Proceedings on Plea of Guilty

To be struck out in case no plea of "Not Guilty" has been recorded with. ~~[The Court having been re-opened, the accused is again brought before him, and the charge to which he has pleaded "Guilty" read to him again.]~~

The accused No. M-60281 Private Edward Samuel Weeks, No. 7 District Depot, C.A., is found guilty of the charge.

*The summary ~~(or abstract)~~ of evidence is read, marked "H" , signed by the President, and attached to the proceedings.

Q.4 *Question to the accused.* Do you wish to make any statement in mitigation of punishment?

A.4 *Answer.* The accused in mitigation of punishment says:—

~~[or hands in a written statement, which is read, marked , signed by the President, and attached to the proceedings.]~~

I haven't much of a story to tell, Sir, because I just got around the Depot. I was in Category "A". I was going back and forth to the hospital, I was in the army for a year and a half and was around here and I wanted to go overseas, I could see nothing in that and just got fed up and went, that is all there is to it. About two weeks before my unit went overseas I went to hospital. While I was in there they went overseas. I was sent to the Depot here and after I was here for a little while they didn't seem to do anything for me in the hospital, I went on sick parade here again and things went just the same and they discharged me from the hospital and I went back to the hospital again. There was nothing as far as I could see wrong with me. I did not really know why I went to hospital unless it was a strain from heavy lifting. After all my trips to the hospital I have not yet been reboarded and as far as I know I am still in the same category.

Instruction. * If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

DD

Q.5 Do you wish to give evidence yourself or to call any witnesses as to character? *Question to the accused.*

A.5 No, Sir. *Answer.*

STATEMENT IN MITIGATION OF PUNISHMENT BY THE DEFENDING OFFICER

oooooooooooooo

Mr. President and Members of the Court on behalf of the accused M/60281, Private E. S. Havens I would beg the Court to consider that due to this soldier, who is a good appearing young, man not realizing the seriousness of his crime of being A.W.L. and being a long way from friends and as his unit had gone overseas while he was in the hospital that he was more or less so discouraged that being shifted around from one place to another. He is willing to serve his sentence, whatever the Court may see fit to give him. I would like them to consider that if they possibly could with this man let him serve his sentence and given the opportunity of going overseas. Therefore, I would ask the Court to be as lenient as possible in this case.

R. $ 5.38, moins la réduction: $3.53

Q. Qu'est-ce que c'est $3.53 ?

R. Moins 25%.

Q. Voulez-vous refaire le calcul, s'il vous plaît ?

R. C'est $4.03.

Q. Qu'aviez-vous déclaré tout à l'heure ?

MOTION DE NON-LIEU

Il est loisible a l'accuse, a son avocat ou a l'officier defenseur, apres l'audition de la preuve de la poursuite, d'alleguer que celle-ci n'a pas reussi a etablir une presomption legale contre l'accuse et que ce dernier ne devrait pas, par consequent, etre contraint de presenter sa defense. Dans le cas d'une telle motion, le proces-verbal sera consigne sur des feuilles separees qui seront inserees immediatement avant la presente page D. Si la cour estime que cette allegation est bien fondee, elle doit acquitter l'accuse et consigner son verdict a la page A.

DEFENSE

Le president s'adresse a l'accuse en ces termes:

"Il est de mon devoir en cette circonstance de vous aviser de vos droits touchant la conduite generale de votre defense. La procedure a suivre depend entierement des reponses que vous ferez aux questions de forme que nous allons vous poser. Il importe donc que vous compreniez et saisissiez l'effet de vos reponses. Vous n'aurez pas a temoigner sous serment a moins que vous ne le vouliez. Mais, si vous faites des depositions assermentees, vous serez sujet a l'interrogatoire contradictoire par les soins du procureur et a l'interrogatoire par les soins de la cour."

"Si vous ne faites pas de deposition sous serment, vous avez le droit de faire une declaration ou vous donnerez votre version de l'affaire. Vous ne serez pas assermente et vous ne serez pas interroge sur ce que vous dites, par la cour ou par quelque autre personne. Je dois cependant vous prevenir qu'une deposition faite sous serment aura plus de poids aux yeux de la cour qu'une simple declaration non assermentee."

S'il n'y a pas d'officier defenseur, le president explique alors a l'accuse l'effet que ses reponses aux questions de forme de la page D du proces-verbal auront sur l'ordre des dernieres plaidoiries, prevu dans les Regles de procedure 40 et 41.

Desirez-vous, comparaitre, vous meme, comme temoin, ou bien desirez-vous faire une declaration non assermentee? — Question a l'accuse.

L'accusé désire faire une déclaration non assermentée, monsieur. — Reponse.

(Voir page D-5 et suiv.)

Avez-vous l'intention de citer des temoins pour votre defense? — Question a l'accuse

Non, monsieur. — Reponse.

" Mon frère est cultivateur, puis il est seul. Il nous faut payer les dettes et j'ai parti pour lui aider. La terre nous appartient à nous deux. Comme il ne pouvait arriver à ses affaires, il faisait des dettes, et la terre n'est pas finie de payer; mon père fait les paiements pour la terre. Il faut toujours arriver pour qu'on ne fasse pas de dettes et qu'on continue à la payer. C'est notre avenir à moi et à mon frère. Mon frère a eu une exemption pour l'armée pour rester sur la terre. Je me suis informé au Major Larsen, des Forestiers, et il m'a découragé d'une manière, j'ai demandé si je pouvais avoir une exemption et il m'a dit que mon frère en ayant eu une, il m'était impossible d'on avoir; et comme mon frère ne s'entend pas beaucoup sur la terre, - je m'entends mieux que lui sur la terre; j'ai parti pour lui aider. C'est tout, monsieur. "

PROCEDURE SUR DECLARATION DE CULPABILITE PRECEDANT LA SENTENCE

Ces documents sont lus a la cour par le president, marques "Y" et "Z", signes par le president et verses au dossier.

Question a l'accuse. Avez-vous quelque declaration a faire relativement aux documents dont on vient de vous donner lecture?

Reponse. **Non, monsieur.**

Question a l'accuse. Desirez-vous adresser la parole a la cour?

Reponse. **Non, monsieur.**

La sentence est alors consignee a la page "A" du proces-verbal et elle est annoncee a l'accuse en plein tribunal.

Le president etablit alors et signe le mandant d'incarceration, le cas echeant, et celui-ci est immediatement transmis au commandant de l'accuse. The accused, C/100210, Pte. John Louis HELIE, Canadian Forestry Corps, C.A., Attached to A.I.T.C. A-13, C.A., being duly sworn is examined by the Defending Officer:-

Q-14. Are you C/100210, Pte. J.L. HELIE, Canadian Forestry Corps, C.A.?
A-14. Yes Sir.

Q-15. Will you please tell the Court the circumstances surrounding your absence, the facts?
A-15. Last summer here, as I was on the drill I was sick all the time. So, I did not see the M.O. This is one thing against me, but I could not stand the drill. So, I went away to get a rest, but I had not the intention to stay away, to desert from the Army at all. I wanted to come back in January, or later. That is about all I can say.

Q-16. Have you anything to say concerning the equipment charged against you?
A-16. The only thing I can say.....May I explain that in french; I can explain myself better in french.

The request of the witness is granted by the Court, and the witness continues his testimony.

.....La perte d'équipement? J'ai pensé, voyez-vous il y a des gardes dans chaque hutte. Après qu'une personne s'en va A.W.L., d'après ce que j'ai entendu dire, ils sont supposés ramasser le linge et le retourner au Q.M.'s store dans les 24 heures après l'absence; après qu'ils se sont aperçus de l'absence. Je ne crois pas que dans vingt-quatre heures j'ai pu me faire voler mon équipement de même.

"Cross-examined by the Prosecutor".

Q-17. Si vous avez haï le "drill" suffisamment pour vous en aller en dehors du Camp, voulez-vous me dire qu'après un peu de temps chez-vous, ou en dehors, vous seriez revenu à l'arméé?
A-17. Ce n'est pas le cas; c'était pour des raisons de santé.

Q-18. Aviez-vous l'intention de revenir dans l'Armée?
A-18. Oui monsieur.

Q-19. When you left the Camp, did you go to your home?
A-19. Not immediately. I went home sometimes, when my father was not there.

Q-20. When you left the Camp, did you lose your uniform?
A-20. No Sir. I lost it, but I thought I could get it back on my return.

Q-21. Did you know that, when you left Camp; took off your uniform and have been apprehended in civil clothes, you would immediately be charged with desertion?
A-21. I knew a bit about it, but I did not consider the thing as serious as I consider it now.

D-5.

Q-22. Were you lectured on Military Law?
A-22. Yes we had some.

Q-23. Were you lectured on desertion?
A-23. We had some hints on it; we always get some lectures about it but we do not believe it serious when we are in Camp.

"The Defending Officer declines to re-examine".

QUESTIONED BY THE COURT.

Q-24. You said that you were sick? What do you mean by sick? Sick physically or mentally?
A-24. Physically.

Q-25. What way?
A-25. I had a sore back all the time I was on the drill and I had liver trouble.

Q-26. What is your medical category?
A-26. I think it is A.

Q-27. Were you sick during the time you were away?
A-27. I took a rest for two or three weeks. I went on my brother's farm. He was alone. I did not work hard; I was taking a rest at the same time.

Q-28. Did you go to a doctor while you went away?
A-28. No but I took some medicine.

Q-29. Pourquoi n'êtes-vous pas allé voir le médecin quand vous vous sentiez si mal?
A-29. Je ne suis pas allé voir le médecin parce que je n'ai pas travaillé fort; c'était moins fort que faire le "drill".

Q-30. Quand vous vous sentiez si mal ici, pourquoi n'êtes-vous pas allé vous rapporter chez le médecin?
A-30. J'Y suis allé une fois et il m'a donné des pilules.

In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

The witness resumes seat as accused.

The Defending Officer makes a Closing Address.
(See document marked "O" attached).

The Prosecutor makes a closing address.

THE DEFENDING OFFICER MAKES A CLOSING ADDRESS.

Mr. President and Members:

The accused left Camp on the 1st of August, 1942, and went to his home for a rest because, as he has stated a few minutes ago, he was physically unwell.

During the time he was away he was in civilian clothes that he had to his home. If the accused had had the intention to desert he would not have went home because his home would be one of the first places looked for by the Police.

With regard to the second charge, Losing by neglect his equipment, to which he pleaded "not guilty", I have nothing to add to the statement he made.

Ernest Legarie vs Roland
Prosecutor R.C.M.

THE PROSECUTOR MAKES A CLOSING ADDRESS.

MAY IT PLEASE THE COURT,

The nature of the charge of desertion as it exists, deals with intention. This intention could be shown to exist; then, it remains no alternative but to find the accused guilty on that charge. There is another way in which general practice conceals that a man who goes absent without leave and is apprehended in civilian clothes is also guilty of desertion.

Now I have established through evidence that this man, primary, went away on the 1st of August, 1942, and the various orders which were passed, from time to time, showed that he remained away until the 8th January, 1943.

Now, the accused went to his home for a rest, and the argument of the defence is that he would not have went there if he had intended to desert because that would be one of the first places that the Military Police or the Police would look for. He did go home but after, as he admitted in his evidence, he left and went to his brother's farm, where he could be reasonably sure, where he would have a certain amount of security.

I do not think that any reason can be given to contredict the charge as laid down under Section 12 of the Army Act.

With regard to the second charge under section 24 (2) of the Army Act, "LOSING BY NEGLECT HIS EQUIPMENT, etc.", the reason set forth by the accused and by the counsel for the accused was that he could not understand how, within 24 hours, his clothing had been lost, when in reality they should have been collected and brought to the Q.M.'s store. Then, if a man leaves his equipment, which equipment is under his own care, he himself takes the responsibility for his things. A period of twenty-four hours is a short period of time during which his Q.M. can determine whether or not he is not gone on a short A.W.L., which are so

common in the Army. It does not seem to me that these reasons would in any way contradict the charge as laid down. In summing up, I say that he we was away, he was apprehended in civilian clothes, he is responsible for his clothing, equipment and the military power should not be held responsible because he took upon himself to leave the Camp.

Receipt is acknowledged of your Q:39-H-1202(JA) dated February 13th, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. The proceedings appear to be quite in order, with the exception of the fact that on page 9 it would have been preferable had the Court in comparing the particulars shown on the Charge Sheet and in M.F.B. 375 as to deficiencies, specified the articles they referred to from the value of which deduction was improperly made according to R.O. 1877.

3. It is considered that some time might be saved if the custom of ruling through and initialling the backs of the pages of the proceedings could be avoided, and accordingly it is recommended that in future this practice be discontinued.

4.. Since the evidence supports the finding of the Court, and the sentence is legal, the proceedings are retained for custody.

(Att. to A. I. T. C., A-13, C.A.

Receipt is acknowledged of your Q:39-H-1202 (Rec), dated 2nd February, 1943, under cover of which you forwarded the Proceedings of the marginally-noted District Court-Martial for my opinion as to whether or not the Finding of Guilty in connection with the second charge should or should not be confirmed.

2. I do not quite understand the reasoning set out in paragraph 3 of your letter. The M.F.B. 375 was a document properly certified by the officer in charge of records of the Unit concerned, and as such was an admissible document. In note 1 to Army Act, Section 163, a record in Regimental Book or a certified copy thereof under sub-Section H is admissible as prima facie evidence upon the mere production to the Court, but evidence must be given on oath to prove that the accused is in fact the person to whom it relates. In other words, the document must be produced by a witness under oath to tie same up with the accused, but that witness does not have to be the person who certified the document as a true copy of the original record. If such were the case, Adjutants or Officers in charge of Records would, in many cases, have to be transported across Canada in order to give such evidence. In this case, the document M.F.B. 375 appears on its face to be an admissible document and properly certified by Capt. Lessard, who was the Officer in charge of the Records, and was properly produced by a witness under oath, Lieut. Blais, who as Asst. Adjutant said the document referred to the accused.

3. Accordingly, the document was admissible in evidence and properly produced, and there is no legal reason whatsoever why confirmation on the second charge should not be ordered.

4. The Proceedings are returned herewith. When they have served your purpose, may they please be returned to this Headquarters.

Judge Advocate-General.

1. Enclosed herewith please find the proceedings of the marginally noted District Court-Martial.

2. Before recommending confirmation of the sentence, I would appreciate your opinion with regard to the finding on the second charge.

3. It is noted that Lieut. C.K. Blais, first witness for the prosecution, produces documentary evidence. To establish the second charge, he produces M.F.B.375 which, in this case, is signed by Capt. Lessard, Officer i/c Records, A.I.T.C., A-13. The prosecutor should have called Capt. Lessard to produce this document as Lieut. Blais is not qualified to certify that this document is a true copy. On the other hand, the Defending Officer should have objected to the production of this document by Lieut. Blais. Would the fact that he did not object to its production be sufficient to draw by inference the conclusion that he tacitly admitted that M.F.B.375 was a true copy?

4. It seems that the accused has been prejudiced by the lack of attention on the part of his Defending Officer and, in my opinion, the finding of the Court on the second charge should not be confirmed.

5. May I be advised please whether you concur in this opinion.

Receipt is acknowledged of your T-20-H-6583(AJAG), dated 30th January, 1943, under cover of which you forwarded for registration and custody, the Proceedings of the marginally-noted District Court-Martial.

2. The Proceedings appear to be entirely in order. However, it is noted that the President of the Court appears to be under somewhat of a misapprehension insofar as his explanation to the accused respecting the purpose of the Certificate of Apprehension is concerned. As a matter of fact, the cost of bringing witnesses to give evidence as to apprehension would not, in any event, be one for which the accused might be put under stoppages in case of conviction.

3. It is not considered necessary to return the Proceedings, which are accordingly retained for custody.

---See Page "I" for statement by Prosecutor re. calling of a witness not appearing in Summary of Evidence.

The prosecutor proceeds to call witnesses.

First witness for prosecution } Lieutenant D. F. B L E E C K E R, 1st Garrison Bn., C.A.,

being duly sworn, is examined by the prosecutor.

Q-7 Mr. Bleecker, what is your unit?

A-7 1st Garrison Battalion, C.A.

Q-8 And your appointment at that unit?

A-8 Assistant Adjutant, officer in charge of Records.

Q-9 Do you know a soldier by the name of Robert Joseph Hurd?

A-9 I do.

Q-10 Where is he not?

A-10 Sitting here.

Q-11 Indicating the accused man?

A-11 Yes, sir.

Q-12 Have you any documents to produce in this case?

A-12 I have

Q-13 Will you produce them, please?

A-13 I produce Daily Part I Orders by Lieut.-Colonel G. Carmichael, M.C., E.D., Officer Commanding 1st Garrison Battalion, C.A., Niagara-on-the-Lake, Ontario. This is Part II Order No. 80,

dated 24th November, 1942, and it shows in Section 14 (d) that A.58878, Pte. Hurd R. J., was on the 24th of November, 1942, awarded 14 days' confinement to barracks and a summary forfeiture of ten days' pay, Section 46, for absence without leave, Army Act 15 (i), from 0630 hours 22nd November, 1942, until apprehended at Hamilton, Ontario, at 0200 hours 23rd November, 1942, and automatically forfeits one day's pay under Article 149, F. R. & I. Absent 1930. Close arrest. Total forfeitures 11 days' pay.

---BY THE PRESIDENT:

Q-14 Total forfeitures what?

A-14 Total forfeitures 11 days' pay.

---EXAMINATION-IN-CHIEF CONTINUES.

Q-15 Whom does that refer to?

A-15 This document refers to the accused, Pte. Hurd.

Q-16 As the result of that order what would the accused's status be in the regiment or battalion?

A-16 This order awarded him 14 days' confinement to barracks.

Q-17 What would he be considered to be?

A-17 Considered to be a defaulter.

Q-18 Considered to be a defaulter -- and how long a period would he be considered -- 14 days from the 24th of November, is that right?

A-18 Yes, from the 24th of November, 1942.

Q-19 That would make it what?

A-19 38 -- that would be about the 8th of December.

Q-20 So, up to the 8th of December he would still be a defaulter, is that correct?

A-20 Yes, sir.

---THE PRESIDENT (To Defending Officer) Have you any objection to this document being admitted as an exhibit?

---THE DEFENDING OFFICER: Yes, sir. It says he was apprehended in Hamilton, Ontario -- "from 0630 hours 22nd November, 1942, until apprehended at Hamilton, Ontario."

---THE PRESIDENT (To Defending Officer) But whether the document itself states exactly what the Commanding Officer of the Regiment purported it to state does not really go to the root of the matter. Apart from what you state is an inaccuracy in the document, nevertheless, you have no objection to the document's being admitted?

---THE DEFENDING OFFICER: I have no objection other than the inaccuracy of the document.

---EXAMINATION-IN-CHIEF CONTINUES.

Q-21 Mr. Bleecker, do you know as a fact, as Assistant Adjutant, do you know where the accused was apprehended?

A-21 Not on that offence, but that is not the offence being tried by this Court. On the particular offence being tried by this Court I have evidence to bring forth here in a minute to show that he was apprehended at Niagara Falls, so perhaps this is causing a bit of confusion.. That document merely shows him being placed under -- just merely shows that he was a defaulter at the time of the next offence.

(Part II Order No. 80 d/24-11-42 is marked exhibit "J," signed by the President and attached to the proceedings.)

Q-22 And has nothing to do with where he was apprehended with this particular charge?

A-22 Not with this particular charge.

---THE DEFENDING OFFICER: I withdraw my objection, sir.

Q-23 Alright, then, Mr. Bleecker?

A-23 This exhibit is 1st Garrison Battalion C.A., Niagara-on-the-Lake, Ontario, Standing Orders, Second Edition, 30th Nov., 1942, Section 3 (b) states: "Bugle Calls -- troops will respond to bugle calls as sounded by the duty bugler. No bugle calls to be sounded between "lights out" and "reveille" except "the alarm" or in case of fire, the "fire alarm."

Q-24 What is the purpose, Mr. Bleecker, of that paragraph in your second edition of your Garrison Orders?

A-24 Well, it states that troops will respond to bugle calls. Therefore, if the bugle is sounded for a parade-----

Q-25 What parades would that include?

A-25 It would include all parades for which the bugle is sounded.

Q-26 All parades?

A-26 The bugle is sounded.

Q-27 It is sounded -- is that the practice in your Garrison Battalion to sound a bugle for all parades?

A-27 It is sounded for Defaulters' Parade, the Morning Parade and the Afternoon Parade. There are parades for which it wouldn't be sounded.

Q-28 But you have definitely states, you state, that it is sounded for Defaulters' Parade?

A-28 It is definitely sounded for Defaulters' Parade.

(Standing Orders, 2nd Edition, d/30/11/42, is marked exhibit "K," signed by the President and attached to the proceedings.)

This exhibit is form M.F.M. 215, a certificate of apprehension or surrender to service authorities. It reads: "I certify that the person whose description is given below was arrested by William Campbell, Motorcycle Constable, Niagara Falls Police Department, at Niagara Falls, Ontario, at 1600 hours on the 5th day of December, 1942, and that at the time of arrest he was wearing military uniform. ---THE ACCUSED: I object to that evidence, sir.

---THE PRESIDENT (To Defending Officer): Have you any objection to this document, Capt. Robbie?

---THE DEFENDING OFFICER: I have no objection.

(M.F.M. 215 is marked exhibit " L," signed by the President and attached to the proceedings.)

Q-29 Carry on, Mr. Bleecker?

A-29 This is form, M.F.M. 216, a certificate of apprehension or surrender to service authorities. It states: "I, B.97621, Sgt. Brown, L., 31 Company, Canadian Provost Corps, hereby certify that A.58878, Pte. Hurd, R. J., of the 1st Garrison

Q-30 Mr. Bleecker, that document you have in your hand and the one you previously had, whom do they refer to?

A-30 Both of these documents refer to Pte. Hurd, the accused.

---THE PRESIDENT: (To Defending Officer) Have you any objection?

---THE DEFENDING OFFICER: No, sir.

(M.F.M. 216 is marked exhibit "M," signed by the President and attached to the proceedings.)

Q-31 Have you any other evidence to give, Mr. Bleecker?

A-31 I have no further evidence.

---The Defending Officer declines to cross-examine.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

A-43 I am situated and I blow it right in the middle of the hut, sir.

Q-44 Have you ever heard anybody else blow it?

A-44 Yes, sir.

Q-45 And have you ever been on the other side of the camp?

A-45 I have been at the other end of the camp, sir, and I have heard the bugle.

Q-63 You said 12th -- which is right?

A-63 4th December, 1942.

Q-64 At what time?

A-64 At 1200 hours.

Q-65 Alright; now go slowly. I want you to get this right. After you called the Defaulters' roll call at that time and date, did the accused answer his name?

A-65 The accused did not answer his name.

Q-66 Alright. Now what else happened?

A-66 I went down to his Company Orderly Room, and they stated that he had gone on pass.

Q-67 You can't say what they state. I just want you to give evidence of what you know yourself. You called the roll and he wasn't there, is that right?

A-67 Yes, sir.

Q-68 You say you called the Defaulters' roll and the accused didn't answer his name -- why would you expect the accused to answer his name?

A-73 No, I can't say whether he was notified or not. I heard----

---THE PRESIDENT: Now, now.

Q-74 You can only give evidence of what you know yourself; not what you hear unless it was in the presence of the accused. After that was the Defaulters' called again?

A-74 Yes, sir.

Q-75 Tell the Court, please, the times that Defaulters' roll call was called again?

A-75 The Defaulters' roll call was called at 1300 hours, at the end of 1330 hours, 1700 hours and 1800 hours, 1830 hours, 1930 hours, 2000 hours, 2030 hours, 2100 hours, 2130 hours and 2200 hours.

A-76 2030 hours.

Q-86 The next time you saw the accused where did you see him?

A-86 At the guard room, sir.

---CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-87 Cpl, you say that you called the roll at 1300 hours?

A-87 Yes, sir.

Q-88 Or 1200 hours, I am sorry, the first roll call of Defaulters on the 4th?

A-88 Yes, sir.

Q-89 And you also stated that you called Defaulters' roll several times that same afternoon and the accused did not answer, is that correct?

A-89 Yes, sir.

Q-90 You also stated you went to his Company Office and received information there that he was on pass, is that correct?

A-90 Yes, sir.

Q-91 So why did you go and look in the quarters for him?

A-91 Because I looked through the quarters for everyone.

Q-92 Why?

A-92 That is orders.

Q-93 You said he was on pass?

A-93 A man is not entitled to a pass when he is on C.B., sir.

Q-94 Do you know of any man who ever received a pass?

A-94 I do, sir.

Q-95 And had you any reason to believe that he hadn't received one?

A-95 Yes, sir; there had been three or four cases where the pass was refused on coming off post.

Q-96 But you did receive information that he was on pass from his Company Orderly Room?

A-96 Yes, sir.

Q-97 You eat in the men's mess there, do you not?

A-97 No, sir.

Q-98 Where do you eat?

A-98 I eat in the guard room, sir.

Q-99 Have you any occasion to go to the men's mess during meal hours?

A-99 Yes, sir, I have.

Q-100 Were you in the men's mess on the 4th?

A-100 No, sir, I was not in the men's mess on the 4th.

Q-101 Did you call Defaulters' on the 25th?

A-101 I did, sir.

Q-102 Did Hurd answer; that is, the 25th of November?

A-102 The 25th of November, sir?

Q-103 Was Hurd C.B'd at that time?

A-103 Not on the 25th of November. On the 5th of November he was C.B'd.

Q-104 And did he answer it on the 5th of November, then?

A-104 No, sir.

Q-105 Did he answer it on the 6th of November?

A-105 He was in close custody on the 6th of November, sir.

Q-106 Now, you may be confused -- this is November that I am speaking of.

A-106 Of december, sir.

Q-107 Well, I will go back. Did he answer Defaulters' on the 25th of November?

A-107 I can't say that far back, sir.

Q-108 Would you be the one to call Defaulters', to call the roll of defaulters on the 25th of November?

A-108 Yes, sir.

Q-109 You say that the next time you saw him was approximately 1745 hours on the 5th of December in the guard room, is that correct?

A-109 Yes, sir.

Q-110 Where in the guard room -- right inside the guard room?

A-110 Yes, sir, he was brought in by the Canadian Provost Corps, 31 Provost Corps, from Niagara Falls and turned over to the guard room.

Q-111 Did you book him in?

A-111 I didn't book him in, sir.

Q-112 Were you there when he booked in?

A-112 No, sir.

Q-113 Did you see him?

A-113 Yes, sir, I came in just after they finished booking him in, sir.

Q-114 What was his condition?

A-114 Well, sir, I can't state his condition because---

Q-115 Was he drunk or sober?

A-115 He looked sober to me, sir.

---The Prosecutor declines to re-examine.

---BY THE PRESIDENT:

Q-116 How long have you been taking these calls of defaulters -- is that your permanent duty?

A-116 It is the Regimental Police Corporal's job to call the Defaulters' roll, or anyone that is on duty at the time.

Q-117 Yes. Now, I understood you to say to Capt. Robbie that you don't remember back as far as November 24th -- you say you can't remember whether he answered Defaulters' call on that date or not? Can you remember the accused man answering Defaulters' at any time before the 4th of December? Do you remember what day the 4th of December was on -- do you remember what day of the week?

A-117 No, I don't, sir.

Q-118 I don't myself. You stated you remember the 4th of December. You have given us some evidence about that and

you remember very well the 5th of December when you saw the accused about 1730 -- wasn't that about the time you said?

A-118 1745.

Q-119 About 1745 in the guard room. Well, now, what I am asking you is do you remember the accused answering Defaulters' roll call on any days before December 4th?

A-119 Yes, sir, he had been on Defaulters' twice before that I know of, sir.

Q-120 Shortly before the 4th or a long time before the 4th?

A-120 Well, I can't state the day, sir.

Q-121 No, I don't expect you to remember. Were there many people on Defaulters'?

A-121 Yes, sir, I had 26 on Defaulters' at the time, sir.

Q-122 26 -- well, it is no wonder you can't remember all the days or when they were. You said something about the accused coming off post. Had he been given his defaulter's punishment while he was on pass?

A-122 No, sir, he was given the defaulter's punishment before he went to post.

Q-123 And then did he do his duty on the post as well as reporting on Defaulters'

A-123 Sir, I don't know whether they report on Defaulters' while on post or not.

---THE DEFENDING OFFICER:
That is what I am trying to get at. If you don't know, that is all there is to it -- we will get somebody who probably does.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

Fourth Witness for the Prosecution.

Q-124 Cpl. Thompson, will you please state for the Record--- you are employed, as you stated, by the Canadian Provost Corps?

A-124 Yes, sir.

Q-125 Which detachment?

A-125 No. 1 Detachment, that is where I was when this occurrence happened.

Q-126 And where are you now?

A-126 Headquarters.

Q-127 Headquarters, Toronto?

A-127 Yes, sir.

Q-128 But you were No. 1 Detachment?

A-128 At that time, sir.

Q-129 At that time-what date is that?

A-129 That was December 5th.

Q-130 Of which year?

A-130 1942.

Q-131 Do you know a soldier by the name of Hurd, R. J.?

A-131 Yes, sir, I know him by sight.

Q-132 Where is he now?

A-132 Right here, sir.

Q-133 Is that the accused person (indicating accused)

A-133 Yes, sir.

Q-134 How do you happen to know this soldier, Hurd?

A-134 On this occasion, sir, I was called to Niagara Falls Police Station where the accused was handed over to me on the 5th, 1830 hours, 5th December.

Q-135 Was there anybody with you at the time?

A-135 Yes, sir, L/Cpl. Arendale.

Q-136 And where did you go again?

A-136 Niagara Falls Police Station.

Q-137 And what happened when you got there?

A-137 The accused was there handed over to me by Niagara Falls City Police.

Q-138 What time would that be?

A-138 1830 hours.

Q-139 And what did you do with the accused after he was handed over to you -- where did you take him?

A-139 L/Cpl. Arendale and myself assisted the accused from the police cells to the wagon outside.

Q-140 You say "assisted him." Why do you say "assisted"?

A-140 One got on each side and assisted him to the wagon.

Q-141 You say "assisted." Why do you say "assisted"?

A-141 He was not able to walk.

Q-142 Why?

A-142 He was drunk, sir.

Q-143 Was he not able to walk by himself?

A-143 No, sir.

Q-144 I want you to inform the Court fully as to his alleged drunken condition?

A-144 His speech was thick; he smelt of liquor; and he hadn't the power of his limbs.

Q-145 What did you do with him -- where did you take him to?

A-145 From Niagara Falls Police Station to the 1st Garrison Detention.

Q-146 1st Garrison Guard Room or detention, what was it?

A-146 Detention, Niagara-on-the-Lake.

Q-147 What time would it be when you handed him over to the Garrison?

A-147 Their time there it was 1845.

Q-148 1845 hours?

A-148 Yes, sir.

Q-149 On which date?

A-149 December the 5th.

Q-150 And you got him or received him from the Niagara Falls Police Station at what time?

A-150 1830 hours, sir.

Q-151 On that same day?

A-151 Yes, sir.

Q-152 So it just took you about 15 minutes, is that right?

A-152 Well, it usually takes me around 20 or 25 minutes.

Q-153 It is approximately that time?

A-153 Yes, sir.

Q-154 You state that he hadn't the use of his limbs?

A-154 Yes.

Q-155 Where was that, Niagara Falls or here?

A-155 Niagara Falls Police Station.

Q-156 Anything else happen on the wagon on the way down?

A-156 No, sir, I was driving the wagon and didn't come in contact with him after I left the Police Station until we arrived at the Garrison.

Q-157 When he got out at the Garrison here what was his condition?

A-157 He was staggering, but he was able to walk from the wagon to the Detention.

Q-158 Is there any other evidence you can give the Court regarding his condition?

A-158 No, sir.

Q-159 You are perfectly satisfied to state that you know he was drunk, is that right?

A-159 Yes, sir.

---CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-160 You state on information received you went to Niagara Falls Police Station and saw the accused where?

A-160 The police cells.

Q-161 Where are the police cells located?

A-161 In the City Police Station, Niagara Falls.

Q-162 Downstairs, upstairs, or main floor?

A-162 Down in the basement.

Q-163 Down in the basement?

A-163 Yes, sir.

Q-164 And who went down the basement with you?

A-164 L/Cpl. Arendale and myself.

Q-165 And how far away was his cell from the staircase?

A-165 I would say about 15 feet, sir.

Q-166 15 feet -- and did you have hold of his arms?

A-166 L/Cpl. Allendale was on one side of him holding him by the arm and I was on the other side.

Q-167 Did you walk him up the stairs or carry him upstairs?

A-167 Walked him.

Q-168 Three of you walked abreast in the Niagara Falls Police Station upstairs?

A-168 One got ahead of us and the other kind of triangular.

Q-169 And at the head of the stairs how is the building situated?

A-169 There is a door at the head of the stairs leading into the guard room.

Q-170 Yes?

A-170 And from there there is a door leading into another room and another door leading into the street.

Q-171 Am I not correct when I suggest to you that when you come to the top of the stairs in the Niagara Falls Police Station you come into a very small room and you go through that room through a corridor to the outside, is that not correct?

A-171 Yes, sir.

Q-172 And if I suggest that that room would be about 6 x 8, is that correct?

A-172 That is about right, sir.

Q-173 And where was your vehicle parked?

A-173 It was parked right outside the Police Station door.

Q-174 Therefore, when you went down through this alleyway you would only have another, what, five feet, to walk to your vehicle -- the width of the sidewalk, is it not?

A-174 You mean from the Police Station door?

Q-175 From the Police Station door to your vehicle?

A-175 Oh, I would say about 10 or 15 or 20 feet.

Q-176 Were you parked right up close to the building?

A-176 I was parked right at the end of the building, sir.

Q-177 Therefore, you saw him walk approximately, you say, downstairs, 8 feet, is that correct?

A-177 I don't understand you, sir.

Q-178 You said you took him from the cell to this staircase which would be about 8 feet?

A-178 Yes.

Q-179 Through the small room upstairs, along the corridor?

A-179 No, there was two rooms. There was a small room at the head of the stairs and another room before you come to the corridor.

Q-180 About how many feet would you walk him altogether before you got him into your vehicle, from the bottom of the stairs to your vehicle?

A-180 I would say about 60 feet.

Q-181 About 60 feet?

A-181 Yes, sir.

Q-182 From the foot of the stairs?

A-182 Yes, sir.

Q-183 And you say that at that time he was drunk?

A-183 He had lost control of his limbs; he wasn't able to walk.

Q-184 Did you speak to him?

A-184 Yes, sir.

Q-175 Did he answer you?

A-175 Not satisfactorily.

Q-176 Did he give you his name?

A-176 No, sir.

Q-177 Did he give the Niagara Falls City Police his name?

A-177 I understood he did.

Q-178 They had his name?

A-178 Yes, sir.

Q-179 And they told you who he was?

A-179 Yes, sir.

Q-180 And I am suggesting that they told you they had a drunk downstairs by the name of Hurd?

A-180 That is the information we got.

Q-181 So when you went downstairs you had your mind made up he was drunk, is that correct?

A-181 No, sir, I wouldn't say that.

Q-182 And the information you received was that there was a man named Hurd downstairs and you went down stairs figuring he was drunk, and the City Police helped you assist him upstairs?

A-182 We went down to investigate and see if the man was drunk.

Q-183 And you still maintain then two of you walked side by side with Hurd up the staircase?

A-183 No, sir, we went one triangular-way upstairs -- one had to get ahead of the other. There is not room on the stairs for three to walk.

Q-184 I know that; that is why I am asking you. The Niagara Falls Police told you they had a man by the name of Hurd downstairs drunk? Will you answer that, please?

A-184 Yes, sir, that is right.

Q-185 So you went downstairs and on the information you received from them you assumed he was drunk, is that correct?

A-185 No, I made up my own mind.

Q-186 Did he talk to you from Niagara Falls to Camp?

A-186 No, sir, I was driving the station-wagon.

Q-187 Did he cause you any trouble?

A-187 No, sir.

Q-188 Was he abusive?

A-188 No, sir.

Q-189 And when you drove into the Garrison Battalion Guard Room where did you park your vehicle?

A-189 Right on the driveway opposite the Detention Barracks.

Q-190 Opposite the Detention Barracks door?

A-190 No, sir, I didn't go right in.

Q-191 How far did he walk?

A-191 I would guess it would be around 50 feet.

Q-192 Around 50 feet? And he didn't have to be assisted at that time?

A-192 No, sir, he was staggering, but he didn't have to be assisted.

Q-193 Was there snow on the ground?

A-193 No, sir.

Q-194 Was it dry or wet?

A-194 It was dry, sir.

---The Prosecutor declines to re-examine.

---BY THE PRESIDENT:

Q-195 You didn't have any conversation with the accused at all?

A-195 No, sir; I was driving the station-wagon and he was in the back of it. I didn't come in contact with him at all.

Q-196 Did he say anything to you when you went down stairs in the Niagara Falls Police Station?

A-196 No, sir, he seemed stupid and he was not able to answer any questions at all.

Q-197 You say he wasn't able to answer any questions -- did you ask him any question?

A-197 I asked him his name and he wasn't able to give it to me at that time.

Q-198 Why did you ask him his name -- I thought you just stated to the Defending Officer you were given his name?

A-198 They give their wrong names sometimes and I just wanted to check up.

Q-199 What did you say to him?

A-199 I asked him his hame and unit.

Q-200 But what did you say to him?

A-200 "What is your name and what unit do you belong to?"

Q-201 If you said it in that soft, easy tone, I don't wonder you wouldn't get much of an answer from him. I can hardly hear you from here and I am quite sure I am not drunk. Did the Corporal, Arendale, who was with you, did he have any conversation with him in your presence?

A-201 He said something to him, sir, but I can't recall what he said. I couldn't recall the conversation.

Q-202 So that the only reason that you would say that he was drunk is because you smelt some liquor on his breath and he didn't appear to have the use of his legs, is that your reason?

A-202 That is right, sir.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

Fifth Witness for the Prosecution.

No. B.19783, L/Cpl. E. A R E N D A L E, No. 1 Detachment, 31st Provost Company, being duly sworn, is examined by the Prosecutor:

Q-203 L/Cpl. Arendale, you belong to the Canadian Provost Corps?

A-203 Yes, sir.

Q-204 What Company?

A-204 31 Company, sir.

Q-205 What Detachment?

A-205 No. 1 Detachment.

Q-206 Where are you stationed?

A-206 Niagara-on-the-Lake.

Q-207 Do you know a soldier by the name of Hurd?

A-207 Yes, sir.

Q-208 R. J. Hurd -- where is he now?

A-208 Right there, sir.

Q-209 You indicate him as the accused?

A-209 Yes, sir.

Q-210 How long have you known him?

A-210 I have only had -- well, I really wouldn't say I have known him?

Q-211 I will change my question -- did anything happen which the accused was mixed up in on the 5th of December, 1942?

A-211 Yes, sir. Along with L/Cpl. Thompson and myself we picked Pte. Hurd up at Niagara Falls Police Station, intoxicated, sir.

Q-212 What time was that you picked him up?

A-212 Approximately 1630 hours.

Q-213 What did you do with him after you picked him up?

A-213 Put him in a station-wagon and turned him over to the Regimental Police.

Q-214 Where, at Niagara?

A-214 No, at the Camp Guard Room.

Q-215 How long did it take you to do that?

A-215 Approximately 15 or 20 minutes, sir.

Q-216 You stated he was in an intoxicated condition, is that correct?

A-216 Yes, sir.

Q-217 Will you explain to the Court why you think he was intoxicated?

A-217 When we got him in Niagara Falls Police Station we had to assist him out to the truck.

Q-218 You had to assist him out to the truck -- how far did you have to assist him?

A-218 Over to the Police Station -- down the steps and the truck was right outside the station, sir.

Q-219 Couldn't he walk himself?

A-219 No, sir, we had to assit him.

Q-220 Was -- what was his condition when you came down to the Regimental Police at the Garrison Battalion?

A-220 His condition was improved quite a bit because we didn't have to assist him into the Guard House.

Q-221 Did you have any conversation with him during the way down?

A-221 No, sir.

Q-222 Did he attempt to speak to you?

A-222 Sir, I believe there was a couple other boys riding in the back, sir. He may have spoke to them. I was riding in the front seat.

Q-223 How far would it be from the Police Station, Niagara Falls, to the Guard Room?

A-223 I couldn't say exactly, sir; it wasn't very far.

Q-224 Could you give an approximate distance?

A-224 I couldn't say; it wasn't very far.

Q-225 What experience have you had in handling drunken soldiers?

A-225 Over a year of it, sir.

Q-226 And how do you base-when you say a man is drunk how do you reach that conclusion?

A-226 Well, from my own experience when a man can't conduct himself properly in uniform and has to be assisted, it is my estimation that a man is drunk.

---CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-227 You were with the previous witness, L/Cpl. Thompson, when you went to Niagara Falls Police Station, is that correct?

A-227 Yes, sir.

Q-228 What information did you receive there?

A-228 We had had a phone call that this man was drunk and had been picked up in a street car and carried into the station.

Q-229 When you arrived at the station what did they tell you?

A-229 They he was downstairs in a cell, sir.

Q-230 Who was downstairs in a cell?

A-230 Pte. Hurd, sir.

Q-231 Did they say his name, Pte. Hurd?

A-231 No, sir -- just said a soldier.

Q-232 Just said a soldier?

A-232 Yes, sir.

Q-233 Are you sure of that?

A-233 I am positive of it, but that is the usual procedure.

Q-234 Usual procedure -- I don't want to know the usual procedure. I want to know what happened in this particular case. When you arrived at Niagara Falls Police Station what did whoever was on duty tell you?

A-234 That was quite a while ago, sir -- we get calls every day and that is all I can tell you.

Q-235 I am going to suggest to you that he said there was a soldier downstairs by the name of Pte. Hurd, drunk -- is that what he said?

A-235 They usually say, "We have a soldier down stairs" -- words to that effect. I couldn't state the exact words.

Q-236 And what did you do on receiving that information?

A-236 Well, two of our fellows went down -- I didn't go downstairs myself to assist them up ---- went down with one of the police constables and assisted him up to the wagon.

Q-237 Who went downstairs?

A-237 Two other boys, sir, on the detail.

Q-238 Who were the detail?

A-238 I don't remember who they were at the time, sir. There was two of our fellows with us.

Q-239 So there were four of you, apparently, in the police patrol wagon?

A-239 Yes, sir.

Q-240 Do you recollect whether Cpl. Thompson going downstairs?

A-240 I couldn't say, sir.

Q-241 But you don't remember who the other two men were who did go down?

A-241 No, sir, because we change around so much. There was L/Cpl. Thompson and myself detailed on the station-wagon that night.

Q-242 Did you talk to Hurd?

A-242 No, sir.

Q-243 Did you have any conversation whatsoever with him?

A-243 No, sir.

Q-244 From the time you saw him until you turned him over?

A-244 None at all, sir.

Q-245 How far behind him did you walk, or did you walk in front of him?

A-245 Where?

Q-246 In Niagara Falls?

A-246 I believe I was behind at the time, sir, assisting him out the station.

Q-247 Were you behind him when you went out the alleyway between the glass partitions and the wall?

A-247 Where is that?

Q-248 In the station?

A-248 Offhand I can't remember.

Q-249 And where was your station wagon parked?

A-249 Right out in front of the station.

Q-250 Right alongside the door?

A-250 Yes, sir.

Q-251 And how many steps are there from the door to the ground where you got into the station wagon?

A-251 I couldn't say, sir; I never counted them.

Q-252 Approximately?

A-252 About half a dozen.

Q-253 About six steps?

A-253 Yes, sir.

Q-254 And he couldn't manipulate them himself?

A-254 No, sir, he had to be assisted.

Q-255 And did he hop into the wagon or was he assisted?

A-255 The door was opened and he was assisted.

Q-256 Where did you sit?

A-256 Front seat.

Q-257 Did you hear any conversation?

A-257 Conversation, sir -- we don't usually pay any attention.

Q-258 Was he abusive?

A-258 No, sir.

Q-259 Caused no trouble whatsoever?

A-259 None at all.

Q-260 Will you tell the Court -- I am not just satisfied how you described as to his condition. What was his condition, again?

A-260 What do you mean by that, sir?

Q-261 What was -- was he sober or was he drunk?

A-261 In my estimation he was drunk.

Q-262 And how do you base that estimation?

A-262 As I said, the man was smelling of liquor and had to be assisted and in my estimation was drunk.

Q-263 How close were you to Hurd?

A-263 Quite close; we all tried to help him along.

Q-264 But you told me you didn't help him -- there were two others?

A-264 We all caught on, sir.

Q-265 Was he abusive -- why were you helping him?

A-265 To assist him out to the wagon.

Q-266 I can't follow you at all. It took 4 of you to put this man in the wagon?

A-266 No, sir, not at all; I didn't say that.

Q-267 You say he was intoxicated because he smelt of liquor and was unsteady on his feet?

A-267 Absolutely.

Q-268 What was his condition when he arrived at Niagara-on-the-Lake?

A-268 He didn't have to be helped to the guard room.

Q-269 He sobered up quickly?

A-269 The ride did him good evidently.

Q-270 He smelt of liquor and was not steady on his feet, so you assumed he was drunk?

A-270 Yes.

Q-271 How many drunks have you arrested in the Provost Corps?

A-271 I don't remember.

Q-272 How many have you arrested this week?

A-272 None.

Q-273 How many last week?

A-273 None.

Q-274 How many the week before?

A-274 I can't remember that, sir.

Q-275 Christmas week -- that is a good week?

A-275 None, sir -- seldom we get an arrest for a drunk, sir.

Q-276 What do you do?

A-276 We put them in and let them sleep it off. We are mostly concerned with A.W.L's.

Q-277 I gather from what you tell me you haven't arrested very many drunks?

A-277 No, sir. I have in Northbay with the 32nd Provost Company, but down here there hasn't been any necessity for it.

Q-278 So I take it you wouldn't be a very good judge as to whether a man was drunk or sober?

A-278 You could put it that way.

Q-279 Do you agree with it?

A-279 I don't agree with it, but I say, you could put it that way.

---The Prosecutor declines to re-examine.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

Q-327 Can you inform the Court as to his condition?

A-327 He was sober and properly dressed, sir, when he came in the Guard Room.

Q-328 Why do you say that -- have you had experience determining between soldiers who are sober and soldiers who are drunk?

A-328 Just who come in there. I just go by what they are when they come in.

Q-329 You believe he was sober when he came in?

A-329 Yes, sir.

---CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-330 How do you know that he should answer Defaulters'

A-330 Well, he was on C.B., sir, and defaulters answer the roll call.

Q-331 How do you know he was on C.B., that is what I want to get at?

A-331 By the Defaulters' Roll Call.

A-336 Well, we had been notified, sir.

Q-337 You had been notified?

A-337 Yes, sir.

---The Prosecutor declines to re-examine.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

---BY THE PROSECUTOR THROUGH THE COURT:

Q-377 Can you tell the Court about Defaulters' Parades in the 1st Garrison Battalion, how they are carried out and what those who are defaulters have to do?

A-377 The only thing I can tell you, sir, is when the bugle blows for defaulters that the men are supposed to parade to the Guard Room.

---BY THE PRESIDENT:

Q-378 Parade to the Guard Room?

A-378 Report to the Guard Room.

Q-379 Report to the Guard Room -- and does that take place once a day or more than once a day?

Q-380 I am asking you?

A-380 I don't know; I can't tell you.

Q-381 Do you know what your Standing Orders say?

A-381 No, sir.

Q-382 I am not surprised because when I read over the Standing Orders that are filed here as an exhibit, they are certainly not very clear to my mind. Where is the Defaulters' blown -- where does the bugler stand?

Q-383 Did you ever hear the call Defaulters'?

A-387 Yes, sir.

Q-388 And do you act as a sort or Orderly Room clerk?

A-388 Yes, sir.

---BY THE COURT:

Q-389 When a man is on -- when a man is a defaulter and goes out on post, is he released from being a defaulter, and if not, just what is done?

A-389 I think in our Company he is not released as a defaulter, only for the period that he is out on post. That is in our own Company.

Q-390 It is understood that if he comes back from post and his times isn't up that he is liable to be called for that Defaulters' Parade?

A-390 Yes, sir.

---BY THE DEFENDING OFFICER THROUGH THE COURT:

Q-391 Do you know of your own knowledge of any cases where men have been sentenced, have been given a sentence of so many days' C.B. as defaulters, and have gone on post and then been given passes after they have done their tour of duty?

A-391 I do not, sir.

---In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

First Witness for the Defence.

