TORONTOS WIN CHAMPIONSHIP OF N. H. A. FROM CANADIENS

Blue Shirts Captured Title by Four Goals After Blanking Frenchmen in Final Game -A Great Battle.

Last night Torontos added the scalps of the Canadiens to their belts and captured the championship of the N.H.A., by defeating the Frenchmen by the score of 6 to 0. It was an awful walloping that the visitors received, and the two-goal lead that they had so nicely tucked away for a safety faded before the onrushing blue shirts. Visions of the championship were very strongly impressed upon Kennedy's squad, but the game had not been long started ere the result was a foregone conclusion. A crowd of five thousand seven hundred saw the game.

Altho on the play the Torontos looked far the better in the first two periods, that they would come thru and trounce them in the final battle so one-sidedly never dawned upon the most rabid supporter of the locals. Two goals were considered a very large margin for the Canadiens to work on, especially as the tables showed that Torontos had had considerable trouble in beating Vezina in most of the games. To win by four goals after being two down is a feat that is well deserving of a lot of credit, and there was nothing flukey about the victory either. Better hockey was the only asset that the locals carried with which to gather in the spoils, and the hope of grabbing the world's championship from the Victorias. Canadiens were never in the play, and just how they happened to beat the Torontos in Montreal is hard to imagine.

A Hard Battle.

It was a hard game to lose, and, altho

rontos, moreover, at opportune moments pulled off some nice combination, and the tallies were not long in following. Jack Walker appeared at his best, as did also Cameron. These two never worked harder. Incessant checking and end-to-end rushing was utilized by them, and rarely a man got away from either of rarely a man got away from either of them. Harry Cameron worked like a Trojan, and time after time he carried the rubber thru the defence, only to be upset or driven into the corner because of no assistance. Walker made the Canadlen forwards look silly at times with his poke checking. Foyston and Marshall loomed up in the limelight scores of times, while Davidson did a lot of useful work that helped to clear away the stain on his last few performances. Holmes in goal was not very busy, but he was called on to stop many difficult shots.

cult shots.

A Pair of Frenchmen.

Lalonde and Laviolette bore the brunt of the battle for the losers. If they had not been in the game to steady their team-mates down the tale would have been very disagreeable. Payan and Scott worked hard and stayed with the play. Don Smith and Dubeau were hard driven, but managed to hold themselves. The grueling checking that the Frenchmen were subjected to completely dispersed any combination that they tried, and it was a wonder that they stood the gaff and kept coming for more. Vezina in the nets did not have a might off, as one might suspect from the score; in fact, he gave a good exhibition, as he must have stopped a regular rainstorm of shots.

Torontos cut down theler opponents' two-goal lead in the first period to one by beginning right from the start to stop the Frenchmen. Gradually the Canadiens were forced back on the defensive, and for minutes at a time the puck did not pass centre. During this time, Vezina was called upon to stop shot after shot, and it looked as if he was going to have the Indian sign on the locals, until Walker sent a sizzler from outside the defence at him. The shot was waist high and it buiged the net in twelve minutes. This put the locals on edge, and Foyston and Davidson worked their way in, only to have Vezina clear the shot. Cameron tried twice but was held out. He took the puck twenty feet out from the nets and, in shooting high to get past the mob in front of the net, hit Laviolette in the ear. The locals were coming like a house afire, but wild snooting spoiled scores of chances. Lalonde got away on the outside and dropped one right on Holmes' pads from centre ice. Holmes was fortunate in clearing, but Walker relieving brought the crowd to their feet with the same kind of a shot a half minute later. The score at the end of the first period was Torontos 1, Canadiens 0.

ORILLIA JUNIORS CHAMPIONS AGAIN

Varsity Boys Bewildered and Outplayed in Strange Surroundings Up North.

ORILLIA, March 11.—Orillia are jun ampions again. Varsity lacked the good back checking that they displayed in Toronto on Monday and were easy picking tonight for the fast Orillia fit. The final score was 10 to 3, the

At the other end, Reid and Macanab put up the best game of their carries and it was only on very rare occarions that Smythe, Milne and Co. had a chance at close quarters to battle with Mister Johnson. The champions for use ward line checked like flends for the full hour, and while not displaying any great team work, they had the one man rush game down to perfection.

When it looked hopeless, Milne broke away from a press, and, carrying it down, bored his way down the side and beat Johnson. The student boys here took a new lease of life, and were all over the champions in the next few minutes. Pearson had to retire with a cut eye, but this did not stop the collegians. Varsity's shots were dead on, but Johnson was in rare form and turned them all aside. Draper got the last goal of the half by taking a pass at the side and completely fooling Maione.

The second half was all Orillia, with Varsity putting up a game fight, that was hopeless. Orillia passed better in this session. The Varsity forwards, with the exception of Milne, holsted the distress signal from the grueling grind. It was just a case of how many Orillia was just a case of how many Orillia could get, and Malone was the busiest man on the ice. CANADIAN LEAGUE AMEND GUARANTEES

Ottawa Continues on Straight Basis—Umpires and Passes Arranged For.

The Canadian League held a schedule meeting at the Prince George Hotel yesterday afternoon, but at a late hour last evening the delegates were still arguing over the choice dates and the schedule will not be given out for a day or so. President Fitzgerald was in the chair and the following delegates were present: George O'Neil, T. J. O'Connor, Erie, Pa.; F. C. Buzzell, H. A. Reason, London; T. Nelson, Brannford; E. T. Carr, Peterboro; A. L. Garthwaite, M. M. Robinson, Hamilton; P. Kerwin, Toronto; M. T. Bryce, Ottawa; Chas. Stanley, St. Thomas.

The pass question was arranged so that Toronto gets one hundred season passes, Ottawa, Erie, London and Hamilton 50, and Brantford, St. Thomas and Peterboro 40. The daily passes will be distributed as follows: Toronto, 50, and the others 25 each. The guarantees were amended to read fifty dollars guarantee or thirty dollars rain. Ottawa will still have the same rate of seventy-five dollars straight as heretofore. The umpires named for the coming season were J. M. Flynn, Buffalo; J. G. Walsh, Wilkesbarre; R. E. Bedford, New York; Arlie Latham, Lynn, Mass.; H. Riley, Jamestown, Ohlo, and G. Miller, Kansas City.

The question of moving up into class B was left in the hands of President Fitzgerald. At the present time the National Commission are holding off, declaring that the population of the towns does not classify them as such. The president will try to show them that under the census of 1912 and without the population of Toronto the league is elisible for the higher series.

The Toronto Canadian Leaguers will play on the city side on a ground as close as old Diamond Park, but not necessarily in that direction. The field is an idea, one, on which President Kerwin has a five years' lease, New stands are to be erected, to seat 6000, including 1000 in the bleachers, and will be finished when Ottawa opens up here on May 28. The Canadian League season starts May 7, with Toronto at London.
