my opinion that the night 9th/10th he has been given a job which should not have been given to him on account of his lack of experience.

President. Would you like to speak in French?

Witness continues in English.

He had a job which should have been carried on by a more experienced officer. His behaviour as an officer is very good.

Q. 355 Do you know anything about his patriotism?

A. 355 Yes. He has been a real Canadian and joined the Army first of all as a Gunner in 1939 with me. And he was very anxious at the time to stay in the Army as a Gunner and it was upon my recommendation that he went back to school to get more instruction in order to be an officer later on. This man is a French-Canadian, one of those who has been very glad to serve their Country, and I am sure that in the facts which have been brought up to the Court Lieutenant Huart never though that he could do any damage to his Country. He is young without experience. Perhaps he did not know exactly the meaning of what he was doing but there is something - I am sure - is that he never try to work against his Country and against the Army.

President. I think you have covered the subject about as fully as you can. Any other questions.

Defending Officer. Only as to character - not facts?

President. No.

Defending Officer. No questions.

In the opinion of the Court it is not necessary to comply with Rule of Procedure 83(b).

Witness withdraws.

Defending Officer. Major Milburn was a witness also and I ask the permission of the Court to bring him in as a witness as to Character and as to fact. My reasons are the same as I have expressed when Major LaFlamme first came in. If it please the Court, I would like him heard.

President. You had an opportunity yesterday to cross-examine this witness. Can you think of any good cause by which I should give permission for the Defence to recall him as to facts. I will permit him to be recalled as a character witness only

At the request of the Defending Officer Major A.R. MILBURN, D.C.M., O.C., 105th Coast Battery R.C.A. C.A. is recalled and examined on his former oath through the President and states as follows:

President. You are being recalled to give evidence as to character only; you may take the chair.

Defending Officer. May it please the Court, Major Milburn gave me to understand that he wished to make a correction on one of his statements yesterday. Would this be the proper time to do so.

President. No, his evidence was read over to him. You must stick to the Rules of Evidence.

Q. 356 Major Milburn, how long have you known the accused?

A. 356 Since September 15th, this year, or last year, 1942.

Q. 357 How was the conduct of this officer during the time when he was under your command?

A. 357 His conduct was good.

Q. 358 While under your command what his character like, the character of the accused?

A. 358 That was almost the same as the last question.

Q. 359 The word was "conduct"; this is "character".

A. 359 His character as an officer - he was good in his character. He was a good officer. I never had any trouble with him or anything.

In the opinion of the Court, it is not necessary to comply with Rule of Procedure 83(b).

PLEA TO THE GENERAL JURISDICTION OF THE COURT
BY THE DEFENDING OFFICER

Filed
Pet. H.C.M

oooooOoooooo

Before the accused pleads, may it please the Court, I wish to make a plea to the general jurisdiction of this Court. It must be understood that this objection is made, not made, personally against any of you. We have accepted all the members here and we are very pleased, and I am sure the accused looks favourably upon everyone of you and is sure he will have a very fair trial, but it is our contention that the Court was improperly constituted.

In this case the accused was not brought before his Commanding Officer and the powers of the Commanding Officer were disregarded with regards to R.P. 4a & 5a and of Army Act 46.

Para 4 reads as follows: "The commanding officer will dismiss a charge brought before him if in his opinion the evidence does not show that some offence under the Army Act has been committed, or if, in his discretion, he thinks that the charge ought not to be proceeded with". It is my contention that the Commanding Officer of the accused in this case was not given this discretion and was not allowed to make use of his own opinion.

If we go now to R.P. 5 we find: "The evidence and statement (if any) taken down in writing in pursuance of Rule (4)(in these rules referred to as the summary of evidence) shall be considered by the commanding officer." It is our contention that the Officer Commanding of the accused was not given the opportunity of doing one of these three things.

If we look now at Army Act, Section 46: "The commanding officer shall, upon an investigation being had of a charge made against a person subject to military law under his command of having committed an offence under this Act, dismiss the charge, if he in his discretion thinks that it ought not to be proceeded with, but where....." "...in the case of an officer below the rank of field officer or of a warrant officer, may refer the case to be dealt with summarily by a general officer or brigadier under the provisions of this Act, or in the case of a soldier may deal with the case summarily."

We also have Army Act p.37, para 26, which gives more information about that...

J.A. - You mean the Manual of Military Law?

Defence: Yes, Sir.

(Defence reads para 26, p.37.)

What I want the Court to take notice of is, if the Commanding Officer proposes to deal with the case summarily. So if it pleases the Court, every article that we have just seen tells us that the Commanding Officer has full discretion to either judge a case or to dismiss it or remand the officer or the accused for trial by Court Martial or try the accused summarily if he wants to.

"H" Evidence Publicity c.m.

These powers of the Commanding Officer, as you all know, are at the base of the whole Army Act, at the base of the Rules of Procedure, only in cases of offences under the Militia Act can the Court itself be convened under the authority or under the orders of the Governor-in-Council.

Before I finish I would like to refer you to M.M.L. p.35, para 20 (defending officer reads). It is my contention that the officer commanding of the accused has had in this case no discretion whatever to dismiss the charge or try it summarily so I suggest to the Court that the Court call the O.C.'s of the accused, Major Milburn or Major LaFlaame if they need to hear more evidence on this case.

REPLY BY THE PROSECUTION

I think that as we have a Convening Order asking that the Court may be held that it is normal that this Court was asked for by the Officer Commanding of the accused, so I think the burden of proof that this was done without their consent or without them having any chance to examine the accused summarily should be borne on the defence which means they should bring a witness to say that they never have been given this chance and they never asked for a Court martial and secondly I contend it is not absolutely necessary that the C.O. examine the accused summarily. This law is rather to give him the privilege of dismissing the case and I think it will be irregular to proceed this way but I do not think it is irregular - I do not think these irregularities are strong enough to take this out of the jurisdiction of the present court. If the witnesses are outside today they should be brought in by the defence and if so I ask for an adjournment to see same and be able to take care of the case.

President to Defence: Do you wish this to apply to all of the charges, you have heard only one read but I presume you have seen a copy of the charge sheet?

Defence: I have seen them.

President to Defence: Can any of them be dealt with by the Officer Commanding?

Defence: I guess it would be my contention that at least the Commanding Officer should have had the discretion to know whether the accused should be charged under these charges or not. In this case if the Court want to call witnesses they may call them, if the burden of proof must be borne by the defence, we are ready to bear it but it is again my contention in this case the officer commanding and the commanding officer have had no opportunity to use this discretion mentioned in the Manual of Military Law.

President: Have you a copy of the charges before you?

Defence: Yes, Sir.

President: And do they not purport to be signed by Major Milburn, Officer Commanding 105th Coast Battery?

Defence: Certainly, Sir. Major Milburn might have received direct orders to do this thing.

President: That is beside the point.

OPENING ADDRESS OF THE PROSECUTOR

ooooooooooo

Mr. President and Members of the Court in the first, third and fifth charges laid before the Court the accused is charged with neglecting to obey Fortress Orders, in that he, in the Gaspe Defence Area on or about the 10th of November, 1942, wrote three different letters addressed respectively to Monsieur and Madame L. N. Huart, to Miss Mireille Huart and to Mademoiselle Gilberte Samson, in which letters mention was made ot items of information respecting army matters which might be of value to the enemy, which is contrary to Gaspe Fortress Order No. 153 dated 15th July 1942.

The second, fourth and sixth charges are alternative of respectively the first, third and fifth charges and concern the same letters but the accusation is put in a general way and says that those letters and in those letters mention was made of confidential and secret information of a military nature. The prosecution will endeavour to support those charges with the evidence of the following facts: In Gaspe Defence Area on or about the 10th of November, 1942, Lieutenant Huart wrote a letter to Mr. and Mrs. L.N. Huart a letter to Miss Mireille Huart and that those letters contain information respecting army matters which might be of value to the enemy and was contrary to the Gaspe Orders which were duly posted and which it was the duty of Claude Huart to read and were of a military nature, secret and confidential.

We wish also to show some other facts that will establish links between those main facts,as the relationship to the addressee in those letters and his vocation and things like that. That is all, Sir.

Fort Rouge — Gaspé Que.

Chère Jeannette.

J'ai reçu ta lettre depuis quelques jours. Excuse moi si je ne t'ai pas écrit plus tôt.

Je vois que tu as fait un beau voyage à Mont Joli. Très heureux pour toi. J'ai reçu ta petite carte. Je t'en remercie également. J'ai reçu une lettre de Lucille en même temps que la tienne. La semaine dernière j'ai passé trois jours au F.C. Post. Je t'avoue que il était temps que on me remplace. Dimanche je suis descendu à Gaspé. J'ai soupé à l'hotel avec Albert Lagueux et sa femme et quelques amis du coup. Nous sommes allé au théâtre où j'ai rencontré Louis Foster. Nous avons vu un bon show. "Flesh in." C'était funeux.

Je suis revenu de Gaspé hier après-midi.
Une demi heure après j'étais au F.C. Post
de renseig. Ou je suis encore ce soir
nous avons eu de la neige cependant hier.
Le soir il grêle et il vente très fort.
Je pense que notre petite colonne va
partir avec le vent.

Ce soir après avoir écrit à Papa et Maman
j'ai reçu un message en code secret.
J'ai dû le déchiffrer et j'ai trouvé que un
sous-marin était arrêté dans la baie des
chaleurs que il fallait se tenir prêts en
cas d'attaque. Hier soir j'en ai reçu un
qui disait que les R.C.M.P. avait vu des
allemands dans le village de New Carlisle.
Pas un mot de ça. C'est écrit et ça pour-
rait me venir beaucoup si la chose
était vrai. Je pense bien que nous
aurons une attaque avant longtemps.
Ça fait réfléchir un peu. Nous ne sommes
pas si en arrêté que on le pense. La pêche est
assez sérieuse, il nous faut des gens mais Canadien Français
Je te laisse aussi, il est déjà minuit. Bonsoir à
toute la famille et aux amis as mes chères.

Chers Parents.

Je viens de terminer un livre que Louis F. m'a prêté hier. "L'homme qui approche" par Pierre L'Ermite. C'était vraiment très bon. Vous contez l'histoire serait chose trop longue. J'espère que votre santé est bonne, et vous Papa comment vont les affaires?

Ici ça va assez bien. C'est toujours aussi ennuyant. Ma santé est assez bonne, cependant la semaine dernière j'ai passé trois jours au F.C. Post. J'ai été remplacé samedi soir. Le même soir je suis allé avec eux dans le camp. Dimanche après-midi je suis descendu à Gaspé où j'ai soupé à l'hotel avec Albert Toquenay et sa femme. J'ai rencontré Louis F. au théâtre dans la soirée. J'ai couché au Quartier général et très après midi je suis remonté au camp. Une demi heure après je revenais au F.C. Post.

ion je venais encore ce soir pour la dernière fois. Nous avons eu beaucoup d'ouvrage hier soir. [Il était beaucoup moins fort. Je commençais à dormir lorsque je reçus un téléphone du Fortress Commander. Les R.C.M.P. avaient rapporté avoir vu des allemands à Spiritwood. Il m'a fallu réveiller le fort et tout a fini à 3 heures vous prêts et cet tout.]

[Nous avons eu une tempête de neige cet après-midi. Nous ne voyions rien sur l'eau. "Thick weather procedure will be carried out" Le soir il ne neige plus mais la nuit est très noire. Le major m'a appelé. "Stay up on your toes sport. We should have some business to do to night" O.K. sir.]

J'ai reçu mon album et son Diary. Je vous remercie beaucoup. Cet après-midi Joe F. m'a appelé pour me dire qu'il avait un paquet pour moi à son bureau. Le paquet venait de J. L. Demers. Je vous en remercie également. J'ai reçu une lettre de Mireille et une carte bas de son pourpé à Mont Joli. Je lui écrirai plus tard. Je serai dans un weekend le 21 de ce mois. Je vous jouerai. Nos. 150 to Headquarters, Gaspe, P.Q. 15th July, 4

150. DISORDERLY CONDUCT OF MILITARY PERSONNEL

1. It has been brought to the attention of M.D.No.4. that members of the Armed Forces are attempting to obtain free transportation on railways train by riding without tickets.

2. A very serious view is taken at M.D.No.4. of this conduct. Not only are such offenders liable to prosecution at the instance of the Railway authorities, but the practice results in unwarranted and undesirable criticism of the Canadian Army.

3. Attention is drawn to R. O. 1123.

4. This Order is to repeated in all Unit Orders.

151. CARE OF WINTER GARMENTS. R.O. 2137 is hereby published for the information of all ranks.

1. In view of the necessity for conserving wool, it is essential that steps be taken to ensure that winter garments are not allowed to deteriorate during the period they are not in use, in particular through damage by moth.

2. Canadian Army Routine Order No. 982 as amended by Canadian Army Routine Order No. 1833, indicates the action to be taken in respect to the items withdrawn from soldiers into Quartermasters Stores, but in regard to the items which remains in possession of the soldier, Officer Commanding Units and Establishments will take steps to ensure that at the periodical kit inspections as required by Canadian Army Routine Order No. 1768, all woollen garments are inspected for cleanliness and signs of damage by moth. Any garments found to be dirty or in need of mending will be cleaned or repaired before being returned to storage in soldier's boxes and kit bags.

3. The principal safeguard against moth is frequent brushing and exposure to the open air.

4. Soldiers will be instructed that all garments are to be carefully brushed before being placed in storage and examined frequently for signs of damage by moth.

5. In regard to soldiers living out of barracks, instructions will be issued in Units' Orders to the effect that winter garments in their possession are to be examined, brushed, repaired and protected against moth as may be necessary.

152. RESPIRATORS ANTI-GAS TIGHTNESS WITH ANTI-GAS SPECTACLES.

1. To ensure gas-tightness of respirator facepieces of personnel issued with anti-gas spectacles, the following procedure will be carried out---

(a) Personnel ordered to proceed for the fitting of anti-gas spectacles will bring their respirators. The optician will carry out a final inspection to check for proper size of frame and any distortion of vision after requestin the

personnel being fitted to adjust the facepiece.

(b) On personnel receiving the anti-gas spectacles, commanders will arrange for their reporting to the Unit or equivalent anti-gas instructor, who will inspect the facepiece for the proper fit, after which he will arrange a gas chamber test in chlorine.

(c) If the inspection or gas chamber test reveals that the facepiece is not gas-tight and that normal adjustment of the head harness will not result in gas-tightness without visual distortion, the personnel so affected will be referred back to the Optician by the Unit or equivalent Medical Officer for suitable adjustment of the anti-gas spectacles.

2. Chlorine gas chamber tests will also be given these personnel before proceeding over-seas to experimental stations or to anti-gas courses.

155. COMMUNICATION OF MILITARY INFORMATION

1. All ranks are warned against communications either verbally or in writing, any item of information respecting Naval Army, or Air Force matters which may be of value to the enemy.

2. In particular, private conversation and correspondence should make no mention directly or indirectly of the following:-

(a) The disposition, movement, or projected movements of warships, merchant ships, troops or aircraft.

(b) Details as to numbers, armament, equipment or condition of ships of all kinds, troops or aircraft.

(c) Any measures which have been taken or which are projected for the defence of any place.

3. Officers commanding will make sure that all ranks are aware that they must not disclose to unauthorized persons, in telephone conversations or in telegrams, information which might be useful to the enemy.

4 Any matter which may be of direct or indirect assistance to the enemy are not to be discussed by officers or other ranks other than in the line of duty.

5. Unless specially authorized to do so, officers and soldiers are forbidden to communicate directly with naval, military, or air force officials of another country except on purely personal and private affairs. Requests from officers or soldiers requiring reference to military officials of another country must be submitted to the immediate superior of the officer or soldier concerned and thence, through the proper channel of communication, to National Defence Headquarters.

6. (a) Attention is drawn to paragraph 433 (a) of K.R. (Can.) which provides in part:

"An officer or soldier is forbidden to publish or communicate, either directly or indirectly to the press, any military information, or his views on any military subject, without special authority from National Defence Headquarters."

(c) The attention of all ranks and all civilians employed in military offices, including teleprinters and switchboard operators, who in the course of their employment have access to military information, will also be drawn to the Official Secret Act. Chapter 49, Statutes of Canada, 1939.
A digest of this Act. appears as Appendix IV to K.R. (Can.)

7. It has been brought to attention that offers or requests to correspond with soldiers are frequently made through the press and otherwise. While many of these offers and requests may be bona-fide, it is pointed out that such correspondence might provide a means for obtaining military information of value to the enemy, or of instituting enemy propaganda. Accordingly, Officers, and Other Ranks are forbidden:—

SUBMISSION OF "NO CASE" BY DEFENDING OFFICER

If it please the Court, at this stage of the proceedings I would like to present very respectfully a plea of "No Case". It is the contention of the Defence that a prima facie case has not been proven by the Prosecution.

The Prosecution had to prove that the letters were written by the accused first. That the accused read and took notice of Fortress Order No. 153 and also that the accused disclosed military matters.

If we review the witnesses produced by the Prosecution, first Mr. Roy Halpin. Mr. Roy Halpin came up here talking about something which was not mentioned in the charge at all. He said these letters were positively mailed and picked up and sent to the Censor Office probably Quebec City.

Then we had the star witness of the Prosecution, Lieutenant Green. Lieutenant Green came up here and said under his oath that he had just seen Lieutenant Huart write once. I asked him, "Were you very far from him?"; he says, he was quite near. I asked him the question, "Did you actually see him, watch him write the passes?", and the answer to that was, "I was just noticing that he was signing passes."

An then on cross-examination Lieutenant Green denied that he was even skilled in the comparisons or in the reading of handwritings. The Prosecution never presented him as an expert and Lieutenant Green did not pose as an expert either.

If it please the Court to refer to M.M.L. Page 89, paragraph 67, it is stated (he reads) and if you go back to paragraph 64 (he reads). So it is the contention of the Defence that the Prosecution should either have brought up an Expert here before this Court to identify this handwriting as being that of the accused or if they wanted a person who was not skilled to identify the handwriting this identification should have been carried out by comparison. I base that on paragraph 67 page 89 of M.M.L. The Prosecution did not do that. It was so apparent to me that Lieutenant Green was not a competent witness that I just asked him a few questions to prove that he was not a competent witness.

I have here the questions that were asked him. I asked, "From past experience would you say that you were skilled in the comparison of handwriting?" - answer, "No." "Have you seen the accused in the act of writing when his mode of writing was not in question?"; he said, "Once".

"Have you ever carried out a regular correspondence with the accused?" Answer - "No".

So if it please the Court it is our contention that these letters which were produced were not produced by a competent witness, and this witness who identified the writing as that of the accused should not be recognized.

There is also the matter of the headings of these letters. The headings of these letters may carry the name of the accused, but this is not even circumstantial evidence. Writing paper is not always under lock. The

Prosecution has not proved it to have been under lock either. Anyone can take the accused' paper and write anything on it even if his name is on it, so the heading of these letters is not even circumstantial evidence.

I ask you, every member of the Court, would you be ready to give the death sentence to a man on the evidence which has been brought up here by Lieutenant Green about the handwriting. This man is not liable to be condemned to death, but he is liable to a very serious charge - to very serious punishment.

The Prosecution also brought Captain Archibald; his evidence was about the most nebulous evidence that I have ever heard in a Court of Justice. He did not know anything. As far as he knows Fortress Order No. 153 was not read on Parade. He does not even know how long they stayed up on the wall and he does not know whether these standing orders were put up on the wall at Fort Prevel. It was most important, one of the most important facts in this Court-Martial which the Prosecution was to prove, that the accused took knowledge of this Fortress Order 153 dated 15 July, 1942.

I am sure this has not been proved to the satisfaction of the Court, and furthermore the accused could not be presumed to have known this Fortress Order; it was not a standing order. If I refer to K.R. Can. paragraph 42 (he reads). Major LaFlamme questioned by the Court stated that his Fortress Orders had been signed by himself and also that they had not been signed or approved by the District Officer Commanding or superior authority, and furthermore it is my contention even if these Fortress Orders had been approved by a superior authority it is my contention that Fortress Orders are not standing orders. I will refer you to K.R.Can. paragraph 1491 (he reads). Unit Orders must be put up and must be brought to the attention of the accused man before he can be charged with disobedience to them.

Major LaFlamme came up for the Prosecution and I don't think Major LaFlamme said very much to prove anything. Major LaFlamme was away at the time the offence is alleged to have been committed and that is about all he said.

Now so far as Major Milburn is concerned the Prosecution tried to make him talk about Fortress Order 153. Major Milburn stated that as far as he knew they were not read on Parade and he does not know whether they were up or not. He presumes they were; he gave orders to the effect, but he never saw them up himself.

If it please the Court, it is my contention that so far as the charges relating to Fortress Order 153 dated 15th July, 1942, the three charges 1, 3, and 5 should be thrown out immediately by the Court.

And now as regards the other charges. The Prosecution failed absolutely to prove that really military information had been divulged in these letters. I don't recall having heard a witness state or give reasons why those statements contained in these letters which were produced before the Court - I do not recall anybody stating that they contained military information and give the reasons why, and that was a failure of the Prosecution and the Prosecution had to prove that. The Prosecution also had to prove that the information

which is in the letters produced before the Court might help the enemy. If I recall correctly nobody came up here to point out how this information might have helped the enemy and this is one of the most important elements in the charge. As far as this Court is concerned, the Court does not know how this information can be of help to the enemy and the case must be judged on the evidence which has been placed before it.