The Accused, No. A.58878, Pte. Robert Joseph H U R D, 1st Garrison Battalion, C.A., being duly sworn, is examined by the Defending Officer:

Q-394 How old are you?

A-394 27 years old, sir, on the 2nd of January, 1943.

Q-395 And when did you enlist?

A-395 11th December, 1942.

Q-396 When were you transferred to the Garrison Battalion?

A-396 I believe it was August 18th or 19th, 1942.

Q-397 Have you had any training as a soldier?

A-397 As a soldier actually in the Army?

Q-398 Yes?

A-398 Before I joined the 1st Garrison Battalion?

Q-399 Basic or advanced?

A-399 I had no training whatsoever; I was only on parade seven distinct occasions; seven days, in other words, elementary foot drill.

Q-400 Where were you stationed when you first enlisted?

A-400 I was in M.D. 1 District Depot, London, Ontario.

Q-401 And you were there until transferred to the Garrison Battalion, 19th August, 1942?

A-401 Yes, sir.

Q-402 How were you employed in London?

A-402 I was on fatigue work and odd jobs.

Q-403 Have you a trade?

A-403 Yes, sir.

---THE PROSECUTOR: I don't want to interrupt, but I was just wondering if this is not evidence in mitigation rather than evidence in defence? I don't wish to make any objection, but is it proper? It appears to me that this is evidence which is of a type which is evidence in mitigation rather than a defence to the charges.

---THE PRESIDENT: Well, it is my policy to give very wide latitude to a Defending Officer in examining his own witnesses.

---THE PROSECUTOR: Alright, sir.

Q-404 You were employed at fatigue work while at London? Have you a trade?

A-404 Yes, sir, I have a trade as a bricklayer, sir.

Q-405 Have you been trade tested?

A-405 Yes, sir.

Q-406 After trade testing were you employed as a bricklayer?

A-406 No, sir.

Q-407 Since you have been in the Garrison Battalion how have you been employed?

A-407 Have been employed just doing -- it was the first stretch of guard duty I had done with the Garrison Battalion, but I had been attached with the Queen's York Rangers and had done a few stretches with the Queen's York Rangers, but with the Garrison I had just been on parade and a bit of foot drill.

Q-408 That is the first thing you have done since being here?

A-408 Yes, sir.

Q-409 When did you go on post last?

A-409 I don't remember the date; I believe it was the 24th or 25th.

Q-410 Of November?

A-410 Yes, sir.

Q-411 You came off post when?

A-411 On the 4th of December, sir.

Q-412 What time did you arrive back in the Garrison Battalion lines.

A-412 I would say approximately 1130 -- there wasn't a great deal of time before dinner.

Q-413 Now were you -- did you believe that you were a defaulter at that time when you arrived back to your Battalion lines?

A-413 No, sir, I did not.

Q-414 What made you think you were not a defaulter?

A-414 Sir, I was under the impression when I went out to post that C.B. was automatically quashed.

Q-415 After you finished your tour of duty on post you believed that your C.B. was ----

A-415 I believed that when I left the premises of the Camp and was posted on post duty that my C.B. was automatically quashed at that time.

Q-416 Did you answer any Defaulters' Roll Call while on post?

A-416 No, sir, I did not.

Q-417 Do you know of anyone else that answered Defaulters' Roll Call while on post?

A-417 No, sir, I do not.

Q-418 And when you arrived back in Camp you believed that your C.B. was automatically lifted.

A-418 Yes, sir.

Q-419 And what did you do?

A-419 Well, sir, I went over to have dinner and I came back and I sat down on my bunk and sat there the remainder of the afternoon. That was Friday, 4th of December, 1942.

Q-420 You slept?

A-420 Slept from the middle of the afternoon until somewhere between 4:30 and 4:45.

Q-421 Where did you have your meals?

A-421 I had my dinner and supper at the 1st Garrison Battalion kitchen.

Q-422 You had your dinner and supper at the 1st Garrison Battalion kitchen?

A-422 Yes, sir.

Q-423 And you were paraded up to your meals the same as the other soldiers in the unit?

A-423 Well, sir, it was kind of more or less mixed parade because there was a great deal of company there and we went in more or less of a line -- you wouldn't hardly call it a parade.

Q-424 You went up the line into the kitchen and received your meal?

A-424 Yes, sir.

Q-425 And after your meal what did you do?

A-425 I went back to the hut.

Q-426 Went back to your hut -- do you remain there?

A-426 I remained there for about an hour-and-a-half, sir, and I put my clothes on and I went down town and saw a picture show and came back just about lights-out. The lights were still on when I came back.

Q-427 And what did you do then?

A-427 I went to bed, sir.

Q-428 And what did you do the next morning -- you slept all night?

A-428 Yes, sir.

Q-429 And what did you do the next morning?

A-429 Sir, I didn't get out of my bed, strange as it may seem, until about 10 o'clock.

Q-430 Did you answer a roll call in the hut the morning of the 5th?

A-430 As far as I know there was no roll call.

Q-431 There was no roll call whatsoever?

A-431 No, sir.

Q-432 Was there any roll call on the night of the 4th?

A-432 Not that I know of, sir.

Q-433 What did you do after you got up?

A-433 Sir, I just sat around and, well, I talked to the boys and one thing and another -- a few of the boys were there -- there weren't very man there. And about somewhere around 11:30, after 11, I gave Pte. Booth my battle dress and asked him would he have it pressed for me, and paid him for pressing it for me. That was supposed to be one of my witnesses, Pte. Booth. And he came back with my battle dress shortly before 12 and I put it on and didn't stay for dinner although I heard the bugle call before I left the Camp. I don't know if it was shortly after 12, but I heard the bugle call before I left the Camp; and I left the Camp and went to Niagara-on-the-Lake and from there hitch-hiked to Niagara Falls.

Q-434 What time did you arrived at Niagara Falls?

A-434 I couldn't just say, sir. I had two different lifts down to the Falls. In fact, we went slightly past the Falls on the second lift because the gentleman driving the car seemed to have the idea we were going further down the road, and we went down past the Falls to a church or something there, a convent; and we got off and got a street car to the central part of the town. There were three of us.

Q-435 Approximately what time did you arrive in the central part of town?

A-435 The first thing I remember it was about half-past two, sir.

Q-436 Half-past 3?

A-436 Half-past 2, sir.

Q-437 Half-past 2. Did you have anything to drink?

A-437 Yes, sir; before I left Niagara Falls I had a couple drinks of wine and I would say altogether from possibly 7 to 9 ounces of wine -- I can tell you absolutely no more than 9. We had a 26-ounce bottle between 3 of us, sir, and that is shortly after 12 o'clock, and I know it was at least half-past 2 before I had any beer. Talking and one thing and another in the hotel, I had exactly 5 beers there -- may possibly have been one more; but I know no more than 6.

Q-438 Wereyou drunk after you drank it?

A-438 No, sir. The 2 companions I was with had a pass to go to Buffalo and left the hotel and I sat there and got kind of drowsy and at last decided that I would get back to Camp and get a sleep. I had missed a lot of sleep on post.

Q-439 You had missed a lot of sleep on post and were tired?

A-439 Yes, sir.

Q-440 Then what did you do?

A-440 After that it was kind of blurred up. I thought I should get some place to go and sleep and I had that in my

mind, and really at the time I can't remember getting on a street car, but, apparently, I got on a street car and fell asleep on a street car, sir.

Q-441 And what happened then?

A-441 Sir, the next thing that I can actually swear to, sir, as being a concrete fact I can actually swear to as a as a fact, is my coming out of the haze like in the station wagon with the Provosts, but I have dim recollections of being in a cell prior to that.

Q-442 Tell me, were you drunk or sober or were you tired?

A-442 Well, sir, I wasn't drunk by any means. I was more than just tired; I was exhausted.

Q-443 You were fatigued, exhausted?

A-443 Yes, sir. I dare say that the alcohol I consumed had some effect on my condition, but the main cause of my condition was the fact that I was more or less exhausted.

Q-444 And you arrived back in Camp or at least you were brought back to Camp by the Provost and then in the Guard Room what happened?

A-444 Well, sir, I came in the Guard Room and as I had no supper I asked one of the Regimental Police to get a couple of dough-nuts and a bottle of milk for me, sir and I ate that and went to sleep again and the next thing I knew it was 6 o'clock the following morning.

Q-445 I will go back to when you were on post -- what was the last shift that you were on before being relieved on the morning of the 4th?

A-445 Last shift, I believe the last shift I was on was from

12 o'clock to 3, sir.

Q-446 12 o'clock to 3?

A-446 Yes, sir.

Q-447 And were you out after that on post?

A-447 No, sir, but I had no sleep at all.

Q-448 You had no sleep?

A-448 Getting our equipment together and getting ready to move, sir.

---CROSS-EXAMINED BY THE PROSECUTOR:

Q-449 Hurd, you want the Court to believe that you were asleep rather than drunk, is that correct?

A-449 Yes, sir.

Q-450 And you just told your Defending Officer that the night before you -- I think I am correct in saying -- you went to bed after coming up from Niagara-on-the-Lake, the 4th?

A-450 Yes, sir.

Q-451 And slept in the next morning?

A-451 Yes, sir.

Q-452 You slept all night and slept until 10 o'clock in the morning, you said?

A-452 Yes, sir.

Q-453 And you still hadn't had enough sleep?

A-453 Yes, sir.

Q-454 So you want the Court to believe that you fooled around Camp or put your time in around Camp that date; then went to Niagara-on-the-Lake; then Niagara Falls, and had some beer and some wine and were only tired?

A-454 Yes, sir, not only tired and sleepy, but actually exhausted.

Q-455 So you went to sleep on the street car?

A-455 Yes, sir.

Q-456 How did you get off the street car?

A-456 I don't remember.

Q-457 You don't remember them taking you off.

A-457 I can't say I have, sir.

Q-458 Have you drank wine before?

A-458 I have drank it before, but not a great deal, sir.

Q-459 Isn't it a fact that wine has a tendency to make one drowsy?

A-459 It does, sir, in some respects.

Q-460 And may I suggest to you in view of the fact that you had been drinking beer and wine and sitting in a hot street car was one of the reasons that you had been drinking -- do you think you would have gone to sleep if you hadn't been drinking?

A-460 I couldn't swear I would or that I wouldn't.

Q-461 Alright. You mentioned to your Defending Officer that you did not believe you were a defaulter and you were under the impression when you came back from post that you were ~~Rtted~~ from being a defaulter, is that right?

A-461 Yes, sir.

Q-462 Where did you get that impression?

A-462 Well, sir, I know other cases where men have been defaulters and myself on one occasion.

Q-463 Where was that?

A-463 The occasion I was shifted from Camp I was doing five days' C.B. -- was attached to the Queen's York Rangers.

Q-464 I want to get down to something definite. Did you make any effort to ask any N.C.O., Warrant Officer or Officer if that was true, that you were lifted from defaulters or did you just go ahead yourself and think "I am off Defaulters' and so won't attend Defaulters' Parade, which is alright"?

A-464 I just took it for granted.

Q-465 So you didn't make any effort to find out?

A-465 I did ask a few of the boys.

Q-466 Did you---

---THE PRESIDENT: Let him answer.

A-466 I asked a few of the boys, sir.

Q-467 Did you ask any N.C.O.?

A-467 I couldn't say if I have or not -- maybe I did or maybe I did not.

Q-468 You can't say you did?

A-468 I asked a number of persons.

Q-469 Answer my question -- did you or did you not?

A-469 There is one N.C.O. I may or I may not.

Q-470 But you can't say definitely?

A-470 I can't say definitely.

Q-471 But you did know that on the 24th day of November you were awarded 14 days' confinement to barracks?

A-471 Yes, sir.

Q-472 And do you know what confinement to barracks means?

A-472 Well, sir, to stay in barracks and answer Defaulters' Call and usually do any fatigue work there is to do.

Q-473 Do you know what the Defaulters' Call sounds like -- do you recognize it?

A-473 Yes, sir.

Q-474 Did you hear the Defaulters' Call at 1200 hours on the 4th of December?

A-474 I don't recollect, sir.

Q-475 And you weren't listening for it, were you?

A-475 Well, no, I wasn't.

Q-476 Where was it you went on the 5th of December?

A-476 I went to Niagara Falls, sir.

Q-477 Did you go through Niagara-on-the-Lake?

A-477 Well, sir, it is on the way.

Q-478 Alright. Did you have a pass?

A-478 No, sir.

Q-479 Is it customary for you to leave Camp and go to Niagara Falls without a pass?

A-479 On Saturday afternoon, sir.

Q-480 Was that a Saturday afternoon?

A-480 Yes, sir.

Q-481 And you had done that before, had you?

A-481 Yes, sir.

Q-482 Well, you admit that you were in the Police Station at Niagara Falls, is that correct?

A-482 Yes, sir.

Q-483 And that you were brought down to the Garrison Battalion Guard Room by the Military Police, is that correct?

A-483 Yes, sir.

Q-484 On the 5th of December, 1942, at 1600 hours, is that right?

A-484 Yes, sir.

Q-485 But you state that you didn't leave Campe on the 4th of December at 1200 hours?

A-485 No, sir.

Q-486 And you have not been able to, through, possibly, tough luck, or something, but you haven't been able to produce any other soldiers to this Court to substantiate or corroborate your story that you were in Camp on the 4th?

A-486 There were several other soldiers with me.

Q-487 But will you answer my question -- you haven't been able to produce anyone to this Court, have you?

A-487 No, sir, I have not.

---The Defending Officer declines to re-examine.

---BY THE COURT:

Q-488 When you are on post what is your tour of duty -- how long on and how long off?

A-488 Generally we have three hours of post duty and six hours off.

Q-489 And you find that not enough time to get to sleep in?

A-489 Well, sir, it is the fact that I was only on night shift. I had one shift at night and in the daytime I found it hard to sleep. I don't believe I had more than

21 hours sleep in 9 days and I had fatigue work to do and as I only had night shifts I had quite a bit of gatigue work to do along with my duties at night. It isn't too easy to get to sleep on those posts -- pretty cramped and somebody banging around all the time -- going up and down the elevator for your meals. I could have slept upstairs, but you have to have an N.C.O. to go on the elevator, and in the six hours we have to eat and clean our equipment.

Q-490 You had been on Post 1, or 2?

A-490 Post 2, sir.

Q-491 And it is the custom of the Battalion to get out on a Saturday afternoon without a pass is it?

A-491 Yes, sir.

THE PROSECUTOR'S OPENING ADDRESS

Lt Col GSHG - President DCM.

The Prosecution will endeavour to show and prove through evidence adduced by witnesses that the accused is guilty as charged of, first of all, the charge of absenting himself without leave from 1200 hours on the 4th of December, 1942, until apprehended in Niagara Falls, Ontario, at 1600 hours, 5th December, 1942, dressed in military uniform; or, in the alternative that he failed to appear at the place of parade appointed by his Commanding Officer when a defaulter at the Niagara Camp, Niagara-on-the-Lake, on the 4th of December, 1942, failed to appear at the guard room, Niagara Camp, Niagara-on-the-Lake, Ontario, 1200 hours, 4th December, 1942, the place of parade appointed by his Commanding Officer.

It will be noted that the 1200 hours on the 4th of December is mentioned in both charges and that is the reason that it is an alternative charge -- that the second charge is made an alternative to the first charge.

The third charge is that the accused, while on active service, drunkenness, in that he at Niagara Falls, Ontario, at approximately 1830 hours, 5th December, 1942, when a defaulter, was drunk.

And the words "on active service" have been inserted because it appears that if an accused soldier is found guilty of drunkenness on active service the crime is more serious than when not on active service.

The place of the parade that the Prosecution will endeavour -- as you were -- the place of parade appointed by his Commanding Officer mentioned in the second charge, alternative to the first charge, we will endeavour to prove is the

Defaulters' Parade, and that the accused failed to answer the bugle to appear at the Defaulters' Parade; that is, the place of parade that we will endeavour to prove is the place that he failed to appear at.

- - - - - - - - - - - - -

---THE PROSECUTOR: The accused should know and probably state, I think, that he has been warned, if he has been, that there will be a witness in this case giving evidence whose name is not contained and did not give evidence in the summary of evidence; namely, Mr. Bleecker, giving evidence in place of Captain de Hawken, Adjutant, who is away on a course.

---THE PRESIDENT: (To Accused) When I asked you the first question (Q-6) did you understand the facts that Mr. Downey has just mentioned?

---THE ACCUSED: I was informed of those facts, sir.

---THE PRESIDENT: And are you prepared to go on with your trial irrespective?

---THE ACCUSED: Yes, sir.

THE PROSECUTOR'S CLOSING ADDRESS

Gentlemen: I submit that the Prosecution has proved beyond any reasonable doubt that the accused has absented himself from the witnesses and the documentary evidence filed; or, in the alternative, that the accused, knowing that he was a defaulter, ignored a Defaulters' Parade and did not appear when the bugle sounded Defaulters' Parade at 1200 hours the 4th of December, 1942, that being the place of parade appointed by his Commanding Officer and set out in the Garrison Standing Orders.

With reference to the third charge, we have two---

---THE PRESIDENT: Do you suggest that those Standing Orders setting out the place of Defaulters' Parade is very clear and properly done?

---THE PROSECUTOR: I agree in that connection, sir. I will leave my remarks on the third charge for the moment. I agree that probably it hasn't been brought to the attention very clearly and it is difficult for a Private soldier, not knowing military law, to know what should be done and what his duties are. But the accused man has admitted under cross-examination that he knew that he was a defaulter before; he knew the Defaulters' Call, and that he did not answer it. For the Court's information -- the Court is probably very well aware of this section in K.R. (Can.), but for the purposes of the Record, K.R. (Can.) Paragraph 472 (b) (i), and it deals with powers of a Commanding Officer:

"A Commanding Officer may, subject to the soldier's right to elect, previous to the award, to be tried by District Court-Martial, inflict on a private soldier the following summary punishments:--"

And it deals with confinement to barracks for any period not exceeding 14 days. And this Paragraph further states:

"Defaulters will be required to answer to their names at uncertain hours throughout the day, and will be employed on fatigue duties to the fullest practicable extent with a view to relieving well-conducted soldiers therefrom. Defaulters will attend parades, and take all duties in regular turn. When the fatigue duties required are not sufficient to keep the defaulters fully employed, the commanding officer may order them to attend extra drill, which shall be limited to one hour a day, and shall be limited to useful instruction."

It is for the Court to decide, I believe, whether or not sufficient notice has been given the accused of his duties as a defaulter. Now, I am leave the first two charges which are in the alternative. For the Court's information, before I leave that I would like to refer the Court to Army Act, Section 15, Note 3, paragraph (ii). This is with reference to the alternative charges. It says:

"A soldier absent without leave is not also liable to trial for failing to attend parades, etc., during the period of his absence, but he may be tried on alternative charges for both offences. A soldier absent from parade owing to drunkenness should be charged under Section 19 and not under this paragraph."

That really doesn't apply.

Now, dealing with the third charge -- WHEN ON ACTIVE SERVICE, DRUNKENNESS -- We have two witnesses come before the Court who are members of the Canadian Provost Corps who have sworn under oath that in their opinion the accused soldier was drunk at the time he was apprehended by them from the civil authorities in Niagara Falls, and that they had to assist him to the station wagon

It is true that the Prosecution has also produced to the Court two witnesses from the Regimental Guard Room from the 1st Garrison Battalion and they state that the accused was sober and properly dressed. Well, there was a short period of time and the drive from Niagara Falls to Niagara-on-the-Lake in the interim, and the accused might have had a chance in that time to sober up. In any event, I will close my remarks by asking that the Court consider what I have said, and I believe that there is sufficient evidence to convict the accused.

Lt Col GENG
Presided D.C.M.

THE DEFENDING OFFICER'S CLOSING ADDRESS

Sir, the charge of drunkenness -- this man was apprehended by the Niagara Falls City Police. They have sent in a certificate of apprehension which does not mention anything about this man being drunk. The Provost Corporals -- one says he assisted him; the other says he didn't. There were two other men -- he doesn't know who -- they state he was drunk because they could smell his breath and he was unsteady on his feet.

The accused was in the box and he said he had a few drinks and that he was tired. The Court has heard all the evidence on that charge and they are capable of dealing with it. I would like to suggest, sir, that there is not sufficient evidence on the drunkenness charge.

On the charge of failing to answer Defaulters--he had been sentenced to 14 days' C.B. and went up in the line and he stated -- and I believe there is evidence here -- that others had been given passes after coming off the line who were still undergoing C.B. I think he believed that he was quite free to go down to the Lake on a Saturday Afternoon. He was around the hut; ate his meals at the men's mess -- unfortunately there is no witness here that he was talking to, but I would ask you, sir, to believe his story. He saw fit to go in the box; he didn't hide anything; and I would ask you, sir, to believe that he didn't think that he had to answer Defaulters' Call when he came back off post.

STATEMENT BY THE ACCUSED IN MITIGATION OF PUNISHMENT

Lt Col GSO 1
Grenadier S.C.W.

I would like to say a few words in regard to the fact, as I understand, if I am found guilty my crime sheet will go against me. But I would like to point out the fact that although I am a member of the Canadian Army, I am more or less a civilian as I had not a great deal of training, sir, and in all my crimes you will find they are usually A.W.L. -- staying a short time over pass, and that is, really I have been a civilian the best part of my life and am only a short time in the Army, and the time as a civilian I had my rights of my own free will of coming and going as I cared and seen fit.

And I have not been taught a great deal about Army discipline. I have not learned a great deal about Army law; in fact, I had one half-hour of instructions on military law since I have been in the Army. That was from a Company Commander in the 1st Garrison Battalion. And I would like you to take those things into consideration in your summing-up of the case, and I don't think I have a great deal to say. I think there was enough said pro and con on the subject. I would say on the first bit of evidence, I think it was Exhibit "L,"---

---THE PRESIDENT: That is the document which is signed by the Chief Constable, Exhibit "L" is the certificate of apprehension by, or surrender to, civil authorities. That is signed by Melvin D. Tisdale, Chief Constable. Is that the document you refer to?

---THE ACCUSED: Yes, sir, Is that the usual procedure for evidence to be taken before the accused?

---THE PRESIDENT: Yes, that document was quite properly admitted as evidence of what it stated on the face of it. It stated that you were the person -- it gives your name, and so on. It gives the name of the motorcycle officer constable of Niagara Falls of the Police Department, that arrested you. It states the time on the 5th of December. It gives your regimental number, your rank, your name, your battalion, and gives your description.

---THE ACCUSED: Then that is in order, sir?

---THE PRESIDENT: Yes, that document is admitted as evidence by virtue of two Orders-in-Council, P.C. (that is, Privy Council) Order 2797 and Routine Order 1877 and also a General Order 127. And the purpose that a document like that is admitted is to save expense to an accused man if he is found guilty of the cost of bringing police officers from, sometimes, very distant parts to give evidence, and the cost of bringing them to the Court-Martial and sending them back -- and if the accused is found guilty, then having the cost of that added as a penalty to the accused man in addition to any other penalty that may be given. So, with that in view, the Government of this country considered it fair and proper that to save accused persons waiting in custody while a police officer or others were brought from distant parts of the country to give evidence, that if proper officers,like the Chief Constable in this case, men of reputation, give a certificate that the accused man was found or was arrested or surrendered himself to the police officer at a certain time and under certain conditions, then that that is properly admissible before a Court of Law or before a Court-Martial.

---THE ACCUSED: Thank you, sir. I don't think I have anything more to say, sir. I am satisfied.

---THE PRESIDENT: Well, now, the only thing I can say to you, Hurd, is, you are a man of intelligence; you are 27 years of age, nearly 28 years of age; you can judge by today's proceedings how careful this Court has been in seeing that every bit of evidence in your favour, as well as the evidence that was against you, was brought before this Court.

---THE ACCUSED: Yes, sir.

---THE PRESIDENT: You have seen that the Prosecuting Officer did his duty in the way that one is always pleased to acknowledge when he goes to the trouble of calling two witnesses whose evidence might, if believed, and apart from any other evidence, might have gone to relieve you from the guilt of some of these charges. The Court cannot tell you the fact that you have been found guilty on any of these charges, and the Court is not in the position, under the Army Act and Rules of Procedure, to tel you of any sentence which may be imposed until that has been confirmed by the D.O.C.

The Court will bear in mind what you have said, and you can rest assured that in coming to a conclusion and dealing with your case that the Court is motivated, in the first place, by what is going to be a good thing for you as an individual, so as to make you a better soldier of the Canadian Army; but the Court must also bear in mind that discipline must be maintained in this very particularly important Garrison area where there are so many valuable plants that have to be

preserved, and that if soldiers let down on their duties on these very important jobs which may seem monotonous, then it is going to be too bad for this country. And in weather like this if the power plant of Niagara were allowed to be blown up by the carelessness of some soldier or by some other fellow going off and getting drunk when he should have been on his duty, or by otherwise not doing his duty, then it would be a great calamity for the whoe of the Province of Ontario and the whole of the Dominion of Canada. All those things have to be borne in mind by this Court in arriving at its conclusions and in deciding on sentences that are imposed on men that come before the Court.

K.79067 - Pte. Raymond F. HICKMAN
No. 3 Petrol Coy., R.C.A.S.C., C.A.

1. The marginally named soldier was taken on the strength of No. 12 District Depot on 28th November, 1942, while absent without leave from his Unit from 27th July, 1941. He was charged with deserting His Majesty's Service and losing by neglect and was tried by District Court Martial on 19th January, 1943, convicted and sentenced to 120 days detention and awarded stoppages of $94.75 in respect of the cost of apprehension and to make good the value of deficiencies. The sentence of the Court was confirmed by the District Officer Commanding but the entire sentence was remitted.

2. Before remitting the sentence the District Officer Commanding interviewed the accused and made some enquiries into his background. The early life of the accused was somewhat tragic. When he was about seven or eight years of age owing to conditions in his family he was sent to an orphanage, where he remained for a year or so. He then went to reside with foster parents, where he remained for a short time, when he was returned to the orphanage. After that he went to a foster home at William's Lake in the Cariboo country of British Columbia and was working there on a ranch at the time of his enlistment. He has a Grade IV education.

3. This soldier is obviously a weakling and emotionally unstable and it was the feeling of the District Officer Commanding that a sentence of detention would do more harm than good and would reduce the chances of reclaiming him as a useful member of the Armed Forces. He has now been examined by a psychiatrist and the report of the psychiatrist, copy of which is attached, more or less confirms this view.

4. With regard to the remission of stoppages of pay, it is pointed out that no Court of Inquiry under section 72 of the Army Act was ever held in connection with this soldier's absence and it was considered that in all probability the greater part of the deficiencies were returned to stores.

5. In view of the foregoing it is recommended that this soldier be treated as a special case and that

he be transferred to No. 22 Special Basic Training Centre, or some similar Unit, and given an opportunity to make a fresh start. The soldier has declared that he is anxious to redeem himself and become a good soldier. He has completed his basic training.

CASE SHEET (SPECIALIST REPORT)

Hospital ..... Report No. .....

Regt'l No. K-79067 Rank Pte. Name HICKMANN, Raymond F.

Unit #12 Dist. Depot Date of Enlistment 1 June 1940 Age 21

Born in Salmon Arm, B.C.
Mother committed to New Westminster Mental Hospital when soldier was about 6 years of age and she has been there ever since. Soldier does not remember her. Shortly after this, he was sent to an Orphanage in Vancouver and his father re-married. States his father and step-mother never got along and he was never home again except for short periods of from a month to a few days. While in the orphanage, was adopted out to foster parents off and on till age of 18 when he enlisted.

SCHOOL: 12-15. Grade IV passed. This boy could have done much better if he had had an opportunity to go to school. I.Q. shows he has an I.Q. of between 90 and 100 which is an average intelligence.

Does not drink. Has no police record except for 30 days in Prince Albert Goal when he was picked up for not having a registration card. States he has always been a good worker, was never fired and whenever he worked, he has been asked to come back again. A.W.O.L. from Army from July 1941 to November 1942.

This soldier is emotionally unstable. He frequently has time when he feels depressed for no apparently reason and is reasily moved to tears. Also has a marked inferiority complex and feels that other people regard him as perhaps somewhat "Queer", to use his own expression. This feeling would seem to be the result of his lack of confidence from lack of home environment along with the knowledge that his mother is a patient in a mental hospital. Taking into consideration his back ground and youth, it is not thought he entirely realized the seriousness of his action. It is the writers opinion that he has had this pretty well brought to his attention by the Court Martial and that further punishment would aggravate the feelings of inferiority, etc., mentioned above.

Date January 27th, 1943.

District Court-Martial
K.79067 - Pte. Raymond F. HICKMAN
No. 3 Petrol Coy., R.C.A.S.C., C.A.

1. Herewith for custody and safekeeping are Proceedings of District Court-Martial of the marginally named soldier. The finding and sentence have been confirmed by the District Officer Commanding but the entire sentence has been remitted. The finding, sentence and remission have also been promulgated.

2. The action of the District Officer Commanding in remitting the sentence was prompted by the fact that this soldier is considered to be emotionally unstable and it was considered that a sentence of detention would reduce the chances of reclaiming this soldier as a useful member of the Armed Forces. The award of stoppages in connection with the deficiencies of clothing and necessaries was remitted because no Court of Inquiry was ever held in this case under section 72 of the Army Act and it was considered probable that the greater part of the deficiencies were returned to stores.

3. The following is offered in explanation of the delay in bringing this soldier to trial. The soldier was taken into custody on discharge from the Prince Albert Jail on the 29th November, 1942, and on 5th December, 1942, instructions were received from the A.G. to the effect that Hickman was to be taken on the strength of No. 12 District Depot and disciplined. On the same date his documents were requested from the Officer in Charge of Records, Ottawa. On the 11th December, 1942, the Officer in Charge of Records, Ottawa, requested the D.R.O., M.D. No. 6, by radio to forward the documents to this District. On the 17th December the documents had not been received and a radio was sent to the D.R.O., M.D. No. 6, urging that they be hastened. On the 21st December a letter was received from the D.O.C., M.D. No. 6, advising that the documents had been mailed direct to No. 12 District Depot by ordinary mail. The documents as received did not include M.F.M. 375, or other documentary proof of absence, and the Officer in Charge of Records at Ottawa was accordingly sent a radio on 4th January, 1943, asking that M.F.M. 375, or certified copy of the relevant Part II Order, be forwarded. A hastener was sent on 8th January. The Part II Order in question was received in

No.12 District Depot C.A.

"M" Inserted in Court President Bem.

STATEMENT ON BEHALF OF THE ACCUSED BY THE DEFENDING OFFICER

Mr. President and members of the Court. The accused's home was at Salmon Arm, British Columbia, that is his early boyhood home. When he was about seven or eight years of age, owing to conditions in his family, he was sent to an orphanage where he remained for a year or so. Then he went to foster-parents at Langely Prairie, which is in the Frazer Valley country of British Columbia. He remained there for a short period and was returned to the Orphanage. After that, he went to a foster-home at William's Lake in the Caribou Country of British Columbia. This was a ranch home and he was working there at that ranch at the time of his enlistment, about June 21st, 1940. He was then about 18 years of age. This was a voluntary enlistment.

Up to this time his schooling had been and still is very little. He not having gone farther than grade four. When he joined the services, he wished to be a truck or car driver, at which he had had only very little experience. He was detailed to the 3rd Divisional Petrol Company, R.C.A.S.C. at Vernon, British Columbia. He remained there for a few weeks when the Unit went to Camp Borden. At Camp Borden he worked to qualify as a driver. His lack of education prevented the Qualifying Certificate being issued. The Unit was then transferred to Debert. Shortly after arrival there, he was attached to the Medical Inspection Room, as an Orderly and general fatigue man, runner. The Medical Officer in charge, promised that he would received some rank, Corporal or otherwise, but lack of education prevented that from going through. Men junior to him got promotion.

He had assigned $20.00 of his pay to his father, who had a large family, most of them half brothers and half sisters to the accused. His father is a sign painter by trade and there is not much of that work to be done now.

This combination of circumstances acted on the accused's mind to such an extent that he decided to leave the army. He came West by hitch hiking or getting rides on the Railway, to Saskatchewan and did harvest work in the fall of 1941. That work consisted of driving a tractor which was hauling a Combine. Previous to leaving the Unit, he had been issued with various items of Military clothing and equipment for which he signed and which he received as are detailed in Exhibit "K". When leaving his Unit he took with him, as far as military equipment was concerned, one uniform, one cap, one pair of boots and one suit of underwear. The rest of the equipment issued to him was left with his Unit.

After doing harvest work in Saskatchewan in the fall of 1941, he proceeded on to the Province of British Columbia, where he was born and raised. He worked there the remainder of that winter and the next year, up towards the fall of 1942, when he came back to the Province of Saskatchewan and again worked as a truck driver in the harvest fields in various places in the Province, finally being arrested by the Military Police at Prince Albert, Saskatchewan.

That, Sir, is the statement I make on behalf of the accused.

CLOSING ADDRESS BY THE DEFENDING OFFICER

Mr. President and members of the Court. In this case dealing with the first Charge, there is an admission to the effect that this man ran a way from the army. There are in my opinion, extenuating circumstances.

Owing to matters quite beyond his control, as a youth, he received very little education and while no doubt he was a good enough soldier along certain lines, he could get no advancement or promotion, or trades pay, owing ~~solely~~ to lack of education. Possibly his nervousness might have affected the driving test, so that I would urge that the Charge of Desertion be reduced to one of Absent Without Leave. The time is very long, one year and four months, but when a line of conduct is entered into the course of circumstances and general conditions, leads to a continuation of that line of conduct without much thought to the result.

It is quite easy to say he should have thought where he was headed for. Quite easy to say he should have thought where he was likely to finish up, but I think it would take a man with very strong willpower, after a few months of leading the life he did, to about-face and say that "Ihave deserted. I had better get back." I would urge it was thoughtlessness after the first step was taken. I would ask that that Charge be reduced to Absent Without Leave.

Dealing with the second charge. The statement is quite clear that articles of clothing and equipment were received by the accused, but also that practically all of it was left behind in Barracks. I cannot urge any reason as to why he should not be found guilty on that Charge, but at the proper time I do wish to make a suggestion as to sentence on that particular Charge.

"O"

Jerrophan Lt Col

CLOSING ADDRESS BY THE PROSECUTOR

Mr. President and members of the Court. The facts set up in the Charge Sheet, are not seriously in dispute and I will confine my remarks to the intent.

As I have said before, the length of absence is not evidence of intent. However the length of absence, one year and four months, coupled with the fact that the accused had to be apprehended to return him to his Unit, and the fact that at the time of his apprehension he was dressed in civilian clothes, is sufficient to prove intent.

The accused in his statement complains that he was not able to qualify for trades pay or promotion. He probably overlooks the fact that in the Canadian Army there are many Privates who never receive trades pay or promotion, and if all these personnel followed the example of the accused, the army would be very badly depleted. Further the accused has made no statement on intent. He has not stated that he intended to return to the army. It can be presumed that he had no such intention.

In so far as the deficiencies are concerned, I would like to point out that although the accused had been absent from the 27th of July, 1941, it does not appear that a Court of Inquiry into his absence had been held. This puts myself and the Defending Officer at quite a disadvantage in being satisfied with the evidence. Under the circumstances the original issues have been proved and it has been proved that the accused was in possession of no Military clothing , equipment or necessaries.

It naturally ~~falls~~ follows that he should be convicted on the second charge as well as the first.

FINAL ADDRESS BY THE DEFENDING OFFICER

Mr. President and members of the Court. In speaking with a view to having proposed as light a sentence as possible, providing the finding of the Court is that the accused is guilty, I wish you would consider some points that may not be quite obvious.

In the first place, I wish you would bear in mind the conditions under which this boy was brought up. He did not have much of a chance. He voluntarily joined the army when he was 18 years of age, no doubt filled with high hopes and enthusiasm and owing, as I would suggest, solely to his lack of education, he did not make the headway he expected to make. He became dissatisfied and of course got into this situation he is now faced with and which you as his judges are faced with. It is true that he has been away quite a long time.

It seems to me that conditions in the army have changed since this boy enlisted, and that there is now an army school or an army training school established, I am not sure which, where subject to what the Army Examiners have to say, this soldier could be sent for training with a view to bringing his educational qualifications up to a standard where he would be a more useful soldier in the service. With those factors presently available, if the proper proceedure is taken, I cannot see the necessity for an exemplary sentence. I urge a short sentence in detention. Under no circumstance in the common jail. The conditions are very different in the two institutions. After all the object is to make a soldier out of this man. He would get disiplinary action in detention and at the same time learn something, and if he came out in time could go to this school.

The second charge of losing or being deficient all these articles, has worried me considerably. The proof in a way is unsatisfactory and in other ways it may be technically there. There was no Court of Inquiry held as far as we know and all documents of this man have been or should have been, transferred to his present Unit. That is the No. 12 District Depot, when he was attached to the Depot. We can assume therefore that no Court of Inquiry was held.

"P" (Sheet 2)
J K Hopkins Lt Col
President Dem

FINAL ADDRESS BY THE DEFENDING OFFICER Cont'd

The form M.F.C. 800 shows certain articles written off. I think it is just as fair to assume that those articles were written off upon delivery of them by the soldier to the Quartermaster at various times when he moved from station to station so that would be quite a routine matter. If there had been a Court of Inquiry held at the proper time I would suggest that our ordinary knowledge of army conditions would convince us that a great many of those articles would have been found and written off.

The reason I draw this to your attention in making these suggestions, is that if you decide that he is guilty as charged and must pay for those articles, a very large amount for a soldier, that you might give him a helping hand on the other charge by way of taking that fact into consideration and reducing or making the sentence on the first charge, the very minimum possible. I do not know of any other way which I can suggest that justice be done in view of this unsatisfactory proof. I wish also to remind you again of the fact that he has been in custody for 55 days. That is a sentence in itself. It is not his fault that he has been there 55 days and he is not guilty until proven so. Just an accused awaiting trial but treated under all respects as a prisoner under sentence.

Q.8 How long have you known him?

A.8 1941, in the Spring...it would be May, Sir.

Q.9 How did you come to know him at that time?

A.9 He was in one of our huts, Hut 4; I was in charge of Hut 3 as corporal. He used to come into my hut; he was on sick parade, or exeused duty, I am not sure which. He used to come into Hut 3. He had a side-kick in Hut 3, and would hang around Hut 3 with him, between Hut 3 and 4, Sir.

CROSS-EXAMINED BY DEFENDING OFFICER

Q.10 You say you recognize the accused: was there anything special about the accused that would make your remember him for almost two years?

A.10 Yes, Sir; he had trouble with his hands; they were broke out or something, and they were puffed up, and they were wrapped up; he used to go on sick parade every morning with them.

Q.11 You saw him on sick parade; he was back and forth in the huts. Would you say he had been excused duty on account of....?

A.11 I couldn't swear whether it was light duty or excused duty, but he never did anything; but I imagine it was excused duty, Sir.

Q.12 You say his hands were puffed up, were they broken out ?

A.12 Yes, Sir; there was sores on them, Sir.

Q.13 You say he had a buddy in Hut 3, and he seemed to come back and forth. What was his attitude? How did he seem at that time, you knew him? Did time seem to hang heavy on his hands, or was he a good soldier?

A.13 He seemed to be very restless, going from Hut 3 to 4 all the time, Sir.

Q.14 Was there any other thing you had noticed about him....restless_ness, you say?

A.14 There isn't much else I could say about that ; he seemed to be a restless sort of type.

A.15 Yes, Sir.

Q.16 Was there anything else physically wrong with him that he told you?

A.19 A.56158, L/Capl MacMillan, Louis Basil, No. 30 Provost Coy.

Q.20 Do you recognize the accused?

A.20 I do, Sir.

Q.21 What is his name?

A.21 Harry Hackenson.

Q.22 How do you come to know him?

A.22 I came into the Tunnel Exit Entrance on duty, andhe was in company with a driver of a bus; the bus driver had a deportation order in his hand, and this man said he was wanted by the authorities, that he was absent without leave.

Q.23 Where was this?

A.23 At the Tunnel Entrance to Detroit, at Windsor.

Q.24 He was accompanied by the driver of a bus?

A.24 The driver of a tunnel bus.

Q.25 Do you know what became of this deportation order that he had?

A.25 No, I don't, Sir. I sent that away when we took him down to the Provost Barracks.

Q.26 Would you say he was in the custody of anybody when you took him over?

A.26 Well, Sir; I couldn't say you could call it in custody. It seems to be well set, the Immigration Authorities will give this order to the driver of a bus, and put them back on the bus from Detroit, in deporting them.

Q.27 Do you know who issued that deportation order?

A.27 The Immigration Authorities.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q.28 L/Cpl MacMillan, I have here a form signed by Sgt Shultz, Exhibit "H", that reads he was apprehended, and the words "surrendered to" are struck out and initialled?

A.28 Yes, Sir.

Q.29 According to your evidence to Captain Thomas this man the accused was brought to you by a bus driver?

A.29 Yes, Sir.

Q.30 With some sort of order . What did the bus driver say to you?

A.30 I don't just remember the exact words he used, but he said "This man is ~~xxx~~ kicking up a fus about being sent back to Detroit." He said he was wanted by the Canadian Army for desertion, and he didn't want to stay there any more time. He asked me if I would look after him and see what he wanted.

Q.31 He gave you the understanding that the accused wanted to stay in Canada, to come to Canada to surrender himself?

A.31 Yes, Sir.

Q.32 To the Canadian Authorities?

A.32 That is right, Sir.

Q.33 Would you say then that this man was apprehended by your or surrendered to you?

A.33 Possibly it should be surrendered to me.

Q.34 On the face of it...he was brought to you, and in conversation with the bus driver and with the accused, he surrendered himself to you?

A.34 That is right, Sir.

Q.35 Can you give us any explanation, L/Cpl MacMillan, why that order would be signed by Sgt Shultz that he was apprehended rather than surrendered?

A.35 No, Sir, I can't.

Q.36 But you still feel and believe that it should have been surrendered to instead of apprehended by?

A.36 Yes, Sir, I do.

Q.37 What was the attitude of the accused when he came with you? Was there any conversation, or what was the attitude of the accused when you took him with you? Was there anything said or any comments made?

A.37 He said he was glad to be back, and made up his mind he was going to face whatever was coming to him.

RE-EXAMINED BY THE PROSECUTOR

Q.38 Do you know, Cpl MacMillan, whether an accused taken over from some other custody is entered as an apprehension or a surrender?

A.38 I don't really know.

QUESTIONED BY THE COURT

Q.39 Were you at the Tunnell Entrance in line of your regular duty or as a result of special instructions?

A.39 I was on regular duty.

Q.40 Happened to be there?

A.40 Yes, Sir.

Q.41 The order in question ...had the accused been apprehended or had he surrendered to the deportation authorities, so that he was on his way across when you got him?

A.41 There are two separate places, when you come over on the bus...

Q.42 From where?

A.42 From Detroit. Coming through there they go through the Immigration first, and they refused permission, and they made out the order, and he was being escorted in the back of the bus; and the bus driver just drove 100 feet or so, going to the entrance of the tunnel...that is where I was. He said he wasn't going back; the Canadian Authorities wanted him, and when he saw me inside he got the driver to come in with him. He didn't want to be late. He said "Will you look after this fellow, and see what he wants?

Q.43 That is the first inkling you had of the accused being apprehended or surrendering to the military authorites?

A.43 Yes, Sir.

Q.44 Normally he was on his way back to Detroit again?

A.44 Yes, Sir.

Q.45 He wasn't going back to Detroit voluntarily?

A.45 No, he was sent back.

Q.46 I think you have explained that: he had come over apparently to Canada and had been refused entry, and was being sent back to the States by the Canadian Authorities?

A.46 That is right, Sir.

QUESTIONED BY THE JUDGE-ADVOCATE

Q.47 He was arguing with the bus driver that was taking him back to Detroit, and the bus driver not wishing to delay his schedule in getting back to Detroit pushed him out the door, and said "See what is wrong with this man", as it were, "I have got to be on my way"?

A.47 He turned him over to me, then.

Q.48 How was he dressed?

A.48 Just about as he now now, if I remember right.

Q.49 He wasn't really surrending to you, the bus driver put him in your hands to see what was wrong with the fellow?

A.49 That is right.

Q.50 As a result of what he told you then you put him under arrest?

A.50 That is right, Sir.

IN THE OPINION OF THE COURT AND THE JUDGE ADVOCATE IT IS NOT NECESSARY TO COMPLY WITH R.P.83(B).

A. 86 It was the only way I could get back across the border.

Q. 87 You wanted to get back?

A. 87 Yes, Sir.

Q. 88 What happened?

A. 88 The bus driver told the L-Cpl. that he was going to leave me there until he made his return trip. I phoned the Sergeant and gave him my number, rank and name and he said that he remembered me.

Q. 89 He remembered you?

A. 89 Yes, Sir.

Q. 90 When he said that what did you do?

A. 90 I waited there for the station wagon.

Q. 91 Were you forced or did you go voluntarily to the Provosts?

A. 91 I went voluntarily.

Q. 92 Apparently from what you have said you insisted you must get back to surrender yourself?

A. 92 Yes, Sir.

Q. 93 Why did you want to give yourself up?

A. 93 Well, I figured I was not doing the right thing.

Q. 94 And you decided to rectify it and make it as right as possible?

A. 94 Yes, Sir.

Q. 95 And, therefore, you insiated on going back and giving yourself up?

Q. 126 It is quite a long time from the end of 1941 until six months ago, or is it--- six months ago, July -- I guess it pretty well adds up--- well then when you returned home you intended to come back at once, is that correct?

A. 126 Yes, Sir.

Q. 127 Then you got this job in Newark in May 1941 and how long did you keep that job?

A. 127 About ten weeks, Sir.

Q. 128 What did you do after that?

A. 128 I wanted to be on the road travelling.

Q. 129 For the same firm?

A. 129 No, Sir.

Q. 130 Why didn't you come back after this job was done?

A. 130 Things kept getting better and I had more money.

Q. 131 Did you change from the Newark job as garage foreman over to a truck driver?

A. 131 I did not work for three weeks before, could not get a job.

Q. 132 No intention of coming back?

A. 132 I did.

Q. 133 When?

A. 133 When I came off the job.

Q. 134 For three weeks you did nothing and you did not come back all the way or part of the way?

A. 134 I kept going on and got in Philadelphia.

Q. 135 In spite of the fact you intended to come back when this job was over--- you did not work for three weeks, is that correct?

A. 135 That is right.

Q. 136 Why didn't you come back then?

A. 136 I figured I would see my mother as I had not seen her for a couple of months. I wrote to my sister and got an answer asking me if I got things straightened. She said if I had not that I need not come home until it was all straightened up.

Q. 137 What time was that?

A. 137 That was last November,

Q. 138 Eighteen months after your people told you to go back?

A. 138 Yes, Sir.

Q. 139 Then what did you do then?

A. 139 I started back here.

A. 142 I was on relief shifts, taking men's trips for them.

Q. 143 From Hoboken?

A. 143 No, Philadelphia.

Q. 144 How long were you in Philadelphia?

A. 144 They had warehouses all over in Cleveland, Pittsburg, Chicago and other cities.

Q. 145 Taking trucks out?

A. 145 From Philadelphia to Cleveland to South Bend and back to Cleveland.

Q. 146 How long were you on that basis?

A. 146 Quite a while, Sir.

Q. 147 When did you finish working for them?

A. 147 I left there around late September, last year.

Q. 148 Was it the one firm that you worked for?

A. 148 No, Sir, just relief work there-- got paid by the trip.

Q. 149 All routes centering from Philadelphia?

A. 149 All different lines came in to different terminals. A man got one out working on shifts and one back and one across, etc.

Q. 150 Is that system used in trucking business, all drivers working for different lines?

A. 150 Yes, Sir.

Q. 151 That ended in September, what did you do then?

A. 151 Worked in Chicago for a couple of months.

Q. 152 Where?

A. 152 In Chicago. I started back home from Connecticut in November, started back, Sir.

Q. 153 This last November?

A. 153 Yes, Sir.

Q. 154 Did you go home then?

A. 154 No, Sir.

Q. 161 And then what did you do?

A. 161 I started going to the border, Sir.

Q. 162 How did you travel?

A. 162 By truck, helping on the trucks.

Q. 163 Were you trying to get away from anything across the border?

A. 163 No, Sir.

Q. 164 And when did you decide definitely to come back?

A. 164 On the 8th I got here.

Q. 165 And when did you make this decision to come back, when did you say, "I am going back now,?"

A. 165 I made that on the 13th of this month.

Q. 166 Until that time you had not decided when to come back?

A. 166 No, Sir.

Q. 167 And ever since you went home you intended to come back?

A. 172 Well, ...

Q. 173 What was in the trucks?

A. 173 Most all concerns there are on defence work in order to get tires and gasoline, mostly all defence work.

Q. 174 Tell the Court why you wanted to come across the border?

A. 174 I knew that I was guilty of A.W.L., and I wanted to square myself.

Q. 175 What is your desire, you are going to have to pay a penalty for your doing what was wrong, you admitted it-- but what is your desire after paying this penalty?

