

## NEW CREDIT.

The Delaware Indians have been for years deceived and cursed by Universalism. The Spirit of God is now awakening them from the delusion. They are anxious to escape the damnation of hell, and are learning the old Methodist doctrine that gives no uncertain sound. The "Baptism of fire" has disabused many minds of the so-called need of dipping or plunging in water.

We have found the week evening prayer-meetings, from house to house, to be a good feeder to spiritual life. The Delawares have, from their own resources, subscribed \$350 toward the building of a church. They need aid from the Society to complete the work. By deaths, removals, and dropping we have lost 22 names, and received on trial, during the year, 35. Our present membership, 77.

## GRAND RIVER.

On coming to this Mission I found the congregations small, and the attendance on class irregular. I reorganized the classes. The congregations have greatly improved, and the classes are better attended. We have two Sabbath-schools. Some of our Indians died through the year, and they died well. My predecessor did a good work in repairing and painting the church. There was a debt of \$70.00 on it, which we have partially reduced. I intend making an effort this year to clear off the debt. We have had an addition of ten members; still, owing to removals and other causes, I have to report a decrease. We have two day-schools in operation, but it is hard to get the Indian children to attend regularly. Members, 64. Appointments, 3. I am hoping for good times this year.

## MUNCEY.

There are seven appointments on this Mission at which divine service has been regularly conducted through the year. The class-meetings are well attended, and have been seasons of refreshing and great profit to the Church. At two of these a gracious revival has prevailed among the white portion of the community living near this reserve, resulting in the formation of two classes, numbering nearly forty members. We have an increase in our membership, in the amount raised for the General Mission Fund, and also in the Quarterage raised for the support of the Missionary. The work among the Indians is also much improved, in which we greatly rejoice. Members, 141.