And also, to finish, I contend that this Court-Martial should not have been held in the first place. The evidence has been produced before the Court that the Officers Commanding of the Accused had not the discretion or the opportunity to try this man. Major Milburn swore to it here before this Court.

So in concluding it is my contention and I submit respectfully to the Court that the prima facie case has not been established because the Prosecution did not prove that the letters were written by Lieutenant Huart. The evidence of Lieutenant Green, I feel, would not be accepted in any Court in the world. It has not been proven that Lieutenant Huart took notice of Fortress Order 153. It was not proven that he disclosed military information and it was not proven that information was disclosed which might be of help to the enemy.

So I ask you, if it please the Court, to dismiss the case immediately and dismiss all charges against the accused, Lieutenant Huart.

REPLY BY THE PROSECUTOR TO THE SUBMISSION OF "NO CASE" BY DEFENDING OFFICER

Mr. President, Members of the Court. The Prosecution feels that the plea of the Defending Officer should be rejected on the following grounds.

If we go through what has been said by the Defending Officer we see that first he says that it was not proved that the letter was written by the accused, that he saw the orders and that this revealed military information. And then to show the reason why he said so he goes through the evidence of the different witnesses saying that Mr. Roy Halpim just proved that the letters were mailed.

We feel that Mr. Halpin was brought before the Court especially to give evidence that those letters were mailed and it is quite important in that case because the mailing of those letters was the accomplishment of the act of which the accused is charged.

With the evidence of Lieutenant Green the Defending Officer says that he gave no good evidence because he saw the accused in the act of writing only once and from a certain distance. I don't think that to know the handwriting of somebody it is absolutely necessary to see him in the act of writing. There are some very good ways that are perfectly sound to explain the fact that somebody may know the handwriting of somebodyelse by seeing pieces of work that have been done by the person in question, and I feel that the Court will recognize that. As to the skill needed in the case of somebody that never saw the handwriting in question then it might take an expert but when somebody has seen many times and swears with no hesitation that he knows the handwriting of somebody, it is not necessary that he be an expert to swear that some other handwriting is his handwriting.

In that case it is what Lieutenant Green did swear, that he knew pretty well the handwriting of Lieutenant Green and that the letters produced as Exhibits "J", "K", and "L" were his handwriting, with no hesitation at all. As for the comparison that the Defending Officer says should be necessary before the Court. Well I may say that it is not necessary to compare the handwriting of the accused with some other paper; it is not necessary and the witness may recall very well the handwriting of somebody and be sure in seeing the exhibit that they are really of his handwriting and I contend that Military Law demands that this be done with two letters, one being the exhibit, one being some other handwriting. It is simply a way that may be done, you see, but it is not necessary under Article 67 of page 89 of M.M.L., and I certainly ask that it be done this way.

The Defending Officer speaking about circumstantial evidence says that the fact that it was note paper bearing the name of Lieutenant Claude Huart is not even circumstantial evidence and he asked the Court if they would hang somebody on that. Circumstantial evidence is a link between many facts which taken together are not enough to have a man hanged or even find him guilty of a very minor charge, but those facts must be linked together in such a way that it indicates what he means to show. In this case we have many facts like this.

We have the fact that of the addresses on those letters at least two were the relatives of Lieutenant Huart. We have the fact that the letters seem to be written on his writing paper. We have the fact that they are signed "Claude". We have the fact that the handwriting is his handwriting; if it cannot be taken by the Court as being really his handwriting we have something else. We have proved later on in this case about submarines being in Bay Chaleur. It has been proven that Lieutenant Huart received such a message - and in those letters you found that.

I feel that it is quite impossible that all those facts be there without really indicating what in the face of the letters it seems to indicate. I admit that it is circumstantial evidence but it is good circumstantial evidence, and circumstantial evidence as the Court knows is not evidence of an inferior degree; it is another kind of evidence which is as good as direct evidence and in some cases even better.

I do not mean by that that we have only circumstantial evidence; we also have direct evidence. As to Captain Archibald's evidence. Well we may admit that his evidence was not always perfectly clear but he gave a very clear statement as to the production of documents and as saying that the Fortress Order 153 was really sent to the Battery of which the accused is a member.

Of course the Defending Officer says that Major LaFlamme said about nothing. He said something quite important as he is the witness that stated the relation between the addressees of the letters and the accused.

As to Major Milburn. He is quite an important witness too, and he has given very good evidence that the message in question was sent which was contained in the letter forming the charge. He also give the proof that the orders were generally posted and that in the normal course of circumstances they were posted. It is quite difficult in a case like that to have a better proof and since we cannot get a better proof we may take another one, that admitted by Military Law.

And those Part I Orders, those orders being not unlike Part I Orders are generally posted, but it is very hard to find somebody to swear that on such a day they saw those orders there. It is not like standing orders; they stay there so long that it is different. You just see Part I Orders once and some other orders come over them. It is your duty to lift the other ones and see them. It is hard to find somebody to prove that on such a date they were there; standing orders would be alone and on the wall for months. At any time somebody coming into a room will see those standing orders and it would be easy to swear they were tere on such and such a day. We may feel that this is secondary proof and as better proof is not available the secondary proof must be admitted as evidence.

It was also proved that those orders were normally kept on file and may the Court take judicial notice that in the article cited even by the Defending Officer K.R.Can.1491 that it is the duty of the officers to get acquainted, familiar, with the orders that are kept on file.

There are some other questions of which the Court, we feel, has to take judicial notice and we felt that it was not necessary to have those things said by a witness, just to take the time of the Court. The Court is composed of seven members who are all senior officers of the Army and they can very well use their judgement to see if what was contained in the letters were military matters and if they were such that might be useful to the enemy.

The presence of enemy submarines in a place like Chaleur Bay when anybody knows that things are going not so well there are very important military matters and anybody knows that we want to keep secret those things; we don't want to give a chance to the enemy to spot and know where his submarines are. They are left this way without any informationabout their disposition, and it is quite important that they don't know it.

It is the same if an enemy, some Germans, are in a village - well it is quite important that they don't know it.

As to the last question treated by the Defending Officer. We feel, first, that this statement the application for the Court-Martial has been signed by the Officer Commanding the accused. He admitted that himself as everybody may see - the charge as signed by the Officer Commanding who directs that evidence should be taken under oath.

Those facts express very clearly that he was able not to sign them. Nobody forced him to put his signature on the paper. At the time he could have written a letter doing something about it. He didn't; that is all. He had just to do it, and even if we have to admit that he was forced to make that Court-Martial and that he was not left free to use his discretion we feel that the Court is properly and very regularly convened because of the following.

Nobody can say that the accused had no fair chance to prove that he is not guilty in front of that Court; he had every opportunity. We do not see that even if this is an irregularity that it must be taken as so important to affect the Court because of that. The Lieutenant accused may always before this Court prove that he is not guilty if he is not. It does not affect this opportunity that he has now.

So the Prosecution feels that the plea of the Defending Officer should be rejected on every charge.

STATEMENT BY THE ACCUSED

I make this declaration on my honor as an officer.

I declare that I did not see the Fortress Order 153 as of the 15th July, 1942.

I declare that I have never consciously broken my Oath of Allegiance to my Country and to his Majesty the King.

I declare that I have never done anything knowingly that might have harmed the Canadian Army.

For a month and seventeen days I was under arrest. I was not able to carry on my duties. I do not hold any rancor or ill-feeling against ~~anything~~ anyone. During that time I have been under a mental strain and I have grown very much older.

In the bottom of my heart I know that I am not guilty.

I earnestly beg this Court to allow me to return to my brother officers and my duties.

DEFENDING OFFICER'S CLOSING ADDRESS

Exhibit followed Proc GCM

oooooOoooooo

If it please the Court, after this long drawn out session which we have had together I am about to discharge my shoulders of a great responsibility and terminate a duty which was given me. It is the first time in my life that I had to defend a fellow officer and the responsibility was very great and I must tell you that I have worked as hard as I could to give to the Court the evidence in favour of the accused. I hope I shall not have failed him. I wish to thank you for the assistance, Mr. President, you have given me, when I have asked you for information and I wish to thank the Judge-Advocate also, who many instances has answered very satisfactorily to some of my questions.

When this Court-Martial started a plea was made by the defence, a plea to the general jurisdiction of this Court and I want it recorded again that the defence asked for the calling of two witnesses, Major LaFlamme and Major Milburn..

President: Just a minute. When did you make that request?

Defence: If the stenographer will read from my plea to the jurisdiction....

Stenographer reads request.

This request was refused to me, but Major Milburn and Major LaFlamme were allowed to come on the stand and said very decisively that they had no discretion and no opportunity to try the accused and it seems to dismiss him or remand him for summary of evidence or remand him for a court-martial. The O.C. of the accused had no opportunity, they received direct orders and if the application for court-martial was signed by the O.C. of the Battery, Major Milburn - Major Milburn tells us that it was because he had received direct orders to sign the application in order that a court-martial could be held. So I think in the first place that this Court should never have been held.

It is also my contention that the charges two, four and six do not disclose an offence under the Army Act. The accused is charged with having written letters written to some persons in which mention was made to confidential and secret matters. It is the contention of the defence that this charge was not correct and should have been written down different because it is not an offence just to write the letter. If we look at the charge - the man wrote the letter it is supposed he wrote the letter and disclosed in the letter military information - but it is not a crime, the crime is not of writing the letter, the crime is to try and communicate it to someone who might transmit it to the enemy. This is not in the charge - this should have been in the charge - and the prosecution had brought only relevant matters to prove this act the accused could not have been charged with them and could not have been found builty of writing a letter in which information was shown.....mention was made of confidential and secret nature. The accused should have been charged with mailing also of the letters and that is why during the procedure I objected very strongly to the evidence of Mr. Halpin. The prosecution brought up Mr. Halpin to prove that the letters had been mailed but the prosecution never proved that the letters had been mailed by Haart either.

Now, we come to the letters themselves. The letters at first were produced before being connected with the accused and then we have the evidence of the star witness of the prosecution, Mr. Green". I wish the Court to note that Lieutenant Green was not brought up here as an expert but just as an ordinary witness with no special skill in the comparison of handwritings. The only time that Lieutenant Green actually saw the accused writing was when he was signing passes. That is not enough to see a man sign passes and come up to the stand and say - and looking at the letters and say - "Well he wrote them". It is the contention of the defence that Lieutenant Green was not a competent witness.. The proper procedure I submit again, would have been by comparison of handwritings. This to my knowledge has not been done. If the prosecution had brought up an expert here, the expert might have compared the handwritings and pointed out to the Court, not only by the contents but by certain similar differences between two handwritings, between two letters or another document known to have been written by Huart, or even more when it is an ordinary witness. I would refer the Court to page 88 & 89, para 67 on this matter. It was so apparent that Lieutenant Green was not a competent witness that the defence had not to make anything more than to make the usual objection and might I suggest and might I say when I finish this subject of Mr. Green that his powers of suggestion overcame his powers of good judgement.

The prosecution had also to prove more; that it was really military information which was given and now, gentlemen of the Court, I want to ask you one question, I want to ask you if the disclosing of the presence of an emeny submarine around Gaspe - of a German submarine around Gaspe - was really disclosing military information. The defence has tried to prove as well as it could that around the Coast of Gaspe, was going around everywhere the gossip, not only around this Coast up in Upper Canada everybody knew that there were German submarines. And who knows even more where are German submarines than the Germans? The Germans know where their submarines are, so disclosing, so telling somebody, trying to tell the enemy or let us think that through some channel after two or three months the Germans would know all of a sudden that one of their submarines would have been in the Bay of Chaleur on the 10th of November, 1942. What great help this would have been to the enemy? Gentlemen, what great help? And this man is charged with disclosing this information and brought up for Court-Martial.

And then we have the case of the German spy. The The German spy, that is another thing which everybody on this Coast, everybody in Quebec or Montreal or Toronto, knew. It was a think of the public. So it was not anymore a military secret it was a thing of the public and cannot be treated and could not be treated as a military secret.

There is one other thing I notice in these letters. There is the mention of thick weather procedure will be carried out. What information can the enemy get out of a thing like that? Thick weather procedure will be carried out. What will they say in two or three months when they read that letter and are probably reading papers which are telling of the storm we have today. They read "thick weather procedure". There was a bad storm in the Gaspe on the 10th of November. What great

-R

information this given the enemy. Gentlemen, this man is brought up for disclosing this information, telling the night was dark, stating that it was snowing but if this man had wired this information, if he had wired it immediately so as to give it as fast as possible to some persons, there you have a point. But what happens? These letters were mailed, they went through the ordinary channel, they were put in the mails and what happen? They arrive at their destination one or two days after. What help can it be to the enemy to know that on the 10th November there was a submarine in the Bay of Chaleur two or three days after. Is a submarine a log? A submarine is not a log, it can dive down in the water and get out of the Bay of Chaleur very fast as soon as it sees a Canadian corvette or a plane going over them to try and bring it down with depth charges. So it is the defence's contention that the letters disclose; in these letters were not military secrets which could be of help to the enemy and that is why we still ask you to throw out these charges against the accused. This is one thing, gentlemen, that the prosecution did not prove, that the information might be of help to the enemy.

J.A.: I do not like to interrupt, Mr. Angers, but those charges have already been thrown out and the Court has accepted your submission to the 1st, 3rd and 5th charges which contain the allegation of information. We are only dealing with confidential and secret information of a military nature.

The general proof of the accused's guilt must be full and convincing. We have had on one hand one witness who was not a competent witness to say that this was the handwriting of Huart and the only way he could have made this valuable evidence would have been by comparison and the law presumes innocence until the contrary is proved.

And now there is another thing. You have heard Huart. He gave you a statement on his honour as an officer. He said that from the bottom of his heart he knew that he conscientiously never made anything to hurt his country or to hurt the Canadian Army and apart from that there is one thing you must have noticed, gentlemen, is that the accused on the night he was presumed to have written this letters was at the F.C. Post as Fire Commander. You are a Court of senior officers, you have been young subalterns, you have been brought up in a higher rank, you know what a responsible charge that is put on a Fire Commander and I know that in many Fortresses the Fire Commanders are Lieutenant-Colonels and here in Gaspe just last summer, the most important point in Canada where vessels were sunk at three miles from here, where we could see the wounded come in, on the night of the 10th of November, 1942 the man in charge of that was young Huart. Sometimes it might happen and I know you must feel it that a young man like that who is placed in a responsible position doesn't know what to make of it - of the position - it certainly was too big for Huart to take up that night. Huart was not qualified to take up the job as Fire Commander and I ask you, gentlemen, to treat the accused like you would like yourselves to be treated if you were in his place as young lieutenants.

I ask you to consider that definite proof of the handwriting of the accused has not been proved and this is the main point in question. Then gentlemen before finishing I pray God that you look over the whole evidence and I am sure that you will treat Huart with justice and also as his father would treat him. So I leave you this man, who is an officer like me, who is an officer like you and I am satisfied of the verdict and

ask you while considering the evidence, while considering every fact as to character that has been brought up, I ask you to dismiss the charges, two, four and six and permit the accused to be liberated and go back among his brothers in arms in this big battle to save civilization.

Brigadier Wood Prest G.C.M.

PROSECUTOR'S CLOSING ADDRESS

Mr. President, Members of the Court. I want to congratulate the Defending Officer for the nice speech he gave to the Court, but as to the content of it I have to say that I cannot agree with him completely - far from it.

I wont answer to arguments that were already presented in his address on his plea of "No Case" this afternoon so as not to take the precious time of the Court. I want to go through the elements of the different charges left before the Court, that is to say, charges 2, 4 and 6 to see if as already advanced by the Prosecution at the beginning of the trial we have proven those elements that are essential to the charge.

There is in the three charges some similar points. Each one is concerning different letters that were addressed to civilians. Let us take each one of those letters beginning with the first addressed to Mr. and Mrs. L.N. Huart, 8 Blanchette, Levis, P.Q. That is Exhibit "J". We see by the evidence given by Mr. Halpin that this letter was mailed. We see by the face of the letter itself and by the evidence of Mr. Halpin that it was mailed in the Gaspe Defences Area, that is in Fort Prevel which has been proven and taken by judicial notice as being in the Gaspe Defences Area.

We see clearly on the letter that it was written on or about the 10th November, 1942. The letter reads exactly the 10th. We emphasize the mailing of the letter because we consider that a letter means something written and written to be sent to somebody. If one just wrote to keep something for oneself it would not be a letter but merely a note. But when we say write a letter addressed to somebody anyone may see that we mean that a piece of paper addressed is mailed. That is, I think, quite evident.

In this first letter we see the address on the letter itself. As to the contents of the letter I wont go into details as to what was in it to be considered as confidential and secret information of a military nature because I feel that the Court can take judicial notice of this.

For the sake of brevity I wont repeat everything. With respect to the second and third letters the questions of Gaspe Defences Area, date, addressees and information respecting Army matters have been proven the same way through direct evidence.

We also brought before the Court some very strong circumstantial evidence. The letters are addressed to different persons; it has been proved that those persons are the relatives and friend of the accused.

It has been proven that some sentences contained in the letters were the same as those contained in a message which was received by the accused. The letters are also signed "Claude".

In the same letters it is remarked that he went to see a moving picture with a Louis Forten. In the evidence presented to the Court it appears that this Louis Forten really went to the movies with him. And speaking of the said Louis Forten, it happens that he is one the witnesses brought before the Court by the Defence. This witness seems to be an interrogation mark in the evidence, but everything considered

and his admission as to the possibility of the author of the different letters I make an interrogation against his statement that the letters were not written by the accused. As to his capacity in this matter this witness admits himself that he received just one letter from the accused.

I think with the address I made on the plea of "No Case" presented by the Defending Officer I have brought before the Court some other details that I don't want to repeat here.

There are two points on which I wish to add my remarks to those of the Defending Officer. The first is that I wish due to the evidence as to character and the statement of the accused, that the Court be lenient to the accused.

The second point is that I also wish to thank the President and Members of the Court for their kind attention and the learned direction which they gave us.

Thank you.

SUMMATION BY JUDGE-ADVOCATE

Followed. Prest. G.C.M.

~~Members of the Court~~ May it please the Court. I will endeavour to make my summing up just as brief as I possibly can. As you know it is not my duty nor is it my intention to express any opinion on the facts of the case and I will endeavour to follow that principle just as well as I can.

It is my duty as Judge-Advocate to assist the Court on matters of law and to explain the law so far as my ability permits. It is the duty of the Court to apply the law to the facts as presented to the Court by the witness you have hear. And I would say now that you must confine yourselves to the evidence and it follows then that you erase from your minds any information that may have come to your attention outside the four walls of this Court.

The onus is on the Prosecution to prove the offences alleged and to prove that the offences ~~perpetrated~~ committed by the accused and he must prove that beyond any reasonable doubt.

It is a fundamental principle of British justice that an accused person is presumed innocent until proven guilty. The ~~Prosecution~~ Prosecution must prove that the accused is guilty; that guilt must be proven to the satisfaction of the Court.

The Court is now confined to charges 2, 4, and 6 all of which are laid under Section 40 of the Army Act. Section 40 reads as follows (he reads). Now to that section there is a notation (he reads).

The second charge reads, "Conduct to the prejudice of good order and military discipline in that he in the Gaspe Defences Area, on or about the 10th of November, 1942 wrote a letter addressed to Monsieur and Madame L.N. Huart in which mention was made of confidential and secret information of a military nature."

To support that charge the Prosecution presents Exhibit "J" in which reference is made to a telephone message which the accused received while acting as Fire Commander, that the R.C.M.P. had reported having seen Germans at New Carlisle, and he goes on to say what it was necessary for him to do. When I say 'he goes on to say' I should say the Prosecution alleges that the accused wrote that and that he made those statements.

The fourth charge reads, "Conduct to the Prejudice of good order and military discipline in that he in the Gaspe Defences Area, on or about the 10th November, 1942 wrote a letter addressed to Mademoiselle Mireille Huart in which mention was made of confidential and secret information of a military nature.

The letter referred to under that charge is Exhibit "L", in which the accused is alleged to have said that it was his duty to decode a message referring to a submarine stopped in the Bay Chaleur and it was necessary for the ~~people~~ people in the Gaspe Area to hold themselves in readiness in case of attack. Then the letter goes on to say, "Last night I received one which said that the R.C.M.P. had seen Germans in the village of New Carlisle. Don't say a word about this. It is secret and it could harm me a good deal if the thing were known."

The sixth charge is, "Conduct to the prejudice of good order military discipline in that he in the Gaspe Defences Area, on or about the 10th November, 1942 wrote a letter addressed to Mademoiselle Gilberte Samson in which mention was made of confidential and secret information of a military nature."

That charge refers to Exhibit "K", a letter addressed to Mademoiselle Gilberte Samson which contains a message which read somewhat as follows, "I received a message in secret code that I had to submit to the Watch Officers of the other batteries. I decoded this message. You cannot imagine what it said. The telephone operators and the signallers don't know what it is all about but to you I will tell you. But you must not say a word about it because it is a military secret. 'Enemy submarine in Chaleur Bay stop Gun watch officers are to be on the alert and be ready to go into action at a moment's notice if necessary.'"