A. 185 I desire to be put back in the service and soldier.

A. 196 No, Sir.

Q. 197 You haven't heard it?

A. 197 No, Sir.

Q. 198 And all these months after your hands got better you were working and not until your sister told you sometime in November that unless you went back and got yourself cleaned up or your affairs cleaned up,--- not until that time then did you actually start back to the border?

Statement from Sgt. Pres. D.S.M.

CLOSING ADDRESS BY THE PROSECUTOR

The accused is charged with desertion and the evidence shows that he left the Canadian Army after four months' service and remained absent for some eighteen months and during that time he was working at a variety of things, apparently making a good living and all the time intending to come back sometime.

Immediately after the accused went absent without leave he was told by his family to go back to the Canadian Army and make a man of himself or words to that effect and on one--- I think the evidence is to the effect, that on one occasion in the interum he approaches his family and they would have nothing to do with him. In November, 1942, the accused got as close to his home as Hartford, fifty-four miles away. He wrote a letter to which he received a reply from his sister telling him that he need not come home until he straightened out his affairs in the Army.

Then, he spent another month or up to two months in getting back to Detroit when he attempted to give himself up and come across the border and insisted on delivering himself to the Canadian Military Police. The facts are rather hard to link up with the question of intention. The accused expressed intention in his own evidence. He says that at all time he intended to come back---- when he got that note back from his family that they would not have anything to do with him unless he did; what other pressure from that source does not seem to matter and for a long time he did not come back. We have no other evidence of any other pressure that may have brought him back. He said in answer to a question that he was not trying to get away from anything and I suppose we are entitled to presume that he answered truthfully. He did some sort of job between Connecticut and Detroit when he was on his way back to give himself up to the Canadian Army.

The whole series or transaction presents a problem for the Court as to where the intention to return lies. Whether the man intended not to return when he went away or at any time during his time away. Certainly there have been splendid opportunities for him to come back all through the time of his absence if he had wanted to come back within a reasonable length of time. After he left his first job as a checker, that would have been a reasonable time to come back. None of these opportunities did he take and I submit that the Court will have to decide that the man's intentions to return were so thin and watery that the charge against him stands and he should be convicted of the charge of desertion.

DOCUMENT "K" Pres. D.C.M.

CLOSING ADDRESS BY THE DEFENDING OFFICER

Gentlemen, "the offence of desertion," Para. 17 on page 19, "or attempting to desert His Majesty's service implies an intention on the part of the offender either not to return to His Majesty's service at all or to escape some particular important service." The second part does not apply in this case.

Mere distance does not make desertion. Mere length of absence does not make desertion or intention. The Prosecutor has said intention was so thin and watery, leaving the thought was it intention at all? Intention, we are told on these trials, is the overt act--- intention that was so thin and watery that this man did come back. He did not only intend to come back but he did come back and not only did he come back but he desired and may I use the word 'insisted' on coming back.

Surely Gentlemen, there is no evidence of desertion before this Court. The man shows that he intended to come and he did come back. Therefore, I submit gentlemen, that he cannot be found guilty as a deserter. There are other facts that I may mention in this case.

Here is an American boy, a mechanic enlisting of his own free will, was in the Canadian Army for four or five months and according to the evidence before this Court by the Sergeant who identified him was discouraged. He went away on pass to Windsor and vicinity and just went off. He did what was wrong, there is no doubt about that. He was absent without leave for eighteen months-- he was absent without leave.

Here is a man, gentlemen, who is, I feel, a valuable man as a mechanic. He has to pay the penalty for this crime of absence without leave but I submit to this Court that on the evidence, his own evidence, a frank and honest witness, the intention to return is backed up by the implacable fact that he did return. Therefore, the crime is not desertion but a crime of absence without leave and I submit gentlemen that you should find him guilty of absence without leave.

H. Cameron Blair
Pres. D.C.M.

SUMMING UP BY THE JUDGE ADVOCATE

The offence of desertion is, it is true, described on page 19 of the Manual where the Defending Officer has stated under Section 17 : ".... absence without leave intention on the part of the offender not to return to His Majesty's service at all." I will not deal with the other account of desertion because that does not come up in this case.

Further on in the same section, "absence without leave may be described as such short absence, unaccompanied by disguise, concealment, or other suspicious circumstances, as occurs when a soldier does not return to his corps or duty at the proper time, but the circumstances are such as to show that he did not intend to quit the service or to evade the performance of some service so important as to render the offence desertion."

Mere distance is not the wording of the statute or law. The wording of Section 19, page 19, "nor can desertion invariably be judged by distance." It goes on further, "a soldier may absent himself without leave and depart to a very considerable distance, and yet the evidence of an intention to return may be clear." It goes on, " mere length of absence is, by itself, inconclusive as a test."

Now intention cannot be proven by direct evidence. Intention is something that is seldom expressed by a man. It can only be proven by the Prosecution by proving a certain set of facts or acts which, all taken one with the other, to the circumstances surrounding the case, Do they add up or do they make up in the minds of the Court trying the accused a conclusion beyond a reasonable doubt the man did not intend to return.

Again on page 20 of the Manual, Para. 23, "the fact that a soldier surrenders himself is not proof by itself that he intended to return, even though he is in uniform at the time of surrender." So it is the duty of the Court to

bear in mind these facts that while distance is inconclusive and while length of absence by itself would not carry it or should not carry to their minds sufficient evidence or sufficient to affect or make up their minds beyond doubt that the man did not intend to return, you must weigh all of the facts.

Again para. 21, page 20 of the Manual, "a man may be a deserter though his absence was in the first instance legal, the criterion being the same in all cases, namely, the intention of not returning. It is clearly shown by the King's Regulations and by the explanation on the furlough form itself, that a soldier on furlough is still under orders, and that, if without leave he quits the place to which he has permission to go, or if he disguises or conceals himself so that orders cannot reach him or goes on board a ship about to sail for a distant port, he is liable to be tried and convicted of desertion though on furlough at the time."

So that if a man's intention at the time he goes absent is not to return and he subsequently changes his mind and then returns he would be liable but the fact that he did give himself up that action would be in mitigation of any punishment he might receive. But the fact is, what were the man's intentions at the time of going absent without leave. That is the question. A man could be said to have intended to desert on Monday, change his mind in the meantime and then change it again and stay away again.

All these things must be taken into reason. The facts here are not in dispute. There is definite evidence of the length of absence. There is evidence he was in civilian clothes when he came back. It is in evidence that he made $40 and $30 a week in travelling from place to place, also that he actually appeared before a medical board in the United States and is it or is it not significant he was categorized 4-F and according to his own evidence he is not liable to be picked up by the American authorities. He is a 4-F man. In addition to that he wrote to his family and they would have nothing to do with him unless he did come back and make things up with the Army. What is his intention at that time or did it change by these circumstances. That is for the Court.

In all of these cases any reasonable doubt must be given to the accused. He is not to be convicted if there is any reasonable doubt in your mind-- not to convict him of desertion but as you know, under Section 56 of the act, find him not guilty of desertion but guilty of absence without leave.

I do not believe the attempt to desert comes into this set of circumstances at all. There is also another matter in evidence. He said that sometime in November, after all this work, he decided to go home and see his mother and then return. At another time in his own evidence he stated that he had saved some money and further he said he wrote his sister for some money to come back. Those are the facts in the evidence which you may consider.

You are the judges, you must make up your minds and if you have any real doubt, that real doubt must be resolved in favour of the accused and you must not convict him of desertion. The offence of absence without leave is proven beyond doubt so that if you find him not guilty of desertion you must find him guilty of absence without leave under Section 56 of the Army Act. You must take all the evidence that has been given and sort out what in your minds are the most important things and taking the whole thing together make up your minds as to what your judgement and finding shall be.

ADDRESS BY THE DEFENDING OFFICER IN MITIGATION OF SENTENCE

Before sentencing this man I would like to appeal as I have so often and my appeal so often has fallen on deaf ears, for a short sentence. Here is a man, on account of a physical discharge did a very foolish thing. The question comes in as to whether he had been of much use to us in the Army for four or five months. He is now fully recovered and I appeal to this Court on this absence without leave charge for a short sentence of three months which would be quite sufficient.

The Army is crying for good mechanics. This man is willing and ready to soldier and I appeal to you gentlemen to give him a sentence with lienency and get him back in the service. If any man will come back as he did from an absence like that he has apparently made up his mind to soldier.

I would ask you to give him a penalty with a touch of mercy and leniency in any sentence you may impose upon him.

The Secretary,

OTTAWA, Canada

REMISSION OF SENTENCE BY D.C.M.
A.55049, Pte. Mackenson, H.

We acknowledge receipt of your H.Q. C.55-H-326, Admin. 3 (c) 1 dated 11th Sept. 1943, in which you advise that a minute of remission signed by the remitting authority should be appended to page "P" of the proceedings together with a minute of promulgation.

2. The remission in this case was made by Brigadier D.J. MacDonald, D.S.O., M.C., who is at present overseas. Since September 5th, 1943, Colonel W.G. Hagarty, D.S.O., has been the T/D.O.C. of this District. It would hardly seem in order for the T/D.O.C. to sign the remission when he, in fact, did not make the same, nor was he at the time it was made, the confirming authority.

3. May this H.Q. receive your further instructions, please?

for (W.G. Hagarty) Colonel,

Receipt is acknowledged of your L.28-H-151 dated 6th February, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities pointed out by you the following have been observed:

(a) In answer 22 the informations of the bus driver are hearsay and should not have been admitted although it is not a serious defect.

(b) In M.F.H. 375 the full description of the accused should be set out on line 5 and the items should be valued as shown in R.O. 1877. This is important please.

(c) It is requested that all persons completing form M.F.M. 216 should pay particular attention to the statement as to whether the accused was apprehended or surrendered as this is very serious and should not be answered thoughtlessly.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody. May the foregoing irregularities please be brought to the attention of the officers concerned for their future guidance.

PROCEEDINGS OF DISTRICT COURT-MARTIAL
A-55049, Pte. Harry HACKENSON.

The proceedings of a District Court-Martial held in respect of the m/n are enclosed herewith, the following irregularities being pointed out.

2. In the charge sheet it would have been better had the particulars read, 'Cost of apprehension and return to his unit.'

3. On page 41 it will be noted that the shorthand writer has used the words, 'For address by Defending Officer in mitigation, etc. etc.' instead of the words, 'The Defending Officer makes an address in mitigation of sentence.'

4. On page 45 the unit of the accused was not inserted in line two of the Declaration.

5. On page 47 the unit of L/Cpl. MacMillan was not filled in and the word, 'wearing' should have been stricken out and initialled in the last line of the certificate before the date.

6. On page 49 it will be noted that the inappropriate parts which were stricken out were not initialled and some which were not or should have been stricken out were not deleted and initialled.

7. In all other respects it is trusted that you will find the proceedings in order.

First Witness for the Defence:-

H-94644, Pte.Arden R. HANER, Canadian Forestry Corps, C.A., Attached to A.I.T.C. A-13, C.A.

Being duly sworn, is examined by the Defending Officer:-

Q.16- Would you tell the Court why you absented yourself from the 2nd September 1942 to the 5th September 1942?

A.16- I came out from the hospital, and I got to Headquarters Coy. where I was working all summer; and then I was put S.M.P. and then I was transferred to "B" Coy; and I got called before Major Rogers to see about my board to see about getting my glasses fixed up, and then he had me put on sick parade to get my eyes tested by the eyes' specialist, and I went up to Camp Hospital next morning, and had my eyes tested; and he was working on one of my ears and I had to go back two days in succession in hospital.

I never came back and reported myself to "B" Coy where I was supposed to have been transferred, but I reported at H.Q. where I was working. They should have papers to show to that effect. The M.O.'s here should have my sick report at that time. Therefore I never left the Camp at all, the camp area. And I reported myself to "B" Coy on the 5th of September on Saturday evening, where I was on parade Monday morning. I was advised at 3.30 hours in the afternoon that they had me shown as absent for that period. That is all for that case, Sir.

Cross-examined by the Prosecutor:-

Q.17- Were you paraded before your Company Commanding Officer on the afternoon of 5th September 1942?

A.17- No, Sir, I was not.

Q.18- On what day were you paraded on account of your absence?

A.18- I was not paraded. I was supposed to report to the Office at 3.30 hours, and I left at 11.30 that day.

Q.19- You said you reported to Camp Hospital on the 2nd of September?

A.19- Yes, Sir.

A.20- Who sent you there?

A.20- I was sent on sick parade by Major Rogers.

Q.21- Where were you from the 2nd of September to the 3rd of September?

A.21- I was at Headquarters Coy.

Q.22- What were you doing there?

A.22- I had been working with H.Q. all summer.

Q.23- In what Company were you?

A.23- That was H.Q. Coy. from where I was transferred to "B" Coy.

Q.24- On what company were you on the 2nd of September?

A.24- I was supposed to be on "B" Coy.

Q.25- On what company were you on the 3rd of September?

A.24- Still on the same company.

Q.26- On the 4th of September, on what company were you?

A.26- I was still in "B" Coy, but they were calling my name on the roll call of "B" Coy, and I was at Headquarters.

D-5.

Q.27- Was your name being called at Headquarters?
A.27- Yes, Sir.

Q.28- Did you answer to the roll call at H.Q. Coy. on the 2nd of September?
A.28- Yes, Sir.

Q.29- On the 3rd of September, did you answer to the roll call at H.Q. Coy?
A.29- Yes, Sir.

Q.30- And on the 4th and the 5th of September?
A.30- Yes, Sir.

The Defending Officer declines to re-examine the witness.

Questions by the Court:-

Q.31- Do you mean you were on both rolls?
A.31- Yes, Sir.

Q.32- When did they tell you that you were transferred from H.Q. Coy. to "B" Coy?
A.32- On the 1st of September.

Q.33- Why did not you move to "B" Coy then?
A.33- Because they cut off two furloughs at me, and they put me S.M.B. at the Medical Board.

In the opinion of the Court it is not necessary to comply with R.P. 83 (b).

The witness resumes his seat as accused.

Second Witness for the Defence:-

Capt. D.GAGNE, R.C.A.M.C., attached to A.I.T.C. A-13, C.A.

Being duly sworn, is examined by the Defending Officer:-

Q.34- Do you know the accused, Doctor?
A.34- Yes, Sir.

Q.35- Would you tell the Court if anything is shown in the medical documents of the accused on or about the 2nd of September 1942?
A.35- No, Sir.

Q.36- Would you tell the Court if anything is shown in the medical documents of the accused at the end of August?
A.36- On the 3rd of August he was S.M.B. and on the 22nd of September he was at Port Arthur hospital.

Cross-examined by the Prosecutor:-

Q.37- Is the 3rd of August the correct date you have mentioned?
A.37- 3-8-42, he was called for S.M.B.

Q.38- And the other date you have mentioned is what date?
A.38- It is: Hospital, Port-Arthur, Ont. 22nd September 1942.

The Defending Officer declines to re-examine the witness.

In the opinion of the Court, it is not necessary to comply with R.P. 83 (b).

The witness withdraws.

CLOSING ADDRESS BY THE PROSECUTOR:-

I wish to submit that two charges have been entered against the accused. He has pleaded not guilty on the first charge. In support of the 1st charge, as prosecutor, I have produced daily Orders of his Unit showing that he was absent without leave from 0600 hours on the 2nd day of September 1942, until he reported at Valcartier Camp on the 5th of September 1942 at 1330 hours, supported by M.F.M.216 signed by the Officer Commanding A.I.T.C. A-13.

Concerning this charge I wish to remark that it is a very short absence, but that the accused from absenting himself before he was paraded to his Officer Commanding could not get this charge settle before the date he was apprehended and called on for the 2nd charge.

Evidence has been given before this Court that the accused has had to do with the medical authorities, but there is no proof except from his own evidence that he has to do with medical authorities between the 2nd of September to the 5th of September.

Even if the accused has relations with medical authorities within this period, from his own admission he admitted that he did not report where he should have reported, that is to "B" Company, according to his testimony. If the accused has been present at Headquarters there is reasonable supposition that in the record of the Orderly Room, there would have been some record that he was present and he certainly would not have been passed by his superiors as absent for these three days.

That is all I have to say concerning the first charge.

And for the second charge , similar documents have been submitted to place the absence from 2200 hours the 7th of September 1942, until 20 september 1942 at 1200 hours. That is also a short absence. The figure that would interest the Court in the 2nd charge particularly is $134.97 charged against the accused.

For an absence of some 15 days, this is a large amount, but the accused on his own has chosen to remain absent, and his superiors, in their decision, after he was taken in custody, have sent escort for him some hundred miles away at Port Arthur, Ont.

These expenses are made up of fairs for the escort and the prisoner and incidental expenses such as meals and one telegram sent on behald of the escort.

I leave with the Court this consideration on the 2nd charge with the added explanation that these expenses were inevitable from the point of view of his Unit and their decision that escorts should or should not be sent is now the point on which the Court should decide whether these expenses should be charged to the accused.

That is all, Sir.

"P"

CLOSING ADDRESS BY THE DEFENDING OFFICER

I want to say just few words about the 1st charge. The accused remained in the camp area as he said. He was getting some treatment at the hospital, and what he said, he said it on oath.

For the second charge, I want to make a plea on the amount of $134.97 charged to the accused. It is the cost of transport from Fort Arthur to Quebec for two escorts, and also for the meals for the two escorts. (7)

I know that it is the power of the Officer Commanding to send or not to sent escorts to get a soldier absent without leave. But in that case, as shown by the documents, the soldier reported himself to military authorities in view to come back to his unit. He was absent for few days, only 12 days, and they sent from here two men as escort to go to Port Arthur to bring back the accused as a deserter after only 12 days of absence.

I do think that it should have been better to let the accused come alone to his camp, and I do ask to the Court to have a particular view on the amount of fees that the soldier will have to pay after he had surrendered himself. In a way, this man will have to pay a trip to two soldiers because he had the intention to come back. If he had not the intention to come back, he will have never surrendered himself to military authorities.

That is all I have to say, Sir.

" Q " Kharonskel. R22+R.Cl.

BY THE DEFENDING OFFICER:-

I remind to the Court that the accused is "E" category. The accused is a sick person and by the records, it is shown that the accused has stayed 79 days in hospital for 123 days in custody.

Therefore I ask to the Court to take into consideration the few days he was absent and the numerous days he had been in custody , and also what it is shown by the records that he had been in the hospital for 79 days.

1. The proceedings of the marginally-noted District Court-Martial are returned herewith.

2. The confirming authority hereby directs the reassembly of the Court ~~for the~~ review ~~of~~ the finding on the first charge.

3. The accused has been charged with absence without leave, and the particulars are to the effect that:

1) At Valcartier Camp, P.Q.,
2) at 0815 hours on the 2nd September, 1942,
3) the accused absented himself without leave,
4) from A.I.T.C. A-13, C.A.
5) until reporting at Valcartier Camp, P.Q.,
6) to military authorities,

4. The only evidence on the part of the Prosecution regarding this charge is documentary evidence. As you know, such evidence is only prima facie evidence. On the other hand, the accused in his defence states that he never left the Camp Area and gives explanations to this effect.

5. It is the duty of the Court to decide whether all the facts alleged in the particulars of a charge have been proved, and a finding of guilty infers the fact that in the opinion of the Court all these facts or elements were established.

STATEMENT BY THE DEFENDING OFFICER IN
MITIGATION OF PUNISHMENT

As in most cases of long absences such as this, there are certain extenuating circumstances, and in this case the accused came to Canadian Army Trades School as a skilled tradesman. He had a trade -- an engraver. The trade he had in which he was skilled was a trade which would be of great benefit to him in the course which he came here to take -- that of an instrument mechanic. With the trade he had, his course at Canadian Army Trades School should have been considerably shorter than it was. He came last March, early last March, and started his course as an instrument mechanic, and was here for practically seven months. He graduated from the Canadian Army Trades School on the 12th of September. He had completed his course enough -- he had gone absent at that time, but he would have got out as a graduate on the 12th day of September. Previous to the 12th of September he had been kept in the Company lines doing fatigue work.

In his course, phase 2 training at the technical school in Victoria he graduated with a percentage of 93 -- 93%. During his course at the Canadian Army Trades School, out of a possible of 127 days he actually took -- he was at the course 126 days and graduated with a percentage of 68%. He conduct, initiative and co-operation throughout his whole course were very good. His instructors report that -- put him down as "very good," which is the second highest rating a man can get. There is "excellent," "very good," "good," "fair" and "poor." As I say, with the experience that the soldier had, his course really should -- he should have been put through his course

much more quickly and possibly sent on his way in the reinforcement stream to the R.C.O.C. Training Centre at Barriefield. However, he was kept here seven months.

---THE PRESIDENT: Why was he kept here that long time?

---THE DEFENDING OFFICER: Well, he came in with a certain class and stayed with that class, sir, throughout the whole course, whereas he felt that with the experience that he had previously that he should have been given some special consideration and put on his way, as I say, in the reinforcement stream for possibly overseas service, which was the idea that he had come into the Army in the first place.

So, as I said before, he had spent the best part of a month in the lines awaiting to be shipped into the reinforcement stream, and during that period he just became totally fed-up and took the law into his own hands.

But in passing sentence on the accused soldier, I would like to ask the Court to give consideration to the fact that he has done very well both in phase 2 training at the technical school in Victoria, which he graduated with 93%, and his phase 3 training, his advanced training, in the school here with a percentage of 68% in a trade which is very urgently required at the present time for overseas service. There is definitely a very great urgency for instrument mechanics, and I would just ask the Court to consider that in passing sentence.

Receipt is acknowledged of your T-20-H-5914(AJAG), dated the 22nd February, 1943, in connection with the marginally-noted District Court-Martial.

2. It has been found that the numbering of questions and answers has been of considerable value to reviewing authorities, and I am rather loath to eliminating same to the extent that only the 5th, 10th, 15th and 20th lines be numbered. I think it is much more beneficial to have the questions numbered than the lines. However, if it is thought that any considerable saving of time would be effected, I would suggest that it would be in order to omit the numbering of each answer, as long as the question is numbered. For example:

Q.-22

2. It is noted that the Judge Advocate General has recommended that in future the ruling through and initialling of backs of pages of Courts-Martial proceedings may now be discontinued. It is considered that this will bring about a considerable saving of time and may consideration be given the suggestion that the numbering of each and every question be also eliminated and in lieu thereof that the transcript only be numbered as follows:

i.e. that the 5th, 10th, 15th and 20th lines of each page thereof be numbered "5","10","15" and "20" respectively.

3. This numbering of questions, with the pages remaining numbered from start to finish as presently required, it is considered will serve as a sufficient guide when references to evidence are made.

4. As the Judge Advocate General will be aware, this system is used in Civil Court proceedings, such as Factums and Cases on Appeal in the Appeal Courts of the Provinces and in the Supreme Court of Canada.

Q.6. Do you wish to give evidence yourself or to call any witnesses as to character? *Question to the accused.*

A.6. No Sir. *Answer,*

~~Evidence as to character~~

soon as my wife could get around and up out of bed I was getting my equipment ready when the Provost came after me. Her mother was unable to look after her, that is why I had to stay there. Her mother has heart trouble, as soon as she was able to get out of bed I was getting ready to get back. I have an allowance signed to my mother. I have six little brothers and one sister and I was the only one supporting our family, besides my father's blind pension which was only twenty dollars per month. I have six dollars and fifty cents of my own money signed over to her and she is allowed twenty dollars a month. I do not drink nor smoke myself or I would not be able to assign this money to my mother. We lost our home on the Black River Road in June, 1940, everything we owned was burned and our house was burned right to the ground and we had an awful time to get a house of our own built, which is not finished yet. My brothers are all under fourteen years of age and they are unable to support the family in any way. I quit school at twelve years old and went to work, starting work at three dollars a week and ever since then I have supported my mother and father and family. If there had been anyone to take care of my wife I would not have had to wait for her to get better and would not have had to stay home to look after her. She is with her mother now and is handy Dr. Peat's office and if anything happens to her, she can get there within time for him to help her. I should like to give this letter in evidence. I have nothing more to say Sir.

Letter from Dr. G. B. Peat, submitted to the Court, read and signed by the President and marked with the identifying letter"H" and attached to the proceedings.

BY THE PROSECUTOR:

Q.5. There is just one point to clear up in regard to this letter, it is addressed to the O.C. District No. 7, Fredericton, N.B., how did you get this letter?

A.5. He addressed it to the Officer Commanding and gave it to me to give to him. My wife is expecting her baby, I don't know the date, around the twenty fourth or twenty fifth of April Sir.

Q.10. *Question.* Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries? *Answer.* A.10. Yes Sir.

Answer by Accused

Yes I do.

The accused G 12259 Private Oren Roy Hosford having been duly sworn states:

I am G 12259 Private Oren Roy Hosford. My wife was living on the Black River Road with my mother and my blind father. About 17 of November, 1942, Dr. Peat asked my wife to send me a telegram to come home at once and arrange to have her moved to the city where she could be given proper medical attention. She expects to have a baby in April and her health was bad, making it likely that she might lose the baby. I applied for leave and got 24 hours. I got this extended 24 hours more but I was unable to make arrangements. My mother was unable to help since she had pleurisy and I have six young brothers and one sister, all under 14 years of age. My mother gets an allowance and I have $6.50 assigned to her. I stayed at home and arranged to have my wife taken to town: that was 22 November, 1942. I had to stay with my wife because no one was available to look after her. The house in which she lives was unfinished. I looked after the house and made it warmer. When arrested I was getting my equipment ready to come back. My wife is under doctor's care but is better and is able to look after the house now. My mother is with her.

PTE. ROY HOSFORD - #G12259.

The wife of the above man was in to see me on the 17-11-42 and was suffering a good deal of pain. I judged it would be better for her to take a good deal of rest, so I advised her to stay still for some time and to be where she could be looked after in town.

EXHIBIT "I"

Mr. President and Members of the Court.

In speaking on behalf of the accused in regard to mitigation of punishment, I should just like to call to the attention of the Court the condition of the accused's wife, who will be giving birth to a child sometime around the middle of April. I would ask the Court to consider this date in determining the sentence. With regard to the conduct sheet of the accused, there are a number of charges of absence without leave, three or four of these are minor charges due to the fact that the accused missed the truck which was picking up the members of the unit in the morning to return them to Unit Headquarters. In regard to the vehicle for which the accused is charged having made off with, that was a bicycle which was standing beside the barracks with which the accused drove down the street and returned and he was charged with absconding with a vehicle, an army vehicle. I close by saying that the accused comes from a christian family.

The accused was not permitted to write to his mother in Ukrainian. Under these circumstances he was anxious to see her personally. The accused applied for leave,

OBJECTION TO A MEMBER OF THE COURT

Q.2 What is your objection to Major C.F. Wake?

The Defending Officer, in support of the accused's objection to Major C.F. Wake, makes the following statement:

> Sir, the accused wishes to object to Major C.F. Wake being on the Court. He, while acting Wing Commander on a previous case, would be in possession of knowledge which the accused feels would be prejudicial. At that time the accused asked that the case in question be referred to a higher authority.

Major C.F. Wake: I am not prejudiced, but if the accused feels that way I beg to retire.

In the light of the statement made by Major C.F. Wake, the Court consider it unnecessary to close the Court to consider the objection.

Decision: The Court allow the objection.

The above decision is made known to the accused.

Major C.F. Wake retires.

Captain C.W.L. Spencer, R.C.Sigs., C.A., A.7 C.S.T.C., C.A., takes his place as a member of the Court.

He appears to the Court to be eligible and not disqualified to serve on this Court-Martial.

Q.3 Do you object to be tried by Capt. C.W.L. Spencer?

No, Sir.

The President and Members of the Court, as constituted after the above proceedings, are as follows:-

PRESIDENT

Colonel L.P. Sherwood, V.D. No. 3 District Depot, C.A.

MEMBERS

Major R.F. Ardron, R.C.Sigs., C.A., A.7 C.S.T.C., C.A.

CLOSING ADDRESS BY THE DEFENDING OFFICER

Sir, in my defence of this man I am going to try to show he acted as he did due to the fact that he was suffering physical pain to such extent that at times his mind was not thinking rational. To do this I want to go over some of his history and point out one or two points as I go along.

The accused was first called up November 22nd, 1940, and was given Category A.1. For one month he was at No. 102 Basic Training Centre and out of that month he was treated for three weeks for sore knees. The accused wascalled up again in July 16th, 1942, and his category was reduced to B.1. I would like to draw to the attention of the Court that his category is dropping. While taking his Basic Training he was excused from route marches during that two months. He came to Vimy September 18th, 1942, and was treated by the medical officer for sore knees, but the treatment did not help. He reported again to the Medical Inspection Room and was told by the medical officer that there was nothing wrong with him. Yet at a later date the medical officer prescribed castor oil to cure his sore knees. I suggest to the Court that that treatment for a man who was suffering mentally would be a severe aggravation.

He was put on draft November 17th,1942. Subsequently he was given a psychiatric examination by Capt Bailey and was taken off the draft. I would raise the question with the Court, if there was nothing wrong with this man why was he taken off the draft.

I went to the Medical Inspection Room to get his medical report. I was not permitted to take a copy of the psychiatric report, but I was permitted to make certain notes. I believe they are accurate, but as they are notes and made after reading there may be some variation. I do not believe there will be much, if any.

From the report of A.A. Bailey, Captain, R.C.A.M.C., District Neural Psychiatrist, I read the following,- "November 20th, 1942. This man is pleasant and reasonable, with a good attitude. He has a life-long histroy of pains and aches of an unexplained character. I would recommend that he carry on in the Army, but believe it is wiser to limit his service to Canada."

I also found, Gentlemen, that the accused had undergone a psychiatric examination last week; May 20th to be exact, and from that report I made the following notes. First of all from the Army Examiner: "He has a long series of grievances against the Army and against C.S.T.C. in particular. He is intelligent and alert, but completely disgruntled and embittered. He is unfit to continue as B.1." I would point out to the Court once again it was recommended that his medical category be lowered. I would point out to the Court the different attitude which had come over this man's mind in the space of time spent at C.S.T.C. From a man who was pleasant and reasonable with a good attitude he has become completely disgruntled and embittered.

Continuing from the same report by the psychiatrist,- "He should be a Canada category and may even be fit only for general duties and returned to his Depot." Once again I point out this man's category is not coming up, it is on the down grade.

Now, Gentlemen, Capt O'Connor is a specialist on the mind. He should know whether a man is telling the truth or not. This is what he wrote about the accused,- "He believes in his complaints which are of a neurotic type. I feel that in this case there is certain inadequacy of personality and continued misbehaviour that suggests that neurosis might be part of a general pathological state of mind, commonly referred to as a psychopathic personality." The above report was signed by M.J. O'Connor, Captain, R.C.A.M.C., Consultant Psychiatrist.

In the report before the Court it said this man was physically fit to stand trial. I want to raise the questionwith the Court, in the light of the psychiatric report, is he mentally fit to stand trial.

That is all I have to say.

ADDRESS BY DEFENDING OFFICER ON BEHALF OF THE ACCUSED

I would like to draw the attention of the Court to certain characteristics of this man's record. In nearly every case where this man is charged with Absence Without Leave, Failure to Obey a Lawful Command, it is connection with medical disability. I refer to his refusal to take castor oil for sore knees. Any man would have just cause for resentment at being ordered to take castor oil for sore knees.

Receipt is acknowledged of your K.55-H-2500(JAG) dated 18th February, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. It might be pointed out that in the particulars of the first charge the accused should have been shown to have absented himself "without leave" from Barrack Block D12, since this is the essential ingredient of the offence.

(a) Questions 110, 111, and 112 have caused some concern but it is felt that they did not relate to an offence as it is a question of fact in each case whether or not the one refusal to take Castor Oil was actually an offence. Many things can be an offence under Sec. 40, but where the action or omission doesnot clearly show some military offence, it is felt that reference thereto does not prejudice his trial to such an extent that he has not received a full hearing. The finding and sentence have therefore been confirmed.

(b) While Para 577 of K.R. (Can) states that the date of promulgation will be recorded on the proceedings and Rule of Procedure 53 states that promulgation be effected according to the custom of the service, yet the specimen form on page 761 M.M.L. indicates that the Minute should be signed by the Officer i/c documents and the instructions on page 73 of the Handbook indicate that in the alternative it may be signed by the Adjutant. There does not seem to be any povision for having the Minute signed by an Officer for the Officer Commanding. It is requested, please, that in future these Minutes be signed by the Adjutant or Officer i/c Records.

Q.7 Who is he?

A.7 Signm Hluchanuk.

Q.8 Tell the Court what you know about the case of Signm. Hluchanuk.

A.8 On the 6th of January, 1943, I received notification from Capt Easterbrook, 2 i/c of "A" Wing, that the accused was posted to Operating Company. I received from Capt Easterbrook a document which is known as a Casualty Return. When I received that Casualty Return I got the accused from his place of employment and he came to the Company Office and I had him delivered to Operating Company Office. I received from the C.S.M. of Operating Company a receipt for the accused's body.

Q.9 Who signed this receipt, Sgt-Major?

A.9 It was signed by Sgt. Lebrun, Orderly Sergeant of the Operating Company.

Q.11 In warning the accused that he was now posted to Operating Company, do you think he understood?

A.11 Oh yes, definitely sir. Yes, Sir.

Q.12 Did he know that he was to remain in Operating Company?

A.12 The usual procedure a man does know when he is posted it is an understood fact he remains until reposted to another Company.

Q.13 What Company was the accused with at the time of the change?

A.13 He was in Administrative Company, "A" Wing, employed as general duty man in one of our messes.

Q.14 Is that part of your duty to notify a man in your Company of a change?

A.14 Yes, Sir, it is.

In the opinion of the Court it is not necessary to comply with R.P.83(B).

The witness withdraws.

I did not see the accused again until the 11th of January, 1943 at 0915 hours. I asked him if he had moved his equipment. He replied that he had not. I asked him why. He stated "I won't do it. The next move is to the doctors." Sir.

Q.18 Sgt Russell, is it part of your duty to see that the men are moved to the proper barrack block with their equipment?

A.18 It is my duty to order them to do it. I have never

had to personally accompany a man. If a truck is available it is provided; if not the man moves it himself.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q.19 Sgt Russell, you state in your evidence the accused said he would not do it when you ordered him to move equipment and the next move was up to the doctor. In view of that statement did you check if the man was physically able to move his equipment?

A.19 The first time I order him to move his equipment I did not see him until the 11th of January and he said, "I won't do it. The next move is to the doctor." I did not examine him then. He did not state he was physically unable to do it.

Q.20 You asked him no further questions other than that statement?

A.20 The conversation was then taken up by Sgt-Major Rawlins, Sir.

Q.21 The first time you told the accused to move his equipment on the 6th of January, did you explain to him there were facilities to move equipment if he was not physically able to do so himself?

A.21 No, I did not, Sir. If the man had told me he was not physically able I would have, but he did not.

A.23 To move his equipment over to D.12-1. The exact words used, I do not remember.

A.25 I don't know, Sir.

Q.26 Is four days sufficient time to move equipment within this area?

A.26 Oh yes, definitely.

QUESTIONED BY THE COURT

Q.27 Is it part of your duties to tell any new man coming to your Company to move his equipment? Is that part of your duties?

A.27 Yes, after the man is allotted to a class we try as much as possible to keep them in a wing of the hut together and I tell them in which hut to go to so that they will be in classes as much as possible.

Q.28 Do you think the accused knew what you were telling him?

FOURTH WITNESS FOR THE PROSECUTION) C.30525 C.S.M(W.O.II) Edward Albert GIRALDWAU, R.C.Sigs., C.A., A.7 C.S.T.C., C.A., being duly sworn, is examined by the Prosecutor:

Q.57 Do you recognize the accused, Sgt-Major?

A.57 Yes, Sir, I do. Sigmn Hluchanuk.

Q.58 Tell the Court what you know of the case of Sigmn Hluchanuk?

A.58 On the 11th day of January, 1943, I overheard a conversation between Sigmn Hluchanuk and the Orderly Sergeant, Sgt Russell. Knowing something to be wrong I questioned Sigmn Hluchanuk and asked him if he had been ordered to move his kit to the Orchard. He said "Yes." I asked him if he had not done so. He said "No, it is up to the medical officer to take the next step." I then ordered him to be placed under close arrest. 0915 hours, Sir.

Q.59 What is meant by the Orchard, Sgt-Major?

A.59 The "D" area huts, which are on the east side of the C.S.T.C.

A.63 Yes, Sir.

Q.64 Did Hluchanuk make the statement to you that he would not do it. That the next move was up to the doctor?

A.64 Yes, Sir.

Q.65 Why did you not place a charge yourself against him of failing to obey a command?

A.65 I am so busy in that office I can't do all the detail work myself.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q.66 Sgt-Major, in your evidence you told your story to the Court, you said you overheard a conversation between the accused and Sgt Russell?

A.66 Yes, Sir.

Q.67 You asked Hluchanuk whether he had been told to move his equipment and he replied "No, it is up to the medical officer." Do you consider that was a refusal to obey a command or merely an answer to a question?

A.67 That was merely a reply to the question, but he told Sgt Russell, which I overheard, that he would not move it, but he was not speaking personally to me at that time.

Q.68 Did you hear the actual conversation?

A.68 Just drifts of it.

Q.69 In other words, you are not sure he did refuse an order?

A.69 No, Sir.

Q.70 As far as you are aware he merely volunteered information he would move his equipment.

A.70 I took the Orderly Sergeant's word he had refused to do so. When I asked if he had done so he said "No." I am not moving it. It is up to the medical officer.

Q.71 Did you make inquiries as to why he would not move it?

A.71 No, Sir.

Q.72 Did the man appear to be in good physical condition?

A.72 Yes, Sir.

The Prosecutor declines to re-examine.

QUESTIONED BY THE COURT

Q.73 Did you hear the accused say that himself? Or did your Orderly Sergeant tell you that he said it?

A.73 I heard a discussion between my Orderly Sergeant and Sigmn Hluchanuk to the effect that "Did you move your equipment as I ordered you to," and Sigmn Hluchanuk said "No." I then asked what was going on and asked who was Sigmn Hluchanuk and he said "I am Hluchanuk," and I proceeded to ask him the question, "Did you not move your equipment as ordered by Sgt Russell." He said "No, the next step is up to the medical officer."

Q.74 You heard him say that yourself?

A.74 Yes, Sir. He was addressing me then, Sir.

Q

Q.75 How about the kit? Did he move it?

A.75 The kit was not there. No he did not move it because he was placed under close arrest right after that.

Q.76 This conversation you heard was on what day?

A.76 On the 11th of January, Sir, approximately 0915 hours.

Q.77 Do you think if the accused had not been placed under close arrest that even after making that statement he would have gone and got his kit and moved it over?

A.77. From his attitude I say no he would not have moved it.

The Defending Officer declines to cross-examine.

In the opinion of the Court it is not necessary to comply with R.P.83(B).

A.81 I was in the vicinity of barrack block 1, No. 2 when I went for my meals.

Q.82 Where were you on each of the succeeding mornings, that is the 8th, 9th, 10th of January?

A.82 I was always in room 6, block 1.

Q.83 Did anyone see you there during that time?

A.83 Yes, Sir, the room corporal seen me every morning.

A.85 For the lasttwo and a half years I have had quite a bit of trouble with my legs. Rheumatism, and there are times the pain gets so bad I can hardly walk. The mental strain is so hard on me I can't do anything at all except just lie down and relax.

Q.86 Why did you not move to the new quarters as you were told? Why did you remain in your old quarters?

A.86 The last time I was in Operating Company I went to the M.O. and tried very hard for him to do something for me. The pain in my legs was practically driving me crazy and I also had sinus trouble which gave me bad headaches and as sure as I went back there I would not get any more help from the Operating Company if I went back to take the course.

Q.87 Were you ever troubled with leg ailments or rheumatism before you joined the Army?

A.87 Yes, Sir.

Q.88 How long have you been troubled with this?

A.91 Yes, Sir.

Q.92 What was the last time or what was the reason for visiting the M.O. the last time?

A.92 Well, I was recommended by four doctors of this Camp to see a psychiatrist at the K.M.H. I was taken off draft by Dr Ames.

Q.93 Tell the Court what happened when taken off draft? Whether you asked to be taken off or whether you were taken off against your will?

A.93 Sir, I was in the drill hall ready to go to the medical board and I was called out of the drill hall by an N.C.O. and told to report to the M.I.R. office. At the M.I.R. I was interviewed by Capt Ames and he told me after the interview he told me I would not be going on draft until my case was settled. He also told me that I would have to have a reboard.

Q.94 Were you told the results of that examination by this psychiatrist?

A.94 No, Sir.

Q.95 Did this examination by the psychiatrist cause you any worry?

A.95 No, Sir.

Q.96 Did you feel quite satisfied in your own mind everything was all right? Nothing the matter with you?

A.96 They never exactly gave me a medical examination, Sir. They just asked me a lot of questions about myself and my family.

Q.97 Were you curious as to the findings of this examination?

A.97 Yes, Sir, I would like to know.

Q.98 What were your feelings after the examination by the psychiatrist?

There will be a meeting of the Men's Recreation Committee in room 113 Forde Building on Tuesday 26 Jan 43 at 1800 hours. Company Commanders will appoint representatives for each company.

8. CLEANING FIRES

Too many grates are being burned out in stoves in this camp. They are very difficult to replace and it may soon be impossible to replace them.

To prevent so much wasteful destruction, the N.C.O's. in charge of huts will personally supervise the removal of clinkers from the grates of each stove in the hut, at least twice a day. He will see that this work is carefully and thoroughly done.

Opening Address by the Defending Officer

The Defence will attempt to show by examining Sigmm William Hluchanuk that he, the accused, has been under severe mental strain for some months due to body ailments for which he has been treated for a period over the past several years. I also wish to show that the accused acted in a manner, for which action he is now being tried, solely with a view to lessening aggravating his condition and in no way shirking his responsibility.

CLOSING ADDRESS BY THE DEFENDING OFFICER

By the statements of various witnesses, Sir, I point out that the accused did not at any time leave the Camp, C.S.T.C. He made no effort to conceal his whereabouts which is corroborated by the last witness and the evidence also shows that due to his mental condition he was thinking solely of his physical well-being.

I will rest with the Court.

C. R. Dowsley, Major,
President, D.C.M.

CLOSING ADDRESS BY THE PROSECUTOR

The Prosecution holds, in connection with the first charge, absence without leave, that sufficient evidence has been adduced by the second and third witnesses for the Prosecution to show that the accused was absent without leave from the barrack room to which it was his duty to be present. It is admitted testimony of the Defence witnesses that he was truly not in the area for at least part of that time when it was his duty to be in the area which Operating Company had wanted him.

The Prosecution holds that with the second and fourth witnesses they have established evidence of wilful disobedience of a command that this man was given and due time elapsed between giving of the command and the laying of the charge for its non-performance are sufficiently proven by the second witness.

In light of such evidence the Prosecution holds both charges have been proven.

Receipt is acknowledged of your G.B. 5-11-1, dated the 15th February, 1943, under cover of which you forwarded the Proceedings of the marginally-noted District Courts-Martial.

2. The following irregularities have been observed:

(a) The place of trial on page A of the Proceedings is not identical with that set out in the Convening Order.

(b) The Convening Order and the Minute of Confirmation were signed by Lieut.-Col. Medhurst in his capacity as Commander of Goose Bay Defences. It is pointed out that this Officer's Warrant is directed to the Officer Commanding the Canadian Forces in Labrador, and it is thought that he should sign as such.

(c) The letters "C.A." were omitted from the descriptions of the Defending Officer and Prosecutor on page A of the Proceedings.

(d) All corrections made throughout the Proceedings were not initialled.

(e) Under the provisions of paragraph 22 of the memorandum on page 769 of M.M.L., in view of the fact that the two accused were jointly tried, separate questions and answers in respect to each accused should have been made and set out on pages A, B, A-1, C, & D. It is to be noted in the Proceedings, except in two instances, it is not disclosed that the questions were individually asked of each accused and individually answered.

(f) The particulars of the charge should have shown to what Garrison Institution the Ale belonged.

(g) The statement of the offence on the Charge Sheet should have been in capital letters.

(h) No notation as to compliance with R.P. 83(b) appears after the evidence of the Prosecutor on page E of the Proceedings.

3. Although the evidence is not completely satisfactory as to either the ownership of the Ale in question or the identification of the accused, after careful consideration, I have come to the conclusion that there is sufficient evidence in this regard upon which the Court had jurisdiction to come to the conclusion it did, and accordingly the Findings and Sentence can legally stand.

4. It is not considered necessary to

Receipt is acknowledged of your 22-M-2903 dated February 17th, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities mentioned in your letter the following have been observed in the proceedings:

(a) The letter "(A)" should not have appeared after the letters "CA" in Form M.F.B. 375 and also Form M.F.M. 216. The letters "C.A." are sufficient to denote Active Service.

(b) The officer who took the Summary of Evidence should have set out his corps and unit after his signature and rank at the end of the same. If he had referred to the specimen form in the Handbook it would be observed that it is not necessary in taking a Summary to state at full length the charge and the particulars of the same.

3. It is not considered necessary to return the proceedings and they are therefore retained for custody.

Q.5 Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence ?

A.5 No, sir.

THE PROSECUTOR DECLINES TO MAKE AN OPENING ADDRESS.

THE PROSECUTOR PROCEEDS TO CALL WITNESSES:

First witness for Prosecution: K.92149 Sgt. William Ernest PHILPOTT, No. XI District Depot, CA. being duly sworn, is examined by the Prosecutor:

Q.6 Will you tell the Court your specific duties at No. XI District Depot, CA. ?

A.6 I am intelligence sergeant at No. XI District Depot. My duties include the preparation of all documentary evidence for summaries of evidence at District Courts Martial and other such duties as police, intelligence and security duties call for.

Q.7 You are in charge of that department ?

A.7 Yes, sir.

Q.8 I produce Certified True Copy extract from No. XI District Depot Part II Order No. 276 dated 20th. November, 1942.
(DOCUMENT produced, is read, marked " G " signed by the President and attached to the proceedings)
Do you recognize that as a true copy of an exatract from that particular Part II Order ?

A.8 I do, sir.

Q.9 I produce Certified True Copy extract from No. XI District Depot Part II Order No. 285 dated 1st. December, 1942.
(DOCUMENT produced, is read, marked " H " signed by the President and attached to the proceedings)
Do you recognize that as a true copy of an extract from that particular order ?

A.9 I do, sir, they all relate to the accused.

(DOCUMENT produced, is read, marked " I " signed by the President and attached to the proceedings)

A.10 Yes, sir, I do. But the amount is wrong. Due to a clerical error, the amount should read $18.13, instead of $17.61, a difference of 52 cents. The addition of the items, less the 25% will bring you the right amount.

DEFENCE

Question to accused.

Q.12 Do you apply to give evidence yourself as a witness ?
A.12 Yes, sir.

A.13 No, sir.

First witness for Defence

The accused, M.28431 Gnr. Gerald Joseph HANSEN, No. XI District Depot, CA. being duly sworn, is examined by the Defending Officer:

Q.14 Will you tell the Court why you went absent ?
A.14 When I was up in Alaska my draft got a notice to go overseas and I got down to Prince Rupert to get the train for Petawawa and while I was in Prince Rupert I was driving a "jeep" and hurt my leg and was put in hospital. I was in hospital for six weeks, and did not get any pay for two months. All my chums got overseas, and when my major came up to shake hands to say goodbye I did not feel like staying here any more. I did not like the idea of missing my draft at all.

Q.15 When you were apprehended, were you in uniform or in mufti ?
A.15 In uniform, sir.

Q.16 Did you consistently wear uniform while you were away ?
A.16 Yes, sir.

Q.17 Did you work while you were away ?
A.17 Yes, sir.

Q.18 Where ?
A.18 Queen Charlotte Fisheries, Bute Street, Vancouver.

Q.19 Did you say that you were unable to get any pay ?
A.19 Yes, sir.

Q.20 Do you know why ?
A.20 No documents, I think, sir.

Q.21 Had you any friends at No. XI District Depot ?
A.21 No, sir.

