A FATHER'S AWFUL CRIME.

Killed Two of His Children, Wounded Another and Then Shot Himself.

Baltimore, June 2.—Within a week the people of Baltimore have been startled by two murders, several successful and unsuccessful attempts at suicide, and a series of assaults, but this cycle of crime reached its climax this morning, when Edgar Harris, a letter carrier, 32 years of age, shot and killed his 12-year-old son George and his 6-year-old daughter Ada, wounded his daughter Ella, aged 14, and then turned the pistol on himself. He is now lying at the point of death in the Johns Hopkins Hospital.

Edgar Harris, jr., aged 9 years, was the only member of the family who escaped uninjured. He was lying in bed beside his brother George, in the front second-storey room. His father fired at him, but the bullet missed his head by half an inch and buried itself in the pillow upon which he lay. The insane father then rushed into the back room to kill the girls and the little fellow fled down the stairs and escaped.

The story of the awful affair, as told by those who were on the scene soon after the shooting, indicates that Harris committed the deed while temporarily insane. He was devoted to his home, always talking of his "beloved wife," who has been dead quite some time, and children, and would have been the last person suggested as the author of such a tragedy.

Its Forty-Fifth Birthday.

The scholars of Elm-street Methodist Sunday School mustered in full force on Tuesday evening to celebrate the forty-fifth anniversary of the school. The pastor, Rev. Dr. German, conducted the opening exercises, after which ex-Ald. R. J. Score, who has held the honored position of superintendent for 15 years, took the chair, and in his opening remarks thanked the members of the church and congregation for their liberal support and presence on all occasions. This, in conjunction with the earnest labors of the officers and teachers, had resulted in a most flourishing school. An excellent program of solos, choruses and recitations was then supplied by the pupils. Master Fred Score created a surprise by his rendition of "The Holy City," it being his first effort in public. The beautiful solo was sung with splendid effect and received well-merited recognition. The crowning piece of the evening was the pretty cantata, "The Arch of Fame," by the senior scholars. The marching of the young ladies was very artistic. This most enjoyable entertainment was closed by the scholars and congregation singing "God Save the Queen."

The Metropole to be Closed.

The Metropole Hotel, on King-street west, is to be closed, Messrs. Adams & Burns, who have been running the hotel, finding it impossible to carry on the business and pay the heavy rent which the owner of the property demands. During Messrs. Adams & Burns' ownership of the Metropole, Mr. Turnbull Smith has had the management of the hostelry, and it is safe to say that the hotel was never better conducted under any management. Mr. Smith is a thorough hotel man, who understands the comfort of his guests.

Baptist S. S. Association.

The annual meeting of the Baptist Sunday School Association will be held to-night in the school room of Jarvis-street Baptist Church. In the absence of the President, Mr. James Ryrie, the Vice-President, Mr. E. J. Roberts, will conduct the meeting and receive the various annual reports, which are looked forward to with interest. A fact which will be mentioned therein is that 31 Baptist schools exist in the city with 600 teachers and 7000 scholars.

One of the chief speakers of the evening will be Rev. William Patterson of Cooke's Presbyterian Church.

Turkish Rugs and Carpets by Auction.

The gigantic auction sale of elegant Turkish and Persian rugs, carpets, embroideries, etc., commences this morning at 11 o'clock at the warerooms, Nos. 91-93 King-street east. Lovers of art goods should avail themselves of this grand opportunity of purchasing Oriental goods. Mr. Charles M. Henderson will conduct the sale.

Moulton Girls at Work.

The Moulton College girls are diligently practising for their performance of the cantata Gitanella, which will be given in the school room of Bloor-street Baptist Church on Monday evening, June 7, under the direction of Miss Mary H. Smart, one of the resident teachers. Invitations were sent out yesterday to the friends of the school. The closing exercises will be held on Thursday evening, June 10.

TIPS FROM WALL-STREET.

The market closed strong.

The net earnings of Burlington for April show an increase of $100,000.