We have the evidence of Major Milburn ~~and~~ that he sent a message similar in content to the accused officer. To establish that the accused wrote the letters the Prosecution has brought forth Lieutenant Green who says that in his opinion Exhibits "J", "K", and "L" were written by the accused.

The competence of Lieutenant Green to make that statement has been questioned by the Defending Officer and on that point I would quote from "A Digest of the Law of Evidence in Courts-Martial" Adapted from Sir James Stephen's "Digest of the Law of Evidence" By Sir Harry Lushington Stephen and Captain R. Townshend-Stephens, which is a well known manual on evidence in military circles. "When there is a question as to the person by whom any document was written or signed, evidence of the opinion of any person acquainted with the handwriting of the supposed writer that it was or was not written or signed by him, is admissible."

There is also the evidence of Captain Forten who said that in his opinion based upon the contents of Exhibits "J", "K", and "L" no person other than the accused officer could have written the letters.

In closing I would advise the Court that in my opinion it is open to them to draw upon their military knowledge to decide whether the contents of these Exhibits "J", "K", "L" contain matters of a confidential and secret nature. That is all, Gentlemen. I think the case is quite complete for your consideration.

DEFENDING OFFICER IN MITIGATION OF PUNISHMENT

Paraphrased Prof G.C.M.

ooooooooooo

If the Court pleases, I would like to bring special notice to the Court before it is closed for consideration of the sentence that the accused has been in close arrest for 49 days. It is a very long time to be placed under close arrest and I do not know the reason why this man has been kept under close arrest so long, this officer. I would like also to bring to the notice of the Court that on this statement as to the evidence of the character of the accused, the accused has no previous charge against him.

I also want to bring again to the attention of the Court that the accused had a very heavy responsibility on his shoulders on the night in which he is presumed to have divulged military information. A young man who is delivered with a very heavy responsibility very often is kind of blinded and staggered by them. Any young man when the job is too big for him, well, he has to say it to somebody.

These few remarks I hope you will take them into consideration when you pass the sentence.

Je produis comme Exhibit "B" une lettre et son enveloppe adressée à Mr. et Mde. L.N.HUART, 8 Rue Blanchet, Lévis Québec, dont l'enveloppe porte l'estampe de Prével. En examinant cette lettre, je constate qu'elle est écrite sur la papeterie personnelle du Lieut. Claude HUART parce que cette lettre porte son nom en caractères gravés ou imprimés. Toute la malle venant de Gaspé est censurée à Québec et cette lettre exhibit "B" a été examinée à Quebec et la cause de la supression de la lettre est le paragraphe suivant.

"A une heure moins quart je commençais à dormir, lorsque je recois un téléphone du Fortress Commander; les R.C.M.P. avaient raporté avoir vu des Allemands à New Carlisle, il me fallait réveiller le Fort et tout a fini là; tenez vous près en tout temps. Nous avons une tempête de neige après-midi nous ne voyons rien sur l'eau"
"Thick weather procedure will be carried out"
Ce soir il ne neige plus et la nuit est très noireLe Major m'a appelé "Stay on your toes Huart we should have some business to-night".

Cette lettre est datée du 10 Nov 42 et elle est signée "Claude".

Mireille HUART, 8 Rue Blanchet, Lévis Québec sur laquelle l'estampe du Bureau de Poste n'est pas visible, comme les deux précédentes ; cette lettre exhibit "D" a été réferrée à Ottawa, après l'examen de notre bureau de Quebec parce qu'elle contenait ce qui suit;

" "Ce soir après avoir écris à Papa et Maman j'ai eu un message en code secret, j'ai dû le déchiffrer et j'ai trouvé qu'un sous-marin était arrêté dans la Baiedes Chaleurs, qu'il fallait se tenirprès en cas d'attaque. Hier soir j'en ai recu un autre qui disait que les R.C.M.P. avait vu des Allemands dans le village de New Carlisle; pas un mot de ca, c'est secret, et ca pourrait me nuire beacoup si la chose était sue. Je pense que nous aurons une attaque avant longtemps"

PRECIS OF EVIDENCE

GENERAL COURT-MARTIAL - LIEUT. C. HUART

There are six charges against the accused relating to three letters written by him on the 10th November, 1942, addressed respectively to his mother and father, to his sister and to a young lady friend Mlle. Gilberte Samson.

These letters are alleged to contain matters of a secret nature. They are written in French and the one to his father and mother contain statements - "At a quarter to one I was beginning to go asleep when I received a telephone call from the Fortress Commander. The R.C.M.P. had reported having seen Germans at New Carlisle I had to awaken the Fort and all there to be ready. We had a snow-storm this afternoon we did not see anything on the water. "Thick weather procedure will be carried out". Tonight it is no longer snowing but the night is very dark. The Major called me "Stay up on your toes Huart. We should have some business to do, tonight", "O.K. Sir"."

The letter to his sister contains the expressions- "Enemy submarine in Chaleur Bay". "To go into action at a moment's notice if necessary".

The letter to Miss Samson contains the statements - "Tonight after having written to father and mother I received a message in secret code. I had to decode it and I found that a submarine had stopped in the Bay of Chaleur and we had to stand ready in case of an attack. Last night I received one which said that the R.C.M.P. had seen Germans in the village of New Carlisle",

There are six charges, two with respect to each letter, the first charge in each case under Section 11 A.A. for neglecting to obey Fortress Orders and the second alternative charge under Section 40 A.A. The accused was found not guilty of the three charges under Section 11 A.A. but was found guilty of the three charges under Section 40 A.A. and was sentenced on the 21st January, 1943, to take rank and precedence in his Corps and in the Canadian Army as if his appointment as Lieutenant bore date the 21st day of January, 1943, and to be severely reprimanded.

The proceedings have been forwarded for confirmation.

The evidence is as follows:

1st witness; Mr. Roy Halpin, representative of the Chief Postal Censor, gave evidence that these letters were intercepted in the mail by the Postal Censor. They are written on notepaper bearing an Artillery letter-head and have the name Lieut. Claude Huart printed thereon.

In the letter addressed to Miss Samson was an extra sheet of paper (blank) and on it was written in French" to hide the contents."

The letters bear the postmark Prescott P.M. November 11th, 1942, P.Q. which is the name of the Post Office at the Fort where the accused was stationed.

2nd witness: Lieut. G.G. Green, an officer of the same unit, identified the handwriting as that of the accused and testified that the accused was on duty at the Fire Command Post at Fort Prevel on the date in question.

3rd witness: Capt. W.W. Archibald, Headquarters, Gaspe Defences, produced Part II Orders, one relating to the appointment of the accused to the Battery and the other containing Order No. 153 with relation to the communication of military information.

4th witness: Major C. LaFlamme, R.C.A. identified the accused and gave evidence that he was personally acquainted with the father and mother and with Miss Mireille Huart, the sister, and that he knew of theyoung lady Miss G. Samson. This officer was subjected to a long cross-examination by the defending officer with respect to the question of procedure in this Court-Martial which does not seem to have brought out anything of any importance. He also testified as to having sent a cipher message to the Fire Command Post which was given personally by him to Lieut. Huart with respect to a submarine.

WITNESSES FOR THE DEFENCE

1st witness: Capt. Louis Fortin, 22nd Anti-Aircraft Bty., R.C.A. was called by the defence and declined to identify the writing as that of the accused. He endeavoured to give evidence that knowledge of enemy submarines, etc., was common knowledge amongst the civilians at Gaspe. On cross-examination he admitted that Miss Samson was the girl-friend of the accused and he admitted that references to himself in the letters and the contents thereof indicated that they must have been written by Lieut. Huart although he would not admit recognising the handwriting. This evidence is not satisfactory - he did commend the accused + dodging.

Major LaFlamme was recalled as a witness as to the character of the accused and gave evidence as to the good character of the accused.

Major Milburn also testified as to his good conduct.

The accused did not give evidence.

3. I have reviewed the Proceedings and although same contain numerous irregularities of a procedural nature and are by no means satisfactory, I do not consider that they are of such a nature as would effect the legality of the Findings of the Court to the extent that I would be compelled to advise non-confirmation thereof, and accordingly I hereby certify that the said Findings are properly made and the Sentence according to law.

4. The Adjutant-General has, pursuant to K.R.(Can.) 575, as amended by G.O. 225/1941, reviewed the Proceedings and concurs in the Sentence awarded. Re: Lieutenant C. HUART, R.C.A.

1. Following my telephone conversation with Colonel Nolan and prior to receipt of your letter of 17 Dec 42 and your radiogram of 19 Dec 42 I drafted a charge against the marginally named officer under Section 11 of the Army Act with an alternative charge under Section 40 and, in order to save time, dictated my draft by telephone to the Adjutant of Gaspe Defences.

2. The charge sheet above referred to has now been received and has been forwarded today. I trust my action meets with your approval.

3. I considered that at the trial evidence could be adduced to establish that the Fortress Orders were brought to the attention of the accused or that it was his duty to make himself familiar therewith.

4. I enclose for your information copy of letter addressed by the D.O.C. to the Secretary under even date. If it is in order to make a suggestion, I would say the best Court would be comprised of:-

Colonel P. E. McLaughlin, Lieutenant-Colonel Hamel, Major Bouchard ~~and~~ Major McQuade and Major Bourque

5. Colonel McLaughlin is a lawyer and did a very good job on the Lambert trial.

Receipt is acknowledged of your T-20-H-3461(AJAG), dated 28th of December, 1942, under cover of which you forwarded for registration and custody, the Proceedings of the marginally-noted District Court-Martial.

2. In addition to the irregularities set out in your letter, it is observed that the Unit or Regiment of the Prosecutor and Defending Officer should have preceded their Attachments on page A of the Proceedings, and also in the Unit Order detailing the said Officers.

3. It is not considered necessary to return the Proceedings which are, accordingly, retained for custody. May the above noted irregularity be brought to the attention of those concerned, for their future guidance.

CLOSING ADDRESS OF THE DEFENDING OFFICER.

Sir, I would like to take this opportunity of reviewing some of the evidence. This seems to be a deplorable case. The accused enlisted voluntarily for active service and before enlisting he had domestic troubles with his wife and had been informed by the proprietor of a restaurant or hotel that his wife was a prostitute and for that reason he had paid subsistence for the child in civilian life to the Children's Aid Society, the money possibly paid to his wife through the Children's Aid Society. At the time the accused enlisted he was not aware that his wife would get the Dependent's Allowance from the Board. For some reason or other he was under the impression that the assigned pay and allowance would go to the Children's Aid Society. Sometime after when he found out that his wife was getting the allowance he just felt that she wasn't a fit person to have the custody of the child and he took steps, first at Newmarket, to have the case investigated with a view to having the Dependent's Allowance and assigned pay turned over to his mother. If the investigation had been made and the case proven it is altogether likely that the Children's Aid Society might have arrenged with the mother for the custody of the child. To his request at Newmarket nothing was done and this must have been a great strain on him. Eventually he was moved to Camp Borden and again he applied to his Company Commander to have his case investigated and again nothing was done. From Camp Borden he moved to Valcartier and went through the same procedure again and still nothing was done

and then he arrived at the Trades School in Hamilton and again made application to have the case investigated and nothing again was done. The evidence was that no investigation had been started through the pay office here which is the proper place for the investigation to start. I think it is quite understandable that a man who has been kicked around in that way for four times would naturally take some steps to rectify the matter himself and according to the evidence of the pay sergeant the accused felt that be going away he would be struck off strength which was the only method he knew of getting redress and getting his troubles settled and that is exactly what he did. That again is backed up by the fact that when he was apprehended he was brought back and refused to sign the paper for his wife with the Dependents Allowance Board for Dependent 's Allowance and assigned pay.

On the second charge, deficiencies, there are some articles which may very easily have been stolen or misplaced since August 31st and when the kit was finally checked at the Quartermaster Stores. The other items which the accused states are at home, he has had no chance to produce those articles and the reason he has not written a letter to get them is because I don't think he understands the proper procedure that he should have taken..

CLOSING ADDRESS BY THE PROSECUTOR.

The Prosecution is endeavouring to prove that the accused was absent without leave, which is the first charge on the charge sheet. The accused has been away, roughly, according to the Charge Sheet about three months, and he is apprehended wearing civilian clothes. I think a prima facie case has been established on the fact that he actually was absent from the date specified in the Charge Sheet.

Now on the second charge, this individual admits that since he has been back he has never taken any steps to have this kit, these articles returned to him, to have it sent to him - not even a letter. That is all I have to say.

QUESTION BY THE PRESIDENT TO THE PROSECUTOR.

Q- 221. Would you care to say why it is not?

A- 221. I have M.F.M. 2 here which I would like to submit and the certified true copy shows a number of convictions which are not entered on his M.F.M. 6.

------- Certified true copy of M.F.M. 2 is marked Exhibit "R", signed by the President and attached to the proceedings.

Q- 222. Would you advise the Court why the M.F.M. 6 is not correct?

A- 222. Because on the M.F.M. 2 there are two awards of 21 days' detention.

Q- 223. Why would the M.F.M.6 not show those entries you have mentioned that are on the M.F.M. 2?

A- 223. They should have been on the M.F.M. 6 but whoever made the record up failed to enter them on the M.F.M. 6. That is a certified true copy of his M.F.M. 6.

Q- 224. In other words, the two items you have just informed the Court about do not appear on the M.F.M. 6?

A- 224. No.

Receipt is acknowledged of your W.F./H-25 dated December 24th, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities mentioned in your letter the following have been observed in the proceedings:

(a) Several of the witnesses for the prosecution were allowed to give considerable hearsay evidence which should not have been admitted. However, even if this inadmissible evidence is deleted from the proceedings there is still a sufficiency of evidence to maintain a conviction on the first charge.

(b) The several pages of the proceedings were not put together in the proper order inasmuch as exhibit "Y" M.F.B. 355 and the M.F.M. 6 were inserted in the proceedings before the several addresses by the defending officer, prosecutor and Judge Advocate.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

Brigadier,
Judge Advocate-General.

District Court Martial
F.10082 Gnr. Aleck Marshall Harris

Herewith proceedings of the marginally noted District Court Martial together with Medical Officer's Report which are forwarded for registration and custody, please.

2. The following observations are drawn to your attention, please:

1. In the particulars of the second charge, certain items in clothing division "A" e.g. badges, should have been listed under clothing division "D" and certain other items should have been listed under equipment, e.g. Covers, mess tin, frogs bayonet, haversack, steel helmet, shoulder badges, and respirator. The Items shown under clothing division "B", e.g. bayonet and scabbard, should have been listed under equipment. This observation likewise applies to the same articles referred to in the evidence of the 7th witness in the Summary of Evidence.

2. In the Summary of Evidence, the words "In the case of" should have been inserted under the words "Summary of Evidence".

3. The first witness in the Summary of Evidence did not sign his testimony owing to the fact that he had proceeded to Canada before same was typed.

4. In the evidence of the second and third witnesses in the Summary of Evidence, there is a certain amount of hearsay evidence. However, this was not considered prejudicial to the accused as admissible evidence on the same point was given by other witnesses.

5. M.F.B. 375 was not produced at the taking of the Summary of Evidence by reason of the fact that it was inadmissible since the Court of Inquiry on the illegal absence of the accused was held within 21 clear days of his absence.

6. It will be noted that the accused was in custody 24 days awaiting trial. The delay in bringing this case to trial was due to the fact that some difficulty was experienced in obtaining the evidence of Mr. Tucker, one of the civilian witnesses. The application had to be returned to the unit for correction and the inclusion of additional evidence.

*Instruction. (See R. P. 39 (A)) Question.

Q.5 *Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

A.5 *Answer.* No, sir.

The prosecutor ~~makes an opening address (hands in a written address, which is read & marked xxxxxxx signed by the President, and attached to the proceedings)~~ declines to make an opening address

The prosecutor proceeds to call witnesses.

First witness for prosecution. P.4471 B.S.M. R.W. Morton, 103rd Coast Battery., R.C.A., C.A.

being duly sworn, is examined by the prosecutor.

Q.6 What is your official position at the battery?

A.6 I am fort Sergeant-Major

Q.7 Will you tell the Court what you know about the charge against the accused?

A.7 On the 22nd day of September I was doing my duties as Sergeant-Major of the Fort and Gnr. Harris came into the fort and I gave orders to place him in the Guard Room. The next morning about 7.30 I heard that Gnr. Harris had escaped from the Guard Room. I immediately made a complete check of the fort and ordered L/Bdr. Burton to do so too. He was not in the Guard Room. I had not seen Gnr. Harris until he was brought back under escort on 21st November.

Q.8 Of this year?

A.8 This year, 1942.

Defending Officer declines to Cross-Examine
R.P. 83(B) is complied with.
The Witness withdrews.

Second witness for Prosecution Lieut. M.J. Jones, 103rd Coast Battery, R.C.A., C.A. being duly sworn, is examined by the Prosecutor:

Q.9 On September 22nd and 23rd what was your official capacity at this Fort?

A.9 I Was A/O.C. of "C" Troop.

Q.10 Will you tell the Court in your own words what you know about the charge against the accused.

A.10 At midnight on September 22nd I went on watch in the B.O.P. for an eight hour watch. I was to be relieved at 8 o'clock on the morning of the 23rd and shortly before I was relieved, around 7.45, the telephone rang and somebody from the Orderly Room reported that Gnr. Harris, who had been confined in the Guard Room, had escaped. I was relieved and went to the Guard Room and searched both cells in the Guard Room. There was no one in the Guard Room and I found out if the Fort had been searched and discovered that it had been. I checked some of the buildings myself and reported to the Provost Corps in St. John's and later to the Naval Shore Patrol that the accused was absent

Q.11 When was the next you heard of Gnr. Harris?

A.11 The next I heard from him was on the morning of November the 21st. I was notified by Sgt. Brickwood of the Provost Corps, St. John's that Gnr. Harris had been apprehended by some member of the Provost Corps so I instructed the Sergeant-Major to send an escort, an N.C.O. and one man into the Provost Corps to pick up Gnr. Harris and bring him back to Fort Amherst.

Q.12 How long have you been at that Fort?

A.12 I came in June, 1941, nearly 18 months at the same Fort.

Defending Officer declines to Cross-Examine
R.P. 83(B) has been complied with.
The witness withdraws.

Third Witness for Prosecution

Mr. P.M. O'Donnell, manager of the Bennett Brewing Company Limited , St. John's, Newfoundland being duly sworn is examined by the Prosecutor

Q.13 Will you give to the Court what information you can in connection with the charge of desertion now against the accused?

A.13 I inserted an ad. in the local papers for a chauffeur for one of our trucks. On the morning that the ad. appeared we had several applicants for the position, one of which was apparently giving the name of Mr. Aleck Harris from Melbourne, Trinity Bay. He seemed to be a pretty good man, a competent man, so we took him on. We asked him for references and he stated he had none at that time but he could obtain a reference from a party, I forget the name, for whom he drove a truck in Trinity Bay -- Melbourne. When asked for a license he said he didn't have one but that he drove trucks at Gander where a license was not required. We hired him without any further references or credentials. At the time he gave his address as residing at 111 or I think 117 Signal Hill.

Q.14 How was he dressed when he came in?

A.14 I think he had blue overalls and a jacket on. I couldn't be quite sure. He was dressed in civilian clothes.

Q.15 How long was he engaged by your firm?

First Witness for Defence

The accused, F.10082 Gnr. Aleck Marshall Harris, 103rd Coast Battery, R.C.A., C.A. being duly sworn, is examined by the Defending Officer.

Q.67 Gnr. Harris, will you tell your complete story?

A.67 I joined the Army in 1939 with a wife and 5 small children. I went to Adjutant Slaven, he said they needed cooks. If I joined the Army as a cook, I would get promotion to make up for this in allowances. I went to Petrie Battery and passed cooks tests. From there I went to Point Edward and then to Sidney Garrison headquarters. From Sidney to Low Point to the F.C. Post. I was the second cook in the 16th Coast Brigade. I had no military training. Col. MacKenzie was the O.C. I didn't get a break from the first. The Bombardier cook in charge was convicted for stealing rations and sentenced to 28 days detention. That left me first cook in the brigade. He came out and he was fireman for 2 weeks. Then they made him sergeant-cook and put him in the garrison mess. I asked for a transfer to the Ordnance Corps to go overseas with my younger brother. Col. MacKenzie said he was not giving any good cooks away to the Ordnance and he would transfer me where I would be quiet. I came down here to Fort Amherst. I done my job to the best of my ability. I received word from my mother that my wife and baby were sick, come home if possible. I couldn't get paraded. I had to talk to Major Armstrong over the telephone and he refused me.

Q.68 When was this?

A.68 Around August, 1941. I got a note from the family doctor.

Q.69 Will you go on?

A.69 I lost my wife and children. I know where 2 of them are right now. The other 4, I don't know where they are. She gave all the furniture away to the woman who was backing her. There was a document went in with my name signed to it to Ottawa and they wouldn't stop the allowance. I had the proof and nobody would listen to me. I put in for a divorce in the provincial courts but I couldn't get my furlough a month or two ahead of time.

Q.70 You wanted it ahead?