Q.22 Had you any other reason that might unsettle you other than your friends going overseas and you being left ?
A.22 That sort of upset me and about a year ago my mother died while I was in the army. That left me without a home, and I got into debt.

Q.23 Was it your intention to return and give yourself up ?
A.23 I intended to come back to Little Mountain on the 25th. January.

Q.24 Was there any reason that prevented that ?
A.24 I got in a mix-up with a girl and wanted to fix it up with her mother and father. I was going to come back about that time as I figured it would take that long.

Q.25 When the trouble that you are now in is cleared up,

Q.25 (continued) what do you want to do in the army ?
A.25 I would like to go overseas if I possibly could.

Q.26 What have you to say with regard to the loss of kit charged against you ?
A,26 I can produce the following articles: a pullover, a cotton shirt, toothbrush, holdall, razor safety and towels, socks, ground sheet, tin of shoe polish, brushes haversack and steel helmet.

CROSS EXAMINED BY THE PROSECUTOR

Q.27 You say you were working for the Queen Charlotte Fisheries ?
A,27 Yes, sir.

Q,28 What was your motive for working there ? Was it because you had received no army pay ?
A.28 Yes, sir, because I had no army pay.

Q,29 What made you return to the Depot ? Was it because your job eked out ?
A.29 No, sir. My mind was bothering me while I was away and I thought it best to come back.

Q,30 How long have you had service in the army ?
A.30 Two years in July.

Q.31 Did your conscience not prick you all the time you were absent ?
A.31 Yes, sir. I did not want to stay away as long as I did.

Q.32 Time simply drifted on ?
A,32 Yes, sir.

Q.33 You say you can produce certain articles of your kit and equipment ? Where are they ?
A.33 At my private home.

Q.34 Did you not disclose before that you could produce them?
A.34 When they took me off the train, they took my kit bag and I thought all my stuff was in it, but the person I was with had some of my kit in a beer box, and now she is sending it back here.

Q.35 Where is it now ?
A.35 At Nelson, B.C. I have a letter from her saying that she is sending it here.

THE DEFENDING OFFICER DECLINES TO REEXAMINE HIS WITNESS.

QUESTIONED BY THE COURT:

Q.36 While you were working were you in uniform ?
A.36 I wore my fatigue clothes and army boots.

Q.37 How did you come and go to work ?
A.37 Walked, sir.

Q.38 In the same clothes ?
A.38 Yes, sir.

Q.39 At the time where you were living, did you leave your battle dress while you worked ?
A.39 Yes, it was there when I went to work.

Q.40 Where were you living ?

A.40 At 817 Hamilton Street in the city.

Q.41 Why did you particularly count on the 25th. January to give yourself up ?

A.41 By the time I got home and got matters straightened up and get back here it would be the 25th.

Q.42 Where is your home ?

A.42 In Nelson, BC.

Q.43 What branch of the army are you serving in ?

A.43 No. 112 A.A.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH R.P. 83 (B).

CLOSING ADDRESS BY THE DEFENDING OFFICER.

The accused has shown in his evidence that he went absent without leave but never had any intention of deserting the service. He states that he wore his uniform all the time he was absent and was never in mufti. When apprehended he was in his uniform and was not trying to masquerade as a civilian. He worked in his absence at the Queen Charlotte Fisheries, Bute Street, Vancouver, which may be classed as essential war work, and he stayed in this vicinity. He states that whilst on draft from Alaska to Petawawa he was driving an army truck at Prince Rupert and sustained an injury to his leg which put him in hospital for six weeks and lost the opportunity of going overseas, which was his desire. This contributed to his state of unrest. He finally was returned from hospital to No. XI District Depot and states that he had received no pay for two months as his documents were not on hand. Having no money, and knowing nobody at the Depot he yielded to the temptation of going absent. His father died while he was an infant and his mother died about a year ago which tended to unsettle and worry him. After he had been in the army for two months he overstayed a week-end pass for some three days and received a sentence of twenty-eight days' detention which he thought was unfair and a harsh sentence for a minor offence. It was his intention to give himself up on January 25th. but owing to complications in respect to the girl he intends to marry, he stayed to see her parents and make certain arrangements. His only desire now is to take his punishment, make a fresh start, be a good soldier and get overseas as quickly as possible. May it please the Court to take these facts into consideration ?

STATEMENT BY THE ACCUSED

Sir:

About that last crime, the crime of stealing. I was accused of that but did not do it and could not prove that I had'nt done it. I am perfectly innocent. I traded a dollar bill for a silver dollar and a man accused me of stealing it. That happened in Alaska. The man who gave me the silver dollar stole it from another man and when I was in a poker game he recognized the silver dollar by the date and accused me of stealing it. When I tried to get myself out of it he would not believe me and I had to forfeit 15 days' pay. That is all, sir.

SUMMARY OF EVIDENCE in the case of A50096 Private Whitty Johnston Huff, Kent Regiment, C.A. Attached to A-10 Canadian Infantry Training Centre, C.A., charged with absence without leave. Huff.....One.

The accused's rights in respect to a Summary of Evidence are explained to him.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: B79580 Cpl. J.R. Slathon, Ir. R. C., att. A-10 C.I.T.C., C.A., having been duly sworn, states:-

"I am a corporal in No. 2 Coy, A-10 C.I.T.C., C.A., Camp Borden, Ont. to which Coy the accused is attached. At approximately 0610 hrs, 28 DEC 42, I called the roll in hut P 41 A, which is the barrack room of the accused, and the accused, A50096 Pte. W.J. Huff, failed to answer his name. Immediately after calling the roll I made a thorough search of the barrack rooms, ablution rooms and Coy. lines of No. 2 Coy, but the accused could not be found. I then reported him to the Administrative Sergeant, for No. 2 Coy, as being absent without leave from 0600 hrs, 28 DEC 42."

The accused declines to cross-examine this witness.

.....J.R. Slathon.....Cpl.
B79580 (J.R. Slathon) A-10 C.I.T.C., C.A.

SECOND WITNESS: B59752 Cpl. R. Holmes, R.C.R., att. A-10 C.I.T.C., C.A., having been duly sworn, states:-

"I am the Orderly Corporal for No. 2 Coy, A-10 C.I.T.C., C.A., Camp Borden, Ont., to which Coy. the accused is attached. At approximately 0700 hrs, 28 DEC 42, I was present in No. 2 Coy. Orderly Room, and heard Cpl. J.R. Slathon report to the Administrative Sergeant of No. 2 Coy, that the accused, A50096 Pte. W.J. Huff, was absent without leave from 0600 hrs that morning. I then made a search of the barrack rooms, ablution rooms and Coy. lines of No. 2 Coy, but could not find the accused. I reported this to the Administrative Sergeant of No. 2 Coy, and he entered the accused's name on the absentee report as being absent without leave from 0600 hrs, 28 DEC 42. To the best of my knowledge, information and belief the accused remained so absent without leave from 0600 hrs, 28 DEC 42, until he was apprehended at Moravaintown, Ont., at 1600 hrs, 12 JAN 43. If the accused had been present with his Coy at any time during such period, I would have knowledge thereof. I identify the accused to be the person referred to in the following documents now shown to me:-

(a) M.F.M. 216 dated 12 JAN 43.

(b) Appendix to M.F.M. 216 dated 12 JAN 43.

(c) M.F.B. 1481 dated 13 JAN 43.

(d) M.F.B. 1481 dated 13 JAN 43."

The above mentioned documents are read over to the accused and marked Exhibits "A", "B", "C" and "D" respectively.

The accused declines to cross-examine this witness.

I have nothing further to say at this time.".

BY THE DEFENDING OFFICER :- Mr. President, Mr. Judge Advocate and Members of the Court: There is little I can do except touch on the main points, what I consider to be the main points, of the evidence presented by the accused. He is 33 years of age and has been married six years. He voluntarily enlisted in the Army in March of 1940, and was anxious to go overseas. Instead of that he has been shuffled about the country from one place to another and most of the time he apparently has been doing cooking at depots, and, I presume, guard duty and working in the kitchen. In addition to this, he seems to have had more than his fair share of trouble. He has lost one child and his wife has been ill for some time. It seems significant of something that when he is close to home that he apparently is in no trouble in the Army at all, and apparently does his work in a satisfortory manner. However, when he apparently gets away from home and loses contact with his family for some time it makes a difference with his soldiering. On the first chance when he visits his home he overstays his leave. I believe from his evidence that it is fair to adduce that he is a man of strong family ties, and, as has been brought out in evidence, he has had very little education. I would like to recommend to the Court, gentlemen, if it be possible to perhaps have this man transferred to London or Chatham so he could carry on the work he was doing and I think he would be a satisfactory soldier. I don't think that this man should be heavily punished. Although his record is not a good one, there is nothing against Army discipline that he has been in breach of except absence without leave and in two cases he was home on pass and overstayed his pass. His explanation for being dressed in civilian clothes, I think, is not to his detriment. We all no the fuel shortage and perhaps it is necessary on this reserve, in view of the fact that his father-in-law who helped maintain the family and who was laid up, to cut your own wood.

I again ask you, gentlemen, to be as lenient as possible in any sentence which might be placed on this man and if possible to perhaps add a "rider" to any decision of this Court, that this man be transferred to some-place near home where his record shows that he has been a satisfactory soldier.

Court of Inquiry - Shortage - Officers' Mess
23 Army Tank Regt. (Hal. Rifles) C.A.C.

Reference is made to your memorandum at folio 27 of H.Q.129-35-12.

2. Relative to para 1.

There is no doubt that Tpr. Hills is responsible for the whole shortage and as a matter of fact he admitted his responsibility in this regard. On the other hand, it was considered that this theft was rendered possible by the lack of supervision on the part of the Mess Committee and Mess Members, and therefore it was felt that the Mess should bear part of the loss, also that to place the soldier under too great a financial burden was not advisable.

Therefore it is suggested that a departing of the principle set out in R.O. 1820 for the damages incurred to Government property be followed. It was considered that stoppages of ninety days' pay of rank might be imposed in addition to the punishment already awarded by the Court-Martial.

3. Regarding para. 2.

It is submitted that the stoppages will be effected to reimburse the Regimental Institute and not the Crown. When some money has been collected from Tpr. Hills it will be paid to the Regimental Institute. This procedure has been followed in cases of amounts paid to Regimental Institutes and to civilians.

4. As to whether Article 84 F.R. & I. could be invoked in order to recover money stolen from a Canteen or Mess from a soldier found guilty by a Court-Martial, a ruling has been obtained from the J.A.G. which reads as follows:

"It is my opinion that Section 84 of F.R. & I. may be invoked in this case for the amount of the value of the goods stolen which is in fact a regimental claim or a military debt".

H.Q.129-35-12
H.Q.C.55-H-334 (DAG)

Court of Inquiry - Shortage - Officers' Mess
23 Army Tk Regt (Hal Rifles) CAC

Three or four points have occurred to me in regard to the within submission which I think should receive consideration

(i) Why should we limit the recommendation to 90 days pay of rank instead of full sum of 225 dollars.

I take it this is based on the K.R.(Can) amendment whereby soldiers are only liable up to 90 days pay in the case of motor car accidents. Do you not think, however, that it would be preferable to obtain an order for the full amount and after a portion of the monies has been paid, then make a further submission for relief.

I notice by the court-martial the soldier was given 30 days detention - that means that he loses 30 days pay. If you intend to limit his liability should this not be taken into consideration on suggested 90 day period, that is, should the submission not read 60 days and not 90 days.

(ii) In the event of the Minister making the order, I am not quite clear as to how the sum is to be paid over to the 23rd Army Tk Regt.

Ordinarily money collected under Section 84 is payable to the Crown in the right of the Dominion of Canada. The actual mechanics I am not acquainted with, but imagine that the Paymaster General forwards the collected pay to the Receiver General. If this is the procedure, then how is it intended to get the money from the Receiver General to the 23rd Army Tk Regt Mess. There may be some procedure now in existence covering this payment, but if there is, I am not acquainted with it.

(iii) In ordinary criminal law when a defalcation takes place, two remedies are open - civil action to recover the money, or criminal procedings.

It has been held by the criminal courts on many occasions that although restitution does not in any way affect criminal proceedings, still the entering into negotiations for the liquidating of a theft may turn the proceedings from a ciminal to a civil one of simple debtor and creditor accounting. In this case Tar Hill has been convicted and punished of applying with intent to defraud.

Can we now proceed to exercise Section 84 of F.R. & I.?

Deputy Minister (Army)

27th May, 1943.

Court of Inquiry - Shortage - Officers' Mess
23 Army Tank Regiment (Hal. Rifles) CAC

Authority is hereby requested to invoke Article 84 of F.R. & I. in order that F.30324 Tpr. S.V. Hills may be put under stoppages of pay and allowances to make good the amount of money he stole from the Officers' Mess of the 23 Army Tank Regiment (Hal. Rifles) C.A.C.

2. The facts herein are as follows:

(a) He was tried by District Court-Martial at Camp Borden on the 23rd March, 1943, under Section 17 of the Army Act when being concerned with the care of regimental property misapplying the same. He was found guilty and sentenced to thirty days detention.

(b) In a declaration he made at Camp Borden on 11th February, 1943, which can be found at folio 4 of this file, Tpr. Hills admitted that during the whole period he was employed in the Officers' Mess he obtained approximately $225.00 in this manner. The actual amount is now fixed at $211.46.

(c) Pursuant to Article 84 F.R. & I. a demand was made upon him to show cause as to why he should not be held responsible.

(d) His response has been received which can be found hereunder and there is nothing contained therein in the opinion of this Branch to relieve him of his civil liability.

(e) In view of the lack of supervision exercised by the Mess Committee and in order not to create too great a hardship upon Tpr. Hills, it is considered that the stoppages to be directed should be limited to ninety days pay of rank.

3. Therefore, it is recommended that Article 84, F.R. & I. be invoked against Tpr. Hills and that he shall not be entitled to draw pay for the period of ninety days in order to reimburse the Officers' Mess of the 23rd Tank Regiment.

OTHER DELAYS:

PRECIS OF EVIDENCE:

The financial statement shows a deficit of $1.41 for the month of Nov., 1942; $18.09 for Dec.; $159.29 for Jan. The matter was reported to the President of the Audit Board and a surprise stock taking was held on the 4th or 5th Feb., 1943 which shows a deficit of $32.67 in both liquor and cigarettes. The whole canteen staff was put under suspicion and questioned.

Tpr. Hills, S.C.(W-30324) caterer, admitted his guilt and admitted for the months of Jan and Feb. the amoun of the goods stolen to be about $225.00. The books of the Bar were apparently well kept. The bar was operated by chit system and a few daily cash transactions were received, which do not amount to enough to warrant collecting money every night.

Lieut. H.R. Lisson was the Mess secretary.

MEDICAL EVIDENCE:

XXXXXXXXXXXXXXX

Steps have now been taken to prevent any recurrance of this kind.

(1) New rules have been drawn.
(2) The steward has been made financially responsible for the stock and cash in the bar.
(3) Daily check is being made
(4) More frequent stock takings are being held at irregular intervals.

FINDING OF THE COURT:

XXXXXXXXXXXXXXXXX

FINDING OF THE COURT The Court having heard the evidence find that the total ~~OPINION OF THE OFFICER COMMANDING~~ in the accountability of the Officers' Mess during the period November, 1942 January, 1943 is $178.79 and that a further shortage of $32.67 occurred during the period 1 - 5 February. The Court further finds that this shortage occurred as a result of theft by Tpr. Hills.

REMARKS:

XXXXXXX O.C.'S OPINION Concurs with the Court. Action has been taken against Tpr. Hills by way of a charge under Sec. 17 A.A. and application for D.C.M. forwarded 17 Feb. 43.

REMARKS Tpr. Hills has been found guilty by Court Martial and charged under Sec. 11 A.A. and awarded 30 days detention.

SUMMARY OF EVIDENCE
In the
case of
#30324 Tpr. Mills, Sinclair Vincent
"HQ" Squadron
23 Army Tank Regt (Hal Aif) CAC

FIRST WITNESS: Major J. W. McMahon, Second in Command, 23 Army Tk Regt (Hal Aif) CAC having been duly sworn states:

During the afternoon of the 11 February, 1943 Captain G.D.H. Cox and Captain, W. S. Higgins, 23 Army Tk Regt (Hal Aif) CAC reported to me that, as a result of questioning, they had discovered that Tpr. Mills, S. V. had admitted to stealing from the Officer's Mess bar and as a result of this admission they had placed Tpr. Mills in arrest. They asked my advice ~~on~~ how the case should be handled.

About 1630 hours I sent for Tpr. Mills and asked him if these alleged statements were true. Then I asked him if he would be willing to sit down and write out the story of what had happened in his own words. This Tpr. Mills readily agreed to do so I called in Lieut. W.W. Sinclair, 23 Army Tk Regt (Hal Aif) CAC and in his presence gave Tpr. Mills the statutory warning and at his request Lieut. Sinclair wrote out the confession.

This confession was given freely and voluntarily by Tpr. Mills, S. V. who seemed willing and anxious to get the thing off his conscience.

Q1 Will you produce the confession?

A1 I tender this document which is the original confession made by Tpr. Mills, S. V. in the presence of Lieut. W. W. Sinclair and myself.

(Document marked ~~Appendix~~ EXHIBIT A and attached to the summary)

The accused declines to cross-examine the witness

Major
23 Army Tk Regt (Hal Aif) CAC

SECOND WITNESS: Lieut. W. W. Sinclair, 23 Army Tk Regt (Hal Aif) CAC having been duly sworn states:

On the 11th day of February, 1943, I was asked by Major J. W. McMahon to be present and witness a confession to be given by Tpr. Mills, S. V.

Tpr. Mills, S. V. dictated the confession which I wrote down but before doing so he stated that in making this confession, he did so of his own free will and that no inducement or threats of any kind were offered and that he realized it might be used in evidence either for or against him.

Having written down the full confession it was read over by Tpr. Mills and he signed it. It was then witnessed by Major McMahon and myself

Lieut
23 Army Tk Regt (Hal Aif) CAC

The accused declines to cross-examine the witness

THIRD WITNESS: Captain G.B.H. Cox, 23 Army Tk Regt (Hal Rif) CAC, having been duly sworn states:

I am president of the officer's mess and have been since late in November, 1942. Apr. Mills S. V. was employed in the mess as waiter and assistant steward during that period. As such his duties consisted of waiting on the tables and operating the bar when the stewart was otherwise occupied.

During the month of December, 1942, there was a shortage in the bar accounts of approximately $20.00 and a shortage of approximately $150.00 in the month of January, 1943. As a result of the last shortage a special stock taking was completed on 5 Feb 43 covering the period 1 Feb. 43 - 5 Feb 43 and it showed a further shortage of approximately $40.00 in cigarettes and liquor. As a result of this I called the mess committee together and questioned the mess staff and batmen seperately resulting in suspicion being directed to Apr. Mills, S. V.

Apr Mills was further questioned and admitted having sold liquor and cigarettes at a profit to himself and also using cigarettes and liquor for his own consumption without paying for same. I had Apr. Mills placed in arrest.

All supporting documents and cash transactions taken over from the mess steward's cash book by the secretary-treasurer have been duly checked and audited. I am the Secretary-treasurer of the officer's mess, 23 Army Tk Regt (Hal Rif) CAC and have been since 16 Dec.1942. When I assumed this appointment Tpr. Mills, W. V. was employed as waiter and assistant steward and acted in that capacity until 9th Feb 43 at which time he was placed in arrest.

When I closed off the books for the month of December 1942, there was a difference in the accounts of approximately $19.00 and in the month of January, approximately $160.00. When I discovered for sure that the January accounts were out $160.00, it was on 6th Feb 1943 about 0200 hrs. I immediately took stock again and found that for the period 1st Feb 43 to 5th Feb 43 the accounts were out a further amount of approximately $25.00. I immediately informed Capt. G.B.H. Cox, the mess president.

I was instructed by the mess president to conduct an investigation of the mess personnel which I did and gained no information of value at that time. I sat in on further investigations on 7th Feb 43 when suspicions involving Tpr. Mills, came to light.

I F30324 Tpr. Hills S.V. make this statement freely and voluntarily, I have not been induced to do so by threat or fear of punishment, or by promise of reward and I understand that anything I say may be used in evidence.

I was employed as steward and waiter in the Officers Mess between the months of November 1942 and February 1943. My duties were to wait on table and to assist Cpl. Graves in the Bar. When Cpl. Graves was away on pass I had charge of the bar and was responsible for the stock and for making and recording sales. About the time I was employed in the Officers Mess a number of old gambling debts caught up with me, and people to whom I owed money began to press for payment. I have assigned pay to my family of $20.00 per month and in addition $8.41 a month for War Bonds, this only leaves me less than $2.00 a month for myself which was insufficient to clean up my debts.

In order to obtain money at first I used to buy liquor from the bar at cost and sell it at at retail price to soldiers putting the profit in my pocket, in this manner I was enabled to get rid of a considerable quantity without

the Mess Committee knowing nor of it. In addition I sold considerable quantities of cigarettes and soft drinks. When I was proceeding on New Years leave I appropriated a bottle of whisky from the Officers Mess Bar and sold it to a civilian in Barrie for $3.00. I only took stock from the bar which I sold but I did not take any money. In addition to the above I took considerable quantities of liquor & cigarettes for my own use. During the whole period that I was employed in the Officers Mess I estimate that I obtained approximately $225.00 in this manner.

I am deeply sorry that I allowed myself to become involved in this matter and I am making this confession fully in the hope that it will in some measure clear my conscience also I am very worried over what my family will think of me for acting in this way.

I wish further to state that no other employee of the Officers Mess was associated with me in any way in this affair.

Signed at Camp Borden, Ont., this 11 day of February 1943.

FINAL ADDRESS BY THE DEFENDING OFFICER:

Sir; In speaking on behalf of the accused Trooper Hills I would like first of all to go over the record which has just been presented to you by the prosecution. Namely, that after twenty months of Active Service Trooper Hills has yet to receive an entry on his regimental conduct sheet.

As stated in the evidence of Sgt-Major Fougere, Trooper Hills is a trained soldier and has been covering off a job which has called for considerable amount of responsibility. I may also point out that this job which he was covering off--namely, the steward at the Officers' Mess, was the first occasion in which the lad has had a great deal of association with quantities of money, and while the summary of evidence does not show that any money has been missing, it does show that there is a shortage of what there should have been there. There actually was nothing taken , for what was taken was paid for, but what is missing is the profits of the goods which were sold. Nothing itself is missing, but just the profits.

He is a lad of 22 years of age, and I would like that to be taken into consideration. I also--and this is the final point I would like to bring to your attention--is the fact that the confession was willingly given with a considerable amount of remorsefulness and a definite feeling on his part that he had brought more or less a disgrace upon his own family.

Receipt is acknowledged of your C.[illegible]0-H-446(AJAG), dated the 19th February, 1943, under cover of which you forwarded the Charge Sheet and Summary of Evidence in connection with the marginally-noted soldier.

2. As far as the Charge Sheet is concerned, the statement of the offence is quite improper. It should read "WHEN CONCERNED IN THE CARE OF REGIMENTAL PROPERTY FRAUDULENTLY MISAPPLYING THE SAME". Also the word "Property" should be inserted instead of the word "Goods" in the sixth line of the particulars. In the last line of the particulars, after the word "stock", the words "To the value of approximately $225.00" might well be inserted.

3. By the very nature of the evidence, which is almost entirely the confession of the accused, it is very difficult to frame particulars of the charge in any detail. However, in view of the said confession, and despite the said vagueness of the particulars, I consider that an Order for Trial might properly be made.

4. The documents enclosed with your letter are returned herewith.

District Court-Martial
B.110332, Gnr. HILL, J.S.
A-2, C.A.T.C., C.A.

The proceedings of the m/n District Court-Martial are forwarded herewith for registration and custody.

2. The Finding and Sentence having been confirmed, the charge, finding and sentence were duly promulgated and extracted as appears from minutes endorsed upon the proceedings.

3. The following irregularities in these proceedings have been noted at this Headquarters and wherever possible have been brought to the attention of the Officers concerned.

(a) On page "A" of the proceedings and on the Convening Order the title of the Convening Officer is given as "Camp Commander" although his correct title now is "Commander".

(b) On page "CC" the words "The accused in mitigation of punishment says" have been struck out. Only the word "says" on that line and the word "or" on the following line should have been deleted.

(c) In view of the fact that the Court was not closed and re-opened the words " The Court being re-opened, the accused is again brought before it" should have been struck out.

(d) As observed by the Judge Advocate-General in connection with a recent District Court-Martial it would have been preferable to have the Summary of Evidence indicate that the accused had been given the opportunity to call witnesses as provided by R.P.3 and had declined.

(e) In M.F.B. 375 the unit or attachment of the absentee has been omitted in the fifth line. The addition in ink of the words "A-2, Canadian Artillery Training Centre, CA" in the third line of the declaration should have been initialled by the Officer who certified M.F.B. 375 as a true copy of the original record. It is observed also that because of the long list of deficiencies which was not in ~~the~~ true at this trial, two sheets of M.F's.B.375 were used. It is understood that the preferred practice is to insert all the deficiencies in an extra sheet of paper which is then pasted to a single sheet of M.F.B. 375. It is observed that the declaration on the second sheet does not correspond with that on the first sheet in that the addition of the words "A-2 Canadian Artillery Training Centre C.A." does not appear in the third line.

(f) In M.F.M. 216 the unit or attachment of the absentee has not been shown but the other particulars are correct and further evidence of the apprehension in the form of a certified copy of a Part II Order was put in.

(g) In M.F.B. 1482 the deletions have not been initialled by the Bombardier who signed the certificate.

It will be further noted that in Exhibit "K" there is no claim for transportation or other cost whatsoever, since all transportation appears to have been from Acton, Ont.

3. On page C-3 after Answer 11 it will be seen that an attempt was made by the Prosecution to produce a statement of expenses incurred in the escorting of the Accused. Q. 4 *Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

A. 4 *Answer.* No sir.

~~The prosecutor makes an opening address (hands in a written address, which is now marked signed by the President, and attached to the proceedings).~~ The Prosecutor declines to make an opening address.

The prosecutor proceeds to call witnesses.

First witness for prosecution. } Lieut. R.G. Early, O.C. No. 7 Defence and Employment Platoon, C.A.,

being duly sworn, is examined by the prosecutor.

Q. 5 - As O.C. of No. 7 Defence and Employment Platoon are you in charge of the regimental books and documents?
A. 5 - I am.
Q. 6 - I give you a part II Order, would you explain this to the Court?
A. 6 - This is a Part II Order issued by myself at Debert Military Camp, No. 46 dated 31st December, 1942.

(Part II Order No. 46 dated 31st December, 1942, is read, marked "G", signed by the President, and attached to the Proceedings)

Q. 7 - What is this?
A. 7 - This is another Part II Order No. 5 dated 22nd January, 1943 in which the Accused is struck off strength.

(Part II Order No. 5 dated 22nd January, 1943, is read, marked "H", signed by the President, and attached to the Proceedings)

Q. 8 - What is this?
A. 8 - This is another Part II Order. Part II Order No. 10 dated 8 February, 1943 in which the Accused is taken on strength.

(Part II Order No. 10, dated 8 February, 1943, is read, marked "I", signed by the President, and attached to the Proceedings)

Q. 9 - And this?
A. 9 - This is the certificate of apprehension, M.F.M. 216.

(M.F.M. 216, Certificate of Apprehension, is read, marked "J", signed by the President, and attached to the Proceedings)

And here is a letter from the Chief of Police, Civil authorities, which has to do with the Accused.

(The above letter is read, marked "K", signed by the President, and attached to the Proceedings)

Q. 10 - I hand you this document, what is it?
A. 10 - This is the record of the Declaration of the Court of Inquiry.

(M.F.B. 375, Declaration of the Court of Inquiry, is read, marked "L", signed by the President, and attached to the Proceedings)

Q. 11 - And this?
A. 11 - This is M.F.B. 1481.

(M.F.B. 1481 is read, marked "M", signed by the President, and attached to the Proceedings)

And this is M.F.B. 1482 dealing with the incidental costs.

(M.F.B. 1482 is read, marked "N", signed by the President, and attached to the Proceedings)

And here is a statement of the expenses incurred in the escorting of the ACCUSED by Corporal Hawke.

By Judge-Advocate
I think I will have to advise the Court that while the M.F.B. 1482 is acceptable, this statement that is attached to it is not acceptable.

By Prosecutor
I have struck a couple of cases where escorts have been sent up and they have had to pay these incidental expenses out of their own pocket, and there is no way to reimburse these escorts if the Court won't do it.

By Judge-Advocate
The Court cannot do it. All incidental expenses must be stated on the M.F.B. 1482 and it is not on that document in this case.

By Prosecutor
Can these expenses, shown on this statement, be included on the 1482?

By Judge-Advocate
In my opinion, yes, but that is only my opinion and I would suggest that you speak to the D.A.Q.M.G. about that.

Q. 12 - What is this?
A. 12 - This is a bill for board of the Accused at County Jail at Milton, Ont., also an account for various expenditures made by E.E. Harrop, Chief of Police at Acton, Ont.

By Judge-Advocate
I think again I will have to advise the Court that I cannot accept these.

By Prosecutor
I might say further in relation to the 1482 that Lieut. Early saw the D.A.Q.M.G., but he could not advise him on the same.

By Judge-Advocate
Well that is not this Court's fault.

Q. 13 - Do you know and recognize the Accused?
A. 13 - I do.
Q. 14 - Is the Accused the one referred to in the various documents that you have submitted to the Court?
A. 14 - Yes.

The Defending Officer declines to cross-examine.

In the opinion of the Court and Judge-Advocate, it is not necessary to comply with R.P. 83(B).

THE WITNESS WITHDRAWS.

Second Witness for Prosecution

B. 46961 Pte. (A/Cpl) G.H. Chestnut, No. 7 Def. & Empl. Pltn., C.A., being duly sworn, is examined by the Prosecutor.

Q. 15 - Would you tell the Court what job you were doing on the 28th of December?
A. 15 - I was orderly Corporal on the 28th of December, 1942.
Q. 16 - Would you tell the Court in what way you had anything to do with or about the Accused on that day?
A. 16 - Yes sir. I was also due back on the 28th December myself and arrived back on the 26th, and relieved another fellow so he could go on his pass. I relieved Cpl. Keir of his duties. I knew that Pte. Henderson was due in on pass along with three or four other boys, he did not return and on the following morning I made out an absentee report.
Q. 17 - Do you know the Accused personally?
A. 17 - Yes sir.
Q. 18 - Have you seen the Accused in the camp or in the lines between the 28th of December and early in February?

By Defending Officer
The witness said that he did not see the Accused between the 28th of December and early in February, but in the evidence this witness said he saw Pte. Henderson around the middle of December.

By Judge-Advocate
I think the Prosecutor asked if he saw him in camp between these times.

By Judge- Advocate The Defending Officer declines to cross-examine.

Q. 19 - You state that you did not see the Accused in camp between these dates?
A. 19 - Not until Cpl. Hawke brought him back.
Q. 20 - If the Accused had been in camp would you have been in a position to know of it?
A. 20 - Yes sir.
Q. 21 - How did you miss the Accused on the night of the 28th of December?
A. 21 - Well sir, he was not in his bed by lights out sir.
Q. 22 - What time is lights out?
A. 22 - 10:15 sir.
Q. 23 - When did you first notice that he was missing?
A. 23 - 28th.
Q. 24 - At what time?
A. 24 -.Well, he never came in on the train. Of course I don't think too much of that either because the trains are late, but he was not there the next morning.
Q. 25 - Well then the first time you missed him was at lights out?
A. 25 - He did not come in on the train with the rest of the boys.
Q. 26 - What I want to find out is the time that you first noticed that the Accused did not return?
A. 26 - I cannot state that exactly.
Q. 27 - You stated that he was not there at lights out?
A. 27 - He was not there.
Q. 28 - Did the Accused have to check in to you when he came back?
A. 28 - Yes sir, they all have to give me their pass.
Q. 29 - And the Accused did not give you his pass?
A. 29 - No sir.

In the opinion of the Court and Judge-Advocate, it is not necessary to comply with R.P. 83(B).

THE WITNESS WITHDRAWS.

Third Witness for Prosecution

B. 46960 Pte. (A/Cpl) M.L.J. Hawke, No. 7 Def. & Employment Platoon, C.A., being duly sworn, is examined by the Prosecutor.

Q. 30 - Do you recognize the Accused in Court here?
A. 30 - Yes sir.
Q. 31 - Would you tell the Court anything you had to do in connection with the Accused?
A. 31 - I was ordered by Lieut. Barly to proceed to Acton, Ont. to bring back Pte. Henderson who was being held in the jail at Milton, Ont. I left Debert 2nd. Feb. 43 and arrived at Acton, 4 Feb. 43, and proceeded to Milton jail the same day, the following day, Feb. 5th I proceeded back to Debert, N.S. with the prisoner.

Q. 32 - Where did you get him there?
A. 32 - Acton, Milton Jail.
Q. 33 - And how was the Accused dressed when you got him?
A. 33 - In uniform.
Q. 34 - How did he behave when you came back here?
A. 34 - Alright sir.

The Defending Officer declines to cross-examine.

In the opinion of the Court and Judge-Advocate, it is not necessary to comply with R.P. 83(B).

THE WITNESS WITHDRAWS.

B. 46961 Pte. (A/Cpl) G.H. Chestnut, No..7 Defence and Employment Platoon, C.A. is recalled by the Court at the request of the Defending Officer and is examined on his former oath.

Q. 35 - I want to question the Corporal on the manner in which he addressed the ACCUSED at a dance in Georgetown. The witness has said "I saw Pte. Henderson at a dance in Georgetown, Ont. around the middle of December....."

By Judge-Advocate
That is not in evidence before this Court. That was what he said at the Summary of Evidence.

By President.
Q. 36 - Corporal, did you see the Accused at any time between the 28th of December and the time of his return to Debert?
A. 36 - No sir, I did not.
Q. 37 - You did not see him anywhere?
A. 37 - No sir, I did not see him until Cpl. Hawke brought him back.

By Judge-Advocate
Q. 38 - In the Summary of Evidence you said "I saw Pte Henderson at a dance in Georgetown, Ont. around the middle of December...." Now which is right, your statement in the Summary that you did see him or your statement now that you did not see him.
A. 38 - I saw him at a dance.
Q. 39 - Did you see him at any time around the middle of December?
A. 39 - Yes.
Q. 40 - Where was that?
A. 40 - I saw him at a dance in Georgetown.
Q. 41 - Was the Accused properly dressed at that time?
A. 41 - Yes sir.
Q. 42 - Did the Accused make any statement or enter into conversation with you at that time?
A. 42 - Yes sir.
Q. 43 - What was it?
A. 43 - He asked me when I was coming back and I told him and asked him when he was coming back and he said that he was leaving on Saturday.
Q..44 - What date would that be?

No. 7 Def. & Empl. Pln., C.A.

Please find enclosed herewith the marginally noted District Court-Martial Proceedings. You will note from Page "F" of the Proceedings that the Finding and Sentence have now been confirmed.

2. An irregularity has been noted in the Charge Sheet which was submitted to this Headquarters in that the words "when on active service" were used in the statement of the offence. These words are unnecessary in a charge of absence without leave and should only be included where the offence involves a greater punishment if it is committed when on active service. Such is not the case in a charge of absence without leave.

3. The Proceedings are returned in order that the Finding and Sentence may be promulgated to the Accused and the necessary certificate concerning such promulgation endorsed on Page "F" of the Proceedings.

4. When this has been done may the Proceedings please be returned to this Headquarters without delay for transmission to N.D.H.Q.

Acton, Ont. 4th Feby 1943

Joseph Lawrence Henderson whose home is in the vicinity of Acton, appears to have been absent from his Regiment since Dec. 25th 1942. - After arriving in this Village a few days ago from Toronto he was taken in by me in accordance with instructions issued in the form, description of a deserter or absentee without leave. - When taken in to explained he had no money at all with which to purchase a return ticket although he appears not to have approached any military authority with a view to obtaining an advance of funds. - He was lodged in the County Jail in Milton as I was not permitted to detain anyone in the local cells longer than 24 hours. — He was in uniform when taken in, clean & sober.

Defending Officer's Closing
Address

May

From the information that I have been able to gather, the Accused has not been charged before with another previous offence. He has a very good report as far as conduct is concerned, and I ask the Court for leniency on behalf of the Accused.

I believe the soldier be be of good character and on that behalf I ask the Court to consider his general conduct, his reliability and his general ability before passing sentence on the Accused.

I believe that is all that I have to say in behalf of the Accused.

Prosecutor's Closing Address

K. P. Hanna

Pte. Henderson has been charged with "When on active service, absenting himself without leave." The Court has before it the M.F.R. 375, certified Part II Orders referring to the absence of the Accused, also the evidence of Corporal Chestnut who was the Orderly Corporal and was the one who first noticed his absence, and of Corporal Hawke, the man that went and brought him back from the jail in Acton, I believe.

Now, I think, from the documentary evidence plus the evidence of these two witnesses, that there is enough evidence before the Court to find the Accused guilty of this charge.

Defending Officer's Statement on
behalf of the Accused.

Pte. G.P. Hamburg

Previous to this the Accused has told me that due to difficulties which arose while he was on furlough he considered it advisable to overstay his leave.

I do not believe that the Accused knew exactly the seriousness of his offence. He has no previous offence and is a good soldier and I believe, in my opinion, that if the Court would be lenient towards this man, that the man can be a credit to the service. He has shown particularly efficient abilities, and is interested in cooking. He attended cooking schools, at which he progressed favourably. He has got good reports from these schools and has shown interest in his work.

I do plead leniency of the Court towards this man whom, I believe, is a good soldier.

SECOND WITNESS

No. B.46961 Pte. (A/Cpl.) Chestnut, G.H., No. 7 Def. & Emp. Pln. C.A., having been duly sworn states:

I was Orderly Corporal on the 28 Dec. 42. The accused was due back from leave at 1800 hrs. on 28 Dec. 42. I missed him this night and turned in a report next morning. My platoon sleeps in one section of a hut and it is easy to check any missing. I know the accused. I did not see the accused anywhere in the barracks, lines or camp between 28 Dec. 42 and when Cpl. Hawke brought him back, I believe on 6 Feb. 43. I saw Pte. Henderson at a dance in Georgetown, Ont. around the middle of December and from conversation with him I know he intended to come back at the expiration of his pass.

The accused declined to cross-examine.

THIRD WITNESS

No. B.46960 Pte. (A/Cpl.) Hawke, M.L.J. No. 7 Def. & Emp. Pln. C.A., having been duly sworn states:

I was ordered by Lieut. Early to proceed to Acton, Ont. to bring back Pte. Henderson who was being held in the jail at Milton, Ont. I left Debert, 2 Feb. 43 and arrived at Acton, 4 Feb. 43. I proceeded to Milton Jail the same day and started back with the accused on the morning of 5 Feb. 43. The accused was properly dressed and was well behaved on the trip back to Debert Camp.

I recognize Exhibit "D" as a letter given to me by the Chief of Police of Acton, Ont.

I recognize Exhibit "G" as the cost of meals for myself and accused. I recognize "G 1" as out of pocket expenses incurred by myself at Acton, Ont.

The accused declined to cross-examine.

Question to the Accused:-

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

Answer by Accused:-

I have nothing to say.

I certify that Rules of Procedure 4 (C), (D), (E), and (F) have been complied with.

Taken down by me in the presence of the accused at Debert Military Camp, Nova Scotia this 18th day of February, 1943.

~~The prosecutor makes an opening address [hands in a written address which is read, marked and signed by the President, and attached to the proceedings].~~

-2- The Prosecutor declines to make an opening address.

The prosecutor proceeds to call witnesses.

First witness for prosecution. No. B-102627, S.S.M. (W.C. II) J. H. NICHOLLS, A-9 C.A.C. (A) T.C., C.A.,

being duly sworn, is examined by the prosecutor.

Q-5 You are B-102627, Squadron Sgt.-Major Nicholls, J.H., of A-9 C.A.C. (A) T.C., C.A?

A-5 Yes, sir.

Q-6 And that is your status in A-8? You are squadron sgt.-major of the Trained Soldiers Squadron?

A-6 Yes, sir.

Q-7 Will you look at the accused? Do you recognize him?

A-7 Yes, sir.

Q-8 As who?

A-8 Tpr. Hewranik.

Q-9 Do you recall the 29th of January, 1942?

A-9 Yes, I do, sir.

Q-10 Did you have anything to do with the accused on that day?

A-10 I did, sir.

Q-11 Will you tell the Court what it was?

A-11 On that day, the accused was assembled at the Trained Soldiers Orderly Room after a call was issued for a draft. I assembled

the draft and called the roll in the presence of Major Gow and reprted all the draft present. Major Gow then proceeded to read the formal draft warning to the draft.

Q-12 Just a moment. I show you a document. Who does this (indicating) refer to?

A-12 That refers to Tpr. Hawranik here (indicating), sir.

Q-13 This is a draft warning order and embarkation leave. Whose signature is this (indicating)?

A-13 That is Tpr. Hawranik's, sir.

BY THE JUDGE ADVOCATE: (to the Defending Officer) Have you any objection?

BY THE DEFENDING OFFICER: No objection.

(Warning for Draft read to the Court, marked Exhibit "I", signed by the President, and attached to the Proceedings.)

BY THE PROSECUTOR: (resuming examination)

Q-14 I show you Exhibit "I". Is this the draft warning order you referred to before, that Major Gow read to the draft you had assembled and called the roll of?

A-14 Yes, sir.

BY THE JUDGE ADVOCATE:

Q-15 Do you know what Major Gow read to the accused?

A-15 Yes, sir.

Q-16 Do you know by memory what he read to the accused?

A-16 Yes, sir.

Q-17 You can state from memory what Major Gow read to the accused?

A-17 Yes, sir.

BY THE PROSECUTOR: (resuming examination)

Q-18 Will you tell the Court what Major Gow read to the accused?

A-18 The undermentioned other ranks of A-9 C.A.C. will proceed on special duty any day after to-day. Any soldier who by overstaying his pass, leave, or furlough, and is absent when this draft proceeds on special duty will be liable to be charged with desertion.

Q-19 And, there is something else on this.....

BY THE JUDGE ADVOCATE: Just a minute.

BY THE JUDGE ADVOCATE:

Q-20 Did Major Gow read from this piece of paper (indicating)?

A-20 Yes, sir.

Q-21 And you are sure he read the words on that paper?

A-21 Yes, sir.

Q-22 You didn't read anything on that piece of paper?

A-22 No, sir.

BY THE PROSECUTOR: (resuming examination)

Q-23 Will you read the balance of that?

A-23 "I acknowledge by my signature that I understand the above instructions in full."(reading).

Q-24 Alright. Now after that had happened, what happened next?

A-24 After Major Gow read the draft warning, he asked whether any of the members of the soldiers present had not heard what was read or not or whether they fully understood it. Everybody understood it fully. Then he emphasized the importance of returning from their leave on time, and if they were absent when the draft proceeded they would be liable to be charged with desertion

Q-25 Then what happened next?

A-25 After that, sir, ever man came forward in turn as his name was called and signed the draft warning.

Q-26 Amongst those who came forward, was the accused?

A-26 He was, sir.

Q-27 And I think you have already said he did sign this?

A-27 Yes, sir.

Q-28 And, this is his signature (indicating)?

A-28 Yes, sir.

Q-29 Were you present when the accused signed this draft warning order?

A-29 I was present, sir.

Q-30 And this is your signature(indicating) here as witness?

A-30 That is mine, sir.

Q-31 Will you tell us what happened just previous to the accused signing Exhibit "I" and then what happened as he signed it, if anything?

A-31 The only thing was that when his name was called to sign, he came forward to sign it.

Q-32 Was he told to read it?

A-32 Everybody was asked if they fully understood it and every body said they did.

Q-33 And I think you told us that they were granted embarkation leave?

A-33 Yes, sir.

Q-34 Did the accused return from his embarkation leave?

A-34 He did not return, sir.

Q-35 Did the draft proceed?

A-35 Yes, sir, the draft did proceed.

Q-36 Do you know when?

A-36 I think the draft proceeded on the 28th of July, sir.

Q-37 When did you next see the accused?

A-37 I saw the accused on the 28th of January, sir.

Q-38 And, if he had returned to your unit, would you have know about it, in the meantime?

A-38 Yes, sir.

Q-39 You have just told us a few minutes ago that you recognized the accused as Tpr. Hawranik. Was there any special reason why you should remember him?

A-39 Yes, sir. The accused was employed at one time as my runner,, sir.

Q-40 I show you a document. Who does this refer to?

A-40 Tpr. Hawranik, sir.

(M.F.B.375, dated 19 AUG 42, read to the Court, marked Exhibit "J", signed by the President, and attached to the Proceedings.)

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-41 Sgt.-major Nicholls, when you say that Major Gow emphasized that those men failing to return from leave would be liable to be charged with desertion, that is exactly what he said?

A-41 Yes, sir.

Q-42 He didn't say they would be charged?

A-42 No, sir, "liable".

---The Prosecutor declines to re-examine.

QUESTIONED BY THE JUDGE ADVOCATE:

Q-43 I think you made the statement that everybody was asked if they fully understood it and everyone said they did. Would you kindly explain that a little further? Did each individual man say they understood it?

A-43 No, sir; nobody said they didn't understand it.

Q-44 Everyone was asked if they fully understood it and no one said that they didn't understand it?

A-44 That is correct, sir.

Q-45 You have known the accused for sometime?

A-45 Yes, I have.

Q-46 Do you know what nationality he is?

A-46 I don't know his nationality.

Q-47 Does he understand English?

A-47 Very well, sir.

Q-48 You have had dealing with him before?

A-48 Yes, sir.

Q-49 And on other occasions, he understood any communications or instructions you gave?

A-49 Yes, sir.

Q-50 When did you first see the accused after he went absent

without leave?

A-50 The accused came back on the 28th of January with an incoming draft.

Q-51 I would direct your attention to the fact that the draft left for overseas on the 18th of July, 1942, and the accused was not present and was unable to proceed with the draft. Just a minute ago you gave a different date. Do you know what is the correct date now?

A-51 The 18th of July, sir, 1942.

---In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

- - -

2nd Witness for: THE PROSECUTION.

Lieut. G.C.H. B A R L O W, A-9 C.A.C. (A) T.C., C.A., being duly sworn, is examined by the Prosecutor :-

Q-52 You are Lieut. Barlow of A-9 C.A.C. (A) T.C? Is that correct?

A-52 Yes, sir.

Q-53 What is your duties and status?

A-53 Officer in charge of records.

Q-54 Will you look at the accused? Do you recognize him?

A-54 No, sir, I have never seen him before.

Q-55 I show you a document here. To whom does this refer?

A-55 Tpr. Hawranik, C., H-63768.

(M.F.M. 215 read to the Court, marked Exhibit "K", signed by the President, and attached to the Proceedings.)

Q-56 I show you another document. To whom does this refer?

A-56 H-63768, Tpr. Hawranik.

(M.F.B. 1481 read to the Court, marked Exhibit "L", signed by the President, and attached to the Proceedings.)

Q-57 I show you another document. To whom does this refer?

A-57 H-63768, Tpr. Hawranik, C.

(M.F.B. 1482 read to the Court, marked Exhibit "M", signed by the President, and attached to the Proceedings.)

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-58 With reference to that 215, Mr. Barlow, these naturally are forms; they are stock forms; they always end up the same way: "time of arrest, or surrender" in brackets, and you stroke out the ones irrelevant to the case. "He was wearing military, (Air Force) uniform (dressed in civilian clothes)". They are always like that, aren't they.

A-58 Yes.

Q-59 Have you ever seen one come through, in your experience as i/c Records of a Training Centre or with your Regiment where both were stricken out - both "in uniform" and "in civilian clothes".

A-59 I have never noticed any.

Q-60 In other words, from the forms, there is no elaboration; it is either in or out of uniform?

Q-75 Hawranik, how long have you been in the Army?

A-75 Nine months, sir, before I went A.W.L.

Q-76 What type of training and work were you doing before you left?

A-76 Well, I was in the Recce. wing, sir.

Q-77 The Reconnaissance Wing?

A-77 Yes, sir.

Q-78 At A-9 Training Centre?

A-78 Yes, sir.

Q-79 Are you married?

A-79 Yes, sir.

Q-80 Were you married after you joined the Army?

A-80 Yes, sir.

Q-81 Were you given leave to get married?

A-81 Yes, sir.

Q-82 Was it special leave or furlough?

A-82 Special leave, sir.

Q-83 How long?

