SNELZED FOR 20 YEARS!

And Was Distressed by Running at the Nose-Cured 18 Months Ago by Dr. Chase's Catarrh Cure,

A peculiar case claimed our attention a few days since. The book-keep-er of a well-known Toronto firm remarked that for twenty years he had been distressed by continuous sneezing subjected to a slight draught, and this was always followed by excessive running at the nose for some

No treatment seemed to be at all effective, until about eighteen months was recommended to try Dr. Chase's Catarrh Cure, which, to his surprise, completely removed these dis-

tressing symptoms. The cure seemed so remarkable and the remedy reached the seat of trouble so directly that this gentleman has recommended Dr. Chase's Catarrh Cure to a great many people, who have found it a prompt and unfailing cure for catarrh. His wife is now being cured of La Grippe by the use of Dr. Chase's Catarrh Cure, which, when used in conjunction with Dr. Chase's used in conjunction with Dr. Chases, Syrup of Linseed and Turpentine is a perfect treatment for La Grippe. 25 to strike out "by acting as time-keepers," and substituting "by appointing two time-keepers." GREAT DAY FOR LONDON. Four wins in one day! This is the record of teams representing the London Y. M. C. A. yesterday. It was truly London's day to In the afternoon three visiting teams played at the associa-tion gymnasium, and one team from London went to Brantford and played the Y. M. C. A. team of that city. The Hamilton Seniors were the first to lose their scalps to London. They were: Charles Sharp and Alex. Gray, forwards; O. McDonald, center; T. Stafford (captain) and J. Edwards, defense; and they played the game so roughly that Umpire Holman had to bring them to time. Scoring by both teams was plentiful, London securing 28 to 22 for the visitors. Four goals were secured by London on fouls. London team comprised: Fred Clarke (captain) and M. Ferguson, forwards; G. Tambling, center; J. Robinson and Chester McLaren, defense.

The Stratford Juniors were defeated

by the London Juniors by 15 to 5, Stratford failing at any time to play well enough to make the game interesting. The teams: London-Skinner and Dale, forwards; W. Marshall (captain), center; Archie McMahon and F. Marshall, defense. Stratford—George Beach and D. Forbes, forwards; Bert Frank (captain), center; Lou Collins and R. Cash,

The Stratford Seniors and a second team of London Seniors played a close game, London's score being 17, a majority of 3 over the visitors. This was considered the best game of the season. The teams were: London-W.Stock, W. Greene, E. Weaver, Higgins, Black. Stratford-J. Moir, E. Beach, J. Cast, J. Black and L. Moir.

The team that went to Brantford put up a great game and came back victerious by a score of 18 to 11. Capt. George Wilson was in charge of the The game was hard and rough. In the morning the working juniors and the school juniors played the first of a series of games, and the working juniors won-8 to 7. The fouling of Ingles, who played on the school defense in the first half, was very disastrous to that team, costing 2 goals, and practically losing the game. Fred Higginbotham replaced Ingles in the second half. The teams: Working Juniors-Leonard Goodge (captain), center; Charles Daniels and Fred Marshall, forwards; Glen Wilson and Frank Slater, defense. School Juniors -L. Skinner (captain) and Percy Williams, forwards; W. Holt, center; L. Douglas and R. Ingles and F. Higginbotham, defense. George Tambling was

"She has a beautiful voice," said one lady of another who sings in the choir of one of our churches, "but her breath is a fright.' "Poor girl!" exclaimed the other. "She

"Well, I think somebody ought to tell her what to do. Hasn't she some real intimate friend who dare tell her the truth without giving offense?" "The young man who's engaged to her might do that, perhaps," suggested

the other. "Well-I-declare. I-should-thinkhe-would," declared the first, with

amazement. "But he has catarrh, too-and, like two people who have both eaten onions, neither notices anything peculiar

on the breath of the other." One of the first steps in the course of the perfect cure effected in all cases with Dr. Agnew's Catarrhal Powder is the elimination of all the offensive features of the disease. It dries up all the catarrhal secretions and discharges, and, in that way, at once removes the cause of the very disagreeable odor which catarrhal sufferers exhale. And it cures from the start. Nine out of every ten recoveries from La Grippe are followed with catarrhal affections, which may hang on for days, or continue for years, but which are immediately relieved with Dr. A, new's Catarrhal Powder. Many wonderfully quick and permanent cures with this sterling remedy are mentioned in the testimonial sheet which is mailed free to anyone on request. Address S. G. Detchon, 44 Church street, Toronto.Dr. Agnew's Catarrhal Remedy can be had at all drug stores.

IT COSTS BUT A TRIFLE,

And the Best Doctor in the World Could Not Prescribe Anything

"I' it's what the doctor ordered, then it's good." But when you are seized with a ca-

tarrhal cold which chokes up the air passages, clogs your brain, inflames your eyes, and almost splits your head with racking pains, you save yourself time, expense and distress if you have Dr. Agnew's Catarrhal Powder at hand in the house. Your doctor's prescription may be just as good as Dr. Agnew's, and if it is, it will cost you twice or thrice as much, because Dr. Agnew's Catarrhal Powder is prepared for millions. And the flexible little blower which goes with each box as sold at the drug stores enables you to use the remedy with the greatest ease and convenience.

But why wait until you are troubled with catarrh? The first sign of a cold -"the snuffles"-should find you prepared with Dr. Agnew's Catarrhal Powder. As an infallible remedy for any member of the family afflicted with catarrh, hay fever, sore throat, influenza, headache, deafness, tonsilitis or even an ordinary cold in the head, Dr. Agnew's Catarrhal Cure has no

equal. The best doctor in the world could not prescribe anything better, and precious few doctors would give you any thing as good.

One Little Puff.

A little elastic blower is wrapped up with each package of Dr. Agnew's Catarrhal Powder, and one little puff is all that is needed to relieve you instantly. The cure follows right after, in every case. Dr. Agnew's Catarrhal Remedy can be had at any drug store.

They Know It Is Good.

Well-known Canadian clergymen, college professors and public officials are among those whose testimonials fill the catalogue of cures effected with Dr. Agnew's Catarrhal Powder. Their names carry weight, for the unqualified praise which they give to this remedy. Having been suffering with catarrhal affections themselves, know how to sympathize with others, and they willingly recommend Dr. Agnew's Catarrhal Powder, because cured them.