A.70 Yes, and that fell through. I had no money, was drawing three dollars every 2 weeks and I wanted to earn some money to pay for this divorce. I had no intention of deserting his Majesty's Forces. I knew there was good money in the merchant navy and I was going to make one trip and I would have had enough money to pay for it and the only reason I went to work was to get some money for that purpose and not fact what I faced when I was home last Christmas as there was no money to buy anything for my children and the place my wife was living in, water was leaking on the bed and there was one blanket on the bed. I was 19 days in Sidney Military Hospital with pneumonia due to the fact that the roof was leaking.

Q.71 Will you produce this telegram in support of your statement that you were admitted to Hospital and had family trouble?

A.71 Yes.

Telegram dated 21st December, 1941 addressed to O.C. 103rd Coast Battery is signed by the President, marked Exhibit "K". and attached to the proceedings

Q.72 Do you remember sending a wire yourself?

A.72 Yes sir.

Q.73 When was that?

A.73 It was after Christmas.

Q.74 Will you look at this telegram?

A.74 Yes, sir. That is the one.

Q.75 Will you produce it.

A.75 Yes.

Telegram dated January 1st, 1942 addressed to Major Armstrong, O.C. 103rd Battery is signed by the President marked Exhibit "M" and attached to the proceedings.

Q.76 Was this leave ever granted?

A.76 I never heard from Major Armstrong, or the money or the leave. I was up there with my youngsters I didn't know where my wife was.

Q.77 You had been reported to the police?

A.77 Yes sir.

Q.78 At that time were you apprehended?

A.78 They put me in the Guard house at Sidney and didn't give me a chance to fix anything up.

Q.79 Will you tell the Court something about your family troubles?

A.79 I think I could best explain it by producing copy of a letter addressed to the Commander, St. John's Defences from the O.C. 103rd Battery dated 25th February, 1942.

Letter dated 25th February, 1942 is marked Exhibit "N", signed by the President and attached to the proceedings

Q.80 In connection with this last time you went A.W.L., you intended to get a civil job or join the Merchant Navy?

A.80 Yes sir.

Q.81 How long did you intend to stay?

A.81 I was going back on the Saturday night I was caught.

Q.82 Why did you try to get a civil job or to join the Merchant Navy?

A.82 To get some money.

Q.83 If you had gone into the Merchant Navy, how long did you intend to stay there?

A.83 I was just going to make one trip.

Q.84 While you were in the 103rd Battery were you employed as a cook?

A.84 Yes, sir.

Q.85 For how long?

A.85 From May 1941. I went in the cookhouse the morning after arrival at 6.30. I ran the Gunners cookhouse and Lieut. Myers put me in the Officers Mess. Then I had to look

after the Gunners and the Officers. That is the only job I knew, sir.

Q.86 Were you cooking all the time you were at Fort Amherst?

A.86 No sir.

Q.87 Did you know how to do anything else?

A.87 Fix Automobile engines and motorcycle engines.

A.89 Yes sir.

A.90 Yes sir.

Q.91 Will you look at this Voluntary transfer form? Will you produce it?

A.91 Yes, sir.

Voluntary transfer form is signed by the President marked exhibit "O" and attached to the proceedings.

Q.92 Did you ever hear about this transfer?

A.92 Yes sir.

Q.93 Will you tell the Court what took place?

A.93 I was sent to the Ordnance Garage for a trade test. I took that and went back to Fort Amherst and they sent for me in a week, that is the Ordnance. I was in the Garage when I went home on my furlough. My furlough was granted by the Senior Ordnance Officer. When I came back they kept me in the 103rd.

Q.94 Have you anything else to say?

A.94 No sir. I just maintain the fact that I did not intend to desert his Majesty'sForces. The reason I did this was to get something done that no one else would help me. I had to have $75.00 deposited with the Provincial Court in Halifax before the procedure for divorce could be started.

Q.95 Was your pay in debit at that time?

A.95 Yes sir.

Q.96 Would it have been long before you would have been receiving your regular pay.

A.96 Yes sir.

Question to accused :- Do you wish to make any statement, or to give evidence upon oath? you are notobligded to say anything ot give evidence unless you wish to do so but what ever you say or any evidence you give will be taken down in writing and maybe given in evidence.

Answer by accused :- I wish to make a statement under oath :-

The accused having been duly sworn states :- I joined the Army in October 1939 as a cook. I understood thats what my job was to be in the army. I was promised a higher rank than the rank that I was holding by telling a falsehood of how many children I had. I did my job to the best of my ability. I never received any elementry training as far as arms were concerned I had no crimes against me until I came to Newfoundland which can be shown on my Field Conduct Sheet. I dont now how to slope arms. I cannot go on a parade without going out of step. The reason I wantl had no intention of Deserting his Majestey's Forces. I thought i could get into the Merchant Navy or join another unit under a different name I could make another start and not be called every morning a favorite name "Spooky" and Squarehead and a German. I got paraded day after day to see if they could send me to another place so I could start all over again. Evidently it did'nt do much good. I tried to soldier but I could'nt do it. Every time I went on gun drill I tried to learn and all they done was laugh at me. I asked to be sent to Debert Camp for four months military training among the recruits and was refused. From the time I came to Fort Amherst it was just a hell, sixteen months of it. I got paraded to get transferred to any unit in England, Labrador any place close of Fort Amherst. I was refused. so I thought if I could get a ship I would be better off. I wasn't doing anything to help the war effort and I thought I would be doing my country a better service if I got were I could work. Thats all I have to say.

Gnr A M Hann

The accused declined to call any witness in his defence.

I certify that Rules of Procedure 4 (c), (d) , (e) and (f) have been complied with, and that this summary of evidence was taken in the presence of the accused.
Taken down by me in the presence of the accused at Fort Amherst, Newfoundland this 2nd day of December, 1942.

CIVIL CHARGES
P 10034 Gnr. Harris, A.W.

This man went A.W.L. and was away 19 days. He was apprehended by the civil authorities of his home town, turned over to the Military Police and sent back to his Unit for which the costs were $78.50. The Commander Sydney & Canso Defences forwarded three (3) "Information and Complaints" sworn to before Deputy Stipendiary Magistrate Hinchey of New Waterford, N.S. as follows:

(1) Assaulting Mrs. Cecil Murrant
(2) Assaulting Mrs. Fred Marsh
(3) Doing unlawful wilful damage to the property of Mrs. Fred Marsh to the extent of $15.00. It is not clear whether he was tried on these charges or not but if so the records of conviction have certainly not been received.

2. The man's story is that he has been having trouble at home for months. He was granted furlough ahead of time last December in order to try and straighten out his affairs. His wife, he says, has been threatening to desert him and he feared that she was misapplying her D.A. & A.P. moneys.

3. When he arrived home on the occasion of this A.W.L. he discovered his wife had left his home and had distributed his two children to the neighbors. The charges arose when he attempted to regain possession of his children. He maintained that he was hustled back to his Unit without trial when he was able to acquire the services of an officer to represent him.

4. It is impossible to know how much of the above is fact and how much is fiction but the man has certainly been hopeless as a soldier for sometime past and the alleged trouble may quite easily be the cause. It is requested that a wire be despatched to the Dependents Allowance Board so that they may start an investigation as soon as possible, and perhaps settle the children in an Orphanage if necessary. In the meantime he has been released from the charge of A.W.L., the costs of apprehension and the civil charges without prejudice to rearrest.

Defending Officer's Closing Address.

"P" H. Bruce Reid
President DCM

The accused, Gnr. Harris, admits being absent without leave but he does not admit intending to desert and nothing the prosecution has brought forward tends to substantiate that evidence. The fact that Gnr. Harris was found in civilian was quite understandable. He went absent without leave in order to make some money and he couldn't have got a civilian job had he applied in his Army dress. Gnr. Harris had had other A.W.L.'s all for the same reason, namely to try and straighten out his tangled affairs at home. During the time he was in Newfoundland, he received no promotion except two stripes without pay. His pay was in debit and would remain that way for a considerable length of time. At various times Gnr. Harris applied for leave on compassionate grounds but it was always turned down. His only furlough was granted, not by the 103rd Battery but by the Ordnance. Had Gnr. Harris been able to secure the $75.00 he needed, it is quite sure that he would have returned. During the time he was away, he made no effort to leave the country, remained on the Avalon Peninsula, and spend almost all that time either at Bell Island or St. John's.

Prosecutor's Closing Address Q H.K. Bruce 2nd Lieut. 73 Grenadier Gds.

I wish to point out certain sections under Offences and Punishments of the Manual of Military Law:

Sec.19

" Nor can desertion invariably be judged by distance, for a soldier may absent himself without leave and depart to a very considerable distance, and yet the evidence of an intention to return may be clear; whereas he may scarcely quite the camp or barrack yard, and the evidence of intention not to return (by the assumption of a disguise, for example, and other circumstances) may be complete.

Sec. 21

A men may be a deserter though his absence was in the first instance legal (e.g. authorised by leave or furlough), the criterion being the same in all cases, namely, the intention of not returning. It is clearly shown by the King's Regulations, and by the explanation on the furlough form itself, that a soldier on furlough is still under orders, and that, if without leave he quits the place to which he has permission to go, or if he disguises or conceals himself so that orders cannot reach him, or goes on board a ship about to said for a distant port, he is liable to be tried and convicted of desertion though on furlough at the time. A soldier stationed, for example, at Ipswich, who obtains a pass to Bristol, and during his leave is found at Liverpool in civilian costume on board a ship about to sail for New York, may be tried for desertion."

Section 23 on page 20. This section goes much further than desertion:

" The fact that a soldier surrenders is not proof by itself that he intended to return even though he is in uniform at the time of surrender. It may not be possible to prove where the man has been during his absence, but evidence that the military patrols had searched carefully in the neighborhood of the barracks without finding him, would show that he must have gone to a distance or concealed himself. From this and other circumstances the court may infer that he surrendered because he could not effect his contemplated escape."

Desertion has a very wide meaning. We must prove illegal absence. That has been admitted. We must also prove circumstances which would prove that he intended to desert or that he concealed himself, that he disguised himself so that he could not be apprehended.

The accused has, through the defence officer, placed before the Court his history from the early part of his enlistment his family difficulties, and we all have to sympathize with a man with such difficulties, but a man who is placed on active service with a unit which is an operational unit, must then for the first time after he has left Canada realize that family difficulties cannot be sufficient to warrant desertion or absence without leave. I will go a little further, He wasn't charged with absence without leave when he obtained his furlough and overstayed, which could have been. He asked for 7 days from the 1st of January to the 7th January which he received according to the evidence because he was charged with such. Now then, after all these periods during which he claims to have had difficulty, according to his own evidence, he approached his superior officer with having a notice sent through to the Dependant's Allowance Board for them to investigate it and according to his own evidence they refused to cut off her allowance or the children's. They continued her allowance. He, of course, brought in several witnesses and I submit nd too much strength should be placed on evidence of that kind;

He claims when going absent under the charge that he is now, that he wanted to earn sufficient money for a divorce. Well, I submit, for your consideration the fact that if he had desired that money, he would have said he wished to go out and work and get some extra money for the 2 children which he does know where they are instead of a divorce which would not have assisted him in his family difficulties. I submit that any argument placed before this Court as to $75.00 for a divorce action should not be given consideration because on a separation agreement they can carry on just the same as if he had a divorce. I submit that divorce would not help him one iota.

My next contention is that during this period of time that he was absent, from the 23rd September until 21st November, 1942, when he was apprehended, he went to Trinity Bay to hide. I must say that is the inference we must draw from that. He says he went out shooting birds. We must infer for that two weeks he wasn't worried much about that money for the divorce.

He admits he was in civilian clothes. He came to Bell Island and applied for a job as Melvie A. Harris. He signs his name as Melvie A. Harris. He admits his name is Aleck Marshall Harris. There is a difference there I want to point out. If he had signed his name as A. Melvie Harris he might have contended that Melvie was a nickmane for Marshall but in his own signature he turns his name around and signs it as Melvie A. Harris. I think it is the most significant point in this case. The one point, in my mind, that would lead me to believe he didn't want anybody to know his correct name becuase even if he didn't change Harris, if anyone called up from the Provost and asked if an Aleck Marshall Harris was working there, naturally they would say no.

He worked there for a period of time. He didn't give himself up at that time; no, he was absent without leave. He came over here and I must submit that the inference you might draw from that is that he felt that at that time probably they had forgotten about him and returned to St.John's to obtain a new position. He applied for this new position under, of course his correct name. He wasn't afraid any longer; nobody had, up until this period of time, bothered him and he continued working until apprehended.

I am just going to ask you, sir, to consider the two sets of evidence we have. We have the accused's sworn statement on the Summary of Evidence and then we have the huge story today. He doesn't mention all this family trouble he hadin this but he goes on and tells just exactly why he did leave. From his own free version, where no one could ask him a question, he tells in his own free words, the practical situation. "Every time I went on gun drill I tried to learn and all they done was laugh at me. I asked to be sent to Debert Camp for four months military training amoung the recruits and was refused. From the time I came to Fort Amherst it was just a hell, sixteen months of it. I got paraded to get transferred to any unit in England, Labrador, any place clear of Fort Amherst. I was refused so I thought if I could get a ship I would be better off. I wasn't doing anything to help the war effort and I thought I would be doing my country a better service if I got were I could work. That is all I have to say." I don't think that you could find any stronger intention or proof of the intention to desert than those last few lines. I think that sets out the whole thing.

He asked for a transfer to the Ordnance. They sent him and attached him. While there, he goes A.W.L. Naturally he was sent back to Fort Amherst. So that then what we have to prove is the illegal absence. The intention is the way he concealed himself at Trinity Bay, Bell Island and then, of course, he came over to St. John's. If he had of intended to return to his unit, he would have come back from Bell Island and walked back to his unit and reported there.

Another thing that was brought up by the Defence Counsel is that he didn't leave the Island. I submit that the accused, himself, is clever enough not to attempt to get on a boat to leave the Island. No question about it, he would have been apprehended.

I must say that since we have produced the evidence, that we go a little further and we give his own statement as to what he was going to do and not what he did do. Because of the family troubles which was a year ago, he went Absent without leave to clear up the family difficulties he had. If he had of done it a year ago, he might have been able to say, "Well, I am being charged with desertion and I really don't deserve to as my wife is running around with someone else", but he waits until September.

He says at various times he applied for compassionate leave. The Officer Commanding was not called to ask him to produce his evidence as to the number of times he was paraded--there was no question of that at all. So therefore there is no evidence that he was paraded time after time and refused. He was given every opportunity when he wanted to go to Ordnance and he got that opportunity.

He couldn't straighten matters up at home. After the evidence I have heard, he couldn't do anything about it as there was nothing there to straighten up.

In my opinion, this is one case where desertion was deliberate. He came back with no clothes--disposed of everything. I must submit that this is a clear case of desertion.

JUDGE ADVOCATE'S SUMMING UP

You, the Court, have heard the evidence adduced before you - you have heard the facts. I am now going to tell you what the Law is and it is for you to apply the Law to those facts:

This charge is under Sec 12(1) (a) of the Army Act. I refer you to the Foot Note at M.M.L.p 437, the relevant parts which read as follows:

"Upon a charge of desertion the prosecutor should prove, ~~with~~ the date when the absence began and the date when it ended by apprehension.." "To establish desertion it is necessary to prove some circumstances justifying the inference that the accused intended not to return to military duty in any corps....."

Let me point out that intention is not capable of positive proof, it can only be inferred from overt acts. As a general rule a person is presumed in law to have intended the natural and probable consequences of his act.

I would also refer you to Pages 19 & 20, sections 17 - 24.

Sec.17 points out that the criterion between desertion and absence without leave is intention. The offence of desertion...implies an intention on the part of the offender, in this case, not to return to His Majesty's Services at all. The Court should not find the accused guilty of desertion unless fully satisfied on the evidence that he has been guilty of desertion as above defined.

On the other hand absence without leave may be described as such short absence, unaccompanied by disguise, con cealment, or other suspicious circumstances, as occurs when a soldier does not return to his corps or duty at the proper time, but the circumstances are such as to show that he did not intend to quit the service.

Sec.18 & 19 of Chap.3, M.M.L. p.19 give examples showing how intention can be inferred from overt acts.e.g. Distance by itself is not an criterion - a soldier may absent himself without leave and depart to a very considerable distance and yet the evidence of an intention to return may be clear whereas he may scarcely quit the camp or barrack yard and the evidence of intention nor to return (by the assumption of a disguise for example and other circumstance) may be complete. A man may be a deserter on furlough. Sec 21 on M.M.L. page 20 gives an exapmle of this. The fact that a soldier surrenders is not proof by itself that he intended to return - even though in uniform at the time of surrender, he may have surrendered because he could not effect his contemplated escape. An example of this appears in Sec 23 of Chap 3 M.M.L. p.20.

If there is reasonable doubt in your minds as to the guilt of the accused he is entitled to the benefit of that doubt and to be acquitted of the charge of desertion, because there is a duty on the prosecution to prove beyond a reasonable doubt the guilt of the accused. Every man is presumed innocent until he is proved guilty and it is incumbent on the prosecution to give evidence showing the commission of the offence charged and connecting the accused therewith.

However I would refer you to para. 24 of chap 3 M.M.L. p.20 which states - A soldier charged with desertion may be found guilty of being absent without leave. In case of doubt as to whether one or the other offence has been committed the Court should find the accused guilty of the less offence.

Sec. 56(3) of the Army Act M.M.L. p. 484 provides that "An accused charged before a Court Martial with desertion may be found guilty of attempting to desert or of being absent without leave.

"S" H. Bruce Major President D.C.M.

FIRST WITNESS

D-77462 L/Bdr. Frances Henry Burton, "C" Troop 103rd. Coast Battery, R.C.A.,C.A., having been duly sworn states :-

At 200 hours on September 22nd, 1942, I took guard duty at Guard Room at Fort Amherst. Gunner Harris A.M. was under close arrest in the guard room. At 0600 hours on September, 23rd, 1942 I went out to awaken the gun crew going on duty and put some coal on the jacket heater. When I came back at approximately 0730 hours I noticed that the little peg between the bar and the door was shoved up to the end of the bar. I knew then that someone had tampered with the door, when I looked in Gunner Harris A.M. was gone. He was in the guard room prior to 0600 hours. I then notified the Sergeant of the gun crew and started to make a search for him in the Fort area and in the barrack rooms but could not find him. To my knowledge he has not been in the Fort area since, until returned under escort on November 21st, 1942.

The accused declined to cross examine.

On September 23rd, 1942 at about 0730 hours it was reported to me Gunner Harris A.M. had escaped . I went immediately to the guard room where Gnr. Harris A.M. was being kept and found that he was not there. I contected the guard commander, Bdr. Burton F.H. who was then making a search throughout the fort area. We then made a further search and could not find Gunner Harris A.M. in the fort. I then reported to Lieut. M.J. Jones that Gunner Harris A.M. had escaped and was out of the fort. He has not been in the fort since September 23rd, 1942 until he was brought back under escort on November 21st, 1942,when I again had him placed in the guard house under close arrest.

Coast Battery located at Fort Amherst on September 23rd, 1942, I went on as duty officer at midnight September 22nd,1942, to 0800 hours September 23rd, 1942. At approximately 0745 hours September 23rd, 1942 I received a call from the Orderly Room to the effect that Gnr. Harris A.M. escaped from the guard room where he had been placed under close arrest the day previous. I was relieved from duty at 0800 hours and I immediately made a personal check of the guard room. I found that Gnr. Harris was not there and upon enquiry around the fort found that he was not in the fort area. I immediately notified the Provost Corps in St. John's, Newfoundland and later in the day notified the Naval Shore Patrol that Gnr. Harris A.M. was absent without leave from Fort Amherst. I also gave them a description of Gnr. Harris A.M. and them his Regimental Number. Gnr. Harris A.M. was absent from Fort Amherst from September 23rd, 1942 until I was notified of his apprehension by Sgt. Brickwood of the Canadian Provost Corps on November 21st, 1942. I had an escort go to the Canadian Provost Corps Headquarters with instructions to bring Gnr. Harris A.M. back to Fort Amherst and place him in the guard room under close arrest.

Question to accused :- Do you wish to make any statement, or to give evidence upon oath? you are notoblidged to say anything or give evidence unless you wish to do so but what ever you say or any evidence you give will be taken down in writing and maybe given in evidence.

Answer by accused :- I wish to make a statement under oath :-

The accused having been duly sworn states :- I joined the Army in October 1939 as a cook. I understood thats what my job was to be in the army. I was promised a higher rank than the rank that I was holding by telling a falsehood of how many children I had. I did my job to the best of my ability. I never received any elementry training as far as arms were concerned I had no crimes against me until I came to Newfoundland which can be shown on my Field Conduct Sheet. I dont now how to slope arms. I cannot go on a parade without going out of step. The reason I wantI had no intention of Deserting his Majestey's Forces. I thought I could get into the Merchant Navy or join another unit under a different name I could make another start and not be called every morning a favorite name "Spooky" and Squarehead and a German. I got paraded day after day to see if they could send me to another place so I could start all over again. Evidently it did'nt do much good. I tried to soldier but I could'nt do it. Every time I went on gun drill I tried to learn and all they done was laugh at me. I asked to be sent to Debert Camp for four months military training among the rescruits and was refused. From the time I came to Fort Amherst it was just a hell, sixteen months of it. I got paraded to get transferred to any unit in England, Labrador any place clear of Fort Amherst. I was refused. so I thought if I could get a ship I would be better off. I wasn't doing anything to help the war effort and I thought I would be doing my country a better service if I got were I could work. Thats all I have to say.

