The Ottawa Ward Sabbath School, under the superintendence of Mr. C. R. Cunningham, has now been in operation for fifteen months, and, amid many drawbacks and discouragements, gives hope of early success. The average attendance during the summer months was 23, and during the winter 13. In this school there are four teachers who have been very regular in their attendance and warmly interested in the prosperity of the school.

The Superintendent laments the want of a library suited to the requirements of the school, and we trust that the Congregation will see to it that the want will be immediately supplied.