A-83 I think it was from the 11th of March to the 23rd.

Q-84 That was not your annual furlough - it was a special leave?

A-84 No, sir.

Q-85 Did you get married at the beginning of your leave?

A-85 No, sir.

Q-86 Why did you not take advantage of the full time of the special leave?

A-86 Well, when I left A-9; before I left A-9 camp, I asked the

company sgt.-major, Matthews, to get a written permission that I really had permission to get married, and he told me that I didn't need a written permission, that I could get married without a written permission, as long as the Army knew that I had permission. When we got to Winnipeg and went to see the R.C. padre, Major MacDonald, I told him my trouble and, well, he asked me if I had written permission, and I told him that I didn't have it with me, but that I had permission from the Army to get married.

Q-87 What did he do then?

A-87 "The best thing is to send a telegram down to the main orderly room in A-9".

Q-88 How long did that take?

A-88 It took a few days. I don't remember exactly, sir.

Q-89 How long before the end of your leave were you married?

A-89 2 days, sir.

Q-90 Was it directly because of the fact that the permission did not come from Borden that you had to wait?

A-90 Yes, sir.

Q-91 Did you come back on time?

A-91 Yes, sir.

Q-92 Were you dissappointed that you only had the two days of a honeymoon? Did you mind coming back on time?

A-92 Yes, sir. I knew I had to come back so I came back.

Q-93 Is your wife in good health? Has she been all along?

A-93 No, sir.

Q-94 Would you say she is not well, meaning by that, all the time? Is she a sickly woman?

A-94 She was sick pretty nearly all the time until the baby was born.

Q-95 We come down to the point where you were warned for embarkation leave. Do you recall the day when you were warned for embarkation leave?

A-95 Yes, sir.

Q-96 You were given special leave that day?

A-96 Yes, sir.

Q-97 Do you remember Major Gow reading the warning that if you did not return on time from leave you would be liable to a charge of desertion? Do you remember that warning when Major Gow stood up there?

A-97 As far as Major Gow reading the warning, I wouldn't remember that.

Q-98 Do you remember signing?

A-98 Yes, I remember signing.

Q-99 Did you intend not to come back when you left?

A-99 No, sir.

Q-100 Did you ever intend not to come back after you got home, after you weren't on your leave?

A-100 When I got home and I saw my wife was sick!

Q-101 Meaning never to come back?

A-101 No, sir.

Q-102 You mean you intended to come back after she was better?

A-102 Yes, sir.

Q-103 You said your wife was seriously ill?

A-103 Yes, sir.

Q-104 And the statement as read reads that your wife was so sick that she very nearly didn't recognize you?

A-104 Yes, sir.

Q-105 When your leave was up, you failed to return. Why?

A-105 Because my wife was still sick.

Q-106 How long after that did she recover?

A-106 Well, she had been sick for a couple of weeks. Then she felt better. Then she got sick and had to go back to bed again. I don't remember exactly, sir.

Q-107 What did you do in the mean-time? Did you try and get employment, and earn some money and that sort of thing?

A-107 I never tried to look for work - not to work for anybody.

Q-108 Did you have enough funds to pay for the illness of the wife. In other words, were you pressed for money?

A-108 I had some funds but I had to make a little more money somehow.

Q-109 So you set about trying to make some money in order to make sure the wife.....

BY THE JUDGE ADVOCATE: I don't want to interrupt but I am afraid you are asking too many leading questions. Get him to tell his own story. Don't narrate what you want him to say.

BY THE DEFENDING OFFICER: I am sorry.

BY THE DEFENDING OFFICER: (resuming examination)

Q-110 When you made up your mind not to come back on the day that your leave was up, did you think at that time that you would be charged with desertion?

A-110 No, sir.

Q-111 Did you ever think that you would be charged with desertion?

A-111 No, sir.

Q-112 What did you think you would be charged with?

A-112 A.W.L., sir.

Q-113 And, did you leave Winnipeg during the time you were away?

A-113 Well, I don't live right in Winnipeg.

Q-114 Did you leave the wife, I mean?

A-114 Yes, sir.

Q-115 Did you come back very often?

A-115 Well, I seen her every few weeks, sir.

Q-116 Were you in uniform?

A-116 Yes, sir.

Q-117 Did you always wear your uniform?

A-117 Yes, sir.

Q-118 Who apprehended you? Who arrested you?

A-118 Sgt. Sherwood and another three mounties.

Q-119 At what time of day, did they....

A-119 At 3 o'clock in the morning.

Q-120 Where were you?

A-120 In bed.

Q-121 You were asleep?

A-121 Yes, sir.

Q-122 They woke you up?

A-122 Yes, sir.

Q-123 What length of time passed between the time they woke you up and the time they took you out of the bed and away to the police-station?

A-123 About 2 minutes.

Q-124 2 minutes?

A-124 Yes, sir.

Q-125 Did you go out with them in uniform?

A-125 No, sir, they put my brother's clothes on me. My uniform was right beside the bed in my suit-case.

Q-126 Why did they use your brother's clothes?

A-126 Well, they didn't even give me a chance to talk to them.

Q-127 Where were your brother's clothes in relation.....

A-127 Right beside the bed.

Q-128 Hanging up?

A-128 Right over a chair.

Q-129 When did you intend to come back?

A-129 When I came home on the 10th of October on a Saturday night when I was going to the hospital and get my wife on Sunday morning and spend a few days with her and come back to Camp Borden.

Q-130 Why was she in the hospital?

A-130 The baby was born.

Q-131 And she was.....

A-131 Sick.

Q-132 You say you intended to come back within the next few days?

A-132 Yes, sir.

Q-133 What date was the baby born?

A-133 23rd of September, sir.

CROSS-EXAMINED BY THE PROSECUTOR :-

Q-134 What is a draft? In reference to the Army?

A-134 That is a bunch of soldiers moving from one place to another.

Q-135 And you said that you were present when Major Gowread a draft warning to you, is that correct?

A-135 I might have been present but maybe I didn't hear him. I don't remember. It is a long time ago.

Q-136 Where were you on the 29th of June, 1942?

A-136 In Camp Borden, sir.

Q-137 Right here?

A-137 Yes, sir.

Q-138 Had you been told before that time that you were going to be warned for draft in the near future?

A-138 Yes, sir.

Q-139 By whom?

A-139 The company sgt.-major, Turkington.

Q-140 Your sgt.-major?

A-140 Yes, sir.

Q-141 When he told you that, what did you understand he was telling you?

A-141 We were going on draft pretty soon.

Q-142 Where to?

A-142 He didn't tell us.

Q-143 Where did you think you were going?

A-143 I didn't know for sure.

Q-144 And, then do you recall being on parade on the 29th of June, 1942?

A-144 Yes, sir.

Q-145 And did anyone talk to you?

A-145 Well, a lot of boys talked to me.

Q-146 Do you recall Squadron Sgt.-Major Nicholls calling the parade?

A-146 Yes, sir.

Q-147 Did he call your name?

A-147 Yes, sir.

Q-148 Did you answer to your name?

A-148 Yes, sir.

Q-149 Indicating that you were present?

A-149 Yes, sir.

Q-150 How many others were on that parade besides yourself?

A-150 Around 400 or maybe more than that. I don't know exactly.

Q-151 Do you know who Major Gow was?

A-151 No, sir, I don't remember Major Gow.

Q-152 But you do know S.S.M. Nicholls?

A-152 Yes, sir.

Q-153 And you do remember he had a parade on which you were present and answered to your name?

A-153 Yes, sir.

Q-154 What happened after that?

A-154 (no audible answer)

Q-155 What happened after you had answered to your name on this parade?

A-155 I just don't remember, sir.

Q-156 What did you do next after the parade?

A-156 We just signed a long sheet to get our passes, a long sheet of names. I signed my name opposite the name on the sheet.

Q-157 You signed your name on a sheet of paper to get a pass. What was on that sheet of paper?

A-157 Well, I didn't read it, sir.

Q-158 You didn't read it?

A-158 No, sir.

Q-159 So you signed your name to a sheet that you didn't know you were signing?

A-159 Well, as far as I knew we were signing to get our passes and travelling warrants.

Q-160 Why were you given leave?

A-160 We were getting our embarkation leave, sir.

Q-161 Why were you getting embarkation leave?

A-161 We were on draft for overseas.

Q-162 You knew that, didn't you?

A-162 Yes, sir.

Q-163 And, you knew that if you didn't come back, you would get some punishment?

A-163 Yes, sir.

Q-164 And had anyone ever told you what sort of punishment you would get if you didn't come back?

A-164 I don't remember if anyone told me or not, sir.

Q-165 Did you ever hear the word, desertion, mentioned?

A-165 That is one thing I don't remember. I wouldn't say I heard it or I didn't hear it.

Q-166 What does desertion mean?

A-166 Desertion?

Q-167 What happens to soldiers who desert?

A-167 I don't know.

Q-168 You never heard of anyone telling you what happens to soldiers who desert the Army?

A-168 (no audible answer).

Q-169 Did you ever hear of them getting shot?

A-169 I never heard of it in Canada yet.

Q-170 But you have heard of it happening?

A-170 Yes, sir.

Q-171 And, for desertion?

A-171 Yes, sir.

Q-172 So, you have heard something about desertion?

A-172 Yes, sir.

Q-173 What do you think soldiers do when they desert, and you heard about them getting shot?

A-173 Take the uniform off and leave the country.

Q-174 In other words, skip the Army?

A-174 Skip to a different country.

Q-175 And, when you were on the parade we were talking about before, did anyone talk to you at all?

A-175 (no audible answer)

Q-176 You can remember that. You knew you were on the parade. You knew that Sgt.-Major Nicholls called the roll and you answered to your name. You can remember all that?

A-176 Yes, sir.

Q-177 Did anyone speak to the parade then?

A-177 I don't remember. I remember the sgt.-major, but that is all.

Q-178 What was said to you to get you to sign this draft warning order?

A-178 We were supposed to sign the paper before we got our passes for our embarkation leave.

Q-179 Were you marched to the orderly room or did you just run like a bunch of sheep?

A-179 We just went in and signed our names. That is all.

Q-180 How did you get to the room where you signed your names?

A-180 We were all in line.

Q-181 You were marched?

A-181 Yes, sir.

Q-182 Who marched you there?

A-182 That is one thing I don't remember, sir. Sgt.-major Nicholls was sitting there at the table.

Q-183 Who marched you to where the table was?

A-183 I don't remember, sir.

Q-184 Are you subject to fits of, I believe the term is, amnesia, forgetfullness, blanks where you don't remember anything.

BY THE JUDGE ADVOCATE: Mr. Prosecutor, those are words that the man possibly doesn't understand.

BY THE PROSECUTOR: I explained the terms; I told him the technical term and then used plain English.

BY THE DEFENDING OFFICER: My learned colleague is suggesting that Hawranik is deliberately forgetful at times, and I don't think he should be accused of that where he cannot remember the name of some secondary N.C.O. who has been appointed by the company sgt.-major of the wing who was too busy at the time.

BY THE PROSECUTOR: The point is that he cannot remember anything after he answered to his name, until he finds himself in an orderly room signing his name. It is a complete blank, apparently.

BY THE JUDGE ADVOCATE: He said he didn't remember who marched him into the orderly room and I think that is quite possible.

BY THE PROSECUTOR: I will not press that point.

BY THE PROSECUTOR: (resuming cross-examination)

Q-185 You signed your name to a piece of paper, you said?

A-185 Yes, sir.

Q-186 I show you here Exhibit "I". Is that your signature (indicating)?

A-186 Yes, sir.

Q-187 And, then you agree that this is the piece of paper you signed your name to?

A-187 Yes, sir.

Q-188 Can you read?

A-188 Yes, sir, I can read.

Q-189 Let's see if you can read that (indicating)?

A-189 "The undermentioned of A-9 C.A.C. (A) I.C. will proceed on special duty any date after to-day. Any soldier who by being absent without leave or by overstaying his pass or furlough is absent from the draft proceeds on special duty will be liable to be charged with desertion. I acknowledge by my signature that I understand the above instructions in full."

Q-190 Did you see that on the paper when you signed?

A-190 I don't remember, sir.

QUESTIONED BY THE COURT:

Q-191 Do you remember being asked to sign this piece of paper?

A-191 Yes, sir.

Q-192 Do you remember anybody reading out what is on the top of this paper before you were asked to sign?

A-192 I wouldn't swear to that. I guess it must have been read.

Q-193 Do you remember how big the draft was that was likely to go?

A-193 There were four or five hundred men. It was a big bunch of men.

Q-194 Do you remember any officer at all standing up and talking to all the men on parade?

A-194 No, sir. I just remember Sgt.-Major Nicholls.

Q-195 Did you hear Sgt.-Major Nicholls read anything out of this piece of paper?

A-195 I don't remember, sir.

Q-196 Have you ever heard of people signing for other drafts - a piece of paper like that?

A-196 No, sir.

Q-197 How many drafts had gone out from A-9 while you were with them in training?

A-197 There must have been a couple of drafts, sir.

Q-198 Did you ever know what happened before a draft left?

A-198 I didn't pay much attention. I was just a runner.

Q-199 Were you around orderly rooms quite a lot?

A-199 Yes, sir.

Q-200 Whose runner were you?

A-200 Coy. sgt.-major Nicholls'.

Q-201 Whilst you were in the orderly room, hadn't you ever seen these sort of documents being made up?

A-201 I didn't handle them, sir. Anything I delivered was in the envelope.

Q-202 At the time of your arrest, your brother's clothes were hanging beside the bed on the chair. You were wearing those then the day before?

A-202 No, sir.

Q-203 Were you sleeping in the same house as your brother?

A-203 Yes, sir, both in the same bed, sir.

QUESTIONED BY THE JUDGE ADVOCATE:

Q-204 Were you sleeping in the same bed that night?

A-204 With my brother, sir.

Q-205 Was your brother in bed at the same time when the policemen came?

A-205 Yes, sir.

Q-206 Did you ask permission to put on your uniform?

A-206 Well, I was sleepy and they stuck my brother's clothes on me and I didn't remember what was going on at that time.

BY THE COURT:

Q-207 Your own clothes were in a suit-case beside the bed?

A-207 Yes, sir.

Q-208 Why was that?

A-208 Well, I didn't want to throw them on the floor, sir. The suit-case was right beside the bed, so I put them in the suit-case.

BY THE JUDGE ADVOCATE:

Q-209 Why did you not return at an earlier date instead of waiting until you were apprehended?

A-209 My wife was in a family way and she was sick all summer, and I was apprehended just a couple of weeks after the baby was born.

Q-210 Did you earn any money while you were away?

A-210 Yes, sir.

Q-211 How much money did you earn?

A-211 Not very much, sir, about $100.00 or so.

BY THE COURT:

Q-212 When you were at home, did you realize that upon your return; the time you planned to return; that you would miss the draft? Drafts don't hang around for months, you know.

A-212 No, sir.

Q-213 Did you realize that you would miss the draft if you stayed home for 3 months?

A-213 I didn't know when the draft was going.

Q-214 But drafts don't generally wait two or three months before they leave, do they?

A-214 (no audible answer).

Q-215 How long is it normally in your centre before the drafts leave?

A-215 Two or three weeks, sir.

Q-216 Didn't you realize that by missing it, you would be charged with desertion?

A-216 No, sir.

Q-217 You had never heard the other men in your centre discuss that?

A-217 No, sir.

BY THE JUDGE ADVOCATE:

Q-218 When you signed this document, did you read over this piece of paper (indicating)?

A-218 No, sir.

BY THE COURT:

Q-219 Didn't the men discuss among themselves what they were signing? Didn't you ask anyone why you had been called upon to sign a document?

A-219 No, sir.

Q-220 When you ask for a pass, do you sign documents like this - for a week-end, for example?

A-220 Well, when I had a special leave to get married, I signed a sheet of paper - not exactly the same as that maybe.

Q-221 How many men went through the orderly room and signed the paper before you went in and signed?

A-221 There were quite a few men, sir.

Q-222 Who was the N.C.O. who told you needed nothing in writing to get married?

A-222 It was Company Sgt.-Major Matthews.

BY THE JUDGE ADVOCATE:

Q-223 In this statement which was read as having been made by you, who was the sgt.-major you are referring to in that statement?

A-223 C.S.M. Turkington.

Q-224 When you signed this draft warning order, did you say anything to Squadron Sgt.-Major Nicholls that you didn't want to go on the draft?

A-224 No, sir. I didn't really know. We weren't really transferred to the T.S.S. Wing because I stayed in the Recce. Wing in the huts. We weren't really taken over to the T.S.S. Huts.

Q-225 Where did you sign this - in the orderly room?

A-225 In the T.S.S. orderly room, sir.

Q-226 Was Squadron Sgt.-Major Nicholls the only N.C.O. present when you signed this?

A-226 As far as I remember, sir.

Q-227 Was there an officer present?

A-227 I don't remember, sir.

Q-228 And, you don't remember having anything explained to you about this document?

A-228 No, sir.

Q-229 But, you do know that you got a pass for embarkation leave?

A-229 Yes, sir.

QUESTION TO THE ACCUSED:

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so; but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

ANSWER BY THE ACCUSED:

"Sir, I wish to give evidence upon oath."

H-63768 Tpr. Hawranik, C., having been duly sworn, states:-

About the 25th June, 1942 while I was in the Recce. Wing of A-9 Canadian Armoured Corps (Advanced) Training Centre (CA) and before I had any knowledge of being warned for draft, I received a telegram from my wife stating that she was sick. The Sergeant Major in Recce. Wing told me then that I was going to be warned for draft very shortly and that I would get embarkation leave to go home and see my wife. I told him I would like to stay off the draft and get a special leave to see my wife as she was in the family way and I didn't know what her condition was. This special leave was refused and I had to use my embarkation leave to see my wife. When I got home my wife was so sick she scarcely knew me so I remained at home. I would like to get on a draft as soon as I can now.

Tpr. Hawranik C.
H-63768 Tpr. Hawranik, C.

The accused declined to call witnesses to testify on his behalf.

I certify that Rules of Procedure 4(C), (D), (E), (F) and (G) have been complied with and that Exhibits "A", "B", "C", "D" and "E" referred to above were shown to the accused.

Taken down before me in the presence of the accused at A-9 Canadian Armoured Corps (Advanced) Training Centre (CA), Camp Borden, Ont., this 5th day of February, 1943.

CLOSING ADDRESS BY THE PROSECUTOR:

Mr. President and Members of the Court, and Sirs :- On weighing the evidence offered for the most part by the witnesses for the Prosecution, it is quite clear-cut and to the point and needs very little reviewing. The evidence was that on the 29th of June, 1942, a large draft drawn up, roll call taken, and they answered to their names. Among those who answered was the accused, and then Major Gow read to them the usual warning order, and asked them if there was any amongst them who didn't understand it or who didn't hear what he had just read to them; there were none according to the evidence sworn to by Sgt.-major Nicholls who indicated that they had not indicated that they didn't understand or hadn't heard. Then, they were marched to the orderly room and shown Exhibit "I", and each man signed it. Amongst those who signed it was the accused. They were given their leave passes, and went on leave. The majority of the draft, I presume, returned on time and the draft departed on the 18th of July, 1942. The accused did not return until after he had been apprehended on the 11th of October, 1942, and, in fact, didn't return until January, this year.

Now, this is a case where the accused is charged with desertion, not the ordinary type of desertion where the criterion is that of intention. He is charged with avoiding special duty. That is the point in issue. Evidence has been adduced that a draft was ordered and did depart, and a draft warning order was read to it, and the accused was among those warned, and that signed the draft warning order. He admits that. He admits his signature to it. His memory is excellent in most regards, except where it appears it is convenient to be otherwise. He developed a blank in his memory from the time that Sgt.-major Nicholls drew up the draft and called the roll. He remembers that distincly. Then his memory goes

83

blank until he finds himself in the orderly room. Remember, gentlemen, you have to believe or disbelieve the evidence of all witnesses brought before you and their credibility is to be judged by their general demeanour and the gings that they say. I suggest to you that the things that the accused has said indicate that his credibility is to be held in doubt . If you do believe that, then too much weight cannot be given to that period where his memory lapsed. Another thing I might point out is that he apparently had a very good knowledge of what a draft was. He also had a working knowledge of what desertion is. And, yet, when he heard things that should be very vitally important to him by an officer who stood out before a whole parade that he couldn't help but to see, he doesn't remember anything. I will leave it up to you to draw your own inferences. Another thing I mg might draw to your attention is that if the accused is, as he says, knew that he didn t return he would receive some punishment, I suggest to you that it doesn't matter whether he knew what that punishment would be or not. He knew he was disobeying a military order, and if he had taken the trouble to find out what the punishment for disobeying such orders were that was his fault. I suggest to you that he either (a) didn't care what the punishment was; didn't know, and didn't care; or, did know and didn't care. It is up to you, of course, to draw your own inferences as to what he knew and how he acted. I will leave it with you.

CLOSING ADDRESS BY THE DEFENDING OFFICER:

Mr. President and Sirs :- In reply to my colleague, the Prosecutor in outlining the case for the Prosection and throughout the evidence, the evidence that was offered for the Prosecution itended to convey to the Court when the accused was being questioned the impression that the accused was hesitant, reluctant in his testimny, and thus also convey the impression that his credibility was to be questioned. On the salient points of the testimny that has arisen this afternoon, after a little bantering back and forth, it has come out in evidence in each individual instance, the accused has admitted fully what was expected of him except the one point, namely, an admission that he heard Major Gow making an address. Now, I submit to the Court that it is quite plausible for a man who is lined up on parade with a large draft such as that one - an exceptionally large draft, somewhere off in the middle of the ranks - that he is liable to miss the words of the officer reading out the draft warning. He, incidentally, did not say that there was no warning read out. He didn't know whether there was one or not. As a result, I suggest that he merely was one of many presumably who paid no attention at all, and who three or four months later if you were to ask them who read the draft warning order, they possibly would not recall anyone. The one man to whom they would be most likely to remember and most likely not to forget would be the squadron sgt.-major who was in close contact with them at all times, who from the beginning of that type of parade until the end of it is continually barking out commands, instructing them as to what to do and when to move ahead and what to sign and where to sign, and so on. And, as a result, guess-artists would not arouse the same inferences. That, in my mind, and I am suggesting the Court accept it as the one point in the accused's testimony where he fails to establish any consistency. As far as signing

that sheet is concerned, I am going to suggest to the Court that it is also quite plausible that a man having watched - he is "H" in the alphabetical list - there were a good 35 or 40 men going ahead of him. They will fill up at least a page of those signatures and at that point, in the excitement of the moment - the realization that you are going on leave and such like circumstances all put together tend, after reaching the 80th man in the list, from that point on it would be a hurry-up proceeding. They'd be cramming in and just waiting for the man ahead to sign and push him out of the way and so forth. I suggest that at the same time that about the only men who would be aware of that set of conditions would be those at the top of the individual pages - the first few men who were carefully paraded for signature, page number 1 and along down the line.- The first two or three men who were signing their names immediately underneath. Outside of them, I submit that nobody pays any attention to them. As far as it being an embarkation warning for a draft of some description - he admits that it was an embarkation draft, admits that he was aware of that fact, but in this admission, it is the admission of a soldier who was totally ignorant of the consequences. The Prosecutor outlined for the benefit of the Court that the ordinary criterion, that is the factor to be decided in these desertion cases, is that of the mental element, the intention always involved. In this case, the Prosecution has stated that we are not concerned at all with his intention of returning or not returning, and the circumstances are usually required to brought into play to show that intention or lack of it, but we are concerned solely with staying off the draft, knowledge of which had been conveyed. I am putting it in the hands of the Court. I am saying that in our case at bar, the accused was ignorant of those consequences, and I am also saying that in the realization that ignorance of the Army Act is no excuse. But, he is

prejudiced by the charge insomuch as all the facts that are ordinarily required to prove desertion, intention to stay away leaving that out, but such things as staying away dressed in civilian clothes were shown and the same degree of care not paid to the fact that he realized the significance of the draft warning. He said himself that he intended to come back. If he was a deserter, I suggest that he knew the consequences of his act and knowing the consequences of his act he would never have come back, or would never, I should say, have the intention of coming back. This man was arrested at 3 o'clock in the morning in bed by the Mounted Police after he had come into town, as he says, to visit his wife, and intending shortly after that to return to the Army. When he left the Camp in the first place, he intended to return to the Army at some later date. The Charge reads that he was arrested and apprehended while dressed in civilian clothes which also tends to cloud the issue. The case for the Prosecution neglected to outline for the Court that he was apprehended in civilian clothes for the simple reason that he was in bed, that he could not very well have been in uniform, and the significance ordinarily attached to the way he was dressed does not have the ordinary importance.

In closing, the Defence suggests that there is more than the one element, namely, intention to dodge or avoid some particular service such as a draft, and these other attributes of desertion should be given some consideration. Those, I suggest, are lacking. There has been no evidence in support of them brought in by the Prosecution. The case devolves on the point: Did or did not the accused realize the position he was putting himself in when he decided to stay home and see how things went before he returned to the Army. The desertion factor is negligent. Absence Without Leave is admitted.

SUMMATION BY THE JUDGE ADVOCATE:

Mr. President and Members of the Court: I shall try to make my remarks as brief as possible. I will first point out the possible verdicts that you may bring in. You may bring in a verdict of not guilty, of anything, of course. You may bring in a verdict of guilty of Desertion, or else you may bring in a verdict of guilty of Absence Without Leave, if you should so see fit. As has been stated, this is the type of desertion in which it is alleged that the soldier, the accused, was warned to proceed on special duty, and that, after having been so warned and with intent to avoid so proceeding, absents himself without leave. I would direct your attention to the foot-note at the bottom of Page 437 of the Manual of Military Law which deals with cases of this kind:

"To establish desertion it is necessary to prove some circumstance justifying the inference that the accused intended not to return to military duty in any corps, or intended to avoid some important particular service, such as active service, embarkation for service abroad, or service in aid of the civil power. If the basis of the charge is an intent to avoid embarkation, or some other special duty or service, the particulars should contain an allegation to this effect."

We have that allegation in the particulars of the charge.

"In order to establish in evidence that a soldier had deserted or attempted to desert (when under orders for embarkation), the original or a certified true copy of orders detailing the accused for embarkation must be produced by a witness on oath, and evidence must be given that the orders were duly posted or brought to the notice of the accused, or that he was otherwise in a position to be acquainted with their contents."

Then a reference is made to the English K.R.

"This would not, however, exclude proof of verbal orders for embarkation given by a C.O. in an emergency."

"Personal warning and acknowledgment of such warning in accordance with K.R. 1099 should also be proved whenever possible."

We do not have the special regulations in our K.R. (Can) for this method of giving draft warnings. Routine Order 1677, however, outlines the method in which these draft warnings shall be given. It is up to the Court to decide whether in their opinion the accused realized at the time that he was warned, if he was so warned, that he would be liable to be charged with desertion if he overstayed his pass after going on his embarkation leave. Apparently, the accused admits that he was getting an embarkation leave and he further admits that he signed this draft warning order. He denies, however, that he understood the same insofar as the fact that he would be liable to a charge of desertion. He further denies that it was explained to him in such a way that he understood that he would be liable to a charge of desertion. From his evidence, it would seem that some 400 men were assembled in a parade, and from the evidence of the squadron sgt.-major, Nicholls, it would appear that Major Gow read out a draft warning order. According to S.S.M. Nicholls, no one said he did not understand the same.

Now, it is up to the Court to decide whether the method in which this draft warning order was given was of such a kind that the accused should have understood the same and comprehend the same or, in other words, was the accused in a position to understand it. The accused was apparently employed by Sgt.-Major Nicholls and he, more or less, gave us the impression that the accused was, if I might use the word, a dumb or illiterate person, that he was satisfactory in the work he was doing and had done. It is up to the Court to decide whether the accused when signing this, did actually know that he was warned for

overseas draft and also that he would be liable to a charge of desertion. The documentary evidence says that he did. The accused says that he did not understand it. Now, it will be up to the Court to consider just what they are going to believe. I would point out to you that in coming to your conclusion, you must give the accused the benefit of any reasonable doubt which may come to your mind - not some fancy doubt but a doubt which you as reasonable men may have. I would also point out to you that every accused person is presumed innocent until he is proved guilty in our courts of British justice.

FINAL ADDRESS BY THE DEFENDING OFFICER :-

Mr. President and Members of the Court, and Gentlemen: This man's Army record is clear. There are no offences listed on the M.F.M. 6. He kept that record clear to the point of returning from the special leave which had been granted to him for the purpose of getting married, and after having actually had only two days of it to use for the marriage purposes, due to having been misinformed by the usually reliable C.S.M. of A-9 Training Centre. I suggest that that is one of the strongest points in this man's favour. It also shows that he must take a certain pride in keeping that record clear,

With reference to the offence at bar which has been thoroughly thrashed out, the case is purely one - I merely want to say that the accused is the type of soldier who is ignorant of the consequences. It was in his ignorance of the consequences that he stayed away, and in view of the fact that his wife was so ill when he was home on leave - ill to the point of not recognizing her husband. And bearing in mind his clean sheet, I would ask the Court to be as lenient as possible in meting out what punishment they might see fit should they have found him guilty of one of the types of charges of which he could have been found guilty.

CAMP BORDEN ONTARIO

SUMMARY OF EVIDENCE in the case of

H-63768 Tpr. Charles HAWRANIK.

The accused, H-63768 Tpr. Charles HAWRANIK, Canadian Armoured Corps, attached to A-9 Canadian Armoured Corps (Advanced) Training Centre (CA) Camp Borden, Ont., a soldier of the Canadian Army placed on Active Service.

CHARGE:-

Desertion.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: B-102627 S.S.M. Nicholls, J.H., having been duly sworn, states:-

I am Squadron Sergeant Major in Trained Soldiers Squadron of A-9 Canadian Armoured Corps (Advanced) Training Centre (CA) which is the Wing from which drafts are sent overseas. It is my duty to supervise all drafts and see that they are properly prepared to proceed overseas.

On the 29th June, 1942 a large draft, which was being prepared for transfer overseas, under my direction, was given a formal draft warning by Major J. Gow in my presence. Major Gow read to the parade the following statement:-

The undermentioned Other Ranks of A-9 Canadian Armoured Corps (Advanced) Training Centre (CA) will proceed on special duty any date after to-day. Any soldier, who by being absent without leave or by overstaying his pass or furlough is absent when the draft proceeds on special duty will be liable to be charged with Desertion.

On that parade of men being warned for draft was the accused, H-63768 Tpr. Charles HAWRANIK, whom I recognize, After the warning was read to the parade each man in turn came forward and signed a draft warning form acknowledging that he understood the warning. I saw the accused sign the form which I now present in evidence. (Marked Exhibit "A"). I remember this man clearly as he had previously been a runner employed in the Trained Soldiers Squadron. After the draft was warned they were all granted leave from 0600 hours on 1st July, 1942 to 1200 hours on the 7th July, 1942. The accused failed to return at the expiration of his leave at 1200 hours, on 7th July, 1942 and I produce a copy of the proceedings of a Court of Inquiry showing the accused to have absented himself without leave from 1200 hours on 7th July, 1942 and to be still absent on 19th August, 1942. (Marked Exhibit "B".)

The draft left the Centre for overseas on 18th July, 1942 and the accused was not present and was unable to proceed with the draft.

The accused at no time returned to this centre until 28th January, 1943 when he returned in custody. For had he returned before that I would have known of it.

J.H. Nicholls
B-102627 S.S.M. Nicholls, J.H.

The accused declined to cross-examine this witness.

SECOND WITNESS: Lieut. G. H. Barlow, having been duly sworn, states:-

I am Officer i/c Central Registry at A-9 Canadian Armoured Corps (Advanced) Training Centre (CA), Camp Borden, Ont., and as such present the following documentary evidence in the case of the accused, H-63768 Tpr. Charles HAWRANIK, which evidence refers to the accused:-

BY THE DEFENDING OFFICER:- Mr. President and Members of the Court: It is my purpose to set before you the circumstances which will give meaning to the actions of this soldier which have caused him to appear before you today. I propose to bring forward facts which will prove that the accused was guided not by any purposeful reason nor by any sense of irresponsibility or again by any desire for freedom or amusement, but, rather, he was moved in his actions by a sense of responsibility to his mother at home.

This soldier has been in the Army since August of 1941. Ever since the day of his enlistment he has had to grapple with a difficult personal problem, one which makes demands on a man's loyalties, which cannot be denied. To understand his problem is to get at his motive which prompted his absence. A motive which you will find not an unworthy one. The accused was found in his home. He was in military uniform. Now, the question arises: Why was he there? Why was he staying there, and what was he doing? For many years L/Cpl. Hartwell's mother and father had been separated. It has fallen to the accused the task of supporting his mother, who has been in bed for years, and his young and siddy brother who attends school. Now, out of this situation has arisen the soldier's problem. How was he to look after his mother and brother and carry on with a normal military life? As soon as he got home on leave, the plight of his mother and younger brother with their sickness and financial troubles, prompted him to stay at home to assist and look out for his mother's security. The accused remained at home during his absence, and, gentlemen, that is just where he was found.

Now, the accused is a fully trained soldier, a first class soldier, a worthy asset to our forces. The fact that this man was a Corporal Instructor at his basic training centre, and only lost his stripes through the regulations which state a man loses his rank when he moves to an advanced training centre, and, the fact that also he was promoted to the rank of

lance corporal here, proves this statement, which I have just made, beyond a doubt. Then, as a first class soldier he should know better than to absent himself without leave. Gentlemen, rank, which entails responsibility, does not render a person blind to human emotions. In other words, a lance corporal, an "A-1" soldier, still has feelings for his home. The accused is ready to make full use of his training. He wants to go overseas. Please don't let him stay in detention.

In view of these facts, I suggest that you take advantage of this asset -- his soldiering -- by imposing a light sentence and then decide on the best procedure to be followed. I thank you.

2nd witness for the prosecution: No. B-48842, Cpl. (A/Sgt.) W. C. MUTRIE, 26 Cdn. Army Tank Regt. (G&SF) C.A., being duly sworn, is examined by the Prosecutor :-

Q-33 You are B-48842, Sgt. Mutrie, W.C., 26 Cdn. Army Tank Regt. (G&SF),C.A?

A-33 That is right, sir.

Q-34 Is that the way you pronounce your name?

A-34 Yes, sir.

Q-35 What is your status with the 26 Cdn. Army Tank Regt?

A-35 I am orderly room sgt. of the 26 Cdn. Army Tank Regt.

Q-36 Look at the accused. Do you recognize him?

A-36 Yes, sir, I do.

Q-37 As who?

A-37 As Tpr. W.D.Howe.

Q-38 Do you recall the 22nd of January, 1943?

A-38 Yes, sir, I do.

Q-39 Where were you on that occasion?

A-39 I was in Toronto, sir, on duty.

Q-40 Did you have anything to do with the accused on that day?

A-40 Yes, sir, I apprehended him.

Q-41 Would you tell the Court the events leading up to such apprehension?

A-41 On the 22nd of January, 1943, I was on duty in Toronto. I was riding on a Dupont street-car. At approximately 1700 hours, a man dressed in civilian clothes got on the car - shortly after I did. He looked familiar to me, but I didn't recognize him at the moment. When I did, which was several minutes later, I knew him to be the accused, Tpr. Howe. I went to the street-car conductor, and asked him if we were close to a police-station or whether it would pass one shortly.

BY THE JUDGE ADVOCATE:

Q-42 Just a minute. Could the accused hear this conversation between you and the street-car conductor?

A-42 No, sir.

Q-43 Well, then, don't give that.

BY THE PROSECUTOR: (resuming examination)

Q-44 That is hearsay, so you cannot relate the conversation you had with the street-car conductor unless the accused was close enough to hear the conversation. Proceed, omitting that.

A-44 When I finished my conversation with the street-car conductor, I noticed that the accused was standing on the treadle of the street-car door. We both got off the car and I went to him and put my hand on his shoulder and said: "Hello, Bill." He offered no recognition.

Q-45 Why did you say: "Hellow, Bill?"

A-45 That is his first name.

Q-46 Proceed.

A-46 We proceeded to the side-walk, and I again said: "Hello, Bill" or words to that effect. He denied who he was or whom I thought he was and I then asked him to produce his registration card. He produced one made out in the name of John Garrow.

BY THE JUDGE ADVOCATE: (to the Prosecutor) Have you the one he produced?

BY THE PROSECUTOR: Yes.

BY THE WITNESS: (continuing) .....John James Garrow.

BY THE PROSECUTOR: (resuming examination)

Q-47 Is this the registration card (indicating) that the accused produced at that time?

A-47 Yes, it is, sir.

Q-48 That is a national registration card made out in the name of John James Garrow, is that correct?

A-48 That is correct, sir.

Q-49 Do you know any person actually by the name of John James Garrow?

A-49 There is a trooper in the 26th Cdn. Army Tk. Regt. by that name.

BY THE JUDGE ADVOCATE: (to the Defending Officer) Have you any objection to this going in?

BY THE DEFENDING OFFICER: No objections.

(National Registration Card in the name of John James Garrow read to the Court, marked Exhibit "I", signed by the President, and attached to the Proceedings.)

BY THE PROSECUTOR: (resuming examination)

Q-50 You have just told the Court, I believe, that the accused produced Exhibit "I" to you when you questioned him and asked him to produce a national registration card or some identification, is that correct?

A-50 That is correct, sir.

Q-51 Then what happened?

A-51 We talked for probably a minute or two and he admitted who he was.

Q-52 When he admitted who he was, who did he say he was?

A-52 His actual words were something like this: "Cam, you have me," or words to that effect.

Q-53 He was referring to you?

A-53 Yes.

Q-54 What happened then?

A-54 I asked him to come to No. 5, Belmont police station.

Q-55 You had him apprehended?

A-55 Yes, sir.

Q-56 I show you here a document (indicating). To whom does this refer?

A-56 Tpr. W.D. Howe, sir, of the 26 Cdn. Army Tank Regt.

Q-57 That is, the accused?

A-57 Yes, the accused.

(M.F.B.375, dated 17 JUN 42, read to the Court, marked Exhibit "J", signed by the President, and attached to the Proceedings.)

Q-58 I show you another document. To whom does this document refer?

A-58 It refers to the accused, sir, Tpr. Howe, W.D.

BY THE PROSECUTOR: (to the Court) This is not a regular printed form, but it is a copy of the form. It purports to be an M.F.M. 216.

---In the opinion of the Judge Advocate and the Court, the document submitted purporting to be an M.F.M. 216 is not in the proper form and, therefore, inadmissible.

BY THE PROSECUTOR: (resuming examination)

Q-59 After you had these conversations with the accused, I think you told the Court that you apprehended him, is that correct?

A-59 Yes, sir.

Q-60 When you say you apprehended him, what do you mean?

A-60 Well, he admitted who he was, and I asked him to come to the police-station with me.

Q-61 Where did you take him?

A-61 To No. 5 police station which is commonly known as Belmont police station in Toronto.

Q-62 What happened there?

A-62 I asked the police if they would keep him there.....

BY THE JUDGE ADVOCATE:

Q-63 Was the accused present?

A-63 Yes, sir.

BY THE WITNESS: (continuing) They did as an accommodation, but they told me to get in touch with the Provost Company and have them come up and get him.

BY THE PROSECUTOR: (resuming examination)

Q-64 When you say you apprehended him, do you mean you placed him under arrest on a charge?

A-64 I did not actually say that he was placed under arrest on charges of desertion.

Q-65 I show you here a document. To whom does this refer?

A-65 It refers to the accused, Tpr. Howe, sir.

(M.F.M. 216, dated 25 JAN 43, read to the Court, marked Exhibit "K", signed by the President, and att'd to the Proceedings.)

Q-66 I show you a further document. To whom does this refer?

A-66 It refers to the accused, Tpr. W.D. Howe, sir.

(M.F.B.1481, dated 23 JAN 43, read to the Court, marked Exhibit "L", signed by the President, and attached to the Proceedings.)

Q-67 Now, coming back to the situation which you just told us about - the accused getting off the street-car in Toronto and, I think you told us that you spoke to him by his first name, and he refused to pay any attention to you by being so addressed, is that correct?

A-67 That is correct, sir.

Q-68 How was he dressed on that occasion?

A-68 He was dressed in civilian dothes. He had on an ordinary pair of trousers, and a jacket commonly kown as a wind-breaker, brown in colour, and a cap, brown in colour.

Q-69 Did you address him then by his surname to see what happened

A-69 I do not recall, sir.

Q-70 But, in any event, he failed to respond to you when you addressed him by his first name?

A-70 At first, sir, yes.

BY THE JUDGE ADVOCATE: You are leading the witness. Now, in all fairness to the accused, I don't think you should lead this witness even though the evidence is in.

BY THE PROSECUTOR: (resuming examination)

Q-71 After he had produced Exhibit "I", the National Registration card, that was made out in the name of John James Garrow, did you ask the accused any questions concerning why he had this registration card?

A-71 No, sir.

BY THE JUDGE ADVOCATE: Just a minute. I want to ask a question if you don't mind my interrupting.

Q-72 When did you intend to apprehend the accused or place him under arrest?

A-72 As soon as I remembered him. At the first opportunity without starting trouble.

Q-73 Did you give him any warning as to any conversation which might take place and might be used in evidence?

A-73 I told Tpr. Howe that anything he told me, I wouldn't repeat.

Q-74 Anything he told you, you wouldn't repeat?

A-74 Well, the reason was that I asked him some personal questions, and I said: "I won't repeat them."

BY THE JUDGE ADVOCATE: (to the Prosecutor) What I am getting at is that I don't think, in the circumstances, you should bring out any evidence of any conversation that took place without any proper warning being given because as he says, he wouldn't repeat it - it sounds like an inducement.

BY THE PROSECUTOR: Well, I wasn't aware of that until just now. That will be all.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q-75 At what time were you riding on the street-car?

A-75 At approximately 1700 hours, sir, on the 22nd of January.

Q-76 Can you definitely state the exact time when you placed the accused under arrest?

A-76 It was on Davenport Road.

Q-77 No. I say - the exact time?

A-77 1700 hours would be within 5 minutes.

Q-78 It wasn't a very lengthy ride on the street-car?

A-78 No, sir, it wasn't.

Q-79 After he admitted his true identity, did he offer any resistance? Did he attempt to break away?

A-79 No, sir.

Q-80 Was he an agreeable prisoner?

A-80 Yes, sir, he was.

Q-81 When was the charge laid against Tpr. Howe?

A-81 On the 25th of January - the Monday following my trip to Toronto.

Q-82 There was no charge laid from the Friday night until the following Monday morning?

A-82 No, sir.

---The Prosecutor declines to re-examine.

QUESTIONED BY THE JUDGE ADVOCATE:

Q-83 Did you ask the accused to show his registration card?

A-83 Yes, sir, I did.

Q-84 And, is Exhibit "I", the card which he produced and showed to you?

A-84 It is, sir.

QUESTIONED BY THE COURT:

Q-85 When did you make up your mind to place him under arrest?

A-85 Well, I made up my mind as soon as I saw him and identified him in my own mind.

---In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

3rd witness for: The Prosecution.

No. B-48853, Trooper J. J. GARROW, 26 Cdn. Army Tank Regt. (G&SF) C.A., being duly sworn, is examined by the Prosecutor :-

Q-86 You are.....

BY THE DEFENDING OFFICER: In view of the fact that the accused has pleaded guilty to the second charge, namely, being in improper possession of a national registration card, is it necessary to have Tpr. Garrow as a witness. The Summary of Evidence will be read over; I presume his evidence will be in there. The accused had pleaded guilty to that charge, and I don't see why it is necessary to bring this witness.

---Upon the suggestion of the Prosecutor, the witness withdraws.

BY THE PROSECUTOR: (in reply) I think it is very necessary insomuch as it may be possible for the witness, if he can, to say that he never of his own accord gave this registration card to the accused - simply backing up the fact that the accused did not acquire by any proper means this registration card, and furthermore, identifying the registration card as his own.

BY THE JUDGE ADVOCATE: (to the Prosecutor) What has that to do with the charge before the Court?

BY THE PROSECUTOR: Well, the accused did produce this Exhibit "I" when asked for his registration card, and produced a card which is presumed to belong to the witness, Garrow.

BY THE JUDGE ADVOCATE: I am going to advise the Court to admit the evidence of Garrow. They don't have to take my advice, but I advise that they take the evidence of this witness -- but, not for the reason that the Prosecutor has stated. I think his evidence should be there to show the intention of the accused. We have before the Court the fact that this Exhibit "I" was found on the accused - in the name of John James Garrow. And (to Prosecutor) I take it now you are going to produce Garrow to show that this was Garrow's registration certificate, and not the property of the accused. Now, the only reason that I advise the Court that this is admissible is that it relates to the intention of the accused at the time of his apprehension, and that is the reason I would advise that his evidence be heard.

BY THE DEFENDING OFFICER: The accused has already admitted improper possession of the registration card, and we have already allowed it to go in as an exhibit without any objection as to who it belonged to. I don't see where it is necessary to have the witness examined as to establish the same facts over again.

BY THE JUDGE ADVOCATE: (to the Defending Officer) I beg to disagree with you on this point. All we have before us at the present time is the fact that the accused had in his possession a registration card - that is, a piece of paper with the name John

James Garrow on it, and nothing else. We have no evidence before this Court to show who owned that registration card. It might be a ficticious one; it might have been something different entirely. And, the only object in bringing Garrow in this time is to identify the registration card as being his registration card. You refer to the fact that the accused has pleaded guilty. We are not dealing with the other charge and it has nothing to do with this charge, and we cannot take evidence which might be used in the other charge and use it in this one. This is merely going to show what the intention of the accused was. I advise the Court that they should admit the evidence of Garrow to show whether this was his registration card or not as it relates to the intention of the accused at the time of his apprehension and what he was doing during his absence.

BY THE PRESIDENT: The Court will accept.

---The Witness, Tpr. J.J. Garrow, being recalled, and acknowledging his former oath, is examined by the Prosecutor :-

Q-87 You are No. B-48853, Trooper Garrow, J.J., of the 26 Cdn. Army Tank Regiment, C.A?

A-87 Yes, sir.

Q-88 Look at the accused. Do you know him?

A-88 Yes, sir.

Q-89 Do you recognize him?

A-89 Yes, sir.

Q-90 As who?

A-90 William Howe.

Q-91 I show you Exhibit "I". Do you recognize that document?

A-91 Yes, sir.

Q-92 What is it?

A-92 It is my registration card issued at Niagara Camp, August, 1940.

Q-93 When you say registration card, do you mean National Registration card?

A-93 Yes, sir.

Q-94 Whose signature is on that?

A-94 That is mine, sir.

Q-95 Did you ever give this registration card to the accused?

A-95 No, sir, I lost it. I reported it lost.

Q-96 That is all you knew about it until it turned up?

A-96 Yes, sir.

---The Defending Officer declines to cross-examine.

---In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

The Accused, No. B-49390, Trooper WILLIAM DAVID HOWE, 26 Canadian Army Tank Regt. (G&SF) C.A., being duly sworn, is examined by the Defending Officer :-

Q-100 Tpr. Howe, when did you join the Army?

A-100 June of 1940.

Q-101 How old were you at that time?

A-101 18, sir.

Q-102 What regiment did you join?

A-102 The Grey & Simcoe Foresters.

Q-103 Was it an overseas unit, or a home defence regiment?

A-103 Overseas, sir.

Q-104 What happened to that regiment since that time?

A-104 Well, we have been doing a lot of guard duty, and infantry training right up until last year.

Q-105 What parts of Canada has that taken place in?

A-105 When we were mobilized we came to Borden and we spent 10 months here, and that was taking infantry training only. Later on, we went to Toronto and I believe we were there for approximately a month and a half, and later went to Kentville, Nova Scotia, or maybe I should say, Aldershot and it was still infantry training there. Later on, we went to Milgrave and went on guard duty.

Q-106 How long did you do guard duty?

A-106 Approximately 5 months, sir. And, after that we came back to Camp Borden and we were in Borden for a month and a half, and then we went to Niagara and guarded the Chippewa Canal.

Q-107 What date would that be approximately?

A-107 I believe we went to Chippewa in March.

Q-108 So that at the time of your leaving the unit on this present charge, you had been doing guard duty for two months?

A-108 That is right, sir.

Q-109 What was your attitude towards the Army all this time?

A-109 Well, when I signed up, sir, I was expecting to go overseas and we had been told several times that the Foresters were definitely

an overseas battalion, but we never got around to anything except infantry training and guard duty, and were later made into a tank regiment.

Q-110 What was your attitude then - were you satisfied with what you were doing all this time?

A-110 Well, I wasn't very pleased with it all, sir.

