FEBRUARY.

The trees are all leafless, and the hollow blast
 Sings a shrill anthem to the bitter gloom,
 The lately smiling pastures are a waste,
 While beauty generates in Nature's womb;
 The frowning clouds are charged with fleecy snow,
 And storm and tempest bear a rival sway;
 Soft gurgling rivulets have ceased to flow,
 And beauty's garlands wither in decay:
 Yet look but heavenward! beautiful and young
 In life and lustre see the stars of night
 Untouch'd by time through ages roll along,
 And clear as when at first they burst to light.
 And then look from the stars where heaven appears
 Clad in the fertile Spring of everlasting years!