A. M. Hawes L.

The accused declined to call any witness in his defence.

I certify that Rules of Procedure 4 (c), (d) , (e) and (f) have been complied with, and that this summary of evidence was taken in the presence of the accused.
Taken down by me in the presence of the accused at Fort Amherst, Newfoundland this 2nd day of December, 1942.

District Court-Martial
D.15542, Spr. Jean-Paul HOULE
No. 3 D.D.

With reference your letter dated 6th January, 1943. The remarks contained therein have been brought to the attention of the Officers concerned.

2. With reference Para 2(b), the Officer responsible for the delay in this case, Capt. W.A. Stewart, M.C., has explained as follows:

"By the time this case came to the top of the pile, my office was being moved, new and inexperienced staff was supplied, I was laid out with influenza for a week, and Houle's M.P's.M.2 were mislaid and could not be found. The application for Court Martial was made notwithstanding the lack of documents."

3. It is quite true that during the month of November there was considerable delay in applications for trial at No. 3 District Depot. Capt. W.A. Stewart is an experienced and capable Officer, having seen service overseas in the last war, was decorated and was again overseas in this war. However, due to his age, an attack of influenza struck him more severely than the average person and he was not in very good shape during this month.

4. Capt. R.O.Standish can advise you as to the efforts that are being made in this District to keep the applications fro trial coming in without delay. It might be added that at the present time we have every reason to be satisfied with the cases that are outstanding, as our last return dated 16th January shows only 7 persons who have been in custody over 14 days and the trials in each case have either been proceeded with or have been arranged for.

No. 3 District Depot, C.A.

Receipt is acknowledged of your K. 55-H-2143 (JAG) dated December 30th, 1942, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities mentioned in the memorandum accompanying the proceedings, the following have been observed.

(a) In the certificate of apprehension, Form M.F.M. 216, the letters "(AF)" appear after the name of the District Depot. These are incorrect, the letters "CA" are sufficient to denote Active Service.

(b) It is observed that the accused surrendered himself on October 19th, 1942, that the Charge Sheet is dated November 20th, 1942, the Order for Trial November 23rd, 1942, and the trial was held on November 27th, 1942. The accused was therefore 39 days in custody awaiting trial of which three days were spent in hospital. May I have an explanation please of this apparent delay.

(c) In Paragraph (B) (i) of your memorandum you state that the particulars of the first charge should have stated whether the accused was drunk or sober at the time of surrender. This is not necessary as it is not relevant.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

Judge Advocate-General.

No. 3 District Depot, C.A.

(a) The Medical Officer has not set out his unit and attachment on M.F.B. 246.

(b) In the Charge Sheet:

(i) In the first charge the time at which the accused went absent should have been stated, and also how he was dressed and whether drunk or sober at the time of surrender. It would also be better to state the name and place of the Unit to which he surrender instead of saying "to his unit". See specimen Charge 37 page 721, M.M.L.

(ii) The second Charge varies somewhat from the usual form which is set out at page 28 of the Handbook.

(c) In M.F.B. 375 the Unit from which the accused went absent as well as the place should be stated, in line 9. Active Force personnel are now designated by the expression C.A. See R.O. 2252.

(d) No. 3 District Depot, C.A. is not properly designated as District Depot M.D. No. 3, as there are two District Depots in Military District No. 3.

(e) In M.F.B. 375 and also in the Charge Sheet, the deficiencies are not properly designated. The description set out in R.O. 1862 should be used for example "badges, cap" should be "badges, Cap, R.C.E." as the cap badges of different units have different values; again "badges, Canada" should be "badges, Arm, worsted, Canada, pairs 3", etc., the point being that the Reviewing authorities cannot tell what price to put on the deficient articles and where the word "pairs" is omitted, the soldier is only charged with the value of one of each item.

(f) Exhibit "1", telegram, is not properly admissible but the Court explains that it was accepted as so much paper so that the accused would not think he was being unfairly treated. Attention is directed to the brief notes on evidence at page 61 of the Handbook. In most cases, the documents presented by the accused are not admissible as there is no proof as to signature and they are not documents set out in Section 163 of the Army Act.

(g) In the Summary of Evidence it is preferable to indicate whether or not the accused was permitted to call witnesses. This is usually done by asking the accused "Do you wish to call any witnesses?" and then recording his answer. Or in the alternative by stating "the accused declines to call any witnesses".

Leakage of Information-
Troops returning from Overseas.

Returned personnel from overseas are warned against loose talk, such as divulging details of their voyage, giving names of ships, time consumed by the journey, port of debarkation, escorts, etc. The imparting of such information might prove of great value to the enemy, if given wide circulation.

It is imperative, therefore, that every precaution be taken to ensure that such information is not discussed at any time on the return of overseas personnel.

CLOSING ADDRESS BY THE DEFENDING OFFICER

The accused is charged with absenting himself from Ottawa, Ontario, on 14th September, 1942, until surrendering himself at 2230 hours on the 19th October, 1942, a period of some 35 days. The accused told us he proceeded to his home in Victoriaville on leave, what he has described as a normal weekend leave and that while on leave he was taken ill with an ailment that he suffered from since he was a child. He describes it as rheumatism.

Now whereas the accused is charged with absence without leave he did, nevertheless, follow the correct procedure and routine in that he wrote his Commanding Officer, pointed out to him the fact that it would be impossible for him to return when his leave expired, because of illness. The Prosecution, my learned friend, has cross-examined the accused in respect of having seen a doctor and in respect of having, pursuant to instructions, secured a doctor's certificate certifying to the nature of his illness. I would point out to the Court that people of this class are not in the habit or accustomed to calling a medical practitioner or medical doctor for any ailments except in the majority of cases in the last extremity. These people are poor people, as in this case the father earned $19.00 a week, $76.00 a month. The accused earned some $14.00 a week. These people are prohibited first by reason of their financial circumstances from resorting to the medical practitioner for attention and by reason also, looking from another angle, by reason of their financial circumstances must continue on with their job in order that they may make subsistence. I submit to the Court that it was not a normal thing for the accused to go to a doctor with an ailment from which he had suffered for any number of years.

But that as it may, he did write his Officer Commanding and what did his Officer Commanding reply? He said "report as soon as possible" and I submit, Gentlemen, that the accused did so far as the evidence before this Court discloses report as soon as it was possible within the limits of the accused's intelligence. I submit that had some senior officer been instructed to report as soon as possible that he would have been quite justified in reading into the instructions he had received the dates to extend his leave to the point where the individual concerned, as in this case the accused, felt that he was able to come back and I submit, Sir, again that the accused carried out the instructions he received and that he did report back as soon as possible. There is no evidence to indicate that he could possibly have reported prior to the 19th of October when he did return to duty.

That is all, Sir.

"K." J.E. Dowsley. Major 45.
President, DCM.

Q.191 Pourquoi n'avez-vous pas dit ça tantôt ?

A.191 C'est moi qui l'ai dit, et pas eux.

" SUBMISSION OF THE DEFENCE on Non-jurisdiction of the Court. "

BY THE DEFENDING OFFICER :-

J'ai une objection péremptoire à faire. La défense a l'intention de contester la juridiction de la Cour. Je soumets respectueusement que Huet n'est pas sujet à la loi militaire parce qu'il n'a pas l'âge requis pour être un soldat. Les quatre offenses dont Huet est accusé demandent, nécessitent que celui qui est accusé soit sujet à la Loi Militaire. On dit: "Commise par une personne sujette à la Loi Militaire." Celui qui est sujet à la Loi Militaire, d'après l'interprétation au début de la Loi du Service Militaire, (Statuts Révisés) et d'après les Règles d'interprétation, d'après la Loi Militaire, c'est celui qui peut être appelé en service actif. Même chose à 304 K.R. (Can.).

Je veux dire à la Cour que la Loi du Service Militaire permet l'enrolement de sujets militaires qui n'ont pas moins de 18 ans et pas plus de 45 ans, sauf le cas de levée en masse à partir de 14 ans, et en certains cas, 13 ans, pour les tambours, trompettes, qui ont une demi-solde, je crois.

Alors, Huet n'a que 16 ans et 10 mois, d'après l'extrait de baptême que j'ai ici et que j'ai l'intention de produire.

Il y a une autre référence plus récente, Il me semble, que celle que j'ai donnée serait suffisante, mais je donne: S.R.C. 1927, Chap. 132, et je dis que Huet n'était pas sujet à la Loi Militaire parce qu'il n'avait pas l'âge et son certificat de baptême, ici, dit qu'il est né le 23 février 1926. Il s'est enrolé en septembre, le 10 septembre et il avait 16 ans et 2 ou 3 mois, alors qu'il s'est enrôlé.

Je cite aussi un Arrêté en Conseil No. 74/1160, en date du 9 décembre 1942, P.C. 74/1160, "Arrêté en Conseil autorisant l'enrolement des garçons de dix-sept ans dans les formations et unités de l'Armée Canadienne".

" Le Conseil a été saisi d'un memorandum émanant de l'Honorable Ministre de la Défense Nationale, et exposant ce qui suit :-

a) Lorsqu'une personne parvenue à l'âge de 18 ans s'enrole dans une unité ou formation active de l'Armée canadienne, elle doit passer plusieurs mois d'un temps précieux à l'instruction élémentaire puis à sa formation professionnelle et technique. C'est donc dire qu'il s'écoule une période de temps considérable

avant que la nouvelle recrue acquiert un degré suffisant de compétence militaire.

b) Comme il est très opportun d'éviter cette perte de temps, il est proposé de permettre l'enrolement, dans une unité ou formation active de l'armée canadienne, des garçons qui ont atteint l'âge de 17 ans afin de leur permettre de suivre une instruction professionnelle et l'instruction militaire élémentaire au cours de la période qui précède immédiatement l'âge régulièrement exigé pour l'acceptation comme soldat d'unité ou de formation active de l'armée canadienne.

2o. L'Adjudant-Général recommande donc qu'il plaise à Votre Excellence en conseil d'autoriser l'enrolement des garçons de 17 ans dans les unités ou formations actives de l'armée canadienne;

3o. Cette recommandation n'implique aucune dépense additionnelle aux crédits de 1942-1943;

4o. Le Sous-Ministre (Armée) a étudié la recommandation précitée et l'approuve.

Le soussigné approuve les recommandations de l'Adjudant-Général et a l'honneur de recommander qu'il plaise à Votre Excellence en conseil, en vertu des dispositions de la Loi de la Milice, Chap. 132 des Statuts Révisés du Canada, 1927, et en vertu des dispositions de tous autres statuts, lois ou réglements, d'ordonner ce qui suit :-

(i) Que les garçons qui ont atteint l'âge de 17 ans puissent être enrolés dans une unité ou formation active de l'armée canadienne afin d'y recevoir l'instruction;

(ii) Qu'aucun garçon ne puisse être enrolé sans avoir obtenu au préalable le consentement de ses parents ou de ses tuteurs;

(iii) Que les garçons ainsi enrolés aient droit au taux de solde des enfants de troupes soldats jusqu'à ce qu'ils aient atteint l'âge de 17½ ans; après quoi, ils auront droit à la solde régulière des soldats.

(iv) Qu'aucun garçon ainsi enrolé ne puisse être envoyé sur un théâtre d'opérations militaires, en dehors du Canada, avant d'avoir atteint l'âge réglementaire établi à cette fin pour les soldats de l'armée canadienne.

Le conseil approuve le rapport et la recommandation précités et en sollicite l'approbation.

(Signé) A. D. P. HEENEY,

Greffier du Conseil Privé. "

QUESTION PAR LE PRESIDENT :-

Q.3- Ce P.C. indique bien que le soldat peut être enrolé. Il ne fait aucune restriction?

DEFENDING OFFICER :-

A.3- Il y a un point sur lequel j'ai appuyé : "des garçons qui ont atteint l'âge de 17 ans, " afin de leur permettre de suivre une ins- " truction professionnelle et l'instruction " militaire élémentaire au cours de la période " qui précède immédiatement l'âge régulière- " ment exigé pour l'acceptation comme soldat." 18 ans. On ne peut enroler un garçon de moins de 18 ans, et ici on permet à un garçon de moins de 17 ans de s'enroler pour que son instruction se termine vers 18 ans; et, même dans ce cas, il faut la permission de ses parents ou de son tuteur.

QUESTION PAR LE PRESIDENT :-

Q.4- Y a-t-il quelque chose qui dise qu'il est défendu de les enroler ?

DEFENDING-OFFICER :-

A.4- Il est né le 23 février 1926; il s'est enrolé le 10 septembre; par conséquent il n'a pas 17 ans. Extraits des Décrets et Ordonnances des Réglements de Guerre de 1942.

Les documents que j'ai à produire, je n'ai pas le dossier du soldat parce qu'il est entre les mains de la poursuite.

PROSECUTOR :-

Il faut que ce soit produit par l'accusé dans son Plea in Bar.

DEFENDING-OFFICER :-

On peut demander au bureau de produire les documents qui sont au bureau.

PRESIDENT :-

Vous ailéguez que l'homme a tel âge. Il faut la preuve. Il faut ses documents; il y a un tas de documents qu'il faut produire à la Cour pour qu'elle voit ce qui en est.

DEFENDING-OFFICER :-

J'ai dit que l'Arrêté en conseil nous dit qu'il faut une permission des parents pour les enfants de 18 ans, et je suis même ici en dedans de 17 ans. De toute manière, il ne peut être soldat. Il n'a pas besoin de la permission de ses parents; il ne peut être enrolé parce qu'il n'a pas même 17 ans. S'il avait 17 ans il faudrait la preuve que les parents n'ont pas donné leur consentement.

PROSECUTOR :-

Je crois que le certificat ou l'extrait de baptême devrait être produit par l'accusé. La défense a droit de faire une preuve sur son objection; il faut que la défense fasse entendre l'accusé qui produira son certificat de baptême.

PRESIDENT :-

Il faut faire une preuve documen-

taire à l'appui de votre plaidoyer.

DEFENDING-OFFICER :-

Alors, la poursuite dit que J. B. Huet ne peut produire son certificat de baptême par son procureur; il faut qu'il le produise lui-même.

PAR LE JUGE-AVOCAT :-

Absolument. Je suggère de faire entendre l'accusé comme témoin pour produire ce document.

DEFENDING-OFFICER :-

C'est une enquête qui ouvre la transquestion.

LE JUGE-AVOCAT :-

Sur ces faits-là seulement.

DEFENDING-OFFICER :-

Alors, je demande que J. B. Huet comparaisse pour produire ce document. Je n'ai pas l'intention de produire le dossier; je n'en ai pas besoin pour faire ma preuve. Si la Cour veut le produire, elle peut le faire, ou si la Poursuite le demande, mais je n'en ai pas besoin. Si je suis obligé de le produire, très bien.

Enrôlé à 16 ans

Q.11 Vous avez signé des formules, lors de votre enrolement ?

A.11 Oui, monsieur.

Q.12 Voulez-vous examiner la formule suivante: M.F.M. 2, en date du 10 septembre 1942, et me dire si c'est votre signature qui apparaît ici ?

A.-12 (Le témoin regarde le document) Oui, monsieur.

Q.13 Voulez-vous regarder la date de naissance, et dire quelle date de naissance vous avez déclarée ?

A.13 (Le témoin regarde le document) 23 février 1924.

Q.14 Vous avez déclaré ça lors de votre enrolement ?

A.14 Je ne l'ai pas déclaré. Je me suis enrolé au Major Raymond et j'ai dit que j'avais seize ans. J'ai été "drafté" à Rimouski, puis à Montmagny.

Q.15 Vous avez signé ça ?

A.15 Oui, monsieur.

Q.16 A Québec ?

A.16 Oui, monsieur.

Q.17 Vous dites que vous n'avez pas déclaré que c'était votre date de naissance, si vous ne l'avez pas donnée ?

A.17 J'avais 16 ans lorsque je me suis enrolé à Ste-Anne des Monts.

Q.18 Je parle de la formule signée à Québec, qui mentionne que vous êtes né le 23 février 1924 ?

A.18 Je l'ai signée pour pouvoir entrer dans l'armée.

Q.19 Alors, vous avez mentionné 23 février 1924 ?

A.19 C'est le Major Raymond qui m'a dit ça lui-même. Il était membre du recrutement à Gaspé.

RE-EXAMINED BY THE DEFENDING-OFFICER :-

Q.20 Jean-Baptiste Huet, voulez-vous me dire à quelle date vous avez laissé la maison chez vous pour aller vous enroler ?

A.20 J'ai travaillé un mois en dehors de chez nous et je me suis enrolé.

Q.21 A quelle date avez-vous quitté la maison ?

A.21 Je ne sais pas au juste.

Q.22 Je parle de la première fois ?

A.22 C'est un mois après que mon frère est venu me chercher.

Q.23 Quand est-ce que c'est ça, que votre frère est allé vous chercher ?

A.23 Dans le mois d'août.

Q.24 Vous êtes parti de chez vous, de Grande-Vallée, et vous êtes allé où ?

A.24 Je suis allé à Ste-Anne des Monts et nous avons rencontré le Major Paquet et nous avons fait le voyage avec le Major Raymond, de Mont-Joli à Québec, et c'est lui qui nous a fait mettre la main sur l'Evangile.

Q.25 Aviez-vous rencontré le Major Raymond, avant cela?

A.25 Oui, je lui ai demandé pour m'enroler et il m'a dit: "Quand même tu reviendrais, on va t'enroler pareil". Nous avons fait le voyage de Mont-Joli à Québec avec lui.

Q.26 Et ensuite ?

A.26 On est allés s'enroler.

Q.27 Qu'est-ce qu'il a dit ?

A.27 "Monte à Québec, on va t'enroler". Il m'a dit de dire que j'avais 18 ans. Il nous a fait mettre la main sur l'Evangile. On était quatre.

Q.-28 Alors, quand vous l'avez rencontré, à Ste-Anne des Monts, avant de faire le voyage pour venir à Québec, qu'est-ce qu'il vous a dit ?

A.28 "Tu as vieilli depuis une"escousse".

Q.29 Combien ça faisait de temps que vous l'aviez vu ?

A.29 Ca faisait un mois.

Q.30 Il vous reconnaissait ?

A.30 Oui, monsieur.

Q.31 Il vous a dit : "T'as vieilli depuis une escousse"?

A.31 Oui, il m'a dit ça.

Q.32 Après avoir fait le voyage à Québec et vous vous êtes enrolé ?

A.32 Oui, monsieur.

Q.33 Dans quel mois ?

A.33 Septembre. Je ne me suis pas enrolé le 10; ma paye comptait du 10; je me suis enrolé le 15. Il m'a dit: "On va faire compter ta paye du 10"

PAR LA COUR :-

Q.34 C'est vous qui avez demandé à vous enroler ?

A.34 Oui, monsieur.

Q.35 Comme question de fait, lorsque à Québec vous avez signé votre formule d'enrolement, à l'endroit où il est question de la date de naissance, avez-vous constaté qu'il était mentionné: 1924 ?

A.35 Oui, monsieur.

Q.36 Et vous l'avez signée ?

A.36 Oui, monsieur.

Q.42 Etes-vous au courant que Huet, Jean-Baptiste, n'a pas l'âge mentionné au papier ?

THE PROSECUTOR'S ANSWER ON THE MOTION OF THE DEFENCE

QU'IL PLAISE A LA COUR :-

La Loi Militaire permet à la Cour Martiale de juger toute personne sujette à la Loi Militaire. La défense invoque le fait que l'accusé a moins de 16 ans. Je dirai d'abord que l'Arrêté Ministériel invoqué par la Défense ne s'applique pas dans ce cas-ci et concerne surtout la mobilisation des jeunes gens de 17 ans. Il est passé le 6 décembre 1942 et est subséquent à l'enrolement.

Il est un principe qui veut qu'une personne ne peut pas, pour éviter la conséquence de ses actes et éviter l'exécution de la loi, invoquer sa propre turpitude. Dans le cas actuel, il est clair que l'accusé s'est enrolé volontairement et que, pour s'enroler volontairement, il a fait une déclaration qu'il prétend être fausse. Il a déclaré qu'il avait 18 ans. Si l'accusé avait déclaré, lors de son enrolement, qu'il avait 16 ans et que les formules produites devant la Cour indiqueraient qu'il avait 16 ans, je soumets qu'alors le plaidoyer in bar devrait être maintenu vu que le consentement des parents n'aurait pas été accordé. K.R. (Can.) 304.

Il n'y a rien dans la Loi qui oblige les autorités militaires, pour savoir si les déclarations assermentées qu'on fait lors de l'enrolement, sont fausses, à faire des enquêtes. Au point de vue de la loi, l'accusé a établi sa position lui-même. Il a déclaré qu'il avait 18 ans; c'est un enrolement volontaire et il est soumis à tous les articles et toute discipline militaire jusqu'au jour où il aura été prouvé que sa déclaration étant fausse il aura été renvoyé de l'armée. Jusqu'à ce temps-là, je soumets qu'il est une personne sujette à la loi militaire et est une personne sujette à la Cour Martiale.

Emmanuel Lt-Colonel
President R.C.M.

" REPLY OF THE DEFENDING OFFICER
TO THE ANSWER OF THE PROSECUTOR, ON MOTION. "

J'ai réservé une réplique au Procureur de la Poursuite. Il y a un passage dans cet Arrêté en conseil que je veux relire. L'avocat de la poursuite a dit qu'il était de décembre et que la loi fut passée avant. Si c'est vrai, il contredit celui qui a été passé en 17 et réadopté en 39.