Q-111 Did you have any other reasons for leaving the unit for the length of time you did?

A-111 Yes, I did.

Q-112 Would you care to tell the Court?

A-112 Well, it was a very personal reason, and it was outside of the Army. It had no bearing on the Army, and I would rather not say anything about it. I'd rather take my punishment, my full punishment, rather than have anyone else involved.

Q-113 What was your intention as far as returning to the Army was concerned?

A-113 Well, I had work to do - not exactly work, but I had something to attend to. It was very important to myself, and as soon as I had attended to it, I intended to come back.

Q-114 Was that work in connection with this other personal affair of yours?

A-114 In what way, sir?

Q-115 Was the work you had to do in relation to the other personal matter which you just mentioned?

A-115 Yes, it was, sir.

Q-116 When you went A.W.L. this time, did you have a uniform on?

A-116 Yes, sir, I did.

Q-117 What did you have on?

A-117 Battle Dress, sir.

Q-118 Did you have a beret?

A-118 Yes, sir.

Q-119 What became of that uniform?

A-119 I had it all the time I was away, sir. I had it hung

up in the room with the rest of my clothes.

Q-120 What was the address of the place where you were rooming?

A-120 60 Glengarry.

Q-121 In Toronto?

A-121 In Toronto.

Q-122 Why did you keep this uniform?

A-122 I intended to come back, sir, as soon as I could see fit.

Q-123 Did you get this uniform again?

A-123 Yes, I did, sir.

Q-124 When?

A-124 About 5 or 6 days after I returned to my unit.

Q-125 How did you receive it?

A-125 It was sent down to me. The Colonel sent a telegram asking that the uniform be sent down and a couple of days later it was received at the guard-house.

Q-126 You say it was sent down, what do you mean - from where?

A-126 From Toronto, sir - from 60 Glengarry.

CROSS-EXAMINED BY THE PROSECUTOR:

Q-127 Mr. Howe, I think you have just told the Court that prior to your going away from your unit on the 20th of May, last year, 1942, you were very fed up with the Army, is that right?

A-127 To a certain extent, sir.

Q-128 Well, what do you mean by "to a certain extent"?

A-128 Well, sir, as far as the Army was concerned, I was willing to stay in it if no personal matters came up which I had to attend to.

Q-129 Did the way you felt about the Army have anything to do with your going away?

A-129 No, it didn't.

Q-130 Nothing to do with it?

A-130 No, sir.

Q-131 In other words, so far as the Army was concerned, if nothing else had interfered, you would never have left at all?

A-131 That is right, sir.

Q-132 Now, on the 20th of May you left your unit, is that right?

A-132 Yes, sir.

Q-133 Where did you go?

A-133 I went to Toronto, sir.

Q-134 What did you do?

A-134 I got a job, sir.

Q-135 Where?

A-135 Kavanaugh Foods.

Q-136 What do they manufacture?

A-136 Puffed wheat and puffed rice.

Q-137 Where is that located?

A-137 In Toronto - Sorauren Avenue.

Q-138 What did you do there?

A-138 I was running two guns that were making the puffed wheat.

Q-139 While you were there, did you wear your uniform?

A-139 No, sir.

Q-140 You wore ordinary working civilian clothes, is that correct?

A-140 Yes, sir.

Q-141 Did you at any time, while you were away, wear your uniform?

A-141 No, sir.

Q-142 You left it hung up in your room, as you have just told the Court?

A-142 Yes, sir.

Q-143 So, at any time when you went out around Toronto, you were dressed in civilian clothes?

A-143 Right, sir.

Q-144 Are you married?

A-144 No, sir.

Q-145 Single?

A-145 Yes, sir.

Q-146 Were you living at home?

A-146 No, sir.

Q-147 Living away from home?

A-147 Right, sir.

Q-148 In all the time you were away, did you continue to work at this firm in Toronto?

A-148 No, sir.

Q-149 How long did you work there?

A-149 About 3 weeks or 4 weeks, sir.

Q-150 Then what did you do?

A-150 I went to Barker-Bredin Bakers.

Q-151 Another job?

A-151 Right, sir.

Q-152 And you worked there?

A-152 Right, sir.

Q-153 How long did you continue to work at Barker-Bredin?

A-153 Until the time that I was apprehended.

Q-154 On the day that you were apprehended, were you on a street-car?

A-154 Yes, sir.

Q-155 Where were you going?

A-155 I was going home, sir.

Q-156 Did you see a Sgt. Mutrie on that street-car?

A-156 No, I didn't, sir.

Q-157 You hadn't seen him?

A-157 No, sir.

Q-158 Whereabouts was it that you were getting off the street-car?

A-158 The corner of Davenport and Bay, sir.

Q-159 And, you have already told us that you lived at.....

A-159 60 Glengarry.

Q-160 How far is 60 Glengarry from the corner of Davenport and Bay?

A-160 I don't know exactly.

Q-161 Blocks?

A-161 No, it would be in miles, sir.

Q-162 How many miles would you think it was - 1 or 2?

A-162 It would be about 6 or 7.

Q-163 After you got off the street-car at the corner of Davenport and Bay, where did you intend to go?

A-163 I was intending to go home.

Q-164 How?

A-164 By street-car; I had to walk over from Bay to Yonge and transfer up Yonge.

Q-165 After you got off the steet-car at the corner of Davenport and Bay, you met Sgt. Mutrie, is that correct?

A-165 Yes, sir.

Q-166 What did he say to you?

A-166 He just called me Bill and he asked me where I was going.

Q-167 What did you tell him?

A-167 I told him I was going home.

Q-168 He said you made no reply when he first spoke to you, is that correct?

A-168 Yes, sir.

Q-169 Then he asked you for your national registration card, is that right?

A-169 Right, sir.

Q-170 What did you do?

A-170 I produced this one that is in exhibit now.

Q-171 Why did you produce that?

A-171 Well, I wasn't in any position right then, sir, to return to my unit, and I would have liked to have had a little more time to further finish my doings that I had started. It had to be finished up.

Q-172 And by producing that registration card in the name of Garrow, that is correct is it not?

A-172 Yes, sir.

Q-173 You hoped that Sgt. Mutrie would think that you were Garrow, is that correct?

A-173 That is right, sir.

Q-174 And, not yourself -- Howe?

A-174 That is right, sir.

Q-175 Incidentally, how did you get that national registration card?

A-175 Well, Garrow and I used to be in the same company together, sir,.....

BY THE JUDGE ADVOCATE: (to the Prosecutor) Do you think that is really relevant?

BY THE PROSECUTOR: What come out - I hope it will be.

BY THE JUDGE ADVOCATE: I don't want anything to come out that may prejudice the accused.

BY THE PROSECUTOR: I am working on the question of intention.

BY THE JUDGE ADVOCATE: Alright.

BY THE JUDGE ADVOCATE: (to the Defending Officer) Have you any objection?

BY THE DEFENDING OFFICER: It might disclose another offence.

BY THE PROSECUTOR: Perhaps if I go about it in another manner. (to the Judge Advocate) Isn't it true that any person giving evidence may give evidence that may incriminate himself.

BY THE JUDGE ADVOCATE: Not in our laws governing courts-martial. (to the Court) I would advise the Court not to let you press that question.

BY THE PRESIDENT: (to the Prosecutor) Kindly don't press that question.

BY THE PROSECUTOR: (resuming cross-examination)

Q-176 Not wanting to know how you acquired this card, I want to ask you some further questions, but I want you to be careful to leave that out. Irregardless of how you got it, what was your intentions of using that card when you acquired it?

A-176 When I went down to Toronto, I was put in such a position that you had to have a registration card to get a job.

Q-177 And so you wanted a registration card of some sort, is that right?

A-177 Yes, sir.

Q-178 And you din't want it to be known that your name was Howe, is that correct?

A-178 Yes, sir.

Q-179 And so you felt with the use of this national registration card in the name of Garrow you could be accepted and get a job as Garrow?

A-179 Yes, sir.

Q-180 Did you give the name of Garrow at the jobs you got?

A-180 Yes, sir.

Q-181 And you went by the name of Garrow?

A-181 Yes, sir.

Q-182 What did your fellow workmen call you - as a first name?

A-182 Jack, sir.

Q-183 I don't want to press you as to this matter that you were concerned about, but could you, without telling us what it is, give us some reason to believe when these conditions that you speak of might have changed so that you could, as you say, return to the Army?

A-183 I believe I could, sir. It might lead to involving someone. If I could keep that out as much as possible, I would feel a lot better.

Q-184 As far as I am concerned, you can refer to that person as "X" - with the Court's permission. (to the Court) I am not concerned about whom he is talking. I am working on the question of intention.

BY THE JUDGE ADVOCATE: The accused is here subject to examination and cross-examination and if the Court sees fit they can compel him to answer questions which you put to him. The accused is also in the position that he has the right to conduct his defence as he sees fit as well as through consultation with his Defending Officer. Now, he has made the statement that he does not wish to involve someone. I think the expression he used was "for purely personal reasons". I would advise the Court that they can compel him to answer any such questions as you should put to him, but I do

not believe the Court will have the wish that you will continue along that line of examination. He has stated that he is ready to take his punishment rather than divulge this information.

BY THE PROSECUTOR: I will not press the point.

QUESTIONED BY THE COURT:

Q-185 When did you intend to return to the unit?

A-185 As soon as possible, sir. As soon as this personal matter was straightened out. I figured within the next 3 weeks or a month.

RE-EXAMINED BY THE DEFENDING OFFICER:

Q-186 When did you join the Army - again?

A-186 In June, 1940, sir.

Q-187 At that time, did you have a registration card?

A-187 No, I didn't, sir.

Q-188 Do you know when registration cards were issued?

A-188 I believe it was in the fall of the same year.

Q-189 If you had had a registration card in your own name, would you have used that?

A-189 Yes, sir, I would have.

QUESTIONED BY THE COURT:

Q-190 Was there a registration card issued to you whilst you were in the Army?

A-190 An Army registration card.

QUESTIONED BY THE JUDGE ADVOCATE:

Q-191 How much money were you earning while you were absent without leave?

A-191 Approximately $23.00 a week, sir.

Q-192 And you were earning that practically all the time that you were absent without leave?

A-192 All except for the time I was at this first company.

Q-193 You state that for purely personal reasons you do not wish to disclose any information. I don't mind if you do not answer this question; I am not going to press it. Did you need money to accomplish what you needed to accomplish during your absence?

A-193 Yes, sir.

---In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.P. 83 (b).

---The witness withdraws.

2nd witness for: THE DEFENCE

No. B-50856, Pte. (A/Sgt.) G. J. DAULT, 26 Cdn. Army Tank Regt. (G&SF) C.A., being duly sworn, is examined by the Defending Officer :-

Q-194 Sgt. Dault, what regiment do you belong to?

A-194 The 26th Cdn. Army Tank Regt. (G&SF), sir.

Q-195 What is your job?

A-195 Provost sgt.

Q-196 Do you know the accused in the case to-day?

A-196 Yes, I do, sir.

Q-197 As who?

A-197 Tpr. Howe, sir.

Q-198 What can you tell the Court about Tpr. Howe's uniform?

A-198 On about the 28th or 29th of January, I received a box through the post-office for Tpr. Howe coming from Mrs. J.J. Garrow, at 60 Glengarry Street in Toronto.

Q-199 Where was this box delivered?

A-199 I got the box from our regimental post-office, brought it down, and opened the box for Tpr. Howe, and in it was a complete uniform - jacket, trousers, a pair of gaiters, one pair of boots, and one beret.

Q-200 Were you Provost Sgt. when the Regiment was stationed at Chippewa?

A-200 I was, sir.

Q-201 Were there many A.W.L.'s in the Regiment at that time?

A-201 Not so very many, sir, considering the duty we were on.

Q-202 Will you explain that statement?

A-202 Well, we were at Chippewa; we were doing pretty permanent guard duty. The men were on 10 days and 2 days off, and they had

to do their own cooking and everything else.

Q-203 Were they satisfied with their lot down there?

A-203 Not very well, sir.

CROSS-EXAMINED BY THE PROSECUTOR:

Q-204 Would you mind repeating what you said concerning receiving a box of clothes? I am not sure that I got that quite correctly?

A-204 The post-man came to me and told me that there was a box in the post-office for Tpr. Howe, so I got a runner, and brought it down to the guard-room. In the box was a complete uniform - jacket, a pair of trousers, one pair of boots, a pair of gaiters, and a beret.

Q-205 I think you mentioned in your previous evidence somewheres where this came from?

A-205 From Mrs. J.J. Garrow, 60 Glengarry Street, Toronto.

QUESTIONED BY THE COURT:

Q-206 What was the address?

A-206 60 Glengarry Street, Toronto.

Q-207 Sgt., the uniform that was received back addressed to Pte. Howe, was there any markings in it to show that that uniform belonged to Pte. Howe?

A-207 No, not that I seen.

Q-208 Any regimental numbers?

A-208 No, sir, not that I noticed.

Q-209 No pencil marks on the pockets inside or anything showing that it was his uniform?

A-209 No, sir.

--- RE-EXAMINED BY THE DEFENDING OFFICER:

Q-210 Was there a Foresters' badge on the hat?

A-210 No, sir, there was no badge.

QUESTIONED BY THE JUDGE ADVOCATE:

Q-211 Did you look at it especially to see if there were any marks on it to identify it as Tpr. Howe's uniform?

A-211 No, sir, I did not. There was a telegram at the orderly room to say that that stuff belonged to Tpr. Howe.

QUESTIONED BY THE COURT:

Q-212 Did the uniform fit Tpr. Howe?

A-212 It did, sir.

CLOSING ADDRESS BY THE DEFENDING OFFICER: -

Mr. President and Members of the Court:- The accused, Tpr. Howe, is before you to-day charged with Desertion, under Section 12 of the Army Act. Now the charge of Desertion is a very serious charge and it is one which must be considered most carefully by the Court before they find the man guilty of Deserting His Majesty's Service. I don't need to instruct you in the fact that you need not find a man guilty of Desertion, but guilty of A.W.L. Now, the Manual of Military Law is very emphatic on the point that the Court must be fully satisfied that the accused is guilty of intending to desert. I would like you to mark that word "intending" to desert. In other words, the evidence must be almost irresistible to point to the fact that the accused intended never to return to His Majesty's Service. Now, there is a rule of evidence that every man is presumed innocent until he is proven guilty, and that means that it is up to the Prosecution to prove to you that he intended to desert, and unless they prove that beyond a shade of a doubt, you are not to find him guilty of Desertion, but to find him guilty of A.W.L. - if you think he is guilty of that. Now, as I said before, the essence of desertion is intent. Now, what has the Prosecution brought out in evidence to show this intention? First, he brought out the fact that the accused broke out of detention in Chippewa which, incidentally, I would like to question. The evidence of Cpl. Wright was not conclusive of that. He said the last time he had seen the accused was the night before and the next time he went to see the accused he had gone. Now, there is no proof that the accused is one of the three men that broke through the window and went. At least, Cpl. Wright's evidence did not establish that fact. The next point the Prosecution will likely insist upon is the length of time the accused was A.W.L. Now, that isn't conclusive proof of desertion. A man may be A.W.L. for a considerable length of time but at the same time still maintain an intention to return

to His Majesty's Service, and, in this case, Tpr. Howe has stated that he did intend to return after this personal difficulty in which he became involved - both personal and financial - was cleared up.

Then the Prosecution stressed the fact that the accused was in civilian clothes. Well, that is a point on which considerable stress is sometimes laid, but I still maintain that you can still intend to return and still be in civilian clothes. The accused had a definite job to do when he went A.W.L. He said he could only do it by getting employment and earning money to carry that out, and the only way he could do that would be to get into civilian clothes. So, I don't think you should give too much emphasis to the fact that he was picked up in civilian clothes.

Another point which the Prosecution stressed is the fact that the accused was in possession of a registration card. Well, that doesn't mean that the accused intended to desert for all time. If you wanted to stay away on a lengthy A.W.L. and get a job in civilian life to earn money, that would be one of the first things you'd need in order to get that job. It doesn't prove a permanent intention never to return. Furthermore, registration cards - there are plenty of them in the Army. I have got one. Anyone, after August, 1940, has one. And, I don't see in this case, except for the fact that it enabled the accused to get a job in civilian life, I don't see that this should have too much stress laid upon it.

That is likely what the Prosecution will use to build up a case - false registration card, wearing civilian clothes, and breaking out of detention, and also not admitting his true identity when Sgt. Mutrie arrested him. That I think is a natural reaction. He would not admit right away. He tried to get out of it somehow, but he admitted later on

who he was. And, he went to the court-house quite peacefully once his identity was established. Now, what has the accused offered to rebut this prima facie case that he intended to desert? Well, first of all, the main point is that he kept his uniform. Now, if I was going to desert the Army, never to return, one of the first things I'd do would be to rid myself of any evidence that I had every belonged to the Army. Certainly, any man who had that intention to desert, he'd certainly get rid of his clothes if at all possible. In this case, the accused didn't do that; he kept them at home, or rather, he kept them in his rooming-house, hung up in his closes. They could quite easily be seen, no doubt, by his land-lady, and that, to my mind, is a very strong presumption, and in itself almost rebuts the presumption that he intended to desert for all time.

The next point I would like to stress is that, if any one intended to desert the Army, he'd get away from this section of the country altogether. The Grey & Simcoe Foresters of which the accused is a member is a local outfit; everybody in the regiment, practically, goes to Toronto on their week-ends, and if the accused intended to desert, he would most certainly have got out to some other section of the country where he wasn't known at all. Instead, he went to Toronto. He rode around quite openly in the street-cars and sooner or later left himself open to be caught by some member of the regiment or some member of his home town where he lived.

Then, he had strong personal reasons - he did not want to divulge them. But, I think you can gatther from what has been brought out: the fact that his clothes were sent back by Mrs. J.J.Garrow - the name under which he was living in Toronto at the time - that there is a woman in the case. He doesn't want to bring that out, but he did

want to bring out enough of it to show that there was some definite reason which made him go A.W.L. And, it was a reason which when terminated - when he got enough money together - he'd come back to the Army. He said that he left the Army to fix up his financial troubles. Then, he was dissatisfied with the Army anyway. He joined early in 1940 and two years later he was doing guard-duty on the Chippewa Canalwith a unit that was supposed to go overseas practically right away when they were mobilized. And, I can assure you that that was a general feeling throughout the whole regiment. We had practically a permanent orderly room down in Chippewa, and I think we even lost an officer. And, so you can see the general feeling throughout the regiment. They got a dirty deal, and they had no compunction going A.W.L. at all. Another point, I would like to point out is the age of the accused - he is only 20 years old. He joined when he was 16. Now, that is pretty young for a lad to be up for a court-martial for desertion. Therefore, I submit that in this case, you should not find the accused guilty of desertion but should use your right under the Army Act and find him guilty of A.W.L. I don't think you can find that he had the proper intent to commit an act of desertion.

H.V.R.B.

CLOSING ADDRESS BY THE PROSECUTOR :-

Mr. President and Members of the Court, and Sirs: The matter of desertion, as the Defending Officer has been pointing out, and I am sure you are well aware of it, the essence of it, after the other essential elements of the crime are committed, is intention. That is true. There are a few things though which I feel my duty to refresh your memory on. Desertion is one of those crimes that one never has direct evidence of or very very seldom. Perhaps, once in a very long time, some soldier is so foolish as to throw his belongings down on the floor of his kit-room and before his comrades say so and so about the Army "I am through with the Army; I am going for good." That may happen, but it is very very seldom that that ever happens. Usually, it is a question of certain relative acts happening from which you must draw inferences. Inferences to determine what the accused had in his mind, and that is what you have to ponder. Again, might I remind you that the Defending Officer, perhaps, overstated the case a bit when he said that the Crown must prove beyond a shadow of a doubt the intention of the accused to desert. Now, I think you will agree with me that that is not quite correct. Such proof must only be to the point where reasonable men can have no reasonable doubt - not a fanciful, far-fetched, theoretical, "ifs-and-ands" sort of doubt as to the intention of the accused. Now, that being the case, let us examine the circumstances of this case and the acts of the accused with the idea right along to draw inferences as to what intention he had in his mind. I submit that that is the only way that you can come to any conclusion as to what he had in his mind - his intention.

First of all, he told us himself, quite frankly, and his Defending Officer also stated, that he was fed up with the Army due to the nature of his duties. Now, I am not here to suggest to you that he didn't have, perhaps, good

grounds to feel fed up. That is not the point. The point is that he admits himself that he was fed up, and we have the uncontroverted evidence of Cpl. Wright that he did leave Chippewa and left a certain guard-room, that he had seen the accused there the night before, and when he went at 0200 hours in the morning and called the roll, the accused and two others did not answer. He made a search and they were absent, and he found a window which had been broken open, and the accused and the two others were not there. The inference is, of course, that that is how the accused left. The accused was on the stand and had every opportunity to tell you gentlemen if such was not the case. He said nothing about it. I suggest that you must accept that as the simple fact as to what happened. He was fed up and he escaped from custody and went. Just how soon, we don't know, but I think he said in evidence he very shortly went to Toronto and obtained a job. For what purpose, he didn't care to state. But, his Defending Officer has hinted slightly at what it might be. Let's leave it at that - I think we understand.

Alright; he comes to Toronto and he has told you himself with the national registration card of someone else, not his own; being specific, the national registration card of the witness Garrow, and using it, he obtains a job which he worked at for sometime, and then he shifted to another job. And, in both cases, he used this national registration card of Garrow to obtain employment under the name of Garrow, not under the name of Howe. Why did he wish to masquerade as someone else? He told us himself - so his identity as Howe would not become known. And all the time he worked and went about the city of Toronto of evenings and so forth in civilian clothes. He kept his uniform - that is true - so he says in his home in the clothes closet

Well, that is commendable, but that doesn't prove conclusively that because he kept his uniform, he intended to put it on again. There is such a thing as preparation against an emergency - if you are caught, you still have it. And, I wish to point out to the Court that the accused did nothing at all about showing to any military authority his uniform until after he was apprehended. Then, he remembered his good old stand-by - "it is home in the cupboard" - and send for it and of course, it arrives. I don't think that, from that fact, you can draw the inference of any intention to return to the Army. Again, of course, sirs, you must remember that it is probably true that most people who desert have some vague idea in their mind that, "Oh, well, some sunny day; I don't know, of course, when, but some sunny day, I'll go back." Perhaps, some idea in their minds, but no real intention. There is a difference between intention - that is, when you say to yourself "after Christmas", or whatever it may be; "on the 6th of January," or, whatever you make up your mind to, "I am going to do so and so." When you do that, it can be well said that you have an intention, but if you say, "at sometime in the future, I hope things will be better and then I will go back." No one knows except the accused and, perhaps, he wouldn't no either just when that someday was going to be. If we were to accept the accused's story that the reason, or amongst his reasons, because he told us that he was highly dissatisfied with the Army - that is one reason. And the other, that he had a personal reason. He may well have had it, and, perhaps, another good reason as an argument in mitigation - perhaps, a very fine reason. I don't know; he didn't state what it was. But, if we are allowed that sort of evidence to sway our minds, every accused could say the same thing - and if he doesn't care to tell you what it is, you have no way of knowing whether there are any elements of a genuine excuse,

and you all realize what a genuine excuse must be. An excuse that goes to mitigate is not an excuse to excuse the crime of desertion. He didn't tell us at all what it is. Therefore, I submit that that reason cannot be used as an excuse for the act that he did - desertion.

Now, we come along down to the point when he was apprehended. It is pretty clear; I don't need to dwell on that. He admits himself that he didn't respond to his name until after a certain amount of questioning, and after he had been asked for his national registration card, and he didn't have one of his own, or I must assume that he didn't have any because he didn't produce it - and he produced one of someone else's. And when he found out that that wasn't getting him anywheres, he finally admitted his own identity, showing quite clearly that he had been travelling under an alias. He admitted it himself that all the time he had been travelling under an alias, working under another name, with the intention, he admitted himself, of making everyone believe that he was Garrow and not Howe, and so placing himself in a position that military orders could not possibly reach him as laid down in the Manual of Military Law, I believe, at Page 30. So, it would seem to me, and together with the time that the accused was away - I realize fully that time, perhaps, has no great bearing on the fact of desertion. A man may desert in a very short space of time, say if he was near a sea-port and knew that an ocean liner was leaving and managed to make the gang-plank as it was being drawn up, and the liner was leaving for South America or some place or other - in five minutes he might have committed the crime of desertion. So, you will agree that the time element doesn't bear a great deal on the point, except that it does give us an idea - that eight months pass and he hasn't returned to his unit. How

are we to know how many more months are to pass? Some people might see the number of months that have passed as the sum total of the remaining time of the war. I think we should bear that in mind. That is where the time element comes in.

Now, as I said before, we have got to look at all the acts of the accused - what he did - and draw such inferences from those acts as we may. I submit those acts show only one thing - an intention to desert, and place himself in such a place, and in such a manner, that military orders couldn't get to him - desert. I leave it with you.

SUMMATION BY THE JUDGE ADVOCATE:

Mr. President and Members of the Court:
It is not my intention to speak at any great length as I do not feel it is the duty of the Judge Advocate to dwell at too great length on a case of this kind. I would, first of all, point out to you the fact that you are full judges of both the law and the facts in this case. Insofar as the law is concerned, I may give you my interpretation of it and I may advise you of what I think the law is. You are not bound to take my advice, but although the Manual of Military Law does point out that the Court should and it is advisable to act upon the advice given to it by the Judge Advocate.

The accused is charged with desertion. If you refer to the charge sheet you will see that is charged, "When on Active Service, Deserting His Majesty's Service, in that he, at Chippewa Barracks, Niagara Falls, Ontario, on the 20th May, 1942, when in close arrest, absented himself without leave from the 26 Canadian Army Tank Regt. (C&SF) C.A., from 0030 hours on said 20th May, 1942, until apprehended by the Military Authorities at Toronto, Ontario, at 1700 hours on the 22nd January, 1943, dressed in plain clothes, cost of apprehension and return to his unit $2.34 - total absence: 247 days, 16 hours, 30 minutes." Each charge is always divided into a statement of an offence and the statement of the particulars. The statement of the particulars should disclose sufficient to support the statement of the offence. I would, first of all, direct your attention that there are in this instance different verdicts which may be arrived at by you. You, first of all, might possibly find the accused not guilty of of any crime at all insofar as this charge is concerned. Secondly, you may find him guilty of the charge of desertion. Thirdly, you may find him not guilty of the

charge of desertion, but guilty of Absence Without Leave for the period which is stated there. Or, if by any possible chance, you are not satisfied with the entire evidence as to the fact that the accused was in close arrest when he first absented himself, you might go so far as to make a special finding, that he was not guilty of desertion but guilty of absence without leave except that it was from such and such a time. I am not going to go into that; you have heard the evidence on those points. Insofar as a charge of desertion is concerned, I would direct your attention especially to para. 17, 18, and 19, on page 19 of the Manual of Military Law. These paragraphs deal with the difference between desertion and absence without leave. I would, first of all, point out to you that in a charge of desertion the criterion is the intention of the accused not to return to His Majesty's Service. And, I would also point out to you that the burden of proof always rests upon the Prosecution. The Prosecution must prove to your satisfaction, beyond a reasonable doubt as I shall mention later, that the accused did not intend to return to His Majesty's Service. It is not the duty of the Defence to prove that he did intend to return to His Majesty's Service. The burden of proof always rests upon the Prosecution. Now, in dealing with the question of desertion, if you will refer to these paragraphs, you will notice certain parts which I am going to read: "The offence of desertion or attempting to desert His Majesty's service implies an intention on the part of the offender either not to return to His Majesty's service at all, or to escape some particular important service as mentioned in para. 20." We need not refer to that. That refers to the cases where the accused is charged with Desertion after having been warned for ~~xxxx~~ a special duty and absents himself with an intent

to avoid so proceeding. That does not apply in this instance. Now, insofar as the facts of any case are concerned, we do not know what is in an accused's or any person's mind. We can only arrive at that conclusion by the surrounding circumstances. And, if you will follow in para. 18, we read as follows: "It is obvious that the evidence of intention to quit the service altogether may be so strong as to be irresistible, as, for instance, if a soldier is found in plain clothes on board a steamer starting for America, or is found crossing a river to the enemy; while, on the other hand, the evidence is frequently such as to leave it extremely doubtful what the real intention of the man was. Mere length of absence is, by itself, inconclusive as a test, for a soldier who has been entrapped into bad company through drink or other causes may be absent some time without any thought of becoming a deserter; but in the example above given of a soldier found on board a steamer starting for America, there could be no doubt of the intention, though he might only have been absent a few hours.

"Nor can desertion invariably be judged by distance, for a soldier may absent himself without leave and depart to a very considerable distance, and yet the evidence of an intention to return may be clear; whereas he may scarcely quit the camp or barrack yard, and the evidence of intention not to return (by the assumption of a disguise, for example, and other circumstances) may be complete."

I am pointing those sections of those paragraphs out for you to consider when you are arriving at your finding.

Now, as stated a moment ago, the burden of proof rests upon the Prosecution. They must prove beyond a reasonable doubt that the accused did not intend to return to His Majesty's service. Now, a reasonable doubt is the doubt of a reasonable man. It is not some fancy doubt conjured up in the mind of some fancy-thinking person. You gentlemen are

sitting here as reasonable men and, no doubt, you can arrive at your own conclusions as to what is or are, as the case may be, a reasonable doubt or doubts.

Now, let us look at the evidence. If I refer to the evidence briefly, please remember that you are not to go by any comments I may make upon the evidence. You have full and complete authority to decide upon these matters yourselves. If I make certain comments in one direction, by all means use your own version of the evidence in preference to what I may state. The surrounding circumstances in this case seem to be as follows:

The accused definitely stated and he stated on oath here that he was dissatisfied with the Army. He went absent without leave - he admits that - he admits his absence without leave. He only questions the desertion. He was absent some considerable length of time - time. He was found in civilian clothes in the city of Toronto with a registration card apparently belonging to another person. He was also working under an assumed name or under the name of the person who owned the registration card. When he was questioned just before his arrest, he tried to identify himself as one Garrow, and, finally, admitted that he was not. The accused has practically admitted all these things on the stand himself. And, then states that the reason that he did these things was for some purely special personal reason. These facts, in themselves, are for your consideration. There is, however, the additional fact that when he absented himself he only located himself in the city of Toronto, a distance of some 60 or 70 miles from Niagara Falls. That is another fact for you to consider. If he really intended to desert His Majesty's service, would he not have gone further away than merely from Niagara to the city of Toronto - to desert. The city of Toronto is

is a place which is being frequented by soldiers and former comrades of his from Camp and , no doubt, he knew, as we all know, that he eventually would be met by some of his comrades in the city of Toronto as he apparently was.

The accused himself states, and, mark you, we have not very much evidence in support of this; he himself states that it was for purely personal reasons, and I believe it was added on afterwards - of a financial nature - after I questioned him regarding his earning power when he was absent, that he was remaining away the length of time that he did, that he intended when he was in a position to fulfill certain, if I remember correctly, certain obligations. It was his intention then to return to his unit.

Now, Mr. President and Members of the Court, these are facts for you to consider. You have a task to decide whether or not he actually intended to return to His Majesty's Service. When considering your decision, please bear in mind that it is an established principle of British justice that every accused person is presumed innocent until proven guilty, and that accused person must be proved guilty beyond a reasonable doubt. If you have any reasonable doubt whatever in your mind that the accused did eventually intend to return to His Majesty's Service, then you must give him the benefit of that doubt, and find him not guilty of desertion, but guilty of absence without leave. If, on the other hand, these facts which I have mentioned do not arouse in your mind any thought of a reasonable doubt in his behalf, you will then, after giving due consideration to the rest of the evidence, come to the conclusion that he is guilty of the offence as charged, namely, that of desertion.

FINAL ADDRESS BY THE DEFENDING OFFICER :-

Mr. President and Members of the Court: You have found this man guilty of one or both the charges upon which he is up to-day, and before you sentence him, I would like to bring a few facts to your attention which might serve to make his sentence a little lighter.

We have here a soldier who joined the Army in June, 1940; he was only 18 years old at the time, and really just a kid, not capable of forming any mature judgment - although once he is in the Army, he is presumed to be a man. And, the regiment in which he enlisted and which was supposed to go overseas that year was by some mischance left out of the overseas plan and they trained here in Infantry work for a long time at Camp Borden. They went to Mulgrave and did guard-duty on the coast there. Then, they went to Debert and did more infantry training there. They have been two years kicked around Canada, alternating between guard-duty and infantry training. Then, at the end of two years, we find them back at Chippewa guarding the Chippewa Canal. Now, that put a strain on a lot of the men in the Regiment. They had all joined voluntarily shortly after the war broke out and here they were, two years later, doing guard duty. I have mentioned before that we had quite a problem in our regiment at that time with A.W.L.'s - and, it was a problem! Since we have been transferred to Armoured Corps, I can tell you that our A.W.L.'s are few and far between. Once they know they are doing a useful work and they are really soldiering, all these lads have settled down - and lots of chaps with much longer crime sheets than the accused here to-day have turned out as real good soldiers and really interested in what they are doing. And so I suggest to you that last May when Tpr. Howe went A.W.L., he had lost his initial enthusiasm for the Army and ~~xx~~ he was, as he said, getting dissatisfied. Well, while that doesn't excuse him going A.W.L., it should be a mitigating factor. At

the same time, he had his own personal troubles which to him looked big on the horizon and counter-balanced against his lack of enthusiasm in Army life made him, without realizing fully the responsibility of what he was doing, go A.W.L. and get a job in civilian life. Another thing I would like to bring to your attention is that we are actually a civilian Army; all our personnel have been in civilian life up until 1939 when the War broke out, and our way of life is that we pride ourselves on our individuality. If you got a job in civilian life in which you are unhappy, our way of life allowed you to quit it without any compunction and go and get something else in which you are happy at, and that is something which you should remember when you come to sentence all these fellows - that they did join voluntarily. I don't think they appreciated what the Army meant - that once they were in they couldn't walk out, that there lives were no longer their own. They still retained that civilian complex, that they could walk out when they were dissatisfied. Now, I would like you to look at the crime sheet of Tpr. Howe. It has been read over, but I would like to emphasize more his record. Up until the time he hit Chippewa when he was doing guard duty, after two years, he had no A.W.L. longer than 3 days. His first one was 2 days. His second one was for 15 hours. His third one was for breaking bournds for a day and some odd hours. His fourth one was 3 days coupled with another one for 1 day. His fifth one was merely a matter of 20 hours. That brings us up to April of 1942. Now, that is not a bad record for two years of service in the Army. When they hit Chippewa, his crime sheet reflects what the others in the Regiment and he felt; he went A.W.L. for 15 days, and he was doing detention for that A.W.L. when he went A.W.L. this last time. Now, I think that that crime sheet tells it's own story. And, that for two years he was a pretty good soldier. Another thing I would like to bring to your attention is that long periods in detention or imprisonment are of little value.

While they are supposed to serve as a deterrent to others, I don't believe they actually do, and here we have a young chap 20 years old up for a very serious charge, and a long period of imprisonment or detention might just wreck the rest of his life. And so, I suggest that you have quite a responsibility placed upon you when you have the power placed upon you to place men in confinement for quite a length of time. And, I wish you would give him all the benefit you can and be as lenient as possible.

(Note) No. 4
Accused present at Summary when evidence of witnesses was taken down in writing.

26 Cdn Army Tank Regt.(G&SF) C.A.
Camp Borden, Ontario,
26th January, 1943.

Summary of evidence in the case of B-49390 Trooper William David Howe, 26 Cdn Army Tank Regt. (G&SF) C.A. charged with:-

FIRST CHARGE - Desertion.

SECOND CHARGE - An act to the prejudice of good Order and Military Discipline.

The Commanding Officer directs that all evidence be taken upon Oath.

FIRST WITNESS:

No. B-50131, Tpr. (A/Cpl.) F. Wright, 26 Cdn Army Tank Regt. (G&SF)C.A., having been duly sworn, states:-

I was on duty at Chippawa Barracks, Niagara Falls, Ontario, on the 20th May, 1942. We had two guard houses and prisoners were kept in both of them. I was in one of the guard-houses when Corporal Hodgins came to me at approximately 0200 hours, 20th May, 1942, and told me that Trooper Howe and two other prisoners had escaped. I went to the guard-house where they had been held and checked the rest of the prisoners. I called the roll and found that the accused, Trooper Howe did not answer to his name. I made a search and found that he was absent. I saw that the window had been removed and the slats nailed across the outside had also been removed. I did not see Trooper Howe again until after he had been apprehended in Toronto, Ontario, and returned to his Unit. If he had been with his Unit, I would have known it.

The accused declines to cross-examine the witness.

Sgd. F. Wright A/Cpl.

SECOND WITNESS:

No. B-48842, Cpl. (A/Sgt.) W.C. Mutrie, 26 Cdn Army Tank Regt. (G&SF) C.A., having been duly sworn, states:-

I am Orderly Room Sergeant of the 26 Cdn Army Tank Regt. (G&SF)C.A., from which the accused Trooper Howe, W.D. went absent without leave. On the 22nd January, 1943, I was in Toronto, Ontario, on duty. I was riding on a Dupont Streetcar. A man dressed in civilian clothes got on the streetcar. He looked familiar to me but I could not remember who he was for a few minutes. When I did remember I knew it was the accused Trooper Howe, W.D. who was absent without leave from this Unit. I went to the streetcar conductor and asked him if the streetcar passed a Police Station. He told me that the streetcar had just passed one. When I had finished my conversation with the Conductor, I went to return to my seat but noticed that the accused, Trooper Howe W.D., was standing on the treadle of the streetcar. The Conductor stopped the streetcar and we got off. I called the accused, Tpr. Howe, W.D., by his first name

SECOND WITNESS
Continued.

but he gave no apparent recognition. I then asked him for his Registration Card and he produced a card belonging to one, John James Garrow. We talked for several minutes longer and he finally admitted his identity as Trooper Howe, W.D. I then took the accused to No. 5 Belmont Police Station. The Police at the Station offered to hold the accused, Tpr. Howe, W.D., until such time as the Provost could come up and get him. I phoned the Provost and they came up and got him and took him to the Custody Barracks at Stanley Barracks, Toronto. I stayed overnight in Toronto. I obtained a warrant at Headquarters, M.D. #2 and brought Trooper Howe, W.D. back to his Unit lines and turned him over to the Regimental Provost. Trooper Howe, W.D. offered no resistance during the time hewas in my custody.

I submit as Exhibit "A" M.F.B. 375, a record of the Declaration of a Court of Inquiry regarding the absence without leave of the accused, Trooper Howe, W.D. I also submit as Exhibit "B", M.F.M. 216 showing Certificate of Apprehension of the accused. I further submit as Exhibit "C" a letter from No. 31 Coy. C.P.C. showing the accused, Trooper Howe, W.D. being turned over to them. I further submit as Exhibit "D" M.F.B. 1481, being particulars of the cost of transportation of the accused. I also submit as Exhibit "E" a National Registration Certificate of John James Garrow, 1845 3rd. Avenue East, Owen Sound, Ontario, dated 15th August, 1940.

Sgd. W. Exton A/Sgt.

The accused declines to cross-examine the witness.

THIRD WITNESS:

No. B-48853, Trooper Garrow, J.J., 26 Cdn Army Tank Regt. (G&SF) C.A., having been duly sworn, states:-

I was issued with a Registration Certificate at Niagara Camp on the 15th day of August, 1940. On joining the army in November, 1940, I still had the Registration Certificate with me. I was never asked to hand it in. In July 1941 at Debert, Nova Scotia, I made a report to Lieut. Watkinson that I had lost my Registration Card which I had received at Niagara Camp in 1940. He then issued me with an Army Registration Certificate. I have not seen this Registration Certificate until it was shown to me by Sgt. Mutrie on the 25th January, 1943. I swear that the signature on the Registration Certificate is that of myself, and that Exhibit "E" is the Registration Certificate which was issued to me at Niagara Camp in August, 1940.

Sgd. J. J. Garrow Tpr.

The accused declines to cross examine the witness.

With reference to your C.B.40-A-474, (A.J.A.G.) dated 12th July 1943, this Headquarters is now of the opinion that it would be in order to remit the balance of the sentence of imprisonment, with hard labour, awarded to the m/n soldier on 9th February 1943.

If you have the power to remit, under section 57(2) of the Army Act, it is presumed you will take the necessary action to effect such remission.

ONTARIO REFORMATORY
Guelph, Ont.

Dear Sir :- Apr. 13, 1943.

I am writing this letter as a plea for a remission of Sentence. I was sentenced to one year of hard labour for Desertion.

I signed Active Service in June 1940 with the Grey & Simcoe Foresters. After being two years in Canada & not getting overseas or into any action whatsoever except guard duty I was very discouraged. I have received my discharge from the Army but I would still like the opportunity to fight for my country. I know that I made a great mistake when I left the Army and I would like to make up for it by joining the Merchant Marine. I have never been introuble before and would like to make quarter time. I am sincere when I say I would like to join the Merchant Marine because I know that manpower is scarce and I would like to do my part to help win this War.

If you could help me, sir, I would be forever in your debt and I would live up to the allegiance I signed in 1940. Hoping to hear from you real soon, I remain,

Sincerely yours,
Tpr. W.O. Howe,
B-49390 (G. & S.F.).

No. L.8685, Pte. Reginal Higgs,
A20 C. A. S. C. T.C., C.A.

Reference the attached Proceedings of a District Court-Martial, on the trial of the above named soldier.

1. The Proceedings of this Court have been reviewed at this Headquarters, and it has been observed that:

(a) The deficiencies in the particulars of the fifth charge in the Charge Sheet should have been set out in accordance with amendment 20 to the Handbook on Courts-Martial.

(b) The Court having decided that a Document is receivable, and having received and marked it as an exhibit should not comment on it. (Pages 7,8 and 15).

(c) It would have been preferable had the first witness stated what portions of the amount expended in telegrams be detailed and the correct amount be apportioned to each charge.

(d) The Court should not have permitted the Prosecutor to lead his witness (Page 19).

(e) In form M.F.B. 375, Exhibit "I" the unit of the Commanding Officer should have been inserted.

(f) The letters "C.A." should have been inserted after the unit of the soldier on Form M.F.M. 215 (Exhibit "L") and the constable should have signed in the appropriate place.

(g) Each item in form M.F. B. 1481 (Exhibit "N") should have been dated and the letters "C.A." should have been inserted after the unit of the Officer who completed the form and after the unit of the soldier. The notation below the items ahsould not have been inserted on the document.

(h) In form M.F.B. 1482 (Exhibit "O") the letters "C.A." should have been inserted after the Unit of the N.C.O. and each item should have been dated.

M.F.B. 239
1000M—6-41 (125)
H.Q. 572-29-184

(i) In Form M.F.B. 1481 (Exhibit "U") the items should have been detailed to show the amount of the return fare and of the single fare.

(j) In Form M.F.B. 1482 (Exhibit "W") the item should have shown the dates which the meals were eaten.

(k) On Form M.F.B. 375 (Exhibit "II") the unit of the Commanding Officer should have been given below his name.

(l) The notation "A soldier of the Active Army" should have been inserted on M.F.M. 215 (Exhibit "KK") below the signature of the constable.

(m) In M.F.B. 1481 "Exhibit "MM") the unit of the officer should have been properly set out, followed by the letters "C.A." and the letters "C.A." should have been inserted after the unit of the soldier.

(n) The item on Form M.F.B. 1481 should have been broken down to show the amount of the single fare and of the double fare.

(o) There is no evidence to support many of the statements of the Defending Officer in his closing address.

(p) In the Summary of Evidence:

i. Each document as produced should have been lettered as an exhibit, and after each production there should have been a notation that the document was marked Exhibit " " and attached to the Summary of Evidence.

ii. It is preferable that in giving evidence as to deficiencies, the witness give the details of the articles deficient in the same manner as they should have been set out in the Charge in accordance with Amendment 20 the Handbook.

iii. After the answer of the Accused to the formal question, there should have been a notation such as "The accused declined to call any witnesses", if such were the fact.

(q) Had due care been exercised, in the preparation of Part II Orders, it would not have been necessary to promulgate so many amendments.

2. The foregoing observations have been brought to the attention of the Officers concerned, for their future guidance.

3. The time between the return of the soldier to his unit (5 Feb 43) and the date of the Convening Order (12 Feb 43) is 7 days. The time between apprehension and trial is 14 days.

4. It is not considered that the Proceedings are in any way invalid, and have been confirmed and promulgated. They are now forwarded for registration, custody and safe-keeping.

being duly sworn, is examined by the prosecutor.

Q. 9 Will you please identify yourself to the Court, and produce any documents you have relative to this case.

A. 9 I am Capt. Arthur F. Phelan, Adjutant of A.20 Canadian Army Service Corps Training Centre, C. A. I identify the accused, No. L.8685 Pte. Reginald Higgs, A.20 Canadian Army Service Corps Training Centre, C.A., and produce the following documents:

M. F. B. 375, certified true copy of the Declaration of the Court of Inquiry.

(M. F. B. 375 is read, marked "Exhibit I", signed by the President and attached to the proceedings.)

Court: I think probably your rank should have followed your name on this document, Capt. Phelan.

Witness: Part II Order No. 88, Red Deer, Alberta, dated the 13th. of April, 1942.

(Certified true copy of Part II Order No. 88, dated the 13th. of April, 1942, is read, marked "Exhibit J", signed by the President and attached to the proceedings.)

Court: It is $48.00, I notice, not $49.00 that the Court declared.

Prosecutor: There is an amending order, sir.

Witness: Part II Order No. 34, Red Deer, Alberta, dated the 8th. of February, 1943, amending Part II Order No. 88, dated the 13th. of April, 1942.

(Certified true copy of Part II Order No. 34, dated 8th. February, 1943, is read, marked "Exhibit K", signed by the President and attached to the proceedings.)

I produce M. F. M. 215, Certificate of Apprehension.

(M. F. M. 215 is read, marked "Exhibit L", signed by the President and attached to the proceedings.)

Court: There is no 'C,A,' after the unit, I notice. There should be.

Witness: Part II Order No. 223, dated the 16th. of September, 1942.

(Certified true copy of Part II Order No. 223, dated 16 September, 1942, is read, marked "Exhibit M", signed by the President and attached to the proceedings.)

I produce M. F. B. 1481, Absentees and Deserters, Transportation only, amounting to $25.88.

(M. F. B. 1481 is read, marked "Exhibit N", signed by the President and attached to the proceedings.)

Court: "Recoverable from the pay of" I think we probably determine that, and not the Assistant D. S. and T. O. at Regina.

Witness M. F. B. 1482, Absentees and Deserters, Incidental Expenses, amounting to $10.70.

(M. F. B. 1482 is read, marked "Exhibit O", signed by the President and attached to the proceedings.)

Court: There is no 'C.A.' after Provost Company. I don't know if they are 'C.A.' or not, apparently not.

Witness: Part II Order No. 226, Red Deer, Alberta, dated the 19th. of September, 1942.

(Certified true copy of Part II Order No. 226, dated 19 September, 1942, is read, marked "Exhibit P", signed by the President and attached to the proceedings.)

(Certified true copy of Part II Order No. 229, dated 23 September, 1942, is read, marked "Exhibit Q", signed by the President and attached to the proceedings.)

Part II Order No. 239, Red Deer, Alberta, dated the 3rd. of October, 1942.

Defending Officer: I can't find any rule asto allowing them to amend all these things, but it seems highly wrong that they should be allowed to amend and amend and amend for the purposes of a charge to be laid on.

Court: Well, the Part II Orders are made evidence of the facts therein contained. However, it seems very bad practice - I agree with you - but they are made evidence of the facts therein contained

and they are acceptable.

(Certified true copy of Part II Order No. 239, dated 3 October, 1942, is read, marked "Exhibit R", signed by the President and attached to the proceedings.)

Witness: Part II Order No. 242, Red Deer, Alberta, dated the 7th. of October, 1942.

Witness: M. F. M. 215, Certificate of Apprehension.

(M. F. M. 215 is read, marked "Exhibit T", signed by the President and attached to the proceedings.)

Court: With all these documents and amendments I always feel that the poor accused cannot have the foggiest idea of what is going on.

Witness: M. F. B. 1481, Absentees and Deserters, Transportation Only, amounting to $20.43.

(M. F. B. 1481 is read, marked "Exhibit U", signed by the President and attached to the proceedings.)

M. F. B. 1482, Absentees and Deserters, Incidental Expenses, amounting to $5.45.

(M. F. B. 1482, in the amount of $5.45, is read, marked "Exhibit V", signed by the President and attached to the proceedings.)

