

opinions as I come from  
several older men students  
and members of the staff  
etc. I beg to report to you  
that, without exception, the  
Alumnae Executive regret the  
decision to separate the new  
Gymnasium from the <sup>future</sup> centre  
of student athletic activities  
on Pine Ave. - and in view  
of the article in the last  
number of the "Wifill News"  
we venture to hope that the  
matter may be re-considered  
Yours very truly