Il y a un passage qui dit, dans l'Arrêté en Conseil: "En vertu des dispositions de tous autres statuts, lois ou réglements." Cet Arrêté en conseil changerait tous les autres sur cet argument et fait loi au 19 décembre. L'enrolement est de septembre mais il n'avait ni 17 ans, ni 18 ans. Cet arrêté rallonge la période, mais cela n'intéresse pas la défense. L'accusé n'avait pas 17 ans et n'avait pas l'autorisation de ses parents. Il est à noter que l'accusé a déclaré très bien qu'il a dit, et il l'a répété dans son témoignage, qu'il a donné son âge comme 16 ans et c'est une négligence du recrutement si on l'a pris quand même, Jusqu'à preuve du contraire, il l'a déclaré qu'il était trop jeune et on lui a dit: "Tu as vieilli depuis". Il a fait le voyage avec l'officier qui l'a enrolé et il ne pouvait se tromper. Je crois que le cas est clair.

Eustache Lagarde Lt-Colonel
Président C.C.M.

" RULING OF THE JUDGE-ADVOCATE "

La Cour a à décider si l'accusé est sujet à la Loi Militaire. Une question de droit se pose ici, à savoir: si une personne de moins de 18 ans, qui a été enrolée régulièrement, sous quelque prétexte que ce soit, est assujettie à la loi militaire.

J'avise la Cour qu'il s'agit d'une question de droit qui a déjà été soumise aux tribunaux militaires et il a été décidé que la formule d'enrolement signée par un mineur ayant déclaré avoir 18 ans ou plus constitue un contrat valide pourvu que cet enrolement ait été fait suivant les prescriptions de la loi.

Je réfère la Cour à la Section 176, A.A., qui dit quelles sont les personnes sujettes à la loi militaire. Je réfère aussi au Chapitre 10, para. 27, du Manuel de Droit Militaire, qui traite de la jurisprudence à laquelle je viens de faire allusion.

Je soumets que la Cour devrait siéger en Cour fermée pour décider de cette objection.

" OPENING ADDRESS " of the Prosecutor:-

QU'IL PLAISE A LA COUR :-

Il y a quatre accusations de portées contre l'accusé, dont deux alternatives, ce qui veut dire que, en fait, l'accusé ne peut être trouvé coupable que de l'une ou l'autre.

La première accusation est portée en vertu de la Section 18(4) de l'Army Act et c'est l'intention de la poursuite de prouver que, sur cette accusation, le matin du 6 décembre 1942, en se levant, le soldat Bergeron s'est aperçu que son pantalon était changé d'endroit et il a constaté que son portefeuille était disparu; qu'il s'est informé par trois fois à la personne en charge et que rien n'a été fait sur cette demande.

Le 6 décembre également, le Sergent-Major, accompagné de la Police Régimentaire, a fait une fouille, et c'est l'intention de la Poursuite de prouver que le portefeuille a été trouvé en la possession de l'accusé.

La deuxième, c'est que le 7 décembre, l'accusé a pris le paletot d'un soldat qui était à l'hôpital, dans le cas du soldat Leblanc. C'est l'intention de la poursuite de prouver que le soldat Leblanc a demandé son "great-coat", pendant qu'il était à l'hôpital, et qu'on lui a apporté un "great-coat" usé, et, sur avis que ce n'était pas le sien, on l'a recherché et on l'a trouvé en la possession de l'accusé.

Avant d'aller plus loin, Monsieur le Président, il y a un témoin dont le nom n'est pas mentionné au Sommaire de Preuve et que j'ai l'intention de faire entendre. C'est le Caporal Laurent Grandbois. Avis a été donné à l'accusé le 15 janvier, par lettre l'avisant que c'était l'intention de faire entendre le Cpl. Grandbois et donnant à l'accusé un résumé de la preuve que nous voulons faire établir par ce témoin. Copie de la lettre est produite à la Cour, signée par le président, marquée "P", et jointe aux procédures.

Prenez avis que lors de votre procès qui aura lieu le 20 janvier 1943, à Montmagny, la poursuite a l'intention de faire entendre le témoin suivant, dont le nom n'apparait pas sur le sommaire de preuve: E-108537 Cpl. Laurent Grandbois, "General List" attaché au C.A.(B)T.C.# 54 (CA), lequel rendra le témoignage suivant:

"Le 6 décembre, 1942, on m'a fait rapport que E-615903, Sdt. René Laroche, N.R.M.A. Dépot No 5, attaché qu C.A.(B)T.C.# 54 (CA), s'était fait voler son porte-feuille; il était environ 0630 hrs à ce moment-là. J'ai demandé à trois reprises au personnel de la chambrée que celui qui avait trouvé ce porte-feuille de bien vouloir le remettre à son propriétaire. Rien n'a été fait. Après la messe, le sergent-major et la police régimentaire sont venus faire une perquisition et nous avons été fouillés. Le porte-feuille en question a été trouvé sur la personne de E-100612, Sdt Jean-Baptiste Huet. Le porte-feuille a été identifié comme appartenant au soldat René Bergeron.

THE PROSECUTOR MAKES A CLOSING ADDRESS

QU'IL PLAISE A LA COUR :-

L'accusation portée contre l'accusé, la première accusation, c'était le devoir de la poursuite de prouver: 1o. que l'accusé avait volé un porte-monnaie contenant un billet de chemin de fer, carte d'enrégistrement, une lame de rasoir et un montant d'argent de $4.37, propriété de René Bergeron, personne sujette à la Loi Militaire.

Je soumets que sur cette accusation la preuve est absolument complète. Le soldat Bergeron, dans son témoignage, dit à la Cour que le soir du 5 décembre, lorsqu'il s'est couché, il avait placé son pantalon à la tête de son lit et que, dans son pantalon se trouvait un porte-monnaie.

Le lendemain matin, il constate que le pantalon a été déplacé. Il fait rapport au Caporal de chambrée et celui-ci demande par trois fois aux personnes qui sont dans cette chambrée, dont l'accusé, qu'un porte-monnaie a été perdu et de bien vouloir, si quelqu'un avait trouvé ce porte-monnaie, le remettre, soit à lui-même, soit à son propriétaire. A ce moment, l'accusé était dans la chambrée; il avait le porte-monnaie sur lui; il ne dit rien. Il attend. On va à la messe; quand on revient on procède à une perquisition et on trouve sur la personne de l'accusé le porte-monnaie en question, très bien identifié par le propriétaire lui-même et par les personnes qui l'ont trouvé et le témoin Poulin qui a fait les perquisitions.

Je crois qu'il est inutile d'insister beaucoup sur cette accusation qui est clairement, entièrement et parfaitement prouvée et je ne crois pas que l'accusé puisse invoquer aucune excuse parce qu'il a eu l'occasion de le remettre le matin, avant la messe quand le Caporal de Chambrée l'a demandé. S'il l'a trouvé, il savait bien que ce porte-monnaie ne lui appartenait pas, et d'ailleurs, si vous examinez le porte-monnaie, le certificat d'enrégistrement national est sur le porte-feuille et il est clair et net que l'accusé, dans ce cas-ci, avait pris le porte-monnaie et n'avait pas l'intention de le remettre, et, pour me conformer à l'Article, il l'a pris sans l'ombre d'un droit et avait l'intention d'en priver le propriétaire.

Quant à la deuxième accusation, il n'y a qu'un témoin entendu qui dit qu'il a fait un séjour à l'hôpital et que, pendant ce séjour, ses effets avaient été apportés chez le Quartier-Maître et, lorsqu'il a demandé son paletôt, on lui en a rapporté un autre qui n'était pas le sien. Il a fait des recherches et il a trouvé son paletôt accroché sur le crochet près du lit de l'accusé. Il identifie parfaitement son paletôt. A ce moment, l'accusé est en détention; il n'est pas là.

Le devoir de la Poursuite c'est non seulement de faire la preuve mais de mettre tous les faits et toute la preuve; alors, je tiens à mettre toutes les circonstances de cette preuve devant la Cour.

Maintenant, il y a deux charges alternatives, c'est-à-dire, une charge dans chacun des cas. Il est évident que si la Cour en vient à la conclusion que dans la première charge il y a eu vol, la charge alternati-

ve doit tomber. Dans le second cas, si la Cour déclare que l'accusation n'est pas prouvée, la Cour devra déclarer que l'accusé était en possession illégale du "great-coat" du soldat Leblanc.

Je soumets la cause telle qu'elle est devant la Cour et je m'en rapporte à la décision du Tribunal.

Enrithegrie Lt-Colonel
Président T.E.M.

THE DEFENDING OFFICER MAKES A CLOSING ADDRESS :-

Sur la deuxième charge, l'accusation d'avoir volé un "great-coat", il a été dit par le témoin Leblanc que lui-même, Leblanc, avait trouvé son "great-coat" accroché à la place de celui de Huet.

La poursuite, en questionnant sur ce témoignage-là et dans sa preuve n'a pas mentionné l'intention de vol, l'intention de déposséder et de garder la chose qui a été prise ou dérobée. C'est un élément essentiel au crime de vol. Si cet élément manque, le vol n'existe pas, et il n'a pas été prouvé que Huet, même s'il était en possession du "great-coat", avait l'intention de le garder.

Leblanc a fort bien dit qu'il avait rencontré Huet au Dépot la première fois en septembre. Il a été dit que Huet s'est enrolé et il a été dit ensuite qu'il était dans la même compagnie et qu'ils sortaient ensemble, qu'ils étaient des amis. Il a déclaré dans son témoignage à l'enquête que son "great-coat" que Huet avait pris était en bonne condition quoique réparé et qu'il avait mis un vieux "great-coat" à la place. On peut comprendre facilement que pour une sortie Huet, pendant que Leblanc était à l'hôpital, a pris le paletôt dans l'intention de le remettre et seulement pour sortir.

Il manque un élément; il est clair que cet élément manque. Il n'avait pas l'intention de le garder mais de le remettre. Leblanc l'a dit lui-même dans son témoignage.

Je demande donc, sur cette question, que la charge soit renvoyée sur cette question de vol.

President v. C.M.

Summing up
~~RULING~~ OF THE JUDGE-ADVOCATE

Mon devoir consiste à résumer les faits établis tant par la Poursuite que par la Défense et à expliquer aux Membres de cette Cour les questions de droit reliées aux accusations portées contre l'accusé, sans toutefois donner d'opinion sur les faits. Si, au cours de mes remarques, je donnais par mégarde mon opinion sur un ou des faits établis au cours de ce procès, je prie les membres de cette Cour de n'en pas tenir compte.

Les faits établis dans cette cause par la poursuite sont en sérumé les suivants :

Le soldat René Bergeron constate à son lever, le 6 décembre 1942, que son porte-monnaie contenant $4.37, un certificat d'enrégistrement et un billet de chemin de fer, a disparu au cours de la nuit. Il déclare que la veille, il avait placé le tout dans ses poches de pantalon et que ses pantalons étaient à la tête de son lit. Le lendemain, ses pantalons étaient par terre et le porte-monnaie était disparu.

Le Sgt.-Major Gauvreau fait immédiatement faire des perquisitions dans la chambrée 33-A, qui est la chambrée occupée par Bergeron et l'accusé, et il constate que le Cpl. Poulin trouve les articles de Bergeron en la possession de l'accusé. Le Cpl. Poulin se fait entendre et corrobore le tout.

A sa sortie de l'hôpital, le soldat R. Leblanc constate la disparition de son paletot et le Quartier-Maître apporte un paletôt brisé qui n'est pas le sien. Il reconnait ensuite, par certaines marques d'identifications, son paletot sur le lit de l'accusé. L'accusé n'a apporté aucune défense sur ces faits, mais la preuve démontre que Leblanc et Huet étaient amis.

En face de ces faits, la Cour est appelée à décider si l'accusé est coupable de vol des effets des soldats Bergeron et Leblanc.

Pour ce faire, il faut d'abord se demander ce qu'est un vol, et quand une personne se rend coupable de vol. Les éléments qui, en droit militaire, sont requis pour constituer un vol aux termes de la Sec. 18 (4) A.A., sont les mêmes que ceux requis en droit criminel civil.

Le vol, comme tout autre crime, est un acte procédant d'une volonté libre, défendu par la loi criminelle, et il doit être composé de deux éléments constitutifs essentiels:

UN ELEMENT PHYSIQUE : L'Actus Reus, c'est-à-dire un acte prohibé par la loi;

UN ELEMENT MENTAL : La Mens Rea, c'est-à-dire, la volonté de poser cet acte, que l'auteur sache ou non qu'il est prohibé.

Pour qu'il y ait crime au sens de la loi, il faut que ces deux éléments soient réunis à un même objet, en d'autres termes, l'intention doit être la cause déterminante de l'acte posé.

Pour les fins de cette cause, on peut définir le vol comme étant le fait de prendre et de s'approprier, ou de convertir à son usage, frauduleusement et sans apparence de droit, quelque chose qui peut faire l'objet d'un vol dans l'intention de priver le propriétaire de cette chose, temporairement ou absolument.

On trouve également une bonne définition du vol à la Section 33, Chapitre III, M.M.L., (page 22), ainsi qu'à la Section 50, Chapitre VII, (page 118).

Il n'y a aucun doute sur le fait qu'un porte-monnaie ou un paletot puissent faire l'objet d'un vol.

Je crois qu'il est de mon devoir d'exposer brièvement à la Cour ce que les Tribunaux entendent par " La doctrine de la possession récente". Cette doctrine peut se résumer comme suit :-

> Lorsqu'une personne est trouvée en possession de biens volés peu de temps auparavant, il existe une forte présomption que c'est cette personne qui les a volés.

Evidemment, le fardeau de la preuve repose toujours sur la poursuite, mais dès que la poursuite a établi qu'un accusé a été trouvé en possession d'effets récemment volés, une Cour Martiale a le droit de conclure à culpabilité en l'absence d'une explication plausible de l'accusé sur la façon suivant laquelle il a obtenu la possession de ces effets. Cependant, si l'accusé donne une explication plausible que la Cour croit être vraie et qui peut permettre de faire croire à la non-culpabilité de l'accusé, la Cour, même si elle n'est pas convaincue de la véracité de cette explication, doit acquitter l'accusé parce que dans un tel cas la poursuite n'aura pas établi hors de tout doute raisonnable la culpabilité de l'accusé.

A l'aide des faits établis devant ce Tribunal et des notions de droit auxquelles je viens de faire allusion, la Cour est appelée à se prononcer sur les quatre accusations portées contre l'accusé. Deux de ces accusations sont pour vol et à chacune de ces accusations de vol se relie une accusation alternative de possession illégale.

A ce sujet, je dois aviser les membres de cette Cour que, s'ils en viennent à la conclusion que l'accusé est coupable d'une des deux accusations qui vont de pair, ils doivent déclarer l'accusé non-coupable sur l'autre. Je réfère la Cour à la Section 54 A.A., (page 483, note 4); à R.P. 35 (B), ainsi que la note 6, et à R.P. 37, Note 2, (page 641).

Chacune des accusations portées contre l'accusé peut se diviser en un certain nombre d'éléments essentiels, et la Cour, avant de le condamner, doit se convaincre que tous ces éléments essentiels ont été prouvés.

En ce qui concerne la première accusation, les éléments essentiels dont la Cour doit exiger la preuve sont les suivants :-

1) A Montmagny,
2) entre le 5 et 6 décembre 1942,
3) l'accusé s'empara d'un porte-monnaie,
4) appartenant au soldat R. Bergeron.

Les éléments essentiels de l'accusation alternative se rattachant à cette première accusation, sont :-

1) A Montmagny,
2) Le 6 décembre 1942,
3) l'accusé fut trouvé en possession illégale d'un porte-monnaie,
4) appartenant au soldat R. Bergeron.

J'attire de nouveau l'attention de la Cour sur les Règles de Procédure que j'ai citées il y a un instant au sujet des accusations alternatives.

Les éléments essentiels de la seconde accusation sont :-

1) A Montmagny,
2) Entre le 2 et le 7 décembre 1942,
3) l'accusé s'empara d'un paletôt,
4) appartenant au soldat Léopold Leblanc.

Les éléments essentiels de l'accusation alternative se rattachant à cette seconde accusation sont :-

1) A Montmagny,
2) Le 7 décembre 1942,
3) l'accusé fut trouvé en possession illégale d'un paletot,
4) appartenant au soldat Léopold Leblanc.

Si la Cour est d'avis que tous les éléments essentiels ont été établis, alors, elle doit se demander si les faits établis pour prouver l'accusation constituent une offense militaire, et si en agissant comme il l'a fait l'accusé a ou non commis un vol, ou s'il s'est ou non rendu coupable de possession illégale.

Je dois rappeler que d'après le droit anglais qui s'applique ici, le bénéfice du doute doit toujours être donné en faveur de l'accusé.

En terminant, je me permets de dire à l'accusé qu'il peut être convaincu que la décision de la Cour sera tout-à-fait impartiale et ne sera basée que sur les faits qui ont été établis hors de tout doute.

Lieutenant-Colonel
President D.L.M.

ADDRESS OF THE DEFENDING OFFICER

Je demanderai à la Cour de considérer que d'après le M.F.B. 355, l'accusé n'a pas eu de condamnation auparavant et n'a jamais comparu devant une Cour Martiale, puis que l'accusé a déjà passé un temps assez long en détention et que, même si sa formule d'enrolement dit qu'il a dix-huit ans et quelques mois, son extrait de baptême est là pour prouver qu'il n'a que seize ans et trois ou quatre mois.

Je demande donc à la Cour de considérer son jeune âge et le manque de réflexion qui est propre à cet âge-là pour mitiger la sentence autant que possible.

A soldier of the Canadian Army placed on Active Service.

CHARGES:

1.-THEFT: 3.(Alt.) CONDUCT TO THE PREJUDICE.

2.-THEFT. 4.(Alt.) CONDUCT TO THE PREJUDICE.

The Commanding Officer direct that the evidence be taken on oath.

First Witness: E-19101, C.S.M. Camille Gauvreau, "Le Régt. de Mont'y", C.A., attached to C.A. (B) T.C.-54, C.A., Montmagny, P.Q., having been duly sworn, states:-

"Le 6 décembre 1942, à 0835 hres, après la messe, le Cpl. Laroche me fait rapport d'un vol dans la chambrée No. 33 (a), durant la nuit du 5 au 6 décembre 1942, d'un porte-monnaie, contenant de l'argent, une carte d'enregistrement au nom du soldat René Bergeron et un billet de chemin de fer. Immédiatement, je vais avec le caporal Laroche m'enquérir auprès de l'officier en charge du camp, le capitaine Déry, de la permission de faire faire des perquisitions dans les chambrées et sur les hommes. Avec cette permission, j'envoie chercher les "R.P's" Poulin, Ouellet, Soucy et Pépin. Moi-Même, je vais chercher les sergents de peloton et "R.O.S." Nous nous rejoignons environ 10 minutes après, à la porte de la chambrée 33 (a). Je détaillai deux "R.P's" avec deux sergents à la chambrée 33 (b). J'entre avec les "R.P's" Poulin et Pépin et les autres sous-officiers qui étaient désignés pour faire la garde des portes. Après avoir donné ordre au personnel des chambrées de se tenir debout, au pied de leurs lits, sans bouger, je donne ordre aux "R.P's" de commencer les perquisitions. J'ai alors constaté que le Cpl. Poulin trouva les articles du soldat Bergeron en possession du soldat E-100612 Jean-Baptiste Huet. Immédiatement, je fis mettre le soldat Jean-Baptiste Huet sous arrêt.

"Le 7 décembre 1942, dans le cours de la journée, le soldat Léopold Leblanc, No.E-100615, me fit rapport que Jean-Baptiste Huet avait son "great-coat", car il le reconnaissait même après les tentatives de Huet d'effacer le numéro de Leblanc, qui apparaissait sur le dit "great-coat".

L'accusé décline de transquestionner le témoin.

Second Witness: E-615903, Pte René Bergeron, NRMA Cl. Depot No. 5, attached to C.A. (B) T.C.-54, C.A., Montmagny, P.Q., having been duly sworn, states:-

"Le 6 décembre 1942 au matin, en me levant, je constatai que je m'étais fait voler dans mes poches de pantalon, à la tête de mon lit, mon porte-monnaie qui contenait $4.37, en augent, une carte d'enregistrement et un billet de chemin de fer. J'en fis immédiatement rapport au caporal en.....

Third Witness: G-600604, Caporal Michel Poulin, "H.P". "Home Defence", attached to C.A. (B.) T.C.-54, C.A., Montmagny, P.Q., having been duly sworn, states:-

"Le 6 décembre 1942, après la messe, le caporal Laroche me fit part d'un vol qu'il y avait eu dans la chambrée 33 (a), dans la nuit du 5 au 6 décembre. Il me demanda d'aller faire une perquisition. A l'aide du "H.P. Hervé Pépin, je fis cette perquisition et je trouvai sur la personne du soldat Jean-Baptiste Huet le porte-monnaie du soldat René Bergeron, lequel porte-monnaie contenait $4.37, en argent une carte d'enregistrement et un billet de chemin-de-fer."

L'accusé décline de transquestionner le témoin.

