PASCOES MEN'S UPSTAIRS CLOTHES SHOP

Announce an Important Revision of Prices on their entire stocks of Men's Hand-Tailored Clothing

WE hereby advise the patrons of our Upstairs Clothes Shop and the men of Toronto that the manufacturers from whom we buy our clothes have notified us that their wholesale prices have been reduced for spring. That is to say, we can replace our present stocks, consisting of the finest hand-tailored clothes produced in Canada, for less money than we paid for them.

In view of this condition our manufacturers have given us certain rebates and concessions on our present stocks.

As a consequence of this notice and concession from the source of supply we have decided to sell all our present stocks at new, lower prices and thus give our customers the benefit of a falling market NOW.

The patrons of Pascoe's Upstairs Clothes Shop know that for six years our prices have been consistently lower than the same clothes could be bought for in ground floor stores. They know that our policy has always been to buy at the lowest prices and sell to the public at prices free from high rents and selling expenses.

Now with this new revision of prices based upon next spring replacement values, the men of Toronto will get a still further saving by coming to the 2nd Floor, Kent Building.

We wish to say that this condition in the high-grade clothing market has arisen suddenly and is the sole reason for the change in our prices. The public of Toronto know that Pascoe's Upstairs Clothes Shop never holds "sales," and, therefore, there must be a solid fundamental reason for making this announcement.

Pascoe's new revised prices are now in effect, and the men of this city are invited to make comparisons before buying their winter clothing.

PASCOE'S UPSTAIRS CLOTHES SHOP

2nd Floor, Kent Building, Toronto Corner of Richmond and Yonge Sts.

OPEN EVENINGS UNTIL NINE

N. B.—We wish it clearly understood that this is not a "sale" announcement but a revision of prices brought about for two reasons:
(1)—Because we have been granted rebates and concessions from the manufacturers.
(2)—Because we can replace our present stocks for less than we paid for them.
We also wish it understood that the new prices to be found in Our Upstairs Clothes Shop will be permanent.
Claude Pascoe
