"The story from its inception, and through the twelve volumes (see Second Series), is a bewitching one, while the information imparted concerning the countries of Europe and the isles of the sea is not only correct in every particular, but is told in a captivating style. OLIVER OPTIC will continue to be the boys' friend, and his pleasant books will continue to be read by thousands of American boys. What a fine holiday present either or both series of 'Young America Abroad' would be for a young friend! It would make a little library highly prized by the recipient, and would not be an expensive one."—*Providence Press*.

"OLIVER OPTIC is a *nom de plume* that is known and loved by almost every boy of intelligence in the land. We have seen a highly intellectual and world-weary man, a cynic whose heart was somewhat embittered by its large experience of human nature, take up one of OLIVER OPTIC's books, and read it at a sitting, neglecting his work in yielding to the fascination of the pages. When a mature and exceedingly well-informed mind, long despoiled of all its freshness, can thus find pleasure in a book for boys, no additional words of recommendation are needed."—*Sunday Times*.
