

*No. 1,397—*Mr. McNulty*—January 30

Was any letter addressed by the Prime Minister or any other Minister to the Premier or any other legislative member of any province between September 27, 1962, and December 19, 1962, regarding portability of pensions?

No. 1,398—*Mr. Ethier*—January 30

Has the government given consideration to the acquisition, as an historic site, of the Sir John Johnson Manor House in Williamstown, Ontario?

No. 1,399—*Mr. Dupuis*—January 30

1. Does Mr. Yvon Guimond, Stationary Engineer first class, at the RCAF Station, St. Jean, Quebec, hold a third class engineer's certificate for the Province of Quebec and, if so, when did he acquire such certificate?

2. Is Mr. Guimond employed by the federal Civil Service?

3. Did he obtain the post he now occupies through civil service examination and, if so, when did the test take place, and what was his ranking?

4. If Mr. Guimond did not qualify by examination, how did he obtain his present position?

Notices of Motions for the Production of Papers—On Wednesday, February 6th.

No. 72—*Mr. Martin* (Essex East)—January 30

That an Order of the House do issue for a copy of the statement of the Minister of National Defence, dated January 28, 1963, regarding the government's position on defence with particular reference to nuclear weapons; the said statement having been distributed in the form of a press release.

No. 73—*Mr. Addison*—January 30

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House copies of all correspondence, telegrams and other communications, exchanged within the past five months between Canada and the United States, with regard to Canada acquiring any nuclear warheads.

No. 74—*Mr. Ethier*—January 30

That an Order of the House do issue for a copy of all correspondence to or from the government since December 31, 1961, relating to the feasibility of restoring the Village of Williamstown as an historic site or the acquisition of historic properties in Glengarry County for this purpose.

Private Members' Notices of Motions—On Monday next

No. 63—*Mr. Korchinski*—January 30

That, in the opinion of this House, the government should give consideration to the advisability of extending grants to farmers and municipalities for the construction of wells where a potable and adequate supply of water is located; such grants to be equivalent to the present grant available for the construction of dugouts.