The most active stocks to-day were: Sugar 5900 shares, St. Paul 23,500, Burlington 29,900, Rock Island 7800, W.U. 3700, U.P. 2900, Jersey Central 5600, N.Q. 3400, Reading 6200, L. & N. 6600, C. & O. 5400, Atchison 1100, Chicago Gas 28,800, Tobacco 1900, Manhattan 2400, Southern pref. 7600.

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from New York:

The stock market continued strong this afternoon. The close was a shade off from the best prices, and quiet, but with no weakening in tone. The Grangers touched the highest prices of this movement, and Gas did not increase the morning's gain, but held it well. Sugar was very dull and heavy. Considerable buying of Louisville & Nashville added only a small fraction to the price. Chesapeake & Ohio advanced a point, with a fair activity. Reading was the active coaler, and showed strength. Jersey was heavy. No important news developed this afternoon. The Inter-State Commerce Committee did not meet to-day, but it is expected that it will consider the Pooling Bill to-morrow. Sterling dull at $4.87 for demand bills. The gold to be shipped to-morrow has been increased to $650,000.

CHICAGO GOSSIP.

Henry A. King & Co., 12 King-street east, received the following despatch today from Chicago:

The market ruled steady to-day within a narrow range of prices. Foreigners did barely anything in this market. There were some dry weather and chinch bug reports received from Missouri and Kansas, but had no material effect upon the market. Reports from Oklahoma indicate 30 to 60 bush per acre, and the talk is of a yield equalling 20,000,000 to 25,000,000 bush. whereas in 1895 Oklahoma's yield was 2,592,656 bush, and in 1893 not sufficient to be worth mentioning in the Government report. The St. Louis market was slightly stronger early, but later settled down to last night's closing figure. They bought about 50,000 bush, which was reported to be for Kauffman. The seaboard stocks aggregate not much over 3,000,000 bush. Small as these are, they seem enough for the current export business until the Southwestern farmers shall commence to sell their new wheat. Roache, O'Brien, Norton, Worthington and Brosseau were the most conspicuous sellers, while Cudahy and Barrett took on small lines.

Late reports from California indicate a yield in that State of about 30,000,000 bush, about the same as last year. The Government figures were 45,097,195 bush. There were about 12 loads taken for export. The market looks weak enough to be a purchase for a turn, and persons intending to sell should place their orders above the present market prices.

Corn—Ruled active and steady. Receipts were very large, 1540 cars, with 800 cars estimated for to-morrow. Cash demand fair. Cables were firm to ¼d higher for futures. The trade was very good, but chiefly local in character. The close was steady to firm.

Oats—Dull and inactive, ruling within a narrow range, ⅛c to ¼c. Receipts liberal, 723 cars, with 350 cars estimated for to-morrow.

Provisions—The speculative hog markets ruled active and lower to-day. Packers and professionals were free sellers, and the buying by commission people was small and scattered. Receipts were 35,000 hogs, with 37,000 estimated for to-morrow. The close was steady.

McIntyre & Wardwell (John J. Dixon) received the following despatch to-day from Chicago:

Wheat—The Missouri State reports, showing a reduction of nine points as compared with previous report, steadied the market early this morning, but did not deter a good many local traders from selling wheat short. The market ruled dull but steady until near the close, when it became known that there was a fair cash demand here, then it strengthened immediately, and advanced about ⅜c, closing firm at best prices. The most conspicuous buyers at the close were the local shorts. The cash sales will amount to 200,000 bush. No. 2 spring mainly, which sold at 1½c to 2c over July. The seaboard reported 11 loads taken for export. Cables were steady. Bradstreet's statement showed a decrease of 2,312,000 bush in world's stocks. We rather look for some advance, but much depends upon the demand for cash wheat.

Provisions—Opened steady, and sold off on free offerings of September ribs by Swift & Co., C. P. & P. Co. and John Barrett. The market continued weak until the grain markets became stronger, then shorts in provisions bought freely of ribs, causing a reaction of 7½c. Market closed firm, with most of decline recovered. Estimated hogs to-morrow, 36,000.