M. F. B. 1482, Absentees and Deserters, Incidental Expenses, amounting to $5.00.

(M. F. B. 1482, in the amount of $5.00, is read, marked "Exhibit W", signed by the President and attached to the proceedings.)

Defending Officer: Before the exhibits are accepted, I might object that the certificates produced total $30.88, whereas the second charge reads "$33.26".

Court: They are already marked as exhibits.

Defending Officer: I can't object to any particular one because I am not able to prove the actual expenditure, but the certificates submitted speak for themselves and show a total of $30.88, whereas the

amount charged is $33.26.

Prosecutor: Mr. President, I beg to explain that it will come later on. My first witness will explain that the cost of telegrams is also included, which will satisfy the defence, sir, I think.

Court: Very well.

Part II order No. 257, Red Deer, Alberta, dated the 24th. of October, 1942.

(Certified true copy of Part II Order No. 257, dated 24 October, 1942, is read, marked "Exhibit GG", signed by the President, and attached to the proceedings.)

M. F. M. 375, Declaration of the Court of Inquiry.

(M. F. B. 375 is read, marked "Exhibit II", signed by the President and attached to the proceedings.)

M. F. B. 1481, Absentees and Deserters, Transportation Only, amounting to $4.21.

(M. F. B. 1481, amounting to $4.21, is read, marked "Exhibit MM"

signed by the President and attached to the proceedings.)

Court: There is no 'C.A.' here after the unit, I note.

Witness: M. F. B. 1481 Absentees and Deserters, Tranportation Only, amounting to $20.43.

(M. F. B. 1481, amounting to $20.43, is read, marked "Exhibit NN" signed by the President and attached to the proceedings.)

(M. F. B. 1482, is read, marked "Exhibit OO", signed by the President and attached to the proceedings.)

I also certify that the amount of $7.53 was expended in telegrams relative to the apprehension and return of No. L. 8685, Pte. Reginald Higgs.

I identify the accused, No. L. 8685, Pte. Reginald Higgs, as the person to whom these documents relate.

Cross-examined by the Defending Officer.

Q. 10 With regard to Charge No. 2, Exhibits 'U', 'V' and 'W' show a total of $30.88, and the Second Charge reads that the man is being charged with $33.26. Would it be in order to bring that down to only the sum of $30.88 rather than $33.26?

A. 10 No, that would be made up by telegrams, of which I have given evidence.

Q. 11 But taking Exhibits 'MM', 'NN' and 'OO', and your statement of an expenditure of $7.53 - they add up to $32.92 as charged in the third charge.

Court: We will adjourn for ten minutes to give you an opportunity to iron out the difficulties as to these costs of apprehension.

At 1135 hours on the 15th. of February, 1943, the Court adjourned until 1145 hours on the 15th. of February, 1943.

On the 15th. of February, 1943, at 1145 hours the Court reassemble pursuant to adjournment, present the same members as when adjourned.

Court: Have you arrived at any agreement with respect to the costs of apprehension on the second charge?

Prosecutor: The documents bear out the second charge, but there is a difference of $1.38 in the third charge, the reason being that when the documents were submitted to higher authority for vetting, the amount of $1.38 incurred for meals for escort at North Battleford was drawn up by persons not subject to military law and therefore we couldn't make a charge against the man for that amount, $1.38.

Court: And you had no proof of the $1.38 being expended?

Prosecutor: That's right, sir.

Court: Then that will make the amount $32.92 less $1.38, that is $31.54?

Prosecutor: That's right, sir.

Cross-examination of Capt. A. F. Phelan continues.

Q. 12 Capt. Phelan, do you know the civilian occupation of the prisoner?

A. 12 No, I don't know.

Q. 13 Do you know whether his documents show that he joined the Army voluntarily or was he drafted?

A. 13 That I wouldn't care to say without looking at his documents.

Q. 14 You haven't any documents here to find out?

A. 14 No,and I couldn't say without any.

The Prosecutor declines to re-examine.

In the opinion of the Court it is not necessary to comply with R. P. 83 (B).

A. 31 When the train stopped I phoned the Mounted Police at Vegreville.

Questioned by the Court.

Q. 32 As a result of the phone call, what happened?

A. 32 The Mounted Police came and we couldn't find him where he had jumped off. I went back to Edmonton and they wired back on that day that they had caught him at a restaurant in Vegreville.

CLOSING ADDRESS OF THE PROSECUTOR

Sir, I submit that the evidence produced by my witnesses - the facts produced by my first witness and the fact that the accused was apprehended by the authorities wearing civilian clothes which goes to prove - as you were - and in two cases he was absent over a period of twenty-one days. I submit that the accused is guilty as charged, and should be sentenced on those charges.

Court; We will decide that.

Thomas D. Dagl. Capt.
Pres.

CLOSING ADDRESS OF THE DEFENDING OFFICER

Mr. President and members of the Court, it is my intention this afternoon not to deal with the separate charges but rather to take them as a whole, being more or less one continuing act. The prosecution is asking for a conviction as charged, that is desertion, on documentary evidence and documentary evidence alone. Now the essence of the crime of desertion is not only the fact that the person quit the Army or the place where he is stationed, but also that he was leaving that place with the intention formed that he is going to leave the Army for good, or that during his absence at some time during that absence he has formed the intention of never returning. The prosecution is asking you to convict on the charge of desertion on documentary evidence alone - the documents as produced, namely the Part II Orders and so forth, as submitted by Capt. Phelan, the first witness. Now, these are made up by clerks that have never met the man, they don't know him, in fact the first witness didn't know what the civil occupation of the man was, and knew little other than the fact that he was a member of A. 20 Training Centre. I submit that not only has the prosecution failed to show any intention on the part of the prisoner to desert, that is to leave the Army and never to return - but it is shown that from the fact of the civil occupation of this accused that he never did have an intention to leave the Army and not return. We arrive at that by looking at the background of the prisoner. We find that the prisoner was in civil life a trapper and a guide. A man who was familiar with the wide open spaces, who could go out into the wilderness and be quite at home, and yet each time he was apprehended where was he? In

North Battleford, a city. I submit that if this man had had any intention of leaving the Army or had formed that intention while away, that certainly we would not have found him in a populated district. He would have struck out for the trails and we would not have got him in North Battleford, but rather somewhere in the North-West Territories.

Now we come to the question of escape from custody. On the face of it, escape from custody sounds pretty awful, but if we look into it, it is not a crime such as breaking out of a room, say a room like this, with bars, where a man plans and then breaks the bars and escapes. It is where he is under observation or more or less under observation and there are ways where he can walk away. Now, there is no evidence submitted to definitely show that this man did anything more than walk away on three occasions. The facts are that he did, when cleaning up the sergeants' mess one day, walk out of the sergeants' mess and walk through the camp and out of the camp. On the second occasion he was cleaning the guardroom. He walked out the front door of the guardroom and down the lines and out of camp, while there was someone in charge of him, looking after him. On the third occasion, he escaped from a train while there was someone guarding him. At no time was there any resistance or force used by the prisoner to make an escape. He merely walked away. I submit that it is a much greater crime on the men put in charge of the prisoner that they should be so negligent as to permit him the opportunity to escape, for any man kept in custody - it is the natural thing for him to break away, and if the opportunity is given him it is natural to run from something you fear, and he does fear detention. This man, I will recall to your minds, has lived

in the open air all his life and to be confined is one of the hardest things for that type of man to bear.

One other thing I wish to draw to your attention, that on the third escape of the prisoner, the evidence shows that he was clothed with a battle dress tunic and a pair of bib overalls. The underwear - it wasn't known - but had it been the best thing issued by the Army for heavy underwear it would not have been sufficient for that severe weather. He had no cap and was in low oxfords, with no shoelaces in the oxfords. A man who would step off a train in cold weather with both hands fettered and with little hope of breaking the steel in those handcuffs, is running from something, from fear of something and I think it all comes back to the one fear of being detained.

Now, you have seen the prisoner this morning. He marched in here and stepped up here and he has a soldierly bearing, and did soldier so long as he was in the open, but when in detention he became a little difficult. I submit to the Court that it is because of that, that he has become unruly, a simple hate of being confined, but give him a chance to soldier in the open as he did in the outset and he will still soldier.

I would just like in conclusion to remind and refresh your memory that the man did live in the open. He was a guide and a trapper. That he was apprehended in the City of North Battleford, a city, and had he had the intention at any time to desert - never to return - he would have hit off for the hills and I submit most respectfully that the prosecution has not in any way brought forth any evidence that would in the least substantiate a charge or conviction of desertion. The essence of desertion being that he has at some time formed an intention not to return.

THE ACCUSED ADDRESSES THE COURT THROUGH HIS DEFENDING OFFICER.

In mitigation of sentence, sir, I would draw your attention to extracts from M. M. L. 1929, page 34, with regard to the fourth charge of breaking away from escort and escaping.

Court: What paragraph is that?

Defending Officer: Paragraph 13.

> "The gravity of the offence will depend mainly on whether the circumstances do or do not disclose deliberation and intentional defiance of authority".

Now, I submit, Mr. President and members of the Court, that there was no evidence brought forth to show any deliberation or defiance of authority. However, the background of this man, having been out in the wild, I would submit that in considering any punishment to be awarded him that confining such a man as this would be of greater severity than to a normal citizen who has worked as a clerk or done office work of some nature. He has been used to being out in the wilds, to having more or less free movement and it would be a harder thing on him than on a normal person. I would ask that in considering the award that you consider his background and find that a shorter term would serve the purpose equally as well as a severe punishment.

I

STATEMENT BY THE DEFENDING OFFICER
IN MITIGATION OF PUNISHMENT.

Voici: l'accusé est entré dans l'Armée au mois d'août 1942. Le 22 du mois de septembre il partait en passe et n'est pas revenu.

Maintenant l'accusé a déclaré au sommaire d'évidence qu'il souffrait d'un mal de reins, même quand il est entré dans l'armée on l'a classé B-1. Il est venu à Montmagny après avoir passé un certain au dépôt à Québec. Il a passé moins de trois semaines ici au Camp de Montmagny. Pendant son entraînement de trois semaines, il est allé plusieurs fois à l'inspection médicale. Il a été traité par les médecins, et finalement, on l'a renvoyé sur la parade malgré sa prétention de mal de reins.

Maintenant le médecin a trouvé que les dents de l'accusé étaient dans un état pitoyable. Il a dit que son mal de reins, ses rhumatismes étaient dus au fait que ses dents étaient en mauvais état. Dans le temps, il n'y avait pas de dentiste au camp pour lui extraire les dents.

Il a eu une passe de cinq jours. Il avait passé trois semaines ici sans beaucoup de connaissance des règlements de l'Armée. On sait qu'un soldat de trois semaines manque de bien des choses. Il ne connait pas beaucoup les règlements. Il est parti en passe de cinq jours à Chicoutimi. Il est resté chez-lui, où la police militaire l'a appréhendé au bout de quatre mois.

Je voudrais que la Cour considère le fait que l'accusé est allé chez-lui et n'a pas travaillé On sait que s'il

...../2.

11

avait voulu travailler, à Chicoutimi, il aurait certainement pu travailler. Il est resté chez-lui et il n'a pas travaillé disant qu'il souffrait de rhumatismes, qu'il n'était pas capable de travailler.

Je tiens à dire aussi que la feuille de conduite de l'accusé est blanche et que l'on a rien à dire sur son compte avant qu'il parte du Camp.

Quand l'accusé est revenu ici après avoir été soigné comme il l'a dit par le médecin du Camp de Chicoutimi. Il est revenu ici et après examen du médecin et du dentiste on a considéré qu'il n'était pas capable de faire le travail que les hommes en détention font ordinairement, soit le lavage des planchers ou différents ouvrages dans ce genre-là. Le sergent de police à la détention a reçu ordre du médecin, après conseil du dentiste, de ne pas le faire travailler. Pendant tout le temps qu'il était en détention ici il n'a pas travaillé du au fait de son état de santé. Je crois que la maladie de l'accusé y est pour beaucoup dans cette désertion-là. L'accusé n'a pas refusé de revenir quand la Police Militaire est allée le chercher; il ne s'est pas sauvé. La police a tout simplement attendu quatre mois pour aller le chercher.

Je demanderais à la Cour de considérer ces choses-là dans la sentence à donner, je demande la clémence de la Cour.

1. Further to your letter Q: 39-H-1168 (JA) dated April 27th, 1943, you will find hereunder chronological order as to the steps taken to bring this case to trial:

Apprehension:	2105 hrs on	15-1-43
Arrival at Camp:	1020 hrs on	20-1-43
Paraded, Coy Commander:		22-1-43
Paraded, 2 i/c(further evidence):		23-1-43

Reference your TC54-H-11 dated 17th February, 1943, relative to the m/n subject.

2. The following irregularities have been noted in your application for District Court-Martial:-

(a) It is noted that only copies of the exhibits were forwarded to this Headquarters. The original exhibits should always be forwarded with your application, as requested on M.F.B. 321, in order that they be verified and that they be remitted to the permanent Prosecutor. There is no irregularity in forwarding copies of exhibits with the originals, but this is not necessary.

It is understood that the original orders cannot be produced. A copy of each order, certified by the Adjutant, is sufficient, but the original certificate of apprehension, the original M.F.B. 1481 and M.F.B. 1482 must be produced to the Court, and therefore, forwarded with your application.

With regard to copies of Part II Orders produced as exhibits, it is pointed out that the officer certifying same must state:-

(i) his name and rank,
(ii) his unit,
(iii) his attachment, if any,
(iv) his appointment.

In this case, Capt. Gobeil only stated his name and rank. He should state his unit, his appointment (adjutant or officer in charge of records as the case may be), and his attachment (in this case, C.A.B.T.C. No. 54, C.A.)

(b) It is also noted that the accused is charged as being deficient of $1.22. There is no evidence in the summary to justify this charge. A copy of M.F.B. 375 should be produced as exhibit. If no court of inquiry was held, a copy of Militia Form 800 should be produced. Moreover, the Quartermaster should be called as a witness to state:-

(i) If M.F.B. 375 is produced, that "on the ..... day of .....1942, he made a kit inspection after the apprehension of the accused and found that the accused brought back with him, such and such article, and that he is deficient with the rest of the articles mentioned on M.F.B. 375".

. . . . (over)

(ii) If no court of inquiry was held, he should state that upon the return of the accused he made a kit inspection, and found that the accused was deficient of such and such article.

3. May the above corrections be made without delay, please, and may this matter be treated as "urgent" as it is intended to convene this court with that of Pte. St-Pierre on the 26th February, 1943.

E/626520, Pte. René HAMEL,
N.R.M.A. Clearing Depot No. 5,
Gen. List, Att. to C.A.B.T.C. No. 54, C.A.

Please find enclosed herewith the proceedings of the marginally-noted District Court-Martial, which are forwarded to you for registration and custody.

2. The following irregularities have been noted and are brought to the attention of the officers concerned:-

(a) PAGE B-2: The words, "Pres. D.C.M." should have been inserted underneath the signature of the President on page B-2 and on all the exhibits.

(b) PAGE 11: It was not necessary for the Adjutant to certify exhibit "X-I".

(c) PAGES 43 and 45: It was not necessary to certify these exhibits as they are original documents.

(d) PAGE 53: The word, "regimental" in line 1, para. 1 of M.F.B. 355 should have been struck out and the word, "field" inserted.

(e) PAGE 54: The unit of Capt. Gobeil should have been set out underneath his signature.

(f) The attachment of the medical officer should have been set out underneath his signature on M.F.B. 246.

3. It is noted that the accused spent 41 days in custody awaiting trial. The application for District Court-Martial in this case was forwarded on 17th February, and received at this Headquarters on 18th February. As the evidence was not sufficient to justify the charges, the summary was returned on 18th February, with instructions regarding the amendments to be made. The application was returned on 22nd February, 1943, and the Court was immediately convened.

Re: District Court-Martial,
E.626520, Pte. Rene Hamel,
N.R.M.A.Clearing Depot No. 5 Gen.List,
att. to C.A.B.T.C.No. 54, C.A.

1. Your letter Q.39-H-1168 (JA) dated the 9th March 1943, is hereby acknowledged.

2. With reference to paragraph 3, in my opinion the accused surely understood his plea of Guilty, for the interpretation which might reasonably be given to the statement of the accused in the Summary of Evidence as well as to the statement of the Defending Officer in mitigation of punishment, is that he left the Army because in his (the accused's) opinion he was not receiving proper Medical attention. Therefore, in my opinion, the Finding and Sentence in this case may legally be confirmed.

3. With reference to paragraph 4, even if the Finding on the first charge was not confirmed the Sentence of detention could legally stand on the Finding of Guilty under Section 24 of the Army Act. As to whether or not part of such Sentence of detention should be remitted that is a question for the Confirming Authority to decide.

4. The proceedings are returned herewith.

Brigadier,
Judge Advocate-General.

RE: DISTRICT COURT-MARTIAL
E/626520, Pte. René HAMEL,
R.E.M.A. Clearing Depot No. 5, Gen. List,
attached to C.A.B.T.C. No. 54, C.A.

Enclosed herewith please find the proceedings of the marginally-noted District Court-Martial.

2. Before making any recommendation with regard to the finding and sentence, your opinion will be appreciated with regard to the finding on the first charge, please.

3. The accused pleaded "guilty" to a charge of desertion, and in mitigation of punishment, his defending officer made a statement which, in my opinion, indicates that Pte. Hamel did not understand his plea of "guilty". I would therefore be inclined to recommend a non-confirmation of the finding on the first charge. Do you concur, please?

4. If the finding on the first charge is not confirmed, would it be in order to remit a part only of the sentence of detention awarded by the Court? The evidence to establish the loss of kit is sufficient to justify the finding on the second charge and, although a sentence of detention would be legal in view of the dispositions of Sections 24 and 44 A.A., your opinion would be appreciated as to whether sentences of detention are sentences awarded in respect of loss of equipment.

No. M.35195, Pte. John William Hardy
Veterans' Guard of Canada, C.A.
Internment Camp 133, C.A.

1. The Proceedings of the above District Court-Martial have been reviewed at this Headquarters and it is observed that:

(a) The word "able" in the Medical Officer's Report should have been in the handwriting of the Officer who made the report and the Unit of the soldier should have been shown as in the rest of the Proceedings.

(b) The Defending Officer should not have been permitted to lead his Witnesses as was done throughout.

(c) The notation on page "B" that the Prosecutor informed the Court that the accused elected for trial by Court-Martial, should have been in red type.

(d) The evidence of the accused should have commenced on Page D 3 and the preamble should have opened with the words "The accused, No. etc."

(e) The Defending Officer should not have been permitted to say in his closing address, what he thought, to express his opinions or to make statements unsupported by the evidence as was done repeatedly.

(f) In the Summary of Evidence, after the answer of the accused to the formal questions, there should have been a notation that the accused declined to call any Witnesses.

2. The above irregularities have been drawn to the attention of the Officers concerned for their future guidance.

3. The time between the arrest of the accused (31st December, 1942) and the date of the Convening Order (9th February, 1943) is 39 days. The Witness, L/Cpl. WALLACE, left Lethbridge with his Company on 4th January, 1943, on its transfer to Vancouver. The Company was quarantined at Vancouver for spinal meningitis on 6th January, 1943 and was released from quarantine on 9th February, 1943. The Witness was despatched the same day and arrived at Lethbridge on 10th February and the trial was held on 11th February, 1943.

A.5 *Answer.* No, Sir.

The prosecutor makes an opening address ~~[hands in a written address, which is read, marked -------, signed by the President, and attached to the proceedings.]~~ See document marked "G", attached.

The prosecutor proceeds to call witnesses.

First witness for prosecution. No. M.42340, L/Cpl. James Wallace, 29 Company Veterans' Guard of Canada, C.A.,

being duly sworn, is examined by the prosecutor.

Q.6 Will you please identify yourself to the Court?

A.6 I am No. M.42340, L-Cpl. James Wallace, 29 Company Veterans' Guard of Canada, C.A.

Q.7 Corporal, will you tell the Court please in your own words what happened at Cochrane, Alberta, on 21st of December, 1942?

A.7 We stopped at Cochrane about two o'clock, had something to eat, started to move off again at about 1430 hours. When we got ready to go, I told them to go - .

Q.8 What were you doing in Cochrane on the 21st December?

A.8 We were going to Ozada with this convoy and stopped there to have a meal.

Q.9 What were you going to Ozada for?

A.9 We were taking these men up there to relieve men for their Christmas leaves.

Q.10 Tell me what you did on the 21st December?

A.10 We left here about 0730 hours and started out with these men to go to Ozada. Went through Cochrane and stopped there to have something to eat. About two o'clock we wanted to go on again at half-past two, and I wanted them to go and they said they would not go any further. The accused refused to go any further.

Q.11 Did he say anything to you?

A.11 He just told me that he would not go any further and would go by train.

Q. 12 Then what happened?

A. 12 I told him he had better go along and he still wouldn't go. I went on to Ozada with the rest of the party and left him there.

Q. 13 Left him there?

A. 13 Yes, sir.

Q. 14 Do you recognize the accused?

A. 14 Yes, sir.

Q. 15 Who is he?

A. 15 Pte. Hardy.

Cross-examined by the Defending Officer.

Q. 16 Now this journey you were making to Ozada, there were two vehicles, were there?

A. 16 Yes, sir.

Q. 17 The truck and the station wagon?

A. 17 Yes, sir.

Q. 18 Which vehicle was the accused riding in?

A. 18 The station wagon.

Q. 19 You also rode in the station wagon?

A. 19 Yes, sir, until Cochrane, and from there on in the truck.

Q. 20 Now, you have stated that you stopped at Cochrane to have a meal?

A. 20 Yes, Sir.

Q. 21 Had you stopped prior to reaching Cochrane?

A. 21 The station wagon did.

Q. 22 You had stopped before you reached Cochrane?

A. 22 Yes, sir.

Q. 23 Where did you stop?

A. 23 Calgary.

Q. 24 How long did you stop at Calgary?

A. 24 Probably thirty minutes.

Q. 25 About what time did you reach Calgary?

A. 25 Shortly after noon, I am not sure of the exact time.

Q. 26 Your memory is not very clear?

A. 26 No, I didn't take much notice of the time.

Q. 27 Why did you stop at Calgary? You were in charge of the station wagon.

A. 27 The intentions were all to stop in Calgary. We were a little bit ahead of the others.

Q. 28 It was your intention to eat in Calgary?

A. 28 Yes, sir.

Q. 29 Did you eat in Calgary?

A. 29 The ones who stopped did, I guess. I know I did.

Q. 30 You did eat at Calgary?

A. 30 Yes, sir.

Q. 31 And to the best of your knowledge your whole party had a meal in Calgary?

A. 31 Yes, I guess they did.

Q. 32 And I further suggest that your time was out a little and you were in Calgary at least an hour.

A. 32 I don't remember the exact time. I didn't pay much attention to it.

Q. 33 You reached Cochrane by your own statement at about 1400 hours?

A. 33 Yes, sir.

Q. 34 How far is it from Calgary to Cochrane, roughly?

A. 34 About twenty-four miles.

Q. 35 About twenty-four miles, yes, I agree with that. How long did it take you to travel from Calgary to Cochrane?

A. 35 Less than an hour.

Q. 36 Therefore you must have left Calgary after 1300 hours. You admit you reached Calgary about noon.

A. 36 Yes, sir.

Q. 37 Now, why, having stopped at Calgary for a meal, why was it necessary

to stop at Cochrane?

A. 37 We stopped to wait on the other ones. The others didn't stop at Calgary - the truck - they went through.

Q. 38 You gave evidence that you stopped at Cochrane to have a meal. Now I put it to you that you didn't stop at Cochrane to have a meal. Did you stop at Cochrane to have a meal?

A. 38 Not I myself. I had had my meal. The men in the truck had not.

Q. 39 Do you know why no rations were issued from here for these men?

A. 39 I understood that rations were issued but that they didn't take them.

Q. 40 Did you tell each and every one of them to take their rations?

A. 40 As far as I know they were all told.

Q. 41 When were the instructions to take rations given to the party?

A. 41 At breakfast time.

Q. 42 At breakfast time?

A. 42 Yes, sir.

Q. 43 And what time was that?

A. 43 I can't answer that. I don't remember myself.

Q. 44 You don't remember?

A. 44 About six-thirty.

Q. 45 Did the party all have breakfast together?

A. 45 No, sir. The men I had with me had breakfast with me.

Q. 46 You gave the instructions at breakfast for these men to take rations?

A. 46 I told them right in this lobby here that each man was to take rations, when asked about it.

Q. 47 What time would that be?

A. 47 About five minutes to seven in the morning.

Q. 48 You made the statement that the men were told at breakfast.

A. 48 My men in the 29th. Coy.

Q. 49 How many 29th. Coy. men did you have with you?

A. 49 Three.

Q. 50 Three out of the total of twelve or thirteen?

A. 50 Yes, sir.

Q. 51 You stated that you told these men to take rations that morning or the evening before?

A. 51 I didn't say anything about the day before. I didn't have anything to do with the day before. I had nothing to do with the day before.

Q. 52 Did you check up before the party left to see whether they had rations with them?

A. 52 I don't remember whether I did or not.

Q. 53 What instructions did you give the convoy when it left? What instructions did you give the truck driver?

A. 53 I told them to go to Ozada, and to stop in Calgary for the first stop, and that we might be a few minutes ahead of them and we would leave word at this filling station.

Q. 54 You gave the truck driver instructions to stop at Calgary?

A. 54 Yes, at least I told him we would stop at Calgary. Whether he made a mistake or not I do not know.

Q. 55 When you gave him those instructions, did you tell him where to meet you in Calgary?

A. 55 No, I didn't tell him where we would meet him in Calgary.

Q. 56 Then you just gave him a blanket order that you would see him in Calgary?

A. 56 I don't remember that, either.

Q. 57 You don't remember that either?

A. 57 No, sir.

Q. 58 Which arrived first in Calgary, the truck or the station wagon?

A. 58 The station wagon?

Q. 59 Where did you first stop in Calgary?

A. 59 At a filling station at 8th. Street West.

Q. 60 Did you leave some instructions at the filling station that you hoped the truck driver would receive when the truck arrived at the filling station?

A. 60 I left instructions at the filling station for the truck where we would meet him.

Q. 61 Where did you tell the truck to meet you? When you left the instructions with the filling station where was the point you were to meet the truck?

A. 61 By the Belcher Hospital and across from Eaton's. I forget the exact place.

Q. 62 Near the Belcher Hospital?

A. 62 Yes, sir.

Q. 63 Did you give a time that you would meet them? Did you set a time?

A. 63 No, there was no time set at all.

Q. 64 Did you figure that the truck would also eat at Calgary?

A. 64 That was the intention, but I guess they made a mistake.

Q. 65 Did you figure that the men would eat in Calgary?

A. 65 Yes, sir.

Q. 66 How did you figure that the men would eat being that they had no rations?

A. 66 I figured they would use their own money, the same as we always have done. I know we are always glad to get a change.

Q. 67 Did you know that all these men had money for rations?

A. 84 Oh, yes.

Q. 85 You only had the trip to go from Calgary to Ozada?

A. 85 About two-thirds of the trip was to Calgary.

Q. 86 H ad you not seen the truck stopped outside the beer parlor at Cochrane you would not have stopped the station wagon?

A. 92 I went in to get these men out.

Q. 93 Apart from getting these men out?

A. 93 No, sir, I don't drink myself. I never touch it.

Q. 94 How long after your arrival there did you go into the beer parlor to get your men out?

A. 94 We figured on starting out at half-past two. I think I made three different trips into the beer parlor to get them out.

A. 95 Yes, sir. To get them out and to try and get them to go.

Q. 96 When you arrived there, were the men from the truck also in the beer parlor?

Q. 109 You went to different tables. There must have been quite a few of them in there.

A. 109 No, I don't think so. Four or five probably.

Q. 110 When you first got there you would have had a chat with the truck driver as to why he had not met you?

A. 131 Only the men that were under my charge.

Q. 132 I mean every one in your party.

A. 132 Yes, sir. The men that were outside were ready to go and didn't need any order.

Q. 133 You don't remember giving the order. You don't remember what words you said to him, and yet you say that you gave him a direct order?

I have known the accused for the last eleven and a half months. For the first eight months of this period he was in my platoon. He was with me in Kananaskis Camp and for four months on detached duty at Bella Bella Air Base. He performed his duties in an efficient manner and except for a few minor offences, details of which - I can't remember - I am in this spot - I can't remember if he had any. I classify a good soldier as a man who may have a sprinkling of minor offences.

OPENING ADDRESS OF THE PROSECUTOR

The accused, No. M. 35195, Pte. John William Hardy, is charged with -

"When on active service disobeying a lawful command given by his superior officer"

and

"Neglect to the prejudice of good order and military discipline".

I propose to call evidence before this Court to prove that Pte. Hardy was given an order at Cochrane, Alberta, on the 21st. of December, 1942, to enter the transport along with the other men to proceed to Ozada Camp, which he refused to do; and I also propose to call witnesses to prove that Pte. Hardy was absent from Ozada Camp where it was his duty to be until approximately 1030 hours on the 22nd. of December, 1942.

OPENING ADDRESS OF THE DEFENDING OFFICER

There are certain aspects of this case which I would like to bring out to you. On the surface it appears a simple case. Actually it is complex, for the reason that overshadowing every action of the accused are the actions of the four men who were charged with him, before his Commanding Officer. This man volunteered for the duty on which he was going. Later on I shall ask the Court's permission to bring evidence from the scout section that this is so, as apparently no one who has appeared so far and who we thought would be in a position to call does know. I became the accused's defending officer because he asked me to, and he asked me because I was formerly his platoon officer. He was with me for eight months, I know his character personally. I would say that the accused is the victim of an unfortunate circumstance because he was among four others, - a total of five - who stayed behind at Cochrane. I claim that he was pronounced guilty and pronounced to be in their party and that at his examination before his commanding officer when he was first charged with the crime no proper opportunity was given him to make an explanation. I say that with the full knowledge of the gravity of the charge I am making. In fact, I will go further, I will say that the man was tried, found guilty, and sentenced before he ever entered the Orderly Room.

Court: We haven't found him guilty yet.

Defending Officer: I mean before his commanding officer.

Court: The commanding officer didn't have jurisdiction to try him.

Defending Officer: But I do want to prove that this man did not elect a Court Martial, it was forced upon him. I shall endeavor to prove through

the accused that when he appeared before his commending officer he was given no opportunity to state the difference between his case and the case of the four other men who were charged with him. I will also point out that according to the evidence already given this morning the principal witness for the prosecution, L/Cpl. Wallace, was not present at that hearing nor did he make any documentary evidence. I therefore ask on whose evidence - no, I can't ask that. I further submit, in the evidence that I shall adduce before this Court by the accused and other witnesses for the defence, to convince the Court of the accused's innocence of the charges as laid.

I 14

Norman D. Hugh, Capt. Pay.

CLOSING ADDRESS OF THE DEFENDING OFFICER

May I ask a question, sir? I am not a lawyer and I have done everything I have so far for the benefit of the accused.

Court: The Court feels that you have done very well so far.

Defending Officer: In my opening address I suggested that this was a complex case. I think the evidence has proven that statement to be correct. It is complex in my opinion for this reason, that the accused was one of a party of five who failed to arrive at Ozada on time. One must therefor be careful not to lump the whole five together as I am firmly of the opinion that the accused's case was entirely separate and distinct from that of the other four men. This apparent mass absence undoubtedly influenced the evidence of the witnesses - that is, some of them. It was my intention to try and develop from the evidence that at no time did the accused have anything whatever to do with the other four men.

In regard to the two charges against the accused. I maintain that if the first charge of refusing to obey an order falls, then the second charge falls also, because the accused was only absent involuntarily. In fact, I will go further than that. I think the evidence has clearly shown that the accused was left behind at Cochrane by the negligence of the N. C. O. in charge of the party. In any event, the few hours absence shown in the second charge could hardly be under any circumstances described as the fault of the accused. Who placed him in the beer parlor? The N. C. O. in charge of the convoy. He didn't actually push him into the door, but he did deposit him on the doorstep. It is said that you may take a horse to water but you cannot make him drink. How much more difficult is it to take a Veteran to the beer parlor and not expect him to drink? Had the station wagon not stopped

where it did, neither of these two offences would have been committed. I think the stop was illegal in any event and unnecessary. L/Cpl. Wallace had not seen the truck all that day. He only needed to have slowed down, shouted to the truck to come on as soon as they were ready, and proceeded on their way to the camp. Then the accused would have been safely in his line on time instead of being left in the beer parlor. But, having taken him there and having allowed him to enter the beer parlor, was it not his duty to see that he came out? Yet there is no evidence brought before this Court today that showed that any direct order to leave the beer parlor was ever given to the accused. The evidence is conflicting, as it always will be in cases of this kind. Most of it, I think, is honestly given, but under circumstances where a certain amount of drinking has been going on during the day it is hardly to be expected that the witnesses' memory will always be crystal clear. But there are some features of the evidence that I am sure the Court will have noticed in regard to the discrepancies in time, in the original reason for stopping at Calgary - at Cochrane, and other points like that. But I would ask the Court not to try to make the different statements agree but to take a broad view of the account. Why did the accused want to stop in Cochrane when he had no money and no friends there? He had volunteered for this job at Ozada. He had given up his own opportunity for Christmas leave to go there and relieve married men. He had travelled in the station wagon in comparative comfort, he had had lunch at Calgary. In my opinion, sir, there was never the slightest reason why Hardy should have wished to remain behind at Cochrane. So in the absence of a direct order, the only way by which that charge could be maintained, is that a blanket order was made by

someone and the accused should have heard it. That, I maintain, is not sufficient to justify or maintain a serious charge such as this. It would have to be proven conclusively, in my opinion, first, that such a blanket order was given, and there seems considerable doubt about that, and secondly, that it was made in a manner which would state beyond all doubt that the accused must have heard it. In a beer parlor, most of us know what that is like, it doesn't take many men sitting around a table to create considerable noise. I also think it is well known to the Court that people sitting at a table together, engaged in conversation, are not likely to hear anything shouted unless it is directly brought to their attention. In most of these places you hear the waiter shouting "Draw two", "Two up and one down", and all kinds of orders shouted from the middle of the room to the man behind the bar. One gets used to these things being shouted so that I don't think any blame can be placed upon the accused for not hearing an order, if such an order was given in that manner. Furthermore, it was obviously not the place to give such an order. There was only one proper course for the corporal to pursue, when he found that certain of his party were missing just prior to the vehicles moving off, and that was to enter the beer parlor and warn each man individually. The charge as placed against the accused could then have been substantiated. Further, in regard to this charge of refusing to obey an order, with the Court's permission, it is probably well known a charge such as that can be a serious or minor charge depending upon the nature of the disobedience. If wilful defiance of authority is shown, then you have a serious charge, but if no willfulness is brought out in evidence I maintain you have a charge that is merely a minor one and

which could have been covered under Section 40.

The evidence before the Court has proven in my opinion that there was no willful defiance, and that automatically reduces both these charges to minor ones, which, in my opinion, should never have been brought before a District Court-Martial. They should never have gone beyond the Orderly Room of the accused, and would not had a proper investigation been made at that time. There was no refusal to obey an order, you must believe that.

The case for the prosecution rests largely on the statements by the lance-corporal and the relief driver that a blanket order was given. I cannot accept the lance-corporal's evidence because he was suffering from the very point I brought out in the first part of this address. He could not separate the accused from the balance of the party. He knew that at least one member of the others, of the other four, had made a definite refusal, so he put them all together. Pte. Scott, the other witness, was in my opinion most unsatisfactory, and he was proven on the witness stand to have made a wrong statement. In any event, the prosecutor makes no claim to having made - to the giving of a direct order. I firmly believe that in this case of the accused that a grave miscarriage of justice has already occurred, in as much as he has already spent forty odd days in a cell in the Detention Barracks of this camp awaiting disposal of his case which I have shown to consist of just two minor charges. Is that British justice? We are fighting against the very thing that is shown in this case. He did not want a District Court-Martial - in fact, he was quite willing to take fourteen days detention for his absence, even though it was not his fault.

Court: That is not in the evidence.

Defending Officer: I forgot to bring it out.

I do know this, I am only interested in the justice of the case. The reason he did not take his trial before his Commanding Officer - .

Court: That is not in the evidence.

Take a broad picture of the whole proceedings. You have a military movement of personnel, which in my mind, is like that of a picnic. It was in charge of a weak N.C.O. and where no rations were issued and no provision made for feeding the men enroute. They were travelling one hundred and sixty odd miles in cold weather. In fact, the party in the truck travelled eight hours without food other than two stops for coffee. This naturally led to grumbling and you got to the state where four of the men in the truck refused to go on. But the point the Court must remember is that the accused was not one of that party and he was never with them. I do know the prisoner is one of the type of soldiers who resent a serious crime appearing on his sheet. He has never had one and I do know this, that he is not afraid of the verdict of this Court except in so far as it effects that. He is not afraid of any punishment you may hand out to him, as he has already suffered ten times more punishment than his crime would have called for.

CLOSING ADDRESS OF THE PROSECUTOR.

The charge the accused has been tried on is not one of refusing to obey an order. The charge as laid "When on active service disobeying an order" and that is what the Court has to consider. It has been proven that the evidence of Cpl. Wallace - that he gave an order in the beer parlor at Cochrane - that evidence has been substantiated by Pte. Anderson who was present in the beer parlor in Cochrane at the time. Other witnesses have borne out the fact that the accused was also present in the beer parlor while this was going on. My friend has brought up the fact that a blanket order was issued. It is laid down in your Army Act, Section 9,

> "A command does not cease to be given "personally" because it is given to a number of men at one time."

A blanket order or a collective order, according to the meaning of the Army Act, is a personal order. You don't give each man a personal order when you have a company on parade. There is a blanket order and is obeyed by all. From the evidence submitted before this Court, I submit that the charges have been proven and the accused should be found guilty as charged.

A No, sir.

Q.30 Do you intend to call any other witness in your defence ?
A Yes, sir.

Q.31 Is he a witness as to character only ?
A No, sir.

Q.32 Have you anything to say in your defence ?
A The Defending Officer will speak for me, sir.

STATEMENT BY DEFENDING OFFICER: "The accused joined the army in Victoria, was then sent to No. XI District Depot and was taken on strength on 16th. July, 1942. At that time, on arriving at the depot, he asked for three days' leave which was granted verbally. I want to stress that word "verbally". At the time the accused was in civilian clothes. At the end of the three days which were granted to him he returned, in fact he returned the night before so as to be on time. He sat around all day and received no attention whatever, and having other things on his mind he thought he could leave. He did not realise he was under military law, not having drawn any military uniform or equipment. His chief reason for leaving was on account of his sister-in-law and five small children who were depending on him to get in sufficient wood and fuel, as his brother was in Vancouver working. He intended to come back at the end of the job but the winter was severe, heavy snow, as we all know, Another reason for his going away was that he was suffereing very badly from piles and at the time of joining he was given no assurance that he would be fixed up and he felt very embarrased when using a public toilet and his health also depended upon his taking pills daily so that he could visit the toilet. His conscience told him he should return to the army - he felt very nervous being away as time drifted by. He eventually surrendered himself, even paying for a taxi to take him to the depot. He could not look a soldier in the face, thinking it might be an M.P. He got jumpy if he heard the dog barking, thinking it was a military visitor. All that he asks now is to be given a chance to become a good soldier."

First witness for Defence: Mr. Albert Edward HARTLEY, Secret serviceman, White Pine, B.C. being duly sworn, is examined by the Defending Officer.

Q.33 I understand you have a farm in or near Nanaimo ?
A Seventeen miles north.

Q.34 And you have a wife and five small children?
A Yes.

Q.35 And you understood that your brother, the accused, before enlisting had promised that he would assist over there getting in fuel for your family ?
A Yes.

Q.36 The reason being, I believe, that you were then working in Vancouver ?
A Yes.

Q.37 Did you know aht the time that your brother had joined or was joining the army ?
A Yes, I did.

Q.38 How long have you been working here now ?
A I came over last September.

Q.39 How long have you been here ?
A Five and a half months.

CROSS EXAMINED BY THE PROSECUTOR:

Q.39 What is your brother's occupation ?
A He is a school teacher.

Q.40 When did he last teach school ?
A Last June.

Q.41 Did you know of his intention to enlist in the army ?
A No. I did not at the time. He came from Nanaimo and enlisted.

Q.42 When did he enlist in Nanaimo ?
A That I can't tell, I don't know the exact date.

Q.43 Subsequently to June, 1942 ?
A Yes, after June, 1942.

Q.44 When did he go to enlist in Nanaimo ?

A You will have to ask him, I don't know.

Q.45 When did you find out he joined up ?
A I took him into town on Saturday night.

Q.46 You knew then that was his intention ?
A I was not certain.

Q.47 What do you mean ? Do you or do you not know when he joined
A He came back and said he had joined the army.

Q.48 That was when ?
A Last July. Sometime then.

Q.49 When did you next see him ?
A About ten days after.

Q.50 Where ?
A He came to my place.

Q.51 Vancouver Island ?
A Yes.

Q.52 Did he give any explanation as to why he was not in the army
A No.

Q.53 You knew he had joined the army ?
A Yes.

Q.54 Did you not say "Why are you not in the army ?
A That's a hard question to answer.

Q.55 Were you not surprised to see that he was not in uniform ?
A Yes.

Q.56 And you asked him why he was not ?
A Yes.

Q.57 What did you say ?
A I don't remember. He said he was out of the army.

ADDRESS BY ACCUSED THROUGH THE DEFENDING OFFICER

I would like to appeal to the Court in passing sentence on the accused on the ground that:

Firstly: Through the delay in getting his uniform the accused was under the impression that he did not come under military law.

Secondly: He left on compassionate grounds for the reason given in his evidence;

Thirdly: He stayed away for the length of time shown due to nervousness as to what would happen to him on his return.

All the accused wants now is to be given another chance to become a good soldier.

1. The proceedings in the m/n case have now been confirmed and promulgated and are forwarded to you herewith for registration and safe custody.

2. The following irregularities are noted in the proceedings and have been drawn to the attention of the officers concerned for their future guidance:-

(a) It is noted that the time of departure of the accused is only proven by the verbal evidence of Sgt. Philpott. It would have been preferable if some more precise evidence had been available to fix the hour.

(b) Exhibits "H" and "I", the extracts from the Part II Orders, should show the heading and the ending of the order as well as the extract therefrom.

(c) In the second charge, it would have been preferable if only the particular category of goods charged against the accused had been set out.

Reference your H.Q.C.55-H-344(A.D.1) dated 5th April, 1943, asking for a report as to delays in connection with the m/n District Court-Martial.

2. This Headquarters has now received the following report from the Officer Commanding, A-1, C.A.T.C.:

"1. The witness in question was C.278 A/Sgt. S.H. Reid of "C" Training Battery.

2. He was actually absent for a period of only five or six days, on a compassionate leave because of the illness of his wife, but owing to a misunderstanding, the Legal Office of this Unit was not informed promptly of his return to duty and this resulted in a further delay of approximately three days before the Summary of Evidence could be completed.

3. The balance of the delay from 12 February, 1943 to 6 March 1943 resulted from the fact that there were several other cases for trial by District Court-Martial in the course of preparation at the same time as well as a large amount of other legal work."

Re: District Court-Martial,
F.25234, Gnr. Harris, S.A.
A-1, C.A.T.C., C.A.

1. Receipt is acknowledged of your P.6-0-H-584 dated the 23rd March 1943, under cover of which you forwarded for registration and custody the proceedings of the marginally noted District Court-Martial.

2. In addition to the irregularities referred to in your letter, the following have been noted:

(a) During the examination-in-chief of the second and third witnesses for the Prosecution, the Prosecutor asked several leading questions which were directed to the most material and vital portions of the evidence required to prove the case for the Prosecution. While there is no objection to leading questions in matters which are of little importance it is most improper to adduce evidence which goes to the root of the case for the Prosecution by means of leading questions.

(b) It has been noted that although the accused gave evidence himself, the Prosecutor failed to take the opportunity thus afforded of clarifying certain matters which might easily have removed all doubt, for instance, the accused might have been asked whether or not he acknowledged that the signature on the Warning Order was his signature and what his understanding of the Warning Order was at the time he did sign if in fact he signed.

3. It would appear that the Finding is supported by the evidence and the Sentence legal, and accordingly the proceedings are retained for custody.

District Court-Martial
F.95234, Gnr. HARRIS, S.A.
A-1, C.A.T.C., C.A.

The proceedings of the w/n District Court-Martial are forwarded herewith for registration and custody.

2. The Finding and Sentence having been duly confirmed, the Charge, Finding and Sentence were duly promulgated and extracted as appears from minutes endorsed upon the proceedings.

3. The following irregularities in these proceedings have been observed at this Headquarters and wherever possible have been brought to the attention of the Officers concerned.

(a) For the purpose of a trial by District Court-Martial it is considered preferable to omit any reference to the Battery to which the accused belongs in the medical certificate and to use the space provided for a more complete identification of his unit or attachment. The Medical Officer who signed the present medical certificate omitted to set out his unit or attachment.

(b) On page "B" the minute of adjournment and reassembly is shown after the swearing of the Court, Judge Advocate, Officers under instruction and shorthand writer in accordance with the procedure followed at this Camp, rather than in accordance with the instructions in the Handbook on Courts-Martial.

(c) The date of signing of the Charge Sheet has been omitted.

(d) The Statement of the reason for refusing the certified true copy of Part II Order A-1 on page C-3 does not appear to be entirely satisfactory in as much as subsequent evidence might have disclosed that it had a bearing. In the result however there was no evidence which would have made this document relevant.

(e) In the examination in chief of the Third Witness for the Prosecutor, Sgt. Reid, S.H. he is asked:

"And you can identify that signature on the Warning Order as having been witnessed by Captain Rogers and yourself?

It was not made clear in any preceding or following questions that "that signature" was the signature of the accused. There appears to have been other evidence which would justify the Court in refering that the accused did in fact sign the Warning Order. The question also is leading in form.

(f) The Warning Order is not strictly in accordance with the form prescribed by Routine Order 1877 para.12 and there was no evidence that any draft for which the accused had been warned had proceeded without him during his illegal absence. It is considered however that the ingredients of a charge of desertion to avoid special duty under Section 12 (1) (a) of the Army Act were established by the evidence.

"C5"

SECOND WITNESS FOR THE PROSECUTION; Captain Heber Symonds ROGERS, R.C.A., A-1 C.A.T.C., C.A., having been duly sworn, is examined by the Prosecutor;

Q. 5. Captain Rogers, you are 2 I/C "C" Training Battery A-1 CATC?

A. 5. Yes.

Q. 6. Are you acquainted with the accused, Gunner Harris?

A. 6. Yes; he was in our Battery.

Q. 7. Captain Rogers, do you recognize this document which I am handing to you?

A. 7. That is a Warning Order for Special Duty which was ~~instigated~~ initiated in our Battery.

Q. 8. Is that Warning Order for Special Duty in Canada or Overseas?

A. 8. Overseas.

Q. 9. By whom is it signed?

A. 9. It is signed by Gunner Harris and witnessed by myself and Sergeant Reid.

Q. 10. Attached to that Warning Order there is a nominal roll; was the Warning Order read to the soldiers whose names appear on that roll?

A. 10. The Warning was read to them and explained to them and the soldiers signed it in my presence and in the presence of Sergeant Reid.

Q. 11. And where did that take place?

A. 11. In the Recreation Room.

Q. 12. Do you remember the approximate time and date?

A. 12. Around the 17th December, around 1700 hours.

Q. 13. Was the order read to all the soldiers whose names appear on the list and who have signed it?

A. 13. The Warning Order was read to all those whose names appear on here.

Q. 14. Were they all warned at the same time or in groups?

A. 14. They were not all warned at the same time. They were warned in groups. One group was warned, and then another group. They were all warned before we left the Recreation Room.

Q. 15. Was there a roll called?

A. 15. The roll was called by Sergeant Reid.

Q. 16. Then, as I understand it, after the roll was called you read the Warning Order to the men?

Q. 19. And those are the signatures that appear on that document?

A. 19. Yes.

Q. 20. Would you produce that document to the Court as an Exhibit, Sir?

A. 20. Yes; I submit original Warning Order dated 17th December, 1942, in lieu of which I would ask the Court to accept a Certified True Copy of same.

Certified True Copy of Warning Order dated 17th December, 1942, received by the Court, read to the accused, marked Exhibit "N", signed by the President and attached to the Proceedings.

