During the past month some milk was found with as many as 20,000,000 in fifteen drops. One dealer, in fact, had so many bacteria in the milk that he sold that they were uncountable. Milk that has not more than 10,000 bacteria is certified milk, which means that it is the product of a cow which has passed the tuberculin test. Although this milk is hard to obtain, it is said to be the best.

Men Tired of Bowlers, Toppers, Straws and Homburgs, London View.

London, June 16—(By Mail).—The "peace hat" is a new kind of headgear about to be offered to London men. Mystery veils its shape and material, and hatters thus far have managed to keep the secret strictly guarded, but they have hinted enough about a revolution in men's head covering to stir up a lot of curlosity.

CITY SOLICITOR ACTING

TORONTO, July 9. — Sir Thomas White, Dominion minister of finance, speaking to the Canadian Press tonight, expressed himself as greatly pleased with the success of the Canadian load in New York. The result, he said, would be to more firmly establish the credit of Canadia among American investors and facilitate the future sale of Canadian provincial, municipal and other securities. This would tend to favorably influence exchange conditions between Canada and the United States, The minister stated that all the Dominion's external maturities were now arranged for a long time to come. On July 1, he said, a sterling obligation of about \$20,000,000,000,000, due on Augush 1, would be paid from the proceeds of the loan which had just been successfully floated in New York.

ST. MARYS HAS HYDRO CREDIT OF ABOUT \$300

ST. MARYS. July 9.—At the regular meeting of the town council Mayor Dale sprung a surprise by stating that he had received a check payable to the town of St. Marys, of \$268.91, from the hydro power commission at Toronto, as being an over-paid account. The hydro auditors went over the accounts of the water, light and power commission of St. Marys from 1912 to 1917, and instead of the town water system being indebted several thousand dollars, as had been often stated to the public and town council, the check revealed a surprise.

The council has proclaimed the first Monday in August civic holiday. Plans Monday in August civic holiday. Plans Monday in August civic holiday. Plans of the underdrain at the flats show the drain to run under the Thames mill dam were received. The G. T. R. bridge department sent word to the council that the overhead bridge will be completed as soon as possible. The personal bond of H. A. Dinsmore, the new tax collector, was accepted, \$5,000 being the amount. The new entrance to the fair grounds will be helped through by the council grading Ann street.

Margaret McLarkey, widow of James Kelly, passed away Tuesday after a few days' illnes of pneumonia, following influenza, at the age. of 50 years. The funeral will be held from the late residence, Thursday, at 9 a.m., with interment in St. Marys Cemetery.

Mrs. Melville Westman read a beautifully worded address and Miss Olive Cook, organist and choir leader of the church, presented Miss Robinson with a solid gold wrist watch. The address spoke in high terms of Miss Robinson, and was signed on behalf of the congregation by Olive Cook, D. C. Crawford and George Westman.

C. W. McRoberts spoke a few words, stating that Miss Robinson would be greatly missed in Granton Methodist Church.