Fourth Witness: K-100615, Pte Léopold Leblanc, General List, C.A., attached to C.A. (B.) T.C.-54, C.A., Montmagny, P.Q., having been duly sworn, states:-

"Quelques jours après mon entrée à l'hôpital, vers le 2 décembre 1942, un soldat de mon peloton vint me dire que mon "great-coat" était disparu. Mon linge ayant été transporté au quartier-maître, le 7 décembre, je fis demander mon "great-coat". C'est alors qu'on m'apporta un "great-coat" tout brisé. Je fis rapport à la "Guard-Room" que ce n'était pas le mien, et que le mien, je le reconnaissais au lit du soldat Huet J.-Baptiste, parce qu'il était cousu dans le dos et qu'il portait mon numéro, à l'intérieur, dans le bas. Le soldat Huet dit qu'il avait bien pris mon "great-coat", mais que c'était dans l'intention de me le remettre à ma sortie de l'hôpital."

L'accusé décline de transquestionner le témoin.

Léopold Leblanc

QUESTION TO THE ACCUSED:

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

ANSWER BY ACCUSED:

"Je n'ai rien à dire en ce qui concerne la première charge. Pour ce qui est de la deuxième, le soldat Leblanc était à l'hôpital, et comme mon "Great-Coat" était brisé, j'ai pris le sien dans l'intention de le lui remettre à sa sortie de l'hôpital. Je n'ai jamais essayé de faire disparaître le numéro à l'intérieur, car je n'avais même pas remarqué qu'il y avait un numéro."

1. Receipt is acknowledged of your Q.39-H-1227 (JA) dated the 6th February 1943, under cover of which you forwarded for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities set out in your letter, the following have been noted:

(a) The words "or abstract" being struck out should have been initialled by the President of the Court.

(b) With reference to the Charge Sheet, it is noted that the alternative charges are placed at the end of the Charge Sheet. An alternative charge should be placed immediately after the charge to which it is alternative. In this case the third charge should have been the second charge and the second charge the third.

(c) On page 11 after Answer 66, the proper notation is "cross-examined by the Defending Officer" and not as stated.

(d) On page E, the fact that R.P.83(b) has or has not been complied with and the witness withdrawn should have been stated.

(e) With reference to Exhibit "P", although the accused did not suffer any prejudice from the production of this exhibit, it would have been preferable not to produce same. Such a notice should be produced only when the Defence is contesting the fact. Besides, this document should have been marked "Certified True Copy", and signed by the proper officer.

(f) With reference to the Medical Certificates, the officer signing these documents should have shown his appointment.

(g) It would have been preferable to mention the names of the units to which the Members under Instruction belonged.

3. It is noted that the accused spent 43 days in custody awaiting trial and none of these in hospital. It is felt that this is a long delay and some explanation should be forwarded to account for same.

4. With reference to paragraph 8(c) of your letter under reply, while the variations on pages 744 - 745 M.M.L. do not give any suggestion as to the type of

General List, C.A.,
Att. to C.A.B.T.C. No. 54, C.A.

1. Enclosed herewith, please find the proceedings of the m/n District Court-Martial, which are addressed to you for registration and custody.

2. The following irregularities have been noted :

a) PAGE "A" : It was not necessary to insert the certificate at the foot of page A, as no Court of Inquiry was held in this case.

The order detailing the Defending Officer should have been marked X-1 and a reference to that effect should have been made underneath the designation of the Defending Officer.

b) PAGE B : The list of officers who actually attended as officers under instruction should have been marked "G", as required by Handbook on District Court-Martial, instead of X-2.

It would have been preferable to insert a notation before Question 43, to the effect that the accused was arraigned upon the other charges instead of inserting this note on Page B-4.

c) PAGE B-4 : The Minute of adjournment should have been marked "O" instead of "R".

The evidence on the Motion of the Defending Officer was marked "I" and "II" in order that all the facts be shown in the sequence in which they happened.

May this Headquarters be advised whether this procedure is correct, please.

d) PAGE 27 : Questions 153, 154 and 155 are leading questions and should not have been allowed.

e) PAGE 75 : The wallet of Pte. Bergeron was properly produced to the Court and attached to the proceedings as exhibit "Q". On 27th January, 1943, the proceedings and

Re: Application for District Court-Martial
E/100612, Pte. Jean-Baptiste Huet
General List, C.A., Att. to CABTC. No. 54, C.A.

1. Receipt is acknowledged of your Q:39-H-1227 (JA) dated December 30th, 1942, under cover of which you forwarded to this department, charge sheet, summary of evidence and attached documents, in respect of the marginally noted application for District Court-Martial.

2. The charge sheet appears to be in order, and the charges properly framed, subject to the inclusion of his rank in the description of the accused, as well as rectification of certain grammatical errors in the wording of the charges. The summary disclosed a sufficiency of evidence on which an order for trial may be properly made.

3. However, it is recommended that the charge sheet be redrawn to include alternative charges of improper possession under Section 40, Army Act, in respect of each of the charges as presently set out. The Documents enclosed with your letter, are accordingly returned.

APPLICATION FOR DISTRICT COURT-MARTIAL,

1. Please find enclosed herewith an application for district court-martial in the case of the marginally-named other rank together with one copy of the charge sheet, one copy of the summary of evidence, List of Witnesses for the prosecution, Statement as to Character and Particulars of Service of the Accused and a copy of the statement by the accused as to his representation at the trial.

2. The second witness should have been requested to state whether or not the sum of $4.37, his registration card and his railway ticket were also given back to him, but as the first witness for the Prosecution states that all the articles of pte. District Officer Commanding,
Military District No. 6,
HALIFAX, N. S.

RECEIVED JAN 8 1943 A.D.

Re: DISTRICT COURT-MARTIAL.
F.55113, Pte. Elmer Donald HARRIS,
No. 6 District Depot (CA).

Receipt is acknowledged of your H H-1482, dated 31st of December, 1942, under cover of which you forwarded for registration and custody, the Proceedings of the marginally-noted District Court-Martial.

2. In addition to the irregularity set out in your letter, the following have been observed:

(a) The Junior member of the Court is described as Lieut. B.B. Taylor in the Convening Order and as J.B. Taylor on page A of the Proceedings. There are no such officers as so described in the Canadian Army, and it is presumed that the officer detailed and who sat on the Court is Lieut. G. B. Taylor, R.H.C., C.A. It is hardly necessary to point out the high degree of care required in detailing officers to compose a Court-Martial, and in properly describing same, but it is not thought that in this case any misunderstanding could have arisen and, accordingly, the Finding and Sentence can stand.

(b) All corrections throughout the Proceedings were not initialled by the President.

(c) The initials or christian names of the shorthand writer and of all witnesses should precede their surnames.

(d) The permanent rank of the first witness for the Prosecution should have preceded his acting rank.

(e) The Corps of the President and members of the Court of Inquiry and of the Convening Officer and of the officer certifying the documents should have been set out after their names in M.F.B.375.

(f) The dates of the Transport Warrants and the journeys covered thereby should have been set out in M.F.B. 1481.

8/1/43
Barry

(g) When extracts of Part II Orders are produced to a Court, the said extract properly certified should contain the heading of the original Order, the appropriate entry and a copy of the signature thereof. In other words, a Part II Order should be a copy of the original Order with all inapplicable entries therein omitted.

(h) The closing addresses of the Prosecutor and Defending Officer were given in the wrong order. (See R.P.40). R.P.40 and 41 give the proper order for all addresses under all circumstances and should be referred to in every case.

3. It is not considered necessary to return the Proceedings which are, accordingly, retained

First witness) F55113, Private Elmer Donald Harris, No. 6 District
for) Depot, C.A., being duly sworn, is examined by the
Defence) Defending Officer.

Q.25 How did you come to be in Sydney in September, 1941?

A.25 I was on furlough, Sir.

Q.26 Will you tell the Court in your own words your actions from the time you were on furlough in September, 1941, until the time you were arrested on the 1st December, 1942.

A.26 I was home for about five days and I joined a ship.

Q.27 What ship did you join?

A.27 The"S.S. Mallard."

Q.28 Go on?

A.28 We got as far as the Straight of Belle Isle, and we were in a collision with another ship, and were sunk. About four or five hours afterwards, we were picked up by a Naval Corvette, and were taken back to Sydney. I was ashore at Sydney for about two days when I joined a ship named the "Empire Dunlan." We went across to England and landed in Hull.

Q.29 You landed in Hull, did you stay with the ship there?

A.29 No, Sir, I was paid off, and joined the Merchant Navy Reserve Pool.

Q.30 Why did you not go back to the ship you crossed to Hull on; namely, the "S.S. Empire Dunlan."

A.30 I was signed on articles to make a round trip from Canada to England, and back, but the Captain got paid off. I asked the new skipper if they would take me back to Canada, and if the articles that I had already signed were still good, but the new skipper said, "No." I was in England about three weeks, being paid by the Merchant Navy Seamen's pool, ashore, and then I joined another ship called the "Lorneston."

Q.31 In what capacity did you serve on the "Lorneston?"

A.31 Stoker, Sir. I was there for about a week, and when she was leaving the docks, I got badly burnt.

Q.32 What docks were you leaving?

A.32 "King George" docks at Hull. I was then taken to Hospital. I was in the hospital for about a month. When I came out I joined a ship named the "S.S. Beechwood." I made a trip across to New York, and loaded at New York for three weeks, , and from there to Brazil for bunkers, and then to Capetown, South Africa. From there we went to Durban, South Africa, and from there we went to Aiden, from Aiden, we went to Port Sedan, from Port Sedan, we went to Port Suez, discharged the remainder of the cargo, and loaded for Palestine. We discharged at Palestine, and partly loaded, and went to Port Said, where we finished loading for England.

D 5

Q.33 En route to England, did anything happen?

A.33 Yes, Sir.

Q.34 What happened?

A.34 We were torpedoed about 300 miles off of Cape Freetown.

Q.35 How did you escape from the torpedoed ship?

A.35 On a raft, Sir.

Q.36 How long were you on that raft before being picked up?

A.36 About ten hours.

Q.37 Who picked you up?

A.37 One of the Royal Navy Auxiliary ships.

Q.38 Where did they bring you?

A.38 To Freetown.

Q.39 Continue. Will you describe this document to the Court?

A.39 That is a letter from the Company which owned the ship.

Letter addressed to Mr. E. D. Harris, 27th Linnaeus Street, Hull, from the John T. Jacobs Co., Ltd., dated 24th September, 1942, is handed to the Court, read, marked "L", signed by the President, and attached to the Proceedings.

Q.40 You have told us that you were picked up by the Royal Navy, and lodged at Freetown?

A.40 I was at Freetown about seven days, and they put me aboard another ship going to Belfast. From there, we shipped back to Hull. I got fifteen days leave from the ship I was on, and a month's survivors leave. I was ashore for pretty near a month, and I joined the "Empire Stour" at Halifax. We went to Middleboro, reloaded, and from there to Halifax. After we arrived in Halifax, we changed orders for Sydney. I got a pass there, went ashore, met some friends, and went back on board ship. About two hours afterwards, the M.P.'s came aboard and took me off. I intended to surrender to the military authorities anyway.

Cross examined by Prosecutor.

Q.41 Where did you bunker in Brazil?

A.41 Pernambuco.

Q.42 Did you bunker at the Cape?

A.42 No, Sir, we did not bunker. We were there for a short while, and then changed orders and went to Durban.

Q.43 Did you bunker at Durban?

A.43 Yes, Sir.

Q.44 Did you absent yourself from Debert Camp?

A.44 No, Sir, I was on furlough.

Q.45 When did your furlough expire?

A.45 27th September, 1941.

Q.46 You were absent from the Cape Breton Highlanders from the 27th September, 1941, until the 1st December, 1942?

A.46 Yes, Sir.
The Defending Officer declines to re-examine.
Questions by the Court.

Q.47 When you joined the "S.S. Beechwood", whattype of articles did you sign?

A.47 Two years, Sir.

Q.48 When you joined the "Empire Stourt" which came to Halifax, what type of articles did you sign?

A.48 Two years.

Q.49 That is, to go with the ship wherever she went?

A.49 Yes, Sir.

Q.50 Where is your home in Cape Breton?

A.50 Whitney Pier, Sir.

Q.51 Were you born there?

A.51 Born at Sydney, Sir.

Q.52 Are your people seafaring?

A.52 Yes, Sir.

Q.53 Had you been to sea before?

A.53 Yes, Sir.

Q.54 What ship?

A.54 I worked on the Black Diamond boats out of Sydney

Q.55 Is the type of articles now out for a period of two years?

A.55 Yes, Sir.

Q.56 Harris, how long had you been in the Army before you received your furlough?

A.56 Sixteen or seventeen months, Sir.

D 9

Q.57 During your training, did you receive lectures on Military law?

A.57 Once or twice, Sir.

Q.58 Did you have lectures on military law, or did they read sections 4 to 44 of the Army Act to you?

A.58 I don't know, Sir.

In the opinion of the Court, it is not necessary to comply with R.P. 83 (B).

The witness resumes his seat.

The Defending Officer makes a closing address, which is marked "M", signed by the President, and attached to the Proceedings.

The Prosecutor makes a closing address, which is marked "N", signed by the President, and attached to the Proceedings.

CLOSING ADDRESS BY DEFENDING OFFICER

May it please the Court:

The Prosecution has not brought forward one particle of evidence to show that the charge of desertion against the accused has been justified or proven. There has been no evidence to show that the accused intended to desert, or evade serving His Majesty the King (foot note section 12 Army Act). On the contrary, while not condoning the action of the accused in being absent from his regiment, I admit absence without leave, but that absence was not spent in the pursuit of pleasure or self indulgence, it was spent in a very hazardous manner, and the accused, on two occasions, barely escaped with his life.

His first ship, the "Empire Mallard" was sunk by collision in the Strait of Belle Isle. He was rescued by an Naval corvette, and brought to Sydney, Nova Scotia. One would think that this experience would have been sufficient, but no, he joined another ship, the "Empire Durlan," from Sydney, Nova Scotia, to Hull, England, where he joined the Merchant Navy Reserve Pool. After a period of three weeks, he was shipped as a stoker on another ship; namely, the "Lorneston," and in the course of his duties as a stoker was badly burnt. He was sent to hospital at Hull. On discharge from hospital, he shipped on the "Beechwood" and was torpeoded off the West Coast of Africa. He was afloat on a raft for over ten hours, and was rescued by a ship of the Royal Navy, and landed at Freetown. He was given passage to Belfast, Ireland, and from thence to Hull, England. He again shipped as a stoker, this time on board a ship called the "Empire Stourt," and eventually arrived at Sydney, Nova Scotia, by way of New York.

It was on this ship that he was arrested on December 1st, 1942, at Sydney, N. S. The accused has told the Court in his sworn evidence that it was his intention to surrender himself to the military authorities, but he was arrested before he was able to do so.

I maintain that this soldier has made a very much larger contribution to his country's war effort during the period he was absent from his unit, than he could have made had he not gone absent.

In coming to this decision, gentlemen, I ask you to take any contribution which was made at the cost of his own life under consideration.

"M"

CLOSING ADDRESS BY PROSECUTOR

I submit that it has been proven that the accused was absent from his unit from 2200 hours on the 27th of September, 1941, until 0220 hours on the 1st December, 1942, and that the question that you gentlemen will have to decide was the intention which the accused had on the 27th day of September, 1941, when he joined the ship at Sydney.

I do not think that I can be of any further assistance to you in coming to your conclusion on that.

1. Receipt is acknowledged of your letter of the 4th January, 1943, your K.55-H-966 (JAG), under cover of which you forwarded for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities set out by you, the following have been observed:

(a) The place of trial on page A of the proceedings is not identical with that set out in the Convening Order.

(b) M.F.B. 1481 was not fully completed in that certain of the blanks were not filled in as required. Also the dates of the Transport Warrants issued should have been set out.

(c) The dates of the incidental expenses incurred should have been set out in M.F.B. 1482.

3. It is not considered necessary to return the proceedings which are accordingly retained for custody. May the above noted irregularities be drawn to the attention of all officers concerned for their future guidance.

Brigadier,
Judge Advocate-General.

District Court-Martial
H.64514, Pte. William Campbell HOWAT
C.O.C.T.C.(A21)

Herewith enclosed proceedings on the trial by District Court-Martial of the marginally named soldier, the finding and sentence having been confirmed by the District Officer Commanding, and duly promulgated.

2. The same are forwarded to your office for registration and custody, the remarks contained in the attached list having been brought to the attention of all Officers concerned.

(a) The Medical Officer should use the suffix C.A. to indicate that his Unit and appointment are part of the Active Army. See Routine Order 2252.

(b) In the Charge Sheet, it is not necessary to say first charge when there is only one nor is it necessary to state to whom the soldier surrendered. If specimen charges set out on page 715 M.M.L. et seq. are followed, time and errors will be avoided.

(c) In the Summary of Evidence:

(i) The first witness is obviously giving hearsay evidence when he states that the accused surrendered at Port Arthur. It is realized that some improper evidence will be admitted in Summaries but Officers taking these are asked to endeavour to watch the evidence closely and try to have only that which would be admitted on a trial given in the same.

(ii) The evidence of Capt. Reilly, the Adjutant was particularly well given.

(iii) It is suggested that it should be made clear that the accused had an opportunity to call witnesses at the investigation which could be shown by inserting after his evidence some phrase such as "The accused declines to call any witnesses" Attention is directed to R.P. 3(A) which provides that the accused will have every liberty to call witnesses in his defence. Officers preparing Summaries and checking cases for Courts-Martial are directed to R.P. 3, 4, 76 and 80 and to a careful study of the Handbook, particularly the recent amendments which are very helpful.

(d) A skeleton Summary for your assistance is included.

(e) In M.F.B. 375:

(i) The suffix C.A. should be used to denote that the accused is on Active Service as set out in R.O. 2252.

(ii) The Unit and attachment of the accused should be set out in full in the fifth line.

(iii) The Unit from which the accused went absent as well as the place should be set out in the 9th line.

(f) In M.F.B. 1481 deletions have not been initialled and it is better to date the items of the particulars. The suffix C.A. should also be used as above mentioned.

(g) The President of the D.C.M. should have initialled the rulings out on the backs of the various pages in the proceedings.

(Signed)
S. Fox, Major
Royal Ontario Regiment, C.A. (xii)
Officer detailed to take the Summary of Evidence.

It will be noticed that the second and succeeding pages are merely headed (2) (3) etc and no wording is needed at the top.

NOTES

(i) R.O. 2252 para (a) states:- Where it is necessary to indicate that Formation, Units or Personnel belong to the Canadian Army, the expression "C.A." may be used. Para (b) indicates proper method of describing Reserve Formation, Units or Personnel.

(ii) See new para 22 on page 27 of the Handbook as to method of describing "R" recruits and members "H.D."

(iii) R.O. 2194 as to Acting, Warrant and Non-Commissioned Officers, description of rank and appointment, states:

"Whenever Acting, Warrant or Non-Commissioned Officers are referred to in official correspondence and documents, the confirmed (substantive) rank must be shown followed by the acting rank held, in brackets, e.g.:

Z.1234, Pte.(A/Sgt) A.J. Blank
A.5078, C.S.M.(W.O.II) (A/R.S.M., W.O.I),
G.J. Jonathan.

(iv) R.P. 4(C) provides for use of statements "purporting to be signed" by witnesses "if a person cannot be compelled to attend as a witness or if owing to the exigencies of the service or on other grounds (Including the expense and loss of time involved) the attendance of the witness cannot in the opinion of the Officer Taking the Summary, be readily procured."

(v) Note at top of page 449, M.M.L. says in part "in all cases where A.F.B. 115 (our M.F.B. 375) is not produced at the trial, evidence must be produced to show that at some previous specified date the accused had been in possession of the articles alleged to be deficient." THIS ONLY APPLIES IF M.F.B.375 NOT AVAILABLE.

(vi) By Order-in-Council, P.C.9966, form M.F.C. 800 was made a regimental book as of 3rd November, 1942, which means that it may be produced as set out in Section 163 (1) (g)&(h) of the Army Act or that a certified true copy thereof may be produced at a Military trial. Thus the kit can be checked against this form prior to the investigation, and if the accused pleads not guilty at trial, form M.F.C.800 can be produced as evidence that the deficiencies were once in the possession of the accused. NOT USED IF MFB 375 AVAILABLE.

(vii) See para 4 of Appendix to R.O. 1877 as to method of valuing deficiencies, i.e. equipment, and clothing 75% of vocabulary rate - regimental necessaries, full vocabulary rate. Vocabulary Rates are set out in R.O. 1862.

(viii) R.P. 4(E) sets out the form of questions, and it will be noted that the accused must NOT be cross-examined on his reply, even if he makes a statement on oath. See footnote 8 to R.P. 4(E) at page 619 M.M.L.

(ix) If the accused states that he has nothing to say, or answers in the negative, his signature is not required.

(x) If the accused makes a statement, it must be signed by him, but whether made on oath or not he must not be cross-examined. See note 8 to R.P. 4(E) at page 619, M.M.L.

(xi) If a written, signed statement is included in the Summary under the provisions of R.P. 4(G) then alter the last sentence to include R.P. 4(G) so that it reads as follows: "Rules of Procedure 4(C) (D) (E) (F) & (G) have been complied with."