Q. 21. The meaning of this Warning Order was made clear to all present?

A. 21. It was explained to them that if they failed to come back after their leave, or if they went absent without leave they would be charged with desertion.

CROSS-EXAMINED BY THE DEFENDING OFFICER;

Q. 22. Were these men read the Warning Order individually or in a large group?

A. 22. In a group.

Q. 23. Approximately how many men were in a group?

A. 23. About 15 or 20.

Q. 24. How long did it take for each group?

A. 24. About 10 minutes.

Q. 25. And I take it that these men were read the Warning Order and that they signed it in 10 minutes?

A. 25. It would take longer than that, there were 2 groups.

Q. 25. I was just wondering; 2 groups, one coming in 10 minutes after the other. Rather fast isn't it?

A. 25. About 10 minutes, I would not say.

Q. 26. This was in the Recreation Room?

A. 26. Yes.

Q. 27. Were these men interrogated individually as to whether they understood it or were they interrogated "en masse"?

A. 27. They were all asked in a group, and they were given time to ask questions.

The witness withdraws.

APPENDIX "O"

THE PROSECUTOR ADDRESSES THE COURT

Mr. President and Members of the Court;

I don't think it is necessary to say very much as far as the charge of desertion is concerned. On one hand we have evidence that the Warning Order was read to the men whose names appear on the nominal roll attached to the order and that the accused was one of these men, and on the other hand we have the statement of the accused that he did not understand the significance of the Warning Order and that he was not paying strict attention at the time it was read.

I think that, in the circumstances, I won't elaborate on the evidence; I will just leave it before the Court as it stands.

H.G. Greenwood L-Col.
President NCM

APPENDIX "P"

THE DEFENDING OFFICER ADDRESSES THE COURT

Mr. President and Members of the Court;

I would like to quote from the Warning Order; "The undermentioned personnel are warned for Special Duty overseas to proceed at any time after .....1942. Any of the undermentioned personnel who go on leave or furlough are liable to be notified to return to this Unit at any time. Notice to return cancels any leave or furlough. Notice will be sent by telegraph or registered letter to the address on leave of the soldier concerned and personnel undermentioned, must keep in touch with such address. Any of the undermentioned personnel who have a notice to return sent to their address on leave and do not return by the date stated in such notice, will be absent without leave. Any of the undermentioned personnel who are absent without leave at any time after today will be liable to be charged with desertion."

That is the context of the Warning Order read to the men; men in groups of 20, and the warning of that Warning Order is a form difficult for men of slow intelligence to follow. It was read to them at 1700 hours, which is the men's meal time, and therefore they were probably in a hurry.

The desertion clause is the last clause and is the least stressed of the entire clauses, and in this Warning Order I notice no other clauses. I have been present when personnel have been warned for Special Duty and one clause always contained in the Warnings I have heard is, "the above order has been read to me and is understood by me." That clause is not there on this order.

When the man got home he found out that the farm needed repair, and when he was apprehended he was in full military uniform.

Approved President

I did not ask for an extension of my pass because I thought that I would not get it. I would like to get my discharge after doing my sentence Sir.

Q. 9 Would you point him out?

A. 9 The witness pointed to the accused.

Q. 10 Did you see the accused on the afternoon of the 9th. of March, 1943?

A. 10 Yes Sir.

Q. 11 Will you please relate the circumstances to the Court?

A. 11 At approximately 1500 hours on the afternoon of the 9th. Cpl. Hamer came into the detail office and asked me to tell Lieut. Tanner that he would not be taking the detail given him. I gave Lieut. Tanner this message and at approximately 1700 hours he had me send for Cpl. Hamer, and when Cpl. Hamer came to the detail office Lieut. Tanner gave him the order and he again refused. As near as I can remember Lieut. Tanner said: "Cpl. Hamer you will take the Plymouth on the recruiting trip and be ready to leave at

A. 1 Continued. 1400 hours tomorrow". Cpl. Hamer's answer was "I refuse to go, Sir".

Q. 12 Those were the words used by the accused?

A. 12 Yes Sir, as near as I can remember. Cpl. Hamer and Lieut. Tanner left the detail office and Lieut. Tanner came back to tell me to have Cpl. Tozer to stand by for the same detail. I gave Cpl. Tozer the order.

Q. 13 Was the duty detail mentioned carried out on the 10th. of March by the accused?

A. 13 No Sir.

Q. 14 By whom was it carried out?

A. 14 By F-77618 Cpl. M.J.Tozer, No. 6 District Coy., R.C.A.S.C.,(CA).

CROSS-EXAMINED BY DEFENDING OFFICER.

Q. 15 When did you originally detail the accused and how did you detail him?

A. 15 It was at approximately 1300 hours on the 9th. that Cpl. Hamer came into the office and I told him that Lieut. Tanner had sent down word that he was to go on a recruiting trip.

Q. 16 Previous to your detailing him was anyone else mentioned?

A. 16 Cpl. Mahaffey's car was going, but she was not mentioned as the driver.

Q. 17 Was the accused questioned by Lieut. Tanner in your presence as to why he did not want to go on this detail?

A. 17 No Sir.

Q. 18 He was not asked the reason?

A. 18 No Sir.

Q. 19 There were other available drivers for this were there?

A. 19 Yes Sir.

Q. 20 Did Lieut. Tanner tell you to tell Cpl. Hamer that he had until 1400 hours the next day?

A. 20 Yes Sir.

THE PROSECUTOR DECLINES TO RE-EXAMINE.

QUESTIONED BY THE COURT.

Q. 21 Did you, in fact, tell Cpl. Hamer that he had until 1400 hours?

A. 21 Yes Sir.

Q. 22 When, approximately?

A. 22 I cannot remember.

Q. 23 Was it that day?

A. 23 I believe it was after supper.

R.P. 83 (B) HAS BEEN COMPLIED WITH.

THE WITNESS WITHDRAWS.

Second Witness for Prosecution. Lieut. C.W.W.Tanner, No. 6 District Company, R.C.A.S.C., (CA), being duly sworn, is examined by the Prosecutor.

Q. 24 In what capacity are you employed with your Unit?

A. 24 I am employed as officer in charge of M.T.

Q. 25 Do you know the accused?

A. 25 I do.

Q. 26 Can you identify him in Court?

A. 26 Yes Sir.

Q. 27 Point him out?

A. 27 The witness pointed to the accused.

Q. 28 Did you see the accused on the afternoon of the 9th. of March, 1943?

A. 28 I did.

Q. 29 Did you speak to him?

A. 29 I did.

Q. 30 What did you say?

A. 30 Pte. Moore who acts for me in the detail office in giving details to drivers had been given instructions by me that Cpl. Hamer was to take a certain detail. She advised me that he had refused. I then went down to the detail office at about 1700 hours. Cpl. Hamer was not there and I had him sent for. When Cpl. Hamer came in I instructed Cpl. Hamer to take this certain detail.

Q. 31 What was the nature of the duty ordered to be performed?

A. 31 Lieut.-Col.Saunders, who is District Recruiting Officer, was taking a four-day trip and I had ordered Cpl. Hamer to drive a Plymouth staff-car for Lieut.-Col. Saunders while on this trip.

Q. 32 That Plymouth staff-car, is that a D.N.D. vehicle?

A. 32 Yes Sir. M. 42-283. The reason why I picked Cpl. Hamer was due to uncertain weather and road conditions. Cpl. Hamer is one of my best drivers.

Q. 33 Will you give the Court, as exactly as possible, the words used in giving this detail to Cpl. Hamer?

A. 33 When Cpl. Hamer came into the detail office I said : "Cpl. Hamer you will take Cpl. Mahaffey's car and drive Lieut.-Col. Saunders on his trip. You will leave here at 1400 hours on the 10th. and return sometime Saturday". Cpl. Hamer's reply was: "I refuse to do this detail, Sir". I asked for a reason and none was given. I then explained to him what would happen if he did not carry out the detail. On March 10th. at 1130 hours, due to the detail being changed from 1430 hours to 1200 hours, I had Cpl. Hamer sent up to my office. I again gave Cpl. Hamer the order as before to carry out the mentioned detail at 1200 hours.

Q. 34 At what time did you give him this second detail?

A. 34 At approximately 1130 hours.

Q. 35 You gave him that detail personally?

A. 35 Personally. Major Chandler and S/Sgt. Lewis were in the office at the time.

Q. 36 What was his answer?

A. 36 "I refuse to do it, Sir", and again no reason was advanced.

Q. 37 Was he given an opportunity to carry out the detail ordered?

A. 37 He was again instructed what would happen if the order was not carried out, and that he had until 1200 hours to make up his mind.

Q. 38 Was the duty detailed carried out on the 10th. of March by the accused?

A. 38 No Sir. It was not.

Q. 39 By whom was it carried out?

A. 39 It was carried out by Cpl. Tozer.

Q. 40 Was the detail ordered to be performed by Cpl. Hamer one within his regular military duties?

A. 40 Yes Sir.

CROSS-EXAMINED BY DEFENDING OFFICER.

Q. 41 Is the accused a Sub-section N.C.O. in the M.T. Section?

A. 41 Yes Sir. Sub-section N.C.O's are detailed to look after the sub-section personnel, vehicles, and when short of drivers they act as drivers. Under normal operating conditions they are responsible for road-patrol.

Q. 42 Are you aware that, in your absence on a course, four sub-section N.C.O's were notified by Capt. Hall, D.S. & T.O. Officer that they were not to drive?

A. 42 No. I do not think Capt. Hall would issue such an order as all personnel of an M.T. Section are drivers.

Q. 43 You say all personnel of an M.T. Section are drivers, do they all drive, are they all sent on details?

A. 43 If the necessity arises they are all liable for that duty.

Q. 44 To your knowledge, were Cpl. Mahaffey or Pte. Schwartz notified that they would go on this detail previous to Cpl. Hamer being notified?

A. 44 No, because as noted in my previous evidence I would not permit a C.W.A.C. to take the detail due to uncertain weather conditions and bad road conditions.

Q. 45 You said a few minutes ago that at 1700 hours on the 9th. of March the accused personally told you that he would refuse to carry out this detail?

A. 45 No he did not say he would refuse, he stated definitely "I refuse to do this detail".

Q. 46 Did you question the accused at that time as to why he would not carry out this detail?

A. 46 After I told him what that attitude would bring forth I went outside with him and asked if he had any reason for refusing to do the detail.

Q. 47 When the accused was paraded to you at 1130 hours the following morning, the 10th, did you ask him then why he refused?

A. 47 The accused was not paraded before me the following morning.

Q. 48 When you sent for the accused at 1130 hours on the next day and you told him to go on this detail and he again refused, did you ask him why?

A. 48 I asked him if he had any reason.

Q. 49 I am reading from the summary: "I had Cpl. Hamer sent for and when he arrived at the detail office I have him the order myself and his reply was ""I refuse to do this detail"". No reason was advanced for the refusal". You told us a few minutes ago, that you asked him why?

A. 49 Yes, that's right, and I asked him again outside. If I remember rightly I asked Cpl. Hamer three times if he had any reason for his attitude towards this detail.

Q. 50 Were you in your office between 1140 and 1200 hours on the 10th?

A. 50 I was with Major Chandler and S/Sgt. Lewis.

Q. 51 Can you tell me why Cpl. Hamer was not paraded to you until 1205 hours?

A. 51 Because Major Chandler and I were busy.

Q. 52 Did anyone advise you that Cpl. Hamer was outside waiting for an interview?

A. 52 About twelve o'clock they told me about it.

QUESTIONED BY THE COURT.

Q. 53 You said that on the first occasion, when Cpl. Hamer did not wish to do the detail, that you went outside with him and you again asked him for a reason?

A. 53 Yes Sir.

Q. 54 Did he make any reply?

A. 54 He said something that he did not think he should drive. I said "all N.C.O's have to drive vehicles".

Q. 55 How long before this detail was it that Cpl. Hamer last drove, how long a time had elapsed?

A. 55 It might have been a few hours, or it might have been a day. I cannot say that he had a detail before, that he was detailed to do a duty before, but in the course of his duties he was driving vehicles around the park here.

Q. 56 To your knowledge, had he done a detail of a similar nature?

A. 56 I cannot say.

Q. 57 Did Cpl. Hamer mention to you that he had been ordered by the D.S. & T.O. not to drive?

A. 57 No Sir.

RE-EXAMINED BY THE PROSECUTOR.

Q. 58 Did Cpl. Hamer, on the 10th. of March, after twelve oclock finally advance a reason as to why he did not wish to take the detail?

A. 58 After Cpl. Hamer was placed under close arrest he advanced the reason that he expected to move on Saturday, which I believe was the 13th. of March. My reply was: "why did you not give that reason when I asked you before, instead of coming out with a flat refusal".

QUESTIONED BY THE COURT.

Q. 59 Did you know, prior to this time that Cpl. Hamer was planing to move?

A. 59 No, I did not. I believe it was 1205 hours on the 10th.

Q. 60 You did find out, though, while it was still time to carry out the duty?

A. 60 No I did not. The detail had to leave here at approximately 1150 hours and after Cpl. Hamer had been put under close arrest he stated that he expected to move on Saturday.

R.P. 83 (B) HAS BEEN COMPLIED WITH.

THE WITNESS WITHDRAWS.

Third Witness for Prosecution. F-92750 Sgt. (A/S/Sgt.) D.F. Lewis, No. 6 District Company, R.C.A.S.C., (CA), being duly sworn, is examined by the Prosecutor.

Q. 61 In what capacity are you employed with your Unit?

A. 61 M.T. accountant.

Q. 62 Do you know the accused?

A. 62 Yes Sir.

Q. 63 Can you identify him in Court?

A. 63 Yes Sir.

Q. 64 Point him out?

A. 64 The witness pointed to the accused.

Q. 65 Did you see the accused on the morning of the 10th. of March, 1943?

A. 65 Yes Sir.

Q. 66 Were you alone?

A. 66 I was with Major Chandler and Lieut. Tanner.

Q. 67 Will you relate the circumstances to the Court?

A. 67 At approximately 1130 hours on the 10th. of March I was in the M.T. office in the presence of Major Chandler and Lieut. Tanner. Lieut. Tanner gave Cpl. Hamer a detail to perform at 1200 hours. He refused to do so.

Q. 68 Can you, as nearly as possible, give us the exact words used?

A. 68 As near as I can remember, "I refuse to do it".

Q. 69 What happened after that?

A. 69 He was told to go on the detail at 1200 hours and if he had not gone at 1205 hours he was to be put under close arrest.

Q. 70 What did happen?

A. 70 I had gone out in the yard for some duty and when I came back at approximately 12 o'clock Sgt. Bowser and Cpl. Hamer were in the office. Cpl. Hamer said: "I would like to be paraded before Lieut. Tanner".

Q. 71 Was he?

A. 71 Yes Sir. Lieut. Tanner was on the phone at the time. I paraded Cpl. Hamer into his office.

Q. 72 Did you remain there?

A. 72 I remained there.

Q. 73 What conversation did you hear?

A. 73 I heard Cpl. Hamer give the excuse that he was moving and that was his reason for not going on the detail

CROSS-EXAMINED BY DEFENDING OFFICER.

Q. 74 In your presence, before the time you paraded the accused to Lieut. Tanner before 1205 on the 10th., did Lieut. Tanner ask him why he did not want to go.

A. 74 Not to my knowledge.

Q. 75 You left the office shortly after 1130 to go to the garage?

A. 75 Yes Sir.

Q. 76 You saw the accused there?

A. 76 Yes Sir.

Q. 77 Did you not then tell him that he was being unwise in not advising Lieut. Tanner why he did not want to do this detail?

A. 77 I told him he should either go on the detail at 1200 hours or be paraded and give an excuse.

Q. 78 Did the accused ask you to parade him then?

A. 78 No Sir. I told him if he decided to be paraded to see Sgt. Bowser and be paraded in case I was not there, or otherwise go on his detail or he would be put under close arrest at 1205 hours, if he had not carried out this detail.

Q. 79 Do you know how long Sgt. Bowser was waiting in the outside office to see Lieut. Tanner?

A. 79 No Sir, I do not.

Q. 80 You came up shortly before twelve o'clock and immediately paraded him in?

A. 80 No Sir. Lieut. Tanner was busy in the office. He was on the phone.

Prosecution Defence

Submission of no prima facie case by Defending Officer.

Mr. President and gentlemen of the Court.

The Defence moves that the charges against the accused be dismissed on the grounds that the accused was not given an opportunity to carry out the order, as he paraded to see his officer prior to 1200 hours on the 10th. of March, 1943, the hour at which his Commanding Officer had told the accused he would be placed under close arrest. Page 18 of M.M.L. para. 11, reads in part as follows:-- "If the command is to turn out for parade in half an hour, then, until the expiration of that time, no offence of disobedience to a lawful command can be committed". It is the contention of the Defence that if any charge should have been made against the accused it should have laid under another section of the Army Act.

R.P. 83 (B) HAS BEEN COMPLIED WITH.

JOHN

"H".

Closing address by the Defending Officer.

Mr. President and gentlemen of the Court.

It is now my privilege to address the Court in the interest of the accused. I move for the acquittal of the accused as charged on the grounds that there is no evidence before this Court proving that the accused was given the opportunity to carry out the order prior to the time at which he was to be placed under close arrest. The Defence contends that had the Prosecution carried out their duties to the accused, in guarding him against the commission of crime, as competently as they now prosecute him, he would not have found himself in this Court on these charges today. The accused joined No. 6 District Company, R.C.A.S.C., (CA) on the 1st. of May, 1940 and since that time, almost three years, his conduct has been exemplary.

Gentlemen, the leniency which is yours to exercise in this case I beg for. In view of the evidence which has been produced by the Defence it is felt that this case warrants the leniency which it would receive in any British Court.

R.P. 83 (B) HAS BEEN COMPLIED WITH.

"I". John D. McIntyre in his President Dlm

Closing address by the Prosecutor.

The accused is charged under Section 9 (1) or in the alternative under Section 9 (2) of the Army Act. In order to establish the offence under Section 9 the Prosecutor has depended principally upon the evidence of the officer who issued the command personally, that is Lieut. Tanner, the officer in charge of Mechanical Transport. The order was given to Cpl. Hamer personally on two occasions by Lieut. Tanner. Namely; shortly after 1700 hours on the 9th. of March, 1943, and again at approximately 1120 hours on the 10th. of March, 1943, and he flatly refused both times to carry out the detail and offered no explanation. This was substantiated by the accused's testimony. It is submitted that the disobedience was immediate or proximate to the command, and actual non-compliance with the order has been proved. The accused himself said in his evidence that the reason he refused to carry out the order was because he had too much on his mind. He also said that he had to move and that his wife was going to have a baby. Later in his testimony he stated that he had been married about three months. He had ample opportunity from the time he was first ordered to take this detail and before the detail moved off, to explain his pressing home circumstances, if they were such, to his officer. It is submitted by the Prosecution that from the evidence given before this Court that Cpl. Hamer is guilty of disobeying in such a manner as to show a willful defiance of authority, a lawful command given personally by his Commanding Officer in execution of his office as set out in Section 9, sub-section 1 of the Army Act.

R.P. 83 (B) HAS BEEN COMPLIED WITH.

SUMMARY OF EVIDENCE

in the case of

No. F-92733, Corporal Clifford William HAMER, No. 6 District Company, R.C.A.S.C. (CA), a soldier of the Canadian Army placed on active service.

CHARGES- 1. Disobeying in such a manner as to show a wilful defiance of authority, a lawful command given personally by his superior officer, in the execution of his office.

2. (Alternative)
When on active service disobeying a lawful command given by his superior officer.

The Commanding Officer directs that the evidence be taken on oath.

W-6301, Private Babcock, M.H., C.W.A.C., is duly sworn as shorthand writer.

FIRST WITNESS No. W-6010, Private Moore, R., C.W.A.C. attached to No. 6 District Company, R.C.A.S.C. (CA), having been duly sworn states:

"I was asked by Corporal Hamer at approximately 1530 hours on the 9th., March, 1943 to tell Lieutenant Tanner that he would not be taking the detail given him. I did this when I saw Lieutenant Tanner at approximately 1700 hours. Lieutenant Tanner then told me to send for Corporal Hamer. When Corporal Hamer came down to the Detail Office he was again given the order by Lieutenant Tanner and he again refused. I was then told by Lieutenant Tanner to have Corporal Tozer stand by for the same detail. Corporal Hamer then left the Detail Office and Lieutenant Tanner told me to tell Corporal Hamer that he had until 1400 hours the following afternoon, which was the original time of the detail, to change his mind at which time he wanted to see Corporal Hamer in his office if he did not go on this detail. I gave Corporal Hamer this message.

Question by Lieutenant Lang:
When you gave this message to Corporal Hamer did he realize that it was an order from Lieutenant Tanner.

Answer:
He thought at first that I was kidding but later realized that it was an order from Lieutenant Tanner.

The accused declined to cross-examine this witness.

R. Moore

R. Moore Private

SECOND WITNESS

Lieutenant C.W.W. Tanner, No. 6 District Company, R.C.A.S.C. (CA), having been duly sworn, states:

"At approximately 1700 hours the 9th., March, 1943, Private Moore advised me that Corporal Hamer had refused a detail that she had given him. I had Corporal Hamer sent for and when he arrived at the Detail Office I gave him the order myself and his reply was "I refuse to do this detail". No reason was advanced for the refusal. I then explained to him that he had until the time of the detail on the following day to change his mind but if he still insisted in his refusal he would be put under close arrest and would be liable for Court Martial.
At approximately 1120 hours on the 10th., March, 1943 I had Corporal Hamer sent to my office as the hour of the detail had been changed to 1200 hours. In the presence of Major C.M. Chandler and Staff-Sergeant D.F. Lewis I again gave Corporal Hamer the detail and he refused to carry it out.
At approximately 1205 hours Corporal Hamer was paraded to my office at his own request to give as a reason for not filling the detail that he was moving his furniture on Saturday, 13th., March.
He was then placed under close arrest.
The detail in question was to drive a Staff Car for the District Recruiting Officer over a period of four days. Defiance of this order necessitated the filling of the detail by another soldier, Corporal Tozer." This order was in Corporal Hamer's line of duty as an M.T. Driver and was given by me as Officer in charge of M.T.".

The accused declined to cross-examine this witness.

C.W. Tanner, Lieutenant.

THIRD WITNESS

No. F-92750, Sergeant (A/S/Sgt) D.F. Lewis, No. 6 District Company, R.C.A.S.C. (CA), having been duly sworn states:

"I am employed in the M.T. Section of No. 6 District Company and was in the presence of Major Chandler and Lieutenant Tanner at approximately 1130 hours on the 10th., March, 1943 when Lieutenant Tanner personally gave Corporal Hamer an order to perform a detail at 1200 hours that day. Corporal Hamer refused to perform this detail. At approximately 1205 hours Corporal Hamer was paraded to the M.T. Office at his own request. I paraded him in to Lieutenant Tanner where he gave his reason for not doing this detail but at that time another driver had gone on the said detail."

The accused declined to cross-examine this witness.

D.F. Lewis, A/Staff-Sergeant.

FOURTH WITNESS

Major C.M. Chandler, No. 6 District Company, R.C.A.S.C. (CA), having been duly sworn, states:

"I am Major C.M. Chandler, Officer Commanding, No. 6 District Company, R.C.A.S.C. (CA). At approximately 1110 hours, 10th., March, 1943, Lieutenant Tanner told me that he had given Corporal Hamer an order to be performed at 1200 hours, 10th., March, 1943 and that Corporal Hamer had told him he refused to do as he was told. He desired to place a charge against Corporal Hamer under Army Act Section 9(1). I told him that this was a Court Martial charge and that Corporal Hamer must be given the opportunity to carry out the order at 1200 hours. I instructed that Corporal Hamer be paraded before me at once to insure that there was no misunderstanding.
At about 1125 hours the same date, Corporal Hamer came into Lieutenant Tanner's office. Lieutenant Tanner and Staff Sergeant Lewis were present. I told him of the order to be carried out at 1200 hours and he replied that he would not do so. I said he would do as he had been ordered by Lieutenant Tanner at 1200 hours, again he repeated he would not do so. I dismissed him at about 1132 hours, saying that failure on his part would result in action by me at 1200 hours. There followed a short conversation with Lieutenant Tanner and watches were synchronized with Atlantic Command Signals at 1134 hours.
At about 1200 hours Corporal Hamer was waiting to be paraded at his own request. At 1205 hours he stated his reason for non-compliance was his intention to move on Saturday afternoon 13th., March, 1943.
I said his personal affairs did not justify a wilful defiance of a lawful command, and that he was forthwith under close arrest and that a Summary of Evidence would be taken after dinner. I ordered Staff Sergeant Lewis who was present, to place Corporal Hamer under close arrest.
At about 1400 hours the same date I contacted Lieutenant A.D. Lang, No. 6 District Company, R.C.A.S.C. (CA) and directed him to prepare a Summary of Evidence.

The accused declined to cross-examine this witness.

C.M. Chandler, Major.

Question to the Accused:
Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

Answer by the Accused:
I have nothing to say.

Question to the Accused:
Do you wish to call any witnesses?

Answer by the Accused:

Q- 7. As I
1941

the army will you state so now what those reasons were?

A- 7. Well, the reason is that when I went home to Timmins on leave from Brantford I met my girl friend and we had been engaged for about two years and she had become pregnant and we didn't want to disgrace our families - we are both from good families - and I had to do something. I was born out West and I was sure that I could get work there, so I went out West for the harvest and I had her go to Toronto and stay there. I couldn't stay in Timmins, I was too well-known and it would have been out immediately. When I was out West about a week I was apprehended and taken into custody in Regina, No. 12 District, and there I was sentenced to 27 days and I did my detention there and then I was sent back to report here but I didn't do so, I stopped in Toronto and got a job and looked after the girl the best I could. By that time I couldn't ask the girl to get married, not in the condition she was in.

Q- 8. To get this clear; you went out West to earn money to keep the girl. Is that what you mean?

A- 8. Yes sir.

Q- 9. That is what you are saying?

A- 9. Yes sir.

Q- 10. And you were apprehended out West and served detention for being A.W.L.?

A- 10. Yes sir.

Q- 11. And then you were sent back to No. 20 C.A.(B)T.C.?

A- 11. Yes sir.

Q- 12. You were given transportation, were you?

A- 12. Yes sir.

Q- 13. Were you sent back without an escort?

A- 13. Yes sir.

Q- 14. And instead of returning to No. 20 C.A.(B) T.C. you went right on to Toronto?

A- 14. Yes sir.

Q- 15. And your purpose in going on to Toronto was what?

A- 15. To take care of the girl, sir.

Q- 16. She was there at that time and she was pregnant?

A- 16. Yes sir.

Q- 17. Why at that time did you feel you could not go back to No. 20 C.A.(B) T.C.?

A- 17. Well, the reason I didn't go back to No. 20 C.A.(B)T.C. was that I couldn't get married in the condition she was in because it showeda lot and she couldn't work to keep herself and until the birth of the baby it was impossible to leave her alone without anything for her keep, so it was the only thing I could do.

Q- 18. I understand that you didn't go back at that time because she was quite far gone in pregnancy and you felt that you had to do something about keeping her?

A- 18. Yes sir.

Q- 19. So following that what did you do? Did you live together or did you keep her or what happened?

A- 19. Following that I got myself a job and I kept her and I got a room for her and a room for myself and I paid that off.

Q- 20. That is all prior to the birth of the child?

A- 20. Yes sir.

Q- 21. And I think you said at that time you didn't take her before a Minister, one reason being that she was obviously pregnant and neither of you liked the idea?

A- 21. Yes sir.

Q- 22. Was there any other reason you felt you could not get married?

A- 22. Well, at that time, no.

Q- 23. The only reason you can think of you didn't wish to get married at that time was your appearance at the ceremony with her in that condition?

A- 23. Yes sir, and ashamed, sir.

Q- 24. Did you think about the pay allowance?

A- 24. Yes sir, if I had got married before that, before coming back into the army, I would have had to get my Superior Officer's permission and she probably wouldn't have got her allowance until six months after I had been back into the army and that would be too long.

Q- 25. Did you take the trouble to inquire into that at the time?

A- 25. Yes sir.

Q- 26. Did you go to anybody and ask about that or was that from your own working knowledge of it?

A- 26. No sir, I asked that - I asked some who had had experience.

Q- 27. As to whether if you married, what then?

A- 27. Yes sir, if I married without the Commanding Officer's permission she would lose her allowance for six months.

Q- 28. That was to the best of your knowledge at that time?

A- 28. Yes sir.

Q- 29. Coming further on - when was the child born?

A- 29. The child was born on June 26th.

Q- 30. On the 26th of June of what year?

A- 30. 1942.

Q- 31. And what did you and the girl in question do subsequent to the birth of the child? What did you and the girl do after the child was born?

A- 31. Well she came back after she was out of the hospital and I took her to her room and I worked and tried to pay the bills, sir.

Q- 32. Was she long in the hospital?

A- 32. She was 18 days in the hospital, sir.

Q- 33. Was there anything unusual about the birth of the child?

A- 33. Yes sir, it wasn't a natural birth, it was Caesarian.

Q- 34. She had an operation for the birth of the child?

A- 34- Yes sir.

Q- 35. What was your intention when the child was born?

A- 35. My first intention, as soon as the child was born and she was well enough I was going to return to the army and get things straightened out, but it didn't turn out that way. as she couldn't work for a year after, that is what the Doctor told her and she was very weak and there was no chance of her going to work and working until I was free to go back and marry her and she would get her allowance and so I had to stay and keep on working.

Q- 36. You say there was trouble at the birth of the child and following that she was in a very weak condition and you felt that you couldn't leave her then?

A- 36. Yes sir.

Q- 37. Did you register the birth of the child?

A- 37. Yes sir.

Q- 38. In whose name did you register it?

A- 38. In my name, sir.

Q- 39. Can you give us the full name of the child?

A- 39. Joseph Dennis Ivan Hamelin.

Q- 40. And when did the girl recover from the operation? I suppose that is an ambiguous question - it was probably a gradual process?

A- 40. Yes sir.

Q- 41, Did she get work after the birth of the child?

A- 41. No sir, not after the birth of the child.

Q- 42. At no time afterwards?

A- 42. She got work when the child was about 6 months.

Q- 43. About 6 months after the child was born she went to work?

A- 43 Yes sir.

Q- 44. You said that the doctor said she would not be in a position to work until about a year?

A- 44. Yes sir.

Q- 45. How long did you stay with her after she obtained work?

A- 45. After she obtained work I stayed about two months and came back.

A- 46. Why did you feel it necessary to stay with her after she obtained work?

A- 46. After she started to work she didn't earn very much, not to pay the hospital and doctor's bills and keep herself and the baby and I couldn't leave her holding all that load.

Q- 47. Did you pay on some of those bills?

A- 47. Yes, I paid the doctor and the hospital and the hospital I still owe money.

Q- 48. How much is owing now?

A- 48. Around $35.00.

Q- 49. Can you give us an idea, roughly, a rough estimate, how much was owing to the hospital and the doctor and for medicine involving the birth of the child?

A- 49. The hospital bill was $94.00; the doctor's bill was $90.00 and the anaesthetic was $10.00.

Q- 50. After having seen her back to work and fairly well cleaned up with the bills,except possibly $35.00, then you did what?

A- 50. Well, after that I felt and she felt that she could carry on until she was free, until we were free to be married.

Q- 51. You felt she was on her feet enough then?

A- 51. Yes sir.

Q- 52. So what course did you follow then?

A- 52. I gave myself up to the military police.

Q- 53. Do you and the girl intend to get married?

A- 53. Yes sir.

Q- 54. When?

A- 54. As soon as possible, sir.

Q- 54. As soon as possible?

A- 54. Yes sir.

Q- 55. If you thought you were going to get detention why didn't you get married after the birth of the child and before you gave yourself up?

A- 55. After the birth of the child, I was A.W.L. a long time and I knew that I was going to get detention and probably quite a long term, maybe, and I couldn't marry her without the Commanding Officer's permission and I had read in the papers that anybody getting married, or of marrying age, would have to go to the Selective Service Board and report it to the Selective Service Board and I thought in doing that that I would draw attention to myself and be apprehended.

Q- 56 So you decided it was in the best interests of the girl if you didn't marry her then, that you wait until some later date?

A- 56. Yes sir. I wanted to know what the army would do with me first.

Q- 57. So that everything you did was because you felt an obligation towards this girl?

A- 57. Yes sir.

Q- 58. Was that the sole reason for you going A.W.L.?

A- 58. Yes sir.

Q- 59. And the reason that you stayed away so long?

A- 59. Yes sir.

CROSS-EXAMINED BY THE PROSECUTOR:

Q- 60. Hamelin, when the child was born was it a normal nine months baby?

A- 60. It was late, sir - 20 days late.

Q- 61. So you have told your Defending Officer that the child was born on June 26th, 1942?

A- 61. Yes sir.

Q- 62. If the child was a normal nine months baby, ignoring

the fact of the 20 days, then conception must have taken place in the summer, around the date of September 26th, 1941; is that correct?

A- 62. Yes sir.

Q- 63. That would be around nine months?

A- 63 Yes sir.

Q- 64. Will you tell the Court the date you first went home from the Brantford Training Centre to Timmins and found this girl in a pregnant condition?

A- 64. I cannot remember that.

Q- 65- Approximately - I don't want to tie you down too close.

A- 65. It was September sometime

Q- 66. September of 1941?

A- 66. Yes sir.

Q- 67. Then if the conception took place on the 26th of September and you went home in September then it is at least logical that she would not be showing very much at that time?

A- 67. Yes sir.

Q- 68. She would not be showing at all?

A- 68. No, not very much.

Q- 69. Would it be that the conception took place at the time you went home, that you first left? Did you have intercourse with her during that time?

A- 69. Yes sir.

Q- 70. Is that the time she became pregnant?

A- 70. Yes sir.

Q- 71. So what you told in the Summary of Evidence was not true?

A- 71. I might have got mixed up.

Q- 72. I am not trying to confuse you, I just want the facts. Which is the fact, what you say in the Summary of Evidence or what you say now?

A- 72. What I say now.

Q- 73. What you say now is true?

A- 73. Yes sir.

Q- 74. So we will ignore what you say in the Summary of Evidence?

A- 74. Yes sir.

BY THE PRESIDENT:

Does he remember what he said in the Summary of Evidence.

CROSS-EXAMINED BY THE PROSECUTOR(Cont'd)

Q-75. Do you remember what was read over this morning?

A- 75. Yes sir.

BY THE PRESIDENT TO THE PROSECUTOR:

I think in fairness to the accused that you should read the part you are questioning.

BY THE PROSECUTOR:

Yes I will.

CROSS-EXAMINED BY THE PROSECUTOR(Cont'd)

Q- 76. You stated in the Summary of Evidence: "I admit that I was absent during the time charged, but the reson is that when I went home to Timmins, Ontario, on my first leave, and saw my girl friend, I saw that she was pregnant, and she was pretty far gone, showing." Do you remember saying that?

A- 76. Yes sir, but that is not what I meant.

Q- 77. You want to change that now?

A- 77. Yes sir.

Q- 78. That is not true?

A- 78. No, not what I said there.

Q- 79. The fact is that you did go home to Timmins on leave from Brantford and had intercourse with this girl?

A- 79. Yes.

Q- 80. And that is the time she became pregnant; is that correct?

A- 80. Yes sir.

Q- 81. How long after that was it that you took her to Toronto?

A- 81. I didn't exactly take her myself; I sent her to Toronto and I went West.

Q- 82. You arranged for her to go to Toronto?

A- 82. Yes.

Q- 83. Can you inform the Court as to the date?

A- 83. It was in December - I was out west then.

Q- 84. In December she went to Toronto?

A- 84. Yes sir.

Q- 85. And you went out West?

A- 85. Yes sir.

Q- 86. Could you not have married her at that time, before you went out West? She would not have been showing very much then, not in two or three months.

A- 86. We couldn't without giving ourselves away to our families and I didn't want to bring that disgrace on our families.

Q- 87. Wouldn't it have been better to have married her and you would have saved that?

A- 87. Yes, I realize that now.

Q-88. You made a mistake?

A-88. Yes sir.

Q-89. I am not trying to hurt you; I am just trying to bring out the facts before the Court. You said that you worked in a job in Toronto first?

A-89. Yes.

Q-90. Where?

A-90. For Mr. Goldthorpe, a carpenter.

Q-91. How long did you work for him?

A-91. Approximately one year or a little more.

Q-92. Did he know you were absent from the army?

A-92. No sir, he didn't know.

Q-93. You said to your Defending Officer, and I want to bring it out again, that the child was born on June 26th of 1942?

A-93. Yes sir.

Q-94. When was it, approximately, that the girl was able to be up and around?

A-94. You mean really able to be up and around?

Q-95. Able to go out?

A-95. It wasn't until about two months after that she could really walk and go down stairs.

Q- 96. That would be about August or September of 1942?

A- 96. Yes sir.

Q-97. That would give you several months from that time up until the day you surrendered yourself in February, 1943?

A- 97. Yes sir.

Q- 98. You didn't make any effort to obtain a marriage license to marry her, did you?

A- 98. No sir.

Q- 99. You could have come back to the army or surrendered yourself long before you did?

A- 99. No sir, I couldn 't.

Q- 100. It was possible but you didn't feel you wanted to.

A- 100. I could have given myself up at any time, yes, but she would have been on her own and couldn't do any work.

Q- 101. Therefore the only reason you didn 't, as you stated before, was that you wanted to look after the girl?

A- 101. Yes sir.

Q- 102. What were your intentions when you first went out West, when you first left the army, or what was your intention with reference to coming back to the army?

BY THE PRESIDENT:

Is that relevant? He is charged with absence without leave, not desertion.

BY THE PROSECUTOR:

I will withdraw that question.

CROSS-EXAMINED BY THE PROSECUTOR(Cont'd)

Q- 103. What are your intentions, just briefly, with reference to the girl? What do you want do do?

A- 103. Well, sir, as soon as possible I want to marry her and make things right - the way they should be.

Q- 104. Did you ever talk over with her the question of whether or not you should surrender yourself?

A- 104. Yes sir, many times.

Q- 105. What advice did she give you?

A- 105. She gave me the advice to do so, sir.

Q- 106. She wanted you to go back?

A- 106. Yes sir.

RE-EXAMINED BY THE DEFENDING OFFICER.

Q- 107. Did she advise you to go back before you did - sometime before you did?

A- 107. No, as a matter of fact we talked it over, sir, and we kind of balanced things up to see just how we stood and we decided that as soon as the moment, as soon as we were sure she would be all right, and the baby, I would give myself up.

Q- 108. You would give yourself up as soon as she and the baby were all right?

A- 108. Yes sir.

QUESTIONED BY THE PRESIDENT:

Q- 109. When were you supposed to have reported back to Brantford?

A- 109. December 16th, sir.

Q- 110. December 16th, 1941; that is the date you were charged with going absent from Brantford?

A- 110. Yes sir.

Q- 112. You told us about not being able to get married in Timmins when you first found out she was pregnant. What Church do you and the girl belong to?

A- 112. To the Catholic Church, sir.

Q- 113. Can you inform the Court of the practice as far as marriage is concerned. Is it announced in the Church?

A- 113. Yes sir, it is announced; it should be announced three weeks before the marriage takes place.

Q- 114. Did that part have something to do with the fact?

A- 114. Yes sir, I couldn't stay in Timmins, everybody

knew me there; I was well-known and I would be sure to be apprehended any day, sir.

Q- 115. Is there anything else that you wish to tell us or is that all?

A- 115. That covers it all.

BY THE COURT:

Q- 116. If this girl is working who is looking after the child?

A- 116. Her little sister, sir; she is staying with her.

Q- 117. Is it not known to the parents the condition she is in? Is your father and mother aware of it?

A- 117. Yes sir.

Q- 118. And her father?

A- 118. Yes sir, we let them know before I came back to the army.

Q- 119. Would the girl's father and mother be in a position to help her in an emergency, so far as money is concerned?

A- 119. No sir, not as far as money is concerned; they have nothing.

Q- 120. At the present time she is making enough to keep herself and the youngster and the sister?

A- 120. Yes sir.

-------- In the opinion of the Court it is not necessary to comply with R.P. 83(b).

A- 126. Yes sir.

Q- 127. After the time you became pregnant did the accused provide for your support?

A- 127. He did after December.

Q- 128. What did he do after December?

A- 128. He worked to keep me going.

Q- 129. Where did he keep you going?

A- 129. While I was here in Toronto.

Q- 131. Where was that?

A- 131. Here in Toronto.

Q- 132. For how long?

A- 132. He kept me until October or November - October, I think.

Q- 133. Did he stay with you after October?

A- 133. He did.

Q- 134. Did he help too?

A- 134. Yes he did.

Q- 135. Why do you say he helped you until October? What happened in October?

A- 135. I started to work.

Q- 136. You went back to work?

A- 136. Yes.

Q- 137. Was the accused working at that time?

A- 137. Yes he was.

A- 140. Yes, hospital and doctor bills

Q- 141. Who was paying them off?

A- 141. He was - my money had to dress myself.

Q- 142. And he was paying the bills?

A- 142. Yes sir.

Q- 143. Do you know how much?

A- 143. The Doctor was $90.00 and the hospital $94.50.

A- 146. Yes.

Q- 147. Did you ever discuss with him his returning to the army?

A- 147. Yes, I asked him to go back.

Q- 148. What was the result of your conversation with him about returning to the army?

A- 149. Yes I did.

Q- 150. Did you discuss marriage with him before the child was born?

A- 150. When I was pregnant - yes I did.

Q- 151. What was the result of that conversation?

A- 151. He was absent without leave at the time and couldn't get permission to be married.

Q- 152. Did you know what effect that would have on him or either of you if he didn't get permission?

Q- 153. You thought it would be an offence against him?

A- 153. Yes.

Q- 154. Did you discuss it again after the child was born?

A- 154. Yes.

Q- 155. And what happened then?

A- 157. Yes.

Q- 158. Did he contribute towards the bills and your support right up to the time he gave himself up?

A- 158. Yes.

Q- 159. Do you know when he gave himself up?

A- 162. Yes we did.

"The accused here present appeared on Part II Daily Orders No. 266, dated 17th December, 1941, as being posted to "D" Company, already produced as "Exhibit "D" in this case. As Company Sergeant-Major of "D" Company I called the Company Roll at 0945 hours on the morning of the 16th December, 1941. The accused did not answer his name. The roll was called daily by me and the accused did not answer his name, until the accused's name appeared on Part II Daily Orders number 9, dated 10th January, 1942, as being struck off strength, this Part II Daily Orders being produced previously as "Exhibit "G". I did not see the accused until 0900 hours, 11th February, 1943, when he appeared before his Company Commander ona charge of Absence Without Leave. Had the accused been at this Training Centre I would have seen him because it was my duty to know whether or not he was here, he being a member of my Company. The reason I can identify the accused is that he was in my Company prior to the time he went out west in August, 1941."

SUMMARY OF EVIDENCE

in the case of

B-61375 Trooper Gaetan HAMELIN continued

The accused declined to cross-examine this witness.

QUESTION TO THE ACCUSED

"Do you wish to make any statement or give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

ANSWER BY THE ACCUSED

"Sir, I wish to give evidence under oath.". The accused having been sworn states: "I admit that I was absent during the time charged, but the reason is that when I went home to Timmins, Ontario, on my first leave, and saw my girl friend, I saw that she was pregnant, and she was pretty far gone, showing, and as we both came from good families we were ashamed to get married in Timmins. So I took her with me to Toronto and left her in Toronto with some money. Then I went out west for the harvest season. I was not dressed in uniform but took my uniform with me. I was out west about three weeks in Fillmore, Saskatchewan and I was apprehended as an absentee without leave in Regina, Saskatchewan, and served 27 days detention there. Then I was sent back to Brantford, but I did not report to Brantford. I came back alone on the train but instead of reporting to Brantford stayed in Toronto. My girl friend was sick and it turned out to be worse than I thought. She had to go to the hospital to have an operation and I had to pay the hospital and doctor bill. I have not quite finished paying the hospital bill yet. I owe about $30.00. The girl and the child are now living in Toronto and I want to marry the girl as soon as I am free and give the child my name. The child is now seven months old. My girl friend and I decided that the right thing for me to do would be surrender myself to the military police at No. 2 Dist. Depot and I did on 4th February, 1943. I now feel that I must pay my price for going absent without leave and after this is done I wish to obtain my Commanding Officer's permission to marry this girl and look after her as my wife and give the child my name, being his father.

CLOSING ADDRESS BY THE DEFENDING OFFICER RE MITIGATION.

Sir, There is nothing much more I I can say that has not come out in the evidence but I would like to try to crystallize it before the Court, as I see the story in my own mind.

This man started out by bringing in evidence of two offences prior to the offence with which he is charged now and both are for being absent without leave and the first one was approximately one month before his second charge of being absent without leave and nothing has been said about that, but he was convicted of the same and served his punishment, but I brought in the fact in the accued's own evidence that he was absent without leave a second time, and that was the time immediately prior to the offence with which he is now charged and I brought that in for the purpose that these two charges will undoubtedly be considered in assessing the sentence which the accused man will undoubtedly receive, but the second of the offences is inextricably tied up with the charge he is now facing, because it was in September 1941 that he first discovered Miss Lerocque was pregnant and it seems that at no time he denied or assumed that anybody other than himself was the father of the child; he took full responsibility from the moment he found that out and he then went out west to try and earn money to keep the girl and the coming child and he was apprehended out west and served time out there and brought back and that was the second charge which I referred to a few moments ago, the time he was apprehended in Alberta, I think it was, and brought back after having served his sentence, but the reason for having gone absent without leave was the same reason that he never returned after serving his sentence and he was charged with the present charge.

"K-3"

Now he has been away a considerable length of time, something over a year, but during that time he has devoted his whole energy towards working and supporting the girl that he had unfortunately become entangled with. It seems that he has supported her to the best of his ability, first through her time of pregnancy and, secondly, after the child was born and, as he has stated himself, there was a lot more trouble in having the child than normally occurs and they were met with large bills and he didn't feel that before February 4th, 1943, that he could possibly leave her to look after herself and child as she was incapable prior to that time of looking after herself but the moment he felt he could leave her to look after herself he returned and gave himself up to the army.

They both seem to have very much the same story. They seem to have discussed marriage immediately when the pregnancy was discovered and from then on and they seem to have come to the conclusion, and one possibly in which they were both a little misinformed as to army regulations, although they hit pretty near the truth, that if they had got married the woman would not have received the separation allowance, and also that the accused might have drawn attention to himself and been apprehended and thus the woman would have been left absolutely without support and with a child on her hands and herself absolutely incapacitated. This man has had a definite duty towards the army until September 1941 and then after September, 1941, he had also a definite duty towards this woman and it has seemed to him that his

"K-5"

duty to this woman come first. It may sound rather bad to say that his duty to anyone comes before his duty to the army but I qualify that by saying, to the best of his ability it seemed to him that his duty to this woman came first and he felt that he had to help this woman during this difficult period and if he had gone back to the army she would have been left absolutely destitute, whether he married her or not, and I submit that most men, if they had any sense of decency, would feel themselves forced to go to the same extent. He saw the girl through until he thought he could fairly leave her and then he gave himself up and, as he says himself, he came back to take whatever is coming to him and subsequently he hopes to marry the girl and start out with a clean slate. I think that is all I have to say.

"All I know, when I proceeded home on leave and saw the conditions into which my folks were living, my mother, my young brother and sister, I was absolutely discouraged; not half enough to live and not half enough to wear. They could not get along on $20.00 a month, which they were getting, after I joined the Army, from my assigned pay, so I figured I could fix up things a bit. So, I stayed home, knowing what the circumstances would be when I would return. I just worked around the neighbourhood. I did odd jobs around, until the R.C.M.P. came and got me on the 28th December. They took me to Sherbrooke, and I was brought back here."

A. 53 Yes, Sir.

Q. 54 Do your dependents receive dependents' allowance?

Q. 56 Did you ever receive a form for your signature, in regard to your dependents' allowance?

A. 58 Yes, Sir.

CROSS-EXAMINED BY THE PROSECUTOR.

Q. 59 Private Hamilton, how long have you been in the Army?

A. 59 I joined on September 15, 1940, Sir.

Q. 60 On September 15, 1940, until you went absent, the only support that your mother has had, was what she received from the Army, is it not?

A. 60 Yes, Sir.

Q. 61 Would you tell me why you had not gone home to try and earn more money before, and not wait till you were ready to go on draft?

A. 61 I gave my mother half of my pay, that's what I assigned to her.

Q. 67 Who is Captain Bryce?

A. 67 The Paymaster.

Q. 68 What did he say?
