[Translation]

The Acting Speaker (Mr. Charest): I declare the amendment defeated.

[English]

Mr. Benjamin: Mr. Speaker, I rise on a point of order. On my one and only opportunity as leader—

Some Hon. Members: Hear, hear!

Mr. Benjamin: I get more applause from that side than I do from this side. I think, Mr. Speaker, you would find a propensity on behalf of all of us—

Some Hon. Members: Oh, oh!

Mr. Hnatyshyn: After Crosbie's Bill, that's against the law.

Mr. Benjamin: I think, Sir, if you were to ask the House, you would find that there is a propensity to agree that the vote presently cast will count on the main motion in reverse, and that is for the benefit of all the goof-offs who are not here tonight.

The Acting Speaker (Mr. Charest): Order. It being one of the Chair's only opportunities to be in the chair during a vote—

Some Hon. Members: Hear, hear!

The Acting Speaker (Mr. Charest): Rising from your seats won't help any of you. I take it there is the unanimous consent of the House to apply the same vote in a reverse fashion on the main motion?

Some Hon. Members: Agreed.

Mr. Cooper: Mr. Speaker, could you just make sure that the Hon. Member for Peace River is included on the second vote?

The Acting Speaker (Mr. Charest): Therefore, I will put the question to the House. Shall I dispense with the ringing of the bells?

Some Hon. Members: Dispense.

The Acting Speaker (Mr. Charest): We will apply the vote in the reverse manner including the vote of the Hon. Member for Peace River (Mr. Cooper).

Some Hon. Members: Agreed.

The Acting Speaker (Mr. Charest): I declare the motion carried.

Bill read the third time and passed.

The Acting Speaker (Mr. Charest): It being after 10 p.m., the House stands adjourned until tomorrow at 11 a.m. pursuant to Standing Order 3(1).

The House adjourned at 10.15 p.m.