(xii) As the Officer Taking the Summary is not a witness, his unit and attachment have not been set out and so must be given under his signature.

Pte. Howat, W.C. H64514

President and Members of the Court I appreciate having the opportunity of telling you why I went A.W.L.

I left a good job in Winnipeg as a fitter machinist to join the army and do my bit, as I was told they needed machinists badly. I enlisted on May 30, 1941.

I was assured the government would pay my wife $35.00 and $12.00 for the boy, which with my assigned pay would let her carry on. I had also purchased a rooming-house about two months before my enlistment hoping to add to her support and also give her a home.

Unfortunately, Winnipeg was visited by a flood in July, 1941, which flooded my home to a depth of seven feet (7'). This caused the roomers to move out and the water destroyed much of the household effects.

After two and a half (2 1/2) months and no money from Ottawa my wife received a letter from Ottawa stating that she would not receive any allowance for either her or the boy. She immediately wrote to me at Fort William, and told me her trouble.

By this time the rent was overdue and the National Trust wrote saying they were going to take action and seize the furniture.

I went to the Adjutant at Ft. William and told him of my difficulty and he said he would get in touch with Ottawa. I applied to the Adjutant and my Coy. C.O. for leave of absence to go home and clear it up but was refused.

The Paymaster advised me to write to my wife and have her come to Fort William and see the representative of Board of Pensions, who investigates such cases.

The Board of Pensions representative informed us that he couldn't do anything unless authorized to do so by Ottawa. He in turn advised me to go back and see the Paymaster, which I did. The Fort William Paymaster advised me that I was being sent to Barriefield and to take it up with the Paymaster at Barriefield.

I didn't know what to do as I was just being pushed around and lost, so I told the wife to go back to Winnipeg, sell the furniture and pay up the rent. I was hoping she would have a little money left over, which I knew she wouldn't have if the National Trust seized the furniture and sold it.

She sold the furniture for $110.00 and paid $80.00 owing rent leaving her $30.00, which she used to clear other small debts.

While she was selling the furniture I was moved to Barriefield. She then moved to Port Arthur (her previous home town).

Shortly after arriving at Barriefield I saw the Adjutant, who said he would write Ottawa and if he couldn't get any satisfaction would parade me in to see the Commandant. I asked to be paraded right then and he made arrangements and paraded me in.

The Commandant listened to my story and said he would write Ottawa and have my case investigated. He informed me that the board was administered by a civilian board and that the army couldn't interfere and would have to wait for a ruling from Ottawa.

I waited several days and worked at fatigue work laying sod around the shops, but on receiving word from home that the conditions there were

desperate I decided to do something about it myself.

I knew by this time that I had made a mistake in having my wife sell the furniture and that she was liable, because the Household Finance Co. was holding a chattel mortgage on it.

On arriving home I found a debt of over $100.00 which was the balance of debts contracted just previous to my enlistment. My wife had been trying to pay them off through my $20.00 assigned pay. (This was all she received)

Having previous business experience I realized the necessity of having a good credit name if I wished to re-establish myself after the war.

Therefore I immediately went to work and cleared these debts and again established my wife and boy in a home as I have receipts to prove.

Having accomplished this I surrendered to the Provost at Port Arthur after finding out I could not go to Barriefield due to new regulations regarding travelling. (Selective Service Regulations)

Sir, I feel I have stood by my family and am now ready to do my duty as a soldier.

I have also written to the Adjutant at Fort William, Lieut. Henrys, to prove my statements, but I haven't had sufficient time to receive a reply.

Mr. Vaughan tells me that in my regimental documents there is some conflicting statements which may be part of the cause for my wife not receiving her allowance.

*[~~or hands in a written statement, which is read, marked - - - -, signed by the President, and attached to the proceedings.~~]

A.5 I am No. C.31563, Pte. Milton Archibald Howard, A.20 Canadian Army Service Corps Training Centre, C. A., Red Deer, Alberta. I went to Ottawa and I enlisted on the 17th. of July, 1941 at the Depot. Iwas eighteen but I wanted to get overseas so I put my age at twenty to get overseas. I hung around Ottawa for three months and I seen I wasn't getting overseas and I went on draft to Cornwall, Ontario, for my basic training, and then I applied for furlough and it was refused. They sent me on a draft to Red Deer and I done my advance training in No. 2 Company. I was put into Holding Company and granted my embarkation leave, but I hadn't enough money to get home on embarkation leave and as I hadn't completed my training then they took me out and put me into No. 2 Company and then I completed my training in No. 2 Company, and I wanted to get back into the Holding Company, so they put us into the M. T. Company for driver instructors, so

Instruction.

* If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

Lieut. Wright asked us if we wanted to stay and the rest of the guys all went into the M. T. Company as instructors but I didn't want to. I hung around and asked one of the sergeants if there was any chance of getting into the Holding Company and he just says 'No', so I have friends up at Mannville, Alberta, so I went there to help them with their harvest. If there is any possible chance I would like to ge to the Holding Company as soon as possible for overseas. That is about all, Sir.

Q.6 Do you wish to give evidence yourself or to call any witnesses as to character? *Question to the accused.*

A. 6 Yes, Sir, I wish to call Lieut. Braun. *Answer.*

First Witness for the Defence. Lieut. J. E. Braun, A.20 Canadian Army Service Corps Training Centre, C.A., being duly sworn, is examined by the Defending Officer. *Evidence as to character.*

Q.7 Will you please identify yourself to the Court.

A.7 I am Lieut. J. E. Braun, A.20 Canadian Army Service Corps Training Centre, C.A., Red Deer, Alberta.

Q. 8 Would you just repeat to the Court the information you gave me ysterday about this man while in No. 2 Company.

A. 8 Pte. Howard, the accused, was in my platoon in No. 2 Company for a period of six or seven weeks. During this six or seven weeks I made it a definite point of putting Howard in charge of a few men, say six or eight men, on a scheme. At all times during this six or seven weeks I found Howard to be a good, efficient soldier, He was well turned out, and I found no fault with his character or his behaviour. I was not in the platoon, being on annual leave, when Howard left so I have no knowledge of the reasons or circumstances under which he did leave. I might say again that during that time he showed considerable interest at all times, and at no time was it necessary to check him up for any dereliction of duty. That is all I have to say.

The Prosecutor declines to cross-examine.

In the opinion of the Court it is not necessary to comply with R. P. 83(8).

The witness withdraws.

*To be struck out except in cases where trial has taken place on a plea of "Not Guilty."

The Court is closed for the consideration of the finding.

The Court find that the accused

Have you any evidence to produce as to the character and particulars of service of the accused? *Answer by the Witness.* A.9 Yes, I produce M. F. B. 355

"Exhibit I"

THE ACCUSED ADDRESSES THE COURT
THROUGH HIS DEFENDING OFFICER.

Sir, with your permission I would like to go through Howard's history since he joined the army, - from his own story and from the evidence given by Mr. Braun. He joined the Active Army on July 17th. 1941, at the age of eighteen years, for the express purpose of getting overseas. I think that is obvious enough from the fact that he stated his age to be twenty years, which would qualify him for service overseas. That enlistment was not compulsory. It was not the result of draft or anything like that. It was a voluntary enlistment as a result of his own enthusiasm to get over and get the defence of the Empire over with as soon as possible. At the present time he has been in the Army over a year. When he enlisted it was his ambition to get overseas within one or two months but following his enlistment he was held at the depot in Ottawa doing fatigues for three months. Eventually he got to a training centre and completed his basic training. Then in a required time he applied for furlough, which was refused. He was sent from his basic training centre here to Red Deer and posted to a training company here. He managed to get into the Holding Company here and was granted embarkation leave, but he had no money, and in any case he was taken out because his training was not completed. He was taken out and put back into No. 2 Company. He still wanted to get overseas. He qualified in No. 2 Company and wanted to get to the Holding Company again, but his class was working with the M.T. Company, getting their passes from the M. T. Company

and it was very possible they would all be posted to M.T., and Lieut. Wright had spoken to most of them and told them it was very likely they would be posted to the M.T. Company, so this man went to his sergeant and asked if it was possible to be posted to the Holding Company and go on draft. He got no satisfaction at all. He seemed to be getting nowhere in the Army. He had been in for one year and two months. He has had no furlough, no embarkation leave, and it looked very much as though he would be kept in Red Deer as a driver's instructor. That he did not want to do. He felt that there were plenty of men who could take on jobs like that. He was young, healthy, full of enthusiasm and wanted to go overseas, but for some reason he couldn't get there. Now, as you know, he is only nineteen now. He was eighteen when enlisted. Naturally, at that age, being full of enthusiasm and of a very impulsive nature - most young men are - but when things like that happen then they tend to lose that enthusiasm and become rather bored with it. I would also like to submit for your consideration the excellent record in No. 2 Company, and Lieut. Braun has been brought in, his platoon commander and character witness, and also I remember the lad, that is my Company, and he was a good man. He was the right marker almost every day and the section leader. He was smartly turned out and did good work, and as Lieut. Braun mentions, when he was given a job he got it done, and he showed all the interest you could hope for. He was a fine, earnest, smart soldier. I think the fact that he wanted to get into the Holding Company and get on draft overseas, and the fine record of his training in No. 2 Company should stand him in good stead, and serve in mitigation of sentence. He still

wants to get to the Holding Company. He would go today if he could get there. Unfortunately, probably he can't if it is necessary to sentence him, but he wants to know if he could possibly get directly there from serving whatever sentence he may have to, - directly to the Holding Company, and then be sent on his way. I think in view of that and Mr. Braun's character evidence - and I think he is an officer very capable of giving that evidence - I think all these facts should be considered by the Court before passing sentence on this man. I think they should be considered very deeply and the appropriate amount of leniency be shown in any sentence that is imposed on this man.

Re: DISTRICT COURT-MARTIAL
No. H-65503, Pte. John Henry Harder
No. 10 District Depot, C.A.

1. Receipt is acknowledged of your W-44-H-3347 (J) dated January 12th, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court Martial.

2. The following irregularities have been noted in the proceedings:

(a) It might have been preferable had the description of the N.C.O. to whom the surrender was made, contained in the particulars of the Charge, conformed more closely to that set out in M.F.M. 216, rather than the somewhat indefinite reference in the charge "his Company Sergeant Major".

(b) It is observed that the defending officer in his closing address quite improperly referred to matters of fact which had not been proved and which were never intended to be proved in evidence. For a definition of the rules governing the closing addresses of the Prosecutor, Counsel or Defending Officer, please see R.P. 92 (c) (d) and R.P. 87 (c).

PROSECUTING OFFICER'S CLOSING ADDRESS

Mr. President and Members of the Court; this case is one where the absence has been proved and I submit it now becomes a case of what this man's intentions were when he went Absent Without Leave. The evidence that he has given himself is to the effect that he was fed-up with the Army. He went up to Alberta, didn't go home, went to Alberta, did some work up there and then returned to Manitoba just three days before he gave himself up. This was in December. I think it is the proper inference to take that the working had closed up in December and finding himself out of funds he came back again. I submit there is a strong presumption, and from the man's own statement, that when he left the Army, he was fed-up with the Army and decided to quit it and, if that is the case, he should be found guilty of desertion and not absence without leave. On the other hand, if the Court finds that the evidence is that he just intended to stay away for a short time, take a holiday, then I submit it should be absence without leave. That, however, I don't think is the case. There is no evidence here at all that when this man left he intended to come back. He wanted to go Overseas. He was taken off a draft and couldn't get Overseas. He doesn't know why he left but just left and I submit that at that time he had no intention of coming back and I think he should be found guilty of the Charge.

DEFENDING OFFICER'S CLOSING ADDRESS

Gentlemen; in my opinion the accused is of low mentality. He has only a grade two education and I think a normal child reaches that when he gets to be eight or nine years of age. One reason he went absent was because he was taken off drafts and the other reason was he was refused sick leave. I imagine that at the time he did go he was a little low in his health after having been in Hospital with a smashed nose. I looked at this man's documents and I found out the reason he was taken off the drafts. The reason is, his education ~~stats~~ shows, he was unable to master map-reading which is very necessary for a driver on going Overseas. He was a member of the Army Service Corps. Under present conditions this man Harder would go to an educational Basic Training Centre but, in those days, there was no such thing but if there had of been I don't think this man would have got into this trouble. I don't think he realized what he did. He went absent, certainly, but I don't think he knew what was meant by desertion. The accused came back, surrendered himself and was wearing Military Uniform. I think that a little leniency should be given in this case. He is not an ~~Bad~~ man in my opinion. He went to school till he was fourteen and only reached grade two. I ask that all these things be taken into consideration, Sir.

Re: District Court-Martial
D-115585, Dvr. Marcel Joseph Albert Houle,
2nd Canadian Armoured Brigade Company, RCASC, C.A.
attached to No. 4 District Depot, C.A.

With reference to your M.1-H-1200(J) dated January 27th, 1943, in reply to our letter dated January 23rd, 1943.

2. It is agreed that the notations made in the proceedings were based on specimens contained in the Handbook and for this reason your attention was directed to the fact that the notations in the Handbook are not correct.

3. As to paragraph 2(a) the minute was set out in full in our said letter. The amendments are not yet official, but some units have the draft copies and so reference is made to the amendment but in case you did not have a copy thereof the exact wording was also included.

4. As you say in paragraph 1(a) on page 61 of the Handbook appears an improper notation as to the marking of documentary evidence. For this reason in para. 2(c) of our said letter we referred to the authority and then gave the proper notation.

5. It is the endeavour of this Headquarters to assist the Districts and Units and our observations are made with this end in view. Unfortunately, the draft amendments have not yet been approved. They were given to the various officers who attended the Course at Esterel last summer and the distribution thereof was left to their judgement, and this Headquarters does not wish to interfere with their respective decisions.

6. It is hoped that the amendments will be finally approved and circulated within the next few weeks.

7. Your comments are always welcome at this Headquarters and it is hoped that this letter will clarify the notations contained in our said letter of January 23rd.

Brigadier,
Judge Advocate-General.

Re: District Court-Martial

attached to No. 4 District Depot, C.A.

Receipt is acknowledged of your M.1-H-1200(J) dated January 19th, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. The following irregularities have been observed in the proceedings:

(a) On page 2 of the proceedings the notation as to adjournment follows the old form. The new form as set out in the amendment to page 54 of the Handbook is:

(For minute of adjournment and re-assembly see document marked " ")

(b) Attention is directed to R.O. 2194 as to manner of describing acting warrant and N.C.O.'s and it is possible that Lance Corporal Lavigne should have been described as:
"B 126975, Pte. (A/L/Cpl.) P.E. Lavigne."

(c) It is not stated that the productions were read. This must be done by the President or the Judge Advocate (if any). See Footnote 5, page 643, M.M.L. A simple notation of this fact is:

(read, marked " " signed by the President and annexed to the proceedings."

(d) In M.F.B. 375:

(i) The expression AF is now replaced by the letters C.A. See R.O. 2252.

(ii) In the 9th line it is better to name the unit instead of using the phrase "his unit."

(iii) In line 10 after the word "at" the time of absence should be inserted. This, of course, made trouble in this case because it was impossible to state in the particulars of the charge at what time the accused went absent.

(iv) R.O. 1877 para. 4 states that the values of deficiencies of equipment and clothing on M.F.B. 375 shall be not more than 75% of the full rate

.....2.

nor less that 25%. However, the accused has not been charged with deficiencies but this paragraph is brought to your attention for future reference.

(e) In the Summary of evidence it should have been stated that R.P. 4(F) had been complied with and it should also be indicated that R.P. 3 has been met. This rule entitles the accused to call witnesses in his defence. Some notation such as the following indicates that it has been observed i.e.
(The accused declines to call any witnesses in his defence.)

It is not considered that the above irregularities are serious and these observations are made in an effort to assist the officers concerned in future cases as obviously they have given much thought and care to these proceedings.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing minor irregularities please be brought to the attention of the officers concerned for their future guidance.

Brigadier,
Judge Advocate-General.

Herewith, proceedings of the marginally-noted District Court-Martial which have been confirmed and promulgated and which are forwarded for registration, please.

2. Driver Houle was tried by District Court-Martial at No. 4 District Depot, C.A., Montreal South, P.Q. on the 4th day of December, 1942, on a charge of desertion. He pleaded not guilty thereto and was found not guilty of desertion but guilty of absence without leave. He was sentenced to undergo detention for 180 days.

First Witness for Defence

The accused, D-115585, Driver Marcel Joseph Albert Houle, 2nd Canadian Armoured Brigade Company; R.C.A.S.C., C.A., attached to No.4.District Depot, C.A., being duly sworn, is examined by the Defending Officer.

Q.46 Voulez-vous relater les faits qui regardent votre cas ?

A.46 Quand on etait au Depot a Montreal, ca allait bien jusqu'au moment ou on a perdu notre officier; Alors on a ete envoye a Borden ou la majorite des Officiers etait de langue anglaise, et puis la on n'etait pas traite comme les autres; on nous mettait des batons dans les roues. La, a deux reprises on a mis quelque chose sur mon "conduct sheet". La premiere fois, parce que j'ai ete en retard 5 heures sur ma passe pour venir chez nous. Avant de partir sur cette passe, j'avais justement demande a mon officier de m'accorder cinq heures de plus pour me permettre de prendre le train sans etre en retard, mais on m'a refuse ces cinq heures, et ainsi, j'ai attrappe 2 jours de C.B. et ca a paru sur mon "conduct sheet".

Une autre fois, j'ai attrappe 7 jours de C.B. pour avoir desobei a un ordre en conduisant un officier a Barrie. La, en attendant mon Officier pres de l'hotel, je regardais danser, et cette fois la j'ai ete puni injustement et tout ca me decourageait. Lorsque je ne suis pas revenu de ma passe le 15 septembre 1941, il avait fallu que j'aille a Magog voir ma fiance qui etait gravement malade d'une operation. Ensuite, quand ma fiancee a ete mieux, j'ai voulu ramasser de l'argent pour s'acheter du menage et se marier. Quand j'aurais achete et paye le menage, je voulais m'en retourner au camp, demander permission de me marier, car j'avais bien l'intention de revenir au camp. Si je suis reste aussi longtemps c'est parce que je ne voulais pas laisser ma fiancee malade et dans la misere.

A.58 C'etait mon devoir "ordinaire".

Q.59 Simplement cela ?

Q.60 C'etait une punition qui ne paraissait pas en etre une, cependant ?

A.60 Oui, monsieur.

Q.61 Pas autre chose ?

CLOSING ADDRESS BY THE PROSECUTOR "K"

Mes remarques seront bien courtes. Je crois avoir actuellement en mains un temoignage servant a demontrer que l'accusation directement portee contre l'accuse est juste.

L'accuse admet lui-meme, dans son propre temoignage, que durant son absence sans permission, il s'est preoccupe de se trouver du travail pour une firme quelconque, dans le but, dit-il de se ramasser de l'argent, ce qui est absolument contraire aux lois militaires.

Je vous ne mentionnerai que le temoignage rendu par le temoin Papillon qui lui dit:-"J'ai ete bien traite pendant mon stage a Borden" et qu'il occupait la meme fonction que l'accuse Houle, telle fonction reconnue comme la plus belle fonction qu'un soldat puisse avoir.

Et le soldat Papillon dit a la fin de son temoignage que si Houle s'est senti lese un moment, que c'etait par sa faute, que s'il s'etait mieux conduit, cela ne serait pas arrive.

Dans la trans-question de la Cour a l'accuse, il a ete revele que l'accuse n'avait pas l'intention de se rapporter avant janvier 1943. C'est une chose reconnue que l'accuse s'est absente sans permission. La preuve est indiscutable en cette cause, et je crois que plus loin, dans mes remarques, la seule chose que je demanderai a la Cour,c'est que sentence, tenant compte des 13 mois d'absence soit, pour telle accusation, severe.

Il y a une autre chose que je demanderais a la Cour. C'est d'obtenir que tout soldat fasse son devoir et dans le cas present, je crois que le soldat Houle, depuis le 15 septembre 41 a septembre. 42, n'a pas fait son devoir ni comme soldat ni comme citoyen.

CLOSING ADDRESS BY THE DEFENDING OFFICER "L"

Je ne crois pas que le fait que le soldat Houle ait travaille dans le civil soit une preuve que son intention etait de ne pas se rapporter.

L'accusation de desertion ne consiste pas de se montrer sur la route publique comme l'a fait l'accuse. Il n'avait pas peur de se montrer, ni de se montrer, ni de se faire arreter alors qui partait ou revenait, en tramways ou autrement, de son travail. Il faisait de meme dans ses nombreux voyages a Magog alors qu'il aurait pu se faire arreter sur les trains. Ceci, donc, demontre bien qu'il ne se cachait pas.

Houle a parle "de batons dans les roues" et je crois comprendre ce qu'il dit par la, qu'il n'etait pas traite d'une facon satisfaisante.

Maintenant, je ne vois pas de doute que l'accuse s'est absente sans permission et que son absence fut prolongee.

Je demanderais donc a la Cour de se montrer aussi clemente que possible, parce que l'accuse est un jeune soldat, qualifie dans son arme, et je crois bien qu'il serait plus utile dans l'armee que de lui voir imposer un sejour prolonge dans la Detention.

En terminant, je remets l'accuse dans les mains de la Cour en lui demandant une fois de plus, de se montrer indulgente.
